

Huntingdon Board Of Trade Off To Good Start Following Re-organization Meeting

There was a very encouraging attendance at a general meeting held Wednesday evening, at the County Building, to revive the Huntingdon Board of Trade into an active organization.

The meeting was purely organizational at this time, so that it was what took place. Mr. George Dixon, former president, opened the meeting and welcomed all present and thanked them for coming. He said that Mr. L.A. Sanderson, Manager of the Huntingdon Branch of the Canadian Imperial Bank of Commerce had done a great deal of work in getting the meeting going, and he called upon him to introduce the guest speaker.

Mr. Sanderson thereupon introduced Mr. Andre Cornellier, Manager, Chamber of Commerce Province of Quebec.

Mr. Cornellier said that there were 800 organizations under the Chamber of Commerce and thus all were in contact. It was also a world-wide organization, thus could be helpful in many ways.

It would depend how the group had been organized and how the charter was issued as to whether it would be known as a Board of Trade or Chamber of Commerce. However both were the same. He expected that Huntingdon had organized under the name of Board of Trade and thus for legal purposes must use that name.

The Chamber of Commerce does not legislate, it helps other bodies by suggestions and in other ways. Thus it can make recommendations to local government and bodies and to the Provincial and Federal Governments. It can help in all community matters, plans and projects. It is not the purpose to interfere with other groups in a community, but it can help to promote projects for the community. If other groups need help in any way, the Board of Trade is ready to assist.

The Tourist Industry in Quebec, is the fourth industry of the Province and therefore it is an important one. Perhaps

there is something that can be done locally in this direction.

Parking is a problem in many centres and there is never sufficient space for cars to park. The Board of Trade could have surveys made into this problem and then make suggestions as to what might and could be done to improve the situation. It should be the duty of members to interest the farmer in the organization as Agriculture is a project of the Chamber. Civic affairs is another field in which the Chamber can be interested.

The speaker warned his listeners that before they make suggestions of any kind they should obtain all the facts of problems which may arise so that sensible solutions may be given.

He felt sure there were many things the Board of Trade might undertake that would benefit the community and he wished the Huntingdon Board of Trade all success.

Mr. Francois Cleyn thanked the speaker and said that as an old member of the Board of Trade, that it had been a very active organization and it was due to it that he had his Textile plant here. It had originally functioned in the role of obtaining industries for the Town of Huntingdon, but times have changed and a new organization had taken over this work. There are many other things that a Board of Trade can do and it was for this purpose that it was now being revived. There were many community projects that could receive the attention of the Board of Trade and he thought it would be in the interests of the industries which are established here and any which come in the future, to have a live and active organization working here.

Mr. Dixon then explained that several meetings had been held and it had been decided to call this general meeting and then read a proposed slate of officers. The result was that the following will form the directorate of the Huntingdon Board of Trade for the ensuing year.

Honorary President — Mr. George Thompson
President — Mr. Leslie A. Sanderson
1st Vice-President — Mr. Jacques L'Ecuyer
2nd Vice-President — Mr. Fred Anderson
Secretary — Mr. Gerry Lalonde
Treasurer — Mr. Geo. Collum
Legal Advisor — Mr. Eric C. Martin

DIRECTOR AND CHAIRMAN OF THE

Agricultural committee — Dr. Fred Horsley
Civic committee — Mr. Geo. Dixon
Commercial (Retail merchants) — Mr. Lou Marton
Industrial committee — Mr. Mac Emille
Membership committee — Mr. Roch Dumouchel
Public Affairs committee — Mr. Francois Cleyn
Program committee — Mr. Jon Proudfoot
Tourist & Publicity committee — Mr. Keith Howden
Transport & Highways committee — Mr. Hector Provost.

Mr. Sanderson was called upon to say a few words as to the new organization. He said that it was the intention to keep everyone working, all who joined would be placed on committees and would work with such committee. He urged those present to take out their membership before they left and that the membership committee would get busy as soon as possible in a drive for as many members as possible in the shortest time. He felt there were many things which could be taken care of in the community and that no time should be lost in setting a work.

It was decided that an executive meeting would be held on Wednesday evening, April 11th (to-night) at the Bank of Commerce. At this time it is hoped to have suggestions and plans for a program of action for the Board of Trade.

About 25 signed up as members at the close of the meeting.

School To Conclude Purchase Of Duheme Property

The regular meeting of the Huntingdon High School Board of Commissioners was held in the library of the school, on Thursday evening, with all members present.

During the reading of the minutes, those of a special meeting concerned the resignation of Mr. Melnyk as Principal and the engagement of Mr. Brockman as Principal for the coming year. The salaries of other teachers, either re-engaged, or newly hired were also set at this meeting.

The bills were read and passed.

A letter was read wherein it said that the Municipal Commission approved of the purchase of the Duheme property adjacent to the school grounds, also of the use of monies as had been suggested, for the paying of same.

A resolution was therefore

passed to conclude the purchase of this property.

Another resolution was passed authorizing the secretary to sell some bonds to provide the money to make the purchase.

As from April 6th, the hot supplement will not be supplied for the remainder of the school term. It will probably be recommenced after school opens in September. The supplying and sale of milk will be continued.

To conform with the new regulations concerning school elections, the voters' list has been revised and names added and this was read and approved. Both men and women are now allowed to vote for school commissioners and also those who are not property owners, but parents of children under the age of 16. It is also now possible for the wife of a property owner to be a candidate for commissioner on a school board.

Friends Help "Bob" Mc Kell Celebrate 60th Anniversary Of Sugar Making

Friday evening, MacDougall Hall, was the scene of a festive gathering when Mr. Robert McKell (Bob) entertained friends and neighbors from near and far to a taffy party.

Before proceedings started Mr. Harris of Riverfield entertained with piano selections, then entertainers secured by Miss Janet McKell and Mrs. Smith, (Mr. McKell's daughters) from the Red Feather Agency in Montreal, took over, and led the audience to the accompaniment of piano and accordion in a sing-song of popular songs, whilst a magician delighted the audience, both old and young with his sleight of hand tricks. Little Terry Wallace who had assisted him in the rope trick was given the rope and was trying his best when leaving the Hall to put it together as the magician did.

Mr. Bill Hooker, our affable auctioneer acted as "Master of Ceremonies" calling on Mr. Mac Rudecock of Dewitville for songs and stories which were given in his usual inimitable manner and

much enjoyed by the audience.

Mr. Robert McKell was then called on and in a very capable manner, told the story of his years of sugar making, beginning at the age of 12 yrs. when he helped his father in the old home sugar bush, then on his own until bush was destroyed and evaporator finished.

Today after sixty years of sugar making, he tapped for Mr. Bill Hooker, the trees in sugar bush on Ed Hooker's farm, and decided to treat his friends and customers to a taffy party in celebration thereof.

Before the close of the evening a telegram from his daughter Elizabeth and family of Brucefield, Ont., was read congratulating her father on his idea of a celebration in honour of his first, of many activities and work also congratulations from his daughter Mary, Lawrencetown, N. Scotia. The evening closed with the singing of "For he's a jolly good fellow" and "Auld Lang Syne" after which the crowd dispersed, having spent a very enjoyable evening.

African Student Addresses Rotary Club Monday

There was a very good attendance at the Rotary Club meeting at the Chateau, Huntingdon, on Monday, besides the regular members there were a number of visitors from Valleyfield and Montreal.

It was stated that the Easter Seals had been sent out on their way and all should be receiving them in due course. It was hoped that there would be a good response to this appeal as much more money was needed to carry on this work among crippled children.

The guest speaker for the meeting was Mr. Abdul Abuzeid, a student from the Sudan, Africa, attending a university in Montreal under the Rotary International Scholarships.

He said that distances are small in the world today, here he was in Montreal just one day's journey by air to his home in Khartoum, Sudan. It was new to him, new customs, new cultures and so on. In travelling one meets people that they never even dreamed of. Thus on has to find a way of getting along with people. As a student of culture, I am interested in all people and all must understand and become to know people.

My country has suffered injustices over the past 600 years. Now the plan is to try and bring out a new world. All we ask is to be left alone while we plan our own democratic way of life. People in Canada are more experienced and they do not have the problems that my people have. All cultures are different and therefore it should not be expected that one nation will follow another nation's way of life. At present his country was in a phase of experiment to find out which way to go.

His mother tongue is based on Arabic and his country is composed of many different races of people. Thus there is confusion in trying to organize them into a certain way of life and it will take time.

It is fortunate if you can have several forms of education including European and in my country this is the case. I consider myself to be a very lucky person to be in Canada and to be able to observe the way of life here.

Rotarian Gilbert Macmillan thanked the speaker and said he thought all had been given an idea of the difficulties in his country.

Preacher From Africa Proud to be From Canada

The Rev. Charles Preston, preaching in St. John's Church, Huntingdon on Sunday last said that he had learned to appreciate Canada since living in Uganda, East Africa. He noted how Uganda had become a Christian Country in one century, in contrast to 1500 years in others. All people here and there are called to be servants of Jesus Christ.

His main subject was the transforming power of Jesus Christ, namely to be transformed and to transform others in the citadel of their lives, so that Christ takes the place of self and the evil one. He told a never to be forgotten story of the man who, though nominally teaching "Christianity fell into adultery. When his wife found out, she killed her, so that she could not expose him. His daughter said, "Why did you do that to Mummy?" So he killed his daughter so that there would be no witness. For ten years he went on with this in his heart. Then he confessed his sin. He found the transforming power of Christ. There is peace and joy in his face. After deep sorrow for his wife and child, he was readmitted as a Christian teacher that his life should count here in this world.

Mr. Preston closed his sermon with what he called the "Gospel of Mary", "Whatever He Said Unto you, do it."

Historical Society Plans Annual Meeting

The Chateaugay Valley Historical Society will hold its first Annual Meeting on Friday evening, April 27th, 1962.

Site of the meeting will be the historically important LeFaville-McFarlane house located near the Highway Bridge in Chateaugay.

The guest speaker will be Judge Redmond Roche, a noted historian, and his subject will be The Battle of Chateaugay. Full details of the program will be announced in the next issue of The Gleaner.

PLAZA HUNTINGDON WINNERS

In the above photo Mayor Paul Lefebvre of Huntingdon is seen picking the name of one of last week's lucky winners in the Plaza Huntingdon Plaza contest. Three Huntingdon area winners were drawn and a good crowd was on hand at The Fountain Friday night despite the rain. The lucky winners for the past week are as follows: 1. Mr. B. D. Douglass, New Erin, \$25.; 2. Mr. George Tobin, Huntingdon, \$10.; 3. Mr. Simon Perron, Huntingdon, \$5.

Mayor Lefebvre drew the name of Donald Dupuis of Dundee who is now eligible for the first week Jackpot — Gros Lot. To win, Mr. Dupuis will have to be present at the Plaza Huntingdon Plaza drawing this Friday night and he will have to correctly answer a question that he will be asked. Interest in the Plaza Huntingdon Plaza weekly contest is rapidly growing. One merchant told The Gleaner that he handed out more coupons in the first week than he expected to give in a whole month. Local merchants are sponsoring honest bargains in their "Plaza Specials" and more and more people are realizing "it pays to shop at home".

K. of C. and Cadet Band At Ste. Agnes

The Knights of Columbus paid their annual visit to Ste. Agnes Parish at High Mass on Sunday morning, April 8th. A special feature this year was the presence of members of the Huntingdon Cadet Band who attended this special mass in a body. Before and after mass they marched precisely through the village playing some rousing tunes.

District farmers are using the rubber stamps they use on their milk tags to sign the coupons while several people have ordered rubber stamps from The Gleaner. Readers are advised to check the specials sponsored by Plaza members in this week's issue and please, don't be shy, ask for your coupons.

Mr. Doris Montpetit, President of Plaza Huntingdon Plaza, informed The Gleaner on Monday that he is arranging to have better lighting and also a sound system for this week's draw.

Successful Sewing Course At Youth Club

The English-speaking group with their Instructress, Mrs. Ina Cleland.

The French-speaking group with their instructresses Mrs. Y. Oumet and Mrs. J. Primeau.

On Saturday afternoon, April 7th, at St. Roman's High School the sewing course which was organized as one of the activities of the Hemmingford Youth Club was successfully concluded. The course ran from November 11th 1961 to April 7th, 1962 and 17 classes altogether were held. Instructing the English speaking girls, a group of 13, was Mrs. Ina Cleland, with part-time help from Mrs. G. Bychowski and Mrs. Donny Hadley. The girls were taught the five basic stitches, the general rules of sewing, how to read instructions on the patterns, how to cut-out and how to take measurements. Then, after a certain amount of hand-work, they graduated to the electric sewing machines which had been loaned by the Singer Sewing Machine Company of Valleyfield. They were given full instructions on the use of the machines and Mrs. Whelan, a Supervisor of the Company

kindly attended at the beginning of the course to assist in the setting-up. On Saturday afternoon the girls were putting finishing touches to the dainty aprons and smart blouses which they had made. Each girl also had a notebook in which were filed samples of the various stitches they had learned and the rules and helpful hints they had been taught. The group in the French-speaking class was a little larger, here there were about 25 girls. The instruction and the lay-out of the work was the same in both classes, the Instructress in the French class being Mrs. Yvette Oumet with assistance from Mrs. Jeannine Primeau. The attendance was almost 100% in both classes and neither Mrs. Cleland nor Mrs. Oumet missed a class. The girls were deeply appreciative of the time and patience devoted to them by their teachers.

At the close of the session

pictures of each group were taken modelling the articles made while two girls put in some last minute stitches with the machine. In the English-speaking group can be seen Marjorie English, Joanne Simpson, Lise Winer, Shirley McAdam, Margaret Cleaver, Mrs. Ina Cleland, Instructress, Joy Gilpin, Barbara Stanford, Nancy Jean, Gisela Kramell and Nancy Cleland.

In the French-speaking group are Clarence Lussier, Pat Gobeille, Susan Ferras, Monique Gobeille, Pauline Giroux, Peggie Lussier, Claudette Smith, Therese Dubois, Rejeanne Daignault, Francine Brails, Jeannette Dubois, Fleurette Deneault, Gervais Ferras, Marianne Deneault, Mrs. Yvette Oumet, Instructress, Suzanne Bouchard, Pauline Girard, Mrs. J. Primeau, Huguette Prevost, Jocelyne Deneault, Odette Deneault and Diana Bourdon.

Huntingdon Legion Hosts To District Command 13 At Curling Tournament

Through the courtesy of the Huntingdon Curling Club, District Command No. 13, Royal Canadian Legion, was able to stage a very successful all-day Inter-Branch Curling Bonspiel at the Huntingdon Curling Rink, Saturday, April 7, commencing at 9 a.m., eleven rinks from Beauharnois (3); Huntingdon (3); Ormstown (2); and Valleyfield (3) Branches competed until 7 p.m. for the O'Keefe Challenge Trophy and other prizes.

The Bonspiel was organized by Les Brown of Beauharnois Branch, as District Sports Officer, with Mrs. Mary Elliott, Chairman Sports Committee, Huntingdon Branch No. 81, being in charge of the local arrangements and of the selection of the Huntingdon Branch Rinks, and to whom considerable credit should go for the success attained.

The Huntingdon Branch Rinks were comprised as follows: Mrs. Anne Cameron, Cecil Brown, Tom Vine and Louis Cappiello (skip).

Mrs. Gloria Brown, Mrs. Rita Senechal, George Renaud and Mons Duke (skip).

Mrs. Joan Middlemiss, Ed. Middlemiss, Mrs. Marv Elliott, and Lorne Fennell (skip). This team went through to the semifinals.

A Valleyfield Rink comprised of Mrs. Sam Butt, Larry Solv, Mark Delisle and Sam Butt (skip) finally emerged as the champion and winner of the O'Keefe Trophy.

Runner-up for the Trophy was a Beauharnois Rink comprised of Vi Haines, Leo Lamoureux, R. Tait and G. Brown (skip).

Winner of the Consolation Prize was an Ormstown Rink comprised of Mrs. George Mc-

Adam, Louis de Repentigny, Mrs. Ruby Bott and George McAdam (skip). The runner-up for the consolation prize was a Beauharnois Rink comprised of Mrs. Jessie Vardor, Eugene Marchand, H. Mitchell, and Fred Falardeau (skip).

Following the conclusion of the Bonspiel most of the contestants and other members of Huntingdon Branch No. 81, adjourned to the Legion Hall where supper was served by the Refreshment Committee of Huntingdon Branch No. 81. Mrs. Winifred Napier (chairman), Mrs. Anne Cameron and Mrs. Mary Elliott, who were assisted by Mrs. Ruth MacIntyre (Immediate Past President, Ladies' Auxiliary), Mrs. Joan Middlemiss, Mrs. Payne and Mrs. Shand.

Following the Supper, District Sports Officer Les Brown called on a number of those in attendance, including David L. Watson, President of Huntingdon Branch No. 81, and Deputy District Commander, who welcomed the guests on behalf of Huntingdon Branch No. 81.

Sam Butt of Valleyfield and 5th Vice-President of Quebec Provincial Command, complimented the organizers of the Bonspiel and thanked those who had contributed towards same including Huntingdon Curling Club for having made available its Curling Rink and other facilities. He also thanked Mr. Jacques Sauve on behalf of the O'Keefe Brewing Company for the Trophy and other prizes donated by the Company.

Mrs. Mary Elliott, as Chairman of Huntingdon Branch No. 81 Sports Committee, thanked several others also spoke briefly.

Finally Jacques Sauve expressed the pleasure that was his

The Misses Karen Elder and Gail Godin Attend R. C. Meeting

Miss Karen Elder, who is one of the Grade IXA Red Cross representatives, had the opportunity to accompany Miss Gail Godin, President of Huntingdon High Junior Red Cross, to Montreal on Monday, April 2nd, to attend a Junior Red Cross Inter-High School Council meeting. They left school at one o'clock on the Provincial Bus returning to Huntingdon at 8 o'clock. Karen fully enjoyed the experience and was quite impressed with the quest speaker, Dr. M. Belmonte, who is Medical Director of the Quebec Camps for diabetic children. This summer camp for those 8-15 years of age will be held at Camp Carowan near Ste. Arathe in the Laurentian Mountains, from July 5th to August 16th, for a six week period, some 75 diabetic girls and boys under the care of two nurses, two dieticians and two doctors, will learn how to look after themselves by giving their own tests and injections. And so through Junior Red Cross donations these handicapped boys and girls may be able to enjoy good times with all normal camp activities, and receive medical help as well.

OUTDOORSMEN TO MEET EDMUNSTON N.B. (CP)

Delegates from throughout New Brunswick are expected here April 13 and 14 for a meeting of the provincial Fish and Game Protective Association.

and his company's in donating the prizes and then presented the O'Keefe Brewing Company's Trophy and other prizes to the winners. The gathering then adjourned to the Branch Lounge Room where a Social Evening was enjoyed.

VALLEYFIELD TEAM WINS O'KEEFE TROPHY

The accompanying photo was taken on Saturday at the Legion Hall, Huntingdon, when Jacques Sauve made the presentation of the O'Keefe Trophy, Curling Bonspiel District Command No.

13, Royal Canadian Legion, to a Valleyfield Branch rink.

From left to right are: Larry Solv (second); Les Brown of Beauharnois, District Sports Officer; Sam Butt (Skip); Jac-

ques Sauve, O'Keefe Brewing Co.; Mrs. Sam Butt (Lead); David L. Watson, President of Huntingdon Branch and Deputy District Commander; Mark Delisle, (third).

New Sidewalks to be Laid In Hemmingford ---Town Plan Gains Momentum

The regular meeting of the Hemmingford Village Council was held on Tuesday evening, April 3rd. Mayor Leo Fortin presiding. Present were Councillors W. Smith, W. Keddy, R. McNaughton and R. Poissant.

In connection with the spraying of the Elm Trees in the Village which are on Municipal property and around the churches and schools, in an effort to protect them from Dutch Elm disease, a resolution, received by Council from the Chamber of Commerce, asked that wide publicity be given this project by means of the Huntingdon Gleaner and the local churches so that property owners with Elm trees on their land might have their trees

monolith type sidewalks, was homologated. This work has been requested under the Winter Works Incentive programme, the time limit of which has been extended to May 31st, 1962, and whereby 50% and 40% of the labour costs will be paid by the Government of Canada and the Provincial Government respectively. Interest in this project has been shown by taxpayers, three of whom were present at this meeting.

In connection with a suggestion made a little while ago by Mr. Burroughs Pelletier, P. Eng., head of the Department of Urbanism in Quebec, (and which the deep snow and bad weather prevented him from putting into effect until quite recently), that a Town Plan, complete with zoning and by-laws, be prepared, Mr. Pelletier now informed Council that it will be impossible for him to proceed further with the drafting of such a plan unless a complete re-cadastral map and Book of Reference for the Municipality is made up by the Quebec Land Surveyors, (the existing map and Reference Book is dated 1887). An estimate of the cost of this work, submitted on the request of the Council by Mr. J.J. Amyot, P. Eng. of the Quebec Land Surveyors, is between \$6,000 and \$7,000. A resolution was passed requesting permission of the Quebec Municipal Commission, Department of Lands and Forests, to have a complete cadastral of the municipality made in order that a comprehensive and intelligent plan and zoning of the village be drafted by Mr. Pelletier in the near future. Said plan would, besides bringing all subdivisions up-to-date, provide a useful reference for any other municipal works such as valuations, public works and so forth. During the discussion it was stressed that the Provincial Government, who in the past have subsidised the work of making a cadastral map and Reference Book to a substantial extent, urged all Municipalities to have such an up-to-date plan, complete with zoning and by-laws, prepared, in order that the local amenities might be preserved and to lessen the possibility of mistakes in any future expansion. The secretary was instructed to apply to the Provincial Government for a grant and their reply is awaited.

The Quebec Municipal Commission informed Council that following a request made by Mr. Ailister Somerville, M.P.P. they had instructed their Assessment Branch to conduct a course on 'Assessment', to which all Councillors, School Commissioners, Assessors and interested taxpayers were invited. This course will be held on Monday evening, April 9th, at the Protestant High School.

The installation of a new type street light on Somerville Place was agreed upon.

The progress made in the erection of the new Municipal

Shown here are the 1962 Canadian Shuffleboard Champions, left to right: Art Kazulak, Alex Demers, Gerry Leblanc, Ernest Demers, Mariel Leblanc, Hubert Leblanc, sitting: Dick Price, Bernard Demers, Phillip Leblanc and Leo Hotte. Missing from the above photo is another member of the club, Alderic Leblanc.

Building came up for discussion. It was noted with pleasure that all work is up-to-date and the project well within schedule. All bills presented were scrutinized in detail and the secretary authorized to pay same.

Hemmingford News

Correspondent — Mrs. A. L'Esperance

Mrs. Dan Hadley spent the week with her son-in-law, and daughter, Mr. and Mrs. Dumas of Mooers. A new baby in the house makes a visit, and a helping hand from mother, very welcome.

Hemmingford W.I. members enjoyed having husbands, friends and Cercle de Fermiers members with them on their trip to Channel 12 TV Station on Wednesday evening. Among them were Mrs. Leo Fortin, Mrs. Henri Philion, Mrs. Walter Smith, Miss Pauline Smith, Miss Kathleen Perras and Miss Claire Renaud. And what made the evening so much more enjoyable was being able to watch one's friends taking part in the show 'A Kin to Win'. Wonder who was the more astounded, the visitors from Hemmingford when they saw who was taking part or Mr. and Mrs. Jack Brennan and their five children, already in position before the cameras, when they saw the Hemmingford group take their places in the studio audience? By the way, this programme was taped and will be played back on Thursday and Friday afternoon at 4 p.m. It was fun.

The play-offs are now being held, semi-finals this week. The Bill Hawkins returned home on men report a successful season Wednesday evening.

Guernsey Herd Sire Awarded Gold Star

An item of general interest to local dairy farmers and to Guernsey breeders in particular appears in the current issue of the Canadian Guernsey Breeder's Journal. It concerns the herd sire owned by a well-known Hemmingford farmer, Mr. Wilmer Sample of Covey Hill. This fine Guernsey bull, known as Kingfield Venturesome, has been awarded the Gold Star of the Association. To be the proud possessor of this award is no mean feat, as a scrutiny of his daughters' records show and he has every reason to be proud of his family to date. The summary of his record shows that he has ten R.O.P. daughters with Breed Class Average records averaging 124% Milk — 11% Fat. Among his twenty classified daughters are 1 Excellent, 5 Very Good, 9 Good Plus, 4 Fairly Good and 1 Fair, that have an average score of 82.7 points, and 60% of his tested daughters have B.C.A.'s averaging or exceeding 15% of the Breed Class Average. All his tested daughters

and despite the fact that seven or eighteen players were involved in the transfer of Custom Officers to Montreal, teams were kept at full strength and a very fair attendance held good all season. The annual banquet and presentation of trophies will be held early in May.

OBITUARY

The late Martin J. McKirryher On Saturday, March 31st, Martin J. McKirryher, son of Mr. and Mrs. Herbert McKirryher of Covey Hill, passed away in a New York City Hospital. Mr. McKirryher was born in Hemmingford August 3rd, 1913. On leaving school he went, in 1928, to the States, where he worked for a while in Loft's Candy Store. He joined the U.S. Forces during World War II and served overseas, returning with the rank of Sergeant-Major. On his return to New York City he returned for a short while to Loft's but soon left to join the staff of the New York Stock Exchange. Following his army service he was frequently in a poor state of health and was forced to spend a considerable time in hospital. When his health permitted he enjoyed spending a vacation in Hemmingford with his parents. When news of his death reached his parents, they motored with Mr. and Mrs. Bill Hawkins (Mr. Hawkins was Martin's cousin) to Rutland, Vermont, where the funeral service was to be held. Services were held at the Tossing Funeral Home on Wednesday, April 4th, at 2.30 p.m. with the Reverend Olof C. Johnson officiating. Mr. McKirryher was given a military funeral with full Legion honours and the flag which covered the coffin was later presented to his mother. The interment was in the East Clarendon Cemetery. He is survived by his parents, six sisters, Mrs. M. E. Billings, Middlebury, Mrs. W. Horn, Brandon, Mrs. C. Bridge, West Bridgewater, Mrs. E. Wiggins, Middletown, Miss Myrtle McKirryher, Rutland Town and Mrs. H. Premo, Massena, (all in the U.S.A.) one brother, Ernest McKirryher, Rutland Town, one aunt, Mrs. Jessie Speck Worcester, Mass. and several nieces and nephews. Mr. and Mrs. McKirryher and Mr. and Mrs. Bill Hawkins returned home on Wednesday evening.

Champs are shown the trophies the players have won including the Canadian Legion Trophy and the K of C trophy. Not shown is the first prize, donated by the St. Francis Rod and Gun Club.

After eight years of testing under the Quebec Postal Milk Cow testing scheme, the Sampledale Herd is now tested under R.O.P. and is also classified.

Kingfield Venturesome who, at the moment is in service at Kingfield Farms, where Mr. Sample purchased him, has sired several fine sons also. One outstanding bull calf was Reserve Junior Champion at the Royal Winter Fair and has just been named "All Canadian Bull Calf".

Havelock

Mr. and Mrs. J. Allen; Mr. and Mrs. Ernest Allen and family, Mr. and Mrs. H. Allen and Kelly, Mr. and Mrs. Bert Allen of Huntingdon were Sunday (April

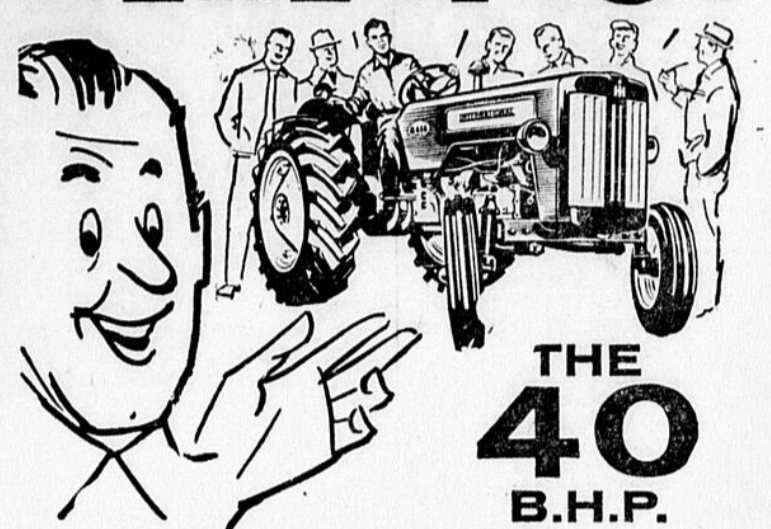

1st) guests of Mr. and Mrs. Raymond Bonhomme. Mr. and Mrs. F. Buchanan; Margaret, Ernest and Keith were Wednesday evening guests of Mr. and Mrs. Eugène Belrose in Champlain, N.Y.

Mrs. Arthur Buchanan of Howick recently spent a few days with Mr. and Mrs. J. Allen. Mr. and Mrs. F. Laurin and Mrs. Ernest Allen motored to Montreal on Sunday to visit Mrs. Laurin Sr. in the convalescent Home. Mrs. Laurin recently had the misfortune to break a bone in her leg.

Cards Of Thanks

We wish to extend sincere thanks to Dr. Merrill Stalker and members of the nursing staff of the Barrie Memorial Hospital, the Montreal General Hospital, also the Snowdon Home; also friends for their kind messages of sympathy, flower tributes, mass cards, and presence during our recent sad bereavement in the death of our brother, Edward Murphy.

Katherine Murphy, Mrs. Peter Murphy.

I wish to express my sincere thanks to Dr. Johnson and Dr. Davidson, the nurses and staff of the Barrie Memorial Hospital for the kind attention I received during my stay there.

I would also like to thank my neighbors, relatives and friends for visits, gifts, cards and letters I received during my illness.

Mrs. John Standage.

I wish to express my sincere thanks to all my friends, neighbors and relatives, who so kindly remembered me with cards, gifts, visits and telephone calls during the time I was a patient in the Montreal Children's Hospital and after I returned home. All was very much appreciated.

Carolyn Johnson.

Sincere thanks to Dr. McCrimmon, Dr. Stalker, nurses and staff of the Barrie Memorial Hospital for the kindness and care accorded me; also to friends and relatives for cards and visits while I was a patient at the hospital.

Graham McGerrigle.

We wish to express our heartfelt thanks to our relatives, friends and neighbours for mass cards, floral tributes, sympathy cards, and many acts of kindness shown us during our recent sad bereavement in the loss of our dear father.

The family of the Late Omer Allen.

I wish to thank Drs. Stalker and the staff of the Barrie Memorial Hospital for the good care received. Thank to relatives, friends and neighbours for all their kindness shown while I was a patient in the Ormstown Hospital.

Geo. A. Cairns.

I would like to thank Dr. McCrimmon, Dr. Stalker and all the doctors and nurses on the second floor of the Barrie Memorial Hospital for their kind attention and care while I was a patient there; also relatives and friends for visits, flowers, gifts and cards. All was much appreciated.

Mrs. Raoul Monique.

My sincere thanks to all kind friends and neighbors for their help and kindness during my recent sad bereavement.

Gordon Winter.

- Huntingdon Locals -

Dr. and Mrs. John Stubbs and Mr. and Mrs. James Robb and Laura of Montreal spent Sunday at the home of Mr. and Mrs. Alex Robb.

The weekly Bridge Party was held at the Curling Club on Thursday April 5. The hostesses on this occasion were Mrs. N. McLean and Mrs. F. Cleyn. Prize winners were Mrs. R. MacLeod and Mrs. C. Stewart.

Mrs. Wm. Carr is visiting friends in Toronto this week and Mrs. Howard Kelly and son Peter are visiting at the Carr home.

The twin sons of Mr. and Mrs. Gilbert Brunet called on their great-grandfather on the occasion of his birthday, April 3rd. They were accompanied by their mother, Mr. and Mrs. Damase Brunet and Mrs. Emilie Langevin also called on their father, Mr. Alfred Galipeau on the same day at the Lacasse Nursing Home.

United Church News

Unit 3 of the United Church Women of Huntingdon United Church met last Wednesday afternoon in the Ladies Parlour. The meeting was opened by a short devotional period followed by the regular business meeting. The group is following a three part study on 'The Church of Christ'. Mrs. C. Reid led the study and discussion period. Refreshments were served by Mrs. W. Wilson and Mrs. W. Rennie.

Mr. and Mrs. M.R. McWhinnie and family of Granby spent the weekend at the home of Mr. and Mrs. Roy McWhinnie.

Mr. and Mrs. F.F. Post spent the week-end at the home of Mr. and Mrs. Alfred Stephen.

Mr. and Mrs. Bill Taylor of Montreal spent the week-end at the home of Mr. and Mrs. Ord Taylor.

Mr. and Mrs. Ward McGill spent last week in Cowansville the guests of Mr. and Mrs. H.K. Damant and family. They then spent the week-end in Lacolle at the home of Mr. and Mrs. Forbes McGill.

Miss Edna Kinney of Malone spent Sunday at the home of Mr. and Mrs. Thos Brooks.

Miss Phyllis Baird of Pointe Claire spent the week-end at the home of her parents Mr. and Mrs. Wm. Baird.

Mr. and Mrs. Jos Brownrigg of Lacine spent Sunday at the home of her parents, Mr. and Mrs. Dan Moody.

Mr. and Mrs. Martin Beattie spent the week-end in Mooers N.Y. the guests of her sister and brother-in-law, Mr. and Mrs. Chas. Boire.

Friends of Mrs. Ed. Boulanger of Montreal, formerly of Huntingdon, will be sorry to hear that she is a patient in the Montreal General Hospital with a fractured hip caused from a fall.

Women's Institute Meeting

The Huntingdon Women's Institute met on Tuesday, April 3rd at the home of Mrs. Cora Kelly with a good attendance of members and guests. Mrs. Carl Anderson conducted the meeting and welcomed the guests. Roll-call — "Make us laugh any way you can", and needless to say

CARD OF THANKS

To the Huntingdon County Hospital nurses, aides, personnel, to Dr. George Lefebvre, my sincere thanks for the excellent treatment received.

To my mother for the beautiful gift, the Frontier Beagle Club and my brothers and sisters for flowers, Huntingdon Fish and Game Club, Knights of Columbus for their lovely fruit baskets and to all who sent cards, my sincere thanks.

HERVE PRIMEAU

R. Stalker, Mr. and Mrs. F.R. Cleyn, Mrs. E. McCartney, Mr. and Mrs. Arthur A. Kerry, Rev. Stanley Andrews, Mabel R. Braithwaite, Mr. and Mrs. Wallace Rennie, Mr. A.A. Lunan, Mr. R.H. Grant, Mr. O.F.H. Hunter, Mr. and Mrs. R. Reed, Mr. and Mrs. Hubert Hatcher, Mr. and Mrs. J.D. McGerrigle Jr. Mr. A.R. Tinker, Mrs. George Gurney, Dr. James Quinton, Leonard Nichols, Mrs. Dorothy M. Catto and John Molson.

Mrs. Annie Marshall is visiting friends in Malone, N.Y., this week.

Miss Mary Crowe has received the sad news of the passing away of a very dear friend, Mrs. Dan MacFarlane of Calgary, Alberta.

A Shower

An electrical appliance shower was held on Saturday afternoon, April 7th, in honor of Miss Shirley Helm at the home of Miss Sandra Stark. Miss Helm is an April bride-to-be.

Shirley graciously thanked all for their kindness and after refreshments all left wishing Shirley well in the future.

Miss Ethyle Hamilton, Miss Vera Hamilton, Mr. and Mrs. Claude Riel and Mr. Gus Biersnaski motored to Saranac Lake on Sunday and called on friends.

Mrs. F. H. Hunter returned on Thursday after spending two days in New York City visiting with Mrs. N. W. Pringle, Patricia and Richard.

Hospital Notes

The Huntingdon County Hospital wishes to acknowledge a \$500.00 bequest from the Estate of Anna Mary Lownsbrough.

Ladies Auxiliary Royal Canadian Legion

Eighteen tables of Military Whist were played at the Legion Hall on April 2nd. The first prize being won by Mrs. Sandmark with Mrs. Mac Smellie, Mrs. Wm. Smellie and Mrs. McQuillan. The consolation prize was presented to Mrs. Howarth, Mr. and Mrs. Valdomar and Mr. J. Boyer. The door prize was won by Mrs. Ed. Robson. Two drawings were made, the first was won by Mrs. Wm. Shearer, the second by Mr. D. Vesson. As usual delicious refreshments were served after the games by the Ladies Auxiliary of the Royal Canadian Legion.

The regular meeting was held on April 5th with only eight members present. Mrs. John Thompson presiding. A thank you note from Mrs. Thompson was read. It was decided to try and find and buy a suitable filing cabinet; and to help the Senior Branch in their Vetville project. Following a very short meeting, refreshments were served by Mrs. Cosgrove and Mrs. Boisseau.

United Church Activities

Units 4 and 5 of Huntingdon United Church met jointly on April 4th at the Church after the Lenten Service. There were fourteen members present and Mrs. Austin Murray presided.

It was announced that the Spring Salad Tea was to be held May 11th and the unit was to supply baking for the food table. Miss Winnie Rowles is compiling a list of religion and study books and members were asked to give her the names of any such books they might have.

It was decided that the unit would sponsor a nearly new book table for the Fall Bazaar.

The program was entitled "Citizenship in the Community" and was introduced by Mrs. David McCoy. The topic was illustrated further by a playlet read by Mrs. Leslie Sanderson, Mrs. Wm. Black and Mrs. Leo Curran. The members were then divided into three groups to discuss the problems that exist in this community. The meeting was closed with the saying of the Mizpah. Refreshments were served by Mrs. John Cunningham and Mrs. Mat. Wallace to the members and to the Board of Sessions.

Friends and relatives of Mrs. George Hampson will regret to learn that she is a patient in the Royal Victoria Hospital, Montreal, undergoing surgery.

Readers will be sorry to learn that Mr. Sidney Smith, Editor of The Gleaner, is on the sick list. Mr. Smith took ill Monday evening and expects to enter Huntingdon County Hospital later this week for tests. The many friends of our "Ed" hope he will make a speedy recovery and be back in his chair next week.

Now is the time for storing fur coats and Huntingdon Dry Cleaners report their drivers are extremely busy answering calls for this purpose. Huntingdon Dry Cleaners have the best in Chubb vaults for storing purposes and the valuable furs are stored at the correct temperature year round.

Obituary

The Late Mr. Omer Allen

There passed away at Huntingdon, Que., on April 1st, 1962, Mr. Omer Allen, husband of the late Ellen Tessier and Bertha Quevillon, aged 78 years. Mr. Allen was very well known in the Gore where he raised his family of ten children, six daughters and four sons. The daughters are Mrs. Rose Goodchild of Syracuse, N.Y.; the twins, Mrs. John Standage (Bena) of Ormstown and Mrs. Herman Galipeau (Bertha) of Valleyfield; Mrs. Oscar Hubert (Eileen) of Valleyfield; Mrs. Wilfrid Allen (Doris) of Montreal; Miss Elma Allen of Ormstown. His sons are Leo of the Gore; Romeo of Hartford,

Miss Shirley Gladys Helm, daughter of Mrs. Helm of Huntingdon and the late Edgar Lowrie Helm, and Mr. Stanley Roy

Atkinson, son of Mr. and Mrs. Roy Stanley Atkinson of Waterloo, whose engagement is announced. The wedding is arranged to take place on April 21 in the Huntingdon United Church, Huntingdon. (Photo by Gerry Lemay)

Conn.; Harvey of Ormstown; Olando of Montreal. Mr. Allen also leaves to mourn his loss one brother, Albert Allen of St. Antoine Abbe and 32 grandchildren. A largely attended funeral was held in St. Patrick's Church, Herdman, on Thursday, April 5th. The pallbearers were his nephews, Dorian Allen of the Gore, Ernest Allen, Valleyfield, Arthur Allen, Ormstown, Edgar Bordeau, St. Chrysostome, Laurier Allen, St. Antoine Abbe, Armistice Millejour, Ormstown.

Ladies' Auxiliary

"Theatre Night" A Great Success

A capacity crowd gathered on Tuesday evening, April 10 at the Huntingdon Theatre to enjoy "Theatre Night" sponsored by the Ladies' Auxiliary of the Huntingdon County Hospital. The program opened with the Huntingdon Glee Club rendering choral numbers, under the capable direction of Mrs. Christine Sherrington, which were very well received by the audience. Following this, Mrs. Sherrington's dancing class pupils put forth their dancing talents in very fine manner, excellently dancing the highland fling and sword dance. The tapping by the tiny children was carried out like old pros, even the losing of a top hat by the tiniest dancer did not deter her and she never missed a tap but retrieved her lost hat after the number and nonchalantly marched off the stage. Mrs. Sherrington deserves much credit for developing the talents of these very young pupils. The technicolor film "Come September" with Rock Hudson, Gina Lollobrigida, Sandra Dee and Bobby Darrin was much enjoyed by the audience, being a light comedy sparked with beautiful scenery around an old villa in Italy. The drawing for an exquisite lawn lounging chair was won by Mrs. Gordon McLean holding ticket No. 1870. The door prize of a basket of groceries was not claimed. The ticket number was 137. The holder of this ticket is asked to contact Mrs. Jacqueline Guerin at CO. 4-3032 before next Monday, April 16th, to claim this prize. If this prize is not claimed by Monday, a new ticket will be drawn and the number will be announced in the next issue of the Gleaner. The members of the Auxiliary were very pleased with the number of people who patronized this event and a heartfelt thanks is expressed to all those who helped in any way to make this event possible and to those who attended.

White Rose Station Under New Management

Is now operating the White Rose Gas Station on Chateauguay Street, Huntingdon and will do repair work on cars, trucks and diesel type engines. He is fully equipped to do this and looks forwards to your patronage. He has also taken the dealership for Ford tractors and will have these on hand for sale. Repairs can also be looked after. This is in addition to the regular work done in a service station Drop in some time and see for yourselves.

ROCH TREPANIER

Is now operating the White Rose Gas Station on Chateauguay Street, Huntingdon and will do repair work on cars, trucks and diesel type engines. He is fully equipped to do this and looks forwards to your patronage. He has also taken the dealership for Ford tractors and will have these on hand for sale. Repairs can also be looked after. Huntingdon Board of Trade

ONCE again, Huntingdon Board of Trade has been brought out of moth balls and is to be a live organization acting in the interests of community affairs.

This body cannot take on a number of projects all at once, but we believe by making a survey of possibilities and arriving at a decision as to what is the most important and most needed, a plan can be made.

We believe our biggest problem at the moment is that of parking facilities. This is a growing one and common to all communities, but each individual community must be prepared to find its own solution.

We are optimistic enough to believe that more and more people will be coming to Huntingdon this summer and that as a consequence our traffic circulation will need an

overhauling in the very near future. If we can solve this problem, or even partially overcome it, we shall have accomplished much. We would therefore think that this should be No. 1 project on the list for the Board of Trade.

While on a visit to England, we were struck by the way that even very small spaces were utilized as free parking lots. On the main thoroughfares through towns there, no parking is allowed because it would interfere with the circulation of traffic.

We believe that the Board of Trade could make a survey and study the possibilities that offer and where changes could be made which would have good effects.

Once such a matter had been disposed of, it would be time to move on to the next project.

Changes in Election and Voting Procedure For School Elections

WE feel that the general public should interest itself in the new procedures which will govern the election of School Commissioners and the new voting procedures and the change of dates for the nominations and elections.

Under new regulations it is now possible for both man and wife to cast a vote for the election of a school Commissioner, or the parent, or guardian of a school-aged child under 16 years old on June 30th, 1961.

Nominations will be held on June 4th, about a month earlier than has been the custom of the past. Elections will be held on June 11th, if necessary to do so.

There is now a wider scope of who may be a candidate for election as School Commissioner. It is now possible for the wife of a property owner to become a school Commissioner providing she meets with the other requirements.

These changes should provide an incentive for all people to become more interested in their schools and school boards and many women who have voiced their willingness to act on the School Board, will now have that chance.

Light on The Plaza

THE first drawing in connection with Huntingdon Plaza was made on Friday evening, at the Fountain in Town. The Plaza has been in operation for one week to that time and it appears to be catching on with the public.

This being a new venture on the part of the businessmen of Huntingdon, there no doubt will be some things which will have to be ironed out before everything is perfect.

It was noticed that when the drawing was being made on Friday evening that there was insufficient light to read the names on

the entry forms and a flashlight had to be used. Might we make a suggestion that if this is going to be the point where the drawing is made each week, that a light be placed at a convenient spot in order to give those making the drawing a chance to read the names, etc.

Huntingdon Plaza is only just under way, but we believe it has already gained recognition among the buying public. There is no doubt as the prize winners are named each week that more and more enthusiasm will be engendered.

Dahlia's Whatnots

Mrs. W. R. PERY

Genius or Crank? William Carey missionary to India, was a man whose character and abilities combined to keep his memory green over the centuries. He was born in an obscure village, Paulers Pury, in Northamptonshire, England,

managed to climb to the top of a tree to get a bird, and was checked by his mother, he replied, "I couldn't help it, mother. If I begin a thing I must go through with it."

He began work as a gardener but was unable to continue in an outdoor life, and turned to shoemaking.

Provincial Capital Report

QUEBEC (CP) — The Chaudiere River was running high at week's end, but nowhere as high as it might have been.

Engineers found a way to take pressure off the Gayhurst Dam at Lac Megantic Que., during the week — thus removing the menace of a disastrous flood.

The dam might have unleashed a 30-foot wall of water on the valley had it crumpled under the pressure of high spring waters. Authorities announced Tuesday that the danger was over and residents of river-side towns like Beauveville, St. Georges de Beauce and Vallee-Jonction wearily returned to their homes and business.

Friday night however the Chaudiere, which flows from Lac Megantic to the St. Lawrence had risen 10 feet and ice had piled up along some stretches.

Mr. Lapalme also said it has been decided in principle to build new jail cells along the St. Lawrence North of the City. The new jail was in the planning stage. The present one is located on the Plains of Abraham.

Later Opposition Leader Daniel Johnson said the Quebec Liberal Federation has made out lists of suppliers to whom the Government must go. His charge was that the Liberals are in a "buy-bust" situation.

Mr. Lapalme denied the charge and said all purchases are carried out through the Government's Purchasing Bureau which comes under the Premier's Office.

Mr. Lapalme would say that if an unbusinesslike attitude is present in the ranks of the Liberals it is because we have given contracts to people who became stuffed with the criminal courts are "complaisant" towards convicts.

"Everyone is complaining about the clemency of the courts towards criminals," Mr. Lapalme replied when Opposition Leader Daniel Johnson said that the election will come "in a few weeks." "The quantity of mail we are receiving indicates that I should repeat here what I said."

"Sentences are infinitely too weak. Is that clear?" Mr. Lapalme later said Quebec's first permanent Crown Prosecutors will be picked from both Parties.

He added that he was having difficulty finding men willing to take the job for \$12,000 a year. Most suggested \$15,000 to \$17,000 as a salary, but the problem was Session Judges made \$14,000.

Mr. Lapalme said it has been decided in principle to build new jail cells along the St. Lawrence North of the City. The new jail was in the planning stage. The present one is located on the Plains of Abraham.

Report From Ottawa

OTTAWA (CP) — Election fever — or election-guessing fever — reached a crescendo in Ottawa last week when Finance Minister Donald Fleming announced he would present his budget to Parliament Tuesday.

The announcement Friday followed comments by Prime Minister Diefenbaker during a tour of southwestern Ontario that the election will come "in a few weeks." "In the near future and 'in the weeks to come'."

Mr. Fleming's announcement ended weeks of speculation as to whether an election would be called without a preliminary budget.

But ever-guessing parliamentarians immediately began speculating about other things, such as how big a deficit in the Government's financing it will herald and what plums it will offer the voter.

The Canadian Tax Foundation has guessed that the sixth consecutive budget deficit of the Diefenbaker administration will total \$700,000,000. The deficit for the financial year that ended March 31 is expected to be some \$800,000,000.

Gen. A.G.L. McNaughton, distinguished soldier, scientist and diplomat, provided another twist to pre-election controversy Friday when he charged that Canada had sold out to the United States in last year's treaty dividing the resources of the Columbia River in British Columbia.

Fired by "Dictator" Gen. McNaughton's retirement from the International Joint Commission, which deals with boundary water problems, was announced earlier in the week by Prime Minister Diefenbaker.

make bones, he argues that a team of oxen strict vegetarians can pull the farmer and his plow over the clods. He continues to cultivate his garden, or rather field, producing beans, potatoes and various other vegetables, and has a surplus to sell.

His philosophy is lightened by Yankee shrewdness and wit. Speaking of the habit of people to spend overmuch trying to have as fine furniture as their neighbors, he says he would rather sit on a pumpkin and have it all to himself than on a velvet cushion and be crowded.

In one feature of his outlook on life, I think, and I like to say it, Thoreau was a crank. For he failed to appreciate industrial progress, and belittled the benefits of such improvements as the railroad and telegraph.

Yet he prized the advantages of education and culture, apparently by more for mental and moral enlightenment and uplift than for material results. He lamented gloomily that there was no higher institution of learning in Concord than common schools, and no chance of higher adult education.

A large sum of money had been spent on a showy Town Hall but little interest was taken in intellectual advancement during the winter months, but True, a Lyceum was operated during the winter months, but our author has more expansive ideas, and loftier ideals, though he praised the Lyceum.

Thoreau poured scorn on the literature provided by Boston magazines of the day, whose tales of love and maidens and gallant swains were intensely enjoyed by his neighbors.

His religious faith was founded on the Bible; his writings testify to his belief in God, Christ, and immortality, and in the existence of Satan, and he quotes frequently from Jesus' sayings and from other passages in the Scriptures. He did not attend the local family church and refused to subscribe to the preacher's salary. He had a deep interest in the recorded wisdom of the ancient prophets and philosophers of Far Eastern nations; but one question whether, if Thoreau had visited India in the time of the early missionaries, this interest in their meditations would not have faded somewhat at sight of suttee, the burning alive of the widow no her husband's funeral pyre which persisted till the British banned it and the degradation of the untouchables by the caste system.

He had faithful friends who visited him even in winter's feet of snow; there was "one who stayed a fortnight with him, and others including runaway slaves." To these latter he pointed out the North Star which signified Canada and freedom. Thoreau recalls the Great Snow of 1717, when one family was relieved only when rising from a hole in the snow above the chimney.

Thoreau spent one night of his life in prison because he refused to pay his poll-tax to a State which supported slavery. Friends paid the money and he was released. Following this he wrote his famous essay, "On the Duty of Civil Disobedience."

The logic of the argument set forth in the Essay was of passive resistance which worked towards India's independence.

There at Walden Pond we

(Continued on page 9)

The 75-year-old general said on arrival in Ottawa Friday that he had been removed from the post arbitrarily by a dictator.

Gen. McNaughton said he had held his peace for a year after the treaty was signed in the vain hope that the Canadian Government would refer it to the Commons External Affairs Committee, where he could testify.

He had said in a Washington interview earlier that "the Columbia Treaty amounts to 'servitude in perpetuity of our vital rights and interests'."

His outburst was prompted by a Washington newspaper article which suggested Gen. McNaughton's career had been marked by failures, including the Columbia negotiations.

Gen. McNaughton said he had opposed signing the treaty when technical advisers met at the end of 1960 to recommend action on it.

There were further indications in Ottawa during the week that a fresh attempt will be made to narrow Federal-British Columbia differences on the Columbia River project.

Gen. Fleming and Premier W.A.C. Bennett, who have had three talks on the matter, plan to meet again and this time they will solicit the advice of experts. The idea is to explore areas where some reconciliation seems likely.

These sources said that the difficulties should not be underestimated but it was significant that Mr. Fleming and Mr. Bennett were meeting so quickly after a long stalemate and in an atmosphere indicating desire on both sides to make progress.

Threatened Divorce Escorted The House was told that another CCF blockade of parliamentary divorces may be in the wind.

Arnold Peters (CCF-Timiskaming) introduced a private bill that would shift Quebec and Newfoundland divorce cases from Parliament to the Exchequer Court. He said that it was Mr. Minister Davie Pulton did not accept the bill "no more divorce cases will be granted in this parliament."

Last session, Mr. Peters and Frank Howard (CCF-Skeena) blocked about 450 divorce bills by a filibustering debate on them.

Mr. Peters' bill was talked out without coming to a vote and without indications of the government's intentions.

Financial Disclosures Bill Much of the Commons' time last week was taken up with the government's Financial Dis-

losures Bill requiring corporations and trade unions to file information on their operations and foreign connections.

After it had been before the House for four days, Mr. Fulton said that its chief critic, Mr. Howard, was making "distortions and misrepresentations", indicating the CCF member was speaking for political purposes.

Mr. Howard said the bill was a "sham and a farce" aimed at misleading the public into thinking the government was acting on its promises to curb foreign economic control.

"Unfounded and malevolent nonsense", the Justice Minister replied.

On the economic front, the Dominion Bureau of Statistics reported last week that Canada's gross national product — the value of goods and services produced — rose 2.5 per cent last year to total \$36,844,000,000.

The gain fell short of the three-per-cent rise predicted by Finance Minister Fleming. The bureau said there was a rising trend of economic activity throughout the last nine months of the year. The increase was almost all due to gains in physical output and average prices were up only 0.7 per cent.

Promising Uranium Prediction The country also received an encouraging report on the future of the uranium industry. The government's uranium agency — Eldorado Mining and Refining Limited — said in its annual report that a bright future exists after the early 1950s. The \$140,000,000 in uranium sales so far, said the report, may be no more than a token of the industry's value to Canada in the years ahead.

And while the uranium industry received its long-range boost, the Maritime Coal industry received an immediate shot in the arm.

New arrangements were announced in the Commons whereby producers or distributors get 30 cents a ton on Nova Scotia coal and 10 cents a ton on New Brunswick coal shipped from and within the two provinces.

Tourists from across Canada are going to have something new to look at in Ottawa this year. By July, "The Garden of the Provinces" is scheduled to be opened three blocks west of the parliament building with two spectacular water fountains and 13 bronze flogpoles for the red ensign and the emblems of the provinces and territories.

Along with such attractions as colored lights, and a 23-foot-high stainless steel "tree" splashing water into 100 steel saucers, there will be floral emblems of all the provinces.

Home Gardening Tips

By Lief Jacobson

LITTLE DENMARK FLOWER SHOP

A big tree in your garden is a real treasure. Trees add so much to the joy of living and if you are lucky enough to have a big one it's well worth the trouble of looking after it.

The best way to care for a tree is to try to prevent trouble before it comes. Your tree may need pruning or bracing, or chemical sprays to combat insects and disease. It is wise to have a tree expert examine your trees at least once every two years, however you should keep a weather eye out for danger

signals at all times.

In June there is the danger of tent caterpillars. Watch the trunk of your tree to see if any are crawling up. If there are some they can be controlled by painting or spraying DDT around the trunk every few days. Caterpillars can easily strip a tree bare of its leaves if they are not checked.

Inch worms are another menace to trees. They are very hard to destroy, but they can be controlled by heavy sprays of DDT or lead arsenate. Most healthy trees can survive a light infestation with no extra help.

Try to keep the soil under the tree porous and fertile. One of the best ways to do this is to make a compost of leaves in the fall and then cover the ground under the tree with this rotted leaf mold the following year.

Do not burn your leaves under any of the branches of your tree. You are actually cutting branches twenty feet above with the heat of the fire by doing this.

Broken branches that are not too heavy for one man to handle can be safely cut by the homeowner. First make a cut upward from the bottom so that the bark there will not rip down when the branch is cut from above. Then saw down from the top to meet the first cut. If it is a long branch take it off in sections, leaving a manageable stub for the last cut. If the wound is more than a couple of inches in diameter paint it over with a special tree paint that promotes healing.

It is wise to get advice on the pruning and bracing of a big tree, and it is usually safer to hire someone to do the work with previous experience. A tree kept well pruned will often survive winter storms when others are seriously damaged.

COUNCIL NEWS

ORMSTOWN PARISH COUNCIL

Ormstown Parish Council met on Tuesday, April 3rd. Councillor Thibault absent, Mayor Arnold Bryson presiding.

Moved and seconded that the following accounts be approved

for payment Shawinigan Water and Power Co., \$11.10; The Huntingdon Gleaner Inc \$24.48; Cossette and Cossette \$5.00; Department of Health \$20.16; Municipal Forms Ltd \$25.63; Ormstown Variety Store \$1.25; Ernest Guilbeault \$258.00; A. A. McCormick \$300.40; R. Vallee Body Shop \$8.00.

Moved and seconded that Daylight Saving Time be adopted within the limits of the Parish on Saturday, April 28th, at 12:01 and revert to standard time on same date as the City of Montreal.

Moved and seconded that Gerard Beauchamp be appointed Road Officer to fill the unexpired term of Leandre Bayard.

Moved and seconded that until further notice the Council hold their regular monthly meetings on Tuesday evening following the first Monday of each month at 8 o'clock p.m.

The Council passed By-Law No. 93 giving effect to the winter works incentive program of cutting dead trees, trimming branches where necessary on the municipal roads.

ORMSTOWN VILLAGE COUNCIL

Ormstown Village Council met on Monday evening, April 2nd, Mayor A.A. McCormick presiding.

Moved and seconded that the following accounts be approved for payment: Minister of Finance \$27.23; Shawinigan Water & Power Co., \$379.01; The Bell Telephone Company of Canada \$38.37; The Provident Assurance Co., \$134.75; Shell Oil Co., of Canada \$32.15; Garage Lucien Dandurand Reg'd 3.00; Cartier Service Station \$58.49; Paul Boudreau \$27.00; Wallace Collins \$29.00; Armand Giza \$26.50; Agapuis Dumas \$77.00; Edouard Lefebvre \$17.50; Roland Page \$275.00 (5 weeks); Municipal Forms Ltd \$13.74; Donald Priemeau \$126.00; Ormstown Variety Store \$1.25; Forrester's Store \$10.25; Dept of Health \$18.88.

Moved and seconded that Daylight Time be adopted within the limits of the Village of Ormstown on Saturday, April 28th, at 12:01 and revert to Standard Time on same date as the City of Montreal.

Moved and seconded that Councillor Barrington be appointed Pro-Mayor for the next three months.

Moved and seconded that a donation of 500.00 be given to the Barrie Memorial Hospital.

Moved and seconded that \$100.00 be voted to the Ormstown Board of Trade towards the printing of their booklet.

Councillor Harkness was appointed in charge of workmen until May meeting of Council.

Howick

Evening Group Meeting

The Georgetown Adult Evening Group met on Thursday, April 5th at the home of Mrs. Tom MacMullen with 16 members present. Madeleine MacMullen and Muriel Ness conducted the devotional period. The roll call was answered with a bible verse containing the word Holy. A trip to Simpson's Store was planned for April 18. The collection amounted to \$9.85.

It was voted that we send \$35. to Montreal Treasurer, also \$7. to the Supply Fund.

Lorna Simms read the study replacing Vic Moore, the title being "Volunteer Social Study." The meeting closed with The Lord's Prayer in unison after which refreshments were served by the committee in charge.

Rockburn

ROCKBURN

Mrs. Myrtle Blair was a Sunday guest at the home of Mr. and Mrs. B. H. Pennington.

Mrs. Hazel Farquhar is spending a few days at the home of Mrs. Cora Black, Huntingdon.

Mrs. Willard Simpson, Mrs. Henry Hirsch, Ann Hirsch and Willard Simpson Jr. were Sunday guests at the home of Mr. and Mrs. Robert Bushey, Vermontville, N.Y.

Mr. and Mrs. George Reeves of Montreal spent Sunday at their summer home and called at the home of Mr. and Mrs. Abe Rosevear.

Mr. and Mrs. Mac Helm and Gary, Mr. and Mrs. Mac Blackford of Huntingdon were Sunday guests of Mr. and Mrs. George Lindsay.

Mrs. C. Baxter of Montreal spent the past week with her mother, Mrs. Erville Lindsay.

Mr. and Mrs. Floyd Pulsifer of Brainardville, N.Y. were Sunday guests of Mr. and Mrs. Earl Sutton.

Due to the heavy snowstorm over the week-end of March 31st, our mailman, B. Shearer, had considerable difficulty in delivering his mail due to the unploughed conditions of some of his roads.

We are sorry to report that Mrs. Arden Douglas is under the doctor's care.

Howick High School Notes

On March 23, Ormstown girls and boys came to Howick to play basketball. The Howick girls won by a score of 34 to 32 while the Howick boys won by a score of 65 to 22.

The Annual Western Dance will be held May 11th at Howick High School. Music by Bill Welburn the Semlars.

On April 6, 1962, the annual fashion show was held at Howick High School. The girls of Grades six to eleven modelled the articles that they made in Home Economics this year. Grade ten began with an assortment of jumpers and suits. Next grade six showed the aprons with which they had begun their sewing experiences. Grade seven wore a variety of summer blouse and skirt sets. The general trend was changed when grade eight showed housecoats. All of the grade nine girls wore the dresses they had sewed. Perhaps the most variety was found in grade eleven as they modelled everything from sport clothes to evening wear. Afterwards the grade ten girls, who were responsible for the tea and a delightful assortment of cookies and squares, entertained the parents and guests in the cafeteria.

HINCHINBROOKE COUNCIL

The regular meeting of the Municipal Council of the Township of Hinchinbrooke was held in Herdman Town Hall, Monday April 2nd, at 8 P.M. Mayor A.W. McNaughton presided and all Councillors present.

Mr. John Jamieson requested a large stone be removed from the roadside opposite his farm on range 3, a request was also made by Mr. and Mrs. A. Roy, Jr. to have a roadside ditch made along the south side of Route 52 opposite their property on range 3 - The Secretary was authorized to make application for assistance from the Quebec Roads Dept.

A letter was received from Quebec Roads Dept. advising the Council that the sum of \$468.25 would be given towards the cost of improvements which have been made to the Ridge Road.

A letter was received from the Quebec Roads Dept. that the sum of \$3,054.00 would be allowed to this Council for the winter maintenance of the Athelstan - Huntingdon road and Route 52 from Herdman to The Franklin Line.

A letter was received from Miss Edith Roll asking that the valuation on her property be lowered. - The request was filed to be taken into consideration during the Month of May, this year being general Valuation in

their meeting Tuesday evening, April 3, held at the home of Mrs. Frank Hope. Husbands and friends were invited and following a short business meeting, Euchre was played at 8 tables. Prize winners were Helen Peddie, Peter Peddie, consolations Barbara Kerr, Charles MacDonald, Mrs. J. R. Younie presided at the business meeting. A report on the sewing class was given and Mrs. J. Crawford and Mrs. A. Turner modelled their dresses.

Mrs. F. Sutherland (for Mrs. H. Kerr) reported on the public speaking contest. A few brave souls from Howick ventured through the high water to attend the finals at Ormstown on March 30, when Lorne Templeton, George Elvidge and Carol Carson spoke.

Mrs. H. Greig asked the ladies to consider the free courses offered for 1962-63, which include millinery, nutrition and meal planning, or food demonstrations.

Mrs. Ellard's letter was read, a real inspiration to everyone. Her final quote is worth repeating, "More or Less"

Do less, Do more; Go less, Sleep more; Ride less, Walk more; Talk less, Think more; Scold less, Praise more; Waste less, Give more; Eat less, Chew more; Clothe less, Bathe more; Laugh more; Play more; Worry less; Laugh more; Preach less. Practise more.

The treasurer reported \$74.47 on hand, 17 members were present and 19 visitors. A collection was taken for charitable purposes.

Delicious refreshments were served by the west end group.

Shower for Miss Gordon

On Saturday evening, April 7, Miss Jean Gordon was pleasantly surprised by a miscellaneous shower given by Mrs. Quentin McCarty and Mrs. Rolfe Ness at their home.

Upon her arrival Jean was greeted by a roomful of friends and relatives. She was escorted to a prettily decorated chair and presented with a corsage of pink carnations. Beside the chair stood a three-tiered wedding cake which was filled with many gifts.

After opening her gifts Jean thanked everyone for their kindness and invited everyone to visit her in her new home.

Games were played and prizes were presented to Mrs. Wallace Craig and Mrs. Robert Tennant. Delicious refreshments were served by the hostesses assisted by Mrs. John Bustard, Mrs. Ken Lamb, and Miss Carol Tennant. Everyone departed wishing Jean much happiness.

Red Cross Meeting

A meeting of the Howick Red Cross Society was held on Monday, April 2nd, at the Curling Club, 14 members were present.

Mrs. C. Fletcher, President, presided at the meeting. A letter from Headquarters Red Cross Society regarding Disaster and Relief Committees was read by Mrs. Fletcher. There was also a brief resume read of what to do and what to provide in cases of disaster.

Mrs. C. Younie read a letter from the Home Nursing Committee. It has been suggested that Home Nursing classes be held by our Branch. This would have to be a 13 week course. As these courses entail considerable planning and work by the committee it would be appreciated if all those interested in attending this course would contact Mrs. Younie or Mrs. Fletcher. If enough of our members wish to attend plans will then be made to hold a class.

Mrs. W. Logan read a report from the Work Committee, outlining plans for the coming year.

A quilting bee was also under way at this meeting and two quilts were completed. It is hoped to have another meeting and quilting bee early in May.

Howick W.I.

The Howick Women's Institute enjoyed a little social whirl at

Mrs. Robert Rose, Patsy and Heather of Brownsville, Maine, spent a few days with Mrs. C. Fletcher.

Miss Barbara Ness spent the week-end with her mother, Mrs. Muriel Ness.

Mrs. William Anderson spent last week visiting at the homes of Mr. and Mrs. Wm. Craig, Lakeside and Mr. and Mrs. Clifford Reddick, Pointe Claire.

Today's youngsters don't leave footprints on the sands of time - just tire tracks.

Your Easter Seal Campaign Contribution Is Needed

The Post Office will begin delivery of approximately 3,900 envelopes addressed to homes in the Chateauguy Valley district seeking donations for the annual Easter Seal Campaign for crippled children.

Each envelope contains a sheet of seals, bearing a drawing of an appealing youngster using crutches. Recipients are asked to stick the seals on their mail to help publicize the campaign.

The envelopes are designed to be refolded and returned with a donation to campaign headquarters.

We are not asking for big donations, Mr. Kigoury, Chairman of the Beauharnois Rotary Club Easter Seal Campaign stressed. If a substantial percentage of those "pinks" are returned with a modest offering it will allow us to act promptly on the requests of the many who wish to be rehabilitated.

The Postmen of Quebec are our special emissaries this week and in accepting these pink envelopes himself, the postmaster general has charged each postman to see to it that they are promptly delivered.

From there, it is up to our fellow citizens to answer our very special appeal.

Thousands of Quebecers have been helped to walk again in the 12 years of Easter Seal Campaigns in the province," Mr. Kigoury said.

Children who were three or four when Easter Seals dollars began to play a part in their lives are now approaching adulthood with skills they might otherwise never have possessed.

They have been helped to take their part in the community, rather than being condemned to a life of continued dependence on others.

Beneficiaries of the fund are the MacKay Center for Deaf and Crippled Children, the Province of Quebec Society for Crippled Children, the Rehabilitation Institute of Montreal, the Occupational Therapy

and Rehabilitation Centre and the Cripples Aid Committee of the Rotary Club of Montreal. Half of the proceeds taken in our district are used by the Rotary Club of Beauharnois to help those in need of care in our own district.

These organizations help the crippled in a variety of ways; by providing orthopedic appliances, such as wheelchairs and leg braces, by giving physiotherapy to help overcome handicaps, and special education for those unable to attend ordinary schools, by giving occupational therapy to enable the handicapped to be self-supporting, and by taking crippled children to summer camps for holidays they would otherwise miss.

These activities require money and our ability to help depends on everyone who receives a pink envelope returning it promptly with a donation. Should you, by any chance, not receive a pink envelope and still wish to donate please address your donation to the Easter Seal Campaign, Rotary Club of Beauharnois, as we were unable, this year, to get a sufficient supply of envelopes to cover our entire district.

Zinc Compagny Grants Contracts

VALLEYFIELD — The Valleyfield Electrolytic Zinc Co. granted two contracts for \$927,600 for the construction of several buildings which will be part of the installation of the new plant. The first contract for \$927,600, went to Dominion Structural Steel and the second to the Pentagon Co. for \$209,018.

This was announced by Mr. A.C. Jephson, Administrator of the Mining Societies interested in the Plant.

A White Ball For Regatta At Valleyfield

VALLEYFIELD — A White Ball will be organized for the week-end of the Regatta. This social event will bring many people to Valleyfield. Officials of the Regatta, Members of Committees, Guests of the Canadian Boating Federation and the American Power Boat Association, Federal Authorities as well as Municipal and Provincial Authorities and also a great number of special guests. It will be the responsibility of Dr. Armand Clairmont, honorary Commodore of the Valleyfield Nautical Club and President-Founder of the Regatta, which has become widely known to be sure all are looked after. It will also be a sign of the perfect understanding between American and Canadian neighbors. A well known Orchestra will provide the music for the Ball.

Valleyfield

(By Elma Petri)

Closing Curling Caper
The Montreal Cottons Staff Bowling League held their closing party Saturday evening, March 31, at the Moco Club. There was dancing, refreshments, and distribution of prizes. Some of the "Twisters" on the floor could sure give the Teen-Agers something to think about and I wonder if the tape recordings of the "Maple Quartet" have reached "Tin Pan Alley" yet? Although curling offered much competition during the year, on the whole the league was quite a success.

League Champions — Hobos
Mrs. A. Dow, Mr. L. Nearney, Mrs. R. Boaz, Miss M. Gendron, Mr. R. Poirier, Mr. K. Mayoh, Captain.

Play-Off winners — Hermits
Mrs. L. Nearney, Mr. J. McFarlane, Miss M. Quenneville, Mr. D. Cowan, Mrs. R. McSweeney, Mr. F. Nuttall, Captain.

Election of Officers
The Valleyfield Ladies' Night Curling Club held their annual spring meeting and social evening Wednesday, April 4th, at the Moco Club. Elections of officers was held and the new Executive Committee for 1962-63 will be: Chairman — Mrs. R. Boaz; Secretary — Miss Norma Ross; Treasurer — Miss Betty Landry; Match Committee — Mrs. H. Stewart; Social — Mrs. A. Scherf; and Member without Portfolio — Miss Iris Amos. Court Whist was played follow-

ed by a White Elephant exchange, refreshments and distribution of prizes for the competitions held during the year.

Three Injured In Accident At Valleyfield

VALLEYFIELD — Three injured in car accident on Larocque Road, on Sunday April 1st at about 7:40 p.m. Constables Gilles Poirier and Claude Hébert investigated a collision which involved two cars driven by Mr. Arthur Bourgon, of Valleyfield and Mr. Lucien Lalonde of Montreal. Bourgon was driving on Larocque Road, from North to South direction, when he saw the other car coming from the opposite direction, toward the left side of the road, and was unable to avoid the collision. Lalonde's car hit the right front side of Bourgon's car with considerable force; damage amounted to about \$500.-; the Meteor of Mr. Lalonde is a total loss.

The three injured were Mr. Lalonde, Mr. Bourgon and Miss Suzanne Bourgon, who were taken to the Hotel Dieu Hospital by Patrol car No. 3. Dr. Leduc and Dr. Boyer gave first aid.

Caritas To Start Fourth Fund Raising Campaign

In two weeks time, about 3,000 sollicitors will be canvassing from door to door for the expansion of the Greater Montreal Area on Saturday April 7th at the Paré Alleys in Montreal. They now await the winners of Drummondville, Sherbrooke, Magog and Montmorency Branches. The winners of this group and the Valleyfield will play for the championship of the Dominion Textile Co. on April 29th.

St. Mark's Sale Successful
VALLEYFIELD — St. Mark's Anglican Guild held their Spring Bazaar - Food Sale and Tea on Friday afternoon and evening, April 6th. Mrs. J. B. Hall received at the door. The tea tables were attractive with spring decorations. There was an abundance of attractive articles for sale and a fine food table. It was well attended and the results most gratifying.

Mr. and Mrs. Lionel Robb motored to Buffalo, N.Y., last week.

Shower for Miss Buttress
A miscellaneous shower was held recently at the home of Miss Mary Johnson for Miss Joan Buttress in honor of her approaching marriage. Between fifty and sixty attended and Mrs. Beale and Miss L. Elliot assisted Miss Johnson in entertaining for the bride-to-be.

Mr. and Mrs. W. A. White, Ronnie, Sandra and Wendy of Pierrefonds and Mr. and Mrs. David White of Chateauguy were Sunday visitors at the home of Mrs. W. A. White.

Mrs. A. D. Culbert was a weekend guest at the home of Miss Anne Wilson.

Mr. and Mrs. John R. Wilson of Quebec City were weekend guests of Mrs. Gladys Read.

Mr. and Mrs. Jack McCracken motored to New York recently for a holiday.

Mr. and Mrs. John Ferris and their daughter Ann attended the Scott-Perry wedding on Saturday in Lennoxville, Que.

Goes Faster in Water
Sound travels about 47 times as fast in water, according to the Book of Knowledge, as in the air.

Clothing Protection Against Atomic Heat Flashes

MONTREAL — Textile scientists have discovered that smoke can give the human body some protection against atomic heat flashes. And Canadian researchers are now experimenting with treated overgarments that in the initial split second of a high energy flash will completely envelope the wearer in protective smoke, it was stated here today.

Speaking to delegates attending the 13th Scientific Session and 6th Annual Meeting of the Institute of Textile Science, L. G. Wilson, of the Defense Research Chemical Laboratories, Shirley Bay, Ont., noted that while working on the destruction of fabrics by rapid radiation pulses, and observation of shielding effects, it was noticed that smoke generated during the first part of a flash had a considerable effect on subsequent effects.

"In a one-second flash the small amount of smoke generated during the first fraction of a second would often rise by convection and considerably reduce the damage to the upper part of the target area," said Mr. Wilson.

"It was evident that if this property of a fabric could be suitably exaggerated it might be possible to protect clothing, and particularly the wearer, from direct burns due to radiation or secondary burns caused by ignited clothing. Such a system would have to be dormant until an atomic flash occurred, and automatic in its action with a sufficiently high speed to combat flashes of 1 or 2 second pulse time," he said.

A chemical mix was then devised, and fabrics were coated. An atomic flash was simulated through a solar furnace and it was discovered that by the end of one tenth of a second sufficient depth of smoke was present to reduce radiation to a low energy level.

However, sufficient heat was still being generated to damage the base fabric, said Mr. Wilson. Further experiments resulted in a nylon fish net being coated with the mix. This was then used as an outer layer over clothing, and the air space between layers acted as further protection.

Valleyfield and Nitro Guide and Brownie News

On Sunday afternoon the Guides of the 1st Valleyfield Co., and the Brownies of the 1st Valleyfield Pack were very kindly driven by the parents and leaders to a sugar party at the Ed. Hooker farm at Ormstown. Due to the rain the day before, there was no boiling at the sugar party. The girls were somewhat disappointed, but remembering their laws and motto soon got busy and did some nature work, which all ended too soon when Mr. Bill Hooker came along and took them all for a ride on a tractor driven wagon. When the girls returned Mrs. Ed. Hooker treated them all to taffy on snow. This was a wonderful experience to most of the girls and they will remember this most eventful afternoon.

Our heartfelt thanks to Mr. and Mrs. Ed. Hooker also Mr. Bill Hooker for the wonderful afternoon.

Guides and Brownies and leaders would also like to thank the kind parents for driving them to Ormstown.

Three Injured In Accident At Valleyfield

VALLEYFIELD — Three injured in car accident on Larocque Road, on Sunday April 1st at about 7:40 p.m. Constables Gilles Poirier and Claude Hébert investigated a collision which involved two cars driven by Mr. Arthur Bourgon, of Valleyfield and Mr. Lucien Lalonde of Montreal. Bourgon was driving on Larocque Road, from North to South direction, when he saw the other car coming from the opposite direction, toward the left side of the road, and was unable to avoid the collision. Lalonde's car hit the right front side of Bourgon's car with considerable force; damage amounted to about \$500.-; the Meteor of Mr. Lalonde is a total loss.

The three injured were Mr. Lalonde, Mr. Bourgon and Miss Suzanne Bourgon, who were taken to the Hotel Dieu Hospital by Patrol car No. 3. Dr. Leduc and Dr. Boyer gave first aid.

Dahliah's Whatnots

(Continued from page 7)

see Thoreau writing his essay against injustice and slavery; in India later on, we see Gandhi studying the essay, acting on it, and going to prison for many more nights than one, as the author had done, their united influence making history. And who can say that Gandhi, Indian Christian, patriot and martyr, was not one of the thousands who, perhaps indirectly, reaped some fruit from the labors of Carey, missionary linguist, and translator of the Gospel?

Thoreau left Walden in 1847. He tells us, "I left the woods for as good a reason as I went there. Perhaps it seemed to me that I had several more lives to live and had no more time to spare for that one". Poor Thoreau.

His death at the age of forty-four occurred just about 100 years after the birth of William Carey, and about the time of the abolition of slavery in the United States.

He has been called the Great American Sage and the Apostle of the Simple Life. He ranks as one of the best, if not the best writer of American prose.

He said, "No face which we can give to a matter will stand us so well at last as the truth".

"Drive a nail home and clinch it so faithfully that you can wake up in the night and think of your work with satisfaction".

"Rather than love, than money than fame, give me truth."

barrier to the transmission of conducted heat. "When this system was tried quite good results were obtained. In laboratory tests... almost complete protection was obtained for clothing materials, and for clothed men."

"It was also found practicable to use the net only at quite high energy levels and obtain complete protection for otherwise bare flesh."

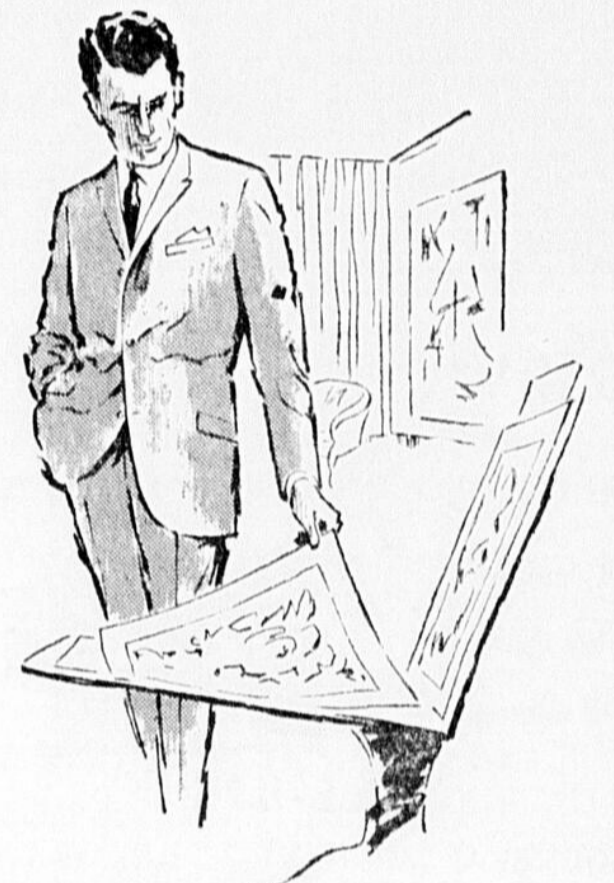

"Our work on the effects of intense heat flashes on fabrics is not yet complete. It is evident, however, that fabrics may be modified to withstand heat levels much in excess of the capabilities of normal fabrics," added Mr. Wilson.

The one-day meeting, attended by textile scientists from many areas of eastern Canada, also heard Dr. Stanley Backer,

of the Massachusetts Institute of Technology, Cambridge, Mass., talk on "Dynamic Measurement of Textile Systems". Another session heard Dr. David A.L. Gorring, of the Pulp and Paper Research Institute of Canada, Montreal, discussing "The Macromolecular Constituents of Wood".

At the end of 1961 the supply of money in Canada stood at \$14.6 billion, an increase of eight per cent from one year before, of 30 per cent from five years before, and of 90 per cent from 1949. — Quick Canadian Facts.

The personal income tax, federal government's largest single source of revenue, accounts for approximately 30 per cent of total net general revenue. — Quick Canadian Facts.

VALLEYFIELD, P.Q.

Franklin Centre

Mr. and Mrs. Herbert Clarke, Sr. were host and hostess at the 55th Convocation of the Royal Arch Masons of the Province of Quebec, held at the Ritz Carlton Hotel, Montreal from March 27 to the 29th.

Mr. and Mrs. Ed. Jakman of Montreal were Saturday guests of Mr. and Mrs. Martin Brooks and Mr. and Mrs. Russell Brooks. Mr. James Brooks of Greenfield Park and two sons spent Sunday at the same home. The boys, Robbie and Randie are spending this week with their grandparents.

Mr. and Mrs. James Lamb spent Sunday with Mr. and Mrs. Ross Lamb and family at Chateaugay.

Mr. and Mrs. Robert Bisson and son Jeff of Ormstown spent Sunday at the Mailer Home.

It was a nice surprise to see Mrs. James Manning's picture in the Gleaner last week and to learn that they have got so much nearer home and will be, if all

well, in our midst before long. Congratulations to the three Franklin pupils who entered the finals for the W.I. Public Speaking Contest held in Ormstown, a week ago. Donald Dunn 2nd in Grade 8, Debbie Towns, 3rd (tied) Grade 5, and Honorable Mention Dick Money Penny, Grade 7.

The many friends of Mrs. F.T. Duncan will be sorry to hear that she is a patient in the Royal Victoria Hospital in Montreal.

Mr. Herbert Clarke Jr. of Sherbrooke spent the week-end with his parents Mr. and Mrs. Herbert Sr. Mrs. Clarke Jr. and Richard are visiting her parents Dr. and Mrs. McCracken in Toronto.

Mr. and Mrs. Wm. Wood and family of Chateaugay spent Sunday evening with Mr. and Mrs. Ray McMillan and family.

Mrs. Essie Smith, Miss Annie Waddell and Mr. and Mrs. Lloyd Waddell of Montreal and Mr. and Mrs. Junior Gillette of Churubuseo spent Sunday with

Mr. John and Miss Libbie Waddell.

Mrs. Earl McNiece, Mrs. E.M. Sharpe and Miss Dorothy spent last week in the city.

Mr. Gervan Stevenson of Ormstown spent Thursday (overnight) at the F. Severson home. He also visited his mother, Mrs. Fred Stevenson, who is at present a patient in the Barrie Memorial Hospital, Ormstown.

Mr. and Mrs. Robert Cleaver and two sons of Montreal were Sunday guests of Mr. and Mrs. F.G. Sherrington. Mr. Fred Sherrington was an afternoon caller at the same home.

Mr. and Mrs. Ross Dunn and Miss Norma Dunn have returned home after an enjoyable trip and holiday in Florida. Mr. Norman Towns accompanied them as far as Oriskany Falls and spent a few days with his brother Mr. Harry Towns.

St. Agnes

NEW ESSO DEALER Mr. Cameron Fleming, one of our local Dundee boys has recently taken over the Esso Service Station in Port Covington N.Y., on the Malone Road. His many friends here in his old home town wish him every success in this new business venture.

Cameron spent the winter months in Orlando, Florida, arriving there in December and returning north the first part of March. While he was in Orlando he was employed by a Fruit Packing Company and he worked for the most part in the range groves as picker, or occasionally driving one of the Company trucks. Once again we heard the remark, "You've never really tasted an orange until you pick one — ripe from the tree!" They are deliciously sweet and extremely juicy, and Cameron said it would be hard to keep track of how many he would eat in one day.

The palm trees took a bit of getting used to — with the trunk so tall and straight and the foliage all at the top; they are so different from our Canadian type tree. The soil was very sandy and he said the grass in the fields seemed dry during the three months he was there. People in towns kept their lawns watered so that the growth there was green, but out along the countryside the vegetation looked parched.

Orlando, although not as flourishing a tourist resort as other areas, has many fine lakes where Cameron enjoyed fishing. He didn't meet too many Northerners, but even though he was only away a few months he said it always seemed good to hear our own particular North Country dialect.

As is natural in a warmer climate, men don't work as energetically and the foremen don't seem to 'push them' too hard,

consequently they don't accomplish as much work as we do in one day, and Cameron found that, probably for that reason, that the pay per hour for the type of work he was doing was less than our standard wage.

When he left Orlando, the days were becoming very warm and he said it seemed good to be getting back home. Florida was fine for the winter months and it might be alright the year round if he were retired, but at this time of year, and as long as he has to work for a living give him the good, old North Country with a zip is the air.

Mrs. W. Stowell Receives Final Prizes

Mrs. Wilbur Stowell has received her final gifts of a chesterfield suite, walnut coffee table and two occasional step tables from the T.V. show 'Quiz' on which she was chosen a jack-pot winner. The chesterfield suite is large and comfortable, and covered in a strong, durable nylon fabric, so easy to clean and care for. The attractive turquoise covering blends beautifully with the room and adds just the right amount of colour to the decor. A practical feature about the cushions is that they are equipped with zip-off covers which are readily washable.

Until you have actually seen the beautiful gifts which the family received you cannot realize the extent of their good fortune. The stereo record player with its 25 albums of well-known contemporary artists, operettas, ballets, children's songs, French folk-songs and old favorites with Guy Lombardo's orchestra, seems to have selections for everyone's musical taste.

The electrical appliances are gleamingly beautiful. The smart looking can opener is easy to operate and opens all sizes of tins with no mess, no struggle. The knife and scissor sharpener is also most efficient. The sewing machine is portable and has all the most modern attachments it sews on buttons, embroiders and blind stitches hems with the slip of a disk.

The family is getting a lot of pleasure from the billiard table, which is collapsible and thus easily stored away when not in use. One of these tables is worth approximately \$300. to \$400. Not often in our own locality do we find someone who is fortunate enough to win so many wonderful and worthwhile gifts. Wilbur and Grace have only recently built a new home and so all of these modern fixtures fit in extremely well in their scheme of living. They are an ambitious young couple who well deserve the good fortune that has smiled upon them. Probably 1962 will be their lucky year, at least it's headed in that direction!

Mrs. Hennie McCaffrey of Toronto, and Mrs. Steve Smythe of Massena, N.Y. visited on Friday with Mr. and Mrs. V. Elder

Aubrey-Riverfield

Interesting W.I. Meeting AUBREY-RIVERFIELD — Mrs. Hiram Reddick, Mrs. J. W. Wolodarsky and Mrs. Gordon Easton, were hostesses at the April meeting of Aubrey-Riverfield Women's Institute which met at the home of Mrs. Ewart Orr on Thursday, April 4th, Mrs. Janet Reddick presided. The opening ode was sung and the creed repeated in unison. Sixteen members answered the roll call naming their favorite flower. It seems from the answers that the greater majority named the rose as their favorite. Minutes of the March meeting were read and approved. Mrs. Finlay

and Mrs. Davidson, Mrs. McCaffrey returned from California in February where she had spent several months with her son James and his three children. She expects to remain in Massena until after Easter and then return to Toronto where she makes her home with her daughter, Frances.

On Wednesday and Thursday of the past week Mrs. Chester Hughes of Huntingdon entertained at lunch eight of the Dundee girls who attend Huntingdon High. Her guests on Wednesday were Anne Platt, Jessie Fraser, Audrey Leslie and Edith McDonald, and on Thursday Anne Fraser, Karen Elder, Jean Fraser and Eileen Russell. The girls thoroughly enjoyed the delicious hot meal which Mrs. Hughes had prepared, and appreciate her kindness and thoughtfulness.

Ever since Mrs. Hughes did supply work in Dundee School in the fall of 1960, she has kept in close touch with the high school students, but remembering all pupils from Grade 1 up, at all festive occasions with special treats and gay cards.

Mr. and Mrs. Dunc. McPherson of Valleyfield spent the week-end with Mr. and Mrs. Gregor Leslie. Last week-end Mr. and Mrs. McPherson motored to Rosemere where they were guests of Mr. and Mrs. Gordon McGibbon.

Dinner guests on Saturday at the home of Mr. and Mrs. Keith McPherson were Mr. and Mrs. Burn Forsythe and Mr. and Mrs. Jack Forsythe and daughter, all of Toronto.

Up until the month of February Mr. B. Forsythe was manager of Dufferin Stock Farm in Dundee prior to its being sold to Dr. M. Becharof of Montreal. About the middle of April Mr. Forsythe expects to have employment just outside Toronto on a farm which specializes in race horses.

Mr. Alderic Leblanc has sufficiently recovered from his recent illness to be able to return to his home this week from the Huntingdon County Hospital. He expects to return later on in the week for X-rays.

Milne was acting secretary for the day. Several items of business were attended to.

Interesting current events were read by the various conveners. Mrs. R. W. Templeton gave a full account of the Public Speaking Finals.

Mrs. Burton Reddick read an appropriate poem for the season, "Sugar Weather". Mrs. Everett Orr read a very humorous paper entitled, "My Pension Cheque", telling of how a farmer's wife looked forward to her first pension check, and in her day-dreams had already spent it all on her family. How dismayed she was to find that hubby wanted to use it along with his own cheque as down payment on a second hand tractor. When the cheque finally arrived she won her point.

Mrs. J. Reddick gave an item from Federated News. Mrs. Ewart Orr conducted a musical quiz which was very entertaining. Miss Berta Orr favored the ladies with a solo.

Mrs. Milne demonstrated a colorful afghan she had made this winter and Mrs. Ewart Orr showed a cute crib quilt she had recently made.

Lunch was served and a social half-hour enjoyed.

Mr. and Mrs. Harold Cullen, Ile Perrot, visited with the Robertson families on Sunday.

Mrs. Baird, Montreal, has been a recent guest of Mr. and Mrs. Wallace Gruer and family.

Mr. and Mrs. Willard Orr and family of Joliette spent the week-end with Mr. and Mrs. Ewart Orr.

Culprits at Work Mr. and Mrs. Frank Bryan, Ville Lasalle, called at their cottage here on Sunday evening. They found to their dismay, that the front door had been forced open, mud tracked all through the place, and many articles of value, including a T.V. set, stolen. Police were immediately called to investigate. It is to be hoped the culprit or culprits will be caught. This is the second time the Bryans have experienced this in their cottage. Two years ago a similar incident occurred. At that time the police recovered several of the articles and the culprit who had also stolen from several other places around St. Chrysostome was put in jail for a time.

Powerscourt

POWERSCOURT — Mr. and Mrs. Jacobs of Montreal have spent the past week at the home of Mr. and Mrs. Fred Wood, and enjoyed sugaring operations.

Having spent the winter months with members of his family Mr. St. Amour is now back in his own home.

Mrs. E. M. Wood has had oc-

casation to call her brother Mr. W. G. Hay in Los Angeles, Cal. twice in the past week. Despite the long distance the connection was made in one and a half minutes and the reception perfect.

Congratulations to Mr. and Mrs. Roland Riel on the arrival of their fourth child, a girl.

Mrs. Smallman spent part of last week at Dundee and had a most enjoyable time visiting old friends and neighbors.

Mr. John St. Amour of Montreal, spent Sunday with his father.

Sugaring is over for another season and the local farmers who tapped report it has been a satisfactory crop.

Mr. and Mrs. John Koski had a long distance call on Sunday eve from their daughter Jean, Mrs. Bill Starr of Sault Ste Marie, Ont.

Sunday guests of Mr. and Mrs. Wood were Mr. and Mrs. Angus Duncan and four children of Montreal.

EDUCATION FOR PEACE

If everybody would make education their business and recognize it as a continuing life process by directing every effort to a concern for situations for what they are, then we would see our real problem—the need for world peace, and we would rally the kind of dedicated support we need. — Rose-town (Sask.) Eagle.

Hemmingford News

Correspondent — Mrs. A. L'Esperance

The regular meeting of the Hemmingford Township Council was held on Monday evening, April 2nd, at the Town Hall. Mayor Alister Somerville presided. Also present were Councillors H. Paré, W. Beatty, Derrick, F. Dauphinais, H. ...

The Secretary read a letter from the Department of Municipal Affairs which said that in response to a request from Mr. A. Somerville, the Assessment Branch had been asked to conduct a course in Assessment of Property. This course would be given in the Hemmingford High School on Monday evening, April 9th, and all Assessors, Councillors, School Commissioners and interested tax-payers were asked to attend. The subject of Line Fences will also be discussed.

A letter from the School Commissions asked Councils for a real and uniform evaluation of property. After a further discussion on aerial photographs, during which the Secretary explained the method used in making a mosaic of the locality, and which would be of much use to a zoning committee, he was instructed to order a mosaic for the Township consisting of 20 prints, 9" x 9" and one 40" x 60" print of the mosaic.

Reporting on two protests, registered by local residents, which he had placed before a meeting of the County Councils, the Mayor said that in the case

of Mr. Jerry Brogan's protest against acreage on the Brais Discharge, no change could be made as the roll had been homologated some time before the protest had been made; the complaint against the deepening of the English River north of Route 52, made by Messrs Tremblay, was referred to Mr. R. Baillargeon, Drainage Engineer. In answer to an enquiry, the fact was confirmed that payments over-due on watercourses can be collected as regular taxes, that is, if no payment is made, the property can be sold for unpaid taxes.

The Secretary was instructed to write the Drainage Engineer, Mr. R. Baillargeon, concerning Spring work which needs doing on the Burns Discharge, Norton Creek near the Back Bush Bridge, Norton Creek East Branch and Little Montreal River south of Route 52. In view of many complaints received concerning the bad holes and bumps on various roads in the locality and particularly those on the Lavallee Road, the Secretary was instructed to write the Minister of Roads in Quebec to ascertain who is responsible for placing warning signs and red flags at these dangerous places in the roads and who is responsible for repairing same.

Two Tenders were received for the position of Secretary-Treasurer to the Municipality, but in view of the fact that the original notices asking for Ten-

ders were incomplete, it was decided to return those received and to call again for Tenders.

The Secretary placed before Council, for scrutiny, all bills received, and was instructed to pay same.

Hemmingford W.I. News

The April meeting of the W.I. took the form of a visit to T.V. Station CFCF — Channel 12, Montreal. Many members and friends, about 5:30 P.M. in Hemmingford and now of Montreal West United Church, brought 49 of his young people to enjoy a sugaring party at the Sample party on Saturday afternoon, April 7th. Taffy on the snow, even though a little damp, was enjoyed and all had a good time.

The previous week-end, 35 young people from St. Lambert came out to enjoy a similar party.

Mr. Norris Sample, elder son of Mr. and Mrs. Kenneth Sample, arrived home for the week-end from Toronto bringing with him a friend, Miss Lynne Whiteley. Norris, who works with a firm of landscape gardeners and consultants, finds he has very little free time these days, with the large amount of building going on in the Toronto area. But despite his busy work-day schedule, he still finds time for Church work and says that the encouragement he received from the Public Speaking competitions which he entered and won while a student at Hemmingford High, now stands him in good stead when he is called upon to address a group of young people, or other organizations of the Church.

At the village council meeting this week, one heard news of the spraying of the elm trees in the village. It's just over a year ago that a large gathering of members and interested friends of the Chamber of Commerce heard two experts discuss the disease which is killing off so many beautiful old elms. They described what other municipalities were doing to protect their stately shade trees and now it has been decided that the same protective methods will be tried here. It is simply a matter of spraying the trees, early in the spring, with a concentrate of D.D.T. The work will be done by an experienced man and, while council will take care of all the trees around the churches and schools, it is hoped all property owners with elm trees in and around the village will join in this spray programme to protect the beautiful trees which are the first things a visitor to the village notices. If the whole job is done by one man at the same time, the charge to the individual will be very small. Telephone Mr. Walter Smith, tell him how many trees you wish done and he will give you any further details you require. But do it now!

We all had to leave so early for the trip had not had a chance to eat a real meal, so from the T.V. station we drove to the Chicken Chalet on Sherbrooke St., and enjoyed a meal of barbecued chicken. Mrs. Palmer gave a vote of thanks to Mrs. A. L'Esperance for arranging this most interesting evening, and it was suggested that a letter of thanks be sent to our guide for the evening—Mr. Don Wayne. It being so late it was moved by Mrs. H. Palmer and seconded by Mrs. E. Keddy that we accept the minutes as read. This ended a most enjoyable outing.

In passing may we say that we were very proud of our students in Hemmingford for their performance in the Public Speaking Finals at Ormstown on March 30th. Fifty children spoke, and out of four final winners, three won prizes—an outstanding achievement. In this day and age one hears so much about juvenile delinquency and irresponsibility of our young folks, but when they have courage and confidence to express their ideas in such a competent manner, we can look forward to big things from our future generation.

Hemmingford — Mr. and Mrs. J. H. L'Esperance

attended the Thursday evening play of the Dominion Drama Festival held this year at La Comédie Canadienne, Montreal.

The play, Juno and the Paycock, was put on by the Hertel Mountain Theatre, a group of players who live in McMasterville, St. Hilaire and Belœil. None are professionals, they are housewives, C.I.L. employees and workers in other industries and yet their performance, said the adjudicator, Paul Hebert, was, with that of the first prize-winners, the closest to a professional he had ever seen. The Hertel Mountain Theatre ran a very close second at last year's festival and Mr. Hebert was very hard put to find a tiny margin between first and second this year. Starting with short, one-act plays, they have persevered over the past few years and are an excellent example of what a handful of enthusiasts can accomplish. Mrs. Marjorie Sangster who, with her husband Jack and the family are frequent visitors of Mr. and Mrs. L'Esperance in Hemmingford, on Thursday evening, won the Eaton award for the best supporting actress.

Varia
The damp weather of the past week-end did nothing to quench

the enthusiasm of the large party of young people who descended on the home and sugar shanty of Mr. and Mrs. Kenneth Sample, Covey Hill. The Reverend Kenneth Murray, recently of Hemmingford and now of Montreal West United Church, brought 49 of his young people to enjoy a sugaring party at the Sample party on Saturday afternoon, April 7th. Taffy on the snow, even though a little damp, was enjoyed and all had a good time.

The previous week-end, 35 young people from St. Lambert came out to enjoy a similar party.

Mr. Norris Sample, elder son of Mr. and Mrs. Kenneth Sample, arrived home for the week-end from Toronto bringing with him a friend, Miss Lynne Whiteley. Norris, who works with a firm of landscape gardeners and consultants, finds he has very little free time these days, with the large amount of building going on in the Toronto area. But despite his busy work-day schedule, he still finds time for Church work and says that the encouragement he received from the Public Speaking competitions which he entered and won while a student at Hemmingford High, now stands him in good stead when he is called upon to address a group of young people, or other organizations of the Church.

At the village council meeting this week, one heard news of the spraying of the elm trees in the village. It's just over a year ago that a large gathering of members and interested friends of the Chamber of Commerce heard two experts discuss the disease which is killing off so many beautiful old elms. They described what other municipalities were doing to protect their stately shade trees and now it has been decided that the same protective methods will be tried here. It is simply a matter of spraying the trees, early in the spring, with a concentrate of D.D.T. The work will be done by an experienced man and, while council will take care of all the trees around the churches and schools, it is hoped all property owners with elm trees in and around the village will join in this spray programme to protect the beautiful trees which are the first things a visitor to the village notices. If the whole job is done by one man at the same time, the charge to the individual will be very small. Telephone Mr. Walter Smith, tell him how many trees you wish done and he will give you any further details you require. But do it now!

Mr. and Mrs. Walter Sample entertained quite a house party on Sunday, April 8th. Mr. and Mrs. George Tate, Miss Mary Tabé of Ormstown and Miss Esther Dewey of Montreal were dinner guests. Mr. Walter and Miss Phyllis Sample of Plattsburgh came for the afternoon as did Mr. and Mrs. Verne Parrotte. The Raymond Brooks' family were visiting Mr. Willard Nichols on the by-road and they dropped in at the Sample's to say hello.

Dundee

The Dundee W.I. held their April meeting at the home of Mrs. Jos Platt. By going to Herdman the night before for Mrs. Smallman the Platts made it possible for her to be present.

At roll call each member told of something she admired in an immigrant she had known. Mrs. Earl Gardner led an interesting discussion about prejudice and its affect on those concerned. She defined prejudice as being an opinion formed about something or somebody beforehand. One has to acquire it and it is psychological. Different ways prejudice is shown was discussed such as the idea of racial superiority, jealousy, Hitler's hatred of the Jews, judging a group by one member and separatism.

Conveners gave interesting reports from each department. Hobby farmers was the title of one report. So many business men are putting their money into farms that the average farmer cannot compete and so finds it hard to make a living. A change in the Educational system in Quebec is advocated.

A person glowing with health and goodwill is beautiful even though his or her features may be plain. A good diet will achieve this.

Very pretty vases or plant

dishes were shown made by cutting liquid detergent bottles in half. Mrs. Platt displayed a Mu-Mu dress and a man's shirt that had come from Hawaii, also two lovely Japanese prints and some frozen balls to be used in drinks.

Mrs. A.H. Fraser told of the interview on T.V. between Max Ferguson and the President of the Federated Women's Institute of Ontario.

As many social functions take place the first week of May Mrs. E.J. Cameron asked if she could have her meeting the last week in April instead. It will take the form of a card party and

each one is to be prepared to pay one cent for each inch of waist measurement - expensive for some. Mrs. Smallman also asked if her meeting could be changed to the last week of May when she expects Mrs. Ellard, the Provincial President to be visiting her.

Mrs. Platt then served delicious refreshments and a social time was enjoyed.

Recent week-end guests of Mr. and Mrs. Earl McNeil were Mr. and Mrs. Ralph Derry of Ville Lasalle, Miss Florence Homer of St. Eustache and Mr. Robt. White of McMasterville.

News from Ormstown

EXHIBITION CENTRE
COVERING THE ACTIVITIES OF THE "LITTLE ROYAL"

ORMSTOWN — We apologize for an omission in last week's Gleaner re the winning of door prizes at the Band Concert held in the Ormstown High School. Four tickets were drawn and the lucky winner of the first prize was Rev. Sweetapple who won a fine lawn chair. Other winners were Miss Huguette Crete, Miss Elaine Peyton and Miss Mable Elvidge.

Mr. John Monkhouse of Toronto executive Sect. of the Dairy Farmers of Canada, attended the annual luncheon of the Montreal Milk Co-operative on March 31st at the Queen Elizabeth Hotel. Following the meeting Mr. Monkhouse joined Mr. and Mrs. John K. Dickson and spent the weekend with them at their home in Ormstown. Mr. Monkhouse is a native of Winnipeg, was disappointed at not being able to witness the making of maple syrup, due to weather conditions; however, that will be a treat in store for him another year when perhaps he may be able to plan his visit at a time the weather will be more co-operative and he will be able to get first hand knowledge of one of Quebec's great industries.

We are sorry to report that Mr. Ross Bryson is in ill health. Our best wishes for a speedy recovery.

Miss Marilyn Gruer and Miss Linda Harvey, nurses in training at the Royal Victoria Hospital in Montreal, spent the week-end with the Alvin Gruer family.

Mrs. Reg. Holiday of Cowansville, visited with her parents, Mr. and Mrs. Ernest McEwen last week-end.

Mr. and Mrs. Alvin Gruer entertained the Bill Hooker and the Doug. Templeton families at a dinner party on Sunday when sixteen sat down to enjoy the meal together.

Mrs. Clara Osmond has returned via B.O.A.C. from Somerset, Bermuda, where she has spent the past four months with her daughter Elaine and family, the Fred Harringtons. Mrs. Osmond arrived home on the fourth of April and reports having spent a wonderful time, especially with her grandchildren Julie and Mark.

Mrs. W. J. Turner visited on Wednesday with Mr. and Mrs. Ross Bryson. Mrs. Turner was the former Annie MacIntosh of Montreal, her home is in Edmonton, Alberta. It is 51 years since she and Mrs. Bryson have seen each other. Mrs. Turner noted many changes since her last visit here.

Mr. George McEwen and Mrs. Robert Jackson of Grinrod, B.C. are presently visiting at the home of Donald McEwen, also renewing old acquaintances and making new friends.

Mrs. Minnie Dixon has been visiting old friends and neighbors in town the past week. Mrs. Dixon is planning a trip to Seattle, Wash., sometime in May. On Wednesday she called on Mr. and Mrs. Earle Hooker and Mr. and Mrs. Preston Hooker. She also called on Miss Elizabeth Maw.

Mr. and Mrs. John Rennie and Joanne of Valcartier are visiting with Mr. and Mrs. Harold Kerr and family.

Miss Diane Barrington of Lachute was a weekend guest of Miss Eryion Barrington.

Miss Myrtle Cullen left Dorval on Saturday for London, England and from thence to Brussels, Belgium. On Tuesday she will join a tour group and will do some sightseeing and visiting in France, Germany and Switzerland.

Miss Roberta Rember spent the weekend with Mr. and Mrs. Boyd Campbell. Roberta was the victim of a robbery at her Montreal apartment in her absence last week-end.

On Saturday evening the members of the Ormstown Band were entertained by Mr. and Mrs. Ken Aldridge in honor of Brian's fifteenth birthday.

Mrs. Peter Zumbun, Stephen and Heidi arrived via T.C.A. on Monday night and will spend some time with Mrs. Zumbun's mother, Mrs. Wallace Orr, and Mr. and Mrs. K. Aldridge and family.

Congratulations are in order for the curlers of the Ormstown

Legion who participated in the District Curling Games at Huntingdon last week. George McAdam's team emerged victorious and Gerry Hebert's team reached the semi-finals. Full details will be found in the Huntingdon news.

Mrs. Mary McNeil and Mrs. Alan Hooker motored to Kings-ton on Saturday to spend the day with Miss Alanne Hooker. They also called on friends in Napanee.

Mr. and Mrs. Alan Hooker and Mrs. Mary McNeil attended the Baccalaureate Service for the Faculty of Agriculture and School of Household Science on Sunday afternoon at Macdonald College and the tea in honour of the graduating students in Stewart Hall.

Mr. and Mrs. Ewen McDougall entertained Mr. George McEwen and Mrs. Robert Jackson of Grinrod, Alta., at a dinner party on Monday evening, then later on in the evening 30 McEwen cousins gathered at the McDougall home and enjoyed talking over old times and renewing acquaintances. The evening came to a sticky end with an old time taffy party, thoroughly enjoyed by young and old.

The Presbyterian Young People are very active these days. A taffy party was held on Saturday night, that being just one of their various activities. They are busily engaged in preparing a play which they hope to present to the public in the very near future.

Ormstown W.I. Notes
The meeting of the W.I. was held at the home of Mrs. R. Anderson on April 3rd, with an attendance of 15 members and

Rockburn
ROCKBURN — The Frontier Group Committee held a meeting Monday evening, April 9th and sent in the balance of their allocation. Plans were made for the coming camping season. The mothers and grandmothers of the scouts and cubs have made a hand-embroidered quilt. The benefit drawing will go towards the buying of another tent. A card party will be held in the Franklin School on May 3rd. The drawing will take place after this card party. Plans have been made to send a basket of fruit to Garrie Donnelly.

Over the week-end grandmother and grandfather Lewis entertained two sets of grandchildren. Grandfather boiled sap in the pouring rain with the boys. Grandmother was kept busy drying boots, jackets, socks and making peanut butter and caramel sandwiches.

With the coming of better weather on Sunday the family spent a more restful and pleasant day.

Sunday guests at Shady Lane were Mr. and Mrs. John Kelly and little daughters Karen and Diane of Nitro.

Mr. Ted Norman spent the week-end at his new home in Rockburn getting it ready for his family to spend their Easter holidays.

Mrs. L. W. Lewis won the grocery basket on the Ross Crain houseparty program Friday morning on C.F.C.E. Mrs. Collins (Marilyn) heard the radio programme and phoned her mother. Mrs. Lewis was quite excited this being the first time she has won anything.

Franklin W.I. held their meeting Thursday, April 5th at the home of Mrs. N. Rowe with a good attendance. Guest speaker Mrs. C. Sherrington, gave a talk on the forthcoming Music Festival, to be held in Ormstown. Two of the W.I. members are in the Glee Club. Plans were made for the W.I. Convention in May, which will be held in Rockburn Hall.

A delicious assortment of cakes and cookies were served for lunch. A correction — The name of the Convener of Education is Mrs. Everett Lindsay.

Conversers Reports Agrie. planting of roses and how to plant hedge.

Citizen: Eskimo Education stressed by a priest Father Austin.

Education: The teaching of poetry your child and your education.

Home Ecs.: How to make a lap table for an invalid.

Quilt blocks were donated by a member.

A delicious lunch was served at the close by the hostesses.

Cleanliness Is Vital
The miseries of infectious hepatitis were shared by a record number of Canadians last year and there are indications the widespread incidence of the disease has carried over into the early months of 1962.

Federal records show that the long-lasting liver inflammation — with such symptoms as fever, loss of appetite, nausea and stomach pains, often followed by jaundice — attacked more than 12,000 in 1961.

The number was almost double the previous record of 6,476 in 1960. The actual total of cases was probably higher than 12,000 since many were probably never brought to the attention of doctors. That's because hepatitis, in milder form, may not bring on jaundice and is thus recognizable only by a liver infection test.

There is no reason for panic. Infectious hepatitis rarely kills. A person who otherwise is in good health may feel miserable for many weeks but eventually recovers.

The fact is, however, that hepatitis is an extremely unpleasant disease. It is an acute virus for which there is no cure from it although some authorities believe that once you have had it you are not likely ever to get it again.

Efforts are being made to grow the virus in a laboratory so that a start can be made on development of a vaccine. Until a vaccine is produced, however, the main hope of avoiding hepatitis is personal cleanliness.

Chief means of infection probably is person-to-person contact. Many people are carriers

without being sick themselves. Epidemics are known to have been caused by contaminated food, water and milk. On occasion it may be spread by the use of infected needles and syringes by doctors.

Your best chance of escaping hepatitis is to follow a program of good sanitation and good general and personal hygiene.

Dr. E. W. R. Best, chief of the federal health department's epidemiology division, has said there is reason for alarm at the number of cases. He notes that in rural areas and new urban subdivisions septic tanks and poor sewage disposal systems may be a major factor in its spread.

"The possible contamination of well water from sewage disposal in septic tanks is a matter of very great concern."

Dundee
Week-end guests of Mr. and Mrs. Lorne McPherson and Richard were Mr. and Mrs. Robt. Duify and Mr. John Rankin of Montreal.

Mrs. Chas Smallman spent several days last week visiting old friends. She was an overnight guest of Mr. and Mrs. Jos Platt, Mr. and Mrs. Earl Gardner and Mr. and Mrs. N.D. McPhee.

SPECIAL CROPS
WINNIPEG (CP) Manitoba growers in 1960 produced an estimated \$9,519,300 worth of special crops such as sugar beets, the provincial government reported. This was a 16-per-cent increase over 1959.

Local Children Exposed To Inexcusable Traffic Hazards

(By E. C. Dowler)

Growing concern and indignation among a large number of parents residing in the various housing projects situated within the area limits of the proposed and started (progress long since abandoned) St. Francis Boulevard on the north; Salisbury Blvd. to the west; Highway 3 to the east and south, but more particularly those housing developments adjoining the Dunver Rd.—McLeod Ave. side streets which have been allowed to become the sole artery for traffic supplying the whole area; at the traffic menace now confronting pedestrians and particularly children who will have to travel to one of the three schools which have been erected on McLeod Ave. side streets which have been allowed to become the sole artery for traffic supplying the whole area; at the traffic menace now confronting pedestrians and particularly children who will have to travel to one of the three schools which have been erected on McLeod Ave.

A recent news item gave prominence to a number of mothers and housewives which resulted in erection of STOP SIGNS at the approach to all side streets off the main roads, many of which are cul-de-sacs. The resulting controversy has brought to light a number of pertinent facts of interest to all parents of children, and which calls for drastic action by civic authorities responsible for traffic control, and the safety of pedestrians within the Municipal boundaries. The following facts indicate the need for immediate action.

(1) The Dunver-McLeod artery was neither intended or suitable for the heavy and overtaxed use by the heavy vehicular traffic which has monopolized it for the increase in growth of privately owned dwellings and larger type of buildings already erected. Bulldozers; Cranes; Provincial Shopping Buses; Heavy Building Material Loads; Large Concrete Mixers; Moving vans, to mention a few, are the Traders' Delivery vehicles of every type, and the thousands of privately owned automobiles which have a first claim on these thoroughfares.

(2) The existing well laid roads have for long become a disgrace to any municipality, being honeycombed with dangerous potholes; torn up sections almost impassable; stagnant pools and denuded of any safe footing for pedestrians.

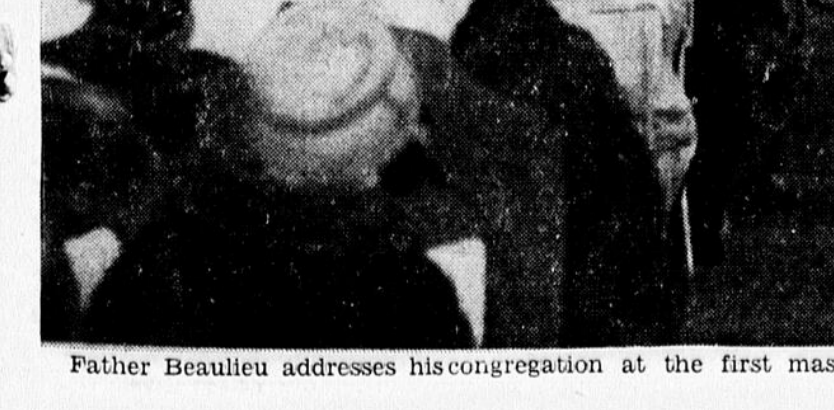

(3) Through lack of any traffic control, a complete absence of any safe and suitable crossing for children attending or

happened and that it would not happen again. Apparently a construction project had blocked a ditch with earth from a foundation, thus forcing the water to flood basements instead of following the ditch to the sewer. The Mayor promised that the Town would start the next day to fumigate the basements of these homes.

The monthly bills paid by the Town amounted to \$55,990.48 of which \$26,185.89 came from the General Account and \$29,804.59 came from the Capital account. This account represents all bills paid in the month such as salaries, contract commitments, interest on bonds and all other items.

A heated argument between Councillors Belliveau and Gauthier on the subject of the number of firms and the names of firms that would be invited to place tenders for local work. Mr. Belliveau charged that of the six firms now on the list, three were of the large firm variety with a large overhead and whose quotations would be out of the Town's reach. Two others did not have the required amount of equipment to handle the jobs which left only one firm. Mr. Belliveau suggested that the contracts should be awarded by open tenders. The argument continued and finally Mr. Gauthier walked out of the meeting.

A number of other questions and subjects were brought up and finally at 12:55 a.m. the meeting came to a close.

Choral Evening

(by Mildred McCutcheon)

The choir of St. Andrews United Church will present a choral evening at the church on Palm Sunday, April 15th, commencing at 8 p.m.

This choir, of 22 voices, is much esteemed by members of the church and by visitors to the regular Sunday Services and has for many years sung an anthem each Sunday. The choral evening will include some of their favourite anthems and solos and duets by members of the choir, whilst the main work will be the cantata "Olivet to Calvary". Written in 1904 by J. H. Maunders, this is one of the most melodious of sacred cantatas, containing an abundance of beautiful choir and solo pieces. The cantata recalls simply and reverently the scenes from Palm Sunday to Good Friday. The choir is reported to be most enthusiastic about this work and is now busy putting the finishing touches to their performance.

This is believed to be the first occasion that this work has been performed in the Chateauguay district and the Board of Session of St. Andrew's United Church cordially invites citizens of Chateauguay who enjoy good music to attend.

Mr. Alan Hughes, the choir director and organist, will play organ solos prior and during the choral evening.

No admission will be charged. A collection will be taken during the performance.

St. Willibrod School News

(By Mildred McCutcheon)

Senior girls of St. Willibrod's School in Chateauguay Basin are being offered free sewing instructions. Mrs. Eva Howard of The Station commenced instruction on Monday April 9th. A complete 10-week course will be provided and any girls interested are asked to report at the school on Monday evenings from 6:45 to 9 p.m. Mrs. Howard has just completed a similar sewing course for mothers and daughters at the school which proved most successful.

Second Boy Scout Group Committee In Chateauguay

(By Mildred McCutcheon)

With interest in Scouting in Chateauguay running at the highest peak ever, it has been found expedient to form a second Group Committee. At a meeting held on Monday April 2nd, in St. Andrew's Memorial Hall, Mr. Victor Welburn, District Council President, presented a Charter for the newly formed Group to The Rev. Howard Fraser.

Mr. Harry Grimes, Chairman will work with Tom Grant, Stan Best, Charles Rowe and Paul Beauchamp. Miss Edna Reid has been appointed Secretary.

The Mohawk Sea Scout Crew, the Pathfinder Boys Scout Troop and the Beaver and Chocoma Cub Packs will come under the jurisdiction of the Second Group Committee.

Chat Resident Killed On Highway 4

J. Joseph Byron aged 63 of 69 Spring Crescent, Chateauguay lost his life accidentally when struck by a car on Route 4 opposite the Rustic Bar-B-Q. The accident occurred 10:40 p.m. Friday, April 6th, and the investigation was carried out by the Provincial Police who identified the driver as Arthur Primeau, also of Chateauguay.

The Requiem Mass for the victim was sung at St. Dominic's Church, Montreal, at 9 a.m. Tuesday. Interment took place in Cote des Neiges Cemetery.

COLD SLOWS SOUND

The velocity of sound is governed by temperature, points out the Book of Knowledge. At sea level, sound travels at 1117 feet a second, but slows to 969 feet a second at 36,000 feet. The average temperature of air diminishes from plus 59° Fahrenheit at sea level to minus 70° Fahrenheit at 36,000 feet.

Thought For Today
Politeness is to human nature, what warmth is to wax.

W.R.A.
The teenage group will be holding a Beatnik dance on Friday, April 13th, at 8 p.m. Hope a wonderful time will be had by all.

Nice to hear that Mrs. L. Ball went bowling last Tuesday evening. Continued good health and best wishes to you, Freda.

Welcome Home
Mrs. D. Hains has returned from holidaying at Ormond Beach, Florida.

Miss Sharon Rae who celebrated a birthday on April 4th had a gala day. Two of her friends, Miss Alice Goodfellow

and Miss Carol Stark along with Mrs. Rae had dinner at the Kon-Tiki room of the Mount Royal Hotel. This they enjoyed very much. It just proves that these young ladies are really growing up.

Beauharnois Intermediate School
The Library Committee of the B.L.S. wishes to thank Mrs. Kolko of Beauharnois for her donation to the library.

Animals
Through my column I have warned the owners of dogs, to watch their pets on the highways. A beautiful Boxer was killed this past week. It's a shame this animal lost its life. Why not walk your dog. There are so many good dogs in this area, and sooner or later if they are not on a leash, we find them on the side of the road. If a pet is worth having, it's worth looking after.

Birthday Greetings
Many happy returns to Ross Munro, who will be nine years old on April 14th.

Happy birthday also to Foster Goodfellow who will be nine years old on April 14th.

To Miss Carol Ann Dettmers, who will celebrate a birthday, April 14th. Best wishes to you.

To Mr. Herbert McCurdy, a long time summer resident of Woodlands, who will be celebrating a birthday, April 12th. Many happy returns of the day Herbie.

Gardens
Now that most of you are getting ready to prepare your gardens — just a little advice. Never work in the garden if you have an open cut or sore, unless it is bound up. There is a germ, which few of us realize, may be in the very soil you are working with, especially if you have fertilized it with manure. It's the germ tetanus (lock jaw). There are spores that rest in the soil. When soil such as this gets into an open

Heights Art Group Plan Sixth Spring Art Show

(By Mildred McCutcheon)

Preparations are now being made by the Art Group of The Heights Recreation Club of Chateauguay Heights to hold an Art Exhibition of original drawings and paintings of local artists at the Club on Carlie Avenue on Sunday, May 6th. This will be the sixth Spring showing and judging from previous shows, it promises to be an interesting and entertaining event. Anyone within the area bounded by Chateauguay, Valleyfield and Ormstown as well as former members of the Heights Art Group outside that area are invited to submit up to three entries in black and white or colour. A special invitation is extended to new residents and other Art Groups or classes in the area to submit their work. Entries should be delivered to 77 Carlie Avenue, Chateauguay Heights on or before April 30th and should be accompanied by the following information: Name of exhibitor, address and phone number, and title of the picture. Any further information in connection with entries or the exhibition may be obtained by phoning R. G. Fair at 692-6624.

Calvary Baptist Church Formed In Chateauguay

Sunday April 8th, 1962, was an outstanding day for the Evangelical Baptists of Chateauguay. Two of their adherents followed the Scriptural Command of Baptism, in the morning service at Verdun Baptist Church.

At two-thirty in the afternoon, a good representation gathered at 100 St. Eugene Street for the express purpose of forming a Baptist church, recently occupied by Rev. J. Fraser of Verdun Baptist Church. The church that was formed will be known as Calvary Baptist Church. Three deacons were elected by acclamation, Mr. H. Cheeseman, Mr. A. Drozda and Mr. B. Brittain. Other officers were elected to the offices of clerk, treasurer, tellers, and envelope steward. It was decided to leave the charter membership open for three months. A hearty invitation is extended to any who wish to join the church by baptism, experience or letter of transfer. After the meeting a luncheon was supplied by the ladies of the church, and a happy social hour was enjoyed by all.

Injured in Accident

Mr. and Mrs. Michael Diome of Caughnawaga were injured yesterday morning when their car became involved in a rear-end collision at the intersection of Peel and Barrside Streets in Montreal, about 8:55 a.m. Their car was sandwiched between a truck and another car and was badly damaged. Mr. Diome, 61, suffered lacerations to the face. His wife, Betty, 35, was treated for shock. Both were released from the Royal Victoria Hospital later in the day. The drivers of the other vehicles were uninjured.

Ormstown

A surprise Birthday Party held in honour of Mrs. Ivan Barrington took place on Sunday, April 8th at the home of Mr. and Mrs. Arthur Rankin, Huntingdon. Mrs. Jack Barrington and Mrs. Arthur Rankin were the hostesses. On Mrs. Barrington's arrival at the home, she was presented with a corsage of red roses from her four grandchildren. A buffet dinner was served with a large pink lemonade sponge cake for the birthday cake. Mrs. Barrington's son Jim presented his mother with a Trinity Diamond ring from all the members of the family. Mrs. Barrington, quite overcome with surprise and joy, thanked everyone for the wonderful birthday party and exquisite gift. Those attending were: Mr. and Mrs. Murray Leclair, Dorval, Mr. Herbie Barrington, Mr. Dave Barrington and Mr. and Mrs. Ivan Barrington and their sons and daughters.

Get Well Wishes
Sorry to hear that Chickentop is still making the rounds in Woodlands. The twins in the Strumbson family, Debbie and Billy are now sporting these spots. And Donna I hear is just getting over it. Our best wishes to the twins for a speedy recovery.

The Week of April 3rd
The Ladies High Single: Mrs. Audrey Charlton, 150; High Triple: Mrs. Georgette Goodfellow, 374.
The Gents High Single and High Triple: Mr. Jim Ogilvy at 199 and 524.
The Manhattan's are still in first place.

TERRACE SMALL FRY BOWLING CHAMPIONS

Saturday afternoon ended the Terrace Small Fry Bowling League and above are the champions. Dividing the children in the centre of the picture the five on the left are the first team. In the back row: Billy Noonan, Donna Stapley and Ken Harding. In front: Carolyn Prudhomme and Carl Noble. On the right, the runners up: Back row, L. to R.: Diane Mizner, Doug Cahill and Bill Robertson. In front: Irene Dube and Donna Harding, Diane Mizner and Ken Harding.

ing also won prizes as top singles. In the back are L. to R.: Stan Cahill, Fred Stapley and Art Lanington who organized and ran the league. (Photo By Larry Cowper)

Chateauguay Valley Junior Hockey League Hold End Of Season Dance

One hundred and thirty-seven hockey players and guests attended the end of season dance of the Chateauguay Valley Junior Hockey League at the C.Y.A. Hall in Caughnawaga last Saturday night.

A fifteen minute movie of the highlights of the first play-off game was shown by Father Brunelle to start off proceedings. Next came the presentations of Trophies. League President John MacDonald handed this job calling the names of the Trophy winners, which were presented by the various donors. In all fifteen Trophies were given out, with the Castors, Mohawks and Lions each taking four and the C.C.R.A. Warriors three.

The music was supplied by the Megatones, a teenage group from Chateauguay, with a guest appearance by a group from Caughnawaga who called themselves "The Brothers Five Minus one Plus a Sister". League President John MacDonald had high praise for the fine work done by the combined efforts of the Mohawk players

and Cheer Leaders in decorating the hall, the work of Mrs. Gladys Delisle, Miss Juanita Delisle and Miss June Delisle and Mrs. Leonard Rice of the Ladies Committee of the C.Y.A. for the good job they did in preparing and serving the food. The dance broke up a few minutes before midnight and all those attending had a wonderful time.

CHATEAUGUAY SPORTS ROUND UP

(by JOHN McDONALD)
Phone No. OX-2-2647

GEORGE YOUNG

On a cool clear October day in the fall of 1960 a moving van pulled up to a sparkling new bungalow on Drolet street in the Town of Chateauguay Centre and its crew began the laborious task of carting in the furniture; thus George Young became a resident of Chateauguay and the children of this community had gained a friend.

Ninety days later saw George on the outdoor rinks coaching the C.C.R.A. Bantam Hockey Team. Six months later George was elected to fill a vacancy on the Executive Committee of the C.C.R.A. as an area representative and fill the position as Sports Chairman of the C.C.R.A.

In the fall of 1961 the Sports Chairman of the leading Association in Chateauguay called a meeting to organize the coming winter sports, and the Chateauguay Dist. Minor Sports Assoc. was formed with George being elected President.

George first saw the light of day on May 31st, 1916, in the City of Verdun; his family moved to Pointe Claire in 1925, when George was nine years old. Playing football, baseball and hockey for the Clear Point Athletic Assoc. and was for 3 consecutive years the leading point getter in Bantam and Midget Hockey. Graduating to juvenile and junior hockey, he played in the old Dorion Vaudreuil League and then for the C.N.R.

1940 saw George enlist in the Canadian Army, and in 1941 sail overseas; taking part in the Allied invasion of France in 1944, he remained with the Great Push through Belgium, Holland and Germany and returned to Canada in October, 1945.

In November, just 30 days after returning from war service overseas he married Hazel Wyeth of Ste Anne de Bellevue, and today George and Hazel have three fine children in 14 year old Patricia, 11 year old Tommy and 7 year old Susan.

Joining the C.N.R. in 1936, today George with 26 years service to his credit, is a foreman at the Pointe St. Charles shops. To climax the closing of a fine season of hockey in which 26 teams participated, from Mosquito to Midret, George and the Executive of the Chateauguay District Minor Sports are holding a mammoth Father and Son Banquet this coming Saturday, April 14th, at the St. Jean Baptiste Marie Vianney Church Hall. An N.H.L. Hockey Star will be in attendance, along with a number of local dignitaries.

The over 300 young lads attending this Banquet along with their Dads, shows the countless amount of hours of work

Junior Hockey Trophies Presented

On the right the C.C.R.A. Trophy for the play-off Champions, to R. Asst. Captain John Wall, Coach Legault of the Chateauguay Cadet Castors and President of the C.C.R.A. Mr. Joe Pettit.

Most valuable player award went to Clifford Rice of the Mohawks and he is receiving the J. McDonald Trophy from Mr. McDonald, President of the League. (Photos by Larry Cowper). Story by J. McDonald

The Chateauguay Junior Hockey Association will be holding their annual Father and Son banquet this year in the St. Jean Baptist Marie de Vianney Church Hall on Saturday, April 14th, at 6:30 p.m. The tickets are available from the team coaches or from Al Round at 692-644. The Association collected \$268. from their recent bingo to buy crests and trophies for the boys.

Belated birthday wishes to Mrs. Pat Round of Ross St., who celebrated her birthday on April 6th. Pat recovering from a severe bout of the flu was still too ill to do any real celebrating. Al, too, has an old recurrence of a back ailment.

Our Lady of Perpetual Help Parish
It was very gratifying to see such a large turnout to the first two Masses held by the new English Catholic Parish, in the Chateauguay Protestant High School on Sunday. Due to such a large attendance, Father Beauharnois feels it will be necessary in the near future to hold an additional Mass, but it will not be

and planning that went into so large a Banquet. This reporter along with staff of Chateauguay Gleaner extend congratulations on a job well done.

possible until after Easter.
The German measles seem to be getting around these days especially to the children of St. Willbrod's School. It is so bad that about 50 children are off at a time. The school now requires that all children in the family affected stay at home. Gusie Murphy of St. Francis is recovering while Michael keeps her company, and the Fisher children of Lang St., will be home while Patsy recovers. Good luck, mothers and lots of patience.
We hear that our Gazette boy Tony Brice was robbed of his paper money on Saturday by two boys. One held Tony while the other relieved him of his collections. Tony accompanied by the police tried to find them, but they had disappeared.
The Chateauguay Home Owners Association were to have had their annual drive for membership on Saturday but due to the heavy rain the executive will have to go out another day. If you were not called upon, you will be, in a few days.

April 28th 1962 - Bowling Banquet Spares. Don't forget to call Mr. J. Simmons for tickets.

Huntingdon Curling News
A rink composed of Ruth Ann McGerrigle (skip), Jean Ferns, Lucy Thompson and Mary Elliot represented the Huntingdon Ladies Curling Club at a bonspiel for the MacDonald Trophy which was played in Montreal last week. This was the first time this trophy has been played for, and those entering the competition were entertained at a banquet at the St. George Club on the opening night.

On Thursday, an Outremont all day friendly bonspiel was attended by Mary Elliot (skip), Lorraine Tannahill, Gloria Brown and Isabel Payne.
The Nelson Fournier Trophy at the Lacolle Ladies Bonspiel was won by Lillian McLean's rink, with Mary Whyte, Gladys Renaud and Verma Dixon in the main event. Another Huntingdon rink composed of Arlene Duke (skip) Edna Smith, Leona Sparrow and Rose Deme, won the Special Consolation.

Nitro Highlights

Correspondent: MRS. BERYL MacDONALD, 24 Kert
 Route Boy: MIKE LATOUR
 47 Lapointe, Nitro.

NITRO - We are all very sorry to hear that Mrs. K. Myers is very ill. Mrs. Myers is residing with her daughter, Mrs. H. Lusigneaun of Robb Street.

Mrs. B. Latour is expecting her father to visit the family in May. Mr. Warren who has not seen Blanche for fifteen years is making the trip from Newfoundland and it will certainly be a time for rejoicing for both daughter and father.

The Nitro Girl Guides and their leaders spent a Saturday at George and Shirley McKee's sugar bush in Havelock. For lunch the girls made fires to warm up hamburgers and beans and then they had taffy on snow. Besides getting wet they enjoyed a ride on a wagon. The transportation from Nitro to Havelock was supplied by Cub Master Armand Cyr. Jim Curran, Calvin Baskin and Lyall Baskin. The girls had an enjoyable day and would like to thank the many people responsible.

A party was held at the home of Lil Elson on Saturday evening in honour of her daughter's twenty-third birthday. I wish to thank everyone responsible for the party and the lovely gift.

Mrs. P. Manwel spent Sunday in Cornwall visiting friends and relatives. The Manwels were telling that Jerry has received his transfer and will soon be sent to Pembroke. They are very pleased, not at leaving Nitro, but they will be closer to both their families.

Sorry to hear that Mr. Norm Dawson is at home with the measles. It seems to really be hitting the adults in Nitro.

Mrs. E. Wilson and her children, Jackie and David are sailing for Scotland on Friday morning. We would like to take this opportunity to wish them a good trip and a nice visit. Birthday wishes go to Michael Latour, who celebrates on April 3rd. Best wishes Mike! And in the same family speedy recovery to Kitty who has the measles.

Beauharnois Ladies Auxiliary single darts trophy was held at the Legion Hall on March 28. The winner of the trophy was Com. Margot Charlebois. Congratulations Margot for a job well done. The district dart round was held in Caughnawaga on April 1st, and the team standing is as follows: Mohawk Aux. 45, Beauharnois Aux., 44. The next round will be held soon in Beauharnois.

The annual play-offs for the coveted Bourassa Trophy will be held in Beauharnois on April 14, at the Royal Canadian Legion Hall. All Auxiliary members are asked to send out a team of four players to represent their branch.

The Wednesday night Auxiliary darts gave the following team standings: Hopeless, 29; R.M.R., 38; Stooges, 31; Misfits, 27.

Royal Canadian Legion Bowling League
 (Rena Piette)
 Play-Off - 1st round 3 out 5: Commanidos eliminated by Army 3 out 5; Navy 2 vs Marines 1; Air Force 2 vs Merchant Navy 1.
 Ladies: H.S. Jessie Vardon, 13; H.T. Charlebois, 350.
 Men: H.S. L. Vardon, 150; H.T. L. Vardon, 513.

Beauharnois Social and Personal
 Belated birthday wishes go out to Mrs. L. Brown, who celebrated on April 4th.

Get well wishes are sent to Mrs. Falardeau, who is recuperating from surgery in Barrie Memorial Hospital; from all her friends in Beauharnois.

Mrs. L. Cartier is on the road to recovery in Barrie Memorial Hospital, Ormstown, and hopes to return home in a few days.

B.I.S. News
 The senior students are busy this year practicing track and field events and as most put it, "getting into shape". The practices are limited however due to the fact that they have to be held indoors but the students are hoping it won't be too long before they will be able to get outside and really practise for this year's track meet.

Caughnawaga News
Strange Activity
 It has been noticed that strange antics have been going on in the Knights of Columbus Hall during worth-while. We hope the rious ages congregate in large numbers to run, exercise and throw a football around. Apparently the C.Y.A. are determined that their teams will be in good physical shape this year, and perhaps will make all this training worth while. We hope the football lads will have as fine a group of cheerleaders to support them as they had last year.

Home Baking Sale
 The United Church Energetic club have planned a sale of home baking for Saturday, April 14, Church Hall, and will begin at 1 p.m. You will be most welcome.

Special Service
 On Palm Sunday (April 15) the United Church congregation will celebrate the Sacrament of Holy Communion, at the 11 a.m. service. New members will be received into the fellowship at that time.

Where's Grandma?
 No, we really have not lost anyone. The title of the play being presented by The Energetic Club in May is "Where's Grandma? Outstanding talent has been imported, to support the excellent abilities of the club members. Play practices are a great deal of fun, and a smash hit is prophesied. Be sure to watch for further notices about this event.

Maple Troop
 On April 3rd six boys were invested into the troop. They were: Bruce Mavbury, Rex Barrett, Michael Parsons, Nelson Beverage, Ian Neal and Al Bower. Congratulations go to all six boys. The troop played a game of Crows, Crabs and Cranes and had their usual instruction period.

Pathfinder Troop
 Last Thursday April 5th, a going up ceremony was held at St. George's Church, on St. Francis Blvd. Ron McIntosh was brought up from the Panther Pack and put into the Beaver Patrol of the Pathfinder Troop. The Beaver Patrol was formed recently and now has Scott Cushing as Patrol Leader.

Mohawk Sea Scouts
 Last Friday evening at Julius Richardson School the Chateauguay Mohawk Sea Scout Crew was visited as planned by the Beauharnois Sea Scouts. After the opening ceremony on board the Land Ship, patrol competition was held with swabs and triangular bandages. After that the twenty or so from Beauharnois and the twenty-six of us had some drinks (soft drinks). During the closing ceremony Bobby Muir, a new scout who just joined a couple of weeks ago, was invested. Lawrence Prater, his Patrol Leader put on his patrol colors, the Blue Taron, Blue and White. A Sea Scout manual was presented to Bob on behalf of the troop. This will be done from now on at each investiture in this

troop.
Tips For Scouts
 Now that Spring is here start watching for the Winter Migrants and jot down the type of bird and the time of the noticing. Scouts will find it useful to carry a pad and pencil with them. Where it says 'Boy Scouts of Canada' on your shirt you can fit a short pencil in. This is handy, but keep it well in. Don't forget the Scout Motto "Be Prepared". If any one has a tip or tips that can be published in this column please contact me at 692-6113. Make sure it has to do with Scouting, don't forget 'A Scout's duty is to be useful and to help others.

successful and entertaining evening which was well attended as usual. A similar remark applies to the Bingo held by the Mens' Club on Saturday afternoon, which was also well attended and very successful. This week the programme for Wednesday is the same as usual. On Thursday 12th, Carpet Bowling will start at 7:30 p.m. and the Card Room will be used by the C.P.O.A. for their executive Meeting. Friday 13th (no walking under ladders etc. that day) Carpet Bowling will start at 7:30 p.m. and on Saturday 2:30 p.m. the Ladies Auxiliary of the Chateauguay Boy Scouts will hold a Bake Sale and Tea in the Community Hall. At 7:30 p.m. same evening Mrs. Showers of "Sicily" will give a Children's Party.

VETVILLE

Correspondent: E. C. Dowler (Snr.) Apt. 6, Amiens Apt. Bldg. OX. 2-2855
 Route Boy: HUGH CAMPBELL, 406 LANG AVE. OX. 2-4780.

April Showers
 Saturday last was certainly a humdinger. Owing to the mist and rain, the view from my window was the Molson Ave. potholes which resembled a checker board. Think we have now experienced every type of weather over the past few weeks. Snow and ice washed away has now been replaced by quagmires, puddles and mud to the hocks. Guess the next chore will be mowing the lawns.

Here and There
 Son John with his wife Marion paid their almost routine weekly visit to Mrs. Agnes McKenzie on Sunday afternoon. Our sincere wishes for 'bon voyage' to Jimmie and Mrs. Cashion leaving Friday next per Cunard "Evernia" for France. Despite time being the great healer, nostalgic memories will be natural when visiting their son's resting place for the first time, but am sure the comfort derived will ameliorate the parents. These two residents will be back in about three weeks. Hear that Jack and Mrs. Bain of "Dunkirk" will pay a lengthy visit out west this summer, also Mrs. Annie Stevens of "Mons" will spend a six month vacation at Albuquerque, Mexico. Mrs. Mary Manks of "Amiens" spent last week end visiting her son and family at Pointe Claire.

Hospital
 Deeply regret to hear that Jerry Chiasson of "Somme" was taken back to Queen Mary Hospital for veterans at the end of last week. It is sincerely hoped that he will soon be enabled to return. Our sympathy is extended to Mrs. Chiasson during this critical period. Am pleased to report better news regarding Mrs. Jas. Banks of "Dieppe" who came home from Montreal General Hospital last Wednesday convalescing from her recent major operation. Our best wishes for a complete recovery.

Solution To Last Week's Poser
 The Mens' Outfitter was out \$2.00 and the pair of gloves he had sold the customer who passed him the \$10.00 counterfeit note. As he received ten good dollars from his neighbouring storekeeper, he had paid only \$2.00 in change.

Another
 A dad's reply to his son's query "How old are you Daddy?" "I was twice as old as you are, the day that you were born; You will be just what I was when when fourteen years are gone."
 How old was the boy's dad? Answer next week.

Pro-Tem.
 This correspondent will continue to do his best for the next two issues, and takes this opportunity of thanking all those who assisted with their cooperation during his tenure as correspondent.

Activities.
 Last week the regular Ladies Sewing Circle and Carpet Bowling was held in the Community Hall, on Wednesday afternoon, and the weekly Card Party (Whist) same evening. The Carpet Bowling arranged for Friday evening, last was cancelled due to visit by the Royal Canadian Legion, St. Lambert Branch who paid a visit and put on Bingo Games for the residents for a very

ladies who phoned me regarding my remarks in last week's column apropos the Stop Signs erected. Strangely enough, after hearing their very convincing side of the matter, I realized that for some while past I had been very conscious of the basic reasons for the steps they had taken. Moreover, they willingly supplied me with some very vital statistics which had much to do with my own decision to leave this locality, which I will do within the next two weeks. The rural conditions which existed several years ago have long since disappeared, and to elderly folk, the quiet strolls have become increasingly less attractive for necessary exercise to say nothing of the need for caution when venturing on the local roads from two-way traffic over torn up roads in a deplorable condition. Some of the facts accumulated from residents appear elsewhere, and it is hoped the Gleaner will give support to efforts to ameliorate present deteriorating conditions as this publication has long been recognized as a strong medium for action in all matters of public welfare and interest. For the reason stated, and the need for residence nearer the Queen Mary Veterans Hospital, it became increasingly evident to this correspondent that the move was essential, but it will be one with many regrets for the happy association and many friends he will be leaving. It has been suggested that in future, arrangements will be made to include the Dunver-Vetville-McLeod area in the one column, which, if approved, will I am quite certain, result in a far more interesting and objective one than at present, and will doubtless be more competently handled with so many interested readers with more initiative and bright ideas. This decision will of course have to be approved by our popular News Editor whose experience will be invaluable.

IMPERIAL GARDENS

Mrs. Mary Stafford
 Correspondent: 56 St. Leon OX. 2-4463
 Route Boy: Andre Ferland

St. John's Ambulance
 Please watch the Gleaner for an announcement of an Artificial Respiration Class to be given by the St. John Ambulance Association. There will be a class given for youths 11 years and up and then one given for adults. Let's all take this opportunity to learn a most important safety measure and let's not allow this opportunity to pass so we will all be prepared for the summer swimming and the hazard that is always present.

Comical Signs
 Must pass along some Art Linkletter's favorite signs - Outside a Supermarket - Be like Robinson Crusoe, have most of your shopping done by Friday. Outside of a Garden Tool Shop - Take me to your weeder.

Primeau Street
 Primeau Street will surely be renamed "Mudrock Row". The condition of the street is deplorable and many mothers have telephoned the Town Hall with complaints of how dangerous all these rocks are to the children who are near when huge trucks go by, apart from the mud that is continually dragged in to the houses each day. We thought we had passed that stage in pioneering. We don't however resent new people coming in to our area. Everyone will benefit from this growth but we wish the builders could do something about this situation. The Town Hall certainly didn't give any encouragement and actually claimed it will be worse as the sewers had yet to be installed.

West End Bingo
 Last Wednesday the West-end Bingo was successful as usual. Perhaps not as many were there due to the Church Service which was being held. Yolande Gilbert came home with a nice door prize and Mrs. Jean Renaud of West End won herself a Permanent to be given by Salon Lise.

Out-Of-Town Visitors
 All the way from Port Alfred Chicoutimi, Yvan Gilbert's brother, Yolande Gilbert and family are staying for a few days. Not very nice weather for their visit.

Exercising
 Not only ladies in Imperial Gardens are getting their daily exercises but a little bird mentioned that there are two gentlemen on St. Maurice St. who are pretty good lately! Speaking of exercising if any one is interested in getting in on the physical culture classes which are going to be given under the Association des Loisirs there is still time to register.

Outside Launching Pad just before John Glen took off into space - "If you care enough, send the very best!"
 Get Well Soon
 Glad to hear that Fernande Yeomans is feeling a little better. Keep up the good work Fernand.

Recipe Exchange Corner
 (Much requested recipe)
LEMON SQUARES
 1 1/2 cups Graham wafer crumbs
 1/2 cup melted butter
 1/3 cup brown sugar (packed)
 1/4 teaspoon salt
 3/4 cup sifted flour
 2 teaspoons baking powder.
 Mix above ingredients well. Spread 2/3 mixture in 8 x 12" pan, patting down well on sides and bottom of pan. On this spread the following lemon filling:
 1 1/3 cups Eagle Brand Sweetened Condensed Milk (15 oz.)
 1/2 cup lemon juice
 1 teaspoon grated lemon rind.
 Mix 3 ingredients well. Sprinkle remaining crumb mix over lemon filling and cook at 350 F. for 20 minutes.

GARY MILLS
144 St. Marys Blvd. OX. 2-4757.

Well the weather was certainly not very good over the week end, so much rain, it didn't help the flood situation. But cheer up the good weather must be coming soon.

Church News.
At St. George's Anglican Church on Thursday, April 12th, at 8:00 P.M. Archbishop John Dixon of Montreal will be here to confirm thirty candidates. After that very impressive service, light refreshments will be served in the Church Hall. Everyone is welcome to this service and to meet the Archbishop.

Birthday.
Happy Birthday Wishes go out to Mr. Don VanDoran, of Egin Dr. who celebrated his birthday on April 6th, from your friends and neighbours.

Social.
Mr. and Mrs. G. Dube and family of Sherwood Cres. spent a few days visiting Mr. Dube's parents and relatives in Quebec City.
How about giving me a call at OX-2-6534, with any of your news items, such as birthday anniversaries or what have you, you'll be shy, love to hear from you.

WEST END

Route Boy:
EDDIE SMEALL
20 St. Louis Rd. OX. 2-6190

On Sunday, it looked like Spring had really sprung. Folks out raking, talking to their neighbours or just walking around sizing up the jobs to be done when the ground gets a little drier. The children busy with alleys, skipping, hopscotch and all the games which they love come spring.

Water Improvement.
All are glad to know the news from the council meeting. In about 3 months we will have natural filtration and lovely clear water.

Express Thanks.
Mr. A. Campbell wishes to express his thanks to the fathers of the Cubs and Scouts who so willingly gave of their time to canvass on the recent Boy Scout Campaign. Due to the generosity of West End residents, a total of \$55.00 was realized.

Hockey Team Presentation.
Mr. and Mrs. F. Jones opened their playroom to coach Dot

Houston and her hockey team for a party and presentation of crests and the Molson Trophy. The 13 girls enjoyed games and dancing, refreshments and cokes. I understand they had a great time and were reluctant to leave to go home. Our good friend Pete of the Bowlarama donated some bowling passes for this event as prizes, for which we thank him very much. Crests were from Sports Committee.

Successful Event.
The Ladies Committee had a very successful evening last Wednesday. Considering all the events which are taking place in Chateauguy nowadays, we were very satisfied with our turnout. Everyone seemed happy with the many lovely prizes we had most generously donated to us. We thank all those who attended and I personally thank my bingo committee members for a job extremely well done.

Birthdays.
Debbie Hilloch entertained four small friends at luncheon, on Friday, April 6th. This day being her 4th birthday. Linda and Janice Golden, Paul and David Poupard, enjoyed the birthday cake and games played after lunch resulted in much laughter and merriment as only little ones can make. Many more happy birthdays to come Debbie. Mommies were invited too.

Sunday, April 8th, was a birthday date for Mrs. Betty Hilloch. Belated Happy Birthday, Betty. On Saturday, March 31st, Patricia Mackey was hostess to 5 of her friends. The occasion being her 9th birthday. The afternoon passed all too quickly with a twist contest, bingo games and to top it off delicious refreshments and a lovely cake. Several friends could not make the party due to flood conditions in their district. Sorry this is a week late Patty.

C.P.O.A. Ladies.
The Annual Summer Fair is coming up in June. Don't forget to bring in articles for the various booths. The "New Booth" "Dolls Clothes", "Books" and a new booth this year the "Nursery Booth". Save your plants, bulbs and cuttings for this. It is very hard for those in charge of these booths, to run them, unless people cooperate and bring in what articles they can, as soon as they can.

Happy Birthday.
A happy birthday to Heather Jackson of Lockhart St., who was 3 years old on April 5th.
Also to Teresa Roper of Duquette St., who will celebrate her 3rd birthday on April 12th. A very happy birthday Teresa.
A happy birthday to Gisele Bauer, who will celebrate her 19th birthday on April 11th.
Also to Thomas Keenan of Craik St., who celebrated his 21st birthday on April 4th.
Congratulations to Flo Hurtubise and Dolly Miller, Champions in the C.P.O.A. Bridge Tournament on Thursday night. Also to Sheila and Rollie Roy, who came second.

Brownie News.
The 2nd Chateauguy Brownie Pack met on Thursday, April 5th, in the High School. The following girls have flown up to Guides: Donald Paquette, June Flanagan, Donna Wiltshire, Darlene Hilton, Maureen Boland and Simone Cavin. We also had several girls transfer to the new pack in the Terrace.
On April 19th the Brownies are going to have a Demonstration and Tea for their parents. All fathers and mothers are most welcome to attend and we hope for a large turnout.

The winning team will be the one with the highest pinfall at the end of three nights' bowling.
Ladies' High Triple: Gladys Silmmons, 390; High Single: Marion Campbell, 140.
Men's High Triple: Bill Blimmoms, 446; High Single: Ken Luck, 157.

The bi-monthly bridge clubs meet this evening, Betty Hamilton and Bernice Kane are the hostesses. There already plans afoot to set up a marathon bridge next season. In this way all "bridgettes" of the Terrace would play once every two weeks with three other girls. Through a system of rotation a large number of members could be involved. Hostess and her players would vary at each meet. Sounds like a good idea. We'll hear more about it next September.

Don and Sandra Yaxley of 104 Greening, have increased the Terrace population. A baby daughter arrived on Saturday, April 7, weighing 7 lbs. 11 oz. She is the second daughter. Our best wishes to the happy family.

Marie Noella Louise Delhaes of 99 Tulip Street received her name officially on Sunday last. The proud parents, Mr. and Mrs. Jean Delhaes, escorted their new little daughter to Christ the King Church where she was baptized. Godparents are Mr.

and Mrs. J.J. Therrien. Mr. Therrien is Mrs. Delhaes' brother. Little Marie was feted upon returning home by twenty-two relatives and friends.

The Terrace Recreation Association held the annual budget meeting on Monday night. Committee chairmen were introduced to members, Constitutional By-Laws were read and approved. As the committee chairmen were introduced they presented their budgets for the coming year. Winter Sports, headed by Bill Campbell, were given a budget of seven hundred dollars (\$700). This involves the cost of hockey equipment and rink. Summer Sports with Vic Parsons received two hundred and seventy-five dollars (\$275). Girls Sports were allotted fifty-three dollars (\$53). Pat Dryden is chairman. The above amounts are scheduled mainly for equipment. The Social Committee headed by George Smith needed a working capital of three hundred dollars (\$300). The money will be procured by the Ways and Means Committee headed by Charles Turner. All funds will be raised through raffles, dances, carnivals, etc. The community will not be expected to supply directly the amount needed.

Much discussion ensued with regard to proposed park embellishments and skating rink. Action will be taken to level Ranger Park. This is the only item definitely decided.
Discussion concerning a proposed drama group and information association regarding town meetings will be given next week in this column. Our parting note — the water trucks have been dismissed. The mud emanating from your faucets is declared drinkable!

Mr. and Mrs. L. Gunstone of London, Ont. are visiting their son-in-law and daughter, Mr. and Mrs. Harry Williams of Oliver Avenue.

Rosemary, three-and-half-month old daughter of Brendan and Bernice Boyle of Gilmour Avenue is progressing favorably following a stay in the Children's Hospital in Montreal with double pneumonia. Bernice had double pneumonia at this time.

Mrs. Simone Dupont of Gilmour Avenue entertained at a

dinner party on Sunday April 8th at her home in honor of her son Serge for his seventeenth birthday. Guests included Mr. and Mrs. Arthur Reid, Grandparents, Mr. and Mrs. Marcel Reid, Mr. and Mrs. Urie Dupont, Mr. and Mrs. Robert Lapierre, all of Chateauguy Centre and Mr. Art LaBrie of the Station. We would like to extend birthday greetings to Serge.
Congratulations also to Nicole daughter of Simone, and her class at Notre Dame de L'Assomption School who successfully competed against Valleyfield group in a scholastic quiz. The score was 26-25.

not that he would be forming one. It is this writer's humble opinion that with so many Homeowners Groups in our area that some of their time and effort could be diverted in this direction. With the coming of Spring each year, we old timers of Chateauguy hope that the situation will better itself and so far as natural floods are concerned this has been the case with the help of the blasting of the river channel. The overflow of culverts and sewage in the developments is of course another situation and if I may say so, an extremely difficult one to face. This is a horse of another colour, not that of Mother Nature but man made. Such a situation will require many years of corrective work and concerted effort on the part of homeowners and town officials.

Building chairman Norm Palmer is studying plans and specifications submitted to him for an extension to the Branch Hall to accommodate an estimated additional 60 members. The building committee's recommendation will be presented to the members at an early date. The elected officers of the Ladies Auxiliary will be installed on Saturday, April 14th, at 8 p.m. sharp, also on Saturday the regular monthly District Meeting will be held at the Chateauguy Branch, Sunday next the semi-weekly mixed cribbage tournament.

LEGION NOTES
CHATEAUGUY BRANCH 108.
A very sparse attendance showed up last Saturday for the dance at the Chateauguy Legion Hall. Factors contributing to this poor showing were inclement weather, hockey play-offs and flooded cellars. This is the second time in about a week that blocked or inadequate sewers and ditches have caused cellars to be flooded in the Dunbar Road district.

Rain and fog and empty faucets Sun and wind we have them too. Giant chasms kids can fall in Broken water pipes we rue.

Friday night saw the start of

the Bowling play-offs. It's interesting to note the way various teams have changed their standings from the weekly scores. There must be some players from Chicago. It's any-

Bon Voyage Party Held.
Mrs. Betty Harmer of St. John Blvd. was the guest of honor at a surprise Bon Voyage Party on Friday evening, April 6th. The party was held at the home of her daughter-in-law Pat on Gauthier St., The Station. Mrs. Jean Longman of Boivin St. was co-hostess. Betty is sailing for England on Friday, April 13th where she will be the guest of her daughter until sometime in November. Her husband will join her in the Fall for his vacation and accompany her home. Her friends gifted her with luggage on Friday evening and wish her Bon Voyage and a happy holiday.

Birthdays greetings to Donna-Lee Williams of Oliver Avenue who observes the all important day on Thursday, April 12th.

Special friends of mine, the Yarnell twins of Smith St. will be having birthday parties this week along with their neighbour Valerie Smith. To all three girls, Sandra, Shirley and Valerie a most happy day.

Glad to say that Doreen Hammerbeck is now at her Gilmour Avenue home following a stay in St. Mary's Hospital and is making excellent progress.

I would like to correct Mrs. Mulvaney of the Terrace who stated that Mr. William Canvin was interested in forming an Emergency Measures Organization. Mr. Canvin merely stated that he would like to see the formation of such an organiza-

Views Round-Up.
Our best wishes to Mr. Jack Burns of Desrochers St., The Station who has been indisposed of late.

Mr. Cyril Smith of Toronto, Ontario has been the recent house guest of his Uncle and Aunt, Mr. and Mrs. C.A. Smith, Hamilton Avenue, The Heights.

Anniversary greetings to Mr. and Mrs. Ronald Schuman of Watt Avenue, The Heights who observed their 9th Anniversary on Wednesday, April 4th.
