WOODSTOCK, C. W.—The chief Town of the County of Oxford, situated between the North and South Ridings and forming one of the Municipalities of the latter. Its location is very healthy, being on the height of land of the Western Peninsula, and surrounded by an exceedingly fertile country, renowned for wheat growing and cattle raising. The River Thames skirts the Northern limits, and Cedar Creek passes through the Southern part of the Town, supplying two grist mill water privileges. Its principal business is various manufactures and commerce,—especially the forwarding of wheat, &c. On the South side is a chief Station of the Great Western Railway, 5 passenger trains passing east and 4 west daily. The principal buildings are of brick. There are 3 first class hotels, 7 churches, 2 spacious school houses, and a county grammar school, and a substantial market place and Town hall. A magnificent five story steam grist mill (celebrated in the New York market for its superior brand of flour) was set in operation in 1856, at a cost of \$40,000. The Canadian Literary Institute is in course of erection, at the East end of the town, estimated to cost \$20,000. Distant from Hamilton 48 miles, from London 29 miles, from Niagara Suspension Bridge 91 miles, and from Paris 19 miles. Daily mail East and West by railway, and North and South by stage. Two mails are made up for England weekly. Population in 1852, 2,112, increasing in 1857 to 4,745.
