

HUNTINGDON HAS NEW GARBAGE COLLECTION TRUCK

Above is a photograph of the new garbage collection truck recently purchased by the Town of Huntingdon and soon to be seen in service. It is painted white with black lettering, so will be easily recognized when once it makes its rounds. In the top photograph taken on Monday, Mayor Leo Cappiello is seen handing the keys of the truck to Town Foreman Philbert Lanvin. Also with the Mayor are the Aldermen of the Town. The lower photograph shows the rear of the truck and where the garbage is loaded. The garbage is emptied into a conveyor that compresses it all into the smallest space before depositing it into the body of the truck. All the garbage is thereby gathered into a small space and cannot possibly fall out of the truck which has an enclosed body. This makes for a sanitary collection at all times throughout

the year. It also makes it much easier for the men as they do not have to throw the cans up onto the truck to empty them. Take a look at it some time when this truck is doing the job of garbage collection. It is another step toward doing a better job for our town.

LADIES OF STE. ANNE ANNUAL MEETING

On Sunday, at the five o'clock Mass, five new members joined the congregation. After Mass, all members were invited to a supper in the hall. Despite the stormy weather which prevailed, 75 ladies were in attendance.

The reports of the year were read and approved. In 1965, four of our members left this world for a better one.

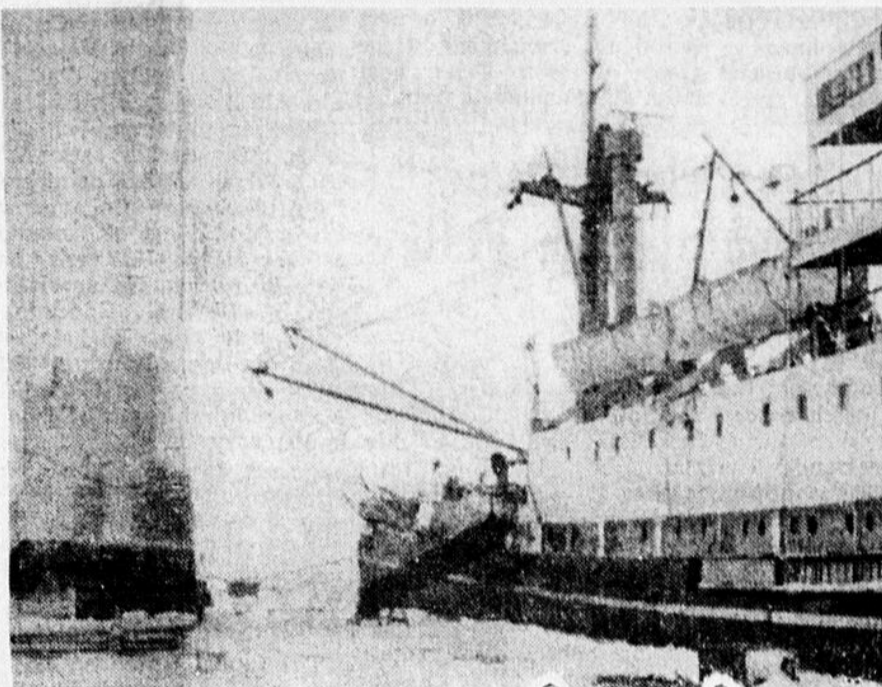

The finance committee reports that 80 pairs of shoes and 40 pairs of overshoes were distributed to needy children. On several occasions, flowers were bought to decorate the main altar of the church. The Lino and food sale held last October was a great success; its proceeds will enable us to continue helping the needy children of the parish.

The committee for the current year has been nominated as follows:

President, Mrs. D. McIntyre; 1st vice-president, Mrs. J. Roberge; 2nd vice-president, Mrs. E. Duhaime; treasurer, Mrs. E. McDermott; secretary, Mrs. L. Ouimet.

Mrs. Daigle invites all the ladies who wish to do so, to join the group of ladies who come every Thursday after- (Continued on page 3)

HUNTINGDON HIGH SCHOOL STUDENTS VISIT RUSSIAN SHIP

Above on the left is the Russian ship "Lena" which is in port at Montreal and was the object of a visit from students of Huntingdon High school, on Sunday, January 30th. The trip was made under the Operation Scholarship Plan. On the left of the picture will be seen the school bus which took the students and is dwarfed somewhat by the ship. The

picture on the right was taken in the Recreation Room on the ship. From left to right are: Lois Lowenberger, Florence Stote, Nancy Grant, Diane Brockman, Marilyn Donnelly, Beverly Jamieson, Russian Mate, Wanda Goundrey, Brenda Baird, Joy Hayter, Sharon Pringle, Donna Hayte, Martha Chodat. See story elsewhere.

Operation Scholarship Takes In Visit to Russian Ship

Forty-three students and three teachers from Huntingdon High School were welcomed and entertained aboard the Russian ship, the Lena, on the afternoon of January 30.

The event was the seventh excursion of Operation Scholarship, an innovation approved by the Protestant Commissioners in 1962 as a means of rewarding those students from Grades 7-11 who achieve scholastic standing on the Christmas and Easter reports.

Although communication was a problem since very few of the crew members knew any English or French, and none of the Huntingdon pupils knew any Russian, one of the Russians had enough English to give some statistics on the ship.

The Lena is of that class of Russian vessel which carries ice-breaking equipment. It can make its way through ice up to four feet in depth. For the last several days they have been loading structural steel in Montreal, which they will be delivering to Antwerp on the return voyage.

The crew numbers about 70, a few of whom are students learning seamanship. Misfortune had visited the night before when one of the men fell overboard and was drowned. Some of the Huntingdon group commented on the cordiality of their welcome in view of the tragedy that had taken place the night before.

The students were divided into three divisions and given a tour of the main points of interest on the boat, including the bridge, the chart room and another room overlooking the engine room. The boat is driven by three diesel engines.

Senior Citizens Club Assured For Ormstown

Twenty-four interested citizens attended the meeting Tuesday afternoon in the Town Hall, Ormstown, for the purpose of forming a Club for Senior Citizens.

After a great deal of discussion it was decided to elect an executive in order to carry on future plans for the establishment of a club. Mrs. Geo. Henry was named President by Mr. Romeo Brunet as Vice-President. Mrs. Margaret Graham was elected Secretary. Treasurer and Mrs. Roland Anderson will act on the executive as the representative from the Community Center.

It is hoped that the Community Center will lend support to the Senior Citizens in their effort to establish themselves as an organized group.

A Work Committee headed by Mr. G. Elliott, Mr. Lionel Brunet, Mr. Newton Elliott, Mrs. John McCaffrey and Mrs. C. McGerrigle will plan the ways and means of financing and organizing. All persons present donated a dollar as a sign of good faith in the project, such amount to be deducted from a membership fee when the decision on a proper amount is established at a future meeting.

The meetings will be held in the Oddfellows Hall which will be rented at a nominal fee of twenty-five dollars a month. An appeal was made for donations of furniture, books, games, etc. so that the club may become a reality at the nearest possible date. There are no funds at present for such a project and this much needed service must be supported by any and all interested persons whether they call themselves Senior Citizens or not.

We shall report the further progress of the Ormstown Senior Citizens' Club.

80th BIRTHDAY

Mr. James Burditt of Fort Covington, N.Y. celebrated his 80th birthday on Tuesday, January 18 at his home there.

Among those who attended were his wife Mary Burditt and sons, Robert and James, at home; Mr. and Mrs. Leo Burditt, Linda and Bruce of Massena; Mr. Donald Burditt, Deb- ert Gray, Karen and Robbie of Fort Covington.

Mr. Burditt was born at La- guerre, Quebec, on January 18, 1886.

BARGAINING RIGHT SOUGHT BY SYNDICATE

The Syndicate of Huntingdon Textile Workers (CNTU) has applied to the Quebec Labor Relations Board for recognition as bargaining agent for employees of two textile firms at Huntingdon.

The union says it represents a majority of the 600 workers employed by the two firms.

The companies are Cleyn and Tinker, Limited, and Model Dye Works (Canada) Limited.

The application, which may take several months to hear, was deposited before the board last Wednesday.

Mail Carrier For Twenty Years Dies

Death occurred on Tuesday of Armand Caza of Wellington Street, Huntingdon, who has been a mail carrier for the past twenty years. He was taken sick about two weeks ago and was a patient in the Huntingdon County Hospital when he died.

His duties were to pick up the letters from the various mail boxes around the Town of Huntingdon and he also had a mail route up the Ridge Road to Coffey's Corners and the Back Ridge. He had never missed a day in twenty years until he was taken sick. Postmaster Jim O'Hare says he was the most reliable man it would be possible to find.

He leaves his wife to mourn his loss.

ORMSTOWN LEGION NEWS

A card party was held recently in the Legion Hall.

Following were the prize winners: Ladies 1st, Mrs. A. McGill; Ladies 2nd, Mrs. T. Begbie; Gents 1st, Mr. K. MacDonald; Gents 2nd, Mr. A. Gruer.

Key prize winners were: Mrs. W. Baird, Mrs. H. French, Mr. W. Hoyer, Mr. G. Elliot.

Door prize winners were: Mr. G. Elliot, Mr. W. Hoyer, Mrs. W. English, Mr. D. McEwen, Mr. J. Conley.

Drawing prize winners: Mrs. R. Kerr, Mr. G. Hebert, Mrs. Elliot.

Comrade Margaret Wright thanked everyone for making the evening a success and hoped to see everyone on February 16th.

INTERESTING FILMS BY BIBLE SOCIETY

Dr. R. Stuart Johnston, Director of the Montreal branch of the Canadian Bible Society will be showing two films next Sunday evening, February 6th at the Church of the Nazarene, Hunter St., Huntingdon.

The first film, "Another Beatitude", depicts life in India and will be shown at 6:45 p.m. The second film, entitled "So Great the Light" will be shown at 7:30 and describes the work of the Bible Society on behalf of the blind throughout the world.

All are invited to attend these showings and to encourage the work of this Great Society.

Legion Sponsors Another Successful Teen-Age Dance

The second Teen-Age Dance to be held there was held at the Legion Hall, Huntingdon Friday evening, January 28. With an attendance of 102, this event was apparently just as successful and enjoyable to the participants as was the first one. At any rate there was scarcely a dull moment so to speak in so far as one dance seemed to follow the other in almost rapid succession, to the music selected by Disc Jockey and M. C. Gary Thompson and his assistant George Halychuk, Jr. Altogether, as before, it was a happy, carefree, decorous event.

During the course of the evening several spot-dances, or actually "Good-Will" gestures whatever the Teeners call on the part of the Branch, in some, were staged with the prizes being records donated charged barely covered the by Mr. Douglas Stephen of Braithwaite Bros. Mrs. Isabel incidental expenses.

As before, this event was organized by Huntingdon Branch of the Royal Canadian Legion's Teen-Age Dance Committee which is comprised of Messrs. Reg. Daniel (convener) and John J. Cappiello, President of the Branch; Mrs. Anne Cameron, 1st Vice-President, and Mrs. Winifred Napier, Convener of Refreshment Committee, both of the Branch, with representatives of the Student Councils of the schools concerned in an advisory capacity. In respect it might be emphasized that both events were actually "Good-Will" gestures whatever the Teeners call on the part of the Branch, in some, were staged with the prizes being records donated charged barely covered the by Mr. Douglas Stephen of Braithwaite Bros. Mrs. Isabel incidental expenses.

March of Dimes Blitz Held Despite Weather

MARCH OF DIMES BLITZ — continuing by mail. In addition to the \$137, previously reported another \$130, was received up to January 29 in cluding donations from the following:

\$25 — Mrs. E. M. Wood, \$10 each — Mrs. Dorothy Currie; Wilfred Grant; I.G.A. Shop and Save; two anonymous donors.

\$5 each — J. A. Blake; K. M. Ferns; Braithwaite Bros.; Erle C. Martin; Thomas O'Connor; (Continued on page 4)

Huntingdon Agricultural Society Holds Annual Meeting

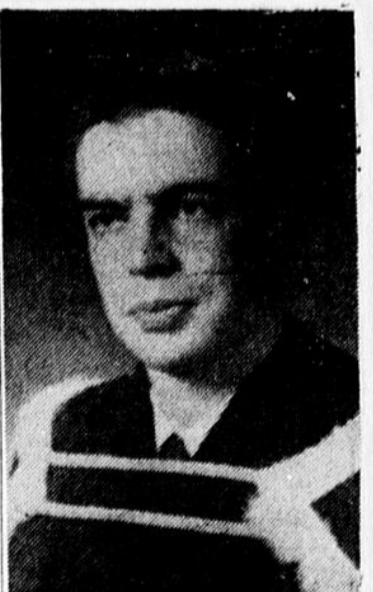

The annual meeting of the Huntingdon Agricultural Society Division "A" was held on Tuesday evening at the Council Building, Huntingdon, with a fair attendance.

Not much business was done except to elect the officers and directors and to set the dates for the 1966 Fair. These dates will be September 1, 2 and 3. The financial statement was not read, but the Secretary, Thos. W. Brooks reported a good year for 1965. Another meeting will be held in February.

The following officers were elected for the ensuing year — Hon. Presidents, H. W. Rick Danville, Que.; Mrs. Anna Bernhardt, Chatham, Ontario, President, Stanley Reid, 1st Vice-President, David McCoy, 2nd Vice-President, Henry Wallace, Secretary-Treasurer, T. W. Brooks.

The following directors were also elected — Mrs. Wm. Jamieson, Mrs. Ivan Graham, Ross Irving, Grant Whyte, Spencer Gavin, Louis Plante, Dan Murphy, D. McGerrigle Jr., Jon Proudfoot, C. J. Kyle, Arthur Rankin, George Davies, Bill MacDonald, Russel MacDonald, Leslie A. Sanderson, Mervin Graham, Sherman Robb, Reg J. Taylor, René Sauvé, William Tannahill, Henry Bonenberg.

Official Agronomes: L. A. Beaudin and Clifford McGee Huntingdon. Official Veterinarian: Dr. J. S. Gaw, Huntingdon.

STANLEY REID new President Huntingdon Agricultural Society Div. "A".

W. O. Carcaud, To Address Annual Ayrshire Meeting

The 95th Annual Meeting of Lindwood Farm, Bedford, N. the Ayrshire Breeders' Assn., Vice-President, Atlantic of Canada will be held Winter Fair; Roy Snyder at the Royal York Hotel, To- Guelph, Ont., Secretary of the Canadian and Ontario Association of Animal Breeders and Chairman of the Annual Meeting will be Donald MacIntyre, Dale Farm, Richmond, Ont., a well known Ayrshire exhibitor.

Guest speaker at the noon-time luncheon will be W.O. (Bill) Carcaud, of Melbourne Acres Farm, St. Chrysostome Que. Mr. Carcaud has a herd of 120 Ayrshires on his 500-acre farm. He is currently President, Montreal Farmers Club and Vice-President of the Frank W. Horner Ltd., Montreal, Manufacturers of Pharmaceuticals.

During the afternoon there will be a panel discussion on "How We Can Best Promote the Ayrshire Breed With The New Showing Classification". The moderator will be Mr. Clare Burt, Brampton, Ont., well known farm news writer and broadcaster. The panel members will be: R. O. Biggs, Dundas, Ont., Chairman, Dairy Cattle Committee, Royal Cattle Winter Fair; Alex Lamond

Weekend Winter Storm Ties Up Traffic Closes Schools

The weekend saw a heavy snowfall added to that of a storm a few days before and banks of snow and snowdrifts have been mounting in all areas. While districts around had suffered much more inconvenience than we in this area, our time was yet to come.

Thus it was while snow continued to blanket the countryside at the weekend, a wind on Sunday really started trouble. During the night the violence of the wind increased and snow continued to fall so that everyone awoke to find almost everywhere was locked by drifted snow. Fortunately temperatures had gone a little higher than a few days previously, or it would not have been possible to have braved the outdoors.

On Monday morning, travel came to practically a complete standstill. Cars moved around town and along some highways and bus service was maintained to and from Montreal. Secondary roads were not in condition and school buses were cancelled and schools in the area were closed. There were many late arrivals at work and also some absentees, due to various reasons that they could not travel. Being the weekend, some people had made trips to outside points and had been unable to return due to storm conditions. Taxicabs were accepting town calls only and they were kept quite busy, but no outside trips were made.

The storm continued all day Monday with intermittent snow and gusts of wind which blew it with driving force. Snow plows were busy all day trying to keep the roads open as far as main highways were concerned and those roads in and around town, it was an almost hopeless task, as fast as they were cleared they blew in again. Toward late afternoon the storm subsided somewhat and the wind decreased in velocity. By evening people everywhere were working hard to get driveways and walks into their homes cleared so that they might have free access to and from. The wind kept up all through the night blowing and drifting the snow and a continued light snowfall. However, the hard core of the storm had abated and on Tuesday morning things were gradually returning to normal once more. Country roads were still blocked and schools in the area remained closed for yet another day. Meanwhile work started to clear the secondary roads for travel to the main arteries.

A large number of the staff of The Gleaner were prevented from getting to work on Monday and in consequence things were slow moving. Some mail was late in arriving so it is possible that certain news will not appear in this issue. Under the circumstances we must do what we can and get the newspaper out in-time.

MacFarlanes of Howick Complete High Ayrshire Records

R. Brodie MacFarlane and Robert W. MacFarlane, cousins who operate neighbouring farms on the banks of the English River at Howick, completed a number of outstanding Ayrshire R.O.P. records during the past month. Both are moderate sized family farms that have been operated by the MacFarlane families for a number of years. Brodie has a 25-cow Ayrshire herd which he established twenty years ago and Bob has a 30-cow herd which he established a year later.

The current issue of the Canadian Ayrshire Review lists the high producing records completed through Canada during the past month. There are seven cows from Robert W.'s Rockford Farm and four cows from R. Brodie's Marbrae Farm herd with B.C.A.'s of 150 or over. An outstanding achievement for so many high records to be completed at one time in herds of this size.

Breeding and developing superior Ayrshires is not new for the MacFarlanes. They have been building up their herds for a number of years and now have two of the highest producing herds in the area. Brodie qualified for the Superior Breeder award last year and Bob qualifies this year. It is awarded by the Ayrshire Breeders' Association of Canada in recognition of breeding superior animals based on R.O.P. performance and classification ratings.

The current R.O.P. records in each of the herds include the following: **Rockford Farm, Robert W. MacFarlane** There were two cows in the mature class that completed lactations, Rockford Sky Honey and Rockford True Kathleen. Sky Honey produced 6,490 lbs. milk, 657 lbs. fat in 323 days with B.C.A.'s of 157 and 154. She is classified Very Good and her sire is Marbrae Royal Choice.

There are two young cows from this herd who completed high lactations during the past month, Snowflake II and Marbrae Sugar. Snowflake II is the second high producer in the senior 4-year-old class for Canada with her yield of 15,862 lbs. milk, 583 lbs. fat in 305 days with B.C.A.'s of 189 and 168. She continued milking for 318 days producing 16,070 lbs. milk, 590 lbs. fat. Brodie obtained her as a heifer from his uncle A. O. MacFarlane, Howick and her sire is Marbrae Skymark. She is type Classified Excellent. Marbrae Sugar is the highest milk producing 2-year-old for the month in Canada. She produced 15,604 lbs. milk, 535 lbs. fat in 305 days with B.C.A.'s of 214 and 177. She continued milking for 348 days yielding 16,891 lbs. milk, 576 lbs. fat. Her sire is Carnell Easther Lad and she is classified Good Plus.

The March of Dimes Blitz which was scheduled in Huntingdon for Monday evening, was held despite the weather conditions and the Mothers braved deep drifts and the elements and must have had quite a time struggling through the drifts to gain entrance to many of the homes. At this time, many were only just getting out from under. All faces were not canvassed, so those who were missed are asked to forward their contribution to Mrs. Ann Cameron, who is in charge of the campaign. The campaign will be continued until February 15th, in order to give all a chance to make a contribution.

Canada's textiles and clothing industry employs about 190,000 workers, the largest force in any section of manufacturing.

 TOWNS - In loving memory of Ann who was taken from us suddenly, Feb. 5, 1943. "Softly the leaves of memory fall Gently we gather and cherish them all," Always remembered Mother and Daddy

Cards of Thanks
 A sincere 'Thank You' to Dr. Cameron and the nurses and staff of the Huntingdon County Hospital for the excellent care and attention given us while we were patients in the hospital.
 Melba and Kevin Cook
 I would like to express my sincere thanks to Dr. Cameron and the nurses and staff of the Huntingdon County Hospital; also sincere thanks to Dr. McCallum and the nurses and staff of the Barrie Memorial Hospital for their excellent care and kindness shown me while I was a patient there. Many thanks to relatives and friends for all the lovely cards and gifts and welcome visits. These kindnesses will always be remembered.
 Mrs. Margaret Stark

Cards of Thanks
 We wish to extend our sincere thanks to Dr. Cameron and nurses for the good care given our brother, while a patient in hospital, and also to the many friends who visited him.
 Jas. Finlay Morrison
 Mrs. Margaret Storm
 We wish to extend our sincere thanks and appreciation to our relatives and many friends for their thoughtfulness and generosity in sending gifts and cards, making our 50th Wedding Anniversary (Golden Wedding) a most happy occasion.
 Mr. and Mrs. John C. Barr

Obituary
 The Late W. G. Morrison
 Mr. William G. Morrison, 73 of Elgin, died Friday, January 21st, at 1:30 p.m. in the Huntingdon County Hospital, where he had been a patient since January 3rd. He had been in failing health since last summer when he suffered the first of three strokes. He entered the Montreal General Hospital on December 1st for therapy and was a patient there until December 22nd when he went to the home of his sister, Mrs. H. W. Storm, at Port Covington, N.Y.
 The deceased was born June 17, 1892, in Elgin, a son of the late D. C. and Ann Segar Morrison, and spent his entire life in that area. He conducted the home farm until his retirement. He attended the Elgin Presbyterian Church.
 Surviving besides his sister Mrs. Storm, are two brothers Finlay of Elgin and Harry of Nanoose Bay, Vancouver Island B.C.
 The funeral was held from the Kelly Funeral Home at two p.m. on January 24th. The Reverend Robert Cunningham officiated. Interment was in the Elgin cemetery.

Successful in Music Exams
 Four of Miss Gilberte Demers' music pupils have attained success in the National Conservatory of Music exams

Demonstration School Draws Large Attendance From Valley At Ormstown

A unique event in the life of the United Churches in the Chateaugay Valley has been going on for four days during the past two week-ends. The event called a Demonstration School, was held in St. Paul's United Church, Ormstown. A Demonstration School is a specialized training experience for Sunday school teachers. The Ormstown school was attended by delegates from many of the United Churches in the Valley.

A significant characteristic of this School was that it was staffed largely by local people. Usually, because of the specialized aspect of Demonstration Schools, they are staffed by specially trained people from Church headquarters. The Ormstown school, however, was the result of the labour and planning of a dedicated group of Valley people, who have been working on this Demonstration School since about last September. Some of these local people were:

Chateaugay: Mrs. Irene Stevens and Mrs. Woodhouse. Publicity, Rev. Howard Fraser, team teacher, with Mrs. Stevens.
Valleyfield: Rev. Richard DeLorme, Consultant.
Ormstown: Miss Vera Ruthford, recruitment of children. Mr. Everett Arnott, Christian Education Committee and Hi-C. Rev. A. Loree, host minister. U.C.W. ladies, in charge of light meals. Mr. Allan English, Supt. Sunday School. Mr. Jim Winter, C.E. Committee. Mr. Doug Sproule, properties.
Hemmingford: Mr. Ron Lee, Registrar. Rev. Gord. Ficko.
Franklin Ctr.: Rev. Dale Stover.
Dundee: Mrs. Alma Fraser.
Huntingdon: Miss P. W. Rowles, Co-ordinator and team teacher. Mrs. Henry Lowenberger, team teacher. Rev. H. Lowenberger, Co-Director and

Cards of Thanks
 We wish to extend our sincere thanks to Dr. Cameron and nurses for the good care given our brother, while a patient in hospital, and also to the many friends who visited him.
 Jas. Finlay Morrison
 Mrs. Margaret Storm
 We wish to extend our sincere thanks and appreciation to our relatives and many friends for their thoughtfulness and generosity in sending gifts and cards, making our 50th Wedding Anniversary (Golden Wedding) a most happy occasion.
 Mr. and Mrs. John C. Barr

which were held in Montreal last Thursday. First Class Honors in the Superior Diploma were obtained by Martha Armstrong, Lois Ann McCoy and Gary Blake. Scott Duheme received Honors in the Intermediate Diploma course. Congratulations!

Against The Law
 Probably because the storm brought more snow than usual but several snow skis or sleds, whatever they are called, have been travelling around the streets of town of late. Chief L'Heureux reports that these machines are not allowed on the streets and owners should not drive them on the streets of town. Better bear that in mind and avoid trouble.

Valleyfield Teacher Killed In Accident Near Howick

People throughout the Chateaugay Valley were shocked when they heard of the death of Mr. Burns Garfield Leckey, who was killed in an accident on Wednesday evening, January 26th.
 Mr. Leckey and some of the senior boys of the Gault Hockey Team were returning from a hockey game held at Howick, when his car hit an icy patch in the road and went out of control. Two of the boys, Bob Shaw and Gary Halpin were injured and were taken to the Barrie Memorial Hospital. Mr. Leckey died as a result of the accident.
 Born in Chipman, N.B., in 1928, Mr. Leckey attended High School at that point and later Teachers' College at Fredericton. He took summer courses at the University of New Brunswick. He specialized in Physical Education, working toward a Bachelor of Teaching Degree. During 1952-53 he was principal of the Namur Intermediate School, in Papineau County and then returned to New Brunswick.

The annual March of Dimes Campaign sponsored by the Royal Canadian Legion, Ormstown Branch 196, is being held from February 1 to 5.
 Once again we are asking for your help in this worthy cause. Some of us may realize what good the March of Dimes is by having to call on them for help, but others may say "Why should I give - I don't need their help." Please be thankful you haven't needed it but please help others who haven't been so fortunate. We do not ask you to give more than you have, just give what you can.
 Please give when a canvasser calls at your door during this week and feel that you are helping make someone's life worth living.
 Anyone wishing to send a donation may do so by sending it to Royal Canadian Legion, Ormstown, c/o Mr. Alan Burrows or Mr. Wesley Cairns.
 Due to the unusual amount of snow in town the Royal Canadian Legion would ask the indulgence of all Ormstown residents re. the March of Dimes. Most of the canvassers are ready and willing to call at your home, but it may not be possible to do so until some of that beautiful white stuff has been removed from the streets. Most mothers on the March do so the old fashioned

throughout the Demonstration School, to illustrate the teaching and learning principles of the New Curriculum. However, by repeated usage, these words soon became the "stock-in-trade" of the delegates. Some of these words were: Process, Content, Setting, Evaluate, Plan, Observe, Christian nurture or growth and the "total person" involved in learning.

Valleyfield

(by Nancy Molyneux)
VALLEYFIELD - Mrs. C. McCuaig, Mrs. A. Wilson, Mrs. A. Chaplin, Mrs. K. Denis and Rev. R. H. Delorme have attended the United Church Demonstration School in Ormstown on the past two week-ends. A special church service was held on January 30 in the Valleyfield United Church in connection with Christian Youth Week. The service was conducted by Rev. R. H. Delorme. The Old Testament lesson was read by John McCuaig and the New Testament lesson was read by J. Erhardt. The Responsive Reading was led by Neil MacLean. The sermon was given by Mr. Gary Grant, a leader of the Kairos Group of the Montreal West United Church. The members of the C.G.I.T. group were present in uniform. The Intermediate Choir sang the Anthem "The Lord's My Shepherd".
 The Eastern Star held a card party at the Masonic Hall on Friday evening, January 28, in aid of Cancer Research. Although there weren't as many people present as was hoped the proceeds were very good. An enjoyable evening was had by everyone present. Delicious refreshments were served.
 Mr. and Mrs. C. Johnson Charlene and Dorothy were Sunday guests at the home of their daughter and son-in-law Mr. and Mrs. Wm. Mainguy of Beauport, Que. They attended the christening of their grandson, David, at the Beauport United Church.
 Get well wishes are extended to Bob Shaw who is a patient in the Barrie Memorial Hospital, Ormstown, following a car accident last Wednesday evening. Get well wishes, also to Mr. Gary Halpin who is also a patient in the Barrie Memorial Hospital.
 Mrs. Violet Whalley is a patient in the same hospital and we wish her a speedy recovery.
 fathers are complaining about the Father and Son Hockey Game usually held at the Notre-Dame Carnival - it seems that when the game started a few years back, the boys were all 10 and 11 years old, now they are all 14 and 15 and getting a little too fast for the old men, who are also 3 or 4 years older - the Arena's Rink Rump will be held Feb. 20 in the evening - eating, dancing, skating, hockey and broomball will be the order of the day - Harrigan's Hurricanes won twice last week - 5-1 over the Law Enforcers on Thursday, and this was quite a switch - they beat the inmates of the Valleyfield Jail 4-1 on Sunday - by the way the game was played inside the jail - the Hurricanes were a little put out, it seems that every time the ball went over the wall, they had to go and get it, their opponents weren't allowed to - Art Murphy led (Continued on page 4)

March of Dimes In Ormstown Feb. 1st to 5th

The annual March of Dimes Campaign sponsored by the Royal Canadian Legion, Ormstown Branch 196, is being held from February 1 to 5.
 Once again we are asking for your help in this worthy cause. Some of us may realize what good the March of Dimes is by having to call on them for help, but others may say "Why should I give - I don't need their help." Please be thankful you haven't needed it but please help others who haven't been so fortunate. We do not ask you to give more than you have, just give what you can.
 Please give when a canvasser calls at your door during this week and feel that you are helping make someone's life worth living.
 Anyone wishing to send a donation may do so by sending it to Royal Canadian Legion, Ormstown, c/o Mr. Alan Burrows or Mr. Wesley Cairns.
 Due to the unusual amount of snow in town the Royal Canadian Legion would ask the indulgence of all Ormstown residents re. the March of Dimes. Most of the canvassers are ready and willing to call at your home, but it may not be possible to do so until some of that beautiful white stuff has been removed from the streets. Most mothers on the March do so the old fashioned

DUNDEE U.C.W. Meeting
 The January meeting of the U.C.W. was held last Wednesday afternoon, at the home of Mrs. C. Platt, who served dessert as members arrived. As president, she opened the meeting with a poem which included the words "Take some time along the way to count your blessings and to pray".
 This meeting being a study of Trinidad, for roll call, members answered by showing a picture about life in that island. Several cards of appreciation were read and passed around. A suggested programme for the year was read and accepted. Mr. Carpenter then stressed the importance of fellowship within the church and urged that a get-together be held in the near future.
 Two books are to be purchased, "Black Like Me" by John Griffin a white man who by some process changed the pigment of his skin to that of a black man. He tells

LAST CALL

Mothers March of Dimes

The country contributions and the
Town of Huntingdon Blitz have pro-
duced eminently satisfactory results to
date; however, because of WEATHER
CONDITIONS a considerable number of
canvassers were unable to cover their
respective routes; therefore the can-
vassers will continue their efforts during
the current week as the weather moder-
ates and it is hoped that those who have
not made their intended contribution
will hand same to the canvassers when
they call.

In turn, the canvassers are asked
to return their collections, lists, etc. to
their respective district organizers on or
before February 15, 1966.

Anne Cameron,
General Chairman.

News from Ormstown

COVERING THE ACTIVITIES OF THE "LITTLE ROYAL"
EXHIBITION CENTRE

**Presbyterian Congregation
Meeting**

More than forty persons at-
tended the congregational meet-
ing in the Presbyterian Church,
in Ormstown, last Wednesday
evening. Rev. Wm. Brown of
Georgetown was the chairman
for the meeting with Mr. Alan
Marshall as secretary. Full
reports of all the church's or-
ganizations were read by the
various secretaries, with in-
creased interest and activity
shown in almost all phases of
the churches' work. The Young
People's Society was specially
cited for the excellent report
read by Miss Betty McEwen.

The immediate congrega-
tional business was discussed
and it was unanimously de-
cided to ask Rev. Alex Mac-
Donald to consider the possi-
bility of taking the Ormstown
charge on his return from Brit-
ish Guiana, next spring.

An interesting discussion on
the new Sunday School curricu-
lum was led by Rev. Brown,
who stressed the need for ad-
equate preparation on the part
of all teachers. He said it was
the duty of all parents to see
to it that their children get
the utmost training in the Sun-
day School and a closer tie be-
tween parents, teachers and
Sunday School pupils should
be practiced. Rev. Brown also
spoke of the urgent need of
budget giving, stressing the
importance of the churches' work
in other parts of our country.

A social hour in the church
hall, with coffee served by the
ladies of the church, brought
the evening to a close.

**Presbyterian Young
People's Party**

The Young People of the
Ormstown Presbyterian Church
were hosts to the members of
the St. James' Anglican Church
and St. Paul's United Church,
Friday evening, when they en-
tertained at the Legion Hall.
The Society wishes publicly to
thank the Legion for making
the hall available to them for
the occasion. It was the in-
tention of the youngsters to
enjoy a sliding party prior to
dancing in the hall, but due
to the intense cold, only the
brave challenged the elements.
Forty-five persons attended the
party.

Messrs. John and Carl Rem-
ber and Mr. Neil Finlayson
travelled by train to Toronto
on Friday evening to attend
the Showing of New Machinery
at the Canadian National Ex-
hibition Grounds, on Saturday.

Mr. and Mrs. Ivan Cairns and
family of Montreal were recent
guests of Mr. and Mrs. Wes-
ley Cairns and family.

Mr. and Mrs. Roger Crete,
Annemarie and Richard of
Plattsburgh, N.Y. spent the
week-end with Mr. and Mrs.
Lindsay Cullen and family
visiting Mr. Crete's father, Mr.
Hector Crete, who was a pa-
tient in Barrie Memorial Hos-
pital. Mr. Crete is now in St.
Justine Hospital in Montreal.

**Presbyterian
Evening Adult Meeting**

Thirteen members attended
the monthly meeting of the
Presbyterian Evening Adult
Group last Thursday evening.
The meeting was under the
leadership of the President,
Mrs. Lindsay Cullen. Devot-
ions were led by Mrs. Donald
McEwen and Mrs. Merrill Tan-
nahill read the topic. Discus-
sion on the forthcoming Scout
Father and Son Banquet, the
Presbyterian Meeting in Mont-
real on Tuesday, February 1st,
and the various committee re-
ports all met with the approval
of the members.

**Birthday Dinner for
Mr. Glen Ovans**

Mr. and Mrs. Gordon Green
were hosts at a dinner for the
Ovans family on Sunday, in
honor of Mr. Glen Ovans' birth-
day. A delicious dinner was
prepared by Mrs. Green for
the fifteen or more guests.
Part of the celebrations was
shared by the Ken Murray
family (nee Shirley Ovans) on
the occasion of their moving to
Hamilton, Ont. Mr. Murray has
accepted a position in that city
and is already working there.

Mrs. Ovens and Billy will join
him this week-end. The entire
family extended a vote of
sincere thanks to Mr. and Mrs.
Green for their thoughtfulness
in preparing a party for them.

Miss Joan Bourassa is a
patient in the Children's Hos-
pital in Montreal, an unfortu-
nate victim of a respiratory ail-
ment. Her many friends at
OHS and other friends in
Ormstown wish her a speedy
recovery.

Mrs. Celia Shepott is spend-
ing a few days with her mother
Mrs. John Greer.

Mr. Grant Whyte was walk-
ing along the road in front of
his home on Saturday when he
was struck by a car and thrown
several feet. Mr. Whyte suf-
fered several fractures and is
a patient in Barrie Memorial
Hospital.

Barrie Memorial Notes

The Barrie Memorial Hospi-
tal, Ormstown, wishes to ac-
knowledge receipt of the fol-
lowing memberships and dona-
tions — Annual Memberships
in the sum of \$10, each: Mrs.
Jean Paul Riendeau and Miss
Margaret Rodger, Ormstown
Donations: \$200, bequest from
the estate of the late Miss M.
J. Black, \$10, in memory of
the late Fred Stevenson, Mr.
and Mrs. R. E. Graves, Ottawa
Mr. and Mrs. N. E. Bruce and
Mr. and Mrs. E. B. Steele, La-
chine, Mr. H. Wall Clarke,
\$5 — in memory of the late
Mr. A. P. McCaig, Dewittville;
Friends.

noon to the hall and sew for
the needy families.

Special thanks were ad-
dressed to Mrs. Adrienne Brise-
bois for taking care of Father
Pigeon's plot in the cemetery.
The Ladies of St. Anne also
wish to thank Father David
for his devotedness; he was
on hand on Sunday to preside
over this annual meeting.
Fathers Lavigne and Gazeau
accompanied him. Father Gil-
es Daoust, chaplain of the
schools was also present.

After the business was con-
cluded, the ladies present en-
joyed an evening of card
games, prizes being awarded
to the winners.

Capital imports to Canada
from the U.S. last year totalled
about \$680,000,000.

This and That In Town

VALLEYFIELD — Students of Gault Institute mourn the loss of their Physical Education instructor, Mr. Burns Leckey, who was killed last Wednesday when his car struck a telephone pole. He was accompanied by members of Gault's senior boys' hockey team and his last words were 'Sorry boys, the car's out of control. A couple of the players, who were on their way home from a game at Howick High, required hospitalization. Mr. Leckey had been on the Gault staff for the past ten years and his passing will be keenly felt. This city's Gault and Elementary students wish to extend heartfelt sympathy to Mrs. Leckey and the couple's four children.

ORMSTOWN — A few cases of chicken-pox in and around That Town.

HEMINGFORD — Certain people in This Town have figured that in about a dozen week-ends from now they'll be teeing off from No. One.

ST. ANICET — St. Anicet Outfitters phoned The Gleaner on Saturday to tell us their ice fishing business is really booming. They claim the past week's sub-zero temperatures and high winds during the day kept some people from venturing too far out, but those who did didn't come back empty-handed. Also seems enquiries have been so numerous that it was necessary to hire an extra girl to answer the phone. Like the boss man says, it pays to advertise in The Gleaner.

HUNTINGDON — Get a load at that new garbage disposal unit pictured on the front page of this issue of The Gleaner: Gerry Hebert of Ormstown finished the sign-painting over the week-end and if the outfit proves even one-half as good as it looks, the townfathers are to be heartily commended. One thing is certain: town foreman Philbert Langevin is proud as Punch.

But even towns have troubles. On Saturday morning, it was learned that Rene Rousseau had passed away in the Huntingdon County Hospital. René had not been feeling well for a few weeks, but we doubt if even he realized his condition was serious. For many years, and up until the time of his passing, René was closely associated with the Town Council: he was instrumental in maintaining an excellent fire department in town and perhaps knew about as much as anyone else about the workings of the filter plant and the fire hydrants. Whenever the fire siren sounded, he was always one of the first at the fire station. Having worked with the late John Macrow for many years, he also knew the exact location of most of the sewers and pipes in the town. Besides these activities, René had quite a workshop where he repaired typewriters, etc. It can truly be said that his departure will be keenly felt. (see elsewhere).

ORMSTOWN — Read about the new method of teaching Sunday School for which courses have been held in That Town.

MONTREAL — 'Twas below zero and windy on Friday when a certain well-known Huntingdon businessman parked his car at the General Hospital and went inside to spend an hour with his uncle. And he should have known better, too, but when he came out he found he had locked his keys inside his car. Well, it was the best part of another hour before he gave up trying to open the side vent and decided to force the window open by using a jack handle he borrowed from a sympathetic looker-on. But by then, the damage was done: in his garage on Saturday he sported two thick, red ears and swollen fingers and thumbs. That was enough. In fact, it was too much, so on Sunday he and his wife headed for St. Petersburg in Florida. And we all hope the Jim Smythes have a good holiday.

ORMSTOWN — That robin we told you was visiting the Mervin G. Barrington's home every day is still making his usual rounds. Tough little guy.

Hear this: Ottawa has been celebrating its annual winter carnival all week, but on Saturday, at Notre-Dame School, Huntingdon, a top-notch local carnival is being held. Events start Thursday with a 'souper du bon vieux temps', crowning of the king and queen and a dance at the Knights of Columbus Hall. On Friday, a dance for the students is being held at Notre-Dame School. Then, on Saturday, at the Huntingdon County War Memorial Arena: hockey (Students vs Grads); more hockey, Fathers vs Sons; races of all kinds, broomball, tug-of-war and other attractions. Fun for all and attractive programmes are available. See you there?

A couple of months back we told you what John Bellion thinks about snuff. Now we don't care to print what he thinks about the cost of cigarettes being hiked again, so suffice it to say here we believe local storekeepers are going to have to stock even more of the stuff, puiiiieee!

Oh golly, we asked for winter weather instead of rain and slush, and now we've got it. The local fuel dealers' cups are running over and they're rubbing their hands in glee, while most of us just have running noses. But the skiers and ski-doers are happy too and well they might be, with more than two feet of snow in less than a week. However, if the truth is told, perhaps everyone welcomes the white stuff: everything looks so new and clean. But motorists coming this way from Montreal Friday night were pretty sick of it. Drifting snow cut visibility to about five feet near Chateaugay and at Ste. Martine and everyone got home a couple of hours late. Sunday's all-day snowfall had some people returning to the Big City hours before their usual departure time.

One picture we'd like to print in The Gleaner: the new Henderson St. bridge with EVEN HALF the lights working. Right now, only one out of the whole she-bang seems to be in order. What, the council has nothing... you say an election... oh-ho... ho-ho-ho, maybe you're right... so we'll wait and see.

Look at that snow! Wonder how the hitch-hicking to Florida is these days...

Congratulations to Stanley Reid new President of Huntingdon Agricultural Society, Division 'A' (Huntingdon Fair). One can truthfully say this is one organization that has been lifted right up by the boot straps in recent years and we predict even accelerated growth for '66. (See list of officers, etc.)

And many people think the City of Valleyfield has it all over the rest of the area centres with that Park on Salaberry St. almost in front of the Dr. MacDonald Casa residence that has ice for skating on all the footpaths.

And that sports car racing in the bay at Valleyfield, sponsored by the Valleyfield Optimist Club, is really going to attract a crowd... might even rival those at the annual

Valleyfield Regatta.
And St. Valentine's Day is only 12 days away.
We think too that Bill Hebert had a point the other day when he said someone should send Rigor Mortis up north for a while, he's been around these parts too much lately.

Many people are uncertain re. The Quebec Pension Plan that recently came into effect. Maple Leaf Grange has arranged for a speaker on this subject and all interested parties are invited to attend. There will be no admission charge... in fact there will be refreshments and entertainment a la Grange, so please read the advertisement appearing elsewhere.

Anne Cameron, general chairman of the current March of Dimes, reports contributions to date are entirely satisfactory but the adverse weather conditions the weatherman has smacked us with have been causing problems. Please check The Legion advertisement elsewhere.

On yes, did you hear about Big Bill who bought himself a new pair of rubbers and a new hat in Huntingdon one day last week? Smart looking hat and a good pair of rubbers, too.

And now we've seen everything: at 10:30 Tuesday a.m., with drifts of snow six, eight and up to ten feet high and streets barely wide enough for two vehicles to meet, we THOUGHT we saw a pair of horses pulling a pair of bobsleighs. Brought back memories of loads of logs, feed, milk cans, etc., even the old horse-drawn hearse that the R. E. Kelly Funeral Home Reg'd. used many long years ago. Well, we grabbed a camera and coat but when we reached the street, lo and behold, it was a rubber-tired double hay wagon... we couldn't see the wheels because of the drifts of snow. Anyhow, the team of horses was good to see.

See Ferrus Horsburgh's report about Routes 3 and 4 from Chateaugay Centre to the Mercier Bridge becoming one-way... sens unique. (In the Chateaugay Section, s.v.p.)

Country roads are filling in about as fast as they are cleared and because of this the mail service has been disrupted. News from some areas just hasn't reached The Gleaner Office even yet, so some localities will not be heard from in this issue. This applies to some of our regular features, too. Perhaps by next week the weatherman will be a little friendlier and everything will be back to normal. Hold-over material (if it's still newsworthy) will be in next week's Gleaner.

Oh yes, about the new rubbers and hat (those horses threw us off back there a few paragraphs) seems the owner wore them to a funeral wake and one of the other visitors just had to have a new hat and rubbers. Anyhow, they disappeared. And if it was any consolation, a beat-up hat and a chewed-up, worn-out pair of rubbers were left as replacements.

Makes one wonder if any thing else was missing. By the living OR the dead. Which prompts us to advise that while the snow is light, don't go at it too hard... the undertakers don't want TOO much work. Neither do our busy doctors and nurses. Or our pharmacists.

Wonder what 'England Do' with this much snow and if the 'Merry Children' would make as much bread with their shovels as local youngsters are... maybe Dave Boxer could answer us.

And speaking of Dave Boxer reminds us that Reg Daniel and his committee at Br. 81 of the Royal Canadian Legion deserve sincere commendation for what they are doing for Huntingdon's teenage population. Back between Christmas and New Year's, they organized a record hop for the youngsters. As reported, the youngsters enjoyed themselves tremendously. Later, a similar do proved even more popular. Finally, last Friday night, the third record hop a-go-go was held and attendance was just over the hundred mark. The youngsters attended from in and out-of-town, some from as far as Dundee. Many brought along their own records and disc jockey Garry Thompson performed like a pro. In short, thanks to The Legion and their Reg Daniel, Anne Cameron, John Cappiello and Mrs. Winifred Napier, that organization is No. One in the eyes of parents and children.

Which all brings about the fact that local teenagers require such interest and effort on the part of adults. As explained to The Gleaner, one party was planned for the youngsters. They had such a good time and expressed their appreciation so appealingly, that the other parties just came naturally. The Legion charges 25 cents for admission, which barely covers even the extra maintenance, but they also gave prizes for spot dances, etc. The youngsters themselves asked that admission be raised to 35 cents and the dances held on a regular basis.

Now this poses a problem for the Legionaires. In fact, several. The easiest way to explain everything is to say that all organizations such as P.T.A.'s, War Memorial representatives, K. of C. members, church groups, clubs, Rotarians and all other groups, French AND English, should help out. According to Jon (Safety Sam) Proudfoot, the upstairs of the Huntingdon County War Memorial Arena would be available for record hops for the teen-agers at any time. Those interested have stated that they have made representation to all the schools in Huntingdon and have asked for cooperation in order that such an affair would not clash with a school-sponsored affair. Most likely some of the teachers at the schools will be willing to lend a hand with some of the organization and spade-work that will be involved. To make a long story short, the record hops have snow-balled to priority proportion with the youngsters and The Legion would appreciate a helping hand. CAN YOU HELP? The youngsters will thank you with all their hearts.

And, town fathers and businessmen, grab onto this: maybe the teenage idol Dave Boxer could be induced to have his show in Huntingdon... or one of the TV shows for youngsters could be done here. We're not exploiting the teen-agers or their benefactors, but at the same time think of the good publicity Our Town could pull in. A little serious thought and a few dollars might pay off in a big way: for the youngsters and for Huntingdon.

Now bless all the snowplows and their very tired drivers... (before Old Man Weather takes another swipe at us).

Due to the poor weather conditions last Saturday the Dewittville W.I. ladies cancelled the carnival that had been planned for that afternoon and evening. Weather permitting the carnival will be held this Saturday. (see Advt.)

A resident on Fairview Road, after reading our suggestion that a sidewalk be built on upper Chateaugay Street, phoned to say that a sidewalk would also be appreciated along Fairview, from where it now ends opposite Kelly's Farm Supplies, to Lorne Ave. Seems this length of road is treacherous for pedestrians due to the heavy truck and car traffic.

At Burke, N.Y. James (better known as Jimmy) Johnston and family suffered severe loss. The couple and their 11 children (ten of whom were at home) awoke at 4 a.m. Monday to find the lower storey of their home enveloped in flames. Jimmy, a well-known farmer-dealer, helped everyone out of the house through an upstairs window. When he finally jumped himself, he suffered a broken leg. They all made their way to the barn where they stayed in their night clothes until help arrived, which was a considerable time later as the family had not had time to phone for help and their plight was not known. Nothing was saved from the house, not even a stitch of clothing.

Maurice Leggett of Herdman was a caller at The Gleaner Tuesday p.m. and while conducting his business mentioned that a snow drift in front of his house was at least ten feet high and it was impossible to even see the front door.

Back on August 11, a still was seized at St. Etienne de Beauharnois and Alfred Durand, Andre Debellefeuille, Andre Primeau and Raymond Burnham were apprehended and later fined \$2,000 each. On January 17, they entered an appeal in the Superior Court at Valleyfield, claiming the fines were too severe. Judge Andre Nadeau upheld the fines and dismissed the appeal. District R.C.M.P. officers took part in the arrest in August, under the supervision of Corp. Thivierge of the Huntingdon detachment.

Just this... the price of milk has been increased one cent per quart (by the DAIRIES).

Chateauguy News Notes

by Fergus Horsburgh

The Book Fair and Open House held recently at Mary Gardner School was a "fair" success. There were 161 books sold at the event. The evening was sponsored by the Mary Gardner Home and School Association.

An item from Maple Home and School Association: Due to unforeseen circumstances the "meet the teacher" evening planned for Feb. 15th has had to be postponed. The tour of the new Extension will take place as planned and another program in place of meeting the teachers will be announced shortly.

Kindergarten classes in Maple School are due to move into their new quarters in the Extension this week.

Still on schools — all the Roman Catholic and Protestant Schools were closed all day last Monday for obvious reasons — snow.

The Girl Guide flag raising ceremonies scheduled for last Monday have been postponed for one week because of Monday's blizzard.

Town Police report seven minor traffic accidents during the past week. No injuries.

The News Notes this week are extra-special short — for the reasons of weather — the fifth week-end of the month — No Council meetings until Feb. 2nd (too late for deadline) — and just a scarcity of newsworthy items.

Imperial Gardens, Crown Homes and Chateau Estates

Correspondent: M. Fabio
ROUTE BOY,
Gordon Foster
120 Labelle, 692-4502

It's Monday morning again and the children are all excited with the unexpected holiday. It's snowing and blowing and what a storm it is. At this time of the year any of you folk who planted bulbs in pots last fall are no doubt watching for their first bloom. My hyacinths are in bud but I had the same experience this year as I did last year. The bulb sprouted and when it did I brought it into the light and found that the flower wanted to start opening up way down in the stem. So I cut a cardboard tube from the wax paper roll about 4 inches long and put this over the top of all my hyacinth bulbs. My son thought I had gone daffy, when he saw them come running to ask me who had put all the chimneys

on my plants thinking his little sister was the culprit. I found last year that by placing these chimneys on the bulb it encourages the plant to stretch up for the light and when they are up to the top of the chimney I remove it and can enjoy my hyacinths in full view. I have had them this way for 2 weeks now and they have reached the half way mark so guess I'll have to leave them for another couple of weeks. Also I found last year that once you do remove the chimney it's wise not to leave them in the bright sun as they will last much longer if kept away from the strong sun and also it's wise to put them in a comparatively cool place at night.

Mothers: The Clinic will be held this week. Thursday, February 3 at the Municipal Hall from 2:00 to 4:00 p.m. Just in case the bad weather continues, you might be wise to check on Thursday with the Social Service 692-6741 to see if the Clinic will be operating.

I hear the Fosters of Crown Homes have found a terrific toboggan hill near Beauharnois, somewhere in the vicinity of the Maple Grove Restaurant. The whole family

LETTER FROM SEIGNIORY PARK

(by FERGUS HORSBURGH)

Route Boys:
ALLAN LUSSIER
373 St. Francis 691-0782
CHRIS DULLEGE
398 Montmorency 691-1683

By Fergus Horsburgh

The Seignior Park Pre-School Association sent a delegation last week to observe the West End Cooperative Nursery school in operation during a typical school day. The delegation was composed of Mrs. Malvina Chart, Mrs. Jane McConnell and Mrs. Jane Horsburgh. A more detailed account of the delegation's visit is to be found elsewhere in this Gleaner.

A snow-mobile was seen scooting around Woodbine Park last weekend. I'd be grateful if the occupants would get in touch with me, particularly if they hail from Seignior Park.

The local Branch of the Groundhog Observers Society is expected to be out in full force today studying the antics of their favourite little animal. I hope and trust the results of their observations will be favourable.

The planned skating outing for pupils of the Nursery School had to be postponed due to the wretchedness of the weather. Once we are out of the present sub-zero conditions, the outing will take place, with two day's notice given to parents.

Commuters to Montreal are finding that they have to leave home earlier and earlier these days, to arrive later and later at the office. Heavy snowfalls last week increased the travelling time required, but down-town traffic has entered its most disruptive period to date, with main arteries blocked by construction, particularly of the underground Metro.

The insidious effect of TV commercials was noted last week at the corner of Woodbine and Seignior Drive, as a three-year daughter in a 48-hour period asked (1) "Do you use Ajax for your floor, Mummy?" and (2) "I want Honeycomb for breakfast, Mummy!"

I have been informed that elm wood burns very badly in conventional fireplaces.

Homeowners in Seignior Drive and above the transmiss-

ion line who have complained of low water pressure — or in extreme cases, no water at all — in past summers are promised greatly improved water service this year. Additional carrying and pumping capacity is planned for the coming Spring. Come on Spring, what's keeping you?

Big 12 Bowling League — Although the weekly prizes were won by Rhoda Rowntree (402) and Geoff Titherington (484), the real stars of the evening were Shirley Hill who topped the previous high triple by bowling 496 — and John Nott who bowled 552 — and Newton Copping who rolled 234 in one string (just 3 pins short of the high, thus far of 237).

Team results were:
Worms 5 — Flies 2
Hornets 5 — Crickets 2
Bees 5 — Beetles 2
Wasps 7 — Ants 0
Grasshoppers 5 — Shrews 2
Groundhogs 7 — Mosquitoes 0
Present Standing:
Groundhogs 87
Worms 78
Bees 73
Crickets 71
Wasps 70
Hornets 68
Grasshoppers 68
Flies 64
Mosquitoes 47
Shrews 46
Beetles 45
Ants 39

February 3rd is the Feast of St. Blaise.

ST. ANDREW'S UNITED NOTES

By Fergus Horsburgh

This is Christian Youth Week. Sponsored by the Department of Christian Education, Canadian Council of Churches, the designated Week provides an opportunity to make known to the people of the Church and the community the various programmes for youth which are part of the total Christian education work of the Church. It also provides opportunity for youth to experience wider Christian fellowship through inter-church events of various kinds.

Mr. Gary Redcliffe, a native of Wooler, Ontario, and a third year Arts student at Sir George Williams University, was guest preacher at last Sunday morning's service. The theme of his sermon — also the theme of the United Church of Canada. This week — was "called to be...," dealing with the Christians' vocation in relation to the study theme of Mission, as being the true Christians' calling.

Mr. Redcliffe, now living in Chateauguy and attending St. Andrew's here, spoke of his experiences as a student minister who had served on the Gouais River-Mission field near Sault Ste. Marie last summer. Two other members of the Church Kairos group shared in the conduct of the Worship Service.

Church Attendance Awards were presented at Sunday's service to George Christie, Tommy Gilbert, Billy and Heather Hollis, Jim Woodhouse, Maureen Woodhouse and Janet Reid, who attended Church Services forty or more Sundays during 1965.

Hymns sung by the congregation included "Spirit of God, descend upon my heart"; "Lord of the living harvest"; "Jesus shall reign where'er the sun"; and for the children, that grand old favourite "The wise may bring their learning". The Responsive Reading of Hymn No. 724 was led by James Tyler. The Scripture Lesson was from 1st Timothy, 4:1-16, read by Bruce Johnston. The Choral Anthem was "Seek Ye the Lord" by J. Varley Roberts.

The Sacrament of Holy Baptism will be held Sunday at the close of the morning Service.

Next Sunday evening at 7:30 p.m. the regular Preparatory Service will be held for pre-Communicants. A reception of new members received on Certificates of Transfer will be held, followed by a Fellowship Hour in the Memorial Hall.

Young people of fourteen and over who wish to attend a class in preparation for full Church membership, are invited to meet Rev. Howard C. Fraser in the Church parlour next Monday evening, at 7 p.m.

Mrs. G. Adams reports that total receipts of the 1965 Bible Society Canvass in the Chateauguy District amounted to \$643.35. This sum has been forwarded to the Canadian Bible Society.

The closing Session of the Chateauguy Valley Area Demonstration School for Sunday School teachers in United Churches was scheduled to be held in Ormstown last Sunday afternoon.

Badminton is held in Memorial Hall on Sunday evenings, at 8 p.m.

Weekly News From Branch 62 Canadian Legion

Branch 62 will be continuing the March of Dimes campaign for another week, Mrs. Eunice Godin, President of the Ladies' Auxiliary, and Mrs. Fernand Perreault also of the Auxiliary, have volunteered their services to assist in this campaign. It is hoped the citizens of Valleyfield will do their best to co-operate in their efforts.

A Whist Tournament will be held at the Legion Hall, next week. All members are cordially invited to attend.

Our entertainment committee is planning a Valentine dance to be held in February. Prizes and loads of fun will be the order of the evening and everyone will be welcome.

With another year ahead of us and a lot of birthdays in the offing, parties will be planned, from small fry to large scale. I have a book of games (only games) which you may want to have, if you want to have a change from the usual Go dancers seen for a long time. Pictures were taken and Donny will be able to long remember his 10th birthday. Paul Poupart celebrated his birthday at a quiet family dinner at home, with his cake and all the trimmings.

The Brownies and their Mothers of 9th Chateauguy, received wonderful co-operation on their bottle drive held Jan. 15th. The amount of \$23.75 collected will greatly assist in the establishment of the 9th Chateauguy Guide Company.

Happy Birthday to: Paul Poupart and Danny McIntosh, — Jan. 28th; Mrs. Greta Knowles, Jan. 29th; Brian Moseley, — Feb. 1st; Mrs. G. A. Mitchell, — Feb. 2nd; Mrs. D. E. Ness, — Feb. 3rd; Barry Cushing, Feb. 4th.

The Ladies of West End and Westview Terrace enjoyed a nice social evening, Jan. 18th, the event being the bi-monthly get-together. Conveners for this date were Mrs. Egan and Mrs. Furé and they did a very fine job; seeing it was their first time. Thanks to Mr. and Mrs. A. Lampitt for use of their basement.

On Saturday, Jan. 29th Donny McIntosh hosted a party in his honor. Guests included James McKenzie — Donald Moore — Gail Millette, Debbie Hillcock — Patricia Smith — David Smith — Charles Borsellino — Mickey Robertson, nephew of Mr. and Mrs. Morrison who came in from Donnie's 3 brothers, Alan, Ronnie and Gordie. The party being from 2-5, luncheon was served upon the guests' arrival.

The closing Session of the Chateauguy Valley Area Demonstration School for Sunday School teachers in United Churches was scheduled to be held in Ormstown last Sunday afternoon.

Badminton is held in Memorial Hall on Sunday evenings, at 8 p.m.

Seignior Park...

(Continued from page 1)

they learn basic words in both languages, such as 1 to 10, the days of the week, and Bonjour, merci beaucoup, etc. Small achievements and some might scoff at them, but they all add up to the beginning of a picture of understanding. They also learn to cut safely with scissors, the equipment is available for them to let themselves "go" with painting they colour, cut out and paste various items and objects of everyday life, and in so doing they learn about these things. One suggested project — we now have the children separated into two groups in Seignior Park School, so that the older ones can do more advanced projects some of the time — is the construction of a fish pond. This involves drawing a fish, colouring it, cutting out the fish, and sewing it (the child himself manipulating the blunt needle and thread) onto the felt "pond". Consider the skills, from the point of view of a five-year-old, and the ability to follow through the project to the finish, that go into such an effort. Now I never heard of any baby-sitting service that offered such basic training, did you?

ST. GEORGE'S NOTES

By Edith Bate

Memorial flowers on the Altar, on Sunday, were to the Glory of God and in loving memory of Mr. and Mrs. Wm. J. Charles, from Lucy and Cliff Schofield; Mr. and Mrs. James Morgan, from Betty and Ted Lann; and "In loving memory of my wife, Emily Gardner", from her husband and children.

Guest priest and Preacher at all three Sunday morning services was Rev. John Thatcher, Curate of St. Matthew's Church, Hampstead, Mr. Thatcher's theme in his sermon was on "changes". He and his wife and family reside here in Chateauguy, and are very well known in the Parish.

The Woman's Auxiliary members would like to thank all who contributed food for the recent Vestry Supper. See account of Annual Vestry elsewhere.

For the second year in a row, the Church Schools are planning a Valentine Fair. A display of work done by the children of ages 3 up to 12 years will be one of the features.

"Journey in Faith" the Adult Study course will resume next Sunday evening in the Hall at 7:30 p.m.

A "follow-up" to Pierre Berton's "Comfortable Pew" will be published in another book entitled "The Restless Church" answers, by churchmen the world over. This is going to be available at St. George's; however you must reserve your copy before Feb. 9th. Call the Church office for more information.

A business meeting of the Woman's Auxiliary will be held on Wednesday, Feb. 2nd at 8:00 p.m. All ladies of the Parish may attend, and receive a hearty welcome.

MAPLEWOOD NOTES

By Edith Bate

Baptized Sunday, Jan. 30th were: Michael Kirk, son of Mr. and Mrs. W. K. Atkins; Michael James, son of Mr. and Mrs. R. N. Beattie; Thomas Angus, son of Mr. and Mrs. F. McLellan; Kevin Ronald, son of Mr. and Mrs. S. J. Jordan. Flowers in the Church were given by Mr. and Mrs. S. J. Jordan in thanks and appreciation.

Town of Chateauguy Centre Notice to General Contractors

The Town of Chateauguy Centre will receive up to 5 p.m., February 22nd, 1966

TENDERS FOR THE CONSTRUCTION OF A CIVIC CENTRE

AT CHATEAUGUY CENTRE.

These tenders will be sealed and addressed to the Town of Chateauguy Centre, c/o Mr. J. Sarto Blais, Secretary-Treasurer, 25 d'Anjou Boulevard. Same must bear, over and above the address, the words: "CIVIC CENTRE TENDER".

Each tender will be made on the official form supplied by the architects and will be accompanied by a cheque of warranty or a bond of warranty (bid bond) for the sum of \$70,000.00 (seventy thousand dollars).

This personal cheque or bond will be made to the order of the Town of Chateauguy Centre and must be certified by a Canadian Chartered Bank or by a Chartered Insurance Company.

Any tender which will not be accompanied by such a cheque or bond or that is not made according to the form supplied by the architects will not be considered.

The interested parties may obtain, from February 2nd on, the plans, estimates and tender forms, by making a deposit of \$200.00 (two hundred dollars) in legal funds or by certified cheque, to the order of the architects, Gagnon & Archambault, 3680 Mountain St., Montreal, telephone 844-8606.

The owner will not necessarily accept the highest, nor the lowest, of all tenders received.

The tenderers are invited to attend the opening of tenders which will take place in the Town of Chateauguy Centre Hall at 5 p.m., February 22nd, 1966, 25 d'Anjou Blvd., Chateauguy Centre.
MR. J. SARTO BLAIS, Secretary-Treasurer.

ASSOCIATION OF TRUMPET CORPS FORMED IN CHATEAUGUAY

This photo above was taken at the Chateauguy Motel, where a group of directors of the Trumpet Corps met to found the Association of Trumpet Corps of Quebec. This Association wants to look after the well being of Trumpet Corps in Quebec, and is a parallel to another Association that deals with Bugle Corps only. Mr. Yvon Lacoste, musical director of our own band in Chateauguy Centre, was elected first president of the Association. (Photo by Pat Wilkins)

Annual Vestry Meeting Of St. George's Held

On the evening of Jan. 24th the Parish such as a "Town Council" meeting is open to all citizens.

Rev. Barnett appointed H. Jackson Sheppard for his fourth year as Rectors' Warden. People's Warden: John Friedlander — and something more to St. George's a Deputy Warden was appointed to the Corporation.

He is Arnold Curran, Treasurer, followed by Art Walker, Jr. with the report of the People's Warden. Finance: Mr. Ron Houldsworth and Mr. Robert Gervais.

Maintenance: Mr. Les Harris; Secretary to Parish Council: Mrs. Marilyn Little; Envelope Secretary: Mrs. Edith Garrett.

Auditors: Mr. Bill Maude and Mr. Doug McKinnon. Delegates to Synod: Mrs. Marion Houldsworth and Mr. Art Walker.

Alternate Delegates: Mr. Fred Berry and Mrs. Marilyn Little.

Still to be filled are Communication; Community Relationships; Social Activity and Church Organizations.

A talk on the recent "Workshop on Worship" was given by Mr. Barnett and the changes proposed in the form of worship in the Church. Mr. Barnett asked for a mandate to go ahead with the changes, which would take place over a period of weeks.

Discussion of Parish finances was held, and as the program was overtime, the meeting adjourned with Benediction by Mr. Barnett.

Fly-up For 9th Chateauguy Brownie Pack

By Mrs. Fabio

On Wednesday evening, January 26, 8 Brownies of the 9th Chateauguy Brownie Pack received their wings and flew up to the new 9th Chateauguy Guide Pack. The Brownies who received their wings were Dianne Langdale, Helen Hillcock, Louise Page, Debbie McMillan, Debbie Conzenza, Iris Hoffer, Debbie Spruston, and Barbara Muir. Tawny Owl, Mrs. M. McCarty pinned on their wings and the Brownies in pairs then received their fairy wings and

Highway Routes 3 and 4 To Be Two Lane

Mr. George Kennedy, M.P. lines will be painted on the three lane stretch of the highway. Catholic Women's League

By Fergus Horskburgh

A general meeting of the C. W. L. will be held on Tuesday Feb. 8th, at 8:00 p.m. in Our Lady of Perpetual Help Parish Hall.

Following the meeting a social evening has been planned, with card games. All members and their friends are most welcome. It would be appreciated if you could bring your own cards.

The C. W. L. would like to thank everyone who helped make their last Military Whist such a success. Proceeds of the whist have been sent to the Vanier Institute of the Family in Montreal.

flow around the Fairy Wing and the Brownies all bid them goodbye. When they got to guide land they were welcomed into the 9th Chateauguy Guide Pack. Guest of honour for the occasion was Commissioner, Mrs. Marchand and she welcomed the parents and spoke briefly to the Brownies and Guides.

Miss Gillespie is the Guide Captain for the new pack which will meet each Wednesday evening, at the Municipal Hall. Also assisting Tawny Owl was Paulette Louise Bolet. It was a sad occasion in a way for me for the 8 Brownies who flew were the last of the original 9th Brownie Pack.

Following the fly up ceremony, Brownies and Guides played the game Smack and then they all assembled in a large circle and sat down and sang many of the old Brownie Songs they had learned over the years they spent in Brownie Land and the Guides sang a few of their songs. The programme ended with taps first sung by the Brownies and then by the Guides.

We are very happy to welcome Miss Gillespie and her 9th Guide Company into our midst for before our Brownies had to fly up into a company where they had considerable distance to travel and now with this company meeting in the centre it means a lot of the Brownies who will be flying up in the future will have a Guide Company in our area to fly up to. I am sure the parents will cooperate with Miss Gillespie in her new Guide Company as they have in the past with our 9th Chateauguy Brownie Pack and we wish her every success.

Chateauguy Lions

By Fergus Horskburgh

A Lion's meeting scheduled for last week had immediate Past President Ed McElroy and chartered President Bob Michall speak on how the Lions started, internationally and locally, and what has since been done. A Lions' Party is scheduled for February 26. Lions' present executive is:

President, Larry Gardner; Secretary, W. Edwards; Bulletin Editor, B. Desrosiers; District Governor, Stan R. Saunders; Otterburn Heights, Que.; Deputy Dist. Gov., Leo M. Ness, Cote St. Luc, Que.; Zone Chairman, Gerard Tessier; Valleyfield, Que.

Officers: Imm. Past Pres., E. McElroy; Vice-Pres., A. Beaumier; Vice-Pres., L. Desjardins; Vice-Pres., J. Royal; Treasurer, B. Desrosiers; Directors, B. Johnson; G. Land, H. Archambault; Lion Tamer and Director, S. Gervais; Tail Twister, J. C. Theroux.

Committee Chairmen: Boys and Girls, B. Johnson; Civic Improvement and Community Betterment, L. Desjardins; Education, J. Royal; Health and Welfare, A. Beaumier; Sight Conservation, E. McElroy; Interclub Visit, J. C. Theroux; Attendance, W. Edwards; Finance, S. Gervais; Lions Information and Convention, J. C. Theroux; Membership and Program, L. Gardner; Publicity and Bulletin Editor, B. Desrosiers.

C.H.S. Reports

By Heidi Penoller

Hi everybody! I just want to remind you all of the Activity Week, Wednesday we are having our annual Bazaar for the Junior Red Cross. This will take place from 4 to 10 p.m. Lots of exciting items at the Bazaar and we will have refreshments also — hope to see you there!

Thursday we have a Sleigh Ride from Murphy's stables at 7:30 p.m. and then later at 9 p.m. at the Terrace Rink we will have a Broomball game, with the Terrace vs High School students.

On Friday, there will be a series of Basketball games: Senior Boys vs Hudson H.S. Bantam Boys vs John Grant H.S. Senior Girls vs Hemmingford H.S. Junior Girls vs Hemmingford H.S.

The Royalty Ball on Saturday winds up the Activity Week. The music at the Ball will be supplied by M.G. and the Escorts. There will also be the crowning of a King and Queen and of a Prince and Princess.

See you next week
Heidi

Junior Chamber of Commerce Brings Out Discussion on: Amalgamation - Education - Co-operation

By Fergus Horskburgh

A meeting of Chateauguy's Councils, trade, school, commercial and recreational organizations was held last Thursday, at the Rustik Hotel, under the auspices of Chateauguy's Junior Chamber of Commerce. Some 75 prominent local leaders attended including five Mayors, Mr. Joseph Laberge of the Town of Chateauguy, Mr. Richard Suterlin of the Town of Chateauguy Centre, Mr. Jean Laberge of the Town of Chateauguy Heights, Mr. Dieudonné Constantineau of Ste. Philomene, Mr. Dubuc of Caughnawaga, Mr. Grand Chief Lery, and Grand Chief An drew Desisle of Caughnawaga. Presidents and executives of service clubs, homeowners associations and school organizations were among the audience estimated to number approximately 75. Mr. George Kennedy, M.P.P. for Chateauguy County attended.

Dinner Chairman was Germain Hotte, Director of Studies of the Catholic Regional School Board.

Speakers in the opening phase of the meeting were the five Mayors, Chief Desisle and School Board Chairman, Chief Andy Desisle spoke

on a neighbourly theme — Chateauguy and Caughnawaga had been closely associated for many years, and would be neighbours for many years to come.

Mr. Kennedy stated that if approval had not yet been received from Provincial Government authorities on the location of a Regional School (Catholic) in Chateauguy, the reasons were related to transportation facilities, (2) costs, (3) availability of land for future expansion and (4) the nature of the land. Mr. Florent Grandbois, Director of St. Francis School in the D'Anjou — the Catholic Regional School has not been approved as yet. A discussion on the prospects of amalgamation between the various municipalities of Chateauguy was held with the present views of the participating civic officials given a hearing. The ball has been given to Municipal Affairs Minister Pierre Laporte.

It was stated that the Provincial Government had decreed that 1 1/4 million sq feet of land was a prerequisite for a regional school in Chateauguy. I understand that local costs of land approximately 20 cents per square building programme of new foot.

Mr. Grandbois spoke of the 2500 R. C. pupils, who would be attending school in Chateauguy within the next two years. Under the Provincial Government's plans for enlarging educational facilities the Greater Chateauguy area must face a tremendous building programme of new foot.

Chateauguy Centre United Church

By Fergus Horskburgh

Following reports from the Church school staff who attended the New Curriculum Training Programme at Ormstown United Church, those attending from our Church were Mrs. Betty Edwards, Mrs. Beryl Millett, Mrs. Eleanor Robertson and Messrs. Fred Ryner, Art Parent and Superintendent Mr. Nelson Weippert. Team Teaching was carried on at all times with stress on "observation, evaluation and planning." There is no doubt the Church School will benefit greatly from all the staff have learned.

The C.G.I.T. have undertaken a project to help supply used stamps for Mission Work in a Leper Colony. If you want to help, take all the envelopes you receive in the mail and tear the stamp out (not off) leaving a half-inch margin of envelope all around the stamp. The seemingly trivial act on your part will be greatly appreciated at the receiving end. Give your stamps to any of the girls or leave them in the box at the rear of the Church.

Building Fund Total Receipts as of January 23rd stand at \$5,000.00. Truly an encouraging start. Proceeds of the Barn Dance, March 5th, at St. Andrew's United Church Hall will be added to this amount.

Rev. Ronald Mahabir will conduct the Services of Worship at our Church until a permanent minister is appointed. Our lives are greatly enriched each week with his inspiring prayers and messages. It will likely be July 1st before our new minister arrives — in the meantime a nance committee has been set up to ensure a comfortable home for he and his family when they arrive in Chateauguy Centre.

Prominent Local Sports Organizer Killed

By Fergus Horskburgh

Victim of treacherous road conditions between Howick and Valleyfield last week, was Mr. Burns Garfield Leckey. Mr. Leckey was killed instantly, apparently from a broken neck resulting from the car he was driving skidding on the slippery road. It is reported Mr. Leckey was returning

Seignior Park Nursery School Mothers Visit West End Nursery School

By Jane Horskburgh

In two instalments recently almost all of the mothers belonging to the Seignior Park Co-operative Pre-school Association have visited the older established West End Nursery School, located on Madison Avenue, just up from Sherbrooke in N. D. G. On the second visit, which took place last Wednesday, January 26th, our Nursery school Teacher Mrs. Chart, also visited the West End School.

Our chief purpose in visiting the other school was to observe how their school is run, to note differences and similarities, to obtain helpful hints and suggestions from well-run school which has been in existence for 17 years and is therefore thoroughly familiar with almost all of the problems which can confront a co-operative nursery school.

In some respects, life at West End Nursery School is easy, because their premises are a house, which they presumably either own or rent. This means that children are very easily separated into different age groups, so that the little ones are not trying futilely to compete with the older children. We noted that as large wooden blocks, toy stoves and sinks, puzzles, plasticine, painting, etc., were the same for the different age groups. The contrast was in the manner in which the various age groups of children learned with these similar toys.

The children are taught many different kinds of painting — have you ever considered dabbing bits of plasticene on the paper first, and then painting over it? It's most effective. — Miss Sylvia Smith, the full-time Director of the West End Nursery School, also explained to us some of the projects that the older children are given to

to Valleyfield from Howick with a group of boys, members of the Gault Institute Hockey team. No other car was involved, but one of the boy passengers was injured and treated in hospital. Other boys suffered bruises and shock.

Mr. Leckey, known throughout the Chateauguy Valley as "Mr. Sport" was well known in the organization of track meets and other sports. Further details of Mr. Leckey's life are to be found in the Obituary section of this Gleaner.

The sympathy of sports lovers and of all in the Chateauguy Valley is extended to his wife and four children in their tragic loss.

New Guide Company Formed In Chateauguy

By Fergus Horskburgh

Brownies of 9th Pack who 'Flew Up' to 9th Company on January 26, 1966.

Last Wednesday saw initiation ceremonies of the newly formed 9th Chateauguy Guide Company at Chateauguy Centre Town Hall. Leaders of the new Company are Miss P. Gillespie, Captain, and Miss S. White, Lieutenant. The Brownies from the 9th Chateauguy Pack were in attendance with their leaders, Mrs. P. MacHardy, Tawny Owl, Mrs. Mary Fabio, Gleaner correspondent, and Miss L. Boulay.

Girls who "flew up" were Debbie Cosenza, Colleen Hillcock, Iris Hoffer, Dianne Langdale, Debbie McMillan, Barbara Muir, Louis Page and Debbie Spruston. They were received into Guideship by Guides, of the 9th Company who are Chake Berberian, Sylvia Brown, Lynn Fabio, Leslie Faughnan, Rosemary Favreau, Claudette Gauthier, Sharon Hayden, Anne Kavanagh, Robin Moody, Debra Pride, Brenda Richey, Carole Spenard, and Debbie Wilson.

The newly-formed Company is open to girls of the West End between the ages of ten and twelve. Mrs. G. Russell is co-organizer with Captain Mrs. P. Gillespie.

Chateauguy's Ken MacDonald Versus Alcan Chess Club

By Fergus Horskburgh

Chateauguy Check Mate Alcan Club had offered a President Ken MacDonald \$5. prize to any member who took on all comers recently at was able to checkmate Mr. MacDonald, but the Club's money was considered quite safe in view of Mr. MacDonald's reputation as a member of the Canadian Chess Federation and as one of the most skilled players in the Greater Montreal area. One club member, Mr. P.L. Doorsky, with his dent of the newly-formed Alcan Chess Club. Mr. Karzewski, a member of Chateauguy check Mates, was res- the game. Mr. Karzewski, a possible for recruiting his long with Seignior Park's President, Mr. MacDonald for Geoff Hofstatter, went down the opening ceremonies of Alcan Chess Club in Alcan's pants. A contest between Alcan employees' lounge on the 25th floor of Place Ville Marie Chateauguy Check Mates is planned for the near future.

Tenders Called For Civic Centre

A notice appears in this issue which is calling for tenders for the construction of a Civic Centre for Chateauguy Centre. Each tender is to be accompanied by a warranty or warranty bond for the sum of \$70,000 made out to the Town of Chateauguy Centre. No tender not such accompanied will be considered. Tenders will be opened at the Town of Chateauguy Centre Town Hall, at 5 p.m. on February 22nd, 1966.

Ken MacDonald Takes On Alcan Chess Club Players In Simultaneous Play

Ken MacDonald (L) President of Chateauguy Check Mates, plays against members of the recently formed Alcan Chess Club in Aluminum Company's employee lounge in Place Ville Marie. Other Chateauguy residents in picture include Geoff Hofstatter of Seignior Park, Horst Karzewski of Colonia and Alcan Club President Fergus Horskburgh.

Editorial Notes..

Looks Like Our Identity Will Be Lost in Redistribution Changes

According to news reports, the new electoral map was presented to parliament on Wednesday, January 19th., with only six Federal ridings unchanged and the number reduced from 265 to 264. M.P.s have thirty days in which to call a debate on any of the provincial reports. A debate is automatic if 10 members join in a request for one. There is no time limit, but after the debate the commissions have 30 days in which to change their proposals or to restate them. Either way, their final decision becomes law.

It would seem therefore that in our case here, the two counties of Chateaugay and Huntingdon which have always been together on account of their farming and agricultural make-up, will be divided into three new ridings. Our present riding, or constituency is known as Chateaugay-Huntingdon-Laprairie. In the new division this would be no more. Under the new plan, we would be known as Constituency No. 5 — Beauharnois, and be made up as follows: Cities of Beauharnois and Salaberry-de-Valleyfield; Towns of Huntingdon and Maple Grove; the county of Beauharnois. In the County of Chateaugay: the village municipalities of Howick and Ormstown; the parish municipalities of Saint Antoine Abbe northeast part, Saint Malachie-d'Ormstown, Sainte Martine and Tres Saint Sacrement, and the municipality of Saint Paul de Chateaugay; in the County of Huntingdon: the parish municipalities of Saint Anicet and Sainte Barbe; the township municipalities Dundee, Elgin, Franklin, Godmanchester and Hinchinbrooke, and the Indian Reserve of Saint Regis No. 15.

Another part of Huntingdon County and Chateaugay County would be found in Constituency No. 61 — Saint Jean, as follows: City of Saint Jean, Towns of Ibroville, Saint Luc, Sainte Philomene and Saint Remi; Counties of Napierville and Saint Jean; in the County of Huntingdon: the village municipality of Hemmingford, and the township municipalities of Havelock and Hemmingford; in the County of Chateaugay: the village municipality of St. Chrysostome, and the parish municipalities of Sainte Clothilde, Saint Jean Chrysostome.

The Human Element

BACK in the early days we used to have stage shows put on by travelling troupes and the drama was usually of the villain type. In a number of cases the characters portrayed a widow, with a pretty young daughter, who was to be sacrificed to the villain, who was determined to collect the mortgage, or else. In return for the daughter in marriage, the villain would tear up the mortgage and set the widow free. During the play there were cries of wretch and you'll meet your doom, as the villain pressed the poor widow and the daughter cried herself to sleep night after night. Such things used to happen, if not under the same circumstances, then under similar ones. But we like to believe that people today are more understanding with their fellow men.

The Montreal Gazette of Thursday, January 27th., carried a story which we believe had all the heartthrobs of the above old drama and which we thought could never happen today. The story was headed "Before Breakfast — On The Street". A subtitle read this way — "Came a Knock on the Door And a Family was Homeless." Most everyone will remember the sub-zero temperatures of the past week, yet this family of wife, husband and four small children were evicted from their home soon after 8 o'clock in the morning. The knock came to the door, seven or eight men marched into the apartment and moved out all the furniture onto the sidewalk in front of the store over which the apartment was situated. A friend, who happened to be passing at the time saw their plight and took the family to his home. Police guarded the furniture until noon, when a city truck took it away to storage. This happened on Wednesday, January 26th., probably one of the coldest days of this winter season.

COUNTRY NOTEBOOK

BY WALKER RILEY

I am talking Crop Conventions again this week, and make no apologies. So much good information comes out of these events, I feel I must pass it on while it is "hot". Just as important, one gets a chance to find out which way the wind is blowing, to sense the trends in production and marketing and to pick up some of the other fellow's enthusiasm. So it was at the big Crop convention at Toronto last week. You could have packed the optimism into bags. I was there for the first of the three-day event. For the first time in several years, corn was not in the spotlight. It seems that the corn wagon is rolling along quite well on its own now, and they have gone back to pick up some of the other good crops which can be made fertile. It is a flexible crop that can be drawn the crowd. The biggest audience of the day slipped into the curtained auditorium as the only grain for dairy beef, or hogs.

LETTERS TO THE EDITOR

Jan. 31, 1968 The Huntingdon Gleaner. Dear Mr. Editor: Some time ago you published an article which concerned Mrs. Casgrain's outlook on school buses. In this letter a great deal was said concerning old school buses, which in many cases might not be up to safety standards. I agree with Mrs. Casgrain on this issue but I didn't notice any mention about motor vehicles passing stopped school buses. Assuming that there was no mention of this I will continue with my views of this situation.

As we all know it is unlawful to pass a stopped bus from either direction. I understand there might be a few signs in this area. However as I have driven on many roads in this area, I have not seen any warning signs to this effect. As we see our children disembark from the school buses, here on Route 4, cars speed past with little or no regard for children at all. I am sure that we are not the only parents who see this going on day after day. Our Provincial Police should be instructed to rigidly enforce this law, before some little child gets killed or seriously hurt. I hope Mr. Editor you will publish my letter on this serious matter. Thanking you, John Donnelly.

Dear Mr. Howden, I am enclosing a clipping from last week's Gazette, concerning T. B. Being a patient here myself I am well aware of how contagious this disease is and also how many people are walking around in public who could pass T.B. to another. I wonder if you could print something in your editorial about the prevention and also the necessity of X-Rays for this dreaded disease. I am sure our doctors or health nurses could spare time to give a lecture once in a while in our schools too. Thank you, Percy McCaig.

Dear Mr. Howden, I am enclosing a clipping from last week's Gazette, concerning T. B. Two Parliamentary Sessions

THE past week two parliaments began new sessions and which will affect us in this part of Canada. The first was the Federal Parliament at Ottawa and the second was the Legislature at Quebec City for the Province of Quebec. The first of the two has a longer sitting so far and a little more has come out of it. The latter is just getting underway with proposed legislation. Neither of them, as yet seem to be offering any great piece of cake to the taxpayers. Opposition motions in the Federal House have sought to obtain increase in Old Age Pension from the present \$75 mark to that of \$100 per month. Both these have been defeated, thus it would seem that this increase will not be forthcoming this session at least. Last session we got a Canadian Flag, it looks that this session we shall adopt "O Canada" as the National Anthem. A massive program for education is forecast. There are a few other items, but nothing of too great importance to the majority. Perhaps the budget will provide more, when it is brought down. In the provincial opening, perhaps the highlights are more spectacular, but the results will probably mean the taxpayer will have to dig a little more deeply to pay the

"There is no question," he went on, "that barley is outclassed by corn in some situations, and that corn acreage will continue to increase. Also there is no doubt that barley will continue to increase in acreage because it outclasses oats in yield and in feed value." Dr. Young then showed the relative value of the three crops. To get the same feed per acre (3000 lbs. total digestible nutrients), you could grow either 80 bus. barley 125 bus. oats or 67 bus. corn.

About seeding, he said "Barley sown within a week of the time it is possible to work the soil nearly always yields more than later seedings. Cool, spring temperatures promote sturdy, short plants with many tillers and good heads. And the crop fills and ripens while the summer weather is still favourable to barley. Seed just deep enough to cover the seed and place it in moist soil." Dr. Young told of experimental plantings made last year on frozen soil quite successfully. On fertilizer use, he said "High yields from any grass crop like barley demand adequate nitrogen, phosphate and potash levels. Nitrogen levels may need to be more liberal than traditionally used — perhaps 50 to 60 lbs. actual nitrogen per acre."

"Lodging will no doubt be a problem," he added. "It is reduced by very early seeding which results in shorter and sturdier plants." Another way around it, he said, is to harvest the crop as high moisture grain and store it in plastic bags or in the silo. It has proven entirely satisfactory. The product has proven equal to dry barley in cattle and pig feeding. Dr. Young said that weed control was particularly important with barley. While the annuals could be easily controlled with chemicals, perennials like quack-grass and bindweed had to be eliminated before planting the crop.

Later, I asked Dr. Klink about varieties for Quebec. For the Montreal region and the Eastern Townships, he puts Champlain at the top of the list, followed by Parkland and Montclair. These latter two are suitable for malting.

Beaver Celebrates 89th Birthday

THE BEAVER — A surprise party was held in honor of Mr. Henry Hart on Sunday evening, January 30 when several of his friends gathered at the home of his son-in-law and daughter, Mr. and Mrs. Clarence Platt, to celebrate his 89th birthday and to enjoy a delicious turkey dinner and birthday cake prepared by his daughter Olive. Mr. and Mrs. Hart, who reside with Clarence and Olive, both enjoy good health and their relatives, friends and neighbours all wish them many more years of happiness together. The evening was spent socially and with a sing-song. Mr. and Mrs. Carl Stark of Westville, N.Y. celebrated their 25th wedding anniversary in Westville Grange Hall on Saturday evening. A number of people from The Beaver attended and all report a good time. Mrs. Stark was the former Miss Elsie McNeil of Dundee.

Cider is the fermented juice of the apple, while fermented pear juice is called perry. Milk is pasteurized by heating to 140 degrees or more, then cooling very quickly.

ROUND BYRE and RING

By Frank Napier

Looking back! If we, or any one else, had predicted two or three decades ago that beef cattle would figure as much as they do now in the livestock scheme of things of the Province of Quebec, we would have been laughed at, so to speak, if such prediction had been made by a dairy cattle man it might have been classed as heresy, in both instances, unthinkable that beef cattle would ever vie with dairy cattle as a major economic factor insofar as the Province of Quebec was concerned. Nevertheless there has been a decided swing during the past two decades to beef cattle breeding and raising, but apparently not to the detriment of the dairy cattle industry as a whole, although from a nostalgic sense, it is deplorable that quite a number of the farms which now rear beef cattle are the former homes of old time dairy cattle herds, especially so in the Eastern Townships. One of the reasons annexed to those changes being that a number of the old time dairy farms of the province were sold because of deaths and to quite an extent because the sons of same known as Halvale farm of Stittsville, and then proceeded to other fields of activity. On the other hand, however, quite a large proportion of the farms concerned were never really adaptable to dairy farming; similarly as regards the original owners.

In the case of the Shorthorn it has been a sort of revival before the great dairy era they were quite active in this Province, especially in the Eastern Townships, where and Wood Company, John Hall made a careful study of Hereford herds and bloodlines, etc. showing of a Hereford herd in Nowadays they have quite an active Quebec Shorthorn Association or Club, within which that at the time of his death registered 72 deer two nationally known herds the Halvale herd was one of the Saraguary herd of Mrs. W. C. Pitfield, St. Laurent, and was rated as one of the best. We are not aware of the Tutira herd of Mrs. T. C. of its kind in Ontario. In recent years the herd was the Quebec Association, but whom replaced nationally strengthened by the acquisition of that known Ayrshire herds.

The Vital ABC of your Personal Banking Needs

The normal day-by-day personal banking needs of most Canadians are covered by three essential banking services. At the Bank of Montreal we are geared to give you complete, personalized service in these three vital areas.

- ACCUMULATING: Your B of M Savings Account is the ideal place to save money for travel, education, down payment on a house, major household purchases. BORROWING: Thousands of Canadians borrow money at the Bank of Montreal for all kinds of worthwhile purposes. CHEQUING: Paying by cheque is the safe, convenient, modern way to take care of your bills and avoid the dangers of cash transactions.

ONLY AN ORGANIZATION LIKE THE BANK OF MONTREAL OFFERS YOU THESE THREE VITAL SERVICES... PLUS. Bank of Montreal Canada's First Bank. My Bank 25 Million Canadians B of M.

Huntingdon Locals

Huntingdon County Hospital Notes

Mrs. H. L. S. Patterson in loving memory of Mrs. M. M. MacNaughton.

Mr. and Mrs. William Gundy and daughter of Montreal were visitors on Saturday at the home of Mr. and Mrs. Thos. Johnson and one of \$10. from Brooks.

Saturday callers at the home of Mr. and Mrs. H. F. McConville were Mr. Eugene Fullum of Chateaugay and Miss Frances Costello of Montreal.

Friends and customers of Mr. Edouard Bayard of Bayard's Meat Market on York St. will be sorry to learn that he was stricken with a heart attack a week ago Tuesday and is now a patient in the Huntingdon County Hospital. He is reported to be making a favorable recovery and best wishes are extended to him for continued improvement.

On Saturday afternoon Mr. and Mrs. R. G. Lumsden of St. Laurent and Mrs. J. Fee of Montreal called on Mrs. Alva Wilson, who is a patient in the Huntingdon County Hospital.

Miss Helen Donnelly returned to her home in Saranac Lake, N.Y. on Thursday after spending a few days with her sister, Mrs. Mary Myre. Mrs. Wilbrod Marchant of Verdun was a caller on Wednesday at the same home.

Round Byre and Ring

(Continued from page 7)

Association in 1964, as per the list shown to us by Mrs. Payne, totalled 307, with the largest number of same being located in the Eastern Townships and Pontiac County, the balance being located in practically every other district of the Province.

During the course of the past year substantial grants were made to County Fairs and 4H Clubs, and particularly so to the prize list for the Hereford section of the Sherbrooke Winter Fair, held October 27, 1965. In the latter connection, it was reported that "over 50 entries in the breeding classes of well-presented cattle made excellent competition and drew favourable comment from visitors."

One of the leading exhibitors at Sherbrooke Winter Fair was Dodds Hereford Farms of J. T. Dodds of St. Andrews East and Mrs. Payne informed us that during the course of a discussion between the Payne's and Mrs. Dagg, J. T. Dodds and several others it was decided that an effort be made to bring out a worthwhile Hereford exhibit to this year's Ormstown Exhibition. In fact Mrs. Payne spoke very enthusiastically of the prospects insofar as Ormstown is concerned.

To your GOOD HEALTH

By Joseph G. Molner, M.D.

Dear Dr. Molner: I have type O, Rh-positive blood, and gave a pint and received \$5 for it. Yet when you get a pint of blood at the hospital, you have to pay \$25 or more for it. This has been puzzling me for a long time. Please explain. — MRS. W.A.

Others ask the same thing, and there is a very good answer. Type O rh positive is the commonest type of blood, but that's beside the point. It therefore is the most useful, because it matches the type needed by more people.

The blood itself, while really the priceless item, is not the most costly part of a transfusion. It takes skilled people to draw the blood. They have to be paid. Then the blood must be put into sterile containers and sealed. It has to be refrigerated, and somebody has to be on duty constantly at the blood bank. Equipment and technically-trained attendants cost money.

Few hospitals can keep all types of blood all the time. It takes skilled people to draw the blood. They have to be paid. Then the blood must be put into sterile containers and sealed. It has to be refrigerated, and somebody has to be on duty constantly at the blood bank. Equipment and technically-trained attendants cost money.

breeds, and whenever these white-faced, red-coloured cattle become known they rapidly obtain a position of great importance. As far back as the year 1627 it was stated by a well-known expert on cattle breeding that no place (Hereford) in England produced better cattle."

It also claims: "Among their many good qualities their ability to exist and develop under the most varied conditions is outstanding. Another remarkable feature is a natural aptitude to fatten easily and to reach maturity early."

While the Hereford lack the gaiety of action, so to speak, of the Shorthorn and Aberdeen Angus cattle, because of their striking uniform colours they make an impressive showing. Moreover, they are probably the most docile of any cattle. In our own recollection of many herds and shows rings in both the United States and Canada, we cannot recall having seen a fractious

SPORTS

CURLING

By Bill Tobin

Curling Stones
The earliest curling stones must have been a weird assortment. They came in all sizes and shapes and weights. They had no handle but a few nicks chipped in them sufficient for a grip by the thumb and forefinger. "Channel stones" were the earliest of the breed

Nor have I yet mentioned — although this also is included in cost that has to be paid — the people and the equipment required to give the transfusion. Not the least of these is the service of the nurse who checks and rechecks the patient to see that the blood keeps flowing, that no unexpected reaction sets in, that no flip of an arm pulls the tube loose. One of the biggest bargains left in this world of high prices is the service of a well-trained nurse.

A good many doctors believe that nobody should be paid for giving blood, since the blood itself cannot be priced. If you need it, nothing else will suffice.

Churches and service organizations have Red Cross units. At these a Red Cross unit is present to take blood that is donated. One can designate this donation for a specific individual or cause, as for servicemen.

Yet if we depended only on people who give blood freely we wouldn't have enough. So we coax others to give by paying \$5 (or \$10 or even more for rare types).

Dear Dr. Molner: I have cataracts and have been told that lemon juice dropped in my eyes would cure them —

Definitely not. Lemon juice won't help the cataracts and very likely would be uncomfortable. There is only one cure for cataracts, and that is surgery.

NOTE TO MRS. A.L.: No, Artificially-sweetened soft drinks won't stunt children's growth.

To learn of the many factors that can be involved in the treatment of hiatal hernia, which concerns the esophagus, write to Dr. Molner in care of this newspaper for a copy of his booklet, "Hiatal Hernia and Eight Ways to Combat It," enclosing a self-addressed, stamped envelope, and 20¢ in coin to cover cost of printing and handling.

Dr. Molner welcomes all reader mail, but regrets that due to the tremendous volume received daily, he is unable to answer individual letters. Dr. Molner answers readers' questions in his column whenever possible.

Usually they were stones found along the edges of channels or streams that had been rounded smooth by the eroding action of flowing water. These stones were fairly flat and sometimes called "loofies". They weighed from 5 to 25 pounds. With such miniature missiles, ancient curling was played somewhat like quoits. The stones were hurled through the air for part of the distance, then silted along the ice to a stake which marked the target. Stones closest to the stake counted. (ED'S NOTE: sounds like horseshoes, too?) Gradually the "Kuting" or "Quoiting" stones were superseded by heavier varieties as curlers found that the heavier "loofies" brushed the lighter ones aside in a well aimed shot at the stake. Actually there are a few such boulders in captivity today, like the "Salt Buck" weighing as much as 116 pounds. Insertion of handles, became the next step in the evolution of today's curling stone; then about 1775 circular stones became common. Standardization had at last begun. In November, 1838, the Royal Caledonian Curling Club was formed with the blessing of Queen Victoria's husband, the Prince Consort, and the rules of the game brought some semblance of order for the rugged Scotch individualist who loved to curl. Next — Curling in Canada.

The Match Committee at the local club did a fine job matching the mixed league teams and the standings after six games played bears out the point. In the 7 p.m. draw four teams are tied for first place with seven points each. These teams are skipped by Merrill Smith, Lou DePenigny, McKie Cluf and Yours Truly. Don Heath's team is just one point off this pace while the Mons Duke team is playing the tail end, which comes as a surprise — this team has strength and I suggest they will make the trail a little rougher for some of the leaders in future games.

In the 9 p.m. draw, Bill Tobin Jr.'s team was in the lead with five wins and one loss for a total of ten points, running a close second is Alex Demer's foursome with eight and one point off of this sits Jack Elliott with his trio. In this league the low team on the totem pole is the strong Doug McGerrigle team — this team should explode any day now so, leaders, beware.

The Annual Men's Bouspiel for the Chateau Trophy started last Monday and finishes Saturday, February 5th. Games are 12 ends and will start at 8 p.m. Visitors are welcome to view these games. I had occasion to visit the Riverfield Club last week: it's a beautiful club, ideally situated and the hospitality was second to none. I feel sorry for Grace Robb the official scorer, after ten days of play. Players for the final games were shaping up well, until the very last stone was delivered. At that time that stone, delivered by Earl Middlemiss, created a three-way tie for final spot. At the time I left the club, Grace was sitting there with a dejected look on her face, muttering "Why oh why did this have to happen to me?" I heard a few days later that the problem was solved and Grace is smiling again.

No. 81 Branch, Royal Canadian Legion entry in the Legion Playdowns, was defeated in a two out of three game series by the Valleyfield Branch Good calibre curling was witnessed by spectators in all three games. To the Valleyfield team, I say Go, Go, Go. Closing note: a perfectionist is one who takes infinite pains and usually gives them to everyone around him.

10-66

Former Howick Resident Homesteading At Peace River, Alberta

(By Mrs. Crawford)

Homesteading stories have interested me since I was a little girl and listened to my grandfather Cameron tell about coming from Scotland at 6 years of age to live at the Bean River, near Ste. Martine, (1832), and later years with

his own family on Tullochgorum Road.

Friends and relatives from Western Canada visited our home during the winter months and we were allowed to listen late to their stories. Among these visitors were John Muir of Vancouver, educator, and son of the Rev. Dr. J. C. Muir, Minister at Georgetown Church 1836-41; cousins George Reid of Edmonton, and Ernest Marshall of Regina; neighbours John Kerr and his sister Mary to Ettington, Sask. (later Mrs. Thos. Bell of Vantage, Sask.) and Duncan McTear of Valmarie, Sask.

My brother Roy Cameron during 10 years in South Africa, spent 2 or 3 years on a 75,000 acre ranch beside Kruger National Park, where wild animals abound. In the 1950's

he was with his South African friends on a ranch in Colorado, U.S.A.

Serge Chevrier told me recently about his early life on a sugar cane plantation in Vietnam, and later a sheep farm in France, near the city of Limoges, so there has been variety in the stories I have heard in more than fifty years. A few weeks ago, a relative, Dr. Donald Elliot, came from his home in the Peace River Country to visit his parents, Mr. and Mrs. Wallace Elliot. He was accompanied by a young friend, Wes Ferguson, son of a neighbouring farmer, who assists with the farm work, and housekeeping chores in their bachelor home. These personable young men visited our home and told a story that brought me up to date on modern homesteading in Western Canada.

Dr. Donald Elliot was born on a farm near Howick, educated at Howick High School, 1 year at Macdonald College (Agriculture), then on to Ontario Veterinary College at Guelph. He graduated in 1955 with Degree D.V.M. (Doctor of Veterinary Medicine, which includes the former V.S. degree). I happen to know that he gathered up scholarships, a medal and other honours as he went along.

He went to Trochu, Alta. where he practised, and farmed on the side. Then he sold everything and moved to Acme, Alta., where he farmed before moving to Bonanza in 1961 to take on the clearing and farming of two sections, 1280 acres, of Crown Lands.

Apart from the financial agreement, homesteaders are given five years to fulfill certain obligations before they apply for title to the land.

Donald, with the help of Wes Ferguson, and two other men during the summer

months, has cleared about 1,000 acres, planted it, built a home, and made other improvements.

Wes Ferguson, 17 years of age, was born at Whitelaw, Alberta. His grandfather left Owen Sound, Ont., about 1900 and settled near Peace River town. His father settled at Bonanza in 1952. Wes was educated at Bonanza, but there were no good roads and he boarded near the school. Since 1964 his brothers and sisters travel to school by bus.

Bonanza is a small place but the centre of a widespread farming community. There is a school and teacherage, a nurse's residence in charge of a community nurse. (Serious cases are referred to a doctor in Dawson creek, 50 miles away), a non denominational church, and a Jehovah Witness Hall; a store; a Post Office; a new curling rink and a community hall, where two or three hundred gather for dances or other entertainment. Machinery repairs are made at Dawson Creek. Buses come within 5 miles of this centre and trains, 25 miles.

The Elliot farm is situated in picturesque rolling country 25 miles due north of Bonanza. The northern boundary is within one mile of the Peace River. Land nearer the river is

not considered arable due to spring floods. The Peace Coupee on the west and Shedon Creek on the east are tributaries of the Peace River. The creek floods in the spring and flows through a gorge about 900 ft. deep but dries up in the summer.

At certain times fog rolls in from the Peace River which may help to prevent early frost damage to crops.

An exciting annual event is the motorized boat trip which is held on the Peace River. It starts further west and about 100 boats travel downstream to Peace River town.

Due to past fires, fallen pines lie criss-crossed in every direction, new growth is poplar, willow and some evergreen. Donald uses a crawler tractor for clearing with a V shaped brush cutter that will cut trees 6" to 8" thick in a 12 ft. swath. Mr. Ferguson Sr. provided a root picker by welding about 60 teeth on a 30" drum. A piler puts the brush in rows for burning.

Strict fire rules are observed and permits must be renewed after 10 days. A check is made by airplane if smoke or fire is noticed from look-out towers.

As the land was cleared, crops were planted. Donald uses a Case 4-wheel drive tractor,

an 18 ft. double disk, a 22 ft. deep tillage cultivator, a two-bottom heavy breaking plow.

The grain crops are mostly wheat and barley which are sold for feed. Clover, alfalfa and creeping red fescue are sold for seed. All grain crops may be sold on the open market at Dawson Creek, and are taken to the elevators as combined. To date the quota system is not used, but with bumper crops, the main difficulty is finding elevator space.

Seeding starts early or towards the middle of May and they try to finish by the end of May. The Elliot land is heavy clay with few stones.

Most farmers have a few cattle, others have 100 or more. The district was settled first in 1928. Everyone speaks English, but many have European names and groups will be heard speaking in other languages.

The greatest changes have come since 1960. The new road was built in 1964, power line in 1965, and the telephone will be there by 1967.

Land has been bought and work started on a hall which will be part of a community centre for their immediate district.

A rodeo has been held for

Wednesday, February 2nd, 1966

The Gleaner - 9

3 years. It was organized by a homesteader (who came in at the same time as Donald) and is held on his farm. A circular track was made for horse racing. The contestants milk wild cows, ride steers, and bronchos, rope cattle, etc. It's strictly a fun rodeo and no points are given. Some prizes are donated and the hat is passed to collect money for others.

Howick High School Notes

Junior Girls' Basketball:
The junior girls' basketball schedule continued when Chateauguy played at Howick, Wednesday, Jan. 19. This game proved very interesting. The juniors met with stiff opposition, but they were out to win and they did (48-29). The high scoring players were Linda Scoble with 24 points and Dorothy Bustard with 15 points. Refreshments were enjoyed by both teams following the game. Congratulations girls!

The third game of the Howick junior basketball team was played Friday, January 21 in Valleyfield. This game brought our girls against Gault. Both teams played well but the closing whistle found Howick on top with 30 points to Gault's 18. The leading scorers were Linda Scoble with 14 points, Dorothy Bustard with 8 and Cathy McFarlane with 6. A large body of students turned out from both schools to cheer their respective teams. Keep the good work, juniors!

Senior Girls' Basketball:
On Wednesday, January 19

at 4:00 p.m. the senior girls basketball team played their second game of the season at home with Chateauguy supplying the opposition. The teams were quite evenly matched but when the final whistle sounded, the score was 27-17 in favour of Chateauguy.

The high scorers for Howick were Patsy Stonehouse with 9 points, and Pam Miller with 6 points.

After the games, the Howick girls were pleased to entertain the visitors with hot dogs and milk.

On Friday, January 21, the Howick senior girls travelled to Valleyfield to play what was expected to be a very close game. The fans who turned out to support their respective teams were not disappointed, as the action was fast and furious. Although both teams were evenly matched, Valleyfield drew ahead in the last minute of play and the final score was 29-26 in their favour. The re-match between these two teams promises to be very exciting.

Hockey: Senior:
Wednesday afternoon our

hockey team visited Huntingdon and won a squeaker by a score of 4 - 3. The pace was fast in the first period until our boys went ahead 1-0, this being how the period ended. The teams changed ends and before Huntingdon realized what had happened, the line of Peter Morrison, John Gilles and Gordie Chisholm had hammered in two more goals sending our team into a 3-0 lead. But, Huntingdon bounced back with 2 quick goals and closed the gap. In the third and final period Huntingdon tied the score in the first minute of play. Our boys in blue went on the attack and would have won a decisive victory, but for some spectacular stops by the opposition's goal. Finally, however our G.M.C. line found the range once more for the victory.

Juniors:
The Junior All Stars played their first scheduled game Saturday, January 22. Although the play was at times on the sloppy side, the closeness of the score made the game very exciting. Late in the third period Michael Murray scored the winning goal, his second of the game. The other Howick scorer in this 3-2 victory was Bill Stuckey, who played a fine aggressive game throughout. Clifford Cullen's defensive play was a contributing factor in the victory.

Former Howick...

(Continued from page 9) farm chores. In later years I drove the tractor when needed, so I have a faint idea of the tremendous undertaking this homesteading project has been.

The older generation cleared a small farm by hand, the present generation used machinery. In both cases great energy and determination were required, as well as other qualities that are not possessed by everyone.

My visitors didn't mention hard work but they spoke of the beauty of the country. Moose and deer may be seen on the softly-sloping green hills; bears are a nuisance, but amusing animals with paths all through the grain-fields. Hundreds of prairie chickens, ruffled grouse and small birds add life and colour to the countryside.

During a brief midsummer period days are long, and in midwinter the situation is reversed. They enjoyed the slightly longer winter days at Howick.

Donald has continued to work at his profession, but without roads or telephones it has been difficult for farmers to contact him when needed. The nearest Veterinary is 50 miles away in B.C. and he can't practise in Alberta. The nearest one in Alberta is 100 miles away. This situation will improve greatly in 1967 when the telephone line comes through.

The two young men came down by train, but are traveling home by car, going via the U.S.A. to Arizona and other points before heading north to the Peace River.

Their visit gave us great pleasure and if I were a smart young teacher or nurse, filled with the spirit of adventure, I would apply for a position at Bonanza, where I could meet more of these wonderful Peace River settlers and visit them in their homes.

Rockburn

Annual Meeting
The annual meeting of the Rockburn Presbyterian Congregation was held in the Church Hall Monday evening, January 24th.

Prior to the business meeting a delicious hot supper was served and much enjoyed. Rev. G. McMichen, Moderator, was in charge of the meeting which opened with the singing of a hymn followed by prayer.

Mr. Bert Rennie, secretary-treasurer, read the minutes of the previous meeting, also the treasurer's report for 1965 which showed the finances of the congregation to be very satisfactory and encouraging. Several business matters were discussed and all Officers re-elected with the exception of Messrs. A. Bruce and Ronald Maither, managers, whose terms of office for the three years had expired and they were replaced by Glen Waller and Norval Blair.

It was decided the Hall organ be repaired; this matter was left in the hands of Mr. Leslie Rennie.

The meeting closed with the benediction.

Sorry to learn that Mr. Roy

J. Blair is at present a patient in the Barrie Memorial Hospital, Ormstown, where he is undergoing tests.

Owing to the bad condition of the roads and weather there was no school on Monday.

Little Joyce Sutton is a patient undergoing treatment in the Huntingdon County Hospital.

Those who have been absent from church service the past three Sundays have missed splendid sermons by Mr. Cunningham on the first three commandments. Next Sunday he will preach on the Fourth Commandment.

Sluggish Kidneys May Bring Restless Nights

If you "fight the pillow", toss and turn all through the night and don't really know why — perhaps here's news and help for you! One cause of such restlessness may be traced to sluggish kidney action. Urinary irritation and bladder discomfort may follow. The result can be backache and restless nights. This is when DODD'S Kidney Pills can help bring relief. DODD'S stimulates kidney action, helps relieve the irritated condition that causes the backache. Take DODD'S, and see if you don't feel better, rest better. Don't wait. Ask for DODD'S Kidney Pills at any drug counter. Used successfully by millions for over 70 years.

Lacolle

LACOLLE—Mr. Arthur Dawson of Waterloo University and Miss Linda Wade of Toronto spent the week-end with his parents, Mr. and Mrs. Wm. Dawson.

Miss Jean Van Vliet spent a few days in Montreal last week with her friend, Miss Florence Randall.

Mr. and Mrs. Jack Boyse and sons attended the 50th wedding anniversary of Mr. and Mrs. John C. Barr in Montreal Jan. 26th.

Mrs. Donald Hebb and baby daughter spent the past week visiting her mother, Mrs. Chas. Hewson.

Miss Joy Higgs, Mr. Eric Rafn and Mr. and Mrs. E. A. Robinson were supper guests of Mr. and Mrs. Nelson Van Vliet on Wednesday.

Word was received here of the sudden passing of Mr.

Leslie Edgerton of Champlain on Thursday evening. Mr. Edgerton was born and grew up in Odeltown. He was the son of the late Mr. and Mrs. Jas. Edgerton. The funeral was held from Clark's Funeral home Sunday afternoon.

The death occurred on Tuesday of Miss Maud Higgs, an old and respected citizen. Mrs. Higgs had just passed her 98th birthday on Jan. 12th. She had lived in this community for over sixty years, at first at their summer residence, later permanently. Mrs. Higgs had a happy disposition and was loved by all who knew her. She leaves to mourn her loss her daughter, Miss Joy Higgs, to whom we extend our sympathy.

Mr. Arthur Dawson and Mrs. Linda Wade were Sunday guests of Mr. and Mrs. Don. Robinson.

News from Howick

By Mrs. Crawford

The Rev. Wm. Brown presided at the annual meeting of Georgetown Presbyterian Church, held on Tuesday evening, Jan. 25. It was a well attended meeting and satisfactory reports were heard from every department.

Two new members were appointed to the Board of Managers: Mr. Ross Peddic will replace Mr. Ian Watson, and Mr. James McCaig will replace Mr. Harry Cullen.

The annual meeting of Howick United Church was held on Monday evening, Jan. 24 with the Rev. A. E. Loree, Ormstown, interim minister, and Mr. Wm. Hudson, student-minister in charge.

Printed reports showed that all departments of the church were in good order; Mr. Roy Younie resigned with regret from the Board of Trustees. His place and that of the late Russell Logan will be taken by Messrs. Archie Roy and Cecil Younie who join Messrs. Douglas Ness, Arnold McKell and Donald Chisholm on that committee.

Members of the 1965 Board of Managers will continue in office for one more year, due to unfinished projects, (furnace, etc.). Three new stewards were added, Messrs. John Logan, Ivan Knox and John Findland.

A recommendation was made that the Session be composed of eleven members, instead of seven, but this matter was left for further discussion.

It was recommended also that money be set aside for electrical improvements in the manse, and an additional \$900. was added to the budget for this purpose.

An unusual number of deaths was recorded and the congregation mourns the passing of nine beloved members from the fellowship of the church. They were: Mrs. Lawrence Gruer, Mr. Richard Champ, Mr. John Tennant, Mr. Homer Brady, Mrs. Robt. J. Roy, Mrs. John Cullen, Mr. Lorne Templeton, Mr. John (Jackie) Tennant, Sr., and Mr. Russell Logan.

Caledonia, Port Alfred and Rosemere. A cool young skip rink from Port Alfred won seven games straight to become provincial Champions; winners of the Silver D. event From Feb. 28 to March 4, they will represent Quebec at Vancouver in the Diamond D Games.

Visiting curlers and other guests were entertained on several occasions. On Wednesday the Chantecler Ladies' Curling Club held a Tea at the home of Mrs. Cynthia Gough. This was a delightful affair. The curlers relaxed in the pleasant atmosphere of this spacious and charming home and the food was wonderful!

On Thursday, the mayor of the Municipality of Ste. Adele, Mr. Lionel Patry, and the Councilors, held a civic reception for the curlers and guests, at the Chantecler Hotel, at 12.30 noon. At 1.30 a luncheon was held in the Donald Room of the same hotel and the prizes were presented.

Mrs. Gerald Roy, Vice-Pres. of C. L. C. A., Miss Laura Robertson, Sec-Manager of L. C. A., and Mrs. R. Rowat of the Silver D. Committee were present from this district. Mrs. Roy presented the C.L.C.A. crests to the winners.

Twenty-four employees of Williams & Wilson Ltd of Montreal took part in a friendly bonspiel at Howick Curling Club Saturday afternoon. Refreshments were served after the games.

Mr. Walter Stonehouse, who organized the party, was presented with a large (paper) medal inscribed "Badge of Merit, Walter Stonehouse etc." and a fancy "fun" broom.

The men appreciated the hospitality of the club and hope to return for another game.

Howick played three games in the C. V. H. A. They played Ormstown on Monday, Jan. 24. Ormstown scored 3, Howick 2. Douglas Stonehouse and Ross Roy scored for Howick.

Wednesday, Jan. 26 they defeated St. Chrysostome 16-2. Scorers were: David McArthur 3, Garth Cavers 3, Donald Brown 3, Doug Stonehouse 2, Ken Rattigan 1, Douglas Marshall 1, Brian Brown 1, Charles Tennant 1 and Brian Wilson 1.

An exhibition game was played on Friday night when Howick defeated Trenholme Park.

Wednesday was a cold day but 34 Seniors met at the Curling Club. The curling game ended in a tie which they happily, decided to leave unbroken. There were the usual card games, and music to mark Robert Burn's birthday plus the Birthday Song for Mrs. J. Crawford. Mervin Craig spoke about bringing his fiddle along next week so may be square dancing will be an added attraction before the winter is over.

Winners of Mixed Curling on Saturday night were: Skip Marcel Lemieux, Pauline Lemieux, Dieudonné D'Aoust and Germaine D'Aoust.

A rink skipped by Wm. Ness won the Consolation Event at

To Speak On Quebec Pension Plan

Mr. Fernand Moreau, Public Relations Officer for the Quebec Pension Board, will discuss the Quebec Pension Plan and its effect on agricultural workers, Tuesday, February 8, in Franklin, County of Huntingdon.

The Board's spokesman will speak at 8:00 p.m. at Franklin School, under the auspices of Southwestern Quebec Protestant Settlement Society.

Mr. Moreau, an expert on matters touching the Pension Plan, has addressed more than sixty meetings in various regions of the Province.

Mr. Moreau will also address the members of the Grange Society, Wednesday, February 9th, at the Grange Hall.

Personals

Dr. Donald Elliot and Mrs. Wes. Ferguson who have been visiting with Mr. and Mrs. Wallace Elliot and other members of the family since early December, left on Jan. 24 to return to Bonanza, Alberta. They will visit Dr. Murray Elliot and his family at Ithaca N.Y. and other places of interest before going North to Alberta about the end of February.

The sympathy of the community is extended to Mr. Jean Charles Desrosiers on the death of his eldest brother, Mr. Emile Desrosiers. He died on Wednesday, Jan. 26 at 76 years of age. The funeral was held on Jan. 31 at St. Barthelemy Church with interment at East End cemetery.

Mr. Grant Whyte was injured by a car, while crossing the road from a neighbour's home on Sat. afternoon. He appears

Wednesday, February 2nd, 1966

The Gleaner - 11

to have escaped serious injury but will remain at the Barrie Memorial Hospital for treatment and rest.

There were several car accidents due to drifting snow but no serious injuries reported.

C.G.I.T. Meeting
A meeting of the Akita C.G.I.T. was held Tuesday, Jan. 25 at the school. Devotions were led by Lynn McArthur. Seven of the nine Seniors are planning to attend the week-end conference for Jan. 26 at 76 years of age. The second phase of "As Others See Me", entitled "Poison on the first topic in the New Mission Study, "Called to Be" and group discussions were held on Sat. afternoon. He appears

the Riverfield Bonspiel. Freddie Letto skipped the runner-up rink.

The School Boy rink has returned from the Championship games held at Shawinigan from Jan. 26-29 sponsored by the Pepsi-Cola.

They played nine games winning 4 and losing 5. They defeated the 3 Montreal rinks but admitted there was a good turnout of good curlers and all matches were closely contested.

Sunday morning chores must have been a rude awakening after the grand social whirl at Shawinigan. They enjoyed buffet luncheon at the Legion Curling Club, the Shawinigan South Golf and Curling Club, and the Shawinigan Curling Club; tour of the Dupont Cellophane Plant; Banquet at Cascade Inn, when Mr. Young from the Dept. of Education gave a humorous and interesting talk on curling. They were guests of the Mayor (protem) at the City Hall and presented with key chains with the Shawinigan crest. Chauffeur driven cars drove them to and fro.

The rink of skip Gary Allen, 3rd, Wendell Holmes, 2nd, Andy Ness and lead Ian Bustard was accompanied by coach, R.B. Ness, who drove them to Shawinigan and home again. The event was won by a rink from Arvida Skipped by Les Hollands. Mr. Ness left the next day for Quebec City where he will play in the International Bonspiel.

Mr. Adolphe Bourcier is at home again after spending three weeks, at the Hotel Dieu Hospital in Montreal. Our best wishes to him for a speedy recovery.

If you could go for a new brand of performance with this kind of beauty...

...then you don't have far to go! It's as near as your Pontiac dealer's!

Pontiac's beauty wins a lot of friends. You can tell that just by looking at it. But should you wish to find out what Pontiac's new brand of performance can do for you, you really have to drive the car. Before you do, let us tell you one thing: Once you've pulled away from the curb in a new Pontiac, be prepared to smile. You're pointed toward excitement. Acceleration is quick . . . very quick. Freeway cruising is smooth and quiet. And on the roughest, twistiest roads you can find, you'll be surprised that a car with so luxurious a big-car ride can be so agile. Before we forget the practical side of Pontiac, let's remember that each one of its 54 handsome models is a full-sized family car priced just right for the performance-lover with a budget to keep. Sound like we consider Pontiac the perfect car for you? We do. Visit your Pontiac dealer today and discover why. His name is listed below. The Success Car has done it again.

Liturgie — Septuagésime La liturgie s'assombrit. La lumière du Noël va maintenant affronter les ténèbres. Trois étapes — temps de la Septuagésime. Carême, Semaine Sainte — nous conduiront au cœur du mystère de Pâques, mort et résurrection du Sauveur.

En y ajoutant la semaine de Pâques, on arrive à un total de soixante-dix jours (Septuagésime signifie soixante-dixième), qui rappellent la captivité des Juifs à Babylone, pendant soixante-dix ans (au VIIe siècle avant Jésus-Christ). Pâques est en effet la fête de la "rédemption" des captifs, de leur délivrance et de leur retour dans la Terre Promise. Encore faut-il nous mettre en route et lutter avec le Christ contre l'esclavage, l'aliénation du péché et de la souffrance. C'est le Christ qui nous sauve: il prend notre "pauvreté" en pitié.

Liturgie — To the modern Altar Boy. Almost a year after English texts were adopted in Canada, the role of our

altar boys has changed. In some churches in which there are new altars facing the people, processions before Mass and at Communion time, the altar boys with some help from the priest have had to find actions which were required to assist the celebrant, and which did not encumber the rite. Today's altar boys definitely must be up to date and among the first to be aware of new changes in the liturgy. Although he may be surrounded with activities, an altar boy must never miss nor be late for the Mass which he is scheduled to serve. Shoes? Shining! Cassock? Clean! Surplice? Spotless! And nothing less than shining, clean and spotless will ever suffice.

Chez les Dames de Ste-Anne

Dimanche dernier, au cours de la messe de 5 heures, cinq nouveaux membres se joignaient à la congrégation. Malgré la mauvaise température, 75 dames étaient présentes à cette occasion.

Cette messe fut suivie du souper annuel à la salle paroissiale.

Il coïncidait avec l'assemblée annuelle, au cours de la soirée, on lut les rapports de l'année écoulée.

Nous avons eu à déplorer la perte de quatre de nos membres durant l'année écoulée. Il s'agit de Mmes Joseph Demers, A. P. H. Tessier, Philoleme Deniger, Alfred G. Lepage.

Le rapport financier nous fait savoir qu'on a acheté et distribué 80 paires de chaussures et 40 paires de couvertures aux enfants pauvres de la paroisse.

En plusieurs occasions, des fleurs ont été offertes pour le maître-autel à l'église. A l'occasion de Noël, des cadeaux ont été distribués à tous les patients des maisons Patterson et Lacasse, pour vieillards malades.

La partie de bingo et la vente des pâtisseries tenues en octobre ont remporté un réel succès. Cela nous permettra de continuer nos oeuvres en vers les enfants pauvres.

Puis on procéda à la nomination du nouveau comité en charge. Présidente, Mme D. McIntyre; 1ère vice-présidente, Mme J. Roberge; 2ème vice-présidente, Mme E. Du

haime; trésorière, Mme E. McDermott; secrétaire, Mme L. Ouimet.

Comme d'habitude, un certain nombre de dames se réunissent à la salle paroissiale tous les jeudis après-midi afin deoudre des vêtements pour les pauvres. Celles qui voudraient se joindre au groupe sont cordialement invitées par Mme Daigle.

Nous désirons adresser des remerciements à Mme Adrien Brisebois qui s'est chargée de l'entretien au cimetière du terrain du regretté curé Pigeon. Nous remercions également Mgr David pour son dévouement inlassable.

C'est lui qui présidait notre réunion dimanche. Il était accompagné des abbés Lavigne et Gareau ainsi que de l'abbé Gilles Daoust, aumônier de l'école.

Pour terminer la soirée, les dames purent jouer quelques parties de cartes. Des prix furent attribués aux gagnantes.

Mme L. Ouimet, secrétaire.

Ici et là dans la ville

Le bonhomme Hiver fait encore des siennes

Huntingdon ne fait pas exception à la règle. Comme une grande partie de notre province, la ville est presque ensevelie sous une épaisse couche de neige depuis la fin de semaine. Tous s'en ressentent plus ou moins selon qu'ils doivent se déplacer ou non.

Les industries et places d'affaires fonctionnent tout de même, bien qu'en certains cas, le personnel soit décimé par de nombreuses absences surtout lundi.

Nos écoles sont fermées depuis vendredi soir, mais, les jeunes ne s'en plaignent pas. Espérons qu'ils ne se plaindront pas non plus lorsqu'ils auront des devoirs et leçons en double pour rattraper le temps perdu.

Les ouvriers de la voirie travaillent sans relâche, mais le problème est de savoir où ils transporteront toute cette neige quand la tempête aura diminué d'intensité.

Février entre en lion; espérons que le proverbe s'avèrera juste puisqu'il dit qu'il doit sortir en mouton.

Bingo des chevaliers

C'est dimanche soir, 8 heures qu'on vous donne rendez-vous à la salle colombienne pour passer quelques heures de détente, en bonne compagnie.

Festival de l'E.S.N.D.

Toute la population est invitée à se joindre aux activités de ce festival annuel. Il y aura souper canadien à la salle des Chevaliers de Colomb le soir; couronnement de la Reine vendredi à l'auditorium de l'école Notre-Dame; journée d'activités de toutes sortes à l'aréna samedi. Les jeunes sont remplis d'enthousiasme. Les organisateurs se donnent bien du mal pour préparer cette fête annuelle. Il ne manque plus que votre encouragement habituel pour en faire un grand succès. Ferez-vous votre part?

La Marche des dix sous

A cause de la tempête qui faisait rage lundi soir, les dames n'ont pu faire la collecte cédulée pour ce soir-là. Mais on nous apprend que la campagne de souscription se poursuivra d'ici le 15 du mois. Ceux qui désirent y contribuer peuvent faire parvenir leurs dons à la Légion Canadienne, Huntingdon.

Prompt rétablissement

Nos meilleurs voeux de prompt rétablissement à M. Edouard Bayard, qui a été hospitalisé la semaine dernière. On nous apprend qu'il se remet présentement d'une crise cardiaque.

Hockey Mineur

comme moyen pour les garçonnets Canadiens de s'amuser... de devenir de meilleurs citoyens... d'acquérir un bon esprit sportif... d'apprendre la discipline... et le respect des règlements, sur la glace et hors de jeu.

Objectifs de la semaine du Hockey Mineur

- 1 Attirer l'attention du public sur l'aspect formateur pour le corps et le caractère et sur les autres bienfaits qu'apporte la participation à notre sport national, et encourager l'avancement du hockey mineur dans chaque localité du Canada.
- 2 Encourager les parents à s'intéresser aux activités de leurs enfants.
- 3 Encourager les parents à participer comme commanditaires, gérants, instructeurs, officiels de la ligue, arbitres, etc.
- 4 Rendre hommage à ceux qui travaillent bénévolement pour le hockey mineur, aux clubs de service, aux autres organisations d'intérêt public et aux individus qui supportent les efforts de ces organisations.
- 5 Informer le public sur ce que fait pour le hockey mineur au Canada la C.A.H.A. et ses branches affiliées.
- 6 Faire part au public des statistiques sur le hockey mineur tant au point de vue national et provincial qu'au point de vue local.
