Westmount City Council Plans New Purchases

The Westmount City Council has authorized the purchase of a sand dryer, used in connection with the sanding of Westmount sidewalks during the winter. At the same meeting, Monday, the Council also authorized the purchase of a mechanical sand spreader.

This machine, the first to be tried in Westmount, will sand the sidewalks instead of it being done by hand.

A spokesman for the city said that while a machine of this type may not be the answer to all problems, it was an attempt to start on the mechanization of that service.

The Council also approved of the purchase of seven acres of land at the intersection of Upper Lachine Road and the Ste. Anne de Bellevue highway. This spot will be used as a disposal site for inert materials including snow.

At the same time the Council secured a lease with the Grey Nuns' property, bordering on St. Catherine street, Redfern, Western and Clarke avenues, to use the lot as a snow disposal place from November to May.

A spokesman for the City cited the co-operation given by the Grey Nuns' officials, and said that at no time would either spot become a nuisance such as generally is the case with disposal sites.

Cote St. Antoine Will Be Widened

Cote St. Antoine Road will be widened from Metcalfe avenue to Kensington avenue, through the purchase of a strip of land from the congregation of Shaar Hashomayin Synagogue.

The purchase of the land was authorized at the Westmount City Council meeting on Monday night.

It is understood that the widening of Cote St. Antoine will be proceeded with in the spring.

The new electrical sub-station on Olivier avenue will soon be completed. The work has been held up somewhat due to the tardy delivery of equipment. Switches have now arrived and the transformers are expected soon.

Msgr. Whelan Addresses St. Leo, St. Paul, Grads

Monsignor Lawrence P. Whelan, Auxiliary Bishop of Montreal, told graduates of St. Leo's and St. Paul's academies on Sunday night that there is a growing tendency among people today to divorce religion and morality.

Presiding at the commencement exercises of the two academies held in the Church of the Ascension of Our Lord, Westmount, Bishop Whelan warned the graduates of the temptations to be encountered in life which would tend to make them indifferent to morality and religion.

Human nature naturally empowered for truth and good, does not change easily, Bishop Whelan stressed, but the danger lies where the world tells people how to serve the world and to put religion out of their lives.

Many young people are regular church-goers and perform acts of religion, yet they may read magazines or go to see moving pictures which are injurious to their minds. There is a desire to serve

Westmount High Prizes Presented at Ceremony

Last Friday afternoon witnessed the presentation of over 30 prizes, scholarships, and other awards at an honours ceremony at Westmount High School. The opening blessing and Doxology were given by the Rev. Robert Beal, B.A., B.D., with short addresses by school board chairman R. R. Hutchison and principal R. O. Bartlett.

First on the list of events was the presenting of certificates of merit to those students who, in the tenth year (3rd yr. high) June examinations, 1950, had made 800% or over out of a possible 1000. These were presented by vice-principal J. D. Lawley.

Mrs. Frederick Coppin, president of the W.H.S. Alumnae Association, next gave the award of honour to May Robertson; an award which is given each year to the one boy and one girl in the graduating class, picked by secret ballot of their classmates, who best combine the qualities of honour, scholarship, and sportsmanship. John Cleghorn received the boys' ward from the W.H.S. Old Boys' Association vice-president Jack Anderson.

Mr. Bartlett then handed honour certificates to 13 students of the 1950 graduate class who had achieved 800% or better in their junior matriculation examinations.

The Westmount Teachers Memorial Prizes for proficiency in tenth year examinations were then

J. H. Molson Heads St. John Amb. Fund

John H. Molson of 634 Clarke avenue, Westmount, is Montreal chairman for the St. John Ambulance Annual Fund-1950, for which workers are now seeking voluntary gifts toward a \$200,000 objective for public service and instruction in first aid and related techniques.

On Tuesday, October 10, several hundred Fund committee members will hear an address by Major-General F. F. Worthington on the importance of first-aid preparedness in federal and provincial civil-defence plans.

The meeting will be held at the Windsor Hotel to signal the opening of the public solicitation phase of the appeal.

Mr. Molson and other St. John Ambulance leaders are stressing the current need to increase the number of first-aid trained people in the province and also to provide equipment, supplies and maintenance for first-aid posts at danger points. These and other requirements are to be made possible by gifts to the Annual Fund, the leaders said this week.

Westmount City Officials Honoured by Employees

Three Westmount city officials who recently retired after long service in the city's employ were presented with gifts at a very pleasant function in Victoria Hall arranged by the Westmount City Employees Association on Friday night. Over 150 employees and officials of Westmount were in attendance.

Percy E. Jarman, who was general manager of the city, Charles W. Houston, retired Secretary-Treasurer, and Edwin P. Brown, who has relinquished the post of superintendent of the light and power department, were the three ex-officials honoured.

Jack Leggett, building inspector, who is president of the salaried employees association, presented Mr. Jarman with a fishing set consisting of a rod and box of flies.

Mr. Jarman reminisced over his 40 years service with the City of Westmount, and remarked on the growth of the city during that period. He thanked the members of the association for their kindly parting gift which he said he would use well and get much pleasure out of.

Miss Burrill, of the finance department, was called on to present an armchair to Mr. Houston. Miss Burrill said that the staff would miss his ready wit and good humour. Mr. Houston, in his reply punctuated his remarks with a few stories.

Mr. Gervais, of the light and power department, handed over a portable radio to Mr. Brown. Mr. Brown thanking the members, said that he had enjoyed to the full the privilege of working for the City of Westmount.

Mrs. Jarman, Mrs. Houston and Mrs. Brown, were presented with corsages of red roses.

Present at the party were: Mayor J. S. Cameron, Aldermen, R. Panet-Raymond, W. A. Kennedy, R. H. Dean, and Roy L. Campbell.

Mayor Cameron, in a brief address, said that he had been very interested in listening to the remarks of the three city officials whose experiences in Westmount went back some 40 years.

In his present position as mayor, he was intensely interested in learning of the past history of Westmount.

It was to men like Messrs Jarman, Houston, and Brown, that he turned when he wanted to find out something about the city. He wished them all possible enjoyment in their retirement.

Refreshments were served by the ladies, following which a splendid entertainment programme was put on by members of the association.

Mrs. Dohn, Westm't Artist, Injured in Accident Here

About to board a street car at St. Catherine and St. Mark on Wednesday afternoon, Mrs. W. R. Dohn, of 38 Windsor avenue, Westmount, was struck by a truck.

Taken to the Montreal General Hospital, she was found to be suffering from shock, abrasions, and a shoulder injury.

Mrs. Dohn is the well known Canadian artist.

Public Invited to View Vehicle Garage Opening

Mayor J. S. Cameron, members of the Westmount City Council and other civic officials, will be on hand to officially open the new vehicle garage on Bethune avenue, Westmount, Wednesday at 5 p.m.

The Mayor will make the official opening of the building which will house all major equipment and vehicles of the City of Westmount. Following the ceremony, the building will be open to the public until 9 p.m.

In making the announcement, an official of the city said that all Westmount public was invited to visit the new garage that was built for a contract price of \$130,000.

"It is a chance for the people

to see what is being done, and what the city has in the way of equipment," the official claimed.

It was also mentioned that personnel from the various departments of the city would be on hand to explain the operation and particulars of the machinery stored there. Included in this, are snow blowers, snow loaders and plows, sanitary vans, street flushers and various service vehicles.

While the contract price was \$130,000, it is estimated that additional equipment and repairs to the present buildings brought the total expense to \$160,000. All equipment is relatively new, having been purchased within the last few years.

Gen. C. B. Price Demands Canadian Troops for Europe

Major-General C. B. Price, C.B., D.S.O., D.C.M., of Westmount, honorary president of the Royal Empire Society, told a meeting of the society in the Ritz-Carlton Hotel on Monday night that Canada ought to send at least two divisions of troops to the British Zone of Germany.

Western Europe, he said, was the place where present international issues must be settled.

The subject of General Price's address was "The 13th Biennial Canadian Legion Convention and its Repercussions on our National Life".

award of the Catholic Women's League for honours in Latin.

A scholarship to the Mother House Secretarial School was presented by the Catholic Women's League of Westmount to Miss Carolyn Engel.

Winners of high school scholarships in the lower grades of the academies were Miss Elaine Dufresne, Miss Katherine Young, Frank Quinlan and Robert Coffey.

Prize winners from St. Paul's Academy included, besides those mentioned, Barbara Barry, Andree Boyd, Jacqueline DuBois, Terry Gahan, Diane Genereux, Carol Hanley, Joyce Maher, Claire MacArthur, Mary Lou McGuire, Deirdre Reynolds, Elizabeth Seng and Patricia Strong. St. Leo's Academy prize winners included Lionel Burt, Maurice Carton, Russell Cliffe, Robert Hall and Kenneth Slack.

Among those present at the exercises were Mayor J. S. Cameron, of Westmount, Dr. M. B. Donaldson, head of the Westmount Health Department, G. Lafontaine, president of St. Leo's School Commission, and C. C. Lindsay, immediate past president of St. Leo's School Commission.

Bishop Whelan pronounced the benediction following the ceremonies which were witnessed by a large crowd of parents and guests.

The general is a former Dominion president of the Canadian Legion and took a prominent part in the deliberations of the convention held in Winnipeg last month.

Gen. Price said that Canada is the only nation within the "Atlantic Pact" that did not have some form of "universal service" to supply forces to enforce regulations of the pact.

He emphasized that Canada must do its share and must build up present inadequate strength by a planned manpower policy. He gave it as his opinion that sending two divisions to Europe now would save the use of many divisions later.

"Side shows like that in Korea demand the immediate intervention by highly trained regular troops to ensure prompt stoppage of destructive activities with the minimum expenditure of precious manpower," he said.

Gen. Price maintained that the morale of any regular force could not be maintained if it were always necessary to raise a special force on any occasion when an incident such as that in Korea arises.

Morale of the western nations was not at present good, and the Russian throughout history had been an expansionist, General Price commented. To meet that position troops from America and the

MAJOR GENERAL C. B. PRICE

Commonwealth should rally in force. West German soldiers too must be used he added.

To send munitions and supplies was not enough, he said. If only munitions and supplies were sent they would probably be lost to the enemy. Prime Minister St. Laurent's statement that the Canadian special brigade could be used in Europe was to be welcomed. Canadian positive action now would hearten Europe.

"The one thing that can stop war is to be so strong that Russia will not be tempted" said General Price.

Canada had planned only an expenditure ranging from three per cent to seven per cent of her revenue for organization of forces to enforce the Atlantic Pact and retain the peace. At the same time, he said, Britain and the United States had arranged for expenditures of 12 per cent of their revenue for similar activities.

Brig. A. Hamilton Gault introduced General Price to the meeting which was largely attended by members and friends.

Trinity Players Open With Mystery Drama

Trinity Players will present the mystery drama, "The Fourth Wall" by A. A. Milne at Trinity Memorial Hall, 5220 Sherbrooke street, west, October 18 to 21.

Action of the play takes place in Sussex, England, when Arthur Ludgrove, played by Basil Donn, is killed by two of his guests at a house party. The murder takes place in full view of the audience, but because of carefully established alibis, official investigation proves the death a case of suicide.

Then another guest becomes suspicious, and the plot thickens.

Dionne & Dionne To Close Doors On October 31

Second oldest-established business in Westmount, Dionne & Dionne will close its doors on October 31 for the last time. The building has been sold to a furniture company but it is not yet definite whether they will occupy it themselves.

The reason for Dionne & Dionne discontinuing business is given as the excessively high cost of operations although sales have been good. An official of the company stated that it is impossible to give the customers the same service as formerly and still make a profit. Mrs. Dionne, who is 78 years of age, made the final decision to sell.

Established in 1896 on St. Catherine St. at the corner of Wood avenue opposite the present location, Dionne & Dionne was the second store to open in Westmount having been preceded by John Smithers who opened his shoe store only a short time before. So another Westmount landmark passes and leaves with the old-timers nothing but the memories of the aroma of fresh ground coffee and spices which once pervaded the store.

Miss Alice Lighthall and her sister, Mrs. A. F. G. Edgelow, of Springfield, Mass., were "at home" on Sunday afternoon in honor of their parents. W. S. Lighthall, a son, is in Stockholm in charge of Canadian immigration.

Dr. Moseley is associate surgeon of the Royal Victoria Hospital in the fracture clinic of the hospital.

One of the series of the four films dealing with orthopaedic subjects entitled, Ruptures of the Rotator Cuff, which deals with serious tendon injuries around the shoulder, was produced in Montreal in 1948 by Dr. Moseley for the surgical film library of Davis and Geck, Brooklyn, N.Y.

John Tanguay, 16, of 2052 Marlowe avenue, suffered a deep cut on his forehead when he struck himself on the windshield of the car in which he was riding.

The incident occurred when William Deull, 21, of 6076 Sherbrooke street, driving an automobile on Arlington avenue, reportedly failed to see a parked car and crashed into it.

The second vehicle, owned by Dr. McIver Smith was parked there momentarily while the owner went to his home at 102 Arlington avenue to pick up some equipment.

Tanguay, a passenger in Deull's car, was taken to the Homoeopathic Hospital where he was treated by Dr. Reid, before being allowed to return home. It took three stitches to close the wound in his forehead.

Rearming Germany Means Nazis, Roberts Claims

"If we rearm Germany, we rearm Nazis," Leslie Roberts, well known Canadian author and writer, told members of the Westmount Rotary Club at its luncheon meeting Wednesday.

Speaking analytically on the subject, "The Pros and Cons of German Rearmament" Mr. Roberts said that while the proposal sounded good in North America, the people of Western European nations did not look on it in the same light.

"It is an extremely complex question involving human emotions, national patriotism and conflicting ideologies in several nations," Mr. Roberts said, pointing out that the people of Europe had utter distaste for the idea.

While he admitted that such distaste was being accentuated by the Communists, he said that they were not the roots of the feelings behind the people, and that it was quite comprehensible why they still feared the Germans.

"Five years is not very long," he said, "and in the light of present world events, the people of Western European countries felt it better to stay out of any further commitments."

Claiming that Germans were still Germans he said he felt that in some way, those of the East and West sections would unite again, and that other Europeans had complete distrust of them.

Blaming the stronger powers of peace for the present situation, Mr. Roberts said that, for the most part, the Germans of the Western area were handed back the positions they had before victory.

"If we rearm them," he warned, "they will have the same officer class as those of 1939 to 45."

The speaker said that in some ways, the question arises as to how far we can trust the German to fight on our side. He offered that it was improbable that he

would fight for our side unless conveniences at stake were in his favor.

Mr. Roberts, who visited the Eastern section of Germany in 1948, and who has travelled extensively in Europe since the end of the war, said that the Russians face almost the same problems, but that they had formed a greater police state to handle them.

He pointed out that the Russians were also bringing the Germans into their camps on economic plans, stressing that the Western powers must do much the same thing.

Lauding the Marshall plan, he said it was proof that economic strength had scored over military strength, in that France and Italy would most likely have been Communist dominated countries had it not been for this project.

"We must constantly progress to economic recovery making money available to the people, he said, "so that they look to us as a producer of something better than anyone else has to offer."

"Then," he continued, "he will fight to live as a free man."

THANKSGIVING DAY

Canada a Fortunate Nation

Monday is Thanksgiving Day, and if ever a people had cause for thanksgiving it is the people of Canada today.

For the present we have stable government, sound economy, and full employment. For the future — one-sixth of the world's unmined mineral wealth, the power to develop it right on the spot, and the world's richest market next door waiting to take almost everything we can produce. Given peace, the next quarter-century should see

an era of unprecedented development for this country.

We can also be thankful for the character of our people — conservative in outlook, thorough in method, moderate in habit, tolerant and conciliatory one to another. Yes, we have much to be thankful for.

The discomforts of mediaeval castles are not usually realized. They were cold and bleak like forts; modern conveniences were unknown. The novelist Aldous Huxley suggests that the discomfort and dirt were planned that way, as such a condition fitted the feudal system, which was built around the dignity of the lord of the manor.

It saves heartaches if we limit our dreams and hopes to what is reasonably possible.

A reader writes that the bickering of old folks is a game. It is what keeps them alive when all other games and their rules become tiresome. Although uttered in bitterness and sarcasm, such tilts contain no real malice between folks who have lived so many years together. They are merely little battles of wits in tacit search for some reason of living.

Westmount Baptist

Thanksgiving Services will be held, morning and evening, in Westmount Baptist Church Sunday. In the morning Dr. Johnston will speak of "The Comely Grace of Gratitude".

The Church Bible School meets in two departments. The Upper School, which includes the Young People's Study Class, meets at 10 a.m. The Lower School, from the Nursery to Grade III, meets at 11 o'clock. A bus service from Montreal West brings pupils for the 11 o'clock sessions. Visitors and new members are always cordially welcomed.

At the evening service at 7.30 the Title of the Sermon will be "By One Offering".

In this address the pastor will tap the deepest springs of Revelation and of the purpose of God for the Redemption and Transformation of men. Thanksgiving visitors to the City will be cordially welcomed. Newcomers to the City or Community will also be welcomed.

The Church will hold its annual fall missionary weekend over Sunday, October 15. Rev. Dr. Earl Merrick, with Mrs. Merrick, will be present to tell the thrilling story of the triumphs of the gospel among the people of Bolivia. Dr. Merrick was the main influence in securing the release of a large number of Indians from Peonage or Land Serfdom.

Canadian Baptists now have their own radio station in La Paz, which has a present coverage of five countries and a potential coverage of almost the whole world. Mrs. K. Hambly, an outstanding woman leader from Toronto, will represent our Canadian Missions. A recently taken film in technicolor will be shown Sunday evening, depicting the life of Bolivia and the transformations wrought by the Gospel of Christ's Grace.

Calvary United

Calvary Church, Westmount, will hold Harvest Thanksgiving Services Sunday with the Minister, the Very Rev. T. W. Jones, M.A., D.D., preaching at both services. At the morning service the theme will be "Lessons for Life Today from the

Golden Text: Psalms 3:8. Salvation belongeth unto the Lord: thy blessing is upon thy people.

Christian Science

"Are Sin, Disease and Death Real?" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, Sunday. The Golden Text is from Psalms 3:8 "Salvation belongeth unto the Lord: thy blessing is upon thy people."

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Then said Jesus unto his disciples, If any man will come after me, let him deny himself, and take up his cross and follow me. And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover". (Matthew 16: 24 and Mark 16: 17 and 18.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"Though demonstrating his control over sin and disease, the great Teacher by no means relieved others from giving the requisite proofs of their own piety. We must go and do likewise, else we are not improving the great blessings which our Master worked and suffered to bestow upon us. The divinity of the Christ was made manifest in the humanity of Jesus. Christ, as the spiritual or true idea of God, comes now as of old, preaching the gospel to the poor, healing the sick and casting out evils. The author has cured what is

Sidelights on an Active Ladies' Scout Auxiliary

Omar, the tent-maker, would probably have written the Ladies Aux. of St. Luke's 1st NDG Scout Group a poem, if he hadn't passed on so many centuries ago. Anyway, they deserve a word of flowery commendation for the fine job of tent-making they did this spring with the assistance of Assistant Scout Masters Lorne Matthews and Earl Wheaton.

The gores, flaps and bottom strips for two tents made a sizeable heap of material in Mrs. P. Jaeggin's home on Girouard Avenue where the work was done. Tables and other pieces of furniture had to be moved to accommodate the cascades of cloth. Mrs. Jaeggin's sewing machine was the only one used at first, but her mother, Mrs. S. A. Matthews lent hers so that the work could be speeded. In just four days the tents were ready for use — and the Jaeggin family could stop jumping over mounds of sail-cloth! Wind and rain have since blown and soaked the tents and proved them waterproof and entirely satisfactory.

Also members of this St. Luke's Auxiliary are Mrs. G. B. Powell, of Addington Avenue, and Mrs. W. Tunstall, Sherbrooke St., who, at the request of the Cub Leader, acted as Leaders for a week at Camp McAubry. Only the stout-hearted would embark upon a summer outing like this! In charge of ten lively boys, here are some of the duties the ladies shouldered: They took their charges swimming, played games with them, escorted them to the handicrafts section, generally supervised them and kept a weather eye open for signs of homesickness, and hiked five miles every day.

The annual conference of the Executive Board of the Scout Group Ladies Auxiliaries of Montreal is to be held Thursday, October 19. All women interested in Scout work may attend.

The main purpose of the Ladies Scout Auxiliaries are to send boys to Scout Camp who would otherwise be unable to attend, to help procure equipment, to provide refreshments at such events as the Hobby Show and to give a Father and Son Banquet each year. And, as we said before, if

you are at all interested in Scout activities, you are extended an invitation to attend the conference being held on October 19.

Westmount High Alumnae Plan Full Schedule for 1950-51

The Westmount High School Alumnae Association has named the following committee members to handle its program arrangements this season: telephone chairman, Mrs. Lloyd Stern, assisted by Mrs. E. M. Roberts, Mrs. Geo. Hand, Miss Hazel Moore, Mrs. Eric Laffoley; program chairman, Miss Barbara

Baker, assisted by Mrs. Fred Packer, Miss Ruby Hopkins, Mrs. J. S. R. Payne, Mrs. R. B. McAusland, Mrs. E. Gardner. Publicity chairman Mrs. Frederic B. Coppin; ticket chairman Miss J. Faulkner, assisted by Mrs. Eric Laffoley, and educational chairman Miss R. Hopkins.

There will be a gala cooking spree presented by the Robin Hood Flour Company and featuring Dorothy Shantz and George Bishop, on Tuesday, November 14, at 8 p.m. in the Westmount Junior High School.

A fashion show and reception have been tentatively arranged for early spring, the annual meeting and election of officers to follow shortly thereafter.

In June 1951 the Award of Honor ceremony sponsored by the Alumnae Association will take place at the high school. At this solemn ceremony the girls of the graduating class choose one of their number whom they consider has performed the greatest service to the school and who best combines the qualities of honor, scholarship and sportsmanship. In August scholarship awards will be announced. Executive meetings will be held the first Thursday of every month.

Throughout the school term, as a new venture, the Association will sponsor public speaking contests to be followed by inter-class competition and finally competition for the school championship. The Association hopes in this way to assist in the development of self-confidence and in fitting the students for their post-school life.

Because "getting pushed around, elbowed, struck by umbrellas, even knocked down," and the other occupational hazards were just too much, a woman elevator operator in Los Angeles announced that she was quitting, going back to the circus and the high-flying trapeze work she used to do.

Girls' Assn. Work Outlined By President to Zonta Club

In speaking to the Zonta Club of Montreal, Mrs. John S. Corbett, newly elected president of the Montreal Girls' Association, stated that only about 15% of the welfare and recreation programs undertaken in this city was done for girls. "Long aware of the need for leadership in the development of recreation programs for girls", continued Mrs. Corbett, "a number of women's clubs have succeeded in forming the Montreal Girls' Association. The association desires to develop a recreation program in Montreal that will give girls an opportunity for constructive use of their free time."

"Space has already been allotted to the Association in the Alexandra School", Mrs. Corbett said, "where work will be concentrated on a play centre for the elementary school girl regardless of class, race or creed." Beginning with the operation of one play centre only, staffed to provide a sound social group work program in a district where the need is great, Mrs. Corbett said that other units will be developed as rapidly as they can be staffed and financed.

The Montreal Girls' Association plans to co-operate with school boards in the use of school buildings for the housing of these play centres, with the two-fold objective of providing adequate staff, well-trained and capable of conducting a social group work program of a recognized standard, and to become part of the community in which the centre operates, knowing local needs and using local resources in developing programs.

The purpose of the play centre in Alexandra School is (1) to act as a demonstration service pointing the way towards the development of a good city-wide play program for girls of elementary school age; (2) to act as an example in the development of the use of school buildings for well organized recreational programs; (3) to act as a centre where students, preparing to become social group workers and physical education instructors, can put into practice, under good supervision, the training they are receiving;

Mrs. Annie Helliker, past president, reviewed the history of the Association, pointing out that it has had a Federal Charter since 1927 as an entirely non-profit organization, governed by a volunteer board of directors, giving freely of their time and effort. The class then recited the Florence Nightingale Pledge.

The caps were presented by Mrs. Naismith, and Mrs. Engs presented the bands.

One Hundred Shows Per Year For Young NDG Dancing Team

By CAROLE McDONELL

In a few years people may be referring to the team of Smith and Girrard in much the same way as they say "Astaire and Rogers", so we thought we'd introduce them now, so you could say later: "Why, I knew them when . . ."

Danny Smith's first dancing lesson was taken on the sly. He used to accompany his younger sister, Heather, when she attended Miss Ponting's School of Dancing, but when he said that he also would like to learn, his mother was skeptical. "He's always been so all-boy," she told us in an interview at their home on Old Orchard Avenue. "And I thought that at 11 years old he wasn't sure of what he wanted, so I didn't encourage him."

But one day Danny brought Heather home and announced that he had taken a lesson and that he had told Miss Ponting his mother would not mind paying. Mrs. Smith laughingly conceded, and later transferred him to the Joan Tennant School of Dancing in Westmount where he received individual attention.

At Miss Tennant's School was another rising dancer, Hilda Girrard a young resident of Minto Avenue, whose three main interests are dancing, dancing, and dancing, with singing running a

close fourth. The two youngsters began attracting rave notices for their individual performances at clubs and benefits, and Miss Tennant did the logical thing . . . she teamed them. A few appearances at the Montreal Sailors' Institute and the Catholic Sailors' Club and they were rated as favorites there. The Kiwanis Club and the N.D.G. Pensioners' Club caught on, and Danny and Hilda are asked to take part in almost every show put on by them.

They won an amateur contest at the Flamingo Cafe last February, and represented the Optimist Club of Montreal in a contest held in Burlington, Vermont. The duo now averages 100 performances a year, and they vow they never tire of their work. Hilda, now 16, would like to teach dancing classes later, and Danny nearly 15, and paying for his lessons by working Saturdays on a delivery truck, aims to join a New York school of dancing with a view to a career on Broadway.

But both are still attending West Hill High School, and in no hurry for a few years at least, to break up the team which has gained the reputation of being one of the best of its kind in the city. So Astaire and Rogers, look to your laurels! You have dangerous competition in the team of Smith and Girrard.

Rose Marie Reid Is Commentator At Montreal Show

Perfection of design, wide variety of beautiful materials, and unusual and lovely colors featured the Rose Marie Reid collection of sculptured swim suits for the season 1950-51 presented on Friday morning at the Mount Royal Hotel by Rose Marie Reid in person. Delustrated satin, cotton, seersucker in nylon, birdseye pique, Ameritex, celanese satin, satin lastex and laton, crushed velvet, hand-painted, power net nylon, laton taffeta, nylon treebark, metallic satin cotton silk, cotton lace and gold leaf and lace were some of the stunning fabrics used in luscious cherry, persimmon, rose, aqua, peacock, redwood, orchid, periwinkle blue, flame, butterscup, chartreuse and many iridescent shades. And the finale, when three graceful models appeared in swim suits of pure leaf gold over lace was like something out of a fairy tale. In these faultlessly fitting suits the "mermaids" looked as if they had stepped out of a sea king's palace fathoms deep under the waves. Who will wear these creations of pure gold leaf merged into green, or black, or white lace, is another question, but as Rose Marie Reid noted, purchasers can always get some of the price back when tired of the suits by burning them and reclaiming the gold! With these exquisite creations were short coats to match, scalloped at the hemline, the full backs shimmering from deep round yokes.

Styles shown included the strapless, classic one-piece, brief two-piece, attractive rompers, skirted, shirred top. All Rose Marie Reid suits have panties of self-material and built-in bras. Biggest seller is the classic with patented seamless back and designed with patented elasticized band which insures perfect fit without binding. Another smart idea is the adjustable strapless front, which has a small V in the centre of a fold at the bustline, the fold being worn up by those who want greater coverage, and folded down for those who like a more revealing "bodice." And to take care of figures requiring control, some of the suits have a lastex pantie which fits like a regular pantie girdle but is made of the same material as the suit.

Two of the newest models which brought applause were Rose Marie Reid's crushed velvet in the new shades of persimmon and peacock, and her silk-cotton coat in muted large checks with its suit to match.

Seville Theatre Ballet To Star Five Performers

Starting today, the Seville Art Theatre presents Miss Ruthanna Boris and a company of dancers from the New York City Ballet Company dancing the premiere of Miss Boris' latest ballet to be presented later this season by the New York City Ballet Company. This work will be performed three times daily on the stage of the Seville the movie on the same bill is that rollicking English comedy, "It Isn't Cricket."

Miss Boris' company will include, among others Frank Hobi, who was a soloist with the Ballet Russe de Monte Carlo, and is now premier danseur with the New York City Ballet, and Miss Patricia Wilde, late of the Ballet Russe de Monte Carlo, and now with the New York Company.

The work to be presented will be "Sonata," a 30 minute ballet to the Brahms Quintet Op. 34. This ballet was commissioned by Lincoln Kirstein of the New York City Ballet and will be Miss Boris' third choreographic venture. She has previously mounted Cirque de Deux and Quelques Fleurs for the Ballet Russe de Monte Carlo, both being widely acclaimed by the public and critics alike.

On the Seville screen will be shown "It Isn't Cricket," starring Naunton Wayne and Basil Radford, those two popular English comedians from "Night Train to Munich" and other hits.

June Haver, Gordon MacRae In Westmount Technicolor

All the warm nostalgia, the lilt-ing music, gay laughs and carefree atmosphere of vaudeville shows, song and dance routines, waltzes and violins in the old cafes will unfold in a colorful motion picture panorama on Sunday when "The Daughter of Rosie O'Grady" opens at the Westmount Theatre.

Starring June Haver and Gordon MacRae, this Technicolor film produced by Warner Bros. is heralded as one of the best of the Hollywood offerings to cover the period of vaudeville days in the last decade.

The story is heartwarming. The daughter of an ex-vaudevillian, played by June Haver, is forbidden to try for the stage by her irate parent. She does so however, obtaining the aid of a notable figure of the show world of that period. This is Tony Pastor, played by Gordon MacRae who thus gets ample score for his singing talents. When at the climax she is fired from a new show in order to force a decision of choice upon her, it is her father who sends her back to her greatest triumph on the boards at the side of the great Pastor.

For Miss Haver, "The Daughter of Rosie O'Grady" is an important vehicle for the singing and dancing talents she possesses, and in Technicolor she has no peer for beauty in Hollywood, this being her 13th consecutive film in the color medium.

Also in the cast are the popular Cuddle Sakall and James Barton. The latter created the famous Jeeter Lester role in "Tobacco Road."

David Butler handled the direction for Warner Bros. while LeRoy Prinz staged the many dance numbers in the film.

Packed with zany situations, this laugh riot continues Irma Petersons nutty adventures in "My Friend Irma Goes West." Marie Wilson, the perfect "Irma," repeats her radio and screen role and John Lund and Diana Lynn are back as her shiftless boyfriend Al and her sarcastic but patient girlfriend Jane. The wonderfully wild comics,

Dean Martin and Jerry Lewis, are very much in evidence, and funnier than ever, as Steve and Seymour. Also headlining the all-star cast is the luscious French eyeful, Corinne Calvet.

It's one belly-laugh after another as Irma and her friends set out for Hollywood to launch Steve on his acting-singing debut in movieland. It turns out that Steve signed his contract with an escaped lunatic, not a movie producer so the train trip west serves as the colorful backdrop for many mad shenanigans. Steve is pursued by the French beauty as he chases after Jane, swearing his love. Irma is close behind Al, trying to keep him honest. And Seymour gets all wrapped up in a hot canasta game with a chimp who's no chump. The mad doings continue in Las Vegas to the delight of all.

Although "My Friend Irma Goes West" is only the second picture for Dean Martin and Jerry Lewis, it's this reviewer's opinion that it will hasten the day when these two uninhibited screwball comics take their place with the all-time comedy "greats" of entertainment history. They seem able to do just about everything to get a laugh — and everything they do is hilariously funny.

Excellent Cast For Production

What is felt to be an exceptionally fine cast has been chosen by Doreen Lewis, producing director, for the first major production to be given this season by the Montreal Repertory Theatre. This will be Fay Kanin's comedy drama, "Good-by My Fancy," which will open at the Guy Street Playhouse on October 19 and continue nightly except Sunday until October 28.

Mildred Mitchell, distinguished Montreal actress and former New York player with Frank Morgan, William Farnum and Richard Bennett, will be seen in the leading role of Agatha Reed, newspaper correspondent and federal congresswoman around whose re-visit to her old college the drama is built. The role, it is claimed, will give Miss Mitchell an exceptional opportunity for the type of character study in which she has been a recognized expert for many years.

Charles Miller, well known radio figure and star of the MRT production of the Barrets of Wimpole Street, will be seen as James Merrill, president of the college who surrendered true love in the interests of his career. James Tapp, who has appeared not only with the MRT but also with the London Little Theatre, the Ottawa Theatre Arts Guild, and also in radio and films, will be cast as Matt Cole, Life photographer and the college president's rival.

Drama and Comedy at Monkland

One of the most complex sequences ever done for a motion picture was completed for "Stage Frigh," which opens at the Monkland Theatre on Saturday. This is the new film directed by Alfred Hitchcock, starring Jane Wyman, Marlene Dietrich, Michael Wilding and Richard Todd. It is the sequence which contains that staple of traditional Hitchcock excitement—the "chase"—and it was filmed in its entirety within the walls of the famous Scala Theatre in London.

Miss Wyman has just discovered that the boy friend she has been shielding from the police, is falling into a police trap. Todd who is the man being chased, has come to the theatre where Miss Dietrich has been holding forth on the stage. Wilding, Scotland Yard detective, is leading the chase for the suspect.

2nd Feature

Sparkling, fresh and witty, John Ford's "When Willie Comes Marching Home," which will be the added feature, is as great a triumph for that master director in the comedy field as he has long been accustomed to having in the dramatic field. With Dan Dailey to expertly enact the title role, Ford has made an unusual and delightful film and for the untold audiences that should find it irresistible.

Registrations At Theatre Greater For New Year

The Montreal Children's Theatre which re-opens its 18th season Monday October 9, reports that registrations are greater than ever this season. Registration is now being held for classes for juniors, intermediates and seniors for stage and radio, elocution, diction, poise, deportment and mime.

Dorothy Davis and Violet Walters, due to the heavy enrolments have found it necessary to increase the classes and add to their teaching personnel.

The plays for the season include Dick Whittington. The adventures of Tatters, Pollyanna and Old King Cole, and a special subscription plan has been arranged for patrons, with a reduced price for the four shows, and at the same time, they can secure the best seats for the entire season.

For particulars regarding this subscription plan, apply to the studio.

The two studios, one situated on Girouard Avenue, N.D.G., and the Rialto Theatre Building in the north end of the city, are now open for enrolments.

Mystery Drama Will Be Presented at Trinity

On October 18 to 21, in Trinity Memorial Hall, the Trinity Players will present "The Fourth Wall," a mystery drama by A. A. Milne—also known as "The Perfect Alibi."

The action of the play takes place in Sussex, England, on a bright sunny day, when Arthur Ludgrove, played by Basil Donn in the Trinity production, is killed by two of his house party guests. The murder is in full view of the audience. In consequence of the carefully prepared alibi that each of the assassins is able to establish, the official examination into the cause of Ludgrove's death proves a clear case of suicide—but one of the house guests becomes suspicious, and from there on the plot thickens.

Mr. Donn is directing "The Fourth Wall," and Bruce LeDain has designed the set, which will be executed by Ronnie Naylor.

Writer Frank Gruber gave himself one line, and muffed it, in a scene for Nat Holt's Paramount picture, "The Great Missouri Raid."

Hope to Make Amends For Week-End Losses

The Westmount junior and senior squads of the Quebec Rugby Football Union are out to make amends this week end to counteract the poor showing of the club last week.

It was a disastrous day for the Westmounters Saturday, when they bowed to the Rosemount juniors, 7-0 and to the R.M.R. (Army) senior squad 21-13.

The juniors will have two chances to make up for the defeat over the long week end as they tangle with the hapless Cartierville Cavaliers Saturday afternoon at the Westmount Athletic Grounds, and then with the St. Aloysius Orfuns on Monday afternoon on the same gridiron.

Seniors Meet Flyers

On Sunday, the Senior squad have a chance to tie up the league leading Lakeshore Flyers, but the odds are against them from the majority viewpoint. Lakeshore will be out to make it their fifth straight victory for their home-crowd in Valois Park while Westmount feel it is the most important

tilt of the season to win.

Coach Bruce Johnston of the junior team is drilling the club hard to iron out some of the questionable plays in their game against Rosemount. Feeling positive that a little more strategy on the part of the Westmount team may have turned defeat into victory, he is drilling the signal callers especially.

"I like to let the boys play their own game on the field, but it looks as though a little instruction might be useful," he said, following the defeat.

Seniors Drill Hard

Meanwhile Co-coaches Roy Chesley and Mack Parsons are sharpening their senior players for the Lakeshore tussle, which comes somewhat as an anticlimax now that the Westmounters have suffered a defeat.

A much improved and hard-fighting Army squad lost no time in notching their victory over the Purple and White club, as they went ahead 11-0 at the end of the first quarter, upped it to 16-2 by the half and then carried on to win in the final quarter, 21-13.

The Army squad started the scoring when Norris Masterman, who booted several sensational punts throughout the contest, put one behind the goal line where Archie Borland was nailed.

Minutes later, the Army squad were back on the Westmount door step, when Paul O'Neil blocked a Westmount kick at the 50, and ran it to the two yard stripe before being tackled by Jim Chambers, who made a tremendous sprint to catch him.

But the damage was done, with Jack Patterson moving over right

Westmount High Seniors Lose

Despite the fact that the Westmount Senior A football squad had a decided edge in play over the D'Arcy McGee entry, Wednesday afternoon at the Westmount Athletic Grounds, they bowed to the double blue, 6-2.

It was a hard-fought contest, with the Westmounters failing to capitalize on four straight downs at the D'Arcy McGee two yard line in the first five minutes of play.

In the second quarter, Hebert, quarterback of the Double Blue tossed a neat 35 yard pass to Steve Sura who ran the remaining 20 yards for the major.

With the play converted, the Westmounters charged repeatedly upfield, but were only able to snatch a safety touch in the third quarter, with John Petry gaining credit for the two points.

end for the major, that went unconverted.

Only minutes later, the Westmounters found themselves deep in their own territory, when Norris Masterman booted a 70 odd yard kick to the Westmount five. The Westmount kick-back three plays later, didn't fare so well, with Kay making a runback to the Westmounter's 20 yard line. Then Sandy Spence hit Johnny Kay with a pass deep behind the goal line for the major, which again went unconverted.

Spence Main Thorn

Spence was the main thorn in the Westmount side again in the second quarter when he ran 65 yards around end to the Westmount 10 yard strip. From here, Jim Wigglesworth took over the pigskin on a hand-off, making the score 16-2.

The Westmounters finally broke into the scoring column when big and dangerous Des Findlay broke through the Army line to nail the ball carrier behind his own goal line for a safety touch late in the half.

Trying desperately to overcome the substantial lead of the visiting Army squad, Westmount stormed in the third quarter but got nowhere. In the beginning of the fourth, Bobby Pugh tossed a 25 yard pass to Gibby Loiseau, who made a sensational catch on the goal line for the first major. Eddie McLeod converted the attempt, and the Westmounters appeared to be on the roll when Spence snatched one of Pugh's long passes and raced 60 yards unmolested for the Army's final the winning major.

From there on, it was a Westmount club trying desperately but knowing the odds were against them. Jack Drake intercepted a pass thrown by the Army squad, and this paved the way for Jimmy Chambers smash around end for the second Westmount major. The attempt went unconverted, leaving the score 21-13 as the time ran out.

Westmount Soccer Club Meet Stelco In Que. Cup Final

Westmount soccer club will meet Stelco in the replay of the final of the Quebec Trophy at Charlevoix Grounds on Sunday afternoon at 3:00 p.m.

The first game ended in a scoreless draw and fans are eagerly awaiting the second encounter after the splendid display put up by the contending teams.

Police Chief Bob Byford, president of the Westmount club, states that he is confident that his team will give a good account of themselves and expects to have the splendid trophy presented by Mr. James Wilson, president of Shawinigan Water and Power Company, who was a one time soccer great for the old Westmount soccer club and still follows the sport, on show next week in a prominent window on Sherbrooke street.

Cricket Finished Verdun Champions

League cricket came to an end on Saturday with Verdun well in front of the rest of the teams in the league.

Westmount were disappointed by having McGill default on Saturday and although taking the points would much rather have played the game.

All arrangements had been made, even to laying the mat and the news at the last moment that McGill were unable to raise a team was to say the least rather exasperating.

Friday The 13th Tussle Looms As Crucial Battle

By ALLAN SANDZELIUS

The general feeling toward Friday the 13th doesn't seem too superstitious, yet no one feels like commenting on the situation except Jim Patrick, Westmount High mentor, who says, "Well, the way I look at it, it's Friday the 13th for West Hill too!"

But with a pair of defeats racked up against them in their first two outings of the season, the picture doesn't look too rosy for the Senior A pigskinners. The Westmounters have two games to play against West Hill and Catholic High before the three-game seeded series. With the youngest team in the league (average age: 16), they'll have to put on plenty of drive before the championship falls into their hands.

Soccer Underway

Digressing a moment, the Senior A soccer league is in full swing with two games having been swept off the schedule for Westmount as the Purple and White eleven have tied with West Hill High 1-1 on a goal by inside right Johnny Wright, and lost to Montreal High 4-1 with Jim "Squash" MacIntosh scoring for Westmount.

The team is being coached this year by Mr. Horsnall, maths professor at W.H.S. and a product of the old country, the land of soccer's fame.

Poor Display

Going back a little farther, last Friday to be exact, this reporter's humble opinion is that if Westmount played the best game of a Purple and White team since the war against M.H.S., then they certainly played their worst against Loyola!

The tackling was sloppy and half-hearted, the blocking simply non-existent, and the line was, to all practical purposes, dead on their feet. A few local chaps played their usual best and were fighting hard all the time. These included Ian Black, Doug Mariasenc, and Chuck Johnson.

At half-time the Westmount

High fans, and there were plenty of them, displayed a very disappointing exhibition of team sup-

port, despite the efforts of certain cheerleaders. While the Maroon and White rooters stood and cheered for their Loyola comrades, and incidentally booed the Westmounters, the entire Westmount section sat — just sat! The score
