

117TH E. T. BATTALION OFF ON FIRST STAGE OF JOURNEY

Big Crowd Turns Out to Cheer Gallant Lads on Their Way. Battalion Made Splendid Showing in March Through City. Joined Here By Units From Outside Points. Trains Pulled Out at 10 and 10.30 a.m.

Sherbrooke and the Eastern Townships, today, once more witnessed the stirring spectacle of the departure of another gallant corps of Eastern Townships boys, volunteers in the great service in defense of their honor and of the Empire. The units which have been in training in Richmond, Danville, Bury, Cookshire, and Stanstead arrived on early trains and 1,000 strong and in full marching order, led by the Colonel on his white charger, the 117th Eastern Townships Battalion made a most impressive showing as they marched through the streets of the Eastern Townships metropolis from the Exhibition grounds to the C. P. R. station. Some four thousand of the young men of the Eastern Townships have volunteered for overseas service. Almost a year ago the 5th Canadian Mounted Rifles, now gallantly defending the line in Flanders, took their departure. A few months ago the 35th Battery, another Eastern Townships corps, sailed for overseas. Many hundreds of Eastern Townships lads have gone with corps whose headquarters have been in Montreal or elsewhere. And now the "Eastern Townships" Battalion has departed on the first stage of its journey.

LIEUT.-COL. L. J. GILBERT, O. C. 117th. Eastern Townships Battalion.

The prayers and best wishes of all who remain behind will be constantly with them. A stalwart lot of men they are and well officered. They will give a good account of themselves. Of that, there is no doubt. In the strenuous work before them, may providence protect them. May events so shape themselves as to make the homecoming for all a joyful one.

GOD SPEED TO THE BOYS IN KHAKI

The following farewell message was handed to Col. Gilbert, this morning. It will be read to the various units and issued in the orders of the day. Sherbrooke, May 1, 1916. To Lt.-Col. L. J. Gilbert, O.C., and to the Officers, Non-Commissioned Officers and Men of the 117th Eastern Townships Overseas Battalion. Sirs:—In the name of the citizens of Sherbrooke and of the whole Eastern Townships we wish to extend to you, on the occasion of your departure, our heartiest good wishes as you set out on the first stage of your journey to the battle line beyond the seas. The orders which you are obeying with right good will have come so suddenly that we are deprived of the opportunity of making a suitable demonstration of our feelings in your regard. The Sherbrooke Board of Trade, however, in co-operation with similar institutions will see to it, before you sail for overseas, that each man is supplied with some little token from the citizens of this city. It will also be the pleasure of the Eastern Townships Associated Boards of Trade, on behalf of the citizens of the Townships generally, to present a set of colors as a slight token of the keen interest felt in your welfare. Your stay here has been a source of satisfaction to us all. The splendid progress which you have made under training has been remarked by every one and has filled us with pride for the brave sons of the Eastern Townships. Let us simply say that we wish you God-speed. Our hearts are with you in your sacred mission. Sincerely, ERNEST SYLVESTER, Mayor of Sherbrooke. V. E. MORRILL, Pres. E.T. Associated Boards of Trade. D. J. STEELE, Pres. Sherbrooke Board of Trade.

The popularity of the 117th E. T. Battalion was abundantly demonstrated this morning by the hearty farewell accorded to the regiment on its departure for St. John's, Que., for mobilization at that place.

The march from the camp commenced shortly after nine o'clock and was the first full parade of the battalion that has taken place in Sherbrooke, all the outside contingents having arrived in time to take part in the farewell march through the city. Headed by the universally esteemed commanding officer, Lt.-Col. Gilbert, on a white charger and with both hands playing lively airs, the regiment proceeded in full marching order via Wellington and Frontenac Streets to the C.P.R. station where two long special trains were waiting to carry the troops to their next destination. MANY LINED ROUTE OF MARCH. Large crowds lined the streets en route and vociferously cheered as the "Eastern Townships Own" regiment passed by, over one thousand strong, with smiles on their faces and courage in their hearts ready to do anything and everything to uphold the liberty and civilization of the Empire and to worthily represent the section wherein so many Empire Loyalists were the first pioneers.

AT THE STATION. On arrival at the station the boys found thousands of well wishers wait-

on the platform. Snatches of patriotic songs came from the men, voices shouted, "Are we down-hearted," to be answered by a terrific "No," and then with handkerchiefs and hands waving by those they left behind the engine started and the boys of the 117th moved on a stage nearer to the front of battle, where, given the opportunity, they will distinguish themselves and bring credit on their home towns as have so many of the Canadians before them.

QUIET REIGNS IN DUBLIN

Shortage of Food Has Caused Much Distress in Several Districts

WITH RESUMPTION OF NORMAL CONDITIONS NEEDS OF THE POPULATION WILL SOON BE RELIEVED.

Dublin, May 2.—(Special)—Quiet reigned in the streets of Dublin today. There was little traffic and the thoroughfares were still strongly held by the military forces of the Government. Only a few sniping shots were heard Sunday night. It is assumed that the rebels still at liberty have hidden their arms after using all their ammunition and rejoined the ranks of peaceable citizens. A shortage of food has caused much distress in several districts, but with the resumption of almost normal conditions the committee charged with looking after the needs of the population expects to relieve those in want within a very short time. It is still impossible to get from one part of Dublin to another without a military permit. No one is allowed to pass the bridge and merchants residing in the suburbs are in most cases quite ignorant of what has happened to their shops, factories and warehouses in the city.

Business men who are unable to get money from their banks in the city which are closed have scraped together all the funds they can borrow from suburban banks to pay their employees.

DARING EXPLOIT BY AVIATOR

Pilot of French machine Attacked German 'Plane And Brought It to Earth

WAS ONE OF THE LATEST TYPES OF THE KAISER'S AEROPLANES AND EQUIPPED WITH DOUBLE MOTOR.

Paris, May 2.—(Special)—Details of one of the most daring aerial exploits recorded during the war have just been ascertained by the Matin's correspondent at the front. The feat was achieved by a young French aviator above Muelhausen, in Alsace, and has already been briefly mentioned in the official communiqués. A large French aeroplane squadron, which had set out to raid Muelhausen, was met by a German squadron which included one of the powerful new German "Kampfflugzeuge," which is the name given to the latest type of the Kaiser's battle planes, which are equipped with a double motor and two machine guns. A violent combat ensued between the two squadrons in the course of which the German battle-planes machine guns riddled one of the French machines with bullets. One bullet pierced the gasoline tank and within a few seconds the French machine was a mass of flames. The French pilot, realizing that he was doomed to certain death, headed straight for the German battle plane, plunging into it with the full speed and force of his own machine whose propellers, entangled in the plane, dragged it along. Both machines in flames, plunged to the ground.

LIBERALS SUPPORT M. VENIZELOS

Meeting at Saloniki Favour Policy of Former Greek Premier

Paris, May 2.—(Special)—The first mass meeting at Salonika of the Greek Liberal party since the arrival there of the Allied troops, was held on Sunday. The Havas correspondent at Salonika says that an immense crowd gathered and favored the policy of former Premier Venizelos and intervene in the war on the side of Serbia and her Allies. The crowd cheered the reference to Great Britain and France, the correspondent says, and shouted its disapproval of Germany, Austria and Bulgaria.

SUPPORTS POLICY OF M. VENIZELOS

Paris, May 2.—(Special)—A despatch to the Havas Agency from Athens says that M. Repoulis, Minister of Finance in the Cabinet of former Premier Venizelos, addressed a large meeting in Petras on Sunday in favor of the policy of M. Venizelos. There was no disorder, the correspondent adds.

STREET RAILWAY CO. AND CITY

Former Agrees to Certain Conditions as Proposed by The City Council

DOUBLE TRACK ON WELLINGTON STREET AND EXTENSION TO WEST WARD DISCUSSED. The following letter from the President of the Sherbrooke Railway & Power Co., was read at the Council meeting last night and referred to the Road Committee.

Montreal, April 29, 1916. To His Worship the Mayor and Aldermen City of Sherbrooke, Sherbrooke, P. Q., Gentlemen: Re Sherbrooke Railway & Power Company's proposal. Yours of the 23rd inst. received enclosing the copy of the report made to the Council of the City of Sherbrooke by the Finance and Road Committee with reference to the Street Railway matter.

I had already seen a copy of this in the Sherbrooke Record on my return from New York on Thursday morning last and telephoned to Mr. Trillingham to advise Alderman Forest that the company would be prepared to accept Clause "B" of Section "3" in lieu of Clause "A" section "1" of our proposal of April 15th.

And that whereas it has been suggested that the City would be willing for the company to discontinue its present unproductive service to the Quebec Central shops in East Sherbrooke that if the company was permitted to do so and could use the tracks and overhead construction elsewhere it would finance without assistance from the City the doubt threatening of Wellington St., and the new line to Fairmount St. in the West Ward in accordance with Clause "E" section "3" of the proposed new by-law.

The company is also prepared to furnish a ten minute service on its belt line. We regret, however, that the company cannot see its way clear to make any further alterations in its proposal of April 15th.

With reference to the re-routing of the company's lines we take it for granted that the City will permit the company to remove its present tracks on Queen St., as soon as the new route is arranged on a basis which in the opinion of the proposed Committee and Engineer will give adequate service to the West Ward. Yours sincerely, CLARENCE J. McCUAIG, President.

SERGT. WILSON WOUNDED

Was Connected With 53rd Regiment Previous to Outbreak of War

HAD SEEN SERVICE IN SOUTH AFRICA AND EGYPT WHILE IN THE BRITISH ARMY.

Word has been received in Sherbrooke that Sergt. T. C. Wilson has been seriously wounded in an engagement. No details are given but further information is expected in a day or two.

This news will be received in Sherbrooke with very great regret as Sergt. Wilson was very popular here and was connected with the 53rd regiment during his stay in Sherbrooke. He transferred to the Highlanders after volunteering for the front.

Sergt. Wilson has seen service in the Boer War, the Egyptian campaign and in many other parts of the world. A few days ago a collection of souvenirs in the shape of German water bottles, bullets, pieces of shrapnel, and other articles which he picked up on the field after the battle of Festubert were exhibited in the window of J. S. Mitchell & Co.

A. ROSS, COWANSVILLE, IN BOUTIQUE HOSPITAL. Cowansville, May 2.—(Special)—Word has been received here that Mr. Augustus Ross, son of Mr. A. F. Ross, has been wounded and has been removed to the Boulogne base hospital. It is a gunshot wound and is not believed to be serious. Mr. Ross joined the 3rd University Co., and with others helped to reinforce the Princess Pats.

BUSINESS AT CITY COUNCIL

Applications Made For The Reconsideration of Liquor Licenses

QUESTION REFERRED TO POLICE COMMITTEE—ENGINEERS TO MAKE REPORT ON LEVELS AT WEST BURY

Applications were presented to the City Council last night for reconsideration of the liquor licenses of two of the hotels which the Council declined to renew last week. The first was a largely signed petition in respect of the Oxford House. The petitioners set forth, that Robert Price, the proprietor, had made extensive repairs and additions at the request of the late Chief Davidson, that he had been a citizen for many years, that he had invested \$40,000 in the hotel, that no complaint had been laid during 1915, that the license was needed in the interest of the travelling public, and that many people and he would be financially ruined unless the license was renewed.

THE ALBION HOTEL. The second was a letter from Nicol, Laurre and Couture on behalf of Clark & Co., of the Albion Hotel, stating that this hotel was one of the most important in the city and bore one of the largest valuations, that it was well furnished, provided large accommodation, had a livery attached, which was required by the farmers, that the numerous customers of the hotel would suffer by the removal of the license in force for many years, and a large number of people had expressed their regret over its abolition.

REFERRED TO POLICE COMMITTEE. Both applications were referred to the Police Committee. There was a large attendance of the public.

TONIGHT'S MEETING. The secretary read the influential signed petition asking for a ratepayers' meeting to be called to discuss the Westbury power, Tramway question, etc., and which has been arranged for tonight in the City Hall. Ald. Edwards suggested that the Chairman of the Road and Gas and Electric Committees devote the whole of today to the study of these matters, so as to be able to answer all questions at the meeting.

WESTBURY POWER SURVEY. Ald. Brault moved "That as there is a difference of opinion on the levels taken by the engineers on the Westbury basin, that the City Engineer be requested to take the time and means necessary to verify these measurements at the earliest possible moment and report to the Council."

Ald. Jencks seconded and the motion was carried. In answer to Ald. Parkes, Ald. Brault said they would go seven miles up the river if necessary. Replying to Ald. Edwards, Ald. Brault thought the surveys would not take very long. Individual opinions expressed by the Aldermen put it at from three days to a month. Ald. Parkes hoped both sides of the river from the Q.C.R. track would receive attention.

DEATH RATE FOR APRIL. The number of deaths in the city in April, according to the report of the Chief of Police, submitted by Ald. Edwards was 29. This was five more than in March and two less than in the corresponding month of 1915.

WANT BUILDING PERMIT.

A request from Ebenberg Bros. to be allowed to make certain changes in their premises not provided for in the building by-law was referred to the Council by Mr. Dion, the building inspector, who stated he had no objection to granting the permit subject to compliance with certain conditions as to plans, etc.

REFERRED TO THE FIRE COMMITTEE, and Building Inspector. TENDERS FOR SPRUCE. On the recommendation of the Road Committee, the tender of L. O. Noel for spruce was accepted, this being the lowest received.

TREEPLANTING IN FORSYTH SQUARE

A resolution of the Parks and Real Estate Committee to plant about 40 elms in Forsyth Square, thirty feet apart, was adopted by the Council. The order is to be given to E. A. C. Bourque at 75 cents each.

REPAIRS, ETC., AT VICTORIA PARK

On the recommendation of the Parks and Real Estate Committee, the building inspector was instructed to give an estimate of the cost of repairing the pavilion, band stand, and restaurant at Victoria Park and also that a tender be asked for removing the old restaurant at a place near the street railway track if it will stand removal.

WATER WORKS ON WELLINGTON STREET

The Finance Committee approved of the Waterworks' superintendent's report relative to underground work and the condition of the water main and water services on Wellington St., from King St. to Dufferin Avenue bridge and the execution of the proposed work at an expenditure of \$1,300, to be paid out of the general revenue of the Waterworks department.

FRENCH ATTACK GERMAN POSITIONS AND TAKE TRENCHES

Made Strong Attack on Enemy on The Verdun Front. French War Office Announces That on North Slope of Dead Man's Hill, Enemy Lost Trenches of About 1000 Metres. French Ships Land Force at Makri in Asia Minor

Paris, May 2.—(Special)—A strong attack was made by French troops last night on German positions southeast of Fort Duumont on the Verdun front. The French captured a first line German trench 500 metres long, the War Office announced this afternoon, and took 100 men prisoners. West of the River Meuse the activity of the artillery continued through the night from the Avocourt region to Dead Man Hill.

The War Office also announced that in their attacks on April 29th and 30th, on the north slope of Dead Man Hill the French gained German trenches over a front of about 1,000 metres and a depth of 300 to 600 metres.

FRENCH LAND FORCES AT MAKRI IN ASIA MINOR

London, May 2.—(Special)—The Paris of Athens states that French ships have landed a force at Makri, in Asia Minor. Makri is a Turkish seaport on the Mediterranean about 250 miles south of Constantinople.

BULGARIAN ARMY HAS BEEN GREATLY INCREASED

Rome, May 2.—(Special)—Despatches from the Macedonian front state that the Bulgarian army has been considerably increased of late. New formations composed of Turks, Macedonian, Greek, Jews, Rumanians and Serbians, who have been pressed into service have been added to the Bulgarian forces. Altogether, it is reported, eleven new battalions have been formed. Bulgarian field artillery supplied with German guns, has been concentrated on the Rumanian frontier.

SITUATION ON ITALIAN FRONT IS UNCHANGED

Berlin, May 2.—(Special)—(By wireless to Sayville)—The official statement issued at Vienna yesterday is as follows: "Situation on the Italian front is generally unchanged. In the Adamello district our troops repulsed attacks of the enemy which were directed principally against Fargorida.

LABOR TROUBLES IN NEW YORK

90,000 Persons Affected by Strike of Ladies' Garment Workers

MARINE ENGINEERS ON TUG BOATS AND LIGHTERS HAVE RETURNED TO WORK.

New York, May 2.—(Special)—In retaliation for the lockout of 60,000 workers on women's garments, begun a few days ago by the Manufacturers' Protective Association, the International Ladies' Garment Workers' Union today ordered a strike of all its members in the city, whether employed in the shops belonging to the Protective Association, or in independent shops. It is estimated that this order applies to 30,000 persons, including about 30,000 apprentices and others not already affected by the lock-out.

Strikers employed at the so-called friendly shops, however, will return to work in 24 hours.

Leaders of the marine engineers Association, who yesterday declared a strike of engineers of tug boats and steam lighters in the harbor, say their demands have been granted by a majority of the companies affected, and that the strike virtually will be over by night.

About 4,000 men went out, reducing the amount of freight handlers in the harbor by one-half.

FRENCH AIRMEN SUPERIOR TO GERMAN

London, May 2.—Whether at any time during the progress of hostilities German aviators have been superior to those of France, either in numbers, aggressiveness or type of aeroplanes, is doubtful, but Joffre's birdmen have amply demonstrated their superiority during the month of April just closed. In this period, according to the latest official communication issued in Paris, no less than thirty-one German aeroplanes, have been brought to earth, nine within the French lines and 22 within the German lines, the latter being observed to fall in flames. Against this record is marked against France six defeats in aerial combat, the whole six taking place over the enemy's lines, where the machines descended.

FRENCH REPULSE ATTACKS

The repulse by the French of powerful German attacks around Dead Man's Hill and of counter-attacks to the north of Cumieres, has again been followed by a heavy German bombardment of these sectors and a continuation of the shelling of Cote du Poivre and Douaumont, northeast of the fortress. No fresh infantry attacks have been launched by the Germans.

In sapping operations in the Argonne Forest the French were enabled by the explosion of a mine to take a portion of the crater.

ON OTHER FRONTS.

Nothing of importance has occurred along the northern section of the battle front in Russia, but in the south the Austro-Hungarians have been forced to withdraw before a counter-attack by the Russians from trenches north of Mlynor, which they had previously captured.

The bombardments are in progress on the Austro-Italian front. Gorizia has again come under the heavy fire of the Italians. In the Adamello zone the Italians are on the offensive against the Austrians at Topeto Pass.

Paris reports that on the Greek frontier there have been frequent but unimportant skirmishes between Entente Allied and Germano-Bulgarian forces, whose lines are less than two thirds of a mile from each other at certain points.

HAPPENINGS AT AYER'S CLIFF

Wednesday Will be Observed as Clean-Up Day in the Village

AUTOMOBILE DRIVERS SHOULD REMEMBER, THERE IS SPEED, LIMIT IN PROVINCE IF NOT IN THE VILLAGE.

Ayer's Cliff, May 2 (Special)—Wednesday, May 3rd is to be cleaning up day at Ayer's Cliff. If all rubbish is placed in bags and barrels and left on the sidewalk teams will carry it away.

COMFORTABLE IN DUG OUTS. Mr. A. E. Fish receives letters regularly from his son Captain L. W. Fish who is serving as Lieutenant in the tunnelling company of the Royal Engineers, "somewhere in France." He writes cheery letters from his cosy dugouts and also from his billets which are miles back away from the guns, his company serve every alternate week at the front, so they are resting half the time.

REMEMBER THE SPEED LIMIT Sunday was an ideal day and every auto owner in the place was out for a spin. In many cases the speed limit was left far behind. Is this going to be allowed to continue throughout the season? If so why does not the council pull down their sign boards. In Stanstead auto drivers are compelled to abide by the law.

COOKING DEMONSTRATION.

The cooking demonstration by Miss Campbell of Macdonald College in the county hall, Wednesday afternoon was attended by about thirty-five ladies who found the talk and demonstration both interesting and instructive. Tea was served at five o'clock Mrs. Chas. Libby poured tea and Mesdames Bangs, Emberley, Ralph Libby served. Half of the proceeds were given to the Red Cross Society.

"My house within the city is richly furnished... my hangings all of Tyrian tapestry; in ivory coffers I have stuffed my crowns; in cypress chests my arras counterpoints, costly apparel... fine linen, Turkey cushions boss'd with pearl, valance of Venice gold in needlework... and all things that belong to house or house-keeping." —The Taming of the Shrew, ii., 1.

YOUR House, in City or Country

At this making-over time of the year, we have full stocks of "all things that belong to house or housekeeping"

—chintzes, linens and cretonnes for the covering of furniture and for door hangings; table scarfs; tapestry panels; cedar chests; window shades; awnings.

See the use of \$1.25 striped linens and .85 check cretonnes in the setting facing the Bridge of Progress—

"Quick, quick, I pray thee; draw the curtains straight!" —Merchant of Venice, ii., 9.

Summer Curtains

We have just received them. Two manufacturers made them. We dropped all others—these two make so much the prettiest curtains; of fine scrim and voile, 2 1/2 yards long, \$1 to \$16.50 pair; of nets with edges and insertions of imitation laces, and hemstitched, \$3.25 pair and up.

Venise motifs—imitation—and hand-drawn work are in a charming pair at \$5; imitation and fine filet in a pair at \$5.50; imitation of Venise and Cluny, hemstitched both sides, in a pair at \$4.75; combination of machine and hand-made laces in a pair at \$10.

One pattern—imitation filet insertions and edge on voile—is three yards long; \$6.50 pair.

Simplicity is the keynote. 2nd floor.

"Your gown's a most rare fashion, I' faith." —Much Ado About Nothing, iii., 4.

Women's Suits in Blue and Gray

We make a special showing of tailored suits in blue or gray.

Serges, gabardines, taffetas; in the \$17.50 group, and up to \$60.00. 2nd floor.

"Gloves as sweet as damask roses." —The Winter Tale, iv., 3.

Dent's Gloves

Known the world over— Insist on Dent's.

Only the best skins are used for them and these skins are prepared by the most expert hands. The cutting and finishing are also the work of master glove makers, so that the finished Dent Glove is as fine all the way through and as exquisitely dainty as the most fastidious woman could wish.

Our prices have not advanced on Dent's gloves, but we would seriously advise those women who won't wear any other gloves to supply their present and future needs now.

Short gloves, \$1.50 to \$2.25 pair. Long gloves, \$1.25 to \$5.75 a pair according to length. Main Floor

Back Was Lame and Ached; Could Do Very Little Work

Suffered Much From Kidney Disease for Years, but Cure Came With the Use of Dr. Chase's Kidney-Liver Pills.

Doctors had tried to cure this man but failed to get at the cause of trouble, probably because they relied on medicines which act on the kidneys only. The strong feature about Dr. Chase's Kidney-Liver Pills is their combined action on liver, kidneys and bowels. In many of these cases the disease is so complicated that ordinary kidney medicines fail to be of much benefit. Under such conditions Dr. Chase's Kidney-Liver Pills usually touch the spot and effect a cure.

Had they been only moderately successful Dr. Chase would never have selected them for world-wide distribution. As it was, the demand for these pills resulted naturally from their superior merit, and there was nothing else to do but supply them in large quantities.

Mr. Simson Shields, Birchbrook Orchard, Birchbrook, B.C., writes:

"For several years I suffered greatly from kidney disease. I was weak and could do very little work. My back was lame and ached and I suffered much from headaches. Tried doctors and obtained no relief. Dr. Chase's Kidney-Liver Pills were recommended by a friend, and after taking four boxes I think I can say that I am cured, for I feel as well as I ever did."

This statement is endorsed by Mr. Harry Anderson, J.P., who writes:

"This is to certify that I am personally acquainted with Mr. Simson Shields and believe his statement in regard to Dr. Chase's Kidney-Liver Pills to be true and correct."

Dr. Chase's Kidney-Liver Pills, one pill six times, 25 cents a box, all dealers, or Edmondson, Bates & Company, Limited, Toronto.

When living in Vernon, I suffered acutely for over two years with a sore on my leg, which, despite all treatment, turned into an open ulcer. I tried all kinds of ointments, balms, etc., but the ulcer only got worse, and finally became so bad that I decided to go into a hospital for treatment. Before doing so, however, a friend advised me to try Zam-Buk, which I did, and the first few applications gave me such relief, that I was encouraged to continue. By degrees all the soreness and inflammation were drawn out, and then healing began.

To cut a long story short, perseverance with this wonderful balm resulted in a complete cure. To me it seems nothing short of marvellous, that after suffering so intensely for so long, Zam-Buk should effect a cure in such a comparatively short time, after all other remedies had failed. It is

ROCK ISLAND AND DERBY LINE.

Mrs. E. A. Brown, of Derby Line, Vt., who has been very seriously ill, is at the present time somewhat improved.

Several from here attended the dance at Ayer's Cliff on Friday evening.

There was an auction sale of household goods on Saturday at the home of Mr. and Mrs. A. Lee Holmes, as the latter will not be able to return to the place.

Mrs. F. B. Danto is in town from Bangor, Me.

The Patriotic "bridge" which was held at the home of Dr. E. P. Ball, on Thursday night, was a great success. Cards were played at thirty-five tables.

The farmers are busy now closing up their sugar camps after an abundant crop of maple sugar.

The late warm weather is quite welcome, especially to those, who are short of feed for the cattle.

MEETING HELD TO DISCUSS THE QUESTION OF RAISING MORE MONEY FOR THE FUND.

Thetford Mines, May 2.—(Special)—A meeting of the members of the Executive Committee of the Patriotic Fund was held recently at the Town Hall to meet a Mr. Wilson who had been delegated from Ottawa to talk of ways and means by which the contribution to the Patriotic Fund of the town could be augmented. The fund is in great need of help for the heavy calls that are being made daily and must be met, and those that are to come, especially from this town, owing to the large number that have recently recruited under Captain Rivest and Lieut. BUDGET OF NEWS FROM MAGOG

Presentation to 117th E. T. Batt. of \$50.00 by Mrs. Edith M. Routledge

BOY SCOUTS OF EASTERN TOWNSHIPS WILL HOLD CAMP ON LAKE SHORE.

Magog, May 2.—(Special)—A notable feature of the banquet to the Magog Soldier boys was the presentation of a cheque for fifty dollars to the regiment by Mrs. Edith M. Routledge. The cheque was presented by the chairman, Lt.-Col. Wilcox, and accepted on behalf of the regiment by Lt.-Col. A.C. Hanson.

PRESENTATION TO SERGEANT.

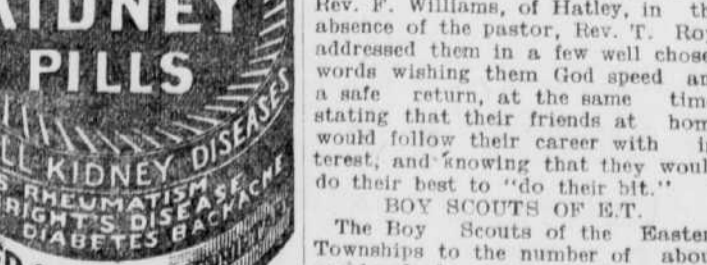

Sergt. E. Kingsland, who has been connected with the Dominion Textile Co. for some years past has severed his connection with that corporation and has joined the 117th. Before leaving his fellow employees on Friday last presented him with a sterling silver mounted sergeant's swagger stick, suitably engraved, as a token of the esteem with which he was held by his fellow workmen.

SOLDIERS ATTEND SERVICE.

On Sunday morning last the Magog boys of the 117th attended Divine service at the Methodist Church. Rev. F. Williams, of Hatley, in the absence of the pastor, Rev. T. Roy, addressed them in a few well chosen words wishing them God speed and a safe return, at the same time, stating that their friends at home would follow their career with interest, and knowing that they would do their best to "do their bit."

BOY SCOUTS OF E.T.

The Boy Scouts of the Eastern Townships to the number of about one hundred and fifty have made arrangements to have their annual outing on the shore of Lake Memphruggo, near Oliver Corner, on Mr. Merrill's Farm at the rear of Messrs Merrill's, Cordy's and Smith's and Miss C. Daragon's cottages, the first two weeks in August, this should serve to enliven the summer season in this vicinity.

HOW ZAM-BUK CURES The secret of Zam-Buk's healing power is its herb composition and its combined soothing and germicidal properties. Being so mild, Zam-Buk is capable of reaching the delicate tissues, where the troubles have to be cured, and of destroying all germs. Then the healing power of the ointment opens the tissues to new growth. As time gradually replaces the old, until the diseased patch becomes new, healthy skin.

BEDFORD TOWN AND DISTRICT

Bedford House Closes Down on Account of License Having Been Refused

CLEAN-UP AND TREE PLANTING CAMPAIGN HAS ALREADY STARTED

Bedford, May 2—(Special) — The Bedford House, which recently was refused a renewal of its liquor license, closed at the end of April for an indefinite period.

This well known hostelry was established many years ago, and is one of the familiar inn landmarks of the County. Its roof has sheltered many prominent men from time to time, and its banquet hall is replete with reminiscences which early residents of the town find pleasure in recalling.

No doubt this hotel later on will take on a new lease of life and justify its existence by serving the travelling public in the best manner possible. A good hotel has always been in demand here, and a first class one is still needed. This hotel should occupy a prominent place among the suburban inns, as it is on the direct line of the new proposed Government highway which it is hoped will be completed in the near future. As a stopping place for automobile tourists Bedford not only is a natural point, but has other favourable qualifications to commend it to the public.

CLEAN UP CAMPAIGN.

The clean-up, paint-up and tree planting campaign appeal issued by the Associated Boards of Trade has already been anticipated by some of the more progressive townsmen in many parts of the town, and tree planting has also been in force. It is a good thing to keep before the public the tree planting idea and every year it should receive prominent notice. To cut down a good tree should not be considered good form and the practice should be discouraged whenever possible.

LIMESTONE INDUSTRY GROWING.

Besides being located in the centre of one of the richest agricultural sections of Eastern Canada, Bedford is also adjacent to a locality where there is a vast deposit of limestone, the quality of which is not excelled by any other lime deposit in the Province of Quebec. A modern lime kiln is operated at Phillipsburg by the Missisquoi Marbles Limited, the total output of which has been contracted for the next five years. At Phillipsburg the rock is variegated and yields a beautifully marked marble. The government analysis of this rock goes as high as 98.93. This lime deposit beginning in the township of St. Armand continues north and south for a number of miles, through Mystic and about one mile to the east of Bedford. The limestone industry is growing in importance each year, and with the excellent railroad facilities here, it is hoped that some of these deposits will soon spring into remunerative industries.

Granby, May 2—(Special) In the Granby of the proceedings connected with the inauguration of electric service from Granby to Montreal, by the M. & S.C. Ry., in yesterday's Record, reference to speeches made by guests and citizens were omitted, some of which were specially worthy of note. Secretary Tomkins produced a time worn document from the archives of the Council, recording the proceedings of the first Council in 1867, when Mr. Patrick Hackett was elected Mayor, and in passing stated that his son, Judge Hackett, was expected to be present but was unable to attend. At this meeting of the Council one of the first bylaws to be passed was against fast driving within the village limits. If the shades of these departed pioneers were permitted to re-visit the scenes of their former activities today, what a contrast would be presented. Bicycles, motorcycles, automobiles, speeders as is sometimes the case on Dufferin St., at 50 miles per hour, and now the electric cars whizzing through Main St. Mr. Tomkins took occasion to utter a note of warning in this connection, and said that unless care was taken, a life might be the penalty. Fifty years ago the valuation roll of Granby contained 93 names with a valuation of \$113,000. Today there is a valuation of about \$3,000,000. At that time the principal industry was a saw mill. Now there are 17 busy factories. In one of the windows of Main St. are exhibited today, samples of the products of these factories, all perfect in quality and design, and what adds to their merit is that they are not "Made in Germany." In the course of his remarks Mr. Tomkins mentioned the names of three venerable citizens, now living, connecting links between the president and the past, Messrs. John Bradford, Zephaniah Brodeur, and Louis Laurent.

IN AID OF GIRL'S PATRIOTIC CLUB

Mr. Call kindly gave a benefit, with his moving pictures, under the auspices of the Girl's Patriotic Club in Victoria Hall, on Friday evening. There was a large attendance and appreciative audience to witness the play "Under Southern Skies" which was both entertaining and attractive. During the evening the young ladies sold candies, etc., and the Club funds were augmented to the extent of forty-five dollars. The members of the Girl's Patriotic Club, have pleasure in taking this opportunity of expressing their sincere thanks to Mr. Call for this splendid privilege which he kindly afforded them.

NOTES

Mr. David J. Reid, Manager of the Corey Needle Co., has returned home after spending the Easter vacation in Torrington, Conn., and Pittsfield, Mass. Mrs. Reid, who accompanied her husband will remain at her home in Torrington a few days longer before returning to Bedford.

NOTES

Mr. Alonzo Lemieux, of the Granby Carriage Co., has severed his connection with the Company after ten years service as head book-keeper and traveller, and has entered the Elastic Web Co. Mr. Ostiguy, formerly of the Hochelaga Bank, has taken over Mr. Lemieux's duties, with the Carriage Co.

The Misses Jessie and Janie Norris, S. Wiggins, Beulah Graham, and Janet and Maud Wallace, have returned to Montreal to their respective schools.

Miss Pearl Thompson spent Sunday the guest of Miss M.E. Coupland.

Mr. and Mrs. Churchill left on Friday for Lowell, Mass., where they will in future reside.

Miss D. Bell of the Chasambra Mission, West Central Africa, spoke to the congregation on Sunday evening, in the Congregational Church.

The Time Table issued by the Company gives four trains to Montreal, and return daily, leaving at 6.35, 8.55, 1.50 and 7.00, returning arrive at Granby 10.10, 12.30, 4.00 and 9.30.

This will give good connection with Montreal and when Granby is linked up with the metropolis of the east, there can be no complaint in regard to railway facilities, but many regret that it was necessary to use a mile of Main St. for a road bed.

At the close of the service, the Pastor, the Rev. F. J. Hayden, requested the congregation to remain standing while the warriors passed out to their automobile, which was placed at their disposal by the Grier Timber Co., Ltd., of Montreal. The great audience was visibly moved with emotion as they listened to the story of heroism on the part of these men.

Miss Bell reviewed the work in the past which was very interesting and helpful and will no doubt stimulate many to greater efforts along these lines. She also addressed the Sunday School and Primary at the close of the morning service.

PATRIOTIC RALLY AT SUTTON

Wounded Heroes From The Front Tell Story of Experiences In France

Sutton, May 2—(Special)—Packed to the doors, with the largest congregation for a long time assembled in the Sutton Methodist Church to greet four wounded soldiers from the front, as briefly mentioned yesterday.

Three of them fought in the famous battles of Ypres and St. Julien and Langerzack, where our Canadian soldiers covered themselves with undying glory and saved the day. Sergeant Pickard accompanied by four soldiers motored from Montreal on Saturday, arriving here about 8 p.m., after a very heavy journey, twice having to be helped out of the mud by farmers with their horses. On Sunday morning promptly at 10.30 the soldiers arrived at the Church, showing evidence of having been in the wars, but nevertheless, hale and hearty.

The special service had been arranged and was complete in all details. Four chairs had been placed within the communion rail to accommodate the soldiers, also two others for our own "boys, Pte. Leslie Holden and Pte. Willie Dow, both of this town. Sergeant Pickard's text was, "O Canada We Stand On Guard for Thee." After addressing the audience on that subject he called upon the men to stand for a few moments while he mentioned their story. Pte. Saxby, of No. 1 General Hospital Corps, was the first of the group. He was gassed in the early part of the war which brought on epilepsy and he was invalided home.

Pte. Gauthier of the 14th Battalion, who was wounded at Festubert, and was returning on the "Hesperian," when she was torpedoed and sank. He managed in a weak condition to hold out until rescued by the "Empress," a British cruiser, and landed in Ireland, after which the return was made to Canada in another vessel.

Pte. Lapointe of the 14th Battalion was wounded at Festubert, and was severely gassed. This man has two brothers who have the same courage and patriotism, for already one has given his life, while the other is in the trenches.

Pte. M. Dominique of the 23rd Battalion, suffered from gases and rheumatism in the trenches of Ypres, and while the distance was only 150 yards between the Germans and British lines. This man has two sons now in the trenches. It was a thrilling story and listened to with rapt attention. A special hymn was sung, "Eternal Father Strong to Save," Mrs. Houston singing the first part as a solo, and the whole audience joining in the last lines, it being a prayer for the Grenadier Guards who are crossing the ocean and quite a number from here are members of the Guards.

At the close of the service, the Pastor, the Rev. F. J. Hayden, requested the congregation to remain standing while the warriors passed out to their automobile, which was placed at their disposal by the Grier Timber Co., Ltd., of Montreal. The great audience was visibly moved with emotion as they listened to the story of heroism on the part of these men.

Miss Bell reviewed the work in the past which was very interesting and helpful and will no doubt stimulate many to greater efforts along these lines. She also addressed the Sunday School and Primary at the close of the morning service.

Mrs. J. Kent, of Montreal, was the guest of her parents, Mr. and Mrs. Marcus Lynch for the weekend; Mrs. Wm. Cox, of St. Paul, Minn., is visiting Mr. and Mrs. Wm. Gould; Miss Eve Wallace, Surgical Nurse, at the Macon Hospital, Macon, Ga., who has been visiting her parents, Mr. and Mrs. George Wallace, left on Saturday for New York on her return trip South where she will resume her duties at the Hospital.

Mrs. Sparling, Miss Sparling, and Master Wallace Sparling, spent a few days last week guests of Mrs. John Allen and the Misses Allen; Messrs. J. Vittie, J.G. Barr, and J.T. Steeves, of Montreal, were in town on Sunday; Mrs. Wm. Smithson and little son, left on Thursday to spend a few weeks with her mother, in Huntington; Miss Bell was the guest of Mrs. C. GEORGE ELMES, WELL KNOWN CITIZEN, PASSED AWAY AFTER FEW HOURS' ILLNESS.

Farnham, May 2—(Special)—C. P. R. Constable Taylor arrested two men, John Murphy, 25 years of age, a blacksmith by trade, of New York, came in on a freight from Newport and was arrested on a charge of vagrancy and loitering on C.P.R. property, and Joseph Stout, 16 years of age, of Baltimore, charged with stealing a ride from Montreal. Both prisoners were conveyed to Swetsburg by High Constable Boisvert. It is stated that the lad, Stout tried to enlist, both in Toronto and Montreal which is much to his credit.

THE DEATH OF GEORGE ELMES. The death of Mr. George Elmes on Thursday at the home of his son, Mr. G. L. Elmes, came as a shock to his many friends, as he was seen on the street apparently in his usual health, the previous day, but an attack of heart disease quickly closed a long, useful life. Mr. Elmes, who was 83 years of age, came to Farnham when a young man in the prime of life, and opened a shoe shop. Later on he opened a sash and door factory and furniture store, for many years. The deceased leaves three children, Mr. G. L. Elmes; Mrs. A. Hesse, and Mrs. T. Walker, all of Farnham. Mr. Elmes' wife predeceased him some years ago. The interment took place at Rougemont on Saturday. This closes a chapter of one of the oldest residents of the town.

ACUTE AND CHRONIC RHEUMATISM

The exact cause of rheumatism is unknown, though it is generally believed to be due to an excess of uric acid in the blood. It may be also said with equal truth that no remedy has been found which is a specific in all cases. In fact the literature of rheumatism shows that there are but few drugs which have not been given a trial. In the hands of one observer we find that a certain drug has been used with the utmost success; others have found the same remedy to be a great disappointment. All physicians however agree that every method of treatment is aided by the administration of some remedy to relieve the pain and quiet the nervous system and Dr. W. B. Bennett expresses the opinion of thousands of practitioners when he says that anti-rheumatic tablets should be given preference over all other remedies for the relief of the pain in all forms of rheumatism. These tablets can be purchased in any quantity. They are also unsurpassed in headache, neuritis and all pain. Ask for A-K Tablets.

MARRIAGES

FWLER—MARTINE

A very pretty and simple wedding took place in Christ Church, Spooner Pond, on Wednesday, April 26, at 10:30 o'clock in the morning. The bride was Miss Bernice Martine, a daughter of Mr. and Mrs. Joseph Martine, and the bridegroom was Mr. Amos Fowler of Kingsley Falls. The church had been tastefully decorated by the many friends of the bride who gathered to witness the nuptial ceremony.

The bride, who was given away by her father, looked very girlish and charming in her simple dress of marquisette and her veil, and entered the church during the singing of the hymn, "O Perfect Love." The Rev. H. C. Dunn performed the ceremony and at the conclusion gave a short helpful address to the newly-married after which the hymn "Now Thank We All Our God" was sung.

A much-enjoyed wedding breakfast was served to the immediate relatives of the bride at the home of her parents and during the afternoon, Mr. and Mrs. Fowler left for a short visit to the States. The good wishes of many friends follow the happy couple.

HE CURED HIS BACKACHE WITH DODD'S KIDNEY PILLS

Donald A. McArthur Gives His Experience With Dodd's Kidney Pills and Tells Why He Recommends Them to Others.

South West Mabou, Inverness Co., N.S., May 1st.—(Special)—"I suffered for three years with backache and two boxes of Dodd's Kidney Pills cured me completely."

This straight and simple statement by Mr. Donald A. McArthur, a well known and highly respected resident here is just one more evidence of the great work Dodd's Kidney Pills are doing in this neighborhood.

That Mr. McArthur's trouble was from his kidneys is shown by his other symptoms. His joints stiffened, he was troubled with heart flutterings, he felt heavy and sleepy after his meals and he had pressure or sharp pain on the top of his head.

All these vanished with his backache when he used Dodd's Kidney Pills. That's why Mr. McArthur is recommending them to others. He says:

"I now recommend Dodd's Kidney Pills to other sufferers. I certainly believe they will do for others what they have done for me."

Dodd's Kidney Pills are no cure all. They simply cure sick kidneys.

The Maple Leaf Club will meet as usual on Friday evening and the Polyantha and Sunbeam Clubs on Saturday at 2 p.m.

WHAT SHOULD BE DONE?

The Rev. G. A. Macintosh called attention during the course of the service at the Methodist Church on Sunday to the fact that six houses had been cut off during the past week and mentioned that he did so to ask the people of Sherbrooke what they were going to do to meet the new conditions. Taking the West Ward as a case in point he said that the workers in the works and factories around that district coming out at six o'clock were entitled to some refreshment after their hard and trying day; that they needed something, especially in hot weather, and would get it somewhere, and the question the people of Sherbrooke should ask themselves was: "To

celebrated her 81st birthday. Mrs. Pace, who is still vigorous and well, and preserves all her mental faculties unimpaired, lives at "Hillcrest Farm," Orford, a mile or two outside the city limits, and keeps house for her six unmarried sons, two others being married. The venerable woman came to Canada from England, with her father, the late David Leach, and family, at the age of two years, and since then has lived in Orford, and the city for 79 years, fifty being spent on the farm in Orford, to which, naturally, she is greatly attached. Her many old friends will join in hearty congratulations on her 81st anniversary.

TERCENTENARY CELEBRATIONS.

Throughout the United States much enthusiasm has been displayed in commemorating the three hundredth anniversary of one of the world's greatest poets—the ever-living Shakespeare.

Boston has had its groups of strolling players passing from street to street in the Elizabethan period, giving one-act plays.

San Francisco is building a permanent outdoor stage for the performance of Shakespearean plays.

New York will give a huge Shakespearean Masque out of doors at night late in May—a symbolic drama setting forth the art of the theatre in all ages—performed by professional actors, aided by community groups of more than 2,000 members.

Chicago will hold a festival in six of the large public parks of the city, given by the school children, consisting of one-act plays, old English dances and Shakespearean songs.

A celebrated landscape architect there has also designed a Shakespearean garden. And a number of seed firms have special groups of Shakespearean flower seeds ready for sale.

North and South Carolina require every school within their border to show some sort of recognition.

It is not too late for Sherbrooke to join the ranks and demonstrate in her schools a recognition of this great tercentenary period.

The Drama League of America stands ready to help with suggestions any community or school. It has a wealth of material on hand ready to send in all directions at a comparatively low cost.

Danville, May 2.—(Special)—The following articles were shipped to the Red Cross Society on Friday last by the local branch: 50 large dressings, 40 towels, 20 wash cloths, 60 handkerchiefs, 80 triangles, 68 bed pads, 96 rolled bandages, 15 shirts, 900 sponges, 2 cakes soap, 1 package waste.

RED CROSS WORK IN COOKSHIRE

Cookshire, May 2—(Special)—On April 27th., the Women's Patriotic Society shipped to 45 Belmont Park, Montreal, the following articles: 75 pairs socks, 25 Khaki Shirts, 6 Flannel Shirts, 7 Surgical Shirts, 15 Turkish Towels, 5 Plain Towels, 55 Triangle Bandages, 2,100 Surgical Sponges, 149 Six-inch Dressings, 30 Compresses, 300 Gilmour Bandages.

WORKERS BUSY AT BISHOP'S CROSSING

Bishop's Crossing, May 2—(Special)—The Ladies of the Red Cross Society held a meeting with Mrs. F. C. Bishop at her home on Saturday afternoon with thirteen present. The work for the afternoon consisted of grey flannel shirts, hospital caps and slings, also knitting. The next meeting will be with Mrs. M. J. Cunningham on Friday afternoon, May 5th. The Daughters of the Red Cross met with Miss Ida Westman on Saturday afternoon with eight young ladies present. The remainder of slings on hand were finished during the afternoon. The next meeting will be with Miss Elizabeth Bartle on Saturday afternoon, May 13th.

SOCKS WERE WELCOME.

Scotstown, May 2—(Special)—The following is a copy from a letter received by Mrs. John Mayhew, of Scotstown of the Red Cross Society: "From the Trenches." April 7th., 1916.

Dear Madam—This morning I was issued with a pair of socks and I found your address in one of them. They came in very welcome as my other socks were wet through. We have been in these trenches for two days now and the weather has been rather cold. Last week was like summer but the weather is very changeable. I am attached to the 42nd. Batt., R.H.C., B.E.F., France. Trusting you are in good health, Yours sincerely,

CITY NEWS.

Mrs. Herbert Shackleton, Eustis, will entertain the Red Cross workers on Thursday, May 4th at her home, North Hatley Road, when she hopes there will be a good attendance.

CHIMNEY FIRE. The brigade was called at 9.05 this morning for a chimney fire at 111 Marquette St., the property of Mrs. Chas. Perkins. No damage resulted.

LECTURE AT BISHOP'S COLLEGE. An illustrated lecture "Europe on the eve of the war" by Rev. Prof. Cosgrave, B.D., of Trinity College, Toronto, will be given on Thursday evening, May 4th, in the library of Bishop's College at 8 p.m. The lecture will be of special interest, as Prof. Cosgrave was in Europe at the outbreak of the war and has many interesting experiences and impressions to recount.

This is the last of the free public lectures arranged by the university for this term and it is hoped there will be a good attendance.

LEFT TO JOIN MCGILL CORPS. A party of young men from Sherbrooke and vicinity left this morning for Montreal to join the colors, intending to enlist, if possible, in a McGill Regiment, now being formed. They were: Messrs. Donald and Roy Foss, Carl LeBaron, Jack Nutter (Lennoxville) Albert Bryant, and Norrey Hunting (Huntingville).

THE SHAKESPEARE CLUB. The members of the Shakespeare Club, a little literary organization which had been in existence some years, but has been practically disbanded since the outbreak of the war, were entertained at dinner, Saturday evening, by Mrs. S. W. Jencks, at her home, "Maple Knoll," Prospect Street, on the occasion of Shakespeare's Ter-Centenary.

Covers were laid for eight and the table was beautifully arranged with the favorite flowers of the Bard of Avon. The place cards were very unique, consisting of miniature figures from Shakespeare's plays, very life-like and striking, in their distinctive costumes.

In the evening the guests were engaged busily in the usual knitting, while they were entertained with readings in connection with the great anniversary, which was celebrated last week throughout the English-speaking world.

Allusion was made to the well-known fact that William Shakespeare was one of England's greatest patriots, and might almost have been girded with prescience, as words spoken by many of the characters in his wonderful plays might be applied to the present conflict, in which England and the Allies are fighting for liberty against oppression and tyranny.

Each guest was presented by the hostess with a souvenir in the shape of an artistic book-print, bearing a portrait of the immortal poet, and illuminated in Greek lettering with the words, "In commemoration of the Shakespearean Ter-Centenary."

LATE MRS. JAS. ROBERTSON. The funeral of the late Mrs. James Robertson, whose sad and sudden death was so great a shock to the entire community, took place yesterday from her husband's home on

COWANSVILLE DAIRY BOARD

DECLINE IN PRICE OF OVER 2 CENTS PER POUND FROM THAT OF A WEEK AGO. Cowansville, May 2.—(Special)—At the Eastern Townships Dairy Board on Saturday, prices scored a decline of 2 3/8c. to 2 5/8c. per lb., as compared with a week ago, and 3/4 of a cent lower than at the same time last year. There were 865 packages offered, and the price was 28 and 28 1/4c. per lb.

Goodhue Street, where a brief service was held by the Rev. Alfred Bright, to St. Andrew's Presbyterian Church. A very large number of friends and acquaintances attended, desiring to show their sorrow and sympathy, the spacious edifice being well filled. In the cortege were representatives of the office staff of the Canadian Ingersoll Rand Co., a large delegation of the employees of that company, and of the Jencks Machine Company, together with many others.

The bearers were Messrs. J. T. Reid, J. H. Bryce, John Johnston, William Church, Henry Bartlett and W. B. McCaw, elders of the Church, and the principal mourners were Mr. James Robertson, husband of deceased; Fraser Robertson, son; Mr. Graham Forgue, Maynard, Mass., brother-in-law, and Fraser Forgue, nephew. The choir of the church was present and rendered the beautiful and consoling hymns, "Asleep in Jesus," "By Cool Siloam's Shady Hill," and "Forever With the Lord," very sweetly, and the grand, low notes of a funeral march filled the church, as the casket was borne up the aisle and again at the conclusion of the service. Mr. J. Owens Jones presided at the organ. The Rev. Mr. Bright officiated, reading appropriate passages of Scripture, and was assisted by Adjutant Wiseman of the Salvation Army, who offered prayer. The Pastor's brief address was very touching yet full of strength and hope. He dwelt upon the personal character of Mrs. Robertson and her devotion to all her duties.

She had ever been deeply interested in all the good works of the Church of which she was a consistent member and since the beginning of the war, had literally consecrated herself to work for her country and for the men who are fighting that country's battles abroad. Withal, her duties to her home and family were always lovingly fulfilled and she never failed to help and strengthen any who called upon her.

A true type of Christian womanhood she had been early called to a higher service but her memory will be a blessed benediction to those who were nearest and dearest to her, who, missing her actual presence, may rest in the faith that she is with Him in Whom she had believed.

The mortal remains were tenderly laid to rest in the family lot in Elmwood Cemetery, the last solemn words of the commitment being said by the Pastor.

Deceased leaves to mourn her loss, besides her husband and son, one daughter, Miss Ruth Robertson; her father, Mr. John Morrison, of Saskatoon, Sask., and a sister, Mrs. Andrew Moreton, also of Saskatoon, who have the deep sympathy of all who knew them in their sorrow.

Among the many floral tributes received were the following: Cross of Red flowers, Sherbrooke Patriotic Association; pillow, Woman's Missionary Society, St. Andrew's Church; wreath, Sir John Sherbrooke Chapter, Daughters of the Empire; wreath, work committee, Sherbrooke Patriotic Society; sheaf, staff Canadian Ingersoll Rand Co.; cut flowers, First Company Sherbrooke (Saskatoon, Sask.); sheaf, Young People's Guild, St. Andrew's Church; cut flowers, Sunday School of the Church; Mr. Graham Forgue, together with a great number from personal friends of deceased and the family given in affectionate remembrance.

Mrs. Bowen, President of the Sherbrooke Patriotic Association, personally laid three exquisite roses on the casket, a farewell token of love and appreciation to one whose earthly work was so well done.

ANTONY AND CLEOPATRA.

The story of Marc Antony's ill-fated passion for the beautiful Egyptian Queen Cleopatra is familiar to almost every reader and student of history. It stands out pre-eminently as one of the world's great love tragedies and has been immortalized in poetry, song and in drama. It has remained, however, for Mr. George Klene to do it fitting justice in his production of the Cines photo drama "Antony and Cleopatra," which comes to His Majesty's on Thursday and is said to surpass anything that has been accomplished in this wonderful new art. All the mighty attributes of the story are produced as faithfully by the camera as they have been by pen and brush, and the influence is even more potent, as it visualized the story leaving little to the imagination. All these incidents are related on the screen with vivid realism and hosts of other interesting details that occur while Antony is in Egypt. Plot and counterplot make an entertainment of absorbing interest that holds the spectator spellbound from beginning to end. Dramatically it is remarkable, and as a spectacle is superb.

When Fowl Lose Weight Experiments show that the loss in weight by killing and dressing showing that the total loss in weight of chickens starved for 36 hours, prepared for market by having their necks broken, dry plucked and not fed nor drawn, was 20 per cent. of the live weight. When the chickens were prepared for the oven there was an average loss of 33 1/3 per cent. Fifty-four per cent. of the live weight of the chicken was the drawn weight. Birds that weighed alive five pounds eight ounces, weighed when prepared for the oven two pounds fifteen ounces.

PRESENTATION TO E. T. BATT. OFFICER.

Brookbury, May 2—(Special)—A very enjoyable party was given Lt. Geo. Cooke, of the 117th E. T. Battalion, at the home of Mr. and Mrs. Lloyd H. Hooker on Saturday evening, as a send off as he is leaving for St. Johns, Que. The evening was devoted to music, singing and games. During the evening delightful refreshments were served by the hostess, assisted by some young ladies present. As a token of esteem from his friends and comrades to the number of about 50 who were present, a purse of money was presented to Lieut. Cooke. After singing the National Anthem the party dispersed after many good wishes to Lieut. Cooke, for a safe return to his boyhood home.

SUBSOILING FOR AGRICULTURAL PURPOSES.

Cookshire, May 2—(Special)—The Canadian Explosives Limited of Montreal intend holding a Demonstration at Cookshire for the purpose of showing the value of subsoiling for agricultural purposes. It is a well known fact that the subsoil on a great deal of our land is so hard as to be impervious to water to a large extent, thus preventing good drainage. By means of blasting with dynamite the subsoil is loosened and the surplus water in the land is much more quickly drained off. All interested persons are invited to be present at the Lefebvre Bros. farm, Cookshire on Wednesday May 3rd to see how this work is done. The Demonstrator in charge will be pleased to answer all questions and to give explanations in detail.

STEAMER ANTHEMIS WILL RUN AS USUAL.

Georgeville, May 2—(Special)—The report that the steamer "Lady of

the Lake" has been purchased by the Memphremagog Navigation Company is officially denied by the President of the Company, Mr. E. Goff Penny. It is announced by him, that the Steamer "Anthemis," of the Memphremagog Navigation Company will commence regular trips through the lake according to her usual summer schedule, on May 15.

DANVILLE PATRIOTIC ENTERTAINMENT A SUCCESS.

Danville, May 2—(Special)—The patriotic entertainment given for the benefit of the Red Cross Society in the Town Hall on Friday evening was well patronized. The programme consisted of a varied selection of musical and vocal numbers and a boy scout drill. Each number was much enjoyed and well rendered and encores were repeatedly called for. Especially was this the case in the patriotic song "Freedom is Our Battle Cry," a new song dedicated to the 117th Battalion and written by Mr. L. Barrie of Richmond. It was sung by Mrs. Anthony and Mr. Francis. They were recalled three times. Mrs. Luker of Montreal, was the only one from a distance on the program. Mrs. Luker proposes a rich contralto voice and her several selections were well received. Much credit is due Mrs. A. C. Anthony and Dr. I. J. Porter for furnishing a rare musical treat and to them is due the financial success of the entertainment. The gross receipts were \$109.45.

The following was the programme: Overture, Orchestra; brass quartette, "Barcarolle," Messrs. Gibson, Burbank, Philbrick and Boisvert; vocal solo (The Horn) "Le Cor," Mr. H. Girard; instrumental duet, "The Great Beyond," Messrs. Philbrick and Burbank; vocal solo, "In an Old Fashioned Town," Mrs. Luker; instrumental trio, selected, Miss Webb, Mr. and Mrs. Garvin; piano trio, "Tancredi," Mrs. Adams, Miss Blais, Miss Gregoire; Boy Scout drill, with Miss Irene McCallum National Costume; violin solo, selected, Lieut. Baillie; brass quartette, "Sextette from Lucia," instrumental duet, "Gloriana," Dr. I. J. Porter and Leslie Porter; vocal solo, "Canada," Mrs. Millar; cornet solo, "Polka Militaire," Mr. Geo. Gibson; vocal duet "O, that we Two were Maying," Mrs. Arthur Anthony and Mr. Francis; violin solo, selected, Lieut. Baillie; vocal solo, selected, Mrs. Luker; comic monologue, "The Kaiser at the Phone," Lieut. Morris; brass quartette, "Soldier's Chorus," God Save the King. Accompanists, Miss Blais, Miss Baillie and Mr. Descoteaux.

MUCH IMPRESSED WITH THE SYSTEM OF TRAINING NOW CARRIED ON AT SHORNCLEIFFE

London, May 2—General Lessard, who has been inspecting the Canadian training division under General Macdonough, arrived in London for the week-end. General Lessard seemed impressed with the system of training which had been adopted at Shorncliffe. The Imperial authorities in France state that the reinforcements from this camp and the Guards are by a long way the best-trained troops they receive in France, and that there is nothing to choose between the Guards and Canadians. We understand that General Lessard has gained many ideas during his official tours in England and France, which will

BANQUET TO MAGOG MEN

Members of 117th and 178th Guests of The Citizens at a Farewell

THERE WAS LARGE ATTENDANCE AND AN ENJOYABLE EVENING WAS SPENT.

Magog, May 2—(Special)—On Saturday evening last about sixty-five officers and men who have gone from Magog and enlisted in various regiments now forming were tendered a complimentary banquet at the Battles' House by the citizens of Magog. The officers and men were chiefly from the 117th, and a dozen or so from the 178th, these latter having only joined on during the last few days. Owing to the fact that the 117th had recently received orders to get ready to move to St. Johns, the banquet was cancelled at a late hour and then permitted to be carried out, a fact which detained a few men from coming, and also played more or less havoc with the toast list as a number of officers who were to have taken an important part were prevented from being on hand.

There were nearly 150 of the citizens of Magog who were present to assist in banqueting the soldier boys thus making the total over two hundred and taxing the capacity of the Battles House dining rooms. Mine Host Sloan, who has now a wide reputation for catering to affairs of this nature, kept up his reputation, so that the wants of the inner man were indeed well looked after before the after-dinner speeches began. Lt.-Col. J. R. Wilcox, the chairman of the evening had beside him at the head of the long double line of tables, Lt.-Col. Hanson, Captain Beauchemin, Major Wallace, Lieut. Johnston, Dr. Bowen, Dr. West, A.T. Armstrong, H.A.C. Scarth, L. A. Audet and J. Peters. The chairman in a few short remarks proposed a toast to "the King." This was followed by the

CANADIAN CASUALTIES

Over One Hundred Names on Lists Issued By Militia Department

Ottawa, May 2—Eighty-four names are contained in the latest list of casualties the list showing that 19 were killed in action, 28 wounded, 24 missing, 3 dead of wounds, 1 suffering from shell shock, 1 admitted to hospital, 3 seriously or dangerously ill, and 1 dead. Montrealers figure in the list to the extent of two amongst the wounded. These are: Sergeant Wilfrid Bourassa in at 46 Workman Street, and John Soutter at 237 Florence, Ville St. Laurent, Montreal. The noon casualty list contains 17 names none of whom are Montrealers. Of the 17, 4 are reported killed in action, 3 died of wounds, 7 missing, 2 seriously ill, 1 suffering with shock, 1 admitted to the hospital and 1 slightly ill.

toast "The Army and Navy," proposed by Mr. A.T. Armstrong, who in his remarks wondered what Kaiser Bill now thought of that contemptible "Little Army." Lieut. A. G. Johnston in replying stated that the "Little Army" had multiplied tenfold and when they were done with Kaiser Bill "he would have nothing to say about it."

This toast was followed by a song by Mr. H. D. Roberts. "Our Guests" was proposed by Lt.-Col. Wilcox, who regretted that it had been found impossible for Lt.-Col. Gilbert, Lt.-Col. Dunsmore, Lt.-Col. Ewing and Major Gormier to attend but assured those present of the hearty welcome extended to them by the people of Magog who were proud of the Eastern Townships Regiment. Lt.-Col. Hanson in replying remarked that Stanstead County had supplied three hundred men to this regiment, and that Magog had done her share in supplying numbers, and went on to say further that he had not found in all his military career a better company of men than those supplied, verifying his statements by those of the Instructor of First Aid that he found the Magog men the easiest to instruct in his experience in instructing several regiments in this necessary branch of the service.

This was followed by a song by Pte. T. Mitchell, a local member of the 178th. A toast to the men and officers of the 178th was replied to in French by Capt. Beauchemin, who if he is as good a fighter as he is an orator will certainly help the 178th to do its share in carrying on the reputation of the Canadian Army. This was followed by a song by Pte. Pearson of the 14th, who, by the way is an artist at entertaining. "The Allies" was proposed by Mr. H. D. Roberts, and responded to by L. A. Audet, who spoke eloquently in both French and English. Dr. G. A. Bowen in replying to the toast to "The Army Medical Service and the Red Cross," mentioned a few of the serious difficulties that had been overcome by this branch of the service.

A toast to "Our Patriotic Workers," was proposed by Mr. H.A.C. Scarth and responded to by Lt. A.G. Johnston. "The Dominion of Canada" was the closing toast, proposed by Mr. J. Peters. Lt.-Col. A. Hanson replied. The evening was brought to a close in the "one arm" hour" by singing "O Canada," and "God Save the King." During the evening Mr. Nap. Fortin gave several comic sketches. FAREWELL TO SIGNALLING CORPS

Stanstead, May 2—(Special)—After the evening service at the Methodist Church Sunday, a reception was given to the Signal Corps of the 117th Regiment, who have been drilling here for several months, and who are leaving to join the Regiment at St. Johns, Que., on Tuesday.

WELL DONE TRENHOLMVILLE

List of Men Who Are Doing and Will Do Their "Bit" For King and Country

Trenholmvile, May 2—(Special)—A list of the young men of Trenholmvile, Que., who have enlisted for overseas service for King and country is as follows:— Private Fred Stevens, second son of Mr. and Mrs. W. H. Stevens, who enlisted with the 10th Battalion in Vancouver, where he was engaged as bank manager, in July, 1914, and has been through a number of big battles since that time and is still on service. Private Jas. Scott, who was an English lad, employed by Mr. H. Brock, enlisted in the army service corps in Montreal and went overseas in the fall of 1915. Private Eddie Plummer, second son of Mr. and Mrs. Fred Plummer, who enlisted in the 5th Mounted Rifles and has been "somewhere in the trenches" since Christmas, 1915. Privates Robert Smith, Chas. Plummer, Edward Knowles, Stanley Boast, Wm. Sullivan and Dan Street with the 117th E. T. Battalion now in training in Sherbrooke. All honor to these brave lads and may they return to receive the honors due them.

The use of Thermitite The reason that the incendiary bombs dropped from Zeppelins throw out such a terrific heat is because they are filled with thermitite. Thermitite is so hot when it is fired that it will melt iron and steel with the greatest ease and even burn its way through granite. This marvelous substance was discovered in 1828. It is really a mixture of coarsely powdered aluminum and oxide of iron. It can't be fired by itself, but has to be started by another mixture consisting of finely powdered aluminum and mercuric peroxide. Although it is the first time that thermitite has been used in war its wonderful heating power has been made use of all over the world in iron and steel welding. Steel joints are welded solidly together in a few moments by placing a little thermitite round the joint and firing it.

SHOOTING STONES FROM CATAPULTS

Sherbrooke Boy Fined By Judge Mulvena and Condemned to Pay For Damages Done

MUCH INJURY HAS BEEN CAUSED TO PROPERTY BY STONE THROWING.—A WARNING.

Walter Waldey, a boy fifteen years of age, appeared before Judge Mulvena yesterday charged with breaking windows and light fixtures in a cottage belonging to Joseph Lacombe on the Megog river within the city limits. Damages was done with stones shot from a catapult to the extent of \$6. Owing to the frequency of similar occurrences of late the police authorities wished to have an example made of the defendant. The Court, however, only fined accused \$1 and costs besides condemning him to pay the amount of the damage done, on the ground that possibly his action was due more to thoughtlessness and mischief than to a desire to destroy property, but intimated that future offenders would be dealt with severely.

Numerous complaints of depreciations by small boys with catapults and stone throwing and of damages done to glass fittings, etc., on telephone poles have been made, and those concerned would do well to stop the practice.

The Secretary-Treasurer was instructed to get information concerning the flooring of the iron bridge with cement.

VESTRY MEETING An adjourned meeting of the vestry meeting in St. Paul's Church, was held last evening. Mr. L. H. Pibus was appointed People's warden in place of Mr. K. Rrskine, resigned. Mr. S.A. Morgan was appointed treasurer.

The Factory Behind the Watch
 NATURALLY the greatest watch factory in the world should stand behind the world's most famous timepiece. The word **Waltham** on a watch dial conveys the assurance of accuracy and dependability to the wearer. If anything ever happens, wherever he may live or be, he will find a Waltham Jeweller to whom he can safely entrust its repair. Everywhere you will encounter prominent persons, and those who appreciate accuracy, directing their waking hours by Waltham time. You, too, should learn the satisfaction of being master of time. Let the Waltham help you control your activities with the accuracy you admire in others. There are Walthams as low in price as any good watch can be sold, and as high in price as any one should pay. Your Jeweller will gladly show you any of the Waltham Watches, or fit a Waltham Movement to your present case. Write for the booklet "Concerning a Timepiece."
