Sixty-Second Year

After Week Of Debate Mideast Solution Stalled

UNITED NATIONS, N.Y. — (CP) — The debate in the United Nations emergency assembly session on the Middle East was a week old today, and the results of a week's intensive effort for a solution of that troubled area's problems seemed less defined than ever.

The key issue of withdrawal of British and American troops from Jordan and Lebanon has stalled and complicated discussions.

New Soviet Demand For A-Ban Expected

WASHINGTON (AP) — New Soviet demands for an immediate ban on nuclear tests appeared likely today as a swift follow-up to tentative East-West agreement on a technical system to detect cheating.

The Soviet-Western agreement Tuesday on means of setting up a global monitoring network came after seven weeks of secret talks now drawing to an end in Geneva.

There was no effort by the 16 scientists from four Western and four Communist powers to reach any political decision on whether there should be an agreement to halt nuclear testing.

However, American officials said Russia can be expected to point to the Geneva agreement as committing the United States to end tests—an interpretation rejected in advance by President Eisenhower.

David, Age 4, Routs Goliath At 1,200 Pounds

LONDON (AP)—David and Goliath met again in battle Tuesday.

Goliath is a 1,200-pound bullock which charged through two barbed wire fences and terrorized 16 children.

David is 43-pound David Butler, a tough little four-year-old.

They met in a playing field at Slyfield Green in the county of Surrey.

David was playing on the swings when the big, black bullock charged snorting into the field. All but David ran screaming from his path.

"I got a stick and hit the bull and said 'shoo,'" said David.

"The bull just stood still when I hit him. So I hit him again. He stamped his feet. So I hit him again."

That was enough for Goliath the bullock. He turned and fled.

Three-Point Plan To Keep Negroes Out

LITTLE ROCK, Ark. (AP)—The Little Rock school board, challenged by Arkansas Governor Orval Faubus to say how it might resist resumption of racial integration here in the schools next month, revealed a three-point plan Tuesday night.

The board said it will:

1. Ask the U.S. Supreme Court to intervene.

2. Request the Eighth U.S. Circuit Court of Appeals to stay its order which overturned a lower court's approval of a 2½-year delay in admitting Negro students to Little Rock Central High School.

3. Attempt to meet with Faubus to discuss several methods he has proposed to avoid integration despite court orders.

DECISION REVERSED

The moves were revealed after a closed session at which the board considered court reversal Monday of an integration delay granted June 21 by federal Judge Harry J. Lemley. The school board had requested the delay.

School Superintendent Virgil Blossom said action on all three points was planned today.

Normally a court mandate is sent in 20 days, but it could come sooner. School opens here Sept. 2.

Before Tuesday night's board meeting—attended by Blossom, four of the six board members and two lawyers—Faubus put pressure on the board to say whether it would make a real fight to resist integration.

The Democratic governor said his future actions depended on what the school board did. He said a special session of the legislature, considered imminent as a result of the overturning of the integration delay, would not be called if the board took some of the actions he outlined.

MAY TEST LAW

Faubus said the board could use a 1956 state pupil assignment law to keep Negroes out of white

Around The Moon In 80 Hours

PAULO ALTO, Calif. (AP) — Within five years the United States should send a man in a sealed cabin on an 80-hour journey around the moon and back to earth, two space planners said Tuesday.

But by then Soviet Russia may have landed men on the moon, said Dandridge M. Cole and Donald E. Muir in a paper before the American Astronautical Society's western regional meeting at Stanford University.

STRIKERS FACE ARREST IF PICKET SHIPYARD

New USS Triton Is Largest Sub Ever Built

Sketch at top shows the huge USS Triton steaming on the surface. Bottom sketch shows how Triton will look travelling underwater with two attack submarines of the Skipjack class. Skipjack subs are also nuclear-powered.

With the launching of the \$100,000,000 USS Triton yesterday, the U.S. Navy can boast it has the largest undersea craft ever built. Triton is 447 feet long, has a 37-foot beam and a 5,900-ton displacement on the surface. It is more than 66 feet longer than any other U.S. submarine. Triton is also notable as the first ship in history to be propelled by two nuclear power plants. It is also the first submarine to be designed for three deck levels within the hull. Another first is a 40-line switchboard which monitors a dial telephone system throughout the ship. The sub carries a crew of 13 officers and 135 men. Prospective skipper is Capt. Edward I. Beach, of Palo Alto, Calif. Designed as a radar picket ship, Triton is fitted with high-power radar and sonar gear and will travel with high-speed task forces. Her job will be to run ahead of the main fleet to serve as an early warning station. The huge sub was built by General Dynamics Corporation's Electric Boat Division at Groton, Conn., the launching site.

Injunction Obtained By Firm

LAUZON, Que. — (CP) — Protesting workers at Davie Shipbuilding Limited face arrest today if they try to set up the picket lines which have kept the St. Lawrence south shore yard idle since Monday.

The company Monday obtained a superior court injunction at Quebec City prohibiting picketing until Sept. 3 or until a hearing is set. It also launched a \$50,000 suit for damages against 26 pickets.

The attorney-general's department was advised of the ruling by Judge Louis-Philippe Lizotte and a spokesman said they will enforce it.

The 2,000 members of the National Metal Trades' Federation (CCCL) employed at the yard—almost the entire labor force—refused to cross the picket lines, set up last weekend after contract negotiations broke down. Their contract expired Aug. 1.

The company seeks damages against pickets it claims stopped office employees from entering the yard Monday and Tuesday "by force or threats of force." General Manager Robert Black said the action was directed at 26 men rather than the entire union because that was enough to establish a case.

UNION DENIES IT

The union denied office workers were restrained.

Raymond Parent, spokesman for the union, said when the injunction was granted "we will discuss the matter with our lawyers before deciding on a course of action."

The pickets were sent out to back demands for wage boosts averaging 35 cents an hour. The union said this would bring salaries up to those earned by shipyard workers in Montreal and Sorel, Que. They also want the work week reduced to 40 from 42½ hours.

The company contends the demands would mean an added expense of \$2,000,000 a year—a cost it says cannot be supported. It claims paying workers the same wages as those at the other two yards could even be a disadvantage for the Lauzon workers by raising the company's costs and putting it at a disadvantage when bidding on contracts.

Basic hourly wages at Lauzon now range between \$1.28 for unskilled laborers to \$1.61 for journeymen.

New Highway Announced By Duplessis

QUEBEC (CP) — Premier Duplessis announced Tuesday the province will build a 50-mile highway through rough bush country to link the Lake St. John district directly with the Upper St. Maurice River Valley.

He made the announcement to about 700 delegates from the two areas who came to the legislature to renew the request for a direct highway link. It has been a goal of area residents for several years.

The highway will be an extension of Route 19 which now runs 80 miles north from the Montreal-Quebec highway near Trois-Rivières to La Tuque.

Two Candidates For P.Q. Sores

QUEBEC (CP) — Two candidates will vie for leadership of a reorganized Quebec Social Credit party at a Montreal convention to be held Aug. 30-31, it was announced Tuesday.

Party publicist Gilles Giguère of Quebec announced the two will be Real Caouette of Rouyn and Marcel Clement of Hull.

CBC Bill Shelved For Week

OTTAWA (CP) — Commons members have the rest of this week to mull over the government's new Broadcasting Act before launching into a full-dress debate on it.

The legislation establishing an independent board of broadcast governors to regulate broadcasting in Canada was introduced Tuesday after a brief debate at the preliminary resolution stage.

The bill was given first reading only. Works Minister Green, government House leader, later indicated that the bill will not come up again until next week.

This means that the government has missed its Aug. 23 target for prorogation and that the session may last until just before the Commonwealth economic conference, scheduled to open in Montreal Sept. 15.

CONSIDER EXPENDITURES

The Commons today is to consider expenditures of \$547,000,000 by governor-general's warrants.

Argentines Pull Out

SANTIAGO, Chile (AP) — A detachment of Argentine marines withdrew Tuesday from disputed Little Snipe Island near Cape Horn.

Chilean authorities reported. Landing of the marines Aug. 10 on the island claimed by both Chile and Argentina brought Chilean protests. The two countries agreed last week to settle the issue by working for a definite boundary agreement.

Lesage Calls For Election On Gas Issue

MONTREAL — Hon. Jean Lesage, leader of the Quebec Liberal party, said Tuesday by-elections could not erase the stain left on Premier Duplessis' Union Nationale government by the controversial transaction involving the Montreal household gas distribution system.

He told a press conference that nothing short of a provincial general election—if the premier does not wish to establish a royal commission inquiry into the sale—would satisfy the public.

Unofficial reports, said Mr. Lesage, indicate that Mr. Duplessis is thinking of calling a number of by-elections "to attempt to re-gild the tarnished shield of his administration."

But such a step could only "aggravate the already precarious situation in which his government has placed itself" as a result of Quebec hydro's sale of the gas distribution system to the privately-owned Quebec Natural Gas Corporation.

"I believe that after studying more closely the dossier of the natural gas corporation and of Quebec Hydro, Mr. Duplessis discovered that the scandal in which his cabinet ministers are accused of being implicated, is infinitely more serious than it appears."

"But the results of by-elections, whatever they might be, could not be interpreted as a judgment of the electorate throughout the province in the natural gas corporation affair."

The controversy was started by the daily Le Devoir which, in a series of articles, said a \$20,000,000 stock market coup accompanied the sale.

in the fiscal year which ended last March 31 and the spending estimates of various government departments in the current fiscal year.

Warrants comprise a method of obtaining money when Parliament is not in session and can't vote appropriations. They were used last summer and again in February after Parliament was dissolved for the March 31 general election.

Outside of cabinet appointment

The new board would assume substantially the same regulatory powers now held by the CBC board of governors. The CBC will continue virtually unchanged with a president, vice-president and nine-member board of directors appointed by the cabinet. The CBC would continue to be responsible to Parliament.

UNAFFECTS RADIO ACT

While the new Broadcasting Act would repeal the present one, it would not affect the Radio Act which governs the licensing of broadcasting stations by the government.

The new board would be empowered to grant permission to "any person" to operate a network. Private networks operate now on a regional basis. The CBC operates five networks.

A five-year capital financing program for the CBC would be proposed to Parliament one year after the new act comes into force by cabinet proclamation.

The present provision of a suspension of up to three months—subject to appeal to the Exchequer Court of Canada—of a broadcaster's licence for violation of broadcasting regulations is retained.

The CBC management and the Canadian Association of Broadcasters declined comment on the bill.

The Commons cleaned up a number of legislative items during the day, but not without an opposition-triggered vote or two.

MOVE AMENDMENT

The Liberals moved an amendment to a bill embodying a number of minor tax changes outlined by Finance Minister Fleming in his June 17 budget speech. One provides an exemption from gift tax of up to \$10,000 on real estate.

SAN FRANCISCO (AP) — The nephew of the last democratic president of Czechoslovakia took the oath of U.S. citizenship here Tuesday. Bohus Benes, 57, said that "this means that I've given up hope that my country will ever be liberated."

World's Biggest Fair, CNE Opens Gates Today

TORONTO (CP)—The world's largest annual fair opened for the 80th time today at the 350-acre Canadian National Exhibition grounds.

Prime Minister Diefenbaker was to arrive at 2 p.m. EDT to conduct official opening ceremonies.

This year's CNE is the longest in history, with two days added to the previous 14-day stand in an attempt to set a new attendance mark of 3,000,000 before the gates close Sept. 6. The total has fallen several hundred thousand short of that mark in recent years.

The governments and international buildings contain the largest group of foreign exhibitors in CNE history. Australia, Denmark, France, West Germany, Holland, India, Italy, Japan, Norway, Sweden, Switzerland, Jamaica, Great Britain and United States governments and private firms are showing off their manufactured and natural products.

A large display of U.S. military might includes the Corporal and Snark, two intermediate range missiles, pointed skyward on heavily-guarded launching pads.

The Canadian International Air show will be held during the final two days.

HOLD TRACK MEET

The Canadian Legion sports training plan coaching clinic will be held at the grounds Aug. 21 to Aug. 30. During the first three days of the clinic the interprovincial track championships will be run.

A variety musical show, starring comedian Danny Kaye, opens tonight at the 22,000-seat grandstand.

The National Horse Show opens Wednesday and judging continues until Aug. 27, followed by cattle competition.

A national sports hall of fame, a hockey hall of fame, swimming and boating championships, a dog derby, a baby show and a flower show are other highlights.

We're Not Perfect, But...

Less Prejudice Here Than In US

MONTREAL (CP)—One of the conclusions to come out of a series of seminars on group dynamics and teamwork here is that Canadians are less prone to religious, ethnic and racial prejudices than Americans.

Sponsored by the Montreal Human Relations Research Centre in co-operation with the Canadian Council of Churches and Jews, the seminars attracted 32 workers in various social fields from Manitoba, Ontario, Quebec and New Brunswick.

Integration has been more generally followed as a social pattern of thought in Canada than the assimilation idea in the United States, participants concluded. This is so, they said, because historically and politically Canada has been a bicultural country.

However, prejudice did exist in Canada, and it was much stronger in British Columbia and Saskatchewan than elsewhere in the country.

There was more prejudice among citizens of "homogeneous" cities like Toronto and Quebec City than among residents of a "cosmopolitan" metropolis like Montreal.

Although Montreal contained less prejudice than Quebec City or Toronto, it did have "group prejudices."

The seminars started Aug. 5 with the purpose of teaching

participants how to influence human groups and make them achieve more mature patterns of social behaviour.

ARTS GRADS PREJUDICED?

Other conclusions were: There is more prejudice among university graduates in sociology, psychology and arts in general than among science graduates.

Teenagers between 14 and 18 are most susceptible to notions and ideas that will make them prejudiced people.

Prejudice is more common and stronger among members of the working class than any other economic group.

Children of college-educated parents are less prone to developing prejudice than children whose parents received only a high school education or less.

This Canadian situation had developed into a "cultural pluralism" which allows various ethnic groups generally to live as Canadians without sacrificing their customs, language or religion.

However, prejudice did exist in Canada, and it was much stronger in British Columbia and Saskatchewan than elsewhere in the country.

There was more prejudice among citizens of "homogeneous" cities like Toronto and Quebec City than among residents of a "cosmopolitan" metropolis like Montreal.

Show Business

By BOB THOMAS
HOLLYWOOD (AP) — It took 1½ years away from Hollywood for Sal Mineo to escape playing mixed-up delinquents. Look at him now—an Indian boy!

The prospect of an Italian-American from the Bronx playing a Redskin may seem odd to some. Including his buddies. "I talked to them on the phone and told them I was playing an Indian," says Sal. "They couldn't talk for a minute or two. They were laughing too hard."

But Sal took his role in Tonka seriously. So much so that he broke his kneecap. "It was on location in Oregon," he related. "I was doing pretty good for a guy who had never ridden a horse before. Oh, a bunch of us used to rent some horses in Central Park, but that was all."

RODE HORSE DAILY

"I worked with the horse for two weeks before we started shooting, riding him three hours every morning. I got through most of the scenes all right, and the director had confidence in me. More than I did, in fact."

"We had a scene in which a whole band of cavalry was to chase me down a hill. I could tell the horse was nervous from all the shouting, but I tried to keep control. After I rode past the camera, the horse stopped and I kept going."

Sal explained his 18-month absence: "I was doing all right in pictures, but all the producers would offer me pictures about delinquents. I knew that was the quickest way to kill my career, so I just went back east."

"Fortunately, I kept busy. I got started in the recording field and that led to guest shots on Ed

Sullivan's show, Perry Como's, Steve Allen's, etc. I did 12 TV appearances in a year, including three dramatic shows for Kraft Theatre."

TO PORTRAY KRUPA

Sal apparently has beaten the delinquency rap now that he has returned. After he finishes the Redskin rumber, he launches into The Gene Krupa Story.

After that, Sal goes right into The Pagan, from the old Ramon Navarro silent film. Yes, the lad will be playing a Polynesian in that one.

And that's about as far from the Bronx as you can get.

FARNHAM

Mr. and Mrs. John MacDonald, of Miami, Fla., Miss Bella MacDonald and Miss Marguerite Collins, of Portland, Oregon, and Mr. and Mrs. David MacLeod, of Barre, Vt., were visiting Mr. and Mrs. Catherine MacDonald recently.

Out-Of-Town Trips Are Enjoyed By Groups Of Coaticook Young People

COATICOOK—Three groups of local young people enjoyed out-of-town trips during the past week, taking advantage of the warm weather and also of the freedom from showers which has marred other recently planned outings.

The Symphonie Vocale group left Coaticook by motorbus on Sunday morning at 8:00 a.m. and the members of this popular mixed choir enjoyed dinner at the Shelburne Hotel, south of Burlington, Vt., later visiting the museum.

The group spent almost the entire afternoon inspecting the pioneer cabins, the historical and antique collections and the ancient ship on display. The choristers then took the Burlington-Plattsburgh ferry to the latter city, where they enjoyed a swim and had their supper.

They left for home at 9:00 p.m. arriving back in Coaticook at 12:30 a.m., tired but with happy memories of a pleasant day.

The second group to enjoy an annual picnic was the Coaticook Harmony Band, under the direction of Laurier Vincent. Thirty-two persons, members of the band and their friends, went by chartered bus to Coconut Beach, near Huntingville, for a day of swimming, games and a picnic lunch.

The members took their instruments along and gave an impromptu concert, to the delight of others present.

Two bus loads of youngsters from the OTJ camp went to Victoria Park in Sherbrooke, where they spent several hours visiting the zoo and enjoying the facilities of the park and their basket lunches.

CHILD ESCAPES SERIOUS INJURY

A six-year-old girl, Pierette Lajeunesse, daughter of Mr. and Mrs. Paul Lajeunesse, of Cutting Street, escaped serious injury when struck by a car at the junction of Main and Cutting Streets.

The child, with two friends, was crossing the street near the post office when she suddenly broke away from the other two and ran ahead of them directly into the path of a car driven by Antonio Davignon. Fortunately the driver was not moving fast and managed to slow his vehicle somewhat so that the force of the blow was not too severe.

Taken to the Coaticook Hospital for examination the child was found to be not seriously injured, merely external bruises and cuts and was later taken home by her parents.

SCHOOL COMMISSION PLANS FOR FALL OPENING

The Coaticook Catholic School Commission met to discuss plans for the reopening of classes in September, especially along the lines of transportation facilities. The new owners of the Eastern Bus Lines, Denis Maurais and Roger Maurais, discussed with the Commission

DENISON'S MILLS

Sunday School classes have been conducted in Holy Trinity Church since summer and have been well attended. Mr. W. J. Denison and Miss Joanne Denison have been teachers, assisted by Mrs. Kenneth Hodge.

Mrs. W. J. Denison, accompanied by her daughter, Willo, spent a week in Hamilton, Ont., with the former's mother, Mrs. L.M. Clark, and other relatives. Prior to the trip Miss Willo had spent two weeks at Quebec Lodge, on Lake Massawippi.

Mr. and Mrs. Charles Nixon, of Winnipeg, Man., were visitors at the Denison homes and also at the home of Mr. and Mrs. L. Armstrong. Mr. Nixon spent his boyhood years with the Denison family and though he kept in touch with friends here hadn't visited for more than 30 years. Mr. L. Fowler, with his wife and small son, accompanied Mr. and Mrs. Nixon, to visit his sisters and many relatives residing in this area. Mr. Fowler is a member of R.C.M.P., airborne division, and is the son of the late Mr. and Mrs. Amos Fowler.

Friends of little Miss Lucinda Lyall will be pleased to hear that she is recuperating at home, after spending several weeks in the Asbestos hospital. Cindy received serious injuries to her leg when she fell from her grandfather's tractor onto his scythe, miraculously escaping the loss of a limb.

Mr. and Mrs. Isaac C. Denison, of Grosse Pointe, Detroit, have been visitors at the home of Mr. and Mrs. Avery Denison. Other members of the family visiting, included, Misses Ann and Ruth Denison, of Montreal, Mrs. Muriel Hill, of Shawinigan, Miss Diana Hill, of Montreal Hospital staff, Mr. and Mrs. J. Macnaughton and daughter, Cheryl, of Shawinigan, Mr. and Mrs. Ronald Hollett and their four small children, of Montreal, Mr. and Mrs. Gordon Denison, of Sorel, and Mr. and Mrs. J. Stewart MacNaughton, of Richmond.

Mrs. Avery Denison enjoyed a family picnic with her family, by the lake. Among those present were her sister, Lillian, Mrs. A. Barrett, Mr. Barrett and children and Mr. Gordon Philbrick and Mrs. Philbrick, of Sherbrooke, also Miss Marjorie-Anne Denison, Carl and Malcolm Denison.

BROOKBURY

Mr. and Mrs. Albert Carroll and daughter, Pamela, of Brantford, Ont., were calling on Mrs. John Martin and Mr. and Mrs. Sterling Batley.

ASSIST AT COMPTON SERVICE

George Engelhardt, Stanley Cromwell, Robert McAlpine and Stanley Beerworth formed the quartette which sang, "The Lord's My Shepherd" at the Compton United Church 120th Anniversary service. Other members of the choir, which led the hymn singing for the large numbers of worshippers present, were Mrs. Kenneth Walker, Miss Irene Cromwell, Miss Janice Boisclair and Miss Marilyn Cutler. Mrs. Homer Cutler presided at the organ.

The service was conducted by Rev. Geoffrey Joyce, pastor of Sisco Memorial United Church, and the guest preacher was Dr. W. B. Perry, of the Drummondville United Church, a former minister of the Compton and Coaticook Churches.

Mr. Engelhardt and Mr. Cutler provided transportation for the choir members. A number of people from Coaticook made up part of the numerous worshippers, the church being filled to capacity.

GENERAL NOTES

Miss Tamara Lemerise was named Queen of the OTJ group for the year, during the past week. The King has not yet been chosen.

The owner of the ticket for the child's see-saw, won in a recent drawing at St. Edmond Parish, and which was recently announced as unclaimed, has been delivered to Mr. Georges Parthenais who held the lucky number.

A request from the various syndicate groups of workers of Coaticook to the Town Council has been received, asking that the Friday night opening hours for the Town business office be maintained. The service has been on a trial basis and, according to the syndicates, which represent some 900 workers, the service is preferred to Saturday hours.

Members of the Coaticook detachment of the R.C.M.P. were chosen as part of the security guard at Montreal during the visit of Princess Margaret.

No word had been announced as yet about the annual soap box derby for the youngsters, which proved to be so exciting last year. It is hoped that the sponsors of this event, which encourages the youth to create and compete, will plan soon to hold another contest.

A tennis tournament is being planned, for both male and female singles, the games to be played in Shurtleff Park Courts. Interested players should contact Carmen Bissonnette, Gerard Fournier or Marcel Carbonneau.

Recent guests of Mr. and Mrs. Arnold Wheeler were Mr. and Mrs. Alvin Butler, Sandra

Fire Razes Barn At South Durham

SOUTH DURHAM — Fire recently destroyed the barn on the property of Mrs. Wilfred Watt, the six-year-old structure being a total loss. Also burned were 25 loads of hay, a tractor and wagon. Six calves, two horses and other livestock were rescued from the burning stable.

Almost the whole community responded to the call for help. Their timely assistance prevented the blaze from spreading to the house, but a brisk wind and the lack of water supply made it impossible to save the barn.

KING'S CORNER

Recent guests at the McElravy home were Mr. Arthur Montgomery, of Hamilton, Ont., Mr. James Moore, of Kinnear's Mills, Mr. and Mrs. Maitland Patton and family, of Montreal West, Miss Wanda Moore, of Kinnear's Mills, and Mr. David Currie, of Adderley.

Ambassador To Vatican Needed — John Bassett

The time has come for Canada to "put aside old and outworn religious prejudices" and appoint an ambassador to the Vatican, John Bassett, publisher of the Sherbrooke Daily Record and the Toronto Telegram, told the weekly meeting of the Sherbrooke Rotary Club yesterday.

Mr. Bassett spoke on his recent trip to Italy, Israel and England.

He made these other main points:

1. Everywhere in the Western world Canada is regarded as an important force on the side of peace.

2. Israel, which he described as a nation of "dedication of purpose and single-mindedness of effort" was feared by the Arab leaders because, by its example of development and freedom, it posed a threat to the corrupt regimes of its neighbors.

3. The spirit and assurance of Britain is high and firm.

4. Canada can help to bring peace to the Middle East by supporting the objectives of Israel.

On the question of representation at the Vatican, Mr. Bassett said that with the exception of Canada and the United States, all the major and most of the minor countries of the world have ministers or ambassadors at the Papal Court.

"This has nothing to do with religion at all," he said. "At this stage of Canada's growth and importance it just does not make sense that we are dependent on backstairs gossip or some side-door channel for the information which we gather from this centre, when we could boldly be welcomed at the front door."

The Vatican is one of the best listening posts of the world with connections even behind the Iron Curtain, Mr. Bassett added.

"I believe that the political

moment in Canada has now arrived when we have an English-speaking, Protestant Prime Minister from Western Canada, who could in no way be accused of favoring his own co-religionists, to make this appointment now," he went on. Mr. Bassett urged that the step be taken before the United States to "demonstrate clearly our own independence."

Turning to Israel, where he was received by Prime Minister Ben-Gurion and Foreign Minister Mrs. Golda Meir, Mr. Bassett described his 11 days there as "among the most exciting and rewarding of my life."

There was a great lesson to be learned, he said, from the way Israel had absorbed 1,000,000 immigrants in the

past 10 years from 70 different backgrounds and cultures and turned them into Israeli citizens. Religion played its part. During the past 2,000 years the ancient laws and the ancient prophets have been the one thing Jews have held in common wherever they have been scattered.

The second major factor was the army, Mr. Bassett said. The example of Israel, he said, showed that compulsory military service was the best way to build in young people a sense of responsibility and national consciousness.

Mr. Bassett pointed out that he had advocated conscription for Canadians for just this reason.

Officials of the Cookshire Fair called off yesterday's last day Grandstand show and cattle parade on account of bad weather and lack of attendance.

A half hour before the Grandstand show was scheduled, Grandstand seats were offered free to the public, but few showed up and activities were called off.

A total of 233 cattle entries was registered, one of the biggest entries in years. Forty nine sheep, six goats, 100 swine and 47 horses participated in this year's fair.

A grand total of 164 exhibitors displayed everything from handicrafts to farm produce.

Although most of yesterday's activities were called off, the Simpsons Sears trophy was given to Claudia Groom of Bury for the best showmanship in the junior section.

A special prize of \$25 was given by the Bank of Montreal Bury Branch to five 4-H Club members for showmanship. These winners were: Barry Parsons, of Bury; Wesley Mason, of Lennoxville; Ann Warner, of Lennoxville; Gloria Chapman, of Bury.

Winners in yesterday's 4-H inter-club competitions as judged by D. C. Robertson of Mont-real were:

Grand champion Hereford owned by Barry Parsons of Bury. The reserve champion owned by Wesley Mason, of Lennoxville.

Short-horn champion calf owned by Ann Warner, of Lennoxville. The reserve champion owned by Gloria Chapman, of Bury.

Showmanship champion in the 4-H competition was also won by Claudia Groom, of Bury.

The reserve champion was won by Grant MacLeod of Bury.

Grand champion Aberdeen Angus winner was Allison Ross, of Lennoxville. The reserve champion was won by Fred Franks, of Sawyerville.

Bilrite May Expand

Representatives of the American Bilrite Rubber Company met with a full city council this morning to iron out details for the expansion of the Sherbrooke plant to employ some 100 male workers.

Two officials of the parent company in the United States, Miah Marcus and Richard J. Marcus, of Boston, are in Sherbrooke for negotiations. Mr. C. Evans Joslin, manager of the Sherbrooke plant, was also present.

They have had several discussions with members of the industrial committee, headed by Ald. Paul Gervais, and with the ma-

yor.

Principal items on the agenda are believed to include questions of financial support from the city.

Mayor Nadeau announced the possibility of the local plant being extended on Wednesday, August 13, following the defeat in referendum of the \$780,000 loan bylaw for developing off-street parking in downtown Sherbrooke.

The American Bilrite plant is located at 255 Jencks St., in the North Ward.

An announcement of the success of the negotiations is expected later this afternoon.

Donald Sangster Is Improving

The condition of Donald Sangster, injured last week in a helicopter crash in the far north, has improved greatly, it was reported today.

An operation was performed on the Sherbrooke man in Akavik in which his spleen and part of his intestines were removed.

However, the report continues, Sangster continues to make excellent progress and it is expected that he will be flown from Akavik down to Edmonton some time tomorrow or Friday, weather conditions permitting.

Folksongs At YWCA Meet

Discussions on folklore, and folksongs entitled "Our Heritage In Song," presided over by Miss Helen Creighton, well-known collector of Nova Scotian folklore and folksongs, highlighted Tuesday's agenda at the Eight National Assembly of the YWCA, presently being conducted at Bishop's University.

Attending the Assembly are 38 delegates from coast to coast. Illustrated by tape recordings.

Sherbrooke Regiment Honored

The Sherbrooke Regiment, RCAC, will receive 22 battle honors for campaigns in North-western Europe during World War II, it was announced by army headquarters in Ottawa yesterday.

The unit fought with the Sherbrooke Fusiliers as the 27th Armoured Regiment.

Two other armored regiments, topped by the Nova Scotia Highlanders, were also awarded honors.

The Highlanders, a postwar militia amalgamation of the North Nova Scotia Highlanders, the Pictou Highlanders and the Cape Breton Highlanders, will carry 34 battle honors won by its components in Europe and Italy.

Flash Fire

A flash fire which started in an unoccupied apartment on Magog St., was quickly overcome by firemen early yesterday afternoon. Cause of the outbreak was believed to be an exploding burner employed by workmen who were removing paint from the walls.

Fifteen firemen under the direction of Capt. Eugene Fortier, answered the call at 139 Magog St., at 1:30 p.m. The building belonged to Mrs. A. Gillespie.

Although no figure for the damage was available, fire department officials admitted that there had been a fair amount.

J. S. Bourque To Be Honored By Indians

J. S. BOURQUE

FINANCE MINISTER J. S. BOURQUE will be inducted as an honorary chief by Indians of the Caughnawaga Reservation at the Sherbrooke Fair next Sunday, it was announced today.

Earlier, it had been announced that Maurice Allard, Sherbrooke MP, and Mayor Armand Nadeau would be inducted into the tribe as honorary chiefs.

The ceremony will take place at 2:30 p.m. in the arena on the fairgrounds where the Indians will give a demonstration of war dances.

Acts from the midway and grandstand shows will also be put on during the afternoon performance and the Sherbrooke Harmony Band will play. The Indians are being brought to Sherbrooke by the Sherbrooke Branch of the Canadian Legion.

A guest of honor for the afternoon will be Senator James Gladstone, Canada's first Indian senator.

There will be no admission charge to the arena for the show, fair officials announced.

Project To Beautify City And Help Unemployed By Ald. Savard

A double-barrelled plan for beautifying the city and giving work to the unemployed who are on municipal welfare relief was outlined by Centre Ward Ald. Marcel Savard.

He said the plan tied in with West Ward Ald. J. M. Jeanson's scheme of using men on relief in municipal works.

Ald. Savard said that the men could be employed at painting cement underpasses and added that the plan was effectively used in Montreal to eliminate dirty and unsightly railway underpasses.

Cost of the paint would be negligible, he pointed out, and the work would keep the unemployed busy. As a minor project he suggested that the city replace a dead tree that was cut down behind the war memorial on King St. West.

The Wellington St. South wooden OQR trestle could be either changed or painted, he said. A petition to company officials could be made he noted.

BUILDINGS

A special electricity rate could be arranged for people who want to illuminate buildings they own, Ald. Savard said.

"It would improve the sight of the city," he said.

As an example, he cited the court house on Wellington St. North which could be glamorized with lighting. Strathcona Square in front of the courthouse was recently illuminated by the city.

LIBRARY

Ald. Savard also announced that an architect would be consulted before choosing replacements for the library doors. New identification plaques will also be installed.

Speaking about the flowers that were placed on either side of the library entrance, Ald. Savard said that he had received many compliments.

He said the flowers had not been mishandled by children.

J. Kingsland At Magog Kiwanis Club

MAGOG —(Special)— Major J. Edgar Kingsland, guest speaker at the Magog Kiwanis Club's weekly meeting, described past service group and youth activities in Magog.

Major Kingsland said that a veterans' group formed after the First World War was in reality the first service club Magog had. Mentioning the boy scouts, Major Kingsland gave a colorful resume of the ambitious projects conducted by youths and mentioned the good they brought to their town.

One time soldier, ex-mayor of Magog, and noted welfare worker, Mr. Kingsland's address was received with much appreciation. He was introduced by Gordon Beerworth and thanked by Edward Foggo.

Here are the

FACTS

about exchanging your

3% wartime Victory Bonds

1. What is the Canada Conversion Loan of 1958?

It is an offer to replace all unmatured 3% wartime Victory Bonds with new 25-year 4½% Canada Conversion Bonds. (Other bonds of shorter term, bearing interest rates of 4¼%, 3¾% and 3% are also available.)

2. Why is the Government making this conversion offer?

In order to reorganize the national debt on a longer term basis and thus reduce the volume of Government refinancing over the next few years. There is widespread public and business agreement that this is a sensible idea and will help protect the soundness of the Canadian dollar.

3. What interest will I receive on the new bonds?

On the 25-year bonds the interest rate is 4½%—this is 50% greater than the old Victory Bond rate. The increase on the 14-year and the 7-year bonds is also substantial.

4. As a Victory Bond holder, will I be required to make any additional payment?

No. On the contrary, you will receive an immediate cash adjustment.

5. Do I have to convert my Victory Bonds?

You may, if you wish, hold your Victory Bonds until maturity and on the due date you will be paid their full face value. The Conversion Loan offer is open only to Victory Bond holders; and the "right" to convert gives Victory Bonds a special value until the offer expires. This is because there are many people trying to buy them in order to invest in the new bonds.

6. What will be the total of my cash adjustment?

It will depend on the type of exchange. For example, a \$500 8th Victory Bond exchanged for a \$500 Conversion Bond paying 4½% will give you \$8.75 in cash immediately. This includes earned interest.

7. Does this offer apply to Canada Savings Bonds and other Government of Canada Bonds?

No. This offer is limited to unmatured wartime Victory Loan Bonds only.

8. What steps should I take if I am away from home on vacation and wish to take advantage of this offer?

You should write immediately to your bank, investment dealer, stockbroker, trust or loan company, requesting literature and application forms.

9. Does it matter that the Victory Bond I hold is very small?

Every holder of a Victory Bond, even though the amount held may be only \$50, should take advantage of this offer. It is in his best interests as well as in the best interests of Canada.

10. How long is this offer open?

Until September 15, 1958, but it is to your advantage to convert as quickly as possible and have the benefit of the immediate cash adjustment.

11. Where can I exchange my Victory Bonds?

At any bank, investment dealer, trust or loan company, or through your stockbroker.

Government Raises Bid On Bitters

PORT OF SPAIN, Trinidad (CP)—The Trinidad government increased its offer Tuesday to buy an old Trinidad company and apparently ended a Bitters controversy.

The flap blew up over a Bermuda company's offer to purchase the Angostura Bitters Company, established on this Caribbean island in 1875.

Natives of Trinidad and Bermuda have long rooted suspicions of each other and when the Bermuda company offered to buy Angostura, the Trinidad government countered with a new and higher bid.

Monday, the company increased its offer to a penny per share more than that of the government. A company announcement said that if the Trinidad government outbid it, the company would make no further bids. The government did make another bid Wednesday, topping the Bermuda company by one penny. The government's latest bid means an additional expenditure of \$25,000 more than its original offer. The first time round, the government had offered \$2.52 for each preferred share and \$6.12 for each common share.

Sixty years before Christ a Daily Newspaper called "Acta Diurna" began appearing in the Forum of Rome. It was the brainchild of Julius Caesar.

In Israel, every man served two and a half years in the services and every unmarried girl two years. Upon completion of service, there is a month each year of refresher trainings.

One difference between Israeli and Arab that is not sufficiently understood, Mr. Bassett said, is that Israel is working to survive as a free democratic nation surrounded by countries whose systems of government range from the complete medieval tyranny of Yemen and Saudi Arabia to the dictatorship of Egypt.

Because of this, "Arab leaders fear Israel not only because of its unity and its prowess in arms, but because of the development of this country, through the freedom of all its citizens, whereby the poorest and the lowliest have the opportunity to lead a full life with political and religious freedom."

"The Arab leaders know that when the day comes when the

TENDERS

Tenders wanted for the construction of 2640 feet of road on the Magoon's Point Road starting at 28-13, also for building 2476 feet of road on the Brown's Hill road starting at 24-58. The above work is to be done according to Government specifications, which may be seen at my office.

All tenders must be received by 6 P.M. August 23, 1958. The lowest or any tender not necessarily accepted.

Arab peasant realizes that by diversion of the tremendous financial resources of Arab-controlled oil into schools, hospitals and agricultural development, he can throw off the yoke of poverty, ignorance and disease, then the day of the Nasser and the Ibn Saudis is over," he added.

Canada's role, Mr. Bassett said, should be one of "unabashed and full support for the state of Israel." The only effective fighting force in the Middle East apart from the United States Sixth Fleet is the Israeli army, he said. Apart from this, if Israel can show the people of the area that freedom and democracy offer a fuller life than dictatorship and autocracy, then peace can come to the whole Middle East.

Canada, never having been a colonial power, can give a lead in supporting the objectives of Israel, he said, urging that Canadians should do so at both the government and individual level.

In addition, he said, Israel has added another mother country to Canada by giving Canadian

Jews a spiritual homeland such as other Canadians.

"In this way," he said, "Israel is a force to weld Canadians together and to bring about a new and greater understanding in this country between Jew and non-Jew."

President Ivan Saunders announced the appointment of Lyman Tomkins to the office of vice-president of the club and welcomed him back from his holiday in England.

Guests at the meeting included Rotarians Leomell Strong, Springfield, N.Y.; Harold Beane, Boundary, Rene Monty, Boundary, Bill Christensen, Worcester, Mass., and Stan Osborn, Hartford, Conn.; and also Don Towne, Regina, Murray MacFarlane, Montreal, director of the Crippled Children's Camp; Robert Borright, Lennoxville and Phil Robinson, Bob Butler, Lorne Thomson, Rabbi Lobel and Jan Pick.

QFL, CCCL Hit 'Anarchy'

MONTREAL (CP)—Roger Provost, president of Quebec Labor Federation (CLC), and Gerard Picard, president of the Canadian and Catholic Confederation of Labor, said Tuesday in a joint statement that "legislative and administrative anarchy" in Quebec are preventing workers from exercising their right of association.

The leaders of the province's two largest organized labor groups made the statement in connection with a labor dispute at Shelter Bay, St. Lawrence north shore shipping center, 300 miles northeast of Quebec City, where violence occurred last Wednesday.

Thirty employees of Portier Transport Limitee went on strike July 29 and last Wednesday four men were arrested on charges of causing damage to company property including trucks. Provincial police reinforcements were ordered to Shelter Bay.

The Progressive Conservatives voted the amendment down 137 to 43. The CCF supported the Liberals.

Final approval also was given a number of tariff revisions, but not before J. W. Pickersgill (—Bonavista-Twillingate) initiated a final opposition attempt to toss out five-to-10-cent increases in the tariff on British wool cloth, now 50 cents a pound. Dividing on the same lines, the House rejected the move 44 to 17.

Reds Cancel Papers For Geneticists

MONTREAL (CP)—The 10th International Congress of Genetics opened today amid a flurry of speculation that academic freedom for geneticists in the Soviet Union may be disappearing.

The speculation by Western scientists was sparked by the last-minute cancellation of a number of papers scheduled for delivery to the congress by Russian experts in the fields of plant and animal genetics.

Dr. E. W. Casper of the United States, chairman of the program committee, said that all papers cancelled seemed to have disagreed in some manner with the theories of Prof. T. D. Lyenko, a favorite of the Stalin regime.

His findings appeared to support the Communist view that man's character and actions are determined by his environment rather than by heredity.

Following Stalin's death, Lyenko seemed to fade into the background and the anti-Lysenko group appeared to have been freer to express views.

Western scientists today speculated that the abrupt withdrawal of the Russian papers which do not support Lyenko's theories could mean that some of this freedom is disappearing for Soviet geneticists.

In the inaugural session today, the 1,400 delegates from 47 countries were to be welcomed by federal, provincial and municipal government officials.

Genetics is the science of heredity.

estate transferred between husband and wife.

J. P. Deschatelets (—Montreal Maisonneuve - Rosemont), who presented the motion, said the exemption would not apply to Quebec because of a provincial law forbidding such exchanges between husband and wife.

The motion would have postponed the exemption until it could be applied to Quebec as well as the rest of the country.

The Progressive Conservatives voted the amendment down 137 to 43. The CCF supported the Liberals.

Final approval also was given a number of tariff revisions, but not before J. W. Pickersgill (—Bonavista-Twillingate) initiated a final opposition attempt to toss out five-to-10-cent increases in the tariff on British wool cloth, now 50 cents a pound. Dividing on the same lines, the House rejected the move 44 to 17.

Will Work Around The World

DAWSON CREEK, B.C. (CP)—Two Dawson Creek girls plan to leave this northeastern British Columbia village this fall on a world tour, working as they go, which will take them to Australia and Europe.

Elaine Hattie, 20, a physical education teacher, and Gerda Gislason, 22, a laboratory technician, will board a freighter at Vancouver in October bound for Honolulu and the Fiji Islands.

Next stop will be Sydney, Australia, in late November. They plan to tour that continent for four months, working their way around.

"We're even considering getting jobs on a sheep station," says

Elaine.

MEET IN PARIS

In March, another freighter will take them to India, Greece, Italy, Spain, Portugal and several other countries. They hope to hold a reunion in Paris April 17 with four other travellers. The meeting is scheduled for the top of the Eiffel Tower.

Their itinerary calls for them to leave for London July 14, where they will buy bicycles and begin a three-month tour of the United Kingdom. They will return to Montreal in October, 1959.

"We will be taking about \$2,000 each with us," says Gerda. "If we run short, we will just have to work that much more."

Elaine moved to Dawson Creek two years ago from Vancouver. Gerda has lived here for 14 years.

Successful Man Owes All To Silent Member Of The Firm

A wife can be her husband's business partner without ever going near his place of work.

That's the kind of business partner Mrs. C. has been through the years.

From the first, she saw her husband's dream of what he wanted to accomplish, and she has helped him in every way a wife could.

She not only moved the family to a different part of the country when it meant a step up for her husband, she made the move without complaining and set about putting down roots in their new home and looking for all the advantages the new town had to offer.

Her friendliness to everyone has made her a good-will ambassador for her husband. Her hospitality has made and kept friends.

Because she has always been a good manager, the C's have always lived well on whatever her husband earned. And they have always managed to save money for the unexpected emergency or opportunity.

Because she likes, as well as loves, her husband she has always presented him in a flattering light and been happy to see him shine.

Mr. C. has always had the comfortable assurance that his wife would never let him down, that she could manage the house without his help and leave him free to concentrate on his career.

Mr. C. is now a successful man. But he could never have gone as far without his silent business partner—the woman who saw what he wanted to achieve and set about doing all that a wife could to help him.

Social and Personal

Mrs. J. C. Thissen, of Clark's Summit, Pa., is visiting at the home of her father, Mr. James Strickland, Sr., Island St. They will be joined by Mr. Thissen and Mr. and Mrs. John Reid, also of Clark's Summit, for the Labor Day weekend.

The Misses Angeline, Jill and Aline Cassar and Miss Evelyn Komery have returned from a two-week holiday spent at Cape Cod.

Miss Jean Imrie, a September bride-to-be, was entertained at a miscellaneous shower recently by Mrs. Frank Milne and Mrs. Roy Wiggett at the former's home on Bethune St., decorated with a profusion of summer flowers for the occasion. About 30 friends and relatives were present.

Miss Cheryl Imrie presented a tea wagon laden with gifts to her sister, and then proceeded to assist her in opening them. Mrs. John Imrie, grandmother of the girls also helped.

Refreshments were later served by the hostesses, the tea table being delightfully arranged with two antique bowls of pink roses and pink tapers on a cut work cloth.

Mrs. Jack Imrie, mother of the bride-to-be and Mrs. John Scott, mother of the prospective groom, poured and Mrs. M. S. Lothrop, and Mrs. Jacques Hebert assisted in serving.

MRS. HUGH ALLEN TOWNSEND, Jr., whose marriage took place Saturday in Christ Church, Stanstead. Mrs. Townsend was the former Blanche Lorraine Heath, daughter of Mr. and Mrs. Oscar Heath of Derby Line, Vt. Mr. Townsend is the son of Mr. and Mrs. Hugh A. Townsend of Muncie, Indiana.

TOWNSEND — HEATH

STANSTEAD — The marriage of Blanche Lorraine, daughter of Mr. and Mrs. Oscar Heath, Derby Line, Vermont, to Mr. Hugh Allen Townsend, Jr., of Findlay, Ohio, son of Mr. and Mrs. Hugh A. Townsend, of Muncie, Indiana, took place on Saturday afternoon, August 16 at three o'clock in Christ Anglican Church.

Rev. George Johnston officiated at the double ring ceremony. The traditional wedding music was played by Mrs. Howard Cass. White gladioli adorned the

altar and baskets of white hydrangeas were in the sanctuary. White satin bows and sweet peas marked the guest pews.

The bride, given in marriage by her father, wore a gown of white nylon tulle over taffeta. The floor-length bouffant skirt featured inserts of lace and the fitted bodice was finished with a V neckline of lace accented with iridescent rhinestones and cap sleeves. Her fingertip veil of tulle fell from a pill box hat of lace decorated with seed pearls. She carried a white lace covered prayer book decorated with a white orchid and satin streamers knotted with stephanotis. Her jewellery was a gold locket centered with a diamond, the gift of her paternal grandfather to her grandmother on their wedding day.

Mrs. Benjamin March of Plymouth, N. H., sister of the groom was matron of honor and the bridesmaids were Mrs. Frank Wilkins of Baltimore, Maryland and Mrs. Robert Cota of St. Albans, Vermont. The junior bridesmaids were Miss Ann Schaffner, Malden, Mass., and Miss Linda Miller, Knowlton, Que., both cousins of the bride.

Mrs. March, was in a sheath gown of mint green lace over satin and she wore a flower bandeau in her hair and carried a colonial bouquet of yellow baby mums.

The bridesmaids were gowned alike in golden glow yellow taffeta, the bouffant skirts finished with harem hemlines. They wore white velvet and flower bandeaux and carried colonial bouquets of pink baby mums.

The junior bridesmaids wore carnation pink embroidered organza frocks styled with overskirts trimmed with blue rose buds. They also wore flower bandeaux and carried toning shaded nosegays, of baby mums and sweet peas.

Mr. Hugh A. Townsend, was best man for his son and the ushers were Mr. John Boucher, Stanstead, a cousin of the bride and Mr. Robert Cota, of St. Albans, Vermont.

Mrs. Heath, mother of the bride, was in a navy blue sheath and wore a white rhinestone trimmed picture hat, white accessories and a corsage of pink sweet heart roses.

Mrs. Townsend, mother of the groom was in dress of blue lace over satin, and wore a dusty rose feather hat and a corsage of pink sweetheart roses.

The reception was held at "Meadowbrook" in Derby and was attended by over 100 guests. The bride's table was centered with the three-tier wedding cake made by Mrs. Henry Brock, aunt of the bride and decorated by Mr. Dexter Schaffner, uncle of the bride.

Later, Mr. and Mrs. Townsend, Jr., left by motor on their honeymoon trip to Niagara Falls and points West. For travelling, Mrs. Townsend wore a dress of powder blue cotton and lace, a white hat and accessories and a white orchid corsage. They will reside at 518½ West Main Cross, Findlay, Ohio.

Guests attended from California, Indiana, Connecticut, Maine, New Hampshire, New York, Maryland, Massachusetts, and Vermont, and Province of Quebec and Ontario.

Mrs. Townsend is a graduate of Derby Academy, and the Massachusetts School of Medical Technology, Boston, Mass. The groom attended Ball State College, Muncie, Indiana and is on the staff of the Nickel Plate Railroad, Findlay, Ohio.

MR. and MRS. KENNETH BAZINET cut the cake at the reception held at the Warden Hotel following their marriage which took place Saturday in the Presbytery at Waterloo. The bride was the former Anita Chevrier, daughter of Mr. and Mrs. Albert Chevrier and the groom is the son of Mr. and Mrs. Arthur Bazinet.

BAZINET—CHEVRIER

WATERLOO — The marriage of Miss Anita Chevrier, daughter of Mr. and Mrs. Albert Chevrier, to Mr. Kenneth Bazinet, son of Mr. and Mrs. Arthur Bazinet, took place Saturday morning, August 16 at half past nine o'clock in the Presbytery. Father Robert officiated.

Given in marriage by her father, the bride wore a cocktail-length dress of light blue nylon over taffeta. A small matching hat held her short face veil and she carried a bouquet of orchids and stephanotis.

Mr. Arthur Bazinet acted as best man.

Mrs. Arthur Bazinet, mother of the groom wore a flowered print silk dress with white accessories and a corsage of yellow carnations.

The bride's mother, Mrs. Chevrier wore a navy blue dress with pink accessories and a corsage of pink carnations.

At the reception held in the Warden Hotel, the tables were tastefully decorated with gladioli by Andre Planet. The bride's table was centered with a three-tier wedding cake made and decorated by Mrs. Irwin. Music was supplied by the Delisle Orchestra of Waterloo.

Mr. and Mrs. Bazinet left for a wedding trip to Niagara Falls, the bride travelling in a light beige suit with brown accessories and a corsage of white orchids. On their return Mr. and Mrs. Bazinet will reside in Waterloo.

Out of town guests were from Massey, Granby, Newport, Vermont, Montreal, Waterloo, and Cowansville.

Beauty Tips

Foundation makeup will show up in wrinkles and blemishes if applied carelessly. When applying makeup always, smooth the skin so these areas are properly filled. A soft brush may be used to whisk away excessive amounts. It is also good to brush powder from the hairline.

Parties, large or small, are always remembered as special moments in our lives. It usually follows—the more elegant the party, the fonder our memories.

A small, intimate party, given on a lazy summer afternoon, can be just as elegant as a large and formal reception. A few close friends, a cool setting and lovely refreshments—what more could be desired?

Of course, a large and cumbersome buffet wouldn't do for such an occasion, but a handsome sandwich loaf would! Take this Katonah Sandwich Loaf—with layers of chicken, mushrooms and deviled ham and frosted with fluffy cream cheese. It's a scrumptious concoction that, happily, can be made hours before the party.

Right before your guests arrive, garnish the loaf with mushroom crowns, sliced olives and wedges of cucumber. Then, make a tall, frosty pitcher of iced coffee—it's the perfect accompaniment! (Remember... brew the hot coffee extra-strength to avoid dilution from melting ice cubes. For four servings use six Standard Coffee Measures, or twelve level measuring tablespoons, of coffee to three cups of water.) For a final touch, place a simple arrangement of fresh cut flowers on your table. Your party will be truly beautiful—and your guests will always remember you as the hostess with flawless taste.

KATONAH SANDWICH LOAF

1 large loaf unsliced white bread 2 cans (3 oz. each) broiled mushrooms 1 lb. cream cheese, divided 1 tablespoon heavy cream

1 tablespoon grated onion 1 cup minced cooked chicken ½ cup minced water cress ½ cup minced cucumber Mayonnaise 1 can deviled ham, 4 small stuffed olives Unpeeled cucumber slices.

Remove crusts from loaf of bread and slice lengthwise into 3 even slices. Drain mushrooms, reserve 8 whole crowns and mince the rest. Mash ½ lb. cream cheese, add cream and whip until fluffy. Add minced mushrooms and onions. Set aside. Combine minced chicken, water cress and cucumber with enough mayonnaise to hold ingredients together. Spread on 1 slice of loaf and top with second slice. Spread this slice with mushroom mixture and top with third slice. Combine remaining cream and deviled ham, whip until fluffy and spread on top and sides of loaf. Place 8 mushroom crowns in a row along center of loaf. Flank with rows of sliced olives and half slices of cucumber. Makes 8 servings.

Montreal Pipe Line Company Holds Picnic, Sports Day At South Bolton

SOUTH BOLTON — The Montreal Pipe Line Company held its annual picnic and sports day here at Haven Isles, on Saturday, August 9.

Although, at first the day threatened to be windy, rainy and cold, by noon the sun was shining brightly and approximately 135 men, women, and children turned out to enjoy the picnic lunch served by the ladies, and to take part in the day's program.

The main event of the afternoon for the men was the ball-game between Johnny Irwin's Meter Men and the Highwater-Ste. Cesaire Scraper Cats. Mr. Parkinson and Mr. Mackenzie acted as officials in the fast and exciting game. The final score after 5 innings was Montreal 10, Highwater-Ste. Cesaire 4.

The line-ups were as follows: **MONTREAL:** Galen Driver, Bob Pritchard, Bud Murphy, Douglas Maclean, Bill Macdonald, Bob Hastings, Ian Dalglish, Mary Pritchard, John Irwin, Sharon Beale.

HIGHWATER-STE. CESAIRE: Ben Bouher, Mrs. Pritchard, Claude Camacho, Gilles Meunier, Bob Pipe, John Beale, Graham George, Garth Eldridge, Philip Lessard, Bruno Caron, Gaston Schinck.

Following the ball-game, races were held for all age groups. In charge of the sports events were: Bob Pipe, Mary Pritchard, John Beale, John Irwin, John Ayotte, Maurice Campbell, Mrs. Graham George.

Prizes were awarded as follows: Girls, age 1 - 3: 1, Lianne Ferguson; 2, Nancy George; 3, Donna Ayotte.

Boys, age 1 - 3: 1, Luke Lessard; 2, Donald Camacho; 3, Michael Pritchard.

Agriculture Days To Be Held At Thetford Ball Park September 10-11

THETFORD MINES — Lucien Therrien, Agronome of this district and organizer of the Agricultural Days to be held at the Thetford Ball Park, Wednesday and Thursday, September 10th and 11th, advises that the main purpose of these agricultural days is to educate and help the farmers in this region with the many problems encountered in farming.

Farmers within a radius of 15 miles are qualified to take part in this Fair which includes towns, villages and farms in the counties of Beauce, Frontenac, Megantic and Wolfe, there being no charge for the exhibiting of their animals. Any one with a registered bull or bull calf since the 1957 Fair will be given a grant of \$10 for exhibiting it.

Among the cattle-breeders who are exhibiting their animals at the Fair will be: W. K. MacLeod, owner of the Lake Aylmer Farm at Disraeli, with his manager, Pierre Gagnac; J. Laurier Monfette, Alcide Couture et Fil-Enrg, Albert Labranche, all of Thetford Mines; Paul Andre Cyr, of Broughton Station, all of whom will exhibit their Holstein breeds of cattle, Leo Cote, manager of the St. Julien de St. Ferdinand d'Halifax farm, Rolando and Wilfrid Roy, of West Broughton; Paul Emile Tailleux, manager of the St. Martin Farm of the St. Joseph Hospital, all of whom will exhibit their Ayrshire cattle. Lionel Baril, of Princeville, will exhibit the Hereford cattle from his Inverness farm.

There will also be five new calf clubs showing their animals. These will be from St. Jean de Brebeuf, Leeds Village, Sa re Coeur de Marie, West Broughton and St. Adrien. Besides the cattle there will also be a showing of poultry and hogs.

The following Agricultural experts are expected to attend the Fair: J. C. Cimon, from the Department of Agriculture, Quebec; Drs. Gabriel Couture and Come Marchand, Thetford veterinarians; Andre Auger and Agronomes from St. Georges de Beauce and Lake Megantic; three forest engineers; Omer Allard, Agronome from the Experimental Farm at Lennoxville; three representatives from the Shawinigan Water & Power Co. All of these experts are to be on hand for the purpose of helping to solve the varied problems confronting the farmers.

As a result from the exhibition and judging of cattle, there will also be in all some 22 booths set up by local industrial firms displaying their merchandise. The Horticultural Society expects to have a display of flowers and plants and the Experimental Station at Lennoxville will have some commercial exhibits.

The program for Wednesday consists of judging the cattle at 10 a.m. and at 2 p.m. In the evening will be a parade of the animals, a display of machinery and other equipment, all in front of the Grandstand with music supplied by the local bands. At 9:30 p.m. there will be a fireworks display. To help defray expenses of these fireworks individual miners will be approached at the mining companies for a contribution of money to be considered a tribute from the miners to the farmers. On Thursday much the same program will be carried out as on Wednesday.

This year's Agricultural Days have a good program set up with free admission to the Grandstand and all performances. A most cordial welcome is extended to all to attend.

Canada's Singles Champion Is Feted By City And Friends, Gifts Presented

"One of the most pleasant duties I have been called upon to perform since assuming the office of mayor of the City of Sherbrooke is today's of congratulating you, Bob Bedard, on behalf of the citizens and members of the City Council for your outstanding feat in the world of sport," stated His Worship Mayor Armand Nadeau yesterday afternoon at the civic reception held at the City Hall.

Mayor Nadeau claimed it was a great privilege to pay honor to one of the citizens of Sherbrooke, who, through his feats in the world of tennis, has put the City on the headlines of papers throughout the country. Mayor Nadeau further added, "You are a credit not only to your family but to the City and you are a living example for all youngsters to follow."

Bedard was a guest of honor at two special receptions held yesterday, one at the City Hall and the other later in the evening at the Elks Club. He had just won the Canadian Singles Championship at Vancouver to become the only player within the past twenty-five years to win the title on three different occasions. The feat was accomplished by Jack Wright of Toronto.

Mayor Nadeau presented Bob Bedard with a Hi-Fi as a gift from the City. Bedard thanked the City and at the same time the Sherbrooke Tennis Association, the Elks Club and his many friends who had helped to make this day such a wonderful one. He added, "I will always remember today as one of great importance and the gifts which I have received will always be cherished by my wife and myself."

A parade commenced activities in the afternoon headed by the Harmony Band which wound its way through the streets to the City Hall where the civic reception was held. In the evening his many friends gathered at the Elks Club to pay him tribute.

Henri Delorme, who acted as master of ceremonies, welcomed Bob Bedard on behalf of the Elks Club while Leo-Paul Lessard, High Commander of the Club, officially welcomed him. Majella Charest, president of the Sherbrooke Tennis Association, congratulated him for his great feats in the world of tennis and at the same time pointed out the great work he has been doing with the youngsters of the City.

In the afternoon at the City Hall Mrs. Bob Bedard was presented with a bouquet of American Beauty roses by young Renee Lebrun. Mayor Nadeau added his words of congratulations as a citizen following the civic reception in the afternoon.

Following all the speeches of congratulations a dance was held to complete one of the greatest days, "Bob Bedard Day" ever held in the City.

Marlene Stewart Streit Posts Easy 8 And 6 Win Over Charlotte Decozen As Five Other Canadians Advance

DARLEN, Conn. (AP) — Canada's Mrs. Marlene Stewart Streit played some outstanding golf as she coasted to an 8 and 6 victory Tuesday over Charlotte Decozen of Montclair, N.J., in the second round of the U.S. women's amateur championship.

Five other Canadian golfers also advanced to the third round of the tournament, won in 1956 by Mrs. Streit.

"I feel I am playing as well as I did in 1953 when I won the British Ladies title," the diminutive Fonthill, Ont., native said. "The course is long and exacting but it requires position play and that is what I like."

Other Canadian winners Tuesday were Mrs. Lindsay Mussels of Montreal, who defeated Mrs. John Kohn of Hartford, Conn., 2 and 1; Janet McWha of St. Lambert, Que., who downed Mrs. Paul G. Black of Marshfield, Mass., 4 and 2; Katherine Helleur of Malton, Ont., who won 6 and 5 over Mrs. Jerome Miller of Stamford, Conn.; Judy Darling of Hudson Heights, Que., who scored a 6 and 4 victory over Mrs. Jane Nelson Burke of Indianapolis; and Roma Nuerdorf of Toronto, who was a 3 and 1 winner over Mrs. Joseph Nesbitt of Rye, N.Y.

Pole With Unpronounceable Name, Zdzislaw Krzyszkowiak, Cops Big Race In Opening European Track Meet

STOCKHOLM (AP) — A pole with an unpronounceable name but a devastating finish captured the big event Tuesday, opening the sixth European track and field championships.

A crowd of 20,000 in Stockholm's Olympic Stadium kept up a running cheer during the 28 minutes, 58 seconds required by Zdzislaw Krzyszkowiak (pronounced something like "Krisso-ko-vee-ack") to win the 10,000 metres.

Two Russians came second and third. Stan Eldon of Britain was fourth behind Evgeni Zhukov and Nikolai Pudov of Russia while John Merriman of Britain was sixth behind Poland's Stanislaw Orog.

There were two other gold medal winners on this first day which saw Prince Bertil of Swe-

White Sox Challenging For AL Lead Much Too Late As Yanks Hold 10½ Game Bulge, Lose Their 4th Straight

It's no wonder Al Lopez is the only manager in the American League who isn't afraid of the New York Yankees. Year after year he keeps saying the champs can be had, and year after year he gets around to proving it—but with too little, or too late.

The day after the Yankees had built their biggest lead of the season—17 games on August 2—Lopez' Chicago White Sox swept a doubleheader from the Yankees. They have won 14 of 17 since while the Yankees have lost 11 of 18.

Lopez saw his Sox build their longest winning streak of the year Tuesday night as Dick Donovan's four-hitter beat Boston 7-1 and pushed Chicago's string to six games. It also reduced New York's lead to 10½ games, as Cleveland handed the Yankees their fourth consecutive defeat 8-6.

AS WIN TWO
Washington smacked Detroit 3-1 and Kansas City swept a twin-night pair at Baltimore 4-1 and 6-4 in the other AL games.

Donovan didn't walk a man and struck out five for a 10-11 record. Jackie Jensen had half the Red Sox' hits, a second-inning single and a fifth-inning home run, his 33rd. Jim Rivera hit a two-run homer for Chicago in the seventh.

Royals Come From Behind In 11th To Nose Out Red Wings 5-4 As Leafs Stopped 7-1 By Bisons, Jets Win

First-place Montreal Royals of the International League are a far cry from the last-place team they were a year ago.

Coming up with the key play when they needed it the Royals came from behind Tuesday night and beat Rochester Red Wings 5-4 in the 11th inning on Jim Koranda's double.

The victory gave Montreal a 3½ game edge over the second-place Toronto Maple Leafs.

Buffalo Bisons whipped the Maple Leafs 7-1. Richmond Virginians edged Havana Sugar Kings 7-6 in 10 innings and Columbus Jets defeated Miami Marlins 6-2.

Rip Coleman pitched hitless ball for the first six innings and

The Indians, now just .004 percentage points shy of fourth-place Detroit, handed the Yankees three runs on three errors in a hitless fourth inning, then took it on Rocky Colavito's tying, three-run 28th homer in the fifth and Vic Wertz' winning two-run homer in the seventh. Johnny Kucks (8-6) was the loser, Don Mossi (7-6) won it in relief.

SIEVERS HOMERS
Roy Sievers drove in the first two Washington runs. He hit a solo home run—his 34th, one behind AL leader Mickey Mantle of New York—in the first inning off loser Herb Moford (3-5). Camilo Pascual (7-7) won it.

The As didn't have a hit for five innings off Milt Pappas in the opener, then scored three runs in the sixth on four singles as Ned Garver won his 11th with a five-hitter. A three-run fourth won the nightcap as the As collected 15 hits and Murry Dickson won his ninth with relief help. Gene Woodling drove in three runs for the Birds, two with his 12th homer, Arnie Portocarrero (12-8) lost it.

Aramis Club Cops League Title As Pl'yoffs Open

RICHMOND — The Aramis softball club of the Danville Asbestos league emerged champions for the second straight year when they dropped the Richmond Hotel team 8-5 in the last game of the season.

Playoffs started Monday with Aramis playing hosts to Richmond and Danville went against Shaft taking the first tilt while their second outing saw the clubs ending in a 6-6 tie. This second tilt will be continued until the full seven innings are played.

In Monday's game Aramis took the tilt 10-4 with the winners registering fifteen hits to Richmond's five. Dextrateur went the distance while Bob Pariseau hurled for Richmond.

At the end of the regular season, Aramis finished in first place with Danville second. Richmond ended third and Asbestos Shaft in the cellar.

Shaft will meet Danville in Asbestos Thursday. The best-of-five semi-final series continues next Tuesday night with Shaft at Danville. Winner of this series takes on the victors in the Aramis-Richmond series.

Don Drysdale Wins Again, Stops Braves As Bob Buhl Is Out; Giants Beat Redlegs In 10-Innings 4-3

Too much Don Drysdale and no Bob Buhl. Maybe that's the answer for that 11-6 edge Los Angeles Dodgers hold over Milwaukee's National League leading Braves.

Buhl was the Braves' Dodger beater.

In the past two years, Milwaukee had a 24-20 record against the Dodgers. Buhl won half of them, while losing but two.

But Buhl now is disabled by shoulder trouble. He hasn't pitched since May 13.

Now add Drysdale to the picture. The kid right-hander, who was to have been the Dodgers' ace, lost seven of his first eight decisions. Since then he's won seven of 11 for an 8-11 record—with half of those victories against the Braves.

WON SEVEN STRAIGHT
Fact is, he's taken seven in a row from Milwaukee going back to June 27, 1957. And who beat him then?

A guy named Buhl.

Drysdale beat Milwaukee again Tuesday night, winning the opener with a five-hitter while southpaw Johnny Podres spun a four-hitter in the nightcap for a 4-1 and 7-2 two-night doubleheader sweep at Los Angeles. That junked the Braves' winning streak at seven, trimmed their lead to 6½ games and left the Dodgers all alone in fourth place with their seventh victory in eight games since quitting the cellar.

Second-place San Francisco beat Cincinnati 4-3 in 10 innings, third-place Pittsburgh defeated Chicago Cubs 4-3 and St. Louis downed Philadelphia 5-4.

Charlie Neal hit his 21st home run, a three-run poke, and Drysdale hit his fifth for the Dodgers in the opener, giving Carl Willey, Buhl's replacement, an 8-4 record and ending his winning string at six. Billy Bruton's third homer counted the only Milwaukee run.

Norm Larker's two-run homer, his fourth, capped a four-run second that bagged the nightcap against young Joey Jay (7-5), but the Dodgers added three more in the sixth, two on John Roseboro's 10th homer. Podres (11-10) had a snafout until Hank Aaron hit his 26th homer with a man on in the seventh.

ANTONELLI WINS

An error and Willie Kirkland's triple won it for the Giants. Winner Johnny Antonelli (14-10) pitched a five-hitter. Hal Jeffcoat (5-8) was the loser in relief. Starter Bob Purkey left trailing 3-1. Pete Whisenant drove in all the Reds' runs, two with a homer that tied it in the ninth.

Two-run homers by Bill Mazeroski and Dick Stuart did it for the Pirates, with Stuart's 10th the clincher in the sixth off loser Taylor Phillips (6-7), who dropped his 5th in a row. Curt Raydon (7-3), won his fourth straight, with relief help.

Stan Musial, Gene Freese and Hobie Landrith homered for the Cards, with Freese's fifth a two-run shot that tied it 4-all in the seventh and Landrith's third bagging it in the eighth. Dick Farrell lost it in relief for a 7-7 record. Bill Wright (3-1) won it in relief. Solly Hemus and Wally Post homered for the Phils.

Valleyfield Is Dropped In Little World Series

WILLIAMSPORT, Pa. (CP) — Weak fielding proved the downfall of Valleyfield, Que., little leaguers as Darien, Conn., swept to a 7-2 victory in the opening round of the Little League World Series Tuesday.

Rejean Boyer hit a two-run homer for Valleyfield in the final inning of the six-frame contest. Losing pitcher Yves Derypenigny struck out seven and walked none but his team made six errors behind him. He gave up nine hits to Darien.

DUTCHMEN SIGN JIM HANSON

KITCHENER, Ont. (CP) — Kitchener-Waterloo Dutchmen of the senior Ontario Rugby Football Union Tuesday signed centre Jim Hanson of South Dakota, recently cut by Montreal Alouettes of the Big Four.

Powerful Passing Display Gives Grey Cup Champions 27-14 Win; Joey Wells Tallies For Alouettes

MONTREAL — (CP) — Hamilton Tiger-Cats, given virtually no running room, switched their offensive pattern Tuesday night and rode the passing arm of Bernie Faloney to a 27-14 triumph over Montreal Alouettes in the Big Four football opener for the two clubs.

The 26-year-old import quarterback threw passes for all four touchdowns by the defending Grey Cup champions after an early Montreal drive gave the twilight crowd of 22,676 hope for an upset.

Alouettes counted two converted touchdowns before the vaunted Hamilton defence found its legs and slowly began to gain the upper hand in some bruising line play.

Offensively, Ti-cats made but two first downs, rushing and a meagre 92 yards. But Faloney made good on 17 of 28 pass attempts for 275 yards via the air.

THROWS 51 PASSES
Sam (The Rifle) Etcheverry, Montreal's quarterback, threw 51 passes, one short of the big four record. He had 21 completions. Rushing, the Alouettes posted 122 yards.

Import end Paul Dekker and three Canadians, Gerry McDougall, Ronnie Howell and Tommy Grant, scored Hamilton touchdowns. Bill Graham, the home brew, converted two of them.

Cam Fraser booted a 42-yard single for Hamilton's other point. Fraser averaged 50 yards on 11 punts throughout the game.

Joel Wells, import halfback, counted the two Montreal touchdowns. Both were converted by Bill Bewley.

Hamilton moved into contention late in the second quarter by striking for two touchdowns a minute and a half apart. The Alouettes blocked both convert at-

Red Sox-Yankees Stage Thriller Last Night; Keith Doherty Smashes Triple To Give Cellar-Dwellers 5-3 Victory

The two tail-enders in the Little League, Red Sox and Yankees, served up one of the best games played so far in the loop this season. The teams were playing a four-point game and when the smoke had cleared away the Sox were winners by a close 5-3 score.

Keith Doherty, on the mound for the Sox, won his own game with a two-on-triple in the sixth inning. To-night the Indians meet the Athletics and should Indians take this one they would meet the A's again to-morrow night in a deciding game for second place. If Athletics win they will play the White Sox in a deciding game for top spot and league honors. To-night's tilt starts at 6:15.

No scoring was done until the bottom of the third innings. In last night's game Red Sox came up with one run with two walks and a single, by Doherty, sending in the tally. They added two

200,000 Pay To See Fight On Closed TV Circuit

NEW YORK (AP) — An estimated 200,000 persons paid slightly less than \$1,000,000 to see Floyd Patterson successfully defend his world heavyweight championship against challenger Roy Harris on closed-circuit TV.

Tele Promoter Corp which handled the telecast to 151 locations in 133 cities, made the estimate Tuesday on the basis of a 50 per cent nationwide sampling. The TV comp said official figures would not be available for several days.

This was TelePromoter's second fight venture and the estimated figures are less than those announced for the Carmen Basilio-Sugar Ray Robinson middleweight title fight March 25. That fight grossed \$1,400,000 with a theatre attendance of 224,000.

Herb Trawick Was Honored Last Night

MONTREAL (CP)—Herb Trawick, a mainstay on the Montreal Alouettes line for 11 seasons and one of the first football imports from the United States, was honored at Molson Stadium Tuesday between halves of Montreal's Big Four opener with Hamilton Tiger-Cats.

Trawick's sweater number 56 was retired and he was presented with an inscribed gift. He retired from active play this year and has been named coach of the Montreal entry in the Little Big Four amateur league.

Trawick, now 37, was a member of the first Alouettes club in 1946. A 235-pound guard, he played college football for Kentucky State.

Gil Henderson Wins Trap Event In World Shoot

MOSCOW (CP) — Gil Henderson, 30-year-old plumbing contractor from Long Branch, Ont., Tuesday broke 91 of 100 clay pigeons in the opening round of the trap competition at the world shooting championships.

British engineer Victor Bret Huthart won the event with 99 hits. Russia won the team event, with Egypt, Italy, the United States and West Germany following in that order. Canada is not entered in the team competition.

Just Too Much Power Is Answer To Outcome In Capital As Hal Ledyard Throws For Three TD's In Assault

OTTAWA — (CP) — Ottawa Rough Riders are living up to their pre-season notices as the team to beat in the east this year. Tuesday night they smashed Toronto Argonauts 44-7 in their Big Four season opener before 18,470 spectators.

Riders' diversified attack crunched through an inept Toronto line for 445 yards gained on the ground — a Big Four record. Even the second-string Canadian backfield ran at will through the porous Argo defence.

Riders scored three touchdowns on passes by quarterback Hal Ledyard and three on running plays.

BRANCATO SCORES TWICE

Two of Ledyard's touchdown passes—41 and 46 yards respectively—went to George Brancato, the third, from five yards out, to end Bobby Simpson.

Ottawa's running TDs were scored by Bobby Judd, Russ Jackson and Ron Quillian from inside the 10-yard line.

Gary Schneider kicked four converts and Mack Yoho, import end, booted a field goal from the eight yard line and a single on

another placement attempt that was wide.

Toronto's scoring came in the first quarter, the only time Argos showed any semblance of power. Dave Mann, Toronto's best runner, scored on a wide 45-yard run that made four would-be Ottawa tacklers bite the dust. Vic Kristopaitis converted.

The former yards-rushing record was held by Montreal—390 yards in a game against Toronto Sept. 20, 1955. Ottawa's total of 655 yards gained rushing and passing was short of the record 796 set by Montreal Oct. 22, 1955, also against Toronto. Riders' 41 first downs—against 15 for Toronto—was only one short of the record 42 set by Montreal Oct. 20, 1956, that time against Hamilton.

TUESDAY'S STARS

Hitting: Roy Sievers, Washington Senators—Went 4-for-4 in 3-1 victory over Detroit Tiger, driving in first two runs with his 34th homer and a single.

Pitching: Dick Donovan, Chicago White Sox—Defeated Boston Red Sox 7-1 with a four-hitter, walking none and striking out . . .

Bombers Release Buddy Leake

WINNIPEG (CP) — Buddy Leake, Winnipeg Blue Bombers halfback, has been released and will be put on waivers, Jim Ausley, manager of the Western Interprovincial Football Union club said Tuesday night.

The 25-year-old former University of Oklahoma halfback was WIFU scoring champion in 1956. He was cut from the squad last year due to a shoulder injury and signed a "cut contract" for the 1958 season.

A versatile player who can run, pass and kick, Leake stands six feet and weighs 186 pounds.

International Golf Tournament To Be Held At St. Johnsbury Over Labor Day Weekend; Large Field Is Expected

ST. JOHNSBURY, Vt. — One of Vermont's most spectacular sport events of the early fall season, the Annual International Golf Tournament, will be held Labor Day weekend at the St. Johnsbury Country Club.

Play in the 18-hole medal event will start Saturday, Aug. 30, and continue through Sunday and Monday. Competition for both professionals and amateurs will be held.

Last season a record field, numbering 268 golfers, competed in the three-day affair. Plans have already been completed to take care of an equally large turn-out, and an even larger number is anticipated.

Play is open to all amateurs and professionals from the Eastern Canada and New England areas. Last fall all New England states were represented in the field. Canadian golfers have

always found the International a popular event and a record number took off last year.

In a move to accommodate the visiting golfers, all members of the host club have been requested to play either Saturday or Monday. This will leave Sunday wide-open for those traveling various distances to compete.

To assure themselves of choice starting times, golfers may send in reservations now to Tom Pilkington, professional, St. Johnsbury Country Club, requesting specific times. These will be allotted on a first come, first serve basis.

Competition will be divided into three classes, A, B and C. Gross and net awards will be made in each division. Players must have either their respective state or provincial handicap cards, or will have to play from scratch.

Annual "Tour Du St. Laurent" Opens Tomorrow Morning In Quebec City; 50 Riders Entered In Cycling Event

Tomorrow morning, in Quebec City, on Place Jacques Cartier, precisely at 8:30 o'clock a.m. the official start of the TOUR DU ST. LAURENT will be given, for the fifth presentation of the event, in as many years. More than 50 riders are entered.

This famous cycling event will be run over 500 miles across the Province, in eight laps distributed over four days. Stops will be made at Thetford Mines and Sherbrooke on the first day; then it will be Granby and Montreal. And on the return trip Berthierville, Shawinigan and Donnacona are the centers where the riders will rest. And the finish will be at the Municipal Stadium, in Quebec, on Sunday afternoon, around 3:30 o'clock, when a great ovation will salute the return of the weary competitors.

Danville At Richmond In Ladies Loop

RICHMOND — The semi-finals of the Ladies Softball League will continue tonight in Richmond with the local White Sox tangling with Danville Legionettes. The game, which was to be played Sunday was postponed to Wednesday as the grounds were not cleared by game time.

Richmond leads this best-of-three series 1-0 from their 10-7 win last Wednesday in Danville. The local girls, coached by Bert Boucher, are favored to wind up the series here and then go on to take the winner of the Asbestos Aces-Medinettes series.

In senior ball, the playoffs will start Sunday, 24th, with a doubleheader on tap. Brown will clash with Molson and Legion takes on the fourth place Duchess squad. Brown Shoe finished the season on top of the league with only one loss all season. The previous year, the Brown Shoe, under coach George Releya, came through with a perfect record.

PROBABLE STARTERS

Welterweight Champion Virgil Akins Makes First Defence Of His Title Tonight Against Tombstone Smith

CHICAGO (AP)—Welterweight champion Virgil Akins makes his first appearance since acquiring his crown when he tangles with Charlie (Tombstone) Smith at Chicago Stadium tonight in a non-title bout.

The 10-round over-weight match will be telecast nationally by ABC beginning at 10 p.m. EDT. Akins won his title in a June 6 scrap against Vince Martinez. He stopped opponents in his last four fights and now has a record of 48 victories, including 28 knockouts, 17 losses and one draw.

Gross For Patterson-Harris Fight Sets New Record For California; 21,680 Pay \$234,183.25 For Bout

LOS ANGELES (AP)—Heavyweight champion Floyd Patterson's successful title defence against Roy Harris was a financial as well as an artistic victory.

Promoter Bill Rosensohn, trying his hand at the fight game for the first time, said Tuesday that Patterson's 12th-round knockout over the big fellow from Cut and Shoot, Tex., attracted 21,680 fans to Wrigley Field Monday night.

The gross was \$234,183.25 and the net \$202,764.83.

The gross broke the California record of \$233,331 for the Sugar Ray Robinson-Bob Olsen middleweight fight here in May, 1956.

Harris, 25-year-old school teacher, was in seclusion Tuesday with his pretty wife Jean.

Dr. Rudolph Ponce of the state athletic commission said it took 14 stitches to sew up three cuts on Harris' face. Two were slight cuts about the left eye. Ten stitches were needed for a jagged slash above the right eyebrow.

Otherwise, Harris, who lost his first fight after 22 straight wins, was in good physical shape and his bankroll was enriched by his \$100,000 guarantee.

Patterson, floored for a four-count in the second round, got up to give Harris a merciless beating. The champion reduced the challenger's face to a cut,

bloody mess and knocked him down four times.

Harris' trainer called it quits after the 12th round and it went into the records as a knockout.

Patterson, 23, of Mt. Vernon, N.Y., was unmarked and he, too, could count his third winning defence of the title a most lucrative one.

Patterson got 50 per cent of the net live gate and a similar share of the closed circuit theatre television. He clears an estimated \$300,000.

Berkeley Upsets Stamford In Babe Ruth Series

VANCOUVER (CP)—Berkeley, Calif., Tuesday night upset the New England champions from Stamford, Conn., 6-3 in the wind-up of the opening night's doubleheader of the seventh annual Babe Ruth world series played before 2,201 fans at Capilano Stadium.

Charlotte, N.C., and Berkeley will meet in the opening semi-final Friday. Stamford and Joplin, Mo., will tangle in the consolation flight the same day.

Canadian Contribution to Geophysical Year New Light on Northern Lights

One of the features of Canada's participation in the International Geophysical Year is the most detailed and elaborate study ever undertaken of the Aurora Borealis—commonly known as the "Northern Lights". Above, receiving

antennae for an auroral radar station. By bouncing radio waves off the aurora, it is possible to make a continuous day and night study of the Borealis. Such equipment is indispensable in the north's long winter-sunlit days.

All information is funnelled into the auroral recording centre at Canada's National Research Council in Ottawa where the data are correlated and maps constructed to cover every 15 minutes of auroral activity.

One of many hundreds of observers stationed across Canada makes a direct reading (above) of the Aurora Borealis. Many Astronomical societies, airline pilots, and weathermen are cooperating in the survey.

A special recorder (left foreground) for measuring the intensity of northern lights was developed at the University of Saskatchewan. Its recordings are closely related with other information to give a complete picture.

An "all sky camera" which operates only in darkness, turn itself on automatically at dusk, shuts off at dawn. Camera keeps a continuous photo record of entire night sky during auroral displays.

DUNKIN —

Mr. and Mrs. Bailey Moulton and son, Richard, of Holden, Mass., spent a week with Mrs. Moulton's sister, Mrs. Gladys McKeller, and family. Mr. and Mrs. Harold Leary and son, Robert, of Worcester, Mass., were week-end guests at the same home. Mr. Robert Leary remaining for a week's visit.

Mr. Merton Crowell and three sons, Robert, Dennis and David, of Plainville, Conn., called on their aunt, Mrs. L. McKelvey, and family.

Mr. and Mrs. Frank Miller and daughter, of Chicago, are spending a few weeks holiday at their summer home here.

Mr. Fred Aiken, of Highwater, was a guest of his brother, Mr. and Mrs. Bruce Heath and daughters, Wendy and Julie, of Waterbury, Miss Meribel McKelvey, of Montreal, Miss Greta McKelvey, Mr. and Mrs. Clarence Baraw, of Rockville, Conn., and Mr. and Mrs. R. Brennan and Mr. and Mrs. Gerald Warner, of North Troy, Vt., and Mrs. Emma Bushey, of Sherbrooke.

Round mirror of the "all sky camera" reflects the entire night sky. Two types of cameras (16mm. and 35mm.) have been set up at strategic spots across Canada.

Dr. Peter Millman with model display of northern lights (above) is coordinator of auroral research in Canada. Understanding of the Aurora Borealis holds key to many unanswered questions about the upper atmosphere.

BROME —

Recent guests at the home of Mr. and Mrs. William Chapman were Mr. and Mrs. F. M. Miles, of Alburg, Vt., Mrs. Flossie Creeke, of Montreal, Mrs. John Ruy and daughter, Miss Heather Ruy, of Killaloe, Ont., Mrs. Arabel Naus, of Abbots Corner, and Mrs. Michael Landry, of Sarnia, Ont.

Visitors at the home of Mr. and Mrs. Laurence Draper included, Mr. and Mrs. H. Dow, of Verdun, and Mrs. M. Binning, of Montreal, while the latter was vacationing at her summer home here "Shan-grila" prior to leaving for Vancouver where she is planning to stay three weeks.

Mr. and Mrs. John Stevenson, of Montreal, spent the recent weekend at their summer residence in Brome.

Sgt. Ronald Osbourne, of Montreal, spent a week at the home of his parents, Mr. and Mrs. N. Osbourne.

Miss Jeannette Dupre, of St. Hyacinthe, is spending an indefinite time with her brother-in-law and sister, Mr. and Mrs. J. A. Bourgeois.

Miss Cecil Bourgeois has gone to spend two weeks at the home of Mr. and Mrs. Romeo Bernier, Waterloo.

Master Claude Bourgeois is spending a month with his uncle and aunt, Mr. and Mrs. Omer Choinie, at South Stukely.

SUTTON

Mr. and Mrs. Leonard and family, of Lakeside Heights, were recent guests of Mrs. Leonard's parents, Mr. and Mrs. Maxwell Scott, Mountain Street.

Mrs. Gray of Springfield, Mass., is a guest of Mrs. Arthur Proper.

Mrs. Moore, of St. Albans, is visiting Mrs. Thomas Surtees.

Dr. Kathleen Harper is attending the Principals' Workshop at Bishop's University.

Miss Arlene Kilgour, of Shawville, and Miss Dora Upton, of Hemmingford, are spending a few days with Miss May Hextall and Mr. and Mrs. C. Hastings.

Mrs. C. P. England received a

card shower of good wishes from friends on the occasion of her 88th birthday, Thursday, August 7. In the afternoon she was visited by her nieces, Mrs. Nelson Wyatt, of Cowansville, Miss E. Soles, of Montreal, and Mrs. K. Kavanagh and her daughter, Miss Victoria Kavanagh, of Cowansville. Another caller was Mrs. England's pastor, Rev. Douglas Moffat. She received, besides the cards, many birthday gifts.

Mr. and Mrs. Robert Jones have moved to Sutton from Frelighsburg. They are occupying the house of Mr. Andrew Poirier near the home of their son, Mr. Gordon Jones.

Mrs. G. England, who has been

spending a month at his summer cottage at Lake Lyster, has returned home after spending a weekend with his friends, Mr. and Mrs. Floyd Young and family, at Rock Island.

Miss Edith Gotto and Miss E. Gotto, Mountain Street, have returned from an enjoyable and interesting tour in the Maritimes and along the Cabot Trail. Since their return Miss Edith Gotto had the misfortune to fracture a hip in a bad fall, but she is reported to be progressing satisfactorily at the B.M.P. Hospital.

Mrs. Douglas Hilgerson, of Neshanic, N.J., and her mother, Mrs. Charles Hastings, of Abercorn, were calling on Mrs. England, Mountain Street.

Gala Grandstand Entertainment Planned

Three Days - Three New Shows Wrestling Feature Saturday

RENE LETOURNEAU
Honorary President

First of the Eastern Townships county fairs to inaugurate the idea of "something different every day" on the grandstand stage, Ayer's Cliff Fair continues this practice for the third year in a row.

On Thursday, Friday and Saturday, when the 113th annual Stanstead County Exhibition is held at the county fairgrounds in Ayer's Cliff, each night will see a new attraction on the grandstand stage.

Thursday night, a county square dance competition, open to all groups in the area, with two popular bands, Sam Hopper's Hoedowners and Martial Gosselin's orchestra of Coaticook, will highlight the show on the grandstand stage. In addition there will be the circus acts and vaudeville numbers presented by the Gastoni Attractions of Montreal.

On Friday evening, a group of well-known horsemen and horsewomen from the Sherbrooke Riding and Driving Club will provide a gala horse show, starting at 7:30 p.m. with the special stage acts of the Gastoni Attractions.

tions to also add to the evening's enjoyment.

Saturday evening, the Ayer's Cliff Fair will follow the trend of presenting professional wrestling to the grandstand audience, with a big action-packed show featuring the famous TV midgets in a special bout, plus two other topnotch matches with the grunt and groan artists of the squared circle heaving each other around in a semi-final and final bout. It should be a rip-roaring evening's fun.

Each afternoon also the Gastoni Attractions will present their show on the stage, with Gordon Berworth present again to act as the Fair's Master of Ceremonies.

Included in the acts will be Bozo the clown in a comical and crazy knock-a-bout number that should provide plenty of laughs, plus Ivanhoe, the clever and mystifying magician with a barrelful of new tricks that will keep young and old amused.

Maharaja the sensational Indian knife-thrower, does a hair-raising act that will keep the audience on the edge of their seats, and the great James Shannon, direct from Europe, in a thrilling high wire pole act, 120 feet in the air, with no net underneath, will be one of the greatest acts of its kind ever seen at a county fair.

There will be other special attractions not the least of which will be the 30-piece Coaticook Harmony Band under the direction of Laurier Vincent, playing every afternoon and evening, and presenting their snappy majorettes in their parade onto the grounds each day as well as leading the famous Ayer's Cliff Fair Cavalcade of Cattle and Horses on Friday and Saturday afternoons.

Harness racing will again be offered on Friday and Saturday afternoon with some of the leading horses in the area showing their speed on the track in the "every heat a race" presentation.

New cars and trucks with the latest in farm machinery will be featured in the infield of the

Bozo, the clown, will be at the Ayer's Cliff Fair.

racetrack as usual, and will also be shown more closely to the grandstand patrons in a parade each afternoon.

One of Canada's outstanding smaller carnivals, the T. Green Midway will be back again with its rides and games to provide the fun and thrills of their many attractions for young and old.

Despite weather drawbacks which have delayed harvesting and interfered with crops generally, farmers have shown keen interest in the fair and entries in all departments are exceptionally good, according to secretary-treasurer Mrs. Eloise Corey.

Cattle, horses, sheep, swine, poultry and the Junior Calf Clubs division will all have their usual excellent showings, while industrial and commercial exhibits are better than ever.

In the Main Building among others will be the Southern Can-

ad Power Co., Ltd. Waterville Mattress and Bedding Co., Levesque Ltd., of Rock Island and Sherbrooke, Quebec Automobile Club, British and Foreign Bible Society, the Canadian National Institute for the Blind, and the Quebec Women's Institutes, Stanstead County branches, occupying the huge stage as usual.

One of the main features of the Stanstead County Fair is that of the Horticultural Society, which has a most attractive display of fruits, flowers, houseplants, vegetables, maple and dairy products in their own T-shaped cool and commodious building just at the right of the Main Gate. The entries this year are very good, and some fine displays will be seen in this building.

The two top teams in the Magog-Ayer's Cliff Kiwanis Club Little League baseball loop will stage their playoff game for the league championship on the fairgrounds Saturday afternoon, Aug. 23, at 1:00 p.m. as a special added feature of the fair's entertainment program.

Again this year, patrons of the fair and grandstand specially will be able to enjoy the program to the full thanks to the engagement of Harry Green Hi-Fi and TV Specialists of Coaticook to install and operate the new sound system on the ground.

With plenty of parking space available in the huge infield, and numerous special events planned as surprise features throughout the three days and nights of the fair, next Thursday, Friday and Saturday should see a new attendance record made at Stanstead County's Annual Exhibition.

GEORGEVILLE —

Miss Lorna Matthews, R.N., spent several days with her mother, Mrs. Phyllis Matthews, who accompanied Lorna to Montreal, where she left for British Columbia to take up her duties. Mrs. Kim Moraville, of Toronto, spent a few days with Mr. and Mrs. J. C. Dustin and Cynthia.

Rev. and Mrs. Peter Slater, of Mansonville, were guests of Canon and Mrs. R. H. L. Slater. Mr. and Mrs. P. H. Morley were guests of Mrs. G. Sargent and Mary Jean in East Craftsbury, Vt.

Mrs. Beth Smith, of Newport, Vt., was a guest of Mr. and Mrs. Bernard Drew.

Mr. and Mrs. Donald Young and sons, Alan, James and Howard, of Brantford, Ont., were guests of Mr. and Mrs. J. C. Dustin.

Mr. and Mrs. Mansell Smith and family, of Toronto, are guests of Mr. and Mrs. John Leney. Mr. R. Leney, of Toronto, is guest of his parents, Mr. and Mrs. Leney.

Miss B. A. Colt Of Stanstead Given Shower

CEDARVILLE — The summer home of Mrs. Houghton (Millie) Hastings at Cedarville on Lake Memphremagog was the scene of a delightful shower honoring the approaching marriage of Miss Betty Ann Colt, of Stanstead.

Arranged as a surprise, the bride-elect, upon arriving, was blindfolded and escorted to a decorated chair by Miss Kathleen Hill and Mrs. Gardner Audet. The blindfold removed, Miss Colt was presented with a corsage of two tone pink roses.

Refreshments were served by Mrs. Hastings and Mrs. Audet, assisted by others. The guests included 30 of Miss Colt's co-workers from the office staff of the Union Twist Drill Co.

MOTHER SUSPECTS CARROTS MAKE BABY'S SKIN YELLOW

Written for NEA Service

A mother writes that her 11-month-old baby has a fair complexion, but some days her skin seems to be yellow, even to the tip of her nose. She asks whether this could be the result of too many carrots in the food she eats.

It is possible that this yellow coloration of the skin could be the result of excessive amounts of carrots in the diet.

Carrots contain a pigment known as carotene. When present in the blood in sufficient quantities it can produce a skin pigmentation resembling jaundice.

It should be possible to prove or disprove this question by simply removing carrots from the diet of this baby for a considerable period of time.

Another worried mother says that her three-and-a-half-year-old son was operated on about a year ago for double inguinal hernia. Since that time she has noticed that one of his testicles is not in place and is worried that it might become atrophied.

In this instance it seems quite probable that the testicle was not

in the sac before the operation. It still may descend, but should be watched.

The weight of medical opinion today appears to be in favor of efforts to bring the testicle down if at all possible before the age of nine. There is still some difference of opinion as to whether the first step should be made by means of endocrine injections or by surgery.

A curious problem is brought up by a father. He says that his 12-week-old baby has a transposition of the heart with a hole in the wall. He has been advised that the child must reach 20 pounds of weight before operation.

This is a complicated question. Transposition of the heart means that the major part of that organ lies on the right side instead of on the left, where it is ordinarily placed.

Presumably the hole in the wall is to be repaired by surgery. Many such congenital lesions of the heart are now successfully repaired by surgery, but I imagine that nothing will be done to change the position of the heart itself.

The worries of parents are indeed unending. A.K. writes that several months ago his three-and-a-half-year-old son fell off a chair, striking the lower part of his head on a concrete floor. A bump the size of a golf ball promptly appeared, but there was no bleeding and no unconsciousness.

He was examined shortly thereafter and apparently was found in good shape, but he still has a bump, and hair over the area has not grown back. Mr. K. has been told that the hair probably will not grow because of the scar tissue which has formed under the skin.

Showers Held For Brides-Elect At Ayer's Cliff

AYER'S CLIFF — Miss Dorcen Hauver, a bride of the month, was feted recently when Miss Yvonne Lord and her mother, Mrs. Cecile Lord, entertained at a nicely arranged miscellaneous shower.

Upon Miss Hauver's arrival she was taken completely by surprise to find about 20 of her friends gathered at the Hauver home to extend their good wishes for future happiness.

Miss Shirley Dezan and Miss Yvonne Lord presented the bride-elect with a beautifully decorated basket heavily loaded with pretty and useful gifts attractively wrapped. The special chair was decorated with pink and white crepe paper over which a balloon filled with confetti was suspended.

The guest of honor unwrapped her gifts and thanked the guests for their kindness.

Games were played and a jolly evening spent, which concluded with the serving of refreshments by the hostesses, Mrs. Lord, and Miss Lord, assisted by Miss Shirley Dezan and Miss Judy

Bliss. The guests were assisted by Mrs. Galen Vance.

This is certainly an unfortunate accident. It sounds as though surgery may some time be necessary, either to relieve the swelling or possibly to transplant hair-bearing skin so that this child will not have a serious bald spot when he grows older.

STAFFORD.
The rooms were attractively arranged with seasonal flowers.

MISS BLISS FETED
Miss Phyllis Bliss, a bride of the month, was recently given a pantry shower by Mrs. Wallace Browning at her home, Main Street.

Upon the arrival of the guest of honor she was presented with a pink and white carnation corsage, and escorted to a ribbon bedecked chair over which hung pink wedding bells.

Several games were enjoyed by all after which Miss Linda Bliss sister of the bride-to-be, wheeled in a decorated grocery cart filled with the bride-elect's first grocery order. Mrs. Browning made the presentation expressing the wishes of all for her future happiness.

The honored guest proceeded to unload the cart which revealed all the essentials for a well-filled cupboard. Miss Bliss thanked the hostess, and all present for the party and gifts.

Miss Bliss and her mother, Mrs. Wallace Bliss, then led the group into the diningroom to a delightful buffet lunch, prepared by the hostess, who was assisted by Mrs. Galen Vance.

GENERAL NOTES
Mrs. E. C. Roberts and four children, of London, Ont., and her sister, Mrs. Israel Lafond, and Christina of St. Johns, Que., have been spending two weeks holiday in Mrs. Hamel's cottage at Bacon's Bay.

Mr. and Mrs. Donald Martin

Pat and Sharon, of St. Lambert, spent their holidays in the Piercy Cottage at Bacon's Bay, and called on old friends.

Mr. and Mrs. W. W. Keeler, of Macdonald College, spent the weekend at the home of their parents, Mr. and Mrs. W. S. Keeler and Mr. and Mrs. W. H. R. Rexford. The Keeler brothers, who have spent the past month here with their grandparents, Mr. and Mrs. Walter Keeler, returned home with their father and mother.

FARNHAM CENTRE —

Mr. and Mrs. Lloyd Morrison and family, of Montreal, are spending their holidays with Mr. and Mrs. Ernie Allen.

Mr. and Mrs. Roland Hall and son have returned to their home in Toronto after visiting his mother, Mrs. Ethel Hall.

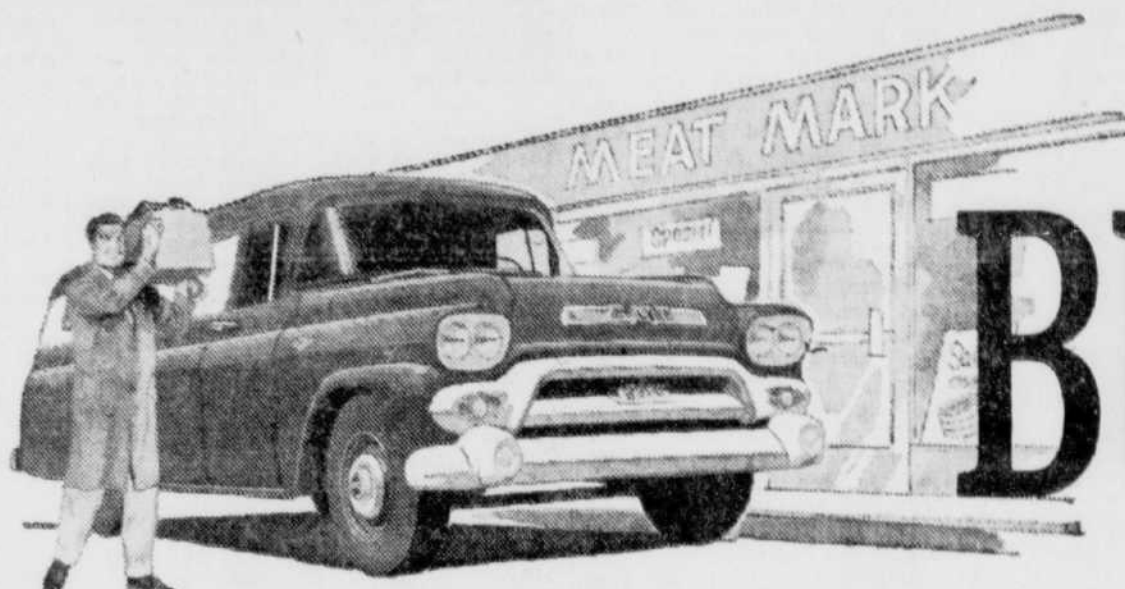

Miss Barbara Allen has returned from New York, where she spent a holiday.

Miss Joyce Hubbard, of Montreal, was a guest of Miss Jeanie Moynan.

Mr. P. Albastoir and family and Miss Joan Howard, of Montreal, were weekend guests of Mr. and Mrs. A. Hubbard.

STANSTEAD — The Happy Gang Birthday Club held the regular monthly party at the home of Mrs. Henry Webb, celebrating the birthday of Mrs. Cliff Shonyo of Rook Island.

The members had a pleasant evening of playing games, with prizes awarded to the winners. A door prize was won by Mrs. Melissa Chamberlain.

A gift of money was given to the celebrant.

Later refreshments were served by Mrs. Webb and included a decorated birthday cake.

The next party will be on August 28 at the home of Mrs. Archie Webb, Stanstead.

BIRTHDAY PARTY

On the occasion of her eighth birthday, Miss Joyce Hyatt entertained three little school mates for the afternoon. The group played games and accompanied by Joyce's mother, Mrs. Edward Hyatt, went swimming.

Joyce received several nice gifts from her friends, the family, and others, for which she thanked each one.

Supper was served at the dining table, which was centered with the decorated birthday cake topped with eight glowing candles. A dainty swan filled with candies adorned the table at each little girl's place.

BEEBE —

At a meeting of the Welcome Club, plans were made for a baked bean and hot dish supper to be held on Saturday evening, August 23. It was suggested that the annual club picnic be held in the near future. It was noted that the July meeting was cancelled due to so many members being on holiday. There were 12 members present at this meeting and the flower prize was won by Bill Jones. The next meeting will be held on August 18.

Mr. and Mrs. Aileen Peacock and children are enjoying their annual holidays and are visiting Mr. and Mrs. Albert Woodman and family in Sanford, Me.

Recently visiting Mr. and Mrs. Charles Brewer were Mrs. Edna Smith, of Montreal, Mr. and Mrs. Grant MacKinnon, of Needham Heights, Mass., and Mr. Rodney Grey, of Boston, Mass.

Mrs. Grace Pibus and daughter, Jacqueline, and Mrs. D. McGinnis, of Springfield, Vt., are enjoying two weeks vacation and are at the home of Mrs. H. Alex.

Week-end guests of Mrs. Irene Hagstrom and family were Mr. and Mrs. Jack Gravel, of Ottawa, Ont.

Mr. and Mrs. Valmore Lepitre and children were overnight guests of Mr. and Mrs. Louis Sergeant and family in Magog.

Miss Laureen McMullen spent a week at the 4-H camp at Lake Salem.

A food sale, sponsored by the Woman's Association of Wesley United Church, will be held at the church on Saturday, August 16, at 2 o'clock.

Mr. and Mrs. Gerald Derusha and children, Debbie and Garry, were week-end guests of Miss Madge Bulmer in Sutton.

Miss Audrey King, student nurse at the Concord City Hospital, Concord, N.H. is spending her holidays with her parents, Mr. and Mrs. Russell King.

Mr. and Mrs. Charles Henderson, of Shawinigan, spent the

NOT MONKEY HOT RODDERS TOO? IT CAN'T BE — Yes, indeed, your eyes are not deceiving you; this young fellow is actually a real hot rod driver. He appears in the popular Monkey Thrill A Rama on the gigantic midway of Conklin's World's Finest Shows here. He, and several of his fellow motor maniacs, do all sorts of weird and terrifying stunts. This candidate for the morgue is racing his souped racing car, all by himself, around the perpendicular wall of the high motor drome. One motor failure or wrong turn could mean sure disaster. However, this does not seem to worry our friend or his associates. They have been well trained to race cars and even delight in flying small sized airplanes. This presentation is, of course, a real joy to the children, as well as a delight to the older patrons. It is one of the more than forty big thrilling rides and of course, a real joy to the children, as well as a delight to the older patrons. It is one of the more than forty big thrilling rides and amazing shows on the mile long midway of Conklin's World's Finest Shows, who are, again this year, featuring more new rides and shows than ever before as well as America's biggest Kiddieland.

week-end at the home of the former's parents, Mr. and Mrs. Arthur Henderson, and with Mr. and Mrs. Henderson, are visiting friends and relatives in Briantree, Mass., and Jackman, Me.

Mrs. Gordon Laberee entertained on Friday, August 8, in honor of her niece, Dorcas Rediker, who celebrated her fifth birthday. Games were played and each child received a balloon, party hat and whistle. Dorrie received lovely gifts from her young friends. Attending the party were Michael and Gordie Ritch, of Pointe Aux Trembles, Gary Cooper, Diana Wilson, Sharon Tetreault, Gary and Debbie Derusha, Lorna Williams and Susan and Johnnie Little.

Mr. and Mrs. Robert McAskill and children, of St. Lambert, are visiting her parents, Mr. and Mrs. H. S. Beane. Mrs. Mina Thomson, of Aberdeen, Scotland, arrived last week for a two month's visit with her sister, Mrs. David Grieve. With Mrs. Grieve and Mrs. John Nichol, the former Ella Grieve, she is visiting relatives in Hamilton, Ont. Mrs. Grieve and Mrs. Nichol will spend a week in Hamilton and Mrs. Thomson will remain for a longer visit.

Friends of Mrs. Lulu Smith will regret to learn that she is a patient in the Broadview General Hospital, Newport. Mr. and Mrs. Edwin Meyette, who had the misfortune recently of losing their home by fire, have purchased a mobile home and the family will reside in it on the plot of land owned by Rudolph Bean.

Mrs. Stanley Baker and son Bruce, of Montreal, are spending a week with her sister, Mrs. Arthur Langevin, Mr. Langevin and family. Mr. Baker

spent the week-end at the same home.

Mr. and Mrs. Leighton Cowlin and family, of Hamilton, Ont., are visiting his parents, Mr. and Mrs. James Probert, and family, of Montreal, also visited at the same home.

Mr. and Mrs. George Robinson and sons, Stewart and Duncan, of Montreal, were recently calling on their niece, Mrs. G. Derusha, Mr. Derusha and family.

Recent holiday guests of Mr. and Mrs. Robert Denney were

Mr. and Mrs. Robert Denney Jr., and family, Mr. Frank Raymond, Mr. and Mrs. Peter McKeller and two sons and Mr. P. McKeller Sr., all of Montreal.

Mr. and Mrs. Robert Troschler and children, Ricky and Judy, of Abington, Mass., are guests of Mr. and Mrs. Gordon Laberee and visiting other friends and relatives.
