## NEW CABINET ANNOUNCED BY PREMIER KING Franco-German Agreement--Fine Exhibits At Danville

### Liberal Leader And His Cabinet Take Over Reins

Cabinet is as previously published, except that Col. Ralston, slated as Minister of Defence, is not included—This Omission is Only Temporary and is Due to Failure of Paul Hatfield, M.P. for Yarmouth-Shelburne, to Secure Consent of His Constituents to Accept a Senatorship and Make Way for Election of Col. Ralston for that Constituency—Another Constituency, Probably Hants-Kings, Will Be Found for Defence Minister.

(Associated Press Despatch)

OTTAWA, Ont., Sept. 27.—Rt. Hon. William Lyon Mackenzie King is again Prime Minister. He and his Cabinet took office on Saturday. The Cabinet is, as was previously published, except that Colonel Ralston, slated as Minister of Defence, is not included. This omission is only temporary, and is due to the failure of Paul Hatfield, M.P., Yarmouth-Shelburne, to secure the consent of his constituents to accept a senatorship and make way for the election of Colonel Ralston for that constituency. Another constituency, probably Hants-Kings, will be found for the Defence Minister.

The new Cabinet is composed as follows—  
Prime Minister and Minister of External Affairs—Right Hon. W. L. Mackenzie King.

- Finance—Hon. J. A. Robb.
- Justice—Hon. Ernest Lapointe.
- Railways—Hon. C. A. Dunning.
- Interior—Hon. Charles Sturtevant.
- Public Works—Hon. J. C. Elliott.
- Agriculture—Hon. W. R. Motherwell.
- Trade and Commerce—Hon. James Malcolm.
- Customs and Excise—Hon. W. D. Euler.
- Health and D.S.C.R.—Hon. Dr. J. H. King.
- Immigration—Hon. Robert Forke.
- Postmaster-General—Hon. P. J. Veniot.
- Marine and Fisheries—Hon. P. J. A. Cardin.
- Solicitor-General—Hon. Lucien Cannon.
- Secretary of State—Hon. Fernand Rinfret.
- Labor—Hon. Peter Heenan.
- Without portfolio—Hon. Raoul Dandurand.
- The portfolio of defence is not yet announced.
- The new government is considered much stronger and more representative than that which appealed to the country in 1925.

#### SEVERAL IMPORTANT ANNOUNCEMENTS MADE

Rt. Hon. Arthur Meighen, who announced his retirement from the Conservative leadership on Saturday, has made no plans for the future. He will remain at the head of the party until October 11, and then he will take a much-needed rest. Mr. Meighen will return to the practice of his profession, but when and where he has not decided. The Conservative leadership is dependent on the decision of the conference on October 11 whether to appoint a temporary or permanent leader. No prominent Conservative with leadership aspirations will accept the temporary leadership.

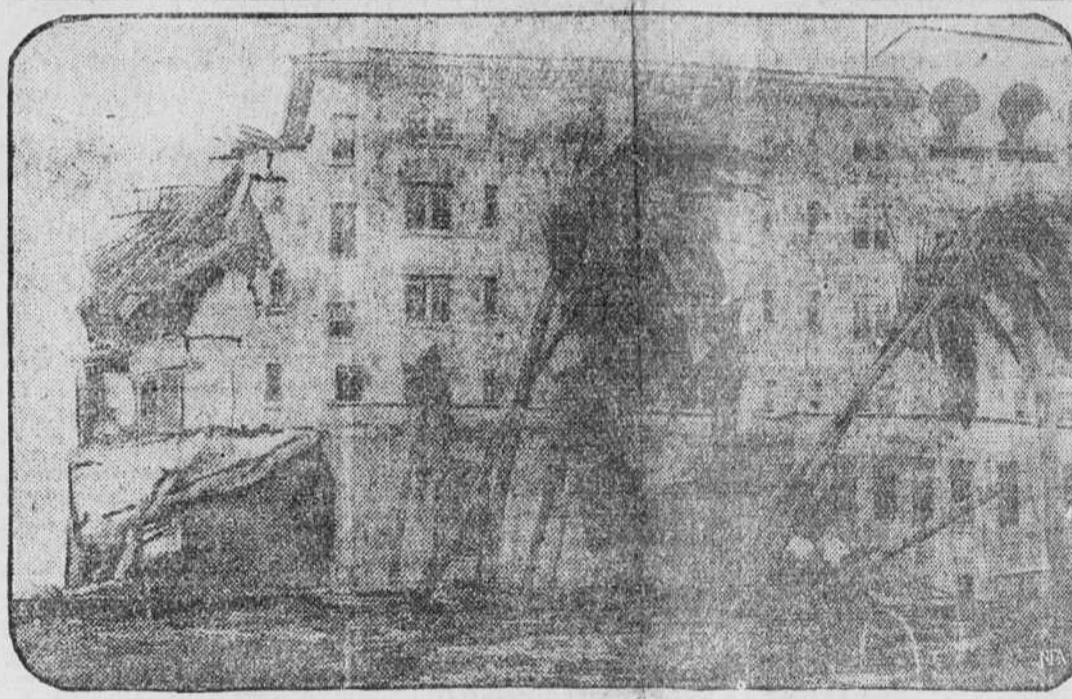

The Quebec representative has but one change. Hon. Fernand Rinfret succeeded the late Hon. George H. Boivin, although he takes another portfolio. All the other Quebec ministers are experienced parliamentarians, and all have administered departments. The allotment of finance, justice, marine and fisheries solicitor-general, state, that the Senate leadership, assures Quebec of considerable influence in national affairs. Some surprise is expressed that French-Canadians in Ontario and the West have no cabinet representation, but the selection of Hon. P. J. Veniot, a French-Canadian, to represent New Brunswick, accounts for this omission. This is the first cabinet in which New Brunswick was not represented by an English-speaking Canadian.

After assuming office, Premier King made several important announcements. As has been anticipated, Hon. Vincent Massey goes to Washington, but, previous to becoming the Canadian Ambassador at the American Capitol, he will accompany Premier King to London, to discuss with the British Government his new position and duties. With Premier King to London also goes Hon. Ernest Lapointe.

Parliament is to meet early in December. Before the Christmas vacation the Speech from the Throne and the last supply bill can be disposed of, and, when the House meets again in January, there will be no delay in considering new legislation. It is expected that Parliament will prorogue by Easter. In Parliament the Liberal-Progressives are to be absorbed into the Government ranks, as well as Henri Bourassa and Messrs. Neill, Woodsworth and Heaps. The remaining Progressives from Saskatchewan and Alberta will form a distinct group and sit on the Opposition benches. Premier King announced that Hon. Rodolphe Lemieux and Hon. Hewitt Bostock will again be Speakers of the House of Commons and Senate respectively.

It is not anticipated there will be any opposition to the return of the new ministers, except possibly if Hants-Kings is opened for Col. Ral-

#### AT LEAST NINE WERE KILLED IN TRAIN WRECK

Scranton "Flyer" Ploughed into "Lehigh Limited" at Bethlehem, Pa., Early This Morning.

(Associated Press Despatch)  
BETHLEHEM, Pa., Sept. 27.—At least nine persons were killed and thirty-five injured today when the Scranton "Flyer" of the Jersey Central Railroad ploughed into the "Lehigh Limited" of the Lehigh Valley Railroad at a cross-over of the two roads in this city.

The accident occurred about 5:45 a.m. within one hundred feet of the new union station.

The "Lehigh Limited" left Buffalo last night for New York. The "Flyer" is a through train from Binghamton, N.Y., for Philadelphia.

The huge Jersey Central engine struck three cars back of the Lehigh Valley locomotive, throwing a steel coach on its side. It was in this car that all of those killed or injured were riding.

Railroad men said had the car been of wooden construction they believed the killed and injured would have been far more numerous.

Eight Canadians were among the injured. They are: Dr. George C. Micham, wife and four children, Dorothy, Fred, Edward and George, Jr., 64 Durie street, Toronto. Mrs. Mitcham is suffering from a possible fractured skull and body bruises. The others are only slightly hurt.

Mrs. John Schrod, sister-in-law of Dr. Mitcham, same address, received body bruises.

Alice Pearce, of 13 Mayfield avenue, Toronto, received body bruises. No Canadians are among the dead so far identified.

The statement continues: "The Central train ran into the Lehigh Valley train between the second and third coaches, striking and overturning the second coach, which was a steel passenger coach. Eight passengers were killed and about forty injured. They were taken to St. Luke's Hospital, Bethlehem. The passengers in the other coaches were not injured."

Mr. King notified the British Government today that he and Mr. Lapointe will attend the opening of the conference and remain until it is finished if possible. Parliament will not be called in Ottawa until the first week of December, if ministerial by-elections are contested, so that Premier King believes that it will be possible for Canada's delegates to see the conference through. He wishes, however, to be present when Parliament opens.

Asked if any other members of the Government would go to London, the Prime Minister said he could not reply to this definitely today.

Mr. King said that "it has been my hope and desire from the outset to attend the conference," and that any press reports to the contrary were "fictions of the mind which originated them." He had felt that there were difficulties in the way of attending the conference, he said, on that particular date, as he did not know when his ministry would be in office, and Parliament must be called at the earliest possible date.

HON. VINCENT MASSEY FOR  
POST AT WASHINGTON

OTTAWA, Sept. 27.—Hon. Vincent Massey, of Toronto, is Premier King's choice for Canada's first minister at Washington. This Mr. King announced Saturday.

Definite appointment, however, will not be made until after the Prime Minister has discussed the matter with the British Government, which he intends to do when he goes to London next month. Mr. Massey probably will be asked to visit London at the same time.

Forecast: Moderate winds, fair today and Tuesday, stationary or a little higher temperature.

#### Briand and Stresemann Believe Future Of Europe Will Be Bright And Prosperous If Germany And France Are Brought Together

German Statesman Admitted that Objections Likely Would Be Raised by Military and Financial Experts, But Said that "Where There's a Will There's a Way"—Premier Poincare Unwilling to Forget "War Guilt" in Any Pact of Friendship that May Be Formulated.

(Associated Press Despatch)  
PARIS, Sept. 27.—Dr. Gustav Stresemann, German Foreign Minister, in an interview with the Matin's special correspondent in Berlin expressed optimism over a Franco-German entente. He admitted that objections likely would be raised by military and financial experts, but said that "where there's a will there's a way."

One thing was settled at the outset, Dr. Stresemann added, namely, that he and Aristide Briand, the French Foreign Minister, were as one in thinking the great work of bringing the two people together was possible.

They believed Europe's future would be dark and difficult if the two nations continued to look askance at each other, but bright and prosperous if they came together.

Dr. Stresemann made no allusion to the question of responsibility for the war. He remarked that it was a great thing that in these latter years hates and passions of war had progressively died down, opening a way to mutual understandings and the hope of future co-operation.

In concluding, the German statesman said one of Briand's great ideas was to make a reconciliation between France and Germany the mainstay of European peace. He said he did not know to what degree this policy had conquered French opinion, but in Germany it had gained much ground.

Unwilling to Forget "War Guilt"  
Premier Poincare is unwilling to forget "war guilt" in any pact of friendship that may be formulated.

Addressing disabled war veterans at Saint Germain yesterday, the Premier declared that even though France might be willing to meet Germany in the bonds of new friendship, she never would yield one jot upon the question of Germany having been responsible for the war.

Inasmuch as it was only by persuasion that M. Briand accepted the foreign portfolio in the Poincare cabinet after the downfall of his own ministry on the financial situation and because the Premier's address was entirely at variance with M. Briand's efforts for a full reconciliation with Germany, there is much interest in what will occur when the next meeting of the cabinet takes place.

Desire to Remove All Possible Causes of Friction

After the conference M. Briand said that he and the German Foreign Minister desired to remove all possible causes of friction between their governments in the interests of European peace, and that if the two governments followed the paths chosen, he thought the desired end would be attained. Dr. Stresemann confirmed this viewpoint.

In his speech, M. Poincare placed squarely upon the shoulders of the German general staff and the Imperial Government responsibility for the war. The address was interpreted generally as a reply to that of Dr. Stresemann when Germany was admitted to membership into the League to which he referred to the incompatibility of antipathies within the league and the ideals of the organization.

#### BOXING MATCH RESULTS IN A FREE-FOR-ALL

Wellington Street Was Scene of Considerable Activity Saturday Night When Police Were Called Out to Break Up Mob Which Was Engaged in a Free-for-All Fight—Fight Was Between Drummondville Youths and Local Chaps.

Wellington street south was the scene of an unusual event in Sherbrooke when a free-for-all fight took place, which necessitated calling out the police in order that peace might be restored and maintained.

It appears that the fight, which was largely between several visitors from Drummondville and some local chaps, resulted from a discussion that took place as to the decision given in a local boxing match in which a Drummondville boxer met one of the local stars.

Both fighters had their supporters and during the bout things began to liven up. The bout, however, ended without any disturbance. A short time afterwards a young man who had not attended the fight, but who had been in another part of the building, came down the steps apparently on his way home and not knowing that trouble had taken place.

As this young man stepped on to the street he was surprised by a mob who jumped on him and gave him several blows, thinking him to be another person.

This soon brought others into the mixup and within a very short time there was a real fight on and the situation looked rather serious. Some one immediately ran and put in a call for the police, and within a short time about seven members of the department were on the scene insisting that peace be maintained.

The efforts of the police to break up the mob at first met with little success, but when the officers of the law produced their "billys" the members of the mob were not so anxious to fight. It was necessary, nevertheless, for the police to arrest five of the Drummondville chaps before everything on the street was peaceful.

After the five disturbers had been taken to police headquarters, their remaining friends decided that they should make an attempt to get them from the hands of the law and so they organized and proceeded to headquarters determined to release their townspeople.

On arrival at police headquarters they were met by the night staff of the department and apparently decided that it was wise for them to respect the officers of the law and to leave the situation as it was without further disturbance.

The dairy produce exhibits of butter, cheese, honey and maple sugar product were good, both in the number of exhibits and in quality.

The judges of the various entries were as follows:—Horses, Dr. Vigneau, provincial government inspector, Quebec, and Mr. W. G. McDougall; beef cattle, J. Chagnon, Experimental Station, Ottawa; dairy cattle, J. S. Chagnon; sheep and swine, E. C. Rose, Sherbrooke, and J. D. Lang, Experimental Station, Lennoxville; poultry, J. L. Barrie, Danville, and D. Lagasse, Richmond.

fruit and vegetables, Mr. W. Fowler, Racine; dairy produce, Mr. H. Armstrong, Richmond; Ladies' department, and flowers, Mrs. F. Foster, Mrs. A. Haddock, Miss A. Snaden, Miss Glass and Mr. A. Brasad, Danville; art, Mrs. A. Barlow and Mrs. J. A. Porter, Danville; fancy work, Mrs. E. A. Wright, Montreal, and Mrs. Charles Brown, Mrs. W. Paul and Miss A. Burbank, Danville; knitted goods, Mrs. S. Mackenzie and Mrs. L. Adams, Danville; pickles and preserves, Mrs. Jas. Gifford, Mrs. E. J. Morrill, Miss A. Lafrance and Mrs. A. A. Burbank, Danville; cooking, Mrs. Albert Olney, Mrs. T. Johnson and Mrs. Frank Brown, Danville, and Mrs. William Currie, Kingsley Falls; Girl's class, Mrs. D. Moulin and Mrs. H. Babin, Danville.

The horse exhibit was not as large as formerly, nevertheless some excellent draft horses and brood mares with foals were to be seen. Very few entries were made in the driving horse, this no doubt due to the fact that the automobile is supplementing the horse.

Poultry Exhibits Very Large  
The poultry entries were very large and proved to be of excellent quality and variety. The predominant breeds were White Wyandottes and Barred and Plymouth Rocks, with a sprinkling of the other species. A large number of ducks, geese, bantams, pigeons and turkeys were also to be seen. Of the latter breed, a magnificent pair of bronze turkeys excited the admiration of all.

Sheep and Swine Entry Up To Standard  
The sheep and swine entries were up to standard this year. Sheep were the most numerous of the two. Cheviots and Hampshire downs proved the most popular, the chief exhibitors being Messrs. Fred Armstrong and A. R. Mahoney.

In the swine exhibit, Yorkshire and Chester Whites had the largest entry. While not as large as in former years, this was one of the highest quality exhibits seen in this department for some time. Among the swine exhibitors were:—Messrs.

ARRANGEMENTS  
COMPLETED FOR  
ROTARY MEET

Local Rotarians Have Been Working Hard Making Final Arrangements to Welcome and Entertain Visiting Rotarians at Inter-City Meet Tomorrow.

Tomorrow promises to be a very busy day for the Sherbrooke Rotarians, as they will have about two hundred visiting Rotarians and their wives in town for the inter-city meet. During the past week the different committees appointed, as well as each individual Rotarian, have been very busy making final arrangements and now everything is completed for what promises to be a very successful meeting.

The visitors are expected to arrive at different times tomorrow and practically every incoming train will contain a number from different parts of Canada, as well as a large number from the United States. Upon arrival here the visiting Rotarians will be met at the station by members of the local club, and will be taken to the Masonic Temple, Montreal street, where they will register and make their headquarters. Badges and buttons will be given out at the registration booth.

In the afternoon many will enjoy themselves at the St. Francis Golf Club, while others will be given the opportunity of taking auto trips with the local Rotarians, who will point out to them the different places of interest in the city.

The first big gathering will take place at six-fifteen o'clock tomorrow evening when the Rotarians will assemble in the Temple for the Rotary meeting and dinner. Rev. Dr. G. E. Ellyer, pastor of Plymouth United Church, and an honorary member of the Sherbrooke Club, will be the speaker on this occasion. Dr. Ellyer has selected as his subject "Perspectives and Relations."

One of the features of this meeting will be the community singing. Special songs have been prepared of which all present will be given a copy, and a first class orchestra will be on hand to help along with the music.

to the end of his little short tail. He used to curl up and hold on to the end of his tail sometimes, so as to be sure it didn't rustle in the grass. You see, that neighbor sitting on his roof was Short-ear the Owl. Danny didn't like him. Danny was fairly well acquainted with Hooty the Great Horned Owl and Spooky the Screech Owl, but Short-ear was a new member of the owl family, so far as Danny was concerned, and Danny didn't like him. For that matter, Danny didn't like any members of the Owl family. But he particularly objected to Short-ear, because the latter spent so much time sitting on that old log under which Danny had his nest. Hooty and Spooky perch in trees. Danny says this is where respectable birds ought to perch; but Short-ear is found on or close to the ground. For this reason he is sometimes called the Marsh Owl.

"That fellow talks just as if he didn't know I could hear him," thought Danny to himself. "It gives me the cold creeps to hear him tell how good a fat meadow mouse would taste. He knows perfectly well I'm under here. It is getting so I don't dare go out excepting in the day time. Just like all the other owls, that fellow doesn't make any noise when he flies, and I feel it in my bones that sooner or later I'm going to furnish him that dinner he's talking about all the time, unless I get out of here. I think I'll go straight back to the Green Meadows and Nanny Meadow Mouse."

And then, for the first time, it struck Danny that he hadn't the slightest idea where the Green Meadows were, or how he could possibly get there.

## SCOTSTOWN

The annual Harvest Thanksgiving services were held at St. Alban's Church on Thursday last, commencing with an early celebration of the Holy Eucharist at which the Rev. E. M. W. Templeman was the celebrant, and concluding with Choral Evensong at 7:30 p.m., when Major the Rev. A. W. Buckland, R.D., was the special preacher. He gave an eloquent and practical sermon on "Gratitude." The Incumbent offered the prayers and thanksgivings.

The choir, with Miss Beu Cowan as organist, led the congregation, who heartily joined in the old harvest hymns and psalms, concluding with the Te Deum as a solemn act of Thanksgiving. The church had been very tastefully adorned with the first fruits of the earthly harvest. The collection was devoted to the spiritual harvest in Japan, in response to the appeal of the Rev. Hollis Corey, of Okaya. During the visit of Rura, Denn Buckland, he was the guest of the Rev. E. and Miss Mary Templeman at the parsonage.

### BURGESS BEDTIME STORIES

#### DANNY THINKS OF HOME

In time the wanderer's steps will turn  
Back to the home he once did spurn.  
—Old Mother Nature.

Danny Meadow Mouse was thinking of home more and more. It wasn't his home there on the edge of the salt marsh that he was thinking of. No, indeed! He didn't regard that as really home. His home was with Nanny Meadow Mouse on the Green Meadows, and that was he home he was thinking of.

You see, it was this way: For a long time after Danny had come to the beach there had been so much to do and so much to see and so much to learn that he hadn't given home a thought. It is quite likely to be that way with people when they are having a good time. But now Danny was beginning to get a bit lonesome. There was no longer so much to see. I mean by that that there was no longer so much that was new to Danny. When you have seen a thing over and over again it becomes commonplace and tiresome, no matter how interesting it may have been in the beginning.

Then, too, Danny was getting fed up on salt. He had salt for breakfast, salt for dinner, salt for supper. It seemed to him that there wasn't anything he tasted that wasn't salty. He even tasted salt when he licked his lips. So Danny thought more and more of the Green Meadows. Then, too, cool weather was coming and it was time to be making plans for the winter.

There was one other thing that made Danny think more and more of home. He had a neighbor he didn't like. That neighbor had a hab-

bit of sitting on Danny's roof and snapping his bill and talking to himself loud enough for Danny to hear him; and somehow Danny didn't like to hear him. His talk would run something like this:

"There's nothing I like better than a fat meadow mouse. No if I had a fat meadow mouse there wouldn't be a thing in the world I would envy anybody. I don't know of anything that tastes better than a fat meadow mouse. I have tried all sorts of things but give me a meadow mouse every time. If I thought there was one around here I would stay all night."

Now Danny would lie in his little nest right underneath the old log on which the speaker was sitting, and Danny would shiver and shake clear

Present-Day Dental Opinion Urges Clearing Teeth of Film

The FILM ON TEETH to Which Science Attributes Many Tooth and Gum Disorders

MOST dull teeth and many serious tooth and gum disorders have recently been traced, by dental science, to a film that forms on teeth. It can be felt by running the tongue across the teeth—a stubborn coating that ordinary brushing does not successfully combat.

Film absorbs discolorations from food, smoking, etc. That is why, according to leading dental opinion, teeth look dingy and "off color."

Film clings to teeth, gets into crevices and stays. It invites and breeds the germs of decay. And that is why it is judged so grave a danger to the teeth by authorities.

Film is the basis of tartar. And tartar, with germs, is the chief cause of pyorrhea. That is why regular film removal is urged as probably first in correct gum protection.

Most dental authorities urgently advise thorough film removal at least twice each day. That is, every morning and every night.

For that purpose, obtain Pepsodent, the special film-removing dentifrice which leading dental authorities favor. Different from any other tooth paste.

Pepsodent curdles the film, then removes it; then polishes the teeth in gentle safety to enamel. It combats the acids of decay and scientifically firms the gums. It multiplies the alkalinity of the saliva. And meets,

thus, in all ways, the exactments of modern dental science.

On dental advice, people are adopting this new way of tooth cleansing. Obtain Pepsodent, the quality dentifrice, at drug stores. Two months' supply at a moderate price—or send coupon for 10-day test. Use twice every day. See your dentist twice each year. Make both a habit.

Miss Eileen Ingalls and Mrs. F. L. Childerhouse were in Frelighsburg, on Wednesday.

Those from this district who were christened Sunday at the Methodist Church, Farnham's Corner, were: Mrs. Carl Ingalls and daughter, Allison, and Miss Frances Childerhouse, daughter of Mr. and Mrs. F. L. Childerhouse.

Mr. L. Garselow, of Richford, Vt., was a recent guest of his parents, Mr. and Mrs. J. Barsalov.

## KAY'S MAJORITY WAS 1,141 IN THE ELECTION

Official Figures for Brome-Missisquoi—Led by Only 15 in Brome, But Had 1126 in Missisquoi.

(SWEETSBURG, Sept. 27.—(Special)—The official statement of the recent election results in Brome-Missisquoi show a majority of 1141 for W. F. Kay, over Dr. Pickel.

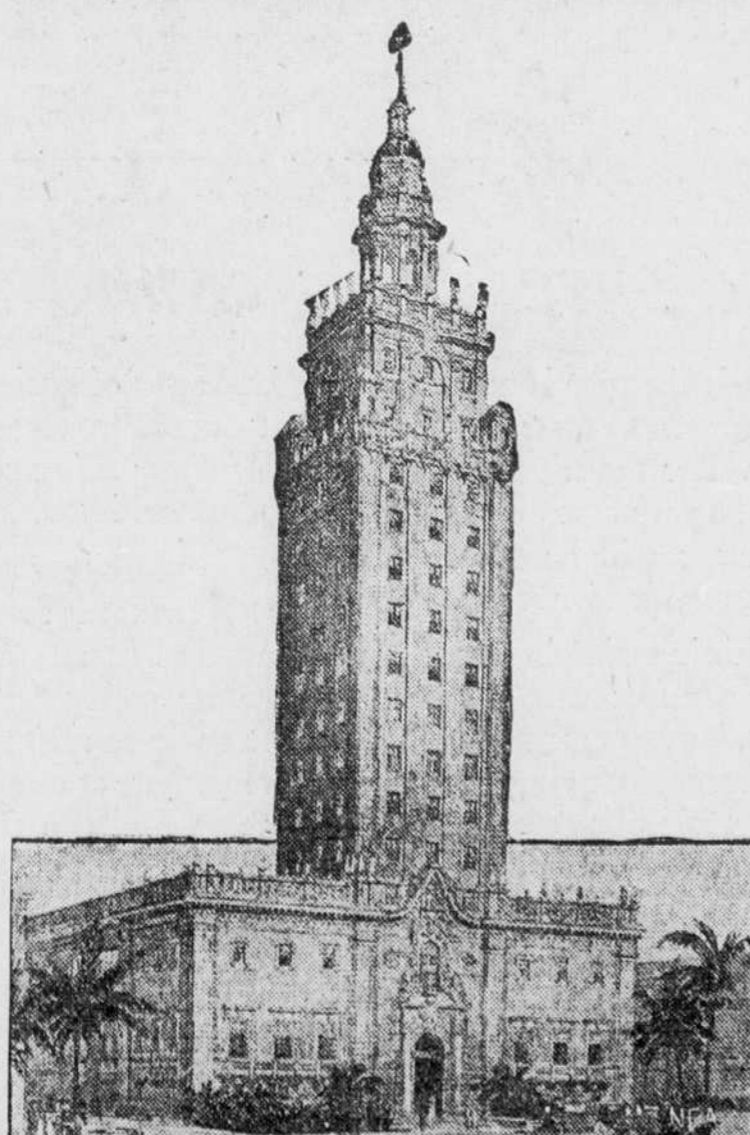

In Brome Kay had a majority of only 15, but in Missisquoi his majority was 1126.

## THIS TOWER NOW LEANS TWENTY DEGREES

The 130-mile-an-hour hurricane that hit Miami and caused a huge loss of life bent over this beautiful tower at an angle of 20 degrees. The building is the plant of the Miami Daily News, owned by James M. Cox, Democratic candidate for president in 1920. It is one of the finest newspaper buildings in the United States. A large beacon burned in the tower as an aid to ocean navigation.

## FULFORD

Mr. Arthur Smith, Miss Violet Smith and Miss Bernice Galer, of Granby, were recent guests of Mr. and Mrs. D. E. Mooney and Mr. H. N. Doe.

Mr. and Mrs. Wm. H. Beard and Mr. and Mrs. Garfield Campbell and little daughter, Jessie, of Worcester, spent a few days recently with Mr. and Mrs. L. E. Fessenden. They also called on friends in Montreal, Iron Hill and Shefford Mountain, leaving on Tuesday for Abercorn, to visit Mr. Beard's sister, Mrs. P. Holden, a couple of days before motoring back to their home in Worcester.

Mrs. Alvin Graves spent a few days recently in Iron Hill. Mr. and Mrs. C. L. Sweet and Mrs. Addie Beard, of the Pines, Iron Hill, and Mrs. Jas. Robinson, of Sweetsburg, were calling on Mr. and Mrs. Fessenden.

Mr. Lewis Stone has rented Mr. J. R. Armstrong's farm and takes possession on October 1st. Mr. Armstrong will sell his household effects by auction and plans on leaving in a few weeks for Iroquois Falls, for an indefinite period. Mr. Armstrong's whole life has been spent here and his many friends regret his removal from their midst, but their best wishes go with him.

Miss May Miller has been spending a few days in Montreal. Mrs. R. J. Peacock attended the teachers' convention in Farnham and congratulations are due her for being awarded a substantial cheque from the Fisher Trust Fund for an essay for being first in the county

of Brome and also another cheque for being first standard teacher in the municipality of Brome. Also the Rev. E. M. Taylor visited the Fulford School and delivered to Mrs. Peacock a bonus cheque for successful teaching. Therefore this district is to be congratulated for securing the service of such an efficient teacher.

Mr. and Mrs. E. Yale, Mrs. B. Webb, Miss Laura Kemp and Mr. Elton Y. Webb, of Danville, motored to Rose Lodge Farm recently and were guests of Mr. and Mrs. L. E. Fessenden.

Miss Daisy Stanford, of Danville, was a recent guest of Mr. and Mrs. Fessenden.

Mr. S. E. Pierce has about completed painting the United Church and the appearance is certainly much improved.

## MEGANTIC CO. HAPPENINGS

### Budget of News from Various Sections of the County. INVERNESS

The following article, dated Westerville, taken from the Barre Daily News, will be of interest to residents of Inverness.

A very enjoyable evening was spent at the home of Mr. and Mrs. John Crawford Tuesday, Sept. 21, when twenty-nine relatives and friends of Mr. and Mrs. John Mc-

Vetty, of Inverness, Que., met to do them honor. A pleasant social time was spent, recitations and songs forming part of the entertainment. Towards the close of the evening, Mr. Coxon, a life-long acquaintance of Mr. McVetty, asked him and his wife to come forward, and in a few heartfelt words presented them a handsome pyrex casserole, and a small sum of money, on behalf of those present. Mr. McVetty, who was completely taken by surprise and very visibly affected, replied in a witty way. Mr. McVetty expressed his gratitude and that of his wife for the kind thoughtfulness of his friends of Barre and Westerville and extended to one and all a hearty invitation to visit them at Inverness.

Refreshments of ice-cream, cake and wafers were served. The party,

before breaking up, formed a circle, with Mr. and Mrs. McVetty in the middle, and, joining hands, sang a verse of "Auld Lang Syne". Then, at Mr. McVetty's request, all joined in singing "God Be With You", and fervent hopes were expressed that Mr. and Mrs. McVetty might live to repeat their visit for many years to come.

# Enjoy a New THRILL~ Try this Amazing New Gasoline

**IMPERIAL Ethyl Gasoline** is so much more powerful than any other motor fuel you have ever used, and so much quicker on the start, that you will notice the difference immediately.

On cold days—when you really need the power and easy starting which this new miracle fuel gives—you'll get driving thrills that add a new zest to motoring.

Throttle down to a "loaf" in traffic—or come to a dead stop—and, when you step on Imperial Ethyl you'll feel your car respond like a flash—with a sure, smooth "pick-up".

Difficult hills are easy on high gear with this new fuel and you'll find your motor absolutely knockless.

Imperial Ethyl Gasoline is more than a gasoline. It is a unique and wonderful product—obtained by combining "Ethyl Brand of Anti-Knock Compound" with a gasoline of even higher volatility than the splendid quick-starting Queen Gasoline which Imperial Ethyl replaces. Ethyl Brand of Anti-Knock Compound is a product developed by seven years of research in the laboratory of the General Motors Corporation.

Manufactured by the Ethyl Gasoline Corporation, Ethyl Brand of Anti-Knock Compound cannot be successfully imitated. It cannot be duplicated. It is absolutely unique and it stands alone as a new discovery.

The introduction of Imperial Ethyl Gasoline at this season is particularly timely. Nights are getting cool—Winter will soon be here. Imperial Ethyl gives the motorist entire freedom from those troubles which he has formerly encountered with the approach of cold weather.

Imperial Ethyl will give you a new driving thrill. Test it today. Results will convince you.

Imperial Ethyl Gasoline costs 1c. more per gallon than was formerly asked for Queen Gasoline—and is well worth it.

**CAUTION!**

Do not confuse this wonderful new fuel with the many so-called "Anti-Knock" Gasolines on the market. And do not be misled by other gasolines purposely colored red to resemble Ethyl.

Our well-known Premier Gasoline has as much "Anti-Knock" quality as any gasoline made or sold in Canada with the sole exception of Imperial Ethyl Gasoline. The latter is more than a gasoline—it's a motor fuel of super-efficient qualities.

For your protection, no dealer or service station will be permitted to sell Imperial Ethyl Gasoline through any pump that does not conspicuously display the official Imperial Ethyl Trade-Mark as re-produced in this advertisement.

**INTERESTING FEATURES AT TRINITY CHURCH**

Rally Day was recognized in Trinity Church Sunday School yesterday afternoon by the holding of an open session of the school and the use of the printed Rally Day programme issued by the Religious Department of the United Church of Canada. The order of service was varied, however, at several points to add to its interest, one of the added features being the telling of a story to the scholars by Miss Edwards, the superintendent of the junior department of Plymouth United Church Sunday School.

A very interesting part of the programme for both scholars and visitors was a "promotion" exercise in which pupils of the junior primary, beginners and Cradle Roll Departments were advanced to higher grades. The little folk of the three last mentioned grades passed through symbolic gates erected on the platform as part of the exercise, their companions singing as they passed through "Open the Gates for the Children."

The service was well attended, many of the parents and friends being present to show their interest in the work of the school.

In spite of the handicap suffered through the delay in the completion of the extensive renovation work done on the church and Sunday school, Trinity Church Sunday School has got off an excellent start this fall under its able superintendent, Mr. Geo. C. Hall and its fine staff of teachers. It is expected that its new library will be opened next Sunday afternoon.

**INSPECTION OF NEW GOLF COURSE HAD TO BE POSTPONED**

Owing to the decidedly unfavorable weather conditions on Saturday afternoon the inspection of the new golf course of the Sherbrooke County Club Inc., had to be postponed. Although the directors of the Club were present at the grounds, the weather was such that only a few ventured out.

Owing to the lateness of the season and the unsettled weather at this time of year, the directors of the club have not fixed any special date for a public inspection.

Mr. D. J. Salls, president of the Sherbrooke County Club, in speaking to the Record this morning remarked that the grounds will be open to inspection at all times. Mr. Daniels is to be found there at any time and the directors would very much appreciate having the public visit the new course and see what progress has been made.

**RALLY DAY SERVICES AT ST. ANDREW'S**

Special Rally Day services were held in St. Andrew's Presbyterian Church on Sunday. The Church Hall was the scene of a large gathering of pupils and parents at the Church School gathering. Mr. George D. MacKinnon presided as superintendent of service followed was one prepared for all Sabbath Schools in the Presbyterian Church throughout Canada.

Rev. D. W. Terry gave an interesting and helpful address and congratulated the School on the attractive appearance and renovations made in the Church Hall during the past summer. A vocal duet by Miss G. Imrie and Mr. E. Robertson, a solo by Arthur Jobel and a chorus by a group of children were contributed to the programme. Others taking part in the service were Miss Helen Robertson, W. S. Moy, Alex Davidson and Rev. Alfred Bright. Diplomas were presented by Miss Doreen Stewart, Miss M. McClure and Miss Doris Clark to pupils promoted to higher grades.

**GIANT PUMPKIN GROWN BY LOCAL LADY**

The story about the big fish which was nearly landed but which managed to get off the hook is often told, but it is seldom heard that a thirty-seven and a half pound pumpkin has been found, especially locally. However, such is the case and the proof lies in the fact that this pumpkin was actually seen and did not manage to get away as is usually the case with a fish story.

This pumpkin, which tipped the scales at the unusual weight of thirty-seven and a half pounds, was grown in Mrs. M. Sullivan's garden on Hubbard avenue, and is just further proof of the wonderful agricultural district of the Eastern Township.

**MANY ATTEND SERVICE HELD FOR MASONS**

Interesting Sermon Preached Yesterday by Dr. W. S. Lennon at Trinity Church.

Trinity United Church was filled almost to capacity yesterday morning by the members to the Masonic lodges of Sherbrooke and vicinity and their friends. The officials of the church had reserved the entire main row of seats between the two central aisles for the visitors, but the Masonic attendance was so large that accommodation had to be provided for the overflow in the transept seats on either side of the pulpit.

The lodges represented in the gathering were Sussex Preceptory of the Knights Templars, Golden Rule Chapter of Royal Arch Masons, A.F. and A.M., Victoria and Prince of Wales and many of the lodges outside Sherbrooke belonging to St. Francis District. Among the visiting brethren were the Grand Master of the order for Quebec jurisdiction, Most Worshipful Bro. W. J. Ewing, of Richmond, and Right Worshipful Bro. H. D. Roberts, past District Deputy Grand Master for St. Francis District, Right Worshipful Bro. T. C. Hurn, the present District Deputy Grand Master for St. Francis District, who was also in attendance in that capacity.

The Masonic sermon was preached by the pastor of Trinity Church, Right Worshipful Bro. W. S. Lennon, B.A., D.D., District Grand Chaplain for St. Francis District, who taking his text from Genesis Chap. 1, verses 3 to 5, "Let There be Light," spoke to the brethren on the theme "The Light-giving God." The preacher pointed out that in creating an illumined universe the supreme architect had declared himself no lover of secrecy, and that the secrecy of Masonry was not its most significant aspect. That, indeed, its secrets were not held against the worlds, but wholly that by long continued pondering over them and study of them, they might be worked into the file of character and so published broadcast in the world of men in that effective way. Moreover when God said "Let There be Light," He made art possible, and science inevitable. At this point, Rev. Dr. Lennon took occasion to express his conviction that there was very small gain to religion in the effort made by some in its name to stay the progress of science. Science could be trusted to correct any mistakes it might make from time to time. Its spirit was an insatiable longing for truth, and truth at any price for light and more light. It might seem to be bent upon the damaging of religion, but in the long last, since all truth leads to God, all religion would become scientific and all science religious.

The preached went on to trace the work of the light-giving God in the promulgation of the great ethical code of the decalogue and in revelation in general, reaching the Christian climax for his sermon in the rising of the "Sun of Righteousness with Healing in His Wings," i.e. the coming of Him who declared Himself to be "The Light of the World," and in whom men had found both light upon the nature of God himself, for "the light of the knowledge of the glory of God," as a lover and redeemer of men had been "seen in the face of Jesus Christ."

The sermon was listened to with marked interest and attention.

The musical part of the service embodied the anthem "Great and Marvellous" rendered by a full choir under the leadership of Prof. R. Havard, and a sweetly sung solo by Mrs. Keith Edwards, the wife of Sherbrooke's Mayor. Mr. Gault Parker presided at the organ.

At the evening service a very instructive and interesting address on the work of The Social Service Council of Canada was given by its Secretary, Rev. J. Phillips Jones, of Toronto.

**STANDARD TIME AGAIN IN FORCE IN SHERBROOKE**

City Made Change from Summer to Standard Time on Saturday Night Without Any Inconvenience.

On Saturday night Sherbrooke quietly bid farewell to summer time and standard time again came into force.

The change was made without any inconvenience, and from appearances all residents remembered to put their clocks back one hour upon retiring Saturday night.

All churches of the city held services yesterday on standard time and the change from summer time was general throughout the city.

The change in time was perhaps most noticeable last evening when it was necessary to put the lights on much earlier than usual. It is also quite likely that the extra hour of sleep, which was lost in May when summer time was adopted, was realized and enjoyed yesterday morning.

OLD RESIDENT DIED SUDDENLY ON SATURDAY

On Saturday, Sherbrooke lost another of its old and highly respected citizens in the person of Mr. Thomas More Cowan, whose death occurred very suddenly following a half an hour's illness.

The late Thomas More Cowan, who was in his seventy-eighth year, was born in Ballieston, Scotland, in 1848, and came to Sherbrooke in 1881, where he had since resided.

For a number of years Mr. Cowan was engaged in the bakery and general grocery business, and conducted a store at the corner of King and Belvidere streets on the site of the present Bernard block.

Several years ago he retired from active business and had since resided with his only daughter, Mrs. A. C. Skinner on Portland Avenue. His wife predeceased him several years ago.

During his long lifetime Mr. Cowan was known as a man of kindly disposition, considerate towards all, always ready to help those in need, and at all times a Christian gentleman.

Mr. Cowan took a very active part in the Masonic Lodge, being a member of Victoria Lodge, A.F. and A.M. One of the most pleasant moments in the life of the late Mr. Cowan took place a few years ago when he officiated at the ceremony when his grandson was admitted to the Masonic Lodge.

In religion the late Mr. Cowan was a member of Plymouth United Church, and in politics he was a Liberal.

The deceased is survived by one daughter, Mrs. A. C. Skinner; one son-in-law, Mr. A. C. Skinner; one sister, Mrs. Richard Burns, of Bell-shill, Scotland; one niece, Mrs. Thos. Walker, of Pawtucket, R.I., who is in the city for the funeral; and by two granddaughters, Mrs. F. Allen McLean (Ruth Skinner) of Montreal, and Mrs. R. F. Callan (Lois Skinner) of Grand Mere, and by three grandsons, Messrs. Carl C. Neil A. and Hugh S. Skinner.

The funeral was held this afternoon at two o'clock from the residence of his daughter, Mrs. A. C. Skinner, Portland Avenue, to Plymouth United Church, and was in charge of the Masonic Lodges.

CITY BRIEFLETS

FIRE CALLS ANSWERED

The firemen were called out for a chimney fire on St. Michael Street on Saturday night, but no serious damage resulted. Again this morning they were called to East Sherbrooke, but again only for a very slight chimney fire.

OPENING OF Y.M.C.A. GYM. CLASSES

The gymnasium classes for 1926-27 at the Y.M.C.A. open today with the business men's class at five o'clock; boxing class at seven o'clock and young men's class at eight o'clock. In order to give strangers an opportunity of trying out the gym, special privileges will be given them for two weeks in any of the scheduled classes free of all charge.

CONDITION OF J. GIRARD, OF WATERLOO, VERY SERIOUS

J. Girard, of Waterloo, who was seriously injured in the automobile accident that claimed the life of Arthur Viau, of Magog, on September 4th, is in a very serious condition at the St. Vincent de Paul Hospital, where he was taken following the accident. Mr. Girard has lost the use of his right eye and is becoming paralyzed. No hope of his life being saved is held by the hospital authorities.

SIX ARRESTS MADE DURING WEEK-END

Six persons were arrested during the week-end by the local police on charges of being intoxicated, loitering and such charges. Those arrested included J. Carrier, J. Houle, J. Cote, B. Dupond, J. Jones and Turner Benoit, all from out of town.

Benoit was arrested for refusing to pay his taxi fare. It appears that he had rented a taxi to take him to Canaan and return, and when the trip was finished refused to pay the taxi driver. He was arrested and his case is scheduled to come up on Wednesday.

CELEBRATING SEVENTY-THIRD BIRTHDAY

Congratulations are being extended to Mr. Edmond Precourt who is celebrating his seventy-third birthday. Mr. Precourt has lived in Sherbrooke all his life, having been born in the little wooden house on the old Five Station site, Marquette street. His father the late John Precourt, came to Sherbrooke from Three Rivers, with his parents, in 1831. He was a contractor and participated in the construction of many buildings of the city.

Mr. Edmond Precourt is enjoying good health and remembers many episodes of Sherbrooke of half a century ago.

DIED WHILE STARTING ENGINE

Mr. Aime Cote, thirty-one years of St. Francois de Brompton, died suddenly of heart failure while he was cranking an engine preparatory to starting threshing in the barn of Mr. Reuben Smith, Greenlay at about ten o'clock this morning.

The coroner, Dr. J. A. Boucher, was notified and has left for Windsor Mills where an inquest will be held.

Mr. Aime Cote was the father of Orlas Cote, the three-year-old tot whose feet were so badly cut by a reaper on September 2nd, that it was found necessary to amputate them on arrival of the boy at the St. Vincent de Paul Hospital.

PLYMOUTH CHURCH SCHOOL STAFF HELD OPENING SUPPER AND CONFERENCE

Plymouth Church school staff held the opening supper and conference of the fall season on Friday evening. There was a good attendance of members and a large amount of business was transacted. One of the most important items of business was the consideration of the hour of meeting for the school. After considerable discussion, it was unanimously resolved to meet at 2.30 o'clock. The beginners' and primary departments will continue to meet at 10.45 during the morning service.

The reports from the different departments were very encouraging. The librarian, Mr. Webster Cook, presented a special report on the condition of the library, and steps were taken to make the work of this important branch of the school work more effective.

Special recognition was given to Mrs. I. W. Cook and Mrs. G. W. Powers for the work done in arranging for the monthly suppers, this recognition including all who had so heartily assisted them.

It was decided to hold the monthly conferences on the third Friday of each month, and a resolution was passed asking that the Rev. Dr. Stansbury of Stanstead College, be the special speaker at the October meeting.

M. J. T. Reid, the superintendent of the school presided, and under his guidance a great deal of business was transacted.

SPOKE ON CHURCH'S RESPONSIBILITY FOR WELFARE OF CHILDREN

Special reference was made at the morning service yesterday in Plymouth Church to the great loss the church had sustained in the sudden passing of one of its oldest and most respected members and office-bearers, Mr. T. M. Cowan. During the offertory Mr. Kendall played Greg's "Asa's Todd".

In connection with the rally day observance, Dr. Reid spoke especially on the church's responsibility for the welfare of the children, taking for his text, "Where is the flock that was given thee, the beautiful flock?" Jer. 13:20. The sermon was a strong insistence upon the necessity of the whole church taking an interest in the spiritual life of the boys and girls who will in their manhood and womanhood mould the character and conventions of the social fabric.

Dr. Reid was assisted in the service by the Rev. J. Phillips Jones, M.A., B.D., representative of the Social Service Council of Canada. At the conclusion of the sermon, Mr. Jones gave a very brief outline of the work being done by the organization he represented. The choral service included a solo, "How Lovely Are Thy Dwellings," very effectively sung by Miss Dora Wilson.

After the service the special rally day service for the school was held in Plymouth Hall with a large attendance present. Mr. J. T. Reid, the superintendent, presided and was assisted by Mr. T. Cohoon, the assistant-superintendent. Promotion certificates were given to those who had successfully completed the work in their departments, the scholars being presented by Mrs. W. G. Cross, primary superintendent, Miss Mercia Southgate, beginners' department, and Dr. Rothney, junior department. Appropriate remarks were addressed to the young people by Mr. J. T. Reid.

Mr. Reid announced that owing to circumstances it would be impossible for Dr. Rothney to continue as superintendent of the junior department, a fact which all regretted; but he was pleased to announce that Miss Agnes Edwards had been appointed to succeed him. Mr. Reid asked for the loyal co-operation of all the scholars and staff during the season, especially in view of the change of the hour of meeting to 2.30.

Brief addresses were given by the Rev. J. Phillip Jones and Dr. Reid. The whole service was very successful, fully carried out, including recitations by members of the school. At the evening service, the addition to the anthem by the choir, the Misses Della and Graec Wilkie gave a beautiful rendering of Henry Smart's composition, "Faint Not, Fear Not."

BOXING MATCH

(Continued from page 1) out all being locked up. After the storm of the battle had died down the five youths made deposits and were allowed their freedom. As soon as the news of the evening's events reached Drummondville the mayor of the town got into communication with the local authorities and an understanding was made.

Social and Personal

Miss Margaret Breckenridge returned to the city today after spending a few weeks in Boston and New York.

Dr. James A. Thompson, of St. Johnsbury, Vt., formerly of Sherbrooke and Sawyerville, is a visitor in town today.

Mrs. C. W. Clark, Albion Hotel, spent the week-end in Montreal with her son, Mr. Charles Clark, Jr., who is a student at McGill University.

Mr. F. C. Whitker, of the local Bell Telephone Company, has returned from a holiday spent at his home in Brantford, Ont.

Mr. and Mrs. J. T. Hawkins and daughter, Andrea, returned yesterday from a three weeks' trip to Winnipeg, Fort William, Chicago, St. Paul, Detroit, Toronto and other points.

Beautiful cut flowers were placed on the pulpit of St. Andrew's Presbyterian Church yesterday in memory of the late Wallace Shaw, a former elder in the congregation, by members of the Shaw family.

Mrs. W. E. Paton was the hostess on Saturday afternoon at the St. Francis Golf Club. The table was decorated with autumn leaves, and Miss Peggy Aitken and Miss Marjorie Lynch assisted in serving.

Mr. and Mrs. John Wier and Master Stewart and Mr. and Mrs. Donald E. Stewart, of Montreal, were the guests over the week-end of Mr. and Mrs. E. E. Messenger, King street, and Mr. and Mrs. A. E. Abercrombie, Wellington street.

Mr. C. Ritchie Bell left on Saturday for Montreal, where he conducted the services of public worship in the Livingstone Memorial Church on Sunday. Mr. Bell will remain in that city and attend the Presbyterian College to pursue his studies of theology.

The first fall meeting of the Mothers' Auxiliary of the 2nd Boy Scout Troop was held at the home of Mrs. F. Baker, Wellington street, on Wednesday evening with a good attendance of members. D.S.M. Wm. Govetti opened the meeting, after which Mrs. Eurt Jones, first vice-president, took charge and the usual routine business was carried out. C.M.C. Price and A.C.M. N. Hunter were also present. During the meeting it was decided by the mothers to assist the cubmasters with a "Parents' Cub Night," to be held on October 11th at the 63rd Armory. After the meeting delicious refreshments were served by the hostess, assisted by Misses McClatchie and F. Stanwick.

Among the guests registered at the New Sherbrooke House over the week-end were Miss Albert LaFrance, Montreal, Que.; Miss Catherine Doyle, Lincoln, N.H.; Miss Annie Hunt, Fort Smith, Ark.; Mrs. C. R. Bernbaum, Cincinnati, O.; Mr. and Mrs. W. Fayles, Dumont, N.J.; Mr. and Mrs. G. Gordon, St. Hyacinthe, Que.; Mr. and Mrs. J. P. Black, Delanco, N.J.; Mr. and Mrs. Edgar Fortin, Beauceville, Que.; Mr. and Mrs. C. G. Miller, Sebring, Fla.; Mr. and Mrs. Wm. R. Hersey, South Sparwick, Mass.; Dr. and Mrs. L. K. Austin, Portland, Me.; Mr. and Mrs. Lawrence Blake, Bristol, N.H.; Mr. and Mrs. Allan Rankin, St. John, N.B.; Mr. and Mrs. J. H. Gray, Elizabeth, N.J.; Mr. T. Brown, Asbestos, Que.; Mr. W. Lister, Newport, Vt.; Mr. H. F. George, Toronto, Ont.; Mr. R. W. Gressman, Ottawa, Que.; Mr. H. Charland, Wootton, Que.; Mr. N. J. St. Cyr, Menden, Conn.; and Mr. S. W. Wakefield, Lyndonville, Vt.

CONTRACT MADE BY CITY AND COTTON MILLS

City Authorities and Officials of Cotton Mills Met on Saturday and Contract Was Signed Whereby City Furnishes Full Amount of Power Used at Plant.

The City authorities and the officials of the Canadian Connecticut Cotton Mills met on Saturday in connection with the contract between the City and the cotton factory regarding the supplying of power by the city to this concern. After the matter had been discussed, the contract was signed, and now the entire electrical current used by this company is furnished by the city. According to the contract the city will furnish the Cotton Mills with 3,000 h.p. of electric current, while the cotton mills also have an option for an additional 3,000 h.p. when the city develops Westbury. The price at which the city furnishes this power is one cent per kilowatt hour for day use and one-third of a cent per kilowatt hour at nights until 1928. After 1928 the night rate will be half a cent per kilowatt hour.

It is understood that with the furnishing of power to the Cotton Mills, and with the extra demand for power, the city will proceed immediately with the development of Westbury in order to be able to meet the demand. Before the signing of this contract a certain amount of power used by the cotton mills was furnished by the city, while another amount was secured from the Southern Canada Power Company. Now, however, the city furnishes all the power used.

Miss Molly Popham, who has been a guest of Mrs. Lloyd McKee, Montreal Street, for the past week, returned yesterday to Montreal.

Mr. and Mrs. Charles Zanes, of New York, who have been guests of their daughter, Mrs. Charles Wolff, Moore Street, for some time, left town yesterday.

Mr. Charles Wadsworth was the guest of honor on Saturday evening at a dinner at St. George's Club on the occasion of his approaching marriage, given by a number of his friends. He was presented with a cabinet of flat silver.

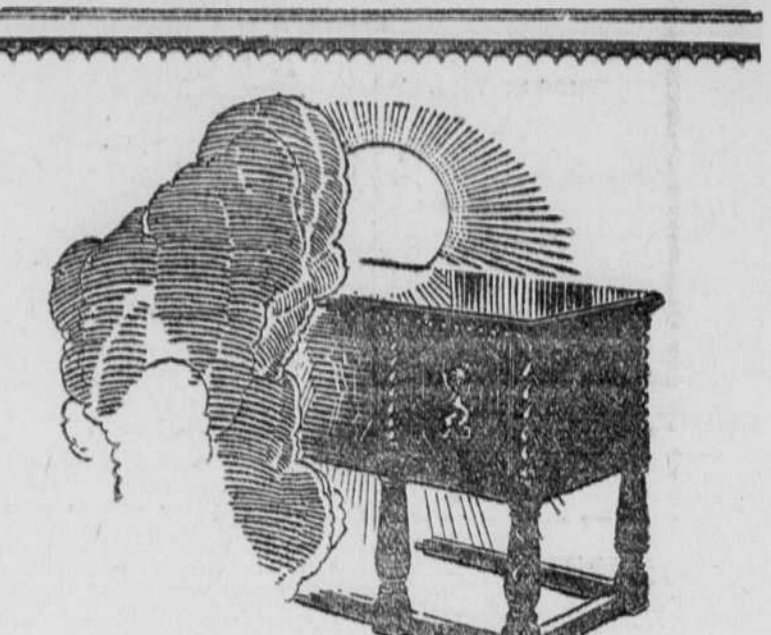

The Woodlands Tennis Club entertained at a "corn roast" on Saturday evening in their club house. Miss Annie Workman was the hostess, assisted by the executive committee. In spite of the bad weather there was a good attendance, and cards and music were indulged in during the evening.

Miss M. Haight, Portland Avenue, entertained at a handkerchief shower on Saturday afternoon in honor of Miss Grace MacKinnon, who is to be married shortly. The gifts were tied up in orange paper, and as the guest of honor entered the room her friends showered her with the parcels. The tea table was decorated with marigolds and orange candles, and Miss Van Vliet poured tea.

Dr. Phillips Jones arrived in the city on Saturday, and yesterday occupied the pulpit of the Trinity United and Plymouth United Churches, presenting the claims of the Social Service Council of Canada. Dr. Jones, who has succeeded the late Dr. Shearer as general secretary of the Social Service Council of Canada, leaves tomorrow for the Maritime Provinces, and will visit Richmond and Quebec en route.

The food sale and afternoon tea held by the Ladies' Aid of Trinity United Church on Saturday afternoon was very successful, although there were many other attractions and the weather rather unpleasant.

The food table, well laden with Howard and Mrs. Bentley, Mrs. Mc-homa-made cooking which found a ready sale, was in charge of Mrs. A. G. Campbell, Miss Campbell, Mrs. M. S. MacDonald, Mrs. J. A. Pea-body and Mrs. J. C. Smith. The tea arrangements were in the capable hands of Mrs. H. Lloyd, Mrs. B. C. Harrison.

Back Comes Furniture Beauty

Like Sunshine Coming From Behind Dull Clouds

IT'S fascinating to see that dull tired look on your fine furniture give way to a charming fresh attractiveness under O-Cedar's beneficial influence. And it's so easy. To prove that, get a bottle of O-Cedar Polish. Apply a little on a damp cloth and rub lightly with a dry cloth. It cleans as it polishes. The effect is magical. The grime comes off and the original rich dry "velvet" beauty of the wood beneath appears. When you see the result you won't rest until you do the same thing for every piece of fine furniture and woodwork in your home. For polishing—apply sparingly—preferably on a damp cloth; polishing off with a clean dry cloth. For daily dusting—sprinkle a little on your dust-cloth.

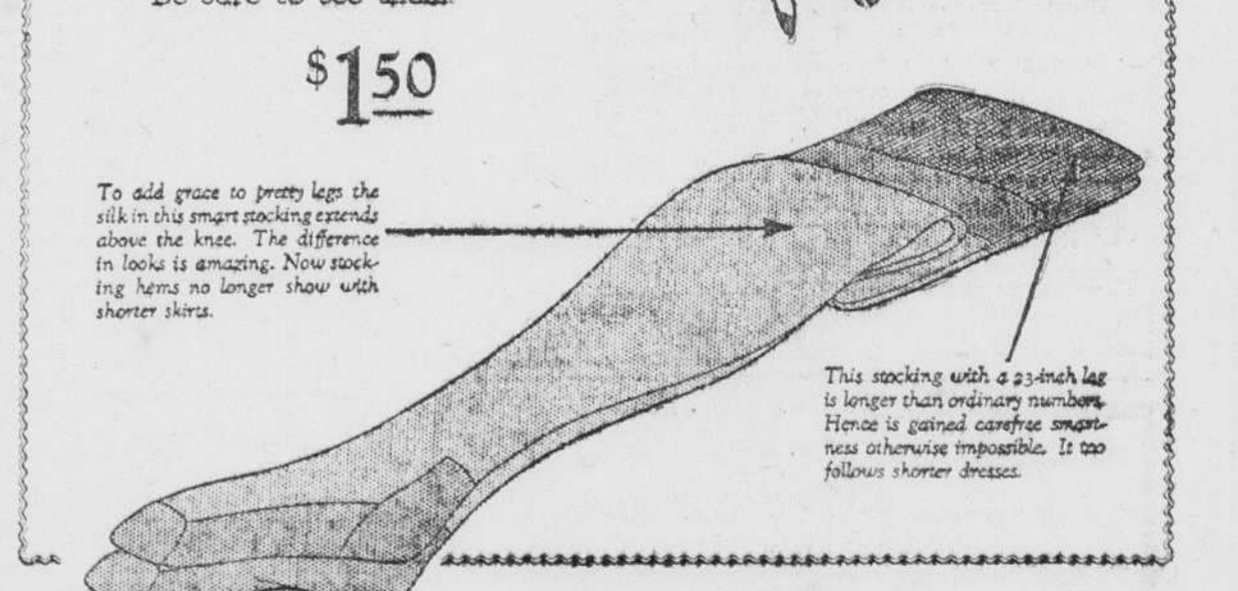

Sold at Grocers, Hardware and Departmental Stores everywhere with a money back guarantee. In 25c. to \$3.50 sizes. O-CEDAR POLISH, TORONTO

This New Holeproof Stocking Proves Immensely Popular

Women asked us for the 2 new features it supplies

NOW with shorter skirts the stocking hem must be concealed—the top kept higher. Here are shown two features that give this fashion safety. Both are found in a stocking of pure thread silk that provides chic distinction. Run stop, reinforced heel and famous Ex Toe give it far greater wear. Today new Paris colors have just arrived in this new number. Be sure to see them.

PLUS these 5 fashion features:

- 1. Exquisite clearness. In sheer weights clearness comes only through uniformly even thread. The lack of it in cheaper silks causes unsightly shadow rings. So at greater cost Holeproof selects silk judged the world's finest.
2. Correct Paris shades. Paris authorities select the newest colors. A scientific dyeing process keeps them clear and bright. Holeproof's anti-fade treatment protects from fading.
3. Superlative transparency, even in the heavier weights. There is no cloudiness, no streaking. First the silk is tested, then it undergoes the special Holeproof treatment.
4. No loose ends. Loose threads mar appearance. So Holeproof carefully trims the inside of each stocking by hand.
5. No imperfections. Style vanishes with imperfections. And here Holeproof safeguards you by nine separate inspections. It is a fact that few other fine hose are so uniformly perfect.

Go to your nearest shop today and see Holeproof's newest numbers in the latest shades from Paris

REASON SUPERIOR TO PASSION

It is certainly regrettable that there should be any unpleasantness over the site for the Soldiers' Monument, for such a matter should never encounter the least dissension, because it is too sacred a subject to be wrangled over. If such has occurred, it is due to a number of misunderstandings and due to the inexperience of dealing with a subject of this nature. We have never known what it was to erect a monument to the dead except to the members of our own families, therefore, it is not surprising that some complications should arise where it comes to choosing a site for a monument that records the memory of a multitude of soldiers, from a mixed community, and who have all sacrificed their lives for the same glorious cause. To decide on a site to please every bereaved member of the community could be done only by superhuman power. As for us, our only resource is for reason and this must be used to select as near as possible the most suitable location. There is, so far, no difficulty encountered that cannot be easily overcome.

One thing is certain, and that is, there was too little interest taken at the beginning, and too much indifference afterwards, therefore, it was certainly a difficult task for the Council to act otherwise than they did. The members of the Council fully realize that their duty is to work for the best interest of the city, and they are only too eager to do so, and they certainly have no inclination to do otherwise. If less cautious criticism had been used, and more practical action taken all unpleasantness would have been avoided.

Reason produces better results than passion always, but where reason is withheld, and passion allowed to work its way out, the result is always precarious. This means that there are many well informed citizens who could have advised the Council how to act, but they did not do so. If this had been done the situation would be quite the reverse of what it is.

For eight years, since the war, this city has lived without this monument and it has not suffered, therefore, a delay of a few months more will not make any difference, and during this time, some amicable solution of this problem can surely be arrived at. It is understood now that the Council regret the proceedings taken, in fact all have admitted this except two, and would be only too pleased to be relieved from the responsibility. This relief would be to leave the matter to the public to decide. Such a course would eliminate all passionate sentiment, if such exists, and it would be so easy to carry out. It remains now for those able and willing to do this. This would render a practical, peaceful and satisfactory solution of the subject and that would be the end of it.

It would be a thousand times better to delay the erection of the monument for a few months rather than to place it on a site where it would be a grievance to those who are the most devoted to its worship, and these are the relatives of their loved ones who are buried in foreign fields and in unmarked graves. The monument must not be erected on King Hill, and it will take just a little effort to prevent it on the part of the right source, just a little diplomatic effort will do this. An appeal to reason is all that is needed. H. H. Morency, Real Estate.

Blasco Ibanez, author of "The Four Horsemen," has been filmed as one of the outstanding achievements of the screen and appearing under the name of "Torrent" will head the Premier bill today, tomorrow and Wednesday.

The story is laid largely in Spain, and tells the romance of a peasant girl who rose to fame as an opera star but remained true to the love of her youth, who could not soar to her heights.

The story of a man's relentless pursuit of a woman and the spirited manner in which she fights back form the plot of "The Dancer of Paris," which will be a feature attraction at the Premier Theatre on Thursday, Friday and Saturday.

Conway Tearle and Dorothy MacKail have the leading roles, and the story is laid against a series of rich backgrounds. Starting in Florida, the scene quickly switches to Paris, where, in settings picturesquely revealing the night life of the famous capital, the plot, moves on to its climax.

AT THE CASINO THEATRE "Tainted Money," featuring William Fairbanks and Eva Novak, and "Satan in Sables" will be the two headlines on the double bill at the Casino Theatre today, tomorrow and Wednesday. Both of these pictures have a large and well-selected cast.

The double bill at the Casino Theatre, for the last three days of the week, beginning on Thursday will include "Her Sister From Paris," feature Constance Talmadge, and "Clothes Make the Pirate," the cast includes Leon Errol, Dorothy Gish, Nita Naldi, Tully Marshall, James Rennie and several other favorites.

Mrs. Martha Brown left the District Hospital on Tuesday for her home in Cowansville, having made a very satisfactory recovery. Miss Shirley Cady is assisting her aunt, Mrs. W. H. Smith, in the care of her grandmother.

Mrs. W. G. Miltimore has been recently.

Miss Kate Robb, of Knowlton, spent Saturday and Sunday here with her mother, Mrs. C. O. Robb.

Recent guests of Mr. and Mrs. Clement Gady include Mr. and Mrs. Harold Allen and two children, of Derry, N.H.; Mr. and Mrs. Rolfe Dawit, of Leominster, Mass.; Miss Ina Hase, of Farnham, and Mr. and Mrs. W. A. Smith and children, of Cowansville.

Rather an interesting affair happened at about six o'clock Sunday morning, September 19th, when Master George Rabitot was getting in the herd of cattle on the farm of his father, Mr. Geo. Rabitot, on the government road, about one mile from here.

terrible rate of speed, the first one, with a New Jersey license, striking two of the cows breking their legs, thus necessitating their being killed immediately. Mr. Rabitot heard the commotion and went to the scene, demanding a settlement for the price of the cows, one of which was the best in the herd. The men were determined to go on without settling, so Mr. Rabitot sent to the house for Col. J. C. Massie, of Dunville, Ont., who happened to be visiting his mother-in-law at the time. He threatened telephoning for a policeman from Cowansville, after which the drivers became calm and serene and were perfectly willing to do the right thing. Dr. Hayes was called to place a value on each animal. The men were not prepared to pay the ready cash down, so they phoned to Mansonville for the proprietor of the hotel, where they had stayed overnight to come to their assistance, he being a personal friend. Prompt and satisfactory settlement was then made and the three men were allowed to proceed toward Montreal.

Mr. and Mrs. C. B. Jameson and Mrs. E. J. Struthers motorized to Clarenceville on Thursday to attend the funeral of a relative.

ON OFFENSIVE, CARDS' INFIELD HAS THE EDGE

Records of Infielders of Two Teams that Will Clash in the World Series.

NEW YORK, Sept. 27.—Offensively the infield of the St. Louis Cardinals, champions of the National League shows a slight superiority over the New York Yankees, coming to bat in behalf of the American League in the approaching World Series.

The four regular infielders of the Cardinals have a batting average of .293 against .274 for the same number of players likely to occupy places in the Yankees' first line of defense. Base-running activities of the two quintets are not impressive, but the westerners maintain their slight edge here also with a total of thirty-seven to twenty-nine.

Lou Gehrig, with a batting average of .311, tops Jim Bottomley, who has compiled .297. Gehrig has been more successful in hitting for extra bases than the guardian of the first door for the Cardinals, with forty-six doubles, twenty triples and fourteen home runs. Bottomley has hit for the circuit more often than Gehrig, with nineteen homers, but is behind in doubles and triples, his totals being 8 and 13. The stolen base performances of the two first sackers are nothing to grow excited about, but Gehrig leads, 6 to 4.

Manager Hornsby, even though below his usual form, has out-hit Tony Lazzeri, but the Yankee second sacker has been much more successful in negotiating triples and home runs. With a batting average of .317 compared to .270 for Lazzeri, Hornsby has made only five triples and eleven home runs, while the former Pacific Coast star has thirteen base hits and eight home runs. Hornsby drove out 5 doubles to 27 for Lazzeri and they were all even in stolen bases at ten.

Lester Bell, St. Louis third baseman, has a better record than that of Joe Dugan, who will play opposite him. On paper Bell is the best hitter in either infield. His average for the season is .329. Dugan has hit .264. Bell, however, has made 90 doubles, 14 triples and 17 home runs while Dugan has been able to get away with only two thefts.

Mark Koenig, of the Yanks, and Tom Thavenou, representing the opposition at shortstop, are not among the leading hitters, but Koenig's average tops that of Thavenou .260 to .255. The advantage also extends along the line of extra base hitting. Koenig leads in doubles 23 to 13; in triples 8 to 5, and in home runs, 5 to 2. Thavenou is the better base runner, seven to four.

George Toporec will probably have a chance to look over the tops of his "specs" from an infield position for the Cards during the series. He has out-hit Mike Gazella, who has the first call as a Yankee infield substitute, .266 to .232. No excitement whatever has been caused by the base running of this skillful but modest pair, Toporec having stolen one base and Gazella barely doubled his output with two. Neither has made any impression on the home run records.

STOCK PRICES HEADED UPWARD AT NEW YORK

(Associated Press Despatch) NEW YORK, Sept. 27.—Stock prices headed upward again today as indications of more stable money conditions appeared. Initial gains of a point or more were registered by Baldwin, DuPont, General Asphalt, Archison, Postum Cereal and Brooklyn Edison. A few points of weakness remained, however, selling of the mining stocks, such as American Smelting and Anaconda, being based on the sharp drop in silver prices. United States Steel also was heavy.

MONTREAL LIVE STOCK MARKET HAPPENINGS

Prices Paid for Cattle and Other Live Stock at the Montreal Stockyards—Other Details.

(Associated Press Despatch) MONTREAL, Sept. 27.—Cattle receipts 1,449. Cattle prices were easier. Butcher steers sold up to \$6.50, with one lot averaging \$1.100 pounds at \$6.65 and ten choice steers picked out at \$7.30. The bulk of the good killing steers were sold around \$1.25, and medium and common steers brought from \$4 to \$5.75. Heavy branded cows were sold for \$5 and the same price was paid for a few lot of local cows, some of which were bought for export. Very few if any heifers brought more than \$5.75. \$5 was the price for the majority of the better kinds and from \$4 to \$5 for the common.

Calf receipts 2,056. Veal calves were scarce and prices ranged from \$10.25 to \$11.50, with a few choice ones picked out at \$12. Grassers in a few lots were sold for \$4 and \$4.25, but packers were offering from \$3.50 to \$3.75 for straight car lots.

Quotations: Good veal \$10.25 to \$12, medium \$7.75 to \$8.70, common \$5.50 to \$7, grass \$3.50 to \$4.25.

Sheep receipts 7,482. Lambs were lower and trading was very slow. \$11.50 was offered for 200 real good ewes and wethers from the Scots-town lamb fair. A few sales of straight car lots of good lambs were made at \$11 for the ewes and wethers and \$10 for the bucks. Poor quality lambs sold up to \$10.50 for the ewes and wethers and \$1 per cwt. cut on bucks. Sheep ranged from \$4 to \$6.50.

Quotations: Ewes \$4 to \$6.50; lambs, good \$11 to \$11.50, common \$9.50 to \$10.50.

Hog receipts 4,554. With a heavy offering of hogs, prices were lower. Sales ranged from \$12 to \$12.25 for good quality thick smooths and shops, and \$12.50 was offered for select. Sows ranged from \$9 to \$10.

AN IRREGULAR TREND TODAY AT MONTREAL

Trading During First Half Hour Was Dull Affair—Abitibi and Brompton Were Strong.

MONTREAL, Sept. 27.—Trading on the local stock exchange during the first half hour this morning was a dull affair, with prices revealing an irregular trend. Laurentide led the market, and after opening at 110 1/2, up a half, this issue advanced to 110 3/4, but in later trading it cast back to 110 for a loss of half a point.

Abitibi and Brompton were strong, the former at 97 being up 1/2, while the latter scored a flat gain of one point at 38 1/2. Penmans was the weak spot. This issue lost two points at 188 on a single board lot sale. Alcohol began the day with a quarter point gain, while Breweries sold unchanged at 69. Brazilian at 120 1/2, was down half a point at the opening.

HAY MARKET

HAY.—The tone of the market for baled hay remains steady, but the demand shows no marked improvement and business in consequence is rather quiet for the season of the year, the demand being chiefly from local buyers for supplies to meet immediate wants and sales of car lots of No. 2 timothy hay were made at \$14 to \$15 per ton. No. 3 timothy hay at \$13 to \$14 per ton, and clover mixed hay at \$12 to \$13 per ton, f.o.b. cars here.

GRAIN MARKET

GRAIN.—Owing to the continued unfavorable weather prevailing over the entire Canadian spring wheat belt and the excellent demand that developed for cash wheat in the Winnipeg market yesterday on account of the improved volume of business worked overnight for export in nearby positions the market was strong throughout the session and prices for contract grades scored another advance of 1-5-8c to 2-1-2c per bushel. No. 1 northern closing at \$1.45 5-8, No. 2 northern at \$1.41 5-8, and No. 3 northern at 1.37 1-8 per bushel, ex-store, Fort William. The premium on No. 1 northern closed unchanged at 5 1-2c per bushel over the October option, while No. 2 was 1-2c per bushel higher at 1 1-2c, and No. 3 advanced 1-2c to 3c under the export business in grain in the Montreal market yesterday was very quiet owing to the fact that foreign buyers' bids were several cents per bushel below working basis. The local market for cash oats was stronger in sympathy with the sharp rise in the Winnipeg market and dealers generally at the close of the day marked prices up 1c per bushel with car lots of No. 2 Canadian western quoted at 64 1-2c, No. 3 C. W. at 61c, extra No. 1 feed at 61 1-2c, No. 1 feed at 59c, and No. 2 feed at 57 1-2c per bushel, ex-stores.

COUNTRY PRODUCE

EGGS.—There was no change in the local egg situation yesterday, the

undertone to the market for all grades being steady with a fair volume of business passing in fresh extras at 52c, firsts at 46c, and seconds at 38c per dozen. The movement of storage eggs continues fair, and prices were unchanged with sales of extras at 43c, firsts at 39c, and seconds at 34c per dozen. In a wholesale way fresh firsts sold at 42c per dozen, and seconds at 32c per dozen.

POULTRY.—The tone of the market for dressed poultry remains steady under a fair consumptive demand, and a good business was done with sales of selected turkeys weighing 8 lbs. and under at 37c to 40c per lb.; 6 to 7 lbs. at 40c to 43c per lb.; 8 to 9 lbs. at 44c to 46c per lb.; 10 to 11 lbs. at 47c to 49c per lb.; 12 to 13 lbs. at 50c to 52c per lb.; 14 to 15 lbs. at 53c to 55c per lb.; squab broilers at 39c to 44c per lb.; selected broilers at 37c to 42c per lb.; milk-fed chickens at 40c to 44c per lb.; selected fowl at 25c to 35c per lb.; green ducklings weighing 5 to 6 lbs. at 35c to 38c per lb.; domestic ducklings at 32c to 35c per lb.; and selected ducks at 20c to 29c per lb.

HONEY.—A fair trade was done in honey and as supplies were ample to meet all requirements the tone of the market was steady with sales of No. 1 white clover in comb at 25c per section, No. 2 grade at 20c per section, No. 1 amber at 20c per section, No. 2 at 16c per section, No. 1 white strained honey in 30 lb. tins at 15c per lb.; 10 lb. tins at 14 1-2c per lb.; 5 lb. tins at 15 1-2c per lb.; 2 1-2 lb. tins at 16c per lb.; buckwheat honey in 60 lb. tins at 10c per lb.; 5 lb. tins at 11c per lb. and 2 1-2 lb. tins at 12c per lb.

POTATOES.—Owing to the more liberal supplies of potatoes coming forward and the accumulation of stocks on spot an easier feeling developed in the market yesterday and prices declined 5c to 10c per bag with sales of car lots of New Brunswick cobbles at \$1.30 per bag, and Quebec white stock at \$1.20 per bag of 90 lbs. ex-track.

DAIRY MARKET

MONTREAL, Sept. 25th. BUTTER.—The feature of the trade was the continued easy feeling that prevailed in the market, and prices were reduced another 1-2c per lb., but even at the lower level the demand from all sources was limited and the volume of business was small. Eastern Townships No. 1 pasteurized creamery butter sold at 33 1-2c to 34c per lb.; No. 1 unpasteurized at 32 1-2c to 33c per lb. and No. 2 grades at 31 1-2c to 32c per lb. and Eastern Ontario No. 1 pasteurized was quoted at 32 1-2c to 33c per lb. with western No. 2 pasteurized last-half August make offering at 32 1-4c per lb.

CHEESE.—Owing to the disappointing demand from foreign buyers for supplies the tone of the market was again easier and prices declined another 1-8c to 1-4c per lb. with sales of western No. 1 white and colored, September make at 17 3-4c to 18c per lb., and August make at 17 1-2c per lb., while eastern No. 1 white and colored were quoted at 17 1-4c to 17 3-8c per lb.

What Kind of Breakfasts do "Great Men" Eat?

SUCCESSFUL Business Men, famous Doctors, Lawyers, Statesmen—what do they think about food—about breakfast—in relation to their efficiency, their success?

Quite a question. And a scientific institute engaged in research on foods has secured an interesting answer to it—by the many hundreds of replies received from the country's biggest men to a recent breakfast questionnaire. These men, in their answers, say that they have discovered that daily diet has a very important effect on daily efficiency. They have found that a heavy breakfast means a mind less alert during the first working hours of the day. On the other hand, they know that a scanty, ill-balanced meal results in mental fatigue long before lunch time. Consequently, they "split the difference", as one man expresses it. They habitually eat a moderate amount of food—which contains a large amount of nourishment.

Grape-Nuts is the Kind of Food Which Makes for Health and Efficiency. The man who chooses, for efficiency's sake, a

light or moderate breakfast, will find Grape-Nuts as valuable as it is delicious. Grape-Nuts is made from whole wheat and malted barley. It is specially milled and prepared so as to be easily digested. It supplies to your body these vitally essential elements of nutrition: Dextrins, maltose and other carbohydrates for energy; iron for the blood; phosphorus for teeth and bones; protein for muscle and body-building; and the important vitamin-B.

Grape-Nuts is supremely delicious. And crisp—so that it gives your teeth and gums, through chewing, the exercise they need so much for health.

Because this one food can give you so many essential elements in such delicious form—try Grape-Nuts to-morrow morning. Your grocer has it in wax-wrapped packages ready to eat. Four teaspoonfuls, costing less than one cent, is sufficient for each helping. Serve at the side of a bowl of milk or cream.

If you would like to try Grape-Nuts free for two days before you buy a package, and secure a copy of a little booklet we have prepared, giving a number of excellent "efficiency" breakfast menus, accept the offer below.

## ATHLETICS ARE THREATENING THE INDIANS

Ball Season, Ordinarily Ending Today, Probably Will Drag Through a Few More Games.

(Associated Press Despatch) NEW YORK, Sept. 27.—The baseball season, ordinarily ending today, probably will drag through a few more games until contests that have a bearing on play in the league standings are played. The Cleveland Indians now find the Philadelphia Athletics threatening to oust them from second money in the American League. The Athletics, by whipping the Indians again today and taking three games left with Washington, can just nose out Cleveland for the runner-up position.

## SWIMMERS BEAT BISHOP'S IN OPENING GAME

Quebec Team Downed University in Exhibition Game by 8 to 6 at Lennoxville—College Showed Need of Practice, But Game Was Good for Early Season Rugby.

In the first game of the 1926 rugby season for both teams, the Quebec Swimming and Athletic Club beat their old rivals, Bishop's University, by eight points to six in an exhibition game at the University campus on Saturday afternoon. While not producing the brand of football seen in this section later in the season when the local and visiting teams have been playing for some weeks, the game was nevertheless a close one throughout and a very fair exhibition of early season rugby. At no time did either squad have any margin to speak of over the other, though Quebec took the lead early in the afternoon and maintained it. The final result could not be forecast until the last few minutes, when it was apparent that the collegians could not get by the Swimmers for the break which they needed to win, and consequently it was fairly exciting. Rain began to fall at half-time and increased until the last few minutes were played in a downpour, though the crowd of about four hundred people remained until the end.

The Quebecers had considerable new material on their line-up from former years when they have played Bishop's, though still containing the Divines, Wright, one of the Prices, one of the Scotts and Beatty. Outstanding amongst the newcomers was Amaron, former player for MacDonald College, and for the past couple of years master and football coach at Stanstead College, who is this year teaching at the Quebec High School. Amaron displayed fine football in every department, managing the team at the key position and making several spectacular runs and effective tackling. Wright, Hobbs and Beatty, captain, were other star men. Hamilton, formerly of Bishop's College School, did good work on the line.

Bishop's lost numerous chances for good gains by poor snapping and clumsy passing, faults caused by insufficient practice, but which can be easily overcome by their new coach, Herb Murphy, who was on hand on Saturday to see his squad in action. Of all men on the team, the outstanding was Klein, who as a freshman last year displayed remarkable ability in running back the ball, end runs and tackling. Once more he shone on the backfield and made many effective runs. Captain Rider, Robertson, Dinan and the Johnston brothers were other first class men on the back division. The College line started out rather weak, but strengthened soon and did not let their opponents get any serious breaks.

**First Half.**  
Bishop's, having received on a Quebec offside, lost ground on a fumble and kicked. Hobbs rained fifteen yards on a long end run. Quebec kicked on the third down and tried to get a rouge, but Robertson ran it out. Bishop's tried to kick but were downed on a fumble behind the line for a rouge.  
Bishop's kicked but were blocked, and Quebec secured near the college line, losing on an offside. Later Quebec secured again near the line and Amaron went through for a touch. Quebec 6, Bishop's 0. Klein and Dinan made yards twice, kicked and received on Quebec's return. Klein bucked through centre for a try, making the score six to five.  
Bishop's started the second quarter well but lost twice on good runs by forward passes. Quebec added a point by Divine kicking to the dead-line. Bishop's lost steadily on poor passing and end runs, but Quebec was kept in check well.

**Second Half.**  
The second half of the game lacked any spectacular play, both teams being forced to kick on third downs when in possession nearly every time. Divine added Quebec's last point with a kick to the deadline.  
In the third period the college made a determined offensive against their opponents to overcome the three point lead, and J. Johnston and Klein made good yards. Klein tried a drop but missed, though Quebec was forced to rouge. Quebec 8, Bishop's 6. The last quarter went off with neither team able to make any headway, and the game ended at 8 to 6 for the visitors.  
The teams lined up as follows:  
Quebec — Flying wing, Simons; halves, Wright, Hobbs, Price; quarter, Amaron; snap, Webster; insides, Beatty, L. Divine; middles, Hamilton, McTeer; outsides, Kerr, Quinn; spares, McCauley, T. Divine, Scott, Staton, LaRoche.  
Bishop's — Flying wing, Rider; halves, Klein, Dinan, Robertson; quarter, T. Johnston; snap, Sperber; insides, Parkinson, Jefferies; middles, Creegan, Loomis; outsides, Kenney, Wade; spares, J. Johnston, H. White, Stewart, Hall, Bouchard, Dean, McMorran, McHarg.  
Referee, W. Small, Bishop's College School.

**SHERBROOKE DOWNED STANSTEAD**  
On Saturday afternoon the Sherbrooke rugby squad travelled to Stanstead and did very well for their opening game, defeating the Collegians on their own field, the first time this has been done for two years, the score being 15 to 5. The feature play of the game was a sixty yard extension run made for Sherbrooke by Mitchell, McCaw, Hawkins and Bryce. The outstanding players for both teams were McCaw, Bryce and Hawkins for Sherbrooke, while for the losers Smyth was by far the outstanding player.

In the first quarter there was practically nothing done, neither team being able to get away, but in the second quarter Mitchell soon got through for a touch. Bryce missed the convert. Then Stanstead came back, and with a good right end run, made a touch which was not converting the score.  
In the third period Sherbrooke came to life and early in the period Mitton was able to make a touch. It was in this period that the extended run was made and Mitchell, McCaw, Bryce and Hawkins with the sixty yard run got up to the Stanstead fifteen yard line when the whistle blew for end of quarter.  
Starting on the fifteen yard line Hawkins, for Sherbrooke, made an end run and was laid out just inside the touch, but Bryce was able to get the ball and made the touch, running the score to 15 to 5. Stanstead tried to repair some of the damage but Sherbrooke held strong and the game ended with the score unchanged.

## J. G. WATSON CUP WAS CAPTURED BY Q.C.R. TEAM

Quebec Central Won Last Soccer Game of Season — Defeated Elesco in Cup Final by Score of 3 to 0—Game Clean, But Somewhat Slow on Account of Rain.

Playing on the Parade Grounds on Saturday, Quebec Central defeated the Elesco football eleven in the finals for the J. G. Watson Cup by a score of three to nothing. The game was fast and clean throughout, thought falling rain made it

uncomfortable for the players and spectators alike. Quebec Central secured all three goals in the first period, T. Jackson obtaining two of his team's goals and Pentland netting the third.

Both teams lined up in a down-pour of rain. Quebec Central won the toss and elected to kick into the north goal. Elesco advanced on McGinty, Bennett giving him a hard shot which he managed to clear. Shand obtained the ball and passed to T. Jackson, who evaded the backs and beat Lougheed for Quebec Central's first goal. Elesco pressed hard trying to even matters up, but were unable to break through the Railroaders' defence. Both teams set a fast pace, but the slippery condition of the field made good football next to impossible. Elesco received a foul thirty yards from the Quebec Central goal, but Boness fumbled the kick. Quebec Central invaded Elesco territory and Lougheed was called upon to save shots from Wootton, Shand and T. Jackson. Pentland received the ball and sent in a hard shot. Lougheed saved, but could not clear quickly, allowing time for T. Jackson to rush in and score. Elesco rushed the Quebec Central nets, Bennett forcing McGinty to save on a long, low shot. Quebec Central retaliated by invading the Elesco goal area, and by nice combination work succeeded in working close to the Elesco nets. Pentland sent in a beautiful drive which left Lougheed no chance to save. Elesco at this stage played harder than ever, forcing McGinty to save hard shots from Davidson, Bennett and Grime. Quebec Central forced Elesco back on their portion of the field and in turn pressed the Elesco boys hard. Lougheed was called upon to save from Jackson, Shand and Joiner. For the rest of the period Elesco played a defensive game and the whistle for half time

found Quebec Central leading 3 to 0. Second Half  
No rest was given the players on account of their wet condition, and, after changing ends, the second period started. Elesco pressed hard, Rice forcing McGinty to save. Quebec Central obtained the ball and in turn pressed Elesco, Pentland forcing Lougheed to save a hard shot. Wootton worked himself into a nice position, but was fouled by Boness. Pentland took the shot, which Lougheed saved. Elesco players made several attempts to break through the Quebec Central defence but were unable to do so. The game slowed up considerably owing to the slippery field and the tired condition of the players, who had no rest at half time. The whistle for full time found Quebec Central pressing hard to break through the Elesco defence, with the score 3 to 0 in the Railroaders' favor.

## DISCUSS PROPOSED RETURN

LONDON, Sept. 27.—Sporting writers are now voicing in their newspapers views on the proposed Gene Tunney-Jack Dempsey fight next year at the Wembley Exposition arena. They give especial attention to a reported demand by Tunney for a purse equal in amount to that received by Dempsey when he defeated him last Thursday night in Philadelphia. Several of the writers, including the expert of Sporting Life, concur that it would be most difficult to obtain admission money here to satisfy such a demand, let alone what Dempsey himself would also want.

"The British," says Sporting Life, the not educated to open air boxing as are the Americans."  
Another expert declares that no glove fight in London would draw more than \$125,000.
