Proposals decided on by the Board in Montreal at any time.
A Bonus declared every five years, which can be taken for a present payment in cash, or applied in reduction of premium, or it may be added to the amount of the policy.
Claims settled in three months, or *exmedietate* if required, under discount.
Policies with profits purchased after one year's premium has been paid.
Thirty days of Grace allowed for payment of the Premium, and should the Assured die within that period, the claim is binding on the Company.
A POLICY for £1000 opened in 1847 has been increased by application of the Bonus to £1235.
Every information on the subject of Life Assurance will be given here, or at any of the Agencies.

LIFE DEPARTMENT.

Attention is directed to the rate of Premium adopted by this Company, which will compare favorably with that of any other similar Institution in Canada. Assurances may be effected at any age from 15 to 70. Investment of the Company's Funds to the large amount of FOUR HUNDRED THOUSAND DOLLARS has been completed in Canadian Securities; and as all business transactions are daily disposed of in the Province, the "Scottish Provincial" offers all the facilities presented by a purely local Company, while it possesses the additional advantage of a large capital and an influential and responsible body of Shareholders in Great Britain.

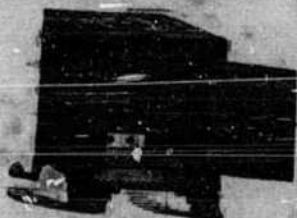

FIRE DEPARTMENT.

Insurances effected at moderate rates of Premium, and losses settled in Canada.

THE Twenty-First Edition of MACKAY'S DIRECTORY is now laid before the public ; several pages of names have been added over last year's issue, and the Publisher trusts it will be found satisfactory to those who so liberally patronize the work.

For the various errors and omissions which may be discovered in the work, the same plea must be offered as in a former preface, *vi z*—the unwillingness and *incorrectness* with which very many (who for reasons *best known to themselves* do not wish their names to appear in the book) reply to the canvassers employed in collecting information for the work.

For the encouragement hitherto extended to her, the undersigned returns her sincere thanks, and hopes that the labor expended in the present volume will merit and receive their approbation.

CHRISTINA MACKAY.

THE HISTORY OF THE CITY OF BOSTON

The history of the city of Boston is a long and interesting one, beginning with the first settlement in 1630. The city was founded by a group of Puritan settlers who came from England in search of a better life. They established a colony on the eastern shore of Massachusetts Bay, and the city of Boston was born. Over the years, Boston has grown from a small fishing village to one of the largest and most important cities in the United States. It has been a center of education, commerce, and industry, and has played a major role in the American Revolution and the development of the United States. Today, Boston is a vibrant city with a rich cultural heritage and a bright future.
