ST. NICHOLAS STREET,

WILLIAM A. CURRY,
REAL ESTATE AGENT,
PUBLIC ACCOUNTANT,
REAL ESTATE AGENCY ROOMS;
No. 84 Great St. James Street,
MONTREAL.

To meet an acknowledged public want, the undersigned has opened his Office at the above central address, where the business of REAL ESTATE AGENCY is conducted in all its branches.

Sales of Real Estate.

The convenience of both Buyers and Sellers will be consulted by communicating with the undersigned, who will study to keep advised of current transactions and to afford accurate information respecting properties in the Market. Plans and Diagrams of Houses, Stores, and other Properties will be obtained, when possible, and may be examined, with a view to *bona fide* transactions, free of charge.

Houses and Stores.

Proprietors will find the utility and economy of using the office, where a Register will be kept of Houses and Stores to Let, and of parties in search of such. By this means the cost of advertising may be avoided.

Rents

Are Collected at a fair per centage.

Mortgages.

Lenders and Borrowers can be accommodated, the former by hearing of Loans offering and Mortgages for Sale, and the latter by obtaining Funds on desirable Securities. Builders and contractors will find it to be their advantage to apply.

Furnished Houses.

Parties having Furnished Houses or portions of them to Let, or private families willing to accommodate first-class Boarders, can use the Register kept for this purpose in the Office, and persons needing such accommodation can obtain the desired information.

Advertisements.

When necessary to Advertise, favorable arrangements can be made with the Subscriber for this purpose.

Professional Men and Brokers

Having Properties or Houses placed in their hands for Sale or to Let, or good Mortgages, can make advantageous terms with the Undersigned for the transaction of their business, and thus economise their time and labor.

The Public Generally

Will promote the usefulness of the Agency by availing themselves of it; and they are respectfully invited to co-operate in this way with the Subscriber, in his efforts to render the undertaking mutually satisfactory and profitable.

The Office will be open during the ordinary hours of business each day, but personal attendance will be given between the hours of 10 and 12 A.M., and 1 and 3 P.M.

The above Stores present every facility for the careful and proper STORAGE of all kinds of PRODUCE and GENERAL GOODS, being commodious and well ventilated.

Excellent Cellarage for Pork, Butter, &c., which cannot be surpassed by any in the City, being large, cool, and airy.

Ample accommodation for the Storage of Iron, Coal, and Heavy Goods, in our Canal premises, which, from their close proximity to the Basins, reduces the Cartage to a low figure.

Our Coal Oil Stores at Point St. Charles are specially adapted for the Storage of this article, having an inner and outer roof and walls of earth, thus rendering them dark, but at the same time cool, which prevents the leakage of the Oil.

Our Warehouse, being connected with the main line of the Grand Trunk by an adjacent siding, there is no cartage incurred on Coal Oil received by this Railroad, thus saving not only the expense, but the damage which necessarily, more or less, ensues to the barrels when carted.
