

MAPLEWOOD AVE. COMMERCIALIZATION IS RESENTED

Complaints re Building of Shops and Other Business Premises, Says Newspaper.

The Montreal Standard, in a recent issue, under the caption "Commercializing of Maplewood Avenue is Strongly Resented," had this to say: "Many complaints are reaching the Standard from residents on Maplewood Avenue in regard to the building of shops and other business premises on what has been considered one of Montreal's finest residential thoroughfares."

How the process of commercializing residential districts may be arrested is difficult of visualization. It is an unescapable step in the march of progress of a great city. And the march of progress must not be halted. However, the residents of any locality in which such commercialization is developing have most emphatically a right to consideration—if only a moral one. It is hoped that the stores under discussion, when completed, will measure up to the standards set by the splendid type of residences already existing on the avenue. It is often a simple matter to deflate land holdings, and a task of centuries to again raise them to their original values.

CHURCH OF THE ASCENSION NOTES

ASCENSION TEEN-AGE W.A.

There was a large attendance at last week's Teen-Age W.A. meeting, which was conducted with the president in the chair.

Following out the educational side of the program, short speeches are given every week by two of the members, the subjects being one of a missionary nature and the other a free choice. At the last meeting Peggy Morris gave a very interesting account of some of the personal experiences of two of our missionaries in Japan, while Maude Melville chose as her subject, an ear-witness' account of the launching of the Queen Mary. All the girls are anxious to learn how to express their thoughts in public and are taking advantage of this opportunity to do so. Judging from the keen enthusiasm shown this should form a very interesting part of our program.

A fashion show will be presented in the Church Hall on Oct. 26th. This feature should be of interest to all the ladies of the North End, and those wishing to attend will be gratefully welcomed. There will be a nominal admission charge and tea will be served. A poster competition is being conducted for the members for this event, and the girls are asked to bring in their work as soon as possible.

CHILD AILMENTS

By Dr. H. A. Hershon.

TEETHING

Teething raises a host of questions in the minds of young mothers. Some of these questions are: When should teething begin? How many teeth should a child have? When should a child have all its teeth? Is a child sick when teething, and if so, why? Teething does not always begin at the same time in all children. It varies with families and children in the family. In some cases, teeth begin to appear very early, while in others they are quite late. In weak children or those with rickets teething is always delayed and often imperfect. In normal children, however, teething usually begins sometime between the fifth and ninth months. The first teeth to cut through are the lower centrals. The complete set of twenty teeth makes its appearance about the age of two and a half years.

All children manifest some symptoms at the time they are teething. The mildest cases are fretful, sleep poorly for a few nights, constantly put their fingers into their mouths, which drool, and sometimes show a loss of appetite. In more severe cases there is fever of varying degrees, looseness of the bowels and sometimes even diarrhea. Although these symptoms last only three or four days, there may be an arrest in the gain of weight which may last over a period of a few weeks.

Some children are severely ill every time they are cutting teeth, but in these cases there is certainly intercurrent disease.

either Jim McKenna or "Dave" Rochon. The latter helped to win his own game with a Texas Leaguer to right, scoring two men ahead of him. Good work by the Irish outfield was a feature.

As a result of the game a trophy has been presented by a well-known resident, to be awarded to the winner of a series of three games, of which last Sunday's counts as the first. A second is being arranged for Sunday next, again at the Globe Field. The teams:

Y. M. H. A. NIGHT COURSES OPEN MONDAY, OCT. 15

The Y.M.H.A. Educational Committee has announced that the Night Courses will open on Monday evening, Oct. 15th.

The best of instructors, and the most interesting subjects have been chosen for these lectures.

Courses

English courses will be handled by Messrs. P. A. G. Clarke, C. H. Cheasley and Prof. A. Noad. A new course in merchandising will be conducted by Mr. C. H. Cheasley.

Mr. J. H. Grieg will be in charge of French instruction. Electricity will be taught by Mr. M. S. Tjtleman, B.Sc. Later in the season, Prof. Scott will handle a course in "World in Revolt."

Low fees will prevail in all departments. Registrations are now being accepted by the Educational Department.

Jewish Studies

The School of Jewish Studies will hold its opening session on Oct. 10th, Wednesday evening.

These discussion courses will comprise a series of seven lectures on Jewish subjects pertinent to the adult who is conscious of his Jewish heritage and faith.

Of especial interest will be those lectures on the Making of a Modern Jew, Modern Jewish Literature, Modern Jewish Folkways and Contemporary Jewish Affairs.

The probable lecturers will be Mr. Harvey Golden, Mr. H. J. Halperin and Mr. Aaron Klein.

Leaders' Institute

Registration is almost complete in the newly-formed Club Leaders' Institute and the first lecture will take place on Oct. 16th.

The Institute calls for a two years' training course in the field of practical methods for the care of the younger people of the pre-High School age.

The courses should be especially fruitful to those young men and women who have their eyes cast on a position as Club leader or Sunday school teacher. With the knowledge acquired in the Institute, the successful graduate has gone a long way on the road to further credit and esteem not only to himself but also to his community.

OUTREMONT PRESBYTERIAN CHURCH NOTES

Miss Margaret Smith, member of the MacVicar Y.P.S. was the speaker at Monday night's meeting of the Young People's Society. It was mission's night and the speaker gave a most interesting account of the work of Miss Jean McLean, missionary to the Koreans in Japan. Miss Smith also gave many interesting sidelights on the native life and customs of the Koreans. Anyone listening to Miss Smith's description of mission work would get the impression of the adventure of missions.

After the address, those present who wished to take part were organized into carpet bowling teams. A very enjoyable hour was spent in this way. Thanksgiving services will be held on Sunday both morning and evening. The sermon at 11 a.m. will be "Our Gratitude" and in the evening at 7.30 p.m. "God's Gratitude."

The regular activities during the week besides the Young People's meeting on Mondays, are: The Girl Guides at 7.30 on Wednesdays and the Boy's Club at 7.30 P.M. on Fridays. The Brownies meet at 10 o'clock on Saturdays.

NORTH BRANCH BASKETBALL SEASON OPENS

Tuesday, October 1st at 8.30, heard the opening whistle of the North Branch House Basketball League. At that time the Maple Leaves and Black Hawks started the play.

The teams got away slowly, being unable to find the basket for many tallies, with a considerable amount of personal fouls being handed out by the referee, W. Macklaier being banished during the first half by the personal route. However, during the second half, the teams suddenly began to find their form and the game became fast and furious, the Maple Leaves finally winning with a score of 28-25. For the victors Bill Staton was deadly in his marksmanship, netting 17 points. For the losers Struthers and W. Macklaier shared the scoring honours.

In the second game the Bears played

PIONEER RESIDENT OF NORTH END PASSES AWAY

F. X. L'Ecuycr, Builder of First House North of St. Viateur St. Dead.

The North End has lost one of its oldest citizens, at the age of 82, in the passing of F. X. L'Ecuycr, for thirty years one of the city's best known coal and wood dealers, at the home of his son-in-law, M. P. Lasnier, 6175 Durocher Avenue, Outremont. Mr. L'Ecuycr was one of the founders of the Parish of Ste. Madeleine, Outremont, and was for a number of years church warden of the parish. It is related of him that he erected the first building north of St. Viateur street, a four-flat structure, on the west side of Champagne Avenue, just above Van Horne, many years ago. He leaves behind him five sons, Francois, Emile, Arthur, Alfred and Lucien, and also two daughters, Mme. P. Lasnier, and Miss Emilienne L'Ecuycr. Madame L'Ecuycr, nee Clara Levesque, predeceased him some nine years ago.

Mr. P. Lasnier, his son-in-law, is widely known as travelling freight agent for the Canadian Pacific Railway.

ed the Maestros. Both teams settled down at the beginning playing hard basketball. However in the second half Archie Little managed to elude his guard and ran in several pretty tallies. The Maestros took the Bears into camp with a score of 40-25. Little being the high man with 17 points. For the losers Conklin was high with 10 points.

All four teams while playing very hard basketball showed considerable uncertainty as to footwork, and in consequence personal fouls were numerous. Referee Charlie Bray handled out a total of 45 personals in the first game and 33 in the second. The playing at all times was fast and furious, which made up somewhat for inaccuracies around the basket and ball handling.

OLD-TIMERS IN DING-DONG SOFTBALL BATTLE

French Beat Irish In Hectic Struggle by Score of Twelve to Nine.

The French-Canadian "Old-Timers" beat the Irish "Old-Timers" in a hectic softball game at Globe Field on Sunday afternoon by a score of 12 to 9. "Old-Timer", however, is more or less of a misnomer. Those who went in anticipation of a burlesque performance were disappointed, for there was some pretty smart base-ball displayed. There were, certainly, one or two amusing incidents, due to lack of practice, but the "boys", with a little training, would make many of the smart downtown aggregations look to their laurels. To Jim McElligott went the credit for the most spectacular play of the day. Jim, playing centre field for the Irishmen, bounced a line drive off his chest back almost into the glove of Catcher Eddie Hughes. It was a pitchers' battle throughout, and the Dean boys, in whipping the Giants, had little on

BRAVES A. C. SUPPER DANCE WELL ATTENDED

The supper-dance held by the Braves Athletic Club, latest addition to the family of North End young men's organizations, on Saturday night, at the New Carlton, was a thoroughly enjoyable function. The guiding spirit of the organization is Mr. Tommy Rochon, who, amongst others, was called upon by the gathering for a speech, and responded in a fitting manner.

Dancing was indulged in, to the strains of the "Harmony Quintette," directed by Emmett Meagher, until midnight, when the gathering sat down to a well-deserved repast, after which dancing was resumed until the sma' hours. Seated at the head table were Alderman and Mrs. Dave Rochon, R. L. Greenfield, James E. Walsh, Jr., Misses Irene Cartwright, Dorothy Kydd, Lillian Wade, and Mr. James Mullally. The toast to "The King" was proposed by James Mullally and responded to by Frank Jackman. Mr. Jim Walsh toasted the "Braves", and Alderman Rochon, replying thereto, offered his felicitations to the new association, and put his services at its disposal. The affair was voted an outstanding success by all those sufficiently fortunate to be present. Mr. Walsh acted as chairman.

Domestic Relations Problems

LYON W. JACOBS, K.C.

PROBLEM NO. 1.

S.P. in her PROBLEM LETTER submits that she is married—has three children—is 22 years of age—of attractive appearance—and has been a faithful wife and mother. Was compelled to leave her husband because not only had he become extremely brutal to her, but has actually introduced into his own home, another woman living apart from her own husband—who has since become his mistress and with whom he is living openly as man and wife—and with whom he has had a child, although S.P.'s husband denies he is the father of this child.

Reconciliation is impossible as his promises are worthless. S.P. states that she is very much discouraged and desires to know what she can do to obtain the custody of her three children, who are now with her husband and the other woman and what proceeding she can take to compel her husband to support her.

S.P.—You have my sympathy—your husband appears to be a worthless cad. You must however realize that while your present position is not enviable, you are very much better off than the mistress of your husband. You at least have a legal and moral hold on him that she does not possess.

as he will, will discard her and all that she will have left will be her shame, as she is not legally or morally entitled to any support or maintenance whatsoever.

Moreover, as your husband denies the paternity of her child, she may not be able to prove the same and under such circumstance she will not even be entitled to legally demand support for her child.

Bear in mind that your husband's mistress must always crouch outside the walls of social tolerance—for she is branded, while you deserve and will I know command the respect and moral support of all decent, right-thinking, clean living people.

Insofar as your legal rights are concerned, you have a right to obtain the custody of your children—for while it may be true that the father is generally entitled to the custody of his children, they may however be given to the mother when it is established that it is to their greater advantage to do so. In view of your husband's conduct and manner of living—you will be granted the custody of your children—and your husband will be legally bound to support you and them or go to jail for non-sup-

VOTERS TO REGISTER SHORTLY

October 15th is Opening Day For Registration—Manuel Levitt in Charge of Cartier District—New Boundaries For District

In preparation for the next Federal election, registration of voters will begin October 15, in accordance with the franchise act, passed by parliament in 1933, and which was proposed by the Prime Minister and seconded by the Leader of the Opposition.

Locally, the registration will be in charge of Manuel Levitt, who recently was appointed Registrar for this district. He functions under the supervision of Colonel Thompson.

port should he be in default to do so. I would recommend, S.P. that you immediately consult the Hon. Judge Robilliard of the Juvenile Court, St. Denis Street, (above St. Joseph Blvd.) and I am of the opinion that he will order your husband to appear before him on a charge of "Contributing to Juvenile Delinquency under the Juvenile Court Act", and if you prove, as you undoubtedly can, that your husband is living as man and wife with his mistress in the same house as he keeps your children, the Court will undoubtedly award their custody to you.

You may also issue a complaint for non-support before the Police or Recorders Court. If it is your intention to issue your complaint before the Police Court, you may interview Hon. Judge Tetreau or the Hon. Judge Desmarais, Room 1, New Courthouse, who will issue an order for your husband's appearance before the Court on a charge of non-support or if it is your intention to file complaint before the Recorders Court, you may interview the Recorders' Court attorney, Mr. Mercure, who will likewise aid you in the issue of your complaint.

I may add that there is no charge for the issue of these complaints in either court. Moreover, you may also obtain a separation as to bed and board against your husband before the Superior Court or you may go further and present a Petition to Parliament for divorce against him.

WRESTLING

The Wrestling Club of North Branch Y.M.C.A. will resume its fall program on Wednesday next. Coach Allan Turnbull is anxious that all last year's members be out on time to

Franchise Commissioner, and a son of an ex-premier of the Dominion. There are 112 polls in the new electoral district of Cartier Div., and for each poll the two major political parties nominate one enumerator. The lists are prepared by the sitting member for the district, and by the defeated candidate at the last federal election. Consequently, S. W. Jacobs, M.P. has been in charge of the preparation of the list of Liberal enumerators, while Louis Wolfe has seen that the Conservative list has been prepared. These lists will shortly be sent to Mr. Levitt, who will make the appointment in accordance with the recommendations contained therein.

Cartier district has been considerably changed since the last federal election.

Social & Personal

Miss Clarice Lewis, 5212 Hutchison Street, Crescent 6998 has resumed teaching of Elocution and Dramatic Art.

An afternoon Tea and sale of home cooking will be held at Temple Baptist Church Hall, Friday, Oct. 5th, from 3 to 5 p.m. Interesting travelogue, a talk by the pastor, Rev. Chas Geo. Smith, and special solos will be features of the afternoon which is under the auspices of the Ladies' Aid Society.

Mr. "Bob" Callahan, 5323 Park Avenue, has left the city on an extended business trip to the western provinces and the Pacific Coast.

Club competitions are held weekly. Mr. Turnbull has offered a cup for such competition and is endeavoring to line up other prizes for second and third.

Vernon Blaks, a beginner with the club, succeeded in winning the 118 lb. Provincial Championship. Lawrence Whitlaw and Stewart Benson, also members, were runners up in their classes at the last Provincial Meet.

Oriental pajamas, strictly tailored and with pleats from yoke to waistline are being introduced by Greta Garbo in her new Metro-Goldwyn-Mayer starring production, "The Painted Veil."

The pajamas are fashioned from heavy white crepe and the yoke, sleeves and collar are cut from a single piece of the material. The collar is high and standing. The coat is three quarter length and fastens as far as the waistline with small silk frogs.

The Fall Session for the year 1934-1935 began Wednesday, September 5, and the pupils were assigned to their respective classes. As in previous years, Strathcona Academy is amply filled, and the Eleventh Year enrollment was greater than previous years. It is to be hoped these pupils will live up to the high matriculation standard set by former candidates. The first meeting of the Students' Council was held on Friday, September 28. The following pupils from Grades X and XI were elected to represent their respective classes: X.G.—Margaret Robinson; X.G.—

Betty Weatherly; X.B.—Boris Levine; X.B.—George Grande; X.M.—Marjorie Evans, Ross Wood; X.LG.—Vera Hudspeth, Rose Pinsky; Daisy Roberts; X.LG.—Jean Percy, Eunice Carin, Rita Brown; XI. B.—Ken Scott, Bill Percy, David Roseman; X.I.B.—Ralph Stutt, Joe Levy, Kenneth Puttee.

From these the Students' Council elected an Executive Committee as follows: Rita Brown — President; Ralph Stutt — 1st Vice-President; Eunice Carin — 2nd Vice-President; Daisy Roberts — Secretary; David Roseman — Treasurer.

Another feature discussed was the choosing of the staff for the editing of this column—Vera Hudspeth, assisted by Daisy Roberts, Jack Hart and Joseph Levy. We sincerely hope to continue the good work of Noreen Paterson and her associates.

PRIZE ESSAYS
Senior pupils, here is the chance of a life-time! The Commonwealth of Australia offers a free trip to Australia for the best essay on the subject Australia by any high school pupil; and a money prize of Fifty Dollars will also be awarded for the best essay in each Canadian Province. Further particulars concerning this competition may be obtained by applying to Miss Allen.

Girls of Grades X and XI interested in athletics have been given the opportunity of joining a voluntary Gym Class, held every Friday afternoon at 3:30 o'clock.

It has been decided to hold the Commencement Exercises on Friday evening, November 9. The lateness of the date this year is due to the number of holidays that have interfered with the progress of the work during the month of September and the early part of October. The School has been very fortunate in securing as the guest speaker Colonel the Hon. J. L. Ralston, K.C., C.M.G., D.S.O., LL.D., M.P. Colonel Ralston was formerly Minister of Militia in

the Mackenzie King cabinet in Ottawa. It is expected that the event this year will make an effort to surpass the usual standard, particularly on account of the success attained in the matriculation and high school leaving examinations in June. All except three of the ninety-four pupils presented for the examinations in Grade XI in June last will receive the school certificate. Further particulars in connection with these exercises will be given in future issues of this paper.

The Junior Rugby Team suffered a setback in their first tilt of the season against Westmount. They were defeated 11-1 by a team that outplayed them constantly. Stronach played well for the losers. Perhaps the next game will tell a different story.

One of the hardest speeches in the world to make sound convincing is the one setting forth the reasons why your son can't buy a dog.

1104 BERNARD AVE. (Royal York Bldg.) AT. 7175

Now that the preliminary practices are completed all indications are that the Interprovincial race this fall will be a corking one. The Big Four campaign should be a merry dog-fight from start to finish as there are no "breathers" in the schedule for any one. Every squad looms as a mighty threat and Saturday's results would seem to imply that Montreal and Argos might be the weak ones in the group after the showing of Hamilton and Ottawa, and Montreal and Argos will be no set-ups for any opponent. Saturday's crippled team practiced all week and the defeat to Sarnia wasn't a downhearted one for Foran's crew, as they all came back with a smile and for once there was pep in the camp. Wheelers will not go through as they did in 1931 but they are riding towards the opening of the Big Four on Saturday with high spirit.

Only one real weakness still remains before Shaughnessy's Redmen have potential title team and that is punting. But Joe Smith, the California wonder, whose play Saturday was alone enough to offset any offensive threat of the Kingston Cadets, may take over this duty. One could see Smith punting some spirals about 45 yards during the practices this week and if Joe could make the grade it would help the Irish Coach a great deal.

Varsity Memorial Stadium will be the scene of Saturday's game against Steven's squad and it isn't exactly the softest spot in the world, particularly with as good a team as Warren Stevens ever produced. Toronto Varsity were the 1932-33 champions and McGill can't afford to waste any time as they will be stiff opposition right off the bat. The McGill Coach expressed confidence that a great team would be fielded in the opening game against Varsity next Saturday.

Here is the "McCoy" . . . right from Mickey Cochrane himself, manager of the Tiges and Rajah Hornsby, manager of the Browns and ex-manager of the Cardinals.

"I could tell you that this is the hottest town that ever went into a world series; that the fans are delirious over their team; that you'd risk your neck in even intimating that the Tiges are not the greatest bunch who ever climbed into monkey suits."

What is news in fact is that the Tiges and fans are Dean conscious, they don't fear them, but . . . Just how good are these Deans? Have they got anything on Rowe and Bridges? Can the Cards outth them? Here is Hornsby, a man who has played with and against both teams and is not afraid to call his shot in spite of Hell and high water: "I'm an

American leaguer now, so I suppose I'd have to pick up the Tiger's anyhow. But on the level, I think they're just got the slimmest sort of an edge in this series. And I figure the series will go six, maybe seven games."

There are about 3,000 more employed in Lethbridge this week than last. They are the school pupils who went back to work Tuesday.

In the United States to-day the only laws religiously observed are the bridge laws.—Mr. Culbertson.

There is no average man. Every one is different.—Havelock Ellis.
