COUNCIL NOT LIKELY TO BE ABLE TO ANSWER COUNTER-PROPOSALS BEFORE THE END OF NEXT WEEK

Reparations Clause of the Austrian Treaty Has Been Virtually Agreed Upon By the Council of Four—The Question of Boundaries Was Discussed at Session Yesterday, But No Definite Conclusion Arrived at—Austrians Do Not Appear to Be at All Pleased With the Terms Offered Them By the Allies.

(Associated Press Despatch)

PARIS, June 5.—It is doubtful if the Council of Four will be able to send a reply to the German counter-proposals to the peace treaty terms before the end of next week, according to the Paris office of Reuter's Limited.

The Council of Four has virtually agreed on the reparation clause of the Austrian treaty. This was announced after the meeting of the council yesterday. The question of boundaries was discussed, but no conclusion was reached.

HINT "LAST WORD HAS NOT BEEN SPOKEN"

(Associated Press Despatch)

BASLE, June 5.—The Grand Council of German-Austria, which met under the chairmanship of President Seitz, adopted the report of Dr. Otto Bauer, the gist of which was that the peace terms presented to German-Austria by the Allies meant "the death sentence of the Austrian Republic," according to Vienna advices received here.

Newspapers of Vienna echo this sentiment with various degrees of vehemence. Some darkly hint that "the last word has not been spoken."

THE GERMANS CLAIM THAT FRENCH ARE BEHIND THE RHENISH REPUBLIC MOVE

(Associated Press Despatch)
BERLIN, June 5.—A proclamation by General Mangin, Commander of the French army of occupation at Mayence forbidding strikes against the leaders of any such movements with expulsion, it published in the Frankfurt Gazette.

The French have a propaganda fund amounting to ten million francs with which to further the movement for the establishment of the Rhenish Republic, declares the Karlsruhe correspondent of the Lokal Anzeiger. This sum, he says, is being used principally in the Rhineland and Palatinate and it is being partly distributed to those favoring an independent Republic at Landau, Mayence, Cologne and Wiesbaden, who without doubt, he adds, "have been bribed."

CHARGE GOVERNMENT IS NEGLECTING INTERESTS OF EAST PRUSSIA

(Associated Press Despatch)
BERLIN, June 5.—Another indication of the sentiment in Eastern Germany regarding the annexation of portions of East Prussia to Poland is shown in a bitter protest signed by all the leaders of the leading political parties in the Oletzko district, charging the Government with neglecting the interests of East Prussia and bartering the Province with the contents for more favorable peace terms.

THE TRANSPORTATION OF FOOD TO POLAND THROUGH DANZIG CONSIDERED

PARIS, June 5.—The Allied military authority informed the Supreme Economic Council at its meeting on Monday of steps taken to prevent the German Government from stopping the transportation of food stuffs to Poland by way of Danzig. The official communication on the council meeting issued today says that the Council also considered the recommendation of the blockade section concerning restrictions to be imposed on Austrian trade with Germany, Hungary and Bolshevik Russia.

REPRESENTATION OF THE DOMINIONS IN LEAGUE

LONDON, June 5.—(Reuter's)—Replying in the House of Commons to Mr. Norton Griffiths' yesterday, Right Honorable Bonar Law, Government leader in the House, stated that the Government intended that representation of the Dominions in the League of Nations should be as full as that of the smaller Sovereign nations. Representatives of the Dominions would be eligible for appointment to the executive council on exactly

SOVIET GOVERNMENT NOW IN SLOVENIA

(Associated Press Despatch)

BERLIN, June 5.—Reports from Vienna declare that a Soviet Government has been proclaimed in Slovenia and it is said that one-third of Slovenia is now in the hands of the Magyars. The Czechs, who are advancing toward Pressburg, are reported to be gaining steadily, while the Slovenians are surrendering in large numbers.

RUMORED THAT HON. MR. CRERAR WILL RETIRE

His Position is a Difficult One—His Retirement Will Weaken Government.

OTTAWA, June 5.—Rumor has it that Hon. T. A. Crerar will shortly retire from the Government and that a considerable number of the prairie Unionists will refuse to accept the Government's economic proposals, which they believe will not meet the desire of their constituents.

Mr. Crerar's position is very difficult. He is a subscriber to the platform of the Farmers' Council of Agriculture and also managing director of the Grain Growers, at a salary of \$15,000. He is also Minister of Agriculture in a Unionist Government. Mr. Crerar entered the cabinet for the war period. While the war problems remain, yet the tariff problem has come also, and he must choose between national duty and the acclaim of advanced free traders, who comprise the Grain Growers' Company. Ottawa believes Mr. Crerar will prefer to return to Winnipeg.

His retirement will weaken the Government by embarrassing the western members. Many of them feel that tariff agitation at present is not in the national interest, but if the Minister of Agriculture takes the opposite view, they will be accused by their constituents with betraying their confidence. Western members will divide into two classes, those who will support the budget proposals, not as far as is consistent with prosperity and stability under present conditions, and those who will vote for re-election to the Commons in the event of an early contest.

OPPOSITION WAS ENCOUNTERED BY SUPPLY BILL

Government's Immigration Act Was Given Third Reading—Senator Bradbury's Amendment Defeated.

(Associated Press Despatch)
OTTAWA, June 5.—The Government's immigration act was given third reading in the Senate yesterday. Senator Bradbury's amendment to Clause 3, expressly prohibiting immigration from countries "regarded as enemies at the signing of the peace treaty," and an amendment which he said was "called for by the blood of 65,000 Canadian dead" was rejected by a vote of 26 to 19, the majority holding that the matter was adequately dealt with by Clause 13 of the Act, which leaves the question of keeping out all undesirable to the discretion of the Minister of Immigration.

The Government's supply bill encountered considerable opposition. Senator Bostock said it provided for vast expenditures and that the Senate should not be called upon to vote them without more detailed information.

Senator Ross (Middleton) said that the \$25,000,000 loan provision for good housing should not be in the supply bill at all. It should be an independent measure and be discussed in all its phases.

Senator Fowler said that, considering the financial situation, it was "simply an outrage" that expenditures such as some of those included in the supply bill should be made. The housing scheme was one of the most absurd ever put forward in this or any other Parliament, and in his opinion the gentleman responsible for it should be examined by the medical authorities.

Replying for the Government, Senator Lougheed said that he is considering a supply bill such as that before it. The Senate had not the right to assume that the House of Commons had not discharged its duties properly. This was a demobilization and reconstruction bill to meet extraordinary conditions arising out of the war, conditions which called for unusual measures. As for the money for good housing, it was merely a loan to the Provinces, Senator Lougheed added. The bill was given a third reading.

LITTLE HOPE FOR CAPT. JAMES.
NEW YORK, June 5.—Hope for the safety of Capt. Mansell L. James, Canadian "Ace" who disappeared last Thursday while flying in a biplane from Lee, Mass., to Minola, was virtually abandoned last night after another day of fruitless searching by airplane and automobile parties.

GREEK ARMY HAS TAKEN ALVALI AND RHIRA

Turkish Troops Failed in Their Attack on Alvali, Says Report.

(Associated Press Despatch)
SALONIKI, June 5.—Greek forces yesterday occupied the towns of Alvali and Rhira, on the Gulf of Adriatic, on the west coast of Asia Minor, about 65 miles north of Smyrna, according to an official statement issued at Greek headquarters. A detachment of Turkish troops made an attack on the Greeks at Alvali, but were repulsed, losing four men killed. The Greeks did not suffer any casualties. The Turks on retiring set fire to their barracks, the statement says.

PARADES BY BOTH ANTI-STRIKE VETERANS AND STRIKERS AGAIN BEING HELD TODAY AT WINNIPEG

War Veterans Threaten to Tear Down the Labor Temple if the Strikers Cut Off the Food Supply—Authorities Held a Session Last Night and Drew Up Plans for the Presenting of a Strong Show of Force to Preserve Order.

(Associated Press Despatch)
WINNIPEG, June 5.—Both the anti-strike veterans and those who have endorsed the walk-out here planned to hold street parades again today. Conciliation offers have been transmitted by both sides through the Railway Brotherhood officials, but neither the metal-workers nor employers have replied, so far as known.

Plans for presenting a strong show of force as possible to preserve order were agreed on yesterday at a conference here of civil, provincial and military officials, when fears of clashes between rival parades were expressed. Further efforts to hamper the food supply were made by strikers, when engineers for milk depots and bakeries were called out. The Mayor countered with plans for opening public food stations. The war veterans now threaten to tear the Labor Temple to pieces if the food supplies are menaced by the strikers.

Mayor Charles F. Gray was informed that a parade of several thousand soldiers intended to march to the Trades and Labor Council this forenoon, force entrance if necessary, and demand that all aliens be ousted from the Winnipeg Unions.

"I understand the soldiers are so incensed over the high-handed methods of strike leaders and insulting remarks made by James Duncan, a Seattle labor leader, yesterday, that they have threatened to wreck the Labor Temple and 'make an example' of the leaders," said Mayor Gray. "I shall urge the men to remember that law and order must be maintained."

Soldiers who attended the mass meeting where Duncan spoke yesterday, declared he referred to the returned soldiers as a "bunch of ignoramuses." The city today took over the distribution of milk, and was arranging to provide for bread distribution, if necessary. It was reported that strike leaders were preparing to rescind their order of yesterday, ordering all union handlers of foodstuffs to go on strike.

HOPES ARE EXPRESSED FOR AN EARLY SETTLEMENT OF THE STRIKE IN PARIS

(Associated Press Despatch)
PARIS, June 5.—In competent circles optimism prevailed this morning relative to the strike in this city, and hopes were expressed that the trouble between the unions and the employers would soon be settled. Through the efforts of the Government, the employers and men in the metal industries have come to an understanding on some questions at issue, but there is no change in the situation regarding the transportation systems, and there is again talk of the Government requisitioning the subway.

The managing committee of the General Labor Federation will meet tonight to consider the situation created by the present movement in which it should be remarked, the Federation has no hand.

The hand of the Bolshevik is appearing in the strike agitation in the region of Paris, according to authoritative information received this morning. A strike in one factory was declared to have been traced to the influence of Bolshevik agents.

PLAN TO LAUNCH "ONE BIG UNION" AT CALGARY

(Associated Press Despatch)
CALGARY, June 5.—Delegates from trade unions throughout Western Canada are planning to meet today to complete organization of the "one big union." The delegates will draw up a constitution which will be submitted later to the trades council for approval. The meeting is scheduled to last ten days.

Calgary's general strike has developed into a fight on the question of whether the Government will reinstate the postal workers who walked out. Labor leaders said the original strike motive, which was in sympathy with the Winnipeg one, has become a side issue. Premier Eden telegraphed it would be impossible to reinstate the postal men.

The Calgary Typographical Union, including in its membership all newspapers and all printing shops, has cast its vote against joining the sympathetic strike here.

VANCOUVER GOING ABOUT BUSINESS AS USUAL
(Associated Press Despatch)
VANCOUVER, B.C., June 5.—Vancouver was going about its business as usual yesterday, despite the general strike. Newspapers appeared, although members of the Typographical Union refused to set up or handle any news or editorial matter which seemed to reflect on the motives and methods of organizer labor at this time. All matter concerning the strike must be submitted to the foremen of the composing rooms, the newspapers were informed.

RAILWAY WORKERS WALK OUT NEAR GAGETOWN
(Associated Press Despatch)
FREDERICTON, N.B., June 5.—A strike by the alien natives employed in the St. John Valley railway construction, between Gagetown and Brown's Flats, has taken place. The strikers are said to be Bulgarians and Italians who have been employed by the Bedford Construction Company and who were not satisfied with the pay they were getting, which was said to be thirty cents an hour. They quit work yesterday when their employers refused to accede to their demand for thirty-five cents an hour. Chief Engineer C. O. Foss and Sec-

PRESIDENT CASTRO HAS RESIGNED HIS POST

(Canadian Associated Press)

ISBON, June 5.—President Canto Castro presented his resignation to Congress today. Congress, amid acclamations, voted to ask the President to reconsider his action.

There have been quite serious disorders in Portugal during the past few months. It is probable that it was in connection with these disturbances that the Portuguese President decided to present his resignation.

BRAULT TO ENTER FIELD AS LABOR REPRESENTATIVE

Decision Means an Election in County—Mr. C. Desjarlais Elected at Compton County Convention.

That Ald. William Brault, for many years connected with municipal affairs, will run for member of the Legislature, as opponent to Mr. J. H. Lemay, the authorized Liberal candidate, elected at the county convention, is the announcement made today by Ald. Brault, who states that he will stand as Labor candidate.

For some time the political pot has been steaming with all sorts of rumors, and when Mr. Lemay was selected by the convention there were two names mentioned as being possible independent candidates, those of Ald. Brault and Ald. Ludger Forest. The announcement by Ald. Forest that he would not stand "because of the paving work" left only Mr. Brault, who has deliberated for some time. Mr. Brault's brief address, following his nomination and defeat at the convention, led many to believe that he would not stand, but a delegation waited on him several days ago, and he has finally consented to run.

Mr. J. H. Lemay, Liberal party candidate, while not making any definite effort at campaigning as yet, states that the party will put up as strong a fight as it is in their power. Preparations are being made for the reception of Sir Lomer Gouin, premier of the province, who is to be here next week, and a mass meeting will be held at that time.

At any rate, however, Sherbrooke will have an election, and speculation as to the result is rife throughout political circles, as it will be until the general elections take place.

MR. CAMILLE DESJARLAIS LIBERAL CANDIDATE FOR COMPTON.

BURY, June 5.—(Special.)—In common with the other counties of the Eastern Townships, as well as those throughout the province, Compton County Liberals yesterday held their convention to select a candidate for member of the Legislative Assembly, and Mr. Camille Desjarlais, mayor of the municipality of St. Edwidge, was elected by a majority vote, and his nomination made unanimous.

Eighty-six delegates assembled in the committee room and two nominations were made, Mr. Desjarlais and Mr. Girard, secretary of East Angus. The vote was taken and resulted in a ballot of 47 to 39 being made, which was immediately followed by a motion on behalf of Mr. Girard that the vote be made unanimous.

Following the election, which was attended only by the delegates, a general assembly was held, at which a large number of prominent citizens of the county heard the announcement of the result, which was followed by several addresses.

Hon. Mr. Walter Mitchell, provincial treasurer, spoke of provincial matters, and made a plea for the present Government, under Sir Lomer Gouin, under whose leadership he said, Quebec was now the head of the Dominion. Progressive politics had always been the motto of the present Government, and they had succeeded more than any other in placing all classes on one level.

Mr. Mitchell also spoke on good roads, and on the advantages which their building would give to the farmers. Other speakers were Mr. Desjarlais, who thanked his constituents for

NO INDICATIONS OF ABATEMENT OF HEAT WAVE

Was Slightly Cooler Yesterday, But Mercury Reached 93—Very Hot Today.

With the thermometer still hovering over ninety degrees, with the sun still pouring down, and the little or no breeze to relieve the intense heat, the hot wave which struck the district the beginning of this week, shows no sign of abating.

It was slightly cooler yesterday than the day before, the morning and late evening being not quite so scorching, but the maximum temperature as registered at the Lennoxville Experimental Station, rose to 93, only one degree lower than the previous day. The entire population of Sherbrooke seem to be seeking some method of getting cool, and many have taken to the parks and outlying districts. The soda fountains are besieged, the men obviously having taken to the soft drinks and ice cream, for cooling purposes, in absence of the usual hot weather beverages.

Today started with a higher temperature than yesterday morning, and at noon, the mercury was hovering above ninety, giving promise of a continuation of the hot spell, and perhaps the warmest day yet.

MEGANTIC NOMINATES MR. L. LATIERRE.

INVERNESS, June 5.—(Special.)—The Liberal Convention for the County of Megantic was held here yesterday, and a large number of prominent party men from the entire county were present. The delegates from the various districts assembled in an ante-room, and the nominations were made. Mr. Laureat Latierre, of Thetford Mines, the present member was re-nominated.

The name of Mr. Roberge, a merchant of Laurierville, was also mentioned, but he retired in favor of Mr. Latierre, whose nomination was uncontested.

RE-NOMINATION IN ARTHABASKA.

ARTHABASKAVILLE, June 5.—(Special.)—The Liberal convention held here yesterday for the County of Arthabaska, saw the arrival of many delegates from all over the county. Mr. J. A. Perrault, present member, was re-nominated by acclamation to stand again as Liberal candidate for member of the Legislature. Several speeches followed the election.

MEMBER FOR DRUMMOND RE-NOMINATED.

VICTORIAVILLE, June 5.—(Special.)—The Liberal Convention for the County of Drummond held here yesterday resulted in a unanimous vote for the re-nomination of Mr. Hector Laferte, K.C., the present member, who will stand again for member of the Legislative Assembly for the County.

NO CONSTIPATION NO PILES

We think, without a doubt, that constipation is the most prevalent, and at the same time, one of the greatest troubles human nature is afflicted with, and causes more sickness than anything else.

Unless a free action of the bowels occurs at least once a day, constipation is sure to ensue, then comes the sore and uncomfortable piles, sick and bilious headaches, coated tongue, obnoxious breath, sour stomach, heartburn, water brash, and many other ailments.

Milburn's Laxa-Liver Pills will regulate the flow of bile to act properly on the bowels, thus removing the constipation and its allied troubles.

Mr. Dan Doucette, Eel River Crossing, N.B., writes: "Having been troubled for years with constipation, and trying everything I knew of, a friend advised me to use Milburn's Laxa-Liver Pills. I used four vials and am completely cured. I can gladly recommend them to anyone who suffers from constipation."

Milburn's Laxa-Liver Pills have been on the market for the past 25 years, and have been used with the best results by thousands of people in that time, and we have yet to hear of a complaint as to their curative powers.

Price 25c. a vial at all dealers, or mailed direct on receipt of price, by The T. Milburn Co., Limited, Toronto, Ont.

RICHMOND

SONS OF ENGLAND "AT HOME." Enfield Lodge No. 159, Sons of England Benefit Society, observed the King's Birthday in a fitting manner, when they gave an at home in their rooms in the Smith's Block in honor of the boys who enlisted from the lodge.

A goodly number were present, including the ladies and invited guests. On the Roll of Honor which hangs behind the presiding officers chair, these names are inscribed: O. D. Martin, J. T. Scott, J. F. Roberts, A. Smith, C. H. Moore, A. C. Chatwin, M.M., D.C.M., W. Dew, F. J. Salway, J. R. Cross, G. G. Price and G. Moore.

Of these the last named paid the supreme sacrifice, while W. Dew and A. C. Chatwin were wounded. Chatwin especially distinguished himself, and was decorated with the Military Medal and the Distinguished Conduct Medal. Some of these men are not in town.

Those who could come were present. Mr. Fred Maw, the energetic and enthusiastic President, was in the chair. In a few words he expressed the welcome of the lodge to the brethren, who so nobly served, and who are home again. Speeches were made by the Revs. MacMillan and G. H. Craik.

The entertainment of the evening consisted of a lecture by Rev. J. F. B. Belford on the Bainsfather cartoons.

A series of very clear slides were shown on the curtain, under the management of Principal Mills. These cartoons are now familiar to everyone in the magazines and newspapers, but they were doubly interesting when explained and paraphrased in the witty and easy manner of Mr. Belford, who has been there and has seen for himself.

Bro. Waller, of Sherbrooke Lodge, an old and staunch member of the order was present and contributed to the enjoyment of the evening, by his witty remarks, and his words of encouragement for every Son of England, to boost their lodge and make it worthy of the name of old England.

Refreshments were served during an interval and a hearty vote of thanks passed to the lecturer and his assistant, and to the Revs. Craik and MacMillan.

Mr. Stanley Desmarais had a bottle of water near at hand as the evening was hot, and oppressive. There is a Veterinary's Desperesary in the rear part of his office. In passing through he took a drink as thought from the water bottle, to his horror, that it was a solution of arsenic, antedotis and emetics were speedily applied and medical assistance which was soon on the scene, furnished the necessary relief. Mr. Desmarais is now none the worse of his mistake, but declares he will not do it again.

BURY

On Friday evening, June 6th, there is to be an address given in the Methodist Church on Reconstruction by the Rev. G. McLennan. The very fact that the subject is being handled by Mr. McLennan makes it certain to be both highly instructive and very interesting. Mr. McLennan is a gifted speaker, and those who fail to turn out to hear him will miss something very much worth while. Mr. McLennan is the field Secretary of the Montreal Auxiliary of the British and Foreign Society, and will treat his subject from the stand point of the place the Bible will or should play in this great reconstruction period. All patriots are intensely interested in the "After the War Problems" and this is an opportunity to get light on these problems, from an angle, often-times overlooked. It is hoped that many will respond to the invitation to be present.

COATICOOK

Stanstead County W.C.T.U. Convention. The annual convention of the Stanstead County White Ribboners will be held at Coaticook on Tuesday and

Wednesday, June 17 and 18. The opening session will be Tuesday forenoon at 11 o'clock sharp, at the Methodist Church, where delegates are requested to drive on arrival. At the Tuesday evening meeting Judge Seth P. Leet, of Montreal, will be the principal speaker. Judge Leet taught in the Coaticook Academy some years ago, and is pleased to respond to the invitation of the county president, Mrs. Oliver, to be present upon this occasion. His late wife was for many years the honored provincial treasurer of the Quebec Ribboners. He has kept in touch with the work of the unions and been of great assistance.

Other attractions of a pleasing nature, as well as the necessary business, should call out a large attendance, both of members and friends.

MAGOG

DIAMOND LODGE HONOR SOLDIERS. The members of Diamond Lodge No. 80 I. O. O. F., recently tendered a banquet to the local soldiers their wives and sweethearts. It also served a dual purpose, in that it was held on the hundredth anniversary of the founding of this great fraternal organization. This official welcome by this Order to the boys who have so recently returned from their labors overseas, is a move in the right direction and reflects great credit on the initiative of the local branch of this Order. The banquet was held on May 31st, in St. Luke's Church Hall. The hall and tables having previously been decorated by the friends and ladies in a manner befitting an occasion such as this. There were about forty-five soldiers present, which added to the others banqueters present, swelled the grand total to about one hundred and fifty. Mr. Jas. E. Connors acted as chairman, and the success of this function is in no small measure due to his ability and efforts. Mr. C. J. Fitton, Noble Grand, comes in for his share of credit for his efforts in organizing and conducting it to a successful termination. During the course of the evening events the following programme was carried out. Toast, The King, Proposed by Chairman, Responded to in Song by the Assembly; Toast, Army and Navy, G. Cunningham, Lieut. B. Johnston; Song Lt.-Col. Wilcox; Selection Chorus by young ladies; Our Order, F. R. Sampson, J. D. Samsom; Song, Sergt. T. Mitchell; Toast, Ladies, E. Donald, F. J. Mine; Address, Mr. C. J. Fitton, N. G.; Song, W. Marshall; Toast, Absent Ones; Song Lt.-Col. Wilcox; Gypsy Dance, Misses Carter and Auger. Bachelors Dream, Mr. B. Buckley; Address, Sergt. E. The Food Sale and afternoon tea, held in the Sunday School Room of the Methodist Church on Saturday afternoon last, under the auspices of the

Ladies' Aid, proved to be a huge success. That there will be a series of these food sales held this summer, one every month.

The recent hot spell, coming as it did so suddenly and with a vengeance, has made all realize that summer is here at last. The temperature rose so high on Tuesday afternoon that it was found necessary to close down a part of the D. T. Plant the latter part of the afternoon. The heat has also served to send summer visitors from the city, who can leave at the present time, to their residences in this vicinity.

The good roads in this vicinity are conspicuous this summer by their absence. Although a number of them could be put into fair shape by a judicious use of the split log or similar device. This year some real permanent work is being done by the Township Council on the Georgeville Road.

"Oh, I Cannot Stay Alone"

"BUT, my dear, you know I must go to my work."
"What ever shall I do?"
"But I thought you liked to be alone."
"I did used to, but I cannot bear to be alone any more. I am afraid something terrible will happen to me."
"Did you sleep well?"
"No, indeed I did not. I am afraid to sleep for I had such terrible dreams."
"You never used to be like that."
"Until I had that operation I was all right. But since then I have always been so nervous and irritable, and never seem to feel like I did before."
"I guess the shock was too much for the nervous system."
"I suppose it was, for my nerves have all gone to pieces. I get so discouraged and downhearted sometimes that I cannot help but cry. Oh, if I could only get something to make me well."
"Some of the boys at the shop have been talking about Dr. Chase's Nerve Food. Why not try it?"

"Oh, I will try anything if I can only get rid of this terrible nervous condition. Do you know, at times I am afraid I shall lose my mind."
"But you must cheer up."
"How I wish I could, but I cannot control my feelings. It seems that I am all the time in dread of something."
"Well, I am going to get you some of Dr. Chase's Nerve Food and we shall see what that will do for you."
"You get the Nerve Food on your way home at noon and I must try to control my nerves in the meantime."
"I will bring the Nerve Food all right and it will be a great blessing to us if it only makes you well."
"I do believe it will. Why should it not help me when it is curing so many people."

RETURNED SOLDIERS ENTERTAINED.

A pleasant social event took place at the Baptist Church on Tuesday evening when a reception was tendered the returned soldiers of that parish and their friends.

The Church was nicely decorated with flags and maple leaves and was filled with the large gathering of friends who were glad of this opportunity to greet the boys who have come back.

The first hour was spent in welcoming the men. Addresses being given by Mr. J. McCaw and Mr. E. W. Salter, the latter extending a hearty welcome to the young women who have come back as wives of our Canadian boys.

An excellent programme was given, consisting of solos by Miss E. Salter, Miss D. E. Morgan, Miss F. McCaw, Mr. A. E. Willis, and recitations by Miss E. Miller and Mr. E. Holgate.

The unveiling of the honor roll on which are forty-two names was a memorable part of the evening. This was done by George Liddle, Jr., Refreshments were served by the ladies of the parish, and were much enjoyed by the guests which number over a hundred.

G.W.V.A. AUXILIARY MEETS.

Mrs. Worthington took the chair yesterday at the regular meeting of the Women's Auxiliary to the Sherbrooke Branch of the Great War Veterans' Association, held in the assembly hall of the Association at three o'clock. Much interest and enthusiasm were shown by the members present, the attendance being very encouraging. After the minutes had been read and confirmed many new names were proposed for membership and accepted. The vice-president referred to the clubhouse at North Hatley and said that it was rapidly being put in order for the use of the club, and a general invitation was extended to the members of the Auxiliary and also to the general public to take part in the grand opening Saturday afternoon and evening next. A few articles, including curtains, etc., were needed, and the latter were generously supplied by Mrs. Dakin, regent of the 53rd Regimental Chapter.

It was also stated that a caterer had undertaken to provide meals or refreshments for the visitors at the clubhouse, both on Saturday and at any other time. All those present and others interested were also invited to assist at the unveiling of the Honor Roll of the 53rd Chapter, to take place Thursday at 4 o'clock in the G.W.V.A. hall, and to be followed by a tea.

Mrs. Worthington, on behalf of the Auxiliary, thanked the Chapter and accepted the invitation. The president then spoke of the expressed wish of the Great War Veterans to present a set of colors to the Sherbrooke Boy Scouts, and their request to the Auxiliary to take the matter in hand.

Considerable discussion followed, as Dominion Day, when it is desired to make the presentation at a field day, is not far off. The treasurer of the Auxiliary, Miss Gwyn, was requested to ascertain the quantity of materials required, size of flag, and also the cost of a silk Union Jack, and to report to the secretary of the G.W.V.A. as soon as possible. If the report met with approval, a committee of the Auxiliary would be at once appointed to take up the work. No other business being brought before the meeting, adjournment was made.

ANNOUNCEMENT

Wednesday Afternoon Closing of Sherbrooke Stores.

We, the undersigned merchants of Sherbrooke, after careful consideration, have decided to close our stores during June, July and August on every Wednesday afternoon, beginning Wednesday, June 11, for the benefit of our clerks.

There has been considerable agitation about this matter, as a large number of our local grocers favored closing Saturday night at 7 p.m., but we, the undersigned, decided this would be of no advantage to our employees, and at the same time it would be a great injustice to the public and particularly unjust to those who have to work six days a week, as it would deprive them of the customary time Saturday evening to do their necessary shopping:

LENNOXVILLE

A HIGHLY SUCCESSFUL SOCIAL EVENT.

One of the most delightful social events in the history of St. George's Guild took place yesterday afternoon, when the Guild held its annual June sale and afternoon tea. The hall was a veritable "bower of beauty" with its floral decorations, attractive booths and the dainty summer frocks worn by the ladies and young girls who assisted in the various departments.

A unique feature of this event was the arrangement of the booths, which represented six stages of life, from babyhood to grandmothers. These booths were on each side of the hall, and were made beautiful with flowers and greenery, and were presided over by the following ladies: Babyhood, Mrs. Arthur Speid, Mrs. Albert Stevens and Mrs. R. Murray; childhood, Mrs. Norcross, Mrs. Ritchie, with Little Miss Eileen Butler as the child; sweet sixteen, Mrs. Burge, Mrs. Hall, the Misses Dorothy Cochran and Blanch Rowe; motherhood, Mrs. Geo. Mitchell, Mrs. Reid and Mrs. Harrison; grandmother's old English tea table, Mrs. Hughes, Miss Gill and Miss Perry. At the various booths were displayed a fine assortment of fancy and useful articles, which found a ready sale, while the tea table, with its large candelabra and tempting viands, was very attractive. The costumes worn by the ladies in charge of the booths were very pretty, as were the dainty Dolly Varden dresses of the waitresses. A romantic touch was added by a pretty gypsy girl who told fortunes, and who bore a striking resemblance to Miss Hazel Harrison.

The guests were cordially received by the president, Mrs. Jas. Cochran; Mrs. Aymer, Mrs. Wright and Miss Burrage.

Mrs. Martin presided at the tea table, with Mrs. McClary, Mrs. Atto, Mrs. White and Mrs. Day in charge of the tea making and refreshments. Miss Hughes was stationed at the ticket booth.

The hall was crowded with visitors during the afternoon, and all enjoyed the pleasant social event. The ladies serving ices and drinks were

kept very busy, and the small tea tables placed in the centre of the hall were also well patronized. The proceeds were most gratifying, and in every way the closing of the Guild for the summer season was a pleasant event.

SOLDIERS WELCOME TO BE HELD ON JUNE 17TH.

A meeting was held last evening at the Town Hall for the purpose of making arrangements for a suitable welcome to the men who have returned from overseas. The intense heat kept many from attending, but there were enough representatives from Ascot and Lennoxville to allow proceedings, and it was decided to have this event take place on Tuesday, June 17th. Committees composed of three members each of the Lennoxville Council, Ascot Council, Board of Trade, the presidents of the various Ladies' Associations, with the presidents of the two councils and Board of Trade acting ex-officers. The executive committee have all arrangements well in hand, and a memorable event is expected for June 17th. Nothing further was done in regard to the Memorial Hall, but this matter will be discussed at the large gathering on June 17th, and steps taken for something tangible.

THE STANSTEAD AGR'L SOCIETY HELD MEETING

Drew Up Plans for the Fair at a Session Held at Ayer's Cliff.

AYER'S CLIFF, June 5.—(Special)—The spring meeting of the directors of the Stanstead County Agricultural Society was held at Ayer's Cliff on Wednesday. Instead of appointing judges on farm crops for the various townships, it was decided to appoint a director in each district to engage the judges. The following directors were chosen: Barnston, W. H. Davidson; Stanstead, J. W. McNally; Barford, H. E. Baldwin; Hatley, J. F. Woodman; St. Catherine, John Ingalls; Magog, W. H. Bowen. The judges will exchange as follows: Stanstead and Barnston, Barford and Hatley, Magog and St. Catherine.

As the Dominion and Provincial Governments are not sending out judges on live stock this year to the fair, it was decided that the different committees engage local judges. The contract was let to Messrs. Roy and Reginald Moulton to move the poultry house west about seventy feet and to move the grand stand ten and one-half feet. This will give a wider front to the stand.
The committee on attractions received a sum of money for some kind of entertainment before the grand stand.
The Canadian Bank of Commerce special will be placed as a first prize of \$5 on junior heifer calves in each of six pure bred classes, and \$3.50 on beef and milk grade junior heifer calves.

The W. K. Baldwin, M.P., special for 1919 will be for the best stallion, truest to type, and on best brood mare, truest to type.
The Canadian Bankers' Association will give their special again on calves and pigs cared for by a boy or girl under seventeen years. Bales can be had from any branch bank or from the fair secretary.
The entries on the Government special for oats, barley, potatoes and clover must be in the secretary's hands by June 25. The directors will make a special effort to get enough entries in order to secure the \$75 offered on above crops by the Quebec Government.

THE BEAUTIFUL CITY BY THE SEA

The lines of the Grand Trunk Railway System between Montreal and Casco, Maine, penetrate the heart of the White Mountains and serve many lovely districts. Portland, that "beautiful city by the sea," as Longfellow called it, is the gateway to innumerable natural beauties and cool retreats. Seldom has a city such surroundings of sea and shore. Portland and Casco Bay form the heart of those with moderate means; nowhere will a dollar procure more of seaside pleasures. Hotels in city and on the islands in the bay are numerous, and there are large numbers of boarding houses. Old Orchard, Kennebunkport and other resorts are reached through Portland, being linked up by electric car service and steam railroad. Apply to any Grand Trunk agent for a copy of "Portland, Casco Bay and Maine Resorts," an attractive publication which gives full information regarding the mountain and seacoast territory of Maine and New Hampshire, including hotels, rates, etc. A. The Man Who Banished Corns

Blue-jay was invented by a scientist of distinction. By a man whose lifetime has been spent in the study of surgical dressings.

This is a master's method—correct, complete and efficient. And the millions of people who know it, never think of enduring a corn.

All in One

The first step is to stop the pain. This is done by removing all pressure—by the soft protecting ring marked A.

The next step is to gently cause the corn to disappear.

This is done by the remarkable B & B Wax, which no corn can resist.

This bit of wax—marked B—is centered on the corn. It cannot spread. So, unlike old-time methods, it acts on the corn alone.

C is rubber-coated adhesive. This snugly wraps the application, protecting everything.

You apply this Blue-jay in a jiffy. The corn pain stops at once. The wrapping is comfortable and you forget it.

In two days you remove it and the corn can be lifted out. Only rare corns need a second application.

This is the scientific way, the easy, sure and right way to end corns. You will never return to any wrong method when you try a Blue-jay once.

Try it tonight!

CITY BRIEFLETS

LATE MRS. THIBAUT BURIED
The funeral of the late Mrs. Wilfrid Thibault, who passed away on Sunday, took place on Tuesday from her home in St. Gabriel Street, to the Parish Church of Notre Dame, where the service was sung by the Rev. J. A. Bussiers. The funeral director was the Messrs. Emory, A. L., Amedee and Albert Thibault.
The mourners were the husband and younger son, Edward, of the late Mrs. Thibault, her son-in-law, Mr. J. Lecoux, and others.
A number of friends followed in the cortege to the cemetery at East Sherbrooke.
The deceased was fifty-six years of age, and had only been ill a short time, her death unexpected. She leaves in addition to the husband and sons mentioned, three daughters, Mrs. J. Leroux, Misses Philomene and Yvonne Thibault. Masses and spiritual offerings testified to the sympathy and affection of a wide circle.

RED CROSS IS WINDING UP ACTIVITIES

Surplus Stock on Hand is Being Disposed of as Work Slackens.

In Sherbrooke, as elsewhere in Canada and throughout the world generally, it is a matter for general thanksgiving that the wartime activities of the Red Cross Society have been gradually slackening since the armistice, are drawing to a close, and to use a business expression, affairs are being "wound up." Great numbers of the wounded are still arriving in hospital ships from England, and that splendid service will, of course, be continued, and other work in that connection, but the members of the society are at present engaged in disposing as rapidly as possible of the surplus stock of materials, including cotton batting, cretonne, sheeting, pillow cotton, roller bandages, grey-blanketing, yarn and one sewing machine on hand when hostilities so unexpectedly ceased. These are being sold at a much reduced price and are fast disappearing. Mrs. Jack Morkill presided at the meeting and the minutes were read and confirmed. The report of the treasurer was very good, and authorization was given to make certain changes in the disposition of the funds for the advantage of the society.

REV. DR. PRINGLE MODERATOR OF PRESBYTERIANS

Was Unanimously Elected to Post at General Assembly Held at Hamilton.

HAMILTON, June 5.—Rev. Dr. (Lieutenant Colonel) John Pringle, Sydney, N. S., was unanimously elected moderator of the General Presbyterian Assembly at the opening session in St. Paul's Church last evening. Colonel Pringle's was the only name submitted to the assembly. Great enthusiasm was displayed when the name of the new moderator was placed before the assembly. Not only was Colonel Pringle a wonderful record as a pioneer in out-of-the-way places, but he has only recently returned from service among the soldiers in France and England, bringing back with him the esteem and good wishes of every Canadian soldier with whom he came into contact. Prior to the election of the new Moderator, Rev. Dr. Colin Fletcher, the grand old man of Canadian Presbyterianism, and retiring Moderator, preached his retiring sermon. Now in his seventies, Dr. Fletcher is an outstanding figure in the Presbyterian Church. He has been continuously in one charge for over forty years, and is an ex-Moderator of the London and Maitland Synod.

HAVE TO SECURE CONSENT OF THE MUNICIPALITY

Amendment to the Railway Bill Was Adopted by Majority of Four Votes.

OTTAWA, June 5.—With the mercury hovering in the neighborhood of ninety degrees, the members of the House of Commons yesterday fought once more the battle over the clause of the bill to consolidate the amendment of the Railway Act providing for the control of power companies. As on previous occasions the struggle turned upon the effort to place in the section provisions which would limit the wide powers conferred upon the Toronto and Niagara Power Company by its act of incorporation as interpreted by the judgment of the judicial committee of the Privy Council. That company, under its charter, it was stated, yesterday, as it has been stated before, could exercise any municipal provisions in Canada in the distribution of electric light and power and it could, moreover, convert a terminable franchise held by an existing company by purchase of its assets, into a perpetual franchise. All this it could do, it was argued in the defence of the will of the municipality. The discussion opened with the introduction by H. M. Mowat, of Parkdale, of an amendment which would prevent any company from entering upon the streets of a municipality to distribute and sell light and power without the consent of that municipality. The amendment had the strong support of Toronto members, Messrs. Thomas, Foster, Sheard, Bristol and Hocken. It was also warmly supported by Ontario members on both sides of the House, and by T. M. Tweedie, of Calgary, who, indeed, seconded it. Hon. Frank Carvell, D. D. McKenzie, H. H. Stevens and others objected to the inclusion in the general act of provisions intended to apply to a particular company. Hon. J. D. Reid suggested a compromise amendment providing that the company should not exercise its powers except in accordance with an order of the Railway Board promulgated after a hearing at which the views of the municipalities might be presented. The Minister of Railways, however, did not present his proposal as a formal amendment. The debate, therefore, continued on the Mowat motion, which was finally carried by the narrow majority of four votes. Fifty-six members voted for the Mowat amendment and 52 against it.

MARTINVILLE

Reception to Soldiers.

The home of Mr. and Mrs. Joseph Martin was the scene of great festivity on Friday evening of last week when their house was opened for a public reception for the local soldiers who had returned from overseas recently. The men present were: James Gemmill, Pte. Cyril Phillips, and Sgt. Lawrence Cass. Upwards of two hundred people gathered and filled the spacious rooms, halls, piazza and overflowed to the lawn. Flags and chinese lanterns illuminated the grounds and a good programme of music, vocal and instrumental was given by local talent, after which the Rev. Mr. Terry, of Sherbrooke, in the absence of the pastor, Rev. I. S. Williams, gave a very fine address in which he warmly welcomed the soldier lads, eulogizing their bravery and paying a fine tribute to the three lads from this place. By the wish of the boys for whom the reception was given, an offering was taken in aid of the Y.M.C.A. Fund. An abundant lunch consisting of sandwiches and cakes of all kinds was served at the close of the evening. Those from a distance to attend were Mrs. A. E. Bridgette and family, from Bouchon; Mrs. F. W. French, Miss Hazel French, Miss G. Waldron and Mr. Errol French, of Sawyerville, and Mr. C. N. Cass, of Sherbrooke.

FINANCIAL AND MARKET NEWS

In The World Of Finance

GOSSIP OF THE MARKET. G. M. O. has ordered 345,000 tons of steel from the U. S. Steel Corporation.

Senator Hitchcock has asked for an enquiry into Lodge's statement that Wall Street interests have the full text of the Peace Treaty. Steel trade organs continue to report betterment of the conditions throughout the steel industry. The tremendous steel orders placed by the G.M.O. with the U. S. Steel Corporation are most important, not only because of its individual value, but as indicating the attitude of some of the leading consumers of steel products, and its probable effect on other prospective purchasers who have been holding off awaiting developments. Coupled with the trade review reports of the steady improvement otherwise in the industrial group, this should go considerably way in making for confidence. Marine management for April earnings under more normal conditions indicate that the year 1919 will show from 25 per cent. to 50 per cent. greater returns to the company than 1917 or 1918, give the impression that there must be considerable sentiment even in official quarters against the liquidation of the company railroad returns for April, which show a deficit of about thirty-one million, making a total of 174 millions this year.

BEARISH SENTIMENT PREDOMINATED TODAY ON THE CORN MARKET

(Associated Press Despatch) CHICAGO, June 5.—Bearish sentiment continued today to predominate in the market. Buying was of only a scattered sort. One of the reasons given for the absence of demand was that the crop, although late, seemed to be rapidly catching up, and that in some sections ten days of warm weather would make the condition of the plant about normal. Opening prices, which ranged from one-half off to two cents advance with July 17 1/2 to 17 1/4 and September 16 1/2 to 16 1/4, were followed by moderate downturns all around. Oats were 1/2 cent down. After opening at 5 1/2 cent down, including July at 63 1/2 to 63 1/4, the market rallied a little and then sagged again. Weakness in the hog values tended to make provisions decline. The Hoover statement as to supplies of live stock in Europe was also a bearish factor.

AN IMPROVEMENT NOTED ON WALL STREET TODAY

(Associated Press Despatch) NEW YORK, June 5.—(Wall St., Noon)—Impressed by prospective large earnings by various industrial corporations, speculators took the long side quite generally, and there was also a considerable increase in outside buying orders. Receipt of another large consignment of gold from abroad, indicating more ample funds for speculative purposes, contributed to an improved sentiment. Advances of three to five points were common among industrials, while there was broader inquiry for rails, especially Pacific.

INVITE TURKS TO MASSACRE

U. S. SENATE ADOPTS EQUAL SUFFRAGE

WASHINGTON, June 5.—Action by Congress on equal suffrage—subject of a fight of forty years' duration—ended late yesterday in adoption by the Senate by a vote of 56 to 25 of the historic Susan B. Anthony constitutional amendment resolution. The proposed amendment, adopted by the House by a vote of 304 to 89 on May 21 as the first act of the new Congress, now goes to the states, ratification by legislatures of three-fourths of which is required for its incorporation in the constitution.

**Judge Cusson Rules that There is
Nothing in Provincial Laws
Against Sale of Temperance
Beer.**

(Associated Press Despatch.)
MONTREAL, June 5.—There is nothing against the sale of temperance beer in the Provincial laws, ruled Judge Cusson yesterday, in handing down judgment, dismissing the case brought by the Provincial Revenue Department against George Demetelin, of St. Catherine Street east, on a charge of selling temperance beer without a license. The License Committee granted no temperance beer licenses this year, the Government having decided that owing to the granting of beer and wine licenses these should not be granted. Some of the temperance beer places kept open notwithstanding, and the Provincial Government decided on a test case, which has now gone against them.

SCOTSTOWN
One of the best entertainments of the season was enjoyed by a large audience in Strathcona Hall last Saturday evening. The promoters may well be complimented on their efforts. The political pot is not boiling very much yet, but it may be that the interested parties are laying low to get a better advantage later. Mr. Bourret, of La Patrie, was in town recently to give notice of certain party meetings. Rev. F. W. S. Walden will preach at the Advent Christian Church next Sunday at the following hours 10.00 a. m. and 7.00 p. m. Special singing at the evening service. Arrivals include, Mr. Meldrum from Montreal, and Mr. J. J. McLeod, from Cookshire, in the interest of the Canadian Order of Foresters.

(Associated Press Despatch.)
HAMILTON, Ont., June 5.—Two Austrians were fatally shot and two others wounded at the Puckett Farm, on the beach road late last night. Eight Italians, who claimed they were liquor detectives, insisted on searching the house for liquor. They lined up the ten Austrians, who occupied the house, and at the point of revolvers went through their pockets. After securing \$1,800, they deliberately shot into the line of Austrians, who were unarmed, and who did not resist. Four of the Austrians fell, two mortally wounded. The Italians escaped.

**Bolsheviks Continue to Launch
Attacks West and Northwest of
Gatchina.**

(Associated Press Despatch.)
COPENHAGEN, June 5.—Persistent reports that Petrograd has been captured are "very premature," according to a statement from the official Estonian press bureau here. A report from Estonian headquarters on Tuesday says that vigorous Bolshevik counter-attacks west and northwest of Gatchina continue, but have been repulsed by the Estonians. The battle is still going on without decisive results. Nothing is known at Estonian headquarters regarding the reported advance of Finnish troops against Petrograd from the north. West of Luga, the northern corps of the Estonian army is engaged solely in repelling attacks. Southeast of Riga, Estonian forces continue to advance towards Kreitzburg, according to the report.
