## All News of British and Belgian Armies Denied Army of General Von Kluck Believed to be Retreating

### RUSSIANS ABANDON SIEGE OF PRZEMYSL; LONDONERS WARNED TO PREP ARE FOR BOMBS; CAVALRY FIGHTING IN NORTH OF FRANCE A DRAW

**COVER RETREAT OF VON KLUCK'S ARMY.**  
London, Oct. 13.—(Special)—Reports continue to reach London that the great activity of the German cavalry near Lille is a screening movement to cover the retreat of the army of General Von Kluck. Such a retreat is even said to be under way to the north and to the northeast.

**GERMANS DRIVEN FROM SUWALKI AND LOMZA.**  
London, Oct. 13.—(Special)—A despatch to the Central News from Rome says: A telegram from Petrograd to the Tribuna states that no Germans remain in the provinces of Suwalki and Lomza, Russian Poland, that the Russian army continues to advance in East Prussia, and that the entire district of Lyck is now occupied by the forces of Emperor Nicholas. In addition, the despatch says that the Russians are maintaining their positions in Hungary, Pukovina and Transylvania.

**FOUR KILLED BY AVIATORS' BOMBS.**  
London, Oct. 13.—(Special)—A letter received in Amsterdam from Dusseldorf, says the Daily Chronicle's Amsterdam correspondent, declares that in the recent British aeroplane raid on Dusseldorf, besides a Zeppelin airship being destroyed, four persons were killed and many wounded.

**FIRE 1,500 SHELLS DAILY.**  
Tokio, Oct. 13.—(Special)—During an armistice yesterday on the battle-front of Tsing Tau, twenty-two German defenders of the fortress were buried. The fortress fires 1,500 shells daily.

**MARTIAL LAW THROUGHOUT UNION OF SOUTH AFRICA.**  
Cape Town, Oct. 13, via London, 11.27 a.m.—(Special)—It has been officially announced here that a command under Colonel Maritz has rebelled in the northwest of the Cape Provinces. Martial law has been proclaimed throughout the Union.

**FORTS STILL HOLDING OUT.**  
London, Oct. 13, 4.00 a.m.—The Times correspondent in Belgium, under date of Sunday, says: "Twenty-four of the Antwerp forts were still holding out to-day in the face of a continuous bombardment. Last night over twenty blazing fires could be distinguished from afar in different parts of the city."

**TIGHTENING GRIP ON BELGIUM.**  
Geneva, Oct. 13.—(Despatch to the London Standard)—German control of Belgium is tightening. The latest measure is to prohibit Belgian banks from doing business with France and England, even through their branches in those countries.

**GERMANS SHORT OF EQUIPMENT.**  
Petrograd, Oct. 13.—"The German losses have forced the German Gov-

**ALLIED FORCES MAKE PROGRESS.**  
Paris, Oct. 13.—(Special)—The following official statement was received to-day: "Between Arras and Albert we have made notable progress. "On the centre also we have made progress in the region of Barry Aux Bas, and we have advanced towards Souvain in the west of the Argonne, and north of Alancourt.

"Between the Argon and the Meuse on the right bank of the Meuse, our troops who hold the heights of the Meuse to the east of Verdun have advanced to the South of the road from Verdun to Metz. In the region of Apremont we have gained a little territory on our right and repulsed a German attack on our left.

"On our right wing, Vosges and Alsace, there has been no change. "To sum up, yesterday was marked by perceptible progress on the part of our forces in various points on the field of battle."

ernment to revoke all exemptions to the military service," says a statement given out last night by the official press agency. "The German army being short of equipment, an order has been issued to bury the dead soldiers without uniforms and shoes. "The Novoe Vremya's correspondent at Fukuchima, Japan, says that Japan will prove to Russia the sincerity of her policies. "Agents of the committee of union and progress continue to excite public opinion in Constantinople by giving out news of the war at patriotic meetings."

**NEW BATTLE HAS BEGUN.**  
London, Oct. 13.—The Telegram's correspondent in France, under Friday's date, says: "The Battle of the Aisne may be said to have ended without anyone knowing it. The new battle now begun will certainly not last as many days. The Allied armies on the Aisne are waiting developments elsewhere, and choose their own time." Speaking of the British superiority in cavalry and with the bayonet, he says: "Some of our cavalry have been taking turns in the trenches and have become so enamoured of the bayonet that it has been adopted by several squadrons in every regiment."

**NEWS OF BRITISH AND BELGIANS HIDDEN.**  
LONDONERS WARNED TO BE PREPARED TO SEEK CELLARS FROM AERIAL BOMBS

London, Oct. 13.—The finger of the censor having twisted the tortoise on all sources of news from Belgium, just now perhaps the most potentially important scene of fighting in the great war, the British people were forced to content themselves with the official communication from Paris, and even a close analysis of this showed no marked change in the situation favoring either side.

**RUSSIANS RETREAT.**  
From the east came despatches both from Vienna and Petrograd indicating that the Austrian army at Przemysl had, with the aid of reinforcements, turned on the Russians, and forced them to retreat. This claim emanated during the morning from the Austrian capital. It was followed later in the day by what purports to be a Petrograd admission that the Russians had abandoned the siege of Przemysl for strategic reasons with the object of drawing up a new line against the Austro-German army in other points in Galicia. Whatever be the truth of the situation, the Russians have been claiming an unbroken series of victories in their sweep through Galicia, and the coincidence of today's despatches, supplemented as they were by more circumstantial accounts from Vienna of a vigorous Austro-German offensive, seemed to presage important news.

**BRITISH AND BELGIAN TROOPS DISAPPEAR.**  
The British and Belgian troops which retired from Antwerp before the German occupation, with the ex-

ception of those interned on Dutch soil, as a result of having had to cross the border, have been swallowed up as completely as if they had been buried under the ruined forts. For military reasons, their position and the area of hostilities in Belgium must remain obscure, until the turn of events brings them to the fore again, as was the case when, after the fall of Antwerp, the British public learned for the first time that the British forces had assisted the garrison.

**READY TO RENEW FIGHT.**  
Optimistic, as always, the British press, besides contending that Antwerp is of no importance to Germany as a naval base, finds solace in the argument that the release of the allied troops there more than counter-balances the troops which Germany will send from that point into France. Col. Frederick N. Maude, a retired army officer and author of several standard military books, writing in yesterday's Evening Standard, says:

"This morning finds the Belgians, with five-sixths of the British contingent, perfectly ready to renew the fight, with their supplies and reinforcement from overseas amply safeguarded. After deducting the necessary garrison for Antwerp, Leves and so forth, it is exceedingly improbable that the Germans have more than 60,400 men left to follow them—which gives us a clear gain of 40,000 to our left wing, without counting the reinforcements which we shall pick up on the way."

**LEFT WING IS SPREADING.**  
The official communication from Paris indicated how this left wing is stretching daily and nightly further west and north, and will soon reach the coast if the opposing sides continue throwing out cavalry in an endeavor to outflank or break through. The afternoon statement opens with the remark that these cavalry operations continue as far north and west as Hazebrouk, a point hardly more than a good day's walk from Calais.

**ALLIES REGAIN GROUND.**  
When the Allies claimed yesterday that they had driven the Germans from Aire, London learned for the first time that the Germans had made so much progress west from Armentieres, which they reached last week. Presumably, the Allies still hold the ground they claim to have regained.

**ATTACKS WERE REPULSED.**  
The Allies say they have made progress in the centre of the battle line, on the right bank of the Aisne below Soissons. At two other points, notably between Arras and the Oise, and on the right, in Vosges, it is said, the German attacks have been repulsed.

**FORTS STILL HOLD OUT.**  
A paragraph near the end of the official communication, saying that it is understood that the Germans are occupying only the suburbs of Antwerp, while the twenty-four forts along the Scheidt (Escaut) are still holding out, has been received in London with considerable surprise and skepticism, in view of the announcement of the British War Office that the city was occupied by the Germans and the unanimous account from correspondents to the same effect, together with the Berlin official statement that the invaders took virtually complete possession of the city.

**LONDON PREPARING FOR BOMB THROWERS.**  
Probably stirred by the bomb-dropping exploits of German aircraft over Paris, London seems to be prepared for such visitors, and official notice has been served on persons living near the mouth of the Thames that they should be ready to seek their cellars at the first sound of firing, as there will be no time to spread the news in any more formal way.

**RECRUITING IS BOOMING.**  
Recruiting throughout Great Britain, particularly in London, has been booming, since the fall of Antwerp, the talk of the Germans advancing from there to Ostend having seemingly brought the war closer home in the minds of the people. The whereabouts of the Belgian Queen is still a matter of conjecture, and the same vagueness surrounds the King's reported wounds.

**OFFICIAL STATEMENTS.**  
HAVE LOST NO GROUND.

Paris, Oct. 13.—The following official statement was given out last night: "There is nothing in particular to report. "Violent attacks have occurred along the front. We have gained (Continued on Page 8)

None of these titled soldiers of the King has reached the age of thirty years.

### RUSSIAN SHIP SUNK

**German Submarine Torpedoed The Cruiser Pallada in The Baltic Sea**

**WENT DOWN WITH ALL HER CREW, WHICH NUMBERED FIVE HUNDRED AND SIXTY-EIGHT MEN.**

Petrograd, October 13.—An official communication issued yesterday announces that on October 11th the Russian armored cruiser Pallada was torpedoed in the Baltic Sea by a German submarine and sank with all her crew.

The text of the communication, which was made public by the Marine Department, follows: "On October 10th German submarines were sighted in the Baltic Sea. The same day, early in the morning, the submarines attacked the cruiser Admiral Makaroff, which had stopped to search a suspected bark flying the commercial flag of the Netherlands. "A submarine of the enemy launched several torpedoes, which luckily missed the mark and caused no damage whatsoever to the cruiser. "On October 11th, at 2 o'clock in the afternoon, the submarines of the enemy again attacked our cruisers Bayan and Pallada, which were patrolling the Baltic. "Although the cruisers opened in time a very strong fire, one of the submarines succeeded in launching torpedoes against the Pallada, whereupon an explosion resulted and the cruiser, with all her crew, sank."

The Pallada was an armored cruiser, completed in 1911, of 7,900 tons displacement and 16,500 designed horse power, with a speed of 22 knots, and armor 3 to 7 inches thick. It carried two 8-inch, eight 6-inch and twenty 3-inch quick-firing guns, with seven smaller quick-firers. The Pallada carried a complement of 568 men. With the Admiral Marakov and the Bayan, she constituted a group of cruisers known as the "Bayan class."

### SUPPLIES FOR FRENCH AND BRITISH ARMIES

Chicago, Oct. 13.—(Special)—Negotiations for the purchase of several thousand army waggons, one million blankets, one hundred thousand saddles and bridles, and a large supply of rifle cartridges, for the use of the British and French armies, opened here to-day by representatives of those governments.

### GREEKS EXPELLED FROM TURKEY

**Pretext Given That It is Necessary to Fortify Region Around Eregle on Sea of Marmora**

**PRESIDENT OF COUNCIL OF STATE NOW IN CONFERENCE WITH REPRESENTATIVES OF POWERS.**

London, Oct. 13.—(Special)—In a despatch from Athens, dated Monday, October 12, a correspondent of the Exchange Telegraph Company says that 1,500 Greeks have been expelled by the Turks from the town of Eregle on the Sea of Marmora, 53 miles west of Constantinople, under the pretext that it was necessary to fortify the region.

Continuing, the correspondent declares that conferences are being held at Constantinople between Hall Bey, President of the Council of State, and the diplomatic representatives of the Powers, with the idea of concluding treaties to replace the capitulations granting special rights to foreigners in Turkey, recently abrogated by the Turkish Government.

### ASSASSIN OF ARCHDUKE

**Trial of Man Who Murdered Prince Ferdinand and Wife Has Begun**

**GAVRIO PRINZIP AND TWENTY OF HIS ACCOMPLICES NOW BEFORE THE COURT.**  
London, Oct. 13.—(Special)—The Reuter Telegram Company has received, via Amsterdam, a despatch from Sarajevo, Bosnia, saying that the indictment against Gavrio Prinzip, the assassin of Archduke Francis Ferdinand and wife, together with twenty-one of his accomplices, has been read in Sarajevo. The men are charged with high treason in connection with the assassination of the Archduke. Three other persons have been charged with being cognizant of the plot and of having concealed the weapons with which the outrage was perpetrated.

### "WILLIAM THE BLOOD STAINED"

**New York, Oct. 13.—(Special)—A special cable to the Herald says:**

"Lord Curzon of Kedleston, formerly Viceroy of India, addressing the masters and boys at Harrow School last evening, said: "German action toward Belgium is the greatest crime in history. The German Emperor's name will go down to posterity as 'William the Blood-stained' and 'William the Assassin.'"

### THE WEATHER

Fresh north and northeast winds; much cooler, frost on Wednesday.

### COATICOOK SHOOTING CASE

**D. S. Bachand, Charged With Serious Offence, is Given Preliminary Hearing**

**DR. VERRONNEAU, THE COMPLAINANT, TESTIFIES—CASE IS PROCEEDING.**

The preliminary hearing opened in Judge Mulvena's Court this morning in the case against D. S. Bachand, of Coaticook, who is charged by Dr. M. Veronneau, of the same place, with shooting with intent to kill and wound, and did shoot and wound the said complainant.

The whole of the forenoon was taken up with the examination of the plaintiff, who testified that about 6.30 on the night of Monday, the 5th instant, while closing the doors of his garage, a pistol shot was fired and a bullet grazed his right hand. He heard the shot, but did not see who fired it at the time. He had on his person a revolver, not loaded. He went to his drug store on Main street and loaded the revolver and returned and saw defendant in a crouching attitude on the sidewalk in front of Mrs. Kilburn's house, near his own residence, and plaintiff fired two shots at him. This occurred at about an interval of ten minutes after the other event occurred, according to complainant, and at a distance of about sixty feet from where it took place.

The case is proceeding this afternoon. Mr. C. C. Cabana is conducting the prosecution. Accused is defended by Dr. W. L. Shurtleff and J. A. Leblanc, K.C.

WINDSOR MILLS On Thursday evening the Harvest Thanksgiving service was held in St. George's Episcopal Church and in spite of the inclement weather there was a very large congregation present. The Church was very prettily and tastefully decorated, the altar, pulpit, reading desk and organ, with flowers and evergreens, on the Chancel steps, were sheaves of grain, fruits, flowers, roots, and vegetables. The preacher was the Rev. Professor Vial, of Bishop's College, Lennoxville. He preached a very eloquent sermon.

MARTINVILLE. The annual Harvest Home supper, on Oct. 6th, Tuesday evening, was a success in every way. The most important item of the menu was a chicken pie, of which the quality was excellent. The supper was pronounced to be everything that could be desired. The weather was delightful. The church was very tastefully trimmed for the occasion. A good programme of speeches, music, etc., was given at the close of the supper, the speakers being Rev. Messrs. F. Williams, of Hatley; A. Bishop, Birchton, and J. Pollock, of Moe's River, who each gave short but very entertaining addresses. The selections by the choir were enjoyable, also the

MINISTERS MEET IN FARNHAM

MEMBERS OF WATERLOO METHODIST MINISTERIAL ASSOCIATION IN SESSION. Farnham, Oct. 13.—(Special)—The opening meeting of the Waterloo Methodist District Ministerial Association met at Farnham on Tuesday last. The following members were present: Rev. I. Nelson, of Knowlton, president; Rev. A. Williamson, of Farnham; Rev. R. S. Eagleson, B.D., of Frelighsburg; Rev. D. Guest, of Richmond, Vt.; Rev. A. Fokes, B.A., B.D., of West Brom; Rev. G. R. Russell, B.A., of Mansonville, and the secretary, Rev. F. J. Hayden, B.A., of Sutton. Several letters of apology were read from ministers away attending the General Conference at Ottawa. After the usual devotions several business matters were discussed. A letter of sympathy was ordered to be sent to the friends of the late Rev. W. H. Sparling, B.A., D.D., of Carleton Place, who passed away very suddenly on Sunday afternoon. A general discussion took place on the question of a district evangelistic campaign during the fall months. The first essay of the session was given by Rev. A. W. Williamson, S.T.L., on "Arbitration." He closed with a discussion on international strife and war, and maintained that the duty of Christianity was to maintain peace wherever possible. All the brethren took part in discussion. The next essay was given by Rev. Isaac Nelson, of Knowlton, on "The Message of the Gospel," in which he said was a message of goodness. He maintained that many fail to give Christianity the credit it deserved. He made reference to the number of partial remedial measures adopted by the Church, and said it was possible to find the last chord in most cases if the right means were used. The essayist discussed at length: (1) The quickening power of the social teachings of Jesus; (2) The peculiar demand of our times; (3) The growing recognition of the brotherhood of man among the nations; (4) The making of men. A very earnest discussion ensued, but all expressed their appreciation of an essay so thorough and exhaustive. Among the many subjects discussed were: The preaching of funeral sermons; visiting the sick; organizations in churches and pastoral visitation. Rev. R. S. Eagleson, B.D., spoke of the growing humanitarian spirit of to-day in the social consciousness, and that in France there was to-day a revival of religion through the effects of the war. He claimed that a praying church was the successful church. The secretary, Rev. F. J. Hayden, proposed a vote of thanks to the ladies who had entertained the association, and was supported by Rev. Mr. Eagleson. The resident pastor, Rev. A. Williamson, responded. The next meeting will be held in Granby on December 2. Essayists and subjects will be: (1) Faith as a Factor in the Economy of Christ; Rev. T. O. Orden. (2) Evangelism; Rev. M. Brundage. (3) Conical Phases of the Labor Question; Rev. T. C. Knowles. Leader of discussion, Rev. F. J. Hayden.

CHANGES IN MACDONALD COLLEGE DEMONSTRATORS.

Mr. McDougall acted as assistant to Mr. L. D. McClintock at Cowansville up to August 11, and has had charge of that office since that date, when Mr. McClintock joined the Canadian Field Artillery for the front.

Mr. Emberley has been transferred from Lennoxville to Ayer's Cliff, where the Macdonald College authorities have opened a new office.

YOUNG-ADAMS CO. OPENS STRONG.

The Young-Adams Stock Company opened its engagement at the theatre last evening in "The Great John Ganton," a dramatization of the famous book "Ganton & Co." The staging and acting of the piece was much better than would naturally be expected from a stock company, and the large audience showed its appreciation by frequent and well-merited applause.

H. Wilnot Young as John Ganton is a capable actor. His handling of the part of the gruff, stubborn and aggressive dealer in hogs, whose code of life was founded on the same principles that made David Harum's "hoss" trades so successful, was all that could be desired. He showed a careful study of the part and made it a real characterization. Others of the male members of the cast who did effective work were Clyde C. Cole, Harry W. Lyon, W. Loker, Al White, John J. Gregory, Harry La Reave, George Adams and Jerry Le Roy.

Miss Marjie Adams made a charming May Keating. The part not only gave her an opportunity to display her undoubted talent, but also for the wearing of some stunning gowns. Her blonde beauty has an excellent foil in the handsome brunette, Hazel Steverson, who in the "hearty" part of Mrs. Jack Wilton was extremely good. Marie LeClair, Eva LaReave and Nina LaReave made the most of whatever opportunities were theirs.

This company carries a large vaudeville contingent, and the acts are far above those usually carried by stock companies.

WOMEN OF PATRIOTIC ASSOCIATION ACTIVELY AT WORK.

The regular weekly meeting of the women of the Patriotic Association took place Friday afternoon in the I.O.D.E. room.

The treasurer's report showed a balance of \$1,453.14. The Work Committee report was submitted, as follows: "We are steadily working on caps, socks and wristers for the Second Contingent. In the event of a Second Contingent not being mobilized, we propose either to hand over our work to the Red Cross or send it direct to England for the Canadian soldiers at the front, as the Canadian Society in London, Mr. Perley at the head, has offered to take charge of any articles sent to them, and in this way they will reach their destination much more quickly and safely than if sent to the Contingent direct."

"The Work Committee gratefully acknowledge: 8 pairs socks, and 2 caps, 3 pairs wristers, from Mrs. George M. Thompson, Megantic; 19 caps from Mrs. H. Stevenson, Danville; 1 pair wristers from Mrs. L. A. Brooks, St. Johnsbury, Vt.; 2 pairs socks, Mrs. Warden, New York; 1 cap and 2 pairs socks, Mrs. Boyer, Barrie, Ont.; 1 cap, Mrs. Terrell, Stanstead; 7 pairs wristers, Mrs. Edgell. We have on hand 87 caps, 36 pairs socks and 22 pairs wristers."

The Relief Committee reported that they had investigated 134 cases in

#### PRICE MAINTENANCE.

The Necessity to Aid Consumers.

Many big industries engaged in national trade have often in the past done openly what the small concern in their limited fields have done secretly—varied prices according to the degree of competition at different times and places. Their object has been to secure the highest price to be had, irrespective of whether the buyer was held up or not.

The principle of selling goods at a close margin at one place to meet or to kill competition, and charging a high price to make up for it, where little or no competition exists, is economically wrong and unfair to the buyer. Every article offered for sale should have a uniform price plainly marked upon it. Manufacturers will then have to see that the price of their goods is a reasonable one, so they will sell and at the same time they will provide enough profit to pay the laborer and dealer fairly for handling the goods at a uniform price. This will inspire confidence in the consumer, because he will know the price can not be cut and must, therefore, be a reasonable one to permit the goods to sell. He will buy such goods in preference to a small selling article sold at exaggerated profits.

Everybody will benefit from price maintenance in this way. It will protect the manufacturer who has built up well-known brands, also the newcomer who is seeking to do so. Distributors will be protected in handling it at a fair profit, and they will not be forced, through fear of cut-throat competition, to build up their own private brands at such expense.

When you buy Certain-teed you have our real guarantee that it will last at least five years for 1-ply, ten years for 2-ply and fifteen years for 3-ply, and this guarantee is backed by the world's largest roofing mills.

There is a dealer in your city or town who handles Certain-teed products. He will be glad to give you information and prices.

## NOTES OF NEWS FROM RICHMOND

### Ladies of Place Doing Good Work For Patriotic Fund and For Belgians

#### TOWN COUNCIL WILL DISCUSS THE VOTERS' LIST AT A MEETING TO BE HELD WEDNESDAY.

Richmond, Oct. 13.—(Special)—The Richmond Ladies' organization of the Patriotic Fund, affiliated with the Canadian Red Cross movement, have been very busy during the past few weeks securing results both in money for the Richmond Fund, clothing for the Belgian refugees and clothing comforts for wounded soldiers. They have raised a goodly sum of money through the patriotic booth at the Fair, moving picture entertainment, and other means, and in addition have secured and contributed a splendid and large collection of serviceable clothing for the afflicted Belgians, which was packed at the Court House by the ward team captains and forwarded to the Montreal headquarters for the Belgian Aid.

The officers of the Ladies' organization are: Mrs. A. J. Hudon, president; Mrs. Wm. Ross, vice-president; Miss Ethel Crombie, secretary, and Mrs. W. E. McIver, treasurer. They have a team for each ward in town, with five captains. Ward No. 1, Mrs. Mappin; Ward No. 2, Mrs. J. O. Hudon and Mrs. Lance; Ward No. 3, Mrs. Hart; Ward No. 4, Mrs. Geo. Dyson. And the committee is composed of three ladies from each church in Richmond and Melbourne.

The ladies in the near future will have considerable material ready for sewing and knitting into comforts for our soldiers, and will confine themselves into making nightgowns, pyjamas, dressing gowns, wristlets and fomentation covers. They will be glad of help, and those wishing to assist will please apply to the officers or ward team captains.

The ladies of Richmond are noted for making a big success of any movements they undertake and will undoubtedly place Richmond well up on the list in results for the varied patriotic undertakings.

#### WILL SUBMIT MONEY BY-LAW TO RATEPAYERS.

The regular monthly meeting of the Richmond Council was held on Monday evening last, Mayor Hayes presiding, all Councilors and the Secretary being in attendance. The petitions for the revision of the Parliamentary election lists were filled and will be taken up by the Council at a special meeting to be held on Wednesday evening, the 14th inst. Mr. S. Wier and Mr. W. H. Keenan, respectively, having bought real estate on Dufferin Avenue, their names were entered. By-law No. 111, cancelling By-law No. 109, and authorizing a loan of \$19,000 was enacted and will be submitted to the ratepayers on Wednesday, the 14th inst., and if a poll is demanded, the voting will probably take place on Oct. 20th and 21st. Several accounts were paid and others submitted to different committees concerned, and for reports in connection therewith. Council then adjourned till the 14th inst.

# Sherbrooke's Three-Day Campaign For The Patriotic Fund Starts Tomorrow

## DO YOU KNOW WHY?

Do you know why sixty stalwart men are setting out to-morrow morning on a whirlwind campaign? Hundreds of times the reasons why have been repeated in the columns of this paper—the press of the whole country has again and again told the story of the Canadian Patriotic Fund.

## THEY SHALL NOT WANT.

Thirty thousand of our brave Canadian brothers have gone to the front. There comes a call for Twenty Thousand more. We did not enroll with the first—perhaps we cannot go with the second—But, and for this we should be thankful,—one small mite we can do, we can help to look after the dependents of those who are fighting for us, we can make it easier for men to answer the new call to duty.

## THEIR DUTY AND OURS.

With those who enlist rests the

heavy responsibility of guarding our property, our homes, our rights, and our liberties—we do not doubt they will go even to death to do it. With us at home rests the comparatively insignificant responsibility of caring for their wives, their children, and their mothers—should they be allowed to doubt how far we shall go to do it? LET US GIVE WILLINGLY, AND GIVE WHAT WE CAN, WE SHALL HAVE DONE OUR DUTY—NO MORE. 'TIS A TIME OF SACRIFICE—LET THE SACRIFICE BE CHERFULLY MADE.

## SHERBROOKE NOT FIRST TO COME FORWARD.

Canadian homes from Halifax to Vancouver are to-day receiving their due from the fund. Right here in

Sherbrooke the Canadian Patriotic Fund is being distributed to several families.

Sherbrooke is not behind in receiving aid—Sherbrooke should not be behind in swelling the Fund.

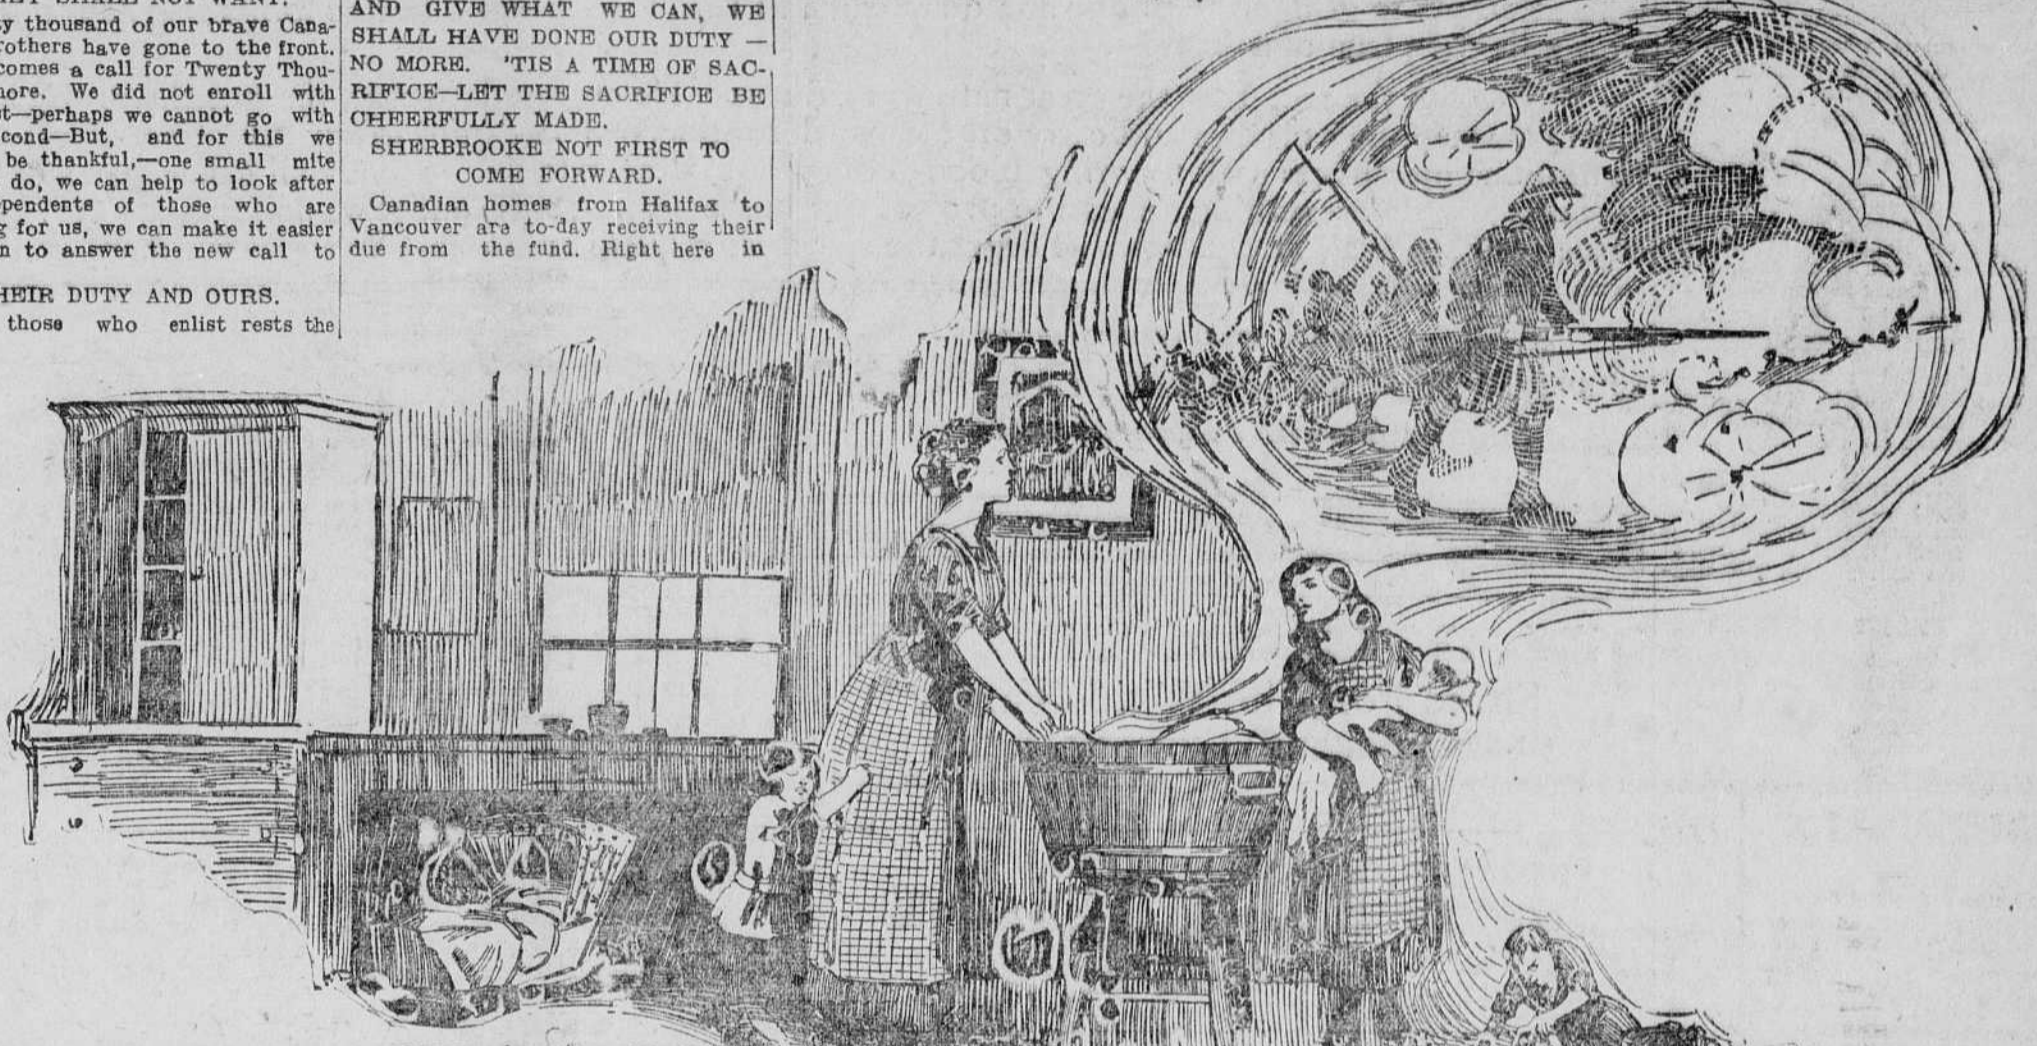

See what other cities have done:

London, Ont.	47,000	\$140,000
Brantford	24,000	80,000

Kingston	19,000	58,000
Guelph	16,000	25,000
Berlin	16,000 (to date)	76,000
St. Thomas	15,000	

With these sterling examples of response to duty before us from cities

who subscribed even before the second call for volunteers was made—shall we, when the second call is sounded in our ears, shall we fall behind? GIVE YOUR ANSWER TO THE COLLECTORS.

#### MEETING OF REBEKAHS.

Olive Branch Lodge, Daughters of Rebekah, is now meeting at the Odd Fellows' Hall on the first and third Wednesday evenings of each month.

#### NEW DEPUTY GRAND MASTER.

The new District Deputy Grand Master for District No. 6, I.O.O.F., is Mr. A. Crack, of Danville. The retiring D.D.G.M. is J. D. Smith, of Richmond, who has been very popular and efficient during his term of office. An effort is being made to have a district meeting at Richmond in the near future, with exemplification of degree work by a team from Sherbrooke or other lodge.

#### DESPATCH BY TELEPHONE.

The telephone for despatching is now installed on the Grand Trunk from Montreal to Richmond and Portland, and was put into use a few days ago. This has resulted in some changes in the despatcher's staff at Richmond, additions having been made from Island Pond. The telephone is still in use to Quebec, but it is understood the necessary installation is ready to be made.

#### THE LATE MRS. SCOTT.

The funeral of the late Jessie Smilie, widow of the late Mr. John Scott, of Richmond Hill, who died at Weyburn, Sask., took place on Sunday afternoon, Oct. 4th, from the old Smilie homestead, Cleveland, and was very largely attended, there being over forty teams. Knowlton, Oct. 13.—(Special)—In the account of the meeting on Wednesday afternoon, when a chapter of the Daughters of the Empire was formed, it was omitted that this chapter would be known as the John Jellicoe. As it was necessary to adopt some name of distinction with the Empire, the above name was chosen as most suitable and familiar to everyone. A magazine in connection with the Daughters of the Empire was subscribed to by Mrs. W.W. Lynch, to be placed in the library for the benefit of the public.

Cutler; tableau, "The Soldier's Return," dialogue, "Courtship Under Difficulties," by F. E. Dyer, W. Stanistreet and Miss K. Newcity; song, "Tramp, Tramp, the Boys are Marching." After the entertainment the Sutton Lodge was entertained in the Methodist Church Hall, where refreshments were served.

#### GEORGE VANCOR PASSES AWAY.

Mr. Vancor was a former resident of Knowlton, having owned a factory here and manufactured pumps. He lived in the house now occupied by Mr. G. Green.

#### HOUSE TO HOUSE CANVASS.

Mrs. E. W. Morgan and Mrs. Guy Mason are making a house to house canvass throughout the village on behalf of the Municipal Council, in aid of the Patriotic Fund. The responses are generous and a goodly sum is being raised.

On Monday evening the Farnham Corner I.O.G.T. Lodge visited the Knowlton Lodge.  
Miss Mildred Whitney left recently for Boston, where she expects to enter the training school for nurses in one of the hospitals there.

#### POTATO GROWERS' ASSOCIATION

A notable instance of co-operative production in a small way is that of the Rainy River Potato Growers' Association. The association started out to market potatoes but as they progressed they became more ambitious and are now marketing cattle, hogs, sheep, butter, eggs, poultry, hay, and grain for the members. The association is situated in the newer part of the province and finds a good market among the lumbermen and railroad contractors. They have a capable manager who is paid a five per cent. commission and is under \$5000 bond. The association has a line credit for \$2000, on a joint and several note of the members; and all produce is paid for when delivered at the shipping point. In starting business the association bought a carload of seed potatoes of the one variety to insure the uniformity of their output. During the last season about \$18000, as business was done and prices realized averaged one-third higher than members had been receiving. Previously much of this produce had been shipped to a central market and reshipped back again. Because of the shortening of the route, the higher prices realized did not mean higher prices to the consumer. It is just an instance of the farmers bringing their own and efficient business manager and controlling their own produce a little nearer the ultimate consumer.

Mr. Hart also gave account of co-operative associations for seed production for fruit and vegetable growers, and for breeding and sale of pure-bred stock. These work along the same lines as the other associations and all tend to show that co-operation is good business for both producer and consumer. According to Mr. Hart, co-operation has worked well in Ontario, no small part of its success being due, no doubt, to the fact that the province has agricultural representatives, 37 of them, located in practically every county. These men make it their business, along with their other work, to organize farmers' clubs and foster the community spirit.

# NOTICE TO THE PUBLIC

WE the undersigned, representing the Merchants of Sherbrooke who desire to serve the best interests of the City and Dominion, pledge ourselves to do our utmost with a view towards controlling retail prices in Sherbrooke that they may not increase beyond the means of the citizens during the present war. It will be understood that prices may increase, but we, as loyal Canadians, promise to carry on our business with the least margin of profit possible.

War was unavoidable and Canada must do her share. We firmly believe that the merchant who attempts to gouge the public at a crisis, such as this, is as much a traitor to his flag as the man who sells the plans of a fortress.

Despite the fact that the great nations of Europe are engaged in war, the people of Canada must eat, sleep, buy clothes and carry on the usual routine. War does not mean ruination unless unscrupulous merchants seek to wring blood-money out of the people. We are all going to stay in business and do everything we can to protect our customers. It is entirely unnecessary to purchase your stock all at one time. Forget the war during business hours--Great Britain cannot lose.

Mr. Daniel Irwin attended the funeral of Percy Norman Quinn at Berlin Falls, N.H., last week.

Miss L. Dunn spent Sunday and Thanksgiving Day with her parents in South Durham.

The room in the Art Hall of the committee in charge of the Belgian Relief work, will be open all this week when goods will be received.

Mr. J. P. Mullins of Bromptonville has returned from Berlin Falls, N.H., where he attended the funeral of Percy Norman Quinn.

Mr. and Mrs. E. H. McKee of Leeds, Que., Mrs. W. A. Crowvel of Eastman, Miss Nellie Bayling, and Mr. Frederick Bayling, of Montreal, calling on Mrs. W. J. Lane, recently.

Mr. C. J. Lane and Mrs. Frank Spry and son, Ross, have returned home after spending the past three weeks with Mrs. C. W. Ross, Niagara Falls, N.Y.

The Ladies Whist Club, which was started in 1909, but which was discontinued for various reasons, and has not met for some years, has been revived this season, and the first meeting was held at Mrs. L. A. Bayling's on Saturday night. Though it is expected that the club will number at least sixteen, there were only three tables at the first meeting, some of the members being away for the weekend. The highest score was made and the prize won by Mrs. J. J. Griffith and Mrs. McGilivray, who is now staying with friends in Sherbrooke, won the visitor's prize.

Miss Nellie Bayling, of Magog, spent the week-end and holiday with her brother and sister-in-law, Mr. and Mrs. L. A. Bayling.

TO-MORROW'S MATINEE.

The matinee in aid of the Patriotic Fund, to be given by the Young-Adams Company to-morrow afternoon, promises to be largely attended. The entire proceeds will be turned over to the Fund.

The public should take advantage of the kindness of the Young-Adams Company and swell the Patriotic Fund.

FOR THE PATRIOTIC FUND. Every lover of good music should make a special effort to attend the organ recital at St. Peter's Church on Thursday, Oct. 15th, to be given in aid of the Patriotic Fund. The cause is good, and the artists the best in the city.

Mr. A. W. Montgomery will preside at the organ and will be assisted by Mrs. F. H. Bradley, soprano soloist, and Mr. Irwin Sawdon, violinist.

It is a foregone conclusion that those who attend this recital will spend a most enjoyable evening. There is seating accommodation for 650 and it is to be hoped that all the seats will be occupied.

Come for the benefit of the Patriotic Fund.

RED CROSS ACKNOWLEDGEMENTS. The Red Cross Society gratefully acknowledges receipt of the following from the Women's Patriotic Association of Lake Megantic: two Balalacha caps, four dozen covers for ice caps, 34 covers for hot water bottles, several dozen gauze compresses, several dozen hospital handkerchiefs, one web of gauze, nine prs. socks, four wristlets.

The final words of the late Colonel Burland, before leaving on the Mauretania to take up his appointment in England, commending the work of the Red Cross, appeal with double force now. "I want the public to realize the magnitude of the work we have to do in supplying needs of the Canadian soldiers who are going to the front. Everything that can be sent is needed."

SHERBROOKE PLOUGHMEN'S ASSOCIATION To Editor Record.—Sir—Will you permit me to call the attention of the public to the annual ploughing match to be held on Wednesday, October 21st, on the land of F. M. Passow, Esq., situated three miles from Lennoxville on the Waterloo Road, and to extend a hearty invitation to Sherbrooke citizens, who have subscribed so liberally to the funds of the Association, to be present on that occasion. It will certainly be a splendid day's outing for all who attend, and they will assuredly be highly pleased to see the ploughmen, who take such pains and interest in the competition, at work on the field. The ploughing teams will be handsomely decorated and form quite an attraction apart from the competition.

All farmers and ploughmen are urged to join in the competition for the valuable prizes, amounting to \$500, and all competitors are requested to be on the ground at 8 a.m. at which

hour the proceedings will be commenced. Farmers and ploughmen, be sure and bring your teams and join in the competition.

The prizes will be distributed the same evening at a banquet to be held at the Lennoxville House.

Yours respectfully, JOHN NICOL, President.

SHERBROOKE SUBSCRIPTIONS

Whirlwind Campaign For Patriotic Fund Starts To-Morrow CAPTAINS AND MEMBERS OF TEAMS WILL MEET THIS EVENING

Everything is ready for the big campaign to raise a respectable subscription in Sherbrooke towards the Canadian Patriotic Fund. Those in charge have taken the opportunity afforded by the Thanksgiving holiday to complete all details in connection with the campaign. The list of names have been revised, the name of each man to be approached has been set down on a separate card, and the team who takes charge of this card will be responsible for securing a subscription or the reason why. Parties who have already subscribed through one means or another will not be again approached, except in a few cases. The cards of those who are to be approached for a second time have a notation showing how much the subscriber has already given. In this way, those who have shown their generosity up to date, will not be put in a wrong position before the collectors.

MEETING TONIGHT It is expected that every man working in the campaign will be present sharp on time at the meeting to be held at the City Hall at eight o'clock tonight. At this meeting each team will be given its work which in turn will be divided amongst the members of the team. The captains are busy today rounding up their men and reminding them of the meeting. Every one seems to have caught the proper spirit, and if the enthusiasm of those taking part in the campaign is a criterion, there is no doubt but that Sherbrooke will do justice to herself in her contribution to the Sherbrooke Patriotic Fund.

LATEST REBELLION IN N. W. CAPE PROVINCE

Cape Town, Oct. 13.—(Special)—The rebellion among the forces of the Northwest Cape Province has been brewing since the resignation of General Beyers, as commander-in-chief of the Union forces. As soon as the Government realized this situation it sent Colonel Britz to relieve Maritz of his command. Col. Britz then discovered that Maritz was commanding German troops as well as his own, and that he had German guns in his possession. Maritz, who had been given the German rank of General, had arrested those of his officers and men who were unable to join the Germans and had sent them as prisoners of war to German Southwest Africa.

According to an official statement an agreement was drawn up between Maritz and the Governor of German Southwest Africa guaranteeing the independence of the Union as a republic, ceding Wallich Bay and other parts of the Union to the Germans, and undertaking that the Germans should invade the Union only if Maritz asked them to do so. Maritz boasted that he possessed large supplies of guns, rifles, ammunition and money obtained from the Germans, and that he would overrun the whole of South Africa.

**CRIMINAL COURT AT SWEETSBURG**

Jurors Were Discharged Saturday Afternoon and Court Adjourned

W. CARTER FOUND GUILTY BY JURORS AFTER A SECOND HEARING.

Sweetsburg, October 13th. - (Special) - The Court of King's Bench was adjourned Saturday afternoon and the jurors dismissed, but not before they rendered a verdict of "guilty" against W. Carter, charged with a serious offence.

This was the second trial of the accused, as last Tuesday the jury could not agree in their decision.

After the verdict defendant's attorney, Lawyer R. Cloutier, polled each of the jurymen, but they all agreed this time in voting "guilty," as aforesaid.

The prisoner will be sentenced next week.

**NOT GUILTY IN ASSAULT CASE.**

The trial of Raoul Brodeur, of St. Joachim, for aggravated assault, on a plea of not guilty the accused established that there had been provocation and that the complainant and victim were under the influence of liquor. The only eye-witness of the affray was absent from court, he having gone West a few months ago. The jury returned a verdict of "not guilty."

Accused was defended by Mr. Cloutier, of Waterloo.

In the afternoon W. Carter was again arraigned and a new jury empanelled, after which the court was adjourned till this morning. It will be remembered that at the first trial there was a disagreement of the jury.

As Monday was a legal holiday, the court did not sit on that day, and the other jurors and the witnesses in the other cases were instructed not to come before Tuesday morning.

**13,000 ENGLISH INTERNED?**

London, Oct. 13.—The following official statement has been received from Berlin by the Marconi Wireless Telegraph Company:

"Enormous quantities of provisions of all kinds were captured in Antwerp. The garrison of the northern forts and 13,000 English fled to Holland, where they were disarmed. The English themselves are said to have blown up ten of the Antwerp forts. The Belgians estimate that they lost 20,000 men as prisoners. When the fall of Antwerp was made known to the Allies, the French cavalry was withdrawn in the direction of Arras.

"The interrupted artillery engagement in the Woivre region was resumed October 11. At the same time the German right wing and centre resumed the bombardment of Rheims.

"On the whole, the situation for the Germans is favorable.

"Before his departure for the front, Emperor William promoted Prince Joachim (youngest son of the Emperor) to the rank of cavalry captain.

"It is reported that a Russian fleet of eight large vessels and ten small ships was sighted on Saturday near Kustendje (a seaport of Roumania on the Black Sea), steaming in a southerly direction."

**ONLY 1,500 BRITISH.**

London, Oct. 13.—Altogether 22,000 British and Belgian soldiers are interned at different points in Holland. About 1,500 of these men are British. This statement has been made by the Dutch War Office, according to a despatch from the Rotterdam correspondent of the Times.

"On October 11 fighting began on the left bank of the Vistula in the direction of Ivangorod and Warsaw.

"There is no change at other points on our front.

"Detachments of Russian cavalry, having passed through the defiles in the Carpathian Mountains, have emerged into the plains of Hungary."

London, Oct. 13.—A despatch to the Reuter Telegram Company from Amsterdam says that a telegram received from Vienna states that the Russians in Galicia and north of the Vistula are pursued by Austro-German troops. Many towns which a few days ago were in the hands of the Russians are now again under an Austrian administration. The message adds that the Russians did not behave as badly as the authorities had expected. Even the Cosacks conducted themselves humanely.

**GERMAN ARMIES REINFORCED IN FRANCE**

London, Oct. 12.—The Times military correspondent says: "The information gleaned from the Dutch press and from travellers in Germany and from other sources, point to the conclusion that during the last few days the German armies in France have been heavily reinforced. There has been a steady flow of trains to the Western front, mainly through Aix-la-Chapelle and some ten or more Landwehr and Landstrum divisions must now be added to the German troops acting in Belgium and France.

"By an expedient or another, the Germans have managed to mass between eighty and ninety divisions in the west. If we add the marine fusiliers' army and the etappen troops and cavalry divisions, the aggregate German forces in the west may total one million five hundred thousand."

**AVIATORS DROP MORE BOMBS ON PARIS**

Paris, Oct. 13.—About 10 o'clock yesterday morning another German aviator visited Paris and succeeded in throwing one of his bombs on the Nord Railway Station. It broke through the glass roof, then struck a girder, falling between two carriages beside the platform, but did not explode. No one was hurt and little material damage was done. The projectile is described as an "incendiary bomb." Five other bombs were thrown.

Five French aeroplanes were sent in pursuit of the bandit and it is announced that two squadrons of aeroplanes are being organized for the protection of the city. The population of Paris is not at all alarmed by these murderous visitations, but it asks angrily why they have not been checked. Fourteen of the victims of Sunday's aeroplane outrage were women, mostly of the working class, six of these being girls.

**R. H. MARTIN, THETFORD, DEAD**

Was One of the Pioneers in Manufacture and Handling of Asbestos

AT TIME OF DEATH WAS PRESIDENT OF THE MARTIN-BENNETT ASBESTOS COMPANY.

Thetford Mines, October 13.—(Special)—Robert H. Martin, of New York, died suddenly here on Sunday morning at the residence of his son, Alexander R. Martin. Although Mr. Martin had been in rather poor health for the past year, still the end was not looked for so soon and came as a great shock to his many friends in Canada and the United States. The saddest part of it is that his wife, who was on her way from New York, only reached his bedside a few moments after he had passed away.

Robert H. Martin was born in Dumblane, Scotland, on March 5th, 1844. He went to the United States at the age of 21, and a few years later was united in marriage to Miss Chalmers, who predeceased him some ten years. By this marriage three children survive him, the Misses Ruth and Grace Martin, of New York, and Alexander R. Martin, of this place. Mr. Martin was married a second time, in 1909, to Miss Campbell, of New York, who, with one son, Rensou, survive him. Much sympathy is expressed for all members of his family, as Mr. Martin was very highly esteemed by all who knew him.

Mr. Martin was one of the pioneers in the manufacturing and handling of asbestos, having been at one time president of the W. W. Johnsonville, of Brooklyn, N.Y., and also of the King's Asbestos Mining Co., and was at the time of his death president of the Martin-Bennett Asbestos Co.

The remains were conveyed by train to New York on Monday evening, the funeral to take place in New York upon arrival there.

plause, great appreciation being expressed for the kindness shown to the workers.

It was moved by Miss White, seconded by Mrs. DeLottinville, and unanimously carried, that a vote of thanks be tendered to Mr. Wright, of the New Sherbrooke, for the great hospitality extended to 54 Red Cross Workers last Sunday, when he served them a very prompt and dainty lunch.

Lady Drummond's address to the Women's Canadian Club was read, giving a sketch of the history of the Hospital Ship Fund.

Mrs. G. L. DeLottinville was appointed Joint President, and Mrs. J. Leonard, Joint Secretary in place of Mde. Rioux and Mrs. Pilcher, whose resignations were much regretted.

The question of apportioning some of the funds now in hand to the National Patriotic Fund then came up for discussion, and it was moved by Mrs. A. F. Fraser, seconded by Mrs. Drury, unanimously carried, that the cash now on hand be divided in half, one-half going to the National Patriotic Fund. It was suggested that after this division of the fund, any entertainment, etc., held for patriotic purposes should have the object specified, whether the proceeds were intended (1) for the National Patriotic Fund, working for the relief of the soldiers' wives and families; (2) for work to provide comforts for the soldiers at the front; (3) for hospital supplies going to the sick and wounded soldiers at the front—the work of the Red Cross Society, or (4) to a fund to meet any emergency which might arise as a direct or indirect result of the war.

The Patriotic Society have received the following further subscriptions, which the Treasurer wishes to acknowledge: Mrs. J. W. Bean, \$5; Mrs. Joyal, 50c.; proceeds Mrs. Pittman's tea, \$11; tea and sale given by little girls for relief of poor in the city, \$11.25; Mrs. Jack Russell (Cap Chat, Que.), \$5; Mr. Gillick, \$1.

The report of the Sherbrooke Branch of the Red Cross Society for week ending Oct. 9th, states that communications have been received from New Haven Conn., Strathlone, Cape Breton, Richmond, Coaticook,

What sends our hearts to zero, tho' England's calling, Come? The Balaclava Hero, in workhouse, doss, and slum.

Hold hard before you call us names,  
We're not afraid to die,  
We'll down our tools, we'll quit our games,  
We'll learn to shoot or fly,  
We'll march until our feet are sore,  
We'll stand until we're stunned;  
But will YOU find two million more  
To swell the women's fund?

We are rolling up in thousands and we're not afraid to die;  
We are ready with our bodies, and we've kissed our girls good-bye;  
Don't forget what we are giving, we who have to earn our living,  
Don't forget what risks we're taking, we who've nought but our own making;  
You have told us, pretty nasty, to stand up and face the smash;  
Well, we're standing up in thousands—are you putting down the cash?

We're giving up our so-and-so,  
Our fun and all the rest;  
Your little street-bred people go  
To fight their little best;  
Our youth, our strength, will put it thro',  
We'll do what England bids;  
But you're a part of England, too—  
Now, what about the kids?

Before you call us hang-backs, face  
This simple piece of Krupp—  
You've got to fill the earner's place,

Gents, while we're standing up to hit  
The wolf is at the door.

We are rolling up in thousands and we've chucked our jobs behind,  
We have kissed our girls and mothers, and we've told them not to mind;  
Don't forget what we are losing, we who've done our bit of choosing,  
Don't forget the risks we're running, we who've got our dose of cunning;
