BOROUGH COUNCIL MEETINGS

Council room

Borough Hall
13665, boulevard de Pierrefonds
Pierrefonds

91.5 FM

WEBCAST

ville.montreal.qc.ca/pierrefonds-roxboro

SEPTEMBER

Monday, September 12, at 7 p.m.

OCTOBER

Monday, October 3, at 7 p.m.

To ensure that the question period during
Borough Council meetings proceeds smoothly,
residents who wish to address council
members are asked to register with the
Borough Secretary before the meeting.

The Borough Secretary will be in the Council
room as of 6:45 p.m. to record your name
and address, and the nature of your question.
During the question period, you will be
asked to address your question to the
Mayor without preamble.

Note

No photographic cameras, movie cameras,
recorders and similar apparatuses, except
those used by the Secretary, may be used
without the Mayor's authorization
(By-law CA29 0046).

Dates for **Urban Planning Advisory Committee
meetings** will be announced on the borough's
electronic billboards and website.

CITY COUNCIL MEETINGS

Montréal City Hall

275, rue Notre-Dame Est
Monday, August 22, September 26 and
October 24, at 1 p.m.
Public question period starts at 7 p.m.

CITIZENS' SATURDAYS

Citizens' Saturdays are held monthly.
They are an ideal opportunity for
Pierrefonds-Roxboro residents to
meet elected officials and discuss
matters of importance to them in an
informal and friendly setting. The date,
the time and the name of the Councillor
will be announced on the electronic
billboards, the borough's website
and Twitter account, and via the
Borough's mailing list.

IMPORTANT NOTICE

**Municipal buildings will
be closed on**

**MONDAY SEPTEMBER 5
for Labour Day**

**MONDAY OCTOBER 10
for Thanksgiving.**

MESSAGE FROM THE MAYOR OF MONTRÉAL

To Ensure That Our Children Have Every Chance to Succeed

At this time of year, when many families are preparing for the start of another school year, it's a good time to talk about our children. Some weeks ago, I announced our brand new Policy on Children for Montréal in the presence of Pierrefonds-Roxboro borough Mayor, Mr. Dimitrios (Jim) Beis.

This policy is based on a simple, not to say obvious, principle: from birth to adulthood, each and every Montréal child must be able to grow, flourish and achieve their full potential.

It seems obvious, but for thousands of Montrealers living in low-income households, it's far from reality. Among children, poverty is often synonymous with food insecurity, development disorders and dropping out of school.

Our new Policy comes with an annual budget of \$5 M and the first measures will be deployed this fall in nine neighbourhoods, including the Cloverdale district in Pierrefonds-Roxboro. They are aimed at perseverance in school, healthy eating, and access to sports, recreation and cultural activities throughout the year.

Thanks to the support of partners such as the Breakfast Club of Canada - Quebec Region, the Fondation du Dr Julien, Sun Youth, the Société de transport de Montréal and several more, we will ensure that our children can develop both culturally and physically and have every chance of success. We will create a "child reflex" among all the players in municipal life.

This is the beginning of a strong social consortium, a unique strategy to assist our young people. Because investing time, resources and effort in our children is investing in our own future.

Dimitrios (Jim) Beis
Borough Mayor
Member of the Executive Committee
Responsible for Procurement, Sports and Recreation, and Communities of Diverse Origins

MESSAGE FROM THE BOROUGH MAYOR

A stimulating environment

The Child Policy will play a key role in the future of children of the Ville de Montréal. I am very pleased that in the Pierrefonds-Roxboro Borough we will be able to implement the initial measures of this policy for the children of our borough. The Child Policy establishes conditions to encourage the development and fulfillment of children. It is a pledge for the future!

With the approach of the school year, I ask motorists driving near schools to take a few extra minutes to get to their destination. Our borough has more than twenty primary and secondary schools. Every day, many children walk to get to school. The majority of the requests addressed to the Traffic and Road Safety Committee from citizens specifically concern the speed of motorists around schools and call for measures to compel drivers to slow down. Together we can make our borough safer, not only for our children but also for the citizens of Pierrefonds-Roxboro.

We continue to pursue the mission of the Strategic Plan 2015-2018, introduced on June 29, 2015. This mission encompasses urban heritage, sound management of sustainable development and optimization of borough resources, continuous improvement of services and quality of life for citizens. In terms of economic development, we are working to provide ourselves with the means to meet the demands of our corporate citizens and to promote the establishment of new businesses to better serve residents and create local jobs.

We also want to develop our neighborhoods to create even more space for outdoor games. We wish to offer a stimulating environment: meeting points for citizens of all ages, quality sports facilities and most definitely expansion of the bicycle path network. I am especially pleased with the work at Parkinson Park, a site where families will enjoy new trails, a court for tennis / pickleball (a happy blend of tennis and badminton), and a splash pad area that will certainly delight children. I am also very happy with the construction of a basketball court in Cloverdale, a project close to my heart. Youth will finally be able to play their favorite sport, safely and on a quality site.

In the coming months, I hope to galvanize the dynamism of the whole community, consolidating the sense of community in Pierrefonds-Roxboro. To highlight the cultural and environmental richness of Pierrefonds-Roxboro and to showcase the significant sites in our borough, this is the undertaking that I propose during the celebrations of Montréal's 375th anniversary.

I thank the residents who beautify our borough with their flower beds, a prime example of the pride of the citizens of Pierrefonds-Roxboro. Above all, do not hesitate to share your suggestions if you see me on your street during one of my daily rounds.

WALKING SAFELY!

On the Island of Montréal,
50% of all deaths due to road
accidents involve pedestrians
of all ages, meaning over
1,300 pedestrians are
hit by a vehicle. To reduce
the number of casualties,
we ask that all road users -
specifically motorists
and pedestrians, better
cooperate in sharing
the road.

Source: www.spvm.qc.ca

MOTORISTS: BE ALERT AT CROSSWALKS!

When the roadway is marked with symbols and signs indicating a pedestrian crossing, the driver must show caution and yield the road to pedestrians needing to cross. As well, when a pedestrian walks through a pedestrian crosswalk, the driver of a road vehicle must stop and allow him/her to cross.

PEDESTRIANS: THREE RULES TO SAFELY CROSS INTERSECTIONS WHERE THERE ARE PEDESTRIAN TRAFFIC LIGHTS.

Use the push button to call the pedestrian phase

The push button modifies the traffic light cycles by extending the time allocated for crossing. When the push button is activated, the crossing time lasts 24 seconds (white silhouette: 10 seconds, countdown timer: 14 seconds). If the button is not pushed, no time is allocated for crossing.

Cross when the white silhouette appears

The white silhouette authorizes pedestrians to cross the street carefully, after having check left and right.

The countdown timer indicates the time pedestrians have left to cross.

Do not cross on an orange hand

If the silhouette of the hand is flashing, do not attempt to cross. If you have already started to cross, you should hurry up.

Where there are only traffic lights, pedestrians have the right of way on the green light only.

NEW!

CODERED AUTOMATED CALL SYSTEM FOR EMERGENCIES

Like many cities in the province of Québec, the borough of Pierrefonds-Roxboro is now equipped with an automated call system that will quickly and effectively reach citizens in case of an emergency (for example: advisories to boil or do not use water, water main breaks, street closures).

We will be able to reach you quickly either by landline telephone, cellular phone, text messages or emails, but only if you record the information required to reach you in the database. For now, only the phone numbers listed in the white pages of the directory are recorded.

We encourage you to go promptly to the Borough's website to enter the number or numbers and email addresses to receive these notices in case of emergency. Click the CodeRed button to fill out the form.

REGISTER, IT'S IMPORTANT!

LIBRARIES

INFORMATION ABOUT ACTIVITIES

Important message

Please note that due to the construction of the new Pierrefonds Library and the relocation of the current library to the Pierrefonds Cultural Centre and East Community Centre, Pierrefonds Library activities will take place at the Pierrefonds Cultural Centre, the East Community Centre and the Roxboro Library. The location for each activity is specified; you can sign up for activities at the location where it will take place.

Access to activities

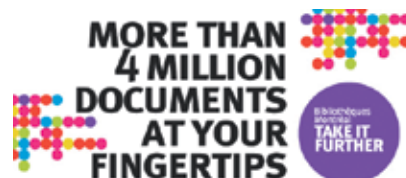

Resident and non-resident library members as well as all members of the Montréal Public Libraries Network are welcome to participate in Pierrefonds and Roxboro Public Libraries activities. However, in the event of high registration, priority will be given to Pierrefonds-Roxboro residents.

Cost of activities

All activities are free of charge unless stated otherwise.

Registration

Registration prior to the activity is required. Registration may be done by phone or in person.

and 25, November 1 and 8
East Community Centre, room 64**

A single registration is required for the whole session.

JOURNÉES DE LA CULTURE

LECTURE ON BLUES AND CLASSICAL MUSIC (IN FRENCH)

With Catherine Mathieu

Did you know there is a link between blues and classical music? Composers like Maurice Ravel and George Gershwin were inspired by classical music when composing some of their works. Focus on this music genre closely associated to B.B. King! This conference is linked to the tribute show to B.B. King that will be held on Sunday, October 2 at 2 p.m. at the Pierrefonds Cultural Centre.

**Thursday, September 29, at 7 p.m.
Pierrefonds Cultural Centre**

Registration required.

OCTOBER, UNIVERSAL ACCESSIBILITY MONTH

CAN YOU HEAR WELL? A CONFERENCE ON HEARING HEALTH

With Michel Nadeau, from *l'Association des devenus sourds et des malentendants du Québec*

Michel Nadeau will address the following elements during this presentation: types and definitions of deafness, prevalence, symptoms, behaviour, who to consult, augmentative devices (hearing aids), communication strategies, tinnitus, noise, services offered by your local rehabilitation centre.

**Wednesday, October 5, at 7 p.m.
Roxboro Library**

Registration required.

**OCTOBRE
MOIS DE L'ACCESSIBILITÉ UNIVERSELLE
DANS LES BIBLIOTHÈQUES DE MONTRÉAL**

FOLLOW THE LIGHT: DISPELLING MISCONCEPTIONS ABOUT AUTISM

With Lucila Guerrero

Lucila Guerrero will speak about her experience as a person with autism, artist and mother of a child with Asperger's Syndrome. She explains that autism is not a cause of suffering in her life—to the contrary—it is the lack of understanding that causes difficulties to her and to other autistic people, often due to information that is not completely accurate. Her mission is to inspire people to gain a better understanding of autistic persons by presenting a positive vision of these individuals and encouraging respect for their unique spirit.

**Sunday, October 9, at 1:30 p.m.
Pierrefonds Cultural Centre**

Registration required.

REGULAR ACTIVITIES FOR CHILDREN

SONGS AND RHYMES FOR BABIES

**For 0 to 18-month-old children
accompanied by an adult**

Help your baby discover songs, nursery rhymes and develop a love of books.

**Fall session starts the week of October 10.
At 9:40 a.m.

RECREATIONAL ACTIVITIES

ANIMATION

THE RUCHE D'ART UNITES WITH PIERREFONDS-ROXBORO'S RÉCRÉ-O-BUS

Open activities at the St-Anthony's gym with the Récré-O-Bus every Sunday, from 1:30 p.m. to 3:30 p.m., November 6 to December 11, and every Saturday and Sunday afternoon in the borough's parks.

Information: 514 624-1100

ville.montreal.qc.ca/pierrefonds-roxboro

What is the Récré-O-Bus?

A fully sports equipped minivan that visits the borough's parks to help children move and exercise and to give them the opportunity to learn new sports or activities.

What is the Ruche d'Art?

An arts and crafts trailer that visits the borough's parks in order to give children the opportunity to develop their creativity.

SCOUTS

122^E GROUPE SCOUT MARIE-REINE-DE-LA-PAIX (FRENCH)

Schedule

7-8-year-olds: Friday, from 7:15 to 8:45 p.m.

9-11-year-olds and 12-14-year-olds: Friday, from 7:15 to 9:15 p.m.

15-17-year-olds: Friday, from 7:30 to 9:30 p.m.

18-25-year-olds: To be determined

Cost: \$350 from September to June

+ summer camp (meetings, camps, outings)

Information: Johanne Gagnon: 514 884-6199 - johgag@hotmail.com
122groupescoutmrdlp.com

Information and registration session on August 26, from 7 to 9 p.m., at Marie-Reine-de-la Paix-Church, 11075, boulevard Gouin Ouest. Fun activities, survival skills and resourcefulness, songs, arts, camps, etc. Meeting every Friday to learn and exchange on different subject. Outings on some weekends; spring, summer, fall, winter camps.

HOLIDAY CAMP

PIERREFONDS DAY CAMPS INC.

Schedule: From December 27 to 30 and from January 3 to 6, from 8:30 a.m. to 4:30 p.m.

Daycare service available

Cost: \$30 to \$50 a day

Information: Lisa Mancini or Catherine Pazzi:

514 624-1430 - campjour@pierrefonds-roxboro.qc.ca
campspierrefonds.com

YOUTH STARS FOUNDATION

West Island winter camp

4-12-year-olds

Schedule: From December 26 to 30 and from January 2 to 6

Cost: \$25 per day

Location: Studio Danse H4L, 13950, boulevard Gouin Ouest

Information: 514 800-9746

info@youthstars.org - youthstars.org

SPRING BREAK CAMPS

PIERREFONDS DAY CAMPS INC.

Schedule: From March 6 to 10

Cost: \$175 per week or \$40 per day

Information: Lisa Mancini or Catherine Pazzi: 514 624-1430

campjour@pierrefondsroxboro.qc.ca - campspierrefonds.com

Day camps for 5-12-year-olds.

Two locations to serve you better: Roxboro Chalet and Grier Chalet Activities, sports and outings are offered every day!

GIRL GUIDES OF CANADA

GIRL GUIDES OF CANADA - NORTHSHORE DISTRICT

Schedule: Varies according to age

Cost: \$140 + cost of uniform

Financial assistance available.

Information: Laura Litvack: 514 883-9565

Ggc.northshoredistrict@gmail.com - girlguides.ca

Girl Guides of Canada enable girls to be confident, resourceful and courageous, and to make a difference in the world.

GIRL GUIDES OF CANADA - RIVERDALE DISTRICT

Schedule: Monday evening: Sparks (5-6-year-olds),

Brownies (7-8-year-olds) and Guides (9-11-year-olds)

Location: West Community Centre, 17750, rue Meloche

Cost: \$135 + cost of uniform

Financial assistance available.

Information: riverdale@guidesquebec.ca - girlguides.ca

OPTIMIST CLUB

Roxboro Optimist Club

Location: Roxboro Chalet

Schedule: Wednesday, from 7 to 10 p.m.

Information: cluboptimisteroxboro.org

Youth Appreciation, Food Drive, Puzzle, the coat makes the winter, Chess tournament, One child/one apple, school bags

RECREATIONAL ACTIVITIES

CHESS

CHESS'N MATH ASSOCIATION

Cost: \$110 for 8 weeks or \$15 per individual course. Online registration on echechs.org (under the Clubs tab)

Schedule: Sunday, from 1:30 to 3 p.m., from October 23 to December 11

Information: Virginie Roux:

514 845-8352, ext. 21
admin@echechs.org - echechs.org

The focus is set on logical thinking. Children 5-14-year-olds will learn chess strategies and then apply them into practice. They will also learn how to resolve a problem logically. A fun way to improve their thinking skills! This program provides a challenge to players of all skill levels.

The Chess'n Math Association, a non-profit organization founded in 1985, is Canada's National Scholastic Chess Organization. The association is dedicated to bringing the game of chess to children and provides lessons for 5-14-year-old students. Studies show that children who learn chess show rapid improvements in mathematics, reading, spatial awareness, visualization and much more. We offer a 9-level program recognized by the Chess Federation of Canada, tailored for beginner to advanced students and our small class sizes allow for quality instruction. Certificates indicating the level achieved are awarded at the end of each course, and the best part is children learn through play.

L'AUT'GANG SPORT

ACTION JEUNESSE DE L'OUEST-DE-L'ÎLE

Schedule: Visit the association's website

Cost: Free!

Information: 514 675-4450 - ajoi.info

These activities supplement the services offered on the territory. They are available throughout the year to allow youth to engage in sports and other cultural features such as hip-hop dancing, music or urban art. These programs are adapted to the needs and realities of the borough's youth.

AIR CADETS

The Cadet Program gives 12-18-year-olds the opportunity to develop their leadership skills, increase their physical fitness and make new friends while enjoying a variety of interesting and challenging activities.

803 NORTH SHORE SABRE SQUADRON

Schedule: Mandatory training every Tuesday, from 6:30 to 9:30 p.m.

Optional activities on Thursday and Saturday

From September to May

Location: Riverdale High School cafeteria (corner boulevards des Sources and Gouin Ouest)

Cost: Free! Only your efforts are required!

Information: 514 421-0803 - info@803squadron.com
803squadron.com

830 SQUADRON

Schedule: Mandatory training on Friday, from 6:30 to 9:30 p.m.

Optional activities on Monday, Wednesday, Saturday and Sunday, from 9 a.m. to 5 p.m.

Open house event on Friday, September 9

Location: St-Anthony School

Cost: Free! Only your efforts are required!

Information: 514 626-1830 - escadron830.com

HORTICULTURE, ECOLOGY AND ORNITHOLOGY

HORTICULTURE AND ECOLOGY SOCIETY OF PIERREFONDS (in French)

Schedule: Lectures every second Wednesday of each month, September through May, from 7:30 to 10 p.m. including snack breaks and prize draws.

Cost: \$20 per person, \$34 per couple for the September to August session, \$5 per lecture for non-members, Pierrefonds-Roxboro residents or non-residents.

Information: 514 624-1671 (voicemail) - shep.fsheq.org

The Society provides information and advice, and transfers knowledge in horticulture, ecology and ornithology. It contributes in collaboration with competent authorities, to protect, develop and beautify our environment and to improve the quality of life.

September 14: Find the harmony in your garden. Julie Boudreau

October 12: Are you biophile? Marie-Eve André

November 9: Garden makeover. Louis St-Hilaire

December 14: Hellebores, queens of the garden. Denis Bernard

January 11: Gardening on your balcony. Gabriel and Julien Pinard

February 8: Native trees and shrubs for Montréal gardens. Bertrand Dumont

March 8: Biodiversity and the birds. Jean Léveillé

April 12: Gardening perfumes. Normand Fleury

May 10: Intimacy and gardens. Marie-Odile Lebeau

RECREATIONAL ACTIVITIES

HEALTH AND WELL-BEING

TAI CHI, MOVING MEDITATION

Tuesday, 7 to 8:30 p.m., from September 27 to November 30

QI GONG, MINDFULNESS MEDITATION

Wednesday, from 9:30 to 11 a.m., and Thursday, from 7 to 8:30 p.m., from September 28 to December 1

Location: Roxboro Chalet

Cost: \$165 + taxes

Information: Luce Desgagné: 514 901-1845

OPEN ACTIVITIES

OPEN FAMILY GAMES

Schedule: Every Saturday, from 3 to 6 p.m., from September 10 to October 29

For children under 12 years of age

Parental presence is mandatory

Location: Pierrefonds Comprehensive High School

13800, boulevard de Pierrefonds

Cost: Free

PICKLE BALL

Schedule: Saturday, from 3 to 6 p.m. and Thursday, from 6 to 8 p.m., from September 8 until the end of May

Location: Pierrefonds Comprehensive High School

13800, boulevard de Pierrefonds

Cost: Free

ON OCTOBER 2, COME BIKE, WALK AND HAVE FUN WITH US! TAKE PART IN THE SECOND CYCLOVIA EVENT IN PIERREFONDS-ROXBORO!

The Borough of Pierrefonds-Roxboro invites you to get involved in the second Cyclovía event that will take place in the borough next October 2 as part as the Intercultural Day festivities. Check out our website and our mailing list soon for more details on this event.

First launched in Bogota, Colombia, the concept of Cyclovía has gradually spread to several North American cities and is now coming to us. The Ville de Montréal has adopted the Programme de soutien aux initiatives locales for implementing Cyclovías in Montréal. Pierrefonds-Roxboro hosted its first Cyclovía during the Canada Day Festivities last July 1.

The concept of Cyclovía is to close streets to vehicular traffic for a few hours to allow cyclists, pedestrians, skaters, skateboarders or even children on a kick sled to take full advantage of the street in a festive, safe family atmosphere. By doing so, Cyclovía promotes active transportation and physical activity among citizens.

By transforming, for a time, some streets into public spaces amenable to cyclists, pedestrians and runners, Cyclovía is intended to be a unifying and accessible event, creating a meeting place conducive to sharing neighbourhood identities.

JOIN THE CYCLOVIA PARTY ON OCTOBER 2!

SAT/SUN.	Household Hazardous Waste Collection. See page 24 for hours and locations.

GREEN WASTE COLLECTION

The green waste and dead leaf collection will take place every **Wednesday**, from May 4 to November 23 in the sectors located East of Yuile Park and West of boulevard des Sources, where the organic waste collection has not yet been implemented.

Residents of the sectors where the organic waste collection is in place must place their green waste in the brown bin designated for this collection on the collection day in their sector. Green waste surplus and dead leaves may be deposited outside the brown bin providing they are placed in a proper container.

Accepted Containers

The only containers accepted are paper bags, unwaxed cardboard (kraft) boxes and other rigid reusable containers. **Plastic bags are not allowed for the green waste collection neither for the organic waste collection, either inside or outside the brown bin.**

Accepted waste

Horticultural waste, leaves, grass and remnants from domestic gardening.

Evergreen Small Branches

Small branches of **evergreens** (cedar, fir, pine, spruce, etc.), **no more than 1 meter long and 5 centimetres in diameter, tied in bundles are accepted in the green waste collection on the dates indicated in the calendar. Outside of this period, these branches will be allowed in the garbage collection.**

Refused waste

Food leftovers (allowed only in the brown bin), earth, stones, litter and feces, as well as **evergreen branches longer than 1 meter or whose diameter exceeds 5 cm or branches of deciduous trees** (maple, ash, oak, poplar, etc.). For more information, please see page 24.

NOTES

Recyclables

Dates in this table apply to residential sectors and schools. There is no collection of recyclables in businesses and industries.

Garbage

For buildings of 9 units or more, schools and businesses, the collection is carried out twice a week, on Monday and Thursday.

Organic Waste

The collection takes place in the sectors where the first phase has been implemented last spring.

Hours

Containers must be placed at the curb, after 8 p.m. the night before and no later than 7 a.m. the day of pick-up.

COLLECTIONS

BRANCH COLLECTION AS PART OF THE EMERALD ASH BORER CONTROL PLAN

Please do not put branches of deciduous trees (maple, ash, oak, poplar, etc.) and evergreen branches whose length exceeds 1 meter or diameter exceeds 5 cm in the green waste, organic waste or garbage containers. These branches will be picked up separately.

Garden maintenance done by the citizen

The borough offers a free collection service of branches resulting from regular garden maintenance done by the citizen. In this case, branches must be placed with the larger ends toward the street and the leaves toward the property.

No need to call 311.

Borough teams drive around the whole territory to carry out a systematic collection.

Delay

Depending on weather conditions, a period of six weeks is to be expected once the branches are placed along the street.

Deadline

Friday, October 28, 2016

ATTENTION:

TREE FELLING AND MAINTENANCE PERFORMED BY A CONTRACTOR

The contractor is responsible for the management of branches and trunks of trees he fells or maintains.

CONSTRUCTION AND RENOVATION SCRAP MATERIALS

If you wish to dispose of such materials (restricted to wood, plaster, rubble, stone, concrete, asphalt shingles and metal):

- call the Citizen's Office at 311;
- a borough representative will visit you and provide a cost estimate for the pick-up;
- pay the amount of the estimate at the Borough Hall (\$30 service charge and a fee of \$53 per square metre).

Refuse must be placed on the pavement in front of your property on a surface that does not exceed one metre deep nor block a catch basin. The deadline for pick-ups of scrap materials is the last Friday in October. This service is not available during the winter months.

RECYCLING BINS

New property

A new resident of a newly constructed single-family home or of a building of 8 apartments or less can obtain, free of charge, a recycling bin in the period of one year following his or her move. To obtain a recycle bin, please call 311.

Moving

The recycling bin is owned by the Ville de Montréal. If you move, the recycling container must stay at its original address.

NOTE: Every recycling bin's serial number is registered and is attached to a specific address.

RECYCLABLES: HOW TO POSITION THE RECYCLABLE MATERIALS BIN FOR COLLECTION?

Recyclable bin collection is mechanized and, therefore, the following instructions should be respected:

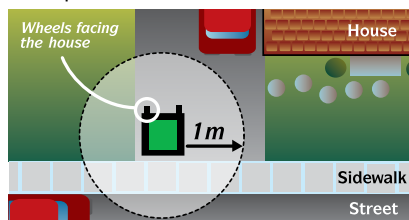

Image courtesy of the Borough of Saint-Laurent

- place all accepted recyclable materials loose in the bin. Help us keep the streets clean on collection day, make sure the container lid is closed and that it does not overflow;
- place the bin at the curb the evening before collection after 8 p.m. or on collection day before 7 a.m.;
- the bin should be placed on your property, wheels and handle on the side of your house. Never place the bin on the sidewalk or street;
- place the bin at 15-30 cm (6-12 inches) from the curb or sidewalk;
- leave a clearance of at least 1 m (3 ft) around the container;
- the recycling bin should be easily visible and accessible to the operator at all times.

MISPLACED BINS WILL NOT BE EMPTIED.

HOUSEHOLD HAZARDOUS WASTE (HHW) COLLECTION

Ville de Montréal Ecocentres allow you to dispose of your household hazardous waste any time free of charge. A proof of residence and a photo identification card are required to access the Ecocentres. To find out where is located the closest Ecocentre, see: ville.montreal.qc.ca/ecocentres. ☎ 514 872-0384.

COLLECTION OF ELECTRONIC PRODUCTS

Until December 31, 2016, residents may dispose of electronic products that have become obsolete or unnecessary at the Éco-quartier Pierrefonds-Roxboro, during opening hours.

The Borough of Pierrefonds-Roxboro is partnering once again this year with the Electronics Products Recycling Association (EPRA-Québec) to offer collection of electronic products at mobile HHW collections.

On **Saturday, September 24** and **Sunday, September 25**, residents can go to the fire station in Pierrefonds-Roxboro, at 13795 boulevard Pierrefonds and dispose of their electronic products in addition to household hazardous waste, free of charge. For a complete list of products accepted at these collections, see: recyclemerselectroniques.ca/qc.

HHW COLLECTION SCHEDULE IN THE WEST ISLAND

Day and time

Saturdays and Sundays, from 9 a.m. to 5 p.m.

Sunday, September 11

Baie-d'Urfé

451, boulevard Saint-Jean
(via avenue Civic Centre)

Saturday, October 8

L'Île-Bizard-Sainte-Geneviève

Socio-cultural Centre
490, montée de l'Église

NEW

GARAGE SALES: OBTAINING A PERMIT IS REQUIRED IN ROXBORO AS WELL AS IN PIERREFONDS!

Only objects that have been used or were acquired to be used for domestic purposes by the occupants of the home or building can be sold during a garage sale after obtaining the proper permit.

The obligation to obtain this permit applies in Roxboro as in Pierrefonds.

Garage sale permits are valid for two consecutive days. No more than two permits can be issued per calendar year for the same address. Sales can take place only between 9 a.m. and 5 p.m.

Permits can be obtained, free of charge, by filling out an application form at the Citizen's Office at the Borough Hall, 13665, boulevard de Pierrefonds.

RULES FOR POSTING SIGNS

- Four signs will be handed out to the applicant;
- Only these signs are allowed for use;
- Signs must be removed in the 24 hours following the garage sale.

Permit holders must respect traffic by-laws, particularly those relating to street parking, and must also follow the borough's instructions on posting garage sale signs. Anyone contravening the provisions of by-law no CA29 0082 is liable to a fine.

TREE TOPPING AND SEVERING IS PROHIBITED

Municipal by-law CA29 0040 contains provisions to protect trees against practices that affect their survival. Accordingly, this regulation prohibits the severe pruning of the crowns of trees and the

removal of an important part of the roots. Therefore, the removal of more than 50% of the crown or of the roots is considered as an illegal logging and is liable to a \$500 fine to which an amount of \$100 may be added for each tree logged.

REMINDER

Tree topping consists of pruning all branches of a tree at the same height, often near the trunk, in order to limit the growth of a tree already considered too large. This practice is known to be the most damaging since it increases the risk of breakage (development of cavities, decay) and it results in trees becoming more dangerous than they were previously. Topping is not a solution to reduce the size of your trees. Other better suited practices exist. Entrust the work to a qualified arborist, member of a professional organization such as the International Society of Arboriculture of Quebec: siaq.org

BY-LAW TO FIGHT THE SPREAD OF THE EMERALD ASH BORER: RULES FOR TRANSPORTING AND DISPOSING OF ASH WOOD

The transportation of ash wood through human activity is the biggest cause of the emerald ash borer's spread in North America. The emerald ash borer can emerge from cut logs and branches up to three years after a tree is felled! So it is important to know when ash wood can be transported and how to dispose of it to prevent the propagation of ash borer.

If you have only a few branches with a diameter of less than 20 cm, you can place them on the curb and call 311 to have the borough pick them up. Please note that this service is offered up to Friday, October 28, inclusive (see page 24 for details).

BETWEEN APRIL 15 AND SEPTEMBER 15

- You **must not move** your ash wood from the site of pruning or felling, unless it has been shredded to destroy the ash borer.
- Your ash wood can be stored on-site until it can be moved to a transformation-site **beginning September 15**.
- Beginning September 15, you have **21 days** to shred your ash wood on-site or take it to an institution or organization that can transform it appropriately to prevent propagation of the ash borer.
- If you are the owner of a woodland with 25 or more ash trees that measure 1.4 m or higher from the ground and have a diameter of 15 cm or more, you have **60 days** beginning September 15 to transform your ash wood on-site or take it to an institution or organization that

can transform it appropriately to prevent propagation of the ash borer.

BETWEEN SEPTEMBER 15 AND APRIL 15

- You **may move** your ash wood, transformed or not, from the site of pruning or felling.
- You have **21 days** following the felling or the trimming to shred your ash wood on-site or take it to an institution or organization that can transform it appropriately to prevent propagation of the ash borer.
- If you are the owner of a woodland with 25 or more ash trees that measure 1.4 m or higher from the ground and have a diameter of 15 cm or more, you have **60 days** from the felling or trimming of these ash trees to transform the ash wood on-site or take it to an institution or organization that can transform it appropriately to prevent propagation of the ash borer.

TRANSFORMATION TECHNIQUES THAT ARE COMPLIANT WITH THE BY-LAW

Any ash wood transformation technique that completely destroys the ash borer or the parts of wood in which the insect can hide: shredding into chips no longer than 2.5 cm on at least two sides, drying, grinding, fumigation or sawmilling that includes shredding of the parts with bark.

For more information, visit : ville.montreal.qc.ca/agrire

BY-LAWS

TREE FELLING

A certificate of authorization is required for felling a tree when the trunk of the tree has a diameter of at least 10 cm at 1.3 m from the ground or a diameter of at least 15 cm at a maximum of 15 cm from the ground. This certificate is issued in any of the following situations:

- the tree is dead or in a state of irreversible decline.
- The tree must, upon recommendation of a tree expert, be felled due to an irreversible situation caused by a disease, a structural deficiency affecting its strength or serious damage that it causes to a property.
- The tree is located in the area of a proposed construction or more than 3 m of it unless there is a sign, an accessory building or a proposed retaining wall. However, a tree located between 3 m and 5 m from the area of the proposed construction may be felled if replaced.
- The tree is located in the area of implementation of a swimming pool or in the front yard, in the area of implementation of a parking lot or a driveway to a building, only if no space is available for such arrangements elsewhere on the ground.
- The tree must be felled because of the risk of spreading disease or invasive alien species. In this case, it must be replaced.
- The tree must be cut down in order to develop, in the shore of a body of water, a 5-metre-wide opening giving access to it, when the slope of this shore is less than 30%.

IMPORTANT

During excavation, construction and landscaping work, neighbouring trees must be protected. When necessary, the cutting down of trees should be limited to the perimeter of the main construction, including a band with a maximum depth of 3 m excluding accessory buildings.

BY-LAW CONCERNING SOLID-FUEL-BURNING STOVES AND FIREPLACES

In 2015, Montréal adopted the **By-law concerning solid-fuel-burning stoves and fireplaces**. This by-law applies in all 19 boroughs and consists of:

- Prohibiting the use of solid-fuel-burning devices during smog warnings, effective immediately.
- As of October 1, 2018, prohibiting the use of solid-fuel-burning devices, unless they are recognized by the EPA (Environmental Protection Agency) as emitting no more than 2.5 g/hr of fine particles into the atmosphere.
- Authorizing the use of all solid-fuel-burning devices, whether they are in conformity or not, during electricity outages that last more than three hours.

WHAT IS A SOLID-FUEL-BURNING DEVICE?

Solid-fuel-burning devices include stoves, furnaces, heaters, and prefabricated or conventional fireplaces, designed to burn wood logs or other solid materials such as ecological logs, pellets or coal. Gas and electric fireplaces are not solid-fuel-burning devices.

CHIMNEY SWEEPING

Chimney sweeping and the cost incurred are the homeowner's responsibility. To prevent fires, have your chimneys inspected and cleaned at least once a year.

Always call upon a professional chimney sweeper. For your own protection as well as his, insist on seeing his or her Professional Qualification Certificate and proof of insurance.

THE GREEN (LINE)

WHY HIRE AN ARBORIST?

Like all maintenance works around the house, tree maintenance is required to preserve their health and strength.

Tree care can be dangerous work, whether for the safety of people or for the tree's health. Therefore, it is advised to hire a qualified arborist. However, how can you tell if an arborist is qualified?

First, the arborist must be knowledgeable about the needs of trees and trained to provide proper care. Poorly maintained trees can become dangerous. A good arborist will determine the type of pruning necessary to maintain or improve the health, appearance and safety of trees. Furthermore, he will be able to correct or secure the structure of a tree to reduce the likelihood of future damage during storm events. He will recommend tree removal as a last resort only.

Québec's International Society of arboriculture (SIAQ) suggests some criteria to consider when choosing an arborist:

- Check for membership in professional organizations.
- Ask for a proof of insurance for personal and property damage as well as insurance for workers (CNESST). Otherwise, you could be liable for damage or injuries that occur during the work.
- Ask for references and consult the SIAQ website to know more about arborists' reputation.
- Be aware of individuals who go door-to-door and offer bargains or work without bills.
- Get a written quote that includes the description of the work to be done, wood management and cleanup of the site.
- Get more than one estimate to compare quality/price rate.

To know more about arboriculture basics and to find an arborist, consult the website siaq.org (French only) or isa-arbor.com.

MANAGING GREEN SPACES ECOLOGICALLY

Rooting out myths about urban trees

Do you think that the tree in front of your property is so large that its roots could actually eat into and block your drain pipes? Do you think that its root system could crack your foundations? Here are good examples of well rooted myths. Read on and you can be the one to reassure your most sceptical neighbours.

Although roots may be found in the cracks of a drain pipe or foundation, they are not to blame. Ageing infrastructures with their limited service life can cause cracks to appear as a result of soil contraction or expansion. Technical defects may then accelerate ageing and cause even more damage. Roots develop in cracks where they can find the nutrients to develop. Roots are not strong enough to cause cracks in concrete, or make them larger. They simply make use of the space available, which increases over time. Roots that grow in drain pipes or foundations are a sign that maintenance or repair is required. Trees are not to blame.

DID YOU KNOW THAT ONE TREE:

- produces the daily oxygen requirement of four persons?
- can trap 7,000 airborne particles per litre of filtered air?
- growing near a house, can reduce the need for air conditioning by 30%?
- in a residential area, can increase the value of a property by more than 18%?

For more information, please visit ville.montreal.qc.ca/jardinernaturellement

For more information concerning the Emerald Ash Borer, the by-law, the risk areas, the related obligations and the available funding, please visit our website at ville.montreal.qc.ca/agrile.

THURSDAY: 1 p.m. to 6 p.m.

FRIDAY AND SATURDAY: 9 a.m. to 3 p.m.

SUNDAY, MONDAY AND TUESDAY: Closed

END OF ELECTRONIC WASTE COLLECTION AT THE ÉCO-QUARTIER AS OF JANUARY 2017

The Éco-quartier Pierrefonds-Roxboro will stop accepting electronic devices such as televisions, computers, radios, toasters, vacuum cleaners, drills, cameras and cell phones, etc. in January 2017. The citizens of Pierrefonds-Roxboro now have a new Ecocentre nearby, located in Saint-Laurent, which will accept all of these objects, and more. However, the Éco-quartier will continue to accept light bulbs, batteries and ink cartridges.

A TREE FOR MY NEIGHBOURHOOD: PLANTING TREES TO INCREASE MONTREAL'S CANOPY (FALL EDITION)

Last spring, the Éco-quartier sold 100 indigenous trees with a height of 1.75 m or more as part of the *A Tree For My Neighbourhood* campaign. This program is in partnership with the Ville de Montréal, the Regroupement des Éco-quartiers and the Société de verdissement du Montréal métropolitain (SOVERDI).

Once again this year, the program is back for the fall season. Contact us before October 4, to reserve your tree(s) at a great price. or visit the following website to make your purchase directly online: unarbrepourmonquartier.org.

There are options available to have the tree delivered to your door and to have it planted for you, at extra cost.

Renaissance Donation Centres in Pierrefonds

(14891, boulevard de Pierrefonds, 514 696-4961) and **des sources** (4917, boulevard des Sources, 514 684-7691) will continue to accept these electronics as well as microwaves, furniture and used clothing.

Located at 3535, rue Sartelon, the **Ecocentre Saint-Laurent** started operating in June. It is better equipped than the Éco-quartier for the collection of electronics, household hazardous waste and other reusable materials.

The Ecocentre Saint-Laurent also accepts other materials such as refrigeration appliances, large appliances, recyclables, metal, tires, electronics, construction waste, hazardous household waste and green waste. To learn more on Montréal ecocentres, visit: ville.montreal.qc.ca/ecocentres.

NEWS FROM OUR REGIONAL ORGANIZATIONS

National Bank Duck Race!

The Lakeshore General Hospital Foundation invites you to participate enthusiastically in the 20th edition of the National Bank Duck Race, which will be held Saturday, September 17, 2016, as part of the Naturellement, Sainte-Anne event. The first ducks to cross the finish line will win one of many fabulous prizes. Funds raised at this family and festive activity will go to improving health care in the West Island community.

For more information visit fondationlakeshore.ca or follow us on Facebook.
