## Owner, Employee Escape

ORFORD LAKE—(Special)—The Manoir Orford Hotel, long a landmark in this district, was destroyed by fire early today. No one was injured in the blaze which caused an estimated \$100,000 damage. It was not known how it started. Only two people were in the building at the time, owner Claude (Red) Charest and another employee. Both escaped safely.

The fire broke out at 3 a.m. and six hours later firemen were still at the scene. They brought the flames under control about 6 a.m. after bringing in auxiliary pumps to boost the water supply.

Some 30 firemen were called out, including 10 from Magog fire department and 20 volunteers from Eastman.

The hotel, built before the Second World War, had been renovated several times since the war.

It was a year-round holiday resort on Lake Orford at the foot of Shony Mountain. It is six miles from Magog.

## Canadian Engineers For India

NEW DELHI—(AP)—Prime Minister Diefenbaker flew to Ceylon today, ending a six-day state visit to India.

He told reporters at the airport he is planning to send Canadian engineers to help India's development plans.

Prime Minister Nehru, cabinet ministers and foreign diplomats were at the airport to say farewell to the Canadian leader.

After Diefenbaker left, Nehru talked informally to reporters. Referring to front-page stories in Delhi's morning papers saying Diefenbaker had offered his good offices to settle the Kashmir dispute between India and Pakistan, Nehru said that during his talks with the Canadian leader, the word Kashmir wasn't mentioned.

Diefenbaker had refused comment except to say: "We discussed in general international affairs... and on the basis of these conversations I learned much." The newspaper speculation was based on discussions at a private luncheon Nehru gave Diefenbaker at his home Sunday.

## Cypriots Call Strike For Debate

NICOSIA—(Reuters)—Greek Cypriots were called out on an island-wide general strike today by the EOKA underground organization to mark the opening of the United Nations debate on Cyprus.

The strike call came on the heels of the resistance organization's announcement Saturday of a temporary truce in its 3½-year fight against British rule.

All Greek-Cypriot motor traffic was halted and the only vehicles moving through the Silent Greek quarters of the main towns were security forces patrols.

Greek flags hung from balconies and windows as small crowds gathered in churches to pray for the "success of our independence plea before the United Nations."

## Airline Grounded By Strike

CHICAGO (AP)—Strikes and threatened walkouts disrupted service on some airlines and curtailed auto production in parts of the United States today.

One major airline company, Trans World, was closed for the fourth day by a strike of 6,700 machinists. More than 12,000 other TWA workers around the world were made idle by the walkout, which grounded nearly all the company's 200 planes.

The federal mediation service sent one of its negotiators to Kansas City, TWA headquarters, to seek an agreement between the company and the International Association of Machinists.

Two other major air lines, Eastern and American, faced walkouts today and Tuesday. Eastern Airlines said the strike called by 600 flight engineers today shut down service throughout its system, including flights between Montreal and New York.

## PILOTS CALL STRIKE

A strike has been called against American Airlines at midnight Tuesday by the Air Line Pilots Association in a dispute involving pay, rules and working conditions. American operates a Toronto-New York service.

In the auto industry, Studebaker-Packard production workers at South Bend, Ind., rejected a company wage increase proposal tied to new car sales and voted to strike today. The walkout, approved by the United Auto Workers Local 5, would affect 7,000 employees.

The UAW also has strikes continuing against two big farm machinery firms, International Harvester and Caterpillar Tractor.

## Lake Tug Safe After Storm

OWEN SOUND, Ont. (AP)—The gale-smashed tug Helen M.B. was reported steaming to Cove Island today after being missing since Saturday.

P. H. Gould, head of the Wauwassee Navigation Company which owns the tug, said the tug was "out of danger" and had reported no damage.

## Cemetery Threatened

HEMER, West Germany (Reuters)—Officials of this town are trying to preserve a Russian war cemetery endangered by government plans to extend a troop training area, largely used by Canadian tanks, the West German news agency D.P.A. reported. The agency said 22,000 Russian soldiers who died in a prisoner-of-war camp are buried in the cemetery.

## School Bomb

NEW ORLEANS (AP)—A crude home-made bomb exploded in a parking lot beside a school board office building Sunday night. The device blew out panes but no one was hurt.

## Ottawa Brawl

### 5 Teeners Held For Murder

OTTAWA (CP)—Five teenagers have been charged with murder in the slaying of Robert O'Leary, stabbed through the heart in a gang fight early Sunday.

They were to appear today in police court.

O'Leary, who would have been 21 today—was left dead in an Ottawa gutter following the gang clash, sparked by a young girl's flippant comment in a restaurant argument earlier.

A blood-stained steak knife, eight inches long, was found nearby.

Six teen-agers were picked up near the scene after a policeman arrived and scared off the street fighters. Eleven others—including two juvenile girls—were rounded up at their homes. After about 17 hours of questioning, murder charges were laid against five of the 17 teen-agers.

### BROTHERS CHARGED

Charged are William Robert Post, 19, and his 16-year-old brother, James Montague Post; Henry Dupuis, 19; James McDermott, 17; and Thomas A. John Drain, 19. All are from average working-class families.

The fight scene on Somerset Street near Bronson Avenue in west-central Ottawa is only seven blocks from the spot a 17-year-old youth was kicked to death in a gang fight outside a LeBreton Street church in May last year.

O'Leary, born in Ottawa and the son of Mr. and Mrs. George O'Leary, was wearing a cast over his left wrist when he was stabbed. The wrist was broken in a neighborhood football game. Until that injury, he had been a laborer and truck driver for a construction firm.

### CALLED THEM "PUNKS"

Police gave this account of the events culminating in the fatal brawl:

O'Leary, another youth and two girls were in an Albert Street restaurant when they began to exchange remarks with another group of youths.

One of the girls with O'Leary referred to the rival group as "a bunch of punks."

A fight was threatening and the proprietor ordered one group to leave, allowing O'Leary's group to stay.

When the O'Leary party left later, the other group was waiting outside. But O'Leary and his friends jumped into a car and drove to a party in Eastview, at the other end of Ottawa, and returned shortly with reinforcements.

The two factions clashed outside a Somerset Street restaurant, less than half a mile from Bank Street, a main business artery.

When a policeman drove up in a patrol car the fighters fled. The patrolman found O'Leary lying face down in the gutter. An autopsy later showed a knife had severed an artery at the top of his heart. The youth had died almost instantly.

## S. J. Staniforth Lumber Executive

MONTREAL (AP)—Sydney Joseph Staniforth, 73, lumber industry executive who won the OBE for his contributions to Canada's effort in the Second World War, died in hospital Sunday.

Mr. Staniforth, a native of Arundel, Que., was named assistant timber controller for the wartime government in 1941 and later served as president of the crown-owned Veneer Log Company.

## Barrage Lifted

TAIPEI (AP)—Communist shore batteries lifted their fire today after pounding the Quemoy Islands with the heaviest barrage in nearly three weeks. Nationalist defence headquarters said the Reds unloaded 1,975 shells on Quemoy and the smaller islands Sunday.

## Elephant Rampage

KUANTAN, Malaysia (Reuters)—A herd of elephants, driven from the jungles by torrential rains, have invaded plantations, tearing up young rubber trees, smashing electric and telephone lines and destroying fences, game wardens report.

## De Gaulle Wins Solid Support

PARIS—(AP)—Premier Charles de Gaulle won another strong endorsement from the French people in first-round voting Sunday for the new National Assembly.

With many candidates trying to ride de Gaulle's coat-tails, outright foes of the premier made the poorest showing.

A strong swing to the right was accompanied by a Communist decline although the anti-Gaullist Communists were still the strongest single party. Jacques Duclos, a Communist leader, faced a stiff fight in the runoff next Sunday.

The de Gaulle tide swamped such non-Communist foes as former premiers Pierre Mendes-France, and Maurice Bourges-Maunoury. Both lost assembly seats on the first ballot.

### SOUSTELLE GROUP SCORES

A new Gaullist party, the Union for the New Republic headed by Information Minister Jacques Soustelle, scored the best individual success after the Communists.

This was the trend although only 41 of the 455 deputies from mainland France were elected Sunday by a majority vote over all opponents. The remainder will be chosen in runoffs next Sunday when a winner will need only a plurality.

The interior ministry gave this breakdown of the results: Communists, elected 1 deputy, 3,882,204 popular votes, 18.84 per cent of the vote.

UNR, 8 deputies, 3,603,958, 17.6 per cent.

Socialists, 2 deputies, 3,167,354 votes, 15.5 per cent.

Independents, mostly rightists, 15 deputies, 2,816,176 votes, 13.74 per cent.

The remaining votes were scattered among 14 other parties and groups.

### COMMUNIST DROP

The Communist percentage compared with 25.6 in the last general election of 1956, and the popular vote compared with their peak strength of 5,500,000 votes in 1946. They held 142 seats in the old assembly which had 544 deputies.

During the week rival candidates will be ganging up against the Communists to try to trim their support further in next Sunday's runoffs.

As an example, Duclos got some 8,000 votes less than the combined total of Socialist Henry

## Cabinet Hears Freight Appeal

OTTAWA (AP)—The cabinet assembled today for a 10 a.m. meeting to hear representations from eight provinces against a freight rate increase authorized by the board of transport commissioners.

All provinces except Ontario and Quebec are appealing the increase. They are asking the cabinet to rescind the 17-per-cent increase, due to become effective Dec. 1.

## \$2 A Pound Paid For Prize-Winning Beef

TORONTO (CP)—The biggest Royal Winter Fair on record ended Saturday with Germany and the United States taking a large share of international horse jumping honors and a 15-year-old Ontario farmer getting an unexpected \$2 a pound for his award-winning baby beef steer.

Thousands packed the horse and agricultural exhibitions at the eight-day fair, a mingling of top-hat sophistication around the horse ring and down-to-earth displays from 18,000 farm entries.

No attendance figures were available but officials indicated the fair attracted the largest crowds in its 30-year history.

William Steinkraus, leading rider in the U.S., rode Ksar d'Esprit to the individual international riding championship on the final day. He cleared 20 jumps to defeat 12 other riders representing Mexico, Cuba, West Germany, the U.S. and Canada.

Earlier, a three-man team from Germany easily captured the five-country team challenge Prix des Nations Trophy.

## GOOD AUGURY

Soustelle, who helped bring de Gaulle back to power last May, called the results "a good augury for the start of the Fifth Republic."

The party of Pierre Poujade, the bookseller who is opposed to taxes, almost disappeared. After winning 31 seats in the last assembly, it got less than one per cent of the popular vote this time. What the Poujadists lost, the Soustelle forces picked up.

The 67 deputies to be elected in Algeria next weekend also will lean strongly to the right. Pressures by the army and French settlers and the threats of the nationalist rebels prevented any large group of candidates coming forward to represent other views. Two-thirds of those elected must be Moslem.

## Mother, Two Children Die, Suicide Hint

QUEBEC (CP)—An autopsy is to be performed on the body of a young Quebec City mother in an attempt to determine whether she was responsible for her own death and the deaths of her two children in Saturday shootings.

Killed by bullets from a .32-calibre revolver were Mrs. Francoise Legare, 28, and her children, Denis, 6, and Richard, nine months. The shootings occurred shortly before 2 p.m. in the Legare apartment in the Upper-town district.

The children's father, Marc Legare, 32, was detained by police for questioning and released Sunday night. Assistant city police chief Aime Guillemette said he was satisfied Mr. Legare was not responsible for the deaths.

Assistant Chief Guillemette said there are strong suggestions Mrs. Legare shot the children then turned the gun on herself.

Mrs. Legare's brother, Paul, who was living with the family, told police he was awakened by a shot.

He said he found the children in a blood-splattered bedroom and his sister in the bathroom. It was believed Richard died immediately. Mrs. Legare and Denis were taken to l'Enfant Jesus Hospital. She died late Saturday and Denis, early Sunday.

## Tito Attacks Chinese For 'Anti-Marxism'

BELGRADE, Yugoslavia (Reuters)—President Tito today condemned Communist China for being "against political co-existence" and said the Peiping regime's newly formed communes had "nothing in common with Marxism."

It was the Yugoslav leader's first direct attack on the communist system, a drastic administrative reorganization in which millions of Chinese are being recruited for communal life in industry, agriculture and other forms of labor.

Tito told a cheering crowd of 10,000 persons in Slovenia he believed the current Soviet bloc campaign against Yugoslavia would "last a long time."

### OFTEN ATTACKED

Attacks against the Tito regime, often spearheaded by Communist China, criticize Yugoslavia's determination to take an independent "road to socialism" free from obligation to either the Kremlin or the West.

Tito said the leading role played by China in the bitter campaign launched against Yugoslavia "revisionism" was probably aimed at "some other."

Observers said this presumably referred to the Soviet Union itself.

Tito was speaking after opening a new 80-mile highway built by 54,000 youth volunteers in the first Communist "youth brigade" operation since 1952.

Tito compared the Soviet at-

## Pope John 77 Tuesday

VATICAN CITY (AP)—Pope John XXIII will be 77 Tuesday—and may have to be reminded it's his birthday, Vatican aides say.

He has been too busy in his first month as pontiff to make any personal plans for the day. He may, at the last minute, call in one or two friends for a quiet meal.

## No More Movies

NEW YORK (AP)—Princess Grace of Monaco says she has no intention of going back to the movies. She made the comment as she arrived here Sunday with her husband, Prince Rainier, for a month-long informal visit here and in Philadelphia.

## The Times Looks At Canada

LONDON (Reuters)—A lavishly illustrated 16-page supplement highlighting Canada's place in the continent, the Commonwealth and the world was published in The Times today.

In two lengthy editorials, the supplement examined the effect of the recent Commonwealth economic conference in Montreal and the impact of John Diefenbaker as prime minister.

The conference, "The Times" says, "was a greater success than had at first been expected."

On Diefenbaker, it declares: "He has embarked on a career that promises to rank him as one of the great Canadian prime ministers... the only political uncertainty at the moment is the extent of Mr. Diefenbaker's ambition. He shows every sign of seeking to become number one statesman in the Commonwealth..."

## Ghana, Guinea Join Forces

ACCRA, Ghana (Reuters)—Ghana and Guinea, "inspired by the example of the 13 American colonies," Sunday declared their agreement to "constitute our two states as the nucleus of a union of West African states."

In a second declaration, Ghana agreed, subject to parliamentary approval, to grant a loan of £10,000,000 (\$28,000,000) to newly independent Guinea.

Leaders of the two countries said they hope other states now under foreign rule will join the union.

Guinea, formerly a French colony, got its independence last September by voting against the new constitution proposed by Premier Charles de Gaulle.

### FORMERLY BRITISH

Ghana, formerly the British colony of the Gold Coast, gained its independence in March, 1957. The declaration said Ghana and Guinea had agreed as a first

We the prime ministers of Ghana and Guinea, on behalf of our respective national assemblies, have agreed to constitute our two states as the nucleus of a union of West African states."

# Show Business

**By BOB THOMAS**  
**HOLLYWOOD (AP)**—Producer Stanley Kramer has passed up Hollywood's big names to team an unknown with four top stars in *On the Beach*.  
 She is Donna Anderson, a pretty, 19-year-old dancer whose success story is an unusual one. On Jan. 1, she will fly to Australia to join Gregory Peck, Ava Gardner, Fred Astaire and Tony Perkins in Kramer's production of the Nevil Shute novel.  
 Kramer has faith in her. In fact his faith has extended for the four years in which he has kept her under personal contract.

**NOTICED AT DANCE SCHOOL**  
 Here's how it all happened:  
 Donna was a 15-year-old dance student at one of Hollywood's ballet schools. She took part in a recital to which Kramer and his wife were invited by choreographer Eugene Loring. It's re-

ported the producer was impressed with Donna.  
 "I think Mrs. Kramer was impressed," she corrected. At any rate, she was invited with her mother and grandmother to visit the studio, where Kramer advised dramatic lessons for Donna.  
 When it appeared that the family couldn't afford such expense, he decided to put the young girl under exclusive contract.

**INTENSIVE TRAINING**  
 It was the first time he had ever done so, though he sparked the careers of Kirk Douglas (Champion), Grace Kelly (High Noon) and Marlon Brando (The Men).  
 Then followed four years of intensive training, with dramatic coaches as well as dance teachers.  
 "The break came when I tested for a role in a TV show at Desilu studios," she said. "I didn't get the part, but Mr. Kramer saw the test and I guess he liked it."  
 Hollywood may have a new star in this brown-haired beauty.

### At Graduates' Meeting

### Progress Of McGill Recounted

The St. Francis Valley district Branch of the McGill Graduates Society was told Saturday night that the years in which McGill University made the most progress were between 1918 and 1939, when it became internationally known as a research center.

The statement was made by Dr. D. L. Thomson, dean of the Faculty of Graduate Studies and Research of the University and member of the consulting staff of the Royal Victoria Hospital and Montreal General Hospital. He addressed the graduates at their yearly dinner meeting held at the New Sherbrooke Hotel Saturday evening.

"McGill University, before the year 1918, was known as a teaching center but became internationally known as a research center during the periods between

the two world wars."

"This striking change as a research center may be attributed to Dean Charles Martin, head of the medical faculty of the University who brought in hospital doctors with world reputations to teach the students" he said.

"Dean Martin was the leader in building up the research tradition" added the speaker. "The only way a university can advance in research is by having a teaching faculty which is constantly interested in world progress."

He added that "in the years before the war, many scholars well versed in their own branch of studies belonged to the university, but they were not sufficiently creative."

"Today" he said "the virus of research is very widely spread throughout the university."

Dr. Thomson said that "in 1926 the first Ph.D. degree was conferred and since that time, about 100 students per year receive this degree."

"This new research" he added "called for a vast increase in the teaching staff, which led to the need for greater financial resources."

"These needs" he added, "forced us to raise our tuition fees considerably, compared to that of other universities in other provinces who receive federal grants."

Dr. Thomson added "this increase in fees did not reduce our enrollment, and as a matter of fact, more students are attending the university this year."

He added "that the university

### Highway, Hunting Mishaps

Two people died and 13 others suffered injuries in hunting and traffic accidents over the weekend, throughout the district, police reports showed today.

Dead are: Charles Williams, 48, of Coaticook, in a hunting accident near Notre Dame des Bois;

Mrs. Bernadin Prince, 258 Morin Blvd., Asbestos, in a car crash late Sunday afternoon, on the Brompton Lake - St. Francis road.

Williams died yesterday evening some four hours after he was struck in the chest by a bullet while hunting with Earl Gallup, of Bulwer. According to police reports, the accident occurred when Gallup shot at something moving in the bush, striking Williams in the chest. A coroner's inquest will be held in the near future.

Mrs. Prince died about 9:30 last night in the St. Vincent de Paul Hospital in Sherbrooke following the accident at about 4:30 the same afternoon.

Also injured in the accident were: Mr. Prince, the driver and his two daughters, Lise, 21 and Suzanne, 20; and H. L. Quirion, 47, of Sherbrooke.

Quirion was the driver of the other car involved in the two-car smash. His condition is believed to be more serious than the remaining members of the Prince family.

A young Magog man is in serious condition in the Hotel Dieu in Sherbrooke today following a hunting accident near Magog Saturday morning. Marcel Rivard, 18, was wounded by a rifle bullet, accidentally discharged by a hunting companion, J. G. Lavergne.

The bullet went through Rivard's right shoulder and pierced the roof of the car in which they were sitting.

Two Magog residents, Mrs. Rosaire Pare and her three-and-a-half year-old daughter, Christianne, were taken to La Providence hospital in Magog last night after their car went out of control and crashed on the Mogog-St. Catherine road.

Police blame the accident on the slippery condition of the road. They were not seriously injured.

Two people were injured in an accident early Saturday morning in Asbestos when their car collided with a power pole after slipping off the road. Seriously injured was Charles Rondeau, of Asbestos, taken to the St. Vincent de Paul Hospital in Sherbrooke for further treatment for multiple lacerations.

Suffering minor injuries in the same accident was Fernand Carignan, also of Asbestos. After receiving treatment at the C.J.M. Clinic, Carignan was able to return home.

Another accident, late Sunday evening, also blamed on slippery roads caused a three car collision in Asbestos, but none of the riders in the vehicles suffered any injuries.

The accident occurred at about 9:30 p.m. Sunday, at the intersection of Belvedere and East Manville streets. Damages to the three cars were considerable.

### Solution To Textile Problem Is Sought

#### Seventh Break-In Over 15 Months

Friday night was the seventh time in 15 months that the T. Henry Healy farm equipment and chain store was broken into and robbed.

This time, three chain saws valued at \$675 were the objects of the bold thieves who turned on all the lights to facilitate their work.

The store, which is located about two and a half miles out of Sherbrooke on the Bromptonville road was broken into between the hours of 6:30 p.m. to 7 a.m.

According to the owner, Henry Healy, a total of 25 chain saws valued at \$5,625, have been stolen in seven break ins since August 1957.

"When I arrived at 7 a.m. Saturday" said the owner, "the plate glass window in the front of the store was smashed and all the lights were on."

"Without a second guess" added Mr. Healy, "I knew what had happened."

He added "I think that it is the same bunch as before, because they take nothing else but chain saws. The three they stole Friday, brought the total to 25."

The robberies occurred in an area which does not come under any city jurisdiction, and is being looked into by Sherbrooke provincial police.

Sherbrooke municipal police and Bromptonville police have been notified in case any of the saws turn up in these cities.

### Maurice Allard Honored

A solution to the textile problem is being sought, Maurice Allard, M. P. for Sherbrooke, told guests at a testimonial dinner in his honor at the Social Club Saturday evening.

Speaking of national problems, Mr. Allard outlined the work of the federal government in developing social and economic measures. He referred particularly to the problems of the textile industry in the Eastern Townships which he said was being studied by federal members from the area.

Turning to his recent stay at the United Nations where he was a parliamentary observer, Mr. Allard recalled that he had advocated the co-ordination of production among member countries to avoid harmful competition in such industries as textiles.

Head table guests were: Guy Crepeau, organizer of the Conservative party in the Eastern Townships; Roland Dugre, Q. C. and crown prosecutor; Laurent Dubois, deputy for Richmond-Wolfe; Hon. J. S. Bourque, provincial finance minister; Claude Badeau, master of ceremonies; Maurice Allard and Mrs. Allard; mother of the deputy, Mrs. Allard; L. P. Pigeon, M. P. for Joliette; M. P. team L'Assomption; Rene Letourneau, M. P. for Stanstead.

### Labor Federation Agrees It Must Bring Pressure On Quebec Government

labor's interests at heart came in a resolution permitting the federation executive to negotiate with "progressive" Quebec political elements to "give effect to the Winnipeg resolution at the provincial level." The CLC, at its Winnipeg convention in May, adopted a resolution providing for creation of a workers - farmers party.

The delegates also agreed to canvass QFL affiliates for information on what products their companies make. It is to be put into a directory and rank-and-file members will be urged to buy union and boycott non-union products.

The group's attitude towards the Union Nationale government of Premier Duplessis was set out in the officers' report. It said there is "hostility" towards briefs the federation presents. Four had been presented during the year and no action had resulted.

# Labatt Earnings Down For Year After Shutdown

LONDON, Ont. — (Special) — Net earnings of John Labatt Limited for the year ending Sept. 30, 1958 are shown at \$1.77 per share in the Company's 130th Annual Report, compared with \$2.08 for the preceding year.

President J. H. Moore states that the seven-week industry shutdown in Ontario during the high-volume months of August and September as a result of a strike of Brewers' Warehousing Company employees, had an adverse effect on the profits of the company. The loss is estimated at 67 cents a share.

The Company's working capital decreased from \$9,446,632 to \$5,950,219. This is due, Mr. Moore said, to the purchase of Lucky Lager Breweries Ltd., in British Columbia, which was financed mainly from company funds. Acquisition of Lucky Lager also gives Labatt's substantial interest in Lucky Lager Brewing Company in California.

# B of M Hits New Peak In Resources

MONTREAL — (Special) — Record levels were reached by the Bank of Montreal in resources and deposits for its 1958 fiscal year, the bank reported in its 141st annual report, issued today.

At the financial year-end, on October 31, resources reached the 3 1/2 billion mark for the first time in its history, increasing \$411 million over a year ago, to bring the 1958 total to \$3,227 million.

A new high was also shown in deposits, with a \$405 million increase over 1957, bringing the total to \$3,038 million.

There was little change in the B of M's total loan figure, reflecting Canada's recession picture of the past year. This year's \$1,417 million total compares with a figure of \$1,438 million in 1957.

PROFITS RISE

A net profit of \$10,356,690 is shown by the statement, an increase of \$705,998 over 1957. Total earnings—before income taxes—are \$22,889,690. Provision for taxes is \$12,533,000—\$3,342,000 more than last year's figure of \$9,191,000.

Payments to shareholders totaled \$8,904,564—or \$3,628,436 less than the bank's income tax payments—leaving a balance of earnings for the year of \$1,452,126 on operations of more than 750 B of M offices in Canada and abroad.

This amount, added to 1957 undivided profits of \$2,113,834, permitted a transfer of \$2 million to the bank's reserve account. This left undivided profits at \$1,565,960 at October 31. The B of M rest or reserve account now stands at a new high level of \$120 million.

## Farm Forum Activities

### COATICOOK VALLEY

The Coaticook Valley Farm Forum held its second meeting of the season at the home of Mr. Will Bishop and Miss Hazel Bishop.

After listening to the broadcast on Conservation Or Else, an interesting discussion took place with the following conclusion.

1. Most of our Forum members are retired farmers. One of our members is practising Woodlot Conservation; another member would like to carry on a soil conservation program but lacks the funds to do so.

2. This Forum would be willing to have a soil conservation program.

3. The governments should make money available for such a program on a long-term financing plan, and the O.P.A. should be responsible for initiating it.

The meeting was chaired by Mr. Fred Green and the secretary, Mrs. Stanley Drew, read the minutes.

A social hour followed with refreshments being served by the hostess.

### IVES HILL AND DRAPER'S CORNER

Members gathered at R. H. Draper's for their second Forum meeting. Owing to the secretary's absence through illness, George Clark acted as secretary with Robert Nichols, chairman.

Three groups discussed conservation with contour ploughing and open drains being advisable on some land. Favorable comments were made on conservation programs being prepared for local farms, if drawn up by reliable persons with government help where really needed; the farmer to carry out the suggestions where extra costs were not involved.

The family who recently purchased the Allison farm were welcomed as members.

Lee Pomeroy gave an outline of the Milk Producers meeting at Ottawa; and mentioned all Forums were asked to meet at Birchton Hall for Fourth night on November 24.

After the usual business, cards were played prior to a lunch served by Mrs. Draper.

### STANBRIDGE RIDGE

Mr. and Mrs. George Hayes entertained the Stanbridge Ridge Farm Forum. Following the broadcast a discussion period was led by the chairman. Minutes of the previous meeting and Greenleaf, also the findings were read by the secretary, Mr. Gerald Corey.

Tentative plans were made to hold a dance and box party in the parochial Hall, Stanbridge East, on 4th night, November 27, and to extend invitations to other Forums and friends to attend.

Mr. and Mrs. Eric Corey will entertain the December 1st, meeting at their home near Frelighsburg.

Cards and refreshments ended an enjoyable evening.

### IVES HILL AND DRAPER'S CORNER

The Forum met at the Taylor home with George Clark as chairman. Regret was expressed that the official secretary was still unable to attend. Cost of lime to farmers was discussed.

## Stanbridge Hunting, Fishing Assoc. Reports District Rivers Restocked

STANBRIDGE RIDGE. — The monthly meeting of the Stanbridge Hunting and Fishing Association was held in the new clubhouse here, Elliott Cockerline presiding.

The financial statement for October showed expenses were \$372.12 and revenue \$355.50, leaving the bank balance at \$715.14.

George Tremblay, R. Robinson and the president reported on their visit to the Baldwin's Mills fish hatchery. Following Dr. R. Seguin's suggestion, it was decided to put brown trout fry and fingerlings in the tributaries of Pike River instead of the river proper, as had been done in the past.

Through the efforts of the club, the Provincial Department of

Fish and Game placed 2,000 brown trout fingerlings in Pike River above Stanbridge East and 1,000 in the Yamaska River near Cowansville. This brings the number of brown trout restocked in this area to about 100,000.

The increase in the number of trout caught recently in the upper Pike River and its branches must be attributed to this stocking. The appearance of brown trout and brook trout is so similar that most anglers are not aware that they have been catching the brown species instead of the native brookies.

The nominating committee presented its recommendations for 1959 officers and elections will be held at the regular meeting on Dec. 11. George Tremblay and W. R. Paul were chosen delegates to the convention of the Quebec Federation of Hunters and Anglers, to be held at St. Jerome on Nov. 28 and 29.

The annual indoor range fee was reduced for seniors, ladies and junior members and fees paid now will be effective until Dec. 31, 1959.

George Boucher of Bedford, and Bob Roy of Cowansville, are tied for the Selby trap trophy, with scores of 64 out of a possible 75. The tie will be shot off Nov. 28 and 29.

The Doctor Says

### CHILD'S BED-WETTING USUALLY HAS AN EMOTIONAL CAUSE

Anything as common as bed-wetting — technically known as enuresis — can certainly not be considered a disease. I probably receive more inquiries on this subject than any other, principally from parents of boys from about six to 12 years old.

Enuresis is said to involve about 16 out of every 100 boys between the ages of three and 15. In a sample of 1,000 men drafted for military service in the last war, it was found that 16 per cent had continued to wet the bed after the age of five, and two and one-half in each 100 had this difficulty up to and beyond the draft age.

Frequent bed-wetting is a terrible nuisance and indeed an expense. However, everyone should realize that it is not intentional and, in fact, causes a great deal of mental distress and embarrassment to the person involved.

Most children acquire bladder control, even at night, by or before the age of three and a half or five. But those who do not become increasingly miserable and sometimes are subjected to spanking or other "treatments" which are likely to do more harm than good. What happens most often is that bladder control is obtained for several years and then for no apparent reason enuresis sets in.

The view of most of those who have studied this subject is that bed-wetting is usually a reflection of insecurity or emotional distress on the part of the youngster. A physical cause is found only in a small proportion.

Parents would do well to recognize this view and surround their enuretic youngster with affection, study the circumstances leading to emotional instability, and avoid showing any resentment for what he cannot help.

There are several measures to aid the youngster which can be tried. Some have been helped by reducing the fluids drunk after three or four o'clock in the afternoon and waking the child at definite periods during the night. The latter, of course, involves an alarm clock and is a little tough on the parents.

Perhaps the most recent suggestion is a mechanical device designed to develop a new habit pattern in the bed-wetting youngster. This involves putting him to sleep on a special bed pad which is sensitive to moisture and which rings an electric alarm at the first sign of dampness.

The child must be thoroughly roused after the alarm rings, must empty the bladder and then be put to bed again with a dry pad and a reset alarm.

This method has apparently brought some good results where other means have failed. It requires a good deal of attention by the parents.

Children do not all acquire bladder control at exactly the same age. Therefore it is a mistake to worry about a child of four who still wets the bed merely because a brother or sister or a neighbor's child achieved control at the age of three.

## Guild Efforts Rewarded

### Cafeteria Draws Record Crowd

In a Christmas atmosphere of tinsel brightness, the cafeteria in St. Peter's Memorial Hall, sponsored by St. Faith's Guild, drew one of the biggest crowds yet to the annual day-long event Thursday.

From the two large decorated Christmas trees lighting either side of the stage to the baskets of pine boughs and sprays of the same boughs trimmed with assorted gay baubles on the windows, it was a veritable holiday setting. Miniature spruce trees adorned the sales tables which spread along one side of the hall and small replicas, trimmed with cotton snow and berries and topped with a tempting candy sucker, centred each of the tea tables. Mrs. A. A. Munster and Mrs. F. Clark were responsible for the decorations.

Mrs. E. E. Goodenough, welcomed the guests who started filling in well before noon to enjoy the appetizing array of home-cooked food arranged in cafeteria style. Convener of the event was Mrs. W. H. Hunter, who was assisted by Mrs. C. S. Ives, Mrs. H. Edney and Mrs. K. W. Shephard as solicitors.

Mrs. George Chapman and Mrs. Reid Moe acted as cashiers.

Mrs. A. A. Munster was in charge of the servers, easily distinguishable in their dainty red aprons. They included: Mrs. Roy Wiggitt, Miss M. Giroux, Mrs. E. Peabody, Mrs. A. W. Kerridge, Mrs. T. J. Quintin, Mrs. F. Lennox Wilson, Mrs. F. Clark, Miss D. Giroux, Mrs. W. K. Laflamme, Mrs. T. Southwood, Mrs. C. Lamb, Mrs. E. Taylor, Mrs. R. Davies, Mrs.

C. Bishop, Mrs. A. Hamilton, Mrs. E. Grigsby, Miss Carole Grigsby and Miss Joyce Grigsby.

Mrs. J. Corfield and Mrs. H. Pettis convened the table of home-cooked food, while the other sales tables were supervised as follows: Aprons, Miss G. Fox and Mrs. Guy Bishop; Christmas stockings, candles, decorations and smocked dresses, Miss Luvia Wooten; outfitted dolls, Mrs. A. L. Spafford; novelties, Mrs. C. J. Timleck; knitted articles, Mrs. F. Milne, Mrs. W. G. Green and Mrs. George Parsons; Christmas cards, gourds and fire logs, Mrs. Guy Bryant, Mrs. H. S. C. Moffatt and Mrs. C. K. Bartlett. A table of miscellaneous articles were convended by Mrs. R. D. Rice, Mrs. D. Green, Mrs. K. Strew, Mrs. L. Peterka and Mrs. R. Miess.

Salads were prepared by Mrs. E. M. Wiggitt, Mrs. Guy Marston, Mrs. W. W. Carvell and Mrs. B. Bishop while the meat carving was undertaken by Mr. C. S. Ives and Mr. George Chapman.

Kitchen duties were performed by Mrs. F. W. Jackson, Mrs. C. Williams, Miss A. Ross, Mrs. I. Colebeck and Miss G. Parrook. Mrs. Russell Bartlett, Jr., and Mrs. F. J. Edwards were in charge of the cloakroom.

## Social and Personal

Mr. Angus Parsons of Don Mills, Ont., was a recent guest of his parents, Mr. and Mrs. A. R. Parsons, Belvidere St., Lennoxville.

Mrs. John Evans, Jr., was the delighted guest of honor at a surprise pink and blue shower held recently at the home of Mrs. George Wray, Belvidere St., Lennoxville. The hostesses were Mrs. Bruce Rothney, Mrs. M. Roarke, Mrs. M. Kelso and Mrs. C. Nugent.

After the gifts, arranged in a daintily trimmed basket, had been opened and admired, the guests played cards at four tables, winners being Mrs. W. P. Anche, Mrs. Douglas Patrick, Mrs. K. Nugent and Mrs. H. Evans. Refreshments were served by the hostesses.

Pourers for the Christmas tea being sponsored by St. Andrew's Ladies' Aid on Wednesday, November 26, from 3 to 6:30 p.m., will be Mrs. Gilbert Douglas and Mrs. A. Gunning.

Mrs. C. Bryugom, president of the Past Noble Grands' Club of Princess Rebekah Lodge, received members of the Lennoxville Past Noble Grands' Club of Myrtle Lodge No. 26, at a social evening held recently in the Oddfellows' Hall.

Bridge was played at three tables, prize winners being Mrs. A. Bown, Mrs. W. M. McHarg and Mrs. W. H. Stafford with the floating prize going to Mrs. W. M. McHarg.

Pink and green streamers and toning tapers in silver holders decorated the attractively appointed tea table.

## Beauty Tips

Stockings that wrinkle at the calf and around the ankles detract from a well-groomed look. And they do little to make your legs more attractive. Perhaps the size isn't correct. Also, stockings will cling to your legs for a good fit if sudsed after the previous wearing.

Try a hot bath when home problems are troubling you or you have worked especially hard.

## Bright, Practical and Not Too Expensive

### Santa Has Big Bagful Of Gifts For The Kitcheneer

BY KAY SHERWOOD

Christmas gifts for good little homemakers are likely to accent the pleasant aspects of life in the kitchen, where most of their time is spent.

Today's accessories for the kitchen are bright, practical, often amusing, and frequently inexpensive. The high quality of design of many new items promises fresh and useful beauty in this most important room.

Plentiful clues as to what will be most appreciated by mother-in-law, grandmother, sister or dear friend are given by a thoughtful look or two at their kitchen next time you drop in for coffee.

Put down the tentative ideas before you shop. Look slowly, test anything that must open or close easily, consider whether she'll have to store it out of sight or whether she can leave it in view.

**THE LIST** of possibilities is long, but home supplies may be short, particularly of items you favor. In a long established household, kitchen linens may be getting pretty frayed, approaching plain, sugar-sack-type dish towels.

A gift of beauty and value here might be a new towel or two in one of the enchanting new designs.

Such fashion designers as Vera have recently joined the roster of famous designers bending their talents to making wiping dishes a colorful experience.

Even a modern kitchen may not boast a built-in breadboard, necessitating an awkward storage of one in a drawer. A well-

Practical, not-too-costly gifts for the kitchen-loving homemaker are pictured, above. Among them: stainless steel canister set, dish towels, imported bread-cheeseboard, cruet, casserole, bowls, plastic drink-mixer and stainless steel scoops.

come gift might be one of the new boards, handsome enough to repose on the counter all the time.

A combination bread- and cheeseboard, round and made of oiled teak, for example, is imported from Denmark.

Where the counter space is limited and staples are stored in various cupboards around the kitchen, handsome, space-conserving canisters as a gift could well earn you the title of "most thought gift-giver."

There are bin-types; four tip-out bins housed in a flat, rectangular box or plastic, pull-out bins in a cabinet which could be hung on a wall.

Gleaming stainless steel canisters, designed by Michael Lax, are flat-sided for compact stor-

age and flat-topped for stacking. These have black handles labeled with the traditional sugar-coffee-tea-flour markings or you can buy them in plain black with stick-on labels for other types of staples.

Stainless steel measuring scoops, shining like Christmas ornaments, or similar ones of copper are handsome and useful for dozens of measurements.

A family-size casserole of the oven-to-table variety might be

just the thing for the homemaker whose children are graduating from highchair to family dinner table.

There are many to choose from, but pick a pretty color. If it's of the enameled metal type, be sure that the enameling evenly coats the metal.

Some of the most whimsical accessories to grace the kitchen are the smaller items, such as salt and pepper shakers, oil and vinegar cruets.

A grey pair can spark a kitchen table, but check to be sure tops are easily removed and that bases are steady. Cruets don't have to be used for oil and vinegar.

They can be used for prepared salad dressings, or liquid sweeteners and syrups.

### QUAKER FINDER

## MANNERS MAKE FRIENDS

When you sit down at the dinner table and pick up your napkin, unfold it on your lap. Don't unfold it above table level, or flip it out like a laundry getting ready to hang something on the clothes line. And when you have finished with your napkin at the end of the meal, leave it crumpled beside your plate.

Don't fold it neatly—as though it were going to be used again.

### SPRINGHILL, WE SYMPATHIZE

At Springhill, Nova Scotia, in October, 'Fifty-Eight, A coalmine "bump" terrific Sent many to their fate.

And all who felt that impact Knew something was amiss, Investigations proved them right . . . The story ran like this:

While all was calm content, and peace, On October twenty-third, An explosion loud did fear release By hundreds it was heard.

Seemed Cumberland coal-mine number two At six-past eight that night, Grave scenes of death and pain passed through With Springhill plunged in fright.

An underground upheaval claimed The lives of seventy-four; With one hundred rescued, . . . many maimed, Their plight we much deplore.

Yes! well nigh two hundred miners Of undetermined ages, Husbands, fathers, brothers there Were trapped like rats in cages.

None knew just what the score may be Would any be alive? A great and human tragedy Could one man there survive?

O'er thirteen thousand feet below The surface some were caught; . . . May rescue-workers be in time Oh God, forbid it not.

For hours, days, brave rescue-crews Toiled hard and steadily, To men release, and spread the news Yet others may get free.

At pit-head many waited long For their loved ones release Not knowing while their hopes were strong Some souls were then at peace.

Ah! when has such stamina, daring, Been surpassed in an effort to live? . . . The interests of each we'll be sharing When to "Springhill Relief Fund" we give.

Just when have such pleas gone unheeded By kind Christian folks of our land? 'Tis a help for those stricken, much needed, We'll respond, for we know how they stand.

Our contributions small or great Are sent with right good-will, And trust our help may not be late Some needy void to fill.

While the bodies of dead luckless miners Take their rest beneath the green sod, May their infinite souls now in glory Find peace, and contentment with God.

Saint John, N.B.

## Frankie Reid Tallies Winner As Locals Move Into Sole Possession Of Top Spot After Hard-Fought Tilt

VICTORIAVILLE — Frankie Reid getting assists on the set-up. It was the only goal of the frame although both teams had good chances through penalties. The Canadiens drew four penalties to one for the Beavers.

In the middle session playing-coach Dube extended the lead to 2-0 when he teamed up with his line-mates, St. Cyr and J. L. Reid, just after the opening faceoff. In the latter stage of the frame the Canadiens rallied and evened the count when Pleau and Trotter registered goals.

The third period Jean-Luc Reid was serving a minor penalty with Pleau and when he jumped onto the ice he was tagged with another for leaving the cooler. After a few minutes the same two went at it again and both got the thumb and it was during this

time that Frankie Reid tallied what proved to be the winning marker.

In the final period J. Lambert of Victoriaville got thumbed for using abusive language to the referee with a ten-minute misconduct. He kept up his chatter and later with a ten-minute misconduct and will be suspended by the league ruling for the next game.

## Claude Bergeron-Emile Beauchesne Star In Wide-Open Duel; Digging Braves Rally To Earn Stalemate

RICHMOND — Claude Bergeron and Emile Beauchesne came up with outstanding performances for their respective teams, Asbestos and Richmond, here Sunday afternoon as the clubs battled to a 2-2 overtime verdict in the official home opening of the Braves before 1,002 fans.

The tilt was a fast wide-open duel the whole way with both clubs going all out for the full sixty minutes of regulation time and the 10-minute overtime period, Edgar Gendron and J. Banville tallied Richmond's goals while Richard Champagne and Bob Hayes were the marksmen for the Meteors.

Playing coach Gerry Plamondon was the first to test Claude Bergeron with a hard shot right after the opening whistle when he worked in close before letting go with sizzling back-hander but the Asbestos goalie picked it off. Heon got the nod for using his elbows and during his absence the Braves moved to attack with five forwards but Bergeron and company held the fort.

Gendron came close twice but failed to tally. He was in close and Bergeron stopped the drive he then got his own rebound but was baffled again and the third time he lifted it over the net.

Gendron, who turned in a great two-way job for the Braves, was the first to make the red light flash. He let go with a hard low shot which caught the corner of the meshings and the Braves were on their way. Banville almost beat Bergeron when he was in alone but the lanky net minder made the save.

In the last minute of play a lapse by a Richmond rearguard allowed the Meteors to equal the score. Play was in the corner and on pass-out Champagne, who was alone in front, batted the disc into the net before Beauchesne could make a move.

Bob Hayes put the Meteors out in front for the first time in the

game when he drove a shot from just inside the blueline to beat Beauchesne whose view was completely blocked, in fact he never made a move on the shot as he failed to see it.

This was the sign for the Braves to turn on the heat and they really did. Bergeron seemed to be all over the place as Plamondon squad was driving from all angles and it was only his great play which held the Braves at bay.

Just before the half-way mark J. Banville teamed up with Jean-Guy Houde to post the equalizer. Houde rushed into the corner for the puck and battling away came up with it and laid a perfect pass to Banville in the front and the game was all tied up again.

The rest of the frame the teams kept the fans on their toes with their all-out efforts. The puck was moving back and forth at a fast clip despite this the boys in the citadels were at their best and the game went into overtime.

Gendron missed a great chance in the opening seconds of overtime from close range. Champagne and Moore tested Emile Beauchesne but he turned them aside. Arguin got in also but the Richmond net minder picked off his drive. Forgues got the tag for tripping Desrosier on a break-away and this sent the Braves to the attack.

They turned on the heat but Bergeron just wasn't weakening. He was in great form as the rubber buzzed all around his cage. Gerry Plamondon caught him down on the ice and let go but he lifted his stick to turn aside what looked like a sure goal. With twenty seconds left Bergeron went off for slashing and it was the Meteors' turn but Beauchesne and company held the fort until the final whistle.

Richmond: Beauchesne, Parent, Dubois, Jacques, Beauregard, Desrosiers, Bachand, Plamondon, Gendron, Beaudet, Couture, Banville, Rousseau, Houde, Lapiere, Dubois.

## Marcel Vaillancourt Played Role Of "Pay-Off" Man For Aces, Edge Rockets 5-3; Magog Moves Into Tie For Fourth

Marcel Vaillancourt, hard-skating Magog forward, played the big part in his team's 5-3 victory over the Drummondville Rockets at the Sherbrooke Arena yesterday afternoon before 1,000 fans. It was Magog's first win in three starts and moved the Aces into a two-way tie for fourth place in the standing.

Vaillancourt figured in three goals and they were the important ones. He registered the tying tally and helped to set up what later proved to be the winning maker and then potted the insurance one himself in the closing minute of the game.

The tilt was a hard-checking affair as the Aces seemed more interested in playing the man instead of the puck. Playing-coach Roland Morrisseau drew a misconduct for using abusive language to the referee while Leo Allard of Drummondville was tagged for the same thing.

N. Patenaude of Magog is suspended by the league for drawing an automatic game-misconduct. He was picked out for an elbow penalty and when he commenced to argue instead of going to the penalty bench he was thumbed for a misconduct. In the cooler he reached out and laid his stick on the referee's head and this immediately drew him a game-misconduct for his smart act.

Coach Morrisseau has played in two games and in both he has drawn misconducts for using abusive language to different referees in the league. The tilt was a hard-checking affair with a grand total of eighteen penalties being called with ten going to the Aces for their rough tactics.

Bobby Pepin got the Rockets off to a flying start with two goals and M. Bovin made it 3-0 before Tremblay got the Aces' opening tally in the first period. In the middle session it was all Magog as Gagnon, Vaillancourt and Mentis tallied to give the Aces a 4-3 lead.

In the third frame the teams battled on an even keel until Coach Lou Poliquin yanked his goalie in the final minute of play. This back-fired as Marcel Vaillancourt lifted one into the empty net with only seventeen seconds left in the game.

## Berths For Four Major Bowls Settled, Will Be Iowa And California In Rose And Syracuse-Oklahoma In Orange

NEW YORK (AP)—Louisiana State, California, Texas Christian and Syracuse all sewed up major bowl bids Saturday as the U.S. college football season raced to a climax.

Here is how the situation stands in the four major bowls:

Rose Bowl—California vs Iowa.  
Orange Bowl—Syracuse vs Oklahoma.  
Sugar Bowl—Louisiana State vs team to be selected (probably Atlantic Coast conference champion Clemson).

Cotton Bowl—Texas Christian vs team to be announced (probably Air Force Academy).

**UNDEFEATED TEAM**

Louisiana State, the No. 1 team in The Associated Press poll, wound up the season as the only major team in the country with an undefeated record. The Tigers crushed Tulane 62-0 just to make it emphatic.

California swept to the Pacific Coast Conference title by edging Stanford 16-15.

Texas Christian, which is making it a habit to appear in the Cotton Bowl New Year's Day, cut down Rice 21-10. This will make the third time in the last four years that TCU has made it to the Cotton Bowl.

Syracuse, one of the powers of

**WEEK-END N.H.L. STARS**

Andy Bathgate of New York who got an assist and the tying goal as New York tied Maple Leafs 2-2 in Toronto Saturday night and Rangers' only goal as they lost 3-1 to Detroit in New York Sunday.

Norm Ullman, who got two goals and assisted on the third in Detroit's win Sunday over New York.

Claude Provost whose two goals and one assist led Montreal Canadiens to a 5-1 triumph over Chicago Saturday night.

Don Simmons of Boston who allowed only one goal as Bruins edged Detroit 2-1 Saturday afternoon, then got his second shutout of the season by blanking the league-leading Canadiens in Boston Sunday.

Ron Stewart of Toronto Maple Leafs, who scored the tying goal with one minute and three seconds left in the game as Toronto and Chicago tied 3-3 Sunday night.

## Irishmen Pick Up \$2,000 Each For Winning

MEXICO CITY—(AP)—Victory in the Canada Cup golf tournament Sunday was worth \$2,000 to Ireland's winning team of Harry Bradshaw and Christy O'Connor. Angel Miguel of Spain received \$1,000 as winner of the International individual trophy, plus sharing the \$1,000 runner-up prize with his brother Sebastian in the two-man competition.

Bradshaw, as individual runner-up, also received an extra \$500.

Each player in the field received a \$500 honorarium.

## Kelowna Packers Clinch Five-Game Exhibition Tour With 5-1 Victory Over Soviet Selects Before 15,000

MOSCOW — (CP) — Russian hockey players have been told they'll have to do better than they did against Canada's Kelowna Packers last week.

The Soviet press and radio demanded better team selection and coaching methods Sunday following Saturday's 5-1 defeat of a select Moscow team by the Packers in the last game of a five-match exhibition here.

The victory, greeted with cheers and applause from a crowd of 15,000 in the Lenin Sports Palace, gave the Canadians their second win against a loss and two ties.

"Old Canada's still the land of the hockey players," coach Jack O'Reilly shouted jubilantly after the game.

The Russians seemed to agree with him.

**ROOM FOR IMPROVEMENT**

Echoing complaints raised against Soviet football players and coaching following a 5-0 loss to an English team a few weeks ago, the newspapers said there was obviously room for improvement in Russian ice hockey.

Komsomolskaya Pravda said the Canadians were outstanding in their ability to maintain high speed with precise, fast plays. It added that Russia has a wealth of young players who need "courageous training" to teach them to use the same powerful style.

Moscow Radio blamed poor team selection for the defeat.

Anatoly Tarasov, trainer of both the Moscow army and Russia's national teams, said the Canadians played more as individuals than the Russians.

"MAGNIFICENT"

"The Canadians are magnificent ice hockey players," Tarasov said in an English-language broadcast by Moscow Radio. "One cannot help admiring their brilliant technique, their cool-

ness, their tight defence. Our teams have much to learn from them.

"However, we too have our strong side, primarily in speed and teamwork."

"The Moscow team, quite frankly, has made a poor showing but our rivalry on ice continues."

"It will be well if our games with Canadians become traditional. We shall always be happy to receive Canadians, the great masters of ice hockey, here in Moscow."

## Rowing Body Turns Down French Demand

VIENNA (AP)—The International Rowing Association Saturday rejected a French proposal to carry out rowing championships of men and women at the same place and time after an impassioned Swiss appeal to keep the sport pure.

The Swiss delegate, a Dr. Walter, informants said, painted a dark picture of promiscuity threatening such championships.

He called attention to skiing. "Men and girl skiers do not only ski together and train together but also sleep in the same mountain huts."

"Let's keep our sport pure," he exclaimed.

The delegates from 43 countries then voted to hold the 1959 European rowing championships for men Aug. 14-16 and for women Aug. 20-23. Both championships will be held in Acon on the Saone River, France.

George Punch Imlach has been general manager of Toronto Maple Leafs only a few days and already he appears to be a magician.

Magic is about the only explanation for his club's display in the National Hockey League. The last-place Leafs surprised plenty of bounce to tie the hot New York Rangers 2-2 Saturday night and battle to a 3-3 draw with the Black Hawks in Chicago Sunday night.

Leafs acted as though they were about to lose their jobs in the general shakeup which Imlach hinted at Saturday.

In other weekend NHL action Boston Bruins pulled off two home wins, beating the league-leading Montreal Canadiens 2-0 Sunday night and Detroit Red Wings 2-1 Saturday. The Wings beat Rangers 3-1 Sunday night and Canadiens took Hawks 5-1 Saturday.

**RANGERS FALL BACK**

Bruins moved into second place, replacing Rangers who had been riding a five-game win streak before they collided with Leafs. Wings are a point behind Bruins with Rangers, Hawks and Leafs trailing in that order.

At Toronto the Leafs came close to beating the New Yorkers. Andy Bathgate, the NHL's leading scorer, put the tie-maker past Johnny Bower in the second period.

It worked the other way Sun-

day night as Leafs' Ron Stewart scored with 73 seconds left to rob Hawks of the win. It was a rough contest with several fights, including a free-for-all which halted play 20 minutes while police broke it up.

Black Hawk Ted Lindsay was the chief battler, taking on Bert Olmstead and Stewart for two major penalties and a 10-minute misconduct. The brawl with Stewart led to the general riot, cheered on by a small crowd of 9,108. Stewart and Olmstead also got five-minute majors.

The clubs each scored a goal in every period. Billy Harris and Olmstead tallied the other Leaf markers with Ed Litzenberger, Bobby Hull and Danny Lewicki scoring for Hawks.

Bruins combined defensive brilliance with goals by Vic Stasiuk and Norm Johnson to shut out the Habs. Goalie Don Simmons was spectacular in kicking out 26 Canadian drives.

The Montrealers tried to set up Maurice Richard for the 600th goal of his NHL career but Simmons blocked seven shots by the Rocket.

A disappointed crowd of 15,068 New Yorkers watched Wings dump Rangers for the fourth time this season. Norm Ullman scored two for Wings after Bathgate had put Rangers ahead with the opening goal in the second period.

New York pulled Worsley out in the final moments and Alex Delvecchio popped one into the open net.

The league takes a breather until Wednesday when Wings visit Leafs and Canadiens travel to New York.

**ALS HAVE FOUND New Halfback But Must Wait**

MONTEAL (CP) — Montreal Alouettes may in a few years have a halfback who'll make Big Four football fans forget such past greats as Virgil Wagner and Alex Webster.

He is John Glasnovic, an 11-year-old who has scored 35 touchdowns in 15 games this season—his first in football—with the Montreal Alouettes of the Little Big Four, a service club-sponsored city league for 10-to-12 year olds.

Saturday John, a 125-pounder, scored five touchdowns as his team defeated Verdun Argonauts 33-18 in the first game of a two-game, total-point series for the league championship.

Of course John may be classed as an import to Canadian football. He was born in West Berlin of Russian-Yugoslavian parents and has one more year to go before he can apply for Canadian citizenship.

**PASCUAL PEREZ STOPS RANGONE**

WILLEMSTAD, Curacao (AP) — World flyweight champion Pascual Perez of Argentina won a unanimous decision over Tito Rangone in a 10-round, non-title bout at Rif Stadium Saturday night.

**Hilltops Edge Notre Dame To Win Junior Title**

MONTEAL (CP) — The Saskatoon Hilltops erupted for three unconverted touchdowns in the second quarter Sunday to win the Dominion junior football championship 18-14 over the Montreal Notre Dame de Grace Maple Leafs.

Power-running halfback Bud Curtis was the big gun for Saskatoon, scoring two touchdowns in two minutes in the second quarter.

Garnet McKee notched the 'Tops first major, on a 12 yard pass.

The two maple Leaf touchdowns came in the third quarter. Fullback Bob Shink scored the first one, crashing over from the Hilltop one yard line.

End John Schaffer picked up Montreal's second major on a 38-yard pass and - run play with quarterback Bob Anderson.

Strong line play by both squads featured the game. Defensively, the two teams tackled viciously. This, along with the 20-degree temperature, contributed to the 14 fumbles, eight of them by Montreal.

**REMEMBER WHEN . . .**

Don Getty, young Canadian quarterback, and Jackie Parker sparked Edmonton Eskimos to their third consecutive Grey Cup triumph, a 50-27 victory over Montreal Alouettes, two years ago today at Toronto. Parker scored a record 19 points as Edmonton's split-T ground attack more than offset Montreal's aerial offensive.

## Ireland Wins Canada Cup Golf Competition

MEXICO CITY (AP) — The dramatic victory of an ignored Spaniard and an underrated Irish team in Sunday's Canada Cup finals has been called further proof of the United States and the British Isles no longer rule the world of golf.

Not only did Angel Miguel win the individual world's championship and Ireland the team trophy, but a list of the leaders sounded like a United Nations roster.

The Canadian team was 17th in the final standings. Henry Martell of Edmonton, who shot 74-73-77-79—294, stood 13th in individual placings, tied with Dave Thomas of Wales. Al Balding of Toronto was farther back with a 76-81-77-80—314.

**REALLY INTERNATIONAL**

"Golf now is really an international game," said Frank Pace Jr., president of the International Golf Association, which sponsored the sixth annual international golf championships and Canada Cup matches.

As skies began to darken over the picturesque 7,216-yard par-72 Club de Golf Mexico course, young Miguel and stocky, 45-year-old Harry Bradshaw of Ireland battled to an unexpected tie with 72-hole totals of 286.

Without rest, Miguel and Bradshaw went into a sudden-death playoff. They were even for two holes. On the 188-yard third, both sliced their drives into the spec-

tators. Both balls bounced back into play on the green.

Miguel sank a spectacular 25-foot putt for a duce, Bradshaw missed by inches and the Spaniard, new world's golf champion, was mobbed by many of the 12,000 fans.

**IRISH TEAM WON**

Bradshaw's consistent play and the steady, never-far-behind Christy O'Connor combined to give Ireland the best team score—579—and a victory in the Canada Cup matches.

Behr J. Miguel and Bradshaw came Flory van Donck of Belgium with a 287; Miguel Sala, Colombia, 288; Eric Brown, Scotland, and Frank Phillips, Australia, 289; Ben Hogan, U.S., and Gary Player, South Africa, 291.

Spain was second in the team competition with 582, followed by South Africa 584, Australia and Scotland 588, England 593, Argentina and Australia 594, Wales and Belgium 595.

Next year's tournament will be held in Australia.

**Shoemaker Teams Intentionally To Win Futurity**

BALTIMORE — (AP) — Intentionally, owned by Harry Isaacs of Baltimore, ran off with the first prize of \$121,416 in the Pimlico Futurity Saturday.

The dark brown two-year-old finished nearly two lengths ahead of Briardale Farm's Rico Tesio. King Ranch's Black Hills was third and John E. McAuchliffe's McLellan was fourth in the field of nine going for a gross purse of \$168,020.

Intentionally paid \$4.60 \$2.80 and 2.20.

Ridden by the leading U.S. jockey, Willie Shoemaker, Intentionally ran the mile and one-sixteenth in a comparatively slow 1:46.

**N. H. L. Big (7) Seven**

New York's Andy Bathgate stretched his lead in the National Hockey League points-race with two goals and an assist in weekend action. The Ranger right winger has a seven-point bulge over his closest rivals.

The leaders:

## Cooper Sinks Birdie To Win At Palm Beach

WEST PALM BEACH, Fla.—(AP)—Pete Cooper sank a seven-foot putt Sunday for a birdie on the first extra hole of a sudden death playoff with Wes Ellis Jr. and won the \$15,000 West Palm Beach Open golf tournament. Ellis took a par 5.

Cooper, 43-year-old Lakeland, Fla., pro, had to overcome a three-stroke edge held by the Aldercrest, N.J., pro at the start of the final round. Cooper scored a 269.

Arnold Palmer of Latrobe, Pa., in third place at the start of the final 18 holes, was four strokes back of Cooper.

## Hamilton Brushes Aside Rough Riders 19-7 To Win Series 54-14 In Rough Fixture As Players Slam Each Other

HAMILTON — (CP) — Hamilton Tiger-Cats, satisfied with an authoritative display, brushed aside Ottawa Rough Riders Saturday and for the second successive year became the people's choice of Eastern Canada for the Grey Cup title.

The Cats struck in the first and fourth quarters to take the game 19-7 and romp away with the two-game total-points eastern final 54-14.

Hamilton's 35.7 win the previous Saturday in Ottawa made the Big Four league champions prohibitive favorites to complete the expected mopping-up.

Any hope the Rough Riders had of wiping out a 28-point deficit were squelched in less than six minutes of play. Steve Oneschuk kicked a field goal from the 35-yard line and Gerry McDougall, the Cats' big, driving fullback, tore through a yawning hole in the Ottawa line and raced 63 yards for a touchdown.

**JACKSON SNEAKS THROUGH**  
There was no more scoring until the opening minute of the third quarter, when Ottawa cashed in for the only time of the game. Quarterback Russ Jackson found running room, with Cats covering every potential pass receiver, and snaked his way through the open spaces for an 18-yard touchdown run.

Hamilton quarterback Bernie Faloney quick-kicked for a single in the last quarter and Cam Fraser punted for another. Between the two singles Faloney whipped a touchdown pass to Billy Graham from 11 yards out.

Oneschuk converted both Hamilton touchdowns and Garry Schreider made good on his one convert attempt for Ottawa.

The Tiger-Cats leave Wednesday by plane for Vancouver, in Empire Stadium there next Saturday, amid all the hurrah and excitement of a Grey Cup game, they will try to make it two in a row over Winnipeg Blue Bombers, western champions. Hamilton won 32-8 last year in Toronto.

Coach Jim Trimble of Hamilton

uncovered no new tricks Saturday in a comparatively easy master-minding job. The spectacular phases of the game were extra-curricular attractions for the crowd of 15,071.

With indications a few grudges were being settled here and there, a few bits of under-cover work brought penalties for roughing and clipping to both teams.

But out in the open came a one-man field march by coach Frank Clair of Ottawa and a rough-tough out-of-bounds charging job by the Riders' Gilles Archambault.

Clair just about blew his top in the third quarter. Penalty-signalling handkerchiefs fluttered to the field as Jackson, chased back 16 yards to the Hamilton 50, got away a short shovel pass to Ron Quillian. The Ottawa half-back detoured to the left and reached the Hamilton one-yard line.

### JUMPED TOO SOON

Thinking the play was being called back, Clair pranced out on the field to argue. But the penalty was wiped out. A new one—15 yards—was slapped on the Riders because of Clair's jaunt.

A few plays later, Archambault, rumbling along, chased Ron Howell into touch. Archambault kept right on going, charging into Howell with enough force to send both of them tumbling over the Hamilton bench. The flutter of excitement quickly died down.

The Riders, picking up 20 first downs to Hamilton's 12, were able to muster few penetrating drives.

The Riders amassed 225 yards along the ground to 198 for the Cats. Passing yardage was 137 to 96 in Hamilton's favor. Jackson and Ledyard, the former doing most of the passing, completed only nine of 29 tosses. Faloney tried all but one of Hamilton's passes, competing eight of 16.

## Bob Boucher is Hit In Eye By Hockey Stick

OTTAWA (CP)—Bob Boucher of the Hull-Ottawa Canadiens, 21-year-old offspring of Ottawa's famed sporting Bouchers, suffered a severe eye injury Sunday in an OHA Senior A Eastern Division game against Whitby Dunlops.

Doctors said it will be two or three days before extent of the injury is known. But they described it as "very serious."

Bob's father, Billy Boucher, right winger on the Montreal Canadiens famous line of Howie Morenz and Aurel Joliat, died earlier this month at the age of 59.

Bob also played right wing, and scored the first goal as Canadiens defeated the world champion Dunlops 2-1. He suffered the injury accidentally from a teammate's stick early in the third period. He finished playing the game although he could not see with the eye.

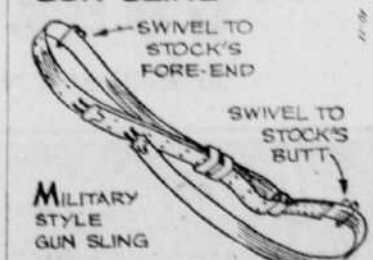

Hollywood, Calif. — Vince Delgado, 127, Los Angeles, outpointed Alfredo Escobar, 127½, Los Angeles, 10.

Willemstad, Curacao — Pascual Perez, Argentina, outpointed Tito Rangone, Argentina, Flyweights, 10 (non-title).

## Fort William Redskins Edge St. Francis 10-0

FORT WILLIAM — (CP) — Fort William Redskins won the Canadian Intermediate Football championship Sunday, beating St. Francis Xavier University of Antigonish, N.S., 10-0 in a tight game on a snowy field.

It was the Redskins' fourth consecutive attempt for the title. Last year they were beaten out 27-21 by Shearwater Flyers at Halifax.

There was no scoring in the first quarter but by half-time the home squad were ahead 1-0. The

Redskins converted and added the third single.

**FAST GAME**  
The fast-moving game, played under gruelling conditions on the icy, snow-covered field, kept the 2,700 enthusiastic fans on tenterhooks.

The outcome was in doubt until the third quarter when Grobely drove over from the nine-yard line for the touchdown.

The teams were evenly matched and but for the final score, there was little between them. Each earned 20 first downs. Fort William had a 287 to 262-yard edge in rushing. However, St. Francis had a slight lead in passing. They completed seven

of 18 attempts for 90 yards while Redskins were good on five of 16 for 76 yards.

Kruppa opened the scoring in the second quarter. His third-down punt bounced past defender Ralph Hayes and over the deadline.

The Nova Scotia team's greatest threat came in the final quarter when St. Francis advanced from their own 30 to the Redskin 10 before they were stopped. Quarterback Ray Somerville carried the ball at least two-thirds of the way.

## '49ers Fan Takes Expensive Way To Follow Team

GREEN BAY, Wis. (AP)—A San Francisco '49ers football fan found a way to follow his favorite team Sunday.

Visiting in New York, the San Francisco man telephoned a radio station here and asked the announcer to place the station's telephone next to a radio speaker so he could hear the broadcast of the San Francisco-Green Bay Packers game in Milwaukee.

For more than 2½ hours the man fed nickles, dimes and quarters into a pay telephone. When the game ended a 33-12 victory for San Francisco, the man thanked the announcer, declined to give his name, and hung up.

The call was estimated to have cost \$45.

## Mt. Allison Has Trouble With Husson College

BANGOR, Me. (AP)—Mt. Allison University of Sackville, N.B., took its second defeat in as many tries Saturday night as a Husson College basketball club outgunned the Canadians 103-60.

Husson is defending champion for the fourth time in the Northeast College Conference League.

The winners led the Mt. Allison five 53-21 at the halfway mark, sparked by the shooting of Jerry Kane with 23 points. He tied Harvey Penner of Mt. Allison despite the fact he was pulled from the lineup when the win was assured.

Mt. Allison lost to Washington State Teachers College at Machias 75-64 Friday.

## Winnipeg Leaves No Doubt With Win Over Esks, Posts 23-7 Victory On Snow-Covered Field In Zero Weather

WINNIPEG — (CP) — John Varone, primarily a blocking back and defensive linebacker, took up the offensive slack Saturday to help carry Winnipeg Blue Bombers to a 23-7 victory over Edmonton Eskimos in the third and deciding game of the western football final.

The victory also carried Winnipeg to Vancouver for next Saturday's Grey Cup tilt with Hamilton Tiger-Cats, winners of the Big Four Football Union playoff.

Varone, first-year import fullback from University of Miami, scored only two touchdowns during 16 league games. He doubled his output in the three-game final, scoring two in each of the first and third games. Bombers won the opener in Edmonton 30-7 but lost the second by the same score at home Wednesday night.

### CAN'T BE TOUGHER

Coach Bud Grant, who has taken Bombers to the Grey Cup in his two years as head man after several years as a star Bomber end, said he doesn't believe Hamilton can be "any tougher than Edmonton."

Aiding Varone in the scoring on the snow-covered field Saturday were quarterback Jimmy van Pelt who kicked two converts, a field goal and two singles, and fullback Charlie Shepard, with three singles.

Shepard, suffering a rib injury, confined his activities to punting. He was replaced at the second fullback slot by Rick Potter, in his first starting assignment.

Bomber backs marched for 253 yards along the ground, with Varone carrying 24 times for 92 of the total. Bombers totalled 24 first downs to Esks' nine.
