

## SHERBROOKE TRAGEDY PROVES DIFFICULT OF SOLUTION

### Detective Lapointe Here. Chief McCaskill Still in Montreal and is Said to be Following up Postal Clue. Feeling That Government and City Should Offer Reward.

Six days have elapsed and the Bilodeau tragedy still remains unsolved. It is admitted by those who are entrusted with the task of clearing up the outrage that the work before them is difficult.

So far many stories have been followed up, and the detectives to-day do not seem to be any farther advanced in securing evidence to convict the perpetrator of the crime than they were when they first took the matter up.

Chief Detective McCaskill has not yet returned to the city, but Detective Lapointe, who is one of the oldest officers in the business, arrived in the city on Saturday evening, and has been busy at work ever since his arrival.

#### CONFERENCE OF OFFICIALS.

This forenoon Detective Lapointe had a conference with Judge Mulvena, when certain matters connected with the affair were discussed. That was all the information given out to the press.

#### GOVERNMENT MAY OFFER REWARD.

There is a strong feeling in certain quarters that the Provincial Government should spare no expense in trying to run the murderer down. Representations have been made to the Government to offer a substantial reward for information that would lead to conviction. This, it is believed, might have the effect of unsealing lips that are closed to-day.

#### CITY SHOULD OFFER REWARD.

The city council should offer a reward in connection with the case. This procedure is followed by many other municipalities when they have had to deal with cases not quite so serious as the one at present in the limelight in Sherbrooke.

#### WILL PUSH INVESTIGATION.

Mr. J. Nicol, K.C., has returned from Quebec, where he had an interview with Sir Lester Gotin, Premier and Attorney-General, and also with Mr. Lanctot, Deputy Attorney-General, over the Sherbrooke tragedy. He was instructed to proceed to Sherbrooke and have everything possible done to have the Bilodeau case solved. Mr. Nicol will work in connection with Chief Detective McCaskill and Detective Lapointe.

#### NO NEW DEVELOPMENTS.

Coroner Bachand intimated to the Record this forenoon that so far as he was aware no new developments had arisen. The detectives are still at work. It is rumored that a representative from the Thiel Detective Agency in Montreal is at work on the case. The question as to whether the inquest will again adjourn on Thursday night will depend, says Coroner Bachand, on what the authorities say.

#### POST OFFICE INVESTIGATION.

When called on this morning Postmaster W. A. Macdonald informed the Record that he did not know of any investigation being made here by the post office authorities with regard to the package. In any event he had not seen anyone representing the department on the subject.

#### CHIEF McCASKILL IN MONTREAL.

Chief McCaskill has not yet returned from Montreal, and is said to be following up some postal clue. It is not absolutely accepted as proved that the package was mailed in Sherbrooke.

#### BILODEAU STILL AFRAID.

It is learned that A. O. Bilodeau is afraid that the party who sought his life last week by sending an infernal machine which caused the death of his wife will yet get at him. Bilodeau intimated his fears to a close relative on Saturday evening, and this party informed the Record this morning that Mr. Bilodeau was suffering greatly from the strain of fear under which he is now suffering, as well as from the shock attending the tragedy.

#### LOCAL POLICE AND THE TRAGEDY.

The Montreal press does not seem to be greatly impressed by the work of the local police in connection with the mail package tragedy.

The Herald has the following: "There is no one more puzzled over the tragedy than the chief of police of Sherbrooke. He was appointed only a couple of weeks ago, filling now the dual position of chief of fire and police departments."

"It may be that the unusual nature of the crime has permeated the other members of Sherbrooke's police-fighting force and paralyzed their activities in connection with the case, for it appears that except for the moment the police were in the Bilodeau house immediately after the explosion on Tuesday morning last, and then in answer to an alarm of fire not a single member of the Sherbrooke police force crossed the

threshold of the bereaved home—even following the arrival of the provincial detective forty-eight hours after Mrs. Bilodeau was almost blown to pieces. "Have you ever heard any talk that Bilodeau had enemies in Sherbrooke?" the chief of police was asked.

"I don't know," he said sorrowfully, "but isn't it a terrible thing to have happened in such a quiet and law abiding community?"

The chief was asked what he thought was in the fatal box which exploded with such disastrous results. "It might have been nitric acid, that would account for the burns you know, but, oh, to think that anyone in Sherbrooke could make up such a terrible box and send it to anyone.

Asked whether he had any theories regarding the commission of the crime, or whether he or the members of his force were following up any clues which might possibly lead to the author of the outrage.

"Well, no," the chief said dolefully. "You see nothing like this ever happened in Sherbrooke before."

The interviewer interposed. "But have you any other clue?"

"Well, the chief replied, "we are doing our best to pick up something to go upon, and we may, I hope, succeed. But isn't it terrible—"

...The interviewer, however, did not catch the remainder of his sentence, for he had fled, feeling that either the police chief of Sherbrooke was more astute than he has been given credit for, or the crime was weighing upon his sense of good order and decency to such an extent that it was useless to try and do anything until his shocked susceptibilities had regained their wonted normal composure.

#### UP TO PROVINCE TO SOLVE MYSTERY.

(Montreal Standard.)

Our Provinces are jealous of their rights—a most commendable attitude, in the interests both of the Provinces and of the Dominion, because the part that is jealous of its own rights is not likely to be indifferent to the rights of the whole. But the Provinces must bear in mind that, while rights have been secured them, obligations have also been imposed.

A provincial government is charged with the doing of many things, and the list of functions governments perform. At the head of the list is the duty of national defence—the preservation of the integrity of the state—with which the Federal Government is charged; but second and third only is the duty of maintaining law and order, or protecting the lives and property of the citizen, of enforcing the law and punishing crime. This great duty is assigned to the Provinces, and the standard of Government maintained by a Province is largely determined by the order it maintains and the protection it affords.

The law of the land has been grossly violated at Sherbrooke and murder committed by means that point to the fiendish acts of the most daring of criminals. Here is a case that calls for the discharge of the Province's highest duty—the duty of vindicating the majesty of the law and punishing crimes committed upon its citizens. It is the duty of our Provincial Government to take every step that human ingenuity can devise and resources make possible in order to bring to justice the perpetrator of the Sherbrooke crime.

## DETECTIVES FOLLOWING CLUE

Events have narrowed rapidly in the Bilodeau case within the past few hours. It is believed that the detectives are on a clue which will lead to a solution of the tragedy. The Record learns that something definite will be reached before the next session of the inquest on Thursday evening.

#### SHERBROOKE FAIR PRIZE LISTS OUT.

The prize list of the coming Canada's Great Eastern Exhibition is now being circulated.

The dates this year are Aug. 30th to Sept. 6th, and the management is looking forward for a big week. Copies of the prize list may be had on application to the secretary.

## BIG DELGATION GOING TO QUEBEC

### Everything Ready For Thursday's Interview With Government

#### WILL PRESENT ALL-PROVINCE ROAD SCHEME TO GOVERNMENT—A NEW AREA IN ROAD PROGRESS.

Richmond, June 23.—(Special)—The good work done at the Permanent Highway Congress held at Richmond on February 6th last is again brought to public attention by the coming presentation of the great project then outlined and unanimously adopted to the Provincial Cabinet this week.

Notices have been issued to the officially appointed delegates to meet at the Legislative Buildings, Quebec, on the 28th June at 9 a.m. when the memorial will be presented to the Government. It seems unnecessary to urge the importance of strengthening the delegation as much as possible by the hearty support of all those who are interested in this great work. Already many have signified their intention of being present. The delegation will be representative of the great south-eastern Quebec group of counties so vitally interested in the improvement of permanent highways. The leaders of the organization are to be congratulated on the success of the first meeting. The subsequent success of the congress will depend largely on the support now forthcoming.

The main object of the project, it will be recalled, is to ask the Government to undertake the construction of a permanent highway from the Capital City of Quebec to the metropolises of Canada, Montreal, running to Richmond, thence by the river roads to Sherbrooke, thence to connect with the Sherbrooke-Boundary line road. The western part of the road would run from Richmond to Granby and another line from Magog to Granby. From Granby the road would go to Montreal via Abbotford, St. Cesaire, Roumont, Charnley, etc.

No other scheme could better suit the purposes of a main artery through the territory in question. The interests of eleven great counties are involved in the project; an urban population of over 75,000, and a total population of over 250,000 people. No road enterprise appeals more strongly than this one to the leaders of municipal work as marking a new era in the progress of the country; its benefits to the interests of agriculture, industry and commerce would be incalculable. Now is the time to give support to the delegates.

## PERMANENT PROSECUTOR

### Government Will Appoint Official For St. Francis District

#### PROVINCIAL ATTORNEY - GENERAL EXPECTED TO MAKE SELECTION AT ONCE.

As a result of the circumstances which have arisen over the Bilodeau tragedy in Sherbrooke it is understood that a Crown Prosecutor for the District of St. Francis will be appointed on the same footing as that in Quebec and Montreal.

In these two centres representatives of the Crown are permanently appointed, and whenever any murder or other serious affair transpires that official immediately takes up the work on behalf of the Crown. In this way much valuable time is saved.

The matter is now under consideration by the Attorney-General and it is expected that the appointment will be made in a few days.

## PONCAIRE FOR LONDON

### French President Left Paris To-Day

#### EVERY EFFORT WILL BE MADE TO STILL FURTHER BIND THE ENTENTE CORDIALE.

Paris, June 23.—(Special)—President Raymond Poincaré left the French Capital today on his way to London where he is to pay his first official visit since his election.

He is to pass four days in London where elaborate arrangements have been made for his reception by King George, Government and Municipality.

In fact everything possible has been done to make the meeting of two

## WHAT IS BEING DONE ABOUT IT?

Is the public satisfied with the investigations into crimes or mysterious deaths or disappearances in the Townships during the past few years? To recall a few cases:

1—A lad is brutally slain while passing through a woodyard near the station at Farnham. No solution is ever arrived at.

2—A workman fires upon and wounds a paymaster near Windsor Mills in broad daylight and makes his escape.

3—A Sherbrooke man goes to his work at 1 o'clock and is seen around the shop till 1.30, when he disappears, and has not been heard of since. No investigation is made.

4—A L'Anvers citizen who was supposed to have left for the West, with a considerable sum of money, is found in the month of Durham. He had evidently been robbed as no money was upon him. No investigation.

5—A well-to-do merchant of Bromptonville starts on a drive to Sherbrooke and is never seen again. A provincial detective, after a few days' delay, spends a few hours on the scene. The case is then dropped.

6—A man is found dead on the Montreal road, near Sherbrooke. No investigation is held and the theory of suicide is accepted, without questioning.

7—The body of a man is taken from the river, near Drummondville. No investigation beyond a purely formal inquest is held.

These and numerous other cases of deaths or disappearances have occurred during the past few years in the Eastern Townships, and which have never been satisfactorily explained.

And now comes the deadly mail package case. Forty-eight hours pass before the Government sends an official to the scene and, indeed, it is said twenty-four hours passed before the Attorney-General was notified.

The Sherbrooke police force is notoriously devoid of detective ability and remains inactive. The room is cleared up and whatever there might be there to aid an expert detective is removed.

At the present moment it seems probable that this latest and worst of crimes may be added to the list of unsolved mysteries in the Townships. If the perpetrator is finally run to earth it will be accomplished in spite of the unusual neglect and delay in the early and most important hours following the committal of the crime.

The provincial police department is not alone concerned in this case.

The city of Sherbrooke is concerned that there should be in its midst an individual so criminally desperate as to send a deadly explosive into the midst of a large family in the hope of striking one person, even at the risk of destroying several others, including young children.

What are the city authorities doing about it?

The post office department of Canada is concerned that its mail should be used as a tool of the criminal and a medium for the destruction of life. To leave unsolved this crime would be to encourage the use of His Majesty's mails by cowardly desperados as the safest way of reaching their victim. A few more crimes of this nature and a situation of terror to postal clerks and the general public would be created.

What is the Federal authorities doing about it?

The reputation of the provincial police system is at stake. A failure in this case will culminate a record of incompetence or indifference in dealing with Eastern Townships cases.

What is the Attorney-General's Department doing about it?

Chief Detective McCaskill has spent a couple of days in Sherbrooke, and on returning from Montreal from his week-end visit is expected to resume his work here this week. Chief McCaskill is a capable man, with an honorable record, and will, no doubt, do all that any one individual in a public position could do to solve this case, considering the fact that the crime had a start of forty-eight hours. Chief McCaskill, in his position as chief provincial detective, is, however, well known. He comes to Sherbrooke publicly, and his movements in his investigation are known. If the authorities expect him to solve this affair also they are adding to their responsibility in the event of failure. There ought to be three or four secret service men, the best the country possesses, on this case. Such men may be here at work. It is to be hoped they are. If not the city, but general post office department and the Attorney-General are incomprehensibly neglectful.

A desperate criminal or a madman alone could commit the crime that so shocked the community last week. In the interests of justice and of public safety no effort should be spared to solve the mystery now surrounding the tragedy.

The public will not be satisfied with half-way measures. The list of unsolved mysteries, criminal or suspicious, in the Eastern Townships is already too large.

members of entente cordiale as formal, impressive and significant as possible.

Premier Louis Barthelemy and nearly all the members of the French Cabinet were at the station to bid the President farewell, while three cabinet ministers accompanied him to Cherbourg.

That the post, President Poincaré accompanied by Stephen Pichon, Minister for Foreign Affairs will embark on the French battleship and proceed to Portsmouth.

## CLOSING AT STANSTEAD

### Alumni Association Banquet Takes Place To-Night

#### MANY TOWNSHIP STUDENTS MATRICULATING THIS YEAR. YESTERDAY'S SERVICES.

Stanstead, June 23.—(Special)—Today is Convocation Day at Stanstead College, and everything is in readiness for this important event. The programme for to-day began at 2.30, when the closing exercises took place at the Holmes Memorial School.

At 7.30 this evening Convocation will take place in Pierce Memorial Hall. An attractive programme has been arranged and a crowded house is expected. Rev. Charles R. Platters, M.A., D.D., will deliver the address to the graduates. The senior class prophecy will be given by Mr. Eldridge Cate, of Sherbrooke, and the essay and valedictory by Merrill Holden, of Freighsburg.

#### ALUMNI BANQUET TO-NIGHT.

The feature of to-day's programme causing most interest is the annual banquet of the Alumni Association, which takes place in the College parlors at 9.30 this evening. Mr. P. C. Duboye, president of the Association, arrived at the College yesterday morning.

At 4 o'clock this afternoon the annual business meeting of the Association will be held.

#### YESTERDAY'S PROGRAMME.

Yesterday was observed as Baccalaureate Sunday, and the special services arranged for the occasion were very largely attended. In the morning the students attended service in the Centenary Methodist Church. The large edifice was beautifully decorated with flowers and ferns. An augmented choir, assisted by a string orchestra, piano and pipe organ, furnished a special and appropriate music. As the organ, piano and strings, struck the first note of the prelude, "Priest's March" (Mendelssohn), the student body entered the church and occupied the central seats. The special music rendered was as follows: "Antiphons," "Unfold, ye portals" (Gounod) and "King all glorious" (Barby). Mrs. Irvine sang as a solo Alliten's "Psalm of Thanksgiving."

The preacher was Rev. B. C. Borden, M.A., D.D., principal of Mt. Allison University. Taking for his text part of the fifteenth verse of the twelfth chapter of Luke, "For a man's life consisteth not in the abundance of things which he possesseth," Dr. Borden delivered an interesting and scholarly address. The trend of his sermon was an exhortation to the students before him to learn the relative value of things in life, and to see after the things that were worth while. The struggle for wealth was not to be despised unless it took first place in hearts and affections of a person. The greatest need in Canada to-day was for men who were willing to give faithful service in the interests of humanity.

There is an abundance of work to be done to make Canada a great nation, and one of the greatest blessings bestowed on man was the ability to work. Every young man and woman leaving Stanstead College should glory in the fact that there was work for them to do, and by working faithfully they would draw out and develop the best there was in them.

Dr. Borden's address was listened to by a large congregation, and from beginning to end was thoroughly enjoyed.

In the evening he addressed a union meeting of the Methodist and Congregational Churches in the Opera House, where a large crowd gathered to hear him.

#### THE MATRICULATION CLASS.

The following are the names of those matriculating this year, also the graduates in other departments of the College:

## YESTERDAY WAS DAY OF REST

### Troops at Farnham Have Quiet Day In Camp

#### DRILL RESUMED THIS MORNING—SPORTS WERE HELD ON SATURDAY.

Farnham, June 23.—(Special)—Yesterday was a day of rest for the soldiers in camp, and the respite from the hard work of the previous week was much enjoyed.

Church parade was held in the forenoon, and the service for both the Roman Catholics and Protestants was held on the grounds.

On Saturday afternoon the annual sports were engaged in and many of the events were keenly contested between the different corps.

The weather has been good so far. The men are enjoying their work. No sickness of a serious nature has been reported.

The routine of drill was taken up again this morning and will be continued until the close of the camp on Friday.

#### GENERAL HAMILTON PLEASANT WITH APPEARANCE OF TROOPS.

General Sir Ian Hamilton is undoubtedly pleased with what he saw at the camp at Farnham on Friday, where the cavalry corps are to be kept busy for another week. Everything was in good order when the Inspector-General of Overseas Forces and the Minister of Militia and Defence arrived, the Camp Commandant, Lieut.-Col. C. A. Smart, being complimented on the arrangements. Lt.-Col. B. B. Morrill, of the 13th Light Dragoons had command of the mounted corps when they paraded before Sir Ian Hamilton. "That is a good soldier," the general remarked, "the reputation in the Imperial army of being one of the best handers of a mounted corps at present holding a commission, and it was a very fine inspection that he gave the local cavalrymen. He appeared also to be pleased with the manner in which the troops accepted themselves in the tactical manoeuvres which followed. He watched the ins and outs of the manoeuvres that developed between the mounted corps and the 7th Hussars, was called upon to defend an old schoolhouse, near the camp, from the attack of the red force, Lieut.-Col. Schneider commanding the defenders and Lieut.-Col. Morrell the attackers. The former gave the decision, but it was a hard-fought engagement, and all showed signs of good training and coolness. The camp closes on the 27th inst."

#### THE ACCIDENT TO MAJOR McLEAN.

Major Charles McLean, of the 13th Dragoons, a well-known horseman and Brockville millionaire, was passing through a gap was "red upon by a soldier in the blue force at close range. Though blank cartridge was used, the soldier poked his rifle into the face of Major McLean in order to shoot him, with the result that the powder scorched his face badly. The proximity of the shot frightened the horse as it went through the gap, and Major McLean was thrown, but without any serious result. However, the order to cease fire had not been given, the soldier was within the rights of attacking Major McLean, who was reported in the official orders as killed.

The injuries to Major McLean are not serious, and he was only temporarily disabled.

#### DEDICATED TO ANTARCTIC HEROES.

London, June 23.—(Credit yesterday dedicated in the Church of the Royal Naval Barracks at Devonport, four stained glass windows and two panels in memory of Captain Scott and four other members of his expedition who perished at the South Pole. The memorial was subscribed for by the officers and men serving in the barracks and ships based at Devonport, the birthplace of Captain Scott.

#### THE WEATHER.

##### LOCAL FORECAST.

Moderate westerly and southerly winds; fine and warm.

## FOUR FIREMEN WERE KILLED

### Three Others Were Injured in Sunday Blaze in Montreal

#### BRICK WALL COLLAPSED AND CRUSHED MEN IN TONS OF DEBRIS.

Montreal, June 23.—(Special)—Four firemen were overwhelmed in death and three injured, one seriously, by the collapse of a brick wall during a fire which early Sunday morning destroyed the cash and blind factory of Itzweir & Sarrazin, facing on Duvernay and Levis streets and Fabian avenue, Ste. Cuneogued ward.

The dead firemen are John C. Forsythe, aged 28 years, single, lived at 47 Cathcart street; Patrick Hamill, 34 years of age, married, lived at 122 St. Martin street, survived by widow, Ellen Wright, whom he married just six years ago to-day, and two boys, one four years old and the other born only two months ago; John McDermott, 22 years of age, single, lived at 392 Hibernia road, and had been with the fire department three months; Webster Molson, aged 25 years, single, lived at 107 Duke street, had been with the department eight months.

The injured are: Fireman Joseph Desjardins, at Notre Dame Hospital, of No. 32 station, scalded by a burst of steam from a pipe in the Duvernay street wall of the building, amputated on the head in his fall to the street, may recover; Captain Enlow, of 9 station, cut on the arm by falling bricks, not badly hurt; and Fireman Cox, of No. 9 station, cut and bruised on arms and head by falling bricks, treated in the out-door department of the General Hospital.

The victims were trapped in a narrow lane that bears the name of Farnham street, and which runs in the rear of the burned factory. Between the thick brick wall of the factory and the storeroom of the City Ice Company in the rear, a distance of not more than twenty feet, six of the firemen killed and injured rushed with their hose as soon as they arrived on the scene, and in less than twenty minutes four were dead, buried by the upper half of a forty-foot trolley brick wall that toppled on them without warning. Two of the injured men who were last to enter the lane and had not penetrated far, escaped with minor injuries, while the other four were buried deep under tons of red-hot bricks, molten iron girders and burning beams.

#### BULGARIA REFUSES RUSSIA'S OFFER.

Vienna, June 23.—(Special)—A special despatch from Sofia says that Bulgaria has definitely declined to Russian Emperor's invitation for the meeting of Premiers of Balkan States at St. Petersburg to discuss critical situation.

#### POLITICAL ECONOMY.

"What's the wrangle about in Plunkville?"

"Some of the community want to maintain middle-class and swell their private fortunes by hauling automobiles out. Others want to see the highways, such as for speeding and applying the proceeds to public works of all kinds."—Kansas City Journal.

Daily Reports From Correspondents Of What Is Going on.

**DIXVILLE.**  
The funeral service of the late Lewis W. Wright, whose sudden death has already been reported, was held from his home on Friday afternoon to the Baptist Church at 2.30 p.m. The service was conducted by Pastor C. P. England. The bearers were Messrs. F. B. Eggleston, Calvin F. Wallis, Elisha Kingsley, A. E. Humphrey, A. J. Martin and Eber Howe. The choir rendered the hymns, "Lean upon the arms of Jesus," "I shall know Him" and "I never could do without Jesus." The interment took place in the family lot at the Crocker Cemetery. The floral offerings were many and beautiful, completely covering the carriage which preceded the hearse. The deceased leaves to mourn his loss a widow, one daughter, Mrs. John A. Gilson, four sons, Mr. C. J. Wright, Sherbrooke; Mr. Claude T. Wright, Montreal; W. L. Wright, Hyde Park, Vt.; and Homer S. Wright, Dixville; two brothers, Mr. J. E. Wright, Montreal, and Mr. George Wright, Dixville, besides many friends and neighbors by whom he will be missed, having lived in this vicinity all his life. Those from out of town attending the funeral were Mr. and Mrs. J. E. Wright, Montreal; Mr. and Mrs. Claude Wright, Montreal; Mr. Will Wright, Hyde Park, Vt.; and Mrs. C. J. Wright, Mrs. Hector Howe, Miss Pearl Wright, Mr. Howard Wright, Mr. Harold Morgan Sherbrooke; Mr. Luther Beane, Stanhope; Mr. Edwin Howe, Hatley, and others.

**ARRIVALS AND DEPARTURES:** Miss Mollington, of Nepawa, Man., arrived here on Thursday and will spend a month the guest of Mrs.

Good Hammocks

Summer is finally with us. The warmer weather suggests a more out-of-doors existence, and summer clothes and summer comforts are much in demand. As a purveyor of summer comfort nothing can take the place of a Hammock—we are purveyors of Hammocks.

This year we are selling a lot of the swinging Couch Hammocks, which have become so popular of late. These we sell are made of very heavy duck, and although not as cheap as some you may see, are much cheaper than the rest.

These Couch Hammocks come in white and colored canvas, with wind shield at the back, from \$7.50 upwards.

We also have the Palmer Hammocks in quiet and rich colors, from \$1.50 upwards.

WANSVILLE DAIRY BOARD

Active Market, and There Were 1540 Packages of Butter Boarded

RULING PRICE WAS 25 1/2 CENTS ALTHOUGH IT WAS EXPECTED 26 CENTS WOULD BE RECEIVED.

Cowansville, June 23.—(Special)—The Eastern Townships Dairywomen's Exchange met at the usual place on Saturday afternoon, with Mr. H. S. Foster, the President of the Association as salesman. Eight buyers were represented as follows: Messrs. A. A. Ayer & Co., Mr. James Dalrymple, Mr. A. J. Vallancourt, The Swift Packing Co., Ltd., Messrs. Lovell and Christmas, Messrs. Hodgson Bros., Messrs. Olive, Dorion & Stroud and the Matthew Co., Ltd.

The market was bright and active from the start and sales were quickly made. There were 1540 packages of butter boarded by 17 factories. The afternoon business was as follows—

The Matthew Co., Ltd., bought: Acorn, 50 packages butter @ 25 1/2 c. Adams, 100 packages butter @ 25 1/2 c. Belle, 46 packages butter @ 25 1/2 c. Elmbrook, 45 packages butter @ 25 1/2 c. Green Valley, 75 packages butter @ 25 1/2 c. Silver Lake, 55 packages butter @ 25 1/2 c. Messrs. Hodgson Bros. bought: Brome Valley, 130 packages butter @ 25 1/2 c. Messrs. Lovell & Christmas bought—

BUTTER WAS WORTH 26 CENTS. A prominent buyer from Montreal stated on Saturday that he would have paid 26 cents per pound for butter but for the fact that he had contracted for 300 packages of the Board at 25 1/2 c. These parties, while they do not belong to the Association and assist in any way, still sell at the ruling price on the Board.

COUNTRY DAIRY BOARDS. St. Hyacinthe, June 22.—At the meeting of the board the offerings were 625 packages butter and 250 boxes cheese. The butter sold at 24 1/2 c. and the cheese at 12 1/2 c.

TODAY'S MARKET PRICES. Morning quotations New York Market and transactions Montreal Stock Exchange. At Montreal, Sherbrooke, Members of Montreal Stock Exchange.

DAILY STOCK LETTER. New York Noon Letter. Saturday's heavy selling seems to have been principally due to the currency and monetary handling of new Currency Bill would have the control of our delicate machinery of credit and banking laws. Prices came generally fractionally higher than our close Saturday and during first hour market was decidedly strong, apparently above 75 per cent of Saturday's selling was for short account and indications continue that the market at least for the time being is pretty thoroughly liquidated. Presentation of Currency Bill to Congress today contains nothing original or illuminating. There is nothing to be gathered from it. Everyone does not know that business would be greatly benefited by a proper banking and currency system. During the second hour the market became dull and reacted slightly from top prices.

Sales to noon, 170,000. Bonds, \$385,500. Wheat, one cent lower. Cotton, dull and easy.

Live Poultry of All Kinds WANTED. We are paying 15c per lb. for good fat hens, 16c per lb. for ducks, also highest prices paid for broilers. Ship to us at Foster. We pay express charges on all shipments of 50 lbs. net and over. EASTERN TOWNSHIPS POULTRY FARMS, LTD., FOSTER, QUE. A. P. Hillhouse, Manager.

CUBS WON FOURTH GAME

Pitchers Struck Out Twenty-Eight Men

CUBS' INFIELD DID NOT RETIRE A MAN AT FIRST DURING GAME

The Cubs had little difficulty in defeating the Pen Angles, of Coaticook, on Saturday afternoon. It was their fourth straight win in the E. T. League. A fairly large crowd was on hand and witnessed a good game. The final score was 14 to 1 for Cubs.

For seven innings Brown, of Coaticook, pitched a strong game, striking out ten batters. He managed to hold the Cubs' heavy hitters down to five runs, three of which came across in the third inning. MacKay started the trouble by laying down a bunt in front of the home plate. Duff followed with a double scoring MacKay. Long was safe on an error and stole second. Heath singled scoring Duff and Long.

Pen Angles got their only run in the sixth. Champagne and Brown both singled. Shaw followed with a scratch hit. Champagne registered on a double steal, MacKay throwing wide to the plate.

The Cubs secured two in the sixth. Heath was hit by a pitched ball. Parker was given a free ticket to first. Hammond then lined one over centre fielders' head for three bases but was out trying to stretch the hit for a homer.

Pen Angles went to pieces in the eighth inning. Brown weakened and his team played indifferently. Seven hits, coupled with a couple of errors resulted in nine runs. The seven hits included four two baggers by Duff, Long, Heath and Parker.

The game was remarkable inasmuch as not a man was retired at first by the Cubs infield. MacKay struck out seventeen men, two men were thrown out at the plate and the outfield took care of the rest. Teller in centre, engineered two double plays. Brown had eleven strike outs to his credit. The teams batted as follows: Cubs—Pen Angles—Shaw s.s. J. Champagne l.f. Morrisette c.f. Tremblay r.f. Hammond c. W. Shaw 1b. Workman 2b. Vincent 3b. Stuart r.f. Teller c.f. Champagne 2b. MacKay p. Brown p. \*Duff 3b. \*Olive r. \*Unpites—Gray and Ledoux. \*Replaced Heath at third base in second inning; Heath replacing Dick in left field. Score by innings—C u b s —0 0 3 0 2 0 9 x—14 P. SHERBROOKE 7; FRONTIERS 4.

Butler Pitched Great Game on Saturday

ALLOWED ONLY SIX HITS AND STRUCK OUT THIRTEEN MEN

Rock Island, June 23.—(Special)—Joe Butler's great pitching and opportunity hitting on the part of his team mates were responsible for a 7 to 4 victory for Sherbrooke over Frontiers, on Saturday afternoon. Joe allowed only six scattered hits for a total of eight bases, struck out thirteen men and banded out two singles, two doubles and a scratch safety.

The visitors' infield was strengthened by Willett at short and McKenny at first, both of whom are classy ball players. Longfellow played center field when Harris stalled and refused to play unless used at first base.

First Inning. Sherbrooke—Butler got to first on a scratch hit and stole second. Chartier fanned. Povey singled. Baker and Longfellow went out via Darby and Cosby.

Second Inning. Frontiers—Chartier took care of Holden's grounder and got him at first. Norris fanned. Cosby was out. Willett to McKenny.

Third Inning. Sherbrooke—Cote shifted his position to second base. Brown had eleven strike outs to his credit. The teams batted as follows: Cubs—Pen Angles—Shaw s.s. J. Champagne l.f. Morrisette c.f. Tremblay r.f. Hammond c. W. Shaw 1b. Workman 2b. Vincent 3b. Stuart r.f. Teller c.f. Champagne 2b. MacKay p. Brown p. \*Duff 3b. \*Olive r. \*Unpites—Gray and Ledoux. \*Replaced Heath at third base in second inning; Heath replacing Dick in left field. Score by innings—C u b s —0 0 3 0 2 0 9 x—14 P. Angles—0 0 0 0 1 0 0 0—1

NOTES. The Cubs will hold a meeting tonight at the club room. Only three balls were hit to the infield during the game. One bounded over Parker's head, the other broke badly to Duff and Workman let the other one go through his legs. Henderson, Pen Angles' catcher, was accidentally knocked out in the fourth inning by being hit with the bat.

CUBS BEAT WINDSOR MILLS. Yesterday afternoon the Cubs beat Windsor Mills in a hard hitting game. Prefontaine retired in the seventh inning in favor of Willett.

tion and batted left handed, singling over first. Willett was out Stratton to Cosby, a good sacrifice. McKenny fanned. Smith got a scratch hit, scoring Cote. Butler doubled, but was marooned on second when Darby made a smart capture of Chartier's fly.

Frontiers—Yetter fled to Willett. Frontiers fanned. Devio reached first when his hit bounded badly for Baker. Longfellow caught Stratton's fly.

Third Inning. Sherbrooke—Stratton threw Povey out at first. Baker singled but was also strangled. Longfellow was called out on strikes.

Fourth Inning. Sherbrooke—Cote was thrown out at first. Willett fled to Yetter. McKenny was called out on strikes.

Fifth Inning. Sherbrooke—Smith fled to Devio. Butler singled and stole second. Chartier was called out on strikes. Povey singled, scoring Butler. Baker doubled scoring Povey. Longfellow doubled scoring Baker. Cote fled to Holden, who made a great one hand catch.

Sherbrooke—Butler fanned. Moulton got a life on an error. Holden was caught at third. Norris singled. Holden was caught at third and went down after colliding with Baker. He had to be replaced by Devio, and not until Sunday morning did he recover. His mind became a blank and Dr. Stockwell advised him to stop.

Sixth Inning. Sherbrooke—Willett doubled. Darby threw McKenny out at first. Smith singled scoring Willett. Butler singled, sending Smith to third. Chartier fanned. Povey fled to Moulton.

Frontiers—Cosby was hit. Yetter forced him at second. Chartier covering the bag. A minute later Jenkins forced Yetter. Chartier taking the throw from Willett. W. Norris, batting for Denio, was fanned.

Seventh Inning. Sherbrooke—Baker singled. Longfellow fanned. Cote singled, scoring Baker. Willett walked. McKenny fanned. Smith singled, scoring Cote. Willett was called out at third on a rather bad decision.

Frontiers—Stratton fanned. Darby fled to Willett. Moulton fanned.

Eighth Inning. Sherbrooke—Butler doubled. Yetter threw Chartier out. Povey was safe

on fielder's choice, Butler dying at second. Stratton threw Baker out. Frontiers—Denio singled but was forced at second by Norris. Cosby fanned. Yetter's double scored Norris. Yetter tallied on Jenkin's double. W. Norris fanned.

Ninth Inning. Sherbrooke—Jenkins now pitching for Frontiers. Longfellow fanned. Yetter threw Cote out. Willett reached first on an error. McKenny fled to Yetter.

Frontiers—Butler let loose in this inning and struck out Stratton, Darby and Moulton in succession.

M.A.A.A. AND ST. THOMAS WIN

M.A.A.A. WON BY 6-4—ST. THOMAS AS WIN IN OVERTIME FROM SHAMROCKS

Montreal, June 23—Two good exhibitions of the national game were staged by the National Lacrosse Union at the M. A. A. grounds on Saturday afternoon, when Montreal defeated Cornwall by the score of 6 to 4 and St. Thomas Aquinas gained an overtime victory from Shamrocks by 8 goals to 7. The three local teams all had good followings and the resultant crowd was a very fair one, 1,500 persons attending.

Cornwall and Montreal were the first to meet and from the start it was seen that the teams were evenly matched. Despite the exodus of players from Cornwall to Big Four teams, the Factory Town line-up included some familiar names. Prominent among them were three of the famous Degan family. Bob and Fred, who were with the Nationals earlier in the season, and a younger brother, Eddie. Montreal had Fyon in goal, and he played a good game with the two veterans, Mackerrow and Hamilton in front of him.

The second game was even more exciting than the first. Aquinas got away to a flying start, and at the end of the first quarter had the score at three to nil. Shamrocks fought an aggressive up-hill game, and by the finish had tied the score, after twice previously tying it, only to allow the St. Thomas aggregation to score another to put them again in the lead. It was almost dark when the final whistle blew with the score at seven all, and the overtime was played under difficulties, St. Thomas gaining the decision.

M.A.A.A. had practically the same line-up that defeated Sherbrooke by 4 goals to 2 last week.

"BIG FOUR" RESULTS. Irish Canadians 10, Toronto 5. Tecumseh 6, Nationals 3.

MEGANTIC CO. HAPPENINGS.

Budget of News From Various Sections of Country.

INVERNESS.

Mr. John Duff has received news of the death of his oldest brother, Robert Duff, at his home in Goderich, Ont., on the 16th, inst. He leaves to mourn his loss, a wife and seven children.

Mr. and Mrs. William Rothera have returned from their wedding trip and have taken up their residence here.

School closed Thursday for the summer holidays and the pupils have gone to their respective homes.

Among those who attended the Thompson, Beattie wedding at Leeds Wednesday were: Mr. and Mrs. D. McCullough and son Omer; Mrs. Somerville, Mr. G. Thompson, Mr. and Mrs. Wilson Beattie and Mr. George McCammon.

Mr. James Stewart, Lyster, in town Thursday; Mr. W. J. Smyth to Theford Mines for the week; Miss M. Hume, Leeds, guest of her sister, Mrs. Rothera; Mr. and Mrs. J. D. Hutchinson, Lemesurier, with Mrs. D. McCullough; Miss Mildred Rothera, guest for a few days of Miss Hazel Smyth before returning to Leeds; Miss Grace Rothera to her home in Leeds; Mrs. S. W. Mooney and son Eric, to Stanstead for the closing exercises; Miss Marjorie Kerr to Montreal Friday.

Mr. and Mrs. Hebert's young son was baptized Thursday and received the name of Joseph Arel Leroy. The sponsors were Mr. and Mrs. James Devaney.

KENNEBEC ROAD.

Messrs. Cathcart and Stewart, after an absence of twenty days, have just returned from attending the great Presbyterian Congress and Assembly meetings in Toronto. They report them to have been grand meetings in the highest and best sense of the term, and to have been attended by upwards of 5000 delegates and commissioners. It was the generosity of a few of the wealthy men of the Church which rendered such a gathering possible. They contributed \$100-

000.00 to pay the fares of those who could not afford the expense themselves. The Presbytery and people of Toronto billeted them while there; and Mr. McKenzie of the Electric Railway granted them the privilege of free riding on the cars during the whole time of the meeting.

A number of the delegates took advantage of a cheap excursion to Queenston Heights and Niagara Falls, and those who desired had a climb to the top of Brock's Monument, and a view of the surrounding scenery. The G. T. R. granted the privilege of a few side trips from Coteau to Ottawa of which Messrs. Cathcart and Stewart took advantage on the return journey and visited the Experimental Farm, the Observatory, and the Parliament Buildings and grounds. Among the many interesting things seen there, may be mentioned a cut from a Douglas fir tree of British Columbia. When growing it was 8 ft. in diameter and upwards of 200 ft. in height, and its age was 556 years when cut down.

Mr. and Mrs. Wm. Cathcart have just returned to Bury from visiting their old friends and friends here; Mrs. Stands and Misses Ethel and Dora of Newport, Vt., at present on a visit to their friends on the "Road"; Mrs. Rainey and daughter of Waterville, Maine, are on their way to visit friends in St. George Settlement.

Mrs. Rainey just met with a serious accident by the upsetting of the conveyance in which she was riding. Dr. Poliquin was called and found her elbow dislocated and one of the bones of the arm fractured. She is doing as well as could be expected.

REEDSDALE.

Mrs. English and children, of Boston, Mass., guests of her brother, P. and John Quinn; Mr. and Mrs. A. P. Kelly and family Saturday for Quebec, where Mr. Kelly will consult an eye specialist; Rev. Mr. Branton on Tuesday to Danville, where he will visit his old parishioners before he returns to his home in Birtle, Man.; Mr. P. Mooney on a visit to his sisters in Worcester, Mass.; Mrs. Edwards, of Coombsville, with her mother, Mrs. Lowery; Miss Hancy closed a very successful term of school on Thursday and left for home on Friday; Mr. A. McVeety on Friday for Montreal, with a carload of fat cattle; Mr. Eddie Lemon to Montreal on Tuesday.

Mr. W. J. Turner had a "bee" peeling pulwood Thursday, and gave the young people a dance in the evening.

RECTORY HILL.

Miss Florence Patterson with her sister, Mrs. John Porter, of Lower Ireland; Mrs. David McIntyre and son Chester, of Reedsdale, with friends on Wednesday; Miss C. Patterson the week-end at Mr. Allan Watts.

McLeod and Miss Catharine McLeod in Megantic recently; Mrs. Peter McDonald to Spring Hill on Monday; Miss Katie McKay, from Montreal, to her home in Whitwick; Miss Etta McKay, from Scotstown over Sunday; Mr. Archie McLeod home from Sherbrooke, where he is taking a business course; Mr. Mando H. McLeod, from Galson, visiting friends; N. G. Scott, M.P.P., from Scotstown, by auto on Tuesday.

RANDBORO.

Arrivals and departures: Mrs. M. McCurdy and son Grant from Boston with her mother, Mrs. W. J. Swall; Mrs. Lawson and child from Lowell, Mass., with her sister, Mrs. A. Hurd; Mr. Albert Beliveau to St. Anne de Beaupre on Wednesday; Mr. and Mrs. Hollis Cairns of Clifton at Mr. Horace Cairns; Mr. and Mrs. F. Kent to Bury on Sunday; Mr. and Mrs. V. Swall and family to Johnville to attend the "Swail and Drew wedding"; Mrs. Flora Rand at Bulwer recently.

A very severe electric storm passed over here on Monday evening accompanied by rain and hail. Many fences were blown down and damage done to the telephone wires.

The caterpillars are very numerous through this section of the country doing much damage to the maple and fruit trees.

GOULD.

The following is the result of the Government examinations in Grades I, II and III in the Gould Model School, in order of standing:

Grade I. Model—Alex McDonald, James MacCaskill, Cecil MacAulay, Stella Macdonald. Presented from Edith Mountain School in this Grade, Edith MacIntehie, passed, and two failures.

Grade II. Model—Talbot Murray. Presented from North Hill School in this Grade, Ruth Macdonald, passed. Those scholars presented from District Schools do not belong to the School, and do not count for or against the School.

MARRIAGES

CARPENTER-GAGNON

Richard, Vt., June 23.—(Special)—The marriage of Miss Alexina Gagnon of this village and George L. Carpenter of Sandy Hill, N.Y., took place at the Roman Catholic Church on Tuesday, Rev. J. A. Cote, of Cote, officiating. Mr. and Mrs. Carpenter left for their home at Sandy Hill by the morning train.

ROYEA-SHAKESPEARE.

Knowlton, June 23.—(Special)—The marriage took place at St. Paul's Church on Wednesday, June 18th, of Miss Rose Fannie Shakespear to Mr. Clarence Royea, son of Mr. and Mrs. Peter Royea, Millington. Rev. Canon Carmichael performed the ceremony. The bride, who was given away by Mr. A. Drummond, of the Knowlton Home, wore brown silk and she was attended by her two sisters, the Misses Bessie and May Shakespear, who were dressed in blue silk. The best man was Mr. H. Vaughan, of Millington. A reception was held later at the home of Mr. Little where the bridal couple are remaining for a short time.

SANBORN-TIBBITTS

Knowlton, June 23.—(Special)—On Wednesday the 18th of June, 1913 a very pretty wedding took place at the residence of Mr. John Tibbitts, near Knowlton, when his eldest daughter, Miss Helen Rachel, was married to Mr. Floyd Alonzo Sanborn of Iron Hill. The officiating clergyman was the Rev. Ernest M. Taylor, M.A., of Knowlton. A large number of relatives and friends were present. The gifts were numerous, being made up of the useful and ornamental. Several gifts in money and meques were noticed. At the ceremony the double ring service, was used. The bridal party stood under a floral archway. The bride, who was given away by her father, was tastefully gowned and wore a veil with orange blossoms. The groom was supported by his brother from West Ely. The bridesmaid was Miss Bertha Farmer. The Wedding March was played by Miss Kimball. After the ceremony the large company partook of a substantial repast. The large central or bride's cake was the work of Mrs. Tibbitts with frosting artistically laid on by Mrs. A. Kimball. The general management of the table arrangements was well carried out

by Miss Sarah Massie. The abundance of rice and confetti as well as an old shoe tied to the buggy of the groom were evidences of mirthful activity. The happy couple are to reside at Iron Hill.

MacKINTOSH-SEARS.

Sutton, June 23.—(Special)—The home of Mr. and Mrs. A. N. Sears was the scene of a pretty June wedding Wednesday evening, the 18th inst., when their eldest daughter, Josie Grace, was united in marriage to Mr. Robert James MacKintosh, of Swift Current, Sask. The parlor was very tastefully decorated in colors of green and white. The bridal party entered the parlor to the strains of the wedding march (Mendelssohn's), played by Mrs. Fay Sturgeon, who also played softly through the ceremony. The bride, who was given away by her father, looked very pretty in a gown of white silk trimmed with lace and chiffon, and carried a bouquet of white roses. The bridesmaid, Miss Gertrude E. Smith, of Richmond, Vt., a cousin of the bride, was gowned in pink silk trimmed with lace, and carried a bouquet of sweet peas. The best man was Mr. Jesse J. Sears, a twin brother of the bride. The ceremony was performed by the Rev. F. J. Hayden, of the Methodist Church, Sutton.

After congratulations had been offered by the many friends present a wedding lunch was served from the dining table, which was prettily arranged with the wedding cake and colors of white and yellow.

The groom's gift to the bride was a gold watch and fob, and to the bridesmaid a brooch set with pearls. After luncheon the bridal party left amid a shower of rice for Richmond, where they took the train for a wedding trip to Hartford Conn.

Among the guests from out of town were Mr. Allen Danforth and sister, Miss Mildred Gregory, from Fairfax, Vt., also many relatives and friends from Richmond. The presents of cut glass, silver and linen were numerous and handsome. After a short honeymoon Mr. and Mrs. MacKintosh will start for their future home in the Northwest.

BUSHEY-BUTLER

Sutton, June 23.—(Special)—The marriage of Miss Anna Butler, daughter of Mr. J. B. Butler, of Sutton, and Mr. Ora Bushey of Westmore, Vt., took place at Richmond, Vt., on Monday, June 16th at the Rectory, Rev. W. T. Forsythe tying the nuptial knot. Mr. and Mrs. Bushey will reside in Westmore going there early in July.

There are 1 1/2 to 3 grains of Caffeine in every cup of Tea or Coffee.

It Hardly Seems Our Business To Apologize For Tea and Coffee

But simply to place the truth before people and let them act as they see fit.

That easily explains the cause of many a tea and coffee drinker's disturbance of heart, stomach, liver and nerves.

It's a good idea when the body begins to show disturbances, to quit tea and coffee and use

INSTANT POSTUM

This pure food-drink, sold by grocers everywhere, is warranted pure and absolutely free from the tea and coffee drug "caffeine". It feeds and nourishes where tea and coffee destroy the tissues.

Instant Postum is made of prime wheat and the juice of sugar-cane, roasted and blended to produce a rich, snappy flavour.

A level teaspoonful of Instant Postum in an ordinary cup of hot water dissolves instantly, and makes it right for most persons.

A big cup requires more and some people who like strong things put in a heaping spoonful and temper with a large supply of cream.

Experiment until you know the amount that pleases your palate and have it served that way in the future.

Postum comes in two forms.

Regular Postum (must be boiled.)

Instant Postum doesn't require boiling, but is prepared instantly by stirring a level teaspoonful in a cup of hot water.

BICYCLE COLLIDES WITH AUTO—YOUNG MAN BADLY INJURED.

About one o'clock on Saturday afternoon a young man named Menick met with a serious accident. He was coming down Wellington street on a bicycle at a very fast rate and dashed into an automobile coming towards him. He was thrown from the bicycle underneath another automobile which was standing still outside Echenberg's store.

He received a bad cut over his right eye about six inches deep, and severe bruises on his right leg.

It appears that a team was in front of him and instead of keeping behind this he crossed over to the other side of the street and endeavored to pass the standing automobile before the one with which he collided reached him, but he was unable to do so and his way of escape was cut off.

He was picked up and taken to his boarding house at 349 Wellington St. by the automobile driver. Dr. Brown-ing has been attending to his injuries and he is somewhat better, but still not able to leave the house until next week.

DEATH OF MRS. DESEVE. The death occurred early Sunday morning at the home of her son, Mr. Oscar Deseve, of Mrs. Deseve, widow of the late F. X. Deseve, at the age of 87 years and 9 months. Deceased, whose maiden name was Milanie Hrazcan, was born in Montreal, but for a number of years lived at St. Hyacinthe, later coming with her husband to Sherbrooke, where she spent 55 years of her life. For some eight months she had been practically confined to bed, but up to that time was active and comparatively vigorous, both in mind and body. Mrs. Deseve was a woman of great energy of character, a tireless worker, a true Christian, and absolutely unselfish. Few women have been more useful in their day and generation, and few will be more sincerely mourned.

Her husband passed away nine years ago, only two months before he and his aged wife would have celebrated their diamond wedding.

Deceased was the mother of thirteen children, of whom the following survive: Mrs. N. T. Dussault, Mrs. Louis Dupuy, Mr. Oscar Deseve, Sherbrooke; Mr. A. L. Deseve, Magog;

Mrs. Z. P. Cormier, Mrs. D. W. Sten-sen, Sherbrooke; Rev. Sister St. Legarde, of the Sisters of the Congregation, Montreal; Mrs. E. Mar-cotte, Mrs. Anetli, Quebec, with 31 grandchildren and a number of great-grandchildren.

The funeral will take place Tuesday at St. Michael's Cathedral.

ELEPHANTS RUN LOOSE IN THE STREETS. Four of the enormous elephants belonging to Sanger's Circus took a stroll through the streets of Salt Lake City while the show was being unloaded from the trains. They had been left temporarily in charge of the keeper's assistant while the keeper himself was called away for a few minutes. The big brutes seemed to know that they were not in strong hands, and they proceeded towards the produce market, which was only a block away. A wagon load of fresh vegetables which had just been backed up against the curb attracted their attention. The farmer and his wife immediately vacated the vicinity with remarkable suddenness, while the elephants proceeded to regale themselves upon the delicious garden truck.

It took only a moment for the load to disappear, when the market policeman appeared upon the scene, only to find that they had urgent business at the tops of some tall telephone poles near at hand. By this time the whole market space was in an uproar, and the way people, horses and wagons disappeared was a caution.

At this juncture the circus men were seen coming on the run, and the elephants decided to give them a run for their money, for they dashed off towards Temple Avenue at a rapid rate. Before them, like a drove of wild sheep, people on foot, in buggies, wagons and automobiles dashed at wild haste. Market wagons rattled up the street distributing vegetables, fruit, eggs and other articles at every jump. But not for long. The circus men new their business and soon closed in upon the truants, and in a few minutes the monster creatures were plodding peacefully towards the circus grounds. And their eyes gleamed with a look that said plainly, "we had a good time while it lasted."

Sanger's Greater European Shows will exhibit at Sherbrooke, Tuesday, July 1st, afternoon and night. Show grounds, Ames Farm, Lennoxville Road.

## MISSISSQUOI COUNTY AGRICULTURAL SOCIETY

### Judges Appointed For Farm Crops and Other Departments

APPLICATION WILL BE MADE TO PROVINCIAL GOVERNMENT FOR GRANT OF \$500.

Bedford, June 23.—(Special)—A regular meeting of the Directors of Missisquoi County Agricultural Society was held in the County building at Bedford. The President, Mr. E.F. Currie, occupied the Chair, and the directors present were Messrs John Harvey, H. Hebert, W.M. Martindale, L.H. Rocheleau, E.C. Juaire, Morgan, R.H. Reynolds, C.H. Nye, O.A. Reynolds, W.H. Tillson, M.J. Beattie, Thos. Hunter, E.F. Baker, Wm. Lee, Clement Cady and C. O. Jones, Secretary Treasurer.

An addition will be built on the grand stand this year and on motion by Directors Nye and Tillson it was decided to proceed with the work as soon as practicable.

### JUDGES APPOINTED

The appointment of judges on crops for the various divisions of the county was then taken up with the following result—

Mr. H. T. Spencer, Township of Dunham.  
Mr. J. H. Barley, Township of Stanbridge.  
Mr. Joseph Lebeau, Township of Farnham and Parishes of Notre Dame des Anges and St. Pierre de Veronne.

Mr. John Butler, Parishes of St. Armand East and West.  
Mr. Chas. E. Baker, Parishes of Clarenceville and St. Thomas.

The Department of Agriculture at Ottawa will be requested to appoint the judges on live stock and dairy products. Mr. Robert Kidd of Stanbridge East was appointed Judge on manufactures, Mr. George Reynolds judge on fruits and vegetables and Mrs. C.H. Morton, of St. Albans, Vt., and Mrs. W.M. Tait, of Freighsburg, as judges on ladies work.

**SPECIAL PRIZES.**  
The Canadian Bank of Commerce donated the sum of fifty dollars to the society in encouragement of the dairying industry and the Society received this with very much pleasure and requested the Secretary to make a suitable acknowledgement of the generous donation.

Director Juaire was in favor of offering a prize on tobacco but the matter was deferred until a more suitable time.

**WILL ASK FOR GRANT**  
In view of the fact that certain repairs and improvements are deemed necessary, it was decided on motion by Directors Lee and Rocheleau that the Secretary apply to the Department of Agriculture for a special grant of five hundred dollars to assist in defraying the expenses of this work. The Society will extend an invitation through their local member to the Honorable Minister of Agriculture for the Province of Quebec to attend the Fair this year.

The question of securing suitable grand stand attractions, etc., came up for discussion and the Society will endeavor to continue this year as in former years by giving an exhibition a little better if possible than the last one. President Currie and Directors Hill and Martindale were constituted a Committee to provide the grand stand attractions and to attend to the advertising, etc.

The meeting then adjourned to meet at the call of the President.

### GIGANTIC RUDDER

So Huge That It Has a Door For Men to Get Inside It

A rudder with a doorway into its interior is a feature of the mammoth Cunard liner Aquitania. The pin which connects the rudder to the ship is 4 feet in length and bigger than the heaviest projectile made for modern artillery. A special appliance was constructed in the ship to lift it into position. When delivered at the builder's yard the rudder was in three parts. After they had been connected and laid upon the ground, the distance that had to be walked round the complete rudder was over 100 feet.

### MYSTERIOUS AIRCRAFT

The People of Cardiff Have an Unusual Sight

Cardiff was startled by the appearance over the city of an aircraft. It was exactly 8.40 when the craft was noticed, and a crowd assembled outside the Glamorgan County Police Station watching its quick progress. Coming from the direction of Whitechurch and the Rhondda, it flew at between seventy and eighty miles an hour and disappeared in the gloom in the direction of the Bristol Channel over Penarth. The altitude was between 1,000 and 1,500 feet, and the craft carried a strong light. Among those who saw it was Captain Lionel Lindsay, Chief Constable of the county, and his deputy, Superintendent Thomas and other police officers. It was suggested that from its great speed the object was an aeroplane.

It is time for action, definite and uncompromising action on the part of the church, the home, the state, the parents, the teachers and the politicians.

Mrs. Cutter also directed attention to the fact that next Sunday in the W.C.T.U. calendar is "Anti-Narcotics" Sunday and leaflets and lesson papers on the subject are published by the Dominion W.C.T.U. for use in Sunday schools.

At the close of the meeting a five o'clock tea was furnished by Mrs. Kemp and Mrs. Oliver.

## NINE ENGINEERS WERE DROWNED

### United States Survey Boat Foundered in Storm

SMALL CRAFT WAS UNABLE TO WITHSTAND THE FORCE OF ELEMENTS.

New Madrid, Mo., June 23.—Nine members of a party of fourteen United States engineers and other Government employees were drowned near New Madrid, Mo., late yesterday, when the United States survey boat Beaver, which the party was aboard, was capsized in a wind storm.

The Beaver, a small craft of the canal boat type, left Memphis last Friday for Snakey Bend, in the Mississippi River, about seven miles north of New Madrid, where a survey was to be made preliminary to the construction of revetments. The boat had proceeded to a point about four miles above this city, and was near midstream when the storm broke with but little warning.

Snakey Bend is in a remote section, but until the return of the boats sent from this city further details are improbable.

## PASSENGER CARS WERE DERAILED

### Accident Took Place Near Rosenberg on Central Vermont

ALL THE PASSENGERS ESCAPED WITHOUT SERIOUS INJURY—PERMANENT WAY DAMAGED.

Rosenberg, June 23.—(Special)—A serious wreck occurred here about 10 o'clock yesterday morning to the Montreal to Boston train for Boston on the Central Vermont Railway. The train was proceeding at the regular rate of speed when the tender of the engine jumped the track, followed by the baggage and four passenger cars.

The train was well filled with passengers, but fortunately all escaped without serious injury.

The permanent way was badly torn up, and it was some time before the track was cleared by the wrecking crew.

The cause of the accident is not known, but about twenty minutes before it occurred a heavily laden passenger train passed through the same place, and this may have had something to do with damaging the rails so that the derailment took place.

### WATERVILLE

Edwin James died here on Friday aged sixty-eight years. The funeral was held from the residence of Mr. W. Jones at two o'clock Sunday thence to Lennoxville Cemetery.

## DROWNED IN WHIRLPOOL RAPIDS

### Two Boys Were Swept to Death Before Large Crowd

BID EACH OTHER GOOD BYE AS FRAIL CRAFT WENT IN RAPIDS.

Niagara Falls, N. Y., June 23.—Donald Roscoe, ten years old, and Hubert Moore, nine years old, both of Niagara Falls, went to their death in a small boat late Sunday afternoon in the Whirlpool Rapids, while hundreds of men watched helplessly from the shore. The boys had been playing in a flat-bottomed scow near the lower station of the Hydraulic Power Company, half a mile above the rapids. The rope holding the boat broke and they were carried out into the stream and down the river.

Up to the time the boat reached mid-stream, it made little progress. After it had passed the bridges the current carried it rapidly towards the rapids. The bridgemen did not see the boat until it was close at hand. When they caught sight of it they called fire headquarters and Chief Miller sent out two companies of firemen.

Hundreds swarmed to the river banks in a vain effort to save the boys. The boys, realizing their fate, stood up as the boat neared the edge of the roaring whirlpool and shook hands "good-bye." A second later they were engulfed by the crest of a great wave in the rapids. The boat shot out of sight. One of the boys was seen a moment later struggling in the rushing waters.

## HORSE THIEVES GET TWO YEARS

### Stole Horse and Buggy From a Sherbrooke Man

WERE TRACED TO MALONE, N.Y., AND BROUGHT BACK TO STAND TRIAL.

William Russell and Levi Bruisere, who were arrested at Malone, N.Y., by High Constable Mee on Friday last, in connection with the theft of a horse and buggy from Mr. John Williams of this city, were up for preliminary hearing before Judge Mulvena to-day.

The first was charged with theft and the latter with aiding and abetting in the same.

They were committed for trial but afterwards asked for a speedy trial and pleaded guilty.

They were each sentenced to two years in the penitentiary. The Court remarked that they were liable to a much longer term, but owing to the fact that they had helped the authorities to find the horse, the sentence would be only two years.

## WASTING A NATIONAL ASSET.

(From the Brooklyn Standard Union) According to the United States Bureau of Mines the waste of natural gas in this country is shameful—it ought to come within the range of the criminal law. Estimates show that the annual loss amounts to about \$10,000,000, and most of it is due to indifference. In some instances gas has been spouting for years and no effort is made to shut it off. Of course the time will come when the nation will heartily regret the waste that is now going on.

Natural gas is considered the most perfect fuel there is, and it is seen that the company or individual who permits one of these great underground reservoirs to be empty without humanity getting any benefit out of it is held accountable. Gas fields, like the coal and petroleum fields, are too great a national asset to be wasted in a wanton manner. Some day there will be a need for the gas that has escaped them, of course, it will be too late to remedy the damage.

The Government conserves impounds water for arid spots, holds in reserve some coal deposits and in other ways looks after and develops natural resources, and seems that it should have considered the gas fields so that an amount would be put to the inexcusable waste.

**ANNIVERSARY GATHERING AT WEST SUITON.**  
Sutton, June 23.—(Special)—A party of 125 friends and neighbors of Mr. and Mrs. Tom Jordan gave them the surprise of their lives when they gathered at their pleasant home near West Sutton on Friday evening to celebrate Mr. and Mrs. Jordan's 13th anniversary of their marriage. At least half a dozen teams had gathered before Mr. and Mrs. Jordan caught on and right welcome did they

make their friends. Many from the village went over including Rev. A. Wallace, who made the presentation address of the evening when a purse of over \$35 was presented to the worthy couple on behalf of their friends who had assembled to do them honor. The Rev. gentleman remarked that it was useless for him to remark on what had called them out, the size of the company spoke louder than mere words to the appreciation felt for the couple who they all wished to pay this small tribute of respect to. The visitors brought their own refreshments which were served. A large contingent of the Olivet Church people were at the gathering this being the Church of Mr. and Mrs. Jordan usually attend. From a distance were Mr. and Mrs. H.L. Hastings and Mr. and Mrs. Almer Marsh of Iron Hill. The Company broke up at an early hour well pleased with the success of the gathering.

**STILL SEARCHING FOR BODY.**  
Bedford, June 23.—(Special)—Mr. C. B. Jameson spent a couple of days during the past week visiting Cedar Rapids on the St. Lawrence River where his son, Murray, was drowned a few days ago. Efforts are still being made to locate the missing bodies of the two men drowned but so far without avail.

## BEDFORD DISTRICT LOCAL HAPPENINGS

(Continued from page 3)  
fore him smoke cigarettes, but 99 per cent. of those, also, inhale. They do not smoke for the pleasure, but to satisfy the inner craving, and then they resort to cocaine and become the "coke" fiends of the city.

In Mrs. Hawley's paper entitled, "Tobacco Dwarfs the Mind and Body," was the following testimony from Dr. N. B. Delemeter, specialist on mental and nervous diseases. He says: "The use of tobacco in any form, previous to sixteen years of age, has an undoubted tendency to lower very materially the mental force and acumen and render the user a person without ambition and may even cause insanity or idiocy."

In Mrs. Winchester's paper entitled "The Boys' Problem," was the following from the Superintendent of the Preston School of Industry, California—"Of some seven or eight hundred boys who have come under my care in the last two years, my records show that 90 per cent. use tobacco and 85 per cent. use it in the cigarette form. In my judgment the smoking of cigarettes by young boys from 16 to 18 years of age is the most insidious and subtle destroyer of the boy's mental faculty of all habits followed by them."

Mrs. Cutter said that there was an alarming increase in the sale of cigarettes in Canada in the last four years and statistics show that the increase in the last year over any previous year was 168,926,865. Surely
