Editorial:

No unity among members of High School teachers' union

STRIKE!

That teachers' strike! It defies coverage. There are some hard working reporters of both the Citizen and the Journal in Ottawa who try to keep up with what is going on in the so-called negotiations between parties and someone associated with the teachers has spent (we are told but don't know whether to believe or not) a lot of money to present part of the story in Le Droit. The Equity is trying to get some facts. But all anyone can derive from attempts to get at the truth is contradiction.

One teacher on strike told us that there were a hundred demands being made by the teachers. He said one of the most important was the demand for a closed shop. This would mean that no board could hire a teacher who wasn't a member of the union! He said the association's boss prevented him from letting The Equity see all the demands they were making and he didn't know why.

Another teacher on strike told us that no Roman Catholic teacher is under contract to his board and another one got on the phone fast as soon as The Equity was out last week to tell us this was not so. This one said they are all under contract.

One says that the association has the full support of every teacher in Pontiac County and another says he does not agree with what they are doing.

The Equity would like to take the side of the professional man and woman in this case because we feel that teaching is a very special calling and those who take it on should be given every possible support in everything they do. However, in this instance we can't see any reason at all for anyone being even the slightest bit sympathetic with people who cause the classrooms to stand empty at the expense of the children, even if they consider themselves to be professional.

When they throw away their right to independent thought by sheepishly traipsing at the tail of someone they don't understand, they lose their professional status in our eyes. If they don't like the conditions of their work they shouldn't have signed on in September, or they should wait until June and then resign. This strike thing is a poor way to draw attention to themselves; and having drawn the attention they now seem unable to agree on the nature of their problems.

Allan Young appointed Director of Education for North Island Regional Board

Allan Young, a native of Shawville, a son of Mrs. Robert Young and brother of Mayor Orla Young, has been appointed as Director of Education for the North Island Regional School Board in Montreal.

He had been serving as a Provincial Inspector of secondary schools and regional advisor for Operation 55, which created the North Island Regional School Board as one of the nine Protestant regional school bodies in Quebec.

The area covered by that region includes Laval, Deux Montagnes and Terrebonne counties with a Protestant high school enrolment expected by 1971 to be 8,000 students.

This particular region is probably the most advanced in its

plans which have all been made and approved to be implemented in 1966.

Allan graduated first from Shawville High School, then Macdonald College, attended Sir George Williams and Queen's Universities and received his License-es-lettres from the University of Lille, France. (This degree is equivalent to the M.A. in Canada plus a Quebec Class I teaching diploma).

His teaching and administrative experience has been in Shawville, Campbell's Bay, Ormstown, Val d'Or, St. Eustache, Laval West and Montreal.

Allan is also active in the Canadian Trotting Association and is bilingual.

80th Birthday for Mrs. Hurst Hodgins

Congratulations to Mrs. Hurst Hodgins better known to many as Eva on her 80th birthday.

Mrs. Hodgins was born at Yarm on Jan 22, 1886. She attended school at Yarm and was married to Hurst Hodgins. She is a wonderful worker in the community and hospital work and always ready to lend a helping hand.

After spending the afternoon and supper at her birthplace with her brother and sister-in-law, Mr. and Mrs. Melborne Elliott returned home to find about 70 friends and neighbors gathered to celebrate with her.

Dr. S. E. McDowell gave an address and flowers and gifts were presented to the guest of honor.

Mrs. Hodgins also received many cards, telegrams, and letters of congratulations.

Refreshments were served including a beautiful birthday cake.

Out of town guests were: Miss Mildred Amm, Miss Florence Amm, Mrs. Harriett Burke, Mr. and Mrs. G. Smith, Quyon, Mr. Heamen Elliott, Elgin, Mr. and Mrs. Pearley Belsher, Sask.

Minor Hockey week sees start of play for many young Pontiac teams

This is MINOR HOCKEY WEEK, and the Shawville "Atoms" started off Minor Hockey Week with 2 successful games last weekend. They played Bryson on Friday night at Shawville and won 11-0. Gerry Armstrong was in the nets and the winning scorers were one each for Edgar Dagg, Stewart Wilson, and Randy Powell, two each for John Russell and Billy Russett and four for Lornie Pirie.

On Saturday they played in Bryson where they defeated Bryson 3-0. Randy Bean was in

the nets and Lornie Pirie scored 2 goals, and Randy Powell scored one.

The boys playing on Bill Pirie's "Atom" team are Gerry Armstrong, Randy Bean, Edgar Dagg, Warnie Richardson, Michael Thomas, Charlie Argue, Stewart Wilson, Randy Powell, Paul Finnigan, Lornie Pirie, Billy Russett, and John Russell.

Campbell's Bay play the Shawville "Atoms" at 7 o'clock on Friday evening at the Richardson arena. Shawville returns to Campbell's Bay on Saturday afternoon.

Winter Carnival at Campbell's Bay

The Campbell's Bay Protestant Home and School Association held their annual Winter Carnival at the School on Saturday, January 22nd. Fine weather and a full programme of events at the rink resulted in a record attendance estimated at nearly 500 children, parents and visitors. The afternoon's highlight was the crowning of the

Carnival Queen, Eleanor Smith, by Mr. R. Moss, President of the Association, followed by keenly fought hockey and broom ball games with the pupils of Onslow Intermediate School from Quyon.

A word of appreciation is due to Mrs. Moss and the other ladies of the "Home and School" (Continued on page 6)

WHEREAS the pupils of the Outaouais Regional School Board are in real danger of losing their academic year;

"Teachers, please come back"

Calumet Island, Quebec
January 24th, 1966

A STUDENT'S POINT OF VIEW

Sir,

As a grade XI student, under the Outaouais Regional School Board, I would like to express my point of view on the teacher's strike.

If a young person does not want to go back to school in September everybody tells you to go; or you will be sorry in a few years. After this reasoning is listened to many times one finally decides to go back to school.

September comes and off you go to school. By Christmas everything is going fine and not a word about not going back is heard. But what next? "The teacher's are on strike." Now in the middle of the school term, here we are sitting at home, instead of being at school, working and studying our best.

Our future depends on you, "Teachers". Some of us have done our ten days work, which was given us; others are looking for a job, or already working. At our age we do not want to stay at home doing nothing. In a few weeks or even days when you go back to your work you will find many empty places. The students will have lost hope of passing their grade, and will have gone to work.

Teachers, please come back and help us make our grade.

Suzanne Ryan,

Father Klatt of St. Mary's Parish and Mayor of Quyon Billy Burke who is also Warden of Pontiac County have written the above message and telegraphed it to Quebec carrying the signatures of two hundred citizens of St. Mary's Parish, Quyon.

The telegram was read out in church on Sunday and the signers are mostly parents of students in St. Mary's High School.

Meanwhile at St. Mary's school which is partly rented out to the Outaouais Regional School Board, grades ten and eleven are meeting (in parts of the school not so rented) to carry on their classes. Some of the brighter pupils are taking their classmates through the lessons as well as they can and supervision is being volunteered by parents among them.

Ice fishing permitted

Litchfield and Thorne Lakes have now been opened to the public for ice fishing from January first to March 31st by recommendation to the Tourism, Fish and Game Dept by Wildlife Service biologists.

Although ice fishing is generally prohibited in Quebec, it is permitted on some waters and Litchfield and Thorne Lakes have just been added to the permitted waters.

Pontiacs beat RCAF; lose to Deep River

This Friday the Pontiacs are at home against the Pembroke Little Lumber Kings of the Central Junior League. Two local boys, Bill and Terry Murray play for the Pembroke team. Also in their lineup are starry forwards Terry Wendt, Larry Mick and Jim Cotnam. Game time 8:30 pm.

Rockcliffe vs Shawville

The Shawville Pontiacs were at home last Friday to an exciting exhibition game, downing the Rockcliffe (RCAF) Fliers 8-4. The visiting Fliers do not play in a regular league and only play exhibition games. They are a big, experienced team and they are playing themselves into shape for the playdowns.

It is hoped that they will be back for another game on Friday, February 5.

Rockcliffe drew first blood Friday as Grant scored the first of his two goals as the Pontiacs were shorthanded. The Pontiacs came flying back and jumped into a 4-1 lead on two goals by Carson Ryan, and singles to Ken Soucie and Ivan Saunders. Budarick narrowed the score to 4-2 but the Pontiacs on goals by Barrie Murray and Royce Richardson jumped ahead 6-2 after

2 periods of play.

Both teams scored twice in the last period as Grant and Tessier hit for Rockcliffe, while Carson Ryan connected for both Shawville goals, giving him 4 goals for the game.

There were 14 penalties called in the hard-hitting and fairly cleanly played game.

Deep River vs Shawville

Last night the Deep River Rockets upset the Shawville Pontiacs 3-1 in an Algonquin Senior Hockey League game in Shawville. The visiting Rockets broke a 1-1 tie after two periods as Giles Mohns and George Shurkill found third period goals which the Pontiacs could not answer.

The other Deep River goal was scored by Reid Condie late in the first period.

Glen Richardson was the only Pontiac who could beat Brian Pappin who was superb in the Deep River goal.

There were only 10 penalties called in the game, 6 to the Pontiacs.

ACCREDITATION

There is talk again of gaining accreditation for the Pontiac Community Hospital. There has been such talk for a long, long time but this time the chances are some action will be taken.

To achieve accreditation by the Canadian Council of Hospital Accreditation certain standards must be kept in all departments of the hospital. In our hospital in Shawville some of the standards being kept are way above those required for accreditation and satisfying the minimum requirements will be easy on most scores. In other areas there may be some reorganization necessary but our staff has everything it takes to achieve this.

The basic principles necessary for accreditation come under three main headings: administration, medical staff and nursing.

Administration requirements include buildings constructed and arranged to insure the safety of the patient a governing body which has the legal and moral responsibility for the conduct of the institution, facilities for dietary services, medical records in accordance with specific rules, pharmacy clinical lab and pathology, radiology and a medical library. Pontiac Community Hospital hasn't far to go to qualify in these areas.

The Medical Staff must be responsible to the patient and to the governing body of the hospital for the quality of all medical care rendered to patients in the hospital and for the professional practices of its members. Organization and by-laws with committees on credentials, medical records and a few other details are all that are required here, and we now have almost all the personnel required among Pontiac physicians and surgeons.

As for the nursing, it is likely that our present methods of procedure are equal to what is necessary for accreditation.

Mainly necessary is a lot of paper work and some study of the rules and regulations. The largest change will be in the records kept to conform with accreditation standards. The patient won't notice any great change but actually he will be better cared for when accreditation goes through.

It will be the greatest step forward for the hospital since it was built when it can add those letters CCHA to its letterhead.

Starks Corners grist...

Congratulations from Starks Corners Community to Tom Harris of Beachburg a former resident of this community who was elected warden of Renfrew County at the first meeting in the New Year. Mr. Harris has been Reeve of Beachburg for the past eight years.

Mr. John Dean visited recently with his parents, Mr. and Mrs. Lennis Dean. John has recently been transferred to the RCAF base at Clinton.

Mrs. Gordon McBride sr., spent the past week in Ottawa visiting at the home of Mr. and Mrs. Kent McBride and family also with her sister Mrs. Herbie Brown who is progressing favorably at St. Vincent's Hospital.

Our deepest sympathy is extended to Mrs. Harry Palmer in the loss of her sister Mrs. George Palmer.

Mr. Glen Elliott has returned to Sudbury after spending the weekend with his parents, Mr. and Mrs. Hubert Elliott.

Our community was saddened to learn of the death of Mrs. Alice King at a Nursing Home at Ramford, Essex, England on January 21st. Mrs. King visited in a number of our homes while in Canada when she was at the home of her daughter Mrs. Iverson Harris. The late Mrs. King is survived by three daughters, Mrs. Harry Hewitt in England, Mrs. George Healey of Ottawa and Mrs. Iverson Harris of Shawville. Our sincere sympathy is extended to the be-

Somebody wants to know where to apply for work with Consolidated paper mills in this area: So they wrote to The Equity to ask. Well, my friend, there is no Consolidated paper mill in this area. One is about to be built and when it is built I would suggest you apply at the mill. Meanwhile you might write to the Quebec Employment Office in Portage du Fort for an application for work and they'll keep your name in their file. This is being published because there may be more than one person who has wanted to ask this question.

It would be greatly appreciated if people would give their news to the official Equity correspondent in each district. The Equity is the easiest paper in the world to get news into if you go about it the right way. Recently we have been amazed by some practical jokers who think it is funny to place phony news in the paper. If we make sure the news has come through our

reaved family in the loss of a devoted and dearly loved mother.

Mrs. Lloyd Quail of Shawville and Mr. Edward Cunningham of Ottawa are spending a week at South Porcupine where they are visiting many of their friends including their brother, Bert, who is a patient in the hospital.

LETTERS TO THE EDITOR

Bryson Lions

The Editor,
Shawville Equity:

Dear Sir:

In your column "Grist" of January 20th issue of the Equity, you mention the formation of minor hockey teams in Bryson and the support accorded the teams by the local council.

As a bit of information I would like to point out the support given to both the minor hockey teams and the local council by the Lions Club of Bryson. As soon as the minor league was organized this club made a donation of \$50 to assist them with the teams.

Last year, the local council appealed to this club for assistance and it was voted a donation of \$300 to be distributed over a two season period to be used on the local rink.

This year, with the formation of the First Bryson Cub Pack being in need of a meeting place, the council was approached for the use of the town hall and it was given with the stipulation that this club supply the necessary oil to heat the hall. This was done.

Dear Sir:

The National Investigations Committee on Aerial Phenomena (NICAP) Headquarters, 1536 Connecticut Avenue, N.W., Washington, 36, D.C., has recently published its long awaited "The UFO Evidence" Report.

This illustrated fully documented 184-page Report, containing over 20,000 words is the result of NICAP's seven-year scientific investigation of Unidentified Flying Objects (UFOs) and proves, beyond any reasonable doubt, that UFOs are unknown superior machines under intelligent control, emanating from an extraterrestrial source, and official secrecy on same.

It is hoped that this Report, a copy of which has been presented to every member of the United States Congress, will instigate public congressional hearings on UFOs in order to end the unwarranted and very dangerous United States Air Force policy of secrecy and censorship on same.

Any individual wishing to procure a copy of this unique

document should write directly to NICAP for the required information. Thank you.

Sincerely,
John Laval,

Little Christmas at St. James

On the Feast of the Epiphany Thursday, January 6th Holy Communion was celebrated at St. James Anglican Church, Otter Lake. The Incumbent, the Rev W. H. F. Kennedy, officiated.

Following the Service, the Annual Vestry meeting of St. James' was held in the Church at 8.15pm.

The minutes of the previous Annual Vestry meeting were read by the Vestry Clerk, Mrs. Kenneth Milliken.

The Financial Report was pre-

sented by Mr. Kenneth Milliken. All commitments were shown to be met and a successful year had.

Mr. Kenneth Milliken was appointed Rector's Warden. Mr. Reuben Thoms was elected Peoples' Warden, and Mr. Cecil Sparling elected Deputy Peoples' Warden.

The Rev W. H. F. Kennedy presented the Incumbent's report giving the highlights of the past year, mentioning the successful Centenary celebrations and the hard work by the centenary committees. Tribute was also given to those who gave leadership in the congregation during the year 1965, including Mrs. Reuben Thoms (altar guild), Mrs. Lyle Mitchell (Ladies' guild), Mrs. Cecil Sparling (organist), Mrs.

Kenneth Milliken (vestry clerk), Mr. Kenneth Milliken (rector's warden), Mr. Reuben Thoms, (Peoples' Warden), Mr. Cecil Sparling (Deputy Peoples' Warden).

The meeting closed with prayer at 10.15 pm.

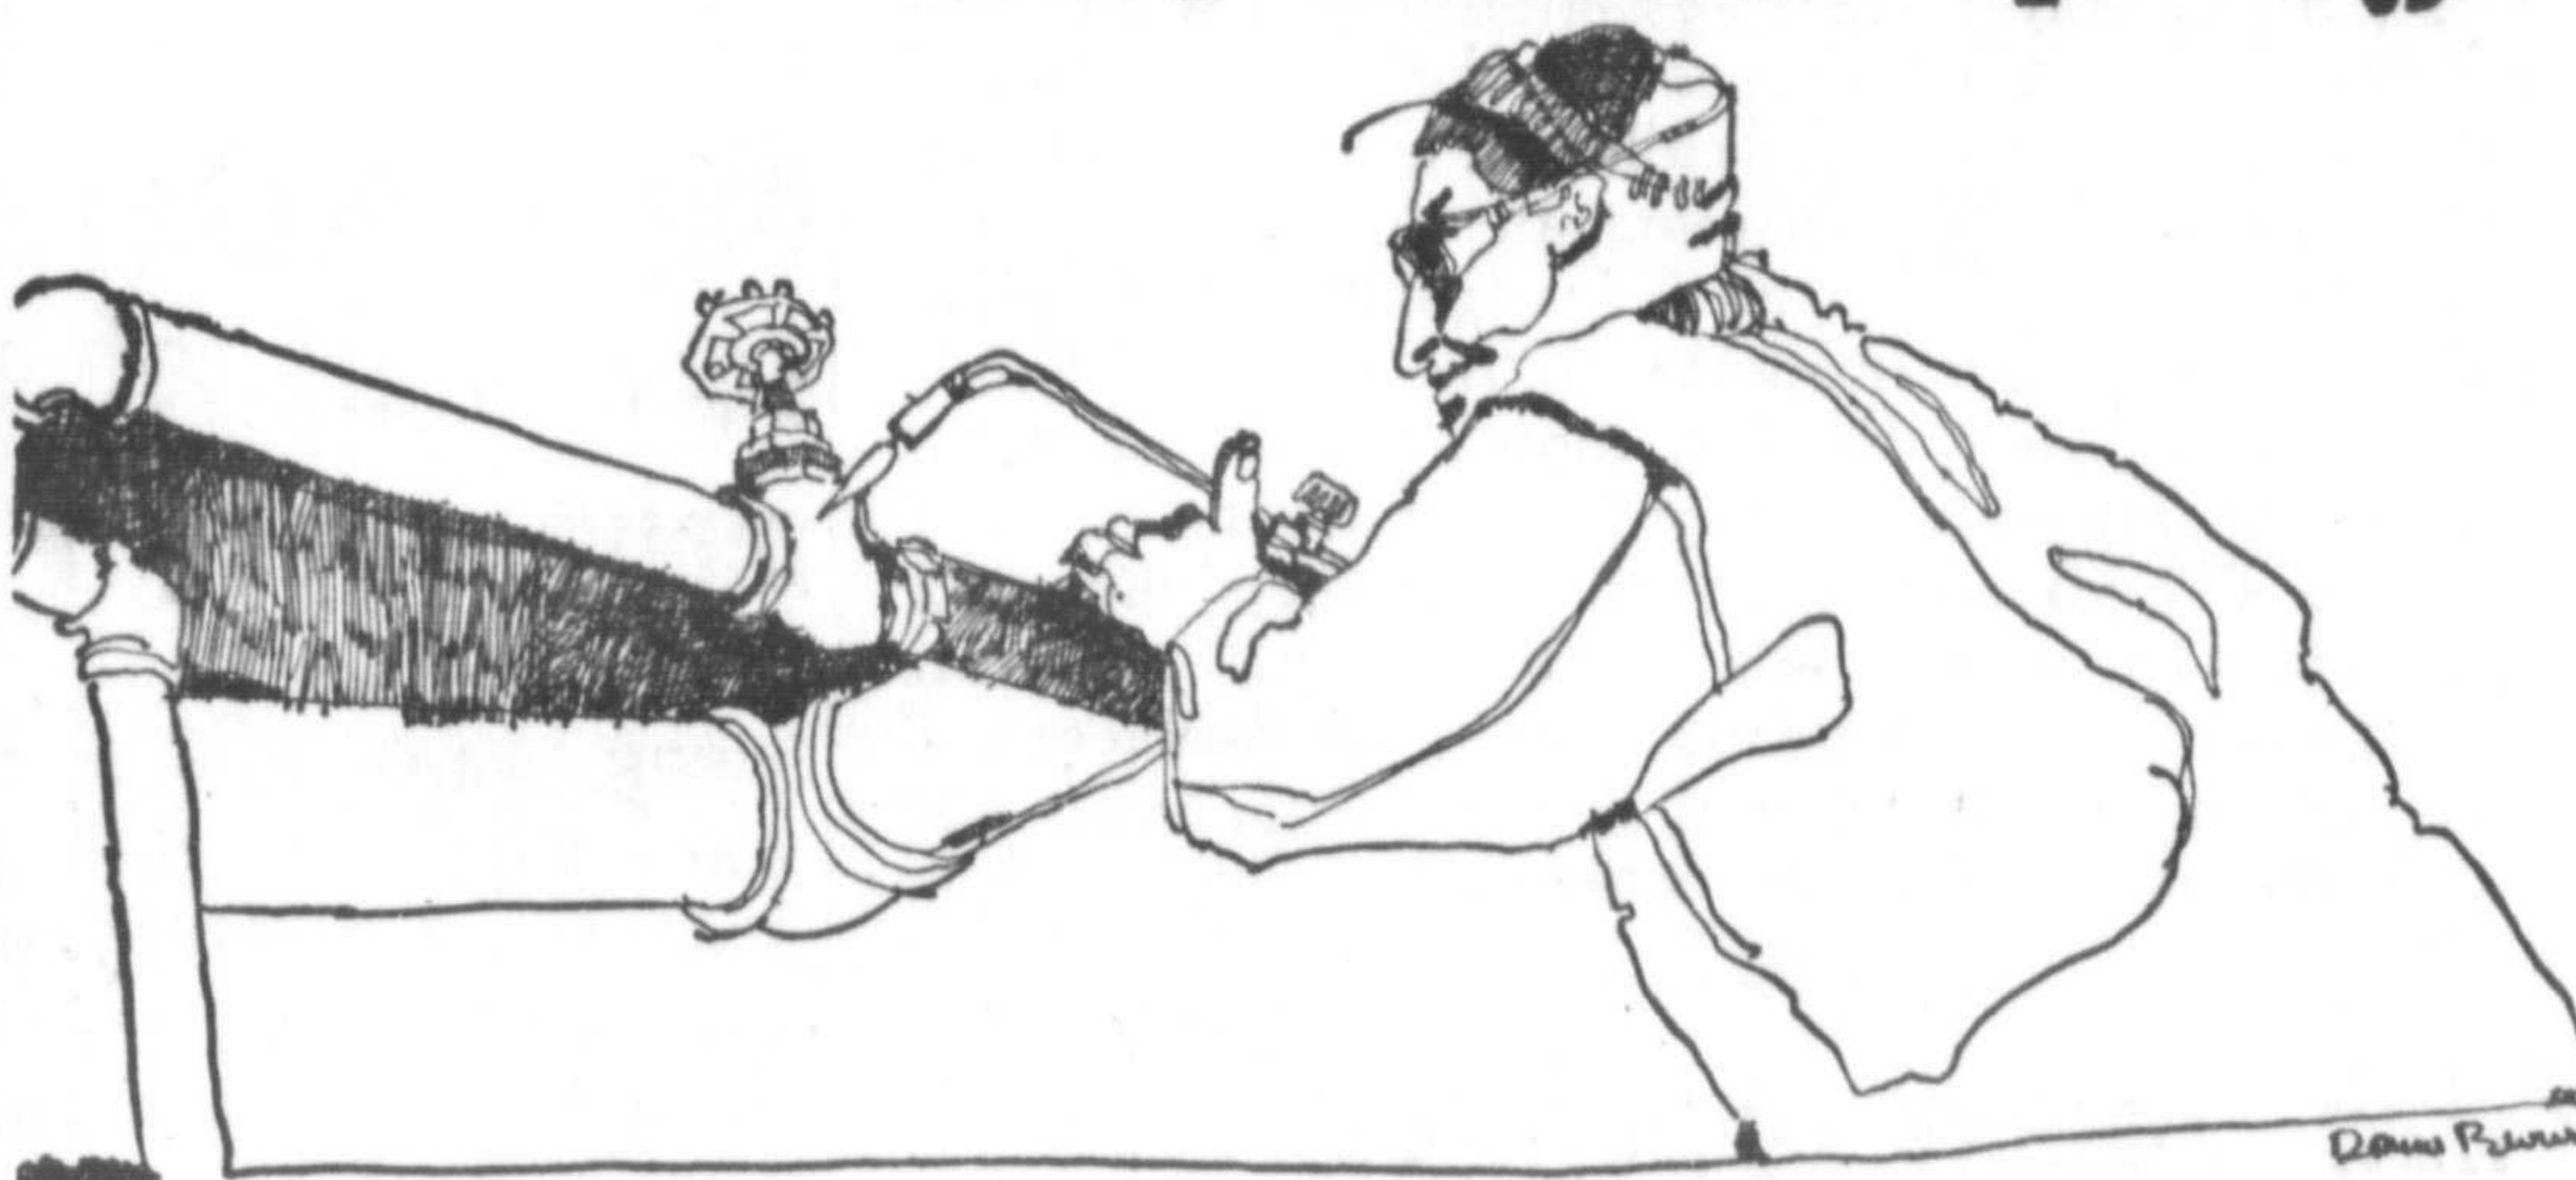

Following the Vestry meeting, The Ladies' Guild served a "Little Christmas Supper" at the home of Mr. and Mrs. Reuben Thoms and Mrs. Walter Stevenson.

The table was very attractive with a Christmas Cloth and tall red tapers and the food made a festive picture for the occasion.

Members of the Ladies Guild prepared the "Little Christmas Supper".

Everyone agreed that the 1966 Annual Vestry meeting was one of the most enjoyable in recent years, beginning with Worship and ending with happy fellowship, and all taking place on one of the most ancient and joyous of Christian Festivals, The Feast of the Epiphany.

Why wait for spring?

do it now!

In winter, men are available. Materials are available. And special off-season discounts are often available. So, doesn't it make a lot of sense to have those repairs and renovations done now. Not simply construction and building jobs—but things like having the lawnmower fixed and the screens mended; having

the drapes cleaned and the rugs shampooed; having the furniture re-upholstered and the electrical appliances repaired. All jobs which can call for a long wait come Springtime—but which can be handled quickly, efficiently and easily during the winter season. What's more, government-sponsored, low-cost Home

Improvement Loans are available through your bank, to assist you in carrying out all kinds of renovation jobs you've been meaning to do—up to \$4,000 with up to ten years to repay!

No doubt about it—winter is the best time to spruce up your home or place of business. Do it now!

Everybody benefits when winter work is increased

SHAWVILLE W I

Mrs. C. Garrison was hostess to Shawville Women's Institute on Monday evening when 19 members and 2 visitors responded to the roll call by relating some amusing incident from their school days. Mrs. Edgar Hodgins reported that Christmas baskets had been packed and delivered to four needy families in the district—Food for these baskets was donated by the members, also a generous supply of candy by Lamb's Store.

Mrs. R. Smith and Mrs. L. Corrigan offered to donate prizes for the bridge marathon commencing the week of Jan 9th. Several members volunteered to make articles for the Fall Fair display. Mrs. M. Hayes gave a report on the C.N.I.B. canvass. A poem entitled "The more you give, the more you get" was read by Mrs. Jacques. Short readings on "How to take care of your Poinsettia", "How well educated are Canadians" and "Manufacturers discounts" were given by the convenors, Mrs. M. Hayes, Mrs. R. Smith and Mrs. Keith Hodgins.

The business session being concluded, Mrs. Jacques then introduced the guest speaker, Mr. Hanna, Principal of the High School whose topic was "Education of our Young People". Mr. Hanna gave the definition of education as the process of preparing young people for the role they are to play in society. The three main objectives are: (1) to teach people the ability to think (2) To develop character; (3) to impart knowledge according to the degree which they can absorb. Closer harmony between home and school would leave teachers more time for their teaching skills. Parents could assist by teaching their children to be honest and truthful, discipline them, teach them to be punctual in work assigned and motivate them in the learning process.

A short question and answer period followed after which Mrs. M. Hayes expressed the appreciation of the members to Mr. Hanna in a very fitting manner.

Refreshments were served and a social hour enjoyed by everyone present.

BRECKENRIDGE W I

Mrs. George Burnes was hostess to the members for a combined December and January meeting.

Mrs. Mildred McConnell, President was in charge of the meeting.

Mrs. Jos. Archambault, convenor of the Bingo held in December, gave a report that proved it was a great success, thanks to the many kind donors.

Exchange of Christmas Gifts and a social evening was enjoyed by all.

EARDLEY W I

At the January meeting of Eardley W.I. the hostess was Mrs. Jack Robinson, assisted by Mrs. Robert Bronson and Mrs. Urban Curley.

Several visitors were present to hear an address by the guest speaker, Mr. Norman Robson, vice-principal of St. Patrick High School in Hull and Director of Studies for Grades 8 and 9 for the Hull Metropolitan area. Mr. Robson spoke on the Parent-Teacher Relationship and stressed that discipline is a quality that has to be taught to children and which is the responsibility of the parent as well as the teacher. A discussion period followed in which Mr. Francis Robinson also took part. Mrs. Sam Wilson thanked the speaker.

CLARENDON W I

With an attendance of twenty-six members and two visitors the January meeting of Clarendon WI was held at the home of Mrs. Leonard Horner. Mrs. Lacourse and Mrs. Don Horner were assistant hostesses.

The members answered roll call by naming a country of Europe with its capital.

Mrs. Conolly reported hospital fees had been used to buy cotton which will be made into pillow slips and given to Pontiac Community Hospital. Christmas gifts and treats were provided for patients in Ade Memorial Hospital and Pontiac Community Hospital. These were delivered by the committee in charge. A letter of appreciation from the superintendent Mrs. McEachren was read thanking

this organization and also for their help and co-operation during the year.

Renewal subscriptions to Federated News were paid. Plans were made to serve refreshments at close of annual meeting of Pontiac Agricultural Society, Jan 12th.

The theme of the meeting was Citizenship and Mrs. Robinson Hodgins, convenor, was in charge of the program.

She introduced Mr. J. Mennie, teacher at Shawville High School, who showed beautiful slides of Scotland, his native land, also rural scenes in brilliant autumn coloring taken since coming to Canada. Mrs. Beatrice thanked Mr. Mennie for the interesting evening's entertainment he had provided early in his association here.

Later refreshments were served and a pleasant time spent.

AYLMER EAST W I

The Aylmer East Women's Institute meeting was held at the home of Mrs. E. Craig in Ottawa. Mrs. Bowden McLean presided in the absence of Mrs. Hilliard Homes president who is in hospital. Ten members answered the roll call "A current event in the news". Convenors reports were read. A committee reported a visit to St. Jude's hospital at Christmas time and visited with all the patients there. Cards and flowers were sent to sick members. Mrs. J. C. Hopkins read a paper on the story of Mary Stewart who wrote the collect. Mrs. C. J. Wright read a paper on The National office in Ottawa. Mrs. E. Craig was winner of a contest "Write report of meeting for press". Delicious refreshments were served by the hostess.

Pontiac Hockey League action Bryson 5 - Shawville 2

In a Pontiac Hockey League game played on Sunday afternoon in the Community Arena, Shawville was defeated by Bryson 5-2. Shawville scored twice in the first period on goals by B. Richardson and Bert Murphy.

Bryson tied the score in the second period on goals by Stan Keon and E. Gauthier.

At 11:16 of the final period B. McDonnell scored the winning goal with an assist by Stan Keon. Bryson scored two unanswered goals by B. McDonnell and C. O'Reilly to make the final score 5-2 for Bryson.

There was a total of 7 penalties, 4 against Bryson and 3 against Shawville.

Line-ups:
Bryson: Cletus Newberry, P. Ryan, L. Godin, Stan Keon, C. O'Reilly, G. Ladouceur. Subs: B. McDonnell, Spencer Keon, G. Carswell, M. Desabrais, L. Bastien, E. Gauthier, C. Kutcharik, L. Rodgers, V. Maheral, B. Lepine.

Shawville: Ted Hayes, Armstrong, P. Corrigan, D. Young, B. Murphy, B. Corrigan, Subs: H. Sweetman, W. Chamberlain, D. Reynolds, P. O'Donnell, B. Richardson, G. Allen, E. Schock, T. Murray, B. Smith.

Shawville HS Sports

Wednesday night, the Senior Boys downed the Deschenes Juveniles 3-2 in a game that featured some strong skating and a lot of hard body checking.

Scoring for Shawville were Barney Richardson, David McCord and Bob Smith.

Saturday the Seniors won their second straight league game when they trounced Hull High 8-3 at Shawville. Bill Murray led the scoring parade with three goals while singles went to Elson Schock and Tom Russell.

The game was played in a rough and ready manner and as a result Shawville picked up six of the seven penalties handed out. The boys looked much improved over their last outing. Strong skating and good fore-checking gave the opposition very few scoring opportunities. The seniors with their two wins are now in first place.

The next league game will be played January 31 against Aylmer High at the Hull Arena.

The Basketball game against EOIT proved to be a disaster as the taller and much more experienced team walloped Shawville 80-34.

The Senior girls play an exhibition game against the Aylmer Senior girls Thursday night January 27. The Senior girls will play again on Saturday, January 29th in a tournament at Renfrew.

Connelly - Moffitt wedding

Rev. Gemmill officiated at the marriage of Sharon Ann Moffitt and Jas Donald Connelly on Sat. Jan 15, in the United Church, Starks Corners.

The bride is the daughter of Mr. and Mrs. Ray Moffitt of Starks Corners and the groom is the son of Mr. and Mrs. Edgar Connelly of Shawville.

Given in marriage by her father, the bride was attended, by Miss Shirley Hobbs. Mr. Gordon Moffitt, brother of the bride was best man.

The bride was prettily dressed in a beige suit with white accessories and corsage of pink roses.

The bridesmaid having chosen a blue suit with white accessories wore a corsage of white roses.

During the ceremony the choir sang "Oh Perfect Love".

After the wedding a buffet supper was served at the home of the bride's parents for the families. Later in the evening over 50 guests gathered at a reception held at the home of

the groom's parents. The guests included relatives from Hamilton, Renfrew, Quyon, Bristol, Norway Bay and Mr. and Mrs. Garfield Elliott from Sask.

-OBITUARIES-

Keith Wigney

The community was saddened Friday by the car-snowplow accident which claimed the life of a 36 year old father of four young children, Keith Wigney of Breckenridge, Que.

The accident occurred when Keith was on his way to work as a salesman for Clark Dairy before 6 a.m. His car went out of control and collided with a snowplow owned by Vipond Construction and operated by E. Smith.

He leaves to mourn besides his wife, the former Ethel Arthur one daughter, Karen and three sons, Brad, Danny and Matt.

Funeral and burial took place in Thurso, Que.

Leonard Coyne

On December 30, 1965 Leonard Coyne of Bryson was buried in the Parish Cemetery, Bryson, after a service by Rev Father Tait P.P., at the Church of the Immaculate Conception.

Len, as he was known far and wide throughout Pontiac County, had passed away at the Pontiac Community Hospital on December 28th.

Surviving is his second wife, the former Jessie Cahill of Calumet Island. His first wife had been the late Veronica Quinn of North Bay.

Pall bearers at the funeral were Joe McGahern, Godfrey Brunet, J. C. St-Pierre, J. C. Germain, Francis Coyne and Ronald Coyne.

Len was a correspondent for The Equity for many years during which time all the important happenings in Bryson and Calumet Island were well reported, greatly to the benefit of those communities. He took a keen interest in politics, and in everything which affected people. As host in his Bryson Theatre he tried to keep the standard of movies shown for Pontiac families on a high level and took every opportunity to make his guests as comfortable as possible.

Len was one of Pontiac's great boosters and his influence upon many of his associates will have its affect on this County for years to come.

day evening, January 21 a provisional executive was elected. Results of the election were as follows: President, Stan Callaghan, vice-presidents, Emmett O'Donnell, George Stewart Jr., Roger Dufault, Roger Perry, Secretary, Mrs. Joyce Newberry; Treasurer, Jerry Desabrais.

The duties of the four vice-presidents will be to organize

their respective districts into smaller units, each with its own officers. After completion of this local organization, a general meeting will be called to elect a permanent executive.

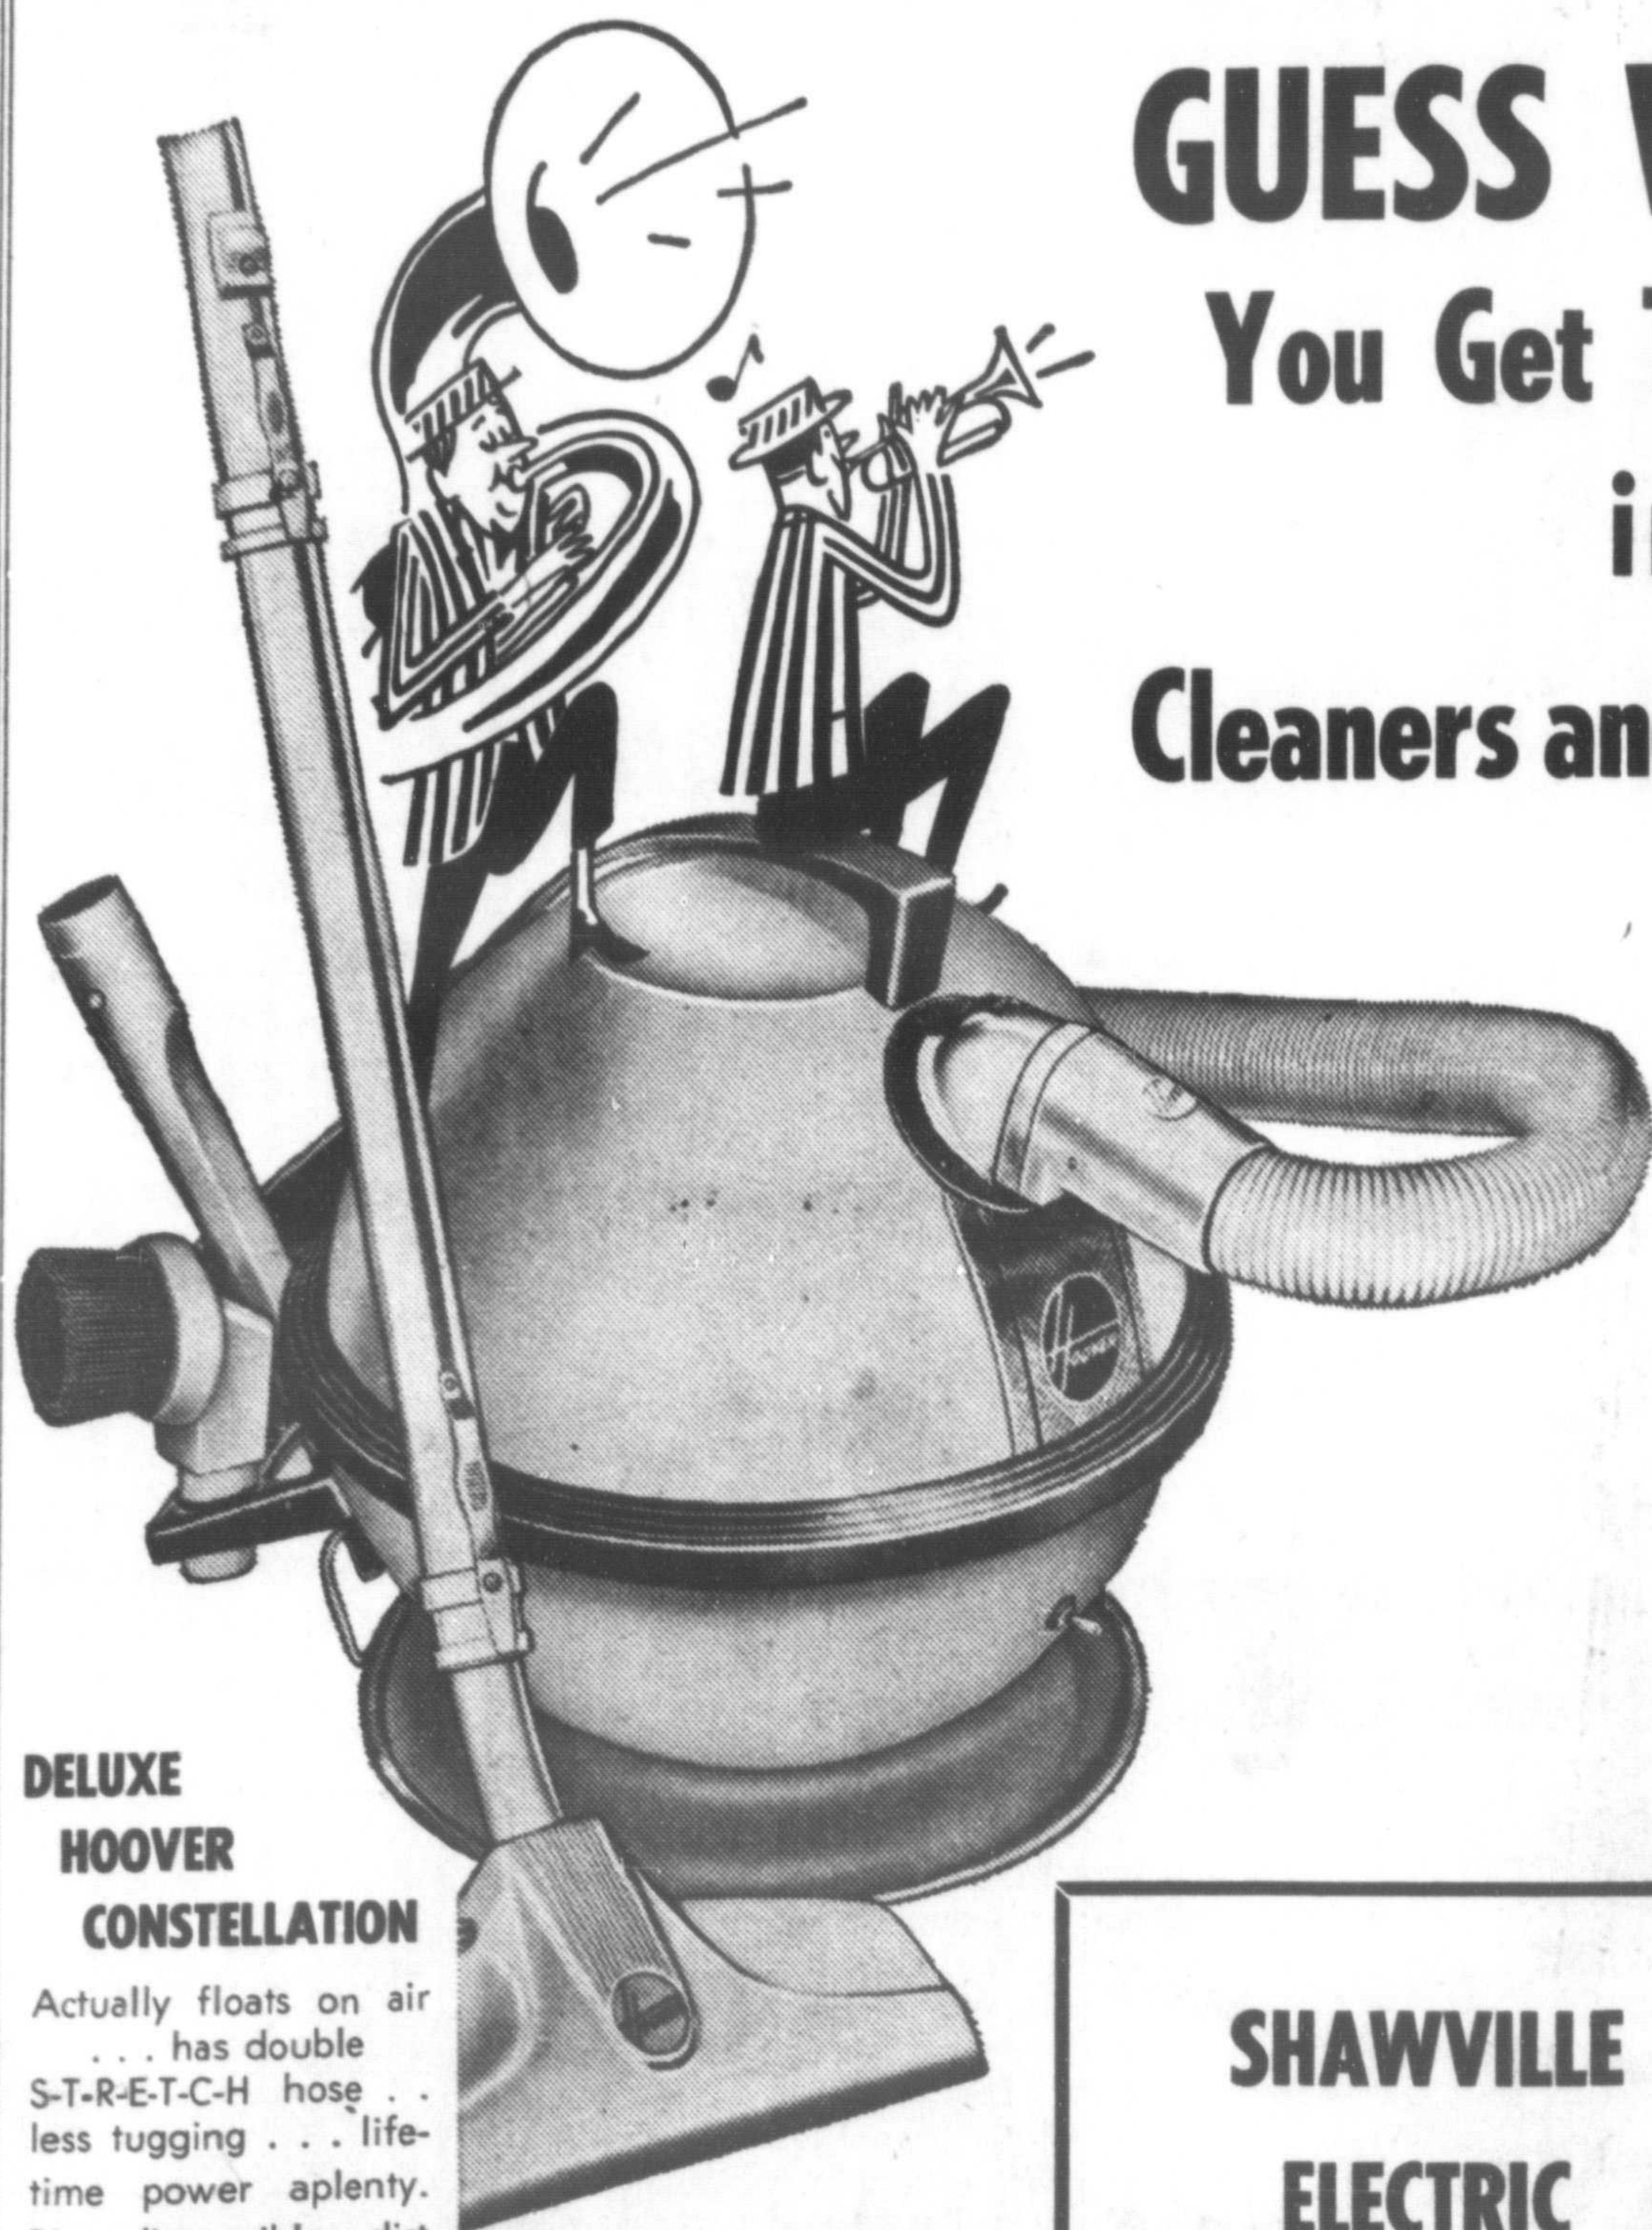

Guests at this meeting were Mrs. J. Oscar Laflamme, president of the Women's Liberal Association, and Wallace McDonald, public relations officer of the Pontiac Liberals Association. These guests explained the structure of their respective organizations and suggested ways and means by which the Young Liberals could best accomplish the task which lies before them.

Deepest sympathy is extended to the family.

We are glad to say Mr. and Mrs. Melvin Stewart are on the recovery list again after a sick spell.

Pastoral comment...

Rev. F. Breard, Calumet Island

Some of our daily newspapers have been running a series of articles on the efforts being made to discover a Memory Pill, or something that could be taken to improve one's memory. They review what has been said by the old Philosophers and our more modern ones too. They tell of the numerous experiments that have been made on worms and rats and which eventually might be made on man, by the use of chemicals, to endeavor to get response, indicative of an impulse being given to obtain the desired results, namely: clearer memories.

So far, they have not met with much success, and we are afraid that they are still far away from the solution. People are still slow to understand, are weak in resolve and have to declare that very often their memory fails them.

Since the mind, will and memory are faculties of the soul and not of the body, and since the body only supplies a seat in which these faculties reside, according to the plan of the Maker of Man, one would think that these searchers would, first of all, study the soul of man and endeavour to discover just why we suffer weakness of the will, darkness of the understanding and memory, as well as a strong inclination to evil.

Christian Philosophers have made this study. They have found that Man was first created after the Image of God, with strong minds, wills and memories, but through disobedience, brought upon Himself, as a punishment, these deplorable men-

The Pontiac Centennial project, the reconstruction of a Pioneer farm down by the old mill stream on Clarendon Street, Shawville is one of the 400 Centennial projects submitted for approval to the government and one of the 77 finally approved, only seven of which are in Western Quebec.

Contributions to Date

The fund is improving. Received last week were ten dollars from Mrs. Walter Findlay and ten from Ernest Towsley, \$25 from Dr. R.E. Dagg in Montreal, \$25. from Raymond Johnston MLA, a promise of a hundred dollars from one Shawville club and another hundred dollars from Imperial Oil. When the \$100 pledged by the Pontiac Women's Institute comes in, and taking into account the \$100 received from each of the Bank of Montreal and the Royal Bank, the fund will be within exactly \$587.95 of completion. Earlier contributions have been made by the E. B. Eddy Co., Con-

solidated Paper Corp., and Mrs. J. Lloyd Armstrong, W.E.N. Hodgins Dr. R. Chretien, Hon. Paul Martineau, Miss Clara Strutt and Miss Verna Strutt, S. W. Langford, Mrs. L. A. Smart, Dwight McDowell, W. R. McCleary, Frank Lacourse, Rev. D. J. Harrington, G. T. Paul Insurance, Ernest Yach, Mrs. Robina Richardson, David J. Hodgins, The J R Shop, Harry Wood & Co. and Clarendon Inn.

With \$587.95 to go, and only eleven months to have the entire project completed, the committee is hoping that the fund raising will end soon. Meanwhile they are proceeding on faith that another 59 people will each contribute ten dollars.

The Provincial Government has \$37,400 for us,

The Federal Government has \$22,000 for us,

The County Council has granted us \$2000.,

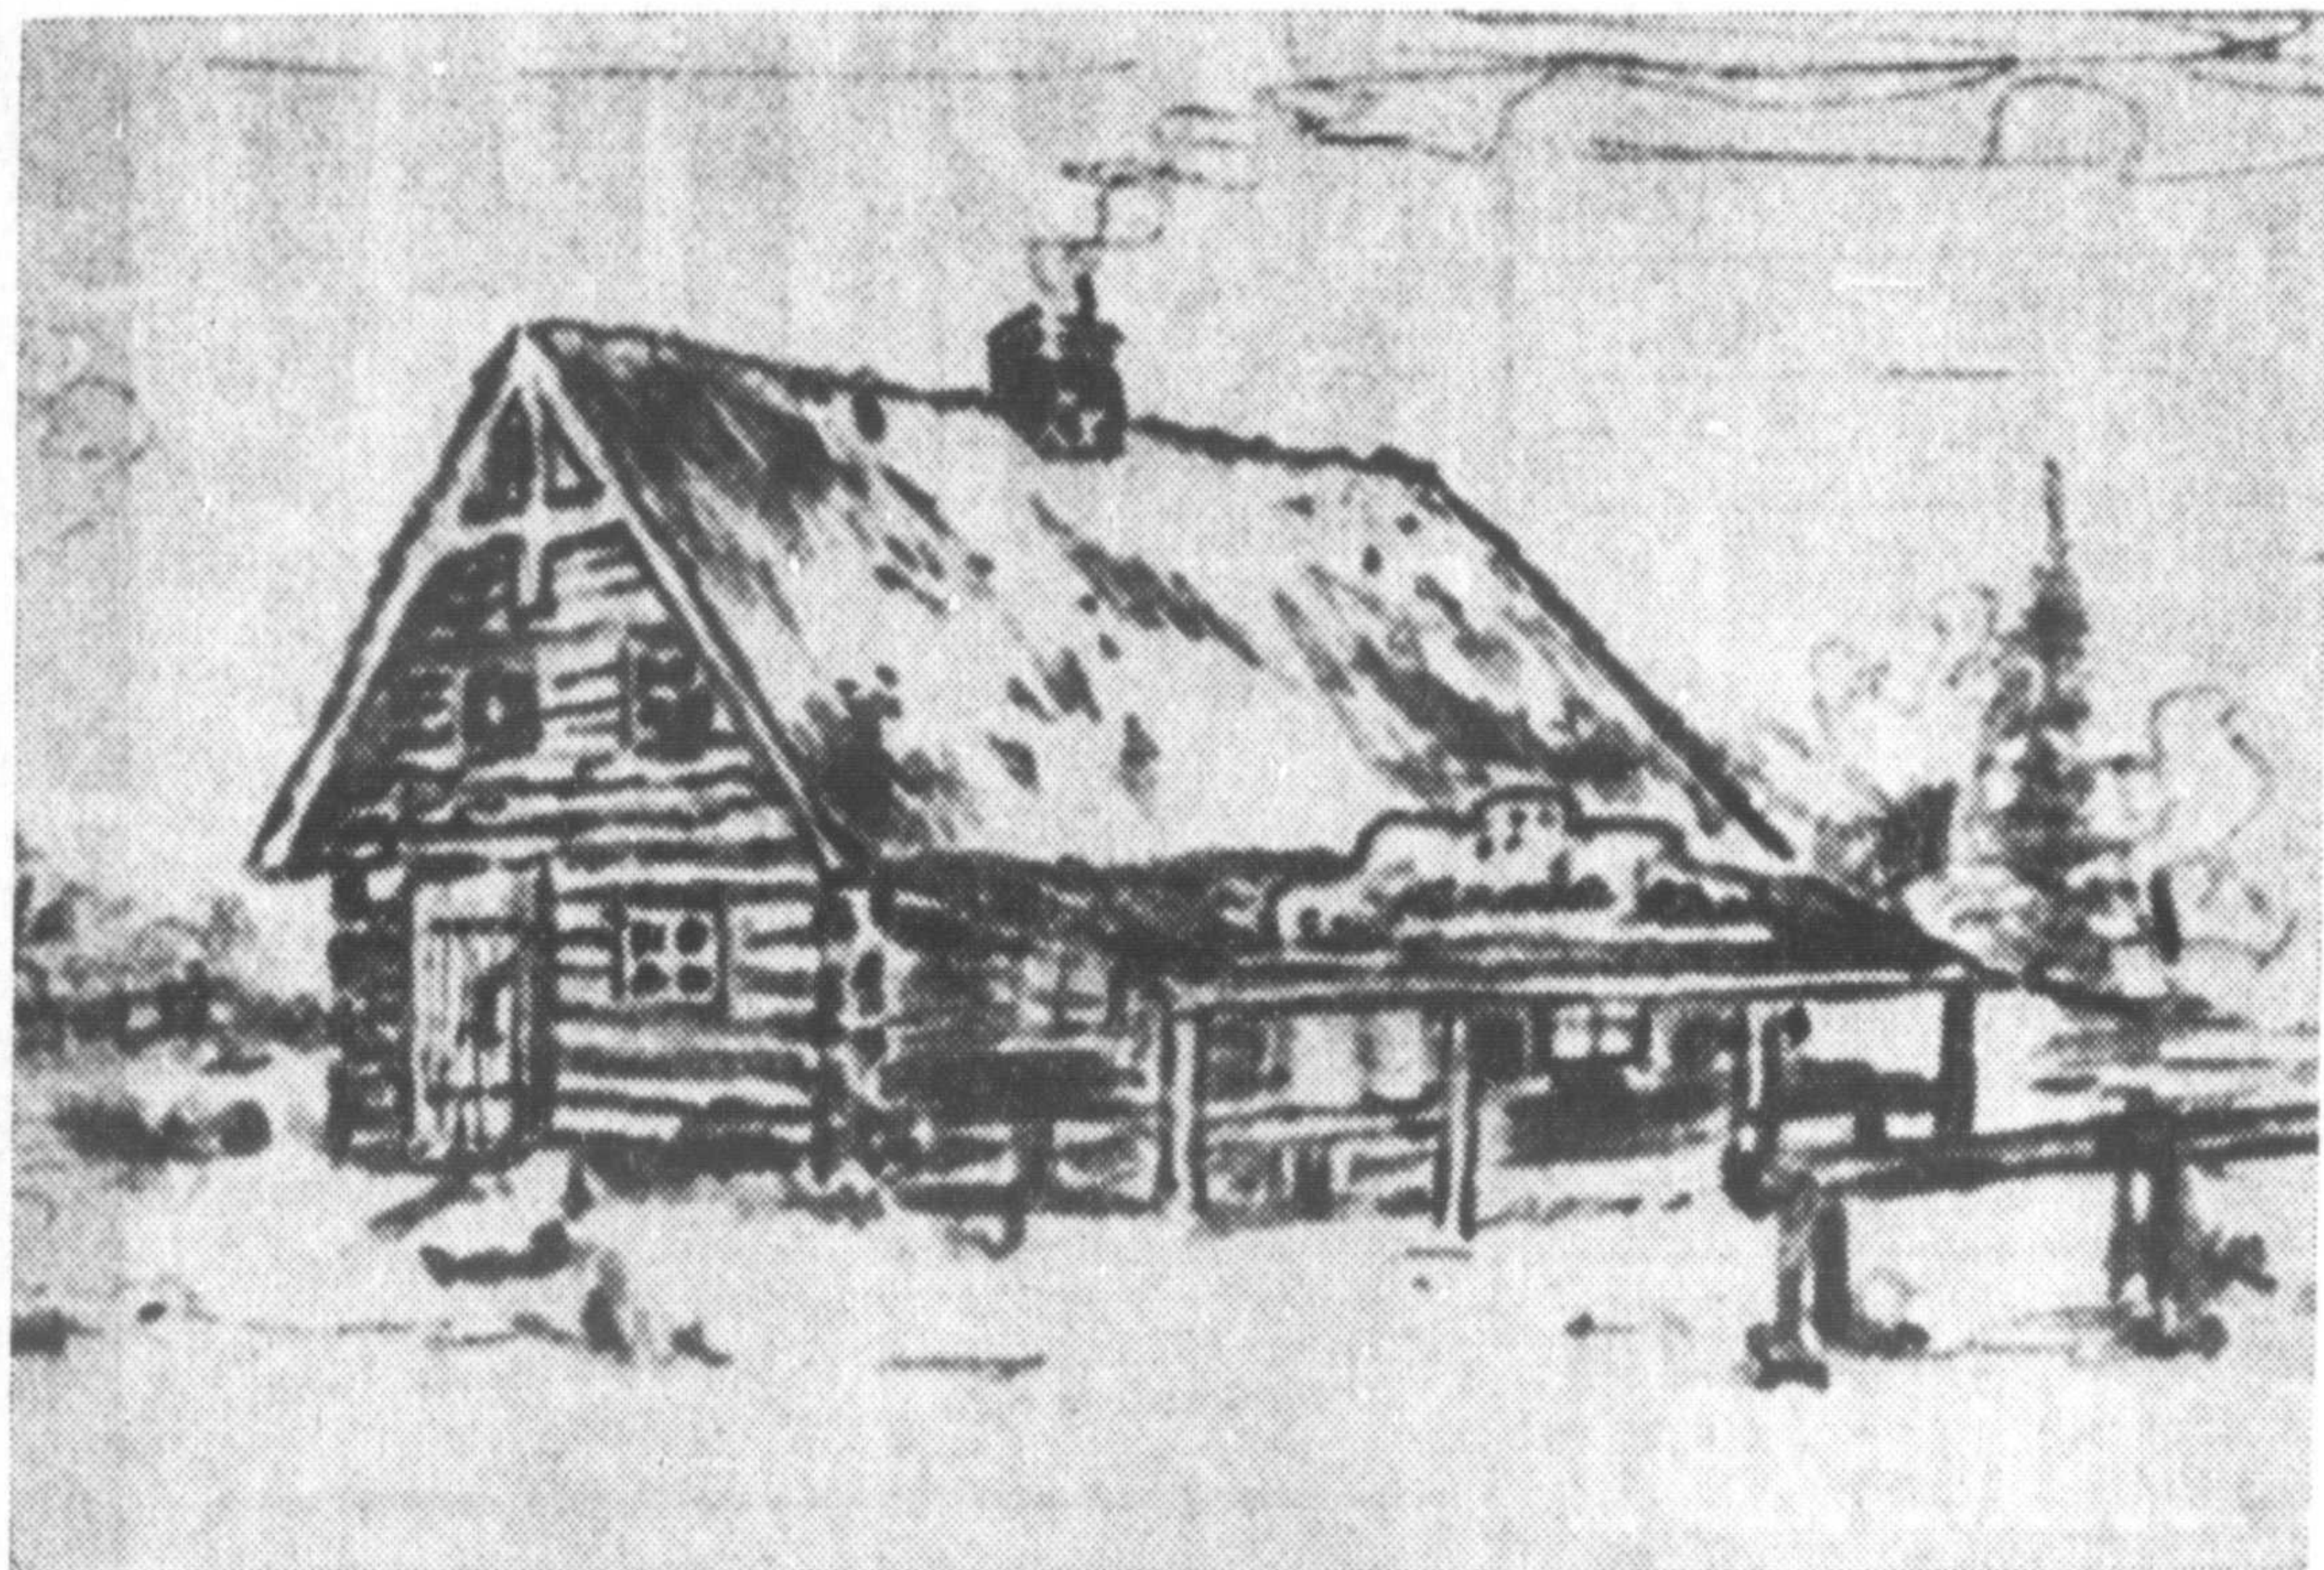

Shawville Council has purchased the property.

BUT WE STILL NEED THAT LAST \$587.95

(We have to have a total of \$6600 and are now just \$587.95 short)

Organizations such as local CWL, UCW, WI, PTLA, and so forth might also wish to make donations to get the committee past the money-raising stage and on to the building-raising.

If fifty-nine people send ten dollars each to the treasurer, Nelson Johnston, (checks payable to "Centennial Museum Fund") the show will be on the road. A list of contributors will appear in The Equity, starting next week

At the entrance to the farm will be a general store which will have hand-made Pontiac articles for sale.

tal effects. The natural proceeding should be to go from cause to effect, that is now in the cause of these infirmities, come to understand better what these effects are, and only then try to remedy them. It is true that the substance of the brain is there, without which no localized action of these faculties could be studied, but there is more to it than that. It is like coming to one of our old blacksmith shops to have one of our late model cars repaired. They are trying to repair the spiritual by use of the material. They are trying to remove a punishment imposed on man by God, by the use of chemicals inserted into the brain.

They want to create Master-minds, such as was done when the Apostles went forth from the Upper-chamber and spoke in divers tongues, being understood by all nations. But they forget that it was those fiery tongues that came upon those frightened men which transformed them into real men of action. It was not a speck of Magnesium Penoline nor 30400 or any other RNA ingredient. Why do they not analyze this Fire from heaven which Christ promised he would send. They would find, like any other fire, it can destroy and devour all that opposes its action, it can melt the coldness of ice and the hardness of metals, it can solidify into the hardest molten material what has been broken up and separated, it can purify gold and other precious materials, it possesses light and heat, it penetrates, it rouses up, it does the very thing that these scientists are searching after. And the reason why this fire is so powerful is that it has its origin in LOVE.

When our memory lacks, it means that our knowledge of past things lacks. There is the Spirit of Truth who can teach us all things, including those of the past. The Acts of the Apostles did not speak from their own knowledge, but according as the Holy Spirit taught them to speak.

Back in the early centuries, Gregory had this to say: 'What a wonderful teacher is the Holy Spirit: He instructs at a moment's notice those He wishes. He enlightens the mind as soon as He touches it, His very touch is science itself. For as soon as He touches and enlightens, He changes man's affections; we cease to be what we were and we become what we were not before'.

Bernard in the twelfth century speaks of the nine principal infirmities that came to us a consequence of sin. Remark what he says regarding the fourth, which concerns our lack of memory. 'The fourth is the weakness of our memory. The Holy Spirit of God can fill this faculty, not only with knowledge of THE PAST and of the PRESENT, but also with knowledge of FUTURE things'.

These Christian Philosophers, by praying to the Holy Spirit, have taken their MEMORY PILL, before beginning their research. They then proceeded philosophically by going from cause to effect, studying in the Book of Genesis what punishment resulted from sin and finding the best remedy for our weak faculties.
