EGYPT OUSTS TWO BRITONS

STARK DEVASTATION LEFT BY GAS EXPLOSION IN VILLE LASALLE YESTERDAY

Embassy Secretaries Accused

CAIRO — (AP) — The number of foreigners accused of spying for Britain in Egypt grew today as British-Egyptian relations sank lower and lower despite President Nasser's acceptance of the invitation to meet a five-power committee to discuss the Suez crisis.

Britain denied Egyptian charges that two secretaries of the Cairo embassy relayed orders to the alleged spy ring, but at Egypt's demand ordered the diplomats home under protest.

Two British subjects already have been held for prosecution as spies. Four Egyptians have been named as their accomplices.

Egypt appears to be setting the stage for a sensational international spy trial. The case has overshadowed even the Suez Canal crisis — which already has strained British-Egyptian relations nearly to the breaking point — in the eyes of Cairo residents.

Egypt accused diplomats J. B. Flux and J. G. Gove, both embassy first secretaries, of being contact men for the spy ring. Charges were headed by James Swinburn, business manager of the British-owned Arab News Agency. The Egyptian foreign ministry informed the British embassy that Flux and Gove were persona non grata (unwelcome) and must leave Egypt.

The British embassy's oriental councillor, Trevor Evans, replied that the embassy had no knowledge of any espionage activities and that the embassy was in no way involved. He lodged a strong protest. The foreign office in London also denied the accusations.

Gove told reporters: "Someone has gone out of his head. This is pure nonsense, just the kind of lunacy one comes to expect out here."

Egyptian authorities said Swinburn confessed working with Flux and Gove.

The case broke Monday with the seizure by secret police of Swinburn, his fellow Briton Charles Pittuck, and an Egyptian, Abdel Kader Hatem, said confessions of the three led to the other arrests. Pittuck is an official of the Marconi Radio-Telegraph Co.

Time, Place Of Suez Talk Unsettled

LONDON — (AP) — The five-power Suez Canal committee today pressed for a meeting in Cairo late this week with President Nasser to discuss the controversy over the vital waterway.

The Egyptian president agreed Tuesday to get together with the committee, but his response to its first request for a meeting set neither time nor place for the talks. The committee chairman, Prime Minister Menzies of Australia, rushed back another message suggesting talks later this week in Egypt's capital.

Menzies' committee was named to present to Nasser the majority proposal of the recent London conference. The Western-sponsored plan, supported by 18 of the 22 countries at the meeting, calls for an international body including Egypt to control and operate the canal. It would be linked with the United Nations.

Egypt refused to attend the London parley, and Nasser's first reply to Menzies made clear that his agreement to hear the five-power group did not commit Egypt to any of its proposals.

Explosion Toll Set At Seven

Montreal — (AP) — Investigators speculated that a match or the flicking of an electric light switch may have set off a gas explosion which Tuesday took seven lives and injured 18 other persons in suburban Ville LaSalle.

A coroner's inquest was scheduled to open briefly today to release the bodies but it was expected to be adjourned pending a complete investigation of the blast that destroyed a two-story four-family apartment block. The devastating blast, heard several miles away, followed the breaking of a gas main by a road grading machine.

Police and firemen were unable to determine immediately just what sparked the explosion but said that the flicking of a light switch could have ignited gas that seeped into the apartment building from the broken main.

The bodies of all the victims — one man, two women and four children — were recovered from the debris. Most were charred beyond recognition.

Detective-sergeant Jules Arsenault of the homicide division of the provincial police listed the victims as:

Alex Anderson, 68, and his 63-year-old wife; Lloyd Williams, 8, and his two-year-old sister, Lorna, grandchildren of the Andersons; Mrs. Arnold Lyons and two of her children, Danny, 3, and Cathy, 2.

Only six of the 18 injured required hospital treatment. Three of those sent to hospital were working nearby. They included the operator of the grader.

Also injured but not requiring hospital attention was Constable Raymond Bourbonnais, 22, credited with rushing into the burning building.

Car Burier Pleads Guilty To Charge Of Public Mischief

MONTREAL — (AP) — Emilia Lacoste, 28, who buried her automobile in a field near Granby, Que., pleaded guilty Tuesday to a charge of public mischief. Sentence was postponed to Sept. 20 and Lacoste was allowed to remain on bail. Meanwhile, he must report to a welfare officer.

Police earlier told the court that Lacoste was having trouble paying instalments on the car and reported it stolen Aug. 14. A few days later a farmer's suspicions were aroused by lights in a nearby field in the Granby area and the buried car was found.

Judge Armand Cloutier told Lacoste: "You must realize this wasn't a very nice thing to do — leading police, insurance people and others into error. It is a serious offence."

ing building and saving the life of a woman believed to have been Mrs. Jacques Dupuis.

Gas from the broken main bubbled up through mud into 20-foot flames for two hours after the blast before Quebec Hydro could turn off valves.

The blast rocked the entire LaSalle Heights housing development which houses an estimated 1,300 persons.

John Williams, who lost his two children and his wife's parents, said hours after the explosion "I can't even think of it. I don't want to think of what it's doing to my wife."

Mr. Lyons, who lost his wife and two of his children, was taken to a nearby apartment and given sedatives to ease the shock.

Lucien Paquette, 36, operator of the grader, said "as soon as I saw what had happened I rushed to a telephone and called Quebec Hydro emergency squads, but the explosion occurred before the arrival of the crews."

He said that the gas line was only 18 inches below the surface of the sidewalk on which he was working.

"I had my grader set for 18 inches below," Mr. Paquette said. "This is the usual thing. You don't expect to find gas pipes so close to the surface."

One resident, Mrs. Henry Shaw, a mother of two young boys, said "I never heard anything like it in my whole life."

"I was terrified," she said. "My windows were blown to the opposite sides of the rooms. I grabbed my children and ran outside."

The first blast blew sides of the apartment block out into the street and the subsequent fire caused the collapse of the remaining walls. Within two hours nothing remained but rubble.

Winston Mulligan, 14, said he saw a woman, her dress aflame, on a second-storey balcony holding a baby in her arms. She was trying to hold the child from her, so that the flames would not touch it.

They both burned to death.

Charge 4 Arranged Riesel Acid-Attack

NEW YORK — (AP) — FBI agents have seized racketeer Johnny Dio and three other men as the underworld masterminds behind the acid blinding of labor columnist Victor Riesel.

The four were charged Tuesday night with conspiracy in allegedly setting up a sneak attack on Riesel shortly after he strolled out of a Broadway restaurant in the dark early morning hours April 5.

The FBI said a young hoodlum, Abraham Telvi, was hired for \$1,000 to fling the acid. Telvi was later found shot to death.

After the arrests Tuesday, United States attorney Paul W. Williams said:

"Johnny Dio, among others, was the man who directed, instigated and arranged the payoff to Telvi in the acid attack on Victor Riesel. This is in direct relation to Riesel's planned testimony about labor racketeering before the federal grand jury."

Riesel, 41, long a syndicated newspaper crusader against criminal elements in labor unions, has repeatedly said that the acid attack was planned to scare him out of testifying.

The dapper, 41-year-old Dio — whose actual name is John Dioguardi — was picked up at his home on Long Island. Arrested elsewhere were Thomas Dioguardi, 40, his brother and an executive in a cotton goods firm; Domenico Bando, 47, a Brooklyn

baker; and Charles Tuso, 44, a garment worker. All have long criminal records.

A fifth man, Charles (Charlie Wopple) Carlinio, 43, also was charged Tuesday with conspiracy. He was arrested Aug. 18 and held in \$100,000 bond as a material witness.

Two other alleged conspirators in the attack were arrested Aug. 17. They are Joseph P. Carlinio, 43, who is not related to Charles, and Gondolfo Miranti, 37.

China Insists Plane Was Nationalist

WASHINGTON (AP) — State Secretary Dulles reported Tuesday Communist China has acknowledged its fighter pilots shot down an aircraft off the Chinese coast last Thursday the same day a U. S. navy patrol plane crashed in the Pacific.

While the Communist note admitted downing a plane, Dulles said, it repeated the claim that it was a Chinese Nationalist aircraft and not a U. S. Navy plane.

Questioned about survivors, Dulles said the note was "entirely negative with respect to survivors," and he concluded there were none.

The Mercator patrol plane had 16 men aboard. Searching ships recovered only one bullet-riddled body and a few pieces of wreckage.

Dulles, faced with new demands that the United States take strong action in connection with the incident, said the government will announce what action it plans when all the facts are available.

Muskie Notes Common Interests On East Seaboard

FREDERICTON — (AP) — Governor Edmund S. Muskie of Maine said Tuesday his state and the Atlantic provinces are "a geographical unit with many common problems and some competing interests."

Gov. Muskie said mutual benefits can be derived by close association in such projects as the proposed Passamaquoddy power development on the New Brunswick-Maine border, co-operation in civil defence preparations, and a current survey of the St. Croix River for possible power and tourist development.

World News In Brief

EDMONTON. — (AP) — The fate of eight men, aboard a northland tug which disappeared Monday on Lake Athabasca, remained unknown today as searchers prodded for some clue to the mystery.

Airplanes, both civilian and RCAF, found only floating wreckage, empty life preservers and three drifting barges Tuesday on the lake, 450 miles northeast of Edmonton on the Alberta-Saskatchewan boundary.

STOCKHOLM. — (AP) — A Swedish merchant training ship was seized by the Russians in the Baltic today, but radioed a few hours later that she was proceeding to a Swedish port.

The foreign office said a cryptic message from the sailing ship indicated she had been released. There were 36 men aboard the vessel.

EDINBURGH. — (AP) — The world-famed Edinburgh Festival today hailed Canada's Shakespeare company from Stratford, Ont.

The players from the Ontario Shakespearean Festival, first Commonwealth drama group from outside Britain to perform here in the 10 years of the Scottish cultural extravaganza, drew cheers and bravos Tuesday night with their performance of Henry V, and waited the verdict of the critics with confidence.

TORONTO. — (AP) — Automotive and Electrical Day at the Canadian National Exhibition Tuesday featured cars of the past, present and future.

About 50 antique cars, which toured the CNE grounds before being judged at the grandstand, were greeted by the exhibition's first rain. The day was a procession of scattered showers which gave way to thunder and lightning in the evening.

MONTREAL. — A direct appeal to Premier Bulganin at Moscow on behalf of their fellow Witnesses being held in Siberian slave camps was sent out from the district convention of Jehovah's Witnesses at Verdun Auditorium.

New Bombings Mark Renewal Of Violence By Cypriot EOKA

NICOSIA, Cyprus — (AP) — The first bombings in this British colony in 12 days today emphasized a new vow of violence from Greek Cypriot extremists.

Two bombs exploded harmlessly last night and early this morning outside the homes of a British army sergeant and a British major in Larnaca and Nicosia.

The explosions shattered the island's uneasy calm which had prevailed during a "suspension of operations" proclaimed by EOKA, the underground fighting arm of the Greek Cypriot movement demanding union with Greece.

The bombings followed an EOKA announcement, in leaflets strewn across Cyprus, that the truce was ended because the British government had failed to bring the Greek Cypriot leader, Archbishop Makarios, from exile to resume negotiations for the island's independence.

Signed by "Digenis," the EOKA leader who spurned a British surrender demand during the truce, the leaflets said:

"Debate is useless. We have already been forced by the British to resort to arms. . . . There is but one solution. They must sit down with Archbishop Makarios and negotiate on the terms he has laid down."

British authorities deported Makarios to the Seychelle Islands in the Indian Ocean in March for refusing to condemn EOKA's campaign of violence and assassination. In previous negotiations he demanded a plebiscite to determine the future status of Cyprus. With 400,000 Cypriots of Greek origin and only 100,000 of Turkish descent, the pro-Greek faction would easily win.

The island, Britain's main base in the east Mediterranean, is 40 miles south of Turkey. The Turks are strongly opposed to any vote which might give Cyprus to Greece.

The leaflets said EOKA would not answer British claims that captured documents prove the archbishop personally directed the EOKA violence. The documents included the purported diary of Digenis.

British troops and police met the resumption of violence with new travel restrictions. Meanwhile, they freed Dr. Themis

U.S. Labor Supporting Democrats

FOREST PARK, Pa. (AP) — AFL-CIO leaders, having decided to cast their lot with the Democrats in the coming United States election, turned today to planning how they can help defeat President Eisenhower.

The labor body's executive council Tuesday wound up a long, closed-door argument by voting to recommend formal support for the Democratic ticket of Adlai Stevenson and Estes Kefauver against Eisenhower and Vice-President Nixon.

The decision was reached with some misgivings. Some council members felt their 15,000,000-member labor organization would be sticking its neck out and cutting itself off from any chance for favors from the Republican party.

But the council — reported to have done so against the advice of AFL-CIO President George Meany — voted 14 to 8 to make an endorsement, and then cast that endorsement by a count of 17 to 5 to the Democrats.

The decision was sparked by the former CIO chief, Walter Reuther, who had been instrumental at the Democratic convention in getting Stevenson nominated.

Why Not Some Local Talent?

Given favorable weather conditions tomorrow, the probabilities are that the Sherbrooke Fair this year will enjoy its customary success. The attendance will be about average. The grandstand performance is of its usual standard. The midway follows along traditional lines. The main building is filled with its usual assortment of consumer goods designed to appeal to the eye of the potential purchasers.

In other words, the line was held, after making due allowances for the somewhat less favorable weather conditions this year.

But to the outsiders, one important question may occur. Why is something not done to increase the percentage of Eastern Townships residents who attend the fair? Why is there no material change in the stereotyped attractions which have featured this annual fair over the years?

This does not mean that the professional entertainment should be dis-

pensed with. No fair worthy of the name would think of throwing out its midway. The grandstand performance in the evening still appears to meet the taste of a large number.

The item that appears most lacking is some distinctly Eastern Townships feature in the entertainment. Surely there must be dozens of events which could be staged to increase local interest — tugs-of-war between the strong men from the various villages and townships, a field day, amateur contests, weight-carrying events are only a few.

If these were announced early enough in the season for the community groups to organize for their favorite attractions, to get the favorite sons in condition for the contests, it is probable that the annual attendance might increase by several thousands.

And probably, the cash outlay to the Exhibition authorities would be very little. After all, the amateur status of the contestants must be preserved.

India's Impractical Views

India's efforts at London to "mediate" the Suez Canal dispute do not at this distance seem at all constructive. It is one thing to say, as India does, that "international control" is out because Egypt will never accept it. It is quite another to propose such a weak alternative that the West cannot accept that.

Most of Western Europe's life-sustaining oil comes from the Middle East via Suez. Britain and France consequently seek — and are entitled to have — ironclad assurances that this critical flow will not be interrupted.

Any workable plan for Suez must have these assurances as its cornerstone. They are the heart of the matter.

Under India's proposal, Egypt would have full control of the international waterway except that it would be advised by a rather vague "association of international user interests." In the West's view, and considering Egyptian President Nasser's total unreliability, this is not sufficient protection for what might be called Europe's jugular vein.

As so often in its dabbling in major world affairs, India is employing an emphasis in this controversy which indicates deep misunderstanding of the political realities.

India's representative, V. K. Krishna Menon, stresses Egypt's "sovereign right" to seize and hold the canal. India seems to imagine that Egyptian nationalism is the fundamental issue.

It is not and never has been. Basically the West understands that

Egypt had the "right" to seize the canal, however unwise and unnecessary the action may have been (except in service to Nasser's ambition). Under the Suez Canal Company's concession, Egypt would have gained the canal in 1968 in any event.

No one planned to prevent this from happening. No one in control before the seizure was misusing the canal to Egypt's detriment. Quite the contrary. The canal company management was systematically preparing for Egypt's management of the waterway, enlisting more and more Egyptian workers in hope they could develop the needed skills in time for their legal assumption of control.

Nasser's untimely seizure left those careful plans in jeopardy and exposed canal traffic to serious risk of dangerously ineffective operation. On top of that, of course, it is at the mercy of Nasser's whim.

The issue is not an emerging people's legitimate national aspirations. It is Nasser's violation of international morality which has so foolishly — and from the world's viewpoint purposelessly — imperiled a vital waterway.

India is not "mediating" when it misrepresents the issue and in effect endorses his immoral act. Its plan actually sanctions Nasser's larceny and suggests simply that a few of the older heads in the world community keep a mild weather eye on how he handles his ill-won gains.

There is nothing moral in this approach, nor is there any recognition that for Britain and France his grabbing the canal was like stealing a timekeeper's watch.

TOO CAUTIOUS PLAY SETS BID

Good bridge players always look for a way to safeguard an excellent contract. There is, however, such a thing as playing a hand too safe.

In today's hand, for example, East won the first trick with the jack of hearts and continued with two more top hearts. South naturally planned to ruff the third round of hearts, but he made the mistake of ruffing with the jack of trumps, on the mistaken assumption that this was a safe play.

South discovered his error when he led a trump at the fourth trick. West had all of the missing trumps, and he was now sure to get two tricks with them. This was, of course, enough to set the contract.

The true safety play was to ruff the third round of hearts with the three of spades. West could overruff, to be sure, but then South could easily draw the rest of West's trumps with his own three high cards and dummy's king. West would get his one trump trick early or late, as he pleased.

South did not have to look at an opponent's hand to see that a ruff with the three of spades would protect him against all dangers. If West could

CARD SENSE

Q—The bidding has been:
North East South West
1 Spade Pass 1 N.T. Pass
2 Hearts Pass ?

You, South, hold:
Spades 7-5-2, Hearts 7-5-2, Diamonds K-J-9-5, Clubs K-8-3.

What do you do?
A—Pass. Don't bother to return to partner's first suit when the hand has no future and when you are in a safe spot.

TODAY'S QUESTION

The bidding is the same as in the question just answered. You, South, hold:
Spades 7-5-2, Hearts 7-5, Diamonds K-J-5, Clubs K-8-3-2.

What do you do?

IN THE HEART OF THE HILLS

Far away from the noise and bustle of the city. Where God with all his beauty is combined. In the heart of the hills. That is where my heart is. That is where my heart is entwined.

When the air is heavy with scent of flowers, and the garden is filled with strange noises, and sounds. I find would be in the heart of the hills. Where happiness always is found.

Bygone Days

TWENTY YEARS AGO

From the Record of Sat., Aug. 29th., 1936.

The Sherbrooke Fair opens today with the following executive committee in charge: J. A. McClary, John Peters, Fred W. Webster, M. W. McAnulty, S. Boily, W. G. Murphy, Leonard Prefontaine, Charles B. Howard, R. G. Davidson, and Hon. J. S. Bourque.

Increases of approximately fifty percent in existing taxes and the imposition of an extended list of new levies especially on religious groups have been ordered in Germany to finance the Nazi re-armament programme.

Heavy casualties are reported in Madrid as the Insurgent forces are making extensive use of aeroplanes in an effort to break down the Loyalist resistance.

TEN YEARS AGO

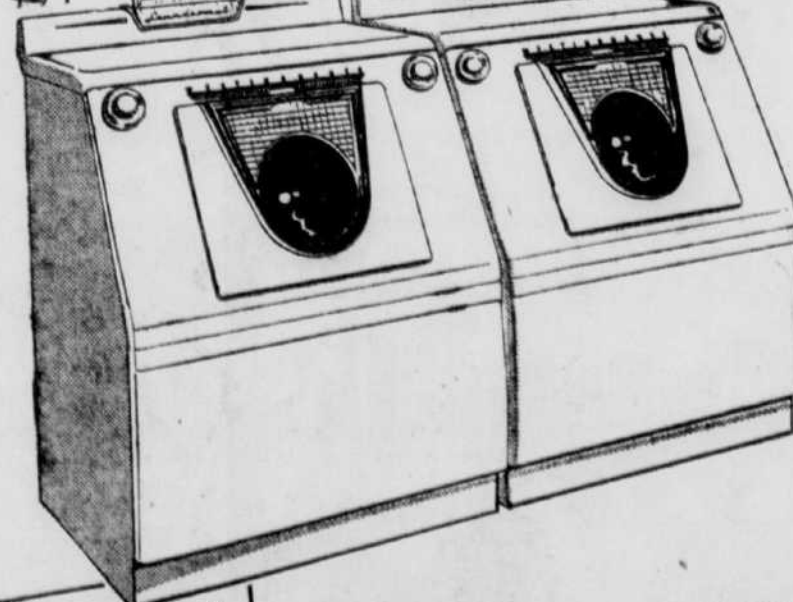

From the Record of Thurs. Aug. 29th., 1946.

Hamilton today looked forward to another day of truce in the six week old strike in the basic steel industry. Pickets still lounged outside the Steel Company of Canada, one of three companies against which the United Steel Workers of America are on strike, in demand for a minimum weekly wage of \$33.60 and a 40-hour week. The police reinforcements called in from the Provincial police and the R.C.M.P. have so far not been committed.

Liberal M.P.'s called on their government yesterday to protect Canadian fishermen on both Atlantic and Pacific coasts against both actual and potential encroachments of foreign fleets, the fleets of the U.S. and Mexico being named among the latter.

Four Quebec Cabinet Ministers after completing a tour of the main exhibits offered at the 61st. annual Sherbrooke Fair, paid high tribute to the cooperative and progressive spirit of both Eastern Townships farmers and this city's citizens for their efforts in making an outstanding success of this event.

UNUSUAL!

(Brantford Expositor)
What are we coming to? A motorist, seeking a drunk driver weaving through three stop lights, gives chase and halts him. In court the magistrate, deeply impressed by this display of ordinary commonsense, feels moved to praise, saying, "We had the unusual evidence of a public-spirited citizen who saw that something was wrong and did something about it."

So a magistrate who measures his words and speaks from a wide experience of what people will and will not do to help enforce the law, finds it "unusual" for a Canadian to perform a simple, sensible act in the public interest in an emergency.

We are afraid he is right. "Don't stick your neck out" seems to be the guiding principle of many. Others see what's wrong but lazily "Leave it to George" — George being the police, the City Council or the next door neighbor.

And it isn't only drunk drivers who get away with it because some faint-hearted or lalibones who calls himself a citizen turns a blind eye and won't act. We have reported many cases where a crowd looked on idly while a policeman struggled with rowdies and other lawbreakers, and where later in court the onlookers' inaction has been condemned from the bench.

This has come to a pretty pass when magistrates are so stunned that any citizen should do his plain duty, that they burst into chants of praise.

LESAGE-ALLEN

The marriage of Joyce Anita, daughter of Mr. and Mrs. Arthur Allen, of Lennoxville, Que., to Mr. William Andre LeSage, son of the late Mr. Royal LeSage and of Mrs. LeSage, of Montreal, took place Saturday morning, August 18, in St. Patrick's Church, the Rev. Msgr. J. R. Moisan, c.s., officiating.

The bride, given in marriage by her father, wore a ballerina length gown of white satin brocade having a sweetheart neckline and long sleeves. A white cap of matching material held her shoulder-length veil of tulle illusion and she carried a cascade bouquet of white single 'mums.

Mrs. Lloyd Hunting, as matron-of-honor, wore a ballerina length dress of powder blue taffeta brocade with a Chinese style hat of matching material and she carried a cascade bouquet of pink gladioli.

Mr. Philip LeSage acted as best man for his brother and the ushers were Mr. Glen Allen, Mr. Colin Kane and Mr. Wilfred LeVeigne.

Mrs. Allen, the bride's mother wore a sheath dress of bronze printed silk crepe, with beige accessories and a corsage of yellow 'mums.

Mrs. LeSage, mother of the bridegroom was in a teal blue dress of silk crepe and she wore black accessories and a corsage of pink carnations.

Following the wedding ceremony, a garden reception was held at Elmwood Hotel in Lennoxville. The bride's table, centered with a three-tier wedding cake, was decorated with red Pinocchio roses and baby's breath.

Later, Mr. and Mrs. LeSage

left for a wedding trip to the New England Coast. For travelling, the bride wore a beige shantung sheath dress with bronze accessories.

On their return Mr. and Mrs. LeSage will take up residence in the Town of Mount Royal.

Out-of-town guests were from Montreal and Vaudeville, Que., Toledo, Ohio, and Miami, Florida.

ASCOT W. I.

If Husbands, Wives Would Only Read Same Magazines

By RUTH MILLETT

It's downright frustrating, that's what it is. Trying to follow all the suggestions of the women's magazines and then finding out your husband doesn't appreciate your efforts to keep up because he doesn't read the same magazines.

You spend a day stripping your living room of bric-a-brac to give it the new, stark look. And what happens?

Your man comes home from work, takes one startled look around and says "This place always looks like a barn when you're in the middle of spring housecleaning. When are you going to get everything back where it belongs?"

You feel artistic enough to copy one of those table settings that caught your eye when you were reading a decorating magazine in the beauty shop.

Your efforts not only go unnoticed, your husband gets up and goes to the refrigerator and brings in a catsup bottle which he plunges down right beside the centerpiece of pink rosebuds.

You take to heart an article about the importance of looking your prettiest for your home-

McLellan travelling library and that by Mr. Gauthier on fabrics and fashions as well as the fashion show and the Colombo Plan lecture.

Mrs. J. Campbell reported on the local quarterly county meeting and gave notice of the annual school fair on September 14.

The sum of \$10 was voted for school fair prizes. A new ways and means committee was named.

The business being concluded, a Zinnia contest was held with Mrs. F. Lundeborg and Mrs. J. Campbell emerging the winners.

Several guests were welcomed during the tea hour and at this time Miss L. Lundeborg, a bride-to-be, was presented with the gift of a bedspread and the best wishes of the members. Afternoon tea was served by Mrs. N. Bowers, Mrs. H. Hunting, Mrs. F. Ingham and Mrs. H. Savage.

coming husband. So you greet him looking as if you've just come from a tea instead of out of the kitchen. He asks in a stricken tone of voice, "We aren't going OUT for dinner, are we?"

You buy a wine cookbook and figure you'll get out of your cooking rut. And your husband asks in a dubious voice after tasting your first culinary triumph, "What is this? It has kind of a funny taste."

You read that you'll need a streamlined figure to wear the new sheath dresses. So naturally you decide to go on a 14-day diet.

You find the courage to ask for only a thin, small slice of roast, say you don't believe you care for potatoes, pass up the hot biscuits and your husband looks at you with concern and says, "What's the matter, honey? Don't you feel well?"

Frustrating, isn't it?

Tomato And Rice Casserole

Ingredients: 1 1/3 cups (5-ounce package) packaged precooked rice, 2 cups grated cheddar cheese, 2 1/4 cups (20-ounce can) tomatoes (and juice), 1 teaspoon salt, 1/4 cup finely chopped onion, 4 slices crisp cooked bacon, crumbled.

Grease a 1 1/2 quart baking dish. Spread about one-half of the packaged precooked rice in even layer on bottom. Cover with 1 cup of the grated cheese; then add the remaining rice.

Combine tomatoes and juice, salt, and onion in a saucepan, crushing tomatoes and mixing well. Bring to a boil. Pour carefully over the layers of rice and cheese.

Bake, uncovered, in moderate oven (350° F) 15 minutes; then remove from oven and spoon remaining cheese onto rice mixture around edge, leaving center uncovered. Sprinkle crumbled bacon over cheese. Return to oven and bake 5 minutes longer. Makes 4 servings.

Quarterback Tom Dublinski Only Absentee Tonight When Argos And Tiger-Cats Clash Under The Lights

TORONTO — (CP) — Two of the Big Four football union's most talked about quarterbacks, Ronnie Knox of Hamilton Tiger-Cats and Gerry Doucette of Toronto Argonauts, meet tonight at Varsity Stadium.

The two could not be more opposite — Knox a young American who has played his prep-school and college football in a blaze of publicity and is considered the prize-import catch of the year; Doucette, a Toronto-born boy who lived his football life in relative obscurity as a substitute quarter with Toronto.

Both hit the headlines last week in their teams' opening games. Wednesday, Knox lived up to all his clippings as he handed off for one touchdown and passed for another one as Hamilton lost 24-21 to Ottawa Rough Riders.

Doucette, called on suddenly to replace an injured Tom Dublinski, performed brilliantly as Argos lost 24-20 to Alouettes in Montreal.

Tonight Doucette will have one game under his belt and with all-star end Al Pfeiffer returning to action will have one of the league's surest-fingered receivers to haul in his tosses. Up front, tackle Billy Shipp will be opening holes again after a first-game lay off and Royal Cope, Canadian defensive half, will be back in the secondary.

Tiger-Cats will have two strong quarters going for them.

Veteran Nobby Wirkowski, though overshadowed last Wednesday, was as effective as Knox, and coach Jim Trimble has not yet tagged either as his starting quarter.

There is one addition to the Ticat line-up — Gene Donaldson, a five-foot-ten former Cleveland Browns tackle who weighs in at 210 pounds.

One familiar face missing from the backfield is Lou Kusserow, one of six Americans Trimble dropped last week. Kusserow had been a star with Hamilton since 1953 and was a league all-star last season.

In action for the first time will be Varsity Stadium's new lights. Said to be the most powerful in Canada, there are banks of 1,500-watt floodlight bulbs mounted on 12 poles.

Lt. Edson Warner Has Perfect Day In Mansonville Shoot; Wins O. C. Brock Trophy; Sherbrooke Regt. Cops Team

Lt. Edson Warner of the Sherbrooke Regt (12 Arm'd) accomplished a rare feat in a 303 rifle match at Mansonville, Sunday. Every one of his seven shots at 200, 500 and 600 yards was a bullseye. This may be compared to a hole-in-one at golf or a no-hit, no-run game in baseball. It has been done only one other time by a Quebec marksman since before the war.

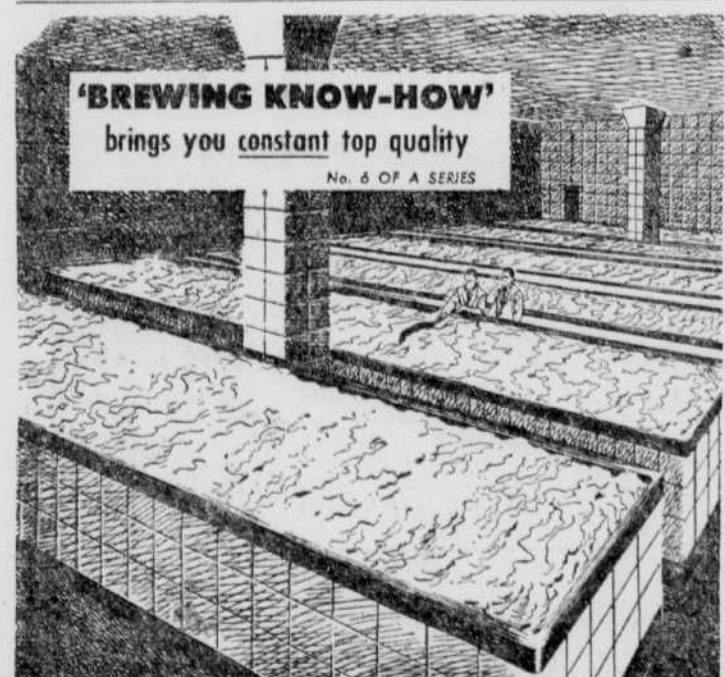

Gerald Dillon of Sherbrooke won the Sherbrooke Regiment cup at 200 yards in a shoot-off with Warner, each having scores of 35 points in the match. Each made four bulls and an inner in five extra shots. On the 6th shot Dillon scored a bull and Lt. Warner an inner.

At 500 yards Dick Winget of Lennoxville hit the 18 inch bull-ring nine extra times after making seven out of seven in the match, to beat Bill Ledger, caretaker of the Sherbrooke High School. Lt. Warner and Major A. J. F. Roberts of Saraguay, who also had perfect scores.

Lt. Warner won the O. C. Brock Trophy with the only perfect score at 600 yards, followed by Jim Eastman of Mansonville, Ted Wright of Stanbridge East, Matt Penman of Montreal, Ger-

Irv Noren To Rejoin Yanks

NEW YORK — (AP) — New York Yankees announced Tuesday night that outfielder Irv Noren will rejoin the club here today but will not be placed on the active list until Sept. 1 when the 25-player limit expires. He will not be eligible for the world series, should the Yanks qualify.

Final Quinella Pays \$115.15 when Gordon W And Mighty Fast Can Team Up; Races Slated To Day At 1.30

The big payoff on yesterday's racing card at the Sherbrooke Fair came in the ninth race when Gordon W and Mighty Fast Can teamed up to reward their backers with \$115.15 for the final quinella of the day.

The Theroux eight-year-old brown horse from Drummondville led the eight-horse field home in good fashion while E. Larente teamed the second place ahead of Tom's Star Hal and Penny Lee in a close finish.

On today's card which will commence at 1.30 nine well balanced races are on the program. Tomorrow's event will also be a nine card fixture.

The daily double of Fabi's Clair Iba, in the first, and Gordon's Doctor Man, in the second, paid their backers the sum of \$55.45. The second quinella of the day in the eighth race was \$46.80 the third one in the third race of the afternoon was \$28.85.

Gordon W. also paid the top price of the day across the board when \$16.60, \$12.10 and \$5.20. A Gravel of Bromptonville drove his Blue Mountain Brooke to third place in the eighth race and paid their backers the price of \$20.40 for a show investment.

The fastest time of the afternoon was in the fifth race when Fabi's Stewart's Sister came home ahead of the field in 2.14 1/5. In the second half of the "DD" Handicap Pace the Fabi mare also topped first to make a clean sweep of the event.

The other double winner on the program was Fabi's Clair Iba, when she finished first in the "D" Pace in both heats.

Amedee Beaudoin's Jean Harvester N and Mighty Elworthy divided the honors in the "DD" Trot and Pace. She placed second in the first half and came home strong at the wire to take the second part of the class.

Sugar Ray Still Apart From IBC

CHICAGO. — (AP) — The International Boxing Club and middleweight champion Sugar Ray Robinson were still apart today on agreement of a title match with Gene Fullmer under sponsorship of the IBC.

Truman Gibson, secretary of the IBC, said early today "we got nowhere but that doesn't mean it's out."

Gibson said the IBC had offered Robinson a fight in Chicago with home television but that Joe Glaser, Robinson's business manager, Tuesday night reported that the champ is cool towards a fight in Chicago.

Gibson said Jim Norris, president of the IBC, left for New York and was expected to resume negotiations for a title match there today.

Robinson, after claiming he was through with Norris and the IBC because he couldn't get the money he wanted, changed his tune earlier this week saying he was ready, willing and able to defend his title.

Jack Kay Cops Bursary Event

TORONTO — (AP) — Jack Kay of Montreal Mount Bruno topped the fifth annual Bursary tournament with a three-round total of 206. He was seven under par.

Kay finished six strokes in front of Bill Mahwinney of Vancouver, Quilchena, who had a one-under 212. Johnny Henrick of Hull (Que.) Gatineau Club made a strong finish to take third spot with 214.

The bursary provides \$1,500 for each of the top three finishers so they can compete for 10 weeks on the United States winter golf trail. It was the fourth time Kay had qualified for a cut of the purse.

Gardner, Boivin Sign Contracts

BOSTON (AP) — Boston Bruins of the National Hockey League today announced the signing of centre Cal Gardner and defenceman Leo Boivin to 1956-57 contracts.

Already in the fold are forwards Vic Stasiuk and Johnny Peirson and goalie Terry Sawchuk.

The veteran Gardner will be starting his fourth season with the Bruins.

Royals And Leafs Divide While Miami Edges Richmond; Victory Gives Marlins Second-Place Tie

Toronto rightlander Lynn Lovenguth Tuesday night won his 22nd game of the season as he set down Montreal 15-3 after the Royals had taken the seven-inning opener of their International League doubleheader with the Maple Leafs, 3-2.

At Montreal, the seven-inning opener was a pitching duel between Toronto's Ed Blake and Montreal's Bob Milliken with the Royals' rightlander finally earning his first win against one loss.

Blake gave up seven hits as he took his 11th loss against 15 victories. The Royals scored the winning marker in the fourth when Bobby Wilson led off with a single, went to second on Bob Hale's single off the rightfield wall and came home on John Roseboro's sharp single to

centrefield.

Lovenguth, who has lost 10, and is the league's only 20-game winner, was in trouble only once as he scattered seven safeties and was backed by a 15-hit attack.

Dick Carr May Not Play For McGill Redmen

MONTREAL — (AP) — Dick Carr, former Columbia University quarterback whose passing sparked the McGill Redmen football team last season, hinted Tuesday that he may not play this season.

It Looks As Though Pittsburgh May Turn Into Stumbling Block As They Did To Dodgers In '54; Newcombe Wins

Are Dale Long and the rest of Pittsburgh's short-lived heroes to become Milwaukee's pennant-block, just as the Pirates were to Brooklyn in 1954?

Brooklyn had edged it within a half game of first place in '54 and looked good and healthy with 10 games remaining against Pittsburgh in the last month and a half of the season. But the last place Pirates won five of those last 10, standing the Dodgers on end while the New York Giants copped the flag and the world championship.

The Pirates, who lost 12 of their first 18 games with Milwaukee this season, looked like the spoilers of old Tuesday night, coming from behind as Long hit a three-run homer to beat the Braves 5-4 and trim their National League lead to 1 1/2 games over the Dodgers.

The Brooks, meanwhile, split a twinbill with Chicago's Cubs, winning the opener 6-4 on three ninth-inning runs, but losing the nightcap 4-3 when play was halted after 7 1/2 innings by darkness.

Third place Cincinnati rose to just three games off the pace with an 11-1 barrage against the Giants. Philadelphia clipped St. Louis 6-4.

In the American League, Mickey Mantle belted his 45th home run in New York's 4-0 victory over Kansas City in a game held to six innings by rain. The Yankees regained an eight game first place bulge as Cleveland lost at Baltimore 1-0. Chicago's White Sox split a pair with Washington, winning 5-3 after a 6-2 defeat. Detroit defeated Boston 6-3.

Frank Robinson, the Cincinnati rookie, slammed two homers, his 33rd and 34th, while Ed Bailey added his 23rd to account for seven runs against the Giants.

Mantle's wind-blown shot came in the third inning with two on against Art Ditmar. It put him five games up on Babe Ruth's record-60 pace in 1927. Bob Turley won his eighth with a two-hitter.

Cleveland and Baltimore each managed just four hits, but Ray Moore gave up only singles in winning his 11th for the Orioles. Chuck Stobbs counted his 13th victory checking the White Sox on seven hits in the opener. Jack Harshman, riding on homers by Dave Philley and Minnie Minoso won his 11th in the second game.

Al Kaline drove in three runs as the Tigers beat Mel Parnell. Kaline's 24th homer led off a three-run sixth.

Long's poke triggered a four-run seventh that tied the score for the Bucs after Warren Spahn, seeking his 199th major league victory, had retired two men in the frame. Dick Groat's infield single scored the clincher against rookie Bob Townbridge in the eighth. Ed Mathews hit his 31st and 32nd home runs.

Don Newcombe, working in relief for only the second time this season, won his 21st for the Brooks in the opener as Carl Furillo popped a fly that fell
