April 23—Annual meeting of Red Cross — Anglican Church Hall at 8.00 p.m., Shawville.

April 24—3.00 p.m. Food Sale in Argue Building Shawville, by Girl Guide Mothers Association.

## Pontiac Film Council Formed

At a meeting in Shawville last Saturday night the Pontiac Film Council was formed. Purpose of the council is to provide facilities for the showing of films throughout this county, especially in the more remote sections. Without limiting itself to any particular type of film, the council intends to bring in as wide a scope of subjects as possible from all available sources. A board of seven directors has been named with James Gordon, principal of Onslow Intermediate School, as chairman, Rev. Cyril Watson, Rector of the

## Diamond Drilling Begins On Grand Calumet Island

### Contract Calls For 10,000 Feet

Mr. Paul E. Riverin, Professional Engineer and consulting Engineer to Calumet Uranium Mines, announces that the Portelance Diamond Drilling Company of Noranda, Quebec, have begun their diamond drilling operations on the Company's Property on Grand Calumet Island, sixty miles west of Ottawa.

Diamond drilling is expected to be carried through until fall, with an experienced crew mining the drills. 10,000 feet of drilling is to be done under the present contract with further work contemplated.

Mr. Paul E. Riverin states that the first results of the diamond drilling will be made public within a week.

These operations are being watched with great interest.

The properties which are being drilled are those which have given showings of uranium up to 4.13% and of thorium up to 22%.

Calumet Uranium Mines have over 3,500 acres of mineral properties on the North of Calumet Island, in Pontiac County and a radio-metric survey of this area has revealed a radioactive zone 4 1/2 miles long by several hundred feet wide.

Parish of North Clarendon, as vice-chairman, Mrs. Hosmer Turner, President of Shawville Women's Institute, as treasurer and Mrs. D. Dickson, Editor of The Equity, as secretary. The other three directors are Mrs. Gilbert Telford, President of Quebec Fam Forums, Mrs. Cyril Watson, Teacher at Shawville High School and David Dickson, Proprietor of Pontiac Printshop. Membership in the Pontiac Film Council will extend to all corners of Pontiac and every member will be a qualified projectionist. Film showings will be begun in September by which time the circuit will be established. All correspondence about this project should be addressed to the Pontiac Film Council, Box 247, Shawville.

## "Mr. Lion" Tom Moorehead Speaks To Lions & Ladies

The Lions Club of Shawville held their Governor's Night meeting at Pontiac House last Thursday evening. It was also Ladies Night at the Club and suitable entertainment was accordingly provided. Three recitations were given, two by Miss Helen Imison entitled "My Father and I Hardly Think I Will", and one by Mrs. Cecil Sly, entitled "The Railroad Crossing". Their efforts were much appreciated by the Lions.

Four Lions, Al Merritt, Charlie Imison, Iverson Harris and Lennis Dean were presented with perfect attendance pins by Governor Tom Moorehead.

Out of town guests included District Governor Tom Moorehead, Zone Chairman Lindon Quaille, Jean Louis Muir, President of the

Pontiac Lions Club and Abe Katz, President of the Lions Club of East Hampton, Long Island, N.Y. A very welcome guest was Bill Kenny of Fort Coulonge, who played the piano more often than not throughout the whole evening.

Governor Tom, as guest speaker, congratulated the Shawville Club on its many achievements during its 4 1/2 years of existence and went on to set forth the challenge which faces the thinking citizen of the Western democracies today. The District Governor was thanked by

District Deputy Governor Charlie Imison who then presented to the Governor Tom a monogrammed zipper brief case on behalf of the Lions Club of Shawville, as a token of the high regard and affection in which he is held by the local Club.

After the close of the meeting the Lions and their ladies held a small party in the hotel. The chief attraction was the piano music provided by Bill Kenny, who played anything and everything from boogy-woogy to Beethoven.

"This & That"

Ground Observers, Shawville. Return Wings Parade slips to C.O.

We are happy to hear from Demers Center and Chapeau this week and sorry to announce that our Waltham correspondent has found it necessary to give up writing the news and we need someone else to take her place.

People ask us from time to time what our advertising rate is for classified ads on the back page. The rate is printed there but just in case you can't find it it's two cents per word, fifty cents minimum and half price for additional insertions of the same ad.

Mrs. Sylvain Brunet, has received word that her husband Pte. Sylvain Brunet arrived in Korea March 27th along with a detachment of the Queens Own Rifles via U.S. Naval Ship, Marine Lynx.

It's important that representatives from every one of the 22 Farm Forum groups be present at Hynes Hall Monday night for the Annual Meeting. Farm Forum is the link between the farmer and the Department of Agriculture and this is their most important meeting of the year. Be there.

Black and Tan Hound found. Any person who has lost same is advised that such a dog has made his home in Quyon at the home of Mr. Roland Trudeau who will be very glad to let the owner have the dog if he will call at the house. —Roland Trudeau.

The district felt the result of the storm which raged on Wednesday last. The television antennas in many cases were ruined and many power wires were broken down.

People are funny. The Post Office Department somehow manages to take five days to deliver a paper a distance of eight miles and all the complaints are registered at The Equity office. Wouldn't it be more sensible to see the mail man? We welcome criticism of every sort as long as there is something we can do about it but after The Equity leaves the printshop there is nothing in this world we can do about seeing it gets to you on time. In spite of all sorts of unimaginable last minute demands we break our necks each week to get the paper on the train going west Thursday night and east Friday morning. From there on it's out of our hands. Thanks to wonderful cooperation from the Woodley's, our Shawville readers get the paper before the ink is dry. We wish it were thus all over the county.

### A Precarious Hold

Recently when Mr. Isaac Proulx was on the roof of his house a few days ago trying to fix the ladders for the roof and rope gave way and he slid down the roof to the edge. Fortunately he caught hold of the eave trough and held on for nearly half an hour.

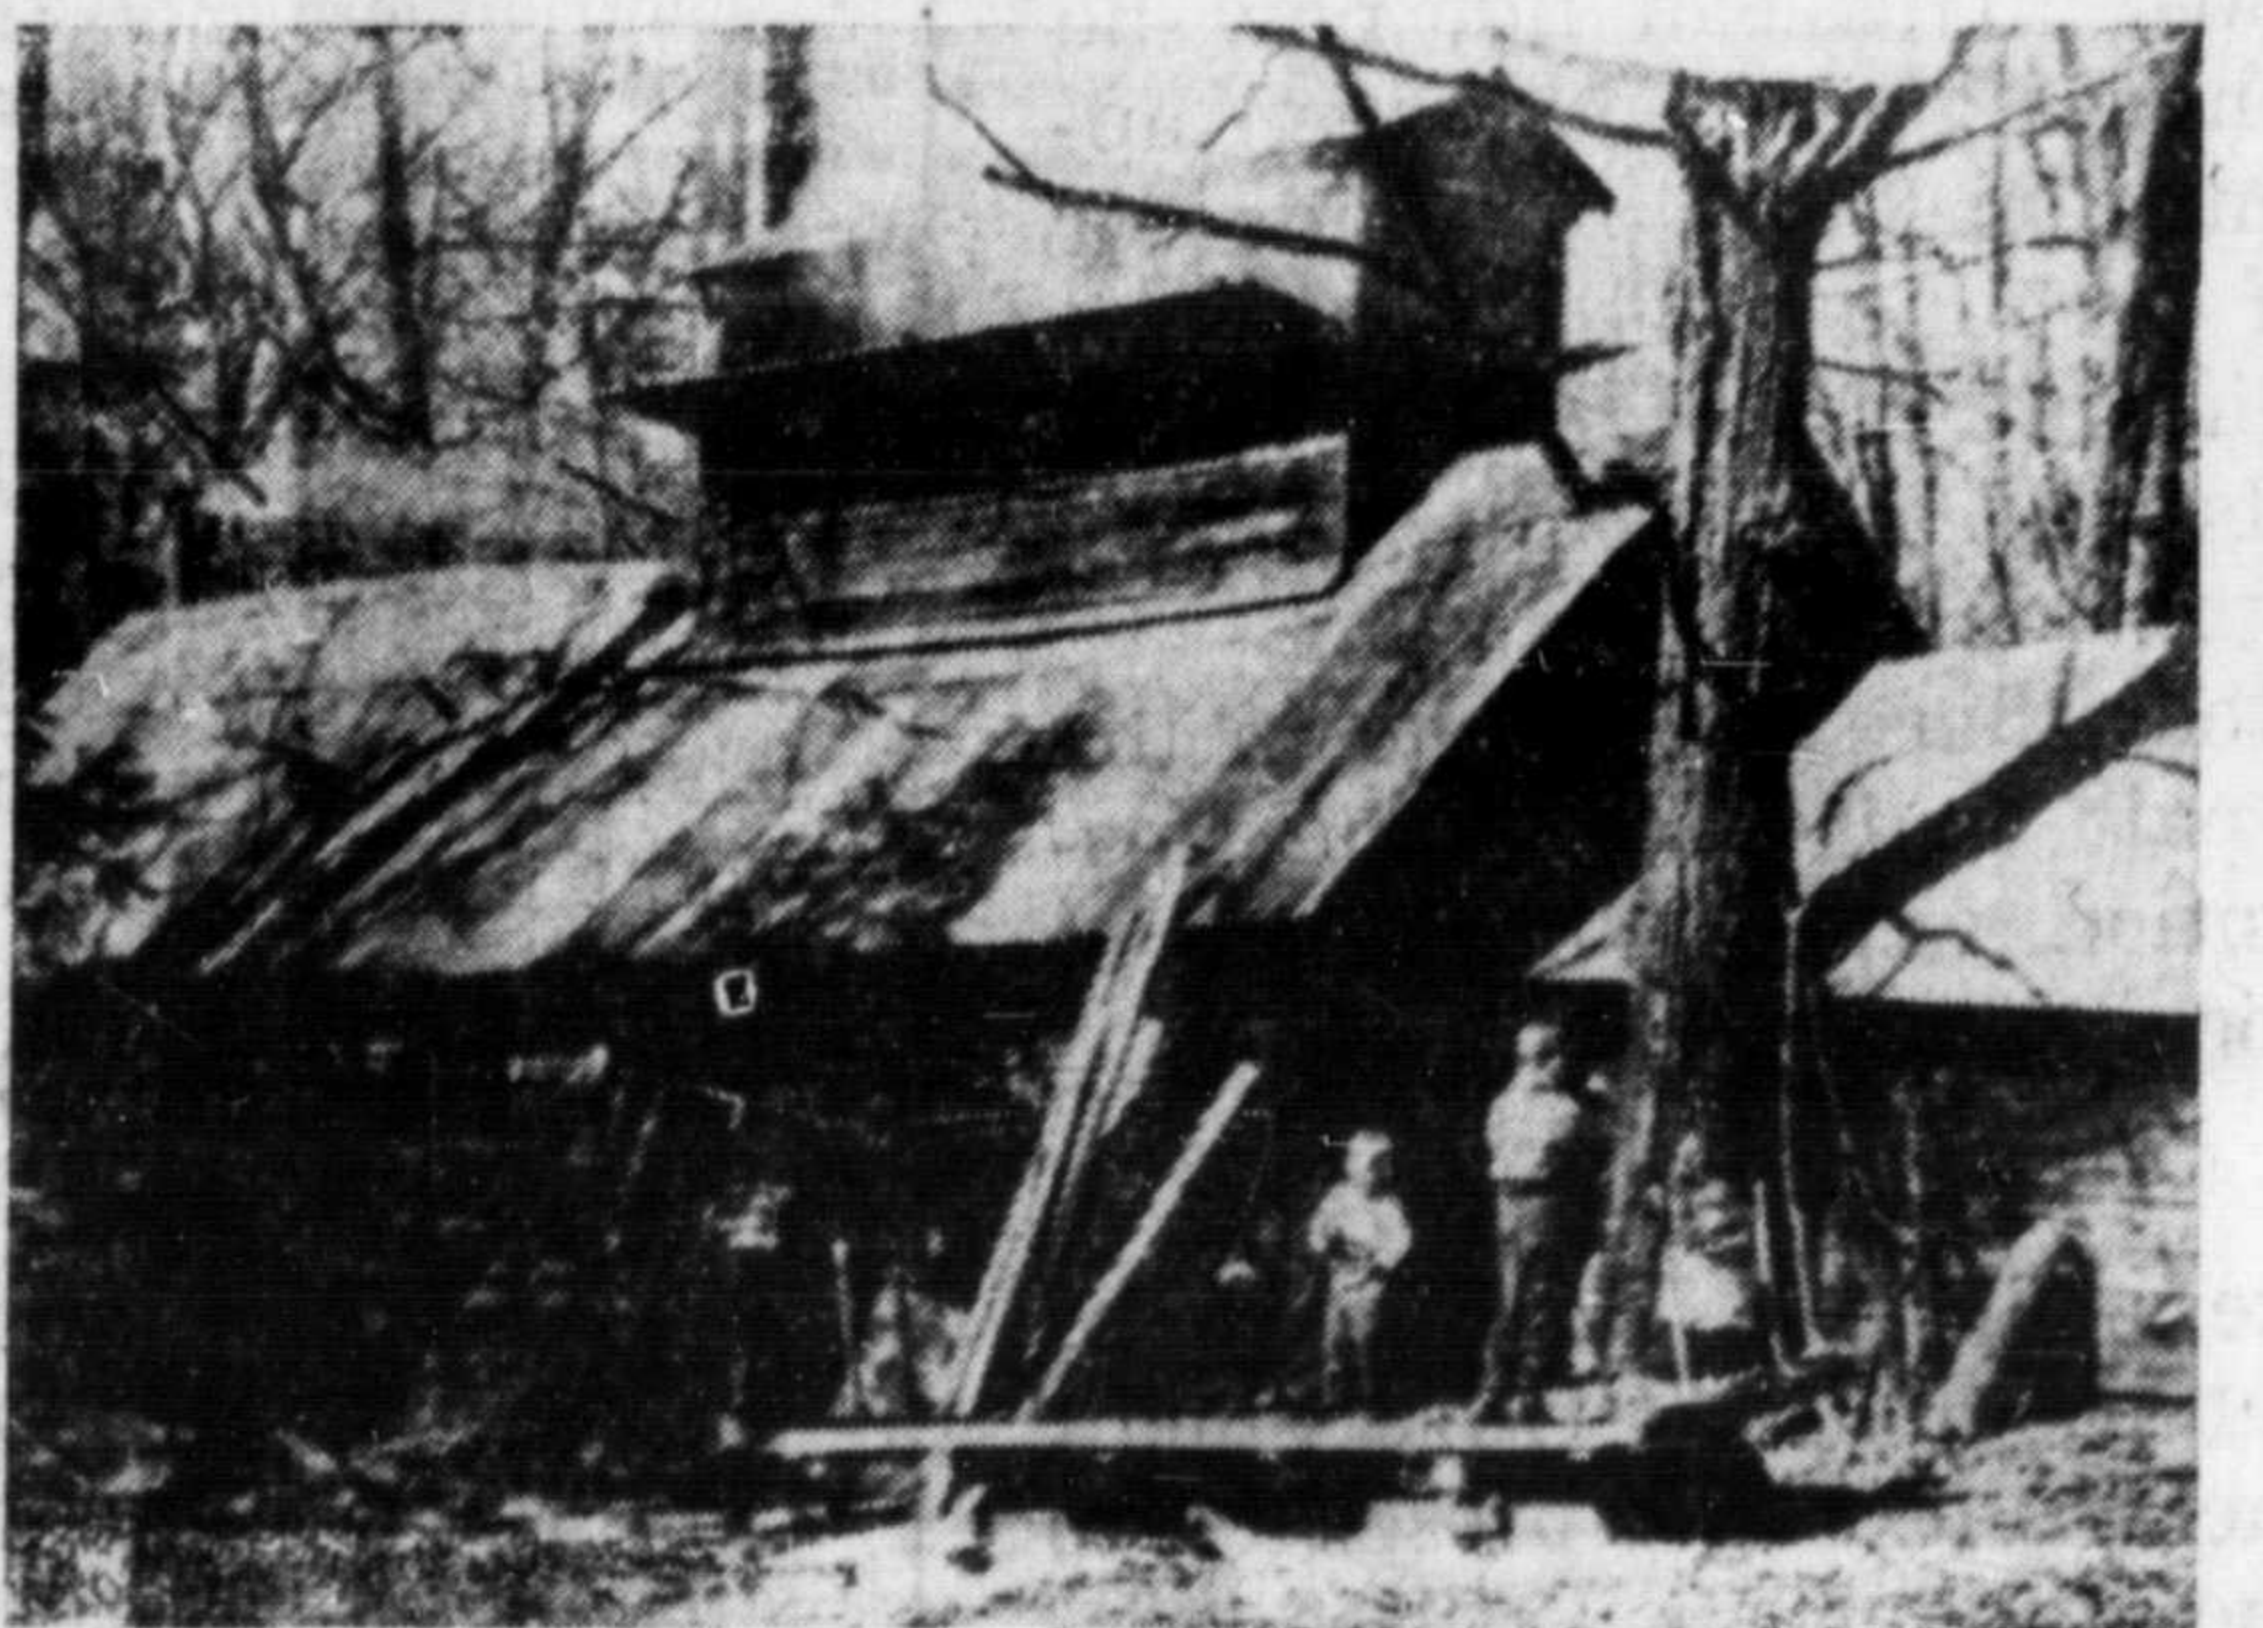

His calls for help were heard finally by a neighbor, Mr. Thomas Stanton who affected his rescue after what seemed to Mr. Proulx as an awfully long time.

## Maple Sap Rising - Slow But Sure

With 2700 buckets out, Earl Fulford hopes for a fair year in spite of a slow start with less than two hundred gallons of maple syrup gathered so far. Experimenting for the first time with the new

type of plastic bucket on some of his trees, the Fulford Syrup works (below) were in full production last weekend when many visitors hiked up to the camp to over see the evaporating process.

Collected in a large tin drum which is horse drawn through the bush the clear sap is then poured into the evaporating machine which boils it down to a light

brown syrup. One hour of boiling is all it takes to convert about fifty gallons of sap into one gallon of syrup. Then it is funnelled into cans and ready for the market.

Above, Donald Fulford tests the syrup to see if it is ready.

## Basketball Finals

By Rosemary Lunam

Last Friday night, the final games of the basketball tournament in Shawville High School were played. The first two games were between the Intermediates of the Red and Brown Houses. In the girls' game the Brown had a victory of 18-7, and in the boys' game the Red won with a score of 23-13. The Seniors' games were much closer, the girls of the Blue House winning with a score of 18-16 over the Red. In the boys' game the Yellow House was leading at the end of the first half by a score of 16-8, but the Browns advanced during the last part of the game to win, the score being 25-22.

Line-up — Intermediate Girls:

Red—Joan Pirie (4), Ethel McTiernan, Sylvia Gibson (3), Carol Stephens, Helen Murphy, Marilyn Richardson, Theresa Murphy, Jean Sly, Brenda Barr, Isobel Dagg and Beverley Rusenstrom.

Brown—Joyce Kilgour (6), Irma Howard (6), Lorraine Wilson (6), Helen Imison, Emily Dagg, Ruth Hobbs, Marion Fulford, Joyce Laframboise.

Intermediate Boys:

Red—Laird Murray (3), Lorne Wilson (6), Leslie Greenshields (12) Ross Finnigan, Denzil Alexander, Stewart Stark (1), Brian Corrigan. Brown—Bill Carson, Bill Millions (8), Keith Walsh (4), Bruce Yermen (1), Garry Lewis, Lloyd Little, Murray Moore, Donnie Horner.

Senior Girls:

Blue—Barbara Smith (1), Marion Smith (9), Lillian Kirkham (8), Evelyn Dagg, Joan Taggart, Betty Farrell.

Red—Gladys Sparling (3), Anna Young (8), Janice Yermen (5), Joan Telford, Joan Pirie, Theresa Murphy.

Senior Boys:

Brown—Keith McCleary (15), Wayne McKnight, Bill Carson, Bill Millions (3) Keith Walsh (7).

Yellow—Ivan Saunders (7), Arthur Smart (4), Robert Wilson (2), Norris Sparling (6), John Laird (1), Ronald Wilson (1).

Forty-five pounds of bananas per week for five years equals 11,700 pounds which looks close to six tons to us and could easily be a record for one so young. The doctors ordered at least 12 per day and sometimes Robert would eat as many as 18 because he loved them so much. Orla Young was really in the banana business in those days just keeping the supply steady for Mr. and Mrs. Manson Sharpe's little boy. Cause of it all was the dread Celiac disease which Robert contracted at a year and a half and had until he was six and a half. Aside from his

banana diet, Robert also was allowed scraped lean beef and poached egg whites. Ten years old now, Robert seems to be in perfect health although he had a slight relapse last year. Does Robert still like bananas? Yup, he loves them.

### NOTICE RE DAYLIGHT SAVING TIME

At a meeting of Shawville Council on April 5th, it was resolved to commence Daylight Saving Time in the Village of Shawville on Saturday, April 24th, 1954 at midnight.

## Quyon Bank of Montreal Manager Addresses Wyman Women

Lack of education in the handling of money was one of the reasons given for a lot of the differences amongst members of a family over family finances, by Mr. A. C. Shennett Quyon B of M Manager in his talk on Personal Planning and Budgeting to some twelve members and eight visitors of Wyman Women's Institute at their April meeting held on Thursday evening at the home of Mrs. Warren Campbell.

Among many other things Mr. Shennett told the ladies was the result of a Gallup poll taken in the U.S.A. some time ago, taken on the question of "what do you want most for your families?" The majority answered by saying they would like a 10% increase in their income, this by people in all income bracket levels. The speaker suggested that what was really needed in most cases was proper planning and budgeting of the income there by learning to live within the income.

After passing around free booklets, obtainable at the Bank of Montreal, on Personal Planning, the speaker answered various questions asked by those present. Just previous to Mr. Shennett's talk Mrs. Shennett informed the Institute as to the uses the Service Fund is put to one of them being to finance the Leadership Training Course, "Facts, Fingers and Fun" to be held at Macdonald College the week of May 24th to 29th. Mrs. L. Stanley thanked Mr. Shennett for his very interesting talk and Mrs. Shennett for clearing up slight misunderstandings re the Service Fund.

In answer to the Roll Call the ladies suggested ways of making money for the W. I. such as a Touch and Take table, Auction of a mystery parcel, Dutch Auction, White Elephant Sale, Patchwork, Apron, etc. Some of these methods will be tried. Education Convener Mrs. William Marks, read an item entitled, "Friends of Grammar", both instructive and amusing. "You're Worth That", was read by Mrs. M. Horner, convener of Citizenship, telling of a woman's true worth as a citizen. A poem relating the masculine viewpoint of "The Women's Institute", was read by Mrs. Hillis Graham. A few tips for taking care during this season of colds was given by the Health and Welfare convener, Mrs. Blanch Hodgins. Mrs. Ronald MacKechnie the treasurer reported all dues to Provincial Office and the County paid leaving a balance. Social Convener, Miss E. M. Edey read a story of back seat driving, entitled, "Ma and the Auto", in verse, which caused much laughter.

Mrs. Stanley finished these items with reading the Editorial in the last issue of the Macdonald College Journal, received by all W. I. members, headed, "Making Use of Our Talents".

The May meeting, on the second Thursday evening of the month, will be held at the home of Mrs. J. L. MacKeen, the roll call to be, "A home made remedy for man or beast". Delicious refreshments were served by the hostess, assisted by Mrs. S. W. MacKechnie.

year end inventories.

Price levels remained stable during 1953, in fact have shown little variation since May 1952. The 1953 consumer's price index dropped one point from 1952 to 115.5. The wholesale index declined for the second consecutive year, dropping 2.3% below the 1952 average. Primary commodities showed the sharpest drop.

Reporting briefly on the government accounts it was stated that receipts ran to about \$4.4 billion and expenditures to about \$4.39 billion. Indicated surplus is about 10 million as compared with the budgeted surplus for the year of \$11 million. Personal and corporate income taxes fell short of the budget forecast by \$96 million. Total revenues were \$73 million less than expected. Expenditures were \$72 million less than expected.

Expenditures for armed forces decreased \$127 million from 1952 to \$1.4 billion. Family allowance payments were \$350 million, of which nearly 1/3 were paid to parents and guardians residing in Quebec. Under the provisions of the Old Age Security Act, pensions of \$40 per month were paid to all eligible persons 70 years of age or over. Pension payments totalled \$338.8 million during the twelve months ending March 31, 1954. Credits to the Fund from tax sources were \$294 million. The deficit of \$44.8 was covered by a temporary loan from the Minister of Finance. Deficits have been sustained by the Fund ever since the pension scheme was inaugurated. It is anticipated that the loans made by the Minister of Finance in previous years will, with the approval of the House, be written off. That is, there will be no attempt made to recover from the Fund the loans made to it in previous years.

Gross public debt stands at \$18 billion.

## - The Way I See It - (a weekly column)

by  
**Rev. C. Watson**

(Since this Friday, April 16th, is Good Friday I feel that I should devote this week's column to the spiritual meaning of the day and of the great Christian festival of Easter which follows it. So we will continue next week with the review of 'The Hope of a New World'.)

The element of Sacrifice is central in the worship of Almighty God and it has been so since man first had a dim realization that there were forces in this world more powerful than himself. The wind and the lightning, the mighty streams and the dark forests filled him with superstitious dread. He knew that life was precarious and that when he had done all he could to protect himself and his tribe, anyone of a number of disasters might occur to rob him of his food and shelter and even of life itself. And so the hope slowly grew in him that he might find a way to ally himself with the friendly forces that rule the world that with their help he might overcome or escape from the unfriendly ones. Very slowly, probably over many thousands of years, man's ideas about forces evolved and he worked out many elaborate systems for pleasing his deity by the offering of gifts. As man climbed slowly up the ladder of knowledge he came to see God as a person who knew right from wrong and always furthered the right and fought the wrong. Of course this process of endowing God with a moral content and the further realization that man is to model his behaviour on the same pattern is only a relatively new idea which came into a clear focus with the people whom we know as the Jews.

When the world was ready there was born a unique being whom we call Jesus who amazed the people of his day for a variety of reasons. Not only could he perform acts which no other man living or dead had ever performed, "the deaf to hear, the blind to see and the halt to walk," but he changed men's hearts and personalities in an even more remarkable manner. Not only this but he taught "as one having authority" not referring to other great minds of the time but as though he had a unique source of truth, higher and nearer to the source of all truth. So compelling was his message that the people flocked to him and the leaders of the nation were afraid and determined to put him to death. His followers knew that he could escape as he did on one or more occasions but after telling them that he was going up to Jerusalem to die, he did just that. Moreover he died the most degrading death that a cruel and barbarous Empire could devise. If the story ended here we would say that it was a shame for an innocent man to be killed but after all there have been thousands of innocents, yes even millions now that we know the wonders of civilized (?) warfare so we couldn't get very excited over one more or less. But the story doesn't end there. If it had we wouldn't even know its beginnings. For this same Jesus rose from the grave and was seen on several occasions by different groups of people over a considerable period of time. They were slow to admit the possibility but the evidence was conclusive beyond any doubt. He had done what he set out to do and what he had told them he would do. He had redeemed men and women and children of every age from the result of sin which is death and he gave proof of what he had done by overcoming death itself and opening wide the gate to life everlasting. God himself had offered the only perfect sacrifice, a sacrifice springing from love and not from fear. Fear no longer has any role to play for God has shown that He is a God of Love and as St. Paul said "He loved us while we were yet sinners".

## Farm Improvement Loans Act

The ninth annual report of operations under the farm improvement loans act has just been published with some very interesting facts for the Quebec Farmer. The Act came into operation in 1945 with the primary purpose of providing short and intermediate term credit to Canadian farmers for the improvement and development of their farms and for the improvement of farm living conditions. For the year 1953, 83,962 loans totalling \$97,892,760 were made, representing the largest number of loans made under the Act in any year. The most significant development during 1953 was with respect to loans for the construction of farm buildings. The largest percentage of loans, 88%, were for the purchase of agricultural implements including farm trucks.

In Quebec there were 6,715 loans made on the purchase of agricultural implements, 524 on purchase of livestock, 60 on purchase or installation of agricultural equipment or a farm electric system and the alteration or improvement of a farm electric system, 6 on the erection or construction of fencing or works for drainage on a farm, 297 for the construction, repair or alteration of, or making additions to, buildings or structures on a farm and 19 on work for miscellaneous development of farms. New and used implements financed in Quebec in 1953 under the Act were 1,448 trucks, 4,026 tractors, 114 combines, 148 threshers and 2,214 others. 26 loans were made in Quebec for the construction of new houses 128 for repair and alterations and 143 for the addition of utility buildings. Three loans were made in Quebec to the amount of \$2,100 for brushing and breaking 26 acres of new land.

The Annual report of the Pontiac Community Hospital Inc., for the year ended December 31, 1953, has been published and was presented to members of the Hospital at the Annual meeting last week.

The Hospital sustained an operating loss of \$22,630.00 for the year, which was an improvement of \$1,130.46 over the operating loss sustained in the previous year. This improvement is attributable mainly to increased revenue from room charges which were increased by \$1 per day on January 1, 1953.

While the operating loss was smaller in 1953 than in 1952, the overall net loss for 1953 was larger than in 1952. In 1953 the net loss, after receiving non-operating revenue of \$4,686.16, was \$17,943.91. In 1952 the comparable figure was \$8,174.65. The main variance in non-operating revenue between the two years arises from the situation respecting grants from the Provincial Government. In 1952 a grant of \$10,000 to assist the financial condition of the hospital was received. In 1953 no such grant was forthcoming.

We were astounded to learn that the Province was not prepared, in 1953, to offer assistance to the Hospital other than on Capital account. To expect a hospital, in a rural community such as ours and in the early years of its existence, to be self supporting is the height of absurdity. It must be inferred from the lack of interest on the part of the Province that the Hospital was assumed by the Province to have been self supporting in 1953. A glance at the figures shows just how far from the truth is such an assumption. The Province has come to its senses, up to a point, in 1954, having to date contributed the sum of \$3,000 for the financial benefit of the Hospital.

For those who may be worried about the solvency of the Hospital it is pointed out that from a cash point of view the loss runs to a little over \$5,000, the remainder being made up of depreciation charges. This cash loss is more than offset by grants of a capital nature which are payable annually by the Province pursuant to a contractual obligation entered into prior to the construction of the Hospital. A part of these grants may be used to pay interest charges of \$7,279.00 payable on long term loans. Thus the cash obligations of the Hospital have been met, and will continue to be met in the future, thanks to the able administration of the Board and its executive officers.

The attitude of the Provincial Government towards the Hospital should however be viewed with alarm by all thinking residents of the Pontiac. Depreciation charges have not been recovered out of current revenue. If this situation continues there will eventually be fixed assets worth nothing, and no funds accumulated with which to replace them. In addition, a sum of money should be set aside each year out of revenue to provide for redemption of bonds. This can not now be done. Finally, more than \$2,000.00 has been appropriated out of revenue in 1953 to provide for losses on collection of accounts. This is a surprisingly low figure, being only 2% of total revenue for the year and reflects well on the collection department of the Hospital.

However, it means that there are people in the County who have not paid their bills to the Hospital. It's financial position, which is important to us all, is suffering accordingly.

For those who take an interest in the state of the nation and in what the Federal Government does with its money, the White Paper presented to Parliament prior to the Budget for 1954-55 contains a wealth of data from which a fairly good picture of Canada's economic situation may be obtained. We have taken from the Paper a series of figures and statements, reproduced below, which although not necessarily connected one with the other, are all of general interest.

Gross National Product (the value of all the things we produced during the year) increased by \$1.1 billion over 1952 to \$24.3 billion. In terms of real goods this represents an increase of 4%. Population increased 2.5%. The civilian labor force increased 1.3%. Non-agricultural output has increased by about 5% in each of the years 1950 through 1953. Salaries and wages went up by 8%, compared with an increase of 12% the previous year. This means that employees took a larger share of output value than they did last year. Net farm income is down 14% from 1952. More than half of this decline was caused by lower production (it says here), and the remainder by lower prices for farm products. The labour force engaged in farming was 4% lower than the previous year. While net income of farmers was 14% lower than last year, cash income was only 4% lower, because of lower investment by farmers in

Minutes of the last regular meeting read and approved on Motion Crs. Barr and Kilgour. Carried.

Mr. Herb Robitaille met Council re New Road off Highway at Winston Hodgins. Motion Crs. McCord and Sparling that Crs. Barr and Chamberlain be appointed to inspect this road. Carried.

Motion Crs. Sparling and Smith that the following properties be transferred:  
 Lot pt. 22, Range 2 from Herb Redman to Bud E. Elliott; lots pt. 12a and lot pt. 12a range 2 from John E. Dagg to Arthur and Lindsay Carson. Carried.

Motion Crs. Chamberlain and McCord that Mr. Ernest Sparling be appointed Roadforeman in Myles Daley's place. Carried.

Mr. Gerald Kell met Council re road on 12th Concession at Edward Tubman's. Council instructed Cr. Kilgour to notify Mr. Herman Emmerson, road foreman, re this road.

Messrs. Earl Hodgins and Harold McCoy met Council re snowplowing their sidelines in future. Matter held over.

Messrs. Wanie Richardson and Fred Dagg, road foremen, met Council re road in Mr. Dagg's division. Road to be repaired with roadwork.

The following bills were presented to Council:  
 Preston Hodgins, \$244.00; Public Charities, 39.03; Walter Kilgour, 25.00; Victor Tanner, 4.00; The Equity, 2.00; G. T. Paul, 10.00; County Rate, 1,077.10.

Motion Crs. Sparling and Smith that these bills be paid. Carried.

Council instructed Secretary to write the Superintendent of C.P.R. at Smith Falls, Ontario, regarding the condition of the railway crossing on 7th Concession at Gilpin's property. Approaches too low for clear vision, same required to be raised.

Council instructed Secretary to notify Bert E. Hodgins that Lot No. 11a, Range 11 now belongs to the Municipality of Clarendon and no further trespassing will be allowed on this property.

Motion Cr. Chamberlain to adjourn.

W. M. Hayes,  
 Secretary-Treasurer.

**Maple Syrup**

By Mrs. Walter Yach

Maple Syrup! Oh what sweet words, and which is considered our second crop of the year, the first one is our ice, which was of an excellent grade this year and in ample supply which I am afraid is more than we can relate about our maple syrup up to the time of this writing, the trickle of sap actually music to ones ears in our maple groves, have been "very few, and far between". However, it doesn't take long to "wait a while". Naturally in every life a little rain must fall.

**Knox Wyman United Church Union Proposed**

At a joint meeting of Knox and Wyman Congregations held in the Knox Church, Wednesday evening, April 7, under the chairmanship of Dr. Donald, representing the Boundaries Committee of Ottawa Presbytery, it was decided to seek a union between these two congregations to take place July 1. The Presbytery will be asked at its next meeting to sanction this union but with control of their respective properties being retained by their present trustee boards until such time as the Presbytery shall otherwise direct. The intention of the meeting was that the services of the new joint congregation should be held for the time being alternately in Knox and in Wyman Church. Afternoon Services to be held every second week at Wyman and evening services every alternate week at Knox.

It was also understood that the matter of uning the two congregations in one building at some agreed site would be investigated. The present arrangements are regarded as an interim agreement only until such time as agreement could be reached on some such site. The new congregation of Wyman-Knox would be part of the Bristol Charge served by Mr. G. K. Stewart.

The new arrangements between Knox and Wyman form part of the larger intended readjustments of United Church Charges in the Ottawa Valley and it is expected that the next meeting of the Ottawa Presbytery will also be asked to consider the addition of Upper Eardley Congregation to Quyon Charge and its removal from Aylmer Charge in order to permit Rev. John Shearman, minister at Aylmer to serve more adequately the people of Deschenes who are at present being served by a student.

**Ladysmith Farm Forum**

In view of the fact that our weekly Farm Forums for this season are finished, never-the-less the pleasant evening, the new friendships made definitely indicate time well spent. To sum up a Farm Forum Rally was held at Pine Lodge which included guest speakers, piano selections, recitations, solos, etc., our local talented people and which were very much enjoyed to conclude the program all joined in singing of God Save the Queen followed by a delicious lunch, at which time every one got acquainted with every one else and so ended a pleasant evening.

**Shawville CGIT**

The C.G.I.T. held their regular meeting on Wednesday night, March 31. Sylvia Gibson and Beverley Rusenstrom were in charge of the Worship Service. Betty Graham and Gwenneth Barber volunteered to take Nursery School on Sunday. Sylvia Gibson and Diane Hodgins were appointed to visit Mildred this week.

Afterwards the senior group was conducted by Miss Bishop and the Junior group by Mrs. John R. McDowell. The meeting closed by singing Taps.

**Youth In Accord**

"Youth in One Accord" from the Houghton College, U.S.A., will be presenting a program of songs and testimonies at the Wesleyan Methodist Churches of the district over Easter weekend. See detailed announcement elsewhere in this paper.

Coach George Wells will be heading the group of five college students who find that "being of one mind" in their devotion to Christ affords rich friendship. Besides singing, each will give a brief word on his experience of a changed life. Coach Wells is associate professor of physical education and director of athletics at Houghton College. He has travelled extensively with student teams and has seen spontaneous revival break out in several areas, including Buffalo and Philadelphia.

Houghton College, a liberal arts school, is located in western New York, 70 miles south of Niagara Falls. It is a fully accredited college with professors and instructors who believe that the learning process is best carried on in an environment where sound moral and spiritual values are upheld. Houghton College believes that the development of Christian character is essential to the fullest realization of an individual's capacities.

## Fort Coulonge

By Rev. C. Younger-Lewis

### BOARD OF TRADE

Our Board of Trade which seemed to lie dormant awoke at the coming of spring and a very enthusiastic meeting was held in the Auditorium of the R. C. School. Mr. James Ward presided and gave an address on the past achievements of the organization. Mr. Hector Belec gave an address on the importance and functions of a Board of Trade. Mr. Donat LeGuerrier spoke and gave an account of the things done during his year of Presidency and also the financial report which was not unfavorable with the welcome news that the Crawley Film Co. had made a film of the Pageant that was enacted by the Board of Trade

last year and that it would be shown in Fort Coulonge on the Monday after Easter. The following year: president, Hector Belec, vice president, Emile Leblanc, second vice-president, James J. Ward, Jr., directors, L. Ecuver, P. Francoeur, A. Aubrid, A. Aubrey, G. Bridges, secretary treasurer, Leo Amyotte.

Votes of thanks were tendered to the Chairman, the retiring President and the past officers. Future meetings to be held on the First Tuesday of every month.

### PONTIAC DISTRICT LIONS

The Pontiac District Lions Club met in the Fort Coulonge Chute Hotel on Wednesday evening, April 7th, and there were also a number of the residents of Fort Coulonge present, as the meeting was called for the purpose of trying to start

a Lions Club in Fort Coulonge. Among those present were T. Moorhead, District Governor, C. Imison, Deputy District Governor, L. Quaille, Zone Chairman, J. Muir, Pontiac Club President and Paul Martineau and R. Mousseau. After dinner an interesting series of talks were given on the ideals of the Lions and the work they could accomplish and it was agreed to take steps to form a Club here. An interim organizing committee was formed composed of the following: Chairman, J. Bridge; secretary, G. E. Colton and Hector Belec, Rod Labine, T. Jewell, J. Duke, W. H. Kenny, Jr. The next Pontiac Club meeting is to be held at Fort Coulonge Thursday, April 22nd.

Mr. Emile Ladoceur was driving his car from town about 8.00 a.m. on Friday morning last when about two hundred yards from the bend of the road just past St. Andrew's Presbyterian Church, when it skidded on a piece of icy road and plunged down the river bank knocking down a telephone

pole. It was brought to a stop just as it touched the icy river. We are glad to report that neither the driver or the passengers were hurt.

A meeting of the Electricity Co-operative of Pontiac West, met in their office on Wednesday evening, April 7th. The following directors were present, Emile Leblanc, Donat LeGuerrier, Arthur Durocher, Patrick Bertrand, F. Aubey, Lorraine Amyotte, H. Valliere and Leo Amyotte. Estimates were received from various firms quoting prices on transformers. Action was deferred.

The following were accepted as members, Eddie Davis, J. Morin, Miss V. Mercier and J. Hearty of Vinton.

At twenty to eleven on Sunday morning, April 4th, a fire broke out in the residence of Mr. and Mrs. James J. Ward. Mr. Ward was not at home at the time. The Fire Brigade was called and responded quickly and every effort was made to control it spreading, but as it had started in the wall space it was difficult, but at last

the brigade were masters. They needed an enormous lot of water, but the pressure was good and at last all was well. The damage by water and fire was very extensive though. The outer walls seem good, but the interior is a wreck, by the help of the neighbours they were able to save some of the furniture. The cause of the fire has been ascertained, an overheated stove pipe. The sympathy of the residents go out to Mr. and Mrs. J. Ward.

The monthly meeting of the St. Andrew's Woman's Missionary Society and the Ladies Auxiliary met at the home of Mrs. Andrew Neville on Thursday evening with Mrs. J. Stitt in charge. The meeting opened by the singing of "I heard the voice of Jesus say", then the scripture lesson was read by Mrs. John Stitt, followed by prayer, offered by Mrs. W. H. Kenny. A letter from Mr. Rev. and Mrs. Muchan, our missionary in the far East was read by Mrs. Hugh Proudfoot.

Minutes were then read and adopted. The president, introduced a travelling apron, which was given in the charge of Mrs. Andrew Neville for the preceding month. A travelling basket was introduced which will be sent to all the members. Arrangements for the Easter sale were concluded. Meeting closed with the singing of "From Greenlands Icy Mountain and the Lord's Prayer. Next meeting will be held at the home of

Mrs. Richard Duke. Refreshments were served by the hostess, Mrs. Andrew Neville.

**Please Report Trouble**  
If your power fails, check and make sure the cause does not lie with your own wiring before calling the power company. Are your neighbors without power too? It may be a blown fuse, caused by a frayed or parted wire or a small circuit overloaded by the use of too many appliances at one time.

You may avoid trouble by keeping your electrical system, appliances and appliance cords in good condition. Naturally, as soon as you are sure the trouble lies outside your own wiring, the power company would appreciate your trouble call, because it allows the trouble shooters to get moving on the remedy as quickly as possible.

It is much more effective to call the power company directly about troubles as they may be of a local nature and unknown to the company.

**GATINEAU POWER COMPANY**

# GIVE FORD A TRY

## BEFORE YOU BUY

### DRIVE FORD before you buy any car

Get behind the wheel and feel that smooth, responsive V-8 power, delivered by the finest, most efficient V-8 engine ever to power a Ford. Sit back and enjoy Ford's safer, softer ride, with that steady, road-hugging "big-car" feel. Relax in the deep-down comfort of Ford's big, spacious foam-rubber seats, the practical luxury of Ford's perfectly planned interiors. Experience new, relaxing ease with Ford's "Master-Guide" Power Steering, swift, sure Power Brakes and famous Fordomatic Drive. Get the feel of Ford behind the wheel, and you'll be convinced that Ford is really Canada's "worth-more" car.

### DRIVE FORD and you'll be convinced

because you'll have driver's-seat proof that Ford out-performs all other cars in its field. You'll see why V-8 power is the *only* kind of power that spells *value*—for today and tomorrow. Compare Ford, feature by feature, with any other car in its field and you'll make Ford your choice. Your Ford dealer invites you to prove Ford on the road. Drop in to his showroom and see the new Ford . . . then take it out on the road for yourself. Or pick up the phone and arrange with your dealer to bring a Ford to your door. Drive Ford and find out why *only* a V-8 is up to date.

worth more when you buy it  
worth more when you sell it

(Certain features illustrated or mentioned are "Standard" on some models, optional at extra cost on others.)

### Cooking with Carlos

#### Fish Barbecue Pontiac Style

- 3 to 4 pounds of trout or any kind of fresh fish you have
- 1 medium onion chopped very fine
- 2 tablespoons butter
- 1 cup catsup
- 2 tablespoons vinegar
- Juice of one lemon
- 3 tablespoons worcestershire sauce
- 2 tablespoons brown sugar
- ½ teaspoon salt and a dash of pepper

Place fish in greased shallow pan sprinkle with salt lightly, brown onions in butter, add remaining ingredients, simmer five minutes and pour over fish. Bake in hot oven of 425 degrees for 35 minutes. This will serve 8 persons.

### Quyon

By R. S. Smith

The Home and School Association of Onslow Intermediate School held its regular April meeting in the school on Monday evening with a large attendance.

Mrs. A. C. Shennett presided over the meeting which she opened by reading the Home and School Creed. She then requested the Recording Secretary, Mrs. Harriet Burke to read the minutes of the previous meeting which were adopted.

Mrs. E. A. Hart, corresponding secretary, read the correspondence relating to the annual meeting of the parent society to be held in the Windsor Hotel, Montreal, early in May. Miss Mae Allright was appointed delegate to represent the Onslow Intermediate Association at the sessions of that meeting.

It was suggested by the president that, in view that next meeting would necessitate the election of officers, it would be well to appoint a nominating committee.

This was agreed to and the following were appointed: Mr. G. Graham, Mrs. Harvey Steele and Miss D. Dagg with Mr. Graham to be convener.

The president then requested the program secretary to carry on and Mrs. Violet Poole told the meeting that she had arranged for the showing of some films, but had requested the Rev. Frank Lawler, B.A., and the Rev. R. S. Smith, B.D. to come to the meeting and each to give a short address. She then introduced the speakers.

Mr. Lawler and Mr. Smith conducted a brief panel discussion regarding the values of various types of education, after which they were thanked by Mrs. Poole. Adjournment to the auditorium was made and the films were enjoyed.

The longer film, "The Lure of Montreal" was considered especially good. After the pictures lunch was served and a happy evening brought to a close.

#### No Flood Expected

An intense electrical storm passed over this area early on Wednesday morning. It was accompanied with heavy rain which probably saved this district from any fires, such as were set in other places by the fierce lightning.

Some fears were expressed lest the heavy rains would create a break-up on the Quyon River with the usual ice jam and flood. However the ice has moved out of the lower part of the town with the river well-contained within its banks, and with continued fine weather its seems that no damage need be anticipated this spring.

#### Surprise Birthday Party

A number of girl friends gathered in the home of Mr. and Mrs. Frank Martineau on Sunday to give their daughter, Harriet, who has been laid up most of the winter with a fractured leg, a surprise visit to bring birthday greetings and presents. Harriet was pleased to see so many of her friends and thanked them for their kindness.

A regular meeting of the Municipal Council of South Onslow was held April 5th at the usual place of meeting. Present were John McBane, mayor and councillors, K.

Bronson, G. O'Reilly, L. Hobbs, K. Draper and H. A. Kelley.

On motion of K. Draper and G. O'Reilly that the minutes of the previous meeting and also the special meeting be adopted as read.

On motion of K. Bronson and H. A. Kelley that the following bills be paid:

Department of Health, division of public charities, \$157.76; Municipal Forms, 36.91; Canada Paint Co., 137.21; Quyon Farmers' Co-operative, 29.11; Bay Young's Service, \$44.34; Canadian Oil Co., 8.27; James Davis, garage, 3.20; Fred Fraser, gravel, 18.80; Ivan Merrifield, 59.15; Glenn Meredith, 15.60; Allan Meredith, 99.32; Quyon Milling Co., 1.65; License for Machinery, 7.61; Percy Burden, 15.00; Miss M. Fleming, 7.35. (board).

Mr. P. J. O'Hara appeared at the board and presented a bill regarding damages to his truck and on motion of K. Bronson and L. Hobbs that the bill be withheld until legal advice is obtained on the matter. Adjournment moved by G. O'Reilly.

William Dowd., Secretary-Treasurer.

### Demers Centre

Mr. Albert Burnie of Deep River spent the weekend with his parents, Mr. and Mrs. Frank Burnie.

Mr. and Mrs. Bert McGuire of Sudbury are spending some time with Mr. and Mrs. Thomas William McGuire.

Mr. Enos Ryan of Deep River spent the weekend with his parents, Mr. and Mrs. Charles Ryan.

### Bryson

By Len Coyne

#### Scout Mothers Auxiliary

At a meeting of the Mothers Auxiliary of the Boy Scouts and Cubs held at the home of Mrs. Alex Goransson it was decided to hold the Father-Son Banquet in the Town Hall, Bryson, Saturday, May 29. Members present: Mrs. J. L. St. Pierre, Mrs. C. Olmstead, Mrs. A. Durrell, Mrs. E. Keon, Mrs. W. Maloney, Mrs. L. Murtagh, Mrs. B. Carswell, Mrs. J. Careau, Mrs. F. Coyne, Mrs. T. Mathers, Mrs. W. Riebertz.

The hostess, Mrs. Goransson entertained at Bingo and distributed prizes to Mrs. T. Mathers, Mrs. E. Keon, Mrs. A. Durrell, Mrs. W. Riebertz and served lunch to the members.

#### Girl Guide Mothers Association

Local Mothers Association of the Girl Guides met in the Parish Hall, Bryson to elect the 1954 officers, Mrs. Z. Thomas, president; Mrs. W. Riebertz, vice-president; Mrs. Cliff Olmstead, secretary; Mrs. Eldon Keon, treasurer. Other members present, Mrs. F. Coyne, Mrs. R. Johnston, Mrs. J. L. St. Pierre, Mrs. T. Mathers, Mrs. L. Lutella and Mrs. Jack Patterson, Captain of the Girl Guides.

At the regular meeting of the Municipal Council of Bryson it was decided to proceed with the building of a Fire Hall and Tower, on the Town Hall property, as soon as plans and specifications can be secured from the Provincial Government. Through the efforts of Ray Johnston, MLA a grant of 50% towards the cost of these buildings will be made to the Municipality by the Provincial Government. Mr. Johnston was also invited to discuss the location of No. 8 Highway through Bryson with the Municipal Council, as soon as a meeting can be arranged.

At the meeting of the Bryson Municipal Council, Wednesday, the question of the re-organization of the Volunteer Fire Brigade was on the agenda, a number of property owners also attended this meeting. Joseph Rodgers was appointed Fire Chief and a committee, H. Routliffe, A. Poisson, J. Ralston, Charles Le-maire, A. Derouin with Councillor

and resided in Chichester until 1918 when they moved to Pembroke. They resided for some time on Morrisons Island and finally moved back to Pembroke where she resided until her death. Survived by her husband Thomas Fitzpatrick; one son, Henry; and a daughter, Mrs. Leonard Shannon. The funeral will be held on April 13 from the Neville funeral home with requiem high mass at the Cathedral at 9.00 a.m.

The bowling play-offs took place last week with Fr. D. D. Donahue's team winning the cup.

Next week being holy week, which means the closing of Lent, there will be a Social Evening held on Easter Monday. We hope there will be a large crowd from the surrounding district similar to the one that attended last summer.

Messrs. George and William Le-pine, Sr., were called to Ottawa on Friday, owing to the death of their brother, Alec.

Mrs. Edward Chassie and two sons, Kay and Cyril of Ste. Catherine's, spent the weekend visiting old acquaintances in Chapeau.

Mrs. Donat Labine and family have moved to Lake Traverse, Ontario, where her husband is employed.

Mr. Allan Giroux has returned home after having worked in Niagara Falls since early last fall.

Mrs. Owen Gagnon has returned to her home in Chichester after spending a number of days in our new Community Hospital.

J. L. St. Pierre as Fire director were named to reorganize the volunteers for fire-fighting efficiency; Names and positions on the Fire Brigade to be arranged at the next meeting, Tuesday, April 13th.

As soon as re-organization is completed the Hull Fire Department have agreed to send their Fire Director to confer with the Brigade on matters of drill and discipline.

Uranium what a magic word it has proved to be in our district. One property on Calumet Island, valued on Montreal Stock Exchange Saturday quotations at \$3.34 million dollars. Another property ed at 2 million dollars by its on Polish Mountain in Leslie valuation Martin Adams. Many other owners place a like value on their holdings. What fabulous wealth has suddenly come to Pontiac.

### Quyon Council

At a special meeting of the Municipal Council of the Village of Quyon, duly called by written notice and held in the town hall council chamber on Wednesday, March 17th at 8.00 p.m. at which were present, His Worship, Mayor James P. Daley and Councillors, Ernest Perriard, George Bronson, Dr. R. M. Hudson and William Reynolds. The secretary-treasurer was also present. This meeting was called to discuss some general business concerning fire insurance and right away to ferry wharf.

Moved by Councillor Reynolds and seconded by Cr. Hudson that the increase in policy rate on fire truck amounting to \$46.00 be paid to the Ward agency Reg's on policy No. 154945 and policy accepted at

increased rate. Carried.

Moved by Councillor Hudson and seconded by Councillor Bronson that the secretary treasurer be authorized to sell the \$200.00 Bond at Bank of Montreal and Deposit proceeds to cover outstanding cheque on fire hose. Carried.

A letter from the Department of Public Works was presented to the Council concerning approach to the ferry wharf and a resolution proposed by councillor W. Reynolds and seconded by councillor of Municipal Road from John St. E. Perriard that a certain portion to the proposed wharf in the Village of Quyon, situated on the South side of lots numbers 9, 10 and 11 upon the official plan and in the book of reference for the Village of Quyon, County of Pontiac, Province of Quebec and more particularly described on a description and a plan prepared by Marcel St. Marie, Quebec land surveyor, dated on the sixth day of December, nineteen hundred and fifty two, No. 673, be given as a donation to her Majesty the Queen, in right of Canada, acting through the Honorable, the Minister of the Department of Public Works of Canada, and that his worship, the Mayor, James P. Daley and the secretary treasurer, G. K. O'Donnell be authorized to sign the required deed of donation and all accessories and documents on the behalf of the Municipality and that this transfer by Donation of the said portion of the above men-

tioned Municipal Road by the Municipality of Quyon to the Department of Public Works of Canada, be operated by virtue of:

1. Granting a right away to the proposed structure of the Department of Public Works.

2. Giving permission to the Department of Public Works to carry out certain improvements on same if desired.

3. Furnishing a free public and suitable access to the said proposed wharf during the period of navigation and during the existence of the Public Works Wharf.

4. Providing such a roadway which will be maintained by the Department of Public Works only as a public approach to the wharf, but will remain at all times a part of the public roadway. Carried.

Moved by Cr. Hudson and seconded by Cr. Bronson that a vote of Thanks be sent to Messrs. Welch and Johnson for kind services rendered in way of food and sandwiches at the time of fire in Quyon on October 7, 1951. Carried.

Moved by Councillor Perriard and seconded by councillor Bronson that we request the Department of Highways of Quebec to widen the pavement on the North side of Clarendon Street at the sidewalk. Also pave Bristol Lane and on Egan Street from highway to C. P. Railway Station. Carried.

Moved by Councillor Hudson to adjourn. Carried.

G. K. O'Donnell, Secretary Treasurer.

### Shawville Council

Shawville Council met April 5, 1954, at a regular monthly meeting. Present Mayor Cotie and Crs. Young, Black, McKay, Dale, Horner and Hodgins.

Minutes of the last regular meeting read and approved on Motion Crs. Horner and Young. Carried.

The following bills were presented to Council:

W. C. Schwartz, \$147.50; Gerald

Walls, 123.00; G. T. Paul, 80.00; The Equity, 2.00; Hodgins Lumber Co., 11.46; Gatineau Power Co., 169.58; Hilliard Sinclair, 11.50; Public Charities, 182.73; The Ottawa Journal, 22.50; Jean-Louis Muir, 16.35; Habba's Service Station, 34.00; F. Lacourse, 98.93; County Rate, 491.64.

Motions Crs. Young and Black that these bills be paid. Carried.

The Audit for 1953 was presented to Council and Mr. E. Connelly of Wood, McBurney & Co., was present and explained same.

Motion Crs. Hodgins and Dale that the Audit be passed as submitted and that Wood, McBurney & Co., be appointed Auditors for the year 1954. Carried.

Tenders for Construction of Underground Water Tank were opened, read and discussed. Tenders held over.

Cr. Horner gave notice that at the next regular meeting of this Council he will introduce a By-law to raise \$20,000.00 for the purpose of constructing an Underground Water Tank.

It is resolved by this Council that the Village of Shawville commence Daylight Saving Time on Saturday, April 24th, 1954 at midnight. Carried.

Secretary instructed to phone Mr. Lucien A. Masse, Delegate to Municipal Commission, Hull, Quebec re the legal procedure as to raising funds for the proposed underground Water Tank.

Motion Crs. Hodgins and Black that Mr. Joe Laframboise be given permission to build an extension to his house. Carried.

Secretary instructed to send a bill to Mr. Maurice Alary, 6 Leduc Street, Hull, Quebec for the sum of \$25.00 for repairs to Stop Light at intersection of Main and Centre Streets, which was damaged by his truck.

Motion Crs. Horner and Young that this Council give Mr. W. A. Poisson permission to bring his Potato Chip Vending Machine to Shawville, but no parking same on Main Street. Carried.

Major Arthur Hill, Salvation

### Ida Bretzlaff

Miss Ida Selma Bretzlaff, a former resident of Thorne Township died Sunday April 4, while visiting at the home of friends, Mr. and Mrs. William Scullion of Billings Bridge, Ont. Miss Bretzlaff had had the misfortune to break her ankle a couple of weeks ago near her home at Nepean St., Ottawa. After spending a week in hospital she was convalescing a few days at the home of friends. She was in her 44th year.

Born in Thorne, she was the daughter of the late Otto Bretzlaff and Ida Plager. She left home to work in Ottawa 24 years ago and had resided there ever since. Her mother predeceased her less than

two months ago.

She leaves to mourn her passing five brothers, Edward of Shawville, George and Otto of Otter Lake and Mano and Paul of Schwartz; seven sisters, Mrs. Gustave Yach (Emma) and Mrs. Theo Steinke (Freda) of Ladysmith, Miss Hannah Bretzlaff and Mrs. Alfred Wittkopf (Veulah) of Ottawa, Miss Amelia Bretzlaff of Schwartz, Mrs. Herb Brady (Louisa) of Smith Falls and Mrs. Richard Johns (Esther) of Richmond. She was a member of St. Peter's Lutheran Church in Ottawa.

The funeral was held Wednesday afternoon, from the home of her sister, Mrs. Theo Steinke to Zion Lutheran Church, Schwartz, where the service was conducted by the Rev. Eugene Buchler and Rev. A. F. Conrad of St. Peter's Lutheran Church, Schwartz where the service was conducted by the Rev. A. F. Conrad, of St. Peter's Lutheran Church, Ottawa. Interment was in the nearby church cemetery. The pallbearers were Melvin Bretzlaff, Arno Bretzlaff, Gustave Pasch, Freddie Schock, Hilgard Bretzlaff and Alfred Bretzlaff.

Army Public Relations Officer met Council re Grant. Motion Crs. Young and McKay that this Council donate \$150.00 to Salvation Army Public Relations Dept., Girls Home. Carried.

Motion Cr. Dale to adjourn.

W. M. Hayes, Secretary-Treasurer.

## The Cap's Corner

Akela reported that there were 31 on parade at the meeting of the 1st Shawville Pack on March 31st with the Yellows taking away the pennant. Yellow Fang started on the prowl as he had been fed up with the others grabbing the pennant right from under his nose. However, in looking over the Gazette, it was a busy evening with no less than five badges passed as well as the completion of three First Stars. And that does not take into consideration the other tests. The Pack is now getting ready for the rally, picking their teams and finding out who is the fastest Knotter, etc.

Akela is waching to see who she will pick for the Flag Bearer and two Cub Guards for the Church Parade on the 25th.

The Commissioner had the pleasure of having lunch with eight Lone Scouts on Thursday last and invested them with their Tenderfoot Badge. These are boys who live too far from where a regular organized Group is located and Mr. Jack Tolhurst, Asst. District Commissioner for Scouts is teaching them Scouting. These eight have just finished their Tenderfoot work and are starting their 2nd Class work. Once before a Lone Patrol was formed in the old School but now it is expected that there will be three Patrols of six Scouts in each. These boys come from places, mostly farms, in a radius of ten miles and have no opportunity of learning this Game of Scouting. We are looking for-

ward to further developments in this department in the near future. This is a very creditable undertaking and has been brought to the attention of the Provincial Commissioner. These boys already have started on their signalling and it is hoped that they will attend the Pontiac District Rally on May 24th. Their names appear in the Scout Gazette and it is hoped that more will join in with these chaps. Now that they are re-registered Tenderfoot Scouts, they will each put a sign up on their gate, "A Lone Scout Lives Here". See how many of these signs you can spot when you are out fishing this spring.

Mr. Elmer Wall, the Bryson Scoutmaster paid a visit to District Headquarters the other day and brought in a list of the work done in their Troop and it makes a very creditable showing. He says that

he expects to have a Queen's Scout very shortly which is just splendid and will be Bryson's first Queen's Scout. This is nice work Elmer and congratulations. They are working hard to get ready for the Rally.

A later report from Akela regarding Cub meeting on the 7th shows that there were 32 on parade and that they had four Wolf Cub Instructors helping them. This is just fine and the result was that not only were there a number of tests passed and investitures made, a half an hour was spent on signalling, each boy taking a chance at the flag language. Most of the Cubs who have gone up to the troop have been able to pass their signalling very easily which shows the excellent instruction they are receiving as Cubs. The Green Six won the pennant for the week, but will they hold it? See next week for a further report.

The Certificates, Vouchers, Medallions and Labels have all been received at Scout Headquarters and a formal presentation will be made very shortly when the Scout Mothers' Auxiliary arrange for the meeting. All those who tried and were recommended were confirmed by the St. John Ambulance Association. There are now 62 graduates of the various classes as follows:- 39 Certificates, 11 Vouchers, 10 Medallions and 2 Labels. This is a very fine showing and all those who hold these credits are available for emergencies if called upon. The St. John First Aid and the Ground Observer Corps constitute a major coverage for Civil Defence in this area.

The 1953 Annual Report of the Quebec Provincial Council has just been received and shows an alltime high of 11,522 boys and scouters registered. This is an increase of 1177 over last year. In this total it is interesting to note that Pontiac District now have 215 Registered members broken down to 77 Wolf Cubs, 81 Boys Scouts, 27 Rover Scouts and 30 Scouters in 4 Groups, Quyon, Starks Corners, Bryson and Shawville. The record shows too that the Shawville Rover Crew is the largest Crew in the Province of Quebec. This is very gratifying and goes to show that our Senior Program is attractive and we are not losing our trained boys. This speaks well for the Unit Scouters to whom credit is due for this splendid work. While Scouting was reorganized in Shawville in the fall of 1948, starting with 5 boys, the District of Pontiac was not Chartered until November 1949 and the Annual Report for the Province for 1949 shows only 61 all told in two Groups, Shawville and Campbell's Bay; the latter Group later did not function and is not current today. However Bryson has a Patrol that come from Campbell's Bay every week. Later Bristol had a Troop but ceased to function when the S.M. was moved away and again there are boys who come each week to the Shawville Pack and Troop. What is there in Scouting that attracts members like that? At the Coronation Council Beacon Fire, there were 257 who participated including Cubs, Scouts, Rovers, Brownies, Girl Guides and the C.G.I.T. members. As a result of those activities we have a new Group of Cubs and Scouts in Starks Corners and Girl Guides and Brownies in Shawville. Mr. B. W. Roberts, O.B.E., President of the Quebec Council gives the message in part: "It is most important that every Group Committee and Council Member makes sure that he is doing his part. Committee and Council work is a part played in the background, but it is a very important part indeed. To those who have done so well our thanks for a fine piece of work."

Mr. G. Robley Mackay, the Provincial Commissioner sent this message:- I have two districts in mind as I write; the cardinal features in each is that leadership has taken the initiative. Cubs, Scouts and Rovers are flourishing and the District Council is behind the Commissioner in a splendid exhibition of team work, all backing the Scouters. A well-balanced Scouting program must stress the Spirit of Scouting with emphasis on the Good Turn and under the inspiration of the Scout Law. The Boy's mind must be kept active through our system of badge work and activities. Furthermore, camping, hikes, and outdoor events must be planned with imagination so that all in all a boy in the few years he has with us will really grasp what Scouting is all about to a degree that he will never forget. What we need primarily in our leadership is a deeprooted belief in Scouting. Given this and a bit of imagination, the results are truly amazing. These results show up in the reports submitted by these two particular districts because the searching questions we ask are bound to bring out the facts. Each district has its peculiar opportunities as well as limitations. Let 1954 be a year of further horizons.

Pontiac District has done well and the District President wishes to thank all those who helped to make it so. However we can not stand still but must go forward or backward. We have ahead of us our Civil Defence work through our Ground Observer Corps and St. John Ambulance activities. Our Rally on May 24th next for all members of the Pontiac District in which each and everyone has a part. Camping, hiking, keeping the OUT in Scouting throughout the year which results in badges being earned, along with and above all our Good Turns, both individual and Unit, which primarily helps someone else. Let us in Pontiac carry out the ideas of our late Founder; "Let us make this world just a little bit better for us having been here". Well done, Pontiac! may each and every one have Good Hunting in 1954.

The Shawville Troop has a double issue in the Gazette this week, some held over from their last meeting and not received in time. All particulars of meetings should be in not later than Saturday.

One of the outstanding features is the appointment of Mr. Clarence Dean, formerly Chairman of the Group Committee as Rover Scout Leader. This has been confirmed by Provincial H. Q. and his registration card has been received. One of his first duties will be to lead his Rovers to Church Parade on St. Georges Day when they will attend the Anglican Church.

The Ground Observer Corps is continuing to grow and a number of applications have been sent to Area Headquarters, Brockville for registration. They are trying to get everything in shape for the Wing Parade on April 22nd.

District Headquarters was favored with a visit from Mr. Edgar Moses who has just returned after spending the winter in Florida where he tried out for either the Kids or the Cubs but found out he had to be 75 to qualify. His playing ability was O.K. but lacked the necessary years. Mr. Moses is presently the Scoutmaster of the Quyon Troop but it is expected there will be further news of considerable importance next week. We are very glad to have you back Edgar.

### Public Notice

A Public Notice is hereby given by the undersigned secretary treasurer that the Municipal Council of the Municipality of the south part of the township of Onslow. At a regular meeting held April 5th, 1954, that by-law No. 33 be enforced regarding dogs, enacted as follows:

An annual tax for each dog, \$1.00 for male, and \$4.00 for female dogs, is by these presents imposed upon every owner or possessor of a dog, male or female.

In the limits of the Municipality the said tax to become due and exigible on the first of May of each year, and will be payable at the office of the secretary treasurer of the Municipality. The owner or possessor of dogs, male or female will be compelled to declare to the secretary-treasurer, the number of dogs under his care, and upon his default to make such a declaration, will be liable of a penalty of \$10.00, receivable by the Municipality for the benefit of the compensation fund.

Wm. Dowd, Sec.-Treas.

### In Memoriam

Henderson—In fond and loving memory of a dear mother and grandmother who passed away April 5, 1952 also a dear father and grandfather who passed away April 11, 1944.

We do not forget you, nor do we intend.

We think of you often and will to the end.

Gone and forgotten by some you may be

But dear to our memory you ever will be.

—Sadly missed by daughter (Ruth) Mrs. Mearl Woolsey and family and Arnold. x

Surgeon—In loving memory of John Sturgeon who passed away April 20, 1953.

Every hour I miss him.

Sadly do I feel his loss.

Lonely is my home without him.

Help me, Lord, to bear the cross. —Wife Emma.

Henderson—In loving memory of a dear mother, Mrs. Wm. Henderson, who passed away April 5, 1952, and dear father, Wm. Henderson who passed away April 11, 1942.

As we gaze on your pictures that hang on the wall,

Your smiles and your welcome we often recall,

We miss you and mourn you in silence unseen;

And dwell on the memories of days that have been,

Dear are the graves where father and mother are laid

Sweet are the memories that never will fade

Flowers may wither, leaves fade
