HUNGARIANS STILL FIGHTING

Britain, France To Leave Egypt "Without Delay"

LONDON — (P) — Foreign Secretary Selwyn Lloyd said today Britain and France have decided they now can withdraw their forces from Egypt "without delay."

Lloyd told a tense session of the House of Commons that the two governments "have instructed the allied commander in chief, Gen. Sir Charles Keightley, to seek agreement with the United Nations commander, Gen. E. L. M. Burns, on a timetable for the complete withdrawal, taking account of the military and practical problems involved."

He said: "The French and British governments have come to the conclusion that withdrawal of their forces in the Port Said area can now be carried out without delay."

Lloyd said amid Opposition jeers: "Given good faith on all sides it (the withdrawal) can be carried out in a short time."

Lloyd said UN Secretary-General Dag Hammarskjöld will promote negotiations as quickly as possible on three matters:

1. The six requirements set out in the UN Security Council resolution of Oct. 13 which would keep the Suez Canal out of national and international politics.
2. Talks in New York between Hammarskjöld, Lloyd himself, French Foreign Minister Christian Pineau and Egyptian Foreign Minister Mahmoud Fawzi. Lloyd did not elaborate.
3. Hammarskjöld's proposed basis for negotiating a new regime for the Suez Canal based on the six requirements of the Oct. 13 resolution.

World News In Brief

OTTAWA. — (P) — Transport Minister Marler said Sunday the federal government has decided to install an \$8,000,000 radar chain across Canada to ensure greater safety for civilian aircraft.

Mr. Marler said the government will set up radar stations at 15 major airports across Canada, covering the country's airways from the Atlantic to the Pacific. Mr. Marler made the announcement in a speech to the University of Ottawa Society of Conferences.

LONDON. — (P) — A new night club named "Winstons" has opened directly across the street from another nitery called "Churchills." The manager of "Winstons" is a former partner of "Churchills."

Is Sir Winston Churchill aware of the club's existence — and their names? "Yes," said one of Sir Winston's secretaries when asked about it, "and he's not amused."

NEW YORK. — (P) — A home-made bomb exploded with a burst of flame and smoke in a crowded Brooklyn movie theatre Sunday night during a showing of War and Peace. Six persons were injured. Police said the bomb appeared to be the work of the

same "mad bomber" who has planted more than 25 other explosives in New York public places since 1940.

LONDON. — (Reuters) — Russia Saturday denied reports she is negotiating the sale of oil to France and Britain.

The denial, broadcast by Moscow Radio, came less than 24 hours after the French government announced it had accepted in principle a Soviet offer of increased oil deliveries in the next three years.

LONDON. — (P) — The mass circulation Daily Mirror, which has bitterly opposed British intervention in Egypt, Saturday announced an essay contest on the question of what course the nation should take on the issue now.

The prize: Three weeks in Jamaica, where Prime Minister Sir Anthony Eden is resting from severe overstrain.

OTTAWA. — (P) — Representatives of the Canadian Hungarian Federation Sunday called on Canadian cabinet ministers to ask that Canada demand replacement of the present Hungarian delegation in the United Nations by representatives of the "free Hungarian nation." The delegation also expressed thanks for Canada's quick and humane action to relieve Hungarian suffering.

Tilt!! — Provincial Police constables load pinball and slot machines into a truck during last weekend's cleanup that covered establishments in Sherbrooke, Lennoxville, Cookshire, East Angus, Bromptonville, Deauville, Rock Forest, Magog and Orford. The raids netted about 100 machines, valued at \$100,000. Seventy constables participated in the raids under the direction of Lt. Auclair and Lt. Jobin, both of Quebec City. (Photo by Breton Studio)

Eden Regime In Jeopardy

LONDON. — (P) — Prime Minister Eden's government, hard-pressed by critics of its Middle-East policy, today opened a fateful week in Parliament. With Eden recuperating in Jamaica from the strain of recent events — but keeping in direct touch with London — it was left to Foreign Secretary Selwyn Lloyd to tell the House of Commons in a speech today that British and French forces are pulling out of the Suez Canal zone. There is a chance — but only

a chance — that a revolt among his own parliamentary followers at that crucial point could turn the vote against Eden and force him to resign.

But it is considered more likely that distasteful as the government's policy might be to some right-wing Conservatives, enough of the die-hards will close ranks behind the prime minister rather than risk defeat by the Opposition Labor party in the general election that would have to be called.

Estimates of the numbers of Conservatives who might abstain from supporting the government unless satisfied with Lloyd's explanation of terms and timing for the British-French "phased withdrawal" from Egypt ranged today up to 40.

The government has an overall majority in the Commons of 57 at the moment.

The Conservative rebels looked to Lloyd for assurance on four main points:

1. That the UN will let British and French salvage experts help clean up the blocked Suez Canal whether Egypt likes it or not.
2. That the reopened canal will be open to all shipping without discrimination, including that of Britain, France and Israel.
3. That the UN will sponsor a settlement of the canal controversy which will ensure that sole control is not held by Egypt.
4. That the UN police force is big enough and strong enough to keep the peace after the French and British troops get out.

United Nations troops today took over responsibility for one-quarter of the city of Port Said, sending out patrols of Danish and Norwegian troops in blue UN helmets. UN troops later will take over full responsibility for the internal security of the city.

A unit of Colombian troops assigned to the new UN force was scheduled to arrive in Port Said later today. This would form part of the second battalion of UN troops which Lt. Gen. Sir Hugh Stockwell has demanded as a precaution to maintain internal security here before his Anglo-French forces can withdraw.

And another company of Danish troops was reported en route to Port Said to reinforce the combined Danish-Norwegian battalion already encamped here.

Unconquered Remnants Still Battling Russians

VIENNA. — (P) — Bands of Hungarian freedom fighters, well armed and striking by night, are reported still inflicting heavy casualties on Soviet forces in southern Hungary.

Reports reaching here from Budapest say these unconquered remnants of the anti-Soviet revolt are centred in the heavily wooded regions around Pecs, site of Hungary's uranium mines.

From their forest hideouts the guerrillas, particularly in Mecsek mountains and around Lake Balaton, are said to be attacking the Russian units nightly. The Russians are reported to have assigned one of their most energetic commanders to the region to track down the holdout insurgents.

Telephone connections between Budapest and Pecs were unaccountably broken today, and one report said the Russians had seized the line for their own use.

Budapest radio, controlled by Premier Janos Kadar's Soviet-supported government, has acknowledged that "almost 100,000 Hungarians have left the country for Austria." The number who have fled to Austria since Oct. 28 actually totals nearly 110,000.

The radio tried to paint a grim picture of the refugees in Austria, describing them as living in pitiable conditions in concentration camps surrounded by barbed wire.

The Intergovernmental Committee for European Migration has moved about 35,000 refugees from Austria to other countries farther west.

Hungary's peasants are reported taking advantage of the chaos still prevailing to divide up the collectives into individual farms and appropriate the necessary equipment and livestock to operate them.

An authoritative source in Budapest said today that Imre Nagy, premier for a brief period during the revolt, is at Sinai, a former vacation resort for Romanian royalty 30 miles from Bucharest. Nagy and a group of his supporters left their asylum in the Yugoslav embassy in Budapest Nov. 23.

Yugoslavia claims the Russians kidnapped them: the Kadar regime says they went to Romania voluntarily.

Moscow radio broadcast a claim by the Soviet Communist party newspaper Pravda that Gen. Pal Maleter, leader of the revolt, had planned to set up a military dictatorship with Cardinal Mindszenty as premier. Maleter, defence minister under Nagy, was reported arrested by the Russians when he went to negotiate with them.

Ike, Dulles Optimistic

AUGUSTA, Ga. — (P) — President Eisenhower and State Secretary Dulles believe prospects for peace in the Middle East are "reasonably good."

Dulles, returning to the job after a month's convalescence from intestinal surgery, put it that way at the conclusion of a two-hour review of the general international picture with the president here Sunday.

"Certainly I think anybody must be indeed far gone in pessimism if he thinks the danger of war in the area today is as great as it was a month ago," Dulles told a press conference.

But both Dulles and Eisenhower believe steps are necessary to bolster the North Atlantic alliance which they agree has been strained as a result of differences between the United States and Britain and France in the Middle East crisis.

"The president," said Dulles in a statement Eisenhower approved, "is particularly concerned with the strains and dangers that flow from persistent disregard by international communism of the principles and pleas of the United Nations."

In each of the refugee camps he visited, scores of Hungarians pressed around the Canadian party asking what were the chances of getting to Canada.

Today Pickersgill was to meet Interior Minister Oscar Hermer and other Austrian officials and officials of the inter-governmental committee for European migration, the group which will handle arrangements for the transportation of more refugees to Canada.

Later Pickersgill leaves by train for Bonn to discuss refugee problems with West German officials. He also is to visit The Hague, Brussels and Paris.

In a brief speech Sunday to the group of men headed for Canada, Pickersgill said some of them would probably find work "right away" but they should not worry if they do not locate jobs immediately.

"The most important thing is for you to start to learn to speak English or French as soon as you arrive," he advised them.

At a military barracks which has been turned over to refugees, Pickersgill saw a large storeroom piled high with flour

Seek New UN Decision On Hungarian Stall

BULLETIN

UNITED NATIONS, N.Y. — (P) — The Hungarian government today accepted the offer of Secretary-General Dag Hammarskjöld to visit Budapest but specified that the visit should be "at a later date appropriate for both parties."

UNITED NATIONS, N.Y. — (P) — The United States and 13 other countries pressed today for a new United Nations assembly decision seeking an end to what they assailed as Hungarian and Russian stalling tactics.

The General Assembly was called to meet this morning to deal with a resolution reported to demand once more that Hungary admit UN observers to investigate the situation there.

The assembly has approved four resolutions on Hungary since Nov. 4, but the Soviet-installed regime in Budapest has ignored them all. The resolutions included assembly calls for admission of observers, withdrawal of Soviet troops and establishment of a UN relief organization in Hungary.

Budapest also has not given a definite answer to Secretary-General Dag Hammarskjöld's plea to be permitted to initiate the UN relief work.

Some leading Western delegates to the assembly already are showing their anger privately at the persistent refusal of the Red Hungarians, backed by their Soviet allies, to permit UN representatives to cross their border.

These delegates assert privately that the Hungarians and the Russians must be holding up their replies to Hammarskjöld in the hope that before outsiders get in, they can clean up evidence of the rebellion and the drastic measures used to crush it.

Nehru Raps Hungary And Russia

NEW DELHI. — (P) — India's Prime Minister Nehru sharply criticized Hungarian and Soviet authorities today for refusing to allow United Nations observers and Secretary-General Dag Hammarskjöld to visit Budapest.

"The natural inference is that people will begin to think charges of deportations of Hungarians to the Soviet Union are true, or partly true," Nehru said as he opened a foreign affairs debate in Parliament.

Nehru said he hesitated to believe the reports of deportations, but he could not help telling the House of this "inference."

The Indian leader also condemned the reported arrest of the former Hungarian premier, Imre Nagy, saying it was "a serious matter."

Nehru's words were about as sharp as any he has directed toward the Soviet Union, and it was the first time he has mentioned either the Red attitude toward UN observers or the arrest of Nagy.

Nehru also repeated his previous demands that British, French and Israeli troops withdraw from Egypt. He said current unrest in Iraq was due to the people being "pro-Egypt, and the government is not and does not like it."

The attack on Egypt, Nehru said, has started a "process of destruction and disintegration" in the Middle East.

Pickersgill Assures Hungarians Warm Welcome From Canadians

By KEN METHERAL

VIENNA. — (P) — Immigration Minister J. W. Pickersgill of Canada, here to oversee arrangements for transporting Hungarian refugees to Canada, made a brief visit Sunday to the heavily guarded Hungarian border.

Russian and Hungarian soldiers watched with interest as the Canadian embassy car flying the Red Ensign drove up to the barriers.

The guards stood well back at first and then a group of riflemen moved up to chat in a friendly way with guards accompanying the Canadian minister.

Pickersgill and his party spent about 10 minutes at the border near Klagenbach, almost due south of here. Also at the border as he arrived were a group of Hungarian citizens who were headed back after picking up food parcels from friends on the Austrian side of the border.

Earlier Pickersgill was on hand to give a sendoff to 67 young Hungarians who left by air for Montreal. The people of Canada, he told them, "are waiting to make you feel welcome."

from Canada, margarine from Norway, tins of soup from the United States and Venezuela and canned fruit from Japan.

A German Red Cross official commented that "we haven't got enough flour." Said Pickersgill, "Well, we'll be only too glad to send you all you want. We've got too much."

Pickersgill chatted with four Hungarian youths who said they want to go to Canada as soon as possible.

They appeared impressed when the minister, speaking through an interpreter, said Canadian truck drivers earn about \$60 a week.

The majority of prospective immigrants want to go to Canada and other overseas countries and get right away from Europe and Communist domination.

Referring to plans to send upwards of 6,000 refugees to Canada by the end of the year, Pickersgill said it "wouldn't be realistic to talk about any larger figure."

"It wouldn't be in the best interest of the refugees to run into bottlenecks in Canada."

Farm Forum Activities

IVES HILL, DRAPER'S CORNER

The Ives Hill and Draper's Corner Forum met at the Nichol home with 14 present.

The broadcast was clear and interesting but not applicable to our locality.
 Three groups discussed "Soil Bank Idea." The first question, "Do you think soil bank plan similar to American scheme would benefit Canadian farmers in reducing surpluses? — Two thirds of the group thought it might. In promoting soil conservation it might, if the land didn't erode by wind.

The second question, "Are there any farm lands in your area which you think should be taken out of production? How should this be done? Again the groups were divided in opinions, but did agree if any land was not producing profitably it should be planted to trees but no land in this vicinity could be spared.

Minutes and Green leaf read and a report on treat to a sick neighbor. Bills voted paid. Refreshments served including a gaily decorated birthday cake in honor of a member celebrating his birthday. Next meeting at Mr. Fred Green's in Coaticook.

BULWER

Members of the Bulwer Farm Forum met at the home of Mr. and Mrs. W. S. Laberee. After

the broadcast, the topic "The Soil Bank Idea" was discussed. The members thought that the soil plan, similar to the American scheme, would, if properly handled, reduce the surpluses, particularly wheat surpluses. Concentrating on fewer acres would promote better soil conservation. It would make it more economical for farmers to return to forest production. They would be encouraged to re-forest large tracts of land useless for anything else. Planting cover crops and ploughing them in would increase soil fertility.

There are farm lands in our area which we think should be taken out of production. It should be done: 1, by setting out trees through government help; 2, by some government agency scheme that would select and assist in remunerating the farmer.

THIRD RANGE

The Third Range Farm Forum met at the home of Mr. and Mrs. D. Ross with an attendance of thirteen.

The broadcast, "The Soil Bank Idea" was followed by a discussion. The members thought that the soil bank plan would not benefit our farmers in reducing surpluses, but would help in promoting soil conservation. And for land that is clearly submarginal for farming, it might be a sounder solution for the government

to buy the land and put it into permanent forestry.

After a social hour during which "500" was enjoyed, refreshments were served by the hostess and ladies present.

The next meeting will be held at the Winget home.

COOKSHIRE

That more land should be turned over to re-forestation in the Eastern Townships area was one of the salient points brought out at the November 26th meeting of the Cookshire Farm Forum. The meeting was held at the home of Mr. and Mrs. Mailin Westgate, with a good attendance.

The subject for discussion was "The Soil Bank Idea," the program in the United States for improving farming conditions by reducing production, diverting farm lands to other uses, and using various means to improve the quality of the soil.

In spite of interference on the air, the broadcast was found of considerable interest.

The groups then considered the question submitted. The first, "Would soil bank plans benefit Canadian farmers in reducing surpluses, providing our governments could set up schemes to compensate the farmer for the smaller production; this would be especially so in the wheat-growing areas. With regard to soil conservation, it was agreed that planting of trees or other cover crops would prevent soil erosion, and often help to improve the land for future use. Summer fallowing and seeding down to clovers would be beneficial for much of the land.

The second question was: Are there lands in this area which should be taken out of production, and what should be done about it? The opinion was unanimous that there are lands which should be taken out of production, and that the best way to do this is through re-forestation, so farmers should pay more attention to this, and take advantage of government schemes to supply trees for this purpose.

The usual social period followed, with card playing, etc., and an excellent lunch.

The next meeting is to be at the home of Mr. and Mrs. Alden Learned, on December 3rd, the subject to be: The need for greater efficiency in agriculture.

HIGH AND LOW FOREST

The Farm Forum met with Mr. and Mrs. Kenneth McBurney with 23 present. The broadcast on Politics and Agriculture was listened to and considered very good. It being 4th night, there was no discussion.

The greenleaf was read and several more families joined.

Cards were played and small prizes given. Ladies first was won by Mrs. Hagen Lowry, gentleman's first, Mr. Harry Graham, Jr.; consolation, Mrs. Harry Graham, Sr., and Mr. Elden Lowry.

Lunch closed a pleasant evening. The next meeting will be at the home of Harry Graham, Jr.

MELBORO—

Mr. Charles Auguste Chagnon recently had the misfortune to lose his cattle barn by fire. Mr. Chagnon was completing the morning chores at the time when he heard a crackling sound. Upon investigating he found the upper storey of the barn in flames. Fortunately the twenty-eight head of cattle housed there were all saved.

The infant son of Mr. and Mrs. Douglas Smith was buried in the United Church Cemetery on Friday, November 23. Rev. C. Martin, of Ulverton, officiated.

Miss May Robinson, of Windsor, was an overnight visitor at the Batchelor home.

Other recent visitors were Mr. and Mrs. F. A. Batchelor and daughter, Mavis, of Montreal.

Miss Karen Wilkins was an overnight guest of her grandparents, Mr. and Mrs. John Wilkins in Melbourne.

Mr. Douglas Smith and Mr. and Mrs. Charles Smith visited Mrs. Douglas Smith, who is a patient in the Sherbrooke Hospital.

St. Andrew's Day Marked By Richmond Residents

RICHMOND. — (Special) — The St. Andrew's Society of Richmond County celebrated its 108th anniversary on Saturday night, when a capacity audience filled the Myra Theatre to listen to the Scottish concert presented in honor of the society's patron saint.

The program was opened by Jock Laurie's R.C.A.F. Pipe Band from 401 Squadron, Montreal, which took top honors in Edinburgh, Scotland, two years ago. The colors were deposited at the front of the stage, then the "Pipers" marched around the aisles several times, playing stirring airs. They also contributed selections during the evening.

George Lovett, manager of the theatre, introduced George Ewing, who welcomed the guests. Mr. Lovett also presented the master of ceremonies, the comedian, Gerry Hebert, of Station CFCF, Montreal.

Miss Ella Scott, a Montreal singer noted for her Scottish ballads, rendered several numbers and led an enjoyable sing song, accompanied at the piano by Mrs. Jules Fortin of Richmond.

Miss Young of Sherbrooke and a group of young folk entertained delightfully with their Scottish reels, dances and the Highland Fling.

Gerry Hebert entertained the audience with comedy hits, several people from the audience participating. The audience also joined in "Truth or Consequence", for which passes were awarded as prizes.

Delayed by the storm, the well-known artists, Ronnie Matthews, blind pianist, and Fred Hill, not-

ed tenor, both of CFCF fame, were greeted enthusiastically when they arrived during intermission. The well-loved Scottish songs by Mr. Hill, accompanied by Mr. Matthews, were outstanding features of the program. Mr. Matthews gave a character comedy entitled "Sam" and was assisted in another amusing number, "The Farmer," by Fred Hill. A sing-song of popular music followed.

Taking over as master of ceremonies, Mr. Lovett introduced Mr. Stein of Montreal, a representative of 20th Century Fox, who gave a short outline of Elvis Presley's new picture, "Love Me Tender," and informed the gathering that Presley would appear in person in a few moments. Gerry Hebert's impersonation of the famous star brought down the house and he was quickly removed from the stage amid merment and cheers.

Mr. Ewing in closing the concert thanked all who took part and expressed special appreciation to Mr. Lovett and M. E. Lodge for their splendid co-operation.

Mr. Lovett introduced each member of the cast, who were roundly applauded as they appeared on the stage for the finale.

The singing of "Auld Lang Syne" and "God Save the Queen" brought the very fine entertainment to a close.

Lennoxville Wood-Working Plant Guttled

Fire breaking out early yesterday morning swept through a small wood frame building at 43 Park st., Lennoxville, used as a hobby wood-working plant by George Dunsmore, causing a complete loss of tools, machinery, several completed Christmas presents and a quantity of raw materials.

Lennoxville firemen fought the blaze for 90 minutes but were unable to prevent the destruction of the building and its contents. The equipment included two electric motors, a band saw, a planer and other miscellaneous tools.

Halifax In Readiness For Visit

By JOE DUPUIS
(Halifax Herald)

HALIFAX. — (Special) — Plans have been completed in connection with the visit to this port city later this week of the Mayor and City Council of Halifax's twin city, Sherbrooke, Que., Mayor Kitz has announced.

According to present plans, he said, the visiting City Fathers will be welcomed at the C.N.R. station to the skirt of bagpipes on Thursday night. Depending on time, tides and weather, they will then be taken aboard either the Saxonia or the Italia, both passenger liners due in Halifax that day, for a reception.

On Friday morning they will be taken on a tour of the Maritime National Fish Company plant and the new plant of the Nova Scotia Light and Power Co. Ltd. At noon they will be entertained at a luncheon in the Nova Scotia Hotel sponsored by both the Fish and Power companies.

In the afternoon the visitors will be taken on a tour of the Imperial Oil refinery at Imperial and may return to the city for a buffet supper at the Royal Artillery Park officers' mess.

On Saturday the visiting Mayor and Aldermen will be taken on a tour of the city in the morning and the Royal Canadian Navy will take them aboard a harbor craft for a tour of the harbor, Bedford Basin and the Northwest Arm.

In the evening they will attend a reception sponsored by the Board of Trade and a civic dinner tendered by the City of Halifax will be held in the evening.

Mayor Kitz said a final meeting on the subject will be held Wednesday evening. He also asked each alderman to "adopt" one of the visitors and attempt to show him some of the highlights of city life on his or her own initiative.

It was announced this morning that some 45 persons would leave for Halifax Wednesday evening and that the City of Sherbrooke would present an oil painting of the City to Mayor Kitz of Halifax.

Among those making the trip are: Mayor Nadeau, Aldermen Cadorette, Nicol, Jeanson, Camirand, Berard, Gervais and Pinard, Director of Services Charles Langlois, City Treasurer Pierre Bachand, City Engineer J. C. Cote, Jacques Lemieux, president of the Engineering Institute, H. A. Burbank, Canadian Ingersoll Ran, Walter Lefebvre, Bank of Montreal and Kiwanis Club, John York, Thomson Electric, Gordon LeBaron, president of the Chamber of Commerce.

Vic Newton, Newton Construction, Bruce Stewart, Stewart Construction, J. G. Nadeau, manager, Lafayette Pulp and Paper, Alphonse Trudeau, former mayor, Sam Fabel, Robert Fabel and Francois Fabel, Ivan Dugre, Francois Thibault and William Steele, representing the Roman Catholic School Commission, Cecil Dunn, Laureat Bailargeon, Charles Codere, Raymond Jeanon, A. P. Duquette and J. B. Bouchard.

Final Tribute Accorded Gerald Wiggett Saturday

Residents of the Eastern Townships and the New England States filled St. Peter's Church Saturday afternoon to pay their final tribute to Gerald M. Wiggett, whose death occurred on Thursday afternoon at the age of 64 after an extended illness.

Included in the gathering were representatives of the Sherbrooke Rotary Club of which Mr. Wiggett had been a member for 25 years and a former president, as well as serving for many years as general chairman of the Rotary Fair, of Bishop's University and Bishop's College School whose hockey squads he had coached; former business and sporting associates.

Prior to entering the shoe business established by his father in Sherbrooke, Mr. Wiggett had been an active hockey player, being a member of the Sherbrooke senior squad, which entered the Allan Cup finals in 1910 and later playing for the Boston Intercolonials. On retiring from active playing, he served as a referee in the Boston area for many years and also coached a number of local squads.

He is survived by his wife, the former Edna Kittelson, of Moline, Ill., a daughter, Patty, Mrs. J. C. Davidson, and Mr. Davidson, and three grandsons, a sister, Mrs. Kathleen Shepherd, and a brother, Norrey L., all of Sherbrooke.

The funeral service was conducted by Rev. Guy Marston, rector of St. Peter's Church. Interment took place in Elmwood cemetery.

The honorary bearers were: B. N. Holtham, Q.C., J. W. Black, Emile Levesque, Clifford Goodhue, R. A. Webster, K. B. Jenckes, Ogden Glass, H. Moffat, James Wark, A. A. Munster, Guy Bryant, Charles Parkin, L. W. Dixon, Graeme Taylor, Hugh Dooney, Bruce Fletcher, S. G. Newton, Forest Keene, Philip Robins, and A. C. Ross.

The bearers were: Evans Joslin, Arthur Kerridge, Lennox Wilson, Graham Patriquin, Douglas Stevenson and Ernest Gilbey. Among those attending were: Mayor Armand Nadeau, Ald. Paul Gervais, William Brent, Andover, Mass., manager of the 1910 Allan Cup finalists; Dr. T. Southwood, T. Southwood, Richmond, W. J. Bradley, Three Rivers.

Msgr. Georges Cabana, Archbishop of Sherbrooke, has issued an appeal to all residents in the district to offer temporary homes to Hungarian refugees, regardless of language, or faith. The appeal followed Cardinal Paul-Emile Leger's recent request.

Rev. Antoine Samson, chaplain for Roman Catholic immigrants in the Sherbrooke diocese, was asked by the Archbishop to relay the message to all parish priests in the area.

The immigrants are expected to arrive in Montreal by boat shortly and then travel to various centres.

Several local industries have agreed to find jobs for the immigrants and a few people have already offered to lodge families.

Any employers interested in offering jobs to the Hungarians are asked to phone Mrs. W. F. Steele, LO. 2-1335

Lone Traffic Death Listed At Week-End

A 15-year-old youth, victim of a hit-and-run collision, was the only fatality reported in the area this weekend.

Henry Remillard, of St. Johns, died in hospital from injuries after he was found lying in a ditch on the highway between Bedford and Mystic around 10 p.m. Saturday.

He had been travelling by bicycle when the mishap occurred. He was taken to a hospital in St. Johns where he died from injuries Sunday morning.

Provincial Police are investigating.

Dangerous driving conditions persisted today as low temperatures brought on icy roads and light snow falls in some regions. Several minor accidents occurred over the weekend as cars swerved off the roads but no injuries were reported.

Regiment Band Members Gather

Regiment Band Mess Dinner — Pictured above are head table guests at the second annual Sherbrooke Regiment band mess dinner Saturday evening. From left, seated are: Lt.-Col. A. A. Munster, CD., Lt.-Col. E. P. Hall CD, WO 1, J. O. Lewis, bandmaster, Sgt. L. N. Smith, mess president, and Lt.-Col. N. H. Welsh. Standing same order are: Capt. John Comfort, Edward Hatcher, WO2, F. W. Smith, James Edgar Kingsland and Thomas A. Loughheed. (Charles Catchpaugh photo)

Old times were recalled on Saturday evening as past and present members of the Sherbrooke Regiment (12th Armoured) Band gathered at the William Street armoury for the second annual band mess dinner. This band boasts of being the oldest organized band existing in Sherbrooke, originating before 1885.

Lt.-Col. E. P. Hall, CD, O.C. of the unit, emphasized the importance of the band in any military unit, saying that as long as there have been armies, there have been bands to lead these armies into battle.

Even Napoleon, he said, insisted that his soldiers be led by drummers and during two world wars bands gave valuable moral support to the allied forces.

He recounted a story told by a former officer of the regiment, Col. Addie, now living in Quebec City, of events in 1886 when the Sherbrooke unit was called out to protect the textile plant in Magog against rioters.

The troops arrived at 4 a.m. and immediately marched from the railway station to the factory, led by the band who played all the way. The reason was psychological, the idea being to let the townspeople know that the troops had arrived in town and that they meant business.

Lt.-Col. N. H. Welsh, immediate past O.C. of the regiment, in proposing the toast to the unit, asked that anyone having information about the band's history supply it so the regiment museum recently established by Col. Hall would provide a complete

story of the militia in the region. Ed Kingsland, former R.S.M. of the 117th Battalion, presented Bandmaster W. O. Lewis with three batons given him by the late F. W. Cook, bandmaster of the 117th, which Mr. Cook had received in the South African War and World War I. Mr. Kingsland said he believed that there was no more appropriate place to display these batons than a militia mess.

Seated at the head table were Lt.-Col. E. P. Hall, CD, Lt.-Col. A. A. Munster, CD, Lt.-Col. N. H. Welsh, WO1, J. O. Lewis, bandmaster, Capt. John Comfort, WO2, Francis Smith, Sgt. L. N. Smith, band mess president, and two retired bandmen, A. Loughheed and Edward Hatcher.

Magog Mayor Dissatisfied With Inquiry At Hospital

MAGOG. — (Special) — Dissatisfaction at the manner in which the dismissal of Dr. Jacques Pettigrew from the medical staff of La Providence Hospital had been investigated was expressed by Mayor Maurice Theroux in addressing a rally of some 500 Magog residents in the City Hall last night. Mayor Theroux indicated that he would ask the College of Physicians and Surgeons of the Province to conduct another investigation into the circumstances surrounding Dr. Pettigrew's suspension.

The meeting had been called for the purpose of naming an interim committee to study plans for the establishment of a new hospital in Magog to be under lay administration.

Paul-Emile Therrien was elected chairman of the committee, the other members comprising Mayor Theroux, Jack Peters and Marcel Desautels, honorary presidents; Georges Gauvin, vice-president; Jean Pepin, secretary; Jacques Tabourin, treasurer, and Yvon Lacaille, Alphonse Blanchard, Arthur Tessier, Armand Aubin and Hercule Belanger, directors.

This temporary committee will be replaced by a permanent body once a complete report on the project has been prepared.

During the meeting, Mayor Theroux gave a report on his negotiations with the three interested parties over the dismissal of Dr. Pettigrew.

The Mayor said that neither

the medical board of La Providence Hospital nor the hospital administration would give any explanation for the dismissal of Dr. Pettigrew and that no complaint had been registered with the College of Physicians and Surgeons.

Pressure from the medical board on the hospital authorities apparently had been responsible for the dismissal, said the Mayor, and a great deal of professional jealousy appears to have been involved.

"If there is no understanding between the local doctors and others," continued Mr. Theroux "then I will support a new hospital. But a great many sacrifices will be required if the plan is to be carried through."

A 6,000-Word Editorial!

Pravda devoted three of its six pages to a 6,000-word editorial attacking President Tito. Those Russians must be hogs for punishment. No Canadian paper would dare run 6,000 words on any subject less compelling than a formula for eternal youth or a sure-fire recipe for transmuting lead to gold.

Citizens of the free countries have access to an unlimited store of news, neatly capsuled and sugar-coated, some of it pre-chewed for easy digestion. But many of the people reject this abundance of knowledge and watch old movies on television.

Communist political writing (to judge by translations) is truly awesome in its dullness. Yet the Russians apparently swallow the stuff by the bushel.

It is depressing to think of those

earnest Slavs plugging through such a mass of verbiage.

As obedient children of a stern despotism, they may swallow their nasty verbal medicine in the hope that it will do them some good, and make them grow up to be big strong members of the Politburo.

Daily doses of Pravda, no matter how ill-tasting, are a health measure. They keep the patient informed of the twists and dips of official policy, and protect him against liquidation or exile to Siberia.

We have no such fears in this country. And yet—if we only knew—our lives depend on knowing what goes on in the world. Should the Russians conquer Canada, those of us who survive will be compelled to read 6,000-word editorials about President Tito.

So we had better be on guard.

Elderly Prisoners

Thousands of old-age pensioners live near starvation at \$40 a month. Their money would buy nearly twice as much if they could live in the West Indies, or Mexico, or New Zealand. Many of the old folk could scrape together the fare to such countries, but Canada won't let them go.

To be precise, Canada does not forbid these people to live abroad, but only cuts off their pensions if they stay out of the country for more than a few months. And so the pensioners of small means cannot afford to live anywhere but in Canada.

This is unjust. The pension is not a charitable dole; it is the proper reward of citizenship, bestowed upon people who have paid taxes, worked hard and helped to build Canada. Some pensioners may be loafers and misfits, but no plan is flawless. It is better to give the tramps a free ride than to risk hurting thousands who have paid their way.

The pension is given as a right. Why should it have strings on it?

Numberless pensioners have relatives in Britain, with whom they could stay if they had a little to contribute toward household expenses. Others have just enough private means to buy or rent a small cabin in a country where the living costs are low.

In Canada they drag out a miserable penny-counting existence. Abroad, they could enjoy a contented old age. Why keep them prisoners here?

Perhaps we need their money. But we doubt that. In fact the pension money could do more useful work abroad. Britain needs dollars. A few hundreds of thousands in pension cheques would help Britain buy more Canadian goods.

Perhaps the Liberal party needs the oldtimers' votes. All right: arrange for them to vote overseas, as the troops do.

And if the Liberals won't do it, some other party might. Here is a good plank for the Conservative platform.

Press Comment

FOR AND AGAINST THE DEER

From the Owen Sound Sun-Times

The other day a young friend, a strictly normal teenage boy, voiced disgust at the idea of open deer season in Bruce Peninsula. He was completely shocked at a somewhat similar shoot in Algonquin park.

To the suggestions that such open seasons are necessary he came back with the question "why not round them up and kill them humanely and either put the meat on the open market or give it to such institutions such as county homes, hospitals, etc."

The thing he objected to was that these beautiful animals, many of whom become so tame they will stop and gaze at their executioners from only a few feet off, were made the subject of a chase to the death. Frequently animals will be wounded and escape into the

deep bush where they suffer until death relieves them. At best they are subjected to the terror of the chase after living in peace and quietude among men some of whom apparently suddenly become vicious.

Mankind has advanced a great deal from the early pioneer days. Then need made men, even women, view wild life as a source of food. To kill was often the alternative to facing death by starvation.

Today, however, there is no such need. Actually many who indulge in the hunt do not like wild meat. At best they pay more for it than they would pay for domestic meat in a butcher shop.

Against our young friend's finer feelings must be put the need for control measures. Deer would become a serious pest unless they are kept under control. Their control does not constitute such a problem as some other game, however,

for it would be quite possible for a careful, controlled method of killing off the bucks.

Ducks, for instance, would soon do great damage if it wasn't for the hunting seasons. Smaller game, rabbits, fox etc., also must be kept in control, though the latter has a very valuable place in the balance of nature and should not be eradicated as some appear to think. Partridge and pheasants are easily controlled, in fact have to be raised and released so that there will be enough to shoot.

Hunting, of course, provides a great deal more than the actual killing of the game. It takes people out into the wilds, provides a companionship not experienced under other circumstances, and all in all, is a source of healthful recreation. The killing part is, quite probably, a minor matter with a great many.

Unfortunately, of course, it is not just animals and birds that are killed. Each year sees many human beings die of accidental shootings.

IT MIGHT HAVE BEEN A MAN!

(Calgary Herald)

Then there was the "sportsman" whose story was told in Calgary police court the other day. He couldn't see the deer very well. It was behind some bushes. He "thought" he saw antlers on it. So he shot it. It was a doe.

When will hunters learn never to shoot unless they can clearly see and positively identify what they are shooting at and know it is legitimate game?

Must standards be imposed and tests passed before a person is permitted to own or use a rifle or shotgun?

SATISFYING ACHIEVEMENT

(Lethbridge Herald)

All of us who live in Lethbridge can take satisfaction from the fact that the Community Chest campaign has reached—and passed—its 1956 fund-raising objective. This is good news primarily because it means that the 17 agencies who joined together in the combined appeal are now assured of the funds they need to carry out their services to the community for another year. The 17-in-one method of year. The 17-in-one method of been vindicated.

JACOBY On Bridge

DEFENSE SNAGS SOUTH SMOOTHLY

There seemed to be no problem in today's hand. South played his cards in routine style and didn't wake up until he was already down.

West opened the eight of spades, and East played the encouraging nine. South won with the jack of spades and led a heart to knock out East's ace.

East returned a low diamond and South made the fatal mistake of playing low. West won with the king of diamonds and returned another spade, on which East completed his echo by playing the four of spades.

Declarer had to try the club finesse in order to have any chance at all for nine tricks. West won the first round of clubs with the king and returned his last spade, whereupon East finally took the ace of spades and his last spade to defeat the contract.

As we have seen, South made his mistake when he took the diamond finesse. The correct play is to put up the ace of diamonds, run the hearts, and then try the club finesse. Even when the finesse loses, South is sure of three hearts, three clubs, the spade and diamond tricks already won, and one other trick in spades or diamonds depending on the defense. Nothing can defeat the contract.

EGYPT BADLY BEATEN

(Toronto Telegram)

By any yardstick it was Israel that won the military encounter with Egypt. This is an important point to remember now in relation to a settlement of the Israel-Arab conflict.

Israel invaded Egypt's Sinai region on October 29; by November 1, Israeli military headquarters announced that Egyptian resistance had collapsed. This was fully verified. In view of these circumstances, talk in Cairo of renewing the war cannot be taken seriously. Nasser's minister of war is reported to have said that war might be renewed unless British, French and Israeli troops withdraw from Egyptian territory. The fact is that Egypt has been defeated and disgraced on the field of battle. The event has shown that President Nasser's loud and belligerent threats earlier this year were lacking in solid military strength to back them up.

Pro Football's Clutch Players Produce At Detroit; New York Wins; Lions Wallop Bears 42-10

NEW YORK. — (AP) — Pro football clutch players like Frank Gifford and Bobby Layne aren't paid by the yards they gain or the touchdowns they score. But when the National Football League moguls dish out the big salaries, they expect the "big play" and the "big game."

Sunday was dividend day around the circuit as the key veterans paid off aplenty.

Layne, the eight-year veteran, passed for two touchdowns, scored another and kicked six extra points as he quarterbacked Detroit Lions into first place in the National League's Western conference with a smashing 42-10 victory over Chicago Bears.

Gifford, former movie stunt man who usually plays like he wrote the script, scored three times and threw for the other Giant touchdown as New York all but clinched the Eastern Conference title by swamping Washington Redskins 28-14.

Elsewhere in the loop, here's what other old pros did:

Tobin Rote, the Green Bay signal-caller who runs like a half-back, scored three times on short sneaks after his passes had rid-dled Chicago Cardinals in a 24-21 upset victory. The loss virtually eliminated the Cards from the eastern race.

Lou the Toe Groza, an all-time great, kicked a 37-yard field goal with just 29 seconds remaining at Cleveland to lift the Browns to a 17-14 triumph over Philadelphia Eagles.

Capt. Elbie Nickel, with 12 pro seasons behind him steadied young Jack Scarbath in his first quarterback start, receiving two passes from Scarbath to lead Pittsburgh Steelers in a 30-13 defeat of the visiting Los Angeles Rams.

A pair of 28-year-olds with a total of 13 years NFL experience did the job for the San Francisco 49ers at Baltimore, 20-17. End Billy Wilson twice took scoring

passes from quarterback Y. A. Tittle. The loss eliminated the Colts from the Western race.

The Lions are now 8-2 and the Bears 7-2-1. Each has two games left, one against each other in Chicago Dec. 16.

The Giants 7-2-1 have a game and a half lead over the runner-up Cards 6-4. All the Giants need to win one of their remaining games to clinch the title.

Order Moore To Defend Light Heavy Title

CHICAGO. — (AP) — Archie Moore must defend his light heavyweight boxing title by next March 18 or forfeit it, the executive committee of the National Boxing Association ruled Saturday.

The ruling amounted to a three months extension to Moore.

"Moore's last title defence was against Yolande Pompey in London June 18," said George Barton, NBA committee member and boxing commissioner at Minneapolis. "Under our regulations, he was to defend it again within six months' time, or by Dec. 18. But because of the physical beating he took from Floyd Patterson he was granted a three months' extension for a defence against a recognized NBA contender."

No Comeback For Rocky Marciano

TORONTO. — Rocky Marciano said here Saturday he isn't planning a comeback.

The retired, undefeated heavyweight boxing champion said "My plans are still the same. I took a long time making a decision and just don't do things that way."

When Marciano retired April 27 he said he would never make a comeback.

Safe Driving Week Opens On Grim Note

Safe Driving Week opened in Canada with at least 22 persons dead as a result of accidents on the highways.

The need for the campaign was grimly obvious from week-end statistics. Of at least 29 deaths, all other causes—fire, drowning and hunting mishaps—were responsible for only seven deaths.

Ontario and Quebec each had seven killed in traffic accidents, a Canadian Press survey from 6 p.m. local time until midnight Sunday showed. A car-train collision near Belleville, Ont., which killed six persons and left two others near death was the largest single highway killer.

Two hunting accidents, a fire

death, and one drowning and a farm death brought Ontario's total to 12, the largest for any province. Quebec had seven deaths, all in traffic, four dead on Nova Scotia highways and two in British Columbia.

Eight believed to have drowned when a saw-mill boat overturned on Lake Kootenay in southern British Columbia were classified as industrial deaths and were not included in the total.

Alberta had one death in traffic, as did Prince Edward Island, while one died in a New Brunswick fire and one in a Saskatchewan hunting accident. Only Manitoba and Newfoundland reported no accidental deaths.

U. K. Schoolgirl, Crippled Three Months Ago, Breaks Olympic Swim Record After Slipped-Disc Injury

MELBOURNE. — (AP) — Three months ago Margaret Edwards of Middlesex, England, was told she might as well give up her dream of competing in the Olympic Games.

Margaret, who had been a standout backstroke swimmer, suffered a slipped disc. She was put into a cast and told to take it easy for two months.

Today Miss Edwards, a plucky 17-year-old schoolgirl, led the Olympic qualifying trials in the 100-metre backstroke with a clocking of one minute 13 seconds, beating the old Olympic mark of 1:13.8.

"I was afraid I wouldn't make it here," she said in an interview. "But I was determined to make the trip if at all possible and I worked hard, so here I am."

MYSTIC—

Mrs. Harold Smith, of Brownsburg, spent the weekend with Mrs. K. Smith.

Miss Isabel Wanzer, of the Children's Memorial Hospital staff, Montreal, spent a few days with her parents, Mr. and Mrs. Howard Wright, of Stabridge, were also guests at the same home.

Miss Jessie Blackwood has returned home after spending a few days with Mr. and Mrs. H. T. Smith in Clarenceville.

Mr. John Wanzer has sold a building lot to Mr. Jacques Methe, of Bedford.

The members of the Women's Association held a food sale in the Bedford United Church for the benefit of the M. and M. Fund.

Mrs. Lawrence Guthrie entertained the W.A. and the roll call was answered by a shower of sugar and cream sets and salt and pepper sets for the hall. A wreath was placed on the cenotaph by Mrs. Harold Near on behalf of the W.A. Refreshments were served by the hostess, assisted by Mrs. Cole and Mrs. Moreau.

Ontario Girl Qualifies In Swimming Event

MELBOURNE. — (AP) — Sara Barber of Brantford, Ont., qualified easily for the finals of the 100-metre backstroke tonight as two of the three heat-winners broke the Olympic record.

Miss Barber won her berth in Wednesday's final by finishing second in her heat behind Margaret Edwards of Britain, who was timed in one minute and 13 seconds, clipping four-fifths of a second from the mark set by Geertje Wielma of Holland in a qualifying heat in 1952. Another Briton, Judy Grinham, won her heat in 1:13.1.

Lenore Fisher of Ocean Falls, B. C., who won the event at the Pan-American Games at Mexico City last year, was seventh behind Miss Grinham in 1:17.5 and failed to qualify.

Miss Barber's time of 1:14.3 was the fourth best among the qualifiers.

Telegram, CP Executive Dies

TORONTO. — (AP) — C. O. Knowles, 81, former editor of the Toronto Telegram and first general manager of The Canadian Press, died today.

Mr. Knowles, who retired from the editorship of the Telegram in 1948 on its purchase by the late George McCullagh, had been associated with the newspaper for almost half a century. In the period he made a vital contribution to the organization of co-operative newsgathering in Canada.

Army-Navy Game Fumbled By Both Teams; Tie 7-7

PHILADELPHIA. — (AP) — The 1936 Army-Navy football game Saturday is almost certain to be remembered as the game of the big fumble.

Underdog Army fumbled away victory. Navy bobbled a Cotton Bowl bid.

Army made eight fumbles and survived with a 7-7 tie. Navy had at least four opportunities to score and cashed in on only one.

Army fumbled once too often midway through the fourth quarter. Navy recovered on the Army 27, seven plays later the Middles scored and Ned Oldham converted the tying point.

The Navy decision to turn down the Cotton Bowl bid was announced by Rear-Admiral W. R. Smedberg, academy superintendent, who told the squad in the dressing room that he did not think it in the best interest of the Navy to accept a bowl bid after the tie.

SURPLUS SHRINKING
Norway in 1936 had 1,009 females for every 1,000 males, compared with 1,027 females in 1948.

Quebec Hockey League Turning Into Two-Team Affair With Chics And Aces Fighting It Out For Honors

The Quebec Hockey League race is becoming a two-team affair with Chicoutimi Saguenéens holding an edge over Quebec Aces.

The Saguenéens stretched their lead over Quebec to three points Sunday by edging the Aces 3-2 on three second-period goals. Meanwhile Trois-Rivières Lions pulled into a tie for third place by downing Montreal Royals 3-1 at Trois-Rivières.

Veteran Jacques Locas paced the Chicoutimi victory with the

Winnipeg Signs Bob McNamara

WINNIPEG. — (AP) — Bob McNamara, 24-year-old halfback who finished second in the Western Interprovincial Football Union scoring race and was named to the league all-star team this year, has been signed to a two-year contract, Winnipeg Blue Bombers announced today.

McNamara, 192 pounds, came

Americans Still Lead Olympics; Russians Second

MELBOURNE. — (AP) — A second place for the United States and a third for Russia barely changed the unofficial Olympic point standings today as only one final event was run off.

The points, unofficial because Olympic records recognize only individual achievements, are awarded on a 10-5-4-3-2-1 basis for the first six in each event.

The standings of the 67 competing countries after today's competition:

ST. MARY'S—

Rev. L. Boisclair, of Mansonville, visited Mr. Dennis Carlin while here to attend the funeral service of Mr. Eugene Boisvert.

Mrs. Rita Lacoste and family, of Rawdon, were recent guests of the Nadeau and Paquette families.

Miss Beatrice Proulx is a patient in the St. Vincent de Paul Hospital in Sherbrooke.

KIDNEY ACIDS Rob your Rest..

Many people never seem to get a good night's rest. They turn and toss—blame it on "nerves"—when it may be their kidneys. Healthy kidneys filter poisons and excess acids from the blood. If they fail and impurities stay in the system—disturbed rest often follows. If you don't rest well get and use Dodd's Kidney Pills. Dodd's help the kidneys so that you can rest better—and feel better.

A Handy Guide To Eastern Townships' Merchants And Business Services

SHERBROOKE—

Imagine — WALLS THAT LIGHT YOUR ROOM!

Just think — a room lighted without bulbs, fixtures or tubes.

Soon you will be able to light your home with moveable glass panels which you can set in the ceiling or walls, as you choose. These lighting panels, lined with phosphor powder and backed by a metallic film, will — when charged with electricity — fill your rooms with an even glow of glareless light. No shadows or eyestrain!

And imagine — simply turn a knob and the colour changes. You'll actually be able to paint your room with light!

New methods of lighting are just one of the many innovations being planned for your home of tomorrow — wonders made possible by modern inventive genius and the miracle of low-cost electrical power.

Thetford Mines Reading Room Re-Opened

THETFORD MINES — The
new reading room in the St.
Johns Anglican Church base-
ment re-opened recently with
Mrs. George Riley in charge, re-
placing Mrs. Ian Campbell, who
has been active in this work for
some time.

This collection of some 200
children's books, donated chiefly
by interested parents, although
a number of new books have
been purchased by the St. John's
Men's Club, was recently
sorted and moved to the com-
modious new shelves built in the
bright new reading room. Al-
though an average of from 15 to
20 children use the library every
Friday afternoon when it is
opened, Mrs. Riley points out
that many more children could
be accommodated and it is hoped
that they will be encouraged to
come in the future.

Though not a trained librarian,
Mrs. Riley is no stranger to
books and hopes to transfer her
own love of reading to her
charges by guiding their choice
of books.

Mrs. Riley mentions that there
is a fair number of adult books
in the library and for those par-
ents whose children are too
young to come alone to the
library, suggests that the parents
might like to come and pick up
a book for themselves along with
their children.

General Notes
Mrs. H. Griffiths and son

where they were the guests of
Mrs. Griffiths' mother.

real General Hospital.

Social And Personal

Miss Maurina Ferguson, on the teaching staff of the Regina Assumpta School in Montreal, spent the week-end with her brother and sister-in-law, Mr. and Mrs. Stanley Ferguson and family, Eighth Ave.

Word has been received by Mr. Alvin Coates, Belvidere St., Lennoxville, that his son and daughter-in-law, Mr. and Mrs. Herbert Coates and family, formerly of Deep River, Ont., are now residing at Charlotte, North Carolina.

Mrs. F. P. Kenalty who spent the past two weeks with her son-in-law and daughter, Mr. and Mrs. Denis Beausejour, at Campbellton, N. B., has returned to her home on Viny St.

Mr. Michael Veilleux and Mr. William Cochrane were in Montreal, to attend the annual reunion and dinner of St. Francis Xavier University, of Antigonish, N. S., held on Friday night.

Miss Joan Savage, who is attending Macdonald College, Ste. Anne de Bellevue, spent the week-end with her parents, Mr. and Mrs. C. D. Savage, Wilson St., Lennoxville.

Rev. Father Chrysanthus Ven den Idert, of the Mariannhill Fathers, St. Catharine Rd., has returned from the Union of South Africa, where he spent a year visiting the missions in the dioceses of Mariannhill, Umtata and Bulawayo, Rhodesia.

Christmas Tea Held By Baptist Ladies' Auxiliary

A novelty sleigh laden with brightly colored packages, in a setting of Christmas trees, centered the stage in the Baptist Church Hall for the Christmas tea and sale held Wednesday afternoon by the Baptist Ladies' Auxiliary.

Receiving were, Mrs. Jean Byrd, president, and Mrs. F. C. Amery. Mrs. Maude McKeage, took the tickets at the door.

Mrs. F. Welch and Mrs. Edward Holgate poured at the lace-covered tea table, which was centered with red carnations and white pompons, in a glass bowl, flanked by red candles in matching holders.

Mrs. C. Wright was in charge of the waitresses, who served the many guests at small tables decorated with tiny houses standing in simulated snow. The waitresses were, Mrs. H. Leech, Jr., Mrs. H. Mills, Mrs. John Rugg, Mrs. H. Sunbury, Mrs. H. Arguin, Mrs. B. Bailey and Miss Andrea Moorcroft.

Mrs. Ernest Wheeler convoked the kitchen with the assistance of Mrs. W. Hopkins, Mrs. J. W. Blake, and Mrs. A. Chute.

Mrs. N. Peverell and Mrs. Jean Byrd were in charge of the fancy work table; Mrs. E. Bailey of the Chinese Auction; Mrs. Wheeler and Mrs. Holgate, the food and candy table; and Mrs. C. Wright, the novelty sleigh.

Marriages

BUZZELL — WILSON

WHITBY, Ont. — The marriage of Ruby Lois, daughter of Mr. and Mrs. Lyle Wilson of Fitch Bay, Que., to Mr. Roger Francis Keith Buzzell, son of Mr. and Mrs. Howard Buzzell of Magog, took place recently in the Whitby United Church vestry. Rev. John Smith officiating at the double ring ceremony.

The bride wore a ballerina length gown of winter white opaque satin with brown accessories and she carried a bouquet of Johanna Hill roses.

Miss Barbara Buzzell of Magog, sister of the bridegroom, as bridesmaid, wore a ballerina length gown of bronze celachrome rayon and she carried a bouquet of yellow roses.

Mr. William Woods of Oshawa acted as best man for Mr. Buzzell.

Mrs. Wilson, mother of the bride, wore a blue two-piece dress of satin backed acetate and rayon with black accessories and a corsage of red roses.

Mrs. Buzzell, mother of the bridegroom, was in a navy blue suit with which she wore natural and black accessories and a corsage of red roses.

A reception was held at the home of the bride's cousins, Mr. and Mrs. William Curtis, where the bride's table was arranged with multi-colored flowers and a two-tier wedding cake.

Later Mr. and Mrs. Buzzell left for a wedding trip to Niagara Falls.

Out of town guests were from Toronto and Oshawa, Ont., and Magog and Fitch Bay, Que.

Follow Rules To Avoid Cold Feet

The more discussion there is about the causes of the common cold the commoner it seems to get. One school of thought says it's cold feet; another, more up-to-date, says it's psychological. The only way to play it safe, it would seem, is to avoid both cold feet and worry — even worry about cold feet.

Somehow — although it doesn't seem logical — it's the characters who never forget their rubbers who always seem to catch cold. Fact is that rubber overshoes, by keeping out the fresh air, impede circulation, thus causing cold feet.

When you go for a walk with your feet bundled up as though you had the gout, you're apt to exercise everything but your feet. And since blood has to circulate all through the body to do you any good, you might as well stay home with the steam heat and the television.

To get all the benefit you deserve from a brisk walk, save your rubber overshoes for days when it's slushy out. Other times wear shoes with leather soles and uppers. Your feet can move in leather and breathe through the pores of leather and your feet keep dry as well as warm.

For the best walking, shoes with leather uniting soles and uppers provide more flexibility and also give protection against sudden downpours. Most of the time you're better off with them than with rubbers... and much more comfortable.

Another thing — you've heard about the advantages of a hot shower followed by a cold one. Well, try using a cold-hot treatment for your feet with a shampoo spray. It's a good pick-up at the end of the day as well as a wake-up at the beginning of one. And excellent for your feet at all times.

Pre-soaking Will Aid Laundering Of Tablecloths

Why does a beautiful damask tablecloth sometimes develop a puckered edge after repeated launderings?

The Canadian Research Institute of Launderers and Cleaners says that this problem arises when the threads in the warp, which run lengthwise, or in the weft, which run crosswise, do not have the same shrinkage qualities. As a result, some threads may shrink more than others and thus pull the edge of the tablecloth out of shape.

They advise that this is more likely to happen in double damask linens and in designs having lengthwise stripes.

In caring for table linens, the experts advise rolling rather than folding when linens are being stored. Rolling prevents fine lines and embroderies from breaking at the crease, and eliminates creasing on damask.

Many women have found that their table linens look much more beautiful when they take the trouble to pre-soak them in cold water. Some spots and stains caused by foodstuffs when they dry in the fabric are almost invisible, but become set on contact with hot water such as in laundering process, they then show up as an unbecoming grey. Pre-soaking in cold water helps to remove these spots so that linens emerge gleaming white when laundered.

Charming Women Interest Themselves In Others

By RUTH MILLETT

To have real and lasting charm a woman needs:

A kind heart that makes her want to see others happy and prompts her to say and do the things that make others more pleased with themselves and more satisfied with their lot.

A firm belief that other persons' intentions are as good as her own. She'll be wrong occasionally but not often enough to make her bitter. Her high expectations of others will usually bring out the best in them.

A real interest in the lives of others. A charming woman doesn't forget your name or the things she learned from you the last time you met. She finds other people and their lives fascinating.

A willingness to put yourself out for the convenience or pleasure of others. A woman who always thinks first of herself and her own convenience can be charming on occasion, but she isn't and can't be a charming woman.

An inner strength that enables her to shoulder burdens, instead of unloading them on others and appealing to others for sympathy.

The woman who is always asking others to listen to her troubles and to sympathize with her lot doesn't bring much charm to others.

A belief in herself that keeps her from feeling unsure, apologetic and frightened of what other people will think, but allows her to be herself.

A sense of humor that keeps her from taking herself so seriously she is a bore and that gives her conversation a touch of laughter and gaiety.

SICK-A-BED DESSERT

Custards are all too often a familiar sight on the convalescent tray. They can be a welcome sign when you bake them with a molasses topping. Just pour a tablespoon of molasses in the bottom of the custard cup before adding the custard mixture, and bake as usual.

HOT BUTTERED SOUP

Here's a many-ways-good beverage that children take to any hour of the day. It's hot buttered soup. Cream soups, tomato, beef broth, green pea — all these soups are butter-delicious served as you please in a mug with a golden pat melting in an ever-widening circle on top. The steaming hot drink is warming and nutritious and it has been known to have a soothing effect on over-buoyant spirits.

MOLASSES CHIP SAUCE

Make this delicious topping, Molasses Chip Sauce, for hot ginger bread. Whip one cup

heavy cream until stiff. Add a few grains of salt and 1/2 teaspoon vanilla extract. Fold in 2 tablespoons molasses and 1/3 cup chopped, semi-sweet chocolate. Makes 4 to 6 servings.

ST. GEORGE'S PARISH GUILD

The regular meeting of St. George's Parish Guild was held in the hall on Wednesday, November 28.

It was with deep regret that a letter of resignation was read from Mrs. R. C. McFadden, who has been obliged to retire due to ill health.

Final plans were made for the Christmas tea and sale, to be held in the church hall, on Wednesday, December 5, from 3:30 to 5:30 p.m. A special table of

Christmas food will be a new feature at this sale, together with a variety of other home cooked food. Many attractive articles will be on display which will make ideal Christmas presents.

Following the business meeting, tea was served by the hostesses, Mrs. R. M. Boright, Mrs. R. T. Atto, Mrs. C. G. Mills and Mrs. W. A. Bown.

EAST ANGUS—

EAST ANGUS C.W.L.

The regular monthly meeting of the Catholic Women's League was held recently in the meeting room of the Church hall and was chaired by the president, Mrs. E. Clark, who opened proceedings with prayer.

During the business session, plans were made for the annual Christmas Card Party and sale of Christmas foods, to be held on December 11, in the St. Lawrence Club House.

Report was given of the successful tag day, which took place on November 16; the receipts of which were \$67.

Following adjournment of the meeting, refreshments were served by the hostesses.

MANNERS MAKE

FRIENDS

If a neighbor's child and yours get in a fight and you feel sure it was the other one's fault, don't run over to complain to his mother. Wait until you calm down and then you will probably decide not to get into an adult squabble over a childish incident.

Children quickly let bygones be bygones—but when parents take sides lasting unpleasantness can result.

A lipstick red knitted wool stole with flaring ends of black fox is good company for suits or cocktail wear. Warm, too, on chilly days.

Fabric furs take on a luxury look for evening in small wraps: the cape stole, clutch jacket or waistline jacket. They come in snowy white and fur colors, too.

OBITUARIES

MURDO A. MURRAY OF SCOTSTOWN

SCOTSTOWN — Murdo A. Murray, age 82, passed away Saturday evening, November 3rd, at his home after weeks of intense suffering, which he bore with remarkable patience and courage. Mr. Murray had been in failing health for over two years, during which time he was cared for by his wife. He suffered a fall in October and though he miraculously escaped fractures, he rapidly failed and suffered greatly since then.

Mr. Murray was born in Dell, on August 12th, 1874, son of the late Angus D. and Annie (Graham) Murray, and was the last surviving member of a family of five children.

As a young man he worked in Montreal and later in New York City, and has been a resident of Scotstown for thirty-five years.

His parents, two brothers, Norman and John, two sisters, Katie,

(Mrs. Donald Graham) and Annabelle, (Mrs. Angus Smith) predeceased him, as well as a niece and nephew, Margaret Graham Armstrong, of Scotstown, and Norman Murray, of Boston, Mass.

He was married to Mrs. Christabelle MacArthur on June 8, 1949, who survives him, together with five nieces and one nephew, Miss Annie Murray, who is ill in a hospital in Massachusetts; Murdo Allan Graham, of Chicago, Ill., and Mrs. Paul MacLennan, of Waltham, Mass. Mrs. L. A. (Mary) Polli and Mrs. L. (Effie) Craig, of Graniteville, Vt., and several great nieces and nephews.

Mr. Murray was an Elder in St. Paul's Presbyterian Church for several years, fulfilling his duties with quiet dignity and grace and ably assisted in the service of Praise as Precursor in the Gaelic services for many years.

The funeral service was held

DENNIS THE MENACE

By Frank Ketcham

* WHEN YOU HEAR THE GONG, THE TIME WILL BE SIXTEEN O'CLOCK! *

in St. Paul's Church on Tuesday afternoon, November 6th, following prayers at his late home, Rev. Iver MacIver officiated. The singing which was all in Gaelic consisted of three stanzas of the 23rd Psalm and four stanzas from the 73rd Psalm, read by Rev. John W. Smith, a former minister and beloved friend. Messrs. Angus A. MacIver and John E. MacDonald were the Precursors. The Scripture lesson was read by Malcolm MacCuaig. Bearers were Messrs. John M. MacKenzie, Dan R. MacDonald, Eben Morrison, Dan D. MacLeod, Kenneth M. MacLeod, all Elders of St. Paul's and Gordon MacLeod, a friend and neighbour. Burial was in the family plot in Dell Cemetery.

Among those attending the funeral service were Mrs. Lorne MacCuaig and son, Malcolm MacCuaig, from Montreal, close friends of the deceased, his nieces, Mr. and Mrs. L. A. Polli and Mr. and Mrs. Leon Craig, of Graniteville, Vt., Mrs. Harold Calcagni, of Barre, Vt., and Mrs. Paul MacLennan, of Waltham, Mass., and many friends from Dell, Milan and Gould.

MRS. CHARLES H. FARRAR, OF MELBOURNE.

MELBOURNE — The death occurred at her home on Thursday, November 15th, of one of the oldest residents of Melbourne, Mrs. Charles H. Farrar in her 89th year. She had been an invalid for a number of years, being tenderly cared for by her family.

Mrs. Farrar was born in L'Acadie, on June 1st, 1868, the daughter of the late William Shortley and his wife, Grace Simpson. She moved to Montreal with her family where she en-

tered the employment of the Bell Telephone Company.

The deceased was married in 1898 to Charles Henry Farrar, formerly of Yorkshire, England, in St. Martin's Church, Montreal by Rev. Canon Troop.

In 1906 they came to Melbourne to reside purchasing the farm of John Gold, where the family still resides.

The funeral was held on Monday, November 19th at her late residence. The service was conducted by Rev. Peter Kingston, of Danville. The hymn "The Lord Is My Shepherd" was sung, accompanied by Mrs. L. M. Fee at the piano.

The bearers were Messrs. A. Wentworth, M. B. Fleming, R. Barr, W. Coles, H. W. Dapp and E. Stimson.

The many beautiful flowers were tokens of love and esteem in which the deceased was held in interment was in St. Anne's Cemetery, Richmond.

She leaves to mourn her husband, two sons, William, of Melbourne, and Norman, of Oakville, Ont., and a daughter Edna, of Melbourne, a daughter-in-law, Mrs. Norman Farrar and two grandchildren, Jane and John Farrar, all of Oakville, Ont., two sisters-in-law, Mrs. Ada Smith, of Montreal and Mrs. Grace Farrar, of East Farnham, also many nieces, nephews and cousins.

WEST SHEFFORD—

Miss Emma Brunton has returned from Montreal, where she was the guest of friends. Her sister, Miss Mildred Brunton, who spent a few days with her mother, Mrs. Harold Brunton, has resumed her duties at the Bell Telephone in Cowansville.

Magog Aces Upset Asbestos 7-5 While Flyers Nick Sherbrooke Beavers

Godhue And Levesque Pace Therriault Squad To Upset Victory Over Leaders Before 1,511; First Loss For Meteors

ASBESTOS — Magog Aces paced by Godhue and Levesque with two goals each came up with a 7-5 verdict over the Meteors of Asbestos in their first outing in the Massawippi Valley Hockey League before 1,511 fans here yesterday afternoon.

Thirteen penalties were handed out in the hard checking affair and six goals were registered with men in the cooler, three by each team. Thibault, Bert Cotterell and playing coach Pee Wee Therriault accounted for the other goals for the winners.

The Meteors' goals were evenly divided with no player getting two. St. Onge, Champagne, Tessier, Moore and Perron were the marksmen.

It was the first reversal of the season for the Meteors who had posted two straight wins over the Sherbrooke Beavers and it was the first start of the Magog crew in the O'Donnell circuit. It was a hard fought game the whole way.

There was no scoring in the first frame and each team drew a penalty. It was a close checking affair with Paul Duchesne holding the spotlight with his outstanding stops in the Magog net.

In the middle session Thibault opened the scoring when he batted home the rubber after a passing play with his linemates in the opening seconds of the game. St. Onge evened the count but Godhue broke the tie and Levesque batted home two quick ones with in a couple of minutes with his team-mate G. Goyette in the cooler. Godhue made it 5-1 for the Aces just before the end of the period.

The third period saw the Meteors rally to outscore the Aces. Plante and Grenier moved into the cooler but nothing happened during their absence. Vaillancourt went off for roughing and Champagne got the Meteors' second tally. Moore and Tessier made it 5-3 but Cotterell extended the lead with Levesque and Bazinet sitting out majors for fighting.

With both teams at even strength for the first time during the period Perron teamed up

with Vachon and Claude to move within hailing distance of the Aces. A second before the siren sounded Pee Wee Therriault batted home the final goal unassisted to give the Aces a 7-5 verdict over the Meteors.

Magog: Duchesne, G. Goyette, Mirault, Levesque, Vaillancourt, Godhue, Cotterell, Thibault, Plante, M. Goyette, Painchaud, Therriault, Carriere, L'Heureux, Caouette.

Asbestos: Averill, Plante, Claude, Illick, Tessier, Champagne, Vachon, Perron, Drouin, St. Onge, Bazinet, Moore, Grenier, Lussier.

Quebec Group Wants Minnows Banned

GRANBY, Que. (C) — The Quebec Federation of Fish and Game Associations has urged the provincial government to ban live and dead minnows as bait in all Quebec waters.

Dr. Gustave Prevost, director of the Quebec game and fisheries department's biological bureau, told the federation's annual convention minnows cause

millions of dollars worth of damage by supplanting game fish through competition for food and space and by spreading parasitical diseases.

Other resolutions adopted at the convention closed Saturday urged the government to:

"Drastically modify the rule which permits indiscriminate killing of domestic dogs which wander into deer territory."

"Prevent encirclement of public lakes by private property by having lots retained as crown lands, providing public access to

the waters.

"Do an official census of the province's fish and game resources, tentatively valued at \$75,000,000."

"Adopt legislation requiring all hunting and fishing camps to possess approved fire-fighting equipment."

Frankie Reid Leads Brompton-East Angus With Two Goals; Flyers At Home To Windsor Tomorrow Evening

Brompton-East Angus Flyers got away to a flying start at the Sherbrooke Arena yesterday afternoon when they registered a 6-3 count over the Sherbrooke Beavers before 1,678 fans in their first game of the Massawippi Valley Hockey League.

Frankie Reid led the attack with two goals while Gerard Leblanc, Jean-Luc Reid, Jacques Dumont and Robert Martel accounted for the others. For the Beavers Pierre Langlois, Jacques Beaudet and Marcel Jutras were the marksmen. The match developed into a wide-open affair after the first period.

In the first frame the Flyers flew to the attack and before Guy Courchesne could settle down they were ahead 3-0 within the first six minutes. The Beavers' netminder was weak on a couple which slid under him. Towards the end of the period Frankie Reid got his first goal to put the Flyers ahead 4-0.

Gerard Leblanc batted home a rebound on Courchesne's doorstep when his defence failed to clear. A minute later Jean-Luc Reid drove a hard shot by Courchesne and then two minutes later Dumont completed the assault when he finished off a passing play with his line mates. He lifted the puck over the Sherbrooke netminder.

The Flyers at this stage had it all over the Beavers and it looked as though they would run up a big score. At the end of the first period the score was 4-0 for the Parr squad.

In the middle session the veteran Frankie Reid beat Courchesne in easy fashion to extend the lead to 5-0. Martin drew a penalty but during his absence the Beavers had only one shot at Olivier as they just couldn't get organized. Following this the Bedard squad came to life and Olivier had his hands full for a few minutes. Dussault hit the goal post when he had Olivier beat the whole way. Gagnon was close but missed the open corner.

Marcel Jutras walked right in but Olivier outguessed him and slid out to smother the rubber. The Beavers had the better of the play but didn't make the best of their opportunities. They were missing wonderful chances. Langlois got the Beavers' first tally when his passout was deflected into the net by Olivier.

Marcel Jutras opened the final period with a beautiful solo rush to fool the Flyers' rearguard and beat Olivier with a nice backhand from close range. This gave the Beavers a new lease on life and they bombarded Olivier from all angles.

It was only poor shooting around the nets which prevented the Sherbrooke team from making the red light flash. Jack Dubois came up with one of his nice stick-handling jobs but nicked the post on his drive. Jutras was back and took two pokes at the rubber but couldn't get it off the ice.

Bob Bedard started the play for the Beavers' third tally when he broke in with Gagnon and laid over a nice pass which Beaudet picked up to bat home behind Olivier. The final goal of the day was an easy one which beat Courchesne when he was down on his knees and rubber slid under him. It was the third of the day which beat him in this manner.

Providence First In American Loop

Providence Reds are back in first place in the American Hockey League after a pair of week-end victories.

Their big production line of Camille Henry, Paul Larivee and Zello Toppazzini had a hand in 10 of the 12 goals scored by the Reds as they defeated the fifth-place Rochester Americans 4-1 Saturday night and walloped the tail-end Springfield Indians 8-2 Sunday night.

Cleveland Barons, who held first place going into the week-end, lost 4-2 to Hershey Bears at home Saturday night and dropped a 3-2 decision in Rochester Sunday night and now are fourth three points off the pace.

A goal by Ken Wharram in over-time gave Buffalo Bisons a 5-4 victory over the Indians at Springfield Saturday and the Bisons beat Hershey 5-1 in Buffalo Sunday.

The Henry-Toppazzini-Larivee line was celebrating a reunion. Toppazzini had been up with Chicago Black Hawks of the national hockey league until last week.

Navy Rejects Cotton Bowl Invitation

NEW YORK—(AP)—Tennessee, Baylor, Syracuse and Georgia Tech accepted bowl bids Saturday while Navy, held to a 7-7 tie by underdog Army, rejected an invitation to the Cotton Bowl.

Final weekend of the season saw only a few major games, many of them long-distance rivalries.

Notre Dame ended its worst season ever—two wins and eight losses—by losing a 28-20 decision to Southern California. The Irish, who have been accused lately by their former coach, Frank Leahy, of not having the true Notre Dame fighting spirit, put up a good fight, but the Trojans were too strong.

Immediately after the Army-

Navy game, Rear-Admiral W. R. Smedberg of the Naval Academy turned down a Cotton Bowl invitation telling the team he did not think it was in the best interest of the Navy to accept a bowl bid after the deadlock.

Tennessee and Baylor accepted bids to the Sugar Bowl after decisively drubbing their opponents in Saturday's games. The Volunteers defeated Vanderbilt 27-7 while the Bears slaughtered Rice 46-13.

Georgia Tech ended its season by trouncing traditional rival Georgia 35-0. Another old rivalry, between Oklahoma and Oklahoma A and M, ended in a crushing victory for the Sooners by a score of 53-0. It was Oklahoma's 40th straight win.

Here's the way the bowl situation shapes up:

Rose Bowl—Iowa 8-1 vs Oregon State 7-2-1.
Sugar Bowl—Tennessee 8-0 vs Baylor 8-2.
Cotton Bowl—Syracuse 7-1 vs Texas Christian 7-3.
Orange Bowl—Colorado 7-2-1 vs either Clemson 7-1-2, Duke 5-4-1 or South Carolina 7-3.
Gator Bowl—Pittsburgh 6-2-1

vs Georgia Tech 9-1.

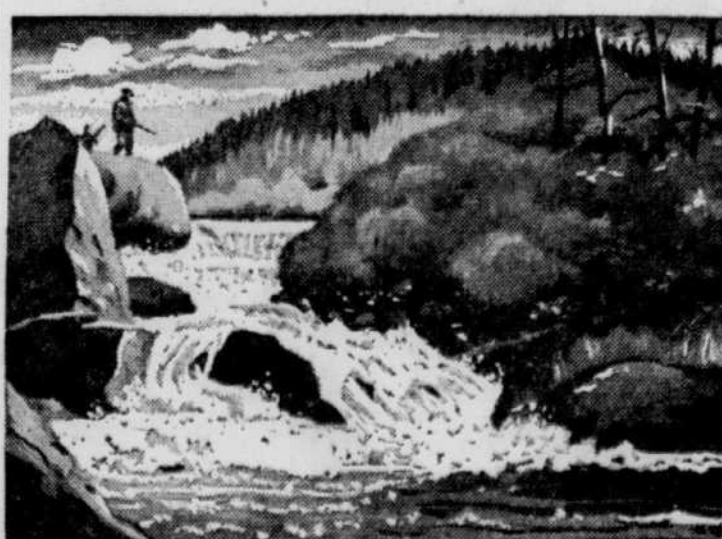

Each of the bowl games, except the Gator, will take place on New Year's Day. The Gator Bowl game will be played Dec. 29.

One bowl game already is out of the way. Sam Houston State downed Middle Tennessee 27-13 in the Refrigerator Bowl game at Evansville, Ind.

Even Attendance Records Fall At Aussie Olympics

MELBOURNE (AP)—Olympic Games paid admissions reached almost the 1,500,000 mark Saturday which means Melbourne will set an all-time record with one week of the events still to go.

Here are the unofficial figures for the various sports so far: Opening day ceremonies 103,000; track and field 800,000; swimming, 36,000; boxing, 80,000; basketball, 35,000; wrestling, 20,000; fencing, 20,000; rowing, 50,000. Total: 1,144,000.

Canadian Girls Loom As Possible Point-Winners

By JACK SULLIVAN

MELBOURNE — (CP) — Irene MacDonald, crop-haired blonde from Hamilton, outclassed all but the brilliant U.S. champion, Pat McCormick, today in the first round of the women's Olympic springboard diving championship.

Little Sara Barber, 15-year-old Brantford, Ont., girl, qualified in heats in both the 100-metre backstroke and the 100-metre butterfly events. Beth Whittall of Montreal, entered only in the butterfly, also qualified.

Only the great Pat McCormick, the defending champion who has helped Miss MacDonald train at her California home, ranked above Irene in the overall points for six dives completed today. Twelve of the 17 contestants who entered qualified for the remaining dives in the finals Tuesday night.

"I was thrilled and surprised at my showing," said Irene with a big smile. "Now I think I can win a medal."

Irene celebrated her 23rd birthday No. 22, the day the Olympic Games opened. She went to California last January to train under Glenn McCormick, Pat's husband, who is coach of the American diving team here. Irene scored a third for Canada at the British Empire Games in 1954, and was second to Pat in the U. S. championships earlier this year in Dallas, Texas.

World records were toppled today. Margaret Edwards of Britain clipped off the fastest time in the backstroke with one minute, 13 seconds. Sara Barber finished second behind the British girl in 1:14.3 and had fourth best time among the eight finalists.

The Olympic record had already been toppled in the first heat, and that also by a British girl. Judy Grinham won the heat in 1:13.1, against the old record of 1:13.8 made by Holland's Geertje Wielema in 1952.

Carin Cone, fastest of the American girls in the heats, was clocked in 1:13.9.

Lenore Fisher of Ocean Falls, B.C., failed to qualify with her time of 1:17.5.

Shelly Mann of Arlington, Va., swam to a sensational world mark in winning her heat in the butterfly event. Her time of 1:11.2 bettered the approved mark of 1:11.9 made by Atie Voorbij of Holland earlier this year, but it has been lowered several times since, without official recognition yet.

Beth Whittall qualified in 1:16.9 and was fourth in her heat, won by Beverley Bainbridge of Australia in 1:14.1.

Finals in both the backstroke and butterfly will be held Wednesday.

Edges Bruce Ness' Foursome 9-7; Millar's Quartet Ekes Out Close 8-7 Win Over Cliff Force's Rink

Archie Atkinson's rink from Ottawa won the Senior Competition played here Saturday afternoon when he edged out Bruce Ness' foursome of Howick 9-7 in the finals. In the consolation section Bruce Millar's Sherbrooke quartet came through with a close 8-7 victory over Cliff Force's Windsor "Jills" squad.

Immediately following the finals John Moffatt, president of the Canadian Branch of the Royal Caledonia Curling Club, assisted by George Routhwaite, secretary, made the presentation to the finalists. George Katadotis, president of the Sherbrooke Club, introduced the Branch members to the gathering.

Mr. Moffatt congratulated the four rinks for their fine playing and at the same time made the announcement regarding the Provincial Mixed Curling Tournament which will be held in Montreal on March 26-29. This is open to 64 rinks, one from each club of the Branch, and entries must be in by March 9. All rinks will be assured of three games.

Three trophies will be at stake, the Lady Gilmour, Salls Trophy and the Len Cushing. Mr. D. J. Salls, honorary president of the Sherbrooke Club, consented to present the Branch with a trophy and this was accepted by Mr. Moffatt.

In the semi-finals of the main event, which was played in the morning, Dr. Blaikie of Shawinigan dropped a 10-6 verdict to A. Atkinson's rink while in the other half Ness came through with an 11-6 victory over Stan Hamilton's Lennoxville foursome. In the consolation Bruce Millar of Sherbrooke came up with an 8-4 win over R. Cream and his Quebec Victoria rink and Cliff Force of Windsor edged by C. Dalgleish of Cornwall 9-7.

Bruce Ness started with one point in the opening end and in the lead swinging back and forth until the fifth end when Howick moved into the lead 3-2. Ottawa

Rosewall, Gibson Win Singles In Australian Meet

ADELAIDE, Australia—(AP)—

Australia's Ken Rosewall, playing almost unbeatable tennis, and Althea Gibson of New York, displaying brilliant services and volleys, captured the singles titles in the South Australian Tennis Championships Sunday.

Rosewall outclassed his fellow countryman, Lew Hoad, the current Wimbledon titleholder, 6-1, 7-5, 6-1, in the men's final.

Miss Gibson again turned back Shirley Fry of St. Petersburg, Fla., 8-6, 7-5, in a match that lasted 93 minutes.

picked up two to take over but Howick evened the count but at the end of the eighth the score board read 5-5.

Howick got two in the ninth to lead 7-5 coming home. Skip Ness missed on his first stone on a take-out while the veteran Atkinson stuck a guard on Ness then missed on a draw shot to give the Ottawa rink four and win the match 9-7 in a close battle.

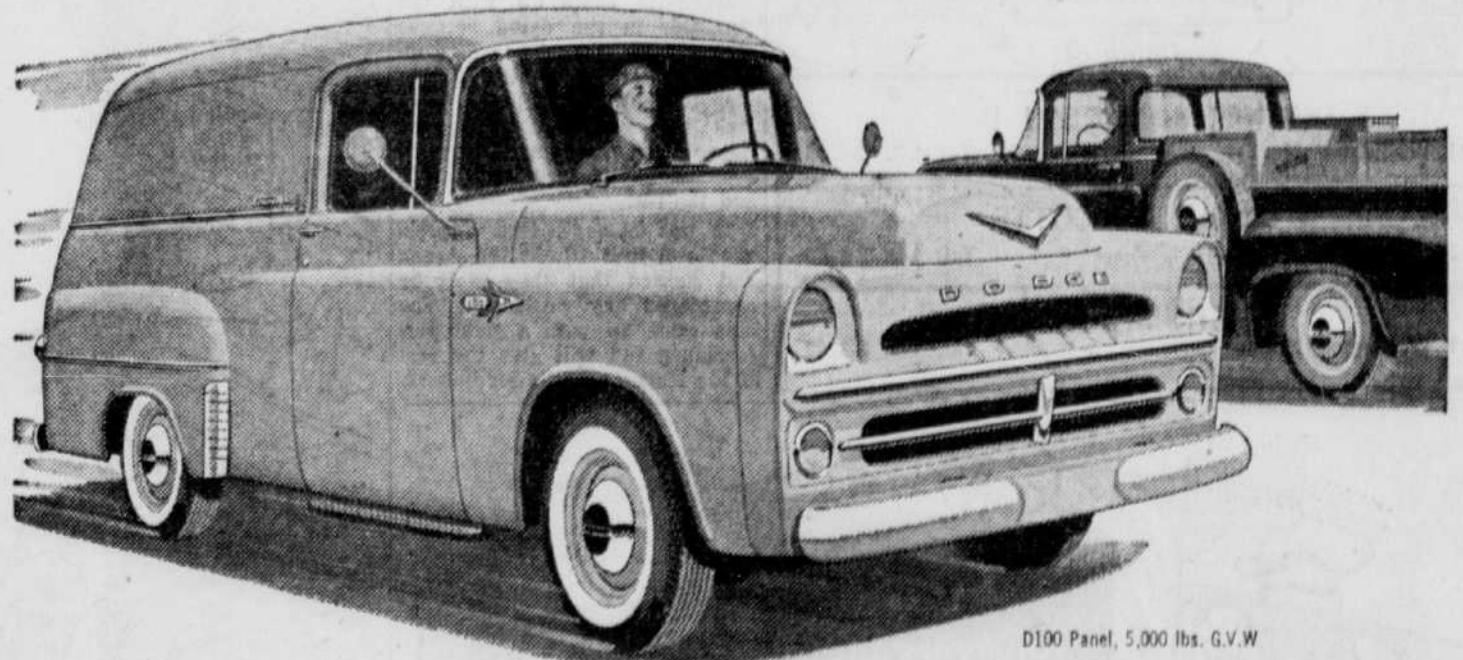

In the consolation section of the tourney the battle between Millar's crew and the rink from the Canada Paper Curling Club of Windsor the issue was only decided in the final end and on the last stone. At no time was any one more than one point ahead until the ninth end.

At the end of eight ends the score was deadlocked at 4-4. In the ninth the Windsor foursome picked up a three end to have what looked like a comfortable 7-4 lead going home. On the final stone of the game Skip Millar made a nice raise to pick up a four-end and nose out as the winners 8-7. It was closely played the whole way and it was only in the final two ends that more than one point was registered.

Towel Decisions Howard

JOHANNESBURG. —(Reuters) —South Africa's Willie Towel had too much class for Richie (Kid) Howard of Halifax and won a clear-cut decision over the Canadian lightweight champion in a non-title 10-round bout here Saturday night.

Towel, who successfully defended his British Empire 135-pound title against Howard a few weeks ago over the 15-round distance, this time warded off the Canadian's strong attack in the early rounds and, boxing coolly, was able to pile up the points with his classic straight lefts and the swift rights to the head.

Towel weighed 132, Howard 134.

Howard tried desperately to land rights to the jaw but the South African blocked the blows effectively and punished the Canadian with his brilliant counter-punching.

The Canadian occasionally got through Towel's defence with wild swings but the South African easily shook off the blows.

In the early rounds Howard at-

tacked strongly as though intent on reversing the decision of their previous fight. But the South African frequently slipped inside his opponent's swinging blows to score to the body and face.

Al Balding Gets Third Money At Invitation Meet

WEST PALM BEACH, Fla. (AP) — Al Balding of Toronto shot a 68 Sunday to take third place in the Invitational Open Golf Tournament here and win \$1,000.

Top money of \$2,000 went to Gardner Dickinson Jr., of Panama City, Fla., who finished with a five-under-par 67 to snatch the victory from Sam Snead.

Snead carded 73 on the final day of the 54-hole, three-day event and won \$1,400.

Balding's fine performance moved him up from 12th spot at the start of Sunday's play. In Friday's round he shot a 74 and Saturday he had 71.

Bruins Edge Rangers 3-2 As Leafs Outclass Detroit 4-0; Jean Beliveau Picks Up Five Points To Extend Lead

The amazing Jean Beliveau stood atop big-league hockey's individual scoring race today, once again intent upon capturing one of the most prized awards in the game.

The 25-year-old Montreal Canadiens centre, who has all the earmarks of becoming the greatest of National Hockey League greats, registered one goal and four assists when Canadiens clobbered the last-place Chicago Black Hawks 7-0 in Montreal Saturday night. Sunday, Canadiens were shut out 1-0 by Wings at Detroit.

The five points gave Beliveau, who won the league's individual scoring crown last season with 47 goals and 41 assists, a total of 33 points for 24 games.

Runner-up Ted Lindsay of Detroit couldn't muster a point during Detroit's two games. He is seven points behind Beliveau. The second-place Wings dropped a stunning 4-0 decision to the fifth spot Leafs at Toronto Saturday.

Sunday, Leafs were slapped down 4-2 by the Rangers before 11,685 fans at New York and the leading Boston Bruins edged Hawks 3-2 at Boston. The victory put Rangers in fourth place, ahead of Toronto.

At Montreal, Canadiens buried Hawks. The scoring was handled by Doug Harvey, who had two goals, Beliveau, Bert Olmstead, Bernie Geoffrion, Jackie Leclair and Don Marshall.

Sunday, Bill Dineen, playing his third game since being injured in the season opener Oct. 11, scored in the second period to give Wings the win.

The Detroiters were outclassed by a crippled but spunky Leaf squad Saturday.

Wednesday, Canadiens are at Toronto and the Hawks at New York.

Slim Pickings Predicted At Annual Major League Draft

JACKSONVILLE, Fla. — (AP) — Chicago Cubs were expected to select a catcher as their first choice in today's annual major league baseball draft at the opening of the 55th minor league convention.

Because of slim pickings, baseball men predicted this year's selection of eligible draftees would be even smaller than last year when the big leaguers plucked only 10 minor leaguers for the draft price ranging up to \$15,000.

With that thought in mind, major league officials turned to the trade mart in an effort to plug their weaknesses.

The Cubs, in dire need of a first-string catcher, have made no secret of their desire to land Del Crandall, Milwaukee's highly regarded backstop. The Braves, surprisingly enough, are not unwilling to part with Crandall but are reported to have demanded second baseman Gene Baker and pitcher Bob Rush in exchange.

With the exception of the world champion Yankees, all clubs have expressed a desire to complete at least one deal either here or at the Major League meetings in Chicago next week.

Here is a list of reports, some unfounded, that have been circulated in the lobby of the hotel headquarters:

1. Manager Paul Richards of Baltimore Orioles has offered George Kell, veteran third baseman, to Detroit Tigers for pitcher Ned Garver. Manager Jack Tighe of the Tigers said he was taking the offer under advisement.

2. General manager Hank Greenberg of Cleveland Indians was prepared to name Eddie Stanky, former manager of St. Louis Cardinals, as a coach under newly-hired manager Kirby Farrell.

3. Fred (Dixie) Walker, who managed Rochester Red Wings into the little world series last fall, is about to be named skipper of Toronto Maple Leafs of the International League, succeeding Bruno Betzel.

4. New York Giants have asked Milwaukee for outfielder Bobby Thomson, second baseman Danny O'Connell, pitcher Ray Crone and a bundle of cash in return for star second baseman Red Schoendienst.

5. General manager Frank Lane of St. Louis Cardinals has made a bid for Bob Rush, star pitcher of the Cubs. John Holland, new boss of the Cubs, has asked for a catcher, first baseman and centre-fielder in return.

6. Pittsburgh has offered outfielder Frank Thomas and catcher Jack Shepard to Milwaukee.

for Crandall. The minor leaguers meanwhile were preparing for their legislative session beginning Tuesday.

A draft proposal that may be

looked upon with more favor would permit a club to select three players instead of the present one from clubs in class A and higher. The price also would be set at \$15,000.
