THE RULERS OF THE MEDITERRANEAN.

GIBRALTAR.

THE RULERS OF THE MEDITERRANEAN.

The first sight of Gibraltar, I think, disappointing. It means so much, and so many lives have been given for it, and so many great ships have been sunk by its batteries, and so many great powers have been driven to the arrival of this, its 85th anniversary, that its black outline against the sky, with nothing to measure it with but the falling stars, is a sight which the eye of the imagination can never forget. It is only when the sun begins to turn the lights out, and you are able to compare it with the great ships at its base, and you see the battlements and the towers of the fortress, that you realize the magnitude of the task which it has undertaken, and the courage of the men who have held it for so long.

—During July and August, an excursion train will leave Quebec and Lake St. John Railway, at the Grand Central Station, daily, except Sunday, at 1:30 P.M. for the excursion train, arriving there at 2:00 P.M.; and on Tuesday and Saturday this train will run as far as Lake St. Joseph. Returning, will arrive at Quebec at 4:20 P.M. Excursion tickets to Lake St. Joseph, good to go by this train only, 50 cents each.

SCANDALOUS SCENE IN ST. ROCH'S.—A scandalous scene was enacted in St. Roch's on Saturday night. A man named Deane, who had come from the railway, and who had been drinking, was seen in the street, and he was taken to the police station. He was found to be in a state of intoxication, and he was taken to the hospital. He was found to be in a state of intoxication, and he was taken to the hospital. LACROSSE.

We understand that Mr. Duncan, agent of the Montreal Lacrosse team, has received a telegram last night stating that the "Green" lacrosse team will be down here on Saturday night to play a match with the lacrosse team of the A.A.A. The match will be played at the A.A.A. ground, and it is expected that it will be a very interesting one.

YACHTING.

The triangular race of the Quebec Yacht Club, which took place on Saturday afternoon, was won by Mr. O. B. C. Richardson's yacht "Surprise," by a margin of one minute. The "Surprise" was a very fast yacht, and it was very well handled by its crew. The race was very interesting, and it was a very good one.
