ST. ANDREW'S HOME.

The friends of this institution are reminded that the Committee of Management meet regularly on **WEDNESDAY** Afternoon to grant assistance to the poor and distressed, and to receive donations on the funds of the St. Andrew's Society.

The donors of the St. Andrew's Society are generally benevolent, and the indications are that they will be gratified to contribute to the support of this institution. Therefore requests are made that the friends of the cause will be so good as to target on their country contributions to the St. Andrew's Society, and that the wants of applicants may be met.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and small dark spots, possibly due to age or handling. The left edge of the page is bound, showing the stitching and the inner cover material. The overall tone is warm and slightly yellowed, characteristic of old paper.
