SHERBROOKE, CANADA, MONDAY, JANUARY 23, 1933.

Thirty-Sixth Year.

IRISH ELECTION CAMPAIGN CLOSES WITH WEEK-END OF GRAVE RIOTING

Farmer Vote Expected to Control Election Tomorrow—Cosgrave Followers Returned Three of Four Members of Dail Elected by Acclamation—Proportional Representation Expected to Delay Final Results—Hundred Injured in Election Fights During Week-End.

Dublin, January 23.—For the second time within twelve months the Free State tomorrow goes to the polls, and a bumper poll is expected as climax to a campaign which has been bitterly contested throughout.

More than one hundred Irishmen were nursing cracked heads and other injuries suffered in lively political riots over the week-end; as the chief figures in the political drama, President Eamon De Valera and former Premier William T. Cosgrave, issued their final appeals.

Four members of the new Dail—three Opposition and one Government member—are already returned by acclamation, leaving 149 members to be elected tomorrow. Twenty-nine constituencies are voting, with the number of seats in each varying between three and nine.

The electors total 1,719,705, which is an increase of 31,912 over the figure at last year's elections. Of the total, 833,776 are women. There are 356 candidates, which represents a decrease of thirty-three from last year's field.

The leaders of both the main parties are planning huge closing demonstrations. Mr. De Valera says his final word in Dublin tonight. Mr. Cosgrave has six meetings in Cork to wind up his campaign.

The voting is done by proportional representation. The counting begins on Wednesday, so that the returns of those elected on the first preference votes are expected late Wednesday afternoon, but the final results will not likely be learned before Friday.

And as the battle closes, the question of which way the farmer will vote remains a great mystery which only the ballot box will solve. Both sides recognize the issue lies largely in the hands of the farmers, and the farmer is saying very little.

WIDE ARRAY OF PROMISES OFFERED IRISH ELECTORS

Dublin, Irish Free State, Jan. 23.—The electors tomorrow in the Free State will choose from a considerable array of promises.

The Republicans under de Valera promise: The end of the oath of allegiance; no change in the land annuities stand toward Great Britain; reduction of taxation; halving of land annuity payments to the government; protection of domestic industries; an attempt to make the country self-supporting as far as primary products are concerned; improvement of export markets in foreign countries; abolition of the Senate or reduction of its membership; reduction of the size of the Dail.

The Nationalists, under Cosgrave, promise: A trade agreement with the United Kingdom; cessation of economic warfare with Great Britain; negotiations for revision of the land annuities agreement; as good a market in the United Kingdom for agricultural products as any other country has; reduction of land annuity payments to the government by half and their cancellation until the end of 1934; no sacrifice to the Free State's fiscal independence in gaining these objectives.

DOCTOR ANNOUNCES NEW PNEUMONIA TREATMENT

May Prove to Be Pneumonia What Quinine Is to Malaria or Antitoxin to Diphtheria.

Washington, Jan. 23.—Edwin E. Zeigler of the United States Veterans Administration has reported the discovery of a new treatment for pneumonia which "may prove to be pneumonia what quinine is to malaria or anti-toxin to diphtheria." The treatment, a substance called "pneumocholin" has been found capable of building up immunity in rabbits against "type one" pneumonia, so that they are able to resist attacks of this disease which ordinarily would prove fatal, says Dr. Zeigler in the administration's medical bulletin.

Pneumonia in rabbits runs much the same course as in human beings. The treatment has not yet been tried on humans. So far it has been used only for "type one" pneumonia, but experiments with other types are under way.

Pneumocholin is produced by dissolving pneumococci—pneumonia germs—in sodium tartrate, derived from bile.

THE WEATHER

TUESDAY FAIR WITH MODERATE TEMPERATURE

A rather deep depression, moving northeastward from Quebec, has caused strong winds on the Great Lakes, with rain or snow in Ontario, Quebec and the Maritimes. The weather has been fair in the Western Provinces, moderately cold in Manitoba and Northern Saskatchewan, but comparatively mild in Alberta. It was very mild in Southern Ontario yesterday. Pressure is relatively high over the Middle Western States.

Forecast: Fresh westerly winds; fair, with a little lower temperature tonight. Tuesday: Moderate westerly winds; fair, with moderate temperature.

New England: Fair and somewhat colder tonight and Tuesday. Temperature yesterday: Maximum 35, minimum 10. Same day last year: Maximum 29, minimum 20.

IRISH ELECTION TO BE SETTLED TOMORROW

Tomorrow will be election day in the Irish Free State, one of the most violent campaigns ever witnessed in Ireland will be over, and to the people will fall the task of deciding the all-important issue.

Whether the electors will support former Premier William T. Cosgrave, who advocates a sane administration and closer relations with the United Kingdom, or give their votes to Eamon de Valera, who insists upon breaking all British ties and leaving Ireland desolated and on its own resources, is the question to be decided.

In the inset above is a picture of De Valera addressing an open air meeting during the campaign, while the large picture shows a crowd in Dublin just before it broke into open violence during which some thirty persons were injured.

ROAD MINISTER MAKING DRIVE FOR TOURISTS

Increasing Efforts Needed to Bring Tourists in 1933 Owing to a Number of Counter-Attractions.

Quebec, January 23.—The Provincial Road Department is to make a special drive this year for United States tourists. Hon. J. E. Perrault, Minister of Roads, has announced, Depression, coupled with the modification of the United States liquor laws and the Chicago World Fair, is expected to alter the flow of automobile traffic slightly, and the department charged with developing this trade in Quebec plans to undertake a campaign to compensate for these new rivals.

Since the time, a few years ago, when the first real impetus was given to the tourist traffic here through improvement of the highway system and international propaganda, the number of automobiles entering this province has increased sevenfold.

In 1922, according to figures disclosed, the number of cars from other provinces or from United States which came into the province reached a total of 95,000. In ten years the total number of automobiles was 730,000, which was considered marvellous, in view of the prevailing economic conditions.

While a large amount of money has been invested in publications such as road maps, booklets and pamphlets, publicity and advertising has been conducted on a large scale across the border with the result that in cases where tourists could not be attracted to come here at least they were made aware of the beauties and attractions of this province.

Throughout the United States and Ontario reliable information will be prominently displayed for those intending to make tours demonstrating the advantages offered by this province for inexpensive and at the same time most attractive trips.

Some legislation, the nature of which will be divulged before the House, will enable the Minister of Roads to continue his work.

THOUSANDS MADE WORKLESS AS RAILWAY SHOPS CLOSE

Employees at Angus Shops Expect Reopening of Plant in February, But Road Officials Refuse Any Statement.

Montreal, Jan. 23.—Some 4,000 men were out of work today as the Canadian Pacific Railway Angus shops closed. Railway officials explained that the January allotment of work had been completed. No prediction was made as to when the shops would re-open, but there was expectation among the men that they would be again at work sometime in February. A skeleton shift is being maintained in the passenger car department.

THREE ARMED HOLD-UPS IN MONTREAL

Montreal, Jan. 23.—Henry Greenspool, proprietor of Ladies' Wear Store, received a bullet wound in the foot during one of a series of three armed hold-ups in the city over the week-end. A total of \$944 was netted by the bandits.

POWDER MAGAZINE SAFE TO CURRENCY INFLATION

Present System of Cabinet Management Preferred to Any Inflation Policy by Billy Moore, Former Head of Tariff Board.

Sarnia, Ont., Jan. 23.—Inflation was described as "a powder magazine about which it is dangerous to go looking with a match for a heaven on earth," in an address here by W. H. Moore, members of Parliament for Pickering. Mr. Moore, formerly was chairman of the Federal Tariff Board.

"We have a managed currency now and we are not on the gold standard," Mr. Moore proceeded. "If we have to have more inflation, then we'll have it, but personally I prefer to see the cabinet continue to manage money and the country go along paying its debts."

NO CHANGES IN OTTAWA POLICY FOR SETTLERS

Soldier Settlers Making Sincere Effort to Meet Obligations Not to Be Disturbed by Officials.

Ottawa, Jan. 23.—The policy of the Soldier Settlement Branch adopted more than a year ago, to the effect that no settler under the act will be disturbed if he makes a sincere effort to establish himself and is unable to meet payments because of circumstances beyond his control, has not been altered. This was the statement of department officials whose attention had been drawn to a despatch from Prince Albert, Sask., which stated the local branch of the Canadian Legion was about to appeal to the Dominion Government on behalf of some needy veteran settlers.

Since the above policy was enunciated by Hon. W. A. Gordon, Minister of Immigration and Colonization over a year ago, there have been no forcible foreclosures of mortgages held by the Government on soldier settlement farms, it was stated.

Concessions to soldier settlers have reached a point, it was said, beyond which the Canadian Legion does not wish the Government to go unless the same concessions are made to the remainder of the war veterans. Soldier settlers comprise only three per cent. of the return-pensioned Canadian Expeditionary Force.

Thousands of veterans settled themselves on farms at their own expense without Government assistance. Many of them are suffering hardships and unable to meet interest rates on mortgages held by private persons. Further concessions or aids to soldier settlers might well raise the argument that similar assistance be given those who settled at their own expense—or to all members of the agricultural class who are in difficulties.

INFLUENZA EPIDEMIC CHECKED

Blind River, Ont., Jan. 23.—The influenza epidemic, which caused schools and churches to be closed temporarily within the last three weeks, has been completely checked, it was reported today. Only a few cases have been reported within the last two or three days.

JAMES M. COX SUPPORTER OF BRITISH DEBT PARLEY

One-Time Candidate for Presidency Sees Conference as an Indication that World Has Started to Think Way Out of Troubles.

Dayton, O., Jan. 23.—Ex-Governor James M. Cox, one-time United States Presidential candidate, in a signed statement in his newspaper today on the subject of international debts, says:

"The most heartening development in a long time is the news from Washington that the United States and England will sit down together in a serious effort to settle the debt question. This very definitely indicates that civilization through the instrument of government has started to think its way out of the world's disorders."

WORLD POWERS CLASHED OVER ARMS DECISION

Points of Conflict Outweighed Those of Agreement in Year of Disarmament Effort at Geneva.

Washington, Jan. 23.—A year of disarmament effort at Geneva was said by the Foreign Policy Association today to have resulted in points of conflict between the great world powers outweighing those of agreement.

A report prepared by William T. Stone, Washington representative of the Association, summarized the points of agreement and disagreement as follows: Agreement—qualitative disarmament; prohibition of air attacks against civilian populations; prohibition of chemical warfare; provisional agreement on control of arms manufacture; budgetary limitations and supervision; November and the principal of equality of rights approved in the five-power declaration as part of "a system which would provide security for all states."

Disagreements—Germany opposing and Great Britain and the United States ignoring French system of security; France and her dependents opposing the Hoover plan for direct military reductions independent of security; France opposing British proposals for direct reductions; failure to apply as a definite agreement German demands for full equality of rights.

DID YOU EVER BUY NICKEL?

Ottawa, Jan. 23.—Canada's export of nickel in December totalled 13,158 cwt. at \$236,501, compared with 11,071 cwt. at \$200,878 in November and 13,027 cwt. at \$232,879 in December 1931.

The export of fine nickel in December was 8,451 cwt. at \$234,016 compared with 15,733 cwt. at \$407,761 in November and 17,208 at \$501,454 in December 1931.

LARGE TURBINE EXPLODED, CAUSING HEAVY DAMAGE.

Burlington, N.J., Jan. 23.—A large turbine in the Public Service Corporation electric generation plant here exploded with terrific force today, badly damaging the structure in which it was housed. Fire followed immediately.

DECEMBER IMPORTS FROM BRITAIN RECORD DECLINE

Alcoholic Beverages and Textiles Showed Marked Falling Off, as Well as Books, Machinery, Electrical Apparatus and Precious Metals.

Ottawa, January 23.—Smaller requirements of alcoholic beverages were the chief cause of the decreased imports from the United Kingdom in December. The total reduction was \$1,308,000 from December a year ago and the reduction in alcoholic beverages alone was \$870,000.

There was a considerable decrease also in some textiles, as well as in books, machinery, electrical apparatus and precious metals. There was an increase in settlers' effects from the United Kingdom, but a heavy decrease from the United States.

WHOLESALE POISONING OF DOGS BEING INVESTIGATED

Long Branch, Ont., Jan. 23.—A wholesale poisoning of dogs, which resulted in the death of seven and the illness of a half dozen others, is under investigation by police today. All the deaths occurred within a few hours yesterday. The victims included a prize-wired-haired terrier, "Rage," owned by W. L. Mills.

COAST GUARDS FIGHT FOG TO RESCUE CREWS

Along Fog-Bound Massachusetts Several Parties Are Reported as Missing from Their Destinations.

Boston, Jan. 23.—Coast guard patrols crept through a "pea soup" fog today in their search for missing men and grounded ships in the waters along the Massachusetts coast.

A surf boat from the Pamet River coast guard station near Truro on Cape Cod, took the captain and crew of eight from the grounded Boston fisherman Vagabond. The trawler went aground last night about two miles off the Pamet River station. It was feared the Vagabond would pound to pieces.

Shortly before midnight last night a patrol boat crept into Boston harbor with the schooner Cambridge in tow. The Cambridge had been reported in distress and the patrol boat was sent to her aid. Despite the thick fog, seven coast guard craft continued their search for Salvatore Calandro and Thomas Fraesia, both of Boston, who have been missing since Thursday in a dory of the fishing schooner Virginia. The men became separated from the ship in the fog.

A coast guard patrol boat rescued Alfred Letourneau, aged nineteen years, and his brother William, seventeen, about eighteen miles off Marblehead. They had been helpless since Saturday in an eighteen foot powerboat. The lads said they had boxing matches as often as they could stand during Saturday night, to keep from freezing.

A patrol boat was sent late last night from Base Eighteen Woods Hole to Nantucket Island with three women who sought to reach the bedside of another woman seriously ill on the island. They were taken aboard patrol boat 147 at Woods Hole and early today had not been reported. In good weather the trip takes about four hours.

ART EXPERT ASSERTS THAT EX-KAISER WAS DEFRAUDED

Statue of Supposed Queen of the Underworld Now in Berlin Museum Declared to Be Colossal Fraud.

Messina, Sicily, Jan. 23.—When former Kaiser Wilhelm paid 1,000,000 marks for a statue of the mythological Queen of the Underworld, says a noted Italian professor of ancient art, he became the victim of a colossal swindle.

The statue, which depicts Persephone, a major Roman goddess, and consort of Pluto, and which now is in a Berlin museum, is said by Professor Eduardo Gall to be genuine.

Gall insists that the thing is "such a monstrous fake," that Italian collectors should cease worrying about their supposed loss.

JAPANESE MANCHURIAN POLICY IS ATTACKED BY OPPOSITION PARTY

Seiyukai Party Leader in Speech in Diet Declares that Activities in Manchuria Are Straining Relations Between Japan and United States—Foreign Minister Declares Best of Relations Exist—Renewed Armament Competition Foreseen as Result of Aggression.

Tokyo, January 23.—Foreign Minister Count Yasuoka Uchida countered a Diet interpellator's declaration today that "a gloomy situation" rules United States-Japanese relations with the blunt statement:

"There is no uneasiness concerning our relations with the United States."

The interpellator in the Japanese House of Representatives was Hitoshi Ashida, Seiyukai party's formally chosen spokesman on foreign policies.

Pointing out that Count Uchida's speech on Saturday did not mention American relations, Ashida declared these "were not in a condition warranting contentment."

He said unless they were improved they surely would produce renewed armaments competition and possibly a world war. Ashida criticized the methods and not the substance of the government's Manchurian policy. Count Uchida replied that the foreign policy was conducted "in accordance with the will of the people and in co-operation with the army."

"But the army is not dragging the Foreign Office along," General Araki said. "The army has never been arbitrary concerning foreign policy," he said.

EIGHT PERSONS LOST LIVES IN VIOLENT STORM

Widespread Damage Also Resulted from Gale Which Struck Sydney and the Surrounding Country.

Sydney, N.S.W., Jan. 23.—Eight persons were killed and widespread damage was caused today by a violent storm striking Sydney and the surrounding country.

A dam burst at Stanwell Park and caused a deluge to descend on weekend campers, including one family—a father, mother and three children—and two other boys.

The father lashed members of the family together to a tree stump and then plunged into the torrent with a baby in an attempt to reach higher land, but all were washed away except one girl.

Near Bulga Beach hundreds of tons of rock crashed on a cottage and killed a boy. The eighth death was of a man struck by lightning. Many streets of Sydney were awash and part of the seafront promenade at Coogee Beach was swept away.

FRANCE INTENDS TO AWAIT RESULTS OF CONFERENCE

Paris, Jan. 23.—France will mark time so far as the war debt question is concerned until results are evident from the pending negotiations between Great Britain and the United States, a high Foreign Office official said yesterday.

Neither Government officials nor the press reflected any disappointment over the fact that the Hoover-Roosevelt communique issued in Washington Friday paved the way only for debt discussions between Great Britain and the United States, with no mention of France.

"It is natural," said the Foreign Office commentator, "that Mr. Roosevelt should deal with the British first for they are the largest debtors. Under the present conditions the opening of negotiations with France will be a delicate matter, but more of a political than economic nature."

"At present the Government does not intend to take any steps and the opinion of Parliament remains against the payment of the installment due last December 15th. The situation between our two countries is like that between two friends who have had sharp words—each is waiting for the other to come around."

"Friday's communique at Washington contained no surprises, but it was of the greatest importance to everyone, France included. This decision to discuss economic and monetary problems is indeed welcome."

"Pertinax," foreign editor of L'Echo de Paris, commenting on the fact that France is not included in the present negotiation arrangements, said: "England and America sooner or later will be forced to solicit her presence."

He interpreted the Hoover-Roosevelt communique as a move for putting Britain back on the gold standard in return for concessions on the debts.

SUB-COMMITTEE TO DRAFT A REPORT ON CONDITIONS

Geneva, Jan. 23.—The League of Nations committee of nineteen appointed a sub-committee of nine members today to draft a report on facts and recommendations for settlement of the Sino-Japanese dispute over Manchuria. The drafting committee consists of British, German, French, Italian, Belgian, Czechoslovakian, Swiss, Swedish and Spanish delegates, with the German chairman.

The nature of the report was fully discussed, showing a sharp divergence of views. The British delegate wished to merely adopt the Lytton report. This report disclosed that Japan had not acted in legitimate self-defence in Manchuria and stated that Manchukuo was not a country.

A dam burst at Stanwell Park and caused a deluge to descend on weekend campers, including one family—a father, mother and three children—and two other boys.

The father lashed members of the family together to a tree stump and then plunged into the torrent with a baby in an attempt to reach higher land, but all were washed away except one girl.

Near Bulga Beach hundreds of tons of rock crashed on a cottage and killed a boy. The eighth death was of a man struck by lightning. Many streets of Sydney were awash and part of the seafront promenade at Coogee Beach was swept away.

REPORT RENEWED BOMBING ON SINO-JAPANESE FRONT

Changchun, Manchuria, Jan. 23.—Renewed Japanese air bombings of Chinese cities and concentrations in the Kailu district in north-east Jehol province on Saturday and Sunday and continued Japanese cavalry activities in the Chihni region, on the southeast Jihol border, were reported today from the Sino-Japanese fronts.

PNEUMONIA CLAIMS NEW BRUNSWICK ARCHDEACON

Venerable Archdeacon Forsyth, of Chatham, N.B., Was in His Eighty-Seventh Year—Had Been Ill for More Than a Year.

Chatham, N.B., Jan. 23.—Pneumonia following a year's confinement in the Hotel Dieu Hospital here resulted early today in the death of Venerable Archdeacon David Forsyth, 87 years old, rector of the Anglican parish of Chatham for fifty-seven years.

The late archdeacon was rector of Chatham from 1879 until 1930, and archdeacon from 1908 to 1932. He also served as Archdeacon of Saint John from 1902 to 1908. Archdeacon Thomas Parker succeeded to the archdeaconry of Chatham last year.

Beloved by all creeds, Archdeacon Forsyth was ordained priest in 1874. He received the degrees of B.A. and M.A. from the University of New Brunswick, and D.L.L. honorary, from the University of King's College. He was born near Sussex, N.B., on October 27, 1845.

LONDON PAPERS OPPOSE GOLD STANDARD RETURN

Discussion of Latest United States Offer on War Debts to Occupy Attention of British Cabinet Today.

London, Jan. 23.—Opposition to the idea of Great Britain returning to the gold standard was strongly featured in today's newspaper editorials after the week-end's digestion of the proposed Anglo-American debt negotiations.

Comments were based on Washington dispatches suggesting the United States may use the British debt as a bargaining weapon to force this country back on a gold basis.

FOUR ENTRIES DEAD-LOCKED FOR INDUSTRIAL LEAGUE LEADERSHIP

(Continued from page 8.) The ice as Codere's adopted defensive hockey.

Boisvert and Harper kept the respective sharp-shooters scoreless during the second frame. Codere's showed the more sting to their sorties, while the red-sweatered crew appeared to wander about in aimless circles.

The Kayser boys were unable to shake off their lethargy in the final stanza, and Codere's took full advantage of the lapse. Vincent dropped in on Harper after three minutes' play and the red light flashed. This shot had cut a swath between Harper's legs.

PROTEST HEARD OVER PLAYERS IMPORTED HERE

East Angus Official Incensed Over Action of Sherbrooke Industrial League Hockey Teams in Luring Performers to This City Over Week-End.

Can the Sherbrooke Industrial Hockey League retain the popularity which has developed it into the best local drawing card? This was the principal question discussed yesterday afternoon during the rest intervals of the East Angus exhibition.

The entire situation, brewing for considerable time, came to a head Saturday night when Canadian Silk Products trotted out two East Angus players, Paul Therrien and Pat King, for their scheduled fixture with the Sherbrooke Cottons.

The visitors slackened their pace in the final frame, content to rest on their laurels. Bury tried hard by sending their entire team up the ice to avert a shutout.

Grade II: Harry Roberts, Louise Hall, Dennis Booth, Dolly Pope, John Green, Mac Cuthbertson, Stanley Jones, Tom Summers and Jean Ballantyne, equal, Albalantyne, Mary Jones, Ruby Banks, Janet Kavanagh, Ronald Williams.

Grade I: Harry Roberts, Louise Hall, Dennis Booth, Dolly Pope, John Green, Mac Cuthbertson, Stanley Jones, Tom Summers and Jean Ballantyne, equal, Albalantyne, Mary Jones, Ruby Banks, Janet Kavanagh, Ronald Williams.

out in a highly creditable manner by Sister Nellie Armstrong, District Deputy President of Colfax Lodge No. 29 of Knowlton. She was assisted by Sister Jones, District Deputy Marshal.

The new officers were: Junior past grand, Sister Cleda Laroque; noble grand, Sister Jessie Caldwell; vice-grand, Sister Kathleen Sly; recording secretary, Sister Flora Shufelt; re-elected; financial secretary, Sister Veron Williams; re-elected; treasurer, Sister Amelia Darling, re-elected; warden, Sister Rita Long; conductress, Sister Lillian Hoffman; chaplain, Sister Iva Harris; pianist, Sister Doris Bockus; right supporter noble grand, Sister Bertha Simon; left supporter noble grand, Sister Isabella Campbell; right supporter vice grand, Sister Gladys McKorkill; left supporter vice grand, Sister L. Hoffman; inside guardian, Sister Thelma McCorkill; outside guardian, Sister Mary Bell; right altar bearer, Sister Edith McGuire; left altar bearer, Sister Isabel Kavanagh.

Sister Blanche Longtin acted as pianist until after installation ceremonies were concluded, when Sister Doris Bockus took up her duties as pianist for the present term.

Very interesting remarks were heard from the district deputy president and marshal. Sister Ruby Riddick was then called upon to perform a very pleasant duty when on behalf of the members of Yamaska Rebekah Lodge she presented a lovely piece of linen as a gift to Sister Nellie Armstrong, District Deputy President, who upon receiving the gift expressed her pleasure and thanked them all for their gift and good wishes.

A past grand's pin of gold was also presented to Sister Cleda Laroque, junior past grand by Sister Ruby Riddick on behalf of the members of Yamaska Lodge. Sister Laroque in a few words thanked them for their gift and their co-operation during her term of office as their Noble Grand.

Sister Riddick then called upon to make a third presentation in her usual charming manner and on behalf of the members of the lodge she presented a Past Noble Grand's collar to Sister Blanche Longtin, who is leaving Farnham soon to reside with her family at St. John, N.B. In her address of presentation, Sister Riddick made mention that Sister Blanche Longtin was a Charter Member of Yamaska Rebekah Lodge No. 10 and was one of their first Noble Grand's when she was in the chair as Noble Grand in 1911 and that they were deeply grieved to have her depart from their midst, but in her departure she would be carrying their best wishes.

Sister Longtin in a few words suitably replied, expressing her regret at leaving Farnham and her numerous friends and wished to thank all for the gift.

Another feature of the evening was the granting of perfection certificates by the District Deputy President to Sister Stella Sherwood, Sister Margaret Bockus, Sister Lucy Baker, Sister Nettie Wright, and Sister Bertha Simon.

After the business the members and their guests repaired to the dining hall where they enjoyed a hot chicken pie supper and a social hour together. The table decorations were a silver basket of flowers and red tapers in silver holders.

SUNDAY SCHOOL ENTERTAINMENT. An enjoyable evening was spent at St. James' Church hall by the Sunday School scholars and teachers of St. James' Church when a salad supper was served to about thirty scholars. Following the supper hour, a programme was held consisting of recitations and carols, a delightful solo was also given by Mrs. Elwin Smith, with Mrs. Chester Coultas at the piano as accompanist. Rev. R. Gordon Asch, rector of St. James' gave an address, which was much appreciated by all.

At the conclusion of the programme, gifts were distributed from the well laden tree these being distributed by Mr. Nelson Standish, who was assisted by Mr. Leslie McGuire and Mr. Ellsworth Hase. The teaching staff are the following: Mrs. Herbert Campbell, Miss Nellie Clobony, Miss Mona Laumailiere and Miss Dorothy Pickett, who are to be congratulated upon the success of this annual social event.

MASONIC LODGE INSTALLATION. The following officers of Browne Lodge No. 24 A.F. and A.M. were installed by worshipful Brother William Dallison: Worshipful Master, Wor. Brother J. Bockus; I.P.M.,

JAPAN'S DRIVE FOR JEHOL

China's forty-centuries-old Great Wall is the scene of modern warfare as Japanese troops start their invasion of Jehol, last Chinese province north of the wall. This striking picture, framed in one of the wall's great towers, shows the great brick and earth barrier as it extends serpent-like over the mountains. Impregnable for centuries against the attacks of Manchou Emperor's soldiers, the Great Wall now is stormed by bombing airplanes and tanks in one of the major battles of Japan's Manchurian drive.

Wor. Bro. Dr. F. S. Dorrance; senior warden, Bro. K. W. Wright; junior warden, Bro. J. L. Bromley; treasurer, R. Wor. Bro. J. M. Starke; secretary, Wor. Bro. C. Lauder; chaplain, Bro. C. B. Shaw; senior deacon, Bro. M. J. Smith; junior deacon, Bro. A. P. Bell; senior steward, Bro. M. Brown; junior steward, Bro. C. L. Pope; Tyler, Wor. Bro. C. Lauder; organist, Bro. E. G. Standish.

BROTHERHOOD FEDERATION MEET

The Brotherhood Federation met in Grace United Church with the president, Brother Lewis S. Hunt, presiding.

This was an open session when the ladies of the congregation were present for the first time since the organization of the Brotherhood Federation in Farnham.

The special speaker was Mr. J. Ritchie Bell, Manager of the Sailors' Institute at Montreal, who gave a most inspiring address entitled "An Afternoon With Sankey." He dwelt at great length upon the lives of Moody and Sankey. Mr. Bell's talk was interspersed with numerous humorous incidents in connection with the work of those two great men both in America and Great Britain.

A special feature of the afternoon was the singing of the well known Sankey hymns, when all present were supplied with Sankey hymn books and joined in the singing most heartily.

Mr. Bell sang most acceptably a solo "There Were Ninety and Nine" with Mrs. M. J. Clark at the organ as accompanist, and who presided at the organ during the singing of a number of the well known hymns. The Scripture lesson was read by Brother A. D. Gillespie from the 13th Psalm.

Rev. R. Gordon Asch, of St. James' Church, in moving a vote of thanks to the speaker, mentioned that he was acquainted with the great work with which Mr. J. Ritchie Bell, was connected in Montreal and of the great pleasure it had given him to be present upon this occasion and hear Mr. Bell's address.

Rev. J. C. Downing, of Grace United Church also added a few words of thanks to the speaker for his splendid address, while all brothers present were unanimous in voicing it the most interesting and instructive meeting held to date.

A vote of thanks was extended to Mrs. Clark as organist of the afternoon.

EASTERN STAR MET

White Rose Chapter, O.E.S. held its January meeting with thirty members present. The meeting opened in the usual form with the Worthy Matron, Isabella Campbell, presiding.

During the evening the initiatory degree was conferred upon one candidate in a very creditable manner. A beautiful O.E.S. pin was presented during the evening to Sister Blanche Longtin who will be leaving Farnham the latter part of the month to reside at St. John, N.B. The presentation was made by the Worthy Matron who in a few words expressed her regret on behalf of herself and all the members of White Rose Chapter at the departure from their midst of Sister Longtin. Sister Longtin in a few well chosen words, feelingly thanked all for the gift and their regret at her departure.

At the conclusion of the meeting all repaired to the dining hall where a salad and pressed chicken supper was served by a capable committee. A social hour was enjoyably spent.

LEGION AUXILIARY MET

Ladies Auxiliary Lodge No. 38, of the Canadian Legion met in the Odd Fellow's Hall with a very good attendance of members present. The president, Mrs. Alice Bell, presided.

A minute's silence was observed in memory of the fallen Great War heroes at the opening and the minutes of the previous meeting were read and approved.

The election resulted in the following officers being elected: Past president, Mrs. Alice Bell, first president, Mrs. Isabella Campbell, first vice-president, Mrs. Alice Bell, first vice-president, Mrs. Isabella Campbell, first vice-president, Mrs. Alice Bell, first vice-president, Mrs. Isabella Campbell.

A minute's silence was observed in memory of the fallen Great War heroes at the opening and the minutes of the previous meeting were read and approved.

He also sang a solo, "I Am a Stranger." During his stay in town Mr. Bell was the guest of Mr. and Mrs. W. G. Bell, Rev. J. C. Downing was also a dinner guest at the home of Mr. and Mrs. Bell.

General Notes. Mr. A. E. Solomon and Mr. W. H. Solomon have left for a month's trip to Bermuda and the West Indies, sailing on the "Lady Hawkins" from Boston. They will spend ten days on the Island of Barbados. On their return to Bermuda Mr. A. E. Solomon will take an extended trip on the "Lady Somers" to Jamaica and Nassau, returning home about the middle of March.

Mrs. Russell Bradford entertained at bridge in honor of Mrs. Swift, of Northampton, Mass. The prize was won by Mrs. A. E. Solomon.

Mr. L. Coleman is visiting his father in Providence, R.I. Mr. and Mrs. A. G. McDonald were in Montreal recently visiting their little son, who is a patient in the Alexander Hospital.

Mr. and Mrs. Carl Ballock have removed to Roxton, where they will reside in future. Mrs. Lay has returned from Montreal, and is staying with her niece, Mrs. C. V. Meyer.

The Sunshine Club held a pleasant meeting at Fairmount, Reading, on Thursday evening, Jan. 19. The following programme was enjoyed during the meeting: Reading, "Ring Out, Wild Bells," Miss E. Findlay; song, "Friend of Mine," Mrs. Solomon; "King George's Christmas Message," Miss H. Darby; "Mr. Jones Gives Thanks," Mrs. C. Swelt; song, "A Dear Little Goose," Mrs. Solomon, and piano solo by Mrs. H. Giddings. Rev. Thomas Scott read the devotional exercises and the annual reports of the treasurer and secretary were given by Mrs. Gray and Mrs. Reilly.

Darby; "Mr. Jones Gives Thanks," Mrs. C. Swelt; song, "A Dear Little Goose," Mrs. Solomon, and piano solo by Mrs. H. Giddings. Rev. Thomas Scott read the devotional exercises and the annual reports of the treasurer and secretary were given by Mrs. Gray and Mrs. Reilly.

The St. George's C.W.A. officers for the ensuing year are as follows: Honorary president, Mrs. W. B. Longhurst; president, Mrs. D. Dugale; vice-president, Mrs. I. Graves; secretary, Mrs. L. H. Wade; treasurer, Mrs. F. McLean; convener of work committee, Mrs. H. W. Blunt; tea committee, Mrs. J. W. Horner.

Mr. John L. Kennedy has been elected to his fourth consecutive term as mayor of St. Ignace de Stanbridge.

MISSION BAND AT GRANBY END BUSY YEAR

Officers for 1933 Elected at Annual Meeting of Little Builders' Mission Band—General Notes of Interest.

Granby, Jan. 23.—The following officers for 1933 were elected at the annual meeting of the Little Builders' Mission Band: Superintendent, Mrs. Thomas Scott; assistant superintendent, Mrs. Huxtable; president, Bobby Bowker; vice-president, Helen Runnells; recording secretary, Keith Ellis; corresponding secretary, Helen Perryman; treasurer, Kathleen Wright; secretary of mile boxes, Charles Atling; membership secretary, Anna Scott; stewardship secretary, Margaret Johnson; herald secretary, Walter Bradford; look-out committee, Lillian Runtty, Buddy Bowker and Carson Harding; World Friends' secretary, Anna Zamas; room committee, George Farnsworth and Gordon Wright; nominating committee for 1934, Bobby Bowker, Keith Ellis, Kathleen Wright and Audrey Walker.

Ten meetings were held during the past year, with an average attendance of forty-eight. There are sixty paid up annual members and eight life members. The study book, "On the Trail of a Korean Kite," is used and twenty copies of the paper, "World Friends," are subscribed for Miss Jean King, a missionary in the immigration work, is especially remembered in prayer by the band.

On April 9 a very successful sale and tea was held from which the sum of \$105 was realized. Three quilts and dresses valued at \$10 were sent to Mrs. Rice, the supply secretary at Montreal, and at Christmas time \$2 was sent to the Italian Mission to buy candy for the children in that mission school. The Sunshine Club gave Easter eggs to each member, and also furnished apples for their thank-offering meeting.

Special thanks are extended to Mrs. L. Webster, Mrs. A. Heelis and Keith Ellison for their splendid assistance at the sale held in the spring.

General Notes. Mr. A. E. Solomon and Mr. W. H. Solomon have left for a month's trip to Bermuda and the West Indies, sailing on the "Lady Hawkins" from Boston. They will spend ten days on the Island of Barbados. On their return to Bermuda Mr. A. E. Solomon will take an extended trip on the "Lady Somers" to Jamaica and Nassau, returning home about the middle of March.

Mrs. Russell Bradford entertained at bridge in honor of Mrs. Swift, of Northampton, Mass. The prize was won by Mrs. A. E. Solomon.

Mr. L. Coleman is visiting his father in Providence, R.I. Mr. and Mrs. A. G. McDonald were in Montreal recently visiting their little son, who is a patient in the Alexander Hospital.

Mr. John L. Kennedy has been elected to his fourth consecutive term as mayor of St. Ignace de Stanbridge.

Mr. Cedric Black, accompanied by Mr. Charles Hill, of North Stanbridge, motored to Montreal, recently and spent a day.

Mr. Dalpe and son, of Riceburg, spent a day recently with Mr. Geo. Goyette.

Grease slips right off—makes dishwashing easier

CHANGE to Rinso in the dishpan! Grease goes like magic. Even pots and pans come shining bright, almost without effort. Rinso is used twice as much as such soaps—works in hardest water. Creamy suds—no grit. Great for all cleaning. Try Rinso on washday for snowy clothes without scrubbing. Buy the BIG package.

Millions use Rinso in tub, washer and dishpan

Municipalities Want to Be Declared in Default. More Have Applied to Quebec Municipal Commission.

Quebec, Jan. 23.—Six more municipalities have applied to the Quebec Municipal Commission requesting to be declared in default. The total number of municipalities in the province, for which petitions of default have been filed in Superior Court by the Municipal Commission since May 1932, is now thirty-five, Emile Morin, secretary of the commission, said.

The latest municipalities seeking to bring their affairs under the jurisdiction of the commission are Township of Delisle, Village of St. George, Village of St. Joseph, Village of the Village of Saint-Joseph-de-la-Riviere Bleue, a local corporation of Saint Jean l'Evangeliste and school corporation of the Township of Bourget.

The flowers of which are practically formed before the first snow falls. The stem is crowded with strach grains ready for use in the spring. The Hepatica, Spring Beauty, Arbutus, Blood-root, Dog Tooth Violet were all shown and described. The reason that long stems are so often found without flowers lies in the fact that it takes about five years from the time the seed is shed until the bulb is large enough to produce flowers. The Blue Cohosh, a relative of the Barbary and the Banberry are among those listed poisonous. Among the most striking is Jack-in-the-pulpit, which is described as not one flower, but many closely clustered on the lower part of the upright spike. "Some sixty species of orchids have been found growing wild in Canada, and the showy Ladies' Slipper is one of these," said the lecturer. Probably part of the glamour that surrounds its name is due to the fact that it commonly occurs in such inaccessible places as swamps and bogs.

Messrs. George Buss and Norman Buss were dinner guests of their daughter and sister, Mrs. William Stone, and Mr. Stone. Mrs. Stone, Mr. Kenneth Richard, of the Brill, was in town early Thursday morning on his way to Brome to attend the funeral of his mother, Mrs. Myron Rhicard.

Mr. and Mrs. Plouf and son were recent guests of Mr. and Mrs. Larabee. Mr. Thurston Spier had the misfortune to cut his foot quite badly while working in the woods. Mr. Lynn Spicer and Mr. D. Taylor were in Sutton recently. Miss Ileana Green was a guest of Mrs. E. Isaacson recently. Mr. B. Cook was visiting Mr. J. Dymond recently.

Recurring Weakness. Mrs. Carr Finds Dr. Williams' Pills Wonderfully Beneficial in Restoring Strength.

"I am a middle-aged woman, married 12 years, I have a weak heart and sometimes get so weak I can hardly move about," writes Mrs. H. Carr, Fort Carling, Ont. "I was advised to try Dr. Williams' Pink Pills and they have been a wonderful tonic to me. After taking three boxes, I feel quite improved and am able to walk again. I consider Dr. Williams' Pink Pills a great blessing to humanity."

Feels Quite Improved. Chest Colds. Rub well over throat and chest. VICKS VAPORUB. OVER 21 MILLION JARS USED YEARLY.

'FLU The 'flu epidemic is not abating, but you can do much to reduce the risk of infection. 1. Avoid crowds as much as possible. 2. Be careful of your diet. Partake freely of fruit, vegetables and milk, which are alkaline in their reaction. 3. Avoid draughts, but see that fresh air is freely admitted to home or office. Last and most important. Get a bottle of BUCKLEY'S MIXTURE and take a sip several times a day. BUCKLEY'S is a highly alkaline, germ-destroying mixture, that rids the system of cold-giving acids, invaluable as a preventive. If you should take 'flu, go to bed at once, and call your doctor. As likely as not he'll tell you to carry on with BUCKLEY'S. Many doctors do. But be sure it's BUCKLEY'S—the original, genuine, creamy WHITE MIXTURE. The 'flu is too dangerous to experiment with unproven preparations and worthless imitations. BUCKLEY'S became famous during the 'flu epidemic of 191 and has been famous ever since.

Bronchial Infections Are Dangerous. Don't let them get a strangle hold. Fight germs quickly. Creomulsion combines the 7 best helps known to modern science. Powerful but harmless. Pleasant to take. No narcotics. Your druggist will refund your money if any cough or cold no matter how long standing is not relieved by Creomulsion. (adv.)

Eczema On Hands For Five Years. Mrs. Andrew Volk, Burdette, Alta., writes:—I was very much bothered, for five years, with eczema on my hands and wrists. I tried all kinds of ointments and salves, but they did not help me. A friend told me about Burdock Blood Bitters, and after I had taken two bottles I found I had received complete relief from my trouble. For sale at all drug and general stores; manufactured for the past 53 years, only by The T. Millburn Co., Ltd., Toronto, Ont.

DUBOYCE'S CORNER. Mr. and Mrs. Vernal Lewis, of Warden, were recent guests of Mrs. Lewis' parents, Mr. and Mrs. Thos. Duboyce, and brother, Mr. Gordon Duboyce. Mr. O. A. McLaughlin was a recent guest of his brother, Mr. A. E. McLaughlin, and Mrs. McLaughlin. H. A. Blunt who has served two

ALFRED WOOD, President and Editor.

GORDON MILLER, Managing Editor. C. P. BUCKLAND, Advertising Manager.

Even clear and apparently perfect circumstantial evidence is likely to be at fault, and should therefore be accepted with great caution. Since trial by jury was established, there has been proof of many innocent people being hanged. There is real tragedy in the thought of an innocent person being made to suffer the extreme penalty, and it is only humane to say there is argument for pause.

WE NEED TWENTY MILLIONS OF PEOPLE IN CANADA.

We equipped our country for a population of twenty millions of people. We impoverished ourselves in the building of railroads and buildings in anticipation of the coming of new citizens from the Old World to the New World. Our imaginations were fired by the grandeur of the phrase that the Twentieth Century belonged to Canada, and we diligently set to work to receive and to welcome half-a-million immigrants each year.

Then a few resolute newcomers to the West said they did not want any fast development of our vast resources in agriculture, forestry and in minerals. They brought about a revulsion in feeling and our efforts were slowed up.

Immigration in Canada has been stemmed by all kinds of restrictions, for we are mimicking a neighbour which was growing faster than it could assimilate its mixture of varying nationalities. United States cities became overcrowded with the lazy and the shiftless, which ever form a percentage of the newcomers. The men came from countries which ironically wished them godspeed, and they quickly created bedlams in the Atlantic cities, and were far inferior to the Orientals who sought asylum on the Pacific Coast.

Yet we had long since adopted selective immigration, and it was working to advantage.

To those who are satisfied with the simple life, and who will industriously weave themselves out of the primitive conditions, conquered by the early pioneers of North America, our country has an appeal.

Perhaps it is a rigorous country, somewhat colder than southerly climes, but we have no rattlesnakes nor any of the creeping crawling things which infest a warmer country.

But they who live in Canada for ten years can never be satisfied to stay in any other country, not without longing for a return. For what we have is equable and moderate, peaceful and rich.

We can get that twenty millions in our lifetime. But we have ever to extend the glad hand and the voice of welcome so that there may be sincerity behind it.

We need more population. It is our salvation.

THIS MESS MUST BE CLEARED AND THE TAXPAYERS FREED.

There are going to be many changes in the personnel of the next Parliament of Canada, and but a fraction of these will occur through the proposed redistribution bill.

Quebec is unalterably opposed to any further operation by government of the Canadian National Railway.

Our forbears in 1851 built the first railway in Canada, an ambitious undertaking which was merged into the old Grand Trunk Railway system. There was a railway! It had as fine a personnel as any railway in America, and many of these men are still with it, and are among the mourners for its present plight.

Thrifty and industrious, our people pay their way, and the profits made by the railway in Quebec and Ontario are squandered elsewhere. So that we not only have to pay our fares and our freight but we have to help pay the travel costs of the people in other provinces.

That is the way it works out. That is one of the items in the growing Danger to Quebec.

For fifteen years we have studied the railway problem, ever since the Canadian Northern was taken over from Mackenzie and Mann at a price which represented a loss to Canada of over fifty million of dollars. It was a junk heap, a hitched-up collection of bankrupt relics.

Hon. "Bob" Rogers was the profit—pardon, the prophet—of the C.N.R. in Parliament, the Fidus Achates Mackenzie and Mann, and he has reappeared in the House of Commons—after a disappearance of some years.

I met members of the Senate at the time of this sale who confessed with tears in their eyes, that they voted for this purchase on the urging that they were saving the credit of Canada—and must do it.

Bonds of the C.N.R. were being hawked about the country, with no buyers offering. When the Government bought the railway the almost worthless bonds, sold by the promoters in New York as low as

90, became worth 100, to the joy and profit of the holders who thought they were sunk.

And thus began our first venture into political ownership of railways. It has been even more disastrous since.

NEW YORK IS IN BAD WAY.

There is consolation in every trouble if we but seek for it. New York City proposed to raid its sinking fund to the tune of \$21,000,000 in order to show some economies on the budget which called for \$631,366,297 for one year's operations.

We may feel meek and lowly when contemplating the expenditure of taxes in one city amounting to two-thirds of what we require to conduct our Federal, Provincial and Municipal governments in all Canada.

The bankers have refused to advance further moneys to New York until some effort is shown towards a drastic economy in civic expenditures.

The City Controller in December estimated that he would have \$90,000,000 surplus—"more than he would need for expenses." But at the end of the month the city asked for \$144,600,000 "in anticipation of the collection of taxes."

The bankers frankly stated that they could not dispose of the City of New York bonds, that they had on hand all they could carry, and the people would not buy any more. Not half the last issue had been sold.

Real estate values, because of the heavy taxes imposed, had to be reduced by court orders in the sum of \$719,131,838, and other assessment appeals are being pressed in the courts for reduction. The rate is 2.59.

It is certain that tax collections will be slow in 1933, for there are many vacant buildings.

The fiscal situation in New York is catastrophic, and is quite as bad as our National Railway system.

Taxpayers' organizations have been unable to solve the problem. They tackled it with a fanfare of promises, but when their report was issued it showed chiefly bookkeeping changes which did not reduce expenses. You cannot reduce taxes by just calling the expenses by some other name.

Acting Mayor McKee had a programme of economy which would have saved \$82,250,000, but the Tammany leaders rejected McKee. It was a Tammany or Democratic year, and McKee was not accepted as the candidate. He was too Scotch for the Irish leaders of Tammany, even though he was a Democrat.

EDITOR'S NOTE BOOK.

The moulding of the minds of the younger generation is a task which lies with the School Commissioners who set their own minds against any further reduction in a poorly paid profession. The influence of the teacher of to-day can transform the mentality of a whole people within a double decade. It took forty years of false leading by professors like Nietzsche to turn the peaceful Germans into a fire-eating nation, all of whom were just champing at the bit for "der tag," to show all nations in the world how inferior was everything which did not emanate from the banks of the Rhine. The spirit of the Teutons has always been extremely kindly, but their mass thinking led them to slaughter and a world tragedy.

The Earl of Yarborough held so many bad hands at whist that he left no trumps behind him. The Earlom is extinct. With neither "ace, face nor trumps" you must still nurse a Yarborough until after the hand is played. Your partner may have a slam hand, but a disgusted look or a showing to a Kibitzer may cramp his courage and encourage the opponents.

Gaelic is a classic vehicle for malediction, and the campaign in the Irish Free State would be exciting were it not for the fact that to be understood the orators have to descend to the language of the ancestral enemy for interpretation of their vituperation.

Coaxing little children to wander in the deep forest is as sensible as allowing the aviators to jump off for some useless trip over sea or desert. In both cases search parties have to be organized to rescue the simple ones from their folly.

THIRTY YEARS AGO TODAY

From the Files of the Sherbrooke Record. January 23rd, 1903.

The Eastern Townships Kennel Club was organized at a meeting held at the Sherbrooke Hotel. Its officers included W. M. Tomlinson, Dr. Hume, Dr. F. H. Bradley, H. M. Piercy, E. B. Pope, T. D. McCallum, A. Q. Reed, Dr. W. A. Stenning, A. E. Parker, F. J. Griffith and Dr. Frank Barton.

The Ladies' Musical Club presented a programme from the works of the composer Saint-Saens. Contributing artists were Misses Caron and Doherty, Mrs. L. E. Codere, Miss Mary Hubbard, Miss Blackbird, of Richmond, Miss Demers and Mrs. L. E. Panetton.

Mrs. MacKinnon, Sr., of Richmond, celebrated her 83rd birthday, having as guests for the occasion her sons, James MacKinnon, Sherbrooke, T. A. MacKinnon, Boston, and Robert MacKinnon, St. Johnsbury, together with their wives.

Word was received from Montreal that Rev. Dr. T. G. Williams, formerly of Sherbrooke, had sufficiently recovered from his serious illness to resume his ministerial duties at the Sherbrooke Street Methodist Church.

Sherbrooke curlers, skipped by Clark Gordon and R. J. Sparring, were defeated at Quebec in their matches for the Jubilee Cup but won their matches for the Governor-General's Trophy by a combined score of 29 to 26.

W. D. Fraser, of the Eastern Townships Bank, Magog, spent the week-end with relatives while en route for a visit of several months to the Bahama Islands for the benefit of his health.

A number of citizens from Sherbrooke left to attend the funeral, at Cookshire, of Mrs. Colin Noble, mother of Mrs. Rufus H. Pope.

Marcus G. Crombie sold an undivided fourth interest in his lands in Orford and other property to Thomas G. Torrance for a consideration of \$39,000.

RECORDINGS

By Ted Bullock.

Lord Eustace Percy, speaking on army matters in the British House of Commons, made a statement which applies with equal force to political and economic questions.

"What we want," he said, "is a commander-in-chief and not a council-of-war, for the experience of history is that a commander-in-chief who calls a council of war already is half defeated."

And what are all the conferences being called in different parts of the world but desperate snatchings at hope by heads of states who cannot look at things as they are?

I have just learned of a new treatment for grippé.

Keep your windows open at night, because oxygen destroys germs. Keep your neck and chest well covered as you sleep. Do not take cold baths, but apply cold water to wrists, feet, ankles, chest and neck in the morning.

It sounds so simple that I was tempted at first to think it was nonsense.

Then I remembered that it is plain, sensible things, rather than complicated treatments, which bring the best cures.

Humans are naturally attracted by mumbo-jumbo closely resembling incantations, and by the filthy notions affected by our ancestors.

But science is showing more clearly every day that illness is much less complicated than we used to think. Light yields best to natural remedies.

Light, warm clothing and plain, well-cooked food, cleanliness of body and proper rest, will generally prevent grippé in the first place.

And, of course, the best way of all to keep well is to keep busy and stop thinking about yourself.

It is not hard to understand why there is less grippé on the farm than in towns and cities.

The older I grow, the more firmly I am convinced that common-sense and persistence, sincerity and simplicity, are the four corner-posts which hold up the fabric of society.

When they go, trouble comes.

One human being, endowed with those four qualities, is of more use to the human race than all the theories which all the philosophers, professors and other phrase-spinners can hatch.

The bother with a creed like that is that it is not sensational enough to appeal to most people.

We like mystery and high-sounding catch-words, because we do not need to bother trying to find out what they mean. It is much easier to repeat a formula than to act on a principle. And a formula we do not clearly comprehend is more attractive than one we do.

If it were not for our penchant toward, the gaudy and elaborate, rather than the substantial and easily understandable, fads like technocracy, socialism, easy divorce and other kinds of revolution would never get to first base.

But, at the same time, many of the most cherished institutions which have received the sanction of the ages would never have grown to their present stature.

Famous Harry Emerson Fosdick, of the Rockefeller Church on New York's Riverside Drive, puts the same idea into somewhat theological language when he says:

"Too many are experimenting with looseness, with self-indulgent letting themselves go. They are trying to see how far down they can go into hell and not be badly burnt. They are pioneering swamps, not the heights."

He might have added that the heights are not such distant, awe-inspiring things when you move toward them as they seem when you sit in a chair and just gaze at them. Hills flatten down mighty fast when you get to them.

If you have ever driven an automobile between Sherbrooke and Magog you know that is so.

GASOLINE SALES HIGHER Ottawa, Jan. 23.—Sales of gasoline in Canada during September totalled 63,607,327 gallons, a 3.4 per cent. increase over the August sales of 61,517,769 gallons and 8.6 per cent. over the September, 1931, total of 61,382,000 gallons. Estimate the tax at six cents a gallon and you can then figure what share you pay.

Give Them a Treat . . .

Those children who need substantial breakfasts before they leave for school, who are tired of ordinary porridge, will eat with new zest when you offer them Hunting's Whole Wheat Cereal.

It is made from the best Canadian grains. Our processing adds nothing, takes away nothing. You will find no prurer or more delicious food anywhere.

Buy it from your grocer. If he cannot supply you, write to the mill.

W. H. Hunting & Sons, Registered. Hunting Mills, Huntingville.

LOWER PRICES OF GASOLINE ARE WELCOMED

Higher Grades of Gasoline Reduced One and One-Half Cents Per Gallon by Leading Refiners —Is Countrywide.

Eastern Townships motorists this morning received a rather pleasant surprise when they drove up to service stations to fill up with their favorite brand of gasoline. Gasoline they found had been substantially reduced in price over the week-end, the cuts on the higher priced fluids amounting to one and one-half cents per gallon.

Imperial Oil Company officials, in announcing the reduction, stated that the lowered price for which it and the other Canadian refiners were purchasing crude oil had resulted in a considerable saving which was being passed on to the consumer. The price cut, they said, was comparable on the higher grades or colored gasolines, but on the cheap white gasolines it only applied in certain areas.

The reason for this last discrepancy, they pointed out, was that local conditions have caused some variation in the price of lower grade gasolines in different localities. With the reduction in the higher price fuel, the decision was made to cut out the variation in the cheap gas, so the reduction only applied in certain areas.

As Sherbrooke motorists have enjoyed the cheap gas for some months, the price of white gasoline will remain at former levels.

The service station prices that went into effect this morning are as follows, the six-cent provincial tax being included in all cases: 30 cent motor gas, 27 cents, and white gas 25 cents.

STRONG FINANCIAL STATUS OF CANADA LIFE REVIEWED

Surplus Funds and Special Reserves of Canada Life Assurance Company Are Placed at \$8,237,758.59 After Writing Down Securities by \$846,061.06.

Toronto, Jan. 23.—"Safety and stability are first and foremost the keynote of our traditional policy," Leighton McCarthy, president of the Canada Life Assurance Company, stated at the company's eighty-fifth annual meeting. In reviewing the Canada Life's secure financial position, Mr. McCarthy described the balance sheet as "very strong one." In this, total assets are shown as \$216,886,246.26, an increase of \$12,110,226.77. During the year the company's already large proportion of government, municipal and provincial bonds was increased by \$14,695,119 to a total of \$35,369,177.85. In common with the experience of other companies, demands for policy loans and cash surrenders were heavy. In this connection Mr. McCarthy said, "All demands have been taken care of from the ample resources at our disposal, and we have not sold a security to provide funds for our disbursements."

Surplus funds and special reserves of the Canada Life are \$8,237,758.59 after writing down securities by \$846,061.06. Reserves for special contingencies have been increased to two million dollars.

New business placed on the company's books during the year amounted to over \$80,500,000. This is not as high as the volume of new paid-for business in some previous years, but being made in a period when financial conditions were badly distributed, the total was described by Mr. McCarthy as "a tribute to the well-directed efforts of our associates in the field."

The sale of annuities increased by over \$2,000,000 and amounted to \$7,780,298. Total business in force amounted to \$926,369,882, which is approximately three times the amount in force only ten years ago.

ALL-BRAN RELIEVED HIS CONSTIPATION

Delicious Cereal Brought New Health to Mr. Bartholomew

We quote from his voluntary letter: "I had considerable trouble with my stomach. Digestion was out of the question. I got medicine which gave me only temporary relief."

"Then I thought of taking ALL-BRAN. I started eating a cereal dish two or three times a day."

"It has been over a year now since I ate that first dish of bran, but from that day to this I have had the pleasure of enjoying the proper functioning of the digestive organs."

"Thanks to ALL-BRAN, I still eat regularly and I feel better all the time."—Lester Bartholomew. (Address following on request.)

Constipation is usually due to lack of "bulk" to exercise the intestines, and vitamin B to promote elimination. ALL-BRAN supplies both, as well as iron for the blood.

The "bulk" in ALL-BRAN is made like that of leafy vegetables. Certainly this food is more natural than taking harmful patent medicines. Two table-spoonfuls daily will overcome most types of constipation. With each meal in chronic cases. If not relieved this way, see your doctor.

Get the red-and-green package at your grocer. Made by Kellogg in London, Ontario.

Social and Personal

Mr. Ed. Fields, of Montreal, is a visitor in Sherbrooke today.

Miss Mary White, Victoria street, is returning tonight from Montreal, where she spent the week-end.

The safe arrival at Naples of Miss Jean McKechnie was contained in a cable received this morning by her sister, Mrs. Mitchell, "Elmhurst," Dufferin avenue.

The friends of Mr. Ernie Walters, student at Loyola College, Montreal, will regret to hear that he is ill at his mother's home in Lennoxville, suffering from the results of an accident while playing hockey.

Sponsored by the Seventh Troop Boy Scout Mothers' Auxiliary, a most enjoyable and successful card party was held on Saturday evening in St. Paul's parish hall. The many guests were welcomed by the president, Mrs. R. S. Giff, and cards were played at ten tables. The scores were taken by Miss Dorothy Robinson and Miss Rhoda Oak, the prizes being won by Mrs. S. Robinson, Mrs. J. Brown, Mrs. J. Daniels, Mr. Frank Rudd, Mr. A. Jobel, and Mr. Cuthbert. At the close the card game delicious refreshments were served by the members. Throughout the evening invaluable assistance was rendered by Scouts Douglas Spaulding, Walter McLeod, Victor Drew, William Daniels and Cub Jimmy Anderson, who made themselves useful in various ways, which added greatly to the pleasure and comfort of the guests. The president has called a meeting of the Auxiliary for this evening at her home on Fairmount avenue.

There was an unusually large attendance at the Arena on Saturday afternoon for the weekly tea given by the members of the Sherbrooke Skating Club. The ice was in excellent condition, and many enjoyed this delightful winter sport. The younger members of the Club are particularly enthusiastic, and have made rapid progress under the direction of a few of the more accomplished skaters who have so generously devoted much time to teaching the novices the intricacies of walking and fancy skating.

The opening grand march was led by Mr. Powers and Miss Hunter, following which the skaters were left to their own devices and spent a most enjoyable afternoon.

Tea was served upstairs and a number of visitors joined the skaters at the tea hour. The hostesses were the Misses Patty Wiggitt, Thirza McPhee, Mary Baldwin and Helen Dundin, who were assisted by Miss Muriel McHarg, who poured coffee, and Mrs. J. G. Ranshouhan, who poured tea.

Mr. Graeme Taylor spent the week-end in Montreal.

Mr. and Mrs. J. Keith Edwards have returned from Montreal, where they spent a few days guests at the Mount Royal.

Miss Lorraine Cuddy, of Montreal, is a guest of the Misses Isabelle and Louise Mitchell, Moore street.

Mr. Douglas Cross, student at McGill University, Montreal, spent the week-end at home with his parents, Mr. and Mrs. W. G. Cross, Montreal street.

Mrs. H. K. Starnes, of Westmount, is sailing on February 5th for the Mediterranean, and will also visit Cairo and the Balearic Islands.

Flowers were placed on the Altar in St. Peter's Church yesterday by Mrs. M. J. Moorcroft and the Misses Florence and Andrea Moorcroft in memory of the late Mr. Thomas Moorcroft.

Miss Vivian Hatch, who has been ill at her home on the Brompton Road for the past week, returned to Sherbrooke on Saturday to resume her duties at the Sherbrooke Hospital.

The beautiful flowers on the Altar at St. Paul's Church yesterday were given by Mr. and Mrs. J. W. Cotterell and family, in loving memory of Mr. Cotterell's father, Mr. John Cotterell, who died in Scarborough, Yorkshire, Eng.

Mr. Gordon Beerworth, of Coaticook, is the guest, for a few days, of his aunt, Miss Edna Beerworth, "The Bellevue," Melbourne street, recuperating from his recent operation for appendicitis at the Sherbrooke Hospital.

Mrs. Bachand Dupuis, of Coaticook, and Mrs. George Ogston will sing during the short musical programme which has been arranged to take place after the annual meeting of the V. O. N. at the MacKinnon Memorial.

The hostesses at the Sherbrooke Regiment Badminton Club tea on Saturday afternoon were Mrs. W. E. Loomis, Mrs. J. H. Blue, Miss Harvey, Miss Frances Hovey and Miss Emily LeBaron, the latter presiding at the tea table.

The Elite Bridge Club was pleasantly entertained by Mrs. G. E. Stocks at her home on London street. The prizes were won by Mrs. W. J. Nutbrown and Mrs. J. B. Frappet. At the conclusion of the game delicious refreshments were served by the hostess, assisted by Mrs. O. H. Parker.

LENNOXVILLE

The Boy Scout Ladies' Auxiliary held a very successful tea and food sale on Saturday afternoon in the

Institute room. The decorations on the tea table were bronze and orange tulips, with a fern in a cut glass bowl for the centerpiece, and on each side were cut glass candlesticks with orange candles. Mrs. R. W. E. Wright, the honorary president, poured tea. The small guest tables were centred with orange candles. Mrs. Parent was the very efficient convener of the tea, assisted by Mrs. Johnston, Mrs. Evans and Mrs. Fletcher as waitresses. Mrs. Browne and Mrs. Trenholme were in charge of the food table, while Mrs. Coates collected the proceeds for the tea. The president, Mrs. Morrison, assisted by the vice-president, Mrs. Glass, received the guests. The response of the public to the tea was most gratifying. The food sale held by the Philanthropia of the United Church on Friday afternoon in Douglas hall was very successful, a large number of customers visiting the table on which the cooking was displayed, in charge of Mrs. Burbank and Mrs. J. A. Crawford. The financial returns were very satisfactory.

Mr. Archie Stafford, of the Bank of Montreal, is in town, called by the death of his father, the late James Stafford.

With Us — Always "A pleasure to give pleasure."

Glasses Repaired.

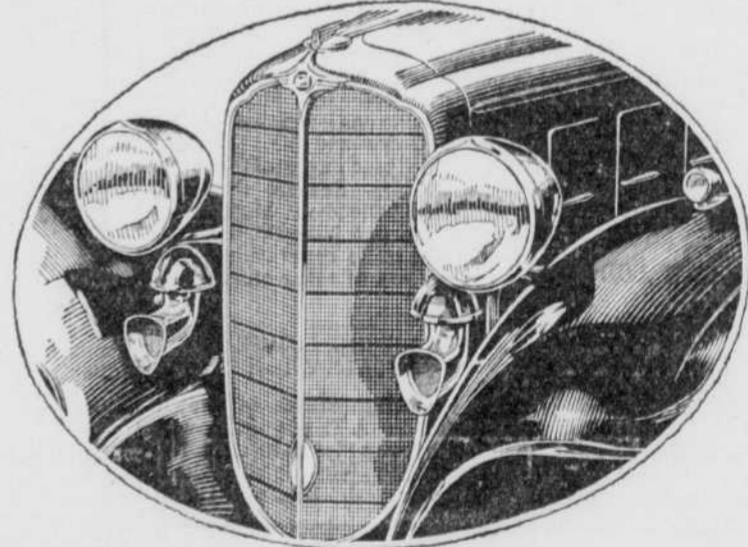

My Optical Service is yours to command, for the little things are as important as the big things. In order to repair a broken lens we keep an exact record of each pair, so that there is little delay. In our Sherbrooke office we can go back on a six-year record, and in my Montreal Laboratory we have a fifteen-year Record of every pair of glasses and of all the eyes examined in the passing years.

So that not only can we fix up a broken frame, a nose piece or a temple guard, but we can replace a lens in the time it takes to grind another one.

Are you sure you don't need Glasses? You can be sure through our thorough Test and Examination—for we are equipped with all the instruments in the Science of Optometry.

T. H. Barnes, O.D. 41 King street west (upstairs) Sherbrooke, Telephone 2457. Wilfrid B. Gervais, O.D., Associate.

DANGER ARISES FROM SLIPPERY STREETS TODAY

Many Motorists Afraid to Venture Out—Situation Interferes With Efficiency of Fire Brigade.

An alarming menace emerged from the slippery condition of the streets and sidewalks this morning. Chief Camirand declared to a Record representative that the icy pavement was offering a serious handicap to the efficiency of the fire brigade, and that in all probability some of the apparatus would be unable to negotiate its way to the scene of a fire were an alarm sounded.

Stations one and three, being on a low level, are the most dangerously situated, but other depots, such as No. 4 in East Sherbrooke, would be unable to venture out. Fortunately, no alarms were sounded last evening on this morning, but the Chief looked worried today as the present condition of affairs showed no signs of improving.

Last night taxi-cabs did a rushing business—for motorists generally did not dare to run their own cars, for the streets were large sheets of glittering ice. In the good old days of the street cars, the streets were of little consequence. The rails were protected from the ice and the tramways gave an uninterrupted service. This is one of the many advantages they have over auto-buses, and last evening the bus service was disrupted. For a time the East Sherbrooke circuit was completely disorganized, as the large motor coaches were unable to climb the hill. The service in the North Ward also suffered.

The highway between Sherbrooke and Magog was in a dangerously slippery condition, and no less than four cars were in the ditch between Little Lake and this city.

One of the Sherbrooke City Transit buses, returning from Magog at four o'clock yesterday afternoon, decided to take the Rock Forest route between Little Lake and Sherbrooke. The bus was approaching Faith's School house, where the Rock Forest road rejoins the main highway, when it slipped off the road into the ditch. None of the occupants were injured, however. The bus was still in the ditch this morning and officials were arranging to have it removed.

There were no serious accidents in the city, with the exception of one fatality on Wellington street south. A number of automobiles, however, suffered dented mudguards in minor collisions. The sidewalks were as slippery as the streets, and pedestrians had a hard time of it. One observing person stood on the corner of King and Wellington street in the afternoon and noticed no less than seventeen persons fall down at the intersection within a period of ten minutes. Two young girls, walking down King street east, lost their footing and fell in the slush. One of their coats were as soiled and as wet as they could possibly be, and that to walk would be to fall again, the young ladies wrapped their coats about them and slid down the remainder of the hill.

Yet the pedestrian apparently considered walking safer than riding, and this morning a certain individual refused three rides to his office, strange as that may sound. J. T. Martel, superintendent of the Road Department, declared to the Record this morning that since seven o'clock last evening no less than eighteen double loads of sand, each containing two and a half tons, and ten single loads of one ton were distributed throughout the city.

The heavy rain and sleet which fell last night did not improve matters, and the Bell Telephone Company today reported that one toll line between Cookshire and Sherbrooke had been damaged, while a cable in East Sherbrooke, in the vicinity of Murray street, was also affected, interfering with eleven subscribers. Men were quickly put to work, and this morning the trouble had been repaired.

The temperature yesterday, according to the Lennoxville Experimental Farm, was maximum 35 and minimum 10, while that for the same day last year was maximum 20 and minimum 20. During the night it was thirty-five above, and at seven o'clock this morning forty-three. The Farm reported that nearly a half inch of rain fell last evening.

WINTER TAKES A FIRM HOLD IN ENGLAND

London, Jan. 23.—England is in the throes of winter, an icy winter whose grip has demoralized bus and train services and cancelled countless events.

Many rugby matches were postponed on Saturday, as were the Derby races, and in place of these skating parties are holding forth in Scotland and Northern England. Snowdrifts between Aberdeen and Inverness have disrupted traffic, while a group of twenty-seven motorists who were rallying at John O'Groats have moved to Monte Carlo for more appropriate weather.

A YELLOWISH GRAY SNOW COVERS CHICOUTIMI

Chicoutimi, Que., Jan. 23.—The good folk of Chicoutimi pinched themselves today as yellowish gray snow tumbled softly out of the sky. Satisfied after comparing notes that they were not suffering from biliousness or color blindness, local weather experts were at a loss to explain the phenomenon.

The town had an eerie appearance as a wan winter sun shone on rooftops and helms marked in a sickly grayish yellow covering of what was undoubtedly ordinary snow in fancy dress. About an inch fell.

AYER'S CLIFF

United Church Christmas Cantata repeated January 29th, at 7 p.m.

Talk is cheap—that's why barbers give it away with a haircut.

CITY BRIEFLETS

V. O. N. Annual Meeting, Club Room, MacKinnon Memorial, Tuesday, Jan. 24th, 8 p.m. Programme and refreshments.

Sports Evening, Ch. of the Advent postponed until next Monday.

MILD WEATHER INTERFERES WITH OPEN AIR SKATING. The mild weather of the past few days has seriously interfered with skating on open air rinks. The skating party planned for last Tuesday by the Old Boys' Association of St. Patrick's Academy had to be postponed.

It was expected to hold this affair tomorrow evening, but the continued mild spell has necessitated another postponement until Thursday evening.

CITY CLERK WORKING ON INDUSTRIAL MATTERS

City Clerk Anton Deslauriers said this morning that his Saturday trip to Montreal had been very successful. While in Montreal he met the Canadian Pacific Railway Industrial Commissioner and discussed various matters. The Commissioner, he said, expected to come to Sherbrooke later in the week, when he would bring representatives of an unnamed American industrial concern who have expressed an interest in this city.

BROMPTON WOMEN'S INSTITUTE ELECTED DELEGATE

Saturday's meeting of the Brompton Road Women's Institute, which was held at the home of Mrs. H. McLeod, was largely attended by members and visitors. Mrs. Keith Moe, the president, was in the chair and several business letters were read by the secretary-treasurer, Miss Idell McLeod.

During the business period Mrs. H. McLeod was elected delegate to attend the quarterly February meeting to be held at the MacKinnon Memorial.

Later an enjoyable social time was spent, when afternoon tea and dainty refreshments were served by the hostess, assisted by her daughters, the Misses Idell, Celia and Eileen McLeod, and Miss Vivian Clark. The members will be entertained at their next meeting by Mrs. Gordon McErea.

OUTPUT OF CENTRAL ELECTRIC STATIONS

The output of the electric stations in Canada during December amounted to 1,433,152,000 kilowatt hours. This was a slight increase over December, 1931, output but less than the output of November, 1932, by 1.02 per cent.

For the year 1932 the output of the large stations was 15,862,742,000 kilowatt hours, an estimate for the small stations not reported brings this total up to 15,986,414,000 kilowatt hours, as compared with a total of 16,315,670,000 kilowatt hours for all stations in 1931. The large increase during the year was in Quebec stations which produced 560,765,000 kilowatt hours more than in 1931. Total exports of these stations to Ontario amounted to 1,769,188,000 kilowatt hours, or 59,713,000 kilowatt hours more than in 1931. Total exports to the United States dropped from 1,235,325,000 kilowatt hours in 1931 to 967,879,000 kilowatt hours in 1932, a decrease of 567,446,000 kilowatt hours or 46 per cent.

This was the output for December, 1932: Canada, water, 1,400,761,000; fuel, 32,398,000. Total, 1,433,159,000. Exports, 41,609,000. Maritime Provinces, 52,587,000. Quebec, 801,907,000. Ontario, 325,173,000. British Columbia, 103,161,000. In other provinces there was a production of 32,398,000 kilowatt hours from fuel generation.

SPECIAL SERVICE FOR YOUNG MEN

A representative body of members of the Y. M. C. A. attended the morning service at Plymouth United Church yesterday, when the minister, Rev. G. Ellery Read, preached a sermon especially addressed to young men on the subject of "Christ's Appeal to Youth." Taking for his text the words of Christ to the rich young ruler, "One thing thou lackest, go, sell whatsoever thou hast and give to the poor, and thou shalt have treasure in heaven; and come, follow me." Dr. Read dealt mainly with two facts, namely, that Christ compelled this young man to look at life in its large relations and implications, and that He demanded that this professed seeker for eternal life should make his decision quickly, immediately. These two facts the speaker applied closely to the life of the youth of today. W. F. MacVie, secretary of the Y. M. C. A., assisted in the opening service. In the name of the congregation.

AUTO ACCIDENT CLAIMED LIFE OF YOUNG BOY

Louis Mathieu, Son of Mr. and Mrs. Napoleon Mathieu, Wellington Street South, Struck by Truck While Sliding Saturday Afternoon.

Twelve-year-old Louis Mathieu, son of Mr. and Mrs. Napoleon Mathieu, 248 Wellington street south, succumbed to a fractured skull and other serious injuries in the St. Vincent de Paul Hospital early Saturday afternoon. The boy's injuries were sustained

when he was run over by a motor truck in front of his home, where he was sliding. Lying prone upon his sleigh, he emerged suddenly from a yard opposite his home. His sleigh carried him in the path of a large motor truck driven by Camille Marcell, of this city. The truck driver did everything humanly possible to aoid striking the lad, but was unsuccessful owing to the slippery condition of the street. Young Mathieu was immediately removed to the St. Vincent de Paul Hospital, where he succumbed about an hour after being admitted.

An inquest was held at the local police station this morning under the presidency of Leonidas Béchard, coroner for St. Francis District, when a verdict of accidental death was returned.

Don't neglect to read the classified advertisements in this issue. They likely name something you want.

FOURTH OF THE SERIES OF UNITED SERVICES HELD

The flowers on the Communion Table were from Mrs. G. T. Wood and Miss Idonea Nourse in loving commemoration of their mother, who departed this life on January 23rd, 1931. The fourth of the series of union services for the congregations of Plymouth and Trinity United Churches was held last evening in Trinity Church, and was well attended by a most appreciative congregation. The impressive period of worship began with a brief song service, including hymns and a quartette, and then passed into the usual order. Two brief addresses were also included, Rev. Dr. Ellery Read, of Plymouth United Church, speaking on the parable of the hidden treasure and Dr. Lennon, pastor of Trinity Church, on the complementary parable of the pearl of great price. A printed order of service was followed embodying a prayer in union, instead of the usual pastoral prayer, and also a responsive Scripture lesson. The special music included the anthem, "Sun of My Soul," by the choir and a solo by Mrs. Gordon Richards, entitled, "O Man of Sorrows." The newly-appointed Sunday School staff was formally installed into office at the morning service. The sermon by the pastor preceded the installation, taking the form of a sermon-story dealing with two young men's relation to the Sunday School and its work. During the morning service Miss Mona Bigg rendered the solo, "Come Unto Me" from "The Messiah," and the choir sang Hamblen's, "O Light of All the World."

BOY SCOUT NEWS

All members of Boy Scout Group Committees, Ladies' Auxiliaries, fathers and mothers of all Scouts and Cubs and supporters of scouting are requested to attend the regular annual meeting of the local association of the Boy Scouts, which will be held on Tuesday at 8:15 p.m. in the Lecture Room of the 53rd Armory on William street. The business will be the acceptance of the annual reports of the various units, discussion of future activities and the election of officers for the year 1933.

Basic facts about the Canada Life ... 86th Year ALL authorities agree that safety for a life assurance company lies in wide diversification of its assets. Policyholders and beneficiaries of the Canada Life remain confident and secure, during periodic financial disturbances, in the knowledge that the Company's well diversified list of investments takes care of such situations. Canada Life Assets % of Total Ledger Assets Cash, Government and Municipal Bonds, Canada, United States and Great Britain... 28.1% Other Government Bonds... .6 Public Utility Bonds... 10.3 Railroad Bonds... 1.2 Newspaper Company Bonds... .9 Realty Company Bonds... 1.6 Other Corporation Bonds... 1.9 Preferred and Guaranteed Stocks... 2.3 Stocks of Canadian Banks and Trust Companies... 1.6 Other Common Stocks... .2 Mortgages... 27.9 Policy Loans... 18.3 Real Estate (including the Company's Buildings)... 5.1 100.0% TOTAL ASSETS—\$216,886,246 Mr. Leighton McCarthy, President, speaking at the Annual Meeting said: Life insurance is a co-operative association of individuals. The funds represent the contributions of individuals made in instalments over a series of years; these funds are managed in the common interest of the group of policyholders, and are distributed or redistributed in varying maturities to the individuals as the various contracts require. Life insurance by its certainty of performance has so completely demonstrated its solidity and usefulness under the economic strain that it is hard to overvalue the service contributed during this period of depression, to its policyholders and to the national welfare. It has played a splendid part in relieving the monetary strain and in many cases averted financial disaster. During the last three years of depression, six and one-half billion dollars of life insurance funds have been made available for the current needs of distressed people in United States and Canada. A proper diversification of their investments makes it possible for them to take care of these demands without difficulty. Associated with this idea of diversity has been the traditional observance of the trust fund conception of our reserves, and habitual conservatism in investment selection. The Canada Life has taken care of all demands, from the ample resources at our disposal, and the Company has not sold a security to provide funds for our disbursements. New paid for assurances amounting to over \$80,000,000, put on our books in 1932, a period when financial conditions were badly disturbed, is a tribute to the well directed and persistent efforts of our associates in the field. The considerations for the sale of annuities increased by over \$2,000,000 and amounted to over \$7,780,000. Our total net income in 1932 from all sources was over \$50,000,000. The Company made payments during last year of over \$29,000,000 under its policy contracts, in settlement of death claims, matured endowments, dividends, annuities and cash values for surrendered policies; or a total of \$80,000 each day of the year. Of this amount, over \$20,000,000 was paid to living policyholders. During the last three years of depression we have paid out approximately \$78,000,000 into the daily activities of the general public, in addition to the flow of our funds through investment channels. Safety and Stability are, first and foremost, the keystones of our traditional policy. It has been possible to do this without interruption of the normal functions of the Companies, largely owing to the fact that they were better prepared to meet emergencies than other lines of business and because the demands they are likely to have made on them are spread over a period of years. Demand for liquidation of all or even a substantial part of their liabilities at one time, is not a normal possibility; neither are they subject to a sudden immediate interruption of their income. Their income from premiums and interest is a constant and continuing one. Income is in normal times, more than sufficient for all claims made on them; but even if, in times of crisis, extraordinary demands are made upon them, Canada Life Progress Through the Years 1912 1922 1932 Total Business in Force... \$144,877,970 \$360,981,195 \$926,389,982 Total Premium Income... 5,153,994 13,300,382 37,075,176 Total Income from all Sources... 7,396,759 17,990,152 50,130,443 Net Surplus Earned... 1,530,667 2,694,663 6,118,678 Payments to Policyholders and Beneficiaries... 2,462,964 7,767,673 29,252,911 Assets for Protection of Policyholders... 48,301,523 86,654,497 216,886,246 Total Assets have increased during the year by... \$12,110,227 Government, Government Guaranteed and Municipal Bonds have increased during the year by... \$14,995,119 The ratio of expense to total income showed a satisfactory decrease in 1932. The Company is again able to report a ratio of mortality more favorable than was expected and lower than in the previous year. A Copy of Report Booklet with list of securities will be gladly sent upon request. Canada Life Assurance Company Established 1847 H. A. PEABODY, Manager, Sherbrooke. Leighton McCarthy, K.C. JONES OPENS 'PERFECT' COURSE

Patterned after some of the most beautiful and difficult golf courses in the United States and Scotland, the new Augusta National Golf Club, built by Bobby Jones and associates at Augusta, Ga., is ready for play after three years of construction. The course, built for amateur and championship play, requires strategy as well as skill, gives the average player a chance, and is a tribute to landscape architecture over its championship distance of 6700 yards. Above is a view of the rolling ninth green, with the clubhouse in the background. Lower left is the fourth tee, with No. 2 fairway in the background, and lower right is the third tee.

DEATHS REPORTED

CLIFFORD WILBUR HAGGERTY, STENSON, QUE.

Stenson, Jan. 23.—The sudden death here of Clifford Wilbur Haggerty, eldest son of Peter T. Haggerty and Katherine Haggerty, removed a popular figure from this community and came as a great shock to his many relatives and friends.

Mr. Haggerty, who was but twenty-three years of age, was instantly killed when an automobile, in which he was a passenger, left the road about a mile from his own home. The vehicle crashed through a fence and when medical assistance reached the scene of the mishap the victim was pronounced dead from a fractured skull. His companion received but minor injuries.

The deceased, who had been employed by J. E. Bellevue, of Garthville, since early last spring, had returned to his home late last October and until the time of his death was helping his father at home.

The funeral was held in St. James' Church when the choir, composed mostly of Garthville friends, rendered the music for the requiem mass, while the hymn, "The Last Greening," was impressively sung by Alexander Larochele. The bearers, cousins of the deceased, were James Douville, Arthur McKelvey, Melvin Carey and James Keefe. Interment took place in St. James' cemetery.

The numerous messages of sympathy and masses received by the family and the large attendance at the funeral testified to the esteem and regard in which Mr. Haggerty was held by his many friends.

Born and brought up in this neighborhood, he will be sadly missed by both young and old who regret his untimely and tragic death.

The deceased is survived by his parents; three sisters, Lena, Mrs. Chas. W. Auger, of Sherbrooke, and the Misses Florence and Eileen Haggerty, and by three brothers, Woodrow, George and Albert Haggerty.

Among those from out of town who attended the funeral were Mr. and Mrs. Nelson J. Guertin, of Black Lake; Mr. and Mrs. Charles W. Auger, of Sherbrooke; Mr. John H. Auger, of East Angus; Mr. and Mrs. John Haggerty, of Inverness; Mrs. John E. Carey, Mrs. Mary A. Keefe, Messrs. Harvey and Melvin Carey, George Dinning, James Keefe, Thomas Hurley, Benoit

ARREST OF MAN FOLLOWS FIERCE FIGHT ON TRAIN

Suspect Overpowered and Furs Valued at \$2,000 Recovered After Clash Between Lachine Police and Suspected Robber.

Montreal, January 23.—A battle between two Lachine policemen and a suspected robber, staged in the smoking car of a Montreal-bound Canadian National Railway train yesterday, resulted in the arrest of the man and recovery of furs valued at \$2,000.

During the short but bitter scrap, Sgt. Charon received two vicious kicks in the pit of the stomach and a badly bitten hand. Captain of Detectives Iannuzzi struck the man twice with his night stick and overpowered him. The assailant gave the name of Alfonso Smith.

According to Lachine police a robbery was staged at the home of Napoleon Chevrier, of Vaudreuil. A child saw a man carrying large parcels aboard a train and Lachine police were asked to intercept him. The policemen caught the train at Lachine, finding their quarry in the smoking room. Following the fight the parcels the man had were examined, revealing four fur coats, four pearl necklaces, a flashlight and burglars' tools.

STUDENTS TURN UP THEIR NOSES AT BEAUTY Cincinnati, Jan. 23.—The boys who boss the University of Cincinnati yearbook turned up their noses at beauty today and announced they would pick the brainiest—not the nicest—girl for the publication's positions of honor this year.

"Beauty sections in college annuals," sniffed Robert Galbraith, personally and editorially, "are passe and a mark of utmost provincialism." Galbraith is the yearbook's editor-in-chief.

Simoneau and A. Ruel, of St. Ferdinand d'Halifax; Mr. and Mrs. Charles Denery, of Maple Grove; Miss Florence McKelvey and Messrs. J. E. Bellevue, Henri Vachon, Cleo Festeau and three sons, Yvon, Roland and Theo. Festeau, Albert Houde, Roger Grenier and C. Pichette, of Garthville, and Messrs. E. George and F. Sharron, of Asbestos.

INSTITUTE AT HATLEY HELD BUSY MEETING

W. I. Entertained at Home of Mrs. J. S. Webster—Social Items from Hatley.

Hatley, Jan. 23.—The January meeting of the Hatley Women's Institute was entertained by Mrs. J. S. Webster, there being a good attendance of members and visitors. The meeting was opened in the usual manner by repeating the Club Woman's Creed in unison. The roll call was responded to by stating some "interesting fact pertaining to world's great men." The minutes of the previous meeting were read and adopted. Letters of acknowledgement and thanks, received in reply to the Christmas Cheer parcels, were read. Reports from the various conveners were called for. It was voted that a stated sum of money be donated to the skating rink, to assist in purchasing lumber for the fence. The convener of child welfare was authorized to make the necessary purchases required for this special line of work. Arrangements were completed for a card party to be held at the home of Mr. and Mrs. Kenneth Little in the near future. Mrs. J. S. Webster was appointed delegate to attend the quarterly meeting to be held at Ayer's Cliff in February. It was also arranged that as many of the members as possible attend this meeting, which Miss McCain, superintendent of Quebec Women's Institutes, hopes to attend.

The members were requested to hard in suggestions for the new programme at the next meeting. Miss M. Glidden then gave a brief "Authorized Biography of King George." At the close of the business meeting, tea was served by the convener, thus bringing to a close a very pleasant afternoon.

General Notes

Miss Myrtle McClary, who lately returned from a stay of several weeks at Judd's Mills, has been spending a few days with her grandparents, Mr. and Mrs. W. A. McClary, at Brookfield.

A few friends were recently entertained at the tea hour by Mrs. Macdonald at "Brookbank."

Dinner was served at noon recently in the United Church hall, with the usual fortnightly business meeting afterward held by the members of the Women's Association, when plans were formulated for the annual congregational social.

Rev. W. Johnston was called to Casville on Tuesday, January 17, to officiate with Rev. W. H. Thomas of Ayer's Cliff, at the funeral service for Mr. Bliss, afterward proceeding to Newport, Vt., to attend the monthly ministerial meeting.

Friends in this vicinity have received word of the illness of Mr. F. A. Currier, a former Hatley resident, in a Portland, Me., hospital.

Mr. L. H. Orcutt attended the funeral service for his sister, Mrs. F. C. Humphrey, at Way's Mills, through illness, Mrs. Orcutt and family were unable to be present.

NORTH HATLEY

Mr. and Mrs. J. S. Hayes and daughter, Gladys, sailed from St. John, N.B., on the "Duchess of Athol" for their home in England. On account of the illness of Mr. Hayes they have been obliged to leave Sicawei Farm where Mr. Hayes has been employed by Mr. R. G. Davidson.

Mrs. E. Lord and son, Bernard, were recent visitors in Montreal, where Mrs. Lord is receiving treatment at the Royal Victoria Hospital.

Mrs. Nettie Kent was a recent week-end guest of Mrs. E. Corey at Massawippi.

The gymnasium classes at the Consolidated School have been organized with Miss Emily LeBaron as gymnastic teacher.

Miss O. Mount, of the Consolidated School staff, is ill. Miss M. Riley is supplying during her absence.

"What's become of that hit-and-run driver?" "He's now doing his stunt on the prison baseball team."

ALIMONY BY THE OUNCE IS REQUESTED BY PLUMP WIFE

Woman Who Weighs Mere 325 Pounds Builds Up Argument by Using Her Weight as Solid Foundation.

Chicago, Jan. 23.—Alimony by the ounce? Mrs. Mabel Hewlett, who weighs 325 pounds, appeared before Superior Court Judge Joseph Sabath and made the request.

"I suppose," said the court, "that this lady will want alimony proportionate to her weight."

"Surprisingly, that is what we do want," replied an attorney representing Mrs. Hewlett in a separate maintenance suit against David M. Hewlett.

"This lady," he explained, "is handicapped by her weight. She cannot ride on street cars. She was forced to employ a cab to bring her to this hearing. She is on a diet. Her food must be specially prepared, and, I might add, she must have more food than consumed by the ordinary person. Her clothing, her shoes—everything she buys—must be especially made. I would like Your Honor to keep these facts in mind."

His Honor promised to do so.

ROCK ISLAND AND DERBY LINE

Mr. Vachon, of Sherbrooke, was a recent visitor in town.

Mrs. de Gruchy has been in Montreal to see her husband who is a patient in the Montreal General Hospital.

Mrs. Moulton, of Derby Line, left recently for Springfield, Mass., where she will remain for the winter months.

INVERNESS

In municipality of the Township of Inverness, Mayor John McKenzie was re-elected by acclamation. The three re-elected councillors, William Porter, Thomas Learmouth and Arthur Leathers were returned by acclamation.

In the village of Inverness, Mayor John McCammon was re-elected by acclamation. The councillors Robert Wright, Dr. S. J. Bennett, Oliva Savoie were also re-elected by ballot.

CORPORATION MEETING HELD AT RICHMOND

Many Items of Business Importance Featured the Regular Monthly Meeting of the Council of the Corporation of the Town of Richmond—Other Meetings and News Items.

Richmond, Jan. 23.—The regular monthly meeting of the Corporation of the Town of Richmond was held in the Council Chambers, Mayor S. E. Desmarais, president, over promoter McKee and aldermen Hill, Dyson, Manning, Brunette and Edmond. The secretary-treasurer was also in attendance.

It was moved and seconded that the mayor and secretary-treasurer be authorized to sign the agreement between the Corporation of the Town of Richmond and the Eastern Townships Telephone Co., regarding the fire alarm system, for a period of five years, commencing Jan. 3, 1933, the whole according to the agreement drafted by the company.

The road committee reported that Edmond Desrochers had been engaged to plow the sidewalks when necessary. The secretary-treasurer read a letter from the Dominion Stores, Limited, asking a refund of taxes, due to the fact that the company had closed their store at Richmond and asked for refund from the date of the unexpired period. As the by-law does not provide for such case, it was moved and seconded that no refund can be made.

It was moved and seconded that Dr. Roger Nadeau, of Richmond, be appointed health officer for the Town of Richmond until the end of the term of the present council.

It was also decided to buy a new wood lot and the matter was left in the hands of the wood committee, with power to close any contract, with the understanding that the price was not to exceed four hundred dollars.

A. S. Merrill was engaged to plow the streets when required by the road committee.

It was moved and seconded that the salaries of the secretary-treasurer and the foreman be reduced, owing to the prevailing conditions, and these officers accepted the reduction with the understanding that it be temporary.

The chairman of the light committee made a report regarding the Ltd. The report was accepted and a copy forwarded to the company at Montreal for their approval, the local office was ordered to cut down the lights according to the schedule furnished by the committee, this reduction to take place on January 12, 1933.

Several accounts were received and ordered paid and the meeting adjourned at a late hour.

YOUNG PEOPLE'S SOCIETY MET
The regular weekly meeting of the Young People's Society of the Richmond-Melbourne United Church was very well attended, there being about seventy present. The programme was under the auspices of the Christian Citizenship Committee and was arranged by Miss Abbie Pease, of New London.

The speaker of the evening was Rev. E. W. S. Coates, who gave a splendid short talk on Citizenship, followed by a humorous reading on banking by a Professor Stephen Leacock.

Miss Crystal Wilkins and Mr. Egbert Healy also gave readings that were well received, Miss Wilkins being "The Owl Critic," while Mr. Healy recited "Caleb's Courtship."

The musical numbers consisted of two vocal duets by Misses of Kelly Hall and Doris Healy, and two solos by Mrs. Percy E. Taylor, all of which were most enjoyable. The accompanist of the evening was Mrs. Robert Hall. After the programme refreshments were served and a pleasant social half hour was spent at carpet-bowling.

General Notes
Mr. Cecil Johnston was called home recently owing to the illness of his father, Mr. Frederick Johnston. Regret is expressed that Mr. Johnston was subsequently taken to a Montreal Hospital for treatment. His many friends wish Mr. Johnston a speedy recovery.

Mr. Arthur Lacombe spent Sunday, January 15, in Waterloo, called there by the serious illness of Mrs. Lacombe, who is suffering with typhoid fever.

Miss Marcia Gunter left recently for Montreal, where she has accepted a position.

Mrs. William Stevens and Mrs. Amos Ward spent a day recently in "I can't give you a job. I can't afford any extra help just now." "That's all right. I shan't be much help."

FARMERS' CLUB OF STANSTEAD HELD MEETING

Interesting Addresses Delivered by Agricultural Experts at Ayer's Cliff Gathering—Newsy Items and Personals from Ayer's Cliff.

Ayer's Cliff, Jan. 23.—The annual meeting of the Stanstead County Farmers' Club, was held in Confederation Hall, on Tuesday evening, January 17, with a splendid attendance considering the condition of the country. Mr. George Hunter presided in the absence of the president, W. S. Keeler, who was unable to be present on account of illness. The meeting opened by singing "O Canada."

Joseph Morin, of the Department of Agriculture, of Quebec was present with several lengths of films and showed the film, "The Might of Pure Milk." This was indeed very interesting as well as instructive and very pleasant to look at. Many herds of fine cattle were shown in illustrating the points that the department wished to present to the farmers, including better bred cows, cleanliness, straining and cooling the milk, pasteurization.

A modern barn, with the modern equipment, together with the importance of milk in the daily diet for children as well as adults were other features.

W. G. MacDougall, County Agriculturist, of Lennoxville, was present and made a few remarks, first expressing his appreciation to the Farmers' Club, for their assistance in helping to finance the prizes given in the recent short course held in Lennoxville. The speaker mentioned that one-third of the prize money came back into Stanstead County. He also expressed thanks and appreciation for the grant given in the calf feeding competition. Mr. MacDougall, then gave a short explanation of the motion pictures which were to be shown by Mr. Morin during the evening.

He then gave a short talk on "Farmers should study reducing cost of production," and gave valuable hints as to how it might be accomplished. He told the farmers that through the club, the fertilizers might again be bought with the same rebate as last year. He also spoke briefly of the necessity of exterminating internal parasites from the sheep and swine.

E. E. Temple, the secretary, was then asked to read the minutes of the last annual gathering, and before closing \$1,727.29 being the total receipts and \$1,727.29 being the total expenditures, leaving a balance on hand of \$133.39. In spite of the financial condition throughout the county the above figures indeed showed a very satisfactory year.

The film on "Food makes a Difference" was next shown. This was very educational, as the experiments carried out with white rats, showed the development with the well balanced diet with milk and vegetables, the last film shown on this "Basal Diet" was a word from Quebec that the authorities had helped with the Montreal, visiting relatives and friends.

Mrs. C. J. Wilkins, of Springfield, Mass., was called here by the illness of her mother, Mrs. McClure. All wish Mrs. McClure a speedy recovery. George Newsoms, of Montreal, spent a recent week-end with his friend, Mrs. Stanley Bushey.

Mr. Mollie C. Ward left for Montreal on Tuesday, January 17, where he has accepted a position.

Mr. Redmond Hayes, of Montreal, is the guest of his mother, Mrs. John Hayes, for a few days.

Mr. David Kerr, of Quebec City, was a recent guest of Mr. and Mrs. I. E. Bushey.

Mrs. F. L. Robinson and Mrs. S. H. Barrie were recent guests of Mr. Henry Pickett, at L'Anson.

Mr. and Mrs. George Manning, of Montreal, were week-end guests of Mrs. F. Dyson.

Mr. Leonard Boast has returned from a business trip to Montreal.

Mrs. Harry Hardy, of Montreal, was a recent guest at her parents, Mr. and Mrs. James Boast.

Friends will regret to know that Miss Marian Drives is ill with typhoid fever and all wish her a speedy recovery.

Mr. Leonard R. Bushey spent a recent week-end at Sherbrooke visiting Mr. Russell Harper.

Friends will be pleased to hear that Mrs. Melville Hampden is recovering from typhoid fever. Mrs. W. Bidgood and Mrs. A. E. Dyson, who have been ill with a grippé, are also recovering.

Mrs. William Archibald, of Montreal, spent a recent week-end visiting relatives and friends in Richmond.

The NEW JELL-O: A Modern Thriller

NOW, THERE'S A LARGE ORDER. JOHN'S BRINGING 4 EXTRA FOR DINNER—IT'S SIX O'CLOCK AND I'VE NO DESSERT.

JENNY, JENNY! I WANT A SPECIALLY GOOD DESSERT QUICK. WHAT'EVER WILL I DO?

I KNOW! NEW JELL-O! IT TAKES ONLY A LITTLE MORE THAN HALF THE USUAL TIME AND I CAN POP IT INTO THE REFRIGERATOR, OR A COOL PLACE AS SOON AS IT IS MADE.

WELL, HERE WE ARE, DEAR! AND I HOPE YOU HAVE A GOOD DINNER FOR US.

WAIT TILL YOU SEE THE DESSERT. IT LOOKS LOVELY.

THAT JELL-O WAS DELICIOUS. I NEVER HAD ANY BEFORE THAT TASTED SO GOOD.

IT'S THE NEW JELL-O! YOU MAKE IT WITH HOT—NOT BOILING WATER. THE FLAVOUR CAN'T POSSIBLY STEAM AWAY.

Such an IMPROVEMENT!
5 minutes after making old-fashioned jelly powder even old JELL-O, good as it was!

Still steaming!
Flavour escaping!
Setting delayed!

5 seconds after making NEW JELL-O

Into the refrigerator!
Flavour saved!
Setting begun!

crop raising and they would now help with child raising.

The second part of this was equally as instructive, illustrating the well developed child, and showed in some test pictures how the child who had well balanced meals could act and think much more quickly than the child who had not had the proper balanced meals of milk and vegetables.

Mr. Richardson, of Lennoxville, gave an interesting address dealing with many subjects of interest. The value of growing more feed for the dairy and purchasing less, as this took up the profit made from the milk, was stressed by him, and the growth of various grains, with their food values was explained. To have the land better prepared for raising their crops was also dealt with by him. The use of limestone was urged as in the acid soil around this country, the lime is needed badly. Lime he said makes the ground mellow and easy to work and there is not the need of as much fertilizer. Lime increases the yield and he proved this by giving examples of experiments carried out at the Experimental Farm. The speaker closed by saying that money spent in limestone was well spent.

Norman Beach, of the Provincial Live Stock Branch, then expressed his pleasure at being able to accept the invitation to come to Ayer's Cliff club meeting and he gave an excellent talk on "To Raise Herd Average," mentioning the assistance of the Herd Test Association and the work of the R.C.P. He stressed the fact that poor cows should be eliminated from the herds and until this is done very little could be accomplished. He claimed that cows only averaging 20 pounds, butter fat better be butchered as a farmer cannot afford to keep them.

He also talked on the importance of record keeping and told how much this helped in selecting high producers. The thought he wished to leave with them was that Herd Average must be raised, and the sooner the better.

The following directors were named for the coming year: W. S. Keeler, George Butler, W. D. Thompson, Albert Davidson, A. A. Blair, William Shuttleworth, E. W. Perry, W. J. Whitcomb, A. C. Parkhill and H. G. Ayer.

The next film on "Ailing Clover" was interesting, which showed the acid test, and the picture of clover growing with the use of lime and without, proving the great value of the "Magic White Dust." The next reel was very pretty dealing with fish and game, "Along the Mighty River at Ottawa," and the hunters out after the game, the men returning with their day's catch, also the Day Break in the Laurentian Hills. The last reel was especially for the children. "Our President's Dream," and was enjoyed by them, causing much laughter.

Mr. A. A. Blair moved a vote of thanks to Messrs. Morin, Beach and Richardson, for their entertainment. The meeting closed by singing "God Save Our King."

WOMEN'S ASSOCIATION MET

The first regular meeting of the Women's Association for the New Year was entertained at the home of Mrs. J. E. Gibson, with fifteen ladies present. The president, Mrs. W. H. Thomas, conducted the meeting and many important items of business were disposed of. The following committees were appointed for the year's activities. Work committee, Mrs. George Rexford, Mrs. S. E. Rowell, Mrs. H. G. Buck and Mrs. Cora Dustin; look-out, Mrs. H. G. Buck and Mrs. Thomas; ways and means, Mrs. A. F. Emberley, Mrs. E. S. Beerworth and Mrs. A. H. Slack; flowers, Mrs. A. F. Emberley and Mrs. Thomas; devotional, Mrs. C. H. Libby and Mrs. Thomas. The envelope system will again be adopted. A sum of money was voted to the work committee to purchase materials. The date for the mid-summer sale was determined for July 18. One new member was welcomed in the person of Miss Doris Thomas. Mrs. A. F. Emberley invited the Association to her home for their next regular meeting and in March a St. Patrick's supper will be held for the members and their families. Afternoon tea was served and a very enjoyable social hour passed.

General Notes

Mrs. G. Lorne Mitchell pleasantly entertained at her home the members of the Birthday Club at tea. The party was composed of Mrs. W. E. Hurd, Mrs. F. N. Bangs, Mrs. R. M. Demers, Mrs. E. H. Chadsey, Mrs. E. R. Rousseau and Mrs. T. D. Hunter.

Mrs. F. H. Rider and Miss Madelyn Rider entertained most enjoyable at a bridge party. Cards were played at five tables and the prize winners were Mrs. C. M. Moore, Miss Flora Paul, Miss Iva Keet and Mrs. H. P. Stone. Refreshments were served by the hostesses, who were assisted by Mrs. W. E. Marshall and Miss Ruth Emery.

The funeral of Mrs. Sarah Davenport, widow of Calvin Davenport, who passed away at her home on Monday, January 16th, was held in the United Church on Wednesday, January 18th, Rev. W. H. Thomas conducting the service. A quartet consisting of Mrs. F. H. Rider, Mrs. W. H. Thomas and Messrs. M. W. Johnston and A. F. Emberley rendered the hymns, "Nearer My God to Thee," "Rock of Ages," and "Peace Perfect Peace." The bearers were Messrs. T. W. Keet, M. E. Leavitt, and N. C. Kezar. The burial was in the family lot in the Ayer's Cliff Cemetery.

Miss Winona Luce, of Sherbrooke, was a week-end guest of Mrs. F. H. Rider.

Mr. and Mrs. E. P. Lyon went to Lyndonville on Wednesday, January 18, to attend the funeral of Mrs. Hunter.

The friends of Mr. and Mrs. Henry Goodrow will be sorry to hear that they are both quite ill. Mrs. F. G. Dezan is assisting at the home at present. A speedy recovery is hoped for them both.

Mr. and Mrs. L. L. Gustin, of Brown's Hill, and Mr. and Mrs. S. D. Keet, of Fitch Bay, were guests of Mr. and Mrs. T. W. Keet on Wednesday, January 18, as Mrs. Gustin's and Mr. Keet's father was celebrating his seventy-fifth birthday. Mr. Forest Keet, of Fitch Bay, was a guest at the same home.

Mrs. S. W. Badger, of Brown's Hill, is spending a few days at the home of Mr. and Mrs. R. G. Cass, while visiting old friends.

Mrs. E. S. Rowell has returned home after spending the past few weeks in Sherbrooke the guest of Mr. and Mrs. A. E. Rowell.

Miss Bella Dickson, of Sherbrooke, was calling on friends here recently.

Mr. and Mrs. Reid Moe, of Sherbrooke, were calling on friends here recently.

The friends of Mrs. S. W. Emery were grieved to hear of her death, which occurred at her home here on Tuesday, January 10, after an illness of about ten days. Mrs. Emery was the wife of Sanford W. Emery, whom she leaves to mourn her loss. She has for many years been in failing health, but death at the last was quite unexpected, as for the past few months she had been much better and was able with the help of Mr. Emery to keep up the regular household duties. Mrs. Emery was a loving wife and kindly neighbor, and she and her husband have been faithful companions through life and to him the sympathy of the community is extended. Mr. Emery is in very poor health and it is hoped that he may be given strength to endure this great bereavement. Mrs. Emery has been tenderly cared for by Miss Lavers and her sister, Mrs. Walter Brown. The funeral service was held on Thursday afternoon, January 12, at her late home, Rev. C. Moore and Rev. W. H. Thomas officiating.

Canada's most delicious soups!

because of the Natural Flavour of choice, garden-fresh vegetables which only AYLMER chefs know how to retain. It's this natural flavour, so appetizing, yet so subtle, that makes the difference!

ANNUAL VESTRY MEETING HELD; DANVILLE NEWS

Excellent Reports Submitted at Danville Anglican Church Gathering—Newsy Items of General Interest from District.

Danville, Jan. 23.—The annual vestry meeting of St. Augustin's Church took place in the church parlors and was opened by Rev. E. K. Wilson. The minutes of the previous meeting were read by Mr. A. E. Ward, in the absence of the Vestry clerk, Mr. H. I. Elliott.

After these minutes had been adopted, Miss E. L. Gibson read the financial report, Mrs. H. H. Cleveland, president of the Ladies' Guild, then read her report which was very gratifying. The report of the Women's Auxiliary was read by Mrs. George Thurber. Rev. E. K. Wilson read the Sunday School report which showed a very successful year. He also reported the number of deaths, marriages and baptisms held. The election of officers then took place, resulting in the following: G. R. Thurber, rector's warden; Harold Statten, people's warden; Miss Laura Gibson, treasurer; Mr. A. E. Ward, Vestry clerk. The sidesmen of the previous year were re-elected, namely Messrs. S. L. Gibson, A. E. Ward and H. McKeage. A hearty vote of thanks was given to the president and members of the Guild for their good work and interest throughout the year, also to the members of the choir for their help and services at all times during the year.

There was a vote of thanks from the congregation to Mr. H. I. Elliott, who is resigning as Vestry clerk, after acting for thirty-three years. Letters of condolence were sent to Mrs. T. Johnson in the bereavement of her husband who died after only a short illness, also to Mr. H. R. Cleveland.

The meeting was brought to a close with the benediction by the rector.

General Notes
Mrs. George Thurber was named Worthy Matron of the O.E.S. Lodge and Miss Elizabeth Church was appointed to the refreshment committee.

The officers of Golden Link Encampment No. 18 was installed by D.D.G.P. D. MacLean and suite from Union Encampment No. 3 of Sherbrooke. The following officers were installed: Chief Patriarch, H. E. Lockwood; High Priest, George Harry; senior Warden, W. Beliveau; junior Warden, George Cheese; recording Scribe, E. J. Flanders; financial Scribe, H. Robinson; Treasurer, A. J. Taylor; Guide, A. D. Tector; inside Sentinel, S. Sears; outside Sentinel, A. D. Hodges; first Watch, George Burns; second Watch, A. Crack; third Watch, L. E. Findlay; fourth Watch, H. M. Lockwood.

Miss Gwen Elliott entertained at three tables of cards in honor of Miss Annie Barlow, of Sherbrooke, who is the guest of Mr. and Mrs. Harry Barlow. After the game, refreshments were served. The prizes were won by Miss Olive McBurney and Mrs. Harry Barlow and the gentlemen's prizes by Harry Barlow and Mr. Albert Barlow.

Mrs. William Brock is very ill at her home here.

MAGOG

Mrs. W. G. Bell, of Farnham, was a recent guest of Mr. and Mrs. George Fields and Mrs. Rhicard.

Miss Barbara Pibus is spending some time in Knowlton with her grandmother, Mrs. L. H. Pibus.

Mr. Gray Cunningham returned home last week from the Montreal General Hospital.

Mr. Kenneth Vancouver was a recent visitor in Sherbrooke.

Mr. and Mrs. Harry Carr and son, Sydney, were at North Hatley, recently.

The remains of the late Dr. J. O. Goyette, of Montpelier, were brought to Magog on Monday, January 16, and laid to rest in the Roman Catholic Cemetery, Pine Hill. Dr. Goyette was a resident of Magog for several years and was a most respected and faithful doctor and leaves several relatives in Magog as well as a host of friends.

The St. Faith's Guild met at the home of Mrs. Holt. The following officers were elected: president, Mrs. Henry Spinks; vice-president, Mrs. Rev. James Aitkinson; secretary, Mrs. Elmer Dagnais; treasurer, Miss Bessie Bice. Mrs. Holt served refreshments at the close of the meeting.

Rev. A. T. Jones, of Stanstead, spent a few days recently in town the guest of Mr. and Mrs. Reuben Strain.

The many friends of Mrs. Fred Bullard will be pleased to hear that she has recovered from her recent illness and was out for the first time on Sunday.

At a recent meeting of the 1925 Club of St. Paul's United Church the following officers were appointed: joint presidents, Mrs. Chipp and Mrs. Edgar Whalley; secretary, Miss Lillian Pike; treasurer, Mrs. H. D. Roberts. The club also met

with Mrs. H. D. Roberts, Pine street. A very pleasant evening was spent, after which Mrs. Roberts served dainty refreshments.

The following Eastern Star members of the Harmony Chapter of Magog attended the Eastern Star banquet and installation in Sherbrooke: Dr. C. S. Harris and Mrs. Harris, Mrs. A. F. Cotterell, Mrs. Robert Campbell, Mrs. Kenneth Bryant, Mrs. Alvin Swogger, Miss Mary Lindsay, Mr. and Mrs. McKeller, Mr. and Mrs. Merchant and Mrs. Probyn.

Mrs. R. R. Merrill and Mrs. Richard Smith's many friends will be pleased to learn they are both recovering from their illness.

Miss Moore has been spending several days in town the guest of Mr. and Mrs. George Gray.

Mrs. Charles Christie returned home from Sherbrooke on Sunday, January 15th. The many friends of Mrs. Christie will be pleased to hear that she is making a good recovery from her long illness.

The St. Luke's Women's Guild met with Mrs. Fred Wallace on Wednesday afternoon, January 18, with a fine attendance. Mrs. Wallace served refreshments at the close of the meeting.

H. J. McConnell, specializing in optometry and fitting of glasses, is residing at the Battle House, Magog, Que., on Thursday, January 25th next for consultations.

WATERVILLE

The annual meeting of the Ladies' Guild of St. John's Church was held at the parsonage on Wednesday afternoon, January 18th, with a good attendance of members.

The meeting was presided over by the president, Mrs. O. Berry. The report of the secretary and treasurer proved very satisfactory and marked the closing of another successful year. The election of officers resulted as follows: honorary president, Mrs. A. Berry; president, Mrs. F. H. Love and Mrs. M. Burpee; secretary, Miss Pearl Burton; treasurer, Miss Nellie Bayley. At the tea hour refreshments were served by the hostess assisted by some of the ladies.

Mr. and Mrs. N. E. Solomon have left for Melbourne Ridge, where they will spend a few days rather a serious accident. When he was returning from Montreal his truck skidded, going down over an embankment of over twenty feet near Eastman, Que. A large truck from Sherbrooke which happened to be passing, saw Mr. Berube's plight and offered his assistance, but the weight of the truck was too much for the Sherbrooke truck, on account of the slippery bank and the second truck also went down over the bank, crashing in the large covered top of the first vehicle. A third truck driver passing offered assistance to both, but like the other two, his truck also crashed down the slippery decline, with the result that more breakage and damage was done. Mr. Berube sent to Coaticook for assistance and derricks from a local garage went to Eastman, when the three trucks were extricated. Mr. Berube's truck was brought to Coaticook.

Statesman—And these figures are not mine, gentlemen; they are the figures of one who knows what he is talking about.

COATICOOK
Mrs. Arthur Faladeau, of Berlin, N.H., who has been visiting her mother, Mrs. Mary Lanciaux, has returned to her home. Mr. George Ross, of Winchenden, Mass., was in town over a recent week-end.

Miss E. Malouin, nurse-in-training at St. Luke's Hospital, Montreal, has been spending her vacation with her mother, Mrs. A. Malouin.

Dr. Olive Birs, Mrs. Birs and daughters have returned from a pleasant holiday spent with relatives at St. Jacques L'Archigan, Que.

Mr. H. D. Archambault, Drummondville, was in town over a recent week-end, Master Gaston Archambault accompanied his father

TO-NIGHT TOMORROW ARIGHT

FOUR ENTRIES DEADLOCKED FOR INDUSTRIAL LEAGUE LEADERSHIP

Results of Games Saturday Evening Placed Four Squads on Equal Footing in League Standing—Codere's Recovered from Slump to Trounce Julius Kayser by Three to Nothing, While Sherbrooke Cottons and Canadian Silk Products Were Unable to Reach Decision in Seventy Minutes.

Reckoning which squad will capture the Industrial Hockey League hunting and earn the right to enter the provincial commercial eliminations against the representatives of the Coaticook Industrial circuit is about as easy today as to predict when Old Man Winter will settle in earnest in Sherbrooke. Perhaps a homely simile, but a cursory examination of the present league standing will reveal that the four entries composing the popular group are as far advanced as they were when the schedule was drafted. Practically half the annual race has been run to date and the four aggregations are deadlocked for the leadership.

This quadruple tie was brought about Saturday night when Codere's made the only progress by trouncing Julius Kayser by three goals to nothing just after Sherbrooke Cottons and Silk Products had played a three-all ten-minute overtime tie with the most dramatic conclusion witnessed on Arena ice in many a moon.

Two snappy goals within thirty-two seconds, the first twelve seconds before the final whistle and the second twenty seconds after the supplementary session had been started, provided the sensational finish to the curtain-raiser between Cottons and Products. Fighting an uphill battle from early in the initial frame, Austin Workman's boys fought tooth and nail with their opponents, materially strengthened by the addition of Paul Therrien and Pat King, of East Angus, and with an iota of luck would have ran off with the laurels. And in the end, it was the goal from the stick of Paul Therrien that resulted in both participants dividing the points.

Before five minutes of the first period had elapsed it looked as though the game would be a walk-away for Products. Captain Lawrence Pergau, regular left winger, checked Maurice Parsons behind the Cottons' blue line and backhanded a shot past Achille Hibbard, whose view was hampered by one of his own men. First impressions on this occasion, however, did not prove right. Forecasting their determination by peppering Howard Nichol with a barrage of shots, Cottons tightened up and refused to back water in face of the attacks of their heavier rivals. Billie Gordon, Leo Shields and Thibi Darocher were constantly on the defensive, but the Lennoxville boy was not to be beaten in the opening twenty minutes.

Barred by a defence which worked in perfect union, Hibbard gave one of his best goal-tending exhibitions. Roy and Therrien found him unbeatatable, while as the chucker drew to a close King experienced the same setback when he uncorked a whistling shot on a pass from Pergau. Both teams played clean hockey, Lucien Goyette drawing the only penalty for a minor infringement.

Ken Bulford at centre, with Pergau and "Shorty" Whitcomb on the wings, faced Gordon and the Shields brothers for the middle cap. Fighting desperately to even matters, Cottons pressed, but poor marksmanship proved a drawback. Roy broke away once on an individual rush which put Hibbard in hot water, but for the most part Products were striving vainly to maintain their solitary goal margin. Pandemonium broke loose finally after ten minutes' play when Desrochers scored on his own rebound. The goal livened the pace and Leo Shields was waved to the side for the only banishment of the period. In his absence, Parsons broke up many promising Products rushes, and Durocher relieved the pressure on Hibbard with solo efforts.

Although there was no indication of hard feelings, the game became rougher in the final twenty minutes and four penalties were imposed. "Moose" Wolfe took the first trip to the "cooler" for boarding Gordon, but Cottons' attempts to go into the lead received a setback when Parsons joined Wolfe. Four Terrey forwards were injected with Wolfe on defence, and Cottons were hard pressed while short-handed. A torrid pace was kept up as both brigades hurled waves of speed without any score to show for their efforts. Laramee drew

Nichol from his cage but hoisted over the net, while Hibbard turned back both Roy and Bob Dunsmore. With four minutes to go, the tide of battle carried Products on its crest. Bob Dunsmore rushed and shoved the disc between the Cottons' defence. Roy pounced on the rubber and drove home his team's second counter. Play went into the final sixty seconds with Products holding the odd goal in three. Then Roy was penalized and when too many men were sent on the ice Therrien was banished for a minute. The penalties put new life into the Cottons' attack and results were achieved twelve seconds before the end. Laramee rushed alone, and when the overworked Products' bulwark was slow in clearing his rebound, he skated in and registered.

No sooner had the cheering died down than Leo Shields and Billie Gordon scored in the overtime. Products were still shy two men when Shields bagged Gordon's pass to give Cottons their first lead. Over-anxiety on the part of Captain "Moose" Wolfe saw several opportunities washed up and both teams changed ends for the final five minutes. Five forwards bore the brunt of the Products' charge, Pergau, Roy, Clark, Whitcomb and Therrien making Hibbard's life miserable. He held his fort nobly until a well-placed shot by Therrien evaded him and tied the count a third and last time. As Jimmie Doonan rang the bell, Durocher had an open net at his disposal, but tangled up with Nichol who cleared the dying bid.

The summary:
First Period
1 Products Pergau . . . 3:10
Penalties: L. Goyette.
Second Period
2 Cottons Desrochers . 10:35
Penalties: L. Shields.
Third Period
3 Products Roy . . . 16:00
4 Cottons Laramee . . . 3:48
Penalties: Wolfe, Parsons, Roy and Therrien.
Overtime
5 Cottons L. Shields—Gordon 0:20
6 Products Therrien . . . 7:10
Penalties: None.

The line-ups were as follows:
Cottons Products
Hibbard goal Nichol
Parsons defence Dunsmore
Gordon centre L. Goyette
L. Shields r. wing Whitcomb
H. Shields l. wing Pergau
Cottons subs: Desrochers, M. Thibault and Letarte.
Products subs: Clark, Bulford, Roy, Therrien and Pat King.

CODERE'S RECOVERED FROM RECENT SLUMP

Very few minutes had elapsed in the curfew before a noticeable change in the fortunes of the Codere's had recovered from their disastrous slump, while Julius Kayser had been struck by an ill wind which wafted away its customary fine combination. As the game progressed, another fact was brought home to the spectators. Laurent Boisvert, with the aid of a strong defence, was experiencing one of his best nights, while his temperamental rival, Russ Harper, was getting one of his periodical slumps out of his system.

It did not take long for the black-shirted sextette to get going. Carrier made the first dash and was boarded by Maurice Trudeau. Kayser's right wingman took a penalty ten seconds after the puck had been dropped, and while he served his two minutes Christophe Vincent scored from close range on Wilfrid Gauvin's pass. Gosselin nicked the goal post on Goff's pass after Mathieu had been ruled off for tripping Banks, while "Red" Morin missed an open net with Harper on his stomach. The Kayser forwards were unchained continually and were unable to employ their usual smooth-working play. On the other hand, the hardware store representatives were checking closely to give Boisvert frequent breathing spells. Rollie Lacasse contributed a terrific backhand which almost caught the Codere goalie napping, and when Morin was penalized Paul Thibault saw his shot blocked after he had intercepted a pass which was intended to go the length of Continued on Page Two.

HAWKS REGAIN SECTION LEAD FROM RANGERS

Detroit Tripped Americans While Patrickmen Were Absorbing a Whitewash from Maroons—Senators Lost Close Battle to Chicago and Canadiens Trimmed Bruins.

Toronto, Jan. 23.—John Ross Roach isn't giving the opposition a chance to break Detroit's winning streak in the National League—no chance.

The old Port Perry puck-stopper, who got himself sold down to Detroit at the end of last season by doing a Grover Cleveland Alexander during the Rangers' play-off spasm, has avenged himself most fully on New York.

Last week he shut out the Rangers and last night he held the Americans scoreless as the Red Wings alighted in first place in the circuit's United States division with a flourish that was mostly of Roach's doing.

Three consecutive shutouts ran the string of John Ross to six for the season and four since the Wings started an upward flight in mid-December that is still unfinished. The former Toronto and Ranger goalie played his most spectacular hockey of the campaign to allow Detroit to upset the Americans by two to nothing last night and regain the leadership by a single point over the Patrick Blue Shirts.

The loss left Joe Simpson's Spangled outfit with only a point to spare in second place over the Montreal Maroons, who got defeated into third place at last by bashing the Rangers by five to nothing in New York. There was no recent precedent for this upset, but the in-and-out Redmen care little for performance charts when they feel the way they did last night.

It was Dave Kerr's second straight win since he took over Flat Walsh's goaling job and the first whitewash Rangers have been subjected to in New York since late in the season of 1931. Glen Brydson, Paul Haynes and Hoolley Smith just about clinched the affair for the Maroons in the second period, scoring successively, Earl Robinson and Baldy Northcott completed the rout in the third.

Canadiens, who are just as much in earnest about climbing as the Maroons, were equally impressive as they walloped the Boston Bruins by five to two at Montreal on Saturday night. The Bruins offered stubborn resistance, but the Frenchmen rammed in two goals in the first period, Aurel Joliat and Sylvio Mantha scoring, and got a third early in the second from George Mantha before Harry Oliver finally tallied for Boston. Art Giroux and Howie Morenz contributed additional Canuck tallies, the only reply coming from Neil Stewart.

If the Ottawa Senators could have held on twenty-five seconds longer they would have pulled out a point at Chicago, but Art Coulter, recruit Hawk defenceman, spoiled the defensive effort by shooting a goal at this stage on Tommy Cook's pass to give Tommy Gorman's team a two to one win, the second straight victory since the old Ottawa tactician took charge of Chicago's hockey destinies. Allan Shields had given the Senators a lead in the first period and Mush March had tied the count in the second.

BUTTERFIELD'S TROUNCED TIGERS IN LEAGUE FIXTURE

Stanstead, January 23.—By a score of seven to one, the Butterfield's sextette trounced the Rock Island Tigers in a scheduled game of the Border Hockey League. The fixture was fast throughout, Butterfield's improving over their opponents during the second and third periods. Good combination and fine individual rushes provided the fans with much excitement during the initial frame which ended in a one-all deadlock.

Butterfield's superiority was indicated by the margin they held during the latter stages of the game and which they converted into six points while keeping their opponents scoreless.

There were no individual stars on the winner's line-up, the entire team playing exceptionally fine hockey, while R. Fregeau, Neveu and Fortin were the pick of the Tigers.

CANADIENS WON FINAL GAME IN LOCAL JUBILEE RETURN BATTLE FROM E. ANGUS

Canucks Handed Pulp and Paper Town Squad Two to One Lacing at Arena Yesterday Afternoon—Bob Dunsmore Notched Both Sherbrooke Tallies.

A mighty duel should Canadians and East Angus meet in the provincial intermediate play-downs were forecast yesterday afternoon from the Arena when the Canucks played their return game with Ted Rearden's band of puck chasers and sent the pulp-and-paper town squad down to a two to one defeat. Inability to take advantage of their many "breaks" prevented the Sherbrooke aggregation from computing a bigger count, several fine scoring opportunities being missed by poor finishing around the East Angus citadel.

The Canucks iced a makeshift line-up due to the absence of several of their regulars. The recruits, however, comprised a squad of about equal strength to the aggregation that invaded East Angus on Friday evening and took a four to two setback. On the two-game round, East Angus won by the odd goal in nine, a tally within two minutes of the end of the game awarding them this honor.

Bob Dunsmore and Austin Workman were the individual stars of the winning sextette. The St. Pats Junior defenceman was responsible for both Sherbrooke points, while Workman was in his usual stellar form, and was only robbed of a shut-out by Armand Desruisseaux with less than two minutes to play. The spectators, a large portion of whom were present from Compton County League towns to follow the fortunes of the Compton leaders, were treated to a fine exhibition in which speed was the keynote.

Canadiens started in much the same way as in the first fixture of the home-and-home series, but maintained their lead after they had slipped two markers past Leo Lamoureux. The red, white and blue outfit dominated the play throughout the first period, only occasional spurts by their opponents giving the Sherbrooke defence anything to worry about. After Lepage had tested Lamoureux with a low, hard shot, Workman rushed from his net to clear the disc as Desruisseaux came tearing in.

The first threatening visitors' rush was agitated by Pat King, who caused Workman to step east to stop his effort. Gordie Maguire sent his regular front rank back after a prolonged rest and Dunsmore took over Parsons' defence berth. George Drapeau and Billie Gordon mixed in a slight feud and were both given three minutes during the first period. While they were serving time, Dunsmore sent the Canucks into the lead when he backhanded Mitton's pass into the draperies. Less than two minutes later, with but ten seconds of the frame remaining, Dunsmore rushed alone and picked an unguarded corner. His second tally. It was a tricky shot and Lamoureux failed to check the bouncing rubber.

The East Angus boys failed to capitalize the golden opportunity afforded by penalties inflicted on Mitton and Lepage at the beginning of the middle frame. Parsons, playing on defence beside "Moose" Wolfe, relieved with a lone dash, and no damage was done until the regular wingers returned. Vincent narrowly missed a tally from a face-off in front of the East Angus citadel as Canadiens continued to keep their opponents on the defensive. Desruisseaux checked well at centre ice, breaking up five consecutive combination efforts with his devastating poke check. The period was scoreless, Lamoureux stopping many hard shots, while a larger proportion missed the net by inches.

Desruisseaux was caught tripping Mitton early in the final stanza, and while he watched the game from the penalty box Lepage wended his way through the East Angus defence, only to hoist the rubber over an open net. Canadiens continued their attacks when Laramee was banished, but Lamoureux prevented them from augmenting their two-goal advantage. "Guido" Roy was penalized and on his return almost converted Dunsmore's pass. He was unable to do any more, however, and took his second penalty shortly after his return.

Both teams were at full strength

FINAL GAME IN LOCAL JUBILEE PLAY TONIGHT

Bob McMurray's Lennoxville Quartette Earned Right to Meet Jim Watson's Rink by Ten to Eight Victory Over A. H. Foss on Saturday.

Tonight Bob McMurray's Lennoxville quartette will meet Jim Watson's rink in the district final of the Royal Victoria Jubilee Competition at the Sherbrooke Curling Club. Playing at the local club on Saturday night, the Lennoxville curlers eliminated A. H. Foss' rink from the play-downs by a ten to eight victory in the semi-final round.

The Sherbrooke rink looked like sure winners in the early stages of the game, amassing a five to nothing lead in the first three ends. McMurray made his first counter in the fourth, notching up a single point. However, another single by Foss in the fifth offset this.

The Lennoxville rink returned to the scoring column in the sixth, with a single and won the next five ends to lead by seven to six at the end of the tenth. In the eleventh, Foss tied up matters with a lone stone counting. McMurray counted two in the twelfth to take a two-point lead, which he increased with a single on the thirteenth. Foss missed an opportunity to count three in the fourteenth and final end, which would have tied the match, and was forced to be content with a single, to lose the event by ten to eight.

The encounter was one of the most interesting seen on local ice this winter, only eighteen stones counting during the match. Of the fourteen ends played, McMurray counted in eight, his card showing two double counts and six singles. Foss made one triple and five singles.

The rinks were:
R. T. Atto D. J. Salls
L. M. Watson P. McCullough
Roy Clarke M. L. Thompson
R. McMurray A. H. Foss
Skip—10 Skip—8

The scores by ends were:
McMurray 0 0 10 21 102 10—10
Foss 1 13 010 600 1010 8
The winners of tonight's encounter between Jim Watson and Bob McMurray earn the right to enter the second stage of this single rink iron competition, which will be staged in Montreal on Friday and Saturday.

TUNNEY SETTLES WITH SPORTS PROMOTER

New York, Jan. 23.—Attorney for Timothy J. Mara, sports promoter, has announced the receipt of a \$90,000 cheque from Gene Tunney, retired heavyweight champion boxer, in settlement of an action brought against the fighter by the promoter.

"It was urged upon me during the settlement proceedings," said I. Gainsburg, the Mara lawyer, "that Tunney has not been working for the past few years."

Mara sued Tunney for \$865,000 on the assertion that the fighter had agreed to pay him ten per cent. of his purse for the first fight with Jack Dempsey and twenty-five per cent. of all his earnings as champion if Mara obtained the original bout.

when East Angus climaxed its efforts with a well-deserved goal. Desruisseaux rushed with Gendreau, and from the melee which resulted in front of Workman the former scored to make the final count read Canadiens, 2 East Angus 1.

The summary:
First Period
1 Canadiens Dunsmore—Mitton 17:50
2 Canadiens Dunsmore . . 2:00
Penalties: Laramee, E. Drapeau and Roy, minors; G. Drapeau and Gordon, 3 minutes.
Second Period
No score.
Penalties: Mitton and Lepage.
Third Period
3 East Angus Desruisseaux—Gendreau 18:40
Penalties: Desruisseaux, Roy 2 and Laramee.
The line-ups were as follows:
Canadiens East Angus
Workman goal Lamoureux
Parsons defence E. Drapeau
Wofe defence Hayes
Gordon centre Therrien
Lepage r. wing Laramee
Mitton l. wing Pat King
Canadiens subs: Dunsmore, Clark, Roy, Salois and Vincent.
East Angus subs: G. Drapeau, Desruisseaux, Gendreau and Pit King.

H. S. ARMSTRONG RINK CAPTURED PRIZE CONTEST

Light Entry in Regular Saturday Afternoon Competition at Sherbrooke Curling Club—Close Contests Featured Play.

Due to a number of counter-attractions the entry in the regular Saturday afternoon competition at the Sherbrooke Curling Club was less than usual last week-end, only twenty-four players taking part. Nevertheless, some very close and exciting contests were witnessed, the finals and semi-finals being decided by the narrowest of margins.

The premier prizes were carried off by Hubert Armstrong's quartette, consisting of Stewart Macdonald, A. E. Rowell, P. McCullough and H. S. Armstrong, skip, who defeated Bob Costley's rink in the finals by four shots to three.

The feature of the afternoon was the semi-finals between the rinks of Jim Sangster and Bob Costley. On the regulation fourth-end the score was three-all an extra end, which was taken by Costley, being necessary to decide the issue.

The rinks and scores in this event were:

Round	Player	Scores
First Round	Max Long	A. Lemay
	D. Diplock	H. A. Peabody
	S. G. Newton	G. N. Edwards
	R. G. Costley	F. J. Southwood
	Skip—6	Skip—4
	W. Hopkins	R. Belisle
	G. Morgan	N. D. Cascadden
	G. Sutherland	R. W. Baker
	J. R. Sangster	W. R. Moore
	Skip—7	Skip—6
Semi-Finals	J. S. M. Macdonald	J. G. Russell
	A. E. Rowell	J. S. Mooney
	P. McCullough	A. S. Coleman
	H. S. Armstrong	M. L. Thompson
	Skip—9	Skip—3
Finals	R. G. Costley	J. R. Sangster
	Skip—4	Skip—3
Finals	H. S. Armstrong	R. G. Costley
	Skip—4	Skip—3

WILSON AND STRIPP LISTED AS BROOKLYN HOLDOUTS

New York, Jan. 23.—Two prominent members of the Brooklyn Dodger cast, Lewis "Hack" Wilson and "Jersey Joe" Stripp, were on the list of major league baseball holdouts today.

Wilson, at Martinsburg, W. Va., emitted a loud squawk when he took a look at the contract the Dodgers offered him for 1933. The rotund outfielder, who drew \$33,030 for his services in 1931, was paid \$16,500 for 1932. It was understood the Dodgers offered him \$9,000 for next season.

Stripp was not cut so severely, but the third baseman said he would not accept a slash of \$2,000 on 1,000 days.

This is the official mark released yesterday at the permanent home of the Amateur Trapshooting Association. The association is the governing body of registered shooting in Canada, the United States and the Panama Canal zone.

Teacher—What does silence mean, Tommy?
Tommy—Please, teacher, it's what you don't hear when you listen.
