PATENTS
For new inventions, or for improve-
ments on old ones. Quirks, Trade-Marks and
Patent business promptly attended to.
INVENTIONS THAT HAVE BEEN RE-
JECTED may still, in most cases, be patent-
able. As being opposite the U. S. Patent
Office, and engaged in PATENT BUSINESS
EXCLUSIVELY, we can secure patents in
this country and those who are remote from
Washington and who must depend upon the
agents in all transactions with the Patent Office.
Then Inventors send model or sketch we
will search in the Patent Office and advise
as to the patentability free of charge. Corres-
pondence confidential, prices low, and NO
FEE UNLESS PATENT IS OBTAINED.
