

Cost cutting salvages city's sinking fountain plans

By KARL KRAMER
(Record Staff Reporter)

While last week the future of Sherbrooke's illuminated centennial fountain seemed uncertain, this week city council gave the green light for the construction of the fountain, with modifications to the design to keep costs down.

Tenders, it was decided by council last night, would be called shortly. Specifications for the huge monument to Canada's 100th birthday have been altered although slightly, by its architects, Jacques Lemieux and Denis Tremblay.

The main jet will shoot water 300 feet into the air (from the level of the Magog River). The jet will be four inches in diameter. To push water through this opening it is essential that either four or two pumps, with a force of 250 horsepower each, be used. Another pump will be used for the 20 smaller jets at the bottom of the fountain.

Tenders will be called on the basis of four pumps for the main jet and for two pumps for the main jet. The rest of the fountain is to be unchanged.

NOT A CENT MORE
The fountain is not to cost a cent more than \$150,000, to be paid for jointly by the federal, provincial and municipal governments, council decided. Each government will contribute \$50,000.

Aldermen questioned Mr. Lemieux, the architect, at length as to whether there would be any extras. He assured them there would only be an extra amount for the compartment in the water ski chalet which would house the controls.

Colored lights, base, the monument, and the three or five pumps are to be included in the tenders as well as underwater cables.

Upon receipt of the tenders, council will decide which is more economical, four pumps for the main jet or two.

The cost of operating the fountain for five or six months will come to \$3,400 to be paid by the city. This means that the main jet will operate four hours per day and the 20 smaller jets at the base will operate more than 12 hours per day.

Construction of the base will take place next September and the base should be finished with in a month.

PUMP DELIVERY
Alderman Marcel Savard of the Centre Ward asked Mr. Lemieux when the whole structure would be finished. Mr. Lemieux answered that the main problem would be delivery of the pumps which would take four months.

The construction of the fountain monument, he said, would not be complicated at all; it would be far easier than the construction of the chimney for the University of Sherbrooke.

Council was also shown slides taken by Mr. Lemieux of fountains as constructed in various countries. He showed fountains of Cairo, Switzerland and other countries.

says calm sheriff

Jail tense in heat

Prisoners in Sherbrooke jail have demonstrated the past two Saturdays against what they claim is improper diet.

A large number of the prisoners refused to eat what was put before them June 18 and caused a commotion.

Disciplinary measures taken after the first demonstration failed to calm them as once again, last Saturday, the men refused to eat what was put before them.

St. Francis District Sheriff Donat Jacques said that the reason for the demonstration was not the food which he considers "the best" and which is sometimes eaten by the guards themselves.

The trouble, he said, stems from several trouble makers who from time to time take it upon themselves to lead the rest of the men in revolt.

He said that those responsible for the demonstration were put in solitary confinement to quiet them down for awhile.

Mr. Jacques admitted that "one provincial policeman" had been called in last Saturday but that there had been no real trouble.

He denied the rumor "of a planned riot" for next Saturday.

He said that "no special preventive measures" would be taken for such a thing.

Mr. Jacques, rather, attributed the trouble at the jail to the heat, confinement and that annual bug, late "spring fever."

Flee to Congo stadium

BRAZZAVILLE, Congo Republic (Reuters)—The Congo-Brazzaville government moved into a sports stadium here today as army units attempted an armed military takeover.

Cuban soldiers, recruited recently, threw a protective cordon around the massive round stadium built for the first African olympiad a year ago.

Authoritative sources said army units, headed by paratroop companies, imprisoned Army Commander-in-Chief David Moutsaka and some of his staff officers. They had also taken the head and deputy head of the national police force into custody, the sources added.

The apparent coup attempt came while President Alphonse Masisse Debait and a number of other senior cabinet ministers were out of the country.

Members of the bureau, the country's supreme policy making body, took refuge with members of the government still in Brazzaville in the improvised government headquarters in the sports stadium.

APPEALS TO TROOPS
Prime Minister Ambrose Noumazaly, who is in Brazzaville, today broadcast an appeal to all troops to give up their arms and return to their barracks.

About 300 demonstrators Monday night sacked the Political Bureau headquarters here.

Members of the bureau, the country's supreme policy making body, took refuge with members of the government still in Brazzaville in the improvised government headquarters in the sports stadium.

Snag seen
OTTAWA (CP)—A hot-weather drive to wade through a long list of legislation before taking a summer recess is likely to reach its crucial point in the Commons today when debate reopens on the Canada Assistance Plan.

Government sources indicated Monday it is hoped the Commons and Senate can adjourn Thursday night, on the eve of the Dominion Day holiday weekend, for a recess that might last into September.

But before Parliament can take the summer off, the government wants approval in principle of the Canada Assistance Plan, formal introduction of a controversial revision of the Bank Act and legislation covering medical care insurance.

Five charged with murder

Nine arrested in religious rows in North Ireland

BELFAST, Northern Ireland (Reuters)—Police in Belfast, where religious friction has whipped up a wave of violence, announced today the arrest of nine men, five of them charged with murder.

The arrests came amid concern that extremists of the Roman Catholic minority and Protestant majority might clash dangerously after a recent series of disturbances.

Prime Minister Terence O'Neill cut short a visit to Paris to fly home Monday after tension rose over the weekend killing of 18-year-old Roman Catholic barman, Peter Ward.

It also was revealed that a 70-year-old widow, Mrs. Matilda Gould, victim of a gasoline bomb raid on her home in the same Protestant area, had died. The third murder under investigation is into the death of factory worker John Scullion, 28, knifed in the street four weeks ago.

MURDER CHARGED

Police in an early morning statement said two men had been arrested and charged with the murder of Ward and three with the murder of Scullion. Four others were arrested on charges concerning possession of explosives and the firing of shots into a house.

Ward died in a hospital after being shot down by gunmen who also wounded two of his companions in an affray on a city street at 2 a.m. Sunday.

The increased tension between Protestants and Catholics in Belfast has caused anxiety here and in London about the Queen's planned visit to Northern Ireland next week.

In London, some members of Parliament are demanding firm action by the British government to quell violence in Northern Ireland, a self-governing province.

Demands are expected in Parliament for cancellation of the Queen's visit.

Argentine president ousted in army coup

PRINCIPALS IN ARGENTINE COUP—Lt. Gen. Pascual Pizarini, Argentine army commander-in-chief, led a coup against the 32-month regime of Argentine President Arturo Illia early today. Military sources said a military junta

would be formed today and would install former army commander-in-chief Lt. Gen. Juna Carlos Orgaria as interim president. Army secretary Brig. Gen. Eduardo Castro Sanchez resigned after Pizarini refused to recognize his authority. (AP Wirephoto)

BUENOS AIRES (CP)—Argentina's military leaders overthrew elected President Arturo Illia during the night in a swift bloodless coup aimed at shutting the Peronists out of the political picture.

The usually mild-mannered president, who had served 32 months of his six-year term, holed up for the night in Casa Rosada, the pink stone seat of government, and defied the generals this morning to remove him by force.

But within 20 minutes he was on his way to an undisclosed destination—perhaps under arrest.

Military sources said the army commander-in-chief who led the coup, Lt. Gen. Pascual A. Pizarini, and the commanders of the navy and air force would form a governing junta and then would install Lt. Gen. Juan Carlos Ongania, the former army commander-in-chief and Argentina's most prominent military man, as interim president.

Vice-President Carlos Perelf fled across the Plate River to Uruguay during the night. The rest of the 65-year-old president's cabinet stood with him as he defied Maj. Gen. Julio R. Alsogaray, commander of the 1st Army Corps who asked Illia to leave Casa Rosada.

Illia told Alsogaray he was Argentina's constitutional president and would not surrender to force.

A government house source said the president left the building at 6:55 a.m. EDT but did not disclose the circumstances.

Although troops of the presidential guard had mounted machine-guns in the halls and entrances of Casa Rosada, Alsogaray's troops ringed the building and occupied it without trouble.

The military declared a bank holiday but said government offices and other activities would operate as usual.

In a communique read on the radio, Gen. Pizarini announced he had deployed his forces to guarantee the safety of public order.

Ontario-wide labor trouble threatened as unionists jailed

By THE CANADIAN PRESS

TORONTO (CP)—The threat of province-wide labor demonstrations flared up Monday in the wake of jail sentences handed out to 26 men convicted of defying a court injunction that restricted pickets.

The men, five of them union leaders, were sentenced by the Ontario Supreme Court in connection with an injunction last February that limited pickets at the Tilco Plastics Ltd. plant

in Peterborough to 12 persons. In an interview after the convictions, David Archer, president of the Ontario Federation of Labor, said union leaders from across the province will meet here Wednesday to discuss the political implications of the sentences.

He said the unionists will shape plans for their fight against injunctions. They also will meet Premier Robarts for a discussion of the whole situation.

Chief Justice G. A. Gale of the Ontario Supreme Court sentenced the five union leaders to two months in jail each and 20 men, pickets at Tilco, to 15 days each. One man had his sentence suspended.

The sentences took effect immediately, but appeals against both convictions and sentences were filed.

The five union leaders receiving two-month sentences are:

Stanley Rouse, chairman of the Peterborough Labor Council's injunction committee; William Mulders, president of the council; George Rutherford, vice-president of the council; Victor Skurjat, manager of the Textile Workers Union joint board in Toronto, and Charles Clark, international representative of the textile union.

Their sentences brought scathing attacks from various labor leaders.

George Burt, Canadian director of the United Auto Workers Union (UAW), said "organized labor will hang this ruling around the neck of the government."

To arbitration

TORONTO (CP)—Dismissal of Laurier LaPierre from the CBC television show This Hour Has Seven Days will be submitted to binding arbitration July 7 and 8, the CBC said Monday.

A CBC spokesman said Mr. Justice Cecil Rhodes Smith of the Supreme Court of Manitoba will arbitrate the dispute in Toronto.

US pulls out

SANTO DOMINGO (AP)—A battalion of U.S. paratroops began boarding ships today to start the withdrawal of the 8,000-man inter-American peace force from the Dominican Republic.

The Organization of American States voted last week to withdraw the entire six-nation contingent within 90 days.

Drugs reasonable

OTTAWA (CP)—The Canadian Medical Association said Tuesday drug manufacturers make "very reasonable" profits from the average prescription and drugists probably are not adequately rewarded for time and professional judgment in filling it.

However, the association suggested in a brief to the Commons drug price inquiry several steps to ease the burden of drug prices on the consumer, including removal of the 11-per-cent federal sales tax.

Withdrawal of this "tax on sickness" would effect a five-per-cent reduction in the retail cost of prescribed drugs, the brief said.

Insists on fast

SAIGON (AP)—Buddhist extremist leader Thich Tri Quang defied an order today from South Viet Nam's supreme Buddhist patriarch to end his 21-day hunger strike.

Under arrest in a Saigon clinic, the 42-year-old anti-government monk clung to his diet of sugary liquids, vowing to fast unto death unless Premier Nguyen Cao Ky's military regime resigned. He was reported growing increasingly weaker.

Seek sea peace

LONDON (Reuters)—Britain's striking merchant seamen planned to join with shipowners in a fresh bid for peace today and Prime Minister Wilson was expected to name Communists who allegedly sought to extend the six-week stoppage.

But seamen's leaders warned Wilson Monday night that he would be "unwise to make his promised statement in the House of Commons today about ringleaders of an alleged strike plot."

SOVIET FLAG ON PARLIAMENT HILL—The Soviet Union's flag, the hammer and sickle, flies on Parliament Hill in recognition of the 10-day visit to Canada by an 11-man parliamentary delegation from Russia, which started Sunday. The delegation is headed by D. S. Polyansky, first deputy chairman of the Soviet council of ministers and considered the No. 3 man in the country's government. (CP Wirephoto)

Canada strikes rife from Quebec to BC as thousands out

Quebec—Long-term strikes by about 5,000 Dominion Textile workers, some 1,600 provincial civil servants and more than 350 Hydro-Quebec engineers continue; a federal negotiator will meet today with representatives of Montreal's 600 CNR and CPR waterfront freight handlers, who began walking off the job June 18; about 350 employees of Hilton Mines Co. Ltd. near Shawville walked off their jobs midnight Sunday after a negotiations breakdown; some 32,500 non-professional employees in 125 provincial hospitals will take a strike vote Wednesday.

Alberta—Calgary city electrical workers voted Monday in favor of strike action on or after July 2 to back pay demands.

British Columbia—About 1,500 New Westminster coastal woodworkers will return to work today as most of the 10,000 workers walkout early this month agree to consider settlement proposals put forward by a government-appointed commissioner; Cominco workers in Trail and Kimberley started a strike vote Monday that continues today; the last of North Vancouver's striking civic workers go back to work today.

Ontario—Teamsters are refusing to cross pickets set up by Brampton's 480 Northern Electric workers on strike since last Wednesday; Toronto's 150 striking dock checkers were joined Monday by 450 stevedores in a dispute that began last Friday; more than 1,100 Hamilton-area machinists and plumbers are off their jobs in contract disputes; a 12-day old strike of 220 Brantford machinists continues; Metropolitan Toronto's 2,500 inside employees will take a strike vote July 12 in a deadlocked contract dispute; some 350 Windsor custom and excise officers voted Monday to "work to rule" in a strike vote over proposed job reclassification; about 550 workers at Windsor's McKinnon Industries Ltd. walked off their jobs Monday.

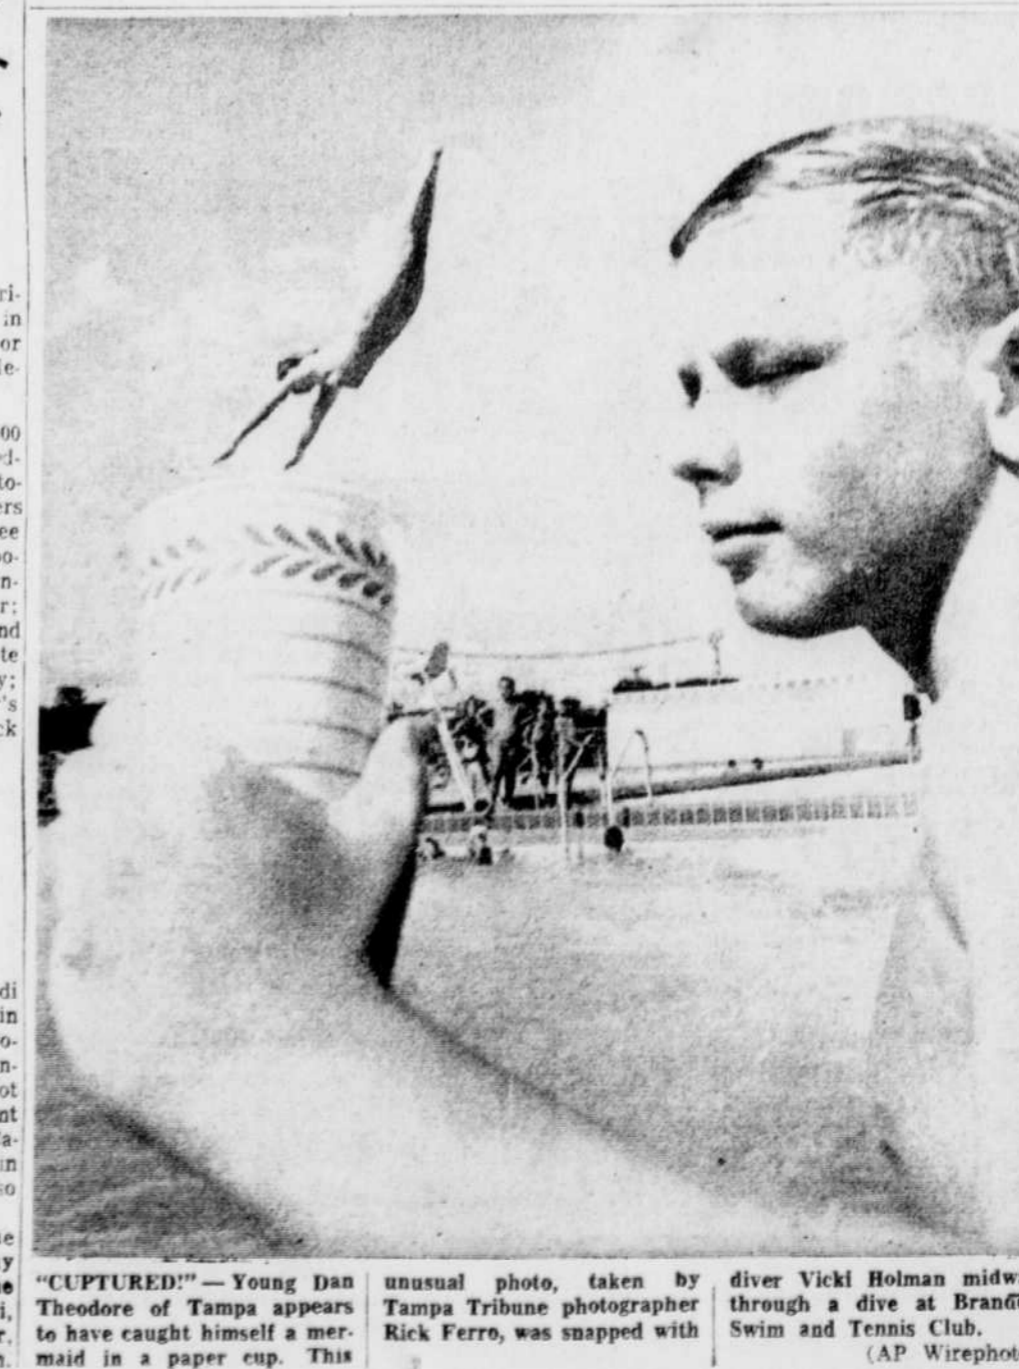

MONTREAL (CP)—The Verdi Opera Company of Milan quit in the middle of a two-week program at Place des Arts Monday night in protest over not having received any payment from the promoters of their Canadian tour. A two-week date in Toronto starting July 4 was also cancelled.

Some 3,000 persons who came to see Verdi's Rigoletto Monday night were informed from the stage by Dr. Giuseppe Negri, the company's artistic director, that the show would not go on.

About Television

By CYNTHIA LOWRY

NEW YORK (AP)—While television news shows suggest that the Viet Nam war is a grim affair, war itself will be depicted as gallant adventure or as a barrel of laughs in the entertainment shows scheduled for next season.

Counting Gomer Pyle — and we probably should not since boot camp comedy has little relationship to the rest of military life—there will be seen series about soldiering, mostly the Second World War variety. And, generally speaking, from a distance of 20 years, our old enemy is being portrayed as pretty nice.

ABC's Combat and 12 O'Clock High are straight action shows, one about combat infantrymen in France and the other about Britain-based U.S. airmen. CBS' new Jericho will fight the underground war. Hogan's Heroes and F Troop are just for laughs. But even the stars-to-be of the forthcoming Rat Patrol are not exactly sure yet whether they are in a comedy or an adventure series. They suspect a bit of both.

The four young men who comprise four-fifths of the ABC

show's leading players, zipped through New York this weekend en route to Spain for three months in which they will turn out 17 shows. They will be using sandy locations and even sets previously used in the film Lawrence of Arabia, since apparently some sections of Spain look more like African desert than Africa. Rat Patrol is built around Rommel's ill-fated African campaign.

The quartet—Chris George, Lawrence Casey, Justin Tarr and Hans Gudgest—met only to make the pilot film, but already have a tendency to work as a team, often finishing each other's sentences.

Rat Patrol, one gathered from them, will be "audacious and bigger than life" and portray "the camaraderie of the professional soldier." It also will have a regular character who is a German officer, played by Gudgest, and he will be an awfully good guy even if he is their enemy.

"I am not a heavy," insisted Gudgest. "Even though occasionally I think I may have to try to kill one of them." George will be an American

Friends are pleased to hear that Mrs. Howard Hills has returned from the Sherbrooke Hospital, where she was a patient for several days. Her son, Sgt. Francis Hills, Goose Bay, Labrador, and her daughter, Diane Oakville, Ont., are visiting Mrs. Hills and their father Mr. Hills, who is still a patient in the Sherbrooke Hospital.

sergeant, Casey and Tarr will be privates. A fifth actor will join them on the Costa Brava to play a British sergeant. All of them are practically unknown at the moment. Tarr auditions for his part upon graduating from the American Academy of Dramatic Arts.

There is but one damper on their enthusiasm—the competition next fall will be a non-war comedy called The Lucy Show, which in its time has fought and defeated some powerful competition.

Speaking of Lucy, for the first time in many, many years there will be no reruns of Ancient I Love Lucy shows on CBS' daytime lineup next fall. And reruns of The Real McCoys are finally being retired too. They will be replaced in the morning schedule with repeats of old Candid Camera and early Beverly Hillbillies episodes.

KINNEAR'S MILLS

An enjoyable event was the joint Anglican-United Church Sunday School picnic held on June 18 in the Gertrude Scott Grounds, with a good attend-

ance of both children and adults.

Mr. and Mrs. Wm. McVety, and Mr. Merton McVety, Kingston, Ont., spent the weekend here, as guests of Mrs. Annie Lowry and family.

Mr. and Mrs. Lawrence Nesbitt, Aylmer, were guests for a few days of Mr. and Mrs. L. Guy and Miss Linda Guy.

Mr. and Mrs. David MacRae, Lennoxville, were visitors of Messrs. Sam and Wm. MacRae.

Messrs. Ronald and Rufus Jamieson and Clarke and Ronald Nugent attended the wedding anniversary celebration for Mr. and Mrs. R. J. Nutbrown, at Lennoxville.

Friends regret to learn that Mary Low, youngest daughter of Mr. and Mrs. Russell Rothney, is a patient in the Sherbrooke Hospital.

Mr. and Mrs. Edmund Morrison, Lennoxville, were visiting Mr. and Mrs. James Bailey.

STANBRIDGE EAST

Mrs. C. S. Moore and Miss Mabel Westover returned recently from a six-week trip to the west coast. They spent several weeks at the home of the former's son and daughter-in-law, Mr. and Mrs. Arthur Moore, Calgary, Alta.

Mr. and Mrs. Frank Guthrie and their children left on June 19th for their new home in Rexdale, Ont.

Several members of the Stanbridge East Masonic Order attended the annual Communication of the open air Lodge meeting June 18 on the summit of Owl's Head Mountain, Mansonville.

Mayor to announce details of city booth at Expo 67

Sherbrooke's Mayor Armand Nadeau told The Record yesterday that he will announce tomorrow details of an agreement with Expo 67 to have the City of Sherbrooke represented at the exhibition in the Quebec Industrial Pavilion.

Mr. Nadeau said that a press conference will be held tomorrow at 10:30 to which the local and the national press is invited. Also attending the meeting are officials of Expo 67.

It was learned that the City of Sherbrooke will be the only municipality to be represented by a booth at Expo 67.

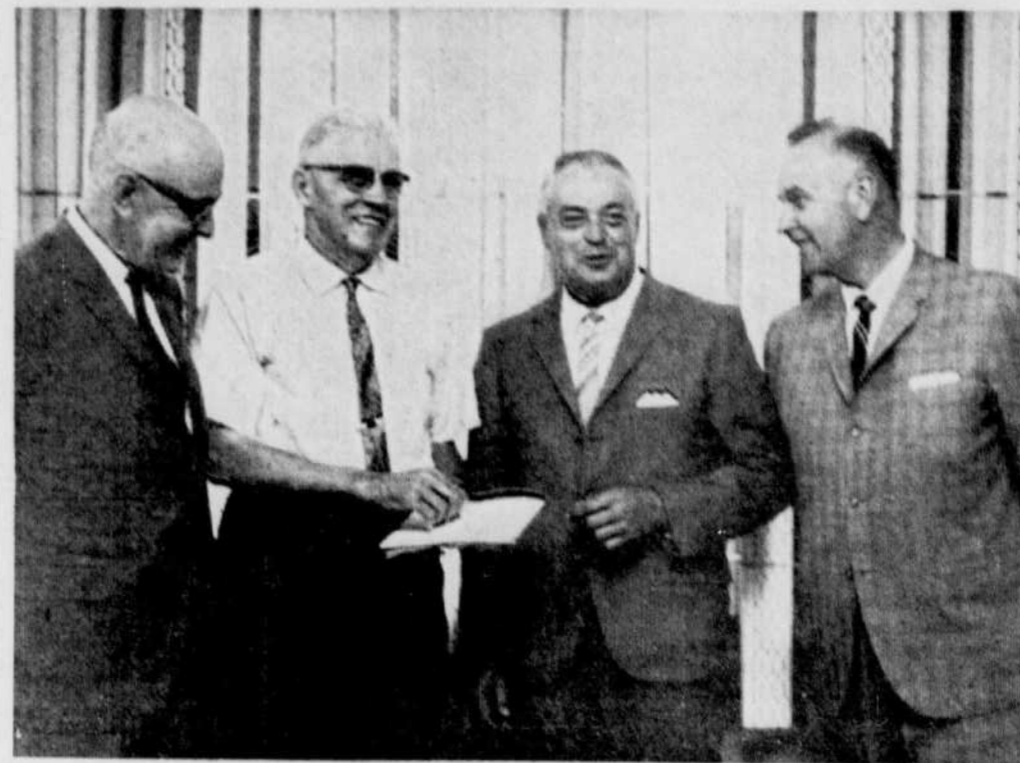

The renting of the booth will cost the city \$80,000, 50 per cent of which is payable upon the signing of the contract and the remaining 50 per cent payable in 1967.

The booth will be financed in a joint manner with the industries to be represented sharing the costs.

A minimum of two Sherbrooke industries and a maximum of four will participate in the booth and each contribute two industries have expressed \$10,000 to its financing. Already interest in participating.

The names of the two industries will be revealed tomorrow.

The city council expects the whole Sherbrooke area to benefit from the publicity this booth will bring at Expo 67.

AT ETAA MEETING — The Executive of the E.T.A.A. announced plans for the 81st Sherbrooke Exhibition to be held from August 26 to September 1, at a meeting yesterday. From left to right: Len O'Donnell, president; W. G. MacDougall, chairman of publicity committee; Eugene

Highlights of Sherbrooke Fair announced at press conference

Some of the highlights of the 81st annual Sherbrooke Exhibition to be held from August 26 to September 1 were pointed out at a meeting of the Eastern Townships Agricultural Association held at the exhibition grounds yesterday.

W. G. MacDougall, chairman of the publicity committee, outlined the exhibition's program which will include as a special feature this year, chuckwagon races direct from the Calgary stampede.

Other activities will include

opening night bingo on Friday, Aug. 26, harness racing on the following day, a special Kiddies day on Sunday and of course the drawing of a car on Wednesday, August 31.

Prizes will be given in all agricultural events, those which are held yearly.

This year more than \$20,000 in prizes will be given of which half is paid by the federal government.

This is better than last year by \$3,000 and is due to a new classification introduced by Senator Harry Hayes, former Minister of Agriculture.

Len O'Donnell, president of the ETAA, speaking in French and in English, said that the co-operation of the press, of radio and television was needed to make this exhibition, like the others in times past, a success.

To discuss city hall

Mayor Armand Nadeau said yesterday he would meet with Premier Daniel Johnson and the minister of public works Ferland J. Lafontaine, to discuss the proposed Sherbrooke City Hall.

Mr. Nadeau said that the city had an understanding with the Lesage administration but he did not know whether the Union Nationale government would endorse the Lesage policy on the city hall.

If the Johnson administration does not approve the 21-storey building with the provincial government occupying several floors, Mr. Nadeau said that the building would then be constructed with only 10 floors.

Sherbrooke courts

Impaired drivers holiday aftermath

Following the hot weather over the St. Jean Baptiste weekend the Sherbrooke Courts handled a lot of thirsty drivers yesterday morning who were found to be impaired by St. Francis district police.

Dore Fecto, 36, pleaded guilty to being impaired June 25. He also pleaded guilty to a similar charge to which he pleaded not guilty several weeks ago. Judge Benoit Turmel of the Sherbrooke Court of Sessions fined Fecto \$50 and ordered him not to drive a car for the next two years.

Invited to join July 4 parade

BOUNDARY — (Special) — A special invitation is extended to senior citizens of the Boundary communities to ride in cars at the July 4 parade at Derby, sponsored by the Derby United Church.

Those planning to join in the parade are asked to meet at Stanstead South Church, Rock Island, at 9:30 a.m. to leave at 9:45 for the parade grounds. After the parade, they will be returned to the church.

Mitchell Wheeler, 23, of Stanstead pleaded guilty to a charge arising out of fighting while drunk and causing a general disturbance of the peace. Wheeler also pleaded guilty to resisting arrest.

Crown Prosecutor Guy Blanchette told the court that Wheeler only had an impaired driving record.

Judge Turmel fined Wheeler \$25 on each count.

German Lefebvre of Richmond pleaded not guilty to a charge of being impaired while driving a car June 25. Crown Prosecutor Guy Blanchette asked Sessions Judge Benoit Turmel to postpone the case until June 30.

New tenders to be called

City council decided last night to call new tenders for bleachers for the Jacques Cartier Park. Tenders were called by a city hall employee but only verbally. When the tenders were opened last week it was not certain as to what each of the two tenders exactly offered.

Ald. Paul Gervais judged it best to call new tenders altogether.

Martineau Inc., charged \$6,450 for the bleachers and Center de Location charged \$5,615 for them with a guard rail. With a rail the cost would be \$6,250.

To induct pastor

ROCK ISLAND — (Special) — The induction service for Rev. G. Joyce, the new pastor of Stanstead South Church, Rock Island, and Centenary Church, Stanstead, will be held tonight at 8 o'clock in Stanstead South Church. The service will be followed by a coffee hour in the hall.

A medical examination has been ordered for Jules Bellisle of Asbestos who resisted arrest June 25.

Richmond water system loan bylaw is approved

RICHMOND — (Staff) — A referendum will not be needed here for a new water system for the towns of Richmond and Melbourn. At the public assembly yesterday only three signatures appeared on the list calling for a referendum on the project.

Twenty signatures are required.

The meeting was called to ask residents to vote on by-law 305 which authorizes a \$450,000 loan for a period of 40 years. The bylaw is also for the work on water pipes.

The pipes will cost \$140,000. The pump plant \$28,000 and the water pipe from the resource to the pump house, a length of

about four miles, will cost \$225,000. The costs of rights of way, interest and other expenses will come to \$57,000.

As the loan is stretched out over a 40 year period the annual cost will be about \$30,000. If government aid is sought it will lower the cost to \$12,000 per year.

The loan bylaw must first of all have the approval of the municipal commission of the province of Quebec.

It is also essential that the government give a four per cent grant over a five year period. Without this grant the project may not get off the drawing board.

Court cracks down on holiday hooligans

The Chief of Police Edouard Mureau and Municipal Court Judge Pierre Beaudry said yesterday that they would not allow the summer festival to be ruined by a bunch of hooligans.

Mr. Beaudry made the statement yesterday upon sentencing two youths to \$20 fines each for creating a general disturbance at the Municipal stadium June 23 the night of the lighting of the Feu de St. Jean.

Two others failed to show up at the municipal court and their \$20 bail has been forfeited. They have also been found guilty by default.

A group of teenagers was present at the June 23 celebrations. The group was rude to women spectators and caused a general disturbance.

The same group was present Friday night at the Sherbrooke Shopping Centre for the St. Jean Baptiste Dance. Again here they created a disturbance.

The opening of the summer festival at the arena caused the same youths to be present again and again they made remarks at women.

They were taken by the police, assisted by residents of the City who were present, to Police headquarters.

Judge Beaudry said that the maximum penalty the law allows is \$20 but if necessary

he will find other charges to be held against them or he said he would imprison a few.

"We have had enough of these hooligans who make work for city police difficult," he told reporters.

YESTERDAY MORNING three men were to have been paraded before the municipal court but they did not show up. They caused a general disturbance in the Mee Ho Cafe. As they did not appear before the Judge their \$20 bail was confiscated.

Four other persons between the ages of 18 and 26 appeared before the judges yesterday and were fined \$20 each on charges of loitering, disturbing the peace, and refusing to follow instructions issued by police.

Two other youths 17 and 18 respectively were arrested Sunday night for disturbing the peace. The 18-year-old pleaded guilty and was fined \$20. The other is to appear today in Sherbrooke's Social Welfare Court.

As the 18-year-old did not have the \$20 he chose a week in prison.

Bible Society meeting held at Waterville

WATERVILLE — The annual meeting of the Canadian Bible Society was held in St. John's Church on June 16, with Rev. T. Dale Jones, district secretary, of Montreal, presiding.

A successful report was heard on the local canvass, the results to be finalized at a later date.

Rev. D. Buxton is president of the local branch and Mrs. E. Bauer secretary.

Rev. James Brooks, on behalf of those present, expressed best wishes to Mr. Jones, who will be taking over a pastoral charge in August.

Mr. and Mrs. Jack Couchman and family were guests of honor at a farewell party on June 17. The event sponsored by the board of stewards of the United Church, was held in the Red Oak Hall with over 100 guests present.

During the evening Mrs. S. N. Bishop showed colored slides of some of her travels and local scenes, which were greatly enjoyed.

Rev. G. Lokhorst made a short address and extended the best wishes of all to Mr. and Mrs. Couchman in their new home at Napanee, Ont. Mr. Irving Willard presented them with a purse of money from their many friends.

Mr. and Mrs. Couchman both expressed their gratitude and said they would miss the friends they had made here.

Lunch was served by several church members.

Asks citizens to report on speeders

Sherbrooke mayor Armand Nadeau said yesterday that he is asking the citizens of Sherbrooke to cooperate with police in controlling speeding within the city limits.

Mr. Nadeau said that always the same people speed through the streets.

He urged citizens to take

down the licence numbers of offenders, call the police department and denounce the speeders. Mr. Nadeau urged citizens to help out "to protect the children from mad drivers."

"Do not be afraid to call the police department," he told reporters yesterday evening. "Severe action will be

Struck by a car, 5-year-old dies

Five-year-old Christian Bergeron of Sherbrooke was killed yesterday when he was struck by a car on Galt Street West in Sherbrooke.

Christian had left the St. Jacques park with his brother Esprit, six years old, and had begun to cross the street when

he was hit by the car. The accident victim is the son of Mr. and Mrs. Gaston Bergeron, 1495 Lalemant Street.

The municipal police say that they do not yet have a full report of the accident. The date for the inquest into the death has not yet been set.

Judge threatens ban of convicted speeders

Municipal court judge Pierre Beaudry said yesterday that if fines alone will not stop speeding within the city he will begin

to ban convicted speeders from the city streets.

Many police officers were placed over the weekend along King Street West and resulted in 17 court cases.

Nine drivers pleaded guilty yesterday morning to charges arising out of speeding.

All pleaded guilty and all were fined \$15 each and the court costs.

A 21-year-old man was fined \$200 and is not permitted to drive for six months after he pleaded guilty to being impaired while driving.

Grocery store is broken into

WINDSOR — (Staff) — A grocery store in Windsor was broken into early Saturday morning and goods totalling \$200 were stolen. Epicerie Berard, on Du Moulin Street in Windsor, owned by Lucien Berard, was the scene of the crime. Wrist watches, transistor radios and other items were stolen from the store but otherwise nothing was damaged. The theft was discovered by the constable who was doing his nightly checks, early Saturday morning Windsor Provincial Police Sergeant Carron and Constable Kendall are investigating.

Dunham council hall is re-opened

DUNHAM — (Staff) — The re-opening of the Dunham Township Council hall was held last Wednesday evening with a gigantic civil reception. The 100-year-old council hall was completely redecorated and re-furnished at the first floor level. The Council hall has a large entry or open council chamber. Another chamber is located next to the office of Mayor Normand Gaudreau and is accessible by means of a connecting door. A large office also exists for general administration purposes. Secretary-treasurer Jean Bourassa has his office in the general administration section.

held in 1867 at the home of the Hon. Thomas Wood who was a federal MP. The land for the council hall was given by Levi Stevens who specified that the first floor was to be used by the township council, the second floor by the village council and the third floor was to be the Masonic Hall. Mr. Stevens' wishes are still realized today. The first incorporation of any township occurred in 1797. In 1867 the Village of Dunham was incorporated. There appears to be some controversy as to the name Dunham. According to the secretary-treasurer Jean Bourassa the village was named after Sir Thomas Dunn. He said it was the joining of the words Dunn and hamlet that formed the name Dunham. However, according to another informed source the name Dunham was the name given in 1793 by people who came from Dunham in Norfolk, England. Former Mayor Edward McCollough who served for two terms between 1954 to 1960 said

Minor cases are heard at Sweetsburg courthouse

SWEETSBURG WARD — (Staff) — An 18-year-old boy was sentenced to one month yesterday in prison after he had pleaded guilty to a charge of theft. Marcel Brien, of Cowansville admitted to stealing a transistor radio from a parked car. Brien told the Court that he had appeared in Social Welfare Court for taking a car without the owner's permission and had been given a suspended sentence. That was Brien's only previous appearance in Court on any charges. Dr. Russel Beaudoin, of East Farnham, appeared in the Bedford District Court here yesterday for a preliminary hearing on charges of performing an illegal operation. After his lawyer failed in an attempt to have the case dismissed, Dr. Beaudoin's trial was set for the next sitting of the assizes. **SOUTH BOLTON** — Mr. and Mrs. Morley and Mr. and Mrs. Burwash and family were at their cottages over the weekend. **SUTTON JUNCTION** — Mr. and Mrs. Paul Gonyeau and daughter, Patsy, of Shelburne, spent Father's Day at the home of their parents and grandparents, Mr. and Mrs. Robert Wilson. Miss Patsy remained with her grandparents for an indefinite time. Other guests at the same home were Mr. and Mrs. Raymond Wilson, Sheryl and Allan, Cowansville, Mr. Garth Durrell, mother, Mrs. Kathleen Durrell, Foster. **BROME** — Mrs. Hollis Darbe has returned home from a week's holiday with her son-in-law and daughter, Mr. and Mrs. Kenneth Maitter, and son Brent, of Prescott, Ont. Mrs. Alice Chapman and son, Leonard Bissonette, Abercorn, were visiting Mrs. Gladys Chapman. Other visitors over the weekend were Mrs. Lyle Miten, of Lachine, and Miss Ann Miller, Knowlton. The card club met in the hall on June 22 with Mrs. Winnie Van the hostess. Mrs. D. Byers won first prize and Mrs. G. Ray the consolation. Mrs. Beatrice Johnston has sold her furniture and is spending a few months with Mrs. M. Rhicard before she goes to Ontario to be near her daughter Mrs. J. Mulvey, Mr. Mulvey and family. **Wesley Stinson, whose address was listed as unknown, was arraigned before the Court of the Sessions of the Peace here yesterday on charges of fraud and attempted fraud. Stinson allegedly defrauded four Granby merchants of \$10 each. He pleaded not-guilty and his preliminary hearing was scheduled for July 4. Clinton Davis pleaded not guilty in Court of Sessions here yesterday to a charge of non-support. Davis was accused of not contributing to the support of his wife and young daughter during the months of May and June. His preliminary hearing was set for July 4. Mrs. Donald Quiggley pleaded guilty by mail yesterday to a charge of speeding. She was fined \$20 and costs.**

FIRST LETTER — Letter Carrier Andre Martell hands the first letter to Cowansville Mayor Roland Desourdy to launch the town's letter carrier service. (Record photo by Studio Eclair)

Start postal delivery

COWANSVILLE — (Staff) — Uniforms gleaming with spit and polish, Cowansville letter carriers made their first door-to-door delivery here yesterday following a ceremony at the Post Office. Postmaster-General Jean-Pierre Cote was on hand to cut the ribbon and the first letter was delivered to Cowansville Mayor Roland Desourdy. In his official address to the crowd that had gathered on the street outside the Post Office, Mr. Cote said that the inauguration showed Cowansville's exceptional growth. "This spectacular growth," he said, "can be expressed in terms of postal revenues; in the ten years from March 31, 1955 to March 31, 1965, it rose from \$46,810 to \$83,164." He pointed out that the postal service, in response to the growing nation-wide postal revenue, had improved and extended its services. He noted that mail delivery service was previously available to only those towns which could muster 2,500 points of call. Now it is available to towns that can muster 2,000 points of call. Since January, he said, letter carrier service has been extended to 12 towns in Canada including Cowansville. He added that eight other places will receive the benefit of this service in the near future. The new service in Cowansville will comprise six letter carrier routes for 2,596 points of call. **VALE PERKINS** — Mrs. George A. Booth and Ralph, of Waterloo, accompanied Mr. and Mrs. Floyd Sanborn and family, Iron Hill, to the Vale to visit Mr. and Mrs. George Jewett and family. Mrs. Maude Mossa, Rita, and Douglas, accompanied Mrs. Bessie Cote, to Orleans, Vt. where they were guests of Mr. and Mrs. Preston Fox. Mrs. M. E. Workman and three daughters, of Montreal, have arrived here to spend the summer months.

Honored on their anniversary

DUNHAM — (Staff) — At the re-opening of the Dunham Townships Council Hall last Wednesday evening Mayor Normand Gaudreau surprised the secretary-treasurer of the Council, when he congratulated them on their 25th wedding anniversary. The Bourassas were presented with an undisclosed amount of money which they could use on their trip to Europe said the mayor. The fourth child of the Bourassa family, Marie-Paul, 14, presented her mother with a bouquet of red roses while her brother Henri, 19, presented his father with a boutonniere. The township residents acknowledged Mr. and Mrs. Bourassa's anniversary a day late but this was done to coincide with the re-opening of the township hall.

FARNAM'S CORNER

Flowers in the United Church, at the evening service on June 19, were in memory of Mr. and Mrs. Salem King, placed by their son and daughter. In law, Mr. and Mrs. Luther King of East Farnham. Mr. and Mrs. Junior Harvey and sons, Lloyd and Mark moved to Montreal, June 22, when Mark kept an appointment at Children's Hospital with the ophthalmologist, and Lloyd attended the Medical Clinic.

RACING ENDED ABRUPTLY

THE SHERBROOKE RACING CLUB put an end to racing here last week when they announced that racing would be cancelled until further notice. This announcement came after the entry books were opened last Wednesday at midnight, the deadline.

WHEN THE BOXES

were opened only twenty-two horses had been entered for the weekend card which requires a total of over 140. When this was made known several of the drivers and trainers were caught off balance as they had expected the racing secretary would ask them to enter their horses and they would refuse.

THE TRAINERS

had everything lined up and had stated they would go on strike but they didn't get the opportunity as the club manager made his brief announcement to end everything. Things were pretty quiet around the office after that.

I DON'T THINK

it will last very long as following the short layoff, maybe some of the horse owners will change their minds. The track made an offer of 55 per cent of the betting but the Owners' Association was asking for 65 per cent which we think is a little too much.

IT WOULD BE

impossible for the local club to operate under the new demands. This is the amount which the big tracks are paying and I can't see the local group being put on the same level. Sherbrooke is a long way from Richelieu, Trois-Rivieres and Quebec where the betting reaches close to six figures per card.

WE UNDERSTAND

that the majority of the trainers have agreed to accept the new terms but this will take a meeting of the Association to have it passed and made official. Maybe a lot of new things will come out of this adjournment.

THE WHOLE ISSUE

hinges on the amount of money bet and this can vary considerably. In fact the amount has only passed the \$40,000 mark three times this year compared to past seasons. This is the main reason why the club is hesitating in increasing the purses. They want to be sure they have it before giving it away.

IN PAST YEARS

the club always raised the purses in June once things got rolling but this year it is a little different as the betting hasn't increased that much. There may be a lot of reasons causing it but I think one big one is that some drivers are lagging and not giving their best.

THE DRIVERS

don't seem to realize the fans who go to the races want to see some good racing. The judges have cracked down with suspensions and fines but it doesn't seem to bother some of the drivers. Maybe they should get a little tougher.

ANYWAY THINGS

should be settled one way or the other this week. Racing should be back on an even keel before too long, we hope.

THE OFFICIAL NHL

Statistical Cards are out and any hockey fan can obtain one by writing to NHL, 922 Sun Life Building, Montreal 2.

ROYAL CANADIAN LEGION

, Branch 242, North Hatley-Waterville, is staging their annual horse show, Friday, July 1. It will be held as part of the Dominion Day celebration and will take place on the ball grounds. It is a day-long event.

THE ANNUAL

meeting of the Quebec Provincial Senior Hockey League will take place Wednesday and no doubt several important matters will be on the agenda for discussion. Rumors have been flying around the past month or so regarding the future of certain clubs in the circuit. This should be clarified at the meeting along with several other matters.

A BOXING CARD

will be presented at the Arena Monday, July 4, as part of the Summer Festival and Paul Berube has lined up a fair card commencing at 8:30 p.m. Six matches are listed with a special bout as a surprise. This should add a little fun for the fans.

THE ALOUETTES

are rolling along in high gear just at present and are sitting near the top of the pack in the Provincial Baseball League. The hard work of General Manager Paul Malloy and the executive certainly seem to have brought results.

THE TEAM

has an air of confidence and are playing like they are sure of themselves and if they can keep this up it will play a big part in their games. President Tony Pinard and his executive are going all out to give Sherbrooke a worthy club in the loop but they need the help of the fans at the games to keep things rolling. So how about dropping up to see a game. I am sure you will be surprised at the brand of ball you will see.

Als lose

QUEBEC — (Staff) — Last night was an evening of 'firsts' at the Municipal Stadium here as the Quebec Indians hosted the Sherbrooke Alouettes, and choked them 12-2.

It was the first time that Sherbrooke played in Quebec's Stadium, and was also the initial victory for the Indians after meeting twice.

It was also the first time a home run was hit in the ball park here, and the big slugger was a pitcher making his first appearance with the team.

The Alouettes dropped to a one-game margin separating the first two teams in the Provincial Baseball League after their loss to Quebec, and are heading to Drummondville to night for another attempted victory over the Royals.

In the only other game played, Theford Mines spread on the power to lead 10-0 after four innings of play, finally taking the Royals 10-8.

Bob Kohler hurled a six hitter for the Indians in his first appearance with the Quebec squad, and at the same time, led the 13 hit barrage against the Als. He homered and doubled.

Gerry Lamoureux had Sherbrooke's top hit, a double. **SHERB 000 001 001—2 6 3** **QUEBEC 001 034 22—12 13 1**

Mays paces Giants to 2-1 win

ST. LOUIS (AP)—Willie Mays was not trying to get past anybody, but he moved fast enough Monday night to catch Bob Gibson and overtake Ted Williams.

In the stretch run of a brilliant career, Mays passed Williams, another thoroughbred, to become the third-greatest home run hitter of all time.

The blast that put him there was a two-run shot off Gibson in the first inning Monday night that gave National League-leading San Francisco Giants a 2-1 victory over St. Louis Cardinals.

It was his 17th of the season and the 522nd of his 15-year career, putting him one ahead of Williams.

Only Babe Ruth, with 714 homers, Jimmy Foxx, with 534, are between him and the top.

But Mays took in stride all the glory heaped upon him.

"I'm not trying to get past anybody," he said. "I might have been passing for No. 312 which broke the National League record, but the pressure wasn't as great for this one."

"I was just trying to hit the ball off Gibson, but I knew this one was gone when I hit it."

LAST WAS 1962 Mays has had his troubles catching the Cardinal right-hander. It was only his second homer off Gibson and the first since June, 1962.

Dick Ellsworth, the victim of Mays' 521st homer, bounced back with a route-going victory as Chicago Cubs whipped Atlanta Braves 5-1, Roberto Clemente stroked three key hits in Pittsburgh Pirates' 8-5 decision over Houston Astros and Cincinnati Reds defeated Los Angeles 3-1 in other National League action.

Baltimore Orioles trimmed California Angels 4-1 and Minnesota Twins beat Cleveland Indians 6-2 in the only American League games scheduled.

Ellsworth scattered eight hits, scored one run and singled in another while picking up only his third victory in 15 decisions. The Cubs, who had dropped seven of their previous eight games, broke it open with three runs in the fifth against loser Joey Jay.

MORE 'BOOM-BOOM' — To the nets, goalies, the Boomer is back in action! Geoffrion holds a symbolic puck at a news conference yesterday where it was announced the former high scoring right winger will come out of retirement to play with the Rangers after a two-year absence from the NHL. The fifth-highest scorer in the league history, 371 goals, was non-playing coach of Quebec in the AHL. (AP Wirephoto)

Boom Boom returns, signs with Rangers for \$35,000 a year

NEW YORK (AP) — Bernie Geoffrion still has a lot of good hockey left in him, said Ranger general manager Emile Francis. "I'm delighted we could get him."

Geoffrion said he thinks he retired from hockey too soon. "I was only 33, but some people thought I was over the hill."

"I took the Quebec coaching job with an eye on the Montreal job. I coached the Aces to two first-place finishes and they called me in and said 'if you've got another offer, take it.'"

Geoffrion, fuming at the Aces' management, decided to make a comeback as a player. Because waivers were not obtained in 1964 when he was placed on the voluntarily retired list, he was available at the \$30,000 price and the Rangers made their claim.

Boom Boom, fifth-highest goal scorer in NHL history, said Ted Lindsay's successful comeback with Detroit two years ago helped influence his decision to play again. Lindsay scored 14 goals after a four-year layoff.

"If he could play that well at 39, I can do it at 35. And don't forget, he was away four years. I've only missed two seasons."

In addition to paying the \$30,000 waiver price, the Rangers gave Geoffrion a three-year contract at an estimated \$35,000 a year.

A. Chamberlain hurls three-hitter and clouts homer to give Orioles win, Tigers wallop White Sox 13-4

Alain Chamberlain hurlled bull drove in two runs as he hit the Orioles to a 5-2 win over the Twins last evening in the Sher-Lenn Little League. He pitched a three-hitter and came up with four hits, one a homer with one aboard, to pace his team to victory.

In the other game the Tigers won 13-4 over the White Sox. Marc Goupil was the winner. Tonight the Red Sox meet the Yankees and Twins take on the Indians with both games at the Parade Grounds at 6:30 p.m.

Twins were hitless and scoreless in the first four innings. They got two men on in the top of the first through two Oriole miscues but Chamberlain got two strikeouts and an assist to halt any threat of runs crossing the plate.

Orioles jumped off to a two-run lead in the first inning with Chamberlain and Maltais connecting. On Chamberlain's homer in the second they added two more. The fourth hit by Chamberlain in the last of the fourth finished off the scoring for them.

Twins got their first hit in the fifth. A triple by D. Turnbull drove in two runs as he hit Simpson and Mulcahy had got on base by walks. Macdonald and Hanson got the other two hits for the Twins in the last of the sixth but again Chamberlain killed off any scoring. The Orioles won out on the long end of a 5-2 count.

Tigers built up their 13 runs in their tilt with the White Sox getting six in the first, three in the second and four in the third. The Sox got their's in the third and fifth.

Denis Dussault got three hits for the Tigers, one a homer with one on, B. Turnbull was the other big hitter for the Tigers as he hit safely three times. Kerwin had two hits for White Sox.

MAGOG — (Special)

—The annual Mt. Orford Golf and Country Club's pro's tournament was played over the past weekend, with intermittent rains Saturday and hot humid weather Sunday, neither dampening the enthusiasm of the participating members.

Bert Cotterell was the Class "A" low gross with a 78 played Sunday, and fairway partner Laurent Vien took the low net. Dominique Beaulieu won the Class "B" low gross with 86 followed by Eddy Hendry who scored 94. Low nets went to Harold Wehner and Leon C. Hamel. Adalbert Gravel captured the Class "C" honors with 90.

In the Atlantic scoring, Andre Larochelle and Roy Low tied with 73, followed by Raymond Gosselin with 74. In places. In 9 hole play, Mrs. Jacques placed first with 74, followed by Mrs. Catherine Taylor who held 76.

Sawchuk undergoes operation

PONTIAC, Mich. (AP)—Terry Sawchuk, veteran National Hockey League goalie, underwent surgery for a ruptured spinal disc Monday.

A nurse at Pontiac Osteopathic Hospital said he "is in very satisfactory condition."

Mrs. Sawchuk, reached at their Milford, Mich., home, said her husband was operated on for a ruptured spinal disc, but declined to give any further details.

Sawchuk, 37, completed his 16th NHL season last spring with Toronto Maple Leafs, appearing in 29 games, including two in the Stanley Cup playoffs.

Completely organized by the Sherbrooke Auto Club, in affiliation with the Canadian Automobile Sports Club, The International Federation of Automobiles is the parent body governing all sports clubs and associations.

Claude Lalonde, a director of the Sherbrooke Auto Club, and a member of the organizing committee, told The Record yesterday that thus far over 40 entries have been received, and at last 100 are expected.

"We're receiving telegrams inquiring about the race against time," he said, "even though the deadline for entries was early this week, we will see more than these entries here on Friday." The deadline for all entries required letters to be post-marked June 26, and the committee reserves the right to refuse any entry. They also have the privilege of limiting the number to 100 if necessary.

There will be three classes of competition in the race, for sports cars and sedans. Sports and Sedans up to 1150 cc. will form the first class, with Formulas up to 1000.

In the second class are sports and sedans from 1150 to 2500 cc. with Formulas 1000-3000, while the third class is for over 2500 cc for the former, and 1300 and over for the latter cars.

Since the Grand Circuit Molson is in affiliation with the International Automobile Federation, certain requirements must be met by all competitors.

They must present at the registration a basic restricted competition license issued by the CASC, Sports Car Club of America, FIA, or the United States Auto Clubs. For the practice runs, each driver must complete a minimum of two laps in the car in which he is to compete. These runs will be timed in order to determine the starting lineup.

In the actual race, each driver will be allowed three laps, the best of which will be regarded as his final time.

The winner of the overall event will receive the Grand Circuit Molson trophy as well as a commemorative trophy.

Rev that motor! Molson's Grand Circuit here July 1, 2, 3

By RICHARD WILSON (Record Sports Reporter)

Although there will be dangers on the highways again this upcoming holiday weekend, there are some drivers who prefer to take their chances alone, racing against time and possibly making their efforts well worth their while.

These drivers are the contestants in the second annual Molson's Grand Circuit, regarded as the highlight of sports activities in the Sherbrooke Summer Festival.

Scrutineering and registrations will take place Friday and Saturday at Jacques Cartier Park, with the climax being the actual race itself, Sunday afternoon at 1 p.m.

The course, which covers 1.27 miles, is completely paved and includes some of the Sherbrooke North Ward streets. The high speed time event has the starting line and paddock at the entrance to the park on Jacques Cartier boulevard. The route covers the roadway in the park, up to Marchant Street along Marcell to Vimy South, touching King West, down Vanier, and back along the river-side.

The Grand Circuit, sponsored by Molson's Brewery, is completely organized by the Sherbrooke Auto Club, in affiliation with the Canadian Automobile Sports Club. The International Federation of Automobiles is the parent body governing all sports clubs and associations.

Claude Lalonde, a director of the Sherbrooke Auto Club, and a member of the organizing committee, told The Record yesterday that thus far over 40 entries have been received, and at last 100 are expected.

Quebec power no cheaper for Vt.

MONTEPELLIER, Vt. (AP)—A month study that Canadian power will "cost no less than nuclear power" planned for Monday by Governor Philip Hoff's plan to import power from Quebec would not result in any substantial rate reductions. The committee said in a lengthy report on its three-

Teen-Agers—Why Are They Like That?

A survey reported in July issue of Reader's Digest reveals fascinating information about the mental and physical state of today's young people. Read how they react to politics, sex, religion—how "going steady" has replaced "going steady"—and what to expect when teen-agers become adults. In July Reader's Digest, on sale today.

PROMISES SUPPORT
But Janeway added that if Hoff wants the public service board to import Canadian power for resale to private utilities in New England, then Janeway would support Hoff at any special session of the legislature the governor might call.

The governor's original proposal called for creation of a quasi-public agency to purchase power which would be generated at the huge Churchill Falls development planned by Newfoundland. Hoff contended the power would result in substantial savings for New England consumers. When committee deliberations appeared to be going against his proposal, the governor said he never felt that his bill provided the only satisfactory vehicle for importing power.

THE QUEBEC SCENE

QUEBEC (CP)—The Quebec Federation of School Commissions has requested in a letter that none of its members hire any of the 900 teachers in the Quebec City area who resigned en masse several weeks ago, it was learned here Monday. The teachers, members of the Association of Quebec Teachers, were protesting the dismissal of their president, Viateur Dupont, by the Chauveau regional school board.

Last week the Quebec Catholic Teachers Corporation, in a message to its 45,000 members, said members shouldn't offer their services to any of the 20 school boards affected by the

Commission asks blacklist of Quebec teachers group

The 800 teachers say they will not show up for work when classes resume in September unless Mr. Dupont is reinstated. The Chauveau school board has said Mr. Dupont was fired because he lacked respect for the board. The teachers' association claims Mr. Dupont was more likely dismissed because of his union activities.

Re-appointed
QUEBEC (CP)—Msgr. Louis Albert Vachon Monday was ap-

pointed to a third three-year term as rector of Laval University by Cardinal Maurice Roy, chancellor of the university and archbishop of Quebec. Msgr. Vachon has been rector of the university since 1960. He succeeded Msgr. Alphonse-Marie Parent who, in the same year, was named head of the royal commission on education in Quebec.

Offer rejected
MONTREAL (CP)—The Canadian Brotherhood of Railway, Transport and General Workers (CLC) Monday rejected a CNR offer of a wage increase on behalf of 22,000 non-operating railway employees during the final session of federal conciliation board meetings.

The union told the board, headed by J. C. A. Cameron, the 9.2-per-cent increase over a two-year period proposed by the CNR was totally unacceptable. The next step in the dispute between the railway and its non-operating employees is deliberation by the board on the terms of its report.

Berserk killer

MONTREAL (CP)—A cook was stabbed to death and a waitress severely wounded today by a restaurant employee who, police said, apparently went berserk with a kitchen knife. Police said there was no apparent motive for the sudden slaying of Serge Gavrelchut, 71, of suburban Rosemont. The unidentified waitress was taken to hospital with serious injuries. In the confusion, the knife-wielding man fled the blood-spattered premises just off St. James St. in Montreal's financial district. Police said the slayer began work in the restaurant as a dishwasher two weeks ago.

One bandit dead

QUEBEC (CP)—One of three bandits was shot through the head by a wounded policeman during the holdup of a finance company office Monday, but the other two got away with an undetermined amount of cash. The dead bandit was identified as Jean-Claude Bherer, 22, Constable Raymond Couture, although wounded by a bullet in the abdomen, shot him during an exchange of gunfire in the Beneficial Finance Co. office on St. Joseph Street, in the business district of Quebec City's Lower Town. The policeman's condition was not considered serious. Two finance company employees also were injured, but neither was in serious condition.

Montreal livestock market

MONTREAL (CP)—Prices for all classes of livestock were narrowly lower Monday compared with last week on the Montreal markets. Demand good and trading moderate. Receipts: 402 cattle, 222 calves, 24 hogs, 8 sheep and lambs. Choice steers 26-26.50; good 24-24.75; medium 23-23.75; common 21-22.50. Medium heifers 21.50-23; common 20. Good cows 19-21.50; medium 18-19.75; common 15-17.50; canners and cutters 11-16. Good bulls 20 - 24; medium 22.50. Good vealers 31-35; medium 27-30; common 24. No hog sales. No sheep and lamb sales.

Labor egoism

MONTREAL (CP)—Gerard Rancourt, secretary-general of the Quebec Federation of Labor, said today the trade union movement in North America is in danger of creating a labor aristocracy. Such an aristocracy would be a new class of workers just as egotistic and as indifferent to human misery as are the employers with whom they fight for power, he said.

THE MARKET TODAY

(Greenshields Ltd.)

Canadian retailers sold a record \$5,060,185,000 worth of merchandise in the first quarter of 1966, an increase of 11.9% over the \$4,558,243,000 worth sold in the comparable 1965 period. Best percentage gain in the period was shown by other food and beverage stores with sales up 16.5%. Sales of grocery and combination stores (largest factor in overall total) improved 6.5%. In March 1966 total sales amounted to \$1,901,139,000 a rise of 14.9% from \$1,654,931,000 in the third month of 1965. Best percentage improvement was recorded by other food and beverage stores with sales up 20.7%; followed closely by furniture, radio and appliance stores with a 20.1% rise in sales. Sales of grocery and combination stores were ahead 10.2%.

Bookings of fabricated work, warehouse material and rolling mill products of Dominion Bridge Co. Ltd., in the six months ended April 30-66 were about the same as in the corresponding period the year before. Several large contracts for structural steel were secured during the latest period. The outlook for bookings during the remainder of 1966 appears favorable but the volume may reasonably be expected to decline somewhat under the influence imposed by the Federal Government and the stringency of the various fiscal measures of the money market.

Talks resumed

MONTREAL (CP)—Federal negotiator Charles Poirier will meet Tuesday with representatives of the CNR and CPR and union negotiators for Montreal harbor's 600 striking freight-handlers, it was learned Monday.
The freight-handlers, members of the Brotherhood of Railway, Steamship Clerks, Freight Handlers, Express and Station Employees (CLC), began walking off the job June 18 over a pay dispute.
The walkout, which followed the 39-day Quebec longshoremen's strike, has left some 450 freight cars idle.

Tennis king tumbles, loses to Davidson

LONDON (AP) — Wimbledon's tennis king is dethroned. Roy Emerson, the wiry Australian who has won the Wimbledon title for two years running, was eliminated Monday by fellow-countryman Owen Davidson.

Emerson took a tumble during the opening set of his quarter-final against Davidson and strained a ligament in his left shoulder. The partly crippled champion went out 1-6, 6-3, 6-4, 6-4.

Three players now have the chance to break the Australian domination of Wimbledon—Dennis Ralston of the United States, Spain's Manuel Santana and South Africa's Cliff Drysdale.

Ralston plays Drysdale or Tony Roche, another Australian, in the semi-finals. Santana has to play Ken Fletcher of Australia in the quarter-finals, and the winner will take on Davidson in the other semi-final.

IN TOP FORM

Ralston played his best tennis of the tournament Monday, crushing Bob Hewitt of Australia 7-5, 6-2, 11-9 in the quarter-finals.

In last year's tournament, Ralston was eliminated by Emerson in the semi-finals.

The last American to win the Wimbledon title was Chuck McKinley in 1963. Otherwise, the Australians have an unbroken run of success since 1960.

Today the two outstanding quarter-finals were scheduled—Santana vs. Fletcher and Drysdale vs. Roche.

The women's quarter-finals also were scheduled for today.

They lined up like this: Margaret Smith, Australia, vs. Trudy Groenman, Netherlands; Billie Jean Moffitt King, Long Beach, Calif., vs. Annette Van Zyl, South Africa; Nancy Richey, Dallas, Tex., vs. Mrs. Ann Jones, Britain; and Maria Bueno, Brazil, vs. Francoise Durr, France.

AROUND THE GOLF WORLD with Gene Sarazen

PITCH-AND-RUN
Some American courses are breezy, of course, but I doubt that any of them tops the Portmarnock Golf Club in Dublin for tricky winds. And I doubt if anyone is better equipped to cope with the seaside wind than Harry Bradshaw, the former Irish Open and professional champion who played our former Open champion, Billy Casper, at Portmarnock for the Shell's Wonderful World of Golf television series.

One of Harry's favorite shots for tricking the tricky winds is the pitch-and-run. This is a low-pitch that stays close to the ground, fairly safe from the wind, hits short of the green and rolls near or into the cup. Using a nine iron Bradshaw demonstrated his technique. "I address the ball from opposite my right foot," he explained. "With a fairly square stance. I take the club back with my left hand instead of with both hands. This left hand domination on the backswing gives me better control over the clubface."

By keeping his right elbow into his side Bradshaw is able to hinge his arm against his side to keep complete control over the clubhead. He says that very little break in the wrists going back helps keep the ball low.

Bradshaw hits the ball firmly with both hands. "That right hand goes right out after the ball," he says.

SPOT SHOTS

Practically all the top golfers use the spot method in planning an approach shot. They visualize where the ball should land so it will roll as close to the cup as possible. Once they have picked the spot, they aim for it with confidence. If they have figured the speed and slope of the green properly and the ball lands where they want it to, their confidence is justified.

On real short approaches, the clubhead should follow a path that is parallel with the player's chest. The clubface should not be rotated, but should remain facing your target throughout both the backswing and the downswing.

Just because an approach is short is no reason for not hitting down and through the ball, with the clubhead accelerating at impact. If you have planned your short chip properly and follow the basic principles, the shot should be as decisive as any other in golf.

There is no room, even on short approaches, for a sloppy, half-hearted stroke.

MONDAY'S STARS

Batting — Willie Mays, San Francisco, hit his 522nd career homer, placing him third on the all-time list, as the Giants edged St. Louis Cardinals 2-1.

Jerusalem temple re-built in miniature

MONTREAL (CP) — Back-track 2,000 years of human history in an instant. Jesus preached here, sat on that bench and talked with Joseph over here.

It all seems so real, yet it is only a large, colorful and impressive model of the Holy Temple of Jerusalem — rich in history, romance, plunder and religion.

Today the site of the original temple is occupied by the Mosque of Omar on the Jordanian side of the Holy City. The mosque was built in 667 AD.

However, the first temple on the site was built by King Solomon almost 1,000 years before Christ. The temple was to undergo destruction, reconstruction and modification during its history.

Finally, in 135 AD, the Romans plowed over the ruins and the temple disappeared.

The model, measuring 16 by 16 feet, is a painstaking reproduction of the temple as it stood after 20 BC when King Herod rebuilt and embellished it.

The model builders, Dr. Lazare Halberthal and Suzette Halberthal, estimate they have invested 15,000 hours in its construction. Numerous materials went into the task: copper, marble, stone powder and glue, plywood and cedar wood, and thin sheets of silver.

Its value in dollars is anyone's guess.

YEARS IN RESEARCH
Pre-construction research required consulting Talmudic scholars the world over; Rome, Paris, London and of course Jerusalem. Dr. Halberthal, when a young lawyer in Bucharest, Romania, wrote hundreds of letters and read many books on his subject.

The Halberthals do not claim their work to be microscopically accurate. But it does answer, or provide logical solutions to 107 problems of historical detail which have been lost through the decades. Authentication is left to the world's experts, says Dr. Halberthal.

His interest in the temple dates back to 1937, when he lived in Bucharest. The hobby — as he describes it — grew daily, but was interrupted by the Second World War.

In 1950 the couple fled Europe to Israel, from which they came to Canada two years later. In Montreal, they began their construction program — a way of showing thanks for escaping the Nazis.

The model includes the temple proper, the high court of justice, various courtyards, the

sacrificial altar, the money changers' tables, and even miniature copies of the rings used to hold animals being sacrificed.

CARVED TINY FIGURES
Built in sections, the completed work is meant to be placed in the backdrop of the temple's surroundings, a model of Mount Moriah.

Mrs. Halberthal carved all the 500 tiny and delicate figures, of wood and ceramic, which dot the model. She also painted it. An artist in her own right, the woman studied under the noted sculptor Scheitzer (Cumpana) and the painter Sarbu in Romania.

Dr. Halberthal built the remainder, in scale of 1 to 70, for which he had to teach himself, among other arts, the hammering of copper bronze.

Briefly, here is the temple's history: After King Solomon built it in 986 it lasted intact until 586 BC, 400 years, when Nebuchadnezzar, King of the Babylonians, destroyed it after invading the country. He took the Jews into bondage.

Fifty years later, in 536, Cyrus, King of the Persians, conquered Babylon, and liberated the Chosen People. The Jews

led by Zerubabel rebuilt the temple.

Then in 168 BC, Antioch, king of part of the Greek empire, invaded but did not conquer the land. The Jews succeeded in driving him off, but the temple was damaged in the fight.

DESTROYED BY ROMANS
The successful defence of their land is still celebrated — Hanukkah, the holiday of lights. Herod the Great repaired and

embellished the temple in 20 BC. The Halberthals' model is of this period, when the temple was in its greatest hour.

Jesus came and went. The Romans in 70 AD destroyed the

temple again. Sixty years later they plowed it over.

Dr. Halberthal, who works currently at "a bread-and-butter job" as a salesman, says his work is not finished.

"You see, we can't say we have finished making the model, because as new findings come to light, we have to alter details," says Mrs. Halberthal. Dr. Halberthal says he does not want to sell the model. His aim is to have it seen by as many persons through as possible public exhibitions of it as possible.

He does not describe himself as deeply religious: "I believe in God and good morals."

A stranger in Sherbrooke — 1

A reporter's first impressions; rivers, hills, genial waiters

As a new reporter for the Sherbrooke Daily Record, and as a new resident of this city, I thought I might give you my impressions of Sherbrooke.

It is said that strangers see things that others do not, cannot, because they have forgotten them. Maybe this series will bring to old residents a freshness since forgotten.

Or maybe new residents who have been here slightly longer than myself, will find in the telling, a concrete recording of what they themselves have felt at some time.

I suppose if I were to summarize in a few words my general and most immediate reaction upon driving into Sherbrooke it would certainly be:

"What a hilly city!" Indeed, the streets seem to

and restaurants, 20 or 30 at least!

I had the chance to sample at least one of them the other night. I happened to be on King Street at the time and was looking forward to my first Sherbrooke meal. To be honest I must admit I felt rather lost as I sneaked into the first restaurant I saw, and tried to make up my mind whether I would sit at counter, stool or table.

All at once, a portly gentleman signaled me to a table, saying, as to a long-lost master: "This table, please, sir. And few days!"

I felt a rush of what might be called homecoming warmth and knew from that moment on, that I was going to enjoy Sherbrooke and its people.

Second to the striking geography I was impressed with the river, or is it rivers that seem to run everywhere through town? What a majestic courthouse! And the restaurants. What a lot of cafes

Stanstead County Plowmen's group sets dates, plans for fall events

AYER'S CLIFF — Plans for the autumn plowing match was made at a meeting of the Stanstead County Plowmen's Association held on June 16 in the hall of the County Building. The match will be held on Saturday, Oct. 8 at the Joe Weselink farm, formerly the Lawrence Mosher farm, on the Ayer's Cliff - Boynton Road, where there is an excellent field.

Richie Harrison offered a field on his farm, a half mile from Burroughs Falls on Route 50, Coaticook Road, for a demonstration on Sept. 17 if agreeable with the demonstrators, who will be contacted by the Association secretary, Howard Ayer. This date will bring the demonstration before the Sherbrooke and Provincial Match taking place at the Experimental farm, Lennoxville, the latter part of September.

A committee of President John Johnston and Mr. Ayer was named to make arrangements for the noon dinner on Oct. 8 for the plowmen and any spectators, wishing to eat there. It is emphasized that all plowmen must be in the field to start plowing and finish their crown by 12 o'clock noon, so that everyone may eat at the same time. Failure to start on time will result in loss of points.

Another committee of Mr. Johnston, Mr. Ayer and Dale Miller was named to prepare and revise the posters for the match. More teams are needed to plow. It was noted that spectators come to see teams as well as tractors in the competition. One of the members stated that more teams would enter if the number of ridges to plow was cut down: Gordon Cass was named judge of that section of the match and is to see that the change is made. The prizes are good and the executive hopes more teams will participate.

The annual banquet will be on Oct. 12 with Dale Miller to make arrangements. The entertainment committee is composed of John Johnston, Douglas Johnston and Turner Hunter.

Names were suggested for field and tractor judges. They will be contacted and the report brought in at the September meeting of the Association. Named to solicit for prizes are Leslie Bliss and Douglas Johnston, Rock Island; Will Jones, Douglas Johnston and Leslie Bliss, Beebe; Wilder Hatch, Tomfobia and Boynton; Turner Hunter, Way's Mills and Barnston; Fred Keel, Dewey Mosher, John and Douglas Johnston, Magog and Kettlevale.

Stanstead OES holds season's final session

STANSTEAD — Golden Star Chapter, O.E.S., held the last meeting of the season at the Masonic hall on June 15, preceded by a pot luck supper served by Mrs. Vera Brevoort and her helpers. Tables were most attractive in Eastern Star motif and flowers.

Seated at the head table was the Worthy Grand Matron, Grand Chapter of Quebec, Mrs. Mildred Wheelock and Mr. Wheelock, Chapter Worthy Matron and Worthy Patron, Mrs. Edith Selby and Lloyd Selby, the Grand Chaplain, Mrs. Violet Badger, the Chapter Associate Matron and Associate Patron, Mrs. Helen Johnston and Mr. Johnston.

A card was signed to be sent to Mrs. Marion Hamilton, Past Worthy Matron, who was ill. After routine business ending the season, Mrs. Selby welcomed a member seldom able to attend, Mrs. Flora Wilson, Pierrefonds, Howard Walsh, a Past Grand Patron, and Mrs. Walsh, were extended good wishes on the occasion of their 29th wedding anniversary the following day, and to Mrs. Margaret Black, who will be spending three weeks this summer at her home in Scotland.

The chapter will reconvene in September.

Rehearsal party honors couple

STANSTEAD — After the wedding rehearsal of Wendell Webb and Nora LaPenna, on June 10, the former's parents, Mr. and Mrs. Floyd Webb, were host and hostess at a party at their home.

Attending were about 25, including wedding attendants and relatives, of the bride and groom. The buffet supper was served on the sun porch, decorated with wedding bells and flowers. The bride and groom exchanged gifts and gifts were presented to their attendants, Mr. F. Kebl proposed a toast to the couple who were married the following day at Beebe. Other toasts were also proposed.

Guide group at East Angus names officers

EAST ANGUS — The annual meeting of the local Girl Guide Association was held recently at the home of Mrs. A. Rowland. The president, Mrs. C. Greenwood, was in charge.

A donation was made towards the Guide and Brownie camp holiday.

The new slate of officers were: president, Mrs. A. Rowland; treasurer, Mrs. F. MacKenzie; secretary, Mrs. W. Mues.

It was decided to hold the usual card party, tea and sale of food on Oct. 20.

Owing to the absence of Miss Audrey Hall, Miss Trudy Learned gave an excellent report of the activities of the Brownies for the past year. Mrs. Clinton Willard reported activities of the Guides. The girls had won many badges during the year.

Mrs. Willard, who was resigning as Guide Leader, was presented with a Lazy Susan by members of the association. She was thanked for her work and interest.

At the present time there are 12 Guides and 10 Brownies. The group is looking for a Guide leader.

LODGE MEMBERS HONORED — Distinguished members of Myrtle Rebekah Lodge, No. 28, Lennoxville, were honored by their fellow members at the closing meeting, held in the Lennoxville Masonic Hall on June 15. The honored members, from the left above, are: Brother Harry Burt, Grand High Priest of

the Grand Encampment of Quebec; Brother Thornton Cleveland, District Deputy of District No. 5 and Grand Herald of the Grand Lodge of Quebec; Sister Margaret Wells, District Deputy, No. 6; Sister Mary Beattie, Warden, Rebekah Assembly of Quebec; Sister Peggy Howe, Musician, Rebekah Assembly

of Quebec. Absent was Brother Mel McHarg, Grand Patriarch of the Grand Encampment of Quebec. Special songs were sung in their honor, led by Mrs. Douglas Hadlock and accompanied by Mrs. G. Alexander at the piano. The program concluded with a sing-song and refreshments. (Record photo by Gordon Alexander)

W.I. members are entertained by president

NORTH HATLEY — The June meeting of the Hatley Center Women's Institute was held at the home of the president, Mrs. J. Johnston, with two guests, Mrs. Charles Guild and Mrs. A. English attending.

Articles for the Fair sales table were turned in.

For education, Mrs. R. McLellan reported on the poster contest held in the school. Mrs. Robert Little, convener of home economics, requested the members save tokens found in certain brands of tea. Mrs. L. Burnham, reporting for sunshine, told of cards sent to sick and shut-in friends, and that Mrs. W. Shaw, with Mrs. Grant LeBaron of the North Hatley

branch, visited a patient at his home.

Christmas stockings, filled by the members, were turned in and Mrs. Shaw will send them to Montreal.

Commitments were voted to the county and school fairs, and also the branch share of prizes in the poster contest.

The branch agreed to pay a seasonal fee to have the garbage collected from the picnic table and grounds it maintains on Route 5.

Mrs. Johnston gave a full report of the County annual meeting, held in May. The Hatley Centre branch will entertain the County quarterly meeting, Aug. 3, at the North Hatley Community Hall.

Mrs. Little had with her tickets to be sold on a what not donated to the branch by Mrs. Shaw.

The members will hold a silent food sale during the summer months, and turn in the

proceeds at the September, or October, meeting.

The mystery parcel, given by Mrs. L. Burnham was won by Mrs. Johnston. Members were pleased to welcome the branch's senior member, Mrs. Edith Woodward, who has been absent for several meetings, due to illness.

Following adjournment Mrs. Little conducted two contests, the first being a jelly roll contest, judged by Mrs. Guild with Mrs. Johnston the winner. The second was a memory test which Mrs. R. McVittie, Jr. won.

Tea was served by the hostess, who was assisted by Mrs. Guild and Mrs. McVittie.

Boundary Villages have beautification program

By IVY HATCH (Record Correspondent)

THE BOUNDARY — Through the efforts of some of our townspeople there are many lovely places which enhance the beauty of the Boundary Villages.

The Legion Park in Rock Island, Church Street, has been most beautiful ever since the snow left, with flowers blooming in the center garden, first the crocuses, then the daffodils and hyacinths and tulips. Now there are other flowers planted which will soon be in bloom throughout the summer.

This is the creative work of World War I veterans, E. J. Curtis, Harold Wormsley, Geo. Mann, World War II, Jack Heald and Douglas Putney, assisted by others who keep the grass mowed.

Then there is the triangle plot on the Border by the historic Haskell Building where the South of the Border Home Demonstration Club members have planted, and are caring for, summer blooming flowers.

Baxter Park Veterans Memorial is attractive with evergreen shrubs, and flower beds, this is the work of Edwin Earle and others who assist him.

Caswell's and Gilmore's stores in Derby Line have improved their appearance and that of the community by new fronts of brick and glass. Jack Berry has also enlarged his Gilmore's store by adding what was formerly a coffee shop.

But with all this beauty comes a note of sadness as three of the old and beautiful elm trees along Derby Line Main Street, had to be cut down this spring. Everything possible had been done to save them by the Village trustees and maintenance men but the Dutch elm disease had struck them. These trees at the base

were as much as 45 inches in diameter.

Again through the chairmanship of Mr. Earle, several maple trees have been planted throughout Derby Line streets and all seem to be growing well with plenty of fertilizer and the care they are receiving.

Soon the streets of Rock Island will be paved after the sewer installation and the river banks will be clean. Old buildings are now being taken down and the Boundary communities are taking on a new and beautiful look with paint, flowers and work by a group of community minded residents.

St. Paul's W.A. at Mansonville plans July sale

MANSONVILLE — St. Paul's W.A. met on June 15 at the home of Miss Marian Atwell for the final meeting before the summer recess.

Deviations were in charge of Mrs. Cedric Bailey and Miss Atwell.

It was decided to hold a sale of home sewing, fancy articles and home cooking on the Vale Perkins Wharf at 2:00 p.m., July 23. It is hoped that anyone having articles for this sale, will be kind enough to bring them in before that date.

MANSONVILLE

Mr. and Mrs. Eric Eldridge and daughter, Merriam, Freeport, Grand Bahamas, are spending a week with Mr. Eldridge's parents, Mr. and Mrs. D. G. Eldridge.

Mrs. R. H. Miller has taken up residence at her summer home, Edgewater Lodge, at Vale Perkins for the summer months.

Stanstead Guild planning supper

STANSTEAD — The last meeting of the season of Christ Church Guild was held on June 8 in the Parish hall.

After the usual reports were heard, the members made plans for the annual lawn supper of home cooked foods to be held on July 7, from five to seven o'clock on the Parish lawn.

Mrs. Wells and the members arranged for the various work committees and conveners for the food handicrafts and miscellaneous tables.

After adjournment, the hostesses, Mrs. Norman Chamberlain, Sr., and Mrs. Edward Hyatt, served refreshments.

The next meeting will be held in September.

Farewell party held at Border

DERBY LINE — Mrs. A. S. Judd, Jr., of Derby Line, was guest of honor at a farewell party held on June 8 at the home of Mrs. Roland Curtis who was assisted by Mrs. Alan Greer as hostesses. The party was attended by 20 friends former members of Stanstead South Church Canica Unit.

A buffet supper was served from a table attractive with a floral arrangement of mauve and white lilacs, flanked by pink candles in crystal. A social evening followed.

Mrs. Margaret Black, the former president when the Unit joined with the U.C.W. Circle Unit as one group, on behalf of the group presented Mrs. Judd with a hand-painted picture and extended good wishes to the family, who are leaving town to reside in Littleton, N.H. They will be much missed, she said, in the community and in the church where the family has been most active for many years. Mrs. Judd replied with words of appreciation.

Friends wishing to communicate with Mr. and Mrs. Ross Burbank, may address them at: 24 Henry Kendall Street, West Gosford, N. S. W., Australia.

Recent guests of Mr. and Mrs. Charles McClure and family were Mr. and Mrs. Charles McClure, Jr., and family, Bury.

COOKSHIRE

Mrs. R. B. Learned accompanied Mr. and Mrs. Malcolm Blue, Sawerville, and Mrs. J. A. Currier, Randboro, to Lime Ridge, where they spent Sunday with Mr. Ernest Gilbert and Mr. and Mrs. Douglas Gilbert.

Mrs. S. Standish, Sherbrooke, is a guest of Mr. and Mrs. A. W. Standish.

OBITUARIES

NATHANIEL BERGSTRAND, OF WATERVILLE

WATERVILLE — Nathaniel Bergstrand, a resident of Waterville for the past 57 years, died at his home on May 13, 1966. He had been in failing health for the past year.

Mr. Bergstrand was born in Lugnos, Sweden, in 1883 and at the age of one year moved with his parents to Halden, Norway. He lived there, working as a stone cutter until the age of 22, when he came to Canada. He worked in Waterville at the Gale bed factory, later returning to Norway, where he bought a small farm.

On May 2, 1908, in Norway, he married Aletta Iverson and together they came to Canada, where Mr. Bergstrand obtained work at the Beebe Granite Company. In 1917 he was employed by Thompson's monuments in Sherbrooke, where he spent many years. Later he operated a stone cutting business in Waterville, retiring several years ago.

Mr. Bergstrand served as councillor for 18 years in the township of Hatley.

Mr. Bergstrand is survived by his wife and eight children, Gudrun (Gertrude), Mrs. David Anderson; Solveig (Sylvia), Mrs. Eddie Bronson; Arntsen; Ruth, Mrs. Ted MacKinnon; Edith, Mrs. James Gardiner; Lily; Borgheld, Mrs. Arthur Smith; and Albert. He also leaves 25 grandchildren and 14 great-grandchildren.

The funeral was on May 16 from Johnston's Funeral Chapel in Lennoxville. Pastor Ramsay, of South Stukely, and Elder Milliner, of Oshawa, Ont., officiated.

The bearers were, Olof Knutson, Frank Knutson, Kenneth Price, Albert Scott and George Stevenson.

Interment was in North Hatley.

JOHN ELLIS MCKELVEY, OF CHERRY RIVER

CHERRY RIVER — The death of John Ellis McKelvey occurred on May 22, 1966, at his home here, following an illness of five months. He was 51 years of age.

Mr. McKelvey was born May 13, 1915, at Cherry River, son of the late Thomas Beattie McKelvey and his wife, the late Alice Copeland. He was educated at the Cherry River School and the Magog High School, and had spent all his life in this community.

The deceased had been employed by the Industrial Specialty Mfg. Co. Ltd., Magog. He was a member of St. Luke's Anglican Church, Magog, and a Past Master of Lake Magog Masonic Lodge, No. 55, A.F. and A.M.

Mr. McKelvey is survived by his wife, the former Edna Cameron, of Georgeville, three brothers, Donald, Fred and Erwin, and three sisters, Laura, Mrs. Roy Hunt, Dorothy, Mrs. Lawrence Buzzell, and Madge, Mrs. Gordon Catchpaw, all of Cherry River.

The funeral was held at 2:30 p.m. on May 24 at St. Paul's United Church, Magog. Rev. R. Nickle officiating. Bearers were Leo McKelvey, Michael McKelvey, Lyndon McKelvey, Neil McKelvey and Clinton Buzzell, all nephews and Winston Nutbrown.

Burial was in Cherry River Cemetery.

MRS. CHARLES FOX, OF STANSTEAD

STANSTEAD — Mrs. Charles Fox, a resident in the Stanstead area for almost all her life, died on Tuesday, May 24, at the Coaticook General Hospital.

The funeral was held from Cass Funeral Home, Stanstead, to the Sacred Heart Church for the Requiem Mass at ten o'clock on the following Thursday morning.

Father Pierre Comeau officiated. The bearers were three nephews, Velmore, Gerald and Wilfred LePitre, John Lavallee, E. J. Curtis and Douglas Mayhew. Interment took place in Crystal Lake Cemetery.

Mrs. Fox, the former, Gertrude LePitre, was the last in a family of twelve children born to George and Matilda (Huppe) LePitre. She was born May 11, 1885.

In 1905 she was married to Charles Fox, who predeceased her March 30, 1957.

Mrs. Fox spent her leisure hours making beautiful braided rugs and lovely quilts, many of these were given as gifts. Since 1964 Mrs. Fox had been in failing health and since then had been in and out of hospitals and with her daughters in Stanstead. She entered the hospital in Coaticook a few days prior to her death.

Mrs. Fox is survived by her three daughters, Thelma, Mrs. Seth Blake, Coaticook, Hazel, Mrs. Ernest Batchelor, and Aileen, Mrs. Donald Webb, both of Stanstead, seven grandchildren, three great-grandchildren and other relatives.

The funeral was attended by her family and by neighbours and friends from the Boundary areas.

RALPH ROBERT SHELDON, OF BEEBE

BEEBE — Ralph R. Sheldon died June 2 at the Sherbrooke Hospital, following an illness of three days. He was in his 81st year.

The funeral was held on June 6 at 2 p.m. at Wesley United Church, Rev. Ralph Rogers officiating. Miss Viola Moranville was at the organ.

Interment was in Woodside Cemetery, Beebe, beside his wife, who predeceased him on Oct. 26, 1958.

The bearers were four grandsons and two nephews, Robert, Allan and Bruce Sheldon, Horis Crawford, Arnold Warner and Ross Royea.

Mr. Sheldon was born at Fitch Bay on Nov. 3, 1885, a son of Uriah (Jack) Sheldon and his wife, Susan Hamilton Sheldon. He was one of a family of 13 children.

On Sept. 21, 1910 he married Lizzie Belle Royea, of Bolton Center.

As a young man he was employed by James Davidson, of Georgeville, as a carpenter. In 1920 he moved to Beebe, where he since resided. He was employed for 32 years by the Stanstead Granite Co., from which employment he retired 16 years ago.

Since the death of his wife in 1958, he has resided with his only daughter, Mrs. Charles Aulis, and Mr. Aulis.

Mr. Sheldon was a member of Elephants Lodge, I.O.O.F., at Georgeville until it disbanded, several years ago.

Left to mourn his loss are his children, Mrs. Charles Aulis, Eunice, Wendall and Roland, all of Beebe, and Cecil, Wilmington, Mass.; his sisters, Mrs. Lewis Dean, May, of Newport, Vt., Mrs. William Underhill, Veda, West Kennebunk, Me., Mrs. Thomas Bown, Hazel, Bury, and Mrs. Howard Phaneuf, Frances, Magog; brothers, Wallace Sheldon, Magog; Glen and Everette Sheldon, Fitch Bay; 15 grandchildren, eight great-grandchildren and other relatives.

DR. EDGAR GALARNEAU, OF WICKHAM

WICKHAM — The funeral of Dr. Edgar M. Galarneau, resident of Wickham, was held on May 25. Dr. Galarneau died on May 22 at his home following a long illness.

He is survived by three sisters, Bernadette Galarneau, Queenie Galarneau and Annette Galarneau. All are residents of Wickham.

Officiating at the service was Abby Albert Duman, cure of St. Cyrille, assisted by Abby Nerece Turcotte of Montreal and Abby Andre Monfette, cure of Ste. Jeanne d'Arc.

Dr. Galarneau was buried in the family plot in Wickham.

ALDERIC LAMOTHE, OF WEST SHEFFORD

WEST SHEFFORD — The death occurred at his home here on May 25, 1966, of Alderic Lamothe, a long time resident of this neighborhood, in his ninety-first year.

Born in St. Antoine-sur-Richelieu, on Feb. 28, 1876, Mr. Lamothe married Corona Dragon, who predeceased him. In 1918 he moved his family to West Shefford, and was a farmer and orchardist for many years before retiring to live in the village.

He was a parishioner of St. Francis Xavier Church in West Shefford and a member of the Third Order of St. Francis.

Mr. Lamothe is survived by nine children: Mrs. Ernest Sirard, Leona, West Shefford; Mrs. Josie I. Solas, Marie Anne, Miami; Armand, Cowansville; Armande, West Shefford; Mrs. Eugene Sirois, Gabrielle, Paul, both of Granby; Mrs. Yvan Gendron, Marie-Reine, Montreal; Joseph, and Laurent, Granby.

The funeral service was held in St. Francis Xavier Church on Saturday, May 28, where the Requiem Mass was sung by Rev. Leas Sirard, sss, grandson of the deceased, assisted by Rev. J. M. Benoit, parish priest, and Rev. Charles, sst. The Chorale Caron of St. Benoit, Granby, sang the new settings of the funeral service.

The bearers, all grandsons of the deceased were, Sylvio, Constant and Roger Sirard, and Donald Bergeron, Pierre and Claude Lamothe. The conductor of the funeral was Jacques Lamothe.

Many friends and relatives from Montreal, Granby, Waterloo and neighborhood attended the funeral. Among those present were: Mayor Jean-Marie Potvin, of West Shefford, and Mayor Germain Desourdy, of Bromont.

JOHN BOWLING, OF COWANSVILLE

COWANSVILLE — The death of John Bowling, aged 61, occurred April 27 in the B.M.P. Hospital, Sweetsburg.

Mr. Bowling was born in Leeds England, the son of William and P. Jane Naylor Bowling. He came to Canada in 1918. He married Hattie Dryden on Sept. 3, 1931.

Mr. Bowling was employed for over 20 years by Bruck Mills.

When World War II broke out he enlisted in the Royal Canadian Artillery in Sherbrooke in 1939. Sgt. Bowling served overseas from May 1940 to September 1945. He was awarded Canadian Efficiency Medal, Defence Medal, Canadian Volunteer Service Medal, Ribbon and Clasp. He formerly served with 2475th Battery from 1927 to 1949.

After discharge from overseas service, he rejoined local Royal Canadian Artillery and retired as Regimental Sergeant-Major in October 1954.

Mr. Bowling was a member of the executive of the Royal Canadian Legion Branch 99. He took an active part with great interest in all sports.

Besides his widow he leaves a son, Blair; a grandson, a sis-

ter, Mrs. Polly Jones; a brother, James, and other relatives in England.

NO ROOM FOR FATTIES — Tokyo's Shinjuku railway station handles about 2,000,000 passengers a day.

Announce New Healing Substance: Shrinks Piles

Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most important of all—results were so thorough that this improvement was maintained over a period of many months.

This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue.

Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores. Satisfaction or your money refunded.

Canada in 1890 but went with his parents to spend his early years in England, returning to Canada to settle in the Eastern Townships.

On July 8, 1920, he married Pansy Ord. After living in Bury for three years they took up residence in East Angus, where he worked for the Brompton Pulp and Paper Company for many years, then retired to a farm in Westbury.

Surviving him are his wife; his children, Clarence of Hull, Madeline, Mrs. N. Kingsley, of Sawayerville, Harold and Ger-ald, East Angus. A son Douglas predeceased him on Nov. 29, 1955. He also leaves 14 grandchildren; two brothers, Bernard, Scarborough, Ont.; and Ronald, Peterborough, Ont.; and many other relatives.

DUNHAM —

Friends were sorry to learn of the death of Mr. Richard Spencer, Montreal, formerly of Frelighsburg, who died suddenly, June 9, in his 69th year.

His brother-in-law and sister-in-law, Mr. and Mrs. Jim Symington, attended the funeral, held June 11, at Armstrong's Chapel in Montreal. Interment took place in Frelighsburg.

Miss Jean MacQueen, Victoria, B. C., was a weekend guest of Miss Violet Armstrong, and while here she and Miss Armstrong were dinner guests of Mrs. E. Smith in Granby.

For and about Women

Portrait's Centennial Rose - a regal pattern created in cut velvet, the tapestry like effect whispers of the tradition and Victorian splendor that makes a bride feel like a queen. The silhouette shapes slenderly along directive lines. The coat, a slender shaft, repeats Portrait's Centennial theme of antique fabrics in new silhouettes.

Bowen - Best vows exchanged

FRELIGHSBURG - The marriage of Carolyn Diana, daughter of Mr. and Mrs. William Best, Frelighsburg, Que., to Mr. Brian Ralph Bowen, son of Mrs. Ralph Bowen, of Pointe Aux Trembles, Que., and the late Mr. Bowen, took place recently at the Bishop Stewart Memorial Church, Frelighsburg, Rev. Richard Toase officiating.

The bride, given in marriage by her brother, Mr. Harold Best, wore a floor length A-line gown of peau de sole with lily-point sleeves and a fitted rayon lace bodice, the matching lace train was held in place with a large satin bow. Her veil was caught to a crown of pearl and mohair braid petals and she carried a bouquet of American Beauty roses and lily-of-the-valley.

Miss Debbie Lapointe, maid of honor, was in a waltz length gown of yellow peau de sole and carried a nosegay of white roses and lily-of-the-valley.

Women "At Home" at Expo '67

Women will have their own home at Expo 67. With the announcement of the natural gas companies of Canada that they will sponsor a hospitality pavilion for women, one of the main goals of the Women's Advisory Committee to Expo has been reached.

Trans Canada Pipe Lines, Consumer's Gas, Northern and Central Gas, and Union Gas called a press conference in Toronto to announce this Natural Gas Hospitality Pavilion. Mrs. Louise Stuart, co-ordinator of women's associations at Expo 67, was there, with Mrs. Lillian Birtz, president of the Women's Advisory Committee, and Mrs. Robert P. Wright, who is president of the Women's Committee for Ontario.

The Natural Gas Hospitality Pavilion will stand near the Cite du Havre (Mackay Pier) entrance to Expo. Not far from it will be other pavilions of much interest to women, the Art Gallery, Habitat 67, the Expo Theatre, and the Music Pavilion. In their own centre, women from different parts of the country can meet and entertain each other, and, it is hoped, enjoy the association of other women from all over the world. There will be special exhibits of interest to them, conferences, fashion shows.

The Natural Gas Hospitality Pavilion is designed with these activities in mind. There will be a public lounge for visitors, opening onto a terrace where food can be served. This public lounge can be divided to make room for private functions. There will also be a large auditorium for conferences of fashion shows. The Women's Advisory Committee to Expo 67 and its sub-committees will be provided with offices. There is a kitchen, which can be used by caterers when teas or dinners are planned.

In appearance the Natural Gas Hospitality Pavilion will be most exciting. At the entrance is the "Torch of Progress", a tall pylon flowering at the top in a blossom of flame. Around the four triangular sections of the pavilion will be a garden of dancing flames, illustrating the progress of natural gas. A large mural in the foyer will tell the story of natural gas, and in a hall beyond this, another exhibit will complete the picture.

Programs to take place in the pavilion are under discussion. Women coming to Expo 67 can be assured now of particular attention to themselves and their interests in the Natural Gas Hospitality pavilion.

The bridesmaids, Miss Stephanie Best, niece of the bride, and Miss Geraldine Mahannah, wore gowns of pale pink and pale blue chiffon over rayon tulle and carried nosegays of white roses and lily-of-the-valley. Little Judy Derick, great-niece of the bride, who was flower girl, wore a pale blue dress and carried a basket filled with white roses, lily-of-the-valley and fern.

Mr. Douglas Bowen was best man for his brother and the ushers were Messrs. Wayne and Kevin Bowen, brothers of the groom.

Mrs. Best, mother of the bride, chose a powder blue chantilly lace gown with white accessories and a corsage of pink Sweetheart roses.

Mrs. Bowen, mother of the groom, wore a blue lace gown and black accessories. Her corsage was of pink roses.

The reception was held in St. James Parish hall, Stanbridge East, Que., where the bride's table was centered with a three-tier wedding cake made and decorated by the bride's mother. After the bride and groom had made the first cut, Mrs. Mary Boomhower completed the cutting of the cake, which was passed to the guests by the bride and groom.

Mr. and Mrs. Bowen left on a short trip to the United States, the bride travelling in a pink suit. On their return they will reside in Ville La Salle, Que.

Out of town guests were from Montreal, Knowlton, Thorndale, Ont., Barre, Vt., Richford, Vt., Cowansville, Dunham, Chateauguay, West Brome, Boston, Mass., Frelighsburg, Bedford, Pigeon Hill and Stanbridge East.

BOUND FOR THE WEST INDIES - The Misses Antonia Von Vliet, of 4 Butternut Street, Toronto, Ont., and Martha Aldrich, of 274 Dufferin Street, Sherbrooke, P.Q., are shown on the deck of the Home Line's luxury liner, "S.S. Homerik" just before sailing from New York harbor bound for a two week vacation cruise to the sun filled ports of the West Indies.

Polly's pointers

DEAR POLLY - I want to tell Fannie that I have been making gelatin desserts for 30 years and have found that the easiest way to remove a large dessert or salad from the mold is to let hot water run in the sink, place serving plate over the mold and holding with both hands, plunge mold in hot water almost to the top and quickly invert on the serving plate.

To guarantee that the mold stays in its decorative design, I first pour a little salad oil into the mold, greasing it well. - JEANETTE

GIRLS - Lucille suggests that the serving plate be moistened with water so the mold will slide more easily into place if it comes out a bit off center.

MRS. Z. C. does as I do. She rinses the mold with cold water before pouring in the gelatin which has been allowed to cool. - POLLY

DEAR POLLY - I liked the lady's idea about dividing her child's toys and putting some of them away and then rotating every week or so, since my own toddler's toy chest was bulging and he threw everything out on the floor. After sterilizing the toys I placed them in suitcases so as to save needed closet space. I really do not know what we ladies would do without the helpful Pointers. - SHARON

"Pronounced Canadian Flair" as of January '67 fashions

MONTREAL - The Canadian woman is going to discover, come next year, that it's possible to be chic and, as the French put it, "dans l'event" (in the swing of things) with a "made-in-Canada" fashion wardrobe.

That's the objective of the International Ladies' Garment Workers' Union, which announced that the National Collection, showcase of ready-to-wear fashion in Canada, will acquire "a pronounced Canadian flair" as of next January.

What's more, if all goes according to plan, women from coast to coast are going to be able to see Union Label fashion award winners live on national television.

ILGWU Vice-President Bernard Shane said the comprehensive National Collection preview will be presented once a year in future instead of bi-annually. The presentation normally scheduled for this month has been cancelled.

"We believe the time has come to accentuate still further the Canadian aspect of ready-to-wear fashion," Mr. Shane said. "Instead of stressing the minute changes which occur seasonally, we're going to stress Canadian design and fabric - in a word, the Canadian look."

Jennifer Lindsay, coordinator of the presentation, said the new policy will mean that fashion writers attending the National Collection preview "can expect to see more styles with a pronounced Canadian flair, fashion designed by Canadians for the Canadian woman."

At the same time, in an effort to bring the best of Canadian fashion to the widest number of consumers, the ILGWU is laying plans for a gala fashion awards presentation to climax the National Collection show.

"We hope that the awards presentation can be carried on a coast-to-coast television hook-up," Mr. Shane said, adding that preliminary talks have already occurred with TV authorities.

Details of the awards gala are now being worked out, but preliminary plans call for a dinner to be attended by one or more prominent Canadian personalities - representatives of participating fashion houses across Canada as well as fashion writers from coast to coast.

"The National Collection now five years old," Mr. Shane said, "it has become an institution in Canada and we consider it appropriate that, as of our centennial year, the event should acquire a new dimension."

A GENERAL MOTORS VALUE

The Buick Special Deluxe Sedan

There are few cars that can offer the same pride-of-ownership that a Buick can. Prestige, luxury, comfort, performance; Buick has them all. It's no secret that Buick is a superlative automobile. Most everybody knows it. But we'd bet that most everybody *doesn't* realize that there's a Buick model around that's right in competition with lower-priced cars. Buick Special!

Buick Special possesses all the traditional Buick qualities... tuned ride and handling, tuned performance, tuned styling. But Buick Special is just a little smaller. And remarkably easy to own.

Buick Special is practically in a class by itself. For one thing it's the only car you'll find with a standard V6 engine that achieves that elusive combination of performance and economy.

Buick Special is available with a choice of three seating styles. Standard bench, notch-back bench (buckets with the armrest down, bench with the armrest up), and honest-to-goodness buckets. So pick your Special and furnish the interior like you would your living-room.

OK. Buick Special is a little great. It's a Buick and it has a lot going for it. It's a Buick and it's priced lower

than a lot of cars that can't come close to Buick for prestige value. So what else is new?

Deals. Right now you've got a better-than-ever chance of getting the price you want along with a pretty astounding allowance on your present car. We call this a Sensational Summer Saving. You'll call it the easiest (and smartest) way to go first class you've ever seen.

So hop in your trade-in and drive on down to your Buick dealer's. And remember, do up your seat belts before you start the engine. It's a good habit.

Buick. The tuned car.

Ascot Institute meets at Grace Christian Home

HUNTINGVILLE — The Ascot Women's Institute held its monthly meeting at the Grace Christian Home on June 16.

The treasurer, Mrs. Ashley Hatcher, reported a credit of \$281.67. Correspondence included acknowledgment of a donation to the dental fund at the Maplemount Home in Cookshire.

Mrs. Robertson and Mrs. Lorne Butler will attend the Provincial Convention at Macdonald College, their expenses to be paid by the branch.

Mrs. W. T. Pearson will represent this branch on a committee to make plans for the 60th anniversary of the Women's Institute in Sherbrooke County, in 1967.

Agriculture: Mrs. Donald McElrea gave the broadcast over the local radio station, her topic being School Days in My Time.

Citizenship: Mrs. W. T. Pearson stated that nuns will be using their own family names after the first of July and read a commentary by Pierre Burton on some distinguished Canadians. Members were asked to name prominent men or women known across Canada in the last century.

Social Work: Mrs. Wallace Wingate reported that the sick and shut-ins were remembered and a sunshine basket sent to a member in hospital. A government grant toward a centennial project was received and members are to bring suggestions to the next meeting.

Publicity: Mrs. John Campbell read an article on Historic Documents. Old W.L. minute books should be placed in the Provincial Archives for the purpose of preserving records of social and industrial progress through the years.

A motion to increase the amount of the school bursary was tabled until the July meeting. Members agreed to serve lunch at an anniversary in July.

The next meeting will be held July 21, when hand-made articles for the fair booth should be handed in.

After the meeting was adjourned, Mrs. A. Coates presided at the piano for a sing-song. A buffet lunch was served and a pleasant social hour was spent with the residents of the home.

Windsor Guild donates \$100 to church expenses

WINDSOR — St. George's Anglican Guild was held at the home of Mrs. Alice Robinson, June 14, with a good attendance. The meeting opened with prayers led by the president, Mrs. Francis Robinson.

The treasurer reported gratifying results at the rummage sale, held in May. It was agreed that during July and August members would raise talent money, which would be turned over in the fall. One hundred dollars was voted to the church wardens to help with the expenses of the church.

The Guild will be closed during July and August. The September meeting will be held Sept. 13 at the home of Mrs. Agnes Oakley.

A drawing on a table mat, made and donated by Miss Kathleen Wheeler, was won by Mrs. Irwin Robinson.

Refreshments were served by the hostess, assisted by Mrs. Edith McLeod and Mrs. Tom Sundberg.

BITES INTO THE PROFITS — Nancy Chadsey, 22, bites into a luscious strawberry at a farm near the Fraser Valley community of Chilliwack, B.C. Picking started this week and farmers anticipate an excellent crop this year. (CP Wirephoto)

O.E.S. Chapters consolidated at Cookshire

COOKSHIRE — A largely-attended meeting of Cookshire Chapter No. 46, Order of the Eastern Star, was held in the Masonic Chambers on June 18. Sister Mildred Whelock, W.G.M., and Brother Kenneth W. Musgrove, W.G.P., assisted by Grand Chapter officers, had the pleasant task of consolidating White Heather Chapter No. 23, O.E.S., with Cookshire Chapter.

A very impressive service was conducted. Officers of both Chapters were introduced and White Heather Chapter welcomed into Cookshire Chapter.

A number of the Grand Chapter officers spoke briefly, expressing their delight that the smaller Chapters were being consolidated into larger groups, where their work and combined efforts would be of greater value to the Order.

Previous to the meeting, a practice by the Grand Chapter officers was held in the afternoon, followed by a banquet in the lower hall. Refreshments were served in the lower hall after the consolidation service.

Members were also present from the following Chapter: Connaught No. 4, at Richmond; Queen Mary No. 5, Sherbrooke; St. Lambert No. 15, St. Lambert; Sherbrooke No. 22, Sherbrooke; Montreal No. 20, Montreal; Victoria No. 25, Quebec City; Victoria No. 34, Hemmingford; Owl's Head No. 35, Mansonville; Cascade No. 39, Shawinigan; Carleton No. 42, St. Johns; Golden Star No. 48, Stanstead; Maplewood No. 53, Chateaugay.

Baptists hold S.S. picnic at Little Brompton

The First Baptist Church annual Sunday School picnic was held on June 18, when over 60 boys and girls, parents and friends, gathered at Little Lake Brompton.

After an enjoyable swim period, the children divided into groups for game time. Mrs. E. Mills and Mrs. H. Leech supervised games for the pre-school and primary classes. The children in these two groups each received a prize.

Under the direction of R. Sutcliffe, assisted by N. Humphries, and J. Masson, boys and girls of the older classes competed in races and games. Winners included: Richard Bedard, Kerry Bouchard, Lana Sutcliffe, Jackie MacLeod, Lawrence Masson, David Bampton, Ruth Bedard, Lori Sutcliffe, Susan Leech, Alex Cook and Heather Cook.

During the family period a men's and women's rolling pin throw was held, winners being: Rev. and Mrs. J. Dozois, N. Humphries, and Mrs. J. Masson.

Pastor Dezois spoke briefly to the group and asked a blessing for the meal to follow. While the picnic lunch was being prepared the children enjoyed a clothespin hunt.

Afterwards a scavenger hunt was organized. The group, under the direction of Pastor Dozois, proved to be the most successful.

A bonfire and marshmallow roast followed, ending an enjoyable day of fun and fellowship.

Successful tea and sale held at Richmond

RICHMOND — St. Anne's Parish Hall was the scene of a successful tea and sale on June 16. Floral centrepieces on the tea tables and baskets of flowers in the windows provided the decorations. A good attendance of church members and friends made the afternoon both pleasant and remunerative.

Mrs. W. E. Walker and Miss Viola Noble received the guests and Mrs. Mabel Morrill and Mrs. A. Phipps poured tea. Replenishing the teapots was Miss Barbara Walker.

At the food table were Mrs. George Walker, Mrs. M. Lillegren, Miss M. Nixon, and Mrs. L. Gregory. Mrs. Inez Fallona acted as cashier.

Mrs. F. Nixon, Mrs. A. Abercrombie, Mrs. G. Taylor were in charge of a well laden fancy work table, and Miss E. Salway was cashier.

In a drawing for a hand-made quilt, Miss V. Noble's name was picked.

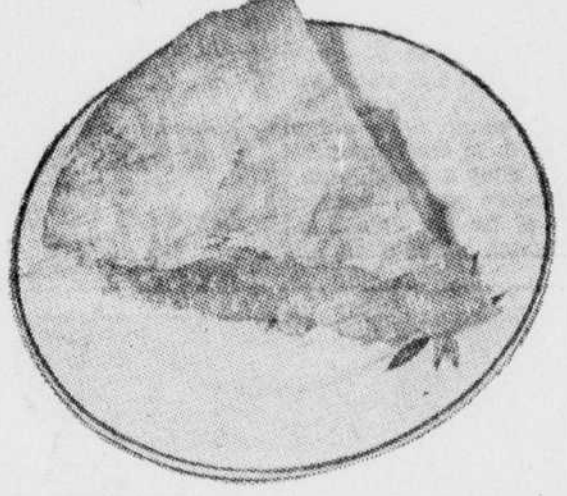

Mrs. W. E. Walker obtained the cake, sold by Chinese auction.

Mrs. F. Mallick and Miss H. Penfold had the table of surprise packages and homemade candy.

The kitchen was under the direction of Mrs. J. Cunningham, Mrs. J. E. Henderson, Mrs. G. Aulis and Mrs. Foster. Miss Inez Fallona acted as cashier for the tea tables, served by the following ladies: Mrs. J. H. Coles, Mrs. M. Alexander, Mrs. E. J. Newell, Mrs. H. Burrill, Mrs. L. Fox, Mrs. M. Griffith, Mrs. W. H. Coles, Mrs. R. Gray, Mrs. E. Knowles, Mrs. R. Dunn, Miss E. Bieher, Mrs. P. Cocks, Mrs. Olive, Mrs. L. F. Somerville.

School Board honors principal at Ayer's Cliff

AYER'S CLIFF — At the regular meeting of the School board Mr. Dolloff, principal of the High School, was honored when he was presented with an electric alarm clock.

Mr. Stanley Cooper, chairman of the local board, made the presentation, expressing appreciation of the members for Mr. Dolloff's untiring efforts to build up the standard of the school and for the extra activities, which he had instituted.

Mr. Dolloff thanked the members of the board for their expression of confidence and the gift. He also thanked them for the cooperation he had received.

Motor tour for Senior Citizens closes season

ROCK ISLAND — The community Senior Citizens group finished the season on June 9 with a motor trip. Leaving Stanstead South church hall where the monthly get togethers are held 10 months of the year, the members motored to Hatley, Compton, Lennoxville and Moulton Hill, where they stopped to see the home of Rev. and Mrs. Carl Gustafson, of St. John, formerly of Rock Island, and who started the Senior Citizens a few years ago. Then back to Lennoxville and home via Route 5.

Returning to the church hall all enjoyed the cookies made by Mrs. Lloyd Selby, ice cream and a refreshing cup of tea.

WINDSOR
Mrs. Viola Allen has been a recent visitor of her son - in-law and daughter, Louise, Mr. and Mrs. John Terrill, Carlton, Mass. While there she attended the Baccalaureate service and graduation of her granddaughter, Dorothy May Terrill.

George Knudson introduces an outstanding new line of woods and irons

Now, from the two leading authorities in Canadian golf comes an all new set of hand-crafted woods and irons. World-renowned golfer George Knudson has teamed with Spalding to introduce a perfectly balanced set of clubs that any enthusiastic golfer can afford to own. George Knudson woods are hand-sculptured from the finest imported persimmon. Each wood is perfectly matched for balance, feel and appearance. George Knudson irons are carefully synchronized to give the right center of gravity for each club — to get the ball up in the air fast. Each iron features Spalding's exclusive three-stage "Perma Finish" chrome plating for the streamlined action look. Take a practice swing for yourself at any authorized Spalding dealer. We know you'll be convinced.

* George Knudson clubs work better when you use the matching George Knudson ball.
