

BRITISH INTENSIFY BLOCKADE ON GERMAN COAL

More Italian Ships Halted In Campaign

Total of Nine Italian Vessels Detained at Contraband Control Station as Italo-British Controversy Continues—Believe Italian Ships Are Loading British Coal After Unloading Seized German Cargoes.

London, March 6.—Two more Italian ships were escorted by the Royal Navy into the contraband control station at The Downs today, bringing to nine the number of Italian vessels detained in the controversy over German coal exports.

The Ministry of Economic Warfare said all nine were flying the Italian ensign and all were "assumed to be carrying coal."

Today's additions are the Liana and Rapido, both colliers. The other seven are the Orata, Felce, Caterina, Absertia, Ernesto, Numidia and Loasso.

The last-named, at first described as a tanker, has been identified as a coal ship, the Ministry said.

Two other Italian ships lay off Deal for a day or two, but left today with pilots aboard for a northern British port.

Shipping circles expressed belief they were going to pick up cargoes of British coal for Italy, although the British and Italian Governments are at odds over the question of supplying Italy's coal needs from British mines.

Britain wants manufactured Italian products, such as arms, rather than agricultural products in exchange for such coal. British credits for export of coal to Italy were said, however, to have been available for some time, so that Italy could obtain the British coal now and settle later on what Britain is to get in exchange.

Arthur Henderson, Labor, announced he would ask Prime Minister Chamberlain for a statement on the coal dispute in the House of Commons today.

British authorities showed determination to break the German coal export trade with Italy.

The trade went uninterrupted until Saturday morning, when the Allies clamped down. Sources close to the Ministry of Economic Warfare said last week this was "not in any way a reprisal for the temporary difficulties which have arisen in British-Italian commercial and financial talks in Rome."

The Yorkshire Post in an editorial today said:

"Signor Mussolini must not suppose that we are in this war halfheartedly and fear to exert our full influence with neutrals.

"We were willing to come to a war trade agreement with Hitler for the benefit both of his country and ours. Negotiations have broken down because of his unwillingness to supply us in return for coal with certain heavy goods.

"Apparently the belief that he holds the central position on the diplomatic seas, he deems himself able to dictate to us under threat of inclining further toward Hitler if we prove difficult.

"We hope he will not overrate the advantages of his neutrality.

"We have not the slightest intention of being frightened into making war as the Germans would like us to make it and not as we ought to make it to ensure our success."

A source close to the Foreign Office said last night that Britain is continuing on page 2, col. 4.

Defence Minister Denies Hepburn Charges On Air Force Discontent

Ottawa, March 6.—Defence Minister Rogers has offered to let Premier Hepburn visit the Royal Canadian Air Force School at St. Thomas, Ont., with newspapermen to see conditions at the school where the Ontario Premier charged there have been "violent disturbances."

In a statement issued here last night on authority of the Minister who was in Fredericton, Mr. Rogers denied the charges of disturbances and said "It is high time for Premier Hepburn, for the good of all loyal Canadians everywhere, to desist from his intemperate abuse."

"I will make Premier Hepburn an offer, purely in the interests of Canadians, in the hope it will bring him down to earth at last," the Minister said.

"Let him visit the school at St. Thomas. At the same time they will make arrangements for such representatives of the press as desire to be in attendance. He and they may ask all the questions they like. The doors will be open. The entire subject may then be given full discussion and the conditions at this school reported as the press sees them."

Earlier in the day, Premier Hepburn said at Toronto that Canadian censorship had "covered up" what he described as "violent disturbances" at the air school where airmen were "fed up and disgusted with doing

nothing but shining door knobs and polishing floors."

The Ontario Premier said several hundred airmen marched through the streets of St. Thomas in protest against "lack of training." It took three days for military authorities to round them up and the censors warned local newspapermen that the story could not be published, he said.

Mr. Rogers said in his reply that there have been no riots and it "is absolutely untrue" that the airmen marched into town and were not rounded up for three days.

It also is untrue that the St. Thomas paper wanted to publish such a story and was denied the right, Mr. Hepburn's further allegation that the rioters were given blanket leaves so that Mr. Rogers could deny there was any disturbance, was described by the Defence Minister as "sheer fabrication."

A halt should be called by Conservative Leader Manion, Premier Hepburn and Lieut.-Col. George Drew, Ontario Conservative Leader, "to wild and fantastic utterances," Mr. Rogers continued.

He said he did not know if these men realized what they are doing and added "Each time Premier Hepburn indulges his flair for abuse and for groundless statements, for loose and violent speech, he is a party to

ITALIAN PRESS RANTS AGAINST CARGO SEIZURE

Authoritative Source in Rome Declares Italo-British Relations Are Approaching Crisis.

By RICHARD G. MASSOCK, (Associated Press Staff Writer) Rome, March 6.—(AP)—Seizure of Italian cargoes of German coal by British blockaders tends to bring relations between Rome and London toward a crisis, authoritative Italians declared today.

Italy's industrial life hangs upon imports of coal. (Britain has offered Italy Welsh coal to make up for German coal seized as contraband).

Studying reports that British warships were escorting ship after ship into contraband control in application of the Allies' two-way blockade to cover Italian fuel imports from Germany, authoritative quarters declared: "It has complicated and made the Italian-British dispute more acute."

At the same time they refrained from drawing "premature conclusions from the deplorable state of affairs."

Italians avoided any mention of the possibility that Rome might negotiate.

Federal Election Oratorical Campaign Again Returned To Principal Question At Stake

(By the Canadian Press) The Dominion election campaign frequently wavers from the chief issue, which by nearly unanimous consent is the war effort of the Government, but every few days some speaker set it back on the track by sweeping aside secondary disputes and taking up the main argument.

Defence Minister Rogers and R. L. Maitland, British Columbia Conservative Leader, undertook this task yesterday.

At Woodstock, N.B., and Fredericton, Mr. Rogers told audiences again that the Government was appealing to the electorate on its war effort. He said the Opposition have found no adequately supported criticism to warrant a change of Government.

Mr. Maitland said in a broadcast speech from Toronto that nothing has been done by the Government that marks it as a strong, aggressive Government which Canada needs now. He said that Conservative Leader Manion would give the Government of action which Canada requires.

The controversies precipitated by Premier Hepburn of Ontario over his Provincial ban on the march of time film "Canada at War" and his charges concerning disturbances at the Royal Canadian Air Force School at St. Thomas, Ont., have brought him into the election picture although he has not campaigned.

HOLLAND LOSES SUBMARINE IN HARBOR CRASH

All Except Two Members of Crew of Thirty Rescued After Submarine Struck Tug in Nieuw Diep Harbor.

Amsterdam, March 6.—(AP)—The Netherlands submarine O-11 sank in a collision with a tugboat in the Nieuw Diep today, but a daring rescue helped save all except two of the crew of about 30.

The submarine was cruising on the surface at the Denhelder naval harbor preparing to go to sea when rammed amidships by the tug Amsterdam.

Ten men on deck sprang clear and swam to the seawall.

Ten minutes later, a crowd gathered on the wall saw bubbles. Then the periscope appeared momentarily. After another ten minutes, part of the stern emerged.

Two naval officers in a nearby rescue boat leaped aboard the stern and managed to pry open a hatch and help the imprisoned crew to safety.

Later it was announced officially only two men were missing. They were in the bow torpedo chamber. Tugs started salvage work.

(The O-11 built in 1925 and with a surface displacement of 453 tons, has a normal complement of 29 men according to Jane's Fighting Ships. It is one of thirty submarines which The Netherlands has in service or is building for delivery this year.)

BRITAIN AND FRANCE TO DELAY PUBLICATION OF DOCUMENTS

London, March 6.—(AP)—Prime Minister Chamberlain announced today that Great Britain and France had decided against publication for the present of documents covering their negotiations with Soviet Russia which broke down after signature of the German-Russian non-aggression treaty last August.

CENSORS LACK BLUE PENCILS London, March 6.—(AP)—A sudden shortage of blue pencils for censors threatened to hold up war news last night.

Officials of the British Press and Censorship Bureau vainly combed stores for new supplies. The crisis was averted when a big stock of the instruments essential to word destruction was found in the storerooms of the London University, where the censorship bureau operates.

For the moment—between the severest winter in decades and the bright spring—correspondents found nothing but intermittent rain and fog, and the terrain is mostly mud, and localized activity such as that of yesterday.

French officers familiar with the region say they do not believe the Germans will attempt a frontal attack in this interval, although there is always the possibility the enemy may feel there is enough advantage in launching an offensive at an unanticipated moment to offset the natural obstacles.

The whole Allied line is on the alert, and it will remain ready for momentary battle.

CLAIM SIXTEEN BRITISHERS TAKEN

Berlin, March 6.—(AP)—The German High Command today claimed the capture of sixteen British prisoners in a raid on the Western Front.

This was the first group of its size reported to have fallen into German hands on the front since British soldiers joined the French.

One wounded British artillery officer was taken prisoner some time ago, dying later in a hospital.

SETTLEMENT OF EMBARGO FIGHT NOW DISCUSSED

Great Britain and France Send Envoys to Washington to Deal With United States Complaints.

By ANDRUE BERDING, (Associated Press Staff Writer) Washington, March 6.—(AP)—Great Britain and France began special efforts today to iron out difficulties with the United States arising from the Allied blockade of Germany.

Frank Ashton-Gwatkin, an adviser to the British Ministry of Economic Warfare, and Charles Rist, formerly Deputy Governor of the Bank of France, were here to confer with Secretary Cordell Hull and other State Department officials.

The problems that confront them are embraced within the series of American notes sent to Britain in December and January. They involve:

1—Taking American ships into contraband control ports within the European combat area.

2—Censorship of mails.

3—Delays in examining ships at Gibraltar.

4—Blocking German exports to the United States.

The British and French exports also are expected to discuss Allied plans for rationing the imports of neutrals adjacent to Germany.

Britain is reported concerned over increased American shipments to such neutrals, fearing that a portion of the goods is going through to Germany.

The British Embassy recently notified American shippers of lubricating oil that maxicerts would not be issued for the time being for such shipments to several neutrals adjoining Germany.

SPRING THAW COMMENCES ALONG DANUBE RIVER

Bratislava, Slovakia, March 6.—(AP)—The Danube River, Germany's main transport route to southeastern Europe, has begun thawing after being ice-locked since New Year's Day, and the breaking up of the ice was expected to be followed by the dispatch of a large German barge fleet to Rumania for oil and grain.

HEAVY SENTENCE FOR BLACK-OUT THEFT

London, March 6.—(AP)—Walter French, 18, who snatched a woman's purse in the blackout, today was sentenced to three years' imprisonment and twenty strokes with a birch rod.

British Palestine Land Policy Comes Under Commons Criticism

London, March 6.—(AP)—New land laws for Palestine brought a Parliamentary debate today on a Labor Party demand that the House of Commons censure the Government's handling of the Arab-Jewish situation.

Sir William Jovitt was expected to lead the debate for the Opposition and Sir Donald Bradley Somervell, Attorney-General, to reply, Philip Noel Baker, Labor, and Malcolm MacDonald, Colonial Secretary, were also expected to take part.

Dispatches from Jerusalem said a British constable was injured by a stone as police yesterday broke up demonstrations by Jews protesting laws restricting transfer of land from Arabs to Jews.

Windows of buildings along Jaffa Road were smashed, and police established curfews in Jewish sections of Palestine and in the Jewish city of Tel Aviv.

Fourteen British policemen and a number of Jews were reported injured in disturbances last Saturday, but the Daily Telegraph and Daily Herald said these were much more serious, with 8,000 participants in Tel Aviv alone and 150 demonstrators and a score of policemen hurt.

It said policemen were stoned by the crowd, at which they finally fired, and that mounted troops eventually had to quell the outbreak. It said troops in battle kit had to help police in halting a demonstration at Haifa.

BRITISH ORDER REGISTRATION OF YOUNGSTERS

Action Taken to Provide Prompt Dispersal of Children to Country if Expected Spring Raids Develop.

London, March 6.—(AP)—Great Britain moved today to register children in her cities for the purpose of prompt dispersal in event of spring air raids.

Herbert Morrison, leader of the London County Council, governing body of the world's largest city, appealed to parents to register their children immediately.

Mr. Morrison said 400,000 to 500,000 children in Greater London would be eligible for registration.

Mass removals were made when war was declared September 3rd, but there has been a drift of children back from their shelter in safe areas.

"If word is given the children will move out of London, we hope, in the same orderly manner as last September," Mr. Morrison said.

"No child will be taken out of London unless its parents wish. The Government wish children now in the country to stay there. There will be no further dispersal until raids make it necessary."

Increasing Soviet Drive Against Viipuri Turned Back By Finn Defenders

Efforts of Red Army to Seize Strategic Karelian Isthmus Capital by Offensive Over Ice Repulsed Although Attackers Were Supported by Aircraft, Tanks and Artillery—Russian Casualties Unusually Heavy.

Helsinki, March 6.—(AP)—Red Army attacks across frozen Viipuri Bay were reported by the Finnish High Command today to have been repulsed, fending off another assault against the beleaguered coastal city.

Aircraft, tanks and artillery supported the Russian thrust across the ice, but the Finns turned back the attack. The Red Army also attacked in force at many land points on the Viipuri sector between the Bay and the Vuoksi, but the Finns said all attacks were repulsed.

"Heaps of Russian dead" in front of the Finnish positions were described by a Finnish High Command communique which said "dozens of tanks" were destroyed.

The Eastern end of the Isthmus Front, where the Finnish lines have stood firm against continued Russian pounding, saw lively artillery activity, and farther north of the Kuhmo sector Russian attacks were repulsed, the Finns reported.

Soviet air raids behind the lines killed forty persons and wounded many others during attacks yesterday on Nikkeli, Lahtis and Kuopio. Ten enemy raiders were shot down during the forays, the Finns said, adding their own air force "undertook numerous patrol and bombing flights in support of our land operations."

Coastal guns sweeping over the ice of Viipuri Bay on the flank of the deponated, half-raised Karelian capital joined in the aerial assault on the tightening siege lines.

Bombs and shells ploughed great holes in the ice, it was reported, and some of the Russian troops with several tanks were plunged into the water, infantrymen and tank crews alike drowning.

And early today Finland's flag—a blue cross on a field of white—fluttered from a battlement of historic Viipuri Castle, although the Red Army was pounding at the gates of the city and Finns themselves acknowledged that Viipuri could not be held much longer.

Viipuri long since gave up her civilian population, about 74,000, removed to safety in the face of the Russian drive on the Karelian Isthmus-Manerheim line.

The Russians reported no fresh inroads against Viipuri proper, but told today of seizing another foothold in the encirclement drive, the town of Nevela, nine miles north-east of Viipuri.

(According to Red army communique, the invaders are on four sides of the bomb and shell-battered city, including forces said to have crossed Viipuri Bay to gain shoreland footholds southwest of Viipuri.)

The best Finnish advice were that the Russians had been unable to cross Viipuri Bay in force. Reports of the Finns' smashing bombardment of attempts in that direction appeared to support this.

There was no indication of how long Viipuri would be held before full retirement to a new line of defence.

PUBLIC SCHOOL MAY DISAPPEAR AS WAR RESULT

London, March 6.—(AP)—Thousands of conservative Britons today read with dismay reports that the war may force extinction of "the public school."

In hundreds of homes breakfast bacon turned cold as loyal wearers of "The Old School Tie" read gloomy accounts predicting the end of the traditional system that is public in name only.

Most prominent of those whose predictions were printed was Sir Cyril Norwood, former Headmaster of Harrow, which shares honors with Eton as one of the most aristocratic schools.

Sir Cyril was reported to have told Royal Air Force officers in France that the public schools "have done their job and produced their leaders, but after the war it will be found that their day is done."

The burden of war taxation would result in an insufficient number of parents "who can afford to pay £200 (\$800) a year for the education of a single boy," said the former Headmaster.

The Assembly yesterday gave first reading to three Government bills.

Fisheries Minister P. E. Cote declined to furnish the Opposition with details of his bill to amend the Provincial Fisheries Act. The other administration bills would permit universities to acquire for experimental purposes unclaimed human bodies, and would change from June 30th to March 30th the end of Quebec's fiscal year.

The latter date would correspond with the fiscal year-ends of the Dominion and Ontario Governments.

Participating in the day's Throne speech debate were Johnny Bourque, Union Nationale Member for Sherbrooke, and former Minister of Public Works; F. J. Leduc, Liberal Member for Laval, who once served as Roads Minister in the Union Nationale cabinet; Camille Proulx, Union Nationale Member for Gaspé, South, and Mr. Caron.

Bourque and Leduc clashed when the former said the member for Laval "knows the reasons for his dismissal from the cabinet," which occurred three years ago after a disagreement with Duplessis. When Leduc objected, the Opposition Leader told the House he did not "know why the member for Laval objects. There is no insinuation, surely, in saying he knows the reasons."

Leduc objected again when Bourque said "if his former colleague insists I have no objection to naming the reason. Duplessis asked for 'fewer interruptions' and immediately Premier Godbout entered the discussion to state: 'I hardly think the Opposition Leader is qualified to speak like that after the way his administration acted here during its three years of life.'"

Quick Success Predicted For First Major British Loan Of Present War

London, March 6.—(AP)—Quick success for the £300,000,000 (\$1,325,000,000) war loan announced yesterday by Sir John Simon, Chancellor of the Exchequer, was predicted by leading newspapers today.

The loan will be issued next Tuesday at par, to extend for fifteen to nineteen years, and carry three per cent interest.

"The Treasury has certainly demonstrated its ability to manage the gilt-edged market in wartime," said the Financial Times. "It is indeed symptomatic of this advance in market technique, by comparison with the last war, that the new loan, unlike several long-term issues of 1914-18, does not carry the right of conversion into any subsequent war loan."

"Those who subscribe to the utmost of their power to this first major appeal will have the added satisfaction of knowing not merely that they are helping pay for the war but that they are protecting the real purchasing power of their remaining income."

The Daily Express said: "The little men have saved a million pounds a day for a hundred days (a reference to the war savings campaign). Now big business have their chance. Sir John asks them for a loan at three per cent. Sir John is handing the nation's finances with great skill. This is to be a three per cent war."

The Daily Mail: "This sum should be available many times over. The people should rally to Sir John's new appeal and show by heavy oversubscription the resources and determination of Britain. It is indeed satisfactory to compare the prevailing rates of interest with the five per cent and more which were customary between 1914 and 1918."

MOSCOW FOOD SUPPLY DECLARED WORST IN HISTORY

London, March 6.—(AP)—Moscow's food supply is "worse than at any time since the famine of 1933," Spencer Williams, Secretary of the American-Russian Chamber of Commerce, said last night in an interview broadcast to the United States.

Williams, who just has returned to London after ten years in Russia, said "the Russian workingman and peasant face a condition in their daily life as regards food, clothing and articles of everyday use which is bound to undermine the morale of any people."

FINAL TRIBUTE AT WINDSOR TO A. PROVENCHER

Funeral Services Held in St. Philippe's Church for Former Merchant and Prominent Postmaster Who Died Sunday.

Windsor Mills, March 6.—Representative of the industrial, business and community life of this Eastern Township's centre, gathered here yesterday at funeral services for Auguste Provencher, prominent Windsor resident who died early Sunday morning at the age of sixty-three years.

The services were conducted in St. Philippe's Church, where the body was received at the door by Rev. Father Origene Vel, parish priest of Magar. The solemn Requiem Mass was chanted by the Rev. Canon: Ira Bourassa, pastor of the Cathedral in Sherbrooke, assisted by Rev. Father R. Demers, of Windsor Mills, as deacon and Rev. Father V. Dupon, also of Windsor, as sub-deacon.

Members of the immediate family who survive Mr. Provencher are five daughters, Auguste and Florence, of Windsor, Gertrude, Mrs. J. H. Michaud, of St. Anne de la Pointe, Laurianne, Mrs. Julien Pesant, and Miss Marcelle Provencher, of Montreal; five sons, Conrad, Gustave, Simon and Lemire Provencher, of Windsor, and Raymond Provencher, of Sherbrooke; three brothers, Alfred, of Arthabaska, Lesnidas, of the Western Front, and Gerard, of Durham, and four sisters, Mrs. Evariste Boisclair, Sister Ste. Raymond de Pennafort, of Montreal, and the Misses Laura and Axilda Provencher, of Arthabaska. Mrs. Provencher died five months ago.

Relatives from out of town who attended the funeral were Dr. Jean Marie Beaudin, Paul Brunson, Joseph and Noel Provencher, of Arthabaska; Mr. and Mrs. Joseph Lemire, of Drummondville; Mrs. Evariste Boisclair, Desire Houle, Benjamin Paris, Dr. and Mrs. Julien Pesant and their daughter, Miss Michelle Pesant, and Miss Marcelle Provencher, of Montreal; Mrs. J. H. Michaud and her daughter, Miss Louis Michaud, of Ste. Anne de la Pointe; Conrad Provencher, of South Durham; Miss Gertrude Povencher and Mr. and Mrs. Roland Provencher, of Victoriaville.

Friends from out of town attending the services included Mrs. D'Arcy O'Reilly, of Sherbrooke, and Gerard Desmarais, of Windsor. Mr. Provencher was born in St. Norbert, near Arthabaska, a son of Augustine Provencher and his wife, Marie Lemaux. He had been a resident of Windsor for thirty-four years, where he occupied a prominent place in the life of the community. Following the 1928 fire which destroyed the block in which his large general store was located, Mr. Provencher erected a new block, selling this later and building another. He operated a store until 1930, when he accepted the position of postmaster, which office he filled until his retirement in 1936.

DUBOIS IN DECISION WIN

APPOINT TEAMS FOR DRIVE AT WINDSOR MILLS

A. J. Philip Appointed General Chairman and Community Divided in Districts for Salvation Army Appeal.

Windsor Mills, March 6.—Marked by a spirit of enthusiasm which augurs well for the success of the Salvation Army campaign here, an organization meeting was held at the home of A. J. Philip last night to appoint team captains and make arrangements for the appeal which opens next Monday for the Army's War Services work.

Mr. Philip was appointed General Chairman and the community was divided into three wards, north, south and east, for canvassing. A fourth team will be in charge of the drive in Greenlay, across the river. A. W. Sykes and Herve Gervais were named team captains for the North Ward, with John McCubbin and Leon Garon for the South Ward and Dr. R. Morissette and G. Deslites in the East Ward. Greenlay will be in charge of Team Captains Leon Garon and M. Janelle.

In addition to its work among Canadian soldiers at home and in England, the Salvation Army is active in Finland, where members of the organization are aiding in the care of thousands of refugees who have been forced to flee from their homes before the steady push of the Red forces, seeking refuge in the frozen forests. Hundreds of Finnish children have been brought by plane to Sweden, where they are being cared for by the Salvation Army.

With the anticipated spring offensive on the Western Front growing nearer daily, Salvation Army officers are making preparations to carry their services right to the front lines where Canadian troops are sent and, as in the last war, the Army will be there to cheer and assist the men.

BRITISH PLAN TO PURCHASE MORE N.S. FISH

Government Studying Plan for Transportation of Newfoundland and Nova Scotia Fish to Old Country.

London, March 6.—(CP-Cable)—David Robertson, Conservative Member of Parliament, in an interview today with Food Minister W. S. Morrison, urged that the Government consider his scheme to supply Britain with fish from Nova Scotia and Newfoundland. He said the question was a complicated one, involving currency, a supply of vessels and refrigeration. He added that he saw no reason why Nova Scotia should not be included in the scheme.

WIDESPREAD ANGER IN INDIA AT RAID

Lahore, India, March 6.—(CP-Reuters)—Widespread anger has been aroused in India by the bombing by a German warplane of the steamship Domala on which more than one hundred Indian seamen were killed.

The Moslem paper Inqilab said that indignation is intense, especially in the Punjab and the Northwest Frontier Province. "The Indian Nation," published at Patna, called the incident "one of a series of barbarous acts of war the Germans are committing at sea and in the air."

PATRON SAINT OF IRELAND IS HONORED HERE

Entertaining Programme, Featured by Address on Irish Literature by Rev. Bro. Whelan, Held in St. Patrick's Church Hall Last Evening.

St. Patrick's Day this year falling as it does on Palm Sunday, and in view of the fact that the Lenten Mission at St. Patrick's Church, the feast of Ireland's Patron Saint will not be celebrated with the usual pomp and ceremony by the Irish community in Sherbrooke and must necessarily be anticipated. Nevertheless, it was celebrated in a very fitting manner last evening at a meeting of the Catholic Women's League, who were joined by a large number of parishioners, by a delightful and instructive programme under the able direction of Mrs. F. J. Doherty with the collaboration of Mrs. L. E. Codere.

Following the singing of "O Canada" was "A Medley of Irish Airs" arranged and played by Mrs. L. E. Codere. The rapturous applause was graciously responded to with more Irish airs. Mrs. Cesare Gervais gave the ever inspiring "Kerry Dance" and as an encore "Mascushla", Maurice Lacroix, violinist, delighted the audience with the Irish air "The Valley Lay Smiling Before Me." Two favorite Irish songs, "A Shore" and "Danny Boy" were sympathetically sung by Marcel Dufresne, and the musical part of the programme was brought to a close with a spirited chorus arranged by Mrs. L. E. Codere, the soloists being Mrs. J. T. Hawkins, Misses Ann Crochetiere, M. Corcoran, Margaret Fitzgerald and Monica Veasey, John Codere and Marcel Dufresne.

The highlight of the evening was a scholarly address by Rev. Bro. Whelan, of St. Patrick's Academy, entitled: "Early Irish Literature and Its Influence on European Literature." Brother Whelan traced the history of Irish literature from civilization and even prior to that and stated that one of the points which differentiate it from the vernacular literature of Europe, Greek excepted, is the extraordinarily early period at which it took its rise and the enormous length of time during which it flourished.

The speaker drew attention to the elaborate system of bards, poets and meters which assumed shape in early days, described this system very fully and stated that the originality of the literary genius of the Irish is all the more striking because utterly unaffected by the literary art of other peoples. The speaker averred that there was probably never any race of people who so revered, admired and, better still, rewarded their poets as did the Irish.

Brother Whelan stated that the Irish had a written literature centuries before the rest of Western Europe, and conclusive proof of this is to be found in the Irish Annals. Their reliability has been definitely proved by the discoveries of modern science, and their credibility absolutely tested by their accounts of natural phenomena, as for instance eclipses recorded as to the exact date and hour, he said.

Another trait which distinguishes even the earliest Irish literature from that of the rest of Europe is the marvelous way in which it interpenetrated by the love of nature in all its aspects. One of the most notable contributions of this cultured people so intent on the uplift of mind and heart was the invention of rhyme in poetry and the speaker quoted Hyda as saying: "It is a tremendous claim to make for the Celt that he taught Europe to rhyme."

Brother Whelan recounted the many vicissitudes and misfortunes which pursued Irish literature in the early days and in particular the destruction of priceless volumes after the Norse invasion, following which the literate of Ireland laboriously gathered the fragments and rewrote them. It is from that period that the most important Irish manuscripts date.

The condition of literature in other parts of Europe between the years 448 to 1066 were fully described and it was during that period that the "clucky Irish" were absorbing the learning of other races from the traders playing between the shores of these different countries and in particular from the Gaulish scholars who brought their precious learning and valuable manuscripts to this even then Christian country. \$283 DAMAGES ARE AWARDED IN JUDGMENTS

Suits Based on Accident, Claim for Debt and Wage Dispute Settled in Rulings by Mr. Justice C. D. White.

Damages aggregating \$282.50 were awarded this morning in the local Superior Court when Mr. Justice Charles D. White handed down judgment in three minor civil suits, one a claim arising from an accident, a second for debt and the third an aftermath of a disagreement on wages.

Because they neglected to keep a staircase in proper repair, Mr. and Mrs. Henri Boutin and Yvonne and Cleophas Fortier, proprietors of an Aberdeen Street tenement house, will have to pay H. V. Bennett, of Sherbrooke, \$167.50 for expenses arising out of a mishap in which Bennett's wife fractured her foot. Bennett had originally sued for \$1,037 claiming that his wife was returning from a visit with her parents who lived in an upper storey of the Boutin-Fortin apartment house and was coming down the outer stairs of the building when her head caught in one of the steps. Losing her balance Mrs. Bennett fell to the ground, receiving a double fracture of the foot.

Mr. Justice White upheld Bennett's contention that the accident was due to negligence of the proprietors in not keeping the stairs in good shape, and rejected the plea of the defendants that Mrs. Bennett's fall was due to her negligence in failing to notice some ice that was on the step. Justice White maintained, however, that the damages asked for were exorbitant and granted \$167.50 for medical expenses and suffering. Alphonse Bolduc, local garage owner, was granted one hundred dollars, amount he claimed was owed to him by Henri Pomerleau, of Sherbrooke, in another of Mr. Justice White's rulings. According to Bolduc's story Pomerleau had his car repaired at the plaintiff's garage at a cost of \$326.88, of which an insurance company paid \$228.88 and the defendant was responsible for the balance.

The claim of Georges Gagnon, local painter, that while working for H. Marchessault and Company, of Montreal, on a whitewashing job he was employed as a skilled laborer was dismissed in the third suit settled by Mr. Justice White. Gagnon asked \$211.75 as the difference between the pay he actually received for working 279 1/2 hours and what he thought he should have received. He was awarded fifteen dollars, however, for the price of a piece of wood he claimed he had bought for the company.

BASKETBALL

LOCAL CAGE TEAMS TRIUMPH

In a basketball doubleheader played at the Y.M.C.A., Spartans handed Lennoxville a 50-23 setback and the Madcaps girls' squad defeated a Lennoxville aggregation 46-25.

Don Barfield paced Spartans to the Eastern Townships League victory, running in 19 points, while Bill Hammond collected 16. Stevie McKelvie scored eight points for Lennoxville, Harry Fowles getting seven and Doug Glass six, while Creighton tossed in four field goals as his contribution to the Sherbrooke team's triumph.

MADCAPS DOWN BISHOP'S

Madcaps scored a 22-18 victory at Lennoxville last night over a girls' basketball team representing the University of Bishop's College.

touched upon by the speaker is that known as voyages, the romance of travel and legend. "There is at present in Ireland," stated Brother Whelan, "a great educational revival which has attracted and won the admiration of men in every land. The fact that the Irish nation has given birth to an intellect or genius which has merited for her the title of 'Isle of Saints and Scholars,' gives promise that this generation will not fail in the building up of a new social order and a new literature. Anglo-Irish to which they will contribute the full brilliance of their intellect." Mrs. Francis Hoye ably presided at this memorable evening and expressed sincere thanks to Bro. Whelan, to Miss Doherty and Mrs. Codere, as also to the artists who contributed of their talent and time towards the making of an enjoyable evening. Mrs. Joseph Mooney introduced the speaker of the evening.

BROTHERS FORM MAJOR ITEM IN B.C. REGIMENT

No Less Than Twenty-Two Sets of Brothers Enlisted in New Westminster Second Division Unit.

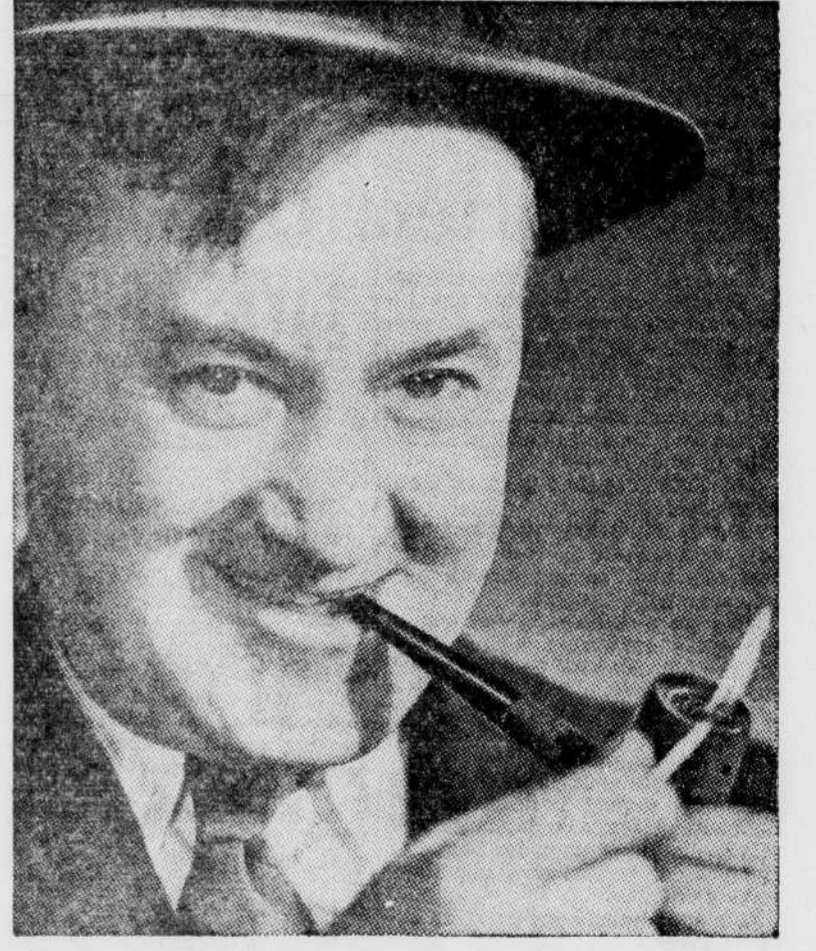

New Westminster, B.C., March 6.—(P)—The Westminster Regiment for the Second Division of the Canadian Active Service Force has given a real meaning to the phrase, "Brothers in Arms." The machine-gun unit boasts no less than 22 sets of brothers within its ranks—believed to be one of the largest such lists in any Canadian outfit.

The brothers range all the way from the rank of captain down to buck private and they come from all walks of life. Some of them have been in the militia unit for years while others have joined for the war. As one former logger who came out of the British Columbia woods to join up explained: "I wanted to be with my brother and look after him."

Mr. Picobac draws a line

"I'm no fire-eater", declared Mr. Picobac, applying a match to his pipe as though to belie his words. He carefully closed his seal-tight Picobac pouch and returned it to his pocket. "I'm a man of peace", he continued. "Peace and friendship. What I mostly enjoy is a mild... cool... sweet smoke in good company like we have here tonight. But—there's a line, gentlemen. There's a line. I have to draw the line somewhere." "Just like Mr. Chamberlain", said Les, wiping the soap off his razor. "Exactly!", agreed Mr. Picobac. "And the whole British Empire's behind him!"

Weedon Resident Named as Official Standard-Bearer Against J. P. Mullins at Convention at Richmond Yesterday Afternoon — Prepare to Welcome Conservative Leader.

Federal Election Oratorical Campaign Again Returned To Principal Question At Stake

Continued from page 1. At Haliburton, Ont., Transport Minister Howe said that permission to show the film was refused because the Provincial leaders did not want their critical statements disproved by photographs.

The naming of Joseph Goulet, Weedon insurance agent, as official Conservative candidate in Richmond-Wolfe and preparations for the coming to Sherbrooke tonight of the Hon. Dr. R. J. Manion occupied the spotlight in today's Eastern Townships political picture.

Goulet was chosen at the Richmond-Wolfe Conservative convention held yesterday in the Richmond Town Hall where Albert Gaudreau, of Asbestos, and A. B. W. Skinner, of Bishopton, were joint chairmen.

The Weedon man was elected by acclamation after Redmond Hayes, of Richmond, and Lucien Martin, of Windsor Mills, declined to oppose him at the convention, both stating they believed it was only fair that a Wolfe County resident be named candidate.

Principal speakers at the Richmond meeting were J. K. Elliott, K.C., of Montreal, Antonio Drolet, K.C., of Sherbrooke, and Mr. Hayes, all of whom attacked the manner in which the Liberal Government has administered the country's affairs during the last five years and forecast a victory for the Manion supporters in the March 26th general elections.

When Dr. Manion, making the first speech of his campaign in Quebec Province, mounts the platform at Notre Dame Church Hall tonight he will be accompanied by T. G. Walsh, President of the Sherbrooke County Conservative Association, Charles deL. Mignault, K.C., Antonio Drolet, K.C., Emile Bellemare, of Hector Choquette and Joseph Goulet, Conservative standard-bearers in Sherbrooke and Richmond-Wolfe, respectively.

Expected to arrive on the seven o'clock train from Montreal, the Conservative leader, Mr. Manion and party will be met at the station by a delegation headed by Mayor Marcus Amelange who will extend the freedom of the city to the visitors. The group will then go to Notre Dame hall with the Manion group scheduled to leave about ten o'clock.

MOCK ELECTION GIVES CONTROL TO C.C.F. BLOC

Young People's Union of Plymouth Church Return Third Party With Overwhelming Majority After Considering Platforms.

Canada's two major parties, Liberal and Conservative, fell last night before the determined onslaught of the Co-operative Commonwealth Federation, whose platform and campaigning won them control of the Dominion's policies at a Plymouth Young People's Union mock election campaign.

Candidates nominated in the imaginary election district were Miss Gertrude Gaffney, Liberal; Donald Foreman, Conservative; and Adair Morrison, C.C.F. These three addressed the meeting in turn, outlining their policies and doing their best to ensure their election.

As a matter of course, the party leaders visited the constituency and made speeches to the populace. Dr. Hon. Mackenzie King was represented by George McIntosh; Hon. Dr. Manion by Sam Lipin, and J. S. Woodsworth by Dr. Gordon Rothney. The Liberal leader defended his action in calling for a sudden election, and cited its record in prosecuting the war. "Dr. Manion" urged the necessity of non-partisan government to utilize the best minds in the country regardless of party ties.

The two-fold programme of the radical C.C.F. party, however, proved to have the most appeal. Dr. Gordon Rothney, Adair Morrison proposed the elimination of war profiteering and preservation of democratic liberties at home. They described their planned system for reabsorbing into civilian life those who had left their peace-time occupation to serve their country.

When returns were counted after the condensed electioneering session, it was found that the C.C.F. had polled a total of nineteen votes, Conservatives five, and Liberals three. Accordingly, the successful candidate, Mr. Morrison, was declared duly elected. Rev. F. A. C. Dossie acted as Returning Officer.

BELVIDERE W.I. ACTIVITY COMES UNDER REVIEW

Miss F. I. Drummond Re-elected President of Institute at Annual Meeting — Contribution to Red Cross Work Outlined.

The re-election of Miss F. I. Drummond as President and reports reviewing the past year's activities, particularly the contribution to the Red Cross and the various benefits of the annual meeting of the Belvidere Women's Institute held at the home of Mrs. J. W. Cilles.

Letters were read from the local Red Cross depot and Montreal Red Cross headquarters commending the Institute for their creditable work and from Mrs. Dorothy Walsh, Provincial Convener of Home Economics, asking for thrift articles for the annual convention.

From the report of Mrs. Cilles, Red Cross Convener, it was learned that to date five hats, three pairs of knee caps, sixty-six pillow cases, twelve bathrugs, eight pairs of socks, six scarves, nine wristlets, two sweaters, two pairs of gloves, two quilts and two pairs of mittens have been sent to the local Red Cross depot.

The annual financial statement as tabled by the Treasurer indicated receipts at \$347.21 and disbursements at \$343.78. The Agricultural Convener gave an address on "Re-planting Plants" and discussed plans for a flower show, while the Child Welfare Convener, Miss Dorothy Cilles, Secretary-Treasurer.

Conveners were appointed as follows: Agriculture, Mrs. H. R. Ross; Canadian Industries, Mrs. A. E. Cilles; Canadianization and National Events, Mrs. F. Parkin; Education and Home Schools, Miss Drummond; Child Welfare and Public Health, Mrs. Tarte; Home Economics, Mrs. J. W. Cilles; Immigration, Mrs. C. Drummond; Legislation, Mrs. Dobb; Publicity, Miss Doris Cilles; Sunshine, Mrs. W. Ellis and Mrs. S. Cilles; Community Hall, Mrs. A. E. Cilles and Mrs. W. Ellis, and Purchasing, Mrs. Irvin Smith.

Following adjournment, refreshments were served, with Mrs. W. Ellis and Miss Doris Cilles assisting. Mrs. A. E. Cilles did the honors at the lace-covered table which was centered with a pot of tulips.

In the evening Mr. and Mrs. J. W. Cilles opened their home again when "500" was played at three tables. The lady's prize was won by Mrs. W. Ellis and the gentleman's prize by Mr. Garland Page.

Quick End To Strike In Magog Textile Plant Is Expected

Magog, March 6.—Probability that a strike among employees of the night shift of the spinning department in the Dominion Textile Company mill here would be short-lived was indicated today by John Peters, an official of the company, who told the Record that many of the strikers returned to work as usual last night and that more were expected tonight.

About fifty men in the spinning room of the plant struck Monday night, protesting against an overseer, Mr. Peters said. He added that in an interview granted a delegation from the strikers yesterday with John Boardman, the superintendent, no proof was given to substantiate the charges against the foreman.

According to Mr. Peters, the overseer, whose name was not disclosed, was accused by the strikers of overworking them. Only about one third of the employees of the spinning department entered into the walk-out.

The men made no demands for salary readjustments or reorganization of the company's labor council, Mr. Peters said, attributing the trouble to "three or four men in the department."

Other departments of the large mill have not been affected by the strike, Mr. Peters stated.

Returns Of Electricity Department Recorded Increase Over 1939 Period

With February receipts in the Electricity Department well ahead of the corresponding month last year although slightly lower than January, 1940, satisfactory revenues from Sherbrooke's public utilities and in the municipal tax department were noted in the monthly statement released this morning by City Treasurer Maurice Cormier.

Domestic, commercial and industrial consumption of electricity during the last month brought \$57,787.49 into the municipal coffers as against \$61,298.37 in January and \$49,530.88 in February of 1939. The slight falling-off from the January figure is seasonal and can be attributed to the increase of hours of daylight as winter draws to a close.

Consumption of gas in Sherbrooke continues at a high level with revenues from this source totalling \$8,376.99 for last month, \$6,632.10 for January and \$5,974.21 for February, 1939. Collections in the Waterworks Department, with a quarterly installment due in February, were over five hundred dollars ahead of last year and almost \$14,000 up on the January figure.

In the Tax Department increases were recorded in the receipts from workmen's dwellings, real estate and other levies while revenues from licenses and rental taxes were slightly lower.

Table with columns for Feb. 1940, Jan. 1940, Feb. 1939. CONSERVATIVES UNDER FIRE OF NOMINEE HALLE

Opposition Accused of Underhandedness at Liberal Meeting in Favor of Bromo-Missisquoi Candidate.

Farnham, March 6.— Maurice Halle, Liberal nominee for Bromo-Missisquoi, opened his campaign by addressing a public meeting at Farnham, flaying the Conservative Party for what he described as an "underhanded policy."

Mr. Halle contended that an election was necessary before the spring offensive in the Western Front, but he described the attempt of the Conservatives to gain power under the guise of a National Government. "The Conservative Party runs the risk of losing to the C.C.F. the title of official opposition," he said.

"Dr. Manion, who supports National Government, cannot be considered the real leader of the party, because this is impossible without the co-operation of the Liberal Party," declared the Liberal nominee.

Concluding his speech, Mr. Halle cited appreciation of the Hon. Mr. King and Hon. Ernest Lapointe concerning the prosecution of war, and expressed his concurrence with their opinions.

Other speakers at the meeting were Senator Charles B. Howard, Daima Landry, K.C., Dr. Boisseau, of Farnham, Dr. J. H. Bouleau, of Notre Dame de Stanbridge, and H. A. Gosselin, of Farnham, Presiding over the meeting were U. Fortin and N. Beaugrand, Mayors of the town and township of Farnham, while Mr. J. Dube and Mrs. U. Fortin, President and Vice-President of the Missisquoi County Liberal Women's Association, were on the stand.

Mr. Halle addressed another assembly at Dunham, when other speakers included Dr. Boisseau, of Farnham, and Marcel Lafontaine, of Montreal.

STORY OF WOOL ADDRESS TOPIC AS CLUB MEETS

Francis Hoyer Gives Classification Talk Before Fellow-Members of Local Rotary Club—Processes Were Described.

In normal times woollen mills in the Dominion are faced with stiff competition from England because of an attitude prevalent in Canada that imported goods are the best, Francis Hoyer, Chairman of the Fellowship Committee of the Sherbrooke Rotary Club, said last night in a classification talk given before his fellow-members at their meeting in the New Sherbrooke House.

Mr. Hoyer is head designer of the Paton Manufacturing Company, Limited. The attitude in regard to imported woollens persists in spite of the fact that officials of Canadian mills are confident their products are equal to any in the same class made in England, Mr. Hoyer stated.

First mention of cloth as used by man was made in the Book of Genesis, the speaker said, while in the Book of Exodus it was revealed that the Hebrews had acquired the art of dyeing. Thus, the history of cloth is associated with the history of man, Mr. Hoyer pointed out.

Reviewing the use of wool in England, Mr. Hoyer said that between 1660 and 1825 export of the product was prohibited but a great deal was landed on the continent by smugglers. The first woollen mills in New England were established in the early years of the eighteenth century, he said, but the first power looms were wrecked by mobs of weavers.

Mr. Hoyer described the woollen and worsted processes as used at the local Paton mill, tracing the steps through the mill necessary to change the raw product to the finished material. The essential difference between woollens and worsteds is that in the former the fibres are criss-crossed, while in the latter they lie parallel, he said. Mr. Hoyer mentioned that the spinning machines used in modern mills are derived from the old spinning wheel. He illustrated his remarks with many examples of the wool in the various stages through which it passes before the cloth is completed.

Mr. Hoyer was presented to the club by President Gerald Wiggitt, who was in the chair, and thanked by Past President N. Holtham. During the meeting the President announced that Past President D. A. Stevenson had been named chairman of the Canadian Advisory Board of Rotary International.

Seated at the head table were President Wiggitt and Rotarians Francis Hoyer, D. A. Stevenson, D. J. McManamy, J. T. Hawkins and J. M. Loye and welcomed by Rotarian guests introduced by Rotarian Stevenson included Rotarian Ralph Wilson, of Aylmer, Ont.; J. Glasgow, of Montreal, and Robert Gingras, of this city.

SOLDIER'S FUNERAL DESCRIBED An account of the funeral service at Aldershot, Canada's training camp in England, of Lance Bombardier Wilbur Dean, of Asbestos, is given in a letter received by Mrs. Sydney Leke, of this city, from her husband, Gunner Sydney Leke, 35th Battery, R.C.A., C.A.S.F.

Gunner Leke wrote in part: "We had a military funeral yesterday afternoon for one of the boys who passed away, Wilbur Dean. It was a nice funeral and he had a nice casket draped with the Union Jack, and a gun and a gun-carriage. There was a lovely wreath of flowers on the casket. A little service was held in the chapel and there was also a service at the grave. Earl Turner, of Lennoxville, played the different calls over the graves and they had a salute of three volleys."

LENNOXVILLE

Members of the Anglican Young People's Association of St. George's Church, who met in the Lower Parish Hall last evening, listened with interest to an address by their President, Miss Nolah Moorehead, who gave a vivid description of her trip to England last summer. During the business session plans were made for the next meeting, which will be the last one before Easter, and will take the form of a scavenger hunt. Dudley Fletcher and Ted Prinn will have charge of this event, and games will be conducted by Morse Robinson. Miss Joan Jones presided at the piano for the sing-song held previous to the business period, and later games were played under the direction of Hubert McGee.

The missionary, Kagawa, in Japan, was the subject of an article read by Mrs. Robert Neill, President of the Dorcas Branch of the Women's Auxiliary of St. George's Church, at their meeting yesterday afternoon at the residence of Mrs. E. L. Atto, Park Avenue. Mrs. Neill told of his life and his work, while members were busily engaged in sewing on garments for an Indian girl in the Canadian West. A delicious tea was served informally at the close of the afternoon's activities, when Mrs. Atto was assisted in her hospitable duties by Mrs. W. H. Fisher.

Work was continued last evening on the layette which members of the Girls' Auxiliary of St. George's Church are making. When completed it will be sent to one of the missionary areas. The girls were entertained last evening by the Misses Grace and Emma Lou Stevens at her residence on Clough Avenue. Following adjournment several of the members attended the weekly meeting of the Anglican Young People's Association of this church.

Mr. and Mrs. Leslie Wilkin have returned to their home in East Angus after spending the week-end with Mrs. Wilkin's parents, Mr. and Mrs. David Byrne, at their home on the Spring Road, Mr. Edward Byrne, of Lennoxville, was also a recent guest at the same home.

Miss Fannie M. Cox's friends are sorry to learn that she was removed to the Sherbrooke Hospital yesterday, where she will undergo observation and treatment. It is the sincere hope of all that Miss Cox's condition will improve speedily.

Mr. and Mrs. E. J. Astell expect to move from their residence on Academy Street to their newly-constructed home on Summer Street this week.

The parsonage of the Lennoxville United Church, from which the pastor and his wife moved into their new home on Church Street recently, is being torn down and this corner will be made into well-kept grounds in front of the church and the new hall.

SOLDIERS TAKE ADVANTAGE OF "Y" FACILITIES

Troops in Barracks Here Use Y.M.C.A. from 9:30 A.M. to 4:00 P.M. First Four Days of Week—Physical Training Carried on.

Since troops forming part of the Canadian Active Service Force have been quartered on the Exhibition Grounds here, the men have taken full advantage of the facilities offered them by the local branch of the Young Men's Christian Association and now, from Monday through Thursday of each week, soldiers use the "Y" from nine-thirty a.m. to four p.m. It was learned today from W. H. Walter, general secretary.

The gymnasium is used for physical training work, basketball, volleyball and boxing. It is planned to organize basketball teams and exhibition games will be arranged with local squads. The gymnasium has been used as training quarters for the boxing team, which left yesterday to compete in a regimental tournament in Montreal.

Extensively used are the showers and swimming pool. Although a number of the soldiers had never bowled five pins, they are learning rapidly and it is expected to form a bowling league among the men in the near future.

The billiard table is also in great demand and the men enjoy sitting in the lounge listening to the radio. Writing paper is supplied for those wishing to write home or to friends. To date the various facilities of the "Y" have been used over 1,000 times by soldiers. Sixty attended a dance in the gymnasium recently, 439 have used the showers and pool, 264 the gymnasium, 184 the bowling alleys and 78 the billiard table.

In The Women's Sphere

Mrs. E. G. Pierce has arrived from Montreal to spend a short time at her home on Stanley Avenue.

Miss Mabel Rae, General Secretary of the Y.W.C.A., in Calcutta, arrived in Sherbrooke yesterday and is a guest at the Howard Residence, Moore Street.

Friends of Mrs. Thomas Wyatt, who is a patient in the Sherbrooke Hospital, where she underwent a serious operation, will be pleased to hear that she is now progressing favorably.

Friends of D. K. MacLeod, who is employed in this city, are pleased that he has been discharged from the Sherbrooke Hospital following an illness with pneumonia. Mr. MacLeod will recuperate at his home in Marston.

Mrs. L. G. Vallee, who yesterday celebrated her eighty-second birthday, reached the happy event at her home, 34 Drummond Street, surrounded by her family and a few intimate friends. Last evening there was an informal gathering of the family including her four sons, Messrs. Theo, Eugene, Rudolph and Emilie Vallee and her two daughters, Corinne and Berthe. Cards were played informally and at the close of the happy family party delicious refreshments were served. Mrs. Vallee, who was the recipient of several lovely gifts from her children, was also remembered by many friends, flowers, cards and birthday greetings coming from far and near to bring good wishes to this venerable lady on her natal day.

Mrs. T. C. Hurn, the newly-elected President of the Y.M.C.A. Ladies' Auxiliary, entertained the members of the monthly bridge club very delightfully yesterday afternoon at her home on Walton Avenue. Bridge was played at four tables, the prize being won by Mrs. Z. W. Griffith. At the conclusion of the game the hostess served dainty refreshments, assisted by Mrs. J. R. McGregor and Mrs. Garnet Ross. During the interim Mrs. Hurn held a brief business meeting to complete plans for a bridge party to be given for the benefit of the Y.M.C.A. in its gymnasium on Wednesday evening, April 3rd. Mrs. Z. W. Griffith kindly consented to convene the bridge and Mrs. H. B. Johnston and Mrs. Garnet Ross undertook to look after the refreshments.

Mrs. A. M. Edwards, Mrs. E. N. Fidler, Mrs. S. Wood, Mrs. R. Blinco and Mrs. J. Archer were hostesses yesterday afternoon for the weekly tea meeting of the Ladies' Sherbrooke Curling Club. The usual games were postponed on account of the unfavorable ice conditions and an informal bridge party was substituted. Later tea and delicious refreshments were served by the hostesses. Mrs. Walter Kincaid doing the honors at the lace-covered table, which was charmingly done in St. Patrick's green and white, with lovely white tulips and green tapers in a silver bowl and color scheme was continued in the dainty little green paper baskets filled with green and white mints. Assisting were Mrs. G. S. Thomson and Miss Beatrice Lawrence.

REVIEW OF ACTIVITY BY WELFARE GROUPS

Reports for 1939 covering activities of La Goutte de Lait and L'Assistance Maternelle illustrate strikingly the valuable work being performed by these charitable organizations. The first named group, a child welfare society, provided a total of 9,606 consultations, and cared for an average of fifty-one babies a week. L'Assistance Maternelle gave 352 free consultations to expectant mothers, while its nurses made 1,075 calls.

La Goutte de Lait distributed 2,682 quarts of milk and 4,097 ounces of medicine to needy families, while providing for a total of 291 doctors' consultations. Of the 745 different babies treated, only four died. Instructive literature distributed by the organization reached a total of 2,235 pamphlets.

An average of nine consultations every consulting day were given by the nurses of L'Assistance Maternelle, and each mother of the 107 enrolled received, on the average, three examinations in her pre-natal period. A total of 1,066 pieces of baby linen were given and 127 pieces of bedclothes, comprising nineteen sets, were loaned.

Thirty-six orders for food and 258 ounces of medicine were given out, and 290 laboratory examinations made. In addition, 236 free pamphlets were distributed. Not a single death was reported among those receiving care.

Completion of plans for a cafeteria supper occupied the attention of the members attending the weekly meeting of St. Faith's Guild in St. Peter's Church hall Monday afternoon.

Mrs. Frank Milne, First Vice-President, presided, and after the meeting several visitors joined the members for tea which was served informally, with Mrs. A. W. Darker acting as hostess.

Miss Mabel Rae, General Secretary of the Y.W.C.A. in Calcutta, India, arrived in Sherbrooke yesterday and will be the guest of the Sherbrooke Association until Friday. She addressed the girls in the "Hi-Y" club last night and will be the guest speaker at the "Nation-Wide Banquet" which the Business Girls are planning on Wednesday night. There will be a general membership dinner on Thursday night when Miss Rae will again be the guest speaker.

Miss Rae, who is a native of Toronto, is home on furlough from India and expects to return to her position in the Calcutta Association early in May.

That operating expenses for the Child Welfare Clinic of Sherbrooke for the month of February amounted to \$100.75, was reported at the regular monthly meeting held at headquarters yesterday afternoon.

Mrs. W. Marchant presided and the financial statement presented by Miss Kathleen Leonard, Treasurer, stated expenditure as above and gratefully acknowledged the receipt of \$139.08, the proceeds from the sale of Junior Red Cross calendars.

Miss Edna Osborne gave the monthly statistics as follows: Five clinics were held in February with a total attendance of 53 children, one of these being, under twelve months old. Seven children were referred for dental treatment, two for ear and nose treatment, five for T. B., and skin tests and five children were passed for tonsil-adenoid operations.

Mrs. F. H. Bradley, the newly-elected Regent of the King George Fifth Chapter, I.O.D.E., was recorded a warm welcome when she assumed the chair to preside at her first meeting Monday afternoon, and for which Mrs. H. R. Ford and Mrs. A. W. Reid acted as hostesses at the former's home on Victoria street.

At the observance of the opening ceremonies, Mrs. W. Davidson, Secretary, read the minutes and Mrs. J. H. Bell, Treasurer, gave the monthly financial statement.

Of great interest was Miss May Mitchell's report for the War Work Committee which she and Mrs. C. B. Howard jointly conveyed. During the month of February the following articles were made by the members and turned in, sixty-one pairs socks, twenty-three sweaters, thirty-six handkerchiefs, four scarves, three pairs gloves, two helmets, nine pairs of mitts and one pair wristlets.

Miss Margaret Melver reported on Echoes, and Mrs. A. W. Reid said that welfare work consisted of sending milk regularly to one needy family.

In conjunction with the other primary Chapters in Sherbrooke, the King George V. will contribute towards the blankets being shipped by the Order in Canada, to the Canadian Hostel in London, England.

Mrs. W. E. Loomis, Municipal Regent, announced that its annual meeting would take place in the Howard Residence Assembly Hall on March 12.

BLOSSOMING OUT IN SPRINGTIME STYLE

This utterly feminine hat of navy straw with pink blossoms and pink veiling, looks like a prize example of the confectioner's art. It's to wear right now as well as later on in the spring. The hat is shown with a smart compact, decorated with figures reminiscent of Civil War days.

the meeting the presentation to The Lady Tweedsmuir, to be made by the women of Canada, in loving tribute to one who has ever had their best interests at heart.

The appointment of non-elective conveners then took place, following which Mrs. A. G. Sangster extended thanks to the hostesses, who so kindly served tea and refreshments.

The meeting closed with God Save the King.

At the monthly meeting of the Sir John Sherbrooke Chapter, I. O. D. E., held in the Howard Residence Assembly Hall yesterday afternoon, the various activities it sponsors were most interestingly reviewed.

Mrs. William E. Baker, Regent, was in the chair and after the opening ceremonies all routine business was disposed of prior to the reception of reports.

Paramount among them was that of the War Work Committee given by Mrs. W. E. Hume, convenor, who stated that thirty-six finished knitted articles had been turned in by the members.

Later Mrs. Hume, who is also library convenor, reported that ninety-five books had been distributed at the Sherbrooke Hospital during February, and that a large number of magazines had been sent to the Base Depot for the soldiers encamped there.

Another major activity which this Chapter, in conjunction with the Junior Welfare League, is undertaking is the soup kitchen at the Mitchell School. Mrs. K. B. Jenckes, under whose efficient convenership this work has been faithfully and regularly carried on, stated that the kitchen had been in operation for eight weeks, and that 2,039 meals had been served to an average of fifty-one children per day.

Mrs. Jenckes, who was accorded a special vote of thanks for her untiring devotion to this, one of the most arduous tasks yet sponsored by the I.O.D.E., also stated that the soup kitchen was closed at Easter-tide.

The Chapter's efforts on behalf of colonization were reported by Mrs. H. S. Horsfall, who stated that a large parcel of clothing had been sent to a needy family.

Miss Margaret Newton, Captain of the Girl Guide Company sponsored by the Chapter, reported that the meetings were being well attended and that the girls were most enthusiastic, and were working hard to obtain their "badges."

headquarters announcing that the forty-second annual meeting of the V.O.N. in Canada will be held in Ottawa on April 2, 1940.

It was resolved that Miss Edna Osborne, Nurse-in-Charge, should attend this meeting.

The re-appointment to the National Board of V.O.N. for 1940 of local members was also decided. They include Mrs. C. B. Howard, Mrs. Andrew Sangster, Dr. and Mrs. G. Ellery Read, Mrs. A. N. Dupuis, Mrs. M. L. McFadden and Mrs. F. S. Rugg.

Lastly Miss Edna Osborne gave the monthly statistical statement.

During February 26 new cases were admitted, 290 visits, 233 in Sherbrooke and 57 in Lennoxville were made by the V.O.N.

Three Well Baby conferences and five Child Welfare Clinics were attended in the past month and the total fees collected amounted to \$56.25.

Miss Osborne further reported that the Protestant School Board had requested that "Health Talks" be given in the Sherbrooke High School.

After discussion arrangements were made to comply with this request from the School Board.

Several items of routine business were brought to the attention of the members, following which the meeting adjourned.

Entertainment given by Junior Red Cross

Miss Doris Cillis, Principal of the East Ward School, and the members of her staff, are to be congratulated upon the success attending the entertainment given by the school's Junior Red Cross branch, in the Church of the Advent Hall yesterday evening.

Crossley Loughheed, President of the branch, acted as Chairman and the programme opened with the school singing, "O Canada."

The special feature was an address, illustrated by films, given by Rev. Roy Essex.

Other members included a vocal solo entitled, "Mamma's Little Baby Loves Shorten Bread"; songs by Grades III and IV; a vocal duet by Catherine and Catherine Wark; solo by Kiki Wikis and Catherine Wark and two "Rounds" by the School. Marjorie Ruons extended the vote of thanks to Rev. Mr. Essex, on behalf of the school, while Crossley Loughheed in his capacity of Chairman introduced the several soloists and entertainers prior to each number on the attractive programme which closed with "God Save the King."

ARMLESS GIRL MANAGES

Natchicoches, La., March 6.—Mary Bell de Vargas, born armless, makes a tidy living painting with her feet. She took up painting at the age of four and later paid her way through the State Normal College here with the pictures she painted. She plays bridge, powders her nose and waves hello to her friends with her feet.

Mrs. C. B. Howard and Mrs. H. L. Cleveland were hostesses yesterday afternoon for a largely attended meeting of the Women's Association of Trinity United Church held at "Howards."

Mrs. S. McLean presided over the business period and Mrs. George C. Hall conducted the opening devotional exercises.

Plans were completed for a St. Patrick's salad-tea to be held in the ten room on March the sixteenth and Mrs. Howard afforded those attending the meeting an opportunity to contribute towards the gift for The Lady Tweedsmuir, several responding immediately by handing Mrs. Howard, who is in charge of the fund in Sherbrooke, their personal donations.

There followed a delightful interlude when Miss Jean Campbell, of Lennoxville, contributed two lovely vocal solos, accompanied by Miss Ward.

Later tea was served, Mrs. H. L. Cleveland presiding at the table and the following ladies assisting, Mrs. Keith Reynolds, Mrs. W. G. Woolcox, Mrs. Walter Mutchler, Mrs. E. R. Richardson, Mrs. Gordon Richards and Mrs. A. F. Mabbitt.

The monthly meeting of the Women's Guild was held at the Church of the Advent, "Parsonage," yesterday afternoon, with Mrs. R. M. Loughheed, President, in the chair.

After the usual routine business had been disposed of it was decided to hold an Easter salad-tea in the church hall on Tuesday, March 26th.

The following ladies were appointed conveners for the coming week, Mrs. S. H. Bachelder, Mrs. R. M. Loughheed, Mrs. H. Wilcox and Miss Bertha Sargent.

Jacket-Dress Heralds Spring

MARIAN MARTIN Pattern 9312

Belle of your springtime wardrobe will be a printed jacket-dress. You'll don it for shopping, lunching, everyday street wear, and always feel smartly costumed. The jacket of Marian Martin's Pattern 9312 has boxy, straight lines that are most flattering. The easy-to-make dress itself is very soft through the bodice, with ease-releasing darts above the waist and fullness below the shoulder yokes. There's a slimming front skirt panel. Make rounded revers or an all-around collar, perhaps of crisp contrast, and you might edge the collar and sleeves with ruffing. Let the Sew Chart show you all the short cuts.

Pattern 9312 may be ordered only in women's sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36, entire ensemble, requires 3 1/2 yards 39 inch. Send twenty cents (20c) in coins (stamps cannot be accepted) for this Marian Martin pattern. Be sure to write plainly your size, name, address and style number.

Send your order to Sherbrooke Record, Pattern Department, Sherbrooke, Quebec.

DEATHS REPORTED

C. A. CHAPMAN, FROST VILLAGE. Mr. Charles Andrew Chapman passed away at his home here after an illness of three weeks, on February 14, 1940.

Mr. Chapman was the son of the late William Chapman and his wife, Janet Robb, was born at Brome, and was in his eighty-second year. He moved to Frost Village with his parents at the age of nine and since has resided here and in South Stukely.

Mr. Chapman was a good neighbor, an honest, upright citizen and an active councillor in South Stukely for many years. In 1885 he married Jennie George, who predeceased him in 1920. Three sons, Percy and George, of this place, and Fred, of Brome Centre, and two grandchildren survive him. He was predeceased by one sister, Mary, (Mrs. Herbert Luffkin), in 1873, and six brothers, George in 1925, James in 1922, John in 1934, Frank in 1937, Edward in 1911, and Hiram in 1901.

The bearers were the three sons and one nephew, Mr. Orlow Butler, of Brome Centre, Rev. M. Thompson, of South Stukely, conducted the service, and interment was in the cemetery here besides his wife.

Among those from a distance attending the funeral were Mrs. J. A. Bourque, of Ayer's Cliff; Mr. and Mrs. O. M. Butler, of Brown's Hill; Mrs. Edson Davis, of Fulford; Mrs. C. 7,000,000 in Near East at Threshold of War

Armies of the Balkans and the Near East, totaling nearly 7,000,000 at full war mobilization, march today on the danger spot that may become Europe's next theater of war. Fearful of Nazi-Red aggression, most of nations charted above have pro-allied leanings.

BOARD MEMBERS OPPOSE CHANGE AT EAST ANGUS

Alteration in Present School Laws Protested at Meeting of School Board—New Addition to High School Planned.

East Angus, March 6.—At a meeting of the East Angus Board last Saturday, the School Board went on record as being strongly opposed to the Act respecting Protestant Central School Boards in certain Counties of the Province of Quebec.

A motion, proposed by Commissioner McKeage, stated that members of the School Board wished to place themselves on record as being strongly opposed to any changes in the present school laws and especially to the proposed act as submitted by the Protestant Board of Education at Quebec. The motion was unanimously adopted and a copy of this resolution was forwarded to Mr. W. J. Duffy, M.L.A., for his consideration.

Other items of business before the Board were the consideration of plans for the proposed addition to the High School Building and the approval of the teaching staff for 1940-1941.

HATLEY GUILD LADIES HELD BUSY MEETING

Plans for New Tables for Hall Discussed at Regular Gathering of St. James' Church Group.

Hatley, March 6.—The regular fortnightly meeting of the Ladies' Guild of St. James' Church was held in the Guild Hall and a baked bean dinner was served to twenty school children and sixteen members and friends.

Following dinner the business meeting was opened by the President, Mrs. Gordon Pocock, with the Prayer for the Parish and the Guild Prayer and Lord's Prayer were repeated in union. The President expressed her gratitude to all who had helped to make the St. Valentine Day dinner such a pleasant event, and such a success both socially and financially.

Mrs. H. E. Bowen brought to the attention of the members the new patriotic society of which she is Convener, and asked for a small contribution to help in starting it. The sum of one dollar was voted.

Discussion was held regarding tables for the hall to replace the present ones which are of uneven sizes and heights, and the matter was left for future decision. A vote of thanks was extended Mr. H. B. Whitcomb for making a most acceptable coat and hat rack for the hall. Food was solicited for the next Guild dinner and the meeting adjourned.

BUSY A.Y.P.A. MEETING

At a splendidly attended bi-monthly meeting of the Anglican Young People's Association, being Worship Night, the devotional programme, under the leadership of the Rector, took place in the Church. Rev. H. W. Parry took for his subject the Dean of St. Paul's Lenten book "Following Christ." Hymns sung were "O Paradise, O Paradise" and "Holy Father, Thy Mercy, Hear Our Earnest Prayer."

At the business meeting, held in the Parish Hall, the President, Eugene Bowen, was in the chair. For the opening exercises Ruth Hartwell read part of the one hundred and ninth Psalm. Prayer for the Association was followed by the hymn, "Fight the Good Fight."

The Secretary, Hilda Bowen, read the minutes of the last meeting. The roll call was answered by nineteen members with the name of a Canadian statesman, past or present. Several members and friends came in after the roll had been called.

The Honorary President read an invitation from the St. John's, Waterville, A.Y.P.A., inviting the members to participate in an amateur hour to be held in Waterville. An invitation to join the Young People's Union at their social evening in one week's time was read and accepted.

Attention was drawn to the condition of some of the chairs in the hall, and a committee was appointed to arrange for repairs. The janitor was also authorized to get prices on a new burner for the coal oil stove and to report at the next meeting. The Secretary was instructed to ascertain to whom the affiliation fees are to be sent this year, there being uncertainty owing to the formation of a Quebec Diocesan Council of the A.Y.P.A. in 1938.

There being no other business, four candidates for admission as new members of the Association were presented by Willie Sadler to the President to be initiated, namely, Lloyd Ride, Gloria Reynolds, Colleen Taylor and Ruth Bowen. Having subscribed to the members' vow, and being duly presented with the distinguishing badge of the Association, the members were conducted to their places.

The hymn, "Blest Be the Tie That Binds" was sung, followed by prayer for peace and the Benediction. Then followed an hour and a half of games, crokinole and table tennis being played.

PREMIER URGES MEMBERSHIP IN CATTLE CLUBS

Godbout Declares Breeders' Associations Are Doing Valuable Work Toward Improving Agricultural Conditions.

Montreal, March 6.—Premier Adelard Godbout praised work of the Quebec Holstein-Friesian Association in an address at its annual meeting here Monday. He confirmed an announcement that the Provincial Agriculture Department was granting \$2,000 to the Quebec branch.

The Association is a well-run, aggressive organization doing great work for agriculture in the Province, the Premier said. He urged members to make full use of facilities of the Quebec Department of Agriculture.

Suggesting consideration be given to cross breeds as well as purebred cattle, Mr. Godbout said he hoped 1940 would be even a greater year than 1939, which was described as the best in the Association's history in the report of Antonio Elie, retiring President.

Mr. Elie said in his address that membership in the Quebec Branch had increased ten per cent during the year. Number of cattle registered with it increased seventy per cent during 1939, he added, while transfers recorded were twenty-one per cent higher.

There still are only 2,461 purebred cattle breeders registered in Quebec compared with 7,069 in Ontario, however, he said. "That shows that we have no right to let up on our propaganda in favor of cattle of pure blood."

"FEED EUROPE" — HOOVER

Herbert Hoover (right), as he appeared before the House Foreign Relations Committee, warned that Europe will be a "starvation spot" after the war and declared that if the United States sends adequate relief "we have not deprived the American people of one apple." Ex-President Hoover is pictured with Congressman Sol Bloom, of New York.

REVIEW WORK OF BURY RED CROSS BRANCH

Contribution of Service Group to Dominion's War Effort Outlined at Annual Meeting—Officers Named.

Bury, March 6.—That the Bury Branch of the Canadian Red Cross Society is making a fine contribution to the Dominion's war effort was evidenced at the annual meeting of the organization, at which reports of various activities were presented and a new slate of officers elected.

The largely-attended meeting was opened with a few remarks by the President, Mayor A. J. Hunt, following which Vice-President, Rev. Mr. Rowe, recited a poem, the theme of which was particularly appropriate to the occasion.

O. T. Webster, Treasurer, presented his report showing receipts from membership fees, donations, and campaign fund collections amounting to \$327.95, of which \$805.95 has been forwarded to Headquarters and the balance of \$22.00 deposited in the Bank of Montreal.

Mrs. A. M. Dougherty, Secretary, presented her report showing that eight meetings had been held following the formation of the Ladies' Committee on January 10, two meetings had been held and approximately sixty-five workers have either attended in person or have sent in requests for work.

Mrs. O. T. Webster, Chairman of the Organization Committee, reported that the Bury Branch has been in progress four months with a membership of 164, with groups in Bury, Brookbury, Canterbury, Keith and Gould Station. Three Executive meetings have been held in a large, heated room in the Bury Armory, provided through the courtesy of Major Bishop of the 7th-11th Hussars.

The workshop has been equipped with two sewing machines (one electric), one ironing-board, one iron, tables and chairs, also a stove through the kindness of Mrs. S. J. Prangley and tinware given by the Ladies' Bridge Club. Besides two tea meetings held in the Armory a tea and bridge was held at the home of Mr. and Mrs. J. H. Saunders by the Bury Bridge Club, who donated the proceeds to the Red Cross Society.

W. W. Roberts, Chairman of the Finance Committee, and J. H. Saunders, Chairman of the Campaign Committee, presented their reports wherein it was shown that donations had been received from the Brookbury Ladies' Guild of \$12.70, Guild Station Ladies' Committee \$18.00, Colonel O. L. Pope \$500.00. In the Village District subscriptions to the Campaign Fund were collected by J. H. Saunders amounting to \$51.25, by S. J. Prangley \$80.00 and J. J. Lapointe \$18.70; in Brookbury by William Bailey \$33.50; in Canterbury by James Groom \$31.50; in Crossbury by William Provis \$17.80; in Keith by Mrs. W. Buchanan \$9.50; making a total of \$772.95.

Mrs. L. D. MacLeod, Chairman of the Supply Committee, reported having received the following materials from Red Cross House: 161 yards of dress material, 149 yards of towelling, 76 1-3 yards of pillow cloth, 131 yards of handkerchief cloth, and 222 pounds of wool and that two large consignments of finished goods had been returned to Red Cross House.

Mrs. R. N. Mayhew, Chairman of the Work Committee, submitted her report showing that the following articles were made and completed between January 5 and February 24: From Brookbury Group of twenty-five workers, thirty pairs socks, five pairs wristlets, two helmets, fifteen hospital gowns, thirty binders, ten Hampton pads; from Canterbury Group of fifteen workers, twenty-two pairs socks, one pair gloves, fourteen hospital gowns, ninety-two handkerchiefs and ten pillow cases; from Gould Station Group with seven workers, three hospital gowns, four pairs socks; from Keith Group of eight workers, six pairs socks, three pairs wristlets

and six Hampton pads; from Bury group of 65 workers, 425 handkerchiefs, 140 towels, 120 pillow cases, thirty-eight hospital gowns, thirty binders, fourteen Hampton pads, fifty-two pairs socks, twenty-one scarves, five helmets, six sweaters, three pairs gloves, six pairs fingerless gloves, twenty-three pairs wristlets, two pairs knee caps; making a total of 114 pairs socks, forty-three dozen handkerchiefs, 439 articles for hospital use and 121 other knitted articles.

Following the passing of resolutions adopting the foregoing reports, the by-laws, as recommended by the Quebec Provincial Division for the guidance of Branches, were read and adopted.

The President then called for nominations for the various offices of this Branch for the ensuing year, and the following were elected by acclamation: Honorary President, Colonel O. L. Pope; President, Mayor A. J. Hunt; Honorary Vice-President, Rev. Father Chevrolet; Rev. W. J. Rowe; Rev. C. G. Gilbert; First Vice-President, A. Brouillette; Second Vice-President, J. H. Saunders; Treasurer, O. T. Webster; Secretary, C. C. Lindsay; Assistant Secretary, Mrs. R. N. Mayhew; Correspondent for News Bulletin, Mrs. A. M. Dougherty. The Chairman of the several Committees were also re-elected by acclamation.

Resolutions were unanimously passed by the members voicing the thanks and appreciation of the Branch for the many kindnesses and courtesies accorded the members by Major Bishop, Sergeant Staples and the personnel of the Bury Armory; also to the ladies of the various groups for the large amount of Red Cross work they have accomplished during the short time elapsed since the receipt of the first consignment of material on January 5.

The meeting was closed with the singing of "God Save the King."

Country And Dairy Products Prices

Montreal, March 6.—Prices on local produce markets remained generally steady. Butter, although under light receipts, finished the day's trading at prices which were unchanged from the previous day's closing quotes. March future options on the Commodity Exchange advanced 1/4 c. Light arrivals in the potato market failed to influence trading prices, and closing quotations for all grades remained at unchanged prices.

The day's market report follows:

MOSBY'S TONIC SELLS AT RATE OF 250,000 BOTTLES A YEAR! CANADIAN DRUGGISTS SURPRISED!

Here in Sherbrooke and Eastern Townships, Mosby's Tonic is now breaking its former sales records and crowds are flocking to the Chagnon Pharmacy for this New, Scientific Medicine.

Month after month the sale of Mosby's Tonic continues to rise to new heights here in Sherbrooke and the Eastern Townships. This new, scientific medicine is now being introduced to the public daily at The Chagnon Pharmacy, 11 Wellington Street North.

Although it has been known here only a comparatively short time, the drug stores of Canada are already selling this splendid compound at the rate of 250,000 bottles per year! And, as stated before, the demand is still increasing, by leaps and bounds—every day! Truly it can be said: This is one of the largest sales of a single medicine in Canadian drug store history!

20 Ingredients MOSBY'S TONIC is a formula containing 20 ingredients. Yes, that is correct! 20 ingredients in one medicine, including 15 roots and herbs. Thus, Mosby's Tonic will accomplish several things within the body at one time. That is why it has such splendid action on the human system. That is why it sells in such large quantities. Twenty ingredients all mixed and blended scientifically into one medicine!

MR. WM. DUNNE, 4658 Adam Street, Montreal, P.Q., who says MOSBY'S TONIC made an almost instant change in him. Read his grateful statement herein.

diuretic to sluggish kidneys and help eliminate quantities of impurity that may have accumulated inside, causing backache, sharp pains and disturbed sleep.

It will make your liver more active; help put the liver back to work and clear away old bile from your system, thus relieving spells of biliousness and sick headache.

Helps Tone Blood MOSBY'S TONIC will help your skin eruptions that are caused by impurities in the bowels, will assist nature to avoid sallowness (muddy complexion) that is due to a sluggish liver. In short, it will make your stomach, liver, kidneys and bowels more active, build you up in general and help make you feel like a different man or woman.

Don't Wait Longer! SUFFERERS! Don't wait any longer! GET MOSBY'S TONIC! This new, scientific formula has been tested by the sale of over a quarter-million bottles. Right now, it is selling at the rate of over 250,000 bottles per year in Canada alone!

TESTIMONIALS From All Over THIS PROVINCE Grateful people living in all parts of the Province of Quebec daily come forward with sincere signed testimonials, describing what Mosby's Tonic did for them and urging their fellow-men, who suffer in the same way, to get it and take it. We are publishing below JUST A FEW of the many testimonials received recently. Read them through and through. Find out for yourself—what Mosby's Tonic is doing for others!

LADY TELLS OF SPLENDID RELIEF

MRS. ALBERT LIZOTTE, 4279 Marquette Street, Montreal, P.Q., is one of the hundreds of people in this section who are publicly endorsing this new, scientific medicine, known as MOSBY'S TONIC. Read the list of sincere testimonials published below in this announcement.

gaseous, upset stomach that my nerves became affected. Attacks of gas pains followed almost every meal I ate. In fact, so much gas would form inside of my stomach that the bloated feeling seemed to extend all the way up into my throat. Sometimes I couldn't even breathe properly. These distressful spells would continue after I went to bed at night and it was impossible to get my proper rest. As a result of this I became weak and rundown. I tried various medicines but kept right on suffering. Then recently I began to read about Mosby's Tonic in the papers and finally I got it and started taking it. Now, let me tell you that it turned out to be just what I needed all along. It cleared so much gaseous blood from my stomach that I can eat my meals now and never have those distressful spells any more. Gas pains are all gone, and Oh! how this medicine has improved my nerves. I just think it is splendid to find a medicine that will do so much for a person. I strongly endorse Mosby's Tonic to all others who suffer as I once did."

Winnipeg, Man., said: "Since I was a young girl I have had trouble with my stomach. This seemed to get worse as time went on, until in recent years I would have such distressful spells with my stomach that I was often AFRAID TO EAT. My feet seemed to tingle, and then those violent gas pains would come. I was a regular victim of nervous indigestion. Recently I started taking Mosby's Tonic and now I wish to state that this medicine was just what I had ALWAYS needed. It cleared the gas and bloating from my stomach. I can eat and enjoy my foods now that I didn't dare to touch before. It also made me sleep better, and I just feel fine in general now, since I got Mosby's Tonic. I gladly endorse it."

Winnipeg, Man., said: "I had gotten into a very sluggish condition, which I believe was due to the food I ate didn't do me any good, and I wasn't getting the proper nourishment from it. This caused me to feel weak and worn out, and sometimes I just felt like I was only half-living. My nerves were unsteady and I didn't sleep very well. Indeed, my general system was in a very upset condition when I first got Mosby's Tonic, but after I had taken less than three bottles of this new medicine I felt like a changed person. I seem to have ten times the energy I had before. This medicine gave me a splendid increase in appetite and seemed to drive the impurities right out of my system. That sluggish, worn out feeling is gone entirely now, and I get up in the mornings feeling refreshed. My nerves are more firm, and I just feel different in so many ways that I want to publicly endorse Mosby's Tonic to everyone."

ONE UP AND TWO TO GO FOR SHERBROOKE

Raiders Best Braves 2-1 In Playoff Start

"Hank" Harris Sinks Two on Passes from Howie Peterson to Shove Benedict Brigade One Step Up Ladder Leading to Provincial Senior Hockey League Final—Lionel Lafontaine Solos for Valleyfield—Don Maher in Dogged Display for Sherbrooke.

Sherbrooke Red Raiders, who proved the class of the Provincial Senior Hockey League during the regular season—although overlooked by the coaches when all-star selections were made—were out to show in the play-offs that they deserved their top ranking. Raiders, opening a bid for the championship of the league which they held two years ago, inaugurated a best-of-five games semi-final series here last night against Valleyfield Braves, last year's title-holders, and chased out a 2-1 victory.

Before a slim crowd of only a few more than 1,300 fans, the Benedict Brigade were by far the better team and were full value for their victory. Manager Emilie Perron, of Valleyfield, sent his team out to play a waiting game but his tactics went to naught when "Hank" Harris slashed in two typical tallies in the initial stanza. Tall Lionel Lafontaine swerved through the whole Sherbrooke aggregation 23 seconds into the middle frame to plaster the rubber past Conny Dion and bring Braves back into the picture, but from then until the curtains fell the visitors' efforts to draw even were fruitless as Benedict's charges checked them to a standstill all over the ice.

Valleyfield looked a different team minus the services of Tony Demers, whose pile-driving shots from the starboard flank were the scourge of every goalie in the Provincial circuit before he succumbed to the siren calls of the old do-re-mi and tossed his outfit in the locker of Canadians in the National Hockey League. Defenceman John Callahan was missing because of an injury suffered in Braves' junket around the Eastern United States Amateur circuit, and Joe "Big Boy" Demers, Bravo, has been cut from the squad. Ledue was a new face on the lineup.

Strongest part of the Valleyfield team last night was the defence of Ed Gromoll, Henri Matte and Gerry Philbin. Cut over the eye early in the game, Gromoll refused to blink throughout the game, stopping numerous Raider thrusts and rushing fast from his position to pump a thunder hoist or two at Dion.

But apart from Lionel Lafontaine, Ray Mullins and Jean Huguet, the Valleyfield forwards were outclassed by the Raiders every step of the way. Mullins was a dogged worker and his rushes were dangerous, although he had little assistance from his mates. Huguet looked good in the centre slot but his wings were never with him at the right moment. The teams played typical close-to-the-belt playoff hockey, checking closely and waiting for the breaks after the two goals by Harris in the first period. After the early minutes the ice was slow and the players seemed to find the going hard in the warm atmosphere of the arena.

Lafontaine had twice as many shots to handle as did Sherbrooke's able Dion, and he was a highly overheated young man throughout the engagement. Dion, on the other hand, although given long rest periods, had sessions of lively work when Braves managed to break into scoring position and test him with bullet drives. Poison personified when allowed to ramble in front of opposing cages, "Hank" Harris made no mistake with the two goals that were the only ones needed to start the Raiders away on the road to the crown. On the first tally Howie Peterson grabbed a misguided pass inside the Valleyfield defence and whisked it over to Harris in front of the net. Quick like a flash "Hank" let fly, and Lascelles was beaten all the way.

His second goal came on a play which brought him down the left lane with Peterson. Gromoll broke up the play momentarily at the blue-line but the disc slid through and in toward the back boards. Harris fought his way through clinging arms and sticks, took the rubber and flashed in on Lascelles, shooting from a few feet out and bulging the cords.

Working with two lines, flanked by "Guidoo" Roy and Red Ryan, one unit and Roger Cormier and Phil Piche on the other, Don Maher, tall centreman, turned in a fighting display throughout the game. Time after time he drove his long frame into the Valleyfield defence and made plays for his partners, while his forechecking inside the Valleyfield blue-line was a constant factor in breaking up plays before they could be organized.

Although shaky in the early minutes, Charlie Tourville and Clarence Bastarache settled down to play their usual effective game on the defence, the Bastarache poke-check and the Tourville hip working together to perfection. Galloping Phil Piche did the odd relief trick on the defence. Up front "Guidoo" Roy was skating fast but lacked finish to his attacks, while Ryan, Cormier worked like Trojans.

Only three penalties were called, Maher and Lapointe sitting out and the Tourville hip working together to perfection. Galloping Phil Piche did the odd relief trick on the defence. Up front "Guidoo" Roy was skating fast but lacked finish to his attacks, while Ryan, Cormier worked like Trojans.

CHICAGO CUBS IN SCRAPS FOR REGULAR JOBS

Avalon, Calif., March 6.—(C)—The Chicago Cubs should have a fighting full club this season by the battles going on at this Santa Catalina Island training camp for most of the positions on the team. Manager Charles Leo Hartnett, looking more like the Gabby of old as he goes into his 19th year with the National League Braves, scratched his head and grinned as he pointed out the scraps for jobs.

Only Glen (Rip) Russell, back for his second year at first, Billy Herman, a fixture at second, and Stan Hack at third seem solid choices for regular duty. The matters of the pitching staff—big Bill Lee, Larry French, Cherley Root, Clyde Passeau and Clay Bryant—form the nucleus of this department. Augie Galan, Hank Leiber, if he reaches a salary agreement with Mr. P. K. Wrigley, and Jimmy Gleason are back for the outfield, but one or all of them make take a back seat of Phil Cavaretta, his broken leg mended, dynamo Dominic Dalesandro or Bill Nicholson, who finished the 1939 season with Chicago after playing with Chattanooga, come through. Bobby Sturgeon has replaced Bobby Mattick for short for the time being. The position seems weak unless the Cubs can find someone before the wars start. Sturgeon lacks experience, although he's a fine fielding prospect. Veteran Billy Reigel, who came to the Cubs in the deal that sent Dick Bartell to the Tigers, will be used as utility man and probably fill in at third until Hack is ready. Hartnett isn't sure how much catching he'll do, but he has reliable Al Todd and two capable rookies on deck.

MANITOBA RINK LEADS IN 14TH ANNUAL BRIER

Manitoba Quartette Unbeaten After Four Rounds in Macdonald's Brier Championship—Quebec Upsets 1939 Champs.

Winnipeg, March 6.—(C)—Alberta and Saskatchewan meet today in one of the crucial games of the fourteenth annual Macdonald's Brier Curling Championships.

Unbeaten Manitoba leads the Brier after four rounds but the other Prairie rinks are tied with three wins apiece and their encounter in the fifth round this afternoon will break the second-place tie. Manitoba meets British Columbia which has won but once.

Other fifth-round pairings are: Prince Edward Island-Ontario; Quebec-Northern Ontario; and New Brunswick-Nova Scotia. For the sixth round tonight they are: Northern Ontario-Nova Scotia; Manitoba-Quebec; Alberta-British Columbia; Ontario-New Brunswick; Saskatchewan-Prince Edward Island.

Play closed yesterday in the afternoon when Quebec, skipped by the veteran Col. Archie Bell, Quebec City, scored the competition's major surprise—a 15-9 conquest of the 1939 Brier champions, Bert Hall's Ontario rink from Kitchener.

Howard Wood, the 1930 champion, skipped Manitoba to its fourth win 17-4 over Nova Scotia; Saskatchewan nosed out Jim Davis' Kirland Lake four, representing Northern Ontario, 8-6; New Brunswick rallied with two on the last end for a 10-9 win over Bill Finlay's British Columbian; and Alberta beat P.E.I. 10-6, the fourth straight loss for Rankine McLaine and his Charlottetown men.

Col. Peter Lyall of Montreal, Brier trustee, announced to 400 guests at the annual banquet last night the 1941 championships will be held at the Granite Club, Toronto, at invitation of the Ontario Curling Association late of Granite Club where the first thirteen competitions were held. The 1942 Brier was awarded to Quebec City at invitation of the Quebec Curlers' bonspiel.

St. Petersburg, Fla.—Disgraced by the failure of General Manager Branch Rickey to appear for a scheduled contract, slugger Joe Medwick planned to leave the St. Louis Cardinals' training camp today and fly back to St. Louis. Rickey was scheduled to meet Medwick yesterday but won't arrive until Friday.

"I've done my part," declared Joe, who wants more than the \$18,000 offered him. "I was here on the appointed date and he wasn't."

Tampa, Fla.—Inasmuch as the pitchers still are taking it easy this night may not mean much, but a young fellow who has a chance to turn up in Cincinnati Reds' lineup is Devon (Mike) McCormick, late of Indians' camp. The 200-pound rookie outfielder is hitting the ball to all fields, including the one beyond the fence.

Winter Haven, Fla.—Carl Hubbell admits his screwball was the cause of all the trouble he has had with his left arm the last few seasons, but the 37-year-old southpaw figures he will be good enough to win 16 or 18 games for New York Giants this year. Hub says his arm feels better this spring than it has in years.

Clearwater, Fla.—It seems a trifle odd, as Manager Leo Durocher admits, to see Brooklyn Dodgers working hard on such things as the niceties of base running and cut-off plays, but Leo insists they're important even to Brooklyn.

"One season's experience as manager convinced me that details are the difference between first and second division clubs," said Durocher. "As long as you keep a man from something, you're accomplishing something."

Lakeland, Fla.—At least Detroit's Tigers can dig up more original names than the usual "regulars" and "yannigans" for their teams in intra-club games. Today it's the "White Rats" with Bill Fleming and Hal Mardev's pitching, against the "Black Cats" with Freddie Hutchinson and Tom Seats on the hill.

Bobby Bauer Leads Bruins' 7-2 Rout Of Detroit Wings

Claimed Best Right Wing in Business by His Manager, Art Ross, Bauer Notches Two Unassisted Goals and Helps in Another as Boston Climbs Within Point of Leading Rangers in N.H.L.—Milt Schmidt and Herbie Cain Score to Enter Twenty-Goal Class.

Boston, March 6.—(C)—When it comes to timing utterances perfectly for the public prints, Manager Art Ross of Boston Bruins stands at the top of the class. On the other day, Ross ventured forth with the prediction that Milt Schmidt and Woody Dumart of his Kraut line likely would finish one-two in this season's National Hockey League scoring race. In addition, Ross said he wouldn't be at all surprised if the third Kraut—Bobby Bauer—would wind up in the third spot.

Tossing caution to the winds, the Bruins' manager even went so far as to state that Bauer is the best right wing in the business today and that the Kraut Kids make up a better combination than the one-faced trio of the Cook brothers, Bun and Bill, and Frankie Boucher of the New York Rangers.

Not to let down his manager, he speedily threw move games to play against the Wings, is the leader with 20 goals and 27 assists. His total also equals that compiled last season by Toe Blake of Canadians in winning the scoring crown.

The Bruins managed several notable achievements last night as goals went to Roy Conacher, Herbie Cain, Dit Clapper and Red Hamill, all in fourth place in individual scoring in the league, only a point away from Dumart and Bryan Hextall of the Rangers, who are tied for second with 39 points. Schmidt, who picked up goal and an assist against the Wings, is the leader with 20 goals and 27 assists. His total also equals that compiled last season by Toe Blake of Canadians in winning the scoring crown.

In addition, it was likely that Conacher, who led the league in goals last year with 26 in his freshman season, is on his way again to a 20-goal mark after being kept down in the scoring lists because of an injury that left him idle for more than a month. Conacher banged in five goals last week and last night he hit five goals for 20 tallies.

Goalie Frank Brimsek, of the Bruins, who was seeking his sixth shutout of the season, saw his hopes die early in the third period when Kenny Kilrea scored. Syd Howe added another for the Wings.

Fort Myers, Fla., March 6.—(C)—Cleveland Indians believe they have a pitching "find" in Paul Calvert, 21-year-old speared rookie from Montreal. Manager Oscar Vitt heard Calvert's fast one singing past the hitters and thought a rough ball made the mark. Vitt gave Calvert a new shiny ball. It also sang. And Coach Johnny Bassler reported the youngster also has a hook and control.

Home Team Wins Nine of Sixteen Matches Against Members of Windsor Mills Badminton Club. Danville, March 6.—At home to players from Windsor Mills, members of the Danville Badminton Club checked out victories in nine of 16 matches played on the new courts in the Municipal Auditorium, outpointing the visitors 350-271.

In men's singles M. Stewart won from J. Bagnall 21-5, B. Ingalls bowled to Frank Mackenzie 12-2, and F. Smith beat Fred Royal 21-5. In mixed doubles Miss V. Gifford and M. Stewart won from Miss P. Caya and Jack Bagnall 15-3, 15-5, Miss J. Schwartz and Bruce Ingalls lost to Mrs. E. Dunn and Frank Mackenzie 9-15, 15-2, 10-15, Miss Velma Smith and Francis Smith beat Kay Witly and C. Allen 15-3 and Miss H. Wilson and Bruce Mills defeated Miss Castonguay and C. Allen 15-2, 15-6. At the close of the matches an enjoyable tea was served to the club members, players and guests by the ladies of the Danville club.

S.W.C. CAGERS REGISTER WINS IN TWO GAMES

Stanstead Girls Down Lennoxville High Lassies 30-11 and Boys Best Sherbrooke High Lads 35-15.

Stanstead, March 6.—Stanstead College cage squads made a clean sweep of fixtures against teams from Lennoxville and Sherbrooke. The S.W.C. girls scored a 30-11 victory over Lennoxville High School while the Border Town boys set down Sherbrooke High 35-15.

The winners in the girls' game spread their scoring with eight players scoring at least 2 points, while in the boys' game the scoring was also well divided; seven Stanstead and seven Sherbrooke players finding the hoop.

Girls' game line-ups: Stanstead, (30): F. Curtis 6, C. Jenkins 4, H. Macdonald 6, M. McIntosh 2, E. Boucher 4, M. Huitson 4, M. Bedard, B. Thornbury, D. Prangley 2, R. McFadyen, V.
