## DIRECTORY BORROWERS.

Many are the complaints of those who regularly patronize the Directory that they are bored so much by borrowers ; not the stranger or private citizen who steps into the office, looks at the Directory, and goes out, but business men who continually need it for reference, yet are too close-fisted to buy one. These are the individuals who carry off your Directory "just for a few minutes," which generally means A FEW DAYS unless you send for it before ; then you have scarcely housed it before some one else presents the request "Please lend me your Directory for a few minutes?" Perhaps you won't see it again for a week ; yet this same borrower will tell our solicitor that he has no use for a Directory, he "knows everybody" and "everybody knows him."

---

As the publishers of the Canada Directory of 1850 and 1857, of the Dominion Directory of 1871 (a work that cost \$80,000 to produce), of the Province of Ontario Directory of 1881, of the Province of Quebec Directory of 1890, and of the Montreal Directory for over 50 years, we feel confident we have published a book that is satisfactory to our subscribers. Our Dominion Directory received the highest praise from its subscribers and the press. As a number of years have elapsed since anything like this work has appeared, we are persuaded the mercantile community will find this useful work of reference needful and opportune.

The Directory consists of three parts:

First. **ALPHABETICAL DIRECTORY** of every City, Town and Banking Village in the Dominion, giving a description of it, together with its business and professional men.

Second. **CLASSIFIED BUSINESS DIRECTORY**, under which the names found in the Alphabetical portion will be classified under their proper business headings.

Third. **MISCELLANEOUS DIRECTORY** of useful information.

Nearly every name that is shewn in its pages has been taken by a door to door canvass by experienced and painstaking agents, thus ensuring a correctness not otherwise obtainable. As to the mechanical portion of the book, it is superior to any of the books preceding it published by our firm. It is printed from new type and on fine paper.

The Classified Directory is made as full and reliable as it is possible to make it, and the Miscellaneous Directory, gathered from the best up to date sources, is replete with matters of interest and usefulness to all business and professional men.
