BUDGET DEBATE BROUGHT TO CLOSE IN QUEBEC LEGISLATURE; CLAIMED SCHOOL INSPECTORS UNDERPAID

Brig.-General Smart and Henry Miles Concluded the Debate Yesterday in Quebec House—Military Member of the House Informed Government that School Inspectors Were Not Paid Sufficient Salaries—He Also Stated that in His Opinion the Government Was Not Doing Enough for Elementary Education, and that Teachers Were Not Well Enough Paid.

(Special to The Record)

QUEBEC, QUE., February 2.—Brigadier-General C. A. Smart, of Westmount, and Henry Miles, of St. Lawrence, Montreal, brought the budget debate to an end in the Assembly, yesterday, the military member of the House in terse language suggesting to the Government that while a surplus was a good thing to have at the end of the year, it was not well that such important officials as school inspectors should be notoriously underpaid and insufficiently provided with expenses. Mr. Miles contended himself with telling what a good government he followed and hoped the Government would continue to get big revenues from liquor, and believed this result would come about because those people who now have something in the cellar will soon be obliged to look to the Commission for replenishment.

General Smart gave the House a comparison between this Province and other Provinces in regard to inspectors' salaries, showing that the amount paid here was \$1,600 per year, with \$500 for expenses, which the inspectors were able to collect only months after they had expended the money, whereas, in Nova Scotia inspectors received \$2,500 per year and have an expense allowance of \$400; in Manitoba the school inspectors get from \$2,400 to \$3,000 and have \$780 for expenses; in British Columbia the salaries are from \$2,800 to \$3,000 and expenses of \$780 per year; in Alberta the salaries run from \$2,400 to \$3,000 and expenses are approximately \$1,000 per year; Ontario salaries are \$3,000 and expenses \$1,200, including bonus; and in Saskatchewan it is \$2,400 to \$3,000 and \$1,200 for expenses.

"Why should the Province of Quebec, the largest in Canada, pay less than any other Province, and then boast about a surplus?" asked General Smart.

NOT SUFFICIENT DONE FOR ELEMENTARY EDUCATION

General Smart did not think that enough was being done for elementary education. He claimed teachers are not well enough paid, and this was detrimental to the cause of education. When teachers are happy and contented, the result is noted in the children. When they are sour and discontented, worrying about making both ends meet, it could not but be that the children suffered, for the child mind was in a plastic state. It had to be remembered, he went on, that the teachers were giving the best they could, but it had to be remembered, also, that the Province is getting from the teachers only what is paid for.

REFUSED TO GIVE GOVERNMENT FULL CREDIT

General Smart denied that the Government was entitled to the credit for the good state in which the Province finds itself. This condition was due to the fact that people are frugal and industrious, more so than in any other Province in the Dominion, and the manufacturers and merchants had no equal. In this connection the speaker referred to the fact that of late French-Canadians had gone more and more into the industrial field, and their progress had been by leaps and bounds.

To those who had been in France the similarity between the French-Canadians and the French peasants in the matter of industry and frugality could not but be strikingly noted.

GENERAL SMART CLAIMED THAT THE GOVERNMENT HAD ENCROACHED ON THE MUNICIPAL SOURCES OF REVENUE

General Smart said that the Civil Service was badly underpaid, and if they were properly paid, the surplus would not be so big. Another reason for the surplus was the fact that the Government had encroached on municipal sources of revenue, such as motor taxes, which he believed should be divided in referring the various sources of revenue, the member for Westmount said that the Government during the course of the last year should have made some reduction, even temporarily, in the case of commercial corporations.

Turning to the estimate of two millions on trade account from the liquor law, General Smart said that it would appear. In view of the statement of the Prime Minister, that if the profits were to be four millions a year, that the people would stop drinking, or that the conscience of the Government would be affected to such an extent as to bring down the price of liquors. But General Smart did not think there would be a diminution in the consumption, and he felt sure that there was no danger of the Government's conscience making itself troublesome; consequently the whole reason for the small amount of two millions estimated was to have a surplus at the end of the year.

General Smart referred to the organization of the Liquor Commission, in regard to statements referring to the fact that the Provincial Treasurer had said monthly statements could not be obtained. If the Commission was properly organized there was no reason why there should not be monthly statements, he declared.

MR. MILES REPLIES TO CRITICISMS.

Mr. Miles, replying, said that he felt that increased efforts of the Government for education would come in time and that elementary education would be well looked after. The Government was alive to the situation, he claimed. He did not believe that a portion of the tax on motor vehicles should go to the municipalities. There was a much wider range for utilizing that revenue that satisfying the desire of some municipalities to escape their duty of raising their revenues. It might seem in the aggregate that the corporations were heavily taxed,

GIVING MATTER OF AN EMBARGO ON ASBESTOS SERIOUS CONSIDERATION

(Associated Press Despatch.)
QUEBEC, Feb. 2.—"The Government is giving the matter of an embargo on raw asbestos very serious consideration," stated Hon. L. A. Taschereau, Premier of the Province. "We are anxious to do everything possible to build up an industry in manufactured asbestos products in this province, so as to reap the benefit of the great asbestos deposits which this province contains."

PLANS TO BUILD MANY HOTELS IN SOVIET RUSSIA

German Magnate Is Having Economic Survey Made Before Invading Russia.

(Associated Press Despatch.)
BERLIN, Feb. 2.—Preparatory to an invasion of Soviet Russia, Herr Stinnes is conducting a comprehensive economic survey of that country through a number of German experts representing many callings and professions. A delegation which left Berlin for Moscow recently comprises financial, economic, commercial, transportation and agricultural experts, who have been commissioned by the German magnate to make a minute study of general conditions in Russia, with a view to the adoption of a final plan of action which is to determine the extent and nature of his operations in the Soviet Republic.

The delegation, which is headed by Dr. Fehrmann, who is Herr Stinnes' Russian adviser, also includes Jacques Kraemer, a well known hotel proprietor, who will supervise the organization of a chain of hotels, for which Stinnes is said to be seeking a concession from the Soviet Government in anticipation of an early influx of trade representatives and tourists into Petrograd and Moscow.

TEN BURNED AS RESULT OF EXPLOSION ON SHIP

Were Cleaning Oil Burners of Empress of Scotland—All Ten Men Rendered Unconscious.

NEW YORK, Feb. 2.—Ten men were more or less seriously burned by an explosion in the engine room of the Canadian Pacific liner, Empress of Scotland, docked in North River pier this morning. The men were engaged in cleaning oil burners on the big vessel, when a back draft carried a spark into the mixers and ignited the inflammable mixture of air and vaporized oil. So violent was the concussion that an iron door of the engine room was wrenched from its hinges and the shock was felt in all parts of the vessel.

The injured men, all of whom were rendered unconscious, by the explosion, were rushed to hospitals, where their burns were treated.

DELEGATES ARE ARRANGING FOR FINAL WIND-UP

Arms Conference Delegates Now Have Free Field for Action on Pending Far Eastern Questions

(Associated Press Despatch.)
WASHINGTON, Feb. 2.—Final consummation of the naval limitation treaty and settlement of the Shantung controversy gave the Arms delegates a free field for action today on pending Far Eastern questions and a crowded programme of committees and delegation meetings had been arranged to begin the final wind up of this branch of the conference negotiations. A meeting of the Far Eastern committee of the whole also had been called for later in the day.

Prior to the committee session the delegations were meeting separately to consider drafts of the two treaties into which it has been decided the agreements of Chinese questions not included in the nine resolutions brought forward at the plenary session yesterday. One of these treaties is to embody the resolution for revision of the Chinese tariff, and the other will deal with other agreements reached by the Far Eastern Committee. It was expected the committee would get around to discussion of the treaty drafts before adjourning today.

Boundary Line To Be One Of The Chief Subjects Taken Up By Premier Craig And Michael Collins At Conference

Another Important Matter Will Be The Fate of The Three Sinn Fein Prisoners Under Sentence of Death in the Londonderry Jail—Stated that Premier Craig Will Be Requested to Stop the Executions.

(Associated Press Despatch.)
DUBLIN, Feb. 2.—Several important questions were awaiting discussion by Michael Collins, head of the Provisional Irish Government, and Sir James Craig, the Ulster Premier, at their meeting here today. Probably the most urgent matter was the fate of the three Sinn Fein prisoners under sentence of death in the Londonderry Jail. Had they been confined in Southern Ireland, these men would have been released under the Anglo-Irish Treaty's workings, but Londonderry is within the Ulster jurisdiction, and the law is taking its course. The execution of the men has been fixed for February 9, and the scaffold is being erected in the prison. Premier Craig was to be asked to stop the executions.

It was expected the boundary question also would be discussed during the interview. It seems to be the feeling here that if North Ireland is to stay out of a United Irish Parliament, it must give its assent to some rearrangement of the boundaries that will leave to Southern Ireland certain blocks of northern territory inhabited mainly by a population which refuses obedience to the Northern Government, that Government receiving in exchange some bits of Ulster now included in Southern Ireland, where there is a considerable Unionist population.

SIR JAMES CRAIG WILL PROCEED TO LONDON

(Associated Press Despatch.)
BELFAST, Feb. 2.—The first formal conference on Irish soil between Premier Sir James Craig, of Ulster, and Michael Collins, head of the Provisional Government of the Irish Free State, will be held this afternoon in Dublin.

Premier Craig, accompanied by his secretary, Lieutenant-Colonel W. B. Spender, left this morning for Dublin, where the conference will be held in the City Hall. Following the meeting, Sir James will proceed to London.

INVENTION OF A NEW COMPASS FOR AIRPLANES

It Uses Principle of "Revolving Coiled Wire" Instead of Magnetic Needle.

(Associated Press Despatch.)
WASHINGTON, Feb. 2.—Experts of the Bureau of Standards have invented what is believed to be the first completely successful airplane compass, and the Department of Commerce announcement says it now is being successfully tried out by the United States Army Air Service.

It uses the principle of the "revolving coiled wire" instead of the magnetic needle. The value of the instrument was said to be its ability to respond instantly to the quick turns of evolutions of a plane.

ITALIAN GOVERNMENT HAS DECIDED TO RESIGN.

(Associated Press Despatch.)
ROME, Feb. 2.—The Italian Government of Premier Bonomi has decided to resign, the semi-official Stefanni Agency announces.

The Cabinet council met this morning to discuss the situation created by the attitude of the parliament, says the statement, and as a result the Government's decision to resign was reported.

POLICE CONTINUE WORK ON TORONTO MYSTERY

Several Claim that Death of Father of Murdered Boy Was Accidental.

(Associated Press Despatch.)
TORONTO, Feb. 2.—The police are not through with the "beauty powder" mystery, but in what regard their activities are directed they do not care to disclose. That James Buchanan met his death by accident is argued by some of his relatives. Permission was yesterday afternoon sought of Chief Coroner Dr. George W. Graham to hold experiments in the home of Buchanan to show that his death was not a suicide. Any experiments carried out will be under direction of the Crown.

DR. CAMPBELL DEAD

France Will Be Officially Represented At The Economic Conference At Genoa

Assurance of France's Attendance Given in Communication from Foreign Office, Which Lets It Be Known that France Is Already Committed as a Member of The Supreme Council.

(Associated Press Despatch.)
PARIS, Feb. 2.—France will be officially represented at the International Economic and Financial Conference in Genoa early next month. The assurance of France's attendance was given in a communication from the foreign office, which does not say in so many words that France will be represented, but lets it be known that she is already committed as a member of the Supreme Council.

The statement is in the form of a denial that Premier Poincare had telegraphed yesterday to Premier Bonomi, of Italy, accepting his invitation to the Conference. The announcement reads: "Contrary to the announcement published in certain newspapers, it is incorrect that the French Government made known yesterday by a telegram addressed to Rome that she accepted the invitation to participate in the Conference at Genoa."

GENERAL OPINION IS THAT NEXT POPE WILL COME FROM MODERATE SECTION OF THE SACRED COLLEGE

The Conclave of the Sacred College Began Its Sittings Today—Balloting Not Expected to Consume More than Two Days—Crowds Gather in St. Peter's Square to Watch for the Telltale Smoke Wreaths from the Chimney of the Sistine Chapel, Where the Conclave Sits.

(Associated Press Despatch.)

ROME, Feb. 2.—The conclave of the Sacred College, which is to choose a successor to Pope Benedict XV, began its sittings today.

The fifty-two cardinals who are in Rome went into seclusion last night, and when the great oak barrier at the entrance of the court yard of St. Damaso was closed, they were cut off from communication with the outside world until their Sacred task was done.

The balloting is not expected to consume more than two days, and the next Pope, in the consensus of opinion in Vatican circles, will come from among the moderate section of the Sacred College, rather the "irreconcilables" nor the "peace party" which favors closer relations with the Italian Government, is understood to have a chance to elect its candidate, the moderates holding the balance of power.

Crowds gathered this morning in St. Peter's Square to watch for the tell tale smoke wreaths from the chimney of the sistine chapel, where the conclave sits. A ballot is taken on the morning and evening of each day the conclave is in session, and these smoke puffs are the only indication to the watchers as to the progress being made. When no election is effected a little straw is burned with the voting papers, causing the smoke to assume a dark color. When a choice is finally made, the ballots, burning alone, emit a thin wisp of light smoke. Until the election is effected, the only communication between the approximately two hundred and fifty persons in the Vatican and the outside world is through the "rota" or turning box at the entrance of the Court yard, and such communications as are made in this way are not allowed to come to the attention of the cardinals. Penalty for violation of this secrecy is excommunication and Saturday.

BELIEVE CONCLAVE WILL BE OF SHORT DURATION

The confidence that the conclave would be of short duration is shared by Cardinal Gasparri, who in making provisions yesterday for the sustenance of the Cardinals, only provided menus for today, tomorrow and Saturday.

Others, who believed the election would be brief, pointed out that the Cardinals generally were in favor of a continuation of the late pontiff's policy, and that there was therefore nothing to do but choose a man who follows that policy.

MODERATE PARTY HOLD BALANCE.

As the conclave convened it appeared that the "irreconcilables" headed by Merry del Val, and the "peace party" under Gasparri shall each count on twenty votes, the remaining twelve constituting the moderate section.

The candidate of Merry del Val's group was said to be Cardinal La Fontaine, while any one of Cardinals Gasparri, Maffi or Ratti was said to be acceptable to those favoring a rapprochement with the quinquennial. Cardinal Laurenti was mentioned as a candidate who might be put forward by the Moderates and fully satisfy both factions.

Hair Often Ruined By Careless Washing

If you want to keep your hair looking at its best, be careful what you wash it with. Don't use prepared shampoos or anything else that contains too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just plain Mulisified coconut oil shampoo (which is pure and greaseless), and is better than anything else you can use.

One or two teaspoonfuls of Mulisified will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which easily penetrates, removing every particle of dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get Mulisified coconut oil shampoo at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months. Be sure you get Mulisified. Beware of imitations. Look for the name Watkins on the package.

King's Corner; Miss S. Wilkin, of Lancaster, N.H.; Mrs. Wm. C. Cruickshank, of Weymouth, Sask., and Mr. Wm. Gullen, of Sawyerville.

The oyster supper and dance given by the S.B.C.R.A. on January 25th was a great success. The supper, which was excellent, was prepared by the members of the Lemesurier Women's Institute. Music was furnished by the local orchestra, and rendered in their usual grand style. In spite of the severe weather, a large number were present, including many from a distance.

Miss L. E. Ross was the guest of Mr. and Mrs. J. D. Hutchison last week-end.

Mr. Stuart Warcup went to Thetford on business on Saturday.

Mr. Hugh Beattie spent the week-end with his parents here.

Mrs. Mary Church has been seriously ill for the past week.

Mr. and Mrs. Wm. Reid, of Maymont, Sask., were guests of Mrs. Wm. T. Smith on Tuesday.

Miss Emma Wilkin, who has been under the doctor's care for some time, is not improving very rapidly.

CHERRY RIVER

The farmers in this vicinity are putting in a good supply of ice, which is of excellent quality.

Maurice, the twelve year old son of Mr. Parker Powers, is dangerously ill with pneumonia. Mrs. Annie Powers, who came from Magog to help care for her grandson, was taken suddenly ill on Tuesday.

Mr. and Mrs. A. Smith and little grandson, Donald, spent the week-end with friends in Stanstead.

Mr. and Mrs. Harvey Catchpaw, with their two children, have moved from Willis Whittier's farm to that of Mr. E. Goyette, in Magog Township.

Mr. and Mrs. George Smith and Mildred, of Magog, accompanied by the two teachers, Miss Munroe and Miss White, walked out from town on Sunday and were guests of Mrs. E. Schoelcraft.

Mr. and Mrs. F. E. Bullard, of Magog, visited at Mr. Charles Sager's on Sunday.

SOLDIERS' SETTLEMENT.

Reports have been made of trying conditions among many of the returned soldiers who have been settled on farms under the Soldiers' Settlement Act.

The small crop of the past season, the lower prices obtainable for produce and the inexperience of the settlers have contributed to this.

There are cases, also, where these soldiers farmers have been placed on farms from which they could not well obtain a living under favorable conditions.

The Soldiers' Settlement idea was a very good one. The manner in which it has been carried into effect, however, is not above criticism. In the machinery inaugurated for its development and operation there has been evidence of great extravagance.

It is plainly the duty of the Government to see the business through and if any such conditions exist as indicated by the reported statement of Major Buckley the Soldiers' Settlement Board should take such steps as are necessary to ameliorate it. The expenditure of a few thousand dollars will not greatly increase the flood of public funds that has been poured into this enterprise.

SERVICE TO BE ON COST BASIS.

An interesting feature in connection with the operation of the Provincial Telephone Service in Manitoba is the substantial deficit recorded for the year 1921. This would appear to imply that the deficit—in this instance in excess of \$500,000—must be taken care of by the taxpayers although a large proportion of them do not benefit in any way from the use of the telephone service.

In commenting upon this editorially, the Toronto Globe remarks: "In the operation of its Provincial telephone service the Government of Manitoba appears to be departing from the sound principle of providing service at cost. In what is evidently a semi-official statement in explanation of the failure of the system to earn its interest and plant replacement charges during 1921—the deficit being \$538,438—it is said that one of the chief difficulties in the way of placing the telephone service on a self-sustaining basis is the high cost of constructing and operating rural lines.

A comparison of expenses shows that in 1916 it cost more than \$200 to connect a new subscriber to the system in the rural parts of Manitoba, while today to install a new telephone over the same length of line costs the Department in the neighborhood of \$500. Another source of trouble to the Department is the discrepancy between the cost of maintaining a rural subscriber, \$49.71, and the revenue obtained from that phone, \$30.55, a difference of \$19.16. One of the greatest troubles, however, is that caused by storms, which, on a system covering the prairies, is liable to maul the system in thousands of dollars for repairs. An instance of this was provided last April, when after a severe blizzard expenditure of \$250,000 was necessary before the system properly was in working order. In addition to storms, the maintenance of the system in the severe weather of Manitoba costs the Department a large sum, as a high wind overnight may break wires in all parts of the Province—against which it is not possible to make mechanical provision. This may involve expenditure for which no money has been allotted.

"If the rural telephones of Manitoba cost the Department \$49.71 yearly each on an average, while the revenue is only \$30.55, there is evidently a serious depletion from the sound principle of service at cost. The deficit must be provided by a levy on the taxpayers of the Province. The method of collection may be such that taxpayers who have little or no interest in the telephone service, and are too remote from the exchanges to permit of the installation of a telephone of their own, are compelled to pay part of the cost of providing service for their more fortunate fellow-citizens. That is neither good business nor good politics. Manitoba will strengthen the cause of public ownership by putting her telephone service on a cost basis as speedily as possible."

THE BEAR WILL NOT SEE HIS SHADOW TODAY.

"It is an ill wind that blows nobody good," is a maxim that still holds sway as a pacifier, and it can be used today with good effect, for it is Candlemas, the day when Mr. Bruin awakes, yawns, stretches himself and sallies forth from his winter quarters to take a look at the world people have been enduring all winter.

Then if he sees his own shadow, he mutters "Six weeks more of sleep," and returns to his snug home, and solaces himself with the proverbial light lunch of sucking his paw.

Today, however, in this section of the country, he will not have the opportunity of seeing his shadow, for it is a dour day indeed. Although it may be the beginning of

a February thaw, firm believers in the ancient and much respected superstition, are glad to see a cloudy February 2nd, as a weather prob. for the remainder of the winter season.

DISTRICT MAGISTRATE'S COURT.

The following cases were heard before the District Magistrate this morning:

Owen Murphy vs. Jos. Fortier, of St. Elie D'Orford.—The accused was charged with the theft of a horse and after hearing the complaint the court adjourned the case until this afternoon in order to secure a certain witness.

***** Stanstead College Notes. *****

The regular weekly meetings have been conducted as usual, with fine addresses delivered on each occasion.

At Thursday evening's Song Service Rev. H. Mick presented many helpful thoughts, among others, the importance of learning to appreciate the best literature, the best addresses, the best music, etc. At the Sunday evening service Mr. Fuller spoke on a branch of Social Service. He gave an up-to-date version of that part of the Sermon on the Mount beginning, "an eye for an eye" etc., and emphasized strongly the need for more individual cheerfulness and helpfulness and less selfishness. The address was short and most appreciated.

At the B. S. C. A. meeting, Mr. G. P. Henderson spoke on the life of Benjamin Franklin. He reviewed his career from his childhood to the days when he became a man of international fame. He placed him in that class of men who acquire greatness by persistent and dogged determination, and set him up as an example in these qualities for the youth of today.

The G. S. C. A. meeting was addressed by Della Pearson on the Life of Shakespeare. The paper given, was instructive and inspiring. Josephine O'Leary sang a solo.

The senior team won their first game of the season in hockey on Saturday last. The return game with Ayer's Cliff was played at 2.30 p. m. in the Olympic Rink. Considering the hour of the game there was a good attendance and a good clean game was witnessed. The officials were Mr. Henderson and Mr. Berger. The score stood 5 to 4 in favor of Stanstead College.

EAST ANGUS

FUNERAL OF LATE MR. ROLFE.

The funeral of the late Mr. Samuel Rolfe, who died at the home of his daughter, Mrs. Frank Marston, Nashua, N.H., on Tuesday, January 24th, 1922, after a short illness, took place on January 28th from the home of his son, Henry Rolfe, East Angus. The rector, the Rev. Mr. Warren, conducted the service, and the bearers were Mr. George and Rufus Rolfe, Dudswell, Mr. Austin and Benjie Rolfe, Ascut. The interment took place in the new cemetery at Ascut Corner.

Mr. Rolfe was one of the oldest residents of the place, being in his seventy-eighth year, and having lived most of his life in Ascut, was well known and highly respected by all. He leaves to mourn his loss four sons, Joseph, Hiram and Dwight Rolfe, of Nashua, N.H.; Henry Rolfe, of East Angus; two daughters, Mrs. Frank Marston, of Nashua, N.H., and Mrs. Otis Avery, of York Beach, Me.; one brother, Mr. Jerry Rolfe, of Nashua, and two sisters, Mrs. Abbie Sunberry and Mrs. Megatte, of California, and seven grandchildren.

Many beautiful floral tributes were received, among them being a pillow from the family, wreaths from grandchildren and nieces, brother and sisters; a set piece, "our neighbors," from twenty-four neighbors; cut flowers from Mrs. Melendy, Mr. and Mrs. Holt, Mr. and Mrs. H. F. and O. F. Winslow, Mr. and Mrs. G. M. Corey, Mr. and Mrs. McDonald, Dorothy Francour, Mr. and Mrs. S. M. Wilkins, Mr. and Mrs. Arthur Sunbury, Mr. and Mrs. Fred Paradis, Jas. Stanton, M. Howard, Jas. and John Mellon, Mr. N. C. Wells, Mr. Billy Stokes, Mr. and Mrs. S. B. Warner, Misses Emma and Louise Butterfield, Mr. and Mrs. A. E. Stearns, Mrs. L. Hatch, Miss Delia M. Smith, Mrs. W. E. Ray, Mr. and Mrs. W. Powers and Phyllis, Mr. and Mrs. J. H. Moran, Mr. and Mrs. H. Manson, W. Hanson, Mr. and Mrs. Maurice H. Hanson, Mr. and Mrs. Martin Hanson, Mr. and Mrs. W. Warburton, Mr. and Mrs. Edward Rolfe, Mr. D. Z. Ryther, Mr. and Mrs. W. Lund, Mr. and Mrs. Reed, Mr. and Mrs. Morce.

Those from out of town who attended the funeral were Mr. Hiram and Dwight Rolfe, Nashua, N. H., Mr. and Mrs. Albert Rolfe, Mr. Israel and Rufus Rolfe, Mr. J. and L. Hooker, Dudswell; Mr. George Rolfe, Mr. and Mrs. B. Warner, Mr. and Mrs. Oscar Rolfe, East Angus; Mr. and Mrs. H. Winslow, Easton Corner; Mr. H. Wingett, and Mrs. W. H. Stacey, Lennoxville; Mrs. Swinden, Mr. Thompson, Sand Hill.

GREENLAY

On Monday evening the Young People's Society of the Co-operative Sunday School held their weekly meeting at the home of Mr. and Mrs. J. W. Bate, the president, presiding.

Mr. J. N. Caswell led the devotional exercises and Miss M. Fowler had charge of the topic, reading the first chapters of the book selected for study. Remarks and prayer by Rev. E. J. Rattee followed. At the business meeting it was decided to take up the subject of Missions, at one of the meetings each month until the month of May. The books for the library have been received by Mr. S. MacKenzie Paige, and will soon be ready for those interested in reading. Next meeting will be held at the home of the president,

JANUARY WAS RECORD MONTH FOR SUNSHINE

Low Temperature Snowfalls and Plenty of Sunshine Were Features of Last Month's Weather Doings.

January, the month of frost and snow, holiday gaiety and winter sports, has passed and February, the month which, as a rule, provides all kinds of weather and also whippers of spring, was ushered in with a sunny day. The weather doing of January, 1922, was similar to the same month in other years the lowest temperature of the winter being registered on January 23rd, when the readings at the Experimental Farm gave thirty-five below. The temperature averaged twenty-six below for six days in succession during the cold snap, and provided a "record" week for low temperature.

The weather readings for January are: maximum temperature, 40, minimum 25, mean 8.58, compared to maximum 44, minimum 26, mean 11.27.

Precipitation for January 1922 was 2 inches, January 1921, 1.40 inches; hours of sunshine 139.4 and 108.8 respectively, these showing more snowfall and about thirty-three hours more sunshine for last month, as compared with the corresponding month last year. Several comments have been made regarding the warm rays of sunshine, which during the winter have been more like the ones Old Sol sends forth in March, and have added greatly to the ideal winter weather experienced in this section of country.

Mr. Philip Davis, Windsor Mills.

Mr. and Mrs. S. McCallum and little daughter, Joyce, of Windsor, were recent guests of Mr. and Mrs. George S. Robb.

Mr. H. D. Moore and his young daughter, Eunice, have been confined to the house during most of the past week, suffering from the effects of severe colds.

Mrs. H. Gilbert and son, Mr. M. Gilbert, of Lower Windsor, were guests of Mr. and Mrs. G. S. Robb on Sunday.

Mr. and Mrs. George Robb were guests of Mr. and Mrs. R. Hobbs, at Windsor, on Friday.

Mrs. John Sims has returned from Melbourne Ridge, where she was called by the death of the infant son of Mr. and Mrs. Earl Sims.

Mrs. William Bate, who was quite ill last week is convalescing and quite to be around again as usual.

WEAK HEART NERVES BADLY SHATTERED

Many a woman who should be strong and healthy, full of life and energy, is bound by the shackles of ill-health.

Some disease or constitutional disturbance has left its mark in the form of a weak heart, shattered nerves, impoverished blood and an exhausted condition of the whole system.

MILBURN'S HEART AND NERVE PILLS

they will find a remedy that will supply food for the exhausted nerves, one that will strengthen and regulate the weak heart and invigorate the whole system.

Mrs. W. W. Pearce, 14 Beaton St., Toronto, Ont., writes:—"I was left with a weak heart, and in a run down condition from the 'flu.' My nerves were badly shattered, and I had such pains around my heart I could not sleep much at night. I took several doctors' medicines without getting any better. My husband got me to try Milburn's Heart and Nerve Pills and after I took one box I got relief, and after taking six boxes I have been well and not bothered since."

Hundreds of NEW HOMES

There are hundreds of new homes needed in Sherbrooke and the Townships. Many of these houses will be built during 1922, and now is the time for prospective builders to start their plans. One of the essentials in building, is lumber, and good lumber at that. We sell good lumber and we would be very pleased to co-operate with intending builders in the matter of quotations, plans, etc.

BERLIN DOWNED ST. REGIS BY FIVE TO THREE

Spectacular Game Saw Berlin Overcome Three Goal Lead—Largest Crowd of the Season.

A splendid recovery in the second period enabled Berlin to come within reach of the St. Regis Sextette last night, while continued pressure exerted in the final period further enabled the visitors to secure a substantial lead.

It was a splendid game and though beaten St. Regis were far from disgraced. A crowd, estimated at seven hundred, expressed their appreciation of the play in no uncertain manner. It was fast, clean and snappy and while a couple of players were injured, the causes were entirely accidental.

St. Regis suffered the greatest loss in this respect when Dan Towne, who was using his poke check with excellent results, received a severe gash across the cheek and lip during the second period. The accident was caused by Lacroix's skate catching him on the face as both players fell on the ice.

Earlier on, Maltais the Berlin goalie received a small gash under the right eye and the game was delayed fourteen minutes pending his return to the ice.

The game opened at a great pace and after about seven minutes' play Pink Parker followed up a fine shot from Dan Towne and pushed the rebound into the net. Three minutes later, Eddie Baker caught the Berlin defence napping in front of their own goal and registered the second point while about a couple of minutes later the same player scored with a lovely shot from about twenty-five yards out. Rivard was the pick of the Berlin players during this period.

Resuming play with a lead of three clear goals, the chances of the St. Regis team looked exceptionally bright. Herbie Campbell started things going when he swept right down the ice and worked his way through the defence only to have Argun block his shot. Maltais, the Berlin goalie, got hurt at this stage of the game but returned after a lengthy delay. Johnston made a fine rush but his final shot was a trifle wide. Dan Towne was hurt and had to be carried off, necessitating a delay of another seven minutes.

With Dan Towne's poke check out of the way, the Berlin players seem to acquire greater confidence and perfect stick-handling by Lacroix saw that player go through the St. Regis team and score two lovely goals. With a few minutes to go, Campbell scored with a high shot from the right. The period ended with the score three all.

The Berlin players showed considerable improvement in the final period and Campbell and Lacroix on the defence made several spectacular rushes. Barlow cleared well and made several nice runs but was generally forced into the corners. Campbell placed Berlin ahead with a pretty shot from the left wing and shortly afterwards a high shot from Mayer registered the fifth and final tally.

It was undoubtedly the fastest game seen here this season. Berlin showed themselves to be somewhat superior in the matter of stick handling while Sherbrooke appeared to possess better shooting abilities.

Dan Towne, Eddie Baker and Pink Parker worked hard on the line and were well supported by Johnston and Wolfe. Barlow, O'Donnell and Ray Hawkins were used to good advantage. The Berlin defence Lacroix and Campbell was excellent particularly in the second and final periods, while the forwards were always dangerous.

The game was very well handled by Tom Molyneux and E. Dupont. Four penalties were issued: Rivard, Parker, Mayer and Campbell each getting three minutes for minor offences.

The teams lined-up as follows: Berlin:—Maltais, Goal; Campbell and Lacroix, Defence; Mayer, A. Dupont and Rivard, Forwards; Laing and Dube, Subs.

St. Regis:—Argun, Goal; Johnston and Wolfe, Defence; Towne, Baker and Parker, Forwards; two L. O'Donnell, Barlow and R. Hawkins. Referee: Tom Molyneux; Judge of Play: E. Dupont.

Timekeepers: Kenalty and Leclaire.

Penalty Timekeeper: A. W. Reid. Excellent car service was provided by the Street Railway Company and at the conclusion of the game, four cars were ready to take the crowd back to Sherbrooke.

DEATHS REPORTED

VICTOR CHARLES CORDEAU, ROCK ISLAND.

ROCK ISLAND, Que., Feb. 2.—Mr. Victor Cordeau, one of Rock Island's most promising young men, has passed away. Mr. Cordeau had been suffering from a very serious ailment for nearly two years, and put up a brave fight to overcome it, but was unable to overcome weakness and complications, and passed away on Monday evening.

Mr. Cordeau was born in this place thirty-seven years ago last December, receiving his early schooling at Stanstead, and later graduating from St. Charles Seminary, Sherbrooke.

He then entered the office employment of the J. B. Goodhue Over-all Co., where he remained for nearly fifteen years, then for three years with the G. & G. Ltd., where he was at the time of the beginning of his illness.

His full lifetime being spent in this community, he leaves a very great number of sorrowing friends and many relatives. He leaves his young wife (Mary Gilmore) and little daughter of three years; his mother, Mrs. Arthenese Cordeau; his brothers, Ulrich, Rock Island; Al-

afternoon. Mrs. Begin received the guests, who occupied several tables for bridge. The prizes were won by Mrs. J. O. Mignault, Mrs. (Dr.) Cabana, Mrs. Chevalier, and consolation, Mrs. Chas. Cabana. The tea tables were adorned with narcissi, and the refreshments were dainty and much enjoyed.

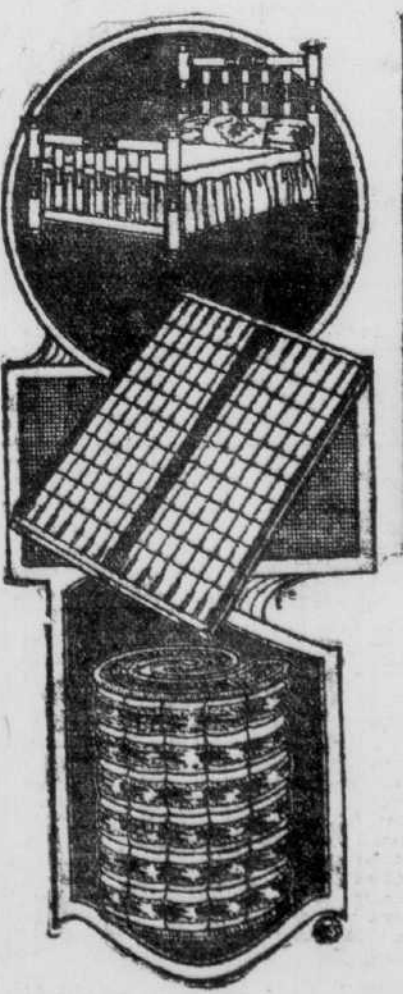

Mrs. J. C. St. Pierre, Quebec Street, was the hostess at a large and most enjoyable bridge and tea on Monday, in the Mezzanine in the store of St. Jean Ltd, fifteen tables being occupied. Mrs. St. Pierre was assisted in receiving the guests by her sister, Mrs. Massicotte, of Victoriaville. The cards were daintily and original, the pastel shades of the pink and orchid tea rooms being duplicated, and the color scheme further carried out in the candies and icings. The prizes at Bridge were won by Mrs. Bachand, Mrs. Begin, Mrs. Richardson, Mrs. Richer, Mrs. Beaudry, consolation, Mrs. Chevalier; and the ladies in charge of the score cards were Mrs. Geo. St. Pierre, Mrs. Belanger and Mrs. Thierge, who also received pretty souvenirs of the pleasant event.

IN MEMORIAM.

In loving memory of my dear friend, Jean Matheson, who departed this life, February 2nd, 1922.

This day brings back the memory
Of a loved one laid to rest,
And those who think of her today
Are the ones who loved her best.
We know the years, he many or few,
Shall be filled with remembrance, Dear Jean, of you.

One year has passed since that sad day,
God called the one I loved away.
Forget her, no, I never will.
For in my heart she liveth still.
The blow was great, the shock severe,
I little thought her death so near.
But only those who have lost can tell,
The pain of parting without farewell.

MELBOURNE

The Utopolous Lord Aylmer Chapter of I.O.E. held tea at the home of Mrs. Mathias, on January 31st. A very enjoyable and successful afternoon was spent with a large attendance of members and their friends. Among the guests were Misses des Clay and Miss Gertrude des Clay, artists of Montreal. Owing to illness several members were unable to attend.

All are glad to hear that Miss Margaret Penfold, who has been ill for some time is improving, and hopes to be up shortly.

The Misses des Clay are guests of Mr. A. W. Robinson, Mount Pleasant, Upper Melbourne.

Mrs. A. W. Robinson entertained the Clair Friendship Club last Saturday.

Miss Clair Lambert, of Montreal, was a guest of her aunt, Mrs. Robinson, for the week-end.

Mr. and Mrs. J. W. Harkon have returned from a short trip.

The Ladies' Guild of St. Anne's Church, will be entertained at the home of Mrs. Harkon, on February 9th.

A bean supper will be held in the school room of the Congregational Church, on February 2nd.

STANDARD OIL FEATURE ON WALL STREET 'CHANGE

NEW YORK, Feb. 2.—(Wall Street Noon.) Traders paid little heed to the tighter money tendencies as indicated by call money's opening rate of 3 1/2 per cent, the highest rate of the week. Baldwin, Lima and American Locos, Studebaker, Bosch Magneto, Westinghouse and General Asphalt were foremost among the stock of the first hour. Later the buying embraced other popular oils, also leathers, tobaccos, chemicals and Independent Steels, including Bethlehem and Iron products.

Standard Oil became the central feature before noon, rising eight points on a few transactions.

The one division to lag was the rails leaders showing no material change from yesterday's final prices.

Early laggards were taken in hand and bid up sharply after midday, especially the steel and dividend price paying rails. Specialties continued to soar in a buoyant fashion. Cluett Peabody rose five points, electric storage battery 5 1/2 and Phillips Jones 12 1/2. The sugar group and oils also made further notable progress to higher levels.

NEW YORK PRESS MARKET COMMENT

Furnished by McManamy & Walsh

Herald—The buying by large groups was no more evident than was speculative accumulation of a fairly wide list of industrial issues, which caused numerous advances of a point or more.

Times—The standard investment shares were again practically motionless the few considerable changes in price showed the hand of the manipulator, but Wall Street has grown accustomed to taking that for what it is worth.

Journal of Commerce—Prices, while generally higher, moved within a narrow range, and in a good many cases, were off, a few shares falling decidedly. Such advances as there were continued as those of the day previous and affected the so-called specialties primarily.

Wall Street Journal will say today:—

Re-capture of rail net uncertain and remote.

United Gas and Electric earns \$8.28 a share on the first preferred.

New Haven had \$14,000,000 deficit after 1921 charges.

IMPROVED PRICES ON BOURSE

(Associated Press Despatch.)

PARIS, Feb. 2.—Prices improved on the Bourse today. Three per cent rentes 56 francs 50 centimes. Exchange on London 51 francs 35 centimes. Five per cent loan 78 francs 95 centimes. The United States dollar was quoted at 11 francs 91 1/2 centimes.

SEVEN KILLED IN EXPLOSION IN COAL MINE

Twenty-two Others Entombed—Rescue Parties Working in Relays.

(Associated Press Despatch.)

GATES, Pa., Feb. 2.—Seven men are known to have been killed and twenty-two others are entombed in a room one and a half miles from the mouth of the Gates Mine, of the H. C. Frick Coke Company near here, as the result of an explosion early today.

Trained rescue crews from all parts of the Connelleville Coal Field are working in relays, trying to reach the shut-in men.

WHEAT ADVANCED TO HIGH MARK SINCE OCTOBER

(Associated Press Despatch.)

CHICAGO, Feb. 2.—Wheat advanced today to the highest price since October 4th. A new upturn in values at Liverpool was the dominating influence.

Besides, crop reports regarding domestic winter wheat in the south-west continued of a character which tended to stimulate buying.

Initial quotations, which varied from 1 1/2 to 2 1/2 cents higher, with May \$1.20 to \$1.21 1/2, and July \$1.06 to \$1.06 1/2, were well maintained during the early trading.

Corn and oats ascended with wheat. After opening 1/4 to 1/2 cent higher with May at 54 1/2 to 54 1/2 cents the corn market scored a slight further upturn.

Oats started unchanged to 1/4 to 1/2 cent advance, with May at 39 1/2 to 39 1/2 cents and then rose a little more.

Higher quotations on hogs helped to lift the price of provisions.

FUTURE LONDON HOME OF PRINCESS MARY IS IN HANDS OF UPHOLSTERERS

Princess Mary's Boudoir Will Be Partly Furnished with Her Own Art Treasures from Buckingham Palace.

(Associated Press Despatch.)

LONDON, Feb. 2.—Chesterfield House, the future London home of Princess Mary and Viscount Lascelles, is in the hands of the upholsterers. The interior is being entirely re-decorated, and a beginning has been made with the great ball room, which is being refitted.

Both the Princess and her fiancée are keen dancers, and after the honeymoon a series of private dances will be given at Chesterfield House.

Princess Mary's boudoir will be partly furnished with her own art treasures from Buckingham Palace.

Her wedding ring will be made in London of gold obtained from a small mine in Wales, which also produced the gold for Queen Mary's wedding ring.

The bride's "going away" hat is being made at Luton, from the finest Dunstable Straw by one of the very few hand plaiters in that district who are skilled in the art.

FAILURE OF F. LABERGE, NOTARY, IS ANNOUNCED

Claimed Mr. Laberge Has Left the Country and Is Now in Parts Unknown.

(Associated Press Despatch.)

MONTREAL, Feb. 2.—The failure of F. Laberge, notary, of Chateauguay, was announced yesterday by Arthur Delisle, registrar of this city.

The insolvency was asked for by William H. Dewitt, of St. Joachim, who alleges that Laberge, who conducted a notarial business here and at Chateauguay, had left the country and was now in parts unknown. It is added that Laberge had been absent for at least eight days and efforts to locate him so far have failed.

Inquiries for Laberge made of his counsel, Bumbay and Gauthier, elicited the information that the notary's whereabouts was known and that he is at present under the care of a physician.

Laberge has for many years been a prominent resident of Chateauguay and was Secretary Treasurer

NOT ANXIOUS TO MEDDLE RE LIQUOR LAWS

United Farmers of Quebec Refused to Agree to Plan of Leopold Houle.

MONTREAL, Que., Feb. 2.—The United Farmers of Quebec do not propose to meddle in the question of the provincial liquor law. This was demonstrated at the closing session of the U.F.Q. convention last night, when the delegates unanimously decided to ignore a resolution and petition presented by Mr. Leopold Houle, to the effect that the Quebec Liquor Law be repealed and that the licensing system of former days be substituted. Mr. Houle, who addressed the members on "The Liquor Law," characterized the present law as one "which encouraged drunkenness, inasmuch as minors of 18 years of age were allowed to purchase liquor, while drunkards were debarred from buying." After a long tirade against the law and the members of the liquor commission, and fortifying his arguments with legal phraseology, Mr. Houle read his resolution, all written out, and addressed to Premier Taschereau and the leader of the Opposition, inviting the farmers to sign their names.

President A. H. Clement, of the U.F.Q., Dr. S. Lafortune, and other members of the Quebec farmers' party, protested against their being mixed up in the matter. It was decided to refer the question "to the archives," a decision which was greeted with some laughter. Dr. Lafortune declared that this was a question which had not been properly studied by their party, and he thought that it would be a dangerous policy for the farmers to express any opinions on the liquor law, concluding that such a step would certainly do the party more harm than good.

Mr. Houle said that the Quebec Liquor Commission possessed exorbitant powers, which, he maintained, were against the fundamental legal system of the country. He criticized the law-makers for not including the sale of beer by the brewer, declaring that the brewers were evidently a privileged class. In presenting his resolution to the United Farmers, he said that it was an anomaly and an insult to the farmers that they could only obtain something to drink if they ordered a meal, whereas in the cities the workmen could buy all the liquor they wished in the Government stores.

OFFICERS ARE CRITICIZED.

He also criticized the special officers of the Liquor Commission for their extraordinary zeal in unearthing trivial "cases," while, he said, city detectives were fumbling and hesitating about clearing up murder and robbery cases.

After quoting articles of the liquor law and commenting on them from a legal viewpoint, Mr. Houle read his resolution, saying:

"You can sign this if you like. Of course you don't have to."

He then put on his hat and coat and went out. The farmers referred the resolution to the "archives."

Before closing the convention a number of resolutions were passed, among them being one asking for a better railway service over the Quebec, Montreal & Southern Railway, and the Canadian Northern Railway, one asking that the rural schools be inspected four times a year instead of only twice as heretofore; another for signals or gates to be placed at railway crossings in certain parts of the province; another requesting the Government to appoint a committee to study the question of an improved rural credit system; and one appointing a committee to choose an official organ to voice the cause of the Quebec agrarians. A last resolution dealt with the Montreal public markets. It was stated that the farmers had but scant accommodation, especially at Bonsecours market. They had to spend two days in the city to obtain the proper space, and were charged accordingly. A committee of seven were named to interview the municipal authorities on this matter.

ANOTHER DULL SESSION ON MONTREAL EXCHANGE

MONTREAL, Feb. 2.—Absolutely nothing worth while occurred on the local stock exchange during the first half hour this morning and only a few minor sales were recorded, these taking place without any variation in price quotations.

The local market had a more interesting session this forenoon, a revival of interest being noted in several issues.

The feature of the list was Asbestos. This issue sold to 48, an advance of 4 points from the low of yesterday.

Another stock to come in for attention was Lyall, the price of this issue advancing to 36 1/2. It is said that there is still a short interest outstanding in this issue.

In the pulp and paper group, Brimpton and Spanish River Preferred were the only stocks to receive any attention prices of these issues being steady.

The iron and steel and public utility groups were quiet. Dominion Bridge was firmer at 59 1/4 while Shawinigan was easier at 105.

ABLE TO LIE IN BED AND HEAR REPRODUCTION OF MUSIC FROM FAR OFF

Acme of Comfort in Hearing Wireless Concerts Has Been Achieved by London Amateur Operator.

LONDON, Feb. 2.—The acme of comfort and convenience in the hearing of wireless concerts has been achieved by Ronald Gurd, a local amateur operator. By using a little originality he is now able to lie in bed of an evening and listen to the reproduction in his own room of music played several hundred miles away.

Bed springs solved the problem for ingenious Mr. Gurd, who realized that the supports of his mattress made excellent terminal connections.

He capitalized on his knowledge by eliminating the outdoor aerial wires over his home. One end of the spring is grounded and the other end is used for the attachment of the receiving instrument and the sound amplifier.

BUDGET DEBATE IS COMPLETED

(Continued from Page 1.) some criticism. The House then went into supply and voted several minor items.

CONGRATULATE HON. DAVID Mr. Sauve joined with other members of the House who had spoken on the subject in congratulating Hon. Athanes David, Provincial Secretary, on his bill to encourage literature in the Province. He remembered that in 1910, he had favored such a measure. The leader of the opposition told the Provincial Secretary that he had made a splendid speech on the subject, and still in a kindly manner, referred to the speeches delivered by Messrs Hector Laferte, J. H. Lemay, J. H. Richard and the Cannon. Mr. Sauve feared that some newspapermen were prevented from saying what they thought in regard to provincial affairs, and urged that they be given more freedom, so as to inform their readers in a just and truthful manner of what goes on.

After a purely sitting, the Legislative Council today adjourned until February 8th.

BILLS GIVEN SECOND READING

Second reading was given to the following bills: To change the name of Nellie Blanche McGowan; authorizing the bar to admit Max Liverman amongst its members; authorizing the College of Physicians of the Province of Quebec to admit Leopold Desforzes and Pene Therrien to the practice of the medical profession. A number of petitions presented on Tuesday were received and read.

AMENDMENTS TO THE QUEBEC MOTOR ACT

(Special to The Record.) QUEBEC, Feb. 2.—One of the amendments to the Quebec Motor Act to be brought in this session by Hon. Jacob Nicol, the Provincial Treasurer, will provide that the speed limit for automobiles shall be fixed by the Lieutenant Governor in Council according to districts.

The present speed limit is eighteen miles in cities and towns, and the Government has come to the conclusion that circumstances are different in various sections of the province. Hence, it would be well to have the power to regulate rates of speed according to conditions.

Hector Laferte, M.L.A. for Drummond, will bring in a bill again this session in regard to drunken motorists. He wants them sent to jail, without the option of a fine. Mr. Laferte brought in bills to this effect last session and the previous session, and was defeated each time by the opposition of the ministers.

MEGANTIC CO. HAPPENINGS

ADDERLEY

Mr. and Mrs. A. McKinnon were the recent guests of Mr. and Mrs. William Merchie, at Inverness.

Mr. and Mrs. Richard Wright and little daughter, of Milfield, spent Sunday, visiting Mr. and Mrs. John C. Wright, of this place.

The Messrs. Joseph H. and Alfred Wright spent Sunday with Mrs. J. Currie.

Mr. William Ives lost a valuable horse a short time ago.

The Adderley correspondent would like to draw the attention of the readers of the Record of January 27th that the Adderley news were sent in by some unauthorized person.

CRAWFORDVILLE

Quite a number from here attended the funeral of the late Mrs. Lewis Ross, of Lemesurier, on Saturday. Much sympathy is felt for Mr. Ross and the two little children.

Messrs. George and Arthur Coxin were visiting their uncle, Mr. Wm. Crawford, on Sunday.

Mr. Rob Jamieson and his sister Jennie were at King's Corner to see their uncle, Mr. Wm. Jamieson, who is very ill.

Mr. David Frizzell spent the weekend the guest of Mr. W. Wark, of the Third Range.

The Rev. Mr. Adey was visiting all who are on the sick list last week.

Mrs. Carrie Woods, of Kinnear's Mills, spent the week-end at Crawfordville. Mr. Lionel McKee has returned home from Learned Plain, where he spent a few weeks visiting his uncle, Mr. J. McVetty, and also his two sisters, Olive and Pearl McKee, of Learned Plain.

MANY JAPANESE RETURNING TO THEIR COUNTRY

Nearly Every Steamer Leaving Los Angeles for Orient Crowded with Japanese Passengers.

(Associated Press Despatch.) LOS ANGELES, Feb. 2.—What appears to be a "back-to-Japan" movement of the Japanese in Southern California, noted in Los Angeles newspapers at various times in the last six months, was renewed from Los Angeles with the departure on Tuesday of the Japanese liner Anyo Maru, bound direct to the Orient. Several hundred Japanese, mostly women and children, and among the latter many American brides, were aboard the Anyo Maru when she steamed out of the harbor, followed by a host of fishing boats from which their countrymen called farewells. There has been no explanation from any Japanese official here of the fact that practically every liner leaving Los Angeles for the Orient in recent months has been crowded with Japanese.

ALLIANCE WITH RAILROADMEN BEING PLANNED

Proposes Agreement Between Miners and Railroad Workers to Resist Attacks on Wage Schedules.

(Associated Press Despatch.) INDIANAPOLIS, Feb. 2.—Renewal of efforts to form an alliance of coal miners and railroad workers, the two largest labor groups in the United States, was sought by John L. Lewis, president of the United Mine Workers of America for the avowed purpose of bringing the two million workers together "in resistance" to proposed attacks on wage scales.

In letters sent to officers of sixteen railroad unions, Mr. Lewis invited the railroad men to confer with the miners officials "at the earliest possible date."

Besides the invitation, Mr. Lewis issued a formal statement, asserting that the railroad men were facing efforts to "enforce further unwarranted wage schedules on them" and "that certain interests are seeking wage reductions in the coal industry."

"In order to cope with this situation and successfully combat this frenzied hysteria," that statement added, "the mine workers are willing to pool their interests with the railroad organizations and to stand with them in resistance to the proposed attacks on wage scales."

At least two million workers would be joined together by the alliance Mr. Lewis said in discussing the proposal.

CONDEMNED MEN TREATED TO MOVIE PICTURE SHOW

Double Execution Will Take Place Tonight at Sing Sing.

(Associated Press Despatch.) NEW YORK, Feb. 2.—There will be a double execution tonight at Sing Sing, when Floyd Slover and Harry Givner leave the death house for the chair.

Yesterday Warden Lawes caused a motion picture to be displayed on a small screen for the condemned men and the twenty-one others in the death house. The screen was hoisted upon a small frame about five feet square. A projector, given to the prison by Thomas Meighen, a moving picture actor, was set up, and Alfred Pfeiffer, a prison guard, operated the machine.

The picture was called "Robinson's Trouseau," a comedy.

PEOPLE MUST SETTLE DOWN TO HARD WORK

Hon. Charles Stewart Was Principal Speaker Before Dominion Land Surveyors.

(Associated Press Despatch.) OTTAWA, Feb. 2.—That the present rather abnormal condition of affairs in Canada could be overcome by adopting a right mental attitude and by people settling down to hard work, was the opinion of Hon. Chas. Stewart, Minister of the Interior, who was one of the principal speakers at the annual luncheon yesterday of the Dominion Land Surveyors in the Chateau Laurier.

Hon. Mr. Stewart looked to people occupying positions of prominence, such as the land surveyors, to assist and co-operate with the government as far as possible in building up Canada until it was a nation such as all could boast of at all times.

Dr. E. G. Deville, reviewed some of the accomplishments of the surveyors in Canada, few people realizing, he thought, the magnitude of their work. They had examined 17,000,000 acres and given a cursory examination to an additional 7,000,000 acres. Their work has been of immense aid to the Soldiers' Settlement Board in the settlement of soldiers on the land.

NO OCCASION TO BUY IMPORTED SHOES TODAY

Believes Demand for Imported Footwear Comes from Dealers' Desire for Larger Profits.

(Associated Press Despatch.) MONTREAL, Feb. 2.—A plea for and justification of the "Canadian-made shoe" was put forward by F. W. Knowlton at the third annual meeting of the Shoe Manufacturers' Association of Canada in convention here yesterday.

"There is no occasion today for anyone to buy imported shoes in Canada," he said.

He believed the demand for imported footwear came from the dealers' desire for larger profits, rather than from any real demand on the part of the public.

Mr. Knowlton said shoe production last year was about 15,000,000 pairs, whereas it should be 19,000,000.

Joseph Daoust, president, in opening the convention, said the shoe manufacturing industry had been unfairly criticized last year by those who did not understand why it was that, although hides were selling at pre-war figures, prices of shoes were still higher than in 1913-14. This, he said, was due to still high costs in processes of manufacture. Just the same, prices of shoes were not more than 35 or 40 per cent. in advance of pre-war prices.

PUBLIC ACCOUNTS FOR THE FISCAL YEAR IN MANITOBA

Falling Off in Revenue Largely Responsible for Deficit Shown.

WINNIPEG, Feb. 2.—Hon. Edward Brown, Provincial Treasurer, tabled the public accounts for the fiscal year 1921 in the Legislature yesterday afternoon. The accounts showed the expenditures under consolidation amounting to \$10,401,895.49, while revenue earned during the year was \$9,800,860, leaving a deficit of \$601,034.

The province holds \$15,062,984 in securities and unexpended capital balances in the treasury, which amounts to 25 per cent. of the gross provincial debt, which is now \$61,929,870. The net or revenue-bearing debt stands at \$37,192,610, and the non-revenue bearing at \$24,737,359.

Falling off in revenue and interest charges on non-revenue bearing provincial securities floated are largely responsible for the deficit.
