Wallace Barber elected Holstein Club president

Banquet & annual meeting reflect successful year for West Quebec

On Friday, December 1st, the Western Quebec Holstein Club held their banquet and annual meeting at St Andrew's United Church, Bristol with over 100 in attendance.

The President, Mr Edgar Russell was chairman.

A toast to the Queen was proposed by the President.

A toast to the ladies was propsed by Mr Dalton Hodgins and was fittingly replied to by Mrs Robinson Hodgins.

Mr Wallace Barber, 1st Vice President thanked the St Andrew's ladies for the delicious turkey dinner which they had prepared.

Mr Hillis Connolly, Past President, presided for the presentations of the trophies which had been earned at Shawville Fair, and the Ottawa Winter Fair.

The president then gave an outline of the year's activities. There had been 3 directors' meetings with several executive meetings. The club had the misfortune to lose three members by death; Mr Victor Findlay, Mr Louis Judd and Mr Miller Gibson. Three new herds had gone on ROP and 6 had started Classification.

The Club had helped with the Findlay Dispersal Sale. There had been a barn meeting at Gladcrest Farm, owned by Brownlee and Judd and there had been a twilight meeting at Glenark Farm, owned by J. Arthur and Kenneth L. Kilgour.

There had been 59 Holsteins exhibited at the Black and White day at Shawville Fair. Some of the members had shown cattle at the Ottawa Winter Fair and the Central Canada Exhibition.

Mr. Russell thanked all for their co-operation and help during the year.

Mr Pierre Leonard, Holstein fieldman, Montreal, brought greetings and spoke of the co-operation among breeders in this area.

He told of the ROP Conference held recently in Ottawa and said that during the coming year that we could expect many drastic changes in the system.

Mr Leonard presented the production records that had been earned during the past year.

Mr. George Pirie, President of Shawville Fair, brought greetings from the Fair Board. He spoke of the co-operation of the Holstein Club. He said that the fair was now in a much improved financial standing and that all prize money was in the mail.

Mr. Douglas MacMillan, our Agronomist spoke a few words. He told us that there would be a meeting on December 12 to deal with crop insurance.

Mr Jerry Barber, on behalf of the 4-H Club, presented a gift to Mr Dalton Hodgins, and Mr Kenneth Kilgour on behalf of the Holstein Club presented a gift to Mr and moving shortly to Navan.

Dalton, on behalf of Joy and himself thanked all present and invited his Pontiac friends to visit them at any time.

The evening closed by the singing of the Queen with Miss Barbara Wallace at the piano.

The annual meeting was then held with Mr Russell presiding.

The minutes of the last annual meeting were read and approved. The treasurer's report was given.

Mr Pierre Leonard presided for the election of officers.

Past President, Mr Edgar Russell, Pres., Mr Wallace Barber, 1st vice Mr J Arthur Kilgour, 2nd vice Mr Donald Duff, Sec-Treas., Mr Neil McDowell and Mr Chris Judd, Publicity, Mrs Walter Kilgour

Three new directors were appointed to fill the vacancies namely Mr Robert Jamieson, Mr Chris Judd and Mr Ronald Russell.

Provincial officials to explain new crop insurance to area farmers

If a farmer could plan ahead, knowing that he would absolutely be guaranteed 80 per cent of his crop returns his entire operation would become sound and his profession would become far less risky.

The Quebec Government has brought in a new plan for crop insurance which will cost from $40 to $50 for a 120 acre mixed farm with the Government paying half the premium. This will cover 80 percent of the crop.

Insurance for crops reduced or lost by unfavorable weather conditions and fluctuation of farm prices have been the main concern of farmers but this situation could become a thing of the past, according to Doug MacMillan, Pontiac Agronomist.

The new Quebec Crop Insurance policy being offered to farmers will be completely explained by Quebec officials coming to Shawville on Tuesday, December 12 at one o'clock. They will meet all the farmers of this district at that time in the Community Centre, explain the policy and answer questions on its practical application.

Doug feels that it is important that as many farmers as can possibly make it turn out to this meeting.

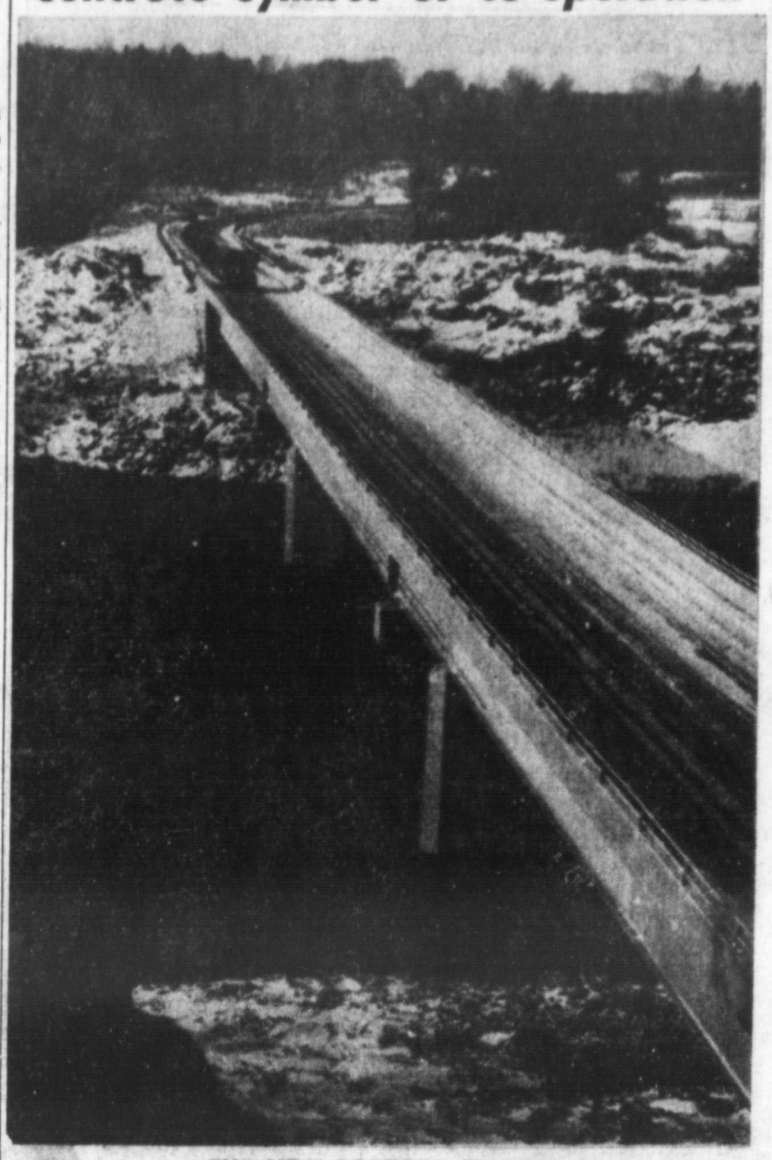

Regional school tenders now under review by officials at Quebec

Tenders were opened last Wednesday in Hull for the new building of the new Regional School in Shawville. The three lowest tenders were sent to Quebec for final decision which should be made by Thursday of this week.

As soon as the contractor is named the official sod turning will take place and work will begin. It is a part of the contract that the school be ready for occupancy in August of 1968.

Meanwhile, starting this month, the personnel committee of the Regional School Board is commencing the task of obtaining staff for the new school which will be a combined technical and academic institution. Starting next fall grade seven pupils will take their place as a part of the high school and will be housed in the new building.

Concrete symbol of co-operation

THE NEW PORTAGE BRIDGE

Viewed from a cliff-top on the mid-river island between Portage du Fort, Quebec and Chenaux, Ontario, the new span of concrete looked deserted early last week but just a few hours later there was a regular party on board when Mill officials, politicians, newsmen and photographers convened for the official inauguration of the new bridge.

All is ready for Romanian match this Friday

Permanent bandstand erected at Lions Community Centre

The Lions Club has built a brand new permanent band stand in the North West corner of the Arena at the Community Centre in Shawville.

This stand will have its first use on Friday evening when the Shawville Community Band will play on the occasion of the Shawville Pontiacs first international hockey game.

Also being seen for the first public showing will be the new trophy cabinet in the lobby, built by Ken Hodgins.

When visiting teams from foreign countries come to Canada it has always been the custom for them to play their games in well populated centres. This week it will be an innovation for a touring hockey team from Europe to play in a Community arena in one of Canada's smaller towns.

The visitors will have a chance to see Canada at its grass roots and its most down to earth. Shawville's hospitality to the players and their entire party will become news on a national scale over the weekend.

Tickets for this precedent breaking game are still available in limited quantities at Shea's Restaurant, Campbell's Bay, the IGA in Quyon, Frasers, John L. Hodgins, Canadian Tire, Golden Shasta in Shawville and from Lornie Kearns wherever he may be.

GEORGE WON THE SAW-THROUGH

Sticking right down to business, Federal Public Works Hon. George McIlraith, center, sawed through the plank first during the novel official opening ceremonies at the Interprovincial bridge between Portage du Fort and Chenaux. At the right is Hon. George E. Gomme, Ontario Minister of Highways, distracted from the job at hand by the photographer, and to the left is Hon. Fernand-J. Lafontaine, Quebec Minister of Roads, being distracted by Hon. Raymond Johnston (fur hatted), Shawville Motor License agent Charlie Imison and, partially behind Mr Lafontaine, Maurice Hamilton, MP Renfrew North. In the back at the extreme left of the photo can be seen Doug Covey, manager of the Pontiac Mill for Consolidated-Bathurst Limited, and host later to the officials.

Two gunmen stage successful robbery at Quyon Bank of Montreal

At Quyon last Wednesday, ten minutes to three of the afternoon, the Bank of Montreal was entered upon by two men carrying guns. One had a shotgun and the other had a revolver. Two minutes later they left with five hundred dollars which they had not deposited.

During their two minute visit to the branch, whose manager is Blyth Morlock, they requested the staff to lie on the floor, one man emptied the cash from the cash drawers and stuffed it into his pockets while the other held his shotgun aimed at the staff.

There was other money in the bank which they didn't stop for but made their escape with the small bills only, running from the bank and driving towards Shawville in a car which police said later had been stolen in Ottawa the same day.

As soon as they were alarmed, the QPP set up roadblocks both east and west of Quyon, minutes after the robbery, but the escape was successful.

Workers at Hilton Mines reported seeing two unauthorized visitors around the box cars on the mine property later on Wednesday, who ran away when approached. The QPP searched that entire area until six o'clock the following morning but were unable to find the robbers. There are several suspects in Ottawa but as of Wednesday, one week after the daring daylight robbery, the thieves were still at large.

VICTORIAN ORDER OF NURSES

One nurse under the VON system working out of a central office with a car, telephone and the necessary equipment would cost the community about ten thousand dollars at the outside. By cutting corners here and there it might be as low as eight.

For this outlay, the services of this one person would make it possible for the existing hospital here to accommodate many more sick people. Long after an operation or an illness while a patient is recuperating, there are days and even weeks during which he is now kept in the hospital because this is the only place he can receive the necessary nursing care. With a VON nurse these convalescents can be returned to their homes where they will receive daily visits from the nurse for changing of dressings and other special care and where the VON nurse can instruct the family in other routine care needed for speedy recovery.

Chronic patients who now occupy hospital beds could also be treated at home by a VON nurse. In communities where a good VON service is operating and where the doctors maintain a close contact with the work of this nurse, excellent results have been reported.

The time has come in Pontiac when a VON nurse could be an important asset to the hospital set-up. Whatever moves are made in this direction by whatever organizations take on the challenge would be well supported by anyone concerned with the welfare of the local citizenry.

As the establishment of a VON nurse in this County would be of distinct financial advantage to the Pontiac Community Hospital, a first source of funds to support such a program would seem to be the Hospital Board. All their expenditures have to pass the approval of the Quebec Government and as everyone knows these things take a great deal of time. Taking first things first, then, would it not be wise for the Board to apply now for Provincial assistance? Having heard from the Provincial Government the next step would be to approach the County, the Municipality and the general public.

But first of all the plan should be discussed and explored to be sure everyone agrees it is a good step.

Two more Century Farms

CAMERON FAMILY CENTENNIAL FARM
LOT 27 4th RANGE CLARENDON

1. John Cameron 1798-1874 m. Agnes Nicholson 1800-1872
2. Robert Cameron 1842-1920 m. Mary Hill 1852-1917
3. Robert Hill Cameron 1883-1957 m. Agnes Knox 1884-1942
4. Donald James Cameron born 1908

John Cameron and his wife Agnes Nicholson came to Canada in 1842 and settled on Lot 27 of the 4th Range of Clarendon in the Murrell's District along with 5 known sons and two known daughters, namely George, Angus, David, John jr, Alex, Mary who married Oliver Bean and Catherine who married a Gilchrist. Another son was born to them in Canada whom they named Robert. He married Mary Hill and lived out his life on the farm as did their son Robert Hill Cameron. The present owner, D. J. Cameron is the fourth generation on this Century farm. He is now 59 years of age and his sister, Mrs A. O. Stark is also on a Century Farm in Starks Corners. It was Mrs. Stark who did the necessary research for this item, getting birth and death dates from the family tomb stones.

CAMPBELL CENTURY FARM

Duncan Campbell and his wife Janet came to Canada from Perthshire, Scotland in 1802.

He settled near Martintown in the County of Glengarry and served in the "Glengarry Light Infantry".

In 1821 he moved to Lot 24 on the twelfth Concession of McNab Township.

His son James came over to Quebec and received a deed from the Crown for Lot 15 on the third Concession of Bristol in 1835 (Oct 6).

The generations on this farm have been:

1. James Campbell 1805-1894 m. Margaret Shirley born in Lanark Scotland 1818.
2. Robert Campbell 1849-1926 m. Janie Harris of Clarendon
3. James Campbell 1895— m. Muriel Ferris of Aylmer, PQ.
4. Donald Campbell 1940 and Ross Campbell 1943.

LETTERS TO THE EDITOR

Be constructive, Louis

Norway Bay, Quebec
Dec 5, 1967

Editor,
Pontiac Equity
Shawville, Que.

Mr. Louis Bertrand has taken the opportunity lately to criticize the County of Pontiac for its lack of bilingualism at a meeting in Montreal, Quebec of the Estates General.

Constructive criticism is always appreciated but apparently Bertrand does not possess the ability to be constructive.

According to the press release he made special reference to the telephone coys in the county, the Sheriff, Post Masters and Game Wardens.

I am not too familiar with the telephone coy. operating out of Campbell's Bay, but I must say that in all of my travels across this nation that the Pontiac Telephone Coy is the best of its kind that I have encountered, furthermore they do have bilingual operators on staff. The post masters that I know in the county have a good working knowledge of the French language and in many cases are perfectly bilingual. Now we come to the Sheriff and the game wardens, I am not too familiar with this category of people because, like most of the people of Pontiac I like to keep on the right side of the law but if I created an infraction of the law I am certain the fact would be made known to me on a document written in French, to this I would not have any objection.

Surely, Bertrand could have used his talents to the betterment of the County by telling the meeting as to how the French and English leaders of this county unitedly have given their time, energy, yes and paying their own expenses to develop Pontiac, and with a certain amount of success too.

What have you done for the County, Bertrand, other than collect your annual income from a Company, which most likely issued their cheques in English?

Come now, Bertrand, admit that bilingualism is a two way street, also that the English, regardless of age, are at least trying, by attending night classes in French etc. to make this Great Country of ours the greatest in the world where two cultures, two languages are side by side just the same as our veterans of two wars fought side by side.

The good Lord has deemed fit to give you many talents but it is too bad, that He did not develop you mentally as well as he did physically.

Were it not for the fact that everyone is concerned with the pollution of our rivers across the Nation I would respectfully suggest Bertrand that you should do a service to Pontiac and JUMP IN THE RIVER.

F. W. Metcalfe CD

PS EDITOR: Should Mr Bertrand request a translation of this in French I will gladly accommodate.

Centennial thanks

Dec 6, 1967

To the Editor of the Equity,

Now that Centennial year draws to a close let us pause to give a word of appreciation to those who helped historically. To Rev Stanley Snowden for his magnificent display of old pictures, and to Mr. and Mrs. D. R. Dickson for the superb Centennial edition of the Equity.

Local History Buff

Pontiac — a foreign country!

Editors, The Equity,

Shawville, P.Q.

Dear Editors,

With reference to your editorial and a letter from your cousin Lois in the issue of November 30th I would be very thankful if you would publish my comments. I also want to thank you for the vast coverage you gave me in your paper, I sure enjoy publicity, specially when you agree with me that Pontiac is mostly English "uniliguilism".

And also with reference to your cousin's letter I would say "Bla, Bla, Bla" not worth while answering, I have more important things to do

Here I wish to make a correction on the report of the Canadian Press reported in the Ottawa Journal which is a bit erroneous. I didn't say that the french people of Pontiac wanted the situation changed, but Who would refuse them that privilege!.

Mr and Mrs Editors your paper stated that I was fighting for French "uniliguilism" in Pontiac County that I did not use that word but that's what I was calling for. "This is a big joke", what poor mind readers, it is only wishful thinking. What I am really fighting for is "Bilingualism" and against English "uniliguilism" as it exists in Pontiac County today.

The French people as well as the English people in Pontiac County, "dans la Belle Province" should have equal rights to make a telephone call, buy a bottle, mail a letter, purchase license plates for automobiles and have conversations with all Civil Servants in their own language, most of this is denied to the French people in Pontiac County today.

We French people in Pontiac feel we are living in a foreign Country and not in our French Quebec, we do not feel at home believe me. Now who is responsible for this sad situation? Could it be the English Press? the Politicians who showed indifference in public service appointments? or maybe some religious authorities?

How many English people in Pontiac knows and even cares that the French people living North West of Campbell's Bay is denied adequate french radio and TV programs this is happening in French Quebec only 70 miles from the peace tower in Ottawa. An English new comer told me the other day that he would not consider living in Campbell's Bay or Shawville because of "bigotry". Many people do not understand why so many Irish Canadians living in Pontiac, who knows how terrible the persecution of their ancestors in good old Ireland, would have better understanding for their French Counterparts.

Having courageously stormed out of the Bois Franc to the Place des Arts in Montreal and having received a spontaneous standing ovation from 2,500 delegates I could not help responding with raised arms, my announcement shocked the French Canadian Nation 6,000,000 strong and this is the man you are trying to ridicule.

(Nobody here is trying to ridicule anyone. Ed.)

Having attended this meeting of the Estates General does not necessary mean that I am in favor of a separate Quebec and French "uniliguilism", I voted against 25 per cent of the resolutions presented, I would never think for a moment of imposing "uniliguilism" on any of our two great Canadian Nations. "This is the Burly old man that I am".

Today the French Canadian Nation is fighting for survival in Canada as well as in "la Belle Province". If nothing is done "NOW" Montreal will not be the largest French City in the World by 1980 due to the immigration system in force today, it is known to every one that the majority is directed towards English Schools but we mean to do something about it, we will not be subdued. If we want a strong, prosperous and united Canada the Anglosaxons will have to recognize all the rights of the French Canadian Nation, how about starting in Pontiac.

And now by Gorra dear Rosaleen, David and your devoted cousin, may the good Lord watch over ye. With love from the Burly old man from Fort Coulonge.

grist...

"Pontiac County is up around Pembroke, in Ontario" said one of the television announcers describing the Grey Cup Parade. The remark was made while the famous CoveredWagon was carrying our Sheriff Joe Sloan past the reviewing stand. Riding with Joe were his three young Bowie nephews of Ottawa, two good horse handlers Doug Sloan and J. Cahill of Campbell's Bay, Mrs Dickson, editor of THE EQUITY and little Andrew Dickson. None of them heard the announcer say they were from "up around Pembroke, Ontario" and it was obvious from the cheering crowds all along the way that at least all the onlookers knew where Pontiac is.

★

Pontiac County could also be proud as punch of the excellent display of horsemanship on the part of the Shawville Saddle and Pony Club both on Thursday on the Mall and Saturday in the parade. The instructions were to ride four abreast in tidy ranks. Of all the horses on parade the Shawville contingent stood out because they were the only ones who rode in the exact neat formation requested by the Grey Cup Parade officials.

As well as all those listed previously, Janice Young also was a part of the Shawville contingent.

★

This has been a week for anonymous letters to the editor and others with names withheld by request, and others signed but all unprintable because we don't wish to be parties to libel. It's amazing how a letter writer has no qualms about asking THE EQUITY to print defamatory statements which they haven't the guts to put their name to. It seems to us that it is possible to discuss such a simple topic as language without resorting to name calling and nasty remarks about one's neighbors.

★

Mr. Edgar Allard, who has been practising law at Campbell's Bay will have to give up his practice because of an important appointment. He has been named permanent Crown Attorney for the district which is quite an honor to this young Campbell's Bay advocate.

★

On Saturday afternoon, while Santa Claus is in the Community Centre, children will be allowed free skating. The usual fee of 25 cents will not be collected. Just one more special gift of the Lions to the children of this community.

IN MEMORIAM

BEAUCHAMP—In loving memory of our dear mother, Mrs Emmanuel Beauchamp who passed away December 6, 1966.
We do not need a special day
To bring you to our mind
For the days we do not think of you
Are very hard to find.
If all this world was ours to give
We'd give it, yes and more
To see the face of you, dear mother
Come smiling through the door.
The family 8649x

HOLT—In loving memory of a dear husband, Christie Holt, who entered into rest, December 7th, 1965.
It broke my heart to lose you,
But you did not go alone,
For part of me went with you
The day God called you Home
Though parted by the hand of God
In Christ united still,
In God's own time we'll meet again
For Jesus said we will.
Lovingly remembered and sadly missed.
Wife Velma 52797b

SHARPE—Mrs. Mary Pearl, beloved wife of Harry Sharpe, who passed away December 22nd, 1965.
Deep in the heart lies a picture
Of a loved one laid to rest,
In memory's frame I shall keep it,
Because she was one of the best.
Husband, Harry 52791b

SHARPE — Mary Pearl who passed away December 22nd, 1965.
Yes, she sleeps but not forever,
In a lone and silent grave,
Blessed promise she shall waken
Jesus died the lost to save
In the dawning of the morning,
When the troubled night is o'er
All the buds in beauty blooming,
Will rejoice to see her more.
Son, Morley 52790b

Cole-Pouta wedding

A very pretty wedding was solemnized in the All Saints Anglican Church, Coniston, November 18, when Cila Pouta youngest daughter of Mr. and Mrs Karl Pouta, Stinson became the bride of Garry Cole, eldest son of Mr and Mrs Percy Cole, Markstay, grandson of Mrs Mary Wall, Radford.

Given in marriage by her father, the bride wore a floor length dress of English Crepe, fitted bodice and A-line skirt. Her train fell from the shoulders. Her shoulder length veil was held in place by small roses studded with sequins and stones.

The maid of honor was Christine Cole, sister of the groom, bridesmaid was Elaine Ross, niece of the bride. They wore identical gowns of aqua crepe, Empire waist and a skirt of accordian pleats. They each carried a nosegay of pink and white roses.

The best man was Wayne Ellis of Sudbury, friend of the grooms and Douglas Mick, nephew of the groom.

The organ was played by Mrs Sawden of Minnow Lake and the altar was decorated with white mums.

The bride's mother wore a blue two piece dress with corsage of pink roses.

The groom's mother wore a three piece suit of brown wool with gold hat and black gloves and shoes, her corsage was yellow roses.

A dinner and reception was held at Wahnipitae, in the Community Hall.

The bride chose a three-piece green suit for her going away trip with black accessories, her corsage was white roses.

The young couple will reside in New Sudbury. Mr Cole was born in the old Pontiac Community Hospital 22 years ago. His mother was the former Eleanor Wall, Radford.

COURT REPORT

Court was held on December 4, 1967.

A 24 year old Renfrew man, John Darwin Meleskie, of 40 Plaunt Street, was fined $200 by District Judge Arthur Labbe, when he appeared on a charge of illegal possession of Ontario beer in the Province of Quebec. Evidence revealed that the QPP while on a routine road check, stopped the accused at the Village of Portage du Fort and found six pints of Ontario beer in his car. They immediately arrested him and seized the beer with the a/m results. Judge Labbe confiscated the beer seized by the QPP.

Thomas B. Dupont of Pembroke, Ontario was fined and paid $50 for dangerous driving.

The QPP told the court that the accused was driving at night on number 8 highway in the Township of Allumette Island without any lights on his car and was the cause of a car accident.

Wilson-Thompson wedding

Shawville Standard Church was the setting on Saturday, September 23 when Elizabeth Ida Thompson became the bride of Merlyn Earl Wilson.

Rev George Armstrong, uncle of the bride, officiated at the ceremony. He was assisted by his son, Rev Elgin Armstrong.

The organist was Miss Faye Montgomery. Miss Donna Montgomery and Miss Feryn Bennett sang 'O Perfect Love' before the ceremony and 'Savior Like a Shepherd Lead Us' and 'The Wedding Prayer' during the signing of the register.

The bride is the only daughter of Mr. and Mrs Dwight Thompson, Shawville and the groom's parents are Mr and Mrs. Reginald Wilson, North Gower, Ont.

Given in marriage by her father, the bride wore a floor-length gown of imported French lace over net and satin. The bodice, trimmed with pearls and sequins, featured a V-neckline in the back with long lily-point sleeves. The waistline also dipped low in back and was trimmed with organza roses. Her chapel veil of tulle illusion was held in place by a crown of seed pearls and sequins. She carried a white Bible with a white orchid and red roses en cascade.

Attending the bride were Miss Claire Elliott as maid of honor, Miss Lois Mee, cousin of the groom and Miss Sherryl Laughren, cousin of the bride as bridesmaids; Miss Wendy Wickens as junior bridesmaids and Miss Sandra Wickens as flower girl.

They wore matching floor-length gowns of Imperial green chiffon over taffetta with round neckline and floor-length trains. Their headpieces were matching green satin rings and they carried bouquets of bronze and yellow mums.

Mr Reginald Wilson jr, brother of the groom was best man. The ushers were Mr. Keith Wilson, brother of the groom and Mr Murray Thompson, brother of the bride.

The bride's mother wore a burgundy knit suit with black accessories and a corsage of white mums.

The groom's mother wore a teal blue dress and black accessories with a corsage of white mums.

Mr. and Mrs. Merlyn Earl Wilson

Following a reception at Shawville Anglican Church Hall the couple left for a wedding trip to the USA.

For travelling the bride donned a blue wool suit trimmed with grey fur with blue and black accessories and a pink corsage.

Mr. and Mrs Wilson are residing at North Gower.

Out of town guests attended from Vancouver, BC, London, Toronto, Ottawa, North Gower, Pembroke, Brockville, Forresters Falls and Madoc.

Legion Auxiliary euchre held at Campbell's Bay

The Auxiliary to the Royal Canadian Legion No 162 of Campbell's Bay held a Euchre party at the Legion Hall which was both very enjoyable and successful. Also a bazaar was held in the Legion basement on Dec 2. This was also very successful.

Convenor for this occasion was Mrs Agnes Kluke who was ably assisted by other members of the Auxiliary.

Mrs Lossell was in charge of the raffle and the winners were Mrs Harold Wilson, Rev Fr S. M. Shulist who very kindly returned it to help the Scouts and Cubs Work; Mrs E. Brownlee of Shawville.

It was remarked several times that the basement of the Legion Hall would be very useful when it is finished.

Pastoral comment...

Rev. R. C. Huntly, Quyon

Preparing for Christmas

Only 18 more days on which to get ready for Christmas, and only 15 shopping days—for those whose preparation depends on buying. It is sad that for so many Christmas consists of money and merchandise, presents and parties, while the reasons for giving and celebrating have been lost and forgotten. In the annual escalation of the Big Christmas Spending Spree men have lost sight of the humble child in the lowly stable. The multi-voiced cry of "Charge it!" has drowned the angel's song of Glory to God in the highest. Even the glitter of tinselled trees makes men blind to the blazing presence of God among them.

Is this what we mean by getting ready for Christmas? Does this have anything to do with our being ready to receive Christ?

Christ came into a 'poor world of sin and shame' nearly 2000 years ago, and as we stagger from one crisis to another in a world of society rocked with war, violence and crime, dare we suggest that we do not need Him? We spend money when we should be spending time in prayer; we study catalogues but leave our Bibles unopened; we search for presents when we should be seeking His presence. The King of Love will calm our fearful hearts and give peace to our hurting world IF we make room in our hearts and lives.

TOO BUSY?

One Christmas Eve I saw a woman with her small child rushing to make last minute purchases. The little one dragged behind to look with wonder at a manger scene in the window of a large department store. The mother pulled angrily on the child's arm and said "Come on! We haven't any time for that now." But now, during Advent, is the time to prepare ourselves for the one gift that we all really need.

Only 18 days left—and there is no better way to make our hearts ready than to empty them of "self".

Our Christmas gift to the Babe of Bethlehem can be in making a family collection for sharing your festivities with a relief organization, or by a lonely or friendless person young or old. Giving is at the heart of Christmas, but let us think less of giving parties and presents and more of giving l ove. Love cannot be bought with a credit card but it is th egift that all men need most of all. And that of course is why God gives us His Son.

Prepare early for Christmas, to receive His Love and to share it with others.

ASK YOUR CHIROPRACTOR

"INDIGESTION"

Question: When I eat certain foods, I am bothered with indigestion. Is this normal or is there something that can be done?

Mrs. S. C.

Dr. Johnston
Shawville, P.Q.

Answer:

That old alibi for indigestion disturbances: "Must have been something which did not agree with me", is not always the truth. Those who chronically complain about digestive troubles and jump from diet to diet without relief are not necessarily suffering because of the type of food they eat. A little honest self-analyzation would make for more understanding.

Correct diet should not be undersold as the first big rule in good health but indigestion sufferers who have become diet cautious and are still troubled should suspect other reasons for their upsets.

The digestive organs with their complicated, but wonderful, system for deriving nutritional values from the food you eat, depend on a good supply of nervous energy to activate them.

Poor digestion coupled with headaches, "or being off food," can indicate something wrong with the nervous system. Scientists, know mental disturbances, anger and fear can upset digestion. Likewise a physical condition can impede nerves supplying the digestive organs with their working impulses.

Many times, a physical examination by a Chiropractor will trace chronic indigestion to irritation on the automatic nerve fibres which regulate the activity of the stomach. Indigestion sufferers, especially if they honestly know they have not overindulged in heavy eating, would be well advised to have a thorough physical chiropractic examination.

Mr. George Dale received word from Walter Harris, stating that he and Earl Lang, (son of James Lang, Thorne) who were at Halifax when the explosion occurred had come off without injury. It has been decided to open subscription lists in town at once to raise a fund towards alleviating the great distress which prevails in Halifax by reason of the awful calamity which befell that city last week.

The following is a list of officers elected at a meeting of Knox LOL No 34 on Friday evening last, for 1918: Harry McDowell, Norval Kilgour, Jas. D. Hodgins, Geo T. Dagg, Rev F. White, Robt Sheppard, E. H. Mee, W. T. McDowell, Jas. F. Wilson.

The annual Ottawa Winter Fair which was to have been held in Ottawa on January 15 to 18th has been cancelled. The cancellation of the Show is due to the fact that the Militia Department are quartering troops in Howick Pavilion where the Show is held and do not intend to vacate the time of the Show. They state that the use of the buildings is a military necessity at the present time.

A very pretty wedding took place in Austin Methodist Church on Monday, Dec 3 when Mary Catharine, eldest daughter of Mr and Mrs Jas H. Horner, became the bride of Mr. Albert Walter Myers, of Ottawa, youngest son of Capt and Mrs William Myers of The Laurels, North End, Portsmouth, Hampshire, England.

Open House Thursday in Shawville

An extra open night in the stores of Shawville has become a tradition over the past several years. Early in December the merchants annually declare a grand OPEN HOUSE. Out of towners are especially welcomed to get all their Christmas shopping done in one big night, leaving the rest of the pre-Christmas season for other pleasures of the season.

On Thursday night, December 7th, (this Thursday), there will be free coffee and donuts served at Morley Hodgins Ltd., Shawville Electric on King Street, Fraser's Clothes Shop, Shawville 5c to $1.00 Store and the JR Shop. There will also be ten per cent discounts on cash sales at Kays' Style Shoppe, Shawville Electric, children's snow wear at the JR Shop and on watches at Hubert McCauley, Jeweller. Also open for the convenience of shoppers during this big OPEN HOUSE night will be the Canadian Tire Store with its largest selection ever of Christmas gifts, Lamb's Corner Store where cameras and camera equipment are among the many Christmas items, and the Pontiac Printshop where there are still some copies available of the Special Centennial Edition which would make a lovely addition to any Christmas parcel.

Shawville Rotary Christmas party

The Rotary Christmas party this year turned out to be one of the best planned affairs the club has had recently. Presiding was Ernie Stranacher, vice-president, in the place of Bill Smart who was on night shift at the Consolidated-Bathurst Mill. At the head table with Mr and Mrs Stranacher were their guests Fire Chief and Mrs Watt Taylor, the Rotary President's wife and mother, Mrs Bill Smart and Mrs Asa Smart, Rev John Pearce and his mother, Rotary Secretary, Calvin Moir, who thanked the speaker, and Mrs Calvin Moir, Dr. Wallace Hodgins who introduced the guest speaker and Mrs. Hodgins, School Guidance teacher who was the guest speaker, Mr. Gerald Avis and Mrs. Avis and Miss Dion Garaniel of the Pontiac Community Hospital staff.

Also special guests of the Rotary Club were Mrs Alex Horner, Mrs Emerson Cotie, Mrs. Goldwyn McDowell, Mrs George McDougall, Mrs Clifford Schwartz and Mrs William Gibson, all of whose late husbands were Rotarians.

Cliff Garrison proposed a toast to the ladies which was charmingly replied to by Mrs Arthur Dagg. Hosmer Turner conducted a Chinese Auction for the beautiful table centerpiece which was won by Mrs Gibson. Mr Avis led the group in a sing song of hymns and gave a very interesting talk about Guidance which is reported in detail on page 9 of this issue of THE EQUITY.

Neil Drummond presented a gift from the Rotary Club to Laurie Moore who is leaving Shawville at the end of this month.

Mrs. Harland Rowat accompanied the singing on the piano.

Bakers move to Hamilton

After ten years in Shawville, where Ramsay Baker supervised the entire changeover of the Pontiac Rural Telephone Company to the use of dials, and organized many other changes to provide this area with the excellent modern telephone service available here today, Mr. and Mrs Baker have moved on.

Mrs. Nancy Baker served as operator for the Shawville telephone office and the Bakers made many fast friends in this area during their stay here.

They have gone to work for the Continental Telephone Company in Hamilton, Ontario. Mr Lyle Smart, commuting from Pembroke, is the temporary replacement for Ramsay and no replacement has been engaged to replace Nancy.

Lyle is the son of Mr. and Mrs. Irwin Smart of Shawville.

Rotary Christmas party hears Avis on guidance

"Guidance has existed all down through the ages", Gerry Avis told the Rotarians and their ladies assembled at their annual Christmas party at the Anglican Hall Monday night. It was a gala affair, well planned by a keen executive and the meal was the usual good fare put on by the ladies of St Paul's.

A relative newcomer to the educational field, "Guidance" was explained by a relative newcomer to this town. Gerald Avis, on the staff at Shawville High School, had been invited to enjoy the fellowship of the town's oldest service club and also to enlighten its membership on his particular field of education.

In explaining the role of Guidance in the school of today, he recalled the close personal relationships with the teacher in the one room school where a student might spend five years under the same instructor. This teachers would help in deciding future educational plans of her pupils and also their vocations. She also would have time, he said, to sit down and talk over problems of growing up with her young charges. Other confidantes of those earlier, simpler days would be the family doctor, the minister, the mother during sessions of housework or the father whose advice would be available while choring together.

Mr Avis said that changes have come about to a state where family doctors are few, ministers are no longer a vital part of the family gathering, sons and daughters spend more time away from their parents than with them. Schools, he said, have changed too with hundreds of pupils and dozens of teachers, many of them specialists in one or two subjects. He said that students no longer develop as close an association with the teachers as they once did.

The schools are asking more of the students than ever before, and placing more demands on the teachers, especially in their individual areas of specialization, be it Mathematics, Science, History or whatever. It is because of this specialization that Guidance has emerged as a separate study, though still working within the same realms as teachers of old have been dealing.

Questions of education, vocation and social and personal adjustment to society are still the problems of a teacher, but now it is the particular teacher specializing in this particular aspect of education.

Mr Avis outlined the work of advising students in making the proper decisions about their education and their vocations. He then considered the third phase of Guidance, the help in social and personal adjustment to self and society. Some very basic questions come into the scope of the Guidance teacher such as "How can we reconcile the teaching of love to one another as taught by the church and spoken of by parents when we see around us evidence of bigotry, prejudice and narrowmindedness?" How can we understand morality when immorality is so blatantly enacted by many adults and pushed day in and day out on television?" "How can we learn to respect law and order when disrespect and disregard for law and order is seen all around in the outspoken hatred and distrust of police forces?" "What can we make out of the hypocracy practiced by many people who speak of self discipline and life a life of self gratification?".

These are not problems, said Mr Avis, which have been caused by the young people themselves, but they are problems which exist. One method of solution is to permit them to discuss these problems openly with one another weighing their answers and suggestions under the guidance of the educational system which has been developed for them.

The first and most intimate counselling is done, he said, by the parents. The school counsellor merely supplements their work; he adds to the work already started by the teachers; he organizes and co-ordinates the activities of the various organizations which have as part of their program an interest and benefit in the youth of the community.

In closing, Mr Avis reminded his listeners that the education program of a child includes every person, every organization, that surrounds him and he said he felt it is the great responsibility of adults and of groups of adults to examine our attitude towards changes that are needed to effectively serve the needs of the youth of our changing society.

VON Service for Pontiac County?

The Victorian Order of Nurses is in its seventieth year of operation in Canada. Established in 1897, the VON now has a hundred branches from coast to coast. Miss Alice Gage is the regional director for the Province of Quebec and the nearest office is appropriately addressed at 101 Victoria St., Hull.

The main object of the VON is to provide nursing care for the sick in their own homes on a visit basis. Many patients make better progress in the familiar surroundings of their homes and when there is a VON to continue the necessary nursing and treatment at home, patients may be discharged from hospital earlier, leaving a hospital bed for someone more acutely ill.

In areas served by the VON the cost of illness may be reduced since home care is less costly than institutional care. In Quebec where hospital care is handled by the Government, this saving would be realized by the Provincial Treasury which is a good reason for the support of a VON program here to be financed by that same body.

VON patients are sick people who do not need to be in hospital and who do not need the full time service of a nurse. This would include convalescents from an accident, an operation, or an acute illness, the chronically ill, Certain well people also come under the care of the VON such as new mothers and their babies.

n the case of sick people, it has been found that particularly children and elderly people made a better and faster recovery in their homes but the service is for everyone who requires nursing care at home regardless of age, race, religion, or ability to pay and regardless of what language they speak.

Patients are referred to the VON by the doctor, the hospital, the clergy, health and welfare agencies, family friends, or may himself just phone the VON at any time of day or night because the VON practice is to have 24 hour telephone service for emergencies. After VON service is received, the care is only continued when there is a physician in attendance; the VON nurse is not a doctor but only a doctor's assistant in the very highest form of the nursing tradition.

The VON nurses are graduate registered nurses and usually they have additional preparation in public health nursing. They are trained to demonstrate simple nursing procedures and instruct reliable members of the families they visit on how to care for the patient between visits. Therefore they are also teachers, and in their personal relationships with the families of the community they also become valuable friends wherever they go.

These nurses are supervised by regional supervisors to keep up the standard of service. In areas where the population is less than ten thousand the staff usually consists of one nurse and in larger centers there are sometimes twenty or thirty. One branch has over a hundred VON nurses.

They work a seven and a half hour day, five day week, with compensating time given for essential night duty. They get twenty working days vacation and their salaries are in line with prevailing rates with a contributory pension plan. Opportunity for professional advancement and the possibility of transfer to different parts of the country are offered so VON nursing can attract the best members of the nursing profession and does.

Fees paid for the services are based on the average cost per visit computed annually by the local branch. If the patient is unable to pay the full fee it is reduced by the nurse who has a guide provided by the National Office by which she can decide a family's ability to pay. No patient is refused care because of inability to pay.

Each local branch has a group of volunteers called a VON Board. They raise the funds from patients fees, government grants and public support. Some have fund-raising campaigns and others join in annual united appeals. The VON local Board also looks after the particular needs of the service. There must be an office with desk, chairs, supply cupboard, metal record files, nurse's bag, stationery, records, postage, laundry, janitor service, telephone and an answering service. There must also be a small car or allowance for the nurse if she has her own car, with operating expenses and insurance, and depreciation on the vehicle.

VON GAL 2 ---- -- --------

Other expenses include the salary of the nurse which is about five hundred dollars a month, initial incorporation of the local VON Branch and legal fees, payment for a relief nurse while the regular nurse is on vacation or off-duty, a contribution of 5 per cent of the nurse's salary to the Nurse's Pension, uniform allowance, Workmen's Compensation and Employer's Liability insurance and publicity of the services available. There is also a charge for professional services levied by the National Organization which is based on 12 cents per visit.

It has been estimated that this would all add up to from eight thousand to ten thousand dollars a year to establish a one nurse VON service in Pontiac County.

A brief look at the history of the VON reveals that it all started at the 1897 annual meeting of the National Council of Women when a lady from Vancouver asked that nurses be supplied to the outlying districts in the far West. A delegate from Halifax then called for the inauguration of a national nursing service in commemoration of Queen Victoria's Diamond Jubilee. The combination of these two requests culminated in the setting up of the VON, with Lady Aberdeen, wife of the Governor General and a personal friend of Florence Nightingale, as first president.

Among the enthusiastic Canadians who took part in the first meetings were Sir Wilfred Laurier who was then Prime Minister. One year later the organization had gone ahead so well that four VON nurses were sent to the Klondyke!

In remote pioneer districts the nurse would travel long distances on horseback and sleigh and cottage hospitals were established to which sick settlers could be brought. The Order established 44 hospitals in isolated areas from the Pacific coast to Labrador then as the country developed local groups were able to assume responsibility for hospitals so the VON withdrew from this phase of its work. The last VON hospital was turned over in 1924.

VON nurses served through typhoid and influenza epidemics, local disasters and in two World Wars. The service is now available to over half the people of Canada and the VON is steadily expanding.

Further to the above information, any questions about the service of the Victorian Order of Nurses addressed to THE EQUITY will be answered.

Santa Claus to visit Shawville and Ade Home December 9

On Saturday morning Dec 9 Santa Claus will visit the Ade Home in Bristol and the Pontiac Community Hospital in Shawville. Then after a hearty dinner the jolly old gent will go to the Community Centre where he will spend three hours with the children of the community.

From one o'clock until four Santa will be seated while children pass by, tell him their secret wishes and receive treats from his helpers.

Every child who comes will be given a bag of candy, courtesy of United Steelworkers Local 5656 and the Shawville Lions Club.

Lion Nelson Angus is in charge of "Operation Santa" and the entire Club thus extends its best wishes to the youngsters and their parents who enjoy this annual outing to see Santa Claus.

Country Notes

By Walker Riley,
Macdonald College, Agricultural Extension

The Royal Winter Fair had more than usual interest for me this year. Two of our students, Andy Ness and Louis Veillon were right in the front line, under the floodlights of the big Coliseum, exhibiting their livestock.

Andy was carrying on a long family tradition and we know he felt his responsibility keenly. His efforts were well rewarded. Among a long list of good wins the Burnside Ayrshires brought home the red ribbon in a strong class of 2-year-olds, placed second for mature cows in milk, third in the four-year-old class and fifth in the three-year-olds. Congratulations, Andy.

Altogether, Quebec was well represented in Ayrshires. Ten breeders took herds down. The outstanding win was probably made by MacGillvray Bros., Brome County. They had the Reserve Champion Bull, in Glencameron Supreme Duke who is still only a yearling.

Louis Veillon, in his second year at Macdonald College, faced powerful inter-provincial and international competition as he showed Jerseys from his father's Wendybrook Farms at Sweetsburg. Their bull calf, shown jointly with Melvin Younge, Shawville, placed second in a strong class of sixteen entries.

Jersey breeders are jubilant that the award for the best-uddered cow at the fair was taken by a Jersey—a four-year-old from Kentucky. The Quebec Jersey exhibit was small, but it was good. The whole Jersey Show was tops.

In contrast, not a single Holstein out of the 750,000 in this province was exhibited at this great International showplace. Are they not good enough to show? Or do we place more value on the production end? Or are we not interested?

Perhaps it is the second, because Quebec Dairy produce was prominent among the ribbons. Granby Co-op, Montreal Milk Producers Co-op, and Laiterie Shefford all helped to prove that this province makes top quality cheese.

Quebec Angus breeders came out on the short end of the stick this year. In this province we seem to like small, neat, compact animals. But the judge this year who, incidentally was brought in from Oklahoma, was looking for big, stretchy growthy animals. The best our three exhibitors were able to do this year was a fourth, in a class of 14 cows with calf at foot.

The Herefords had a strong show. Dodds Hereford Farm, St Andrews East, and Calvin Picken, Lennoxville, were our provincial representatives. In Shorthorns, only one herd from Quebec was there, Tutira Farm, Arundel.

We all missed O A Fowler, Kingsbury who has for many years kept the provincial flag flying in the swine classes. Otis, too, always carried away ribbons in the maple syrup classes.

In the field crops sections, it is noteworthy that two Quebec growers were in the prize money with Grain Corn. The rest of the world will realize yet that part of our province is in the Corn Belt.

The World Championship corn went again south of the border, for a magnificent display of ten ears with every kernel fighting for a place to hang on the cob.

Quebec growers were represented also in the seed potato section, and in maple syrup, but I saw no other Quebec entries in the crops classes.

It bothered me more than a bit to see the top-place hay exhibits come from south of the border. This is one place I know we could compete. It gave me satisfaction though, to see my neighbor Roy Goltz from the rocky hills of Muskoka where alfalfa, it is said cannot grow, place next to two top US entries in alfalfa.

EARDLEY W I

The Nov. meeting of the Eardley WI was held at the home of Mrs Sherwood Beattie with Mrs Joy Campbell as joint hostess.

In the absence of the President Mrs Steve Robinson, the 1st Vice Mrs Sam Wilson was in the chair.

Following the Opening Ode and the Collect, the members were asked to remain standing to observe a moment of silence in memory of our 'War Dead'.

Mrs. Wilson welcomed the members from Aylmer WI as guests for the evening.

An assortment of articles were sold which were donated by each of the members.

The tea prize donated by Mrs. Joy Campbell was won by Mrs Ada Routliffe of Aylmer.

Mr. and Mrs Wyman MacKechnie of Wyman made the evening a complete success, by showing colored slides of a recent tour of England, Ireland and Scotland. Mr. MacKechnie gave an interesting account of all the country's shown and capably answered questions.

Mrs Maria Cornu introduced Mr MacKechnie and Mrs. E. Kennedy thanked the guest speaker.

Refreshments were served by the hostesses assisted by Mrs. H .Nugent.

Rev. Cyril C. Watson inducted at Renfrew

Perhaps it was because he and his wife enjoyed life in an upper Ottawa Valley parish (North Clarendon) and later accepted another (Cobden) that the Rev C C Watson was happy when invited to become the Rector of St Paul's Church, Renfrew.

The Service of Induction for the new Rector of that small city, known far and wide as an active point in the Valley, was presided over by the Ven W. R. Wright, Archdeacon of Lanark and the Rector of Holy Trinity Church, Pembroke, representing the Rt Rev E S Reed, D.D., Bishop of Ottawa.

The Office of Evensong was led by the Rev David Lethbridge, assisted by the Revs John Salter and J. D. Ibbott. The Rev Owen Merriman was Master of Ceremonies.

The Preacher, the Rev Vincent Goring of the Central Theological College, Tokyo, Japan, challenged the congregation to assume their full place in the life of the Church. He placed before them two posts on which they were to fix their eyes, the call of Abraham in the Old Testament where the Church began and the vision of the Heavenly Kingdom in the Book of Revelation.

Mr Goring's family are no strangers to Pontiac County. His wife, the former Kathleen Powles, visited Shawville frequently at the home of her uncle, the late Dr C. Powles.

The music for the service was under the direction of the parish choir which sang as an anthem "Take my life" by Heintze harmonized by J. S. Bach.

The Rev E. N. McColl of Quyon was present as a representative of the Church in Pontiac.

Quebec Farmers Association

The new secretary of the Quebec Farmers Association, Mrs Margaret Bunbury, has had to resign as her husband has transferred to a job in Ontario. So once more the poor old QFA is without a full time secretary but Bob Nutbrown has been appointed to this post in a part time capacity.

At the organization's annual meeting it was decided that Bob should attend area meetings to maintain contact between them and the QFA, that the Directors should investigate the possibility of a broadcast to re-establish more direct communication with each member; that the QFA work with the UCC to obtain a better price for forest products; that the QFA investigate laws and procedure when private property is being expropriated; and that QFA support the UCC in their demands for $5. per hundred pounds of milk used for manufacturing purposes.

The entire organization of the QFA seems to be floundering around wondering what it should be doing and the new secretary, whose address is Box 237 Macdonald College, would be interested to hear from farmers and local organizations if they have any good suggestions.

Ontario will share cost of Bryson - Calumet bridge

The governments of Quebec and Ontario have decided to share equally the construction costs of a new bridge over the Ottawa River between Bryson and Calumet Island.

Tenders have been asked by the Quebec Department of Roads to carry out this project which is estimated at $715,000. The work is slated to begin next winter. The bridge is to be of steel and concrete and will be 550 feet long with a thirty foot wide roadway.

The original Calumet Island Bridge was built in 1886 to a width of 15 feet.

Fort Coulonge

Mr. and Mrs Andre Levesque visited for a week in Maniwaki, the guests of Mrs Levesque's sister and family, Mr and Mrs Louis Michaud.

An over heated chimney fire destroyed the home of Mr and Mrs Elias Ouemette about 2 miles from here on the Lapasse road last Thursday about 8 o'clock in the morning. The three children aged 15 yrs, 1½ yrs and 9 mos. old were forced outdoors wearing only night clothes. The house burned to the ground and nothing was saved and no insurance. The loss was estimated at $2,000.

Word was received a few days ago of two Fort Coulonge men who suffered painful injuries while working at the Bissett Creek Mill when 2 posts supporting the load of logs on the truck broke. They are Hector Soucie jr, son of Mrs H Soucie and Geitard Rivet, son of Mrs Simone Rivet. They are both in Civic Hospital at North Bay. A speedy recovery is wished to both men.

Jean Rivet of T. Lake, Ont. spent the weekend at the home of Mr and Mrs John Rivet.

Best wishes to Mrs W Bonnah, who is a patient in Pontiac Community Hospital in Shawville.

Mr William Stitt of North Bay is spending a few days at the home of his brother and family, Mr and Mrs Walter Stitt.

COURT REPORT

Court was held in Campbell's Bay on Nov 29 with District Judge Orville Frenette attending.

Allan Amyotte, 22 of Fort Coulonge who appeared on a charge of breaking and entering was sent to jail for six months. The accused with 4 accomplices broke into the Allied Grocery Store, Fort Coulonge and stole seven cases of beer and a quantity of cigarettes amounting to approximately $45. The accused had a previous record. Two of his companions also received a jail sentence but since their record was not too serious a lesser one, Ronnie Bertrand 18 to 4 months and Raymond Laroche 19 to one month. A fourth accused Victor Sauriol 20 with no police record was given a suspended sentence and ordered to pos ta personal bail bond of $300 to keep the peace for a period of one year.

Two Calumet Island men, Ronald Godin 23 and Edmour Lavigne, 44 were ordered to reimburse $25 for damages caused to a Calumet farmer in whose henhouse they broke into and stole one chicken.

David Hodgins 20 of Shawville who was arrested while carrying a non-registered revolver in his car was fined and paid $50 plus court costs.

OUR DIAMOND ANNIVERSARY YEAR

Shawville, Phone 647 - 2760

OPEN ALL DAY MONDAY, DECEMBER 11th

Campbell's Bay

Miss Janie Ebert spent a weekend at the home of Miss Melanie Smith recently.

Mrs. Walter Ebert is spending a few days in Shawville with her Aunt Mary Hodgins.

Enquiring around it seems that most of the people in Campbell's Bay whether they be English or French are quite satisfied with our Sheriff, Postmaster and Telephone operators, despite the reports which we read in the Ottawa papers that the language set up in the Pontiac is 'shameful'.

A simple chimney fire at the home of Mr. and Mrs Emmett Lepine on Wednesday night was quickly attended to by the volunteer firemen who only minutes before had been attending their regular monthly fire practice.

Mr. and Mrs J. Goulet and son, Robert were weekend visitors at the home of Mr. and Mrs Fred Derion.

Mr Jackie Knipe and a friend from Ottawa spent a few hours on Thursday visiting with Jackie's grandmother, Mrs. Jack Knipe.

Friends of Mrs Clarence Cameron will be pleased to hear that she is back in town and is at present living at the home of Mr and Mrs Clarence Brown.

Our Sheriff Joe Sloan, horses and his famous wagon were in Ottawa taking part in Grey Cup festivities.

Dunraven

Our sympathy is extended to the Cahill family in the recent death of their mother, Mrs. Bridget Cahill.

Mr. and Mrs Dillon Kensley and family of Sudbury were weekend guests of their parents, Mr. and Mrs Emmett Kensley. They also visited Mr Melvin Derouin who is a patient in the Civic Hospital.

Mr. Ronnie Smith visited his brother and sister-in-law Mr. and Mrs Mervin Smith last week.

Mr. and Mrs Emmett Kensley attended the D.M.L. Athletic Association Banquet and Concert in Renfrew last Saturday.

Mrs Mary Robinson and son Bill, Mrs Wm Robinson of Ottawa visited Mr and Mrs James Benoit last Sunday and attended Mrs Cahill's funeral.

Mr. Clifford Donnelly and daughter Joanne were Sunday guests of Mr and Mrs Angus Benoit.

Mr. and Mrs Mylford McElwain of Ottawa, Miss Grace Donnelly and Bruce visited their mother, Mrs Pat Donnelly on the weekend.

Mr and Mrs Art Forrest of Perth spent the weekend with Mr and Mrs Ed Wrinn.

Mr and Mrs Victor Maheral of Hudson, Miss Helen Maheral of Ottawa, Frances and Richard of Chapeau High School visited Mr. and Mrs J L Maheral.

Mr. Thomas McGee and Mr John McGee spent a few days in Montreal with Mrs Katie Claridge who is seriously ill in hospital.

Mr Elwin Griffin of Ottawa visited his uncle Mr Michael O'Hare recently.

Happy birthday to Denise Dumouchel who was 8 years old on the 3rd.

Mr. and Mrs Patrick Wallace and Wendy and Steve, Mr Keith Benoit, Ottawa, Mr and Mrs Leo P. Ryan of Bryson visited Mr. and Mrs Angus Benoit on Sunday .

A surprise birthday party was held for 8 year old Denise Dumouchel on Dec 3rd.

Nineteen girls were present. They played Bingo and other games. She received nice gifts and a sum of money.

They all enjoyed the afternoon.

ST MARY'S C W L

The regular monthly meeting of St Mary's Council of the CWL was held in St Mary's School auditorium, Tuesday, Nov 14th. Meeting was opened by Pres Mrs Alfred Trudeau, with the recitation of prayer in unison. Sec. Mrs Steve Robinson read minutes of October meeting, had them approved and signed. Treasurer Mrs Donald Derouin submitted the monthly financial report. Mrs Trudeau reported on the regional meeting held in Vinton Nov 8.

Father Klatt spoke briefly on Women's role in the Church.

Conveners were chosen for card parties, Nov 16 and Dec 3rd.

The next meeting will be held Dec 5th and there will be an exchange of gifts as in the past.

Plans were made for a turkey bingo for Dec 12 at St Mary's School.

A sincere thank you letter was read for our contribution towards the 'Save THE Family plan.

Sister Vivian suggested readings from The Documents of Vatican II.

Sister Alberta thanked members who took part in the hootenany Oct 29th and suggested there would be more of them.

Meeting was adjourned by motion of Mrs Percy Moyle.

Delicious refreshments were served by the Sisters.

The Convention in 1968 will be held in Shawville in Saint Paul's Church.

If your family has just plain outgrown your present water heater...

You're ready for the new Cascade 40

Let's face it. Families need more hot water than they used to. If you've outgrown your present water heater, remember this: a Cascade 40 electric water heater produces all the hot water you're ever likely to need—for only pennies a day. It installs easily anywhere, without a cumbersome flue. And its big 40-gallon tank, guaranteed for 10 years, heats up fast when extra hot water is needed. If *your* family needs more hot water than you're getting now, isn't it time you got yourself **the popular *electric* water heater...**
