BRISTOL IRON ORE DEVELOPMENT TO START MAY 1956

District Farmers Excel At Royal Winter Fair

Results from the Royal Winter Fair reveal many Pontiac winners in various classes. In the Junior department, all Canada Junior Dairy Judging Competition the first position was taken by the Quebec team of two 4H Club members, Elwood Hodgins of Shawville and Lucien Dominique of Brome County. The highest ranking dairy judge was Elwood Hodgins of Shawville.

Shawville Creamery won first prize for printed butter and second for butter in solids.

Carl Dale of Shawville took first prize for his Black Australorps hen, second and fourth for cockerels, second for a pullet of the same breed, second for New Hampshire cockerel and pullet, third for Light Suffolk pullet. Carl had eight birds at the Royal and claimed seven prizes. There were as high as 45 birds in these classes.

Pontiac Farms, Campbell and Liberman, Wyman, took the following prizes: 2nd in Light Draft Single, 2nd in Light Draft Team, 4th Yield Mare, 4th Canadian Bred Yield Mare, 5th, Six Horse Hitch, 6th Four Horse Hitch and 6th, Year old colt single. Warren Campbell drove in several of the major six and four horse hitch competitions for other Canadian exhibitors and ranked high in most of these horse showmanship competitions.

Emery Greer won first prize for two year old bull in a class of 16 Dual Purpose Short-horns. Maureen Smith and Melvin Young each made a creditable showing in keen Jersey competition.

Arthur Dagg's Ayrshire took 2nd in the two year old class of 26 animals and his entry was included in the Quebec Provincial Herd which placed first.

Wyman McKechnie's Ayrshires placed as follows:

Bonnieshade Clover, Classified Excellent, was Grand Champion Ayrshire cow at the 1955 Royal Winter Fair. Heading a class of some 20 cows five years or over in milk she went on to win the Grand Championship over the first and second prize winners in all the other female classes. They also won the Stansell Silver Trophy for a cow bred and owned by exhibitor and with an official R.O.P. record of over 4% butter fat with clover. The same exhibitors also won first prize for cow 10 years or over with Bonnieshade Maroon Girl.

Other prizes won by the Bonni-

shade Ayrshire herd included 2nd, and 4th, in a class of 15 senior bull calves, 4th prize junior bull calf in a class of 21. 2nd prize progeny of dam in a class of 27 and 3rd prize dairy herd. Bonnieshade Farm entry won a prize for a four year old in milk. In the Ayrshire Sale of Stars the MacKechnie entry, Bonnieshade Sunflower, a senior heifer calf topped the heifer calves of the sale at \$475.00 going to the bid of Richard Bros., Red Deer, Alta.

MacKechnie also contributed one animal to the provincial herd which was placed first.

Amateur Night December 7th

The Radford Hockey Club plans for Talent Night in Shawville are taking shape this week. With the full cooperation of Shawville businessmen, amateurs from Shawville and the surrounding area will have their second opportunity this season to win prizes for themselves and gain experience in the entertainment field.

Hugh Horner, in charge of the event, is contacting merchants in town and a partial list of prizes he has obtained follows: an electric toaster, a bushel of apples, merchandise certificates at five stores including men's and ladies' clothing, groceries, a bakery and a mill; cash to the amount of \$21; a case of motor oil and a genuine Elizabethan table lamp.

Admission to next Wednesday's show will be 50c, 35c for students, and a number of people are expected to come into town from Fort Coulonge, Campbell's Bay, Otter Lake, Quyon and other points. Contestants from all these towns are invited to send in their entries to Lloyd Brownlee, Shawville as soon as possible.

Shawville Branch Canadian Legion

Last night at Clarendon Hotel a number of veterans met to organize a branch of the Canadian Legion for Shawville. As there were only a small percentage of possible members present, it was decided to set a further date for the important meeting of naming officers of this organization.

The date set is Monday, December 12, at 8.00 p.m. in Hynes Hall above the Pontiac Home Bakery. Those who turned out last night wish to urge on the more than 80 veterans in the Shawville area that there is a real need for a branch of the Legion here and they will find it to their great advantage to be there on the 12th to get this branch off to a good start. Everyone's opinion is sought on a number of very important matters which should be decided at the outset. The Legion will be representing all veterans whether they attend or not so it would be well for all to see that this representation is true and suits the opinions of all.

Pontiac Lions Put Local Talent On The Air

Ten little girls and one little boy went to Pembroke radio station CHOV last night where, under the direction of their very genial Master of Ceremonies Dickie Bowie, they recorded a half hour amateur show to be broadcast Sunday evening from eight thirty to nine. After the long recording session, during which all the Pontiac amateurs displayed the spirit of real troupers, Bowie treated the gang to everything they wanted to eat at a Pembroke restaurant. The kids have the Pontiac Lions Club and the merchants who sponsored the amateur show to thank for "putting them on the air" and Dickie Bowie for making the evening a real memorable success.

The little boy on the show was Lloyd Telford who tap danced to the best piano rendition of Alabama Jubilee we have heard in a long while. Pianist was none other than the owner and manager of the CHOV radio station, Gordon Archibald. The ten girls were Giselle LaSalle, Jennifer, Elizabeth and Marjorie Dickson, Faye Smart, Clara Keon, Jean Stark, Sylvia Poisson, Mary McGahern and Catherine Smith.

The big wind up program of the Pontiac Lions' Club Amateur Contest last Friday saw children from various corners of Pontiac win acclaim for their hard work in various musical pursuits.

From New Calumet Mines, Miss Clara Keon came to win first prize for her playing of Mozart's Minuet in G on piano. Runner up was Gabrielle LaSalle.

Campbell's Bay's Miss Giselle LaSalle took top honors in the solo singing class and also won most points for the whole contest and the grand prize of a \$50 merchandise certificate, with Jean Stark of Shawville as a close second in this class.

Another Campbell's Bay winner was Lloyd Telford who periodically delights audiences with a different dance every time he appears, winning by a very small margin over Brenda Brown, a little girl with a big future.

Sandy Creek's representative among the winners was tiny Allan Kluke whose "Loose Talk" won over his brother's "Courtin' in the Rain", while the three little Dickson sisters of Shawville came first in the group singing competition with very few points over the Campbell's Bay trio of Giselle LaSalle, Sylvia Poisson and Mary McGahern.

All runners up as well as first prize winners were given merchandise awards.

Mr. Bowie reports that the series of shows was a great success and all those who took part benefited as much as did the Lions Club. Now the season of amateur shows is open with Radford Hockey Club holding one in Shawville High School auditorium on December 7.

Bryson C.W.L. Hold Card Party And Bingo

Bryson—The Catholic Women's League of Bryson held their monthly card party and bingo in the parish hall Sunday evening with an interested group of Euchre and Bingo players from surrounding parishes attending. Rev. T. P. Tait PP was program chairman. Winners at the Euchre tables were

Deep River Wins Over Shawville

Shawville High basketball teams travelled to Deep River Friday night and there they suffered a real famine in points. Both the boys and girls teams scored the least points they have done in their history.

The girls game came first and Shawville met a team that had a tight defense and could score from a long way out. At the end of the first half the score read 15-7 for Deep River. Shawville's defense improved in the second half but their forward line couldn't get rolling so the game ended 21-13 for Deep River. Points scored for Shawville were Young 6, Fraser 4, Kirkham 2, H. Murphy 1. Last years players turned in a good game and J. Young, P. Stewart and J. Laframboise did very well in their first appearance for the garnet and grey.

The boys of S.H.S. knew they had a tough opponent on the hands as Deep River boys were the runners-up in the playoffs at Kingston last year. By half time they knew just how good D.R. was as the scoreboard read 30-10 for the sons of Canada's Atomic Energy town. The game continued on that line and ended 52-22. Last years team counted for most of the scoring with Robert Wilson 6, K. Yach 6, K. Walsh 4, Ron Wilson 4, and newcomer B. Young 2.

The real test of Shawville's teams will come this Friday, Dec 2, when they open the league here against Aylmer. Game time is 8 p.m.

Hunters Get Deer Robbers Get Guns

Bryson—A sequel to the killing of a fine buck within the borders of this village Monday evening occurred when the hunters C. Lepine, A. Jolicoeur and Tom Mathers slipped into the Forest Inn to "wet the killing" on returning to their car their three rifles had been stolen by a person or persons in the vicinity during the excitement. Hunters got the deer, but robbers got the haul. Provincials have the case.

Smarts Celebrate 54th Anniversary

The family of Mr. and Mrs. Wellington Smart had a surprise gathering at their home to congratulate them on the occasion of their 54th wedding anniversary. Several other friends called.

It was on November 20, 1901, that Lucy Eades of Radford was united in marriage with Wellington Smart in Radford Anglican Church by the Venerable Archdeacon Naylor, the rector at that time. They were attended at the wedding by the late L. A. Smart and the late Emma Young.

There are three sons, Asa and Orval of Shawville and William of Renfrew, and three daughters Mrs. Florence Penland of Ottawa, Amelia, Mrs. Gilbert Bretzlaff of Aylmer Que., and Ethel, Mrs. Harold Fokes, Kitchener, all of whom were present except Mrs. Fokes. There are also 21 grandchildren and one great-grandchild, Wendy Lynne Grenon, the granddaughter of Mr. and Mrs. Asa Smart.

Mrs. Joseph Rodgers, Bryson, Flo LaSalle, Calumet Island, Maurice Dufault and Gerant Sicard, Calumet Island, Special Bingo prize, Francois Lemay, Roger Proulx won the door prize. Lunch was served Convenors were Mrs. Eldon Keon, Mrs. Ken Dugan, Mrs. Louis Lemay, Mrs. M. Lance, Miss Reanice Sullivan.

Duplessis Announces \$12,000,000 Project

Displaying samples of raw iron ore from the Bristol Mine location, Raymond Johnston spoke to newspapermen in Quebec Tuesday after Premier Duplessis had announced early construction of the \$12,000,000 processing plant. Then the newspapermen wrote front page stories about the Premier's announcement which came in answer to criticism from the Liberal opposition members during the Throne Speech debate. By today, newspaper readers all over the Province and throughout Canada will have read the story.

The UN Government's policy in the development of iron ore in northeastern Quebec's Ungava had been singled out for criticism, according to the Canadian Press release from Quebec City. Mr. Duplessis said he received news of the development at Bristol Tuesday afternoon from H. J. Milton, president of the steel corporation and John Sherman of Pickands-Mather of Cleveland, Ohio, who called on him at his government office.

Mr. Duplessis said work on the project is to get under way in May 1956. Answering a charge that the Quebec Government lacks foresight

Ground Observers Issued Arm Bands

On Wednesday last, November 23 a Unit from Area H. Q. in Brockville paid a routine visit to No. 7 Shawville Region, the various posts to be assembled in the Parish Hall of the Anglican Church. Without going into many details, and taking into consideration it took the RCAF car over two hours to travel from Aylmer here, the fact that just over 60 of the 140 members were present, will give some information as to the road conditions. In fact everyone who was present is deserving of a great deal of credit and particularly those from out of town. Bob Manary of Quyon brought two carloads and Gordon McMillan had a representation from Bristol, which you consider that most of the Observers at that point are on side roads is excellent. Bryson had three carloads and Bob Bolam, the human dynamo from Campbell's Bay arranged for a bus to bring his contingent when a couple of his drivers did not like the looks of the highway too well. A good representation from Shawville which the combined efforts of L. H. Moore and his Deputy for the girls, Miss Norma Lamb made up the 63 present.

One of the presentations of the R.C.A.F. was the detail of two new Russian Jet Planes which they brought as an answer to our own fighters. Each member of the GOC received their new arm bands which will be worn on the right arm when anyone is on duty. This is a distinct asset particularly in an emergency when our members are called out to protect RCAF property and will distinguish the Observers from civilians. There different colors for Observers, Chief Observers and Supervisors so they can readily be distinguished at a distance. Certificates and Wings were presented to the following who have qualified since the last Investiture as well as their Arm Bands:

Quyon—Mrs. Muriel Bronson, Mrs. Norma Long, Miss Ilene Kearns, R.N., Mr. Brent Young and Mrs. A. C. Shennett.

Bristol—Miss Shirley Russell, Mr. Patrick Corrigan and Rev. Gordon Stewart.

Campbell's Bay — Miss Goldie Horner.
Shawville—Miss Ethel McTier-

in the development of natural resources, the Premier announced that the Bristol project is now definite.

Mr. Johnston said the new plant will process the iron ore into small black pellets the size of a ping pong ball and then will ship the pellets to the Steel Corporation of Canada plant at Hamilton, Ontario, where they will be given final processing.

Tank Truck Proposed By Farm Forum

At Seventh Line Farm Forum last Monday night the members, after a discussion of fire hazards on farms, decided that a good safety measure to take would be to have a tank truck and pump available at all times in case of emergency.

Shawville Creamery, which has always helped out in district fires with their milk trucks, has offered to store a tank truck and provide a driver in any emergency. Members of Seventh Line Forum feel this offer shouldn't be overlooked and are now anxious to create interest in this project.

It is suggested that other Forums and individuals discuss the matter. Suggestions as to where such a truck might be procured and how the money might be raised to pay for it will be welcome by the Seventh Line Forum whose secretary is J. Arthur Kilgour.

I.O.O.F. Euchre

Independent Order of Oddfellows held a Euchre party on Wednesday, December 23rd which turned out very successful despite the road condition.

The winners of the prizes were: Ladies prize, Mrs. Linden Young, men, Artie Rennie. The Boobie prize, Louis Judd. The door prize Artie Rennie.

Plans were made to have another Euchre on Wednesday, December 7 at 8.30 p.m. Plan to attend as this is the last one before Christmas.

nan, Mr. Barrie Murray and Miss Marilyn Grant.

Bryson—Miss Sharon Wall and Miss Joan Lepine.

Chief Observers are going over their personnel carefully to eliminate those who have moved away or are not available when required. This will necessitate further recruiting for members to bring the various Posts up to strength. The more that are available makes it easier for the rest by not having to go on duty too often in case of a long Alert. If you can give a little time to this work, you are asked to volunteer to your relative Chief Observer in charge of the various Posts and your services will be gladly received.

The meeting closed by a nice supper served by the Girls Auxiliary of the Anglican Church which included oodles of sandwiches, cakes, coffee, tea or what have you. As the night was so bad for awhile the girls were on tenderhooks if there would be any at all at the meeting and Miss Nancy Horner who was in charge of the supper arrangements, was feeling a bit disappointed until the members started to arrive and her usual smile took the place of that worried look ladies get when their efforts appear to be "Loves Labor Lost". Thanks everyone for a splendid meeting and we will hope for better weather next meeting when there should be 140 present.

5,000 Letters Sent In T B Campaign

By C. Younger-Lewis
The Anti-Tubercular Association is sending out nearly five thousand letters of appeal with Christmas Seals. There were nearly 4,000 Chest X-Rays taken in the county last year free. Besides many hundreds of children were examined and certain expensive drugs supplied to those who were infected with the disease. The cost of the appeal canvass was the lowest cost of any campaign in the North American continent. All labour was given voluntary and free. We wish to express our thanks to all who contributed and to all our helpers. We would like to thank our Vice-President Mrs. A. C. Shennett who with her conferees has looked after the lower part of our district. There will be many who will receive the letters and some will not. In the course of a year there are many changes but any subscriptions sent to the Anti-Tubercular Association, Box 210, Fort Coulonge will help to defeat the enemy of the people, T.B. We trust that Pontiac will be first in the van.

STRANGE SHAPES

Those strange shapes on Shawville's streets and roads these days? No they aren't little people from Mars or even stump legged midgets here for an untimely carnival. They are pretty little girls of Shawville dressed in the weird garb enforced upon them by a difference of opinion by their elders upon what is correct to wear. Mon and Dad want the girdles to avoid colds, keeping out the drafts with corduroy jodphurs, plaid wool slacks or bright lined jeans—all smartly tailored specially for little girls these days. But Teacher seems to have a different slant on the business of what little girls should wear. She insists upon a skirt, probably feeling that one of her duties is to teach little girls to be little ladies and being of the opinion that ladies always wear skirts. So the little girls wear their slacks for warmth and comfort on the cold blizzard days and the skirts to please their teachers. The result is very peculiar to say the least. Hee is an example of a perfect issue to bring up at the Home and School meetings. A panel of parents and teachers should present their various views on the subject and carry on an organized debate. Perhaps one parent and one teacher could represent each side of the slacks vs. skirts argument with a moderator to keep the discussion in order. This way all would learn an important lesson in democratic procedure—a lesson we might all well learn at any age. Also the matter could be settled, perhaps, and the children could begin to look like earthlings again.

QUYON COUNCIL

At a regular meeting of the Municipal Council of the village of Quyon, held at the usual place of meeting on Monday, November 7, 1955 at 8.0 p.m. at which were present, His Worship Mayor C. R. Taber, councillors, Martin Dowe, William Burke, George Bronson, Stephen McCann and Ernie Perriard, with Councilor Reynolds taking his seat later. The secretary was also present.

Moved by Crs. McCann, seconded by Cr. Perriard that the minutes of meetings of October 3rd and 11th as read be adopted. Carried.

Moved by Cr. Burke, seconded by Cr. Dowe the sec. treas. send up to County sec-treas. for county tax sale any property in arrears of municipal taxes for the year 1953 or previous to that. Carried.

Moved by Cr. Bronson, sec. by Cr. Burke that as soon as Mr. L. J. Amm completes installation of heating services in hall and garage, that he be paid the amount of his contract. Carried.

Cr. Reynolds now took his seat at the board. Moved by Cr. McCann, seconded by Cr. Burke that the calls by telephone from South Onslow for fire equipment be accepted by the Quyon operator, who is authorized to ring the fire siren and the equipment will proceed to the fire and the rate of charges will be \$10.00 per hour from fire engine and operator and an additional charge of \$1.00 per hour for necessary men going with the equipment. One hour minimum in effect for each call. Carried.

Moved by Cr. Perriard, sec. by Cr. Burke that this municipal council purchase a new 200 gallon steel tank for town hall water system. Carried.

Moved by Cr. Perriard, sec. by Cr. McCann that anytime the fire truck is used for custom work in the municipality, that the minimum rate for truck alone be \$5.00 per hour, and \$1.00 per hour or part of an hour for each man as authorized by the fire chief. Carried.

Moved by Cr. McCann, sec. by Cr. Burke that this municipal council request the Coca-Cola Co. for four school zone signs. Carried.

Moved by Cr. Reynolds, and sec. by Cr. McCann that this council accept the tender of Mr. Albert St.

Pierre of September 6, for filling in old town hall cellar at a price of \$368.00. Carried.

Moved by Cr. Burke, sec. by Cr. Bronson that the tender of Mr. Lester McCann to finish the Council Chamber be accepted at a cost of \$696. Carried.

Moved by Cr. Reynolds, sec. by Cr. Burke that a donation of \$25.00 be given to the Canadian Institute for the Blind. Carried.

Moved by Cr. Bronson, sec. by Cr. Burke that the following accounts be paid:—

Davis Garage for gas, \$2.50; Gatineau Power for hall lights, \$2.04; and streets for Oct., \$68.85; James Killoree, \$6.00; Gerard Trudeau, \$5.40; Wright and Pontiac \$3.40; Paul Martineau, for legal service, \$10.00, re by-law and \$191.25 re opposition to Gatineau Power application for increased rates; Fred Moyle, insurance premium, \$45.00; Quyon Farmers Co-op, \$177.48; J.R. Vallilee, \$60.00; Jas. Gibson, labor and material, \$52.00; Quyon Service, \$3.75; J. J. Homer, Police services, \$58.00; Gordon's Garage, gravel on streets, \$37.50; Pontiac road, \$67.75; Alex Lepine, \$50.75; Phil Kingsbury, 3 trips garbage in Oct., \$45.00; Foster Dowe, \$78.00; Leonard Fraser, \$85.80; Ivan Orr, \$85.80; Nathan Fraser, \$66.30; Fred Fraser labor, etc., \$774.14. Carried.

Moved by Cr. Dowe to adjourn. Carried.

G. K. O'Donnell, Sec.-Treas.

Shower For Mrs. Lornie Rooney

A Miscellaneous Shower was recently held in the lower auditorium of Bethel Tabernacle for Mrs. Lornie Rooney nee Marporie Hodgins, prior to her marriage. After she entered the room Miss Jean Harris pinned on a corsage of red roses. Each person present was asked to write on a slip of paper a household hint, after which Marjorie read each one. Jane Storey and Eunice Krause carried in the baskets full of gifts. After the gifts were opened Marjorie thanked her friends in a few well chosen words for the lovely gifts. Lunch was served by the young ladies of the Tabernacle.

OTTAWA Report: by Anthony J. Wright

Ottawa—There is some good cheer for Christmas this time. Bank of Canada bright boys report that there is no end yet in sight for the North American boom. They study both Canada and the United States, looking for clouds, so that the Bank may advise the government on approaching trouble and may also, by altering the bank rate of interest, prevent economic storms. They report that demand for goods will continue, that inventories are small and, therefore, that retailers and wholesalers will go on ordering from plants. They were surprised themselves by the gladness of the tidings, expected to have to report lack of demand, leading to unemployment, or inflation, causing price rises. But instead, they report fine weather for several months well on into next year. Let's hope they are right. They are taking account of the wheat difficulties.

Labour Department releases paint a more cheerful unemployment picture for this winter. However, it is too early to start crowing. As Mr. Coldwell argues comparisons with last year are not fair tests—it was an especially frightening one both to Ottawa and the man without a job.

The C.C.F. leader, who surely this trip must have made more speeches on different subjects than the other chieftains on recent fence mending journeys, has returned to the question of rules for marketing livestock. Last session Davie Fulton, (P.C. Kamloops) also spoke of the raw deal livestock farmers and consumers can get under the present system. So both Socialists and Conservatives agree on some things that are bad but not much on how to right them.

The livestock grumble is that the farmer gets less from the packer when he markets cows than if he sells steers and less still if he is trading heifers. Yet the packer passes on the three different animals, in cut up and prepared form, to the consumer charging the same price for the same grade of meat whether the cut is from cow, steer or heifer. You never are asked, says the socialist leader, whether

you want your T-bone steak from cow, steer or heifer. If from a heifer a steak should sell for less than from a steer. (You cannot blame the butcher, he simply gets the carcass from the packer at a price depending on the grade, whether red blue or commercial.) Mr. Coldwell wants a federally controlled livestock marketing board to fix, maintain and police just forward prices for livestock with spreads for different qualities depending on the animal being sold.

Now, at least, I know why George Bernard Shaw was a vegetarian—he did not like eating cow. Seriously, G.B.S. must have been a complete old humbug. He used to preach vegetarianism—animals should not be killed and so on—and yet take liver extract for his health. Maybe he thought livers grew on trees.

The government will rush through the bill allowing it to team with Ontario in building a 30-inch natural gas line through northern Ontario but not without some heated argument, after Parliament re-gathers January 10. Socialists will want to know why the whole line should not be public property. Answer is that Ottawa and Ontario are merely providing a crutch to help Trans Canada finance the rest of the line as soon as Trans Canada have made enough money out of gas to be able to afford to buy the Crown Company's franchise of pipe.

Even more argument with follow the Liberal motion to permit Ottawa to guarantee \$1,500 loans to farmers with unsold, immovable wheat on farms. Both P.C.'s and C.C.F. are likely to storm and rant about the smallness of the amount, the five percent interest and the slap in the face for farmers. But Ottawa does not want, or the government does not want, to provide cash except on a commercial basis.

It would not surprise me if Lester Pearson did not reconsider his supposed decision not to run for prime minister. His Moscow and S.E. Asia trip has made him surer than ever of the big job Canada can do in helping to patch up this poor old world. He might even stay where he is but would probably prefer to have the top job in case his next boss does not agree with his policies.

Smith - Sparling Wed In Shawville

Miss Phyllis Margaret Sparling, daughter of Mr. and Mrs. Heman Sparling of Campbell's Bay, Que., became the bride of Mr. Mervin Smith of Calumet Island, Que., son of Mrs. George Smith and the late Mr. Smith, at two-thirty o'clock Friday afternoon.

The ceremony was performed at the home of the officiating clergyman, Rev. A. F. Fokes.

The bride was attended by Miss Arvella Smith, sister of the bridegroom. Mr. Sherwood Sparling, brother of the bride was best man.

The bride wore a floor length gown of white nylon lace over net and satin, designed with a Peter Pan collar adorned with pearls and sequins, similar pearl and sequin trimming in the front of the dress, and long sleeves.

A headdress of pearl and sequin-covered puffed nylon held her fingertip veil of tulle illusion, and she carried a bouquet of red roses.

Following a wedding supper and a reception at the Top Hat, the couple left on a wedding trip to the United States. They will reside in Calumet Island, Que.

Travelling, the bride wore a charcoal tone suit trimmed with black velvet, powder blue and black accessories and a corsage bouquet of pink carnations.

Man Fatally Burned in Bed

Beamsville—A 50 year old Beamsville man was fatally burned Sunday afternoon in the flaming bedroom of his ancient frame house.

The badly-charred body of Samuel Mairs was found in his bed by firemen fighting the blaze. Officials believe the man had fallen asleep while smoking. Fire did \$10,000 damage and his tory and a half home, one mile south of Mountain Hill, Ont.

A bachelor, he was employed with Ford Motors for 11 years. A native of Ireland, he came to Canada 30 years ago.

Surviving are four brothers, John of Beamsville, William of South Porcupine, David Belleville, Alex of New Zealand and two sisters, Mrs. Wm. Baird of Shawville and Mrs. Earl Jones, Toronto and father of Drumconne, Ireland.

Service was held at 2 p.m. from Tallman's funeral home, Campden, casket remained closed. Interment was in Mount Osborne cemetery.

Supervisor's Notebook

By Frank Trecartin, Supervisor of Pontiac County Protestant Schools

Recently I accompanied a class on its weekly visit to the Household Science room at Shawville High School. It was a grade six class consisting of 19 girls.

When the girls had taken their seats, Miss Fleming, the Household Science teacher, called the roll and I was interested to hear some of the girls answering by number 6, 5, etc., while others answered in the traditional manner, "present." Upon inquiring I was told that those who answered by number were in the "cooking group" while those who answered "present" were in the sewing group. You see, the class is divided into two groups to make instruction more effective: one group studies cooking for the first half of the school year and the other group studies sewing—and of course the groups are reversed for the second half of the year. But why answer by number? Well, to be ready for cooking a pupil should have (1) an apron, (2) a hair band, (3) a pot holder, (4) a hand towel, (5) a pen, and (6) a note book. If she has all these items she answers "6"—if she has only five of the items she answers "5" and so on. This is written beside her name in the record book of the pupil's work in Household Science.

During a previous period the cooking group had been taught the recipe for apple crisp and were scheduled to make it today, while the sewing room worked on an embroidery and sewing project.

Directions, quantities, etc. were reviewed with the cooking class and the girls were divided into three cooking groups, each girl having specific and carefully laid out duties to perform.

Three casseroles were prepared, one by each group, and put into the oven for about 25 minutes. During this time a table was set very expertly by each group and the equipment of the kitchen cupboards was checked and arranged.

Upon completion of the baking period, the apple crisp was tested to make sure it was finished. Then it was served and I, along with the nine girls who had done the cooking enjoyed a very nice dish. One

of the girls was "chief-hostess" for the day and said a very nice blessing before we sat down to eat.

To finish the period some of the girls were appointed to wash the dishes while others tidied up the cooking utensils, put the dishes away etc., and swept the floor.

And who were these nine cooks? Sally Mackay (chief hostess), Roberta McNeil, Eveline Hodgins, Kathryn Horner, Beverley Stark, Karen Strutt, Ruth Dagg, Barbara Elliott, Gladys McCagg. And let me tell you they are learning to be good cooks—at least the apple crisp was delicious.

Quyon C.W.L. Meet

Quyon—Members of the C.W.L. of St. Mary's Parish, Quyon, held their regular meeting in the Auditorium of St. Mary's School. There was a good attendance of members, and a delegation of visitors from Maryland.

The Director, Rev. T. P. Wingle, P.P., opened the meeting by the recitation of the League Prayer.

The guests were welcomed by the President, Mrs. Angus McLean and due to the absence of the Secretary Mrs. John Muldoon was named to act as secretary for the meeting.

Miss Louise Dumas, Maryland, played the accompanist for the singing of hymn, Come Holy Ghost.

Father Wingle gave a very inspiring talk on the Holy Souls and the month of the Dead.

It was decided that the League would order flowers for the decoration of the Church Altar for the feast of the Immaculate Conception.

Mrs. Thos. Gallagher thanked the Quyon group for their hospitality and issued an invitation to them to visit Maryland in the near future.

A social hour followed the regular business after which a dainty lunch was served under the co-sponsorship of Mrs. Bert Kennedy.

The meeting closed with singing of "O Canada".

LOOK! this Sign in Our Window MEANS...

APPROVED SANITONE SERVICE

We Are Now Licensed

SANITONE DRY CLEANERS

This sign is the symbol of our new and better kind of Dry Cleaning Service which we are proud to offer you. We are now authorized to use SANITONE guaranteeing spotless, odorless cleaning, finer pressing and the utmost care in the handling of all garments—our equipment, plant facilities and service have been approved as meeting the standards of Sanitone Dry Cleaners everywhere.

This famous Dry Cleaning Service costs you no more than ordinary dry cleaning, so call or come in today and let us show you WHY we are so proud of Sanitone.

Name

Address

Bryson

By Len Coyne

Amable Jolicœur and John Lan-
oix, Chelmsford, Ont., spent the
weekend with their families here.
Mr. and Mrs. Glen Saunders, of

Bryson, Miss Beverley and Ivan
Saunders, Ottawa, Mr. and Mrs.
Clarence Wall, Miss Jean McTier-
nan, Bryson; Miss Corinne Zahod-
nic, Shawville; Misses Diane and
Lucille Germain, Pembroke were
in Sudbury Saturday to attend the
Saunders-Gallagher wedding.

Mr. Amedee Poisson has received

word from Camp Borden that his
son Pte Rolland Poisson is confined
to hospital with broken bones from
an accident in Camp. He is expect-
ed home shortly.

François Lemay, employed at
Temagami, Ont., all summer has re-
turned home.

Misses Irene Wall and Francois

Lepine of Arnprior motored from
Arnprior, Saturday.

Misses Bernice Gardner, Jannet
Coyne and Marie Poisson, Ottawa,
were home for the weekend.

Mr. and Mrs. Sylvain Brunet of
Pembroke spent Saturday and Sun-
day at Mr. Brunet's home here.

Jackie St. Pierre, RN and Nelda
Cahill, RN, Deep River, Ont., spent
the weekend with Miss Cahill's
parents, Mr. and Mrs. Alphonse Ca-
hill, Calumet Island.

Joseph Razeau, Bryson is pres-
ently confined to Shawville Com-
munity Hospital.

With the completion of paving on
Main Street, Bryson by Dibblee
Construction Company last week,
work on No. 8 highway ended for
this season. This means that a mot-

orist may go south from Bryson
over pavement as far as one wishes
to go.

Renaud Rainville, of Sunnyside
Grill continues to bring in encour-
aging news each weekend from the
Yates Uranium where he is em-
ployed and from Soma Uranium,
both in the Sandy Creek section,
Otter Lake.

With the approach of winter the
question of an open air rink for
Bryson becomes a leading question.
Boys and Girls of today are eager
for out door exercise and the rink
seems to offer the choice for fancy
skating and hockey champions to
be developed here. Under proper
control it will develop sportsman-
ship of the highest order. Let's have
a rink.

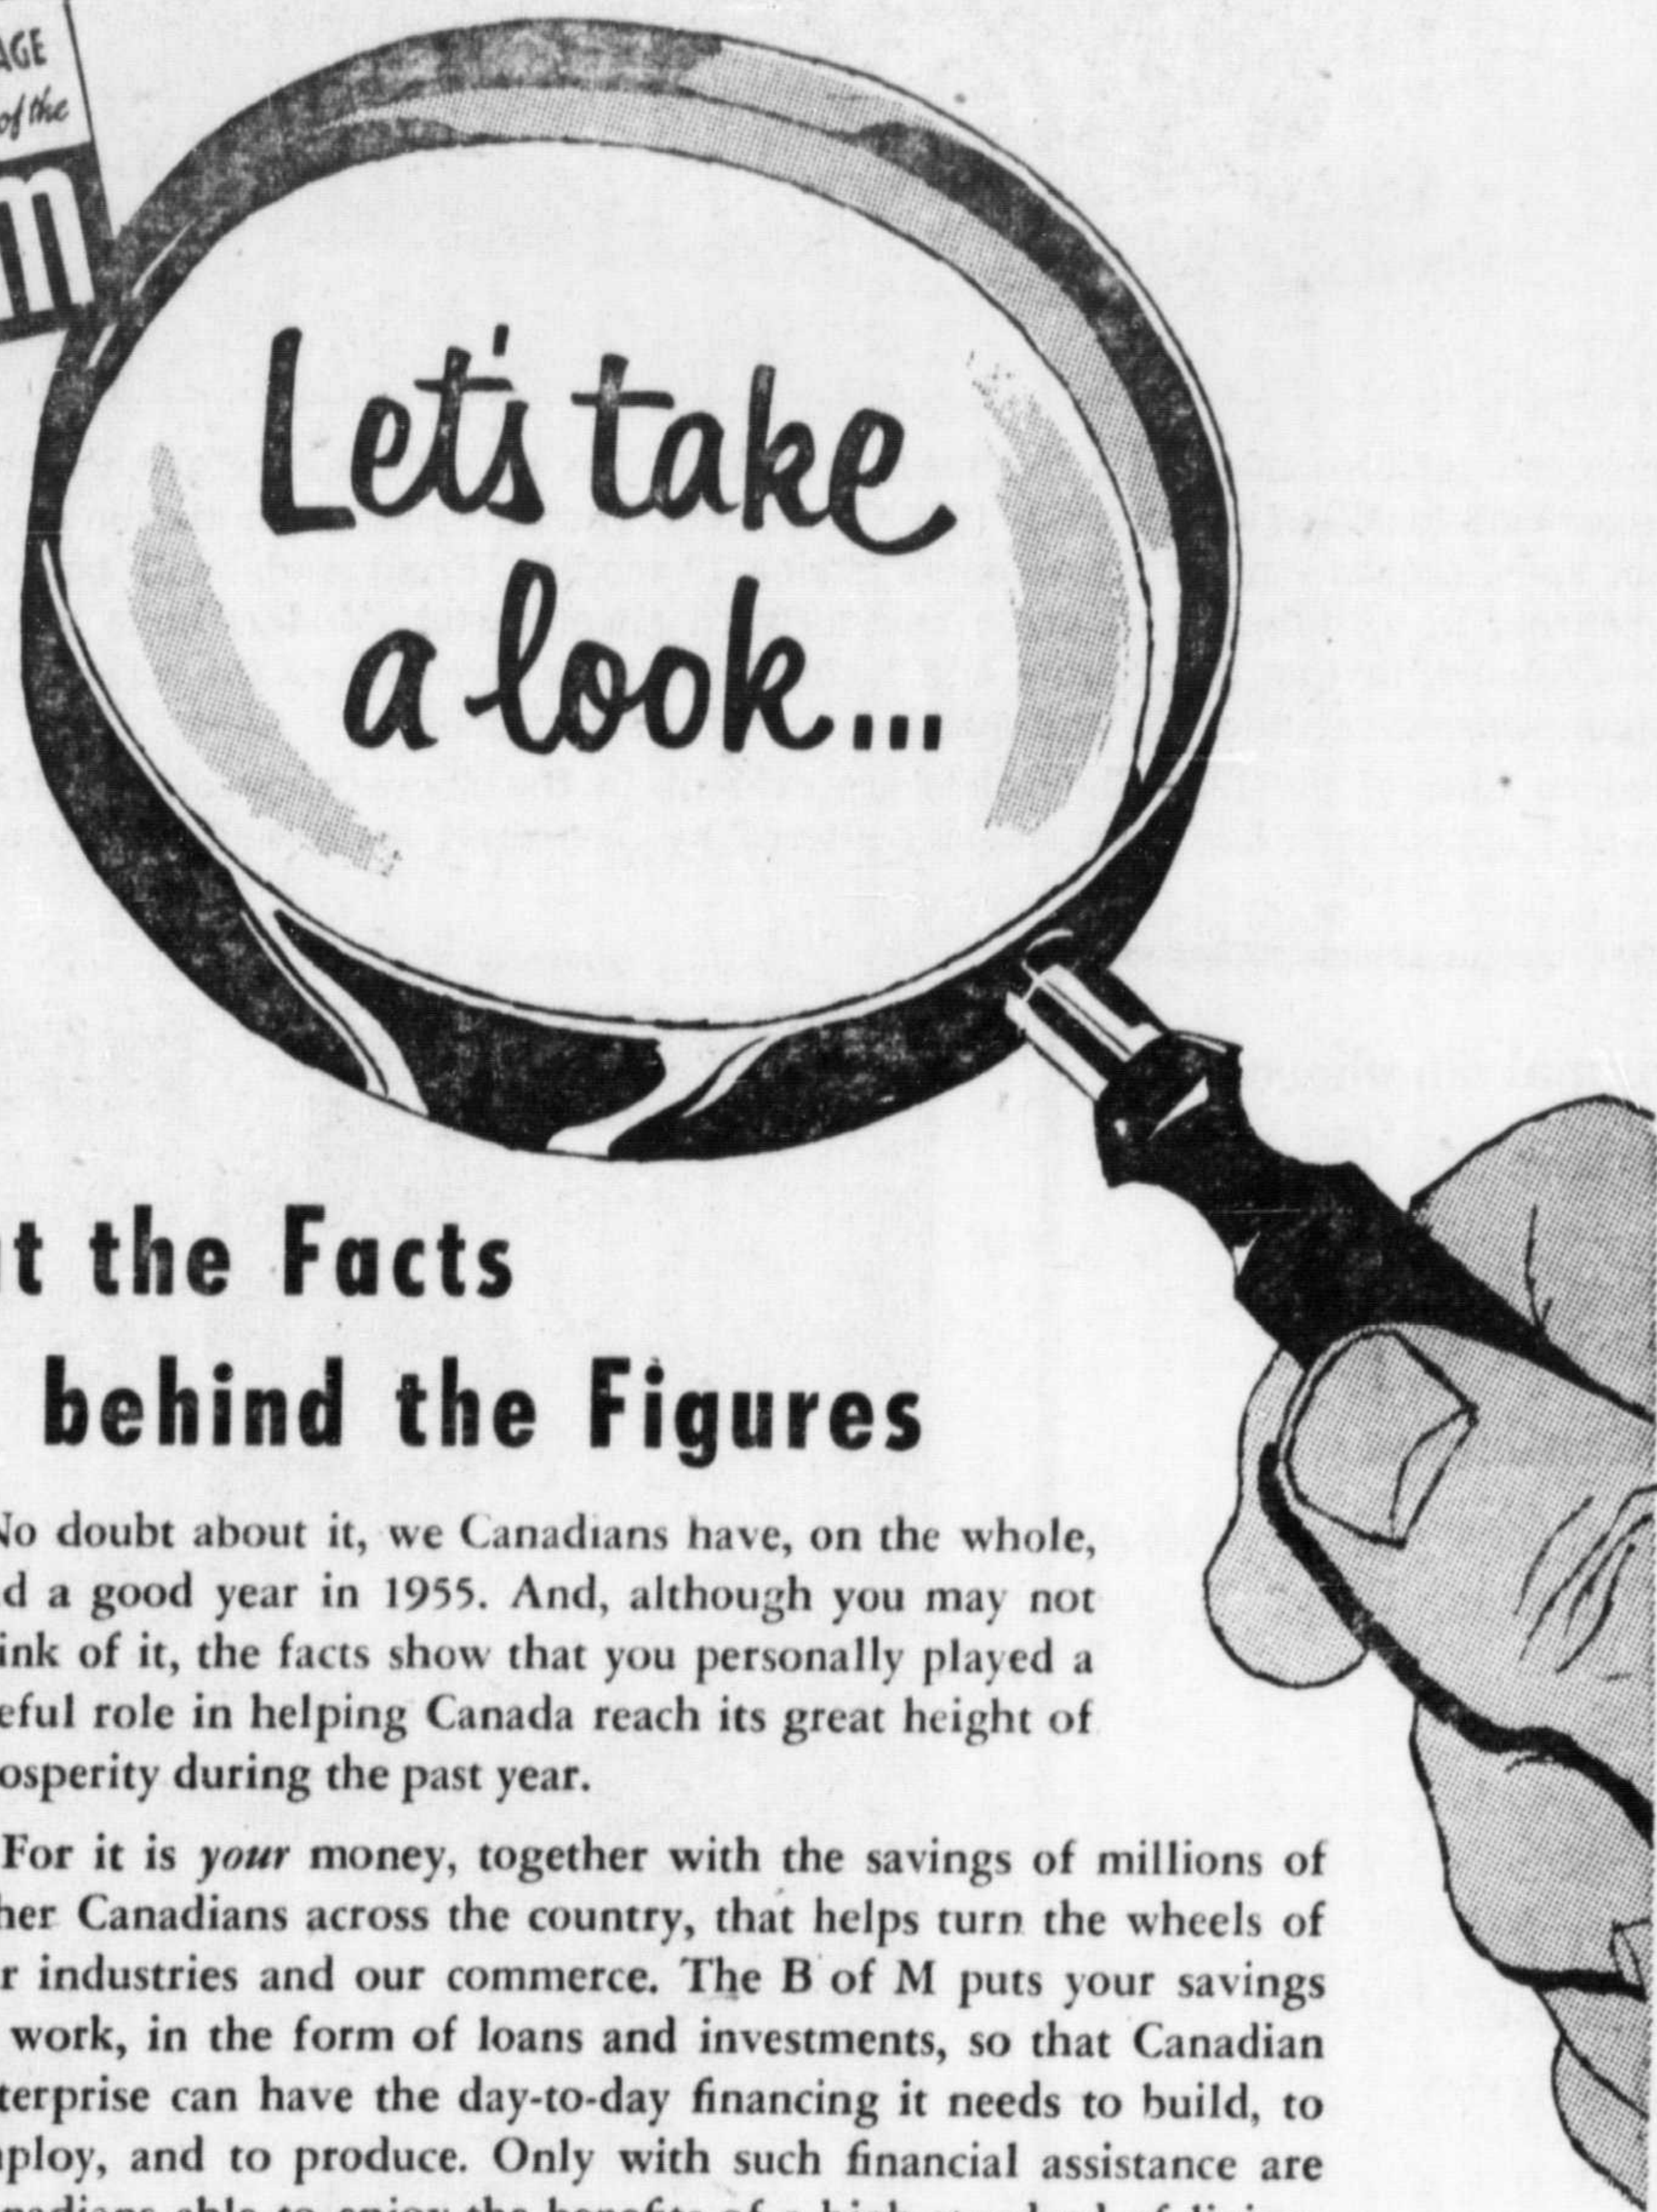

Beverley Garrison On College Dean's List

Beverley C. Garrison, son of Mr.
and Mrs. C. W. Garrison of Shaw-
ville, has earned a place on the
Dean's list at Houghton College, it
was announced recently by the
Registrar.

Beverley, who is a psychology
and history major, is in his junior
year. While attending Houghton
College, he has been active in the
French Club, Alpha Phi Omega,
Staff of radio station WJSL and the
staff of the college yearbook.

He has been vice-president of the
French Club, chaplain, Alpha Phi
Omega chief announcer at WJSL
and circulation manager of the year
book.

He has been on the Dean's list
twice previously.

at the Facts behind the Figures

No doubt about it, we Canadians have, on the whole,
had a good year in 1955. And, although you may not
think of it, the facts show that you personally played a
useful role in helping Canada reach its great height of
prosperity during the past year.

For it is *your* money, together with the savings of millions of
other Canadians across the country, that helps turn the wheels of
our industries and our commerce. The B of M puts your savings
to work, in the form of loans and investments, so that Canadian
enterprise can have the day-to-day financing it needs to build, to
employ, and to produce. Only with such financial assistance are
Canadians able to enjoy the benefits of a high standard of living.

Clearly, the facts behind the figures in the B of M's 1955 annual
report show that the dollars you save work hard and long to
secure not only your own future, but also the future of our nation...

THE MONEY YOU DEPOSIT: At the end of the Bank's
year, October 31, 1955, over
two million Canadians had
on deposit at the B of M
the sum of \$2,591,326,311—the highest
year-end total on record. Although
much of this money belongs to institu-
tions and business firms, more than half
of these deposits represent the personal
savings of Canadians in every walk of
life... savings that are bringing bene-
fits to you and to Canada.

THE MONEY WE LEND: The money you
save at the B of M is helping to ensure
our country's expansion and
progress — in the form of
loans to Canadian farmers,
miners, fishermen, oil men,
lumbermen and ranchers;
to industrial and business
enterprises; to Provincial and Municipal
Governments; and to salaried people

in all walks of life. As of
October 31, B of M loans to-
talled \$1,057,444,001 — the
highest in the Bank's his-
tory. In untold ways, these
dollars are contributing
dynamically to the maintenance and
improvement of our standard of living.

THE MONEY WE INVEST: At the close of
the year, the B of M had \$975,361,319
invested in high-grade government
bonds and other public
securities which have a
ready market. This money
is helping to finance gov-
ernment projects for the
betterment of the country
and the welfare of Cana-
dians at large. Other securities held by
the Bank — which include a diversified
list of high-quality short-term indus-
trial issues — bring total investments
to \$1,214,559,875.

My bank has just completed
its 138th year with resources
amounting to \$2,796,174,064
— the highest figure in its history.
The B of M's growth is part of
the growth of this community
and of all Canada, and I am

proud of the part my
customers have in
this story of progress.

Cap's Corner

Raksha took charge of the Wolf Cub meeting last Wednesday and from all accounts it was a dandy. The lads are really getting along and Harwood Doherty has at last managed to get over the big bump and has gone up to the Scout Troop. The Pack leaders now only has his Model to make and he will be going as well. Two other Sixers lack just one thing to become Two Star Cubs and that is Skipping. One

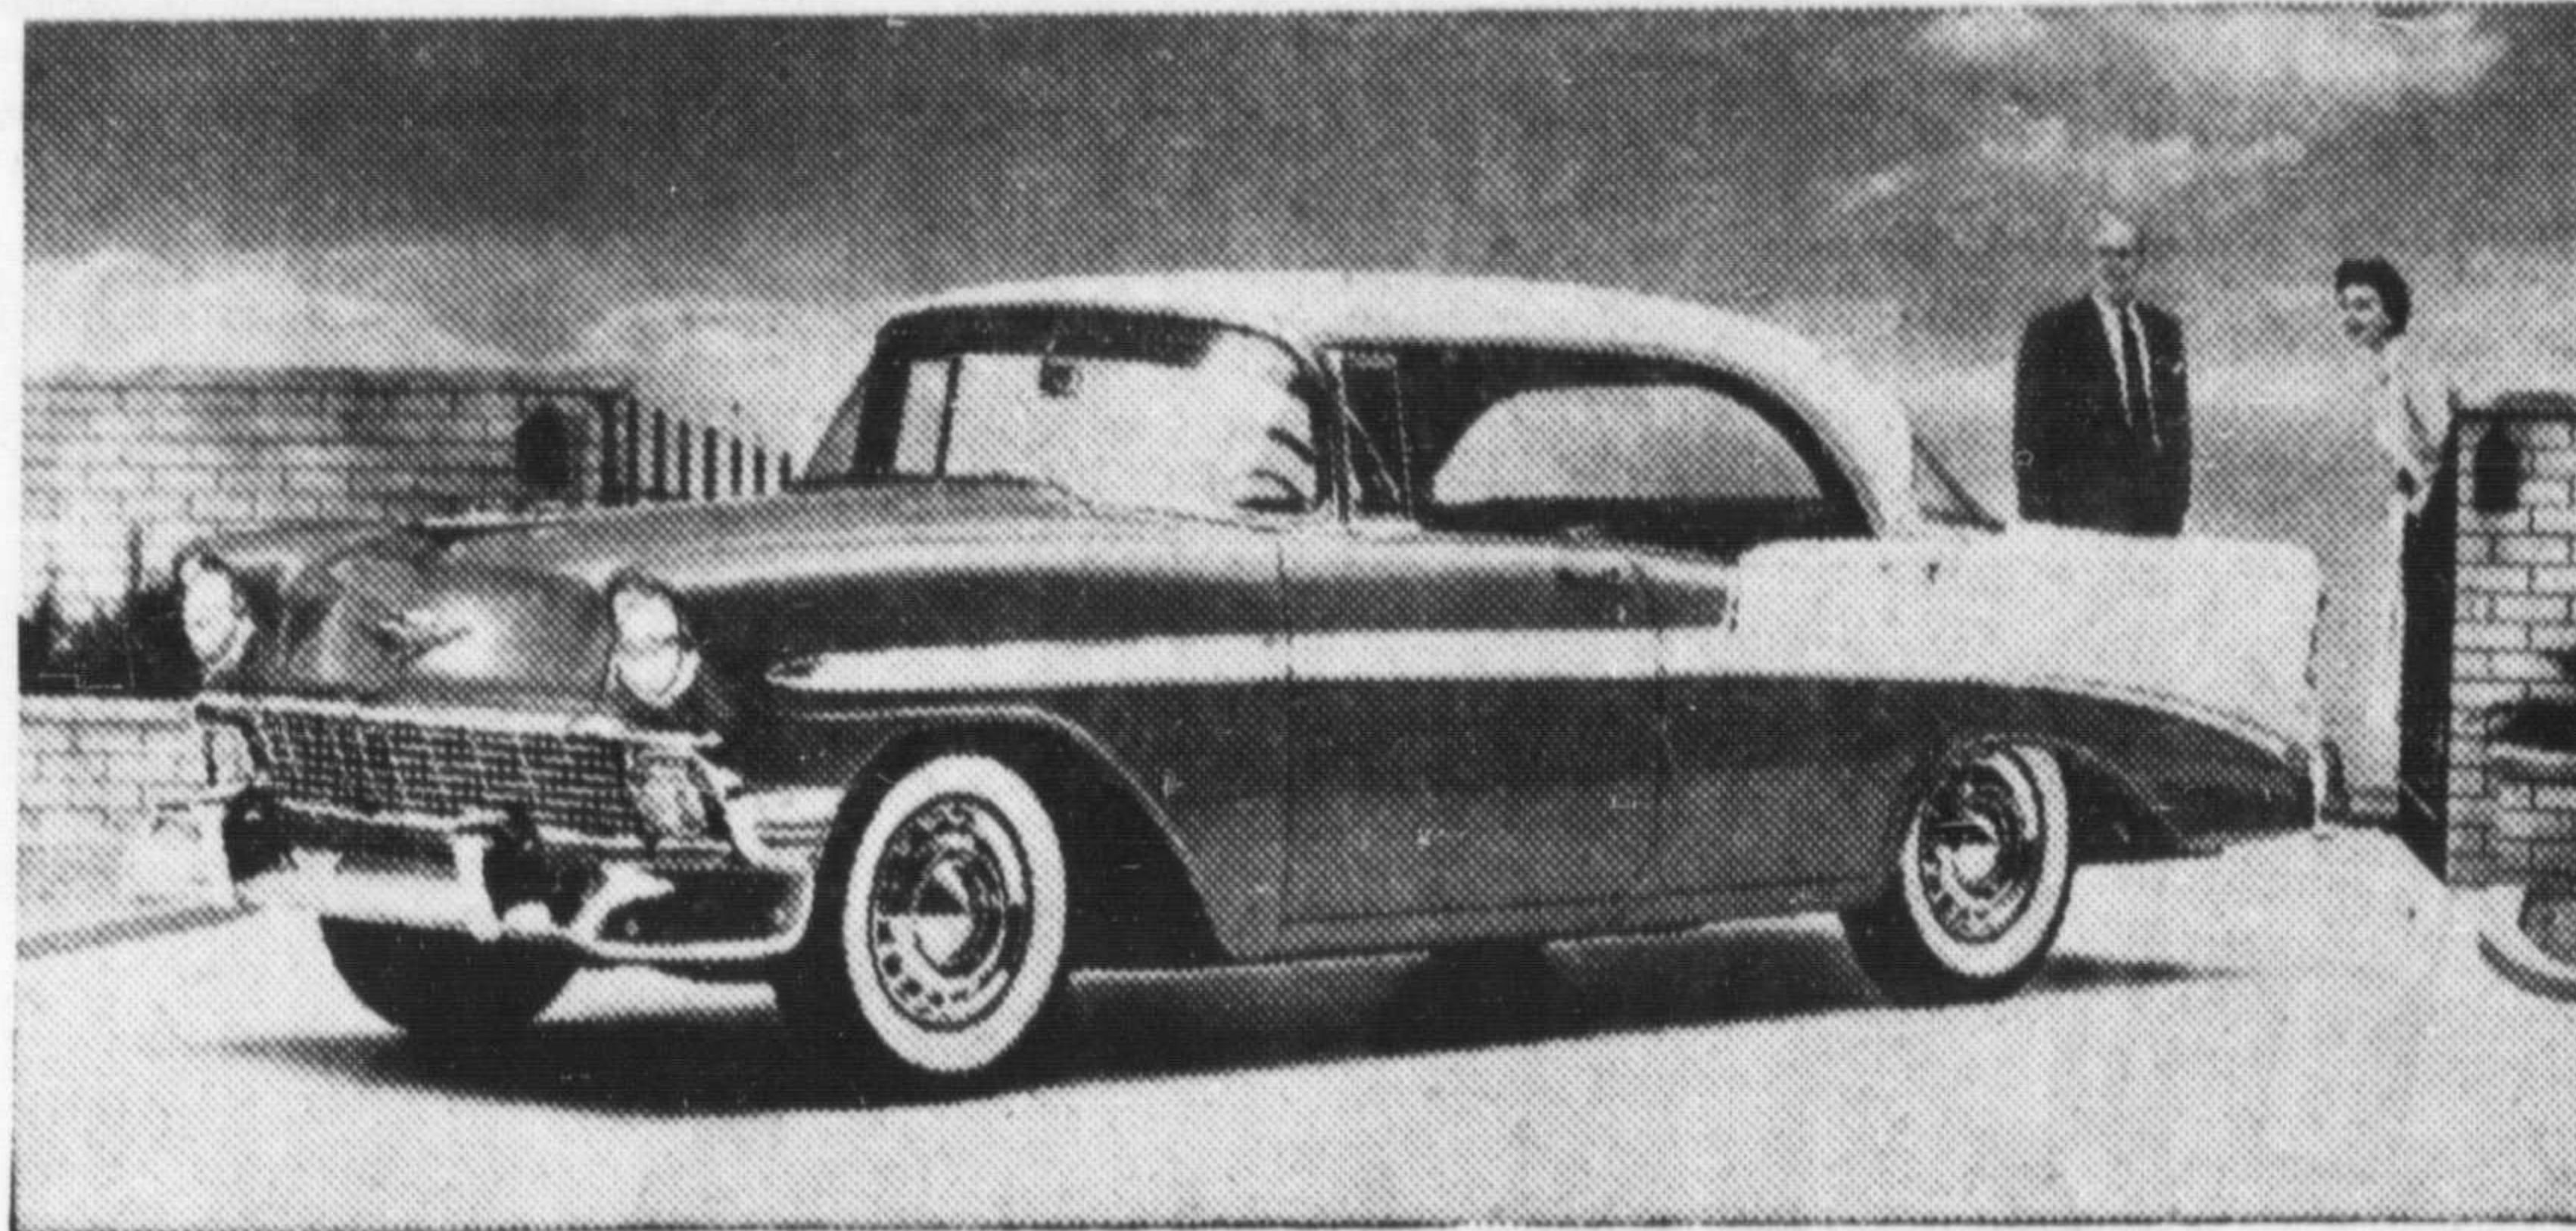

of these has been able to do the required 15 times forward but the rope just wont go properly for the backwards part. The other chap just does not seem to be able to make his jump coincide with the turning of the rope. If these fellows ever decide to become professional boxers, or even amateurs, they are going to have a lot of difficulty in their training.

The last Scout meeting on Thursday took the form of a Treasure Hunt. The clues placed at different points proved a rather difficult

puzzle to solve with the result some of the lads were a bit late getting home. However, this does not happen very often and as a rule the Troop is dismissed promptly at 9:00 p.m. and the Pack at 8:00 p.m. Parents, please take this into consideration and allow for the time their lad is to come home, after the meeting. Two new boys joined the Troop, James Ives of Bristol and Bryan Murray of Shawville. The troop is now seriously over strength and steps will have to be taken to take care of these lads. There are two ways: one is to form a second Troop, but the shortage of Scouters to assist prevents this method unless some friends of Scouting come along to give them a hand. The Cubs are also short handed in Scouters as well. The other method is to form a Senior Patrol of the older boys who are not of Rover age, 16, to become Squires.

The Scouter problem is becoming more serious every week and it is hard to understand just why more help is not forthcoming. Already a Bronze Arrowhead course

(Continued on Page Eight)

Improved performance and a freshness in styling that extends throughout the three series of passenger cars headline advances in 1956 Chevrolets. The nine-passenger station wagons and two four-door sport sedans will be new-comers among 19 models. Front ends will be made more rugged appearing in a re-design of grille and forward sheet metal. Models have a lower, longer look. New colours, unique two-toning and tasteful interiors give each of the series complete distinction. Engine choices include V8s and a more powerful six cylinder. Modern lines of the 1956 Chevrolets are evident in the above view of the Bel Air sport sedan. Frontal appearance has been smartly altered by new sheet metal and brightwork.

Gatineau LINES

WHAT IS "DEMAND?"

Demand is the word used to describe the amount of electricity used by each customer when his requirements are at a peak. For instance, if you had ten 100 watt bulbs all on at once, your "demand" would be 1000 watts or 1 kilowatt — meaning that the greatest amount of power you needed at one time was 1 kilowatt.

If, however, you also use a 3,000 - watt waterheater at the same time, your "demand" would be 4 kilowatts—1 kw. for the water heater.

The "demand" for electricity is the factor which governs the size of the generating, substation, transmission and transforming equipment required to provide the service.

Power companies everywhere are installing "demand" meters so that they can have a more accurate measure of the amount of power actually required by each customer.

With so many appliances used in the home, the "demand" of each customer is many times what it was when lighting was the only use made of electricity.

GATINEAU POWER COMPANY

Ira E. McLean Passes In Calgary

Calgary—A resident of the Rev. elstroke Saw Mill, for 14 years, Ira Edgar McLean, 76, died at his residence, Ste 6, Georgian Court on

Thursday after a lengthy illness. Mr. McLean was born at Portage du Fort, Que., and moved to Empress, Alta in 1914. In 1926 he went to Trochu and moved to Calgary 17 years ago. He retired in 1950. Mr. McLean was an honorary elder of Central United church.

Surviving are his wife Annie, Calgary two sons, Lloyd, Regina; Edgar, Edmonton; a daughter, children.

Rev. C. T. Wilkinson officiated at services on Saturday, November 19 at 3.30 p.m. Burial was in Mount-ain View Memorial Gardens.

Carson-Sullivan Vows Exchanged

Bouquets of pink and white chrysanthemums graced the altar of Our Lady of Mercy Church for the wedding performed by Rev. W. J. Farrell recently of Norma Marie Sullivan and Donald Loris Carson. The bride is the daughter of Mr. and Mrs. T. J. Sullivan, Point Ed-ward, and the groom is the son of Mr. Crawford Carson and the late Mrs. Carson of Shawville, Quebec.

During the ceremony Miss Rose-mary Geary sang, "Mother, at Thy Feet is Kneeling", and "Ave Mar-ia", accompanied by Miss Irene Don-ohue.

Given in marriage by her father,

the weekend at their homes in Shawville.

Mr. and Mrs. B. G. Anderson and son David and grandson Hughie of Youngstown, Ohio paid a short vis-it with Clarence Hayes last week.

the young bride wore a gown of white nylon chiffon over taffeta. The shirred torso bodice extended over the shoulders to form tiny cap sleeves, and formed points in the bouffant, waltz-length skirt. A Sweetheart headdress of seed pearl embroidered lace held her hand rolled fingertip veil of sheer silk il-lusion. She wore long shirred nylon gloves and carried an all white bouquet of gardenias, white French-ed carnations, with trailing ivy. Frenched carnations, with trailing ivy.

Mrs. Paul Greenwood was mat-ron-of-honor and wore a Chantilly blue waltz-length gown of nylon net over taffeta, fashioned with a lace bodice, featuring a scooped shirred nylon neckline which formed a tiny cap over the shoulder. She wore a matching Sweetheart headdress and carried a gathering basket filled with blue tinted car-nations edged with Pinnocchio roses.

The younger sister of the bride Rosemary Sullivan attended as flower girl, wearing a short full dress of shrimp-toned taffeta, with tiny puffed sleeves and scoop neck-line. She also wore a matching Sweetheart headdress and carried

a gathering basket filled with fea-thered blue carnations surrounded by rosettes.

Groomsman was Paul Greenwood of Sarnia., and ushering were the brother of the bride, Brian Sulli-van, and Ronald Rose.

Receiving guests at the YWCA, Mrs. Sullivan wore a beige silk bengaline suit with small sequin hat and bronze accessories. Her flowers were bronze feathered mums and yellow Sweetheart roses. She was assisted by Mrs. H. G. Hor-ner, aunt of the groom, wearing cocoa crepe with modish velour hat, beige accessories, and corsage of yellow feathered mums and Tawny gold roses.

Leaving by motor for a trip through New York state, the new Mrs. Carson wore a three-piece beige cashmere suit with dark chocolate accessories. Pinned to her mouton topper, was a gardenia corsage from her wedding bouquet.

On their return, the young couple will take up residence at 119½ Michigan Avenue Point Edward. Out of town guests were present from Shawville, Toronto, Chicago, Detroit, Lindsay and Madawaska.

NOTICE

Charles Patrick Shea Passes In 78th Year

Campbell's Bay—Final and impressive tribute was paid to the memory of Charles Patrick Shea, one of the most prominent citizens of Campbell's Bay and widely known throughout Pontiac County at the funeral held from his late residence to St. John the Evangelist

Very Rev. J. J. Hogan. Solemn requiem high mass was chanted by Rev. E. T. McNally of Pembroke, a former parish priest of Campbell's Bay. He was assisted by Rev. T.G. May of Vinton as deacon and Rev. J. J. Hogan as subdeacon. Roman Catholic Church.

Mr. Shea died recently at his home following a lengthy illness. The casket was met at the door of the church by the parish priest,

Mr. Shea was born at Calumet Island, 78 years ago. He was a son of the late Mr. and Mrs. John Shea. He was married at Calumet Island to the former Margerite Donnelly, almost 50 years ago.

Following his marriage he kept a stopping place at the O'd Manitou in the Black River district, later moving to Chapeau to operate a hotel. In 1913, he moved to Campbell's Bay where he has resided since.

Mr. Shea was among the original car owners of this district. He was a prominent Liberal supporter in Pontiac county and took an active interest in municipal affairs. Mr. Shea was a member of the Holy Name Society of St. John's parish and a member of the league of the Sacred Heart.

Left to survive him besides his wife, are two daughters, Mrs. Walter Morley (Rita) of Toronto; Mrs. Bert McCarron, Mildred, of Ottawa and one son, Leonard Shea of the Abitibi Power and Paper Co., Pine Falls, Man., and one brother, Dennis Shea of Vancouver.

Interment took place in the family plot in St. John's cemetery where graveside prayers were said by Father Hogan.

RADFORD HOSPITAL AUXILIARY

A meeting of the Radford Hospital Auxiliary was held at the Pent House on October 23. The president opened the meeting by repeating the Lord's Pray-

Que. Weekly Newspapers 1st Annual Convention

Representatives of 28 Quebec weekly newspapers gathered at the Queen's Hotel, Montreal on Friday and Saturday of last week to hold the first annual convention of the Quebec Division of the Canadian Weekly Newspapers Association. The papers represented were almost equally divided between the French and English language weeklies.

Elected officers of the newly formed association at a business meeting on Friday, were: President Ken Chisholm of the St. Laurent News; vice-president, D. R. Wilson of the Shawinigan Standard; secretary-treasurer, R. A. Giles of the Lachute Watchman. The directors appointed were: Lucien Guertin of L'Echo du St. Maurice, Lloyd Bliss of the Stanstead Journal, David Dickson of the Shawville Equity, J. P. Legare of L'Echo du Bas, St. Laurent, Rimouski and Andre Walriot of Le Progress, Valleyfield.

The minutes were read and approved.

The sewing machine purchased by this auxiliary had been delivered. A sale was held by the members which netted \$30.60.

A short program followed. Lunch was served by Mrs. H. Eades, Mrs. L. Queale and Mrs. W. Brownlee.

The meeting closed by repeating the mizpah.

Fort Coulonge

By Rev. C. Younger-Lewis

Icy and slippery roads is the picture of this district during the week and though the garage people have increased their business, repairing damaged cars, it is pleasing to note that there has been no human damage and the members of the Fort Coulonge Womens Institute have held a handi-craft-class during the past week holding afternoon and evening sessions in the Protestant school and even though

the sidewalks have been slippery, they have been making slippers of felt and lambs wool and even though they are not like Cinderella's slippers, nor perhaps fitted for out door wear, they are very artistic and would make a very good present for Hubby at the Yule Tide. The Instructress to the class was Miss Bridget Altimas of Macdonald College, Que. and the ladies not satisfied with making the slippers also made some very artistic pieces of costume jewellery. If their husbands have lacked the usual evening meal I am sure they will forgive as they gaze upon the jewellery.

Girls Auxiliary Meet In Quyon

Miss Gayle Young led the Devotional services at the meeting of St. John's-St. Luke's G. A. held on Friday night, November 18th at the home of Mrs. Ron Bottrell.

Miss Joan Hart was pianist for the G. A. hymn. "Youth of the World Arise".

Miss Shirley Mae Mohr, President opened the business meeting, and Miss Marion Poole read the minutes in the absence of the secretary, Miss Winona Mohr. It was decided to answer the roll call with the name of an Indian School in Canada. The girls continued working on the Dorcas Badge and were instructed by their leader, Mrs. E. A. Hart. A special G. A. service will be held in St. Luke's Church, Eardley, on November 27.

The next meeting will be held December 3 at the home of Miss Marion Poole.

Engagement

Skinner-Hanna

The engagement of Miss Joan Mimi Skinner and Mr. Robert Lionel Hanna is announced by the former's parents, Mr. and Mrs. Frank E. Skinner of Montreal. Mr. Hanna is the son of Mr. and Mrs. W. S. Hanna of Shawville, Que. The wedding will take place in St. Matthew's Church, Hampstead, Que., on December 23.

Cards Of Thanks

We wish to thank all our good friends and neighbors for their kindness and hospitality during our stay here and especially during the fire at Mrs. Russells. Special thanks to Mr. and Mrs. T. MacFarlane for the comfortable home they provided for us all. We will always remember our good friends in Shawville district as we go to Arnprior. Sincerely Mary & Stanley Daszkowski and children

Fort Coulonge

By C. Younger-Lewis

Mr. Veldhuis the lay-minister of the Fort Coulonge United Church was at Westmeath, Ont., on Friday evening, November 25. Addressing a gathering of young people in the United Church there, and his message was greatly appreciated.

Mr. Beckett of Carleton Place was a visitor to our town last Thursday. Mr. Richard Graveline who is now residing in Toronto, was a weekend visitor at his mothers home.

Mr. and Mrs. Russell Smith of Ottawa were weekend visitors of Mr. and Mrs. Howard Smith.

Miss Marion Field of Bagotville, was a weekend visitor at the home of Mrs. Richard Graveline. Mrs. H. E. Robinson, Perth, Ont. is visiting her sister, Mrs. Ann Fumerton.

The United Protestant School Board held their monthly meeting on Thursday, November 24th in the Fort Coulonge School. Mr. Lloyd Neville, presided with Wm. Lough, Sec.-Treas. The usual business was transacted, minutes read, bills passed. The attendance report was presented which showed an excellent percentage. As we are living in what might be called a paper age, a duplicator was purchased, which will lessen the work of the teacher and also the black board work. Mrs. Ann Fumerton was a visitor to friends at Westmeath on Monday.

Caps Corner

(Continued from Page Four)

has had to be cancelled and in January we hope to have our St. John Course in First Aid. Experience, while undoubtedly a big help is not a necessity, as what is required can easily be picked up while with the Unit. To be an assistant you must be 18 years of age and a Cubmaster or a Scoutmaster must be 21. A lady can be a Cub Scouter but for the Troop it must be a man. Wont someone please help with this work here in Shawville? We don't want to start a "waiting list" but there is a limit to the numbers that can be taken in in any one Unit. When there are more, Scouting in its various forms, just can not be taught. It is your boy who is going to have to do without Scouting. Please give us a hand.

In Memoriam

Powles—In loving memory of a dear wife, who passed away December 2nd, 1954. "Too dearly loved to be forgotten". Ever remembered by her beloved Husband.

Turner—In sad and loving memory of our dear sister, Euella S. Turner, who passed away so suddenly November 31, 1953.

Memories are treasures no one can steal. Death is a heartache no one can heal. Some may forget you now you are gone. But we will remember no matter how long. —The Turner Family.

Smith—In fond and loving memory of a dear husband and father Walter Smith, who entered into eternal rest, Dec. 2, 1953. No suffering now can line your brow.

Eternal rest you've won And at our heavenly father's home We will come to you one by one As the Saviour guides our footsteps Along life's narrow way. We'll remember, Dad, you are just ahead As we journey from day to day. —Ever remembered, wife Annie. Velma and Christie.

Who Makes A Garden?

Whoever makes a garden Has never worked alone; The rain has always found it. The sun has always shone. The wind has blown across it And helped to scatter seeds— Whoever makes a garden Has all the help he needs. Whoever makes a garden Should surely not complain. With someone like the sunshine, And someone like the rain, And someone like the breezes To aid him in his toil, And someone like the Father Who gave the garden-soil. Whoever makes a garden Has, oh, so many friends! The glory of the morning, The dew when daylight ends. The wind, and rain, and sunshine. And dew, and fertile sod. And he who makes a garden Works hand-in-hand with God. Douglas Malloch—1877.

Help Wanted

Single man fully experienced in farm work for dairy farm. H. J. Johnston, Carp, Ont. 2od1

Births

Tippins—To Velma and Ernie Tippins, on November 14, at Arnprior Hospital, a son, a brother for Nancy. odt

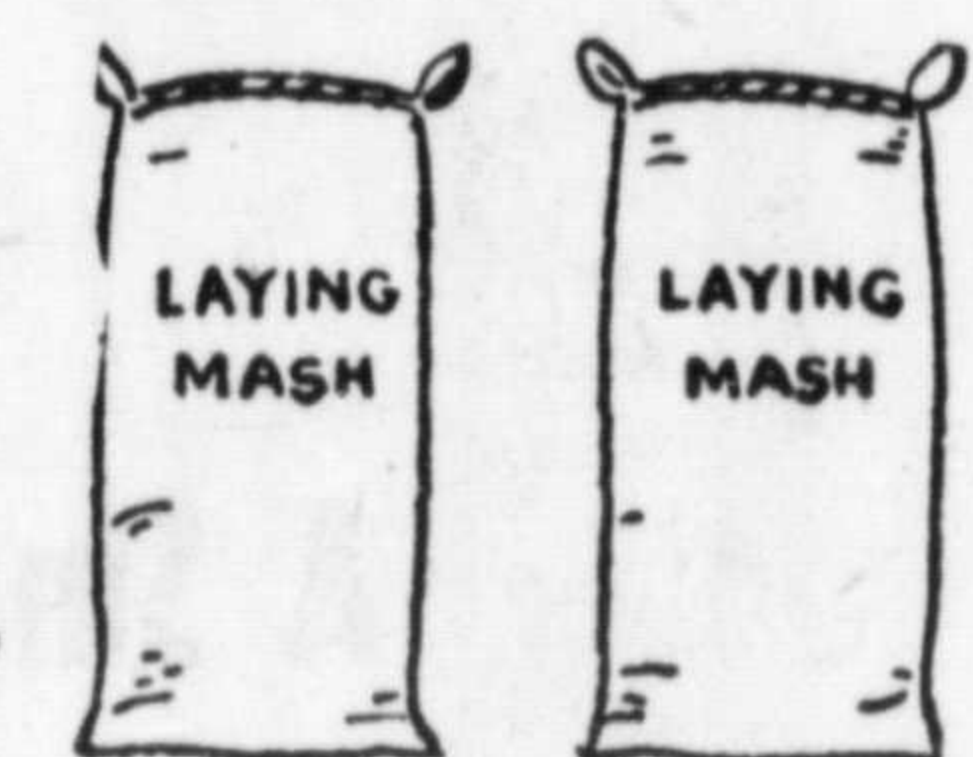

"Look over your shoulder"

"Take a look around you next time you are in a club or tavern. You'll see plenty of Dow being enjoyed at neighboring tables. Always a popular ale, Dow has recently zoomed tremendously in popularity. Now wherever you go people are calling for Dow—the 'Cool Control' brewed ale.

DOW BREWERY LIMITED

MORE OF THESE . . . FROM LESS OF THESE . . . WHEN YOU FEED . . .

Probably the main reason why some successful laying flock operators have switched to Super Laying Mash was that they found it takes only five pounds of Super Laying Mash to produce as many eggs as six pounds of ordinary laying mash.

Super Laying Mash produces these outstanding results because it's a high-efficiency feed. Every ounce is extra-concentrated with feed energy, protein, vitamins and minerals.

Your flock, too, will produce more eggs for less feed with SHUR-GAIN Super Laying Mash.
