VOL. III. No. 23 MONTREAL, THURSDAY, JUNE 4, 1931 PRICE TWO CENTS

CORPUS CHRISTI PARADE WILL BE HELD ON SUNDAY FROM ST. MICHAEL'S CHURCH

Parade Will Start at Six-Thirty From Church Along Popular Route to Cleric Grounds on St. Viateur Where Open-Air Service Will be Held—Montreal and Outremont Police to Aid.

Next Sunday evening the solemn outdoor procession of Corpus Christi will be held in St. Michael's Church.

The procession will leave the church in the evening at 6.30 and proceed west on St. Viateur street to Querbes avenue, down Querbes to Elmwood, west on Elmwood to Bloomfield, up Bloomfield to St. Viateur to the grounds of the Clerics of St. Viateur where a repository is being erected for the benediction service. Then they will return to the church where final solemn benediction will be held.

The procession will be headed by a delegation from the Montreal police department as far as Outremont, where the Outremont police department delegation will conduct it through Outremont.

All residents along the route are requested by the pastor, Rev. Father Singleton, to decorate their homes for this great event.

The procession will be composed of all the various societies of the church, along with all parishioners, both men and women. The children from the Luke Callaghan Memorial School will also take part.

TWO ROBBERIES DURING PAST WEEK

Two similar robberies were reported to the police of number 20 station early this week.

One took place in the apartment of Isaac Flesman, 5074 Esplanade avenue, from which \$33 in money and jewelry was taken.

The dwelling of Isaac Konter, 5104 St. Urbain street, was also broken into, and the thieves obtained \$93 in cash and other articles to the value of \$50.

N.B. Y.M.C.A. BOYS HAVE ATTRACTIVE PROGRAMME

Junior School and "Preps" to Go on Athletic Picnic

The coming of Saturday is always eagerly awaited by school boys but this Saturday has special attractions. On the North Branch Y.M.C.A. Boys' Division Bulletin Board a neat sign with active appeal calls upon the Junior School boys and the "Preps" to come along on an athletic picnic upon the mountain. Mr. H. C. Brennan and Mr. Porteous will be in charge of the gang and boys who like lots of fun in the open air will have a good time on the 6th. Softball games, races and treasure hunts and novelty events are on the programme. Each boy brings his lunch—and may also bring a friend who is not a member of the "Y". Before setting out there will be a swim at the "Y" at 9.30 a.m. BTOT (Be there on time).

An interesting programme of hikes is planned for the ensuing weeks including, as usual, picnics to St. Helen's Island, Cartierville, the Mountain, Van Horne woods and Bout de l'Île. All these picnics are supervised and an interesting athletic programme is conducted at each. Learn Something Trips to places of industry, etc., are also to be conducted. Former trips have included the Angus Shops, Canadian Vickers, bakeries, museums and libraries, public buildings, dairies, etc. These trips are interesting and educational and are appreciated by large numbers of boys. It forms one of the most important features of a summer holiday programme and the secretaries for boys' work are managing this programme at the present time to commence at the close of school.

At the present time the Preps and Juniors are occupying their spare time with baseball and swimming. There are two swims per week for the latter. The public school "Learn to Swim" campaign has an enrollment of 200 boys. There are also thirty members of the Junior and Preps enrolled in a special beginners' class.

MARY PICKFORD ARRIVES IN CANADA

Mary Pickford the "world's sweetheart," is here seen landing at Quebec from the Empress of Britain. The "Queen of the Movies" is here shown with her manager.

DEPUTY CHIEF DULUDE RECEIVES \$500 AS REWARD FOR CAPTURE OF DE BEAUJEU

Count Now Serving Two Years in Jail as "Hit-and-Run" Driver—Ex-Chief Baker Made Recommendation for Reward to Present Deputy-Chief Who Finally Captured George de Beaujeu.

After repeated delays resulting in several appeals for discharge of sentence in the case of Count de Beaujeu who was sentenced to two years in the penitentiary for the death of Berthe Giasson, who was instantly killed on Cote Ste. Catherine Road by a car driven by the Count, on November 21st, 1929, Deputy-Chief Dulude, of the Outremont police department, was awarded the \$500 offered by the "Star" for capturing the accused hit-and-run driver.

In an editorial published in the Montreal Daily Star, August 20, 1929, it stated "that a reward of \$500 would be given to every policeman who captured a hit-and-run motorist leading to his conviction. Generous rewards would also be given to citizens who could identify the culprits by proof of their license numbers."

The reward was claimed for the Count. The girl was crossing St. Catherine road near McDougall Ave., and was killed outright.

"She was accompanied by her sister, Miss Gabrielle Giasson, and by Miss Jeanne Daigneault, of 132 Villeneuve Ave. West. The police visited a number of night clubs in Montreal and finally located the Count at the Press Club, on Phillips Square.

"He was arrested and stood his trial before the Court of King's Bench. On March 9, 1930, he was found guilty of manslaughter by a jury, Mr. Justice Wilson presiding, and will receive his sentence at the end of the present term of this Court.

"Yours very truly,
 (Signed) GEORGE B. BAKER,
 Chief of Police, Outremont."

Statement Given
 In addition to this letter Capt.-Detective Dulude made the following statement to the Star "March 25, 1930.

"I, Captain-Detective Dulude, hereby affirm that on the 22nd November, 1929, I arrested, at the Press Club, Count de Beaujeu, who was tried and convicted of manslaughter through the killing of Berthe Giasson on the 21st November, 1929, and having committed what is known as a "hit-and-run" offence, as described in an editorial of the Star on 20th August, 1929, for which a reward of \$500 was offered.

(Signed) R. DULUDE.

STREET ACCIDENTS WORRY TO LOCAL MOTOR DRIVERS

Miss G. Greenspoon Ran in Way of Auto While Attempting to Catch Car

AUTOS COLLIDE

Nine-Year-Old Lad Forced Drivers to Collide at Corner of Van Horne

While running for a street car on the south side of Bernard towards Bloomfield avenue, Miss Gertrude Greenspoon, 17 years old, of 774 Bloomfield avenue, accidentally stepped in the way of an oncoming automobile last Monday morning and was knocked down before the driver of the car could come to a halt.

Miss Greenspoon, who had apparently seen a friend in the tram car as it passed her, immediately ran towards it, neglecting to see the motorist who had slackened his speed somewhat behind the street car, but was unaware of the young girl's intention to reach the rear door of the street car, before the accident occurred.

The girl was picked up by the driver, a local doctor's son and brought to her home where the driver's father, who was in the car with his son at the time of the accident, attended her. Her condition was not reported as serious, but she suffered some injury to her back.

Another almost fatal accident which nearly cost the life of young Douglas Hodge, 9 years of age, of 919 Davaar avenue, at 11.55 o'clock Thursday morning, resulted in the collision of two cars at the corner of Van Horne and McEachern avenues.

The driver of the car which almost struck the little boy as he attempted to cross the street at this corner, saw the lad just in time to avert hitting him, but another car which was coming in the opposite direction met in collision. Neither drivers were hurt, but one car was badly damaged.

FR. J. CHARTIEZ TENDERED BANQUET

Ald. Emile Vaillancourt and Rev. J. C. Lacasse Spoke

Soon after celebrating his first Mass at Ste. Madeleine's Church last Sunday morning, Father Jean Chartiez, was tendered a banquet in the parish school hall, where over 60 guests and friends were present to honor the newly ordained priest of Outremont.

Ald. Emile Vaillancourt was the principal guest speaker at the banquet, and in a few words expressed his sincere gratification of Father Chartiez successful religious endeavour, and complimented highly the family, three of whose members had entered the priesthood.

Rev. J. C. Lacasse, V.F. Parish Priest of Ste. Madeleine's next spoke, and felt greatly honored by the fact that another brother of the Chartiez boys had joined the same vocation. He referred to the time when the same boys attended his church before entering the seminary, and further intimated, that it was a happy thought to renew these reminiscences considering the successful career of the boys.

Father Chartiez was next heard, and thanked everybody for their kind wishes towards him, and referred to this occasion as one to be long remembered.

Rev. Paul Chartiez, and Rev. Marcel Chartiez brothers of the new priest thanked the different speakers for the very splendid reception that accompanied their brother's ordination and first Mass.

Other members of the clergy present were: Rev. J. Lebrun, Rev. George Deniger, Rev. M. J. Ducharme and Rev. A. Pineault.

Peter McCaffrey Honored by St. Pats

At a meeting of the St. Patrick's Society in Congress Hall, Monday night, at which three veterans of the society were appointed to honorary memberships, Peter F. McCaffrey, residing on Rockland avenue, was one of the three who were thus honored in recognition of their outstanding contribution as citizens in the professional, business and political life of Montreal. Hon. J. J. Guerin and James McKenna were the other two members who were accorded the same honor.

Mrs. Roy P. Stafford to Speak at Local W.M.S.

The Fairmont-St. Giles' W.M.S., will hold their regular meeting on Tuesday evening at 8 o'clock. Mrs. Roy P. Stafford will be the speaker and will take as her subject "Christian Stewardship."

M.L.H. & P. COULD REDUCE RATES IF EXEMPT OF INCOME TAX

Vice-President Comments on Budget—Increase in Income Tax Rate From 8 to 10 Per Cent to Cost Nearly \$200,000—Exemption Would Give Public Gas and Light at 15 to 20 Per Cent Decrease.

Interviewed today in connection with the new budget Mr. J. S. Norris, Vice-President and Managing Director of Montreal Light Heat and Power Consolidated stated:

Further study of the proposed budget revisions will be necessary before a considered opinion of its various provisions may be expressed. Undoubtedly the general increase in taxation and tariff charges may be considered necessary at this time and Premier Bennett's earnest attempt to balance the budget by the end of the year deserves the support of the country generally.

An unfortunate aspect of the budget provisions is that it has apparently been found impossible to take cognizance of the inequality which exists in the application of the Corporation Income Tax. Customers of Montreal Light Heat and Power Consolidated and of other privately-owned utility companies throughout Canada have to pay this tax in their rates for gas and electricity while consumers in other parts of Canada, where public ownership prevails, are free from this tax in their rates for these services.

Our company has waged a very vigorous fight for the removal of this discrimination against its consumers—having undertaken to pass on to them, through reduced rates, any relief obtained. In this effort it has been supported by practically all utility companies of the Province and Canada.

We attempt to view this additional impost without misgivings but cannot help speculate upon the relief which would be afforded the budget if publicly-owned utilities, many of which operate in competition with private companies, were assessed their share of Corporation Income Tax.

It is noted that a complete revision of Income Tax schedules is promised during the session and on behalf of customers of this company I hope that consideration will be given the serious question of correcting the anomaly which exists in the application of Corporation Income Tax as applied to utility companies throughout Canada.

The leading public bodies of the City of Montreal, and Province of Quebec and throughout Canada.

This company has already paid on behalf of its customers an amount of \$748,363.21 for Income Tax for the year 1930. The budget provision, which increases the Corporation Income Tax from eight to ten per cent and makes it retroactive on 1930 incomes, demands an additional twenty-five per cent of the amount paid or a total approximating \$935,454.00. This sum if applied to our present maximum rate of 3 cents per KWH for electricity would effect a reduction to 2.58 cents; or if applied to our gas business, the present maximum rate of \$1.05 per thousand cubic feet could be reduced to 89 cents per thousand cubic feet.

MANY PRESENT AT DEMETRE FUNERAL

Many prominent figures in the local business and commercial circles attended the funeral of Zaranon Demetre, Director of the United Amusements Corporation, in the Greek Orthodox Church, St. Lawrence Blvd., last Thursday afternoon.

More than 1000 members of the Greek Colony of Montreal and many close friends of the deceased gathered at the family residence, 1077 Mount Royal Boulevard. The cortege proceeded to the church where the body was received by Rev. C. Kontergiorgios, who also officiated at the ceremony. He was assisted by Rev. A. Palikaris and E. Chrisloras.

Chief mourners were his widow, two daughters, Pauline Demetre and Martha Demetre; four sons, Anthony Demetre, Michael Demetre, George Demetre and Theodore Demetre; one brother, John Demetre; two sisters Mrs. D. Poulos and Mrs. N. Ganetakos; two brothers-in-law, D. Podios and D. R. Argyrakis; one sister-in-law, Miss S. Argyrakis; one nephew, Anthony Demetre, Jr.; and two nieces, Pauline Demetre and Mrs. G. Metrakos.

Outremont Council Goes to People for Borrowing Power

Tomorrow afternoon the City of Outremont will hold a referendum, when civic officials will seek the property owners' sanction for the borrowing of \$173,000 needed for public improvements.

These public works include purchase of land for parks and playgrounds, \$20,000; construction of permanent street sidewalks, \$4,500; improvements on McCulloch avenue, \$7,000; improvements on Robert avenue, \$1,400; improvements on Bellingham road, \$42,500; drains, \$7,000; bituminous macadam, \$1,000; concrete paving in lanes, \$13,000; opening and concrete paving of lane between Querbes, Lajoie, Van Horne and de l'Épee avenues, \$20,500; grad-

ing of lanes, \$3,000; improvements of city properties and building, \$12,000; street lighting extensions, \$2,800; extension of underground conduits, \$2,000 and erection of poles, \$1,000.

The major public works are construction of concrete sidewalks on Mount Royal boulevard, Springvale Place and Durocher avenue; improvements of the John Pratt Park, Outremont Park and Douglas Haig Playground; reconstruction of Robert avenue from Kelvin to Peronne; installation of a 12-inch sewer in the lane south of Roskilde and west McCulloch; construction of a brick shed in the corporation yard, extension to the municipal greenhouse and paving of the corporation yard.

RALPH PARSON NEW PRESIDENT OF "Y" TENNIS CLUB

W. J. Moore and W. J. Holliday, Popular Executives, Elected Hon. Presidents

At a well-attended general meeting of the members of the Y.M.C.A. Tennis Club connected with North Branch Y.M.C.A., officials for the year were elected. W. J. Moore, pioneer athlete of Montreal, and W. J. Holliday were elected to the office of Hon. President and Hon. Vice-President respectively.

Ralph Parsons was chosen as President, backed up by Ed. Holden and Margaret Grace as Vice-Presidents. The correspondence and records of the club will be handled by Bruce McDiarmid while Walter Marcell will be custodian of the club purse. The team captains are Austin Henderson and Baird Astle. Tournaments will be arranged and managed by Gordon Lambert, Madeline Welter and Ward Ryan. Social events, other than tennis will be under the management of Trevor Elphick and Frances Cibelka.

George Porteous, membership secretary reported a membership to date of sixty members. Other applications are being received daily and it is hoped that before long the goal of 100 members will be reached.

Ladder play among the men is well under way and many are enjoying the ups and downs of competition. It is rumored that men's doubles and ladies' doubles tournaments will be lined up

REV. SISTER ST. PHILIP CELEBRATES GOLDEN JUBILEE

Special Thanksgiving Service Will Take Place at St. Michael's

Next Tuesday morning the Rev. Sister St. Philip, Sup. of the Luke Callaghan Memorial School will celebrate her golden jubilee as a member of the community of the Sisters of St. Anne.

A special thanksgiving service will take place in St. Michael's Church at 7.30. The Rev. jubilarian accompanied by members of her community will occupy special seats near the sanctuary.

During the Mass she will renew her vows taken fifty years ago.

The school girls choir will sing appropriate hymns during the service. An invitation is extended to all former pupils of the school, and also the parishioners and friends to take part in the celebration.

and under way in a very short while. The double courts and two singles are in excellent condition and are being used to good advantage by the club. With so many available courts there is little sitting out between matches. Four of the courts are lighted for night play which is popular among the members.

MONTREAL, THURSDAY, JUNE 4, 1931

Watching The Public's Interest

T. C. Kirby, noted watch-dog of the motoring public's interest, is again to be congratulated on the fight his organization is putting up to prevent the City from giving the northern part of Dominion Square to a bus company. It is not enough, apparently, to permit the bus lines to use the public highways all over the country, but they must also be provided with parking space in the city, at the city's expense. It is high time the bus companies were prohibited from undercutting the railroads which are necessary for the development of the country and which find business increasingly difficult because of the unfair competition of the bus lines. All public-spirited citizens will wish Mr. Kirby success in his fight to keep Dominion Square for the public.

LOCAL ARTISTS GIVE CONCERT TO SAILORS

A wonderful programme was given by Mr. Kenneth W. Bishop at the Sailor's Institute on Place Royal on Tuesday night, June 2nd.

The programme was as follows: Mr. K. W. Bishop master of ceremonies for whole evening.

Miss Evelyn Alexander, soprano. Miss Patsy Robin in a variety dance who also sang a Helen Kane song with K.W.B.

Miss Carrie McKeown, a very delightful Scotch and tap dancer.

Miss Dorothy Murphy and Miss Rita Dunphy in a variety of Irish songs.

Miss Lorna McCormack in a very delightful variety of dances assisted at the piano by Miss Ruby McCormack and last but not least Mr. Willy McCrea, piano soloist, in a melody of popular hits.

Mrs. D. J. McGillis Buried On Thursday Last

The death occurred last week of Mrs. Donald J. McGillis at her residence, 1126 St. Viateur avenue, Outremont, in her 79th year. Formerly Miss Bathia Abigail Thompson, she was the wife of Donald J. McGillis, of Montreal, who some years ago retired from the produce business. She was born near Cornwall, Ont., but had resided in this city since 1893. She was a member of St. Michael's Church. Mrs. McGillis is survived by

her husband, two sons, J. Douglas and C. Howard McGillis, of Montreal; two daughters, Mrs. J. J. N. Smyth, of Toronto, and Miss Jessie McGillis, of Montreal; also two sisters, Mrs. Isaac Warner of Cornwall Centre, Ont., and Mrs. W. W. McDonnell of Hutan, Alberta, and one brother, George Thompson, of Cornwall.

The funeral took place last Thursday morning at St. Michael's Church when Solemn Requiem Mass was celebrated. Interment was in Cote des Neiges Cemetery.

At The Outremont

A strange, weird motion picture that outdoes all previous mysteries of the screen is "Dracula" which opens at the Outremont Theatre for four days, beginning Saturday.

It may safely be said that this story is distinctly in a class by itself, and that its subject matter is absolutely unique among film productions, for "Dracula," which was adapted from Bram Stoker's famous novel of the same name, deals with human vampires, which ancient superstition describes as horrible, "undead" creatures who rise from their graves at night.

Whether or not you believe in this major enterprise of the story, you will be enthralled by its presentation on the screen. The entire picture is done with artistry and such compelling sincerity that while the story is unfolding on the screen one can hardly fail to regard its incidents as true representations of actual occurrences.

Other features will conclude the programme which promises to be a very unusual one on the whole.

CAMPERS PREPARE TO MIGRATE TO KAMP KANAWANA

On June 20th the first group of campers will leave for Kamp Kanawana, the Y.M.C.A. Camp for boys in the Laurentians, near St. Sauveur des Monts. This is the 22nd season for the camp which has for twenty-one years been growing in popularity. Each year new features have been added until at the present time it is one of the largest and best equipped camps in North America. Last year 500 different boys attended the camp of which group 75 were from North Branch Y.M.C.A.

Nelson McEwan, Boys' Work Secretary of Central "Y" will this year direct the Camp. Reg. Kelly will have charge of the Senior Section, Andy Reekie, late of the local "Y" staff but now Physical Director of Albert College, Belleville, will direct the junior section. Lin Richardson last year's popular director of the juveniles will again be back in the same post. Max Ford, prominent in McGill activities and a graduate of that institution this year will have charge of handicrafts and entertainments.

Tent counsellors are being selected and soon their names will be announced. There is a counsellor in charge of every eight boys at camp. The camp flotilla includes 22 Verchere boats and 18 canoes. Aquatic programmes are popular at Kanawana, rowing, paddling, swimming and life-saving are taught. Other interesting groups include archery, carpentry, basketry, photography, leather work, nature study, mouth organ band, cooking, etc.

Chief among the social features are the nightly camp fires, the weekly ceremonial council ring, the Saturday night amateur shows and the tenting together of happy camp families.

From the waters of Kanawana a call comes forth to the old campers to return again for one summer of days and nights of outdoor romance that appeals to red-blooded boys. Many old campers will be back—some for their 5th and 6th season—new boys will go out perhaps, some with fears and hesitation—but will want to return again to the trees, hills and waters of Kanawana.

MOUNT ROYAL LOSE TO Y. M. SOFTBALLERS

Without three of their regulars the North Branch Y.M.C.A. Swatters outplayed a Mount Royal aggregation to sweep to a glorious 25-12 victory at Lafontaine Park last Saturday. The missing regulars were Staton, Conklin and Wigley and their shoes were capably filled by Gibson, Feeny and Hutchison.

Claxton pitched an effective game until his mates had amassed a safe lead and then he eased up and the home team scored most of their runs in the latter innings. For Mount Royal Duval was outpitched by Claxton but did very well considering his support which was shaky, to say the least, in certain innings. The fielding star of the losers was Herch at third base. Practically the whole North Branch line-up amassed 3 or 4 hits including 2 homers and a raft of doubles. Their fielding was airtight and at times sensational for such young players.

By this victory the Swatters hold a large margin at the head of this league and should breeze home in fine style.

The North Branch batting order was Lunn 3 b, Claxton, P., Struthers, 2 B., Ward, S.S., Hutchison, 1 B., Dew, C., Haviland, L.F., Gibson, R.F., Feeny, C.F.

The marriage of Miss Mimi Beaubien, daughter of Mr. and Mrs. Joseph Beaubien, to Mr. Gerald George Ryan, son of Mr. and Mrs. J. J. Ryan, of Three Rivers, has been arranged to take place quietly on Saturday morning, at St. Viateur Church, Outremont.

FORMER PUPILS MEET AT OUT. CONVENT

Past pupils, to the number of a few hundred, gathered at the Convent of the Holy Names, St. Catherine Road last week for the annual re-union of former pupils.

They were met by the Reverend Superior and the Sisters of the institution who were delighted to see the children they had taught coming back, if only for a brief visit.

Among the former pupils were many now well advanced in years, some of the first graduates of the convent opened in Outremont more than a quarter of a century ago, but they were just children again to many of the old Sisters, who had taught them as little girls.

Following the reception, tea was served by the members of this year's graduating class.

The former pupils enjoyed their visit to the convent and the renewing of old acquaintances of school girl days.

HOSTESS TEA HELD AT LOCAL CHURCH

The Hostess Tea, which was given by the Ladies' Aid Society of Fairmount St. Giles United Church last Thursday in the assembly hall under the convenship of Mrs. W. S. Barrington was a great success. There was a splendid programme by the following artists: Miss Gladys Davies, soprano; Mr. Cook, baritone; Miss Irene Burrell, violinist; Mr. Kerr, Eloc; Miss Williams, pianist; which was very much appreciated. The different tables were daintily decorated in mauve and white, with silver flower baskets filled with lilies, also yellow and mauve candles in silver holders. The following ladies were Tea Hostesses in charge of the different tables: Mrs. Barrington, Mrs. Gen. Rorke and Mrs. Gibson, Miss Baxter and Mrs. Collins, Mrs. Burrell and Mrs. Dennison, Mrs. Keating and Miss Kyle, Mrs. Fenner and Mrs. Jordan, Mrs. Lewthwaite and Mrs. Lennon, Mrs. McCallum and Mrs. Muir. The home-cooking table was in charge of Mrs. Geo. Yale.

And the next generation will hear dad tell about roughing it in the old days when a fellow had to feed the furnace by hand.

Social & Personal

The marriage took place last Tuesday morning, at St. Viateur Church, Outremont, of Rolande, daughter of the late Mr. Rodolphe Brillou, and of Mrs. Theophile Lessard, to Mr. Robert Charbonneau, son of Mr. and Mrs. A. B. Charbonneau. Rev. Canon Valois officiated. Spring flowers, ferns and palms were used in decoration in the church. The bride, who was given away by her uncle, Mr. G. P. Boyer, was unattended. She wore a Lanvin ensemble of pink crepe with a hat of natural color panama and slippers to match and carried lilies-of-the-valley and pink roses. Mr. A. B. Charbonneau acted witness for his son and the ushers were Mr. Gustave Charbonneau, Mr. Albini Laforme, of Nashua, N.H., cousin of the bride, Mr. Maurice Parent, and Mr. Paul L'Africain.

The reception following the ceremony was held at the residence of the bride's parents, 577 Outremont avenue, where the decorations were composed of spring flowers. Mr. and Mrs. Charbonneau left later by motor for New York, the bride travelling in a frock of chestnut silk tweed under a short jacket of wool tweed material.

The following are among the subscribers to the St. Raphael's parish Lawn Bridge, to be held at 681 Cote St. Catherine Road on Wednesday, June 10: Mrs. A. J. Gillette, Mrs. R. J. Wickham, Mrs. Leo McKenna, Mrs. G. Barsalon, Mrs. J. A. Barrett, Mrs. W. P. O'Connor, Mrs. J. C. McLaughlin, Mrs. F. Tansey, Mrs. D. P. O'Sullivan, Mrs. T. J. Cuddihy, Mrs. P. Lynch, Mrs. P. J. Ryan, Mrs. Ed. Quinn, Mrs. J. Nolan, Mrs. A. J. Campbell, Mrs. J. D. Altimas, Mrs. Williams, Mrs. J. J. Grubert, Mrs. C.

CASEYS AGAIN LOSE TO OUTREMONT

SHAMROCKS PUT UP HEROIC BATTLE BUT LOCAL TEAM GRAB OFF 5 TO 3 DECISION

Barsalou Notches Two Counters—Slattery Injured as Ethier's Stick Lifted in Scramble—Overtime Period Necessary to Decide Issue.

(By H. W. Sylvester)

With little thought of the threatening rain which might have changed victory to an abrupt ending last Sunday afternoon's game at the North grounds, two lacrosse teams emerged from a four period battle rather exhausted and well deserving of rest.

Shamrocks went down to defeat for the second time this season at the hands of the Outremont squad who sniped in 5 goals as against 3.

The losers showed much better form this week in the game, and handled their part with remarkable resourcefulness. A notable break in their ranks first came when Slattery received a bad eye in the first period, which necessitated his absence from the balance of the game.

Young Slattery started out with regular courage and peppered many fast balls into the Outremont goals, but Charbonneau soon regarded his approach as fast becoming nearer to a score for the Shamrock team, and he pressed heavily upon him. About half-way through the first period, however, Slattery collided with Ethier, the burly Outremont forward, and in the scramble which followed, several sticks swinging out of course,

Slattery's right eye was badly cut. Medical attention was immediately given, and it was reported soon after that his condition was not serious.

Game About Even

No score was registered until early in the second period, when the Outremont team started the ball rolling, as Ethier ploughed and swung forcibly, only to miss on the first attempt as the ball dropped from his stick to the ground. But he quickly reconnoitered and in an instant the whole team was baffled by the first goal for the Outremont team. In less than two minutes after centre-off, R. Langevin retaliated to even the score.

Both teams were playing equally hard at this stage of the game and seemed well-pledged to increase the score. Many hard body-checks brought down the battling forwards of both squads, and in the few minutes that followed, the local team raised the marker, Poirier starred for a few seconds after taking the ball from Stainton and went through for a lone shot.

Outremont Leads

The Outremont team were forced to another setback after Poirier's

heroic counter, when Quinn stepped up to even the score again.

The third session was well under way and did not seem as long-lasting as the previous ones until three goals ones until three goals for each team for each team were recorded Barsalou and Stainton each netting one. The same fast, hard playing of the preceding quarters was not lacking to any great extent in the last one, but for one exception.

Outremont still had plenty of pep to stand up against the hard-knocking that Shamrocks bestowed upon them, and for the most part this tended to wear down the speed of the attacking team. Shamrocks did not rise again in the marker, nor did the Outremont squad, in spite of their close attempts to score, but before the final whistle, there was a hiss of over-time play scattered about.

This desire was realized, however, much to the misfortune of the visiting team, for Outremont planked two more goals, to win the game by 5-3, after the ten minutes overtime. Barsalou scored the fourth tally in five minutes, and Charbonneau took a rebound for a run and salted the fifth counter just ahead of the whistle.

Line-up:—
Outremont (5) Shamrocks (3)
McCartan.....goals..... Kieran
Charbonneau.....defence..... Martin
Barsalou.....defence..... Langevin
Dorais.....forward..... Chambers
McCartan.....centre..... Hayvren
Poirier.....inside..... Quinn
Bohemier.....outside..... Stainton
M. Quinn.....sub..... Langevin
Ethier.....sub..... Langevin
Marcel.....sub..... Slattery
Leonard.....sub..... Slattery

Scorers: R. Langevin, Stainton and Quinn.
Barsalou, Poirier, Ethier and Charbonneau.

Referee: G. Durocher.

OUT. CARLTONS TAKE GAME FROM C.N.T.

The Outremont Carlton softball team scored another decisive victory at the North Avenue grounds on Monday night by defeating the Canadian National Railway Telegraph's team 10-6.

Carltons showed very good form throughout the game, taking the lead in the second inning and maintaining it to the close of the game.

The Telegraphers did their utmost to turn the tide of play, but were unsuccessful.

OUTREMONT IRS. DOWN C.P.R. ELEVEN

The Outremont North End Junior football team defeated C.P.R. Juniors last Saturday at Angus Grounds by a score of 9-0.

It was a game well played and attended by a large number of enthusiasts of this one-time popular game. T. Gordon scored the first goal and H. Boyd responded with the other two for the Outremont team soon after.

EDUCATIONAL SWIMMING AT Y.M.H.A. MARKS CLOSING; DEMONSTRATION PLEASING

Coach Morris Bruker Stressed Upon the Need of Strong and Steady Swimmers for Protection of One's Self and to Aid Others—All Local Mermen Competed.

The Y.M.H.A. Swimming Club completed its season with the finest swimming demonstration ever staged in Montreal. The programme offered by ten year-old juveniles to forty year old seniors was replete with excellent form and performance. Many interesting forms of aquatic endeavor were enthusiastically received by the largest audience ever crammed into the "Y" pool. Coach Morris Bruker rounded out a most balanced programme that featured moving pictures thrown on a screen in the pool. This form of entertainment was both novel and offered the spectators a chance to see leading world swimmers actually on the same programme as the local swimmers were.

The programme was opened by Coach Morris Bruker introducing the evening as one of educational rather than for competition, stressing the importance of swimming to the boy or girl, man or woman, in which the individual is able to assist mankind in saving life as well as being able to look after themselves in moments of aquatic danger. Swimming, because of the recent statement of the Society of Directors of Physical Education in colleges, is placed first on the physical education programme, if the physical, social, psychological, safety and recreational development is considered. The importance of such a statement from leaders in physical education should be sufficient argument for homes to send their children to the nearest pool for instruction in this form of activity.

The first offering was presented by N. Oliver, M. Bercovitch, Abe Kushner, H. Sloan, F. Aronovitch, L. Tucker, H. Caplan, Benny Smilovitch, Irving Shapiro, George Shapiro, H. Pesner, L. Caplan, Abe Ofshitzer, Sam Prisansky and Harry Smilovitch. The presentation was called "A Study of Progressive Steps in Swimming." Each swimmer, in turn, swam two lengths of the many styles and in many cases three or four swimmers

were used to analyze the stroke under observation.

The next group, Sydney, Steinberg, Arthur Hercovitch, Julius Kolhofsky, Joe Greenblatt, Sydney Byer, Abe Malen, Jack Wescheller, David Wangler, Max Radick, Irving Vosberg, Louis Lenderman, Morton Freedman, Moses Wolfson and Mervin Bercovitch demonstrated a "Learn-to-Swim" lesson. These juveniles, some with the heads barely above the surface, gave an excellent performance of the work done that enabled them to pass the "Y" proficiency test. This group represented some seven hundred youngsters who had received similar instruction during the year.

The advanced swimmers then gave an exhibition of fancy diving. Led by the association diving champion, Butch Goodman and Little Ofshitzer, practically every dive on the list was presented.

Then came the life savers. Five teams of two composed of Sloan and Caplan, Oliver and Prisansky, Pesner and Aronovitch, Irving and George Shapiro, Kushner and Ofshitzer, demonstrated all the holds, releases and carries of Royal Life Saving Society. This group of ten swimmers are just a few of the many Bronze Medallion holders who have gained their R.L.S.S. degree in the "Y" pool. The remainder of this item was taken up with racing turns, starts, training methods and almost every trick that is necessary to make an advanced swimmer out of just an ordinary paddler.

The next event was a specialty by Mr. Bruker, who demonstrated many scientific swimming movements. Those exhibited were, sculling feet first, sculling head first, swimming breast backwards, marching on the surface, propeller, torpedo, submarine, cartwheel on surface, rolling log, outstretched somersaults, pendulum floating and finally eating an entire banana under-water with a spot light to catch any and all movements.

Why Buy New Ones

GOOD OLD PALS OF YOURS

You dislike very much giving up an old pair of shoes; it's like going back on old friends. But the soles are worn through and they are all out of shape. That's nothing. We can renovate them and bring them back to their original shape. They'll do you for another six months and you save the expense of a new pair, minus our small charge.
