## Tigers Take Five Straight

The years go by, but the Tigers just go on.

They go on winning, that is.

The Upper Ottawa Valley Baseball League title, to be exact.

Five years in a row.

It was a close 6-5 win over Quyon Sunday that gave Shawville the best of five final series in straight games.

And the UOVBL Trophy stays right where it has stayed since 1957 — in the safe-keeping of Mr. Keith Horner, the genial manager-coach-president of the Shawville ball club.

Catcher Wayne Chamberlain who was barely out of kneepants when Shawville won its first title in 1957, drove in the winning run Sunday with a sacrifice fly in the bottom of the eighth inning.

It followed a Quyon uprising in the top of the eighth. Shawville's five run lead melted away, Bryan Murray's shutout pitching was shattered and Earl Powell came in to put out the fire—but only after Quyon's Jack Ghaham tied up the game with a two-run single.

Nursing a one-run lead, Shawville staggered through the ninth to lock up the victory. Powell got credit for the win, with Gil Fraser pitching all the way for Quyon and taking the loss.

Chamberlain led the way for Tigers with three runs batted in. Paddy O'Donnell followed with two, and Royce Richardson banged in the other. Bryan Murray whacked three hits, and Harv Smith had two-for-two. Gil Fraser rapped a pair for Quyon.

Tigers came up with a slick fielding effort to hold the hard-hitting Merchants from Quyon.

The Tigers will probably hook up with Barry's Bay of the South Renfrew League in a series, after some of the veteran players take time out for a bit of moose-hunting.

## Accidents at Otter Lake

A car accident on Saturday, Sept. 30 at approximately 8:30 p.m. sent five occupants from two cars involved to Pontiac Community Hospital in Shawville.

The car driven by Ervine Kluke of Otter Lake was heading west on the Picanock Rd. 1 mile from the village when he met a car driven by Clement Coulton of Arnprior. Mr. Coulton apparently lost control of his vehicle in loose sand and sheered into Mr. Kluke's car, causing injury to occupants of both cars and heavy damage to the both automobiles.

Orval Kluke age 22 and Larry Kluke age 14 both brothers of Ervine, and sons of Mr. and Mrs. Martin Kluke are in the Pontiac Community Hospital, suffering from cuts to the face and head. Another passenger in the Kluke car was Abel Richard age 13 son of Mr. Abel Richard Sr. who is also being held in the hospital with cuts and scratches to the face and head. Ervine Kluke received a chest and wrist injury all have had X-rays. Two occupants of the Coulton car were taken to hospital, but their names have not been released. Quebec Provincial Police investigated the accident.

Weekly accidents have been occurring in the Otter Lake area recently. Approximately 2 weeks ago a car rolled over about a mile from the village on the Shawville road. The occupants in this car were Eric Schrankler and Julius Zimmerling both of Otter Lake. Mr. Zimmerling was kept in the Pontiac Community Hospital over night. He suffered head injuries.

## THE HUNTERS ARE COMING

Up the highway they trundle gaily mackinawed in pairs driving canoe topped canvass bundle laden jeeps, trucks, trailers and caddy's packing spam, klick, cans of beer and boxes of bullets. Now is the time for every good farmer to get out the marking chalk and plainly write COW on each side of each beast. Now is the time when exchanging jovial greetings with the strangers in the bright plaid one wonders gnawingly which will mistake which other for a moose.

## BUY FROM THE MAN YOU KNOW

People in small towns have this advantage over people in cities. They can buy from people they know. The best place to buy is from the local merchant.

The advantages are tremendous. In the first place you know he isn't going to "sell" you one thing and deliver another. He'd be too embarrassed to meet you on the street, at church, at the home and school meeting and the curling rink if he had gypped you. That's just one reason the local man will give you a fair deal.

Another reason is that he probably does business with you too and wouldn't expect you to gyp him. And another reason is that he is your neighbor and neighbors just don't act in the irresponsible way that strangers who are only in town to make a fast buck tend to.

Ask yourself next time a door-way merchant stops by whether he is really the guy you are going to trust in preference to the local merchant. And be particularly suspicious if he has a gimmick like discounts for contacts, for instance. Remember you may never see him again after he has your money and he'll never, never return the business favor and buy whatever goods and services you sell. Never.

## LETTERS TO THE EDITOR

### More About Insurance

Shawville, Que.
Sept. 29th., 1961.

The Editor,
The Equity
Dear Sir;

Your editorial of September 28th., on the new Highway Victims Indemnity Fund was well presented and straight to the point. I would like to add a couple of comments on the Fund. First of all, it is still not 'compulsory' to carry automobile liability insurance. However, if anyone is involved in a serious accident they will wish they were insured. It will not merely be a matter of losing the right to drive, but they will also be called on by the Fund to repay them for the amount that they paid to the parties suffering the loss. The Fund will take the necessary steps to collect this, and the guilty party will not be able to drive again until the Fund has been repaid and satisfactory evidence of financial responsibility is proven.

Also, there has been set up in Quebec an 'Assigned Risk' plan whereby nearly anyone can obtain insurance even although in the past they have been refused insurance protection.

Both the Highway Victims Indemnity Fund and The Assigned Risk Plan have been supported by the Insurance Companies operating in Quebec. In fact, the Insurance Companies, not the Government, are financing the Fund. Therefore, it will be unlikely that we will enjoy lower insurance rates until a lot of the irresponsible drivers are off the road.

Yours truly,
Bud Rowat

### To Clear Things Up

The Equity,
Shawville, Que.
Dear Sir:

Will you please publish the following information in this weeks edition of your paper in order to clear up any misunderstanding that might be prevalent.

1. he Education system in the Province of Quebec provides for two distinct departments under the Minister of Youth and Superintendent of Education, namely, the Protestant Department and the Roman Catholic Department. All those who do not profess the Roman Catholic religion are considered under the Protestant system.

2. The two systems are operated separately under the Education Act which means that the requirements covering both are to be followed by all school boards wherever they may be, therefore, in any municipality where there is a Roman Catholic and Protestant School Board in operation the ratepayers, tenants and pupils of each respective faith are under the control of their own school board and should attend their respective school. This means that the pupils must attend the school of their respective board unless the parents have made formal dissent under the provision of the Education Act.

3. Where there is only one school board operating in the municipality the ratepayers, tenants, and pupils are under the jurisdiction of that board, whether they be Protestant or Roman Catholic and may, therefore, enjoy the privilege of the school operating in the municipality. This can only be changed when the minority group agrees to dissention and becomes an individual corporation as described in Paragraph 2.

4. It is the full intention of the Pontiac County Protestant Central School Board to operate its schools as follows:

(a) All provision of the Education Act will be followed.

(b) Roman Catholics will be admitted to the schools provided they have complied with the requirements of the Act respecting dissention, or,

(c) Roman Catholics will be admitted into the schools if the full cost of the tuition fee is borne either by their respective school board or parents and provided their school board has full knowledge of the arrangements.

(d) At the present time the municipality of Clarendon has no Roman Catholic School Board in operation, therefore, those Roman Catholics domiciled in Clarendon have the full privilege of the Shawville schools provided they have not made application to dissent as provided for under Section 113 of the Education Act.

Any information or explanation of this part of the Education Act will be gladly provided at the office of the Central Board in the Shawville High School.

Yours truly,
K. W. Musgrove, Sec.-Treas.

### HAD YOU BEEN BIG CHIEF TESSOUAT

(A Nod to Researcher Clyde Kennedy)

By Fred Coyne

Had you been Tessouat, the Great Algonquins' wiley chief,
You held the commerce of the River Ottawa in fief;
You levied tax in kind on every passing cargo-load;
You took a toll in wampum from all users of this road,
That was the chief's prerogative — his custom and his code.
Your tribesmen ranged the countryside from Island Allumettte.
Your stronghold was a rugged isle among the rapids set
And thence your grim and gimlet-eyed collectors of the tolls,
Your leviers of taxes got their orders for patrols . . .
And woe betide evaders of your revenue controls!
You knew the Island Allumette: the channels it commands;
The tributary rivers, traffic routes of hunting bands.
You knew the best location an extortioner could get
Was near those tributaries and where all the channels met . . .
You built your stronghold on an isle in Rapids of Paquette.

## Thoms - Carter Wedding

Wainfleet Baptist Church adorned with baskets of white gladioli and coral mums and ferns was the setting for the marriage of Edith Winnifred Carter only daughter of Mr. & Mrs. Louis Carter, Wainfleet, Ont. and Harvey Karl Thoms son of Mr. and Mrs. Adolph Thoms, Port Colborne (formerly of Ladysmith, Que).

The ceremony was performed by Rev. S. Culliford of Wainfleet on Saturday, Sept. 2nd at 2:30 p.m. White satin bows with bells hanging from them marked the guest pews. Mr. Francis Henderson was the soloist singing Because, The Lord's Prayer and during the signing of the register I Love Thee. Mrs. Samuel Stevenett was the organist.

The bride chose for her wedding a floor length gown of pure silk organza over net over taffeta with a scoop neckline appliqued with satin roses and leaves forming a v in the back. The dress featured a fitted basque bodice and bouffant skirt with an overskirt of appliqued satin roses and leaves and appliqued front panel. The back of the skirt formed a fan shaped bustle falling into an appliqued panel ending in a chapel train. Her headdress was a crown of pearls and irredescent crystals and held her bouffant finger tip length veil of hand rolled french illusion. She carried a white prayer book centred with a white orchid and stephanotis surrounded by a cascade of coral baby mums. (Her only jewelry was a pearl and diamond drop, gift of the groom).

The maid of honour Miss Ruth Stirtzinger of Hamlton wore a street length dress of coral organza over net over taffeta designed with scoop neckline cap sleeves and fitted bodice. The bouffant skirt featured a shirred overskirt caught up in place by matchng roses. Her headpiece was a matching pleated pill box with pearl trim. She carried a cascade of coral carnations.

Miss Eleanor Bailey, Wainfleet, Miss Bonnie Lee of Welland were the bridesmaids and were identically gowned but carried cascades of turquoise carnations. Their only jewelry was a pearl drop the gift of the bride.

Miss Darlene MacLeod of Wainfleet was the flower girl. She wore a floor length dress of turquoise silk organza over net over taffeta with scoop neckline and cap sleeves featuring a taffeta cummerbund ending in a large bow at the back with streamers falling to the hemline. She wore a matching pillbox and carried a carrying basket of coral mums.

Glen Thoms brother of the groom of Port Colborne was the best man and Alan Thoms brother of groom of Port Colborne and David Carter brother of the bride of Wainfleet were ushers.

She was assisted by the grooms mother who chose a sapphire blue matte jersey dress and sapphire blue accessories with a white rose bud corsage.

For travelling to Cape Cod the bride donned a peacock blue wool dress, magenta accessories and white orchid corsage. The couple will reside in Wainfleet.

**STONES AND BULLETS**

At this season of the year the transmission and distribution lines, on which the Company's customers depend for their electricity, suffer damage needlessly.

Between the stones thrown by children — and sometimes by adults — and bullets of hunters, insulators are broken and wires snapped each year.

Every broken insulator or snapped wire means an interruption of electrical service, which in turn means annoying trouble for someone. That someone is often a friend or acquaintance of the person responsible for the trouble.

Persons who use electric wires or insulators for targets are poor friends indeed to their neighbors.

You will be helping yourself and doing the Company a service if you assist in discouraging the practice of using the Company's poles, wires and insulators as targets.
