DIRECTORS.*

WM. MURRAY, *Manager.*

This Company is composed of a numerous body of proprietors, affording, in addition to the paid up Capital, ample security to the Assured. On commencing the Fire Department of the business, the Company reduced the rate 25 per cent., and the decided success which has attended its operations in that department, affords satisfactory proof that the advantages which it offers have been duly appreciated by the public.

At the recommendation of many of the most respectable merchants of this city, and elsewhere, the Directors were induced to embrace the Inland Marine branch of the Insurance business, and accordingly, have commenced to grant Insurance against all Loss and Damage to Vessels or their Cargoes, navigating the Rivers and Lakes of this Province.

In a short time the Company will also be prepared to commence the Life Department of the business, due notice of which will be given.

This Institution embraces important and substantial advantages with respect to Life Assurance and Deferred Annuities. The Assured has, on all occasions, the POWER TO BORROW, without expense or forfeiture of the policy, two-thirds of the premiums paid; also, the option of selecting benefits, and the conversion of his interests to meet other convenience or necessity.

Assurances for terms of years at the lowest possible rates.

Persons insured for life, CAN, AT ONCE, borrow half the amount of annual premium for five years, on their own note, and deposit of Policy. PART OF THE CAPITAL IS PERMANENTLY INVESTED in the United States, in the names of three of the Local Directors—as Trustees—available always to the Assured, in case of disputed claims (should any such arise) or otherwise.

The payment of premiums, half yearly or quarterly, at a trifling advance upon the annual rate.

No charge for stamp duty.

Thirty days allowed after each payment of premium becomes due, without forfeiture of policy.

Travelling leave extensive and liberal, and extra premiums on the most moderate scale.

DIVISION OF PROFITS.—The remarkable success and increased prosperity of the Society have enabled the Directors, at the last annual investigation to declare a fifth *bonus*, varying from 20 to 48 per cent, on the premiums paid on each policy effected on the profit scale.

To persons assured by the Society permission is granted to proceed in steamships or first class sailing packets, between ports in Europe and any ports in North America (North and East of Baltimore, including said Port of Baltimore); also in steamships or sailing vessels, between any ports in the British North American Colonies, or between any such ports and those of the United States, (North and East of Baltimore as aforesaid,) at all seasons of the year, FREE OF EXTRA PREMIUMS.
