The following is a list of some of the winners in Booster Week organized by the Westmount Business Association which officially ended on Saturday.

New Sherbrooke Street Parking Law in Effect

In an effort to play their part in the Metropolitan traffic situation, the Westmount City Council authorized that no parking be allowed on the entire length of Sherbrooke street that runs through Westmount during the rush hours of the day.

Under the new specifications which are already in effect, no parking on the south side of Sherbrooke street will be allowed between 7 and 10 a.m.

From 4 to 7 p.m., no parking will be allowed on the north side of Sherbrooke street.

A spokesman for the Westmount City Council pointed out that this is the second time in a year that the Council have authorized no parking on busy streets. The Boulevard was affected by a similar ruling during the summer, and the success of the move moved the Council to authorize the same plan on Sherbrooke street.

The spokesman also pointed out the east and west ends of Sherbrooke street, running in the City of Westmount, have been paved and widened to facilitate the flow of traffic even more. He said that plans are now being drawn up to re-pave and perhaps widen the central part of that street, with the work possibly taking place next year.

Westmount Parks Dept. Prepare Skating Rinks

Superintendent of Westmount Parks Department, E. J. Anderson, states that many thousands of residents visited the greenhouses to view the annual chrysanthemum show which is fast drawing to a close.

Mr. Anderson advises that the conservatory will be open to the public for one more week, but only during the day.

Although there were not so many plants on exhibition this year, the show did not suffer in quality, and the blooms have evoked many expressions of admiration from the many visitors, some of whom came back for a second and third look.

Asked by The Examiner as to how the skating rinks were shaping up, Mr. Anderson said that the Parks Dept. had started this week to erect the rink panels, and that the rinks would be ready for the skating and hockey season in a matter of days.

This year, rinks will be available at the following locations. Western avenue, King George Park, Roslyn School, Prince Albert Park, Queen Elizabeth Gardens, Queens School, Staynor Playground with a figure skating rink on Westmount Park.

Hours will be allotted for hockey with the rinks at other times being used for skating only.

With this number of rinks there should be plenty of opportunity for the hockey teams to get in plenty of practice without interfering too much with the younger children who wish to skate only.

Queens School Subject of Talk

"Queen's School" was the title of the talk given by Mr. Andrew Pitcairn, Principal of the School, to a large group of parents on Tuesday evening.

Whereas the discussion was a general one, Mr. Pitcairn laid great stress on the value of reading. Little homework, as such, was given in this school, but the pupils had an extensive and interesting reading program which had been drawn up with the help of Miss Gwen McEwen of the Westmount Junior Library. Mr. Pitcairn urged the parents to show a greater interest in the children's reading.

Building Zone Amendments Authorized by City Council

Building zones in the City of Westmount were established by the Westmount City Council recently when they read a draft of four amendments to the present by-law.

Under the new provisions, Article 22 of by-law 555 reads that, "on a corner site or lot, if both of the bordering streets are in the Commercial zone, the Council shall have the discretion to modify any or all of the foregoing requirements."

Under Section two, Article 24, the old specification is repealed in place of the following: "In every district that aggregate area of all buildings on a site shall not exceed 90 per cent of the area of a corner site, or 85 per cent of the area of an interior site; provided, however, for corner sites in District E and F, the Council shall have discretion to increase the percentage of area

of buildings other than residential buildings."

In Section three, a separate item to immediately follow article 26, and to be known as 26A has been authorized by the Council, and reads: "When a site or lot borders on two streets which are approximately parallel to each other, it shall be deemed to have a frontage on each street to the extent of the half of site or lot adjacent thereto or to such other extent as the Council or application of the owner may decide."

Also submitted and authorized by the Council was a paragraph in Section four, following article 38, which reads: "Except as provided in Article 38, no building shall be used or occupied in any district or place if the erection or conversion of a building in such district or place for the same kind of use or occupation is forbidden by this by-law."

Ladies' Night at Rotary Wednesday

Westmount Rotary Club will hold ladies night at the Unity Boys Club, Greene avenue, on Wednesday December 6 at 6:30 p.m.

This will be a regular meeting of the club and will replace the luncheon meeting of that date.

The Fellowship and Program Committee have a grand evening's entertainment lined up and only require a full turnout of members to make it a great success.

Guest speaker for the occasion will be Wesley Mason who is presently touring Europe but will be home in time to tell members and their ladies all about the latest in textiles and styles. He will also have some prizes for some lucky Rotary-Anns.

Proceeds from the bingo game will be turned over to the Unity Boys' Club to help defray the cost of their Christmas parties.

Unity Boys' Club News

Cheers for an outstanding performance last Thursday afternoon, at the official opening of the Unity Boys' Clubhouse, must go to Rip Jonas, physical instructor at Montreal High School. He stepped out on the stage of the gymnasium and led an audience of nearly 300 guests attending the ceremony, in a spirited half-hour of sing-song while Finance Minister Abbott and the official party were touring the clubhouse.

Cheers also go to John Colligan, 14-year-old junior member of the Unity Boys' Club, who presented William G. Moxley, secretary of the club, with the first life membership. It is an open secret that it has been through Mr. Moxley's staunch perseverance and persistence against all odds, that the club exists on Greene avenue today.

Cheers again go to Gwendolyn Lord, chairman of the Girls Section Junior Leaders Corps, who presented Finance Minister Abbott with the second Life Membership.

Both acted like veterans on the platform. Neither batted an eyelash in making their presen-

tation speeches despite the large audience and the flashing bulbs of press cameramen.

But the most important function of the afternoon to members of the Unity Boys Club, was the turning over of the clubhouse, by the Rotary Club of Westmount, to the club. It shows the faith and trust the Rotary Club must have in the executive, staff and members in carrying out the activities and function of the organization. Congratulations!

The festivities didn't end there. In the evening the club, now on its own, invited parents and adult friends of the members to an "Open House and Inspection of the Building." It was lots of fun and a 100 or so turned up. They were all impressed and appreciated the facilities for recreation and education that have been provided for their children.

Donald B. Ross welcomed guests and introduced them to Mr. Moxley who said that he hoped all parents of members of the club will take a personal interest in its activities. He suggested that many could do so by registering as volunteer workers.

Allenby Moss, executive director of the club, outlined to the visitors the true purpose of the club. Mr. Moss was very serious about why the club existed in their community. He stressed that it was not a club to substitute for the home or the influence of loving and interested parents but, that it is a positive influence for progressive citizenship along with that of home, school and church, playing

Westmount 'Y' Workers Aiming High in Drive

The Rt. Rev. T. W. Jones, former Moderator of the United Church of Canada and pastor of Calvary United Church, Westmount, delivered a stirring address to the workers attending the First Report Luncheon of the current "Y" campaign. This report luncheon was held at Central "Y". The Westmount Division reported 22 per cent of its objective, and the total Montreal percentage was 25 per cent.

At the Second Report Luncheon, Murray Chipman, of McLean Hunter Publishing Company, urged the workers to further effort on behalf of the youth of Montreal. At this report luncheon the Westmount Division reported 38 per cent of their objective.

Don Novinger, chairman of the Westmount Division, reported that Westmount firms and citizens were responding nobly to this worthy cause. Nearly 100 Westmounters are hard at work calling on Westmount citizens in an endeavor to reach their objective of \$7,000 by the campaign closing date, which is Tuesday, November 28. Mr. Novinger further requested that any persons or firms which had not as yet been called on, yet which intended to subscribe, could send their contribution in to Westmount "Y", 4585 Sherbrooke street west, by mail.

Mr. Robb will have as guest artists for the occasion Harry Maude, well known to local audiences, Edna Marie Hawkin, equally prominent, and Andree Lescot.

Mrs. Harvey Campbell To Be Guest Reviewer

Mrs. Campbell will review the popular book "I leap over the Wall," by Monica Baldwin.

A short discussion and refreshments will follow. Visitors are welcome.

an important role in the development of their children.

This has been a very serious column this week, but last Thursday will always be looked upon as a very serious day in the future history of the Unity Boys' Club. Few boys' clubs have started out with such a boost: A brand new \$165,000 clubhouse — a major project of the Rotary Club of Westmount — a member of the Boys Clubs of Canada — a Red Feather Service — and — not a debt in the world!

Two important items about next week:

Cooking classes will start next Tuesday at 7:15 p.m. under the direction of Miss Lily Roberts. Register now girls. Nobody has said anything about boys yet.

Teams are now being organized for indoor softball. Earle Macdonald is your man to contact.

Lauder's Successor To Sing at Victoria Hall

Robert Wilson, Scotland's famous singer of Scottish ballads who comes to Victoria Hall, Westmount, on Wednesday, November 29, and Thursday, November 30, is no stranger to local audiences. Mr. Wilson appeared at Victoria Hall in May of last year, and in 1936 he sang leading roles with D'Oyly Carte Opera Company at His Majesty's Theatre here.

Wilson besides singing solos will team up with Miss Francis Derry, mezzo-soprano in several duets. Miss Derry is a star in her own right, and is appearing here for the first time.

Featured in the concert party is Alec Finlay, the successor to Sir Harry Lauder. Finlay is actually a protegee of Sir Harry and also studied under the grand old Scottish comedian.

Finlay will be heard in "The Elder O The Kirk" and "Oldest Inhabitants," two numbers which have become identified with Lauder's successor. He will also be heard in typical Scottish stories. At Massey Hall, in Toronto, Finlay held the stage for about an hour and a half before the audience would let him go.

At the piano will be Tammas Fisher one of Scotland's better known artists.

Bob Wilson has a host of friends in Montreal, made during his visits with the D'Oyly Carte Company. In 1936 he was stricken with appendicitis while here, and was a patient at St. Mary's Hospital where he was operated on by the late Sir Henry Gray, who was at that time Honorary Physician to the D'Oyly Carte Company.

Bob spent several weeks here convalescing before leaving for England. On his 1936 visit to Montreal Wilson delighted several church audiences by helping out with the service of praise. One of the churches he sang in voluntarily, was Livingstone Presbyterian.

The concert at Victoria Hall next Wednesday and Thursday is being sponsored by The Scottish Societies Association, under the joint chairmanship of Willie MacBroom and Davie Grundie.

NEW BUILDING BY-LAW GAINS COUNCIL VOTE

The second and third readings were given to the new building code for the City of Westmount, by the Council at a recent meeting and now awaits the official acceptance of the plan by Provincial authorities before going into effect.

The passing of the new by-law marked the end of a complete and careful study on the building code for the City. A special committee, with A. Campbell Wood and J. Cecil McDougall, acting as official architects, worked for more than two years in designing the code. It was brought out in the form of a more than 200 page booklet, carefully divided into five separate parts and covering all aspects of building.

A spokesman for the City pointed out that the new code, which will replace the present by-law first passed in 1919, is based on the National Building Code, and retains all the desirable features pertinent to Westmount. He pointed out that some of the features in the Westmount area were not desirable, and had been deleted from the new plan.

The five sections of the book include administration, definitions, structural requirements, fire protection and health and sanitation. It was pointed out that the entire by-law is modern, making provisions for the latest technical machines and the latest materials to be used in present day building.

"It is a modern code in every way," the spokesman said.

St. Leon, St. Paul Parents' H&S Assn Holds First Meet

The recent meeting of the Association des Parents, of Academies St. Paul and St. Leon de Westmount, the first of its kind, proved very successful.

Rene Lagarde, the new principal of Academy St. Leon, addressed the meeting which took the form of a questions and answers forum.

The discussion brought out many points wherein parents could help the child by example and by taking a keener interest in the child's progress at school.

At the conclusion of the conference a visit was made to the various school-rooms under the direction of the teachers of each grade.

Tea was served by the ladies of the Cercle des Meres afterwards and both parents and teachers discussed the common problems of children's education.

SUMMIT PK. IMPROVEMENTS

The Westmount City Council announced at a recent meeting that further improvements will be made to the Summit Park ski trails before the winter.

It was expected that new trails will be authorized in the area, to provide better skiing facilities.

Humorous Incidents Told About Service Station Work

Jack B. Burrows, president of the Anderson and Meighen Service Station, gave a humorous classification talk at the Westmount Rotary Club, Wednesday, when he spoke on the tribulations of service station work.

He pointed out that too many people take the word literally, therefore expecting the garage-men to make all sorts of minor adjustments without any charge. "Many expect us to do minor repairs or installations to their car without any charge for it, though they wouldn't expect the heating company to install their pipes for nothing," he said humorously.

The speaker outlined a number of humorous incidents, which he said, "is a part of every service station proprietor or worker."

While he pointed out that it was not an educational talk he was giving, he did have one suggestion to make to people who try and change a tire.

"First," he said, "you should take out the spare, loosen the nuts

on the wheel already on the vehicle and then jack up the car." He also pointed out that if the axle of the automobile was too low to place the jack under it; lay the spare tire on the ground and run the car over it to give the added height required.

The speaker was introduced by Alex Williamson and thanked by Fred Roast. Frank Kenwood presided.

Westmount Autonomy Threatened

New Movement Might Have Far-reaching Consequences

The autonomy of Westmount and other suburban municipalities is threatened by the program of the new Metropolitan Party headed by Councillor Raoul Gadbois of the City of Montreal.

Councillor Gadbois is reported to have said that at least two candidates of the party will run in each of the districts in the forthcoming Montreal civic elections. Candidates will contest the "A" and "B" seats.

As there are 33 seats in each of the "A" and "B" categories representing 11 districts, it will be seen that a sizeable block might conceivably be elected by the Metropolitan Party whose avowed intention is to annex all Island municipalities into a Greater Montreal.

A ten year program of public works in which the costs will be distributed "on an equitable basis" among all municipalities is one of the objectives of the group.

Apparently Councillor Gadbois and his party is fearful in case Toronto goes ahead

of Montreal in point of population. Mr. Gadbois says that it is common knowledge that Toronto wants to become the biggest city in Canada, and if it fails to annex nearby municipalities before the end of the year, the Ontario Government will step into the picture to see this is done, he said.

Just why this should be advanced as an argument to annex municipalities on the Island of Montreal is rather obscure especially as the various municipalities are very happy to be able to run their own affairs in a manner best suited to the wishes of the residents.

When the citizens of Westmount, stop to compare the services and other benefits they receive, it is very doubtful whether annexation to Montreal would hold much appeal, and the same goes for most of the other municipalities, which, if Mr. Gadbois has his way, should be swallowed up by the greater metropolis.

Gone would be the quiet and orderly way of life, with parks perhaps being turned into carnival sites or such like enterprises. Gone would be the right to pass our own by-laws for the protection of property rights and living conditions.

Westmounters would therefore be well advised to exert every power they have to protect their autonomy and to prevent the group headed by Councillor Gadbois getting into power.

There are many Westmounters who have the right to vote in the Montreal civic elections and there are others who belong to the various public bodies who have representation on the class "C" council category. It is earnestly hoped that all who can, will fight with every constitutional means available to preserve the autonomy of Westmount.

Christian Science

"Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Denounced," is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, Sunday. The Golden Text is from I Corinthians 16:13: "Watch ye, stand fast in the faith, quit you like men, be strong."

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch, or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. For all that do these things are an abomination unto the Lord: and because of these abominations the Lord thy God doth drive them out from before thee." (Deuteronomy 18: 10 to 12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to

We should follow our divine Exemplar, and seek the destruction of all evil works, error and disease included. As named in Christian Science, animal magnetism or hypnotism is that specific term for error, or mortal mind. It is the false belief that mind is in matter, and is both evil and good; that evil is as real as good and more powerful. Every mortal must learn that there is neither power nor reality in evil."

Church of the Advent

Next Sunday is the last Sunday of the Church year, commonly called "Stir Up" Sunday from the opening words of the Collect of the week. At the Church of The Advent there will be a Solemn Te Deum both morning and evening, as an act of thanksgiving for all God's blessings during the year that is drawing to a close.

Christian Science Talk Scheduled Monday Night

Jean M. Snyder, of Buffalo, New York, will deliver a lecture on Christian Science in Victoria Hall, Westmount, at 8.30 p.m., on Monday, Nov. 27.

Miss Snyder is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, Boston, Mass. Many people are interested in learning about Christian Science. They like to know how Christian Science heals disease, how it banishes fear and solves all manner of business problems. The purpose of these lectures is to give the public facts in simple, understandable terms.

Mr. Leo Goldfarb And His Bride

The Ballroom of the Mount Royal Hotel was the scene on Sunday afternoon of the marriage of the couple pictured above. The bride is the former Miss Rita Steinberg, daughter of Mr. and Mrs. Sam Steinberg, of Westmount. Mr. Leo Goldfarb, the bridegroom, is the son of Mr. and Mrs. Max Goldfarb, of Montreal. The newlyweds are honeymooning in the United States, motoring as far south as Florida.

GOLDFARB - STEINBERG

Tall candelabra festooned with white single chrysanthemums featured the beautiful decorations in the ballroom of the Mount Royal Hotel, at five-thirty o'clock, on Sunday afternoon, November 19, on the occasion of the marriage of Miss Rita Steinberg, daughter of Mr. and Mrs. Sam Steinberg, of Westmount, to Mr. Leo Goldfarb, son of Mr. and Mrs. Max Goldfarb, of Montreal. On either side of the canopy, which was decorated with white single chrysanthemums appeared large white dogwood trees and standards of white 'mums'; and the receiving bower was decorated with dogwood trees, palms and standards of more white 'mums'. Rabbi Charles Bender was the officiating clergyman, assisted by Rabbi Wilfred Shuchat. The music was provided by Mrs. M. N. Fineberg.

The bride, who was given away by her father, wore a Raoul-Jean Fouré model of pearl Luna satin, the bodice in shape of petals beaded in crystal applique on a net yoke, and the sleeves long and close-fitting. The skirt had a crystal design, and finished in a very full, long train. She carried a prayer-book of white hybrid orchids and bouvardia.

Miss Marilyn Steinberg, the maid of honor, wore white Chantilly lace over aquamarine satin, with a very full skirt with applique of satin bows. Her shoulder cape had tiers of the same satin, and her large picture hat was of the same lace and net. Her cascade bouquet was composed of green and white carnations.

The bridesmaid, Miss Evelyn Steinberg, was in a similar gown, except that she wore a lace cape over the shoulder. She carried a small cascade of white and green carnations.

Mrs. Steinberg, mother of the bride, was arrayed in a tobacco-brown Chantilly lace ensemble over dull gold satin. She wore a full skirt and fitted jacket with long sleeves and tuxedo revers,

and a small hat of brown tulle with gold beads, with a corsage of gold-tone hybrid orchids.

Mrs. Goldfarb, mother of the bridegroom, wore a gown of grey lace over pink satin with a hat of grey tulle illusion, trimmed with a pink ostrich feather and a corsage bouquet of dark hybrid orchids.

Mr. Saul Goldfarb was the best man, and the ushers at the ceremony and subsequent reception were Messrs. Mel Dobrin, Arnold Steinberg, Lewis Steinberg, Lionel Caplan, Saul Stober, Ibbie Ginsberg, Lionel Goldfarb, Hy Pantel, Morty Brownstein and Hank Kaplan.

The reception was later held in the hotel ballroom where the tables had centrepieces of roses.

The bride's going-away dress was a grey suit trimmed with grey velvet with black velvet accessories. The honeymoon is being spent on a motoring trip into the United States as far as Florida.

Out-of-town guests who attended the reception included Mr. and

Mr. and Mrs. John C. Westaway returned Tuesday from a trip to South Carolina and Georgia.

Mrs. R. E. Haldenby will entertain at dinner at her home on Rosemount avenue, before St. Andrew's Ball on Friday night, December 1, in honor of Miss Joan Foster, who is a debutante.

A dance will be held at St. Leo's Academy Hall, Westmount, at nine o'clock tomorrow evening under the auspices of the Mothers' Club of St. Leo's and St. Paul's Academies, French Section. The Blue Serenaders Orchestra will provide the music.

The annual exhibition of paintings by the Studio Group and members of the Woman's Art Society is to be held at the 5th Floor Art Gallery of James A. Ogilvy's Limited from Monday November 27 to Saturday, December 2, from 9.30 a.m. to 5.30 p.m. Members of the Woman's Art Society will act as hostesses each day.

H.H.S. Royal Oak Chapter will hold an informal dance on Saturday at nine o'clock in the Officer's Mess, Victoria Rifles of Canada, Cathcart Street. Westmount Guides Taking Part In Friendship Scroll Ceremony

A historic event in the annals of the Canadian Girl Guide Association will be the delivery on Saturday morning at Trinity Memorial Church Hall of the "Scroll of Friendship" from British Guides which will be received by the Rev. Canon R. K. Naylor at 11.30 a.m. and be on view at the church to the public until 3.30 p.m. Guides will be the custodians of the Scroll at Trinity, the guard of honor being made up of Guides from Notre Dame de Grace, Snowdon, Western and Belmont — the four districts in the newly formed Western Division. Commissioners attending will be Mrs. John Hymers, N.D.G.; Mrs. J. L. Pidoux, Western; Mrs. C. F. Young, Snowdon; and Mrs. H. M. Chalk, Westmount.

District Mrs. Paul Fraser, Brown Owl from Willingdon School, accompanied by Mrs. John Hymers, will transport the Scroll and the guard of honor by motor to Verdun City Hall, its next destination. In planning for the 13th World Conference of Girl Guides and Girl Scouts, held at Oxford, England, last summer, this hand printed illuminated Scroll was prepared to carry the greetings of British Guides to the Guides or Scouts of each of the twenty-seven member countries of the World Association, representing two and a quarter million girls.

Wrapped in a waterproof case and enclosed in a blue container, the scrolls were each started on long and exciting journeys. From outflung parts of the British Isles — the Hebrides, Ulster, the Channel Islands, the Lizards, the Isle of Wight — they came over routes famous in history — the Roman Roads, the Pilgrims' Way, coaching roads, pony track, barge canals, lights and beacons, and by the route followed by the Army of Liberation, 1945. Thus came Canada's Scroll of Friendship-borne by military vehicle, jeep, motor transport and by the Royal Navy Ambulance, to the purchase of which Canadian Guides had contributed. As it passed from town to town in the hands of the Brownies, Guides and Rangers, its passage was recorded and the names of those who had the thrill of carrying the Scroll, to whom it was handed and how it travelled. Only when it was given to the mayor of a town, or the minister of a church for safe-keeping during the night does the name of an adult appear anywhere. So from hand to hand passed the greetings of Britain's Guides till they reached Oxford on July 29.

C.A.C. Reports

Looking at the picture of C.A.C. in the Province of Quebec what a tremendous difference can be noted between 1949 and 1950. If you are wondering what C.A.C. means, it is a convenient abbreviation for the Canadian Association of Consumers, and signifies an organization which is now known to thousands of members all over Canada.

Membership in this province has been "upped" over 66% above that of 1949. Better still, nearly two-thirds of all members are now organized in local Branches. Just for the record and for those interested in joining such groups, the following list is given, and where the name of a women's club is mentioned, a branch has been formed within the membership of, and restricted to that club.

Rural Branches are now at work in the towns of Asbestos, Hudson and Hudson Heights, Mansonville, Magog, Strathmore, Shawinigan Falls, Noranda, Pointe Claire, Richmond and Ste. Anne de Bellevue. In Montreal, the following Branches: Cote des Neiges and Snowdon Women's Club, Jewish Junior Welfare League, Madeleine Hodgson Chapter, I.O.D.E., Montreal West Women's Club, Mount Royal Women's Community Club, Notre Dame de Grace Women's Club, The First Notre Dame de Grace Branch, Pioneer Women's Club, RCAF Silver Cross Mothers, the Renee Branch, University of McGill Alumnae and the University of Toronto Alumnae. Several other are forming and "C.A.C. Reports" will soon carry news of them.

Dr. Thomas O'Hagan Subject of Talk At St. Augustine's

Rev. James T. Hurley, of St. Augustine of Canterbury Church, was guest speaker at the November meeting of the Xavier Apostolate Guild, held in Congress Hall. Father Hurley's subject was "A Canadian Poet and Scholar,"—the life and times of Dr. Thomas O'Hagan, who was born in Ontario in 1856 and after a most distinguished career, died in 1939 in his eighty-fourth year.

Dr. O'Hagan was a prolific writer and educator and wrote many poems, several of which Father Hurley read to the audience.

Introduced by the president, Mrs. J. W. McAnally, Father Hurley was thanked by Mrs. J. E. Cahoon.

Very Rev. J. F. McCaffrey, S. J., rector of Loyola College and moderator of the Guild, addressed the meeting.

Mr. I. Bellvau was soloist, accompanied by Miss Ethel McDermott, who also played piano selections during the tea hour. Mrs. Peter Reid was tea hostess.

Fashion Hint

Deep winter red wool fleece is used for a good companion of a coat that aims to bring cheer and comfort to the chilly scene. The collar, which is hand stitched as are the cuffs, is made to frame the face or to be draped flat. The sleeves are crushy with winged armholes. The hand-stitched detail continues all the way down the front. Along with the current penchant for surprise coat linings, this one is lined in navy taffeta.

Distinguished Jewish Spokesman To Address Laurentian Organization

Sol Hayes executive director of Canadian Jewish Congress, will address the monthly dessert luncheon meeting of the Laurentian Service Organization, which will be held on Monday, at 1.30 p.m. at the home of Mrs. Cecil Vineberg, 4955 Roslyn Ave., Westmount.

When the Jewish Refugee and War Relief Agencies were formed in 1940, Mr. Hayes was appointed executive director. In 1942 he was named, in addition, executive director of Canadian Jewish Congress. He was instrumental in bringing together various representatives of Jewish groups from all over the world who attended a meeting in Montreal of the United Relief and Rehabilitation Administration and for the first time in 25 years, United Jewish Representation was organized to go before an international organization, the UNRA.

Mr. Hayes was chosen as the spokesman of world Jewry at the conference and in 1945 went to San Francisco as a representative for the Canadian Jewish Congress at the adoption of the United Nations Constitution. He is thoroughly familiar with current world events and particularly with affairs that affect Canadian Jewry.

Jewish Junior League Bazaar and Carnival to Feature Home Cooking

Plans are being carried out by the Jewish Junior Welfare League for a mammoth Bazaar and Carnival to take place at Victoria Hall, Wednesday, December 6, from 1.30 p.m. until midnight. Admittance tickets being sold in advance by members will bring luxurious and useful door prizes to 25 lucky people. First prize is a dark grey lamb Russian stole valued at \$650, and with a \$100 Government Bond and merchandise certificates from leading Montreal stores, these prizes total over \$1,500.

The Bazaar, the major activity of the afternoon, should prove a boon to Christmas and holiday shoppers.

Members of the Jewish Junior Welfare League have long been known for their culinary arts. Proof of this skill will be displayed at the Home Cooking sale for which every member has been asked to bake her best cake, pie, cookies, or candy and to donate home-made jellies and jams, pickles and preserves.

The League's many projects and services include new and repaired toys for the children in hospitals and community centres; scholarship funds for needy students; hot soup and cocoa for the children of Lorne and Aberdeen Schools; purchase of articles made by handicapped people in the veterans' hospitals and the sanatoria; and the establishment and maintenance of an Occupational Dept. of Therapy at the Jewish General Hospital.

Ti-Coq Is Exciting And Genuine Theme Portrayal

Considerable discussion continues to rage among theatre-goers on the merits of the English version of Gratien Gelinas' row famous Ti-Coq. Spirited pros and cons have been aired on the revised production — the first professional all-Canadian play to show much success of any kind.

The mere fact that this interest exists, is an encouraging sign for the play's future if and when it hits Broadway.

Most of the debate heard in regard to the production has been whether the English version is as good or better than the original French play. The comparison, however, seems erroneous. What does matter is whether or not the present production is good theatre. And there is little doubt about the answer. The play is a genuine and exciting portrayal of French Canadian life.

It is only an insensitive critic, with a chip-on-the-shoulder attitude who can leave the Gesu Theatre without having felt he has seen something unique in Canadian entertainment.

The play cannot be said to be a departure into any new form, but it nevertheless has an original and authentic ring.

Fridolin himself gives the most imposing performance. Others in the cast who give strong support are Huguette Oligny as Marie-Ange, Denise Pelletier as Germaine, Joy Lafleur as Rosie, Amanda Alarie as mama and Fred Barry as papa.

New sets designed by Jean Fournier de Belleval and executed by Hans Berends are sharp and appropriate.

St. Matthias Pack Get New Trophy

Last Friday Cub Eric Riordon was invested as a Tenderpad. The Pack is glad to see this new addition to its ranks and wishes Eric "good hunting." Jimmy Laing joined the Pack and is the last man to be accepted this season. Tony Bowen gained ten points for his Six by bringing in Eric Riordon and this brought the Green Six level with the Grey in the monthly competition. They both have 159 points and it will be interesting to see who wins the November competition which concludes tonight.

Cub John Hardy of the Grey Six was presented with his First Star which he passed last week. Peter Seely passed model for Second Star and Peter Gillespie passed his savings test for Second Star.

Tonight the Pack will hold an examination night, during which various parts of First and Second Star may be passed. It is hoped to see a number of men get through some of these things.

We plan to have Mr. Gilhooly down for Second Star and badge passing next Friday, December 1, so all Cubs going in for these items should get in as much practice as they can. The Pack meetings for this year will conclude on December 15, when we will have an open night. This means that the December competition will run for two nights only and Sixes will have to work hard to gain points in the competition.

The White Six will be duty Six in December. The Pack was glad to have the chairman of our Group Committee, Col. J. E. Slessor, visit us last week and present the trophy given by the Committee to the Grey Six as floorball champions.

Children's Theatre Production

David Luck, as Dick, and Glenda Morris, as his cat, in "Dick Whittington," a dramatized version of the famous story for children, which will be presented by the Children's Theatre this Saturday afternoon at Victoria Hall, Westmount.

"Duchess Of Idaho," And "Caged" at Monkland Theatre

As far as leading ladies are concerned, John Lund hit the jackpot in "Duchess of Idaho," M-G-M's gay Technicolor comedy with music, which opens Saturday at the Monkland Theatre. For, despite the fact that Lund considers himself strictly a character actor, he's kept busy in the romance department with not one but three females—and they're all chasing him.

Esther Williams corners him in a swimming pool.

"Which is taking unfair advantage," he adds.

Amanda Blake traps him in a night club.

Paula Raymond in a kitchen. And he finally trips over the apron strings.

Being an actor is an avocation

with Lund. As a matter of fact, he lays no claim to a definite vocation. He has tried any number of activities and has more or less succeeded on all counts.

Screen acting was an outgrowth of writing. After leaving school in Rochester, N.Y., and trying out such professions as soda jerking, ditch digging, time-keeping, bill collecting, surveying, modelling clothes, clerking in a haberdashery, inspecting highways and selling magazines, a friend talked him into accepting a role in an amateur play.

One role led to another and he was just getting a foothold on Broadway when the idea struck him that he'd rather write than act. He turned to writing for radio and his scripts were a hit from the start. The assignments mounted until he had more than he could do.

So Lund turned back to acting

for a vacation. He accepted a role in Lindsay and Crouse's "The Hasty Heart" because he was assured that the play would have a short run. But the original "limited engagement" turned into a marathon and somewhere about the middle Lund signed a motion picture contract. He's been acting ever since.

Performance of Children Again On Saturday

Hundreds of children were on hand to greet the talented group of juveniles "The Children's Theatre", directed by Dorothy Davis and Violet Walters, when they presented their first big production of the season at Victoria Hall on Saturday afternoon. For the many who were disappointed and could not get in last Saturday, a repeat show is being given next Saturday afternoon, November 25.

The play was beautifully produced, with excellent staging, colorful dances, and well-balanced cast. The role of Dick, played by David Luck, was expertly handled, while the faithful cat portrayed by Glenda Morris delighted the audience with its funny antics. Phyllis Gibson made a capable and picturesque Alice, while Barbara Hamill and Beth Kraminer, in their roles as the maid and cook, proved to be character actresses of merit.

Howard Jay Katz did very well in the role of the houseboy, Bob Davis was a dignified merchant, Walter Wakefield, a splendid Captain. In the beautiful Sultan's Palace which was so colorful and attractive, Helen Litterman, Gloria Wolfe and Jack Ainsworth played their roles convincingly. The dancers in the palace scene, with their beautiful costumes and artistic lighting, were a big hit, and the little rats caused great amusement as they plagued the princesses with their presence.

Hitchcock Drama At The Seville

Today the Seville Art Theatre brings to its screen "The Lady Vanishes," a Hitchcock thriller.

"The Lady Vanishes" is a top-notch espionage drama which unfolds against the background of a Continental express, and stars Margaret Lockwood, Michael Redgrave, Paul Lukas and Dame May Whitty. Suspense is retained throughout, and the climax is a gripping one.

Comedy sequences in the film are provided by those two famed Brits, Naughton Wayne and Basil Radford.

On the same bill with "The Lady Vanishes" will be the frank and funny film, "The Facts of Love," which deals with a family's attitude and reactions to the impending marriage of its young, and stars Gordon Harker and Carla Lehman.

FILM BARRIE PLAY
 Paramount's "Rendezvous," which co-stars John Lund and Joan Fontaine, is based on Sir James Barrie's comedy, "Alice Sit by the Fire."

Two Thrillers To Be Shown At The Westmount Theatre Sunday

Bright Leaf," the long-awaited picturization of the novel comes to the Westmount Theatre on Sunday for a week's engagement.

Starring Gary Cooper, Patricia Neal, Lauren Bacall and Jack Carson, the picture is assured of a major cast strong enough to portray the roles in a story of the

building of a tobacco empire in the old South, set against a background of Southern mansions, beautiful women, fiery tempers and courtly manners.

As Brant Royle, a devil-may-care southerner, Gary Cooper returns to his home town to woo again the aristocratic Patricia Neal whose father, played by Donald Crisp, will have none of him. Cooper launches a tobacco empire which ultimately ruins Crisp, and while he marries the girl, is never happy with her. Only Lauren Bacall, another beauty of shady background who loves him, and Jack Carson, playing a medicine show barker who decides to settle in the southern town, remain loyal as the empire subsequently crashes.

ADDED ATTRACTION

Exciting, suspenseful melodrama is the measure of "Where The Sidewalk Ends," new film thriller, which is the added attraction. The difficult, unique leading role of a member of New York's finest who disgraces his calling but comes to redeem himself is played by Dana Andrews. He is paired with the wistful Gene Tierney, filling the part of a New York fashion model.

"Where The Sidewalk Ends," with its authentic New York location scenes, that come across vividly on film, tells of Mark Dixon, criminal-hating, tough cop who in the course of an investigation accidentally kills a murder suspect. Realizing he has gone overboard in taking the guilt or innocence of a suspect into his own hands, Dixon becomes panicky and tries to utilize his inside knowledge of the workings of police method to twist the blame onto someone else. The way he resolves his dilemma makes for powerful film fare.

CIRCUS GIRL

Jennifer Jones, starred opposite Laurence Olivier in William Wyler's "Carrie" at Paramount, had her first real taste of show business when, at 13, she travelled with the small circus owned by her parents.

At The Kent

'Modern Marriage' Heads Outstanding Double Program

Afraid of Love and Marriage! For the first time a motion picture dares to reveal frankly the vital problem that ruins thousands of young couples' lives each year. "A Modern Marriage" introducing a new name to the screen, Margaret Field, will be seen at the Kent Theatre commencing this Saturday afternoon for a week. The actual case history of a young wife whose strange inhibitions made her run away on her wedding day, and how an understanding doctor cured the fears that caused her to flee her husband's arms. Reed Hadley, Robert Clarke and Nana Bryant are in support of the newcomer.

This gripping and exciting story of a strongly emotional, frustrated young bride and her husband's determined efforts to draw her from the sphere of a domineering mother, is well told with suspense, pathos, humor and everything that makes for outstanding entertainment.

On the other half of this excellent double feature program, we have one of the finest light entertainments of the year, "The Girl From Jones' Beach," with beautiful Virginia Mayo co-starred with Ronald Regan. This is a highly entertaining feature, filled with riotous laughter.

Warriors Bow Out of Q.R.F.U.

Avenue Stars Stretch Cage Win Streak

The Avenue Stars picked up their second straight win in as many starts last Wednesday night when they trimmed the Wolves 46-18. Jack McKissock, the league's leading scorer to date, led

the Stars with a 14 point effort. Bet Kelley picked up 12 and Easton 8. Mike Barnard was top man for the Wolves with 9 points.

The Royals remained in a first place tie with the Stars by beating out the Saints 30-29. This was a hard fought, close game all the way with both teams exchanging the lead frequently. Graham and Campbell collected 8 points each for the winners with Romney getting 7. Cammy McFadden was the

individual high scorer of the game notching 18 points for his losing team. Dello accounted for another 10.

In the third game, the Dukes trampled the Staynor crew 36-8. McCarthy and Tyler were top men for the winners with 12 points apiece, with Bourassa picking up 8. The losers' point getters were Tinnings with 3, Catter with 2 and Martin with 3.

Defeated by Lakeshore In Sudden Death Final 9-1

By MEL JAMES

Roy Chesley, blew his whistle for the last time in the 1950 football season on Sunday afternoon, following the Westmount Warriors defeat by the Lakeshore Flyers, while co-coach Mack Parsons stood by.

"This will be the last time," he said, "and I blow it now to tell you that you've been a fine group to work with."

"We didn't win the championship," he continued, "but we had a good season, and I want you all to know that I'm pleased with the way you worked throughout the year."

The players sat quietly on the benches, dejected and beaten. They had lost the championship to the Flyers, who, in a dressing room at the other end of the field were whooping it up in fine style.

"Maybe I made mistakes and maybe you made some through the year," Chesley said quietly, "but it's all over now for another year. I can say without question that we'll be glad to have you back next year if you want to come," he went on, "and for now, all I can say is what they say in Brooklyn, wait 'til next year."

SMALL PRAISES CLUB

Walter Small, president of the Westmount Football Club, added a word, "I want you to know that we're proud of you," he said on behalf of the executives of the club, some of whom were in the dressing room at the time.

And then the players undressed, slowly, quietly, almost mechanically, while the largest crowd of the Q.R.F.U. season filed out of the Westmount Athletic Ground stands. More than 3,000 people had watched the Westmounters bow out to Lakeshore for the second week in a row, this time by a 9-1 score.

EARLY START

The Flyers won the game in the opening minutes of the game. After receiving the kick-off they rolled up for first downs in succession to bring the ball to the Westmount 25 yard strip, and Frank Latchmore dropped back to notch a field goal.

The Westmounters returned, but Jim Chambers' attempted placement went wide of the goals for a

single; the only Westmount score of the game.

Mike Maruska added a single before half time, and then proved the big gun of the game when he carried over for the Lakeshore crew after three consecutive first downs, to end the scoring.

21 FIRST DOWNS

The Lakeshore team rolled up 21 first downs, and their wing-line play, led by burly Wenty Young, a Westmounter was outstanding. Meanwhile the Warriors failed to click, with only Jim Chambers making any major gains besides tossing forwards and handling some of the kicking chores. He played a brilliant game but it was not enough to wreck the determination of the Flyers.

So the season ended; a tough season for the Westmounters in many ways since they never once played at full strength. First major injury of the season came to Ed. Lehmann, who was out from almost the beginning of the season. Then Eddie McLeod was another who failed to finish the year when he suffered a leg injury. Jim Chambers was sidelined for three games, Lynn Hiscock was out for more than half the year, and only appeared in one play on Sunday before his leg started bothering him again.

Frank Fitzpatrick, one of the hardest hitting plunging halves in the league suffered a separation of the shoulder in the second

RMR Football Team Hold Dance Tomorrow Night

The Royal Montreal Regiment (Army) football team held a very pleasant evening on Saturday at the Westmount armoury.

Coach Captain Dave Peebles was presented with an electric clock in appreciation of his fine coaching job done by the players and officials of the club. Assistant coach Red Nower received a suitably engraved silver cigarette case.

Both Peebles and Nower thanked the boys for their gifts and praised the team for splendid spirit which had prevailed during the season.

A huge cake beautifully decorated which was baked by Mrs. Peebles added to the festive spirit of the occasion.

An evening song and dance followed the presentations.

Tomorrow night (Saturday) the annual R.M.R. football dance will be held in the armoury to which all friends of the team are cordially invited.

An excellent orchestra has been engaged and Major John Coupland states that this dance will be something out of the ordinary in the way of football get togethers.

Meanwhile Captain Peebles will keep his men in first class shape for next season by playing touch rugby every Saturday afternoon. Anyone interested in playing football or just keeping fit is invited to take part in these Saturday afternoon exercises.

Westmount High Players In High School Carnival Event

Four members of the Westmount Senior "A" Hockey squad will see action in the all-star game to be featured in the Greater Montreal High Schools Athletic Associations hockey carnival to be staged in the Forum, December 4.

The Westmounters making a berth in the picked squad, to be coached by E. R. Meagher of Loyola College High School, are J. Swaine, M. Reece, D. McDougall and R. Forrest. They will team up with the all-star ratings from West Hill, Montreal West and Loyola College High School, in an effort to down the Eastern all-star aggregate.

Westmount Ski Club Activities Now Under Way

One of the features of the Annual Meeting of the Westmount Ski Club, held last week at the Westmount Y.M.C.A., was the presentation of prizes won by members in the Club's competitions last year.

A new trophy, emblematic of the senior men's championship, donated by the Hon. D. C. Abbott, was won by Bernard Flanagan. In addition, Bernard Flanagan was presented with a silver cup.

The Geoffrey O. Merrill Trophy, for girls' competitions, was won by Beverley Christmas, who was also presented with a ski sweater by Gresvig.

Other prizes presented were as follows:

Senior Men's Slalom — second prize, Richard Evely; third prize, Sandy Edmison; fourth prize, Boyd Cowper.

Girls' Slalom — second prize, Susan Christmas; third prize, Andrea Rutherford; fourth prize, Glory O'Neill; fifth prize, Patsy Scott.

The presentation of prizes was made by Ragnar Hvoslef, Chairman of the Competitions Committee, and Thorney Pickering, member of the Advisory Board. The meeting was presided over by John Lewis.

Plans for the coming season are developing rapidly. The Club has rented a clubhouse at St. Sauveur, and all members interested in obtaining accommodation at the clubhouse should apply immediately.

A meeting was held recently for competitors, and the members were given an outline of a training and coaching program by Harvey Clifford, Olympic skier, who will coach the members of the Westmount Ski Club team this winter. Coaching will be carried out on weekends prior to but at the same locale of the zone races. This will permit racers to get first-hand information on how to ski to a particular course.

The Club's program for the winter season will be announced shortly, but the first big event will be the showing of Frank Schofield's newest ski movie, "Skiing Saints" at Victoria Hall, on Wednesday, December 13.

Sherbrooke encounter and still has his arm in sling; Ducky Aird had heel trouble for the first part of the year and the schedule was almost half over before he began showing his true form, Jack Black had a back injury at the beginning of the year, and Bob Purden suffered a couple of broken ribs but didn't miss any of the season's play.

Also on the line with Purden was Rudy Janis who had a trick ankle picked up half way through the year, and Harry Middleton who was limping out to take part in the plays when he ordinarily might have been sitting on the bench. In Sunday's encounter Gordie Poirier was the only injured player with a twisted knee that is reported to be coming along nicely at the present time.

Junior High, all-star coach of the Bantam Team in the High School Hockey League, will have three of his players, together with three from St. Leo's in the Bantam all-star game also scheduled for the Carnival. G. Joy, R. Dunbar and R. Christenson of Westmount, together with R. Ryan, W. Hibbard, and D. Orr of St. Leo's Academy, will team up with players from Daniel O'Connell, Herbert Symonds, and Loyola College High School in an effort to beat out a strong all-star squad from the schools situated in the Eastern end of the City.

The four hockey games will be only a part of the attractions scheduled for the Carnival, which is being organized and sponsored by the hockey coaches from the various schools. First carnival of its kind in Montreal, the proceeds of the event will be used for the renting of ice at the Forum and the referees.

The title aspirations of the hockey hooligans have been dimmed somewhat by the announcement that Charlie Johnson, one of the steadiest performers on last year's club, will not be back in the fold this season.

"Must study," was taciturn Charles' explanation for his retirement.

In the Senior B section, two Westmount Senior High students, and two from St. Leo's Academy will take part in the all-star game of East versus the West. J. Petrie and F. Hoffman of Westmount and N. To bring this anti-aircraft gun into action calls for a full crew — skilled men trained to fight as a fast-thinking, fast-acting team. To train such a crew takes time; gun crews must know how to handle modern scientific equipment — electronics, radar, radio, telephone; men must work together with the closely timed co-ordination of a championship football team.

The Canadian Army Active Force needs men today . . . keen young men who can begin training immediately as anti-aircraft gunners. You can take your place at the side of the men who defend Canada by reporting for training without delay. Act now — and help make Canada strong.

Mike Dodman Paces St. Leo's To Bantam Grid Championship

St. Leo's, the mighty mites of school football, rounded out an unbeaten season, when they defeated Catholic High 23 to 5, in a sudden death play-off at Westmount Athletic Grounds Tuesday, for the Montreal Bantam Football Championship.

The win for the Westmounters was a fitting climax to a successful football campaign. Not rated in the pre-season calculations, the Academy football crew turned out to be the surprise team of the year in school circles. Spearheading the Saints' march to the title, was captain Mike Dodman who, in his first year of organized football, blossomed into one of the best prospects in school football. A sturdily built youngster with a terrific competitive spirit, his all around football

ability left nothing to be desired. The records show that iron Mike racked up no less than 14 touchdowns during the season.

Wayne Hibbard at quarterback was another important cog in the team's success. A smart passer and a shifty runner, Wayne was a tower of strength on defence and offence.

Last Tuesday's win over the Black and White, left no doubt in the minds of the loyal 300 followers of the Academy that were in attendance at the game, who was the best team. Although outplayed, the Catholic High Squad showed some smart passing but it was not enough to match the powerful ground attack of the new champions. With Mike Dodman skirting the ends for long gains, Wayne Hibbard running and passing in big league fashion, Dave Orr and Ken Farrell smashing through the line for valuable yards, it was a big day for the little sport minded school nestled at the foothill of Westmount on Clarke Ave.

Another football season has come to a close and one that will be remembered for a long time, not only because it was a championship team but also because of the fine spirit and condition of the team. The team was superbly conditioned with the result it went through the season without a single injury of a serious nature.

And so we salute the following members, who have marched to the fore in the Montreal Bantam pigskin parade of 1950: Mike Dodman, Dave Orr, Ken Farrell, Dave Lafontaine, Wayne Hibbard, Jimmy Griffin, Mario Chartrand, Dave Donohue, Peter Robertson, Karl Hurley, Gerry Ramsey, Grant Gill, Frank Dodman, Richard Whitem, Ronny Ahern, Dunc Robertson, Campbell Lane, Bob Hart, Martin

Current Events Group Holds Lively Debate

"Should Socialized Medicine be Adopted in Canada?" This was the subject of a lively debate at the meeting of the Current Events Club of Westmount High School recently. Lewis Batshaw and John Preston upheld the present system against the viewpoint of Margaret Craig and Jane Anders who would like to see the socialized form practised here in Canada.

The affirmative emphasized the popularity of socialized medicine with the British people today, and prophesied that just as the now accepted present-day school system was an oddity to the public so will it be with socialized medicine.

On the other hand the negative showered their opponents with objections to such a system — pointing out the mass of red tape involved in getting treatment as well as the danger of doctors being hampered by politicians.

All the debators had a full understanding of the subject and backed up their arguments with as many facts as they could mention in the time allotted. Before a general discussion of the subject was permitted, the members took a vote to see which side had won the debate, and a large majority of the 92 present were in favor of the negative side.
