Church history made in Shawville Tuesday

Rev Ed McColl of St. John's Anglican Church, Quyon spoke words of welcome in the name of the Pontiac Deanery and the Clarendon and District Ministerial Association. His prayer was for the union of all Christians according to the will of Jesus Christ and he invited everyone who came to the Church Unity Service at the school auditorium in Shawville Tuesday evening to participate fully in the prayers and hymns.

Rev Shulist of St. John the Evangelist, Roman Catholic church, Campbell's Bay, asked the invocation, imploring God to inspire those present so that their prayers and their deeds might take their beginning from Him, and through Him reach completion.

The congregation sang "O God, our help in ages past, our hope for years to come, be Thou our guard while troubles last, and our Eternal home".

Rev Stanley E. Snowden of the Shawville United Church offered a prayer of thanksgiving to God for the gift of unity, the people in the audience responded in unison saying "Glory be to Thee forever and ever" and the United Church choir sang The Lord's Prayer.

Rev A. H. Perry of the Campbell's Bay Free Methodist Church read the first half of the seventeenth chapter of St John in English and Rev Roland Pi-

lon of St Peter's Roman Catholic Church, Fort Coulonge read the second half of the chapter in French.

Rev. T. G. Klatt, of St. Mary's Quyon, gave the sermon, speaking on signs of unity. He explained how it was that unity in the church was God's will based on a text from the book of John where Jesus said "That they all may be one as we are one".

Rev A. T. Harrington of St. James, Roman Catholic Church of Portage du Fort, Quebec, pronounced the prayer of confession of sins, saying, "we are ashamed: We have brought division into thy great work of unity . . . we have often been hard and exclusive . . . we have forgotten the beam in our own eye seeing only the mote in our brother's eye . . . we have been ignorant and scornful of our brethren . . . sought to triumph over them . . . drawn boundaries between thy children whether of race or nation or culture or class . . ." and the congregation responded with "Lord, have mercy upon us" and then sang "O Worship the King".

Rev Glenn O'Connor of the Evangelical Lutheran Church, Ladysmith read Psalm 67 with the congregation reading every second verse in response.

Rev R. T. Benson of the Wesleyan Methodist Church, Shawville led in the reading of the

Apostle's Creed in unison.

Rev T. G. May of St. Elizabeth's Catholic Church, Vinton gave a prayer for unity saying: " . . . forbid us to acquire the habit of our divisions . . . save us from considering as normal that which is a scandal to the world and an offence against thy love . . . deliver us from a spirit of narrowness, of bitterness or of prejudice . . . do not allow us to be led astray by our own delusions . . ." and the audience responded with "Unite us in love and in truth." Rev. Ed McColl led in reading The Lord's Prayer in French and all sang "Holy God we praise Thy name".

Rev John Pearce of St Paul's Anglican Church, Shawville, asked the blessing from Romans 15: 5-6 which reads as follows: May the God of steadfastness and encouragement grant you to live in such harmony with one another, in accord with Christ Jesus, that together you may with one voice glorify the God and Father of our Lord Jesus Christ. Amen.

And then the six hundred people who had decided that churchgoers have enough in common to take part in a service together sat in wonder for a minute or two, contemplating what they had seen and heard while the choir filed out in silence. When this unscheduled moment of communion was over they began to move about, going through the conventional greetings, and spent another hour of discussion over tea and coffee in the school auditorium. One gentleman was heard to say "I

don't mind whether I have a cup of tea or not, I just want to shake everyone's hand".

That was the first such meeting. Another is already in the minds of the planners whose summation of the event was "It was worth the effort".

Centennial plans at Quyon

At Quyon Tuesday night, a small number of people attended a meeting to make plans for Quyon's participation in Centennial celebrations. The slight attendance was due to the fact that two other very important meetings were taking place at the same time, both of which involved a large number of Quyon and district people.

However, a temporary committee was named to contact interested people to come to a further meeting which will be held next Tuesday evening, January 31, at St. Mary's School at 8 o'clock. One of the matters to decide at this meeting is the means of greeting Sheriff Sloan on his way to EXPO as he drives his covered wagon through lower Pontiac.

A number of other matters will come under discussion and there is a great desire on the part of the committee that anyone with an idea bring it to the meeting.

Mrs. Sam Gibson 86 last Thursday

Mrs. Sam Gibson celebrated her 86th birthday on Thursday, Jan 19, 1967 at her home in Campbell's Bay where she went as a bride of 22 years. She was married in April 1903 and her husband passed away five years ago.

Mrs. Gibson enjoys very good health, does her own work and attends church every Sunday.

She received many cards and gifts and her sisters Mrs. Eastman and Mrs. Graham called from Ottawa to wish her a happy birthday.

Mrs. Gibson is very grateful to all her friends and neighbors for their kind thoughtfulness.

"That They May Be One"

In the Bible, in the Book of John, in the seventeenth chapter Jesus is reported to have said "Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are." This specific phrase is a major source of the ecumenical movement among churches which was responsible for the interfaith meeting in Shawville Tuesday night.

Working along with the scripture is an irresistible underlying need of humanity to be as one, which in this day and in this part of the world seems to be triumphing over the lesser desires of some to divide into isolated cells and foster hate and distrust.

The churchgoing people of Pontiac, 600 strong, proved this week that if ever there was a time when they preferred exclusiveness for them that day is past. The service chosen for the history making meeting was perfect in each detail. Every person who attended had moments to enjoy his own personal church habits and each had moments to wonder at the similarity in purpose between his and others.

The meeting was conceived in wisdom and enjoyed without reserve by a great number of people. More than the ministers alone were responsible for the success of the venture. The public who attended were in great measure responsible for the service achieving so high a purpose.

Outaouais Regional Catholic School Board Steps out of teacher-union hassle; sees need for Pontiac English H.S.

The Outaouais Regional School Board (Catholic) has received legal opinions to the effect that English speaking teachers of the region will no longer have to pay dues directly to the predominantly French speaking Quebec Teachers Corporation (CIC). The dues will be collected by the board and turned over to the Quebec justice department and the CIC may claim them from that source.

There had been a clause in a collective agreement signed in 1965 by which the CIC could claim dues from all teachers. This meant that a closed shop situation would exist. All the 78 English speaking teachers employed by the Outaouais Board objected, preferring to pay dues to the Provincial Association of Catholic teachers (PACT).

Rather than being in a position to decide to which union the dues will be paid, the Regional Board will now remit them to the justice department and let the association which claims the dues fight it out with the department.

Other problems facing the Board at their meeting Monday night were parents and population. The parents of English-speaking students in Hull and that area do not feel that St. Jean Bosco and St. Jean Baptiste schools in Hull are suitable for the proposed composite school, for that district. The site had been recommended by the board in 1965 and has been opposed by the Parent-Teachers Association from the start.

One of the reasons for the objection to the site is that there is not room to build further, no room for outdoor sports and that the present classrooms are below the standard required.

Consideration has been given to studying the possible use of St. Patrick's and Our Lady of Annunciation schools which face each other on Laramee Street, Hull. Another possibility is that the group join with the Protestant students of the area who are also English speaking.

In all these considerations the major item of study is the foreseeable rise in population. The statistical forecast reveals an expectation of a growth of student population from 8,372 in 1967 to 18,041 in 1971. Director Omer Plouffe, in giving this report, said that six more composite schools will be needed in addition to the existing City of Students.

Of these composite schools, two will be needed by the English speaking students, one in Hull to serve 1800 students and one in Pontiac County to serve a thousand students. The other four complexes will serve French speaking students, two in Hull for 4,000, one in Aylmer for 1800 and one in Gatineau Point for about two thousand.

By next September Mr. Plouffe also noted that twenty-five auxiliary classrooms will be needed for 500 retarded students.

Calling all grads of Shawville High

Very close to 400 invitations have gone out from Shawville High to its graduates from 1954-'66 as the Students Council prepares for the third Alumni Reunion. A committee in charge of the plans for this year's reunion, has been at work since the fall. Their biggest job is to track down the graduates, some after several changes of address, in order that the invitations can go out.

The last reunion was held three years ago at which time some two hundred grads and wives and husbands returned. Of course Shawville High goes back much farther than 1954 but that date has been used as a starting point as it marks the first graduating class from the present

High School building.

The date set for this year's reunion is Sat., Feb 18th and the program is to follow the same pattern as previous ones. In the afternoon there will be a pair of basketball games featuring players of former school teams against this year's teams. Then at 6.30 a banquet in the United Church Hall. From 9-12 there is a dance at the high school with admittance restricted to the grads and their escorts, teachers and grade 11 students.

The Alumni Reunion Committee would appreciate it if any grad of SHS '54-66 who reads this and has not already received their invitation would get in touch with the committee chairman, Miss Susan Dods.

bec Forestry Association also assisted.

unable to journey to Quebec to attend the event.

LETTERS TO THE EDITOR

"Wages and Gift"

Campbell's Bay, P.Q.
January 23, 1967

The Equity
Shawville PQ
Sirs:

In your issue of January 19, 1967, mention was made of suggestions by a frequent visitor to Shawville, and the suggestion that the "Sin and Death" billboard on the highway just outside of the town should be changed or replaced by something of a more commercial nature.

The visitor's description of the billboard "Sin and Death" would seem to be only partially expressive. It could be called the "Wages and Gift" billboard. And—as to damaging the image of Shawville—it could hardly be that a verse of Scripture would be damaging in any way. As for me, I have never connected this billboard with Shawville, really! When passing in a car, one can truthfully say that this sign arrests; one cannot but feel that perhaps someone travelling the highway—in those few seconds taken to pass the sign—might take a solemn inventory. Even Christians need to be reminded of their responsibilities and what a fine way the CBMC has taken, to kindly install and maintain this billboard. They may have asked themselves "Am I my brother's keeper?" God bless them!

The visitor's suggestion that there is need for a commercial sign of some sort is appreciated, and it is possible that such a billboard could be placed at some other strategic spot on No 8 Highway.

Thank you!

M. I. Smith

CBMC Signboard

January 23, 1967

To the Editor of the Equity:

In last week's "Grist" column I noticed that a mysterious "frequent visitor" has much to say regarding the CBMC Gospel signboard. May I ask a few questions in reply

1. Why was the letter not published in Letters to the Editor?
2. What on earth is meant by "Shawville's Image"?
3. How can a verse of scripture from the Bible damage that image?
4. Who is stopping our nameless advisor from buying a site on Highway 8 and erecting his own signboard?

Shall the CBMC change the purpose of the sign and thus betray the confidence of that dedicated band of Christians who built it with their own time, money and effort? Never! It shall continue to stand proclaiming the message of Eternal Life for believers and Judgement to come for rejectors, despite oppositions, vandalism, and ridicule. Christ said "My words shall not pass away" Matt 24:35

C. G. Crouse, Shawville

Replies: 1. Because it was not suitable. 2. Shawville's image is the group of thoughts people have when they think about Shawville. 3. Scripture verses can be used for many purposes. 4. Nobody.

Thanks

The Equity,
Shawville, Que.

If it is not done at the time of hiring, Betty says, the farmer employer will be liable to the government for the total contribution with respect to

18 Delaware Apt 2
Ottawa, Ont.
January 21, 1967

Dear Sir:

I am seeking additional information and a photograph if possible of an old uncle of mine, Daniel Roney who was a deaf mute and had been an old resident of Shawville. He was well known.

Daniel Roney was a tailor by trade and lived in the Shawville area with people called Horner. (I think there are many Horners around Shawville).

He died on the 23rd of January 1917 at the age of 88 and was buried in the Anglican cemetery, Shawville.

Should anyone have further information on my uncle or could put me in touch with someone who has I would much appreciate your co-operation.

I would also be interested in knowing if there is a Pontiac County Historical Society.

I am seeking the above information to complete a genealogy.

Yours sincerely,
Donald J. Roney

Mayor of Bristol England acknowledges contributions to War Relief Fund from the Council House Bristol December 30, 1941. To His Worship the Mayor, Nelson McLellan, Esq., Bristol, Que., Canada, Dear Sirs, I was very pleased to receive your letter through the bank of Montreal. Your cheque has already been acknowledged but I did not know the name of the donor, so I could not send my personal thanks before now. The Mother city of Bristol has suffered very severely by enemy action in the early part of this year but the sympathy shown and help given by her daughter towns and by old Bristolians everywhere throughout the world has been invaluable in sustaining the spirit of her people. We are continually finding new namesake towns and I am more than delighted to hear of still one more. Will you please accept and convey to all contributors my most sincere thanks on behalf of the citizens of this old city, for the gift of 85'13.0 pounds to my War Relief Fund. I am sending by ordinary mail a copy of my Christmas card, which I should certainly have sent before had I known the donors of the generous contribution. I think, though late, it may interest you. I am enclosing a short account of some of the work which my War Services Council is doing to alleviate the distress caused by enemy action. You will see that the need is great. Yours sincerely, E. T. Cozen, Lord Mayor, Bristol, England.

Mrs. Caroline Towell

The death of Mrs. Caroline Towell widow of Samuel Towell occurred suddenly December 30 at Pontiac Community hospital. She was 77 years old having died on her birthday.

Well known in the area, she had just recently taken a trip to Fort William to visit her sister Eva and sister-in-law Mrs. Hiram Hamilton. On the way back stopped to visit members of the Towell family in Sault Ste Marie.

The body rested at the W. J. Hayes funeral home, Shawville, thence to St. Paul's Anglican Church where the service was conducted by Rev John Pearce. Interment was made in St Matthews cemetery, Charteris. The committal service at the grave was conducted by Rev W. H. Kennedy.

The late Mrs. Towell is survived by eight children, Milton and Ross of Ottawa, Robert of Shawville, Mrs. Alfred Schwartz (Doris) of Renfrew, Mrs. Merlin Richardson (Marion) of Shawville, Mrs. Herb Macdonald (Evangelina) of Kingston, Mrs. Carl Anderson (Rose) of Brockville and George of Shawville. Also 25 grandchildren and four great-grandchildren. She was predeceased by a son John in 1960.

During the service two of the deceased's favorite hymns were sung.

A request by the family was sung by Mrs. Minard Hobbs, "We'll say goodnight here but good morning up there".

Pall bearers all close neighbors were Donald McCord, Lee Murphy, Albert Bertrand, David LeMay, Claud Richardson, Earl Murphy.

A lifetime resident of Charteris was a member of St. Matthew Anglican Church, also a Charter member of St. Matthews Guild.

There was a profusion of flowers testifying the high esteem in which she was held.

Rev. F. T. Norman

"Friend", "Pastor", "Teacher" these words all could be used to describe the Rev Canon Frederick Taylor Norman who served in the Parish of Quyon and Eardley from 1925 to 1929.

Mr. Norman, a native of Newfoundland, came to the Province of Quebec to enter McGill University and the Montreal Diocesan College. With Bachelor Degrees in Arts and Divinity he was ordained to the Sacred Ministry by the Rt Rev John Farthing, Bishop of Montreal. Then he was sent to Pontiac County to begin his life work.

Many still retain vivid memories of his interest in all about him. They speak of his actions and his works as those of a man of God.

One's thoughts would recall an occasion when he returned to preach in the chapel of his college and a former principal, at whose feet he had once sat, warmly commended his efforts to share the experience of the world in Christ with his fellow clergy.

Later he served the church in Cowansville, Montreal, Verdun, Quebec and Grand'mere.

Once his friends found him visiting the Cemetery at St. Luke's Church, Upper Eardley. Later he told his neighbors in Montreal he had been where there was quietness and peace.

Of recent times his activities were overshadowed by an illness which proved fatal. He died in the St Louis Hospital, Sweetsburg, PQ on Saturday, January 7th, 1967. The funeral was held in Holy Trinity Church, Cowansville on Wednesday January 11th with burial at Christ Church Cemetery, Sweetsburg. The Rt Rev Russell Brown, Bi-

Country Notes

By Walker Riley,

Macdonald College, Agricultural Extension

How can seven hours of the information packed Soil and Crop Improvement Conference be condensed into 700 words? The best I can do is to pass on to you a few of the highlights as I saw them.

Certainly to the unusually large Quebec group present at this Eastern Ontario event, the choice of one of Quebec's top agricultural officials as special speaker at the evening session was significant. Dr. Mercier, speaking on the "Problems and Potentials of Eastern Canadian Agriculture" didn't try to hide the problems, but he did emphasize the potential for a greatly expanded agriculture in the five eastern provinces.

"One of the improvements needed" Dr. Mercier said "is drainage. I venture to say if we were able to drain adequately the land in Eastern Canada, we could easily triple or quadruple production. I realize that the cost of underdrainage is high: \$140 to \$150 an acre is a big investment, but one that is going to bring some income".

Speaking of fertilizers, Dr. Mercier stated "if we were using fertilizers in Eastern Canada at a moderate, economic rate, we could increase our production manifold. Canada from the standpoint of use of chemical fertilizer is almost classified amongst underdeveloped countries".

The value of the Feed Grain Assistance policy to Eastern Canadian farmers was questionable, Dr. Mercier felt, with prices of western grain going up, there was little doubt we would be growing more and more of our own in the years ahead. "Had we used that money (spent on subsidizing the transportation of western grain) for drainage of land in Eastern Canada, I think we would be far better off".

Dr. Mercier went on to deal with other problems as he saw them—low farm income, aging of farmers, orderly marketing, farm credit, farm management, farm labour, zoning for agriculture and rural development.

Dr. Murray Miller, Soils Specialist from Guelph, spoke in the morning on "Fertilization of Forages". Forages, Dr. Miller said, had the potential to produce as well as corn if they were given the same management. He again emphasized the need for drainage, especially for legumes, and the need for a near neutral soil.

Waltham

Mr. and Mrs. Gerald Perry and baby St. Eustache spent the weekend at the home of Mr. and Mrs. Stephen Perry.

Miss Donna Perry, Laval, spent the weekend with her parents, Mr. and Mrs. Len Perry.

Mrs. Len Perry CW LPres attended the Diocesan Meeting in Pembroke on Sunday afternoon.

Mr. and Mrs. Raymond Johnston and Kim of Otter L. called on the Art Labelles on Sunday.

Other Sunday visitors at the Labelles were Mr. and Mrs. Cecil Vibert and family, Campbell's Bay and Jacques Pilon, Quyon.

The Community rink was saved from complete ruin due to the quick reporting of the flash fire by Paul Ryan on Friday night. The fire siren was sounded and the response by the people resulted in extinguishing the fire before extensive damage resulted to the building. Unfortunately 100-ft of expensive hose used for flooding the rink is a complete loss.

Mr. and Mrs. Stephen Perry and Phil motored to Bryson on Sunday.

Joanne Spotswood, Ottawa, spent the weekend at her home.

Norway Bay

Well, it's a few weeks into the New Year but it's not too late to wish one and all the best for the new year and the start of another hundred years. The old year did not pass away on the Bay nor the 1967 enter without a pleasant goodbye and a hearty welcome as Mr. Fred Metcalf was host to some 50 guests who were from Ottawa and Bristol and around the Bay. He had prepared a pile of brush and waste on the ice opposite the Murray Hill road and lit the light at the fading and entering hour, then retired to his cottage with the guests where a most enjoyable time was spent and during the afternoon some 25 of the Bay residents enjoyed an old fashioned sleigh drive with John McCredie. Then again in the evening another load had the pleasure of the sleigh drive and went from one home to another singing the old fashioned Christmas and New Year greetings which everyone enjoyed. With so many at their cottages it makes it very friendly on such occasions.

Mr. and Mrs. Donald McCredie and family spent New Years with Mrs. McCredie and John.

Mr. Marshall Laughrin of Toronto was a visitor among the old neighbors on Sunday.

Sgt R C and Mrs. Snow and Margaret spent Saturday with the Baileys from Camp Petawawa.

Shawville

Mrs. J. Stevens, Toronto has been visiting her daughter Mrs. V. Beattie, Mrs. Stevens is a proud Gramma of a baby boy born Jan 12, 1967 to Mr. and Mrs. V. Beattie.

Phosphorous fertilizer he said was needed for vigorous seedling establishment even on soils testing high in phosphorous.

Nitrogen had little influence on seedling vigour, Dr. Miller said, but they usually recommended a little in the fertilizer.

Potash was needed most in established stands, he said, and had a marked effect in reducing winterkilling. August 15th to September 15th were the dates to apply it, he said. By that time the growth of the grasses had slowed down. Given the chance, grasses grab the potash first, leaving little for the legumes.

Dr. Miller pointed out that not all soils needed potash fertilizer. A few of the clay soils were able to release their tied-up potash fast enough to satisfy even the very heavy demands of a 5-ton alfalfa crop.

Dr. Miller had slides to show the effect of 225 lbs nitrogen fertilizer on several different legumes and grasses.

Neither alfalfa nor trefoil responded enough to nitrogen to pay for the extra. But all the grasses—timothy, brome and orchard grass—tripled their production per acre.

Dr. Miller developed a set of rules for using nitrogen on grass. If less than 60 lbs N, put it all on in early spring. If 60 lbs to 80 lbs split the application; apply 30 lbs in the fall and the rest in the spring. If you are in the high brackets and really pushing your production with 90 to 120 lbs N, go to three applications, one fall, one spring and one in early June.

Dr. Millar warned against fall application of nitrogen if you are producing grass seed. It results in sterile tillers.

Peruvian needs outlined at CWL Diocesan meeting

Over 300 people attended the mid-term Pembroke Diocesan CWL meeting on Sunday January 22 at Holy Name Church Annex, Pembroke, chaired by Mrs. Wm. Nugent, Diocesan president who opened the meeting with a short scripture reading followed by the League prayer led by Rev Emmet Murray Diocesan Director.

Mrs. Nugent welcomed all presidents and members from all parts of the Diocese which ex-

tends from Quyon to Temiskaming on the Quebec side and from Arnprior to Mattawa. A special welcome was extended to all Honorary members and also the representatives from the newest Parish Council Our Lady of Fatima Council 39 of Renfrew organized December 14, 1966.

Mrs. Eldon Keon, Prov President, Bryson conveyed greetings from the Ontario Council. An outline of the CWL schol-

arship available for Post Graduate study in Social Welfare was given by Miss Eva Gervais LaPasse, also the two Annual Scholarships of \$1500 each donated since 1927 and the Provincial Bursary given annually. Applications should be in National Office before March 1st.

A letter from the Children's Aid Society Renfrew was read by Mrs. Wm Gleason expressing appreciation for past support and requesting future assistance in their work. Six infants under one year are waiting for adoption and older children for Foster and boarding homes.

It was announced that \$2236 was donated by Pembroke Diocese for the CWL Centennial Project the Vanier Institute.

The guest speaker Rev Sister Hedwig who is home on holiday from Peru is celebrating her Silver Anniversary of her en-

trance to the religious life. In her talk she gave the startling fact that 180 million Catholics live in Latin America, one third of the Catholics of the World.

Although they have great devotion to the Cross there is a desperate need for priests, teachers and nurses. Sisters of St. Joseph, Pembroke and the Oblate Fathers, Ottawa have joined forces to work in the remote and over-crowded areas of Peru.

The colorful slides used to accompany the lectures were much appreciated and evoked many questions regarding the life and need of these people.

A buffet luncheon was served by the Hostess Council.

Rev E. Murray, Mrs. Eldon Keon, Mrs. Wm Nugent and Mrs. Vincent Donegan have left Tuesday for Toronto to attend a Provincial Executive meeting on Jan. 27.

Rev. Roy Huntly welcomed to Quyon

Sunday Jan 22, 1967 was a memorable and happy day for the Pastoral charge of Quyon of the United Church of Canada.

At the morning service the minister preached to a congregation which almost filled the church.

In the afternoon a service of introduction and welcome was held at which the Chairman of the Ottawa Presbytery, Rev M. E. Nerny BA, BD and Lt Col D. A. Carmichael secretary of Presbytery and a number of other members of Presbytery were present.

The service was well attended by members of all the congregations of the Pastoral charge. Rev R. S. Smith BD, a former Chairman of Presbytery conducted the opening part of the ceremony and read the Scripture Lessons. The chairman of Presbytery offered prayers and the Rev Donald Rutherford preached an eloquent sermon on the subject of Loyalty.

The Secretary of Presbytery then presented Rev Roy Huntly and related the steps leading to his appointment.

Rev M. Nerny then put the usual questions to Mr. Huntly and upon receiving the necessary answers gave him a cordial welcome to the work of the United Church of Canada after which the members of Presbytery including Rev Stanley Snowden, BA, BD and Mrs. Sly of Shawville; and Mr. Ira Merrifield and Mr. Wyman MacKechnie extended the right hand of fellowship and welcome.

The minister was then escorted to his pulpit and closed the service with a few words of thanks for the many expressions of kindness, and by pronouncing the Benediction.

Mrs. Robert Gordon presided at the organ. A reception followed during which the congregation were able to meet the new pastor and his charming wife and their four children. Juliet aged 11, Alyson aged 9, Martin 6 and Theresa aged 4, who were all included in the official welcome.

Rev Snowden addressed the gathering and extended a welcome to Rev E. McColl BA who was present for the reception.

Rev Roy C. Huntly is an ordained minister of the Congregational Church. He is a graduate in Theological and Social Studies of the Paton Congregational College in Nottingham, England and was ordained to his first pastorate in Westcliff on Sea in 1959.

In 1964 he was invited by Commonwealth Missionary Society to become Minister of Principal Congregational Church in Kingston, Jamaica and while there was involved in the formation of the United Church of Jamaica.

In this work he was assisted by Mrs. Hunter who is a qualified Physiotherapist and a teacher. In 1966 Mr. Huntly ap-

plied for admission into the ministry of the United Church of Canada. His application is under consideration and he has been appointed to the Quyon Pastoral Charge.

COUNTRY NOTEBOOK

The telecast Thursday morning January 12 in "This Business of Farming" series had a special interest for me. That was one on Family Farm Business Arrangements. Tim France, you will remember was the star. Tim and I worked together for a year and a half while he was instructor in Farm Management at the Kemptville Agricultural School.

Even then Tim was encouraging father-and-son agreements with a missionary's zeal. He had seen, he said, too many good farms go on the auction block simply because the father had made no arrangements on paper for the son to share in the farm business. And the son rather than push a delicate subject, had quietly taken a job away from the farm.

Recently, Tim has written two new bulletins on this subject, "Planning Father-Son Agreements" and "Farm Income Sharing Arrangements." First copies came to me last week.

The first thing to do, he says is to jot down what is important to you — satisfaction in your work, security for the future, a chance for your son to try out his own ideas, sufficient income for two families, and so on.

"Usually," he states, "two kinds of agreement will be needed; one to cover the operation on the farm, and the other to cover the transfer of property from you to your son".

These two agreements may be combined in one of three business arrangements (1) Sell the farm outright to your son; (2) form a partnership; (3) incorporate the farm business. Each has its advantages which your local lawyer, accountant, and insurance man can point out.

The outright sale of your farm to your son, Tim says is a straight-forward, simple way of transferring the farm. Carried out with the help of a lawyer, the transfer should provide satisfaction to you both.

You have a choice of two methods which will protect your own interests. You can sell the farm through either the cash and mortgage method or the agreement for sale.

Unless you especially wish to offer your son lenient repayment terms, there is a real advantage in using an independent source of mortgage money. Both you and your wife will know exactly what financial resources are available to you in the years ahead.

The agreement for sale method is sometimes used. The big difference here is that you hold the title until some agreed date — perhaps when 50 per cent of the purchase price has been paid. The lack of legal title, may however limit your son's credit and possibly the growth of the farm.

The partnership agreement, Tim states in his bulletin, is a good type to help your son get started and yet keep on farming yourself. Your son must be allowed to buy property if the agreement is to work well. A firm transfer arrangement must be built onto it, and the dissolution procedure clearly set out at the start. Once agreement is reached on all points, you should have a lawyer draw up the formal document.

He considers a separate house for each family an absolute necessity, and a separate bank account for the farm business. He warns, too that there must be enough income from the farm to support two families.

Harmony among the partners is essential to the success of a partnership agreement, he points out. But disagreements will arise even in the best, and it is wise to write the name of an arbitrator into the agreement.

Forming a Company, Mr. France says can be the solution to many problems, and it is the best form of organization if the business is big and has several

partners. But incorporation is not for everybody and most farms would be better off with some other agreement.

Setting up a company is like creating a new life, for a company has the same rights as an individual person.

He points out the advantages of flexibility, limited personal liability, and the easy transfer of the shares of stock from one generation to the next. On the other side there is the legal cost of incorporation—\$500 and up—and the specific records which must be kept by law. Also when you commit your property to the company you lose personal title to it.

Tim France concludes, when planning for the future of your farm it is important to know what you want. There are many who can advise you on how to do it, but first you have to decide what you want. And the best time to do it is now!

We are ordering a supply of these two bulletins. The cost will be about 25c each. Your editor, I am sure, will pass on your request if you phone or write him. Or you can write to me, Box 237 Macdonald College P.O., P.Q.

A good supply of the Bank of Commerce bulletin "Family Farm Business Arrangements" is on hand. They are also excellent and no charge.

Shawville Pontiacs still second - Combines win ten in a row

Pontiacs lose two games to first place Morrisburg Combines

The Morrisburg Combines have extended their winning streak to ten games in Ottawa-St Lawrence Senior Hockey League action by winning a pair from the Shawville Pontiacs last weekend.

This pair of wins leaves the Combines alone in first place in the league with Shawville holding firmly onto the runner-up position.

Last Friday in Shawville the Pontiacs held a 4-2 lead after two periods but failed to hold on as Morrisburg rallied to earn a thrilling 6-5 victory.

Big Doug Casselman led the Combines with two goals while Anris Lawlor, Ed St Louis and Jim Forrest had singles.

For the Pontiacs Bob Newberry, Bill Kuehl, Ivan Saunders, Terry Wendt and M. J. Blimkie had single markers in a losing effort.

Both Pontiacs Jim Carmichael and the Combines Don Grant were called upon for some great saves and only an amazing stop by Grant in the dying seconds on a point blank shot prevented Shawville from tying up the contest.

Sunday, Morrisburg again dropped behind 2-1 after the first period, but rallied before their hometown fans to win in convincing fashion by a 6-2 score.

Earl Powell and M. J. Blimkie both scored in the first period to give the Pontiacs their early lead but they were blanked for the remaining two frames.

Derek Holmes led Morrisburg with a pair and singles went to Mel Tomalty, Red Lawlor, Doug P. Casselman and Rick Rushford.

In both contests Shawville ran into penalty problems and this sharp Morrisburg squad were quick to score 8 power play goals in the two games.

This Friday the Pontiacs are at home against the Perth-Smith Falls Rideaus and then on Sunday the Pontiacs travel to Buckingham.
