

Ormstown Exhibition Shows Operating Profit Of \$6,308.21 For Year 1960

The annual meeting of the shareholders of the Livestock Breeders' Association of the District of Beauharnois Inc., was held at the Town Hall, Ormstown, on Wednesday, November 30th, with A. A. McCormick, President, in the chair. The meeting was attended by 14 shareholders totalling ownership of 174 shares.

Following the reading of the minutes of the previous annual meeting, a few questions were asked and explanations given and the minutes were adopted.

A. A. McCormick then gave his message as to the operation of the annual Exhibition, as follows:

First I would like to thank the shareholders for being present today. It is with regret we have lost one of our Honorary Presidents, Hon. R. R. Ness, and the following members from our various Committees:— Mr. George Hooker, Mr. Ivan Heath and Mr. Thomas Fitzmaurice, since our last Annual Meeting. We will now rise and observe a moment's silence in tribute to these men.

In 1936 Mr. Bob Ness, who was President at that time, paid that same tribute to my father, Little did I expect at that time I would be in the position to pay this tribute to him. He was one of the pioneers of this Show and always most interested in its progress. In speaking with him at the 1959 Exhibition he remarked about the advances that had been made and the possibilities for the future.

The success of our show is mainly due to the generous cash donations from the Federal Government, the Quebec Department of Agriculture, Chateaufort County Council, Rosamond Woolens, J. G. Wilson and numerous others who have always supported our Special Exhibitions. Special Prizes are always a great asset to any fair and I am very pleased to say that every year these are increasing in number and value. Our appreciation to all who made donations.

Council Asks Government For New Bridge At Henderson St.

A regular meeting of the Huntingdon Town Council was held at the County Building, on Monday evening, with all members present.

During the reading of the correspondence, the council was advised by Spinners Ltd. that the house on Russell's Island had been demolished.

A Chevrolet truck with snow plow equipment has been purchased from the Parish of St. Anicet for \$2800 dollars. Repairs required on this vehicle have brought the price up to \$3100 complete. The plow will be used for snow removal this winter.

A letter of resignation was read from Denis Brunet, stating he wished to resign as Town Foreman.

Milk Reports were read for a period of several months as follows:

September 27th — R. Clark, 500,000cc; G. Monique, 21,000cc; G. Tannahill, 9,600cc; Belle Vallee, 19,000cc and 130 coliforms; Belle Vallee, 310,000cc and 130 coliforms.

November 2nd. — Belle Vallee, 290,000cc and 130 coliforms; Belle Vallee, 50,000cc; Elmhurst, 14,000cc; G. Monique, 17,200cc; R. Clark, 180,000cc.

November 17th — R. Clark, 190,000 and 350 coliforms; Belle Vallee, 59,000cc; Belle Vallee, 42,000cc.

Dissatisfaction was expressed by several of the Aldermen at the high bacteria content of some of the milk being sold in Huntingdon. The secretary was asked to write a letter to those who were in the high category and ask them to do something to remedy the situation.

A number of charity cards were read and a few were accepted as the responsibility of this council.

A resolution was passed thanking the Bridge Dept. of the Province of Quebec for making repairs to the floor of the Henderson Street Bridge.

Another resolution was passed asking that a new bridge be made at Henderson Street to replace the one now there because it is inadequate for present day traffic requirements.

A Christmas tree is to be erected in town in the very near future.

The Fire Committee is to obtain prices on the following: 200 feet of 1 1/2 inch hose; 400 feet of 2 1/2 inch hose; three ladders and clearance lights for the truck.

The firemen have notified the council that they will look after suitable lettering for the truck, a flasher and a siren.

Philippe Langvin was appointed Town Foreman at a flat rate of \$1.25 per hour.

Thanks to Mr. Don Languedoc for securing this entertainment. Friday night our local 4 H Clubs put on a very interesting Parade of Floats. The future of our Show will depend on these boys and girls. The grand finale was the Square Dancing Competition on Saturday night — sponsored by Green Giant of Canada Limited and the presentation of the various trophies.

The decorations in the Arena were secured through Davies Bros., who were also instrumental in obtaining several Special Prizes from their suppliers, as well as donating \$100.00 themselves towards special prizes.

At a Meeting of the Directors early this fall we discussed the matter of necessary repairs to the Arena with Mr. Harold Reid and he advised me recently that he expected to start this work shortly.

We are very fortunate in having a Mirway the calibre of King-Heid Shows as an added attraction, which I feel sure has helped to increase our receipts.

According to our Prize List and Programme Mr. W. G. McCormick's name was omitted as Honorary Secretary and we regret this omission as it certainly was not intentional.

In closing I would like to thank the various Committees for the time and effort they have given, also the Directors for their untiring co-operation. In looking over the financial statement one can readily observe the amount of time given to this organization by the Secretary-Treasurer and his part-time assistant.

It was moved by Douglas A. Ness and seconded by J. H. Nussey that the chairman's remarks be adopted. This motion passed unanimously.

A study of the Financial Statement was the next item on the agenda. Each shareholder having a copy of the Financial Statement the chairman asked for a motion approving the financial statement. This motion was moved by G. C. McClintock and seconded by Alfred Greig. The chairman then asked the secretary to read a copy of the 1959 financial statement so that the shareholders could compare the difference in the various sums mentioned. The secretary explained that the increase in revenue was due to higher rate receipts, higher seat sales in the arena, higher receipts from entry fees and higher receipts from stall rent. The expenditure was somewhat lower due to there

having been more fire insurance premiums due in 1959 than in 1960, thus making the operating profit of the Exhibition in 1960 \$6,308.21 against \$3,696.39 in 1959.

The chairman then asked for nominations for auditor for the coming year, it was moved by Alfred Greig and seconded by Thomas Duncan that W. S. Roy be auditor. Carried.

The chairman stated that in accordance with the usual procedure that the Ormstown Exhibition was always held during the last four days of the first full week of June, and asked those assembled if this met with their approval, there being no dissent he asked for a motion which was moved by John K. Dickson and seconded by J. Parle Ness that the 1961 Exhibition be held June 7-9-10, 1961.

Gilbert McMillan moved a vote of thanks for the manner in which the affairs of the Association had been handled during 1960. Carried.

J. H. Nussey moved a vote of thanks to the secretary for the careful attention towards the Association. Seconded by Wesley Roy.

The chairman then asked if anyone had any other business to bring before the meeting; there being none he stated that the meeting was open for nominations for Directors; he asked the secretary to act as chairman for the election of officers and vacated the chair.

It was moved by Thomas Duncan and seconded by Alfred Greig that the former Board be elected. The secretary stated that A. A. McCormick, John K. Dickson, G. P. Hooker, Murray McEwen and Douglas A. Ness had been nominated and asked if there were any further nominations; it was moved by J. Parle Ness and seconded by Gilbert McMillan that nominations close. Carried.

It was moved by John K. Dickson and seconded by J. H. Nussey that meeting adjourn.

A Directors meeting was held immediately following the Annual Meeting. A. A. McCormick was made president; John K. Dickson, Vice-President; G. P. Hooker, Second Vice-President. The same secretary was re-elected.

The financial statement appears on another page in this issue.

Work is already going ahead repairing the arena and the stalls are being renewed and other work done.

10 From Huntingdon Enjoy Anglican Youth Rally At Farnham

Joanne Gardiner, Charlene Fialle, Sharon Cooper, Frances Brown, Rex Tansley, Frank Stone, Edward Gardner, Gary Kirkby, Michael Tinker and the Rev. P. R. Stote, of St. John's Church attended the Anglican Youth Rally of 180 in St. James Church, Farnham, on Friday evening last.

The Rally began with Evensong by the Rev. Oswald Slattey, Rector of Farnham. The Rev. Wilmer Davidson, of West Brom preached to the church full of young people, so full that there was literally no more standing room. His text was — "Give God your bodies as a living sacrifice, don't let the world squeeze you into its mould, but let God remould your mind from within that you may prove in practice — the Plan of God for you — "Romans, chap. 12, verse 2. (J. B. Phillips translation). The Rev. W. S. Sellwood of Clarenceville was organist for the Rally.

Parish Hall, the Rev. John Peacock of Cowansville led the 180 young people in a lively and humorous singsong. The Rev. W. J. White, Rural Dean of Bedford, developed a question period. Questions were answered by the Rev. Col. Barnett of Sorel, the Rev. Wilmer Davidson and the Rev. Oswald Slattey, backed by a "panel of experts" including the Rev. Cecil Randall of Chambly, the Rev. J. B. Hall of Valleyfield, the Rev. Mac Bret of Sutton and the Rev. P. R. Stote of Huntingdon.

Groups of four to twenty-six young people attended, coming from many points in the Archdiocese of Bedford including Valleyfield, Huntingdon, Sorel, Chambly, Bedford, Cowansville, and other points.

A very keen young peoples' Band from Bedford furnished music for lively games and dances.

After a cafeteria style lunch (line up and get it!) the various groups set out about 11.30 p.m. to travel, some over a hundred miles home with eager thoughts about the next such Youth Rally to be held in St. Mark's Church, Valleyfield, on Wednesday Evening, December 28th.

The above photograph is of the newly decorated interior of Christ Church, Franklin Centre and plans are underway for the improvement of Christ Church cemetery.

At a recent Guild meeting, plans were discussed as to the redecoration of St. Paul's Church Herdman.

Had Shot Gun — Man Alleged He Planned Bank Holdup

Above is the sawed off shotgun and brief case that was seized from the car of the man who alleged he had intentions of holding up the bank at Howick.

A man was apprehended by Chief L'Heureux on Monday afternoon, who for the time being at least had duped several business men in Huntingdon and also a Montreal firm, to the extent of approximately \$3,000.

This man, Raymond Kampus from Pointe Claire, was single, and 23 years of age. He rented the house owned by Mr. G. Dobson, at 6 Kelly Street, Huntingdon and then proceeded to purchase a number of articles for his home. These included furnishings and appliances such as are usually found in most homes. He gave cheques in payment of goods, but they were rubber ones and bounced, or in other words were refused. Naturally those involved in the transactions were forced to make a few inquiries and then to take steps to protect their goods.

Chief L'Heureux was called upon to make an investigation and detained the man for questioning.

During the period of the questioning, he got the information that the man carried a shot gun in his car, which was outside. He managed to get word to another party to look in the car and see if this was so. It was, and the gun was seized. Further questioning elicited the information that in order to get the money for which he was being pressed, he intended to hold-up the bank at Howick. Through this method the man figured to get at least \$5,000 and so end his monetary worries.

The man was promptly placed under arrest and placed in the cells of the local jail to await being turned over to Provincial Police.

Meantime, the various interested parties swooped down upon the house in Kelly Street to recover their goods.

Margaret Duncan Graham Memorial Name Of New School Award

The Huntingdon High School Board of Commissioners met in the school library on Thursday evening, with all members present, for the regular monthly meeting.

Following the reading of the minutes and passing a number of bills, Mr. R. Greenbank, representing the Home and School Association, called for an audience with the Board.

Mr. Greenbank explained that the Home and School Associations of Huntingdon, Ormstown and Howick were quite concerned about the traffic safety of the school buses and their passengers. He said, despite the fact that the law requires all cars to stop when a school bus is stopped to pick up or let off passengers there were a number of motorists who were not obeying the law. On account of the fact that in Ormstown there had been accidents of this kind resulting in death, the Board there was very conscious of the need to have the law obeyed.

Howick and Ormstown had already taken together and discussed the matter and had called their bus drivers to talk to them. He also noted that similar steps had been taken in Chateaufort and that the people there were quite perturbed.

It had been decided therefore that the Home and School Associations of the area would take this project up as one to be studied with a view to getting greater enforcement of the safety traffic rules. He said he wanted to know if the Board would have anything against them doing this and whether the Associations could have their full co-operation.

Mr. Greenbank said that a number of the buses operating in the area concerned, do not meet the requirements of the law and therefore the first step would be to have these buses so equipped and examined so that they did. We must first put our house in order he said. He said the recent accident in

tion. First of all he thought that steps should be taken to see that all school buses complied with the law and also all the drivers in charge of them.

The Board said they would be in wholehearted support of the project as they felt that it was a matter that should be looked into in regard to the safety of the children travelling on the buses each day. Several of the Board members told of experiences which they had actually seen in which near mishaps had occurred because cars did not stop as required. One member told of an incident with regard to a truck which did not stop and he took it upon himself to go after the truck and stop it. When he told the driver he should have stopped, he said he did not have to, we don't stop for buses in Montreal. He happened to be from Montreal, and in cities and towns it is not necessary for cars to stop for buses. On the highway out of towns, however, it is different and cars are required to stop. The driver said he did not intend to do so in town or country. Under such circumstances, it is easy to see that an accident could happen quite easily. This is what the Home and School seeks to avoid.

Mr. Greenbank said that a number of the buses operating in the area concerned, do not meet the requirements of the law and therefore the first step would be to have these buses so equipped and examined so that they did. We must first put our house in order he said. He said the recent accident in

Final Report For Huntingdon Community School

The final session of the Community School activities took place on Monday night and it took the form of examinations for the First Aid course. While this was going on, the Executive met to finalize the year's activities and also to draw up plans for the future year.

The Executive at this time would like to take the opportunity to once again thank each and every one who, in any manner or form, has helped the Community School to be the success that it was in the past year. To each and every one of you a heartfelt "thank you".

In appreciation for the use of the facilities at the High School, the Community School has given to the High School a tape recorder. This was bought from Braithwaite Bros. on an installment plan and it is hoped that in the future the Community School will see its clear to pay off all the balance on this item.

A new Executive was also formulated for the coming year as follows: —

Chairman: Mrs. Gordon McLean; Co-Chairman: Mrs. F. Wilmot; Registrar: Miss Lydia Dich; Secretary: Ovide Monique; Treasurer: Mr. G. W. Thompson; Publicity: Mr. Philip Tinker; Directors: Mr. M. Melnyk; Mr. Geoffrey Holmes; Mr. Francis Cleyn; Mrs. Gladys Green; Mrs. Alys Hherdman; Miss Mabel MacMillan. Refreshments: Mrs. Jean Grant; Mrs. Doris Melnyk; Mrs. F. W. Hutchings.

A Financial Statement for the year just completed is given below: Balance brought forward: \$105.26; Fees received \$425.00; Collected for gifts to instructors \$52.60; total \$582.86.

Expenditures: — Instructors: \$222.00; Postage & Express \$12.80; Phones \$15.30; Refreshments \$23.67; Janitor service \$25.00; Printing & Advertising \$22.46; Gifts to Instructors \$63.68; Macdonald College (per capita fee) \$42.75; O/A Tape recorder for High School \$100.00; total \$527.66; Balance \$55.20.

Early Morning Fire Leaves Franklin Centre Family Homeless

An early morning fire on Sunday left a family homeless in the Franklin Centre area. The fire occurred at the farm home of Mr. and Mrs. Bork, who had recently bought the place and are from Montreal. The farm is situated on the road that goes to the Border from Franklin Centre.

Mr. Boisvert and Mr. Sproule saw the fire and warned the sleeping members of the house and got them out. The fire started in a shed at the rear of the house and then caught the roof of the house. However, the two above mentioned men with the help of others who arrived managed to get most of the furniture out of the house.

Fire extinguishers were used at first and then Mr. Ernest Tremblay brought his apple sprayer and with this the fire was brought under control. Water was obtained from a nearby spring to keep the sprayer operating. Buckets were also used to good advantage. The fire was brought under control about 5 a.m.

The shed was a total loss as were two cars which were in the building. Most of the damage done to the house was in the roof, but some damage was done by water and smoke also.

Mr. and Mrs. Bork are being accommodated in another house near the scene and their furniture has been moved to this point. It is not known if any insurance was carried or the extent of the damage.

Alberta has tended to focus greater attention on the matter of school buses.

A member of the Board said he felt that all school bus drivers should be sent a letter asking them to be sure and observe the rule of stopping the bus and opening the door at all rail crossings before proceeding to cross. He said it is possible that they do observe this important rule, but a reminder would do no harm.

It was mentioned that there are a number of old buses being used to transport the children and that the school boards should satisfy themselves that such buses are capable of doing the job in a safe manner. Mechanical difficulties could cause an accident just as much as from any other reason.

Mr. Greenbank told the Board that the Home and School Association intended first to study all the facts of the law with regard to school buses so that they would have a thorough knowledge of this end first. They would then proceed to suggest to the various Boards that where school buses did not answer to the requirements that the necessary measures be taken to remedy this. It was then the intention to check on the safety measures as regard to traffic and see if greater enforcement of the law in this respect could be undertaken. Approach would be made to the proper authorities to have signs posted on all roads in the Province where school buses travel, warning motorists that they cannot pass a stopped school bus under the provisions of the law. Then there would be no excuse for anyone to disobey the law because of ignorance of what is required.

Mr. Greenbank thanked the Board for their co-operation and the Board further assured him that they would do all they could to help the Association in their endeavor.

A cheque for \$1,000 has been received according to the terms of a will of the late Miss Margaret Graham. The terms were that the cheque should be invested and the interest therefrom be divided equally between the top boy and top girl in the last grade of their studies. It was decided to call the fund the Margaret Duncan Graham Memorial Award. The secretary was instructed to buy a bond of some kind and the interest each year will be used in the way asked for.

Mr. Melnyk informed the Board that the School Christmas Concert will be held on Friday, December 16th, in the school. He invited all the Board to be present.

The Christmas vacation will start on Friday, December 23rd, at noon and the return will be on January 4th, 1961.

Several matters remain to be looked after before the school board will accept the new building and make final payment of the amount of the contract. Some matters have been remedied, but a few still have to be checked on.

Two Men Get Two Years Each In Penitentiary

Three men were given sentences in connection with robberies in this area, when they appeared before Judge Fortin, at Valleyfield, on Tuesday. They were Raymond Arcoite of St. Christostome and James McKell, Howick, who each were sentenced to two years in the penitentiary and Denis Bouchard of St. Christostome, who was sentenced to one month. Others were also implicated in the series of robberies which covered the countryside and included St. Philomene, Howick, Ormstown, Huntingdon and other points.

The goods stolen covered a wide range as oats, potatoes, cement, gasoline, wheels and parts from cars. The use of the goods stolen was well over \$1,000.

500 gallons of gasoline were taken from the tanks of Mr. Parent just outside of Huntingdon, on Route 4. One wheel and a tire were stolen from Riverside Garage. All the robberies have taken place during the last two months. Provincial police have investigated.

HALIFAX (CP) Highways minister G. I. Smith says Nova Scotia may some day have to consider toll roads as an answer to building better roads with too little money.

Russia Potential Market For Ayrshires Gordon Green Contends

Russia is a large potential market for Ayrshire cattle, contended Gordon Green, who addressed the Howick-Huntingdon Ayrshire Club at its annual dinner, Thursday evening in Chateaufort.

Mr. Gordon Green, Ormstown is a journalist, breed secretary, and one who has travelled much. He received the Lenin Gold Medal in acknowledgment of his contributions toward work in agriculture.

In speaking about his trip to Russia, he told of the Russian as a hardy and perhaps somewhat enemy and perhaps some day our friends. I have enjoyed the hospitality of the United States and the U.S.S.R.

On the trip to Russia I first went to Leningrad with my export shipment of Landrace swine and Hereford cattle. After having a banquet at the hotel, a flag of the foreign country from which the man before it came. It may be a propaganda stunt, but it had the effect of developing conversation between the natives and visitors.

Mr. Green went on to explain how trade was developed between Russia and her satellite countries. In some cases the balance of trade was in favour of Russia and in other cases it was very much the opposite.

Travelling by train from Leningrad to Moscow he found the train to be very luxurious. I happened to share a compartment with a Russian, and though we could not converse he was very kind and considerate. Wherever I went a hearty welcome was accorded.

Mr. Green said he was asked to speak, and in the course of his remarks he intimated that he thought what Russia did to Hungary was indeed a bad bit of public relations. Their reply was this, that what was done was to curb the situation that existed in Hungary for fear such might be the start of a war.

The characteristics of the Russians appears to be that they have much humor, whilst the Germans and Czechoslovakians are a sombre folk.

Religion

Russia is an atheistic country in a place where ministers of the cloth might well go and see for themselves why the people lost faith. In Leningrad there is a cathedral that took 4,000 men to build over a period of 40 years. It is colossal as to size but by no means artistic or beautiful. It was St. Nicholas who built the Cathedral. The Czar was extravagant beyond conception. The Orthodox Church was in league with the powers that be.

The Czar's jewels, the gold, silver and precious stones were taken from the nobility and the lower classes. These jewels, etc. were so numerous that the whole of the Huntingdon Chateau would be taxed to capacity to hold them.

Permit Sought For New Radio Station In Valleyfield

Ottawa (CP). — An application to establish a new 1,000-watt radio station in Valleyfield, Que., was submitted to the board of Broadcast Governors on Wednesday by a five-man group headed by Jean-Claude Lefebvre, editor of the weekly newspaper "La Gazette de Valleyfield."

Associated with Mr. Lefebvre in the application are Raymond Crepault, president of radio station CJMS, Montreal, and businessman Adrien Cholette, Vilda Filiatrault and Arthur Vinet.

Mr. Lefebvre said the proposed station, to operate at 1370 on the dial, would have as its primary coverage area the communities of Valleyfield and Belleville and the surrounding rural areas.

However, it also would send a secondary radio signal into metropolitan Montreal, St. Vincent de Paul, Laprairie, Ste. Rose, L'Abadie-A-Plouffe, Pointe Claire, St. Etienne, Dorval, Vaudreuil and Alexandria and some other communities.

He told board Counsel William Pearson that the proposed station would expect to gain 15 to 20 per cent of its advertising revenue outside Valleyfield.

Tickets were drawn for the heifer calf donated by Club President Archie Finlayson. The winner was Bruce Barrington, of Howick.

President Archie Finlayson appealed to the Club members to be sure and attend the annual meeting of the Howick-Huntingdon Ayrshire Club in Ormstown on December 14.

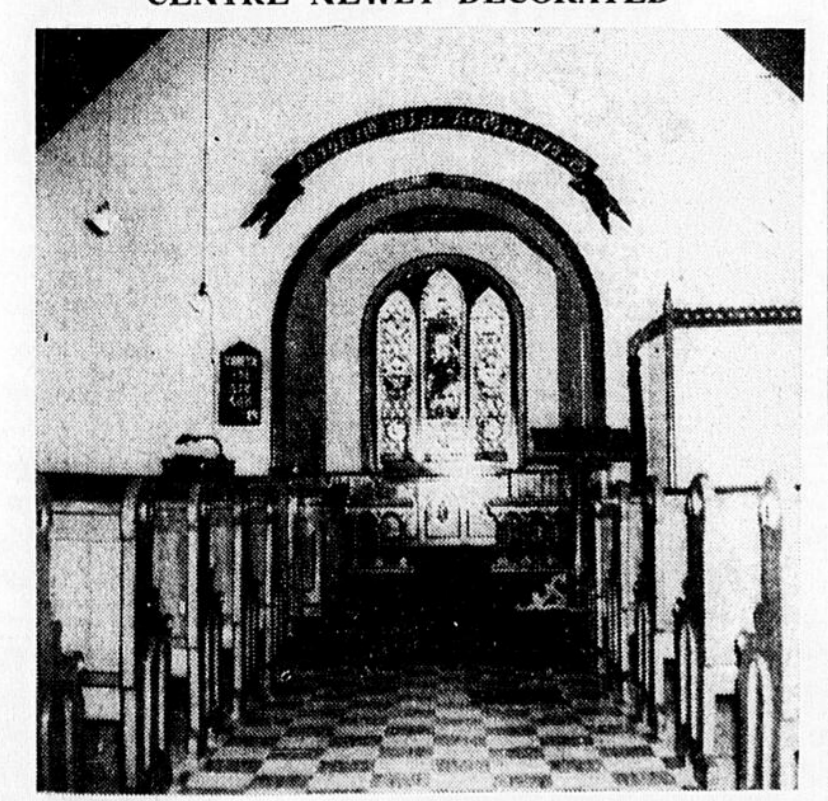

Leslie Hay of the Ormstown-Huntingdon Holstein Club conveyed the good wishes of its members to the Ayrshire Club. Words of welcome to Huntingdon were accorded by Adam L. Sellar.

Mr. and Mrs. Peter Miller provided musical entertainment to the delight of all present.

Ken Roy reported that the Club's finances were favourable but that the petty cash account was a bit on the low side. In a most congenial manner he exacted a few fines from Club members thereby replenishing the fund.

The introduction of Mr. Green was made by Mr. Gilbert Macmillan, O.B.E. and the thanks by Mr. Kenneth Roy.

INTERIOR OF CHRIST CHURCH, FRANKLIN, CENTRE NEWLY DECORATED

First services at Franklin Centre and Herdman Anglican churches were held on November 27th and December 4th, by the new rector. The Rev. Stote, with an attendance of 28 and 29 persons respectively. The services will alternate at 2.30 p.m. each Sunday and both congregations are asked to attend where the services will be held each

SILVER WEDDING ANNIVERSARY

Mr. and Mrs. Patrick Leavey, Henrysburg, who celebrated their 25th wedding anniversary recently.

Congratulations to Mr. and Mrs. Patrick Leavey, Henrysburg, who celebrated their 25th wedding anniversary on October 30th. An anniversary mass was sung by Rev. Fredette at the church of St. Bernard de Lacolle

at 10 a.m., attended by Mr. and Mrs. Leavey and their twelve children, two daughters-in-law, one son-in-law and a large number of relatives and friends.

The reception, following the mass, was held at the home of Mr. and Mrs. Leavey, when some seventy-nine guests sat down to dinner. The centre-piece on the head table was a delicious cake in the form of a book with the

names of the children inscribed on the page following the message of congratulations to their parents. The cake was made and decorated by Madame P. E. Levert of Sherrington, a close friend of the family.

A bouquet of carnations was sent by Mrs. Leavey's sister, Miss Germaine Cere, R.N., of R.C.A.F. Station, Centralia, Ontario, who was unable to attend.

An address, expressing the love and esteem of the children, was composed and read by their daughter, little Marie-Ange Leavey, who is a pupil at the Convent of the Sisters of the Holy Name of Jesus and Mary, St. Chysostome.

Father Fredette offered congratulations and best wishes from all present and speaking of Mr. and Mrs. Leavey's devotion to their family and Church he said he looked upon this family as one of the model families of the parish.

Mr. Donat Daoust, on behalf of all present, presented Mr. and Mrs. Leavey with a well-filled purse, many other gifts and cards were received including one from sister Ste. Augustine (Thérèse Cere), Hotel Dieu, Montreal, a sister of Mrs. Leavey.

Among the guests were Mr. and Mrs. Donat Daoust, Mr. and Mrs. Anatole Letourneau, Mr. and Mrs. Jean Louis Gagné, Mr. and Mrs. Martial Daoust, all of St. Remi; Mr. and Mrs. Charles Yaxley, Montreal; and Mr. and Mrs. Jean Louis Riendeau, Ste. Martine.

SUCCESSFUL CHRISTMAS BAZAAR AT HEMMINGFORD

The annual Bazaar organized by the Women's Association of St. Andrew's United Church, was held on Saturday afternoon, December 3, in the Church Hall. Mrs. Kenneth Murray and Mrs. W. F. Orr greeted visitors as they arrived and Mrs. Arthur Derrick, President of the W.A., opened the Bazaar at 3 p.m. with a few well-chosen words of welcome. Well-filled tables lined all four walls, with a gaily decorated Christmas tree, run by the C.A. I.T. girls, on the stage. With so

many useful and artistic things on sale (not forgetting the "Home-baked" table) it was not surprising that all tables were practically cleared in an hour. A good cup of tea, tasty refreshments and a chat with friends rounded-off a most pleasant (and, it is hoped, financially successful) afternoon.

OBITUARY

The Late Mrs. R. Reeves On Saturday morning, November 26, Mrs. Rhoda A. Reeves passed peacefully away at the home of her daughter and son-

in-law, Mr. and Mrs. Jules Lesperance, Covey Hill.

Rhoda Ann Butterworth was born in Sheffield, Eng., November 27, 1887, the first of a family of twelve children. Married to Sims Reeves in 1887 she lived for a number of years in Sheffield and then moved to South Wales. During 1914-18 war her husband and both sons joined the armed forces and saw service in France and the Middle East. Her great love for, and understanding of children made her home and garden a rendezvous for all the grandchildren and their friends. and during World War II these grandchildren, now in uniform, and many members of the Armed Forces particularly from Canada and the U.S.A. made grandma's house in Perivale, London, their base while on leave. Her husband died suddenly in 1946 so in 1948 she decided to join her youngest daughter in Canada. An attack of acute glaucoma resulting in the loss of sight in one eye and an operation for cataract on the other eye delayed her plans for six months but finally, six days after her 81st birthday, she landed with her son at Dorval Airport and came to Hemmingford. She was delighted with life on a farm and remained active, living at first with her daughter and then keeping house for her son a few miles away, until about three years ago, when, with failing sight and hearing, and the necessity for a strict diet making life rather difficult for her, she returned to her daughter's home. Her eldest son predeceased her in 1953. She leaves one brother in Sheffield; one son, Sims of Covey Hill; three daughters, Mrs. Winifred Nicholls of Somerset, England; Mrs. Dora Tanzilli of London, England, and Aileen, Mrs. Jules L'Esperance of Covey Hill. There are nine grandchildren, fifteen great-grandchildren.

Service was held from the home of her daughter to Wesley Knox United Church, Robson St. and was conducted by the Rev. Kenneth Murray. Mrs. Emmett Cleland played her favourite hymns and the burial was in the cemetery attached to the church. The beautiful floral tributes from the family and close friends were supplied by the Dutch Garden Nurseries, Napierville, and the funeral arrangements in the sympathetic hands of Mr. Milton Snape of Franklin.

400th Anniversary of Scottish Reformation Is Observed

MONTREAL "Although John Knox has very often received credit, or blame, for the Scottish Reformation, the historical facts show that the movement grew out of a national demand for the reform of both church and society" Professor Stanford Reid told a large congregation in the Church of St. Andrew and St. Paul last (Sunday) evening.

Dr. Reid was preaching at the celebration of the 400th Anniversary of the Scottish Reformation under the auspices of the Presbytery of Montreal. "Knox it is true," he allowed, "gave leadership to the movement once it was well underway, but it had begun even before his birth and continued long after his death. The Reformed churches in the English speaking world owe much to the Scottish Reformation and consequently in this year of the 400th anniversary of its culmination it would seem fitting that they should remember such an important event. At such time as this they should also re-examine themselves to see how far they have kept and improved the heritage passed on to them by the Scottish reformers of the sixteenth century."

Worship was conducted by the moderator of presbytery, the Rev. J. S. McBride, Ephraim Scott Church, Snowdon assisted by the Rev. Dr. R. J. Berli, minister of the host Church, the Rev. Wm. Brown, Georgetown Church, Howick and the Rev. Professor H. K. Markell, Presbyterian College. The Benediction was pronounced by the Right Rev. Fill Posts At McGill
J. A. Fuller, president of Shawinigan Water and Power Company and a member of the Board of Governors at McGill University, Montreal, since 1952, has been named a member of its executive and finance committee.

This was announced the past week by Dr. F. Cyril James, principal and vice-chancellor of McGill University, together with the election of Senate of Dr. A. C. Blackwood, professor of agricultural bacteriology and chairman of the department, succeeding Dr. William Rowles, professor of agriculture physics and chairman of the department.

Mr. Ildorid Quessel of Cazaaville, who was recently appointed as Registrar at the Registry Office in Huntingdon, has purchased a house on Chalmers Street and he and his family have taken up residence there.

Dedication Service In Memory of the Late Rev. and Mrs. Dalgliesh.
A copy of the "Clareholm Local Press" from Clareholm, Alberta, reached the Gleaner Office this week and in it is an account of a Dedication in memory of the late Rev. R. W. Dalgliesh.

The Dedication was of a beautiful new pulpit, drapes for the chancel window and a lovely picture, at the Sunday morning service in Clareholm United Church. The late Rev. Dalgliesh had served for 17 years in the above church.

The picture was dedicated to the memory of the late Mrs. Dalgliesh and was made of tapestry by Mrs. Dalgliesh's mother, Mrs. C. Main. The Rev. Mr. Dalgliesh and Mrs. Dalgliesh were former residents of Huntingdon, Que. and resided in a house on Chateaugay Street, opposite the present Gleaner Office. They were well known to a number of people in Huntingdon.

Cards of Thanks
A sincere 'thank you' to our many friends and neighbours for the kind expressions of sympathy and the many kindly acts which helped so much during our recent bereavement.
Mr. and Mrs. Jules L'Espérance, Sims Reeves.

I wish to express my thanks to the doctors and nursing staff of the Barrie Memorial Hospital for their kindness to me while a patient there, also to friends and relatives who so kindly remembered me with visits, cards and gifts.
Mrs. Lisle Watterson.

I wish to express my sincere thanks for cards and visits during my stay in the Royal Victoria Hospital.
A. A. McNeil.

I wish to extend my heartfelt thanks to relatives, friends and neighbours, Chateau Staff and Ladies' Dutch Club for flowers, gifts, cards and letters I received while a patient in the Montreal General Hospital and since my return home. All was greatly appreciated.
Mrs. W. P. Durnin.

Ladies' Auxiliary of the Huntingdon County Hospital took place in the Masonic Hall on November 30th, with a fair attendance. Mrs. L. Galipeau presiding. After the minutes of the last general meeting and two executive meetings by the secretary, Mrs. N. White, the treasurer Mr. N. Bourgon gave the financial report showing a bank balance of \$703.66. The corresponding secretary, Mrs. Douglas Burns, read a letter of greetings from the President, Mrs. A. McDougall of the National Council of Hospital Auxiliaries of Canada.

Plans were made for the December Tea, Food Sale and Children's Table to be held Friday, December 9, in the Masonic Hall. At this time the drawing for the dressed doll and christening set will take place and tickets for these are going fast. Ways and Means Committee will have charge of the Food Sale, Refreshment Committee the Tea, and Mrs. R. Morrison the Children's Table and drawing for the Treasure Chest.

Membership Committee convenor, Mrs. Wallace Rennie, reported 738 paid up members to date. Sewing Committee reported mending 68 articles, made 127 hats and also mended several articles. Mrs. W. Goodall asked for volunteers for the Shoppe on Wheels.

Plans were then discussed on refurbishing the nurses' living room and the Service Committee, president and the matron are to secure prices, etc., and present same to the Board of Governors meeting December 19th. The matron, Mrs. R. Hawley, reported some items to be purchased and these will be obtained as the money is raised.

The president asked at this time that the by-law stating the annual meeting, which is held in March be changed to January and the new slate of officers be installed at this time so that they would be in office for the Convention held each year in February. A nominating committee was formed consisting of the chairman of the previous year, Mrs. Nancy McCrimmon, two members of the executive, Mrs. N. Bourgon and Mrs. Douglas Burns, two from the membership, Mrs. F. Cleyn and Mrs. L. McCallum. This committee will appoint its own chairman.

Mr. Gilbert Macmillan, president of the Board of Governors and also a member of the Auxiliary, spoke a few words of praise for the Auxiliary and its work in the hospital.

There being no further business, the meeting came to a close and coffee was served by the Refreshment Committee. Donations to the Children's Table and Food Sale would be most welcome.

- BURNER RINGS easily removed for cleaning - both rings are produced from heavy cast iron chrome alloy assuring many years of service. Special serrated design of fire ring provide maximum efficiency at low flame. Permits clean operation.
- CLEANER ROD - a cleaner rod is permanently installed in the oil line making it easy to free the fuel pipe of dirt or carbon.
- SERVICE DOORS and frame are manufactured from cast iron preventing leakage of air into combustion chamber. As a result maximum combustion efficiency.
- OIL TANK - All heaters are provided with an oil tank as standard equipment. Heater, however, can be connected to storage tanks.
- DOUBLE CHAMBER BURNER - The design of the fire pot and pilot ring together with air intake ports ensure efficient operation at low, medium or high flame.

Howick Home And School Association Discusses Many Important Matters

The Howick Home and School Association meeting took place in the school auditorium on November 28th.

Mr. D. R. Lambie gave a report on the meeting he and Mr. H. Brady had attended at Valleyfield regarding the advisability of setting up a Regional Council of Home and School for the Chateauguay Valley. This has discussed and it was decided by the meeting that they would join a Regional Council of local Home and School Associations if one is formed.

the sum of \$10 each from: Mr. Thomas Cowan, Miss Margaret Cowan, Ormstown, Que., Mr. Wm. R. Wilson, Huntingdon; Mr. Walter Levers, Athelstan. Donations have been received as follows: \$200 - The Shawinigan Water & Power Co. Ltd., Montreal; \$100 - Simpson-Sears Ltd., Toronto; \$50 - Fry-Cadbury, Montreal; \$10 - Miss Violet Anderson, Montreal, Mr. A. K. English, Ormstown; Mr. and Mrs. Henry Bryson, In Memory of Mr. R. E. Walsh and Mrs. Janet Moe, \$5.00 in each instance.

Mrs. John Holmes reported that the U.N.I.C.E.F. drive was very successful, the collection amounted to \$151.24. We are very grateful to Mr. Murray McEwen, who donated the cans and has offered to donate them each year.

Mr. Douglas Templeton reported on the Traffic Safety Committee Meeting held in Ormstown. It was decided that they should approach the school board on the condition of the school buses, also that they find out who the authority was to contact for highway safety.

They would like to have highway signs and publicize this campaign. It was the wish of the meeting that a letter be sent to proper authorities that some action be taken to have the law changed to permit school buses to legally transport pupils to and from their usual school activities if possible without any change in licenses. The parents were concerned with the inconvenience this has caused the school and the parents who now have to provide transportation. This has seriously curtailed extra-curricular activities particularly in the rural schools.

Mrs. Ralph Reddick reported that although the Cafeteria was operating under difficulties, the quality of the meals is excellent. There is an average of 150 meals served each day.

Mr. H. Brady introduced the Panel members, Mrs. M. Campbell, Vice-Principal of Ormstown High School, Mr. G. R. Lussard, Inspector of Schools, Mr. E. A.

King, Principal of Lakeside Heights School, Pointe Claire, Mr. Roland Greenbank of Ormstown High School was the Moderator of the discussion on Curriculum, and gave the audience an opportunity to interrupt at any time to ask questions. Mrs. Campbell opened the discussion by defining the meaning of Curriculum. Mr. Lessard explained what authority decides on our School Curriculum. Mr. King explained the work of the P.A.P.T. Curriculum Committee that is concerned with the course of study. Discussion followed, with questions from the audience. It

was pointed out that Subject Promotion was being tried in four schools in the Province of Quebec.

Mr. Brady asked that a Library Committee be formed. Mr. Douglas Lambie, Mrs. Wallace Gruer, Mrs. Nick Furcall, Mrs. Thomas McMullan and Mrs. Robert McParlane volunteered to act on this committee.

Refreshments were served and a social hour enjoyed.

The winners of the Class Pen-nants for parent attendance were Grades IV and XI.

Secretary-Treasurer Of Protestant Schools Is Dismissed

Probably the largest meeting in the history of the Protestant School Board was held on Monday evening, December 5th, at the Julius Richardson School. The meeting opened with the dismissal of the Secretary-Treasurer, Mr. Findlay MacDonald, who, it was stated, had exceeded his authority. Mr. Robert Jobber, Chairman of the School Board, spoke of the high calibre of Mr. MacDonald's work, but stated that dismissal was the only answer to a number of problems which had arisen throughout the year. Many of these problems were aired at the meeting, such as number of teachers required, number of pupils to each classroom, the

handling of the sale of supplies to pupils, Mr. MacDonald taking one stand and the Principals and the Board taking another. Many of the differences tended to be of a trivial but irritating nature. Secretarial services were widely discussed with the Board taking the stand that they are standing firmly behind their Principals in such matters. As of September 1959 there were 604 pupils in Maple School and the Julius Richardson School with a complement of 26 teachers and one non-teaching Principal. Questions were fired back and forth as to why the Principals were not teaching. It was explained that the Board feels that Administrative Principals

ensure better passing grades and education for the pupils. A petition signed by 19 residents and tax payers insisting that a local Contractor should be awarded the contract for the new High School was presented. Mr. Robert Fair of the Heights moved a vote of confidence in the judgement of the School Board. Consensus of opinion was that Mr. MacDonald had been over zealous in his efforts to cut expenses with the resulting friction between himself, the Principals and the Board. Contract for the new High School, which will be built adjacent to Maple School, has been awarded to Messrs. Cote and Lavigne, who had submitted a tender in the amount of \$509,941. The Architect is to be P. Goodfellow. It is hoped that work will commence within the next few weeks and it is hoped to have the School ready for September 1961. The 14 room school will feature a modern laboratory and equipment.

Town Of Chateauguay Council Holds Interesting Discussions

At a Council meeting held Tuesday night, December 6th, there were two schools of thought regarding the placing of the approaches from the highways on to the bridge. The Government favour a clover-leaf design coming off and turning back on to Salaberry on the East and d'Youville on the West. The merchants want the approaches to start close to their stores. A new project is about to be started. This is that section abutting on to Highway No. 4 just North of the Rustik Motel, a direct road will be put through on to the Highway. Tenders had been called for and were opened Tuesday night. Something new here, the Shatinigan Water & Power Co. and the Bell Telephone will bury their cables underground. Report on the Colonia Development shows that the contractor has completed the installing of services and next week the foundations will be started for the pavements. Negotiations are under way with the Canadian National Bank to remove their Bank agency from the Town Hall to another building. When this has been done plans will be made for the entire revamping of the interior of the Town Hall. With the extra space made available by the removal of the Bank and the Post Office this should give the Town Clerk, his staff and the Police Department the much-needed space they require for their work. Town Clerk reported the Shatinigan Water & Power Co. have made application to the New York Central Railway for permission to erect power poles along the right-of-way to the Heights. Tender for water and sewage services was awarded to Marier and Son, Drummondville for \$35,273.05.

Accidents At The Site Of New Shopping Centre

On Friday, December 2nd, while five men were working in a trench laying a sewer, a section of the side of the trench slid down, partly burying one of the men. His workmates quickly freed him, brought him on a stretcher to the office where works manager Mr. Lajoie phoned for Police-Chief Dorais and the Ambulance. The man, G. Vadeboncoeur of Montreal South was rushed to St. Joseph's Hospital, Lachine where it was found he was suffering from a cracked pelvis bone. On Tuesday afternoon a large chunk of clay rolled down the side of a trench and knocked over Paul Normandin, 2516, La Forest City of Lemoyne. In this case there did not seem to be any bones broken as Mr. Normandin was able to walk over to the office, but he was taken to the Hospital for a check-up and X-rays as a precautionary measure.

Accidents And Court Case

On Mercier Bridge December 4th, a 1955 Pontiac coach owned by Albert Brossard, age 49, of 335 Montcalm St., Valleyfield, was damaged to the extent of \$25, when in collision with a 1956 Buick owned by R. Brunette, age 30, of Lachine. Damage amounted to \$50. At Beauharnois on December 2, a 1959 International truck owned by Canadian Hooser Co. Ltd., Montreal, was in collision with 1959 Nash owned by Elol Marcotte, age 41, of Desrochers St., Ste. Martine. \$800. worth of repairs will be required to repair Marcotte's car. A three-car collision occurred in front of the Chateau-Gai Motel, Route 4, on December 5. A 1957 Chrysler sedan owned by Rene Hade, age 21, of 25 Lussier St., Beauharnois, was damaged to the extent of \$900.; \$700. damage was caused to a 1956 Monarch sedan driven by Clark Morters, 17, of 6332 Dumas St., Montreal; Robert Bedard's 1957 Chevrolet sedan will require \$200. repairs. Bedard's address is 3263 8th Ave., Rosemount.

Police Court News

At Valleyfield Police Court on December 5, Judge Rene Fortin sentenced Jim McKell, age 28, of Howick, to six months imprisonment for stealing grain and potatoes. With McKell were Raymond Arcotte, age 21, of St. Chrysostome, who was sentenced to three months and Yvon Bouchard, age 22, also of St. Chrysostome, who was sentenced to one month.

Campaign For School Bus Safety

Recently the Home and School Association in various areas of the Chateaugay Valley have sparked renewed activity toward the traffic safety measures as they have to do with school buses.

While the Huntingdon area is quite conversant with traffic safety measures, there are still some car drivers who ignore the rule to stop when a school bus has stopped to pick up or let off its passengers. In this matter it is reported that both local drivers and stranger drivers are implicated in this. It would appear that this ruling is not widely enough known among all drivers in this province. This could be a cause for drivers from other points not stopping as required.

Recently parents in the Chateaugay area were quite concerned about this fact and meetings have been held with the view in mind to have the authorities look into the matter and enforce the law. Now, the various branches of the Home and School Associations in our area have met and discussed the matter and intend to make further studies with a view to getting the law on this matter enforced toward the greater safety of the many children who travel in school buses daily.

A member of the Huntingdon Home and School Association attended the meeting of the Huntingdon Board of School Commissioners on Thursday evening. He explained that the associations in Howick and Ormstown had met and decided that something be done. Now the Huntingdon branch are also concerned and have asked the co-operation of the Board in this matter. The Board said it was whole heartedly behind the movement and several members of the Board expressed various views of how they had witnessed cars and trucks passing a stopped school bus in this area. License numbers had been taken and handed to the authorities, yet nothing apparently transpired as a result. They felt that until a few examples have been made of those who are breaking the law, that little

improvement will be made. It was also stated that some buses do not comply with the law in the matter of equipment and that first of all this sort of thing must be remedied before a campaign can be waged in other directions. This includes both the buses from Catholic schools as well as those operating for the Protestant schools. It was said that signs should be posted on all highways throughout the province advising motorists of this law and then there could be no excuse. This had been promised by Provincial authorities some time ago, but it has not been instituted. Signs of this nature had been posted by two municipalities in this area — Elgin and Hinchinbrooke.

The recent tragic accident in Alberta has focused even more attention on the school bus and the Board said that all bus drivers should be warned again that they must stop at rail crossings and open the door to make sure that nothing is coming, before crossing the tracks. It has also turned attention to the fact that all safety measures pertaining to the school bus should be checked more often. There was a recent case of an emergency door being unable to be opened, because it had been rusted and jammed from the fact that periodically it had not been opened to see that it was in working order. This happened in the States. These and other safety measures should be checked quite often on our own school buses. Perhaps they are, but school boards should hold an inspection of their own from time to time, just to make sure. It was stated at the meeting that some buses operating in the Chateaugay Valley area are very old and are quite liable to mechanical mishap. School Boards should check upon these features before granting contracts.

We believe the Home and School is studying a very important matter and we hope that their studies will be fruitful in bringing about greater safety measures in this essential mode of transportation.

Ormstown Exhibition Made Good Profit

In these days of the Agricultural Exhibition when we hear of the great losses sustained in operating such Fairs, it is stimulating to hear that our own "Little Royal" — the Ormstown Exhibition made a substantial operating profit on the 1960 exhibition.

This is not the first time this Exhibition has made a profit, for it did so in 1959, but in 1960, it almost doubled the profit of 1959. When we consider the great decline in exhibitions of this type over the past few years and many of them dropping out of existence, the management of the Ormstown Exhibition is to be congratulated on this attainment. We know that for years, the officials of the Ormstown Exhibition have been grappling with the problem of how to make the annual Fair pay its way. They have not lost hope, although there were times when they almost did. They have kept pounding away on different theories and practices and at last they have come up with a very substantial operating profit amounting to \$6,308.21 for the 1960 Exhibition. In 1959, the operating profit showed as \$3,696.39.

Increased gate receipts, seat sales, box seat sales and other items of receipts contributed quite a bit toward this increase. Paring down of some expenditures also had an effect upon producing a better balance sheet. Yet the paring of the expenses did not seem to have an effect on attendance at the

show as shown by increased receipts at the 1960 Exhibition. We quote a few comparisons to show what we mean.

	1959	1960
Gate	\$9,024.00	\$10,110.65
Seat Sales in Arena	3,344.00	3,757.00
Box Seat Sales	672.50	711.00
Entry Fees	2,383.90	2,857.20
Program Sales	240.25	289.00
Carnival Concession	2,500.00	2,540.00
Stall Rent	583.00	665.00
Totals	\$18,737.65	\$20,909.85

an increase over 1959 of \$2,172.20 on these items.

	1959	1960
Expenses		
Advertising	\$ 885.53	\$ 853.59
Entertainment	341.58	297.62
Fire Insurance Premiums (This item does fluctuate)		
Interest	1,268.05	198.50
Office Staff	624.64	545.80
Office Staff	695.00	673.00
Horse Racing	376.00	355.00
Totals	\$4,250.80	\$2,923.51

The amount saved here shows as \$1,327.29. Of course there were some items which showed an increase in expenses, but the difference was not great.

We feel that the officials of Ormstown Exhibition are deserving of praise and encouragement for this excellent showing in their financial standing.

A New Industry For Huntingdon

After much trying and many disappointments, at least a new industry has been secured for Huntingdon. It is a different type of industry and backed by a large firm with many resources, so it is more than likely it will become a permanent part of our community. There are also the possibilities that over the years it will expand and thus provide an even greater share of employment for the people of this area. In doing so it will help the prosperity of Huntingdon in many ways

and we must be prepared to know some further growing pains as the expansion comes about. No one will mind this however, as the extra prosperity that will result will help everyone in the community.

Now that this new industry has been secured, it may lead to other concerns wishing to locate here. It is quite possible that others will if the right incentives are offered to them to do so. Let us hope that Huntingdon is entering into a new era of expansion.

Postponing The Railways Strike

The threatened railway strike which could have paralyzed this great section of our transportation systems by this time, has been avoided for a few months at least. We believe that most people will be in agreement that the postponement of the strike is a very good thing and especially at this time of the year.

The legislation which postponed the strike, did not close off negotiations, which may be resumed at a later date after the Royal Commission has reported its findings on the railway matters it is investigating.

For Mr. Diefenbaker, this step took courage and could endanger him and his government's chances of popularity at any future election. We can say that he was very fair and took the

country's position into first account and put personal feelings behind him. He saw the danger of railway strike at this time when the country has such a large unemployment problem to face. The stoppage of the railways would in all probability have led to further unemployment as many layoffs were contemplated. These have been avoided for the time being at least. As neither side could come to an agreement and the railway workers were determined to strike, something of a drastic nature had to be done. The step taken has not devoid the workers of the chance to come to terms. In due time the matter will again be given consideration and it is hoped then that a more amicable agreement can be reached.

The Week In Quebec

QUEBEC, (CP) — In 15 short months Quebec's relations with her sister provinces have made an about face.

Fifteen months ago Quebec, with her autonomy cry, was considered a stumbling block to national unity. But at the close of the Inter-provincial Conference here this week Quebec has become the leader of a provincial togetherness movement.

Observers said the two-day conference, attended by every province, is the start of an era of interprovincial co-operation in Canada.

The meeting agreed to establish a permanent conference of premiers that would meet periodically to thrash out strictly provincial problems. The next meeting was set for August, in Charlottetown.

The conference created an organization of premiers which would be loosely knit, to the point of informality.

The result did not go as far as Premier Jean Lesage — who called the conference — had hoped. He had felt a permanent secretariat should be established. But few other provincial premiers were willing to go that far.

Nevertheless, Mr. Lesage and Quebec Province — emerged as a leader in provincial co-operation.

This is not to say, government officials point out, that Quebec is giving up provincial autonomy.

The emphasis is being changed to positive from negative.

The change began slowly after the death of Premier Duplessis in September, 1959. It picked up speed when the Liberals took power last June.

The meeting was the first all-provincial conference called since Confederation. One was held here in 1857 but British Columbia and Prince Edward Island did not attend.

Every delegate was explicit on one point. There was no attempt to "gang up" on the Federal Government. Several used the phrase repeatedly in talking to reporters. Discussions were on strictly provincial matters.

Discussions will continue to be on provincial matters at Charlottetown. These include Farm Marketing, Power Resources, Inter-Provincial Highways, Education, The Tourist Trade, Social Welfare and Cultural Affairs.

While the Legislature was adjourned for the interprovincial meeting, Union National members gathered in caucus at the "Renaissance Club and accepted "with regret" the resignation of Chief Organizer J. D. Begin.

The resignation had been in the wind for several weeks. Mr. Begin, Colonization Minister during the Union National administrations had been Chief Organizer for 20 years. No successor was named immediately.

What Is A Billion?

By LEWIS MILLICAN

Two winters ago I was sitting in the dining room of a hotel in Florida, and opposite to me at the table sat a stranger whom I judged by his appearance to be a prosperous American businessman of middle age. We gradually got into conversation about things in general, and when he learned that I was from Canada we talked about the relations between our two countries.

From politics we drifted into a discussion of financial and trade relations which developed into a good humored argument about tariffs, balance of trade and American control of Canadian industries, Labor, and natural resources. My companion did not deny the facts of the situation; he seemed more pleased than annoyed at my recital of them. "After all," he said, "it is a natural consequence of free neighborly relations between two close neighbors." As we shook hands in parting he said, with calm assurance, "I suppose we'll come together eventually."

Basking later in the Florida sun and musing on what I had said about the economic unbalance between Canada and the United States, I felt a pang of guilt at being there. Was I not myself adding to that unfair disparity of trade by flying precipitately from Toronto to Tampa? I could think of no other excuse than that of the English bishop who was very ill, and whose doctor had told him that his only chance of recovery was a change to a warm climate — he suggested Algiers. "But I don't want to go to Algiers," said the bishop firmly. "Very well," replied the doctor, "you must choose between going to Algiers and going to heaven." The bishop went to Algiers.

And I had chosen to go to Florida for the same reason. All of which is a parable, although it does not run on all-fours —

of our dependence upon the United States. Canada isn't sick industrially and there is no urgent necessity for us to go to the United States, or any other country, for that matter, for products and services we can produce for ourselves. We buy these imported goods because they are cheaper; but when we reckon the tax cost of maintaining 350 thousand unemployed, — to say nothing of the drain on our economy by interest on American loans and dividends from controlled industries, we are paying higher prices for everything.

Economically we are very sick. We are suffering from high blood pressure — INFLATION. We have more dollars in circulation than ever before, and they are worth less than ever before.

Where we used to speak frugally of thousands of dollars, we now speak lightly of millions and even billions. Only the other day it was announced that Canada's trade deficit with the United States amounted to a billion dollars, and nobody seemed to wonder or express any great concern about it. What is a billion? In medical terms, it is extremely high blood pressure, and the sufferer is in danger of a fatal stroke. This is already occurring in a spate of labor strikes for higher wages and fringe benefits to make up for the deflated value of the increases obtained in the last strikes.

And so the pressure increases and inflation. With every wage and benefit increase, costs and prices are forced upward, cheaper imported products steal our home market, exports decline and more Canadians are put out of work. The only cure for this deadly disease is a change of economic climate, and we must choose between going to "Algiers" and going to a much warmer place.

Reviewing A Book Of Old Religious And Biblical Facts

On a recent visit to the office of the Huntingdon Gleaner, the Editor loaned me a book which he had found tucked away in a corner of his family home. The exact title of the book is unknown as it has been rebound and the title page lost through long years of use. The contents of the book are of interest to the general reader and of particular interest to a churchman.

It contains a copy of the King James version of the Bible and Apocrypha published in the year 1722 — a little over one hundred years after the King James or authorized version first appeared. It is the version that is still read in the services of worship of the majority of the Churches of our Protestant denominations today. The pages of this Bible have many marginal notes made by its original owner indicating that it held a central place in his life and the life of his family. The Bible is accompanied by an Index and Concordance published in the year 1726. It has a twofold purpose: to assist ministers in the preparation of their sermons and to assist the members of the congregation of examine the truths taught from the Bible by their teachers and preachers. The Editor of the Concordance takes pains to assure the reader of its accuracy on the title page. He then proceeds to quote a verse of Scripture and makes the wrong reference himself!

The Thirty-Nine Articles of Religion of the Church of England are included in another section with a copy of the Ratification and approval by Queen Elizabeth in the year 1571.

A third section of the Book contains "The Psalms of David. Pointed

as they are to be Sung or Said in Churches". Included in this section one finds three forms of Prayer and Service that were ordered printed, published and annexed to the Book of Common Prayer, and Liturgy of the Church of England, by King George in the year 1714. The first "Form of Prayer and Thanksgiving" takes us back to the time in Church History in England when the reformation of fines for "recusancy", after the Royal promise of relief, so incensed a group of Catholic gentlemen of the Jesuit party that they formed the Gunpowder Plot for the destruction of the King and the two Houses of Parliament together. The material preparations, made by men who had served as officers in the Spanish army in the Netherlands, were all complete when the conspiracy was revealed by a man of tender conscience (1605). This event gave rise to the Fifth of November Church Service and the celebration of Guy Fawkes Day. The second order of service is a "Form of Prayer with Fasting" to be used yearly upon the thirtieth day of January. This service calls to memory the martyrdom of King Charles I in the year 1649. The third service celebrates the Restoration of the Monarchy on the twenty-ninth of May in the year 1660. Shortly before this time Parliament, and not the King, became the ultimate authority on ecclesiastical questions. This fact is indicated in the Form of Service in its statement that the day has been set aside as a Day of Public Thanksgiving by an Act of Parliament.

As one reads this book he is conscious of his oneness with the Church through the ages and of the

The Week At Ottawa

OTTAWA, (CP) — Government legislation has stalled off a nation-wide tieup of the railways for at least six months.

But the photo-finish reprieve granted by Prime Minister Diefenbaker's stop-the-strike bill was, by his own admission, only a postponement intended to shove the white-hot issue into the future in the hope that it might cool off.

For the government this hope is nourished by the fact that the royal commission on transportation is to propose some solution to the ticklish freight-rate problem when it turns in its report March 31.

The bill to postpone until May 15 the strike of 111,000 non-operating railway workers was introduced in the House of Commons five days before the Dec. 3 deadline for the walkout.

Frank Hall, union spokesman for 15 groups of allied trades which do not actually operate trains but without whose services rail transportation in Canada would be crippled, sat in the Commons gallery throughout the bitter debate that followed.

He interpreted what he heard from the government side of the House as an outright concession to the Canadian Pacific and Canadian National Railways.

"There can be no meaningful negotiations with the railways during the life of the railway operation continuation act," he complained, when the bill became law on the eve of the strike date.

Workers Shocked
Mr. Hall also said "the government's nullification of the conciliation process has come as a great shock to the employees who have subscribed to it for so many years."

It was in this prospect of labor's disenchantment with the Progressive Conservative government that the opposition parties found ammunition during the four-day Commons debate.

The method proposed by the Liberals for settling the issue was to compel the railways to pay the wage increase of 14 cents an hour recommended in a conciliation board's majority report.

The GCF-New Party proposal was that the government pay a further subsidy to the railways to enable them to grant the increase.

But Prime Minister Diefenbaker and Labor Minister Starr

insisted that the government's course of action would be shown to be that of reason and common sense.

They said the law would prevent a national calamity and massive unemployment resulting from a tie-up of transcontinental trains.

Claimed Neutrality
Mr. Diefenbaker maintained the legislation was a neutral course that did not involve compulsory arbitration by the government. He said it simply postponed an emergency to which there could be no immediate solution.

However, the opposition declared the government was in the position of supporting the railways in their refusal to accept the majority report of the government's own conciliation board.

And it was also the government that had frozen the freight rates at their present level, ignoring the railways' strongest argument for insisting they could not pay the non-op workers more money.

The prime minister said that once freight rates are unfrozen, the unions would definitely not a retroactive increase covering the time lost while the act is in force. He said the MacPherson royal commission on freight rates would take note of the wage demands in its suggestions for adjusting the rate structure.

Strengthen Railways
The solution would follow this sequence, Mr. Diefenbaker said: 1. The royal commission report would make recommendations for strengthening the economic position of the railways and the freight-rate structure would be adjusted to eliminate inequalities.

2. Once the wage freeze was lifted, the railways could apply to the board of transport commissioners for higher freight rates.

3. However, Canadians would have to pay more for goods shipped by rail to cover what ever increase the unions could negotiate.

But the prime minister's forecast of quick and logical progress to a solution following the royal commission report received a cool reception from the opposition.

Problem Might Recur
Lionel Chevrier (L-Mont Laurier), former Liberal transport minister, predicted that the government would have to come back to Parliament in May to

ask for an extension of the stop-the-strike legislation.

All opponents of the bill, including Walter Pitman, New Party member from Peterborough, who made his maiden speech on the rail question, suggested Mr. Diefenbaker was expecting too much from the royal commission and that, even with the desired results, nothing concrete could be achieved in the six weeks from the time he received the report to May 15 when the no-strike law expires.

The railway legislation was practically the whole show in Parliament last week but the Commons did manage to deal with some other matters.

Loans Legislation
A bill to provide government-guaranteed loans to small businesses was passed by vote of 208 to 0. It provides for federal guarantees of bank loans up to \$25,000 to enable small businesses to expand and improve their premises. "Small" business is defined as one whose gross revenue in the year in which application is made does not exceed \$250,000.

New Warden
Justice Minister Fulton announced appointment of new wardens for three federal penitentiaries. David McLean, 58-year-old native of Scotland, was appointed to head Kingston penitentiary. Named to succeed him as warden at Dorchester in New Brunswick was Charles Ernest DesRosiers, 48, who had been warden of Stony Mountain in Manitoba. And the new Stony Mountain warden is Frederick Harris, 53, who had been deputy at Joyville near Kingston, Ont.

Trade Meeting
Canadian trade commissioners from countries around the world are in Ottawa to exchange views on how Canadian exports can be increased and to help businessmen do more business abroad.

The meeting was called by Trade Minister Hees who said that preliminary information on business investment for 1961 indicates capital expenditures will be maintained at approximately the present level.

Mr. Hees added that retailers are anticipating an improvement in expenditures on consumer goods following a disappointing year. He based this view on the expectation that a rising level of labor income and increasing cash in the pockets of farmers would stimulate business activity.

SUCCESS

is extra money to seize opportunity!

HAVE YOU ENOUGH EXTRA MONEY? A watchful buyer, with cash in his pocket, can take advantage of many opportunities. Valuable projects such as the purchase of a house, furniture, home appliances or major renovations can be undertaken with confidence. The opportunity of a lifetime to go into business for yourself can be seized, quickly.

Men who are earning no more than you frequently can manage these things. They are able to because their savings, the education of their children, and the security of their families have already been looked after by unconditionally guaranteed life insurance. By keeping their life insurance in force to secure the years ahead, they can act with confidence and courage. And, if for some reason these men need even more money, they can borrow on their insurance... knowing that the family's financial future is secure.

How about you? If you don't have enough extra money... maybe it's because you don't own enough life insurance with valuable savings features. Look into it. Your life insurance man is a most important person to talk to regularly on your road to success. Save and be safe with life insurance.

He sort of half feared Miss Gates would hang it somewhere else and he did so want it just where it was. He was standing in front of it gazing at it with an attraction he could not have explained when she found him. "Philip! What are you doing here?" shattered his pleasure and brought him back with a jolt to the stern reality of facing a new day, as the small one, with Miss Gates and all. Still, he felt stronger in himself and hadn't shivered this time when he heard her stern voice. He only turned and said "I was only looking at it Miss Gates." Not waiting to be told, he hurried off to join the others.

A cold, chilly wind blew relentlessly all day and by nightfall had gotten into the big stone building and what was always a cold grey room was downright frigid as the boys, eager to get

their bare feet off the cold floor, scurried through their preparation for bed. Leaping in, they quickly pulled their covers up over their heads. The littlest orphan took time for a good long look at the Christ Child above his bed and then he too, pulled his covers over his head. It was too cold to stretch his feet to the bottom like he usually did so he rolled up into a contented ball and tried to stop shivering. Miss Gates made the usual round but she too was in a hurry to find a warmer spot in her own quarters. There was nothing left to do but hurry off to sleep and continue on with his dream he had so enjoyed last night.

First one side, then the other, but wherever he curled up there just wasn't enough warm spots so he could stop shivering. Sleep, he could not, and although he turned his face toward the picture, still, he could not see it in the darkness. The other boys were sleeping he could tell by their breathing and he only grew colder and more lonesome as he listened. All at once he had a happy thought. If he could just take the picture in his own hands, into his own bed, together he and the boy could go off to sleep in a moment, and how nice it would be to know that the Christ Child was really there with him. He had no sooner thought about it until braving the cold and groping in the dark for the picture. Standing on tip-toe was no use, he would just have to climb for it. Was he ever lucky to have sides on his bed he thought, for without them he would just never make it. Perched high upon the slim railing with his bare feet curled about the topmost rung, he could not only reach it, but he had it right in his two hands. He had but to crawl down now and into bed.

The cold, the awkwardness of his perch, the size of his burden all seemed to catch the little fellow off balance and with one dreadful crash he and the picture landed face downward in a clatter of broken glass. There was a moment of complete silence, so shocked, the whole house seemed a vacuum, then on

the stair the unmistakable click of Miss Gate's heels arriving in double staccato that clicked terror into the heart of the already frightened little boy. Her appearance the next second did not lessen his sense of guilt and doom. Those cold green eyes haloed by curlers that wreathed her head like porcupine quills made her look to him like a vicious monster. She took in the situation only partly as she saw who the culprit was and the damage he had wrought. With one swoop of a long arm she had collared him, and snatched the seat of his pajamas in the other bony hand, she shook him as if to loosen the roots of his hair. Only when she herself, was too out of breath to go on did she finally fling him into his bed, rasping as she did so "You'll be punished for this, and good and proper too!"

One hasty glance around the other cots assured her there were no other boys involved so she snapped out the light and left the littlest orphan to the one and dismal question "I wonder what she will do to me?" He was so sorry to have broken the picture, he felt as if he had indeed lost a good friend before they had hardly got acquainted. One thing he was no longer cold, in fact, he felt uncomfortably warm, at least where there was any feeling just when this awful night ended in sleep he did not know, but he was facing morning and the broken picture all too soon.

No one came near him until it was time for lines. Then in the same cold, unfeeling tones as she had used before she called him out of line to go into her office. Some of the bigger boys had gone in there only to be whacked so hard it could be heard in the dormitory above. It would be understood if he hesitated to obey, but one look at those stern features assured him it could only get worse by delay. Striving to control his feet and legs that they might not give way beneath him he made the door and shut it behind him. The clock on the wall did not seem to move its hands at all, but it ticked its hammer blows right over his head. It seemed like an hour he waited and wondered, and tried to face this thing like a man. When he swallowed his throat felt like it had a thistle in it, he was hot as if he had a fever, then cold as if in a draught, then prickly all over like it was when he had the measles. At last Miss Gates entered, and sitting down she bade him, "March over here, young man."

"Do you realize what you have done?" she rilled, all the while looking into the very marrow

Gault School Holds Annual Commencement Exercises

The Annual Commencement Exercises of the Gault Institute were held on Friday night, November 25th, at the Gault Institute.

Following the Invocation by the Rev. J. C. Hood, the chairman of the School Board, Mr. R. D. McEachern addressed the students and all those present. In his speech he commended the teaching staff on the time and efforts given to all the students during school and after hours, and perhaps the students themselves are the only ones to know how much it was appreciated. He also stated that the number of Scholarships won by Gault students proves the excellence of teaching and the hard work done by the students. From a total of 70 possible Scholarships in ALL of Canada, Gault students have won four of them. Mr. McEachern also spoke on the Trustees behalf on their endeavours and thanked everyone for their co-operation and support.

Mr. J. A. Ferris, Principal, gave his report and paid tribute to the Graduating class. In his report he named the Scholarship winners, gave a resume of the year's work as a whole and a few words for thought for all concerned.

The Distribution of awards took place, followed by songs by the School Choir.

Miss Wendy Potter delivered the Valedictory. Mr. Trevor Moon "The Class Will" and Mr. Garfield Halpin "The Class Prophecy".

Mr. R. Lang introduced the guest speaker, Dr. John A. B. McLeish, M.A., Ph.D., Registrar of Carleton College, Ottawa. Dr. McLeish was a former Principal of Gault Institute. His Subject was "What It Means To Be A Canadian". He was thanked by Rev. J. Hall.

After the singing of the School Hymn and "God Save The Queen", Rev. W. C. Pelletier pronounced the Benediction.

Those Graduating were Barbara Barnes, Lynn Clandinan, Joan Clifford, Wayne Clifford, Brian Dickie, Garfield Halpin, Lynn Hebert, Ross MacLeod, Ruth McDonald, Andria McFee, Trevor Moon, Carol Pene, Wendy Potter, Nancy Retallack, Malcolm Robb, Carole Sinray, Frank Van De Werthorst, Wendy Woodhead.

Eleventh Annual Scout Banquet Held At Hemmingford

On Thursday evening, November 24th, some seventy-five people gathered together in St. Luke's Anglican Hall, Hemmingford, for the eleventh annual banquet and meeting of the Chateaugay District Council. Among those present were Mr. and Mrs. John Miner, Provincial Staff; Mr. David Green, Montreal Headquarters; Mr. and Mrs. George Johnson, Chateaugay, and Mr. Phil Zukerman of Montreal, as well as Scout and Cub leaders and committee members from Beauharnois, Chateaugay, Huntingdon, Nitro, Ormstown, Valleyfield and Hemmingford.

The chairman for the evening was Mr. George Johnson of Chateaugay. Rev. K. J. Murray said grace, after which all enjoyed a bountiful dinner served by the Ladies' Aid of St. Luke's Anglican Church. Rev. David Rogers proposed the toast to the Queen.

The chairman of the Hemmingford Group Committee, Mr. C. R. Winter, welcomed everyone and hoped they would enjoy their evening.

Following dinner, Mr. Phil Zukerman, Northern District Commissioner, was guest speaker. He spoke on scouting and his experiences as he travelled as a scout through ten countries in ten weeks. He told how he met and lived with many different people of different race and religion and who will be his life long friends. He mentioned that no matter what language they spoke, in the interest of scouting they were one. Scouting is indeed a peace promoter in that respect.

Mr. John Miner, Provincial Staff, thanked Mr. Zukerman for his inspiring talk and added a few words about scouting.

The slate of new officers for the coming year was read by Mr. William Goodall, Huntingdon, Chairman of the Nominating Committee, and this slate was unanimously accepted.

At this time the retiring District Chairman, Mr. George Johnson, turned the meeting over to the newly elected chairman, Mr. Victor Welburn, Chateaugay. Mr. Welburn spoke briefly and said he was sure he would enjoy his term of office with the capable committee which was elected to work with him.

Mr. Stan Clendenning thanked the retiring chairman for his devotion to scout work during his term of office.

Thus the evening ended after all enjoying a companionable dinner and visit with their many scouting friends.

Boxing In Valleyfield On December 8th

Next Thursday, on December 8th at 8:30, a very interesting program will be presented in Valleyfield, when several members of the Valleyfield Boxing Club will contest the honours with Montreal Boxers.

The last program was a great success and the organizers of the next program want to take the opportunity to invite all boxing friends of the region to spend and enjoy an interesting evening.

A good performance is expected from the Valleyfield Boxer Leo Lecompte; on the last program he was able to knock down Gerry Brown in the first round. Next week he will meet Jacques Leduc of Montreal, who holds the title "Diamond Gloves" and "Province of Quebec Jr." earned on November 15th at the Sportif Centre "Immaculée Conception."

Yves Simon, a very promising young fighter will probably meet Vachon from Montreal and there is no doubt that this ambitious young man will provide an excellent fight. Jean-Guy Dicaire will certainly take the advantage when he meets Paul Dagenais of Montreal.

This last fight "Dicaire vs Dagenais" is anxiously awaited and there is some discussion about the quality of Jean-Guy Dicaire's performance.

Several other fights are on schedule for next week.

All boxing friends are cordially invited to this program, on the 8th of December. For action and sporting relaxation come to the Tougas and Nicholson Hall in Valleyfield!

run driver, he was found by Hugh Cushman and was taken to the hospital suffering from multiple lacerations of the face and scalp, concussion and deep puncture of the left buttock. He never regained consciousness.

Mr. Dustin was apparently riding north toward Fort Covington on a bicycle and is presumed to have been struck from behind by the unknown vehicle, the collision throwing the rider and bicycle into the ditch at about the point on the state highway where the Cushman road intersects. It is believed the accident happened between 5:30 and 6:30 p.m. when he was found. State police have investigated and are conducting a search for the person or persons and vehicle involved.

Funeral services were held Wednesday afternoon at 2:30 o'clock from the Westville Presbyterian Church, the Rev. James E. Morton, pastor, officiating.

The deceased was born in Westville February 16, 1908, a son of Howard and Grace Davidson Dustin, and spent all of his life in that community. He was a farm laborer and the day he was hurt he had worked at the Guy Smith farm at Fort Covington Centre. He never married.

Surviving are three sisters, Mrs. Kenneth (Bertha) Dustin of Fort Covington; Mrs. Ellen Jackson and Mrs. Francis (Eva) Ward, both of Massena, and several nieces and nephews.

Aubrey-Riverfield

● AUBREY-RIVERFIELD — Aubrey-Riverfield W.I. met in Riverfield Church Hall, December 1st at 10:30 a.m. The coronation was spent in quilting three quilts, pot luck dinner was enjoyed and the regular meeting was held in the afternoon. Twenty members and four visitors were present. Mrs. Harry Angell reported on the Semi-Annual held at Riverfield. A letter was read re water pollution and questionnaire answered on same. It was decided to send the quilts to Welcome Hall Mission and toy donations to Lachine Children's Home.

A Christmas story "The Littlest Angel" was read by Mrs. Harry Angell. Christmas carols were led by Mrs. H. Reddick and Mrs. W. Allen with Mrs. Everett Orr at the piano.

A pleasing feature of the programme was the presentation of a Life Membership to Mrs. W. G. Allen by Mrs. Everett Orr and Mrs. A. A. Allen. Mrs. Allen thanked everyone for the honour bestowed on her.

Meeting closed with National Anthem.

● Seventy grade three children of St. Bruno School accompanied by three grade three teachers, Mrs. Miller, Miss Lemire and Miss Margaret McKell and thirteen parent drivers enjoyed a trip to this district on Saturday, December 3rd.

Miss Margaret McKell a farm girl on St. Bruno staff arranged the trip so that the children of that area could gain some knowledge of what goes on in the country.

Around 10 a.m. the group arrived at Cherry Bank Dairy. Mr. Allister McArthur hospitably treated each one to chocolate milk then in groups of fifteen showed them through the dairy. They journeyed from there to Mr. and Mrs. Math McKells where they had a box lunch, then off to the barn, the main attraction being a pony. From there to Franklin where Mr. Glen Waller met them and accompanied them to the packing plant, and explained points of interest there.

Thanks are due these gentlemen who took time to make a worthwhile day, that will not soon be forgotten by this age group. They arrived home later in the afternoon a tired but happy class.

● Explorer and C.O.C. groups were organized Sunday afternoon at Riverfield. The C.O.C. led by Mrs. Stewart Carmichael and Miss Janet McFarlane had Bible stories and did some crayon work. The Explorers elected officers, Mrs. Harold Robertson explained the Explorer purpose and crest and read two stories, The Meaning of Christmas, The Legend of the Christmas Tree and Origin of Martin Luther's Christmas Carol.

Next meeting will be held in January.

● Friends of Mr. Wallace Craig are sorry to hear he is a patient in Barrie Memorial Hospital following a painful head injury received while sawing wood with a circular saw.

Valleyfield Rotary Club International Evening

On Tuesday evening, Nov. 29th, at the Hotel New Balmoral, an international evening took place at the Valleyfield Rotary Club under the presidency of Mr. Allan Walsh, responsible for the international activities of the Valleyfield Club.

Representatives from six different outside Clubs responded to the invitation from the Valleyfield Club for this occasion. Members from Rotary Clubs of Beauharnois, Huntingdon, Verdun, Massena, Malone and Chateaugay, N.Y., were present at the meeting.

Guest speaker for this meeting was Mr. Ron Mander, of Montreal, who gave an address on South Africa, the character of the land, the population, manners and customs there, and especially about the changes which white men have brought to them.

Mr. Mander was introduced by Mr. Philippe Malouin, and Mr. Percy Clark thanked the speaker for his talk.

At the head table were: Mr. Armand Levasseur, President of Valleyfield Rotary Club; Mr. Allan Walsh, Mr. Royal Proulx, Mr. Bill Dickie, Mr. Emmons MacDonald, Mr. Philippe Malouin besides the speaker.

A plaque was presented to Mr.

that this old book might arouse us all to a greater appreciation of our past? To the possible formation of a historical society in our community? Or to the creation of a Historical Museum?

Editor's Note:
Our thanks to the Rev. Robert Beal for his reviewing this Bible of my grandparents. No, this Bible will not rest in the attic although one high official of the Church of England suggested the pages of family reference be removed and let the rest of the book be scrapped. If some day this community has a museum, such would indeed be a fitting place for it to be placed. We venture to say antique buyers would like to obtain it with a view to marketing it at a high figure to some lover of old books. The Holy Scriptures have accorded much profit to man. This particular edition is not going to produce a monetary profit to anyone. A.L.S.

Post Office Announces New Stamp

The subjects of four new postage stamps to be issued in 1961 were announced today by the Postmaster General, the Hon. William Hamilton. The stamps will be issued before the 1st July, 1961. All will be of the five cent denomination.

The first issue, to be released on the 8th February, will be a tribute to the development of Canada's Northland and the increasing activity there in recent years.

On the 10th March, a new stamp will be issued to commemorate the centennial of the birth of Emily Pauline Johnson, Indian poetess. Miss Johnson, a Mohawk, was born, according to most authorities, on the 10th March, 1861, at "Chiefswood" on the Six Nation Indian Reservation in Ontario. She died on the 7th March, 1913, at Vancouver after making a unique contribution to Canadian letters.

In keeping with tradition, the late Rt. Hon. Arthur Meighen, a former Prime Minister of Canada, will be remembered in a special issue which will be released on the 19th April. Mr. Meighen served two terms as Prime Minister from the 10th July, 1920 to the 29th December 1921 and from the 19th June, 1926 to the 25th September, 1926. Mr. Meighen died at Toronto on August 6th, 1960.

The 10th Anniversary of the Colombo Plan will be marked by a special stamp to be issued on the 28th June, in time for the official Colombo Plan Anniversary to be celebrated on the 1st July. Canada has participated actively and substantially in both the fields of capital and technical assistance to fellow Commonwealth Countries and, more recently, to other countries under the terms of the Colombo Plan.

The Post Office Department has plans for other issues which will appear in the latter part

Gore

● GORE — On Tuesday evening, St. Paul's Guild held their Annual Meeting at the home of Mrs. Reg. Taylor. The slate of officers: President, Mrs. Ivan Graham; Vice-President, Mrs. Ord Taylor; Treasurer, Mrs. Harold Taylor; Secretary, Mrs. Gerald Henderson, were all re-elected for another year.

A very pleasant time was spent

viewing home movies made by the Hatcher family and presented by Mrs. W. S. Hatcher. There were scenes taken at the reception of the late Canon W. S. Hatcher held at St. John's Anglican Church, Huntingdon in 1958, which invoked sad but wonderful memories of the late Canon. There were color shots of the tulips on Parliament Hill in Ottawa, in Spring of the Ice Statues at McGill University in Montreal and colorful scenery of Nova Scotia and Newfoundland.

YOU SHOULD HAVE SEEN THE ONE THAT GOT AWAY

In the beginning it was a question of who ate whom. For a while it must have been touch and go whether man went fishing or fish went manning. Looking around we assume man won out.

At first man competed with earth's other creatures—today men compete with other men to develop nature's energy sources. In the process our standard of living has sky-rocketed.

Competition has helped Canadians achieve one of the world's highest living standards. Take the way it works in the oil business—Imperial Oil and hundreds of other companies compete to supply Canadians with oil. As a result, oil is available at reasonable prices wherever it is needed—and Canadians have turned to oil for more than half their energy needs.

New Revolutionary Weaving Loom Most Radical Departure In Weaving

MONTREAL — Details of a revolutionary weaving loom, described by one textile machinery manufacturer as the most radical departure from conventional weaving since the fly-shuttle development of more than 200 years ago, were presented at a meeting of the Textile Society of Canada, Eastern Division, here tonight.

Presenting an address on the shuttleless loom, a machine that displaces the wooden shuttle, for centuries the mark of the weavers' trade, J. Craig Huff Jr., of

the Draper Corporation, Hopedale, Mass., said the Draper machine was being built at a rate of 100 a month and had already shown considerable savings over conventional machinery.

The Draper machine employed a wire hook arrangement for carrying the filling yarn (or weft) between the lengthwise yarns (or shed), and was aimed at a 40% increase in weaver productivity, a 70% decrease in the cost of maintenance, repair and operating supplies, and substantial reduction in waste, noise level, and power consumption, said Mr. Huff.

"The development of the shuttleless loom marks a departure from conventional weaving for the North American textile industry that is so radical that it can only be compared to three previous loom inventions. The first was John Kay's fly shuttle development in 1733; the second was Cartwright's power loom dating from 1789; and the third was James Northrop's automatic bobbin changing attachment in 1890," said Mr. Huff.

Research and development of

the loom had taken some 15 years and more than six million dollars, added Mr. Huff, but by the end of this year it is hoped that more than 1,000 DSL (Draper Shuttleless Looms) would be running on commercial production in some thirteen different mills.

gathered in Herdman Hall, Friday evening to bid them farewell, they having sold their property at Herdman and bought the Donald Ferns property on Route 4. Music was supplied by Wilson Westeraires. Just before refreshment time, Rev. Allan Barnes, called the crowd to attention with a few well chosen words, presented to Mrs. Bertha Leggett, a small remembrance to Mr. and Mrs. Geo. Leggett an envelope of money, with all good wishes of everyone for as much success and happiness in their new abode as they've had in the old. George and Audrey thanked everyone for the party and expressed appreciation for the kindness shown Franklin Cameron then introduced the new owners of the Leggett place, Mr. and Mrs. Lefebvre of Ville LaSalle, and bade them welcome to our community. Everyone joined in singing "Auld Lang Syne" after which refreshments were served upstairs. The tables were beautifully decorated, as was the Hall downstairs, the fine art of hospitality of Mrs. Julia Saumier was very much in evidence and very much appreciated. Dancing was resumed until 2 A.M. when all departed wishing the Leggett family all the very best.

HAVELOCK — Mrs. Arthur Buchanan of Howick spent Friday at the home of Mr. and Mrs. F. Buchanan.

Mr. and Mrs. Denis Castonguay and family of Ahunistic were Sunday guests of Mr. and Mrs. F. Laurin.

Mr. and Mrs. Jerry Dagenais; Richard and Susan of St. Chrysostome were Sunday guests of Mr. and Mrs. F. Buchanan.

Mr. and Mrs. James Elvidge were Tuesday guests of Mr. and Mrs. J. Laurin.

Miss Irma Buchanan spent Tuesday in Montreal.

Mr. and Mrs. Bob Laurin and Jacques have moved to their new home in Ahunistic.

Powerscourt

POWERSCOURT — On account of sickness Mr. Young was unable to be present at Powerscourt service on Sunday. But the service was not cancelled as Mrs. Young very capably conducted it.

Weekend guests of Mr. and Mrs. Stewart Ross were Mr. and Mrs. Millard of Montreal.

Congratulations are in order for Mr. and Mrs. Fred Ross who have each celebrated a birthday. Although well in his 80's Mr. Ross is on the job every day, and with the help of his teenage grandson conducts all the business pertaining to a dairy farm. We wish them both many years of continued health.

Mrs. T. Ross has been spending some time at the home of Mr. and Mrs. Morris McLean, while Mrs. McLean is a patient in the Huntingdon Hospital.

Athelstan

ATHELSTAN — Those in and around this community who had their T.V. sets tuned to the C.B.C. program "Close Up" at 10 p.m. on Tuesday night, November 29th, found it to be one of special interest, for among those who were interviewed was Jack Tully, son of Mr. and Mrs. W. C. Tully, when this hour long program was spent with the Canadian Indians inside and outside the reserves in Manitoba.

Jack a former Agricultural Graduate of Macdonald College, spent several years at the St. Regis reserve before going to Western Canada, where he was stationed in the northern part of the Province. He, his wife and their family now live at Hodgson, Manitoba. Jack is supervisor of three reserves, Pequis Reserve mentioned in this broadcast being one of them. Mrs. Tully being a Registered Nurse takes over on various occasions at the Hospital connected with the reserves, when the Matron is absent or when needed.

The following newspaper article, appeared in the Montreal Star on Saturday last, when under the heading "Indian Interview Intensely Human" when Pat Pearce, commented:

"The power of TV to communicate without saying a word was seldom better shown than when 'Close-up' was interviewing a Canadian Indian mother of 10 surviving children.

She talked with a sort of hopeless resignation of hanging blankets on walls to keep out the cold; of children's running-shoes and socks welded by ice into a solid block; and without understanding too much about it, of the problems of the Indian in finding work, or getting an education—or acceptance.

It touched our conscience, but not our heart. Not until suddenly the cameras moved to catch the exquisite tenderness of her fingers gently stroking the hair from falling into her baby's eyes.

It was a gesture so personal, yet so universal and familiar, we felt suddenly a pang of real awareness of how this fat, illiterate woman must really feel in watching her children suffer.

For a brief moment, indeed, we almost were that woman. The hour-long study of the plight of our Indians was generally carefully considered, admirably presented, and a distressing reminder that we don't have to look too far for racial discrimination, even if it only takes the subtle form of smug neglect.

A very lovely miscellaneous Shower was tendered Miss Anne Patenaude on Saturday evening, at the home of Mr. and Mrs. John Patenaude, where over sixty invited guests awaited her arrival, she was escorted to the seat of honor by Joyce Dear, when she opened the many lovely and usual gifts given her, prior to her approaching marriage. After these had been unwrapped and admired by all Anne thanked all present for their good wishes and gifts. A pleasant social time was enjoyed and delicious refreshments were served by the sponsors for this shower, Misses Rebecca Caza and Joyce Dear, assisted by other friends.

Dewittville

DEWITTVILLE — The Dewittville W.C.T.U. held their monthly meeting at the home of Mrs. Allan Ritchie on Thursday, November 24th. Meeting opened by singing the hymn, "Hark! The Herald Angels Sing". The topic of the devotional period was, "The Odour of the Ointment". The president lead in prayer. The roll call was answered with a verse from a hymn. Collection \$2.40. The usual boxes for the Montreal City Mission were packed on Thursday, December 1st, at Mrs. Ritchie's. Alcohol and Family Life was the title of the Clip Sheet studied at this meeting. As is customary, no meeting will be held in December. Refreshments were served and a social half-hour enjoyed.

Mr. and Mrs. Lloyd Taylor and family moved from Nitro last week to reside in Valleyfield.

The service in the Nitro Church on Sunday evening, Dec. 4th was conducted by Mr. K. Aldridge substituting for Rev. J. B. Hall of St. Mark's Church, Valleyfield.

Miss M. Collins of Montreal spent a few days in Nitro at the home of Mr. and Mrs. C. Paige.

Mr. and Mrs. T. Hughes of Kent Avenue, left on Wednesday to reside in Montreal.

Mrs. E. Mather and her daughter, Mrs. J. Brabant entertained on Tuesday evening, Nov. 29th in honour of Mrs. J. Hughes. A very enjoyable evening was spent playing bingo. Then a delicious lunch was served by the hostess. Mrs. Hughes was presented with two cups and saucers and a dish towel for which she thanked her friends and hoped all would come to visit her in Montreal.

Franklin Centre

A meeting of the Senior C.G.I.T. was held Saturday afternoon at the home of Miss Mary Dunn. Afternoon the Opening Exercises a business meeting was held at which it was arranged to hold a practice, at the Church, on December 17th of the Vesper Service to be held on the 18th inst. Merle Dunn and Mary Dunn led the Devotional Period. The remainder of the afternoon was spent making Christmas Decorations. The next meeting is to be held at the home of Carol Towns. The meeting closed with The More we Get Together. Their Hostess, Mrs. Clarence Dunn, served a delicious supper and Carol Towns thanked Mrs. Dunn for her hospitality and the meeting adjourned.

The Group Committee of the Frontier Boy Scout Group of Franklin Centre, was held last Thursday, Dec. 1st, at the school. Among other matters discussed was how to raise money in aid of the new Cubs and Scout group newly formed. It was decided to hold a card party at the school about December 15th, also the possibilities of a Door to Door Electric Light Bulb Sale.

The following members of the Hi-C group conducted the Sunday morning service, JoAnn McNally, Bobby Blair, Janet

Johnson, Norman Money Penny, the remainder of the group formed the Choir with their Leader, Mrs. Milton Sharpe. Praise The Lord was sung as an Anthem. Merle Dunn acted as Organist and Rev. A. Barnes preached the sermon. These young folk have been taking an active interest in the church and have done a great deal in helping to improve the Church building itself.

We are pleased to hear that our old friend and neighbour, Mr. Ben Johnston, now of Ormstown, really enjoyed Sunday afternoon when two old

friends, Mr. and Mrs. Willie Trainer of Chateaugay, N.Y. visited him and his daughter, Mrs. Henry Stewart. It happened to be one of his extra good days and his memory was quite clear so many happy events of days long past were renewed.

Mr. and Mrs. Richard Rogers of Verdun spent the weekend with Mr. and Mrs. Wm. Hope and Gordon.

Miss Hazel Bruce of Montreal spent the weekend with Mr. and Mrs. Bryce Bruce.

Mr. and Mrs. David Smith and two children of Ville La Salle and Mr. Lester Smith and his mother, Mrs. H. Smith, of Valois were Saturday guests of Mr. and Mrs. Keith Dickenson, and family.

Betty McCormick of Ormstown spent the weekend with her friend Sheila Stevenson.

HOW LONG DID IT TAKE YOU TO COURT YOUR WIFE?

Did you just happen to see her, walk up to her, ask her to marry you, call in the minister --- right on the spot?

PERHAPS NOT — it probably took a lot of calls, and trips, movies, flowers, candies, and a lot of putting-your-best-foot-forward tactics. You had to sell yourself. She had to know all about you.

IT'S THE SAME WITH ADVERTISING . . . you can't "Woo" customers with one AD . . . you've got to "Call On Them" over a period of time . . . you've got to win their confidence and be convincing.

CONSISTENT ADVERTISING wins the customers if it's truthful, if it gives helpful information, if it saves shopping steps, if it is backed up with intelligent, courteous service and honest values.

Question —

What's your opinion of the recent meeting between the Archbishop of Canterbury and Pope John?

Mr. Jack Jackson, School Teacher at Ormstown High School:

"It is one of the greatest steps which has been taken with a view to Church unity between the Anglican and Roman Catholic Communions in our era. It must be considered in terms of the whole topic of Christian unity which must be the aim of all Christian people. In this regard we should be careful not to disregard the heritage and doctrine of each particular segment of Christendom."

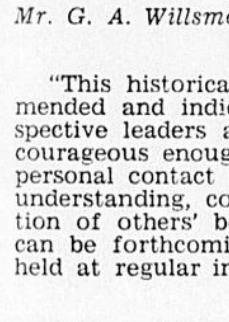

Mrs. Annette Mackey, 127 St. Louis Street, West End:

"I think it was a good idea — they should get together more often. There should not be so much controversy between the Catholics and the Protestants: after all we are all Christians."

Mr. William Ryan, 40 St. Francis Blvd., Chateauguay, President of Chateauguay P.T.A.

"I think it is a very good step forward because it shows that the Christians are beginning to think of unity in the face of Communism and other threats. They should make up their differences, and think now in terms of what is common within the Christian religion."

Mr. G. A. Willmore, 113 Manor Drive, Chateauguay Centre:

"This historical meeting is to be highly commended and indicates that at long last the respective leaders are not only broadminded, but courageous enough to realize that only through personal contact of such a meeting can a better understanding, coupled with a greater appreciation of others' beliefs, be achieved. Only good can be forthcoming. Suggest such meetings be held at regular intervals."

Alert Young Boys Prevent What Could Have Been A Bad Fire

Victor Davidson and Keith Lord, students at Maple School, Chateauguay, saved one of the new houses under construction opposite Maple School from being razed to the ground by fire the past week.

The two lads had finished their lunch at school on Thursday and were taking a short walk before afternoon classes started when they noticed black smoke coming from the direction of the houses. At first Victor and Keith thought some of the workmen were burning litter and refuse, but on getting closer, saw that the smoke was increasing in volume and that it was coming from one of the new houses.

The boys hurried toward the house and by the time they arrived flames could be seen. They took off on the run for the nearest house that was occupied and reported the fire. The man living at the house raced back with the boys and they managed to gain admittance to the basement where they found an oil stove burning out of control. The stove was turned off and the three threw water on the ceiling of the basement which was well ablaze.

The fire was extinguished without further damage and Victor and Keith were told that if they hadn't seen the fire and acted as quickly as they did the house would have burned to the ground in another twenty minutes. The men working on the building had apparently gone for lunch unaware that the stove was turned on so high.

Young Davidson lives in Chateauguay North and Keith Lord, a former Chateauguay Gleaner carrier boy, is the son of Mr. and Mrs. George Lord, Chateauguay Park. Keith's mother, Mrs. Muriel Lord, is the Chateauguay Gleaner columnist in The Park.

This newspaper joins in congratulating Victor and Keith for their quick action and presence of mind.

Vandals Damage Pius XII School

Police were summoned to the Pius XII School on Salaberry Blvd., Chateauguay Basin, late Saturday night, to find that vandals had damaged school property to the extent of \$500. Mr. Cassavant's office was literally turned upside down. Sergeant Dubuc of the Chateauguay Police Force conducted an investigation but could not at the time establish if any articles of value had been stolen. It is felt that someone remained in the school following a turkey bingo which took place there on Saturday.

Beauchateau Shopping Centre News

The winners of the food certificate last Saturday were: \$50 — Mr. John Allard; \$25 — Wilbrod; \$25 — Mrs. Donat Juteau, 75 Lorenzo Street and \$25 to Mr. and Mrs. G. Daoust. Unfortunately the manager is unable to send the certificate to G. Daoust, the name of the street is not readable, so will G. Daoust please call at the Store.

Mother beware! If you take the children shopping this week you will most certainly be urged to buy potatoes, there's a Xmas Stacking given with every 10 lb. bag!

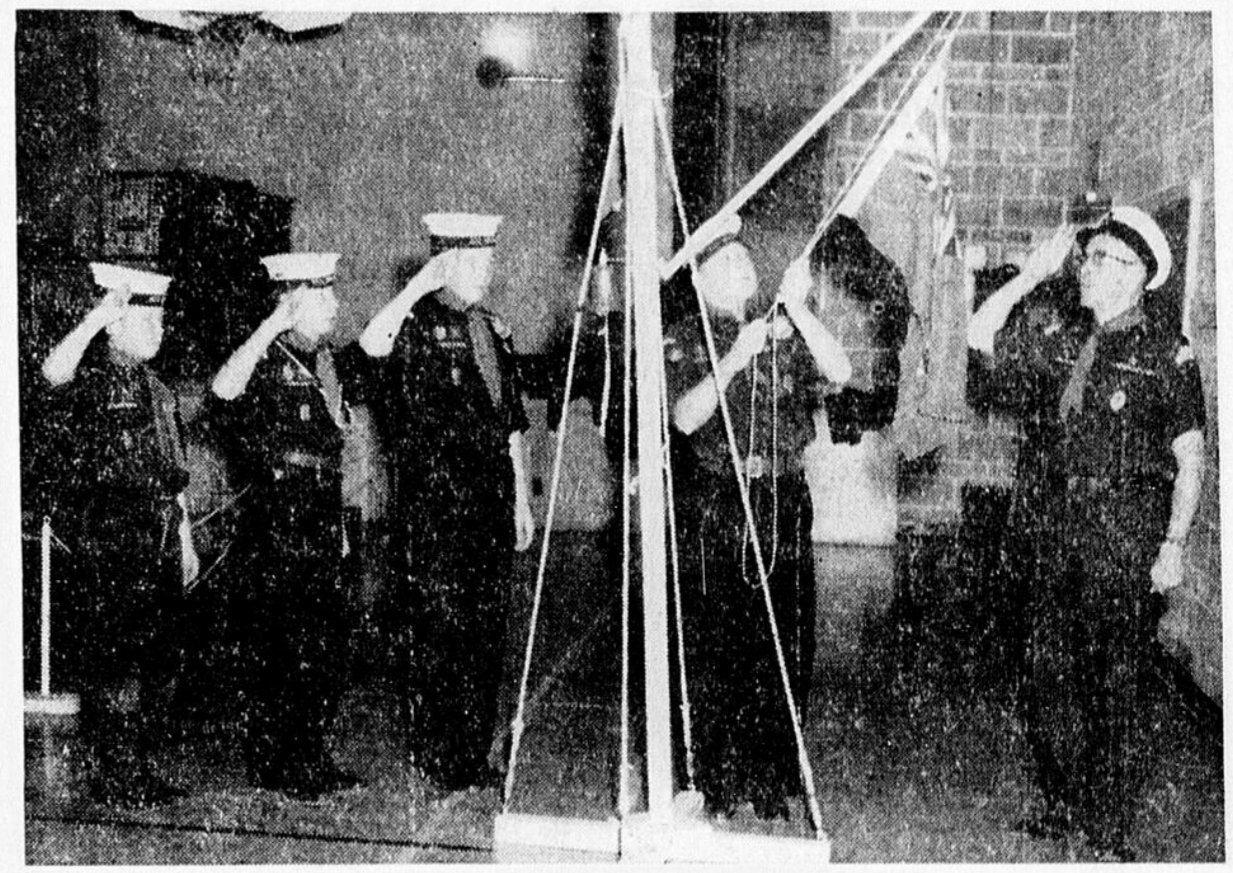

The Xmas display of candies, chocolates and fruit cakes looks irresistible, stock up now while there is such a wide selection.

Don't miss the special display of pickles and spicy things opposite the frozen food counter, the colour scheme is most artistic, and, by the way, if anyone has Gold Star Trading Stamps for exchange and would like to use them for a Xmas gift, see the grand display on the wall above the vegetable and fruit counter and be sure to make your selection by the 7th December to receive it by Xmas.

If you should have a little difficulty explaining anything in English to one of the cashiers, the next one will help out, three of them are bilingual.

All the Stores have a wide variety of Xmas gifts on display, something for every member of the family.

St. Andrew's Christmas Concert Attracts Large Audience

(By Mrs. Mildred McCutcheon)

St. Andrew's Memorial Hall, Chateauguay, with a seating capacity of 500, was packed to overflowing on Friday evening December 2nd for the annual Sunday School Christmas Concert. Mr. E. Ted Longley, Master of Ceremonies presented seventeen "Christmas Presents" to a highly appreciative audience.

Order of the evening was as follows: Miss M. Hardisty's Class in "Christmas Greetings"; Miss S. Newton's class in "Rudolph"; Miss L. Herbert's class, in "Christmas"; Miss M. Pritchard's class in "Jingle Bells"; Mrs. M. Sanders' class in "The Snowflake"; Misses Barbara and Heather Reid's class in "Merry Christmas" and "Frosty"; Mr. A. McClellan's class in "No Stockings to Wear"; Mrs. G. Chausse' class in "I Saw Mommy Kissing Santa Claus" and Miss M. L'Euyer's class in "A Christmas Secret".

Intermission followed during which time candy was sold by the C.G.T. girls. The Rev. Douglas S. Brooker then spoke briefly to the gathering and the second half of the programme was presented as follows:

Mrs. A. Pierce's class in "A Day on the Farm"; Mr. G. Modeland's class in "A Package for Father"; Mr. T. Allman's class presenting St. Andrew's Symphony Orchestra (Tallux); Mr. Wm. Gilmour's class in "Christmas Candles"; Mr. J. Adams' class in "The Nativity"; Mrs. A. Pierce's class in "Visitors to Lighthouse"; Mrs. G. Woodhouse's class in "Thy Came Bringing Gifts"; Mrs. A. Pierce's class in "Business Deal"; Mr. E. T. Longley's class in "Christmas Surprise". The curtain was brought down with a Christmas Farewell.

Subscription Campaign For Recreation Needs For Town Of Chateauguay, December 10-11

So as to provide sufficient funds for the C.R.C. its founders are organizing a subscription campaign within the boundaries of the School Board of the Town of Chateauguay which covers the town of Chateauguay and Chateauguay Heights.

We are calling on all parents to help us increase the recreational organization. It is easily understood that such a large organization cannot operate on revenues from card parties, bingo alone. In these early beginnings the C.R.C. must join already existing organizations in setting up recreational activities for its members. Later on the Center will provide to its members through grants from the Provincial Government.

So as to reach that stage, the C.R.C. must prove itself by organizing recreation activities with the help of benevolent volunteers. The Center calls on everyone who would be willing to help in their December 10 and 11 subscription.

Two members of the Administration Committee are responsible for the campaign organization in their districts. These persons will be accompanied by youngsters and will call on you for your contribution.

Please "Support our Youth in Sports".

Suggestion

The following suggestion was submitted to The Chateauguay Gleaner by Mrs. Muriel Lord, Chateauguay Park columnist. With the amount of building going on in the Chateauguay area, the suggestion is timely and merits thought by contractors and prospective homeowners.

The Chateauguay Gleaner would be pleased to publish constructive suggestions such as Mrs. Lord's, if properly signed by the sender and submitted to Chateauguay Gleaner correspondents or mailed direct to this newspaper.

Why not equip new homes being built (or install in older ones) a light which would operate in a manner similar to a light in a refrigerator or car. In other words, a light in back and front entrances which would automatically come on when the door was opened. This would eliminate that uncomfortable groping around in the entrance for the light switch or handle of inside door and would also act as a deterrent to prowlers as neighbours know a friend was out and seeing the light come on would know someone was opening the door and could keep an eye open to see what happened after that — Mrs. Muriel Lord, Chateauguay Park.

Several witnesses testified that the accused and another sports car appeared to be racing shortly before the accident occurred near a level crossing.

Loses Permit Driver Jailed In Fatal Race

A month in jail and cancellation of his driver's permit for two years was the sentence imposed Friday on a motorist found guilty of manslaughter following a death that resulted, according to testimony, from a race on the highway.

The sentence was imposed by Mr. Justice Wilfrid Lazare in Court of Queen's Bench, on Thomas Stanley, a 28-year-old truck driver, following the death July 15 of a passenger in his car, John Patrick Guerin, 33, of Barrie, Ont.

In imposing sentence, Mr. Justice Lazare said the case was a contested one "I might go so far as to say it was on the verge of a pure accident — there was speed although liquor was not involved — he took too much of a risk although he has no record and was recommended by the jury to clemency."

Stanley, of 5642 Eadie Street, Montreal, was found guilty earlier in the week by a jury, although recommending clemency. The accident took place near Caughnawaga and Guerin was riding in the accused's rented sports car.

Historical Notes Gleaned From "Sellar's" History

All this was unknown to the settlers, who waited impatiently for the answer of the governor to Manning's request to grant them patents. In December they were thunderstruck to read the legal notices that Ellice was about to apply to have the unconceded lands of his seigniority converted from seigniorial tenure into free and common socage. They saw at once that the scheme had, for one of his objects, the investing him with a title to the lands they held, which he would obtain by the regnant from the crown, taking the line of Kilburn as the southern boundary of the seigniority. Manning called a meeting of them to decide on what should be done, and was the more keenly instigated in doing so by the defection of Abraham Welch, who criticised the steps he had taken and insinuated that the funds contributed by the settlers had not been properly applied. The meeting took place in the Flats schoolhouse (Kirkfield, it was then termed) on the 1st February, 1832, which was packed to the door. The squire read a long address, in which he elaborately and ponderously described Welch as the personification among them of the spirit of evil, and himself as the pilot who had steered the ship so far successfully and was willing to again brave the storms that lay between them and the haven of rest. The meeting sustained the squire in all he had done, re-appointed him as their agent, pledged themselves to sustain him, and characterized Welch's conduct as "spiteful, malicious and persecuting." The meeting thus resulted in reconstituting the association for the renewal of the contest with the seignior. Their first act was to send a memorial to Quebec, praying to be declared possessors of the lots held by them, their second a protest against the regnant of the seignior, as prayed for by Ellice, and asking, if their prayer were not granted, that, in any back claims he might make, he be limited to the rents authorized by the old French law, namely 2 coppers, or 1 copper and a quart of wheat, yearly, for each arpent. The government handed the documents to Ellice's agents for reply, and a controversy ensued in which the legal acumen was on one side and right and equity on the other. The case for the settlers was wordily and blunderingly presented by Manning and Jacob Dewitt, then one of the members for the county; the strongest points they made was the decision of the court in dis-

merchant of his day. For 20 years and over they had labored to make homes for themselves, and now, apparently, their properties were to be at the disposal of a seignior, and they were to be treated as trespassers on the lands they had redeemed from the forest. All the spirit of independence and sense of right which characterizes back-woods-men revolted at the thought, and they resolved to lose all rather than to be defrauded. Their resentment was not so much towards Ellice, whom they believed to know nothing of the merits of the case, as against his agents, more particularly Brown, whose rapacity and duplicity had long made him a byword in the district, while his lewdness disgusted decent people. His taking advantage of Kilburn's error in running the Russelltown boundary was regarded by the settlers solely as a scheme to obtain money to maintain him in the extravagant and shameless mode of life he maintained at Beauharnois.

The year the tenure of the seignior was changed, Mr. Ellice visited Canada. The first Sunday after his arrival at Beauharnois he went to the door of the Catholic church, and, with Peter McGill standing by his side, announced to the congregation came out, that he would be at Reeves's tavern on a certain day to hear any complaints his censitaires might have. There was a large gathering, and he was overwhelmed with astonishment at the number and variety of the grievances of the people, and finally grew irritated and angry. Brown kept many back from speaking by fair promises, but enough came out to show Ellice how the people had been wronged. When old Mr. Elliot of English river stated the grievance of the settlers with regard to the mouture, the answer, that he had not received a penny from the revenues of the seignior, that he had been even drawn upon for \$2000 to pay for the Norton creek mill, silenced his astonished hearers, for it is hard to complain to a landlord whose property is a source of loss to him. They knew that, between lumber and rents, a large sum was paid yearly at Beauharnois, and their indignation was subdued with pity for the London magnate who was being bled by his servants. Mr. Ellice impressed the settlers as anxious to do what was just and he made many promises, which, as he left Brown to perform them, were not fulfilled. Touching the question of the Russelltown lands, he declined to interfere, letting it remain with his lawyers. After a brief stay, he departed, leaving behind him an agent, named Bull, professedly to assist in the seignior office, but in reality as a check on Brown.

C.P.O.A. Makes Presentation To New Wolf Cub Pack

On Friday, November 25th, The "Eagle Pack" which was formed this year in Maple School, held its first Parents Night. This was also the night that they were presented with their Flags and Totem Pole by Mr. Jack Flanagan, President of the C.P.O.A.

This was also the night that the first Cubs were invested in the new pack. John Baird is being welcomed into the Pack by Akela George Tucker. Others invested were Alfred Bauer, Robert Douris, Brian Mullins, Francis Keenan, Gary Leach, Brian Dauris, Brian Sonne and Larry Hurlubise. Another first was accomplished by the following boys who received their first Stars: Rex Barrett, Larry Fontaine, Brad Tucker, James Harvey and Aubrey McLean. Photos by Larry Cowper.

Neil and partner Carol Morgan, and Allan Picard and his partner Norma Pringle. Mrs. Mitchell, wife of Major Mitchell of Vetville, is making woollen socks slippers and selling them at \$1.00 a pair. They would be ideal for the teen agers to wear at the dances, as parents know the socks the boys and girls wear do get in an awful mess. Mrs. Mitchell is turning all proceeds from the sale of these socks to the Maplewood Presbyterian Church. Anyone wishing to buy a pair could do so by contacting Mrs. Mitchell in Vetville.

On Sunday, December 4th, Mr. and Mrs. Ken McKenzie, organizers of the Sox Hop Dances, had their baby son baptized Donald Allan McKenzie by Rev. John Allan at the Maplewood Presbyterian Church. Present at baptism were the baby's four grandparents, also the baby's great-grandmother, Mrs. McKenzie's grandmother. Afterwards a delicious dinner was enjoyed at the McKenzie's by all including Rev. and Mrs. John Allan.

Be Alert For Wet Pavements

This is the time of the year when sudden changes of temperatures bring rainfall following by frost and cause road conditions to become dangerous. Drizzling rain in the early afternoon may result in a thin layer of ice on the pavement in the evening. The driver should get the "feel" of the road before and during his trip, suggests the Provincial Highway Safety Committee "Prudentia". A pavement may appear just wet, and yet be covered with thin ice that will send a car into a dangerous skid when brakes are applied without the necessary precaution.

Legion Notes

● The Installation of Officers for the 1961 season, Legion Branch 108 was held on Saturday evening, December 3rd. Mr. Ed Struthers, Provincial President of the Canadian Legion conducted the installation. An old Air Force custom was observed during the proceedings with the pouring of beer into the hat of the incoming President, Mr. George Johnston, who then donned the "beery head-gear". Wives and guests were entertained by Russ White's Orchestra at the social evening which followed the ceremonies. Light refreshments were served.

● The annual Open House and Punch Party will be held at the Legion Hall on Sunday December 11th. Everyone welcome.

● On Sunday December 18th, Legionnaires will entertain the children of the Branch at a Christmas Party. Movies will be shown and cakes, ice cream and potato chips be given to the children. Keep the date open and bring the family to the Hall for an enjoyable afternoon.

● Possibilities of a Polio Clinic for First Shots at Maple School early in the New Year if interest is indicated.

● Don't forget, anyone interested in playing bridge once a week should contact Bob McGlashan who is endeavoring to form a Branch League.

● Pensioned Veterans are invited to meet on Thursday afternoons, 2 p.m., at the Legion Hall. Darts, cribbage or just a real old gab-fest may be enjoyed.

● C.G.I.T. News

● The annual Vesper Service conducted by the C.G.I.T. and Explorers Groups of St. Andrew's United Church will take place on Sunday December 11th at 7:30 p.m. A warm welcome is extended to everybody.

● The girls of C.G.I.T. are now busy making Christmas tree decorations and favors which they will deliver to the Davidson Convalescent Home, Salisbury Blvd on Wednesday December 21st. It is the intention of the girls to remember each guest in the Home, and in some small way gladden their hearts for the Christmas season. The girls will arrive at the Home via sleigh, weather permitting and through the kindness of David Reid.

● Sea Scouts, Scouts and Cubs held a Church Parade on Sunday December 4th, to St. George's Anglican Church on St. Francis Blvd., for the 9:30 a.m. Service of Worship.

Chateauguay Home Owners Association

● It seems sad to think that there is such a lack of interest towards the Association, that when the executive take the trouble to invite a guest of honour, Mayor J. Laberge and to procure a film, that only nineteen deemed it worth their efforts to come out to a general meeting. The mayor was only speaking on the proposed Amalgamation and the taxes.

When an earlier survey was made and members said there was too much business at the meetings, the executive decided to cut down on the dreary business part by sending a newsletter. This writer wonders when it comes to wanting something from the Mayor and the town council will they take time out to listen to us.

Seems hard to believe that Christmas is barely 2 1/2 weeks away. As usual there will be the last minute rush to get everything ready. Christmas cards to be addressed, gifts to be wrapped and all the preparations for Christmas dinner. Not to mention the fact that the Christmas tree also has to be decorated, with outdoor decorations also being on the agenda. Quite a task in front of us but we're sure most love every minute of the fun and excitement of Christmas. All too quickly it passes by and with it the Spirit of Christmas seems to fade away. It seems a shame that every year, regardless of the good resolutions made at the New Year, the Spirit of Christmas is packed away with the tinsel and decorations, only to make its re-appearance at the same time the following year.

Talking about Christmas — the Ladies Division is holding their monthly meeting on Monday, December 12th at 8.30 p.m. At this meeting the ladies are asked to kindly bring tissue paper and Christmas twine to wrap the parcels for the children's Christmas party which is to take place December 18th at Verville Community Hall from 2 - 6 p.m.

The General Meeting of the West End Home Owners' Association is also to take place that week — on Thursday, December 15th at the Chateau Gai Motel at 8.30 p.m.

Congratulations are in order for Sharlene Leet of St. Luc Street. A round robin was played at the Chateauguay Badminton Club and the winners were Sharlene Leet and Robin Walsh.

Anyone interested in reading about Guiding in the area, please check elsewhere in this paper for a column appearing under the heading "Guide News." This is of particular interest to parents of girls between the ages of 8 and 16.

Most residents' patience was a little taxed this week with the shortage of water. Some sections of the development fared worse than others, the upper part seeming to be the hardest hit. Apparently something happened to the pump over at Imperial Gardens, and as it was quite unexpected no warning could be issued.

Let's hope this won't happen again as it must be quite a hardship to any household with a baby or several small children.

To add a cheerful note — Everyone will be quite pleased to hear that the garbage is to be collected twice weekly again — Tuesdays and Fridays as formerly.

Welcome to New Residents
Mr. and Mrs. René Emard and their little five-year-old son, Réal have moved into their new home at 243 St. Louis Street over the week-end.

News about the Hockey Rink
Thanks to the efforts of Bob Poirier we now have a shack at the hockey rink. This shack was obtained from J. L. E. Price & Co. and saved the Association \$100. A sincere thank you to the men who turned up at the rink on Saturday to help move the shack to its present location. Now as soon as the weather gets colder, the rink will be flooded as we now have a 10" pipe connecting us to Imperial Gardens and as everyone knows the pressure has improved immeasurably. By next Saturday the lighting should be completed.

Due to the generosity of West End Development we now have 36 sweaters for the two hockey teams. I'm sure the enjoyment the children receive from these outfits will more than repay their kind donation. An idea to parents whose children would like to play hockey this winter instead of toys at Xmas, how about putting shoulder pads, pants and skates on your list?

The next meeting of the English Catholic P.T.A. will be held on December 15th in St. Jude's School at 8 p.m. A social evening will be held after the meeting.

The Bazaar held by the English Catholic P.T.A. on Saturday, December 3rd in the Pie XII School was a great success. Nice to see such hard work well rewarded.

Chateauguay Aquatic Club History and Background

The C.A.C., one of the finest and the only club of its kind in Chateauguay, is the only organization next to the Sox-Hops which thinks of our welfare. Without this club half of the boys would be in Valleyfield. This is the only place where we can come and dance and listen to records on week-ends and week-nights in the winter, and in the summer come in the day and paddle at night and then race in the regattas on the week-ends. This club broke up a couple of years ago (as some of you old 'uns remember) and then came back. The club was broke financially and had no clubhouse. Now this club has risen from the bottom of the barrel and is heading for the top without support from anybody only the guiding lights of Jerry Duffy, Kevin Duffy, Mickey Lang and a few others who don't get paid a cent for their services. Without these men we don't know where the club would be.

The Bingo for the C.A.C. was held at the Pie XII school on Saturday; Jerry Kezar and Billy Lobban were serving there. Nice work boys. Oh yes, thanks for attending, folks!
Mary Lee won two turkeys at the bingo and sold them to her mother — sneaky Mary!
Please boys and girls, no smoking on C.A.C. grounds. It makes the club look bad and we are trying to make it look perfect. Thanks a lot!
Club floors sure look nice now

they are waxed and varnished — slippery too, while on the subject. Thanks again Max and Norm for taking your time out to do it.

General election for paid members on Saturday 11th. Only paid members please attend.

Glad to see new members down from Colonia at the club.

Membership Fees for people who don't want to paddle are only two dollars; and five dollars for paddlers. Down payments accepted.

Glad to see the fibreglass boat has come out nice after working on it all summer, Jerry!

Note: During paddling season all races will be featured in this column.

Dance
On Saturday, November 10, a dance sponsored by the Maple School Student Council will be held at Maple School. Music will be supplied by the Don Wayne Trio and the Falcons. Admission is 75 cents a person or a dollar a couple. Please folks, you have to be invited by a member of the school, so see someone who goes to Maple.

Well exams are over and we bet a lot of people are dreading December 13. That's the day reports come out. Don't worry kids. Sox-Hop

Another successful Sox-Hop was held on Friday night. Everyone enjoyed themselves and we hope that these Sox-Hops will continue. We wish to thank Mr. and Mrs. Mackenzie for chaperoning the dance.

Councilman Pitre has announced that the Municipality will be taking a hand in financing sports in Chateauguay Center. A charge of \$6.00 per family per year, which will work out to approximately 50¢ per month will aid the program.

Such a plan will unite the different projects for the betterment of sports.

Bill and Nancy Soles just returned from a week-end of shopping in Burlington. Nancy said she had a marvelous time spending all of Bill's money.

Over the week-end a petition was passed from house to house in Prudential for the purpose of approving the by-laws for the newly founded Chateauguay Center Recreational Association Ltd., thereby enabling the association to sponsor the children's Christmas party.

Hi Folks, here we are into December and everyone has been busy tying up their young trees against old Jack Frost, and have gone inside to get their cleaning and shopping done, for St. Nick is coming. The kids are dying for the snow to come and Pop is getting his snow tires out and anti-freeze in and hoping the storms don't come for a while yet.

Pat Dryden is sure putting the girls through the mill on Monday nights at her Physical Culture Classes. Even if all don't come out looking like "M.M." they sure have lots of laughs.

Your writer was at Verville on Saturday at a presentation and was talking to the ladies and found out anyone wanting to play Bingo on Tuesday afternoon at 2.30 and military whist on Wednesday evening at 7.30, are more than welcome to attend they certainly have an ideal assembly hall there.

Hemmingford

Athletic Association
 The election of officers for the 1960-61 season took place at the meeting of the Hemmingford Athletic Association held Tuesday, November 22nd. The following were elected: President, Mr. Gilles Fortin; Vice-President, Mr. Leslie Keddy; Secretary-Treasurer, Mr. Edwin Keddy. Plans are going ahead for the formation of the Pee-Wee Hockey teams and Mr. F. Matheson and Mr. Bud French are a committee of two working on the schedule of activities on the rink. Certain nights will be reserved for hockey, the remainder divided up so that both adults and children will have equal opportunity to indulge in this healthy sport of ice-skating. Mr. Frank Bourdon has been rehired as caretaker for the rink and his duties will include acting as monitor for rink activities. The rink itself has been very well prepared, a good solid base with the wall-boards all in position. All that's needed now is some ice!

Hemmingford High School Notes
Basketball. Away to Valleyfield this week. The scores? Well, not too good. Boys were beaten 66-16, girls were beaten 40-0, but it was a very good game, and they were very hospitable, served some nice refreshments afterwards. Special thanks to the cardrivers—Mr. Matheson, Mr. J. Laurie, Mr. Edwin Keddy and Mrs. Edna Hebert. Now it's noses to the grindstone, turn off the television, term end examinations are here!
St. Roman's High School.
 The High School Students here are feeling very proud. The Audio-System which they purchased with part of the proceeds

from their Card Party is now installed. The microphone and master-control in the main auditorium is wired to the elementary school and playground. It will be a great asset to the school. Much thought is being given to the purchase of some suitable games for the students use.

Chamber of Commerce
 At the recent meeting of the Hemmingford Chamber of Commerce the subject of Christmas decorations was very much to the fore. The members would like to see every house, not only in the village, but in the surrounding municipalities, of the Township of Hemmingford, gaily decorated. For the best decorated house and/or garden, a prize of \$15. is offered, second prize \$10, third prize \$5. So get your decorations up right away, judging will commence early, any time from the 17th onwards. P.S.—This competition applies to private houses only.

The "Explorers" of Hemmingford
 The word "explorer" immediately brings to mind such famous names as Cabot, Mackenzie, Thompson, Hilary, to name but a few. There are no such famous names in Hemmingford—as yet, but the same keen desire to go, to see, to learn, to do, burns just as brightly in the hearts and minds of a small group of 9 to 12 year old girls as ever did in the hearts and minds of the famous ones. On Sunday afternoon, December 4th, in St. Andrew's United Church, the Hemmingford Explorers showed how they had learned during the past year "to do". During this year, under their two leaders, Mrs. George J. Brown and Mrs. C. Winters, they have gone exploring the countryside, seeing things of beauty and

Howick

HOWICK—The annual meeting of the Women's Association of the Howick United Church was held on Wednesday, November 30, at 1:30 P.M. at the Manse.

Mrs. Donald Chisholm called the meeting to order and Mrs. Roy Younie took the worship service and led in prayer.

The Christian Education committee was asked to contact Sunday School teachers and give them a small donation of 35c per pupil toward the Christmas gifts.

The reports of the various committees followed: Flower Committee, Christmas Box Committee and Community Friendship.

The treasurer gave a very full report and had a balance of \$387.61 on hand.

It was moved by Mrs. Everett Orr seconded by Mrs. Melville Brown that we donate \$300 to the managers.

interest, they have gathered wild things and made artistic decorations. They have read and studied their Bibles, they have learned of peoples and lands far away. Of special interest has been the study of missionary work in Africa and this afternoon they conducted a service of worship in the Church (one of the projects required of them) with a reverence and a composure which was a joy to behold. The junior choir, robed in white, under the leadership of Mrs. Kyle, was there to help with the singing. Mrs. R. J. M. Reid played the organ.

It was moved by Mrs. Russell Stewart, seconded by Mrs. Younie that \$15 be sent to the Religious Council through the C.G.I.T.

It was decided that each convener be responsible for the collection of the Cent-A-Meal jars to "Feed the Hungry of the World," any time after December 17.

The O.G.I.T. Vesper service is to be held Sunday evening, December 18. We were all asked to tell others so that we have a good attendance.

The president called on Mrs. Roy Younie to present the slate of officers for 1961.

President, Mrs. Donald Chisholm; 1st Vice-President, Mrs. Lloyd Allen; 2nd Vice-President, Mrs. Eidon Orr; Secretary, Mrs. Bruce Chisholm; Treasurer, Mrs. Russell Logan.

Conveners
 Howick, Mrs. Clarence Kerr and Mrs. Elvidge; Fertile Creek, Mrs. J. J. Peddie; English River, Mrs. Robert E. Ness; Tulloch, Mrs. Douglas Ness; Riverfield, Mrs. Osborne Orr; Aubrey, Mrs. Eric Orr; Chateaugay, Mrs. Bruce Ness.

Manse Committee. Mrs. Tolhurst, Mrs. Brady, Mrs. Wallace Gruer, Mrs. Everette Orr.

Flower Committee. Mrs. Ewart Orr, Mrs. Robert H. Tolhurst.

Community Friendship. Mrs. Younie, Mrs. A. Gruer and Mrs. J. Crawford.

Christian Education. Mrs. Don. Chisholm.

Nominating Committee. Mrs. Fred Allen, Mrs. Douglas Templeton, Mrs. A. McKell.

Mrs. Younie moved the adoption of her report and Mrs. R. Stewart seconded the motion.

The president thanked everyone for their help and co-operation and especially the retiring officers.

It was moved by Mrs. Andrew Allen, seconded by Mrs. J. Crawford that we donate \$3 to our convener by March if possible.

White Gift Sunday is to be held December 11 and it was decided to send these gifts to St. Columba House. Each member is asked to bring one item and 25c toward the Christmas boxes for the shut-ins. These articles to be brought to the Sunday service December 18.

Mrs. Tolhurst is planning to have a meeting at her home of the executives of W.A., W.M.S. and Evening Auxiliary to fill in the year end reports. This meeting is to be held December 8th at 2 P.M.

Anyone wishing a United Church Calendar may obtain one through the Young Peoples Society.

The meeting was adjourned and closed with the Mizpah Benediction. Tea was served by the Fertile Creek group after which a "Bring and Buy Sale" was held when \$40.55 was realized.

Curling
 Last week May Jones, Barbara Kerr, Irene McRae, Margaret Ness, enjoyed a friendly game at Montreal West vs a Drummondville rink.

Play on the T.T. Gebbie Memorial Trophy finished on Saturday, December 3, when a large crowd gathered at the curling club during

the afternoon and evening, to watch the games and to enjoy a hot dinner served by the ladies of the club. The trophy was won by a Thistle rink, skipped by J.D. Cluff, President, Russell Logan called in Irwin Gebbie to make the presentation.

English River, H. Angell (skip) were runners-up. Consolation prize went to Aubrey, (skip) K. Robb. Runners-up Aubrey (skip), A. Allen. 48 rinks played in the competition.

Joanne Simpson opened the service with a Scripture reading and announced the hymn, "Margaret Cleaver gave some Thoughts About Prayer" and led the reading of the "Lord's Prayer". The Explorers joined with the Choir and sang an Anthem. Mrs. Harry Warner, President of the Women's Missionary Society, who sponsors the Explorers, conducted the Initiation ceremony, giving to the new entrants, Carol Hawkins, Ann Hinchcliffe, Sandra McNutt, Shirley Napper, Eva Zick their first red star, their Pin and Explorers Diary. Mrs. G. J. Brown presented second year blue stars to Judy Chapates, Jeannette Robertson. Mrs. C. Winters gave third year gold stars to Joanne Simpson, Gisele Kremell, Margaret Cleaver, Hilda Orr, Marjorie English, The Rev. K. Murray in a few words explained how the year's work of the group was evaluated by the Board of Christian Education. If it was found to be of sufficiently high standard then an award was presented. This takes the form of a Seal of Recognition which he was pleased to present to Chief Explorer Joanne Simpson, who accepted on behalf of the group. A scripture reading by Gisele Kremell was followed by a hymn and the taking-up of the offering by Marjorie English and Jeannette Robertson. A story of school-life in a far-away land read by Joanne Simpson was followed by a prayer read by Judy Chapates; another hymn and the closing prayer given by Hilda Orr brought a very beautifully conducted service to a close.

It is pleased to report that Mr. Wilfred Patenaude, who for 45 years kept store in Hemmingford before turning it over to his son Maurice, has returned home from his stay in Hotel Dieu Hospital where he underwent a successful eye operation. He has his new glasses and is now able to see quite well again. His daughter Betty, who resides at 510 Goyette Ave. with her sister, Mrs. Idola Fortin, is very busy doing something about this business of Christmas decorations. She has a large selection of table centre-pieces, sprays, door wreaths, corsages — well just read her advertisement on the other page and then go and have a look at them in her home. The look is for free!

Card Parties
 Two very successful card parties held recently, the first on Thursday, November 24th at the Parish Hall under the auspices of the St. Roman Cercle de Fermieres. "500" was played at 17 tables, with four onlookers! This enjoyable annual event is well worth attending, particularly as there are always many prizes awarded. This year was no exception, thirty-five lucky people each took home a very nice prize. The door prize of \$5.00, donated by Major Leo Fortin, who with Mrs. Fortin and Canon Paul Grouin, enjoyed the evening's game, was won by Mrs. Emile Dubois. A raffle was held with prizes of a wool blanket, sheets and pillow slips, the prize-winners were: first, Mrs. J. R. Dumouchel, second, James Atkinson, third, Madame Maurice Sabourin.

Mr. Walter Smith acted as Master of Ceremonies and the ladies of the Cercle served the refreshments.

The second card party was held on Tuesday, November 29th in the Masonic Hall. This was the annual event organized by the Order of the Eastern Star. There were eighteen tables in play and fifteen prizes were awarded to the lucky winners with a consolation prize to the losing lady and gentleman. Mr. George J. Brown, won the chair prize, a fine box of apples and Mr. Lyle Simpson won the door prize, a nice fat turkey. Mr. Allen Radley acted as Master of Ceremonies and the ladies of the Order served refreshments.

Sorry to report that Mr. J. Fournier is seriously ill in hospital in Montreal.

Congratulations to Mr. and Mrs. Gerald Ellerton (Florence Brown) on the arrival of a fine baby girl, Carmen Irene, 3 lbs., 3 ozs., on Tuesday, November 29th, at the Barrie Memorial Hospital. Both doing well.

Also to Mr. and Mrs. H. Lemieux (Twink Akester) who have a boy, 8 lbs., 3 ozs., also born on Tuesday, November 29th, at the Barrie. Both fine.

United Church Activities

The Explorer Group of Huntingdon United Church held their regular weekly meeting at the Masonic Hall last Friday afternoon. The girls were busy completing their Christmas presents for the sick and shut in members of the congregation. These gifts will be distributed when they go carol singing later in the month.

The C.G.I.T. Group of Huntingdon United Church will conduct their Christmas Vesper Service in the Church, on Sunday evening, at 8 o'clock. The Service of Worship will be conducted by the girls and a special Christmas Story will be told by Mrs. Robert Beal. There will be the congregational singing of the favourite Carols of the season and Christmas music by the adult and C.G.I.T. Choir. As in past years the service will conclude with a beautiful Service of Redemption by candlelight. This service has become one of the highlights of the Christmas season and it is expected that there will be a large congregation in attendance.

The Junior Boy's Club of Huntingdon United Church met in the Church Hall last Friday evening. The boys concluded their fall study, "A Young Boy and His God", at this meeting and plans were made for their annual Christmas Party to be held in the Church Hall this Friday evening.

The Married Couple's Club met at the home of Mr. and Mrs. Alex. Fawcett with Mr. and Mrs. Jack Blake as hosts last Friday evening. The program took the form of a social evening and was greatly enjoyed by all. Plans are under way to hold a skating party in January.

A Christmas Party for the younger children of the Sunday School of Huntingdon United Church will be held in the Church Hall next Saturday afternoon. An interesting program has been planned by the

teachers and officers which will include recreation, carol singing and refreshments.

The Teen Age Group of Huntingdon United Church met in the Church Hall last Monday evening. The program, planned by the new executive, met with was greatly enjoyed by all the young people. The group have been invited to the Parsonage for their annual Christmas Party next Monday evening.

Wedding

ROBERTI-HOPE

The marriage of Margaret Evelyn Hope, only daughter of Mr. and Mrs. James Hops of Lacolle, to Johnny Roberti, of Montreal, son of Mrs. Martina Roberti and the late Karel Roberti of Scheveningen, took place at the home of the bride's parents on November 26th, 1960. The Rev. Jas. Adamson of St. Johns, Que., officiating.

The bride who was given away by her father was attended by Miss Helen Lavigne, friend of the bride, as maid of honour. Mr. Hank Komst friend of the groom, acted as best man.

Following the wedding a reception was held at the home of the bride's parents. The couple will reside at Ville D'Anjou, Montreal.
