

Plans Being Prepared For New Addition To Huntingdon High

The Huntingdon High School Board of Commissioners held a regular meeting at the High School, on Thursday evening with all members present. A number of accounts were passed for payment.

Letters were read among which were from the Department of Education in Quebec informing that grants had been made in accordance with various departments of the school and that the architect advised calling for tenders and that the work should be started as early as possible in May of next year. When tenders have been received by the Board, the one chosen, as well as those which have been discarded, will be sent to Quebec, when the amount of the grant will be determined. A letter from the P.A.P.T. was also read giving particulars on the proposed salary scale for teachers in the future and the reasons why it was felt the scale should be adopted. There is no compulsion to adopt the scale, but should it be, there would be increases in the present rates. The P.A.P.T. explained that by giving more inducement by way of salary, a better type of teacher would finally result as well as encouraging more to enter the profession. The Board kept the information for further reference, but no action will be taken at this time.

The caretaker reported that he had been working on the heating units and now they are operating with great improvement. Dr. Willis reported that an engineering unit had visited the school to study the present heating system with a view to determining whether it would be suitable to heating the new addition as well as the present building. No doubt their findings will be known when the specifications are drawn up. He also asked if the Board had decided on allowing him a part time secretary. The Board considered the matter and asked questions as to the length of time that such help would be needed each week. Likely persons are considered as applicants for the position and Dr. Willis was given permission to interview them and others and to decide who might be suitable for his needs. The engagement will start in the New Year.

Dr. Willis was questioned on matters referred to in a recent Editorial in the Gleaner. He said that he felt that such matters discussed in an editorial would have a bad effect on the school, rather than a good one. However, he felt that the parents did have a better idea of the arrangements were as they are. Asked about the combination grade, he said that the pupils in the grade seven section would be moved on to Grade Eight following the exams. The same would apply to those in Grade Six, they would move on to Grade Seven. Asked about the shortage of books he said that some work books had been short, but that books had been supplied by using some old ones in make up. Both Grade six and Grade seven in the combined grade were taking a similar course in history, which was much the same in both grades. Other matters taken up and Dr. Willis promised he would look into them and work out something that would tend toward improvement in the future.

The secretary was given an increase in salary in recognition of his long and able service in connection with school matters and which will be further increased when the new addition is being made and after it has been completed.

The annual meeting of the Howick Red Cross Society, was held on Nov. 25th, in the Curling rink with Mrs. Mabel Glasgow, president in the chair.

Reports of the year's work were read and approved. Home Nursing, Disaster and work committees were the most active. The treasurer reported a balance of \$39.25.

Miss Lucie Mesnard, Field Director, of Montreal Red Cross was the guest speaker and gave a very interesting address on the work of the different services the Red Cross renders.

Miss Mesnard brought the thanks of the officers of the Quebec Division, Canadian Red Cross in appreciation for the generous contribution that the Howick Branch has given. This contribution included campaigning for the Red Cross cause, sewing, knitting, helping families in need and nursing sick people. The speaker then quoted part of the text of an address given at the last annual meeting by Commissioner G. W. Hedger, "... of course it is the spirit of true giving that is behind the Red Cross ideal, the spirit which will carry us from strength to strength."

The Red Cross was founded in 1863 when a Swiss banker, Henri Dunant, who with the assistance of the Lombardian Peasants, gave help to the wounded and dying of both the French and Italian Armies. Three years later, Mr. Dunant wrote a book which was destined to shake the civilized world, his "Souvenir de Solferino". This book called to the attention of four citizens of Geneva, who with the author as secretary, established "The Committee of Five", to give practical effect to the author's humanitarian ideas. In 1863, the Committee of Five was instrumental in calling the first Geneva Conference attended by delegates from 17 nations. The Red Cross was created.

Dunant, the unhappy, disillusioned benefactor, saw his Red Cross campaign as a campaign primarily for Peace. He pictured the flag flying not only over the battlefield, and the casualty clearing station but over peaceful towns, hamlets and villages. He dreamed of a mighty organization dedicated to the service of humanity... to the care of the poor and needy. Thus President Eisenhower, summed up the aim of the Red Cross as "In the Red Cross brings comfort to the injured, companionship to the lonely, sympathy to the afflicted. In peace it brings food for hungry, shelter for the homeless, help for those in distress."

The speaker then spoke on specific phases of work which the Red Cross performs. One is the Blood Transfusion Service. More than 80,000 bottles of blood were collected last year and given to patients in the 103 hospitals that belong to the Blood Transfusion Service. A bottle of blood costs the Red Cross \$5.22.

The Red Cross has a permanent clinic in Montreal and a number of mobile collecting teams for the rural areas. The Blood is grouped, tested and distributed to the 103 hospitals from the central depot. Blood that is not used within 21 days is processed to plasma.

There are 136 Wives' Work Committees in the Province of Quebec. Last year they supplied 44,963 articles to overseas shipments that were distributed in Ceylon, England and Germany, Gaza, Korea, Pakistan and Yugoslavia or were kept in Switzerland, France and Turkey to be later rushed to disaster areas.

Over 600,000 wipes and surgical dressings were also produced for the various Red Cross nursing and hospital services as well as the Blood Transfusion Service.

The Red Cross spent \$52,000 on Veterans' Welfare. This money was used for providing homelike surroundings, comfort, and recreation, including movies, dances and parties for thousands of patients in the veterans' hospital, as well as overnight accommodation for their visit-

ing relatives. At three military hospitals, Red Cross instructors teach arts and handicrafts to the patients. Another group of workers pay regular visits to hospitals, distributing cigarettes, etc.

The Red Cross also supplies emergency relief to veterans and their dependents who are in need by assisting with food, clothing, shelter, etc.

There are presently two mobile medical and dental clinics and one mobile dental clinic. These clinics gave examinations and treatments to 8,000 children and 5,000 adults in thirty remote communities in the Gaspé Peninsula, Magdalen Island, North Shore, Rimouski and Matapedia districts.

Nurses at five Outpost Stations in the two Gaspé and three Magdalen Islands visited 6,800 homes, giving bed-side care to 15,000.

The speaker also mentioned an Inquiry Service. The main function of this service is to assist individuals in locating relatives and friends in this country and in other parts of the world; arranging for sick travellers to be met and helped; meeting and helping children returning from front line countries who have to change planes and whose parents could not meet them at changing points. Some 813 inquiries were handled last year and 130 persons were located.

The speaker also spoke briefly on Home Nursing courses conducted by the Red Cross. Beds, wheel chairs, crutches, etc., are loaned free to help ease expense. Some 9,840 articles were loaned last year to 4,430 home patients. There are 30 Loan Cupboards in Quebec.

The overall Provincial objective which the Red Cross was seeking this year was \$1,250,000. Of this Montreal's objective is \$750,000 and the rest of the Province \$458,000. Miss Mesnard stated that 97 per cent of all Red Cross work is done by volunteers who are unpaid.

The speaker concluded saying that "Through out, your Red Cross can do what you would do if you were there and remember, disaster doesn't happen only to other people in other lands... it can happen here, it could happen to you... You give help and hope for those in trouble when you give money, blood and time to Red Cross."

Since its inception almost 100 years ago, the Red Cross has become the universal hope for mankind. Now in 74 nations, millions of people embrace these principles and proudly carry on the work of mercy for their fellow men.

The worship most acceptable to God, comes from a thankful and cheerful heart.

COMMITTEE OF MAYORS STUDY MASTER PLAN OF APPROACHES TO MERCIER BRIDGE

A number of Mayors from the local municipalities met at St. Martin's, on Saturday, to discuss plans to ask the Province of Quebec to build a second bridge adjacent to the present Mercier Bridge. During the course of the meeting, it was decided that a committee should be set up representing the principal municipalities wanting to improve circulation of traffic through the region, and the establishment of a second bridge over the new St. Lawrence Seaway Canal and Bridge spanning the St. Lawrence at Caughnawaga.

Front row left to right are Mr. Edgar Hebert, Mayor of the Village of Chateaugay, Mr. Herve Bedard, Mayor of Ville Emard, Mr. N. P. April, Director of the Agricultural College, St. Martin, and Secretary-Treasurer of the newly formed committee, Mr. Leo Cappiello, Mayor of Huntingdon, and Mr. H. A. D.

omerville, M.P.P., Huntingdon County. Second row left to right are Mr. Gerald Raymond, representing the Mayor of Ville LaSalle, Mr. Omer Lazure, Mayor of St. Urbain, Mr. Henri Turcot, Mayor of Havelock, and Industrial Commissioner of the Province of Quebec, and Mr. Alder Huot, Mayor of St. Martin and President of the newly formed Committee.

The report noted that other factors were involved as well — such as higher medical costs, higher hospital costs and higher "lost time" payments to persons injured in accidents. But the most potent factor in the sharp higher cost per claim was the repair bill which resulted when a late model car was involved in an accident.

Rates themselves, and the increases involved, vary widely from place to place and from person to person within each area depending on widely-varying driving hazards from area to area and on widely-varying uses to which vehicles are put within each area. There are also varying discounts of regular rates for drivers who have gone one, two and three years without an accident. The survey indicated that of the 70 different areas into which Canada is divided for insurance purposes, increases range all the way from three per cent up to a 35 per cent increase.

The survey drew no conclusion as to the average rate of increase country-wide. It said that "because of the wide variations between areas, and the wide variations between various classifications of drivers within each area, plus the effects on rate changes for drivers moving from one no-accident discount into another, any attempt to quote an average would result in a figure which undoubtedly would be highly inaccurate in the great majority of cases."

Longer cars, wider cars, cars packed with expensive and breakable equipment make each accident a more expensive proposition, and it just isn't possible to insure \$4,000 or \$5,000 cars at the price of \$2,000 cars," the survey report said.

"Unfortunately, as far as insurance to cover a motorist's liability to others is concerned, the fact that he may still be driving an inexpensive car doesn't help any. It isn't what he is driving, but what he may hit that counts. A so-called 'cheap' car can still do a tremendous amount of damage to those shiny, new models with all their power assists. But the public wants the modern cars, and so the insurance premiums have got to cover the extra claims costs."

Wildlife Avoids Virgin Forests. A common delusion is that wildlife flourishes most abundantly in virgin woods and that the hunter gets his best reward where the logger's axe and saw have yet to operate. The truth is that in virgin forests animals and birds cannot find an adequate food supply as compared with areas of woodlands thinned out by periodical cutting. Judicious use of timberlands for industrial purposes produces the most favored habitat for all forms of wildlife.

Three fires occurred in town during the past week, fortunately they were soon brought under control, but one person was burned about the face.

On December 4th, the firemen were called out twice in the same evening, the first at 6:25 at the White Rose Service Station, on Chateaugay Street, where a fire had started in one of the gasoline pumps. Mr. Edgar Robitoux was serving a customer and operating the pump when the hose broke. A fire started in the pump and an explosion followed. Mr. Robitoux was burned about the face. Firemen were called and soon had the fire under control. At 7:55, the same evening, the firemen were called to 83 Chateaugay Street, the home of L. Castagnier, for a stove pipe fire. No damage resulted and the fire was soon checked.

On December 6th, at 11 p.m., the firemen were called to the home of Albert Lazure, 104 York Street, where a fire had broken out in the living room. The fire occurred near a light fixture on the wall and burned behind the wall to the ceiling. Damage was done to both the wall and the ceiling and by water, but the fire was soon brought under control.

Canada's forest endowment covers 712,000 square miles, chiefly owned by the Canadian people.

Packed Auditorium For St. Andrew's Concert At Howick

The Georgetown and Riverfield Choirs presented their annual St. Andrew's concert in Howick High School, on Saturday, November 30th. This event is attracting more and more attention each year, and the programme presented on this occasion was declared by many as "the best yet."

The playing of the pipers, and the numbers presented by the Scottish Country Dance group, were popular items, and the songs sung by the soloists were well received by the large audience present.

The choir, under the direction of the Rev. W. M. Brown, maintained its usual high standard, and its stirring and lively chorales were much enjoyed; also three songs, "The Rose Tree", "The Old Maid", "My Bonnie", and "The Maple Leaf For Ever", sung by the Junior Girls Choir.

The singing of the 23rd Psalm, to the tune "Crimmond", with the soprano descant sung by Miss Dorothy Leach, brought to close a fine programme of high quality entertainment.

The Georgetown and Riverfield Choirs are to be congratulated on establishing this St. Andrew's Concert as an annual event looked forward to and thoroughly enjoyed, by so many.

The following was the programme presented: Items by the Choir were: "Wi a Hundred Pipers", "Sound the Pibroch", "My Bonnie Lassie", "A Highland Lad", "Come O'er the Stream, Charlie", "The Uist Tramping Song-Come Along", and the "23rd Psalm". The Soloists were, Mrs. G. Murdoch, Miss R. Leddick, Miss R. Todd, Miss D. Lord and Messrs Murdoch, Giroux and J. MacFarlane.

Mrs. Wallace Logan played the accompaniments, the Pipers played several marches, and the Scottish Country Dance group contributed several dances.

Mrs. Nettie Cameron of The Beaver, suffered severe burns about the arms, chest and head, on Saturday, December 7th about 4 p.m. Mrs. Cameron, who is 75 years old, was in the house alone and was hanging up some clothes in a bedroom. There was a small electric heater nearby and her apron came in contact with the heater and caught fire.

The elderly lady tried to beat the fire out with her hands, but it caught other parts of her clothing. Mrs. Cameron usually uses crutches to get around with, but in some way she managed to get outside without the aid of these.

Mrs. Cameron's son who was away at the time, came back to see his mother out in the yard with her clothes on fire. He beat them out and threw water on them and managed to put them out.

Dr. F. G. McCrimmon was called and gave Mrs. Cameron treatment to ease the pain and shock. He was assisted by Miss Mary Thompson, R.N. then she was taken to the Huntingdon County Hospital. It was found she was very badly burned and suffered shock. At this time she is as well as can be expected.

RECEIVE TEACHING BONUS

Congratulations and deep appreciation go to Miss Madeleine Taillefer, teacher at Notre Dame School, Huntingdon, who obtained from the Department of Public Instruction, through the medium of Mr. Philippe Poulin, the bonus for the third consecutive time for her success in teaching.

Mrs. Paul Labrie, teacher at Notre Dame School, Huntingdon, who received from the Department of Public Instruction, through the medium of Mr. Philippe Poulin, a bonus of \$20.00 for her success in teaching. Congratulations.

The Library Is A Great Asset To H'don High School Says Visitor

Mrs. Donald McCabe, Assistant Supervisor of English for the Department of Education, showed particular interest in the Huntingdon High School Central Library on a recent visit. She expressed appreciation for the quality of book selection made by the Library Committee of the Home and School Association, and for the number of books of such high quality which have been supplied. The care and planning which are evident have made this a superior asset for the school.

The reason for Mrs. McCabe's enthusiasm lies in the support which such a library gives to the reading programme of the school. "Children," said Mrs. McCabe, "can be taught the mechanics of reading from the textbooks on the Course of Study. But fluency in reading, and pleasure in reading for increased knowledge and culture can only result if there is a great variety of reading materials easily accessible. The development of the necessary skills for effective study and for independent thinking is begun at a very early stage in the reading programme. Library materials are essential for adequate practice. Schools which have had such facilities over a period of time have proven their worth by a marked increase in interest and ability on the part of the children."

"It has been an inspiration," said Mrs. McCabe, "to see the fine work of the Home and School Association in cooperation with the school, and to realize that the staff and pupils are making full use of the opportunity available."

Excellent Success Attained In Salvation Army Campaign

The Salvation Army campaign in Huntingdon has now been completed and the sum of \$1,982.20 has been contributed through the canvass made throughout the county. The committee is truly pleased with this very fine result which is considerably over the minimum quota of \$1,500.00. The committee wishes to thank all the canvassers and all those who contributed to make this year's campaign such a success.

Following is another list of the canvassers and the amounts collected in the territory assigned: Miss Isobel Foster \$11.00, Gore Road West, Mrs. F. Mason 16.25, Gore Road East, Mr. W. J. Proudford 15.00, Trout River (Carr's to White's) sideroads, Mr. and Mrs. Geo. Boyce Henderson St. 46.90, Miss W. Rowles Highway No. 4 to Dewittville 63.00, Mrs. J. McCoy Chateaugay St. Central 48.50, Mrs. W. L. Carr Prince St. East 35.00, Mr. and Mrs. A. Fawcett Churchhill and Roosevelt Streets 27.00, Mr. A. Stephen Lorne Ave. 21.50, Mr. and Mrs. J. Proudford Garden City 22.00, Mr. F. Beavergay Athelstan Village 38.00, Mr. and Mrs. D. MacGregor Beaver Road 4.00, Boyd Settlement West 13.00, Mr. D. Grant Shearer's Side Road 14.00, Kenneth Hunter New River 7.50, Mrs. John Cunningham Connaught Road 19.50, Mr. Wm. Bannion Lee's Corners West 9.50, Mr. R. O'Connor Lee's Corners East 13.50, Dundee Mr. C. McNicol Lake Shore East 4.00, Miss T. McMillan Lake Shore Central 9.00, Mr. G. Fraser Lake Shore West 10.00, Mr. and Mrs. R. State Deputy Presents Award To Maple Leaf Grange

On Tuesday evening, December 3rd, State Deputy for Franklin County, Jas. Tuggey and wife, paid an official visit to Maple Leaf Grange.

Mr. Tuggey complimented the Grange on the programme which M.L. had presented at State Session at Corning. It was not only a credit to this Grange but also to Franklin County which was represented by Maple Leaf.

He then presented Allan Hunter with a bar (Award of Merit) to be attached to the plaque which was won for Community Service work in the past year. There was also a cheque for \$40.00 given by Sears, Roebuck & Co. that accompanied the bar. These were all awards from State Grange. Maple Leaf feels honored to have won these awards.

Mrs. Tuggey, as State Juvenile Deputy, spoke briefly on her work and said she hoped the Juvenile Grange might be re-organized at Maple Leaf.

David Rankin, as Lecturer, reported that owing to illness among some who were to take part in the concert, and other attractions, the concert had been cancelled until later in the winter.

At the next meeting, on December 17th, the annual Grange Christmas Party will be held for all members and their families. There will be the usual exchange of 50 cent gifts among the adults and the children are asked to bring a 25-cent gift for exchange in the same way. The boys will bring a gift suitable for a girl; so, members, come and bring the children.

Mr. and Mrs. Donald MacRae and Mrs. Vincent Murphy applied for their permits, as they find they can no longer attend the meetings.

Arthur Goodfellow announced that if it was agreeable to all a dance would be held at the Hall after this month.

The Week at Quebec

QUEBEC (CP) — A federal election will be held "in a short while," Solicitor-General Balcer told more than 900 cheering, applauding progressive conservatives Saturday night.

Mrs. Balcer, one of three federal cabinet ministers from Quebec who did not elaborate but these words added spark to what turned out to be Quebec City's most glittering political event of the year.

The occasion was a banquet climaxed a one-day session which saw the founding of the Quebec district young conservative association, comprising 27 federal ridings in the province.

Transport Minister Hees, subbing for Prime Minister Diefenbaker who was in Ottawa with a slight cold, led a cabinet delegation which outlined the party line for the next election.

Hon. Mark Drouin, Quebec City lawyer who is Senate Speaker, read an address prepared in French which was to have been delivered by the Prime Minister.

The address struck a sensitive chord in Quebec, calling for return to the letter and spirit of the constitution from which the liberals had "turned away". Twenty-two years of liberal regime, advertising a policy for Canadian unity, had turned nearly all the provinces against the federal government.

"Our opponents claim that during the last 22 years it has been the apostle of Canadian unity... let me simply note that if one must hold in contempt, sabotage and break apart our political and parliamentary institutions to serve Canadian unity it is high time the formula should be revised and to examine whether it corresponds to the constitution and the sentiments of the people."

The Quebec legislature this week approved six government measures and the assembly committee passed 22 private measures — many of them authorizing municipalities and school boards to levy retail sales taxes of one or two per cent.

Most of the government bills dealt with a program to overhaul the province's judicial system. With little discussion approval was granted to bills authorizing the provincial cabinet to increase the number of sessions court judges to 30 from 25 and district court judges to 48 from 45.

A bill was also adopted confirming jurisdiction of Quebec superior court to hear appeals on criminal cases ruled on by a lower court judge.

The assembly in addition approved bills relating to the housing unit. One increase to \$80,000.00 from \$75,000.00 the provincial government housing aid fund. The other extends to June 1, 1961 special powers granted to municipalities in 1948 to deal with a housing shortage.

Wednesday Finance Minister Gagnon tabled supplementary estimates of \$11,443,500 for the 1957-58 fiscal year ending March 31. This boosts total government estimated expenditures for (Continued on page 11)

A Good Suggestion?

A suggestion has reached the Gleaner Office from Mr. William R. Sullivan of Los Angeles, Calif., as follows:

"Fines have not solved moving traffic violations, better results might be obtained by impounding the car for a few days instead. This might prove to be a deterrent big enough to stop some of the careless driving."

It would seem that this is a good suggestion, if the authorities would see fit to implement it.

Midway Booked For 1958 Huntingdon Fair

Huntingdon Fair Board has good news for the public with regard to next year's Huntingdon Fair. The entertainment committee has secured a very good midway, known as the Green Midway, a much larger one than has ever been here before. It is said to be larger than the one at Ormstown Fair, in 1957 and has been booked for early August, 1958. The Board feels that with this assured and the probability of having the use of the new Memorial Arena, the result will be an improved Fair for 1958.

The entertainment program will likely take the form of local amateur contests, sponsored by the various local associations. Prizes will most likely be awarded the best efforts. Here again, the Memorial Arena will provide a wonderful place for the showing and the stage can be used to good purpose. No matter the weather, rain or shine, the show will go on and the patrons will be more comfortable.

More particulars of this will no doubt be available at the annual meeting which will be held some time in January. It is hoped that more members will attend this meeting and express their views and offer suggestions. This would be of great help to the Board in planning the 1958 Fair.

WINS McCULLOCH CHAIN SAW

Shown above on the right is Hooker Piers receiving a McCulloch Chain Saw from Mr. Royce Ruddock, after having won the saw in a competition, his name having been drawn as the winner.

Wildlife Avoids Virgin Forests. A common delusion is that wildlife flourishes most abundantly in virgin woods and that the hunter gets his best reward where the logger's axe and saw have yet to operate. The truth is that in virgin forests animals and birds cannot find an adequate food supply as compared with areas of woodlands thinned out by periodical cutting. Judicious use of timberlands for industrial purposes produces the most favored habitat for all forms of wildlife.

Higher Automobile Insurance Rates Prospect For 1958

Generally higher automobile insurance rates will apply across Canada in 1958, with increases ranging from "minor" to "substantial", a survey of insurance company plans for the new year indicated today. For the past two months, companies have been studying the statistical data which has confirmed that the past year was the worst in automobile insurance history.

All Canada Insurance Federation, an association which does not itself have any authority over rates, undertook the survey to ascertain the general pattern for the coming year. "And the general pattern is 'up' — considerably in many cases."

The survey showed that the higher price of cars — and the consequent higher cost of repairs — was the major factor forcing the increase in rates. Average cost per claim has jumped to an all-time high — some 30 per cent over that of a few years ago. This has been only partially offset by the one encouraging note in the situation, the fact that the number of accidents in relation to the number of vehicles insured has dropped slightly.

Longer cars, wider cars, cars packed with expensive and breakable equipment make each accident a more expensive proposition, and it just isn't possible to insure \$4,000 or \$5,000 cars at the price of \$2,000 cars," the survey report said.

"Unfortunately, as far as insurance to cover a motorist's liability to others is concerned, the fact that he may still be driving an inexpensive car doesn't help any. It isn't what he is driving, but what he may hit that counts. A so-called 'cheap' car can still do a tremendous amount of damage to those shiny, new models with all their power assists. But the public wants the modern cars, and so the insurance premiums have got to cover the extra claims costs."

Council Meetings

ELGIN COUNCIL
Elgin Council held its regular meeting at 1 o'clock Monday, December 2nd. Councillor Gavin absent, Mayor W. T. Steele presiding. The following accounts were ordered paid: Clifford Hinks, \$118.41; O. J. Watson, \$28.90; Archie Paul, \$10.05; Phillips & Bourgon, \$113.70; The H'don Gleaner, \$5.60; Mankrite Manufacturing Co., \$8.70; E. Castagneur, \$1.00.

As the Arthur Watercourse is not completed, the Collection Roll was not homologated. The Secy.-Treas. submitted a list of properties which were two or more years in arrears of taxes and it was decided that those three

years in arrears be sent for sale at County Council unless settled, before December 18th. The mayor was authorized to sign Public Charity Card in favor of Christina DuHeme. It was moved and agreed that Elgin Council would not be held responsible for damage done by snow plow to cars or trucks parked along any road in the municipality.

GODMANCHESTER COUNCIL
The regular session of the Municipal Council of the Township of Godmanchester, was held on Monday, December 2nd. Members all present, except councillor McClatchie.

Mr. P. Sherry, mayor presiding. John Quenneville came before the board stating he would take the job of plowing the Curran Road this winter 1957-58, there was no action taken in the matter. Councillor Tannahill was appointed to make arrangements to have the ditch cleaned along the Carr Headline road on Branch No. 5 of the Beaver Creek.

The collection Roll on the Hall Creek was read and not homologated. An offer is to be made to L. LeCompte, on his bill, for the work done

in Br. 7 of the Hall Creek. The drivers of the Snow plows are notified to secure chauffeurs' License for the operation of the Plows. This council adjourned to December for damages caused to automobiles left on the side of the public roads in Godmanchester during this winter, while the snow plows are operating. A vote of sympathy was extended to Councillor Tannahill in the passing away of his brother in Detroit recently. A letter from the City of Montreal concerning the Indigency of Ernest Brunet, was read and filed, also a letter of the Board of Transport Commission of Canada at Ottawa, dated November 8th, 1957. A letter from Mr. H. A. D. Somerville, M. P. regarding the lowering of the Hill on the No. 9 sidewalk was read and filed. This council adjourned to December 10th, at 8 o'clock in the evening.

The following bills were ordered paid: Phillips & Bourgon \$110.12; Corp. Country of Huntingdon, \$260.32; Ernest Poirier, \$1.45; Phillips and Bourgon, \$90.00; J. E. Barret, \$58.35; The S. W. and P., \$15.30; K. M. Ferns, \$33.50; Armand Legault, \$5.65; Francois Trepanier, \$63.00; J. J. Poirier, \$105.00; Ministère de la Voirie, \$214.00; R. Rolfe, \$3.59; General Supply Ltd., \$24.03; Geo. Monique, \$2.45; B. A. Rankin, \$57.75.

Hinchinbrook Council
A regular meeting of the Municipal Council of the Township of Hinchinbrook was held Monday, December 2, at the usual hour and place of meeting. Mayor A. W. McNaughton presiding.

Moved and seconded that John Lussier be allowed \$2.50 per hr for 28 1/2 hrs of bulldozer work on roadside. Carried. A letter was read and filed from Quebec Drainage Bureau re the School Creek survey.

Letters were read and filed from Quebec Farm Credit Bureau and St. Justine's Hospital. Moved and seconded the Secretary be authorized to send to the County Council Secretary the names of all those owing 2 yrs taxes or more, said properties to be listed for sale for taxes. Carried.

The Mayor was authorized to sign a hospitalization card for Alberta Corbett. Public Charity Cards were presented for the Souliere family — the Mayor was authorized to sign said cards after the Secretary has investigated the costs of such Charity to the Municipality.

A Public Charity Card was presented for Mrs. Margaret Brennan — no action was taken due to the fact that Mrs. Brennan has not resided in this Municipality during the past year.

Moved and seconded that if public assistance by means of a pension be secured for Victor Middlemiss, that the administration of said pensions be in charge

of the Municipal Council of Hinchinbrook. The following accounts be ordered to be paid: Douglas McNaughton \$4.00; Registry Office \$1.00; Dept. of Roads Quebec 189.40; Wilf. Saunier 78.00; Henry Roy 4.00; H. Wallace 20.00; Phillips & Bourgon \$108.00; W. Barr 112.14; Aime Leblanc \$24.00; A. Douglas \$12.50; C. Foster \$9.00; M. Thompson \$9.00; W. C. Thompson \$42.91; F. Mason \$34.50; Shawinigan W. P. Co. \$41.82; R. Moore \$15.00; D. Wilson \$16.00; R. Elder \$8.00; C. Arthur \$3.75; F. Elliott \$34.50; L. Crete 63.00; Ed. Robson 55.40. Carried.

Ormstown Parish Council
The regular meeting of the Council of the Parish of St. Malachie d'Ormstown was held on December 3rd, 1957, in the Town Hall, present were Mayor Arnold Bryson, Councillors Sproule, Bryson, Smith and Rodger.

The following accounts were presented and approved for payment on motion of Councillors Sproule and Rodger. Hornidas Dumas, \$48.50; M. E. Barrington, \$200.00; Lionel Bazinet, \$42.25; Lamb & Waller, \$31.86; Wm. Hooker, \$25.00; Shawinigan Water & Power Co. Ltd., \$6.81; Selkirk Bryson, \$112.00; Lionel Bolduc, \$35.50.

It was moved by Councillor Smith, that the Parish have a By-law approved by the electors to light certain streets in the municipality, voting to be held on the 3rd day of January, 1958.

The Riendeau watercourse agreement reported as having to be corrected and a Mayor Bryson was authorized to sign one, the other one tabled.

The Secretary was directed to send notices to those ratepayers in arrears for more than one year. The meeting adjourned on motion of Rodger and Sproule.

Ormstown Village Council
The regular meeting of the Council of the Corporation of the Village of Ormstown was held on December 2nd, 1957 in the Town Hall, present were Mayor Beaulieu, Councillors Rennie, Forget, D'Aoust, McCormick, Barrington, Roy and Asst. Secy D. J. McEwen.

The following accounts were presented and approved for payment on motion of Councillors Rennie and D'Aoust. Shawinigan Water & Power Co. Ltd., \$419.98; Le Progres de Valleyfield, \$1.96; The Huntingdon Gleaner, \$1.40; A. H. Besner Ltd., \$1.49; Wm. Scully, \$13.10; Greylock Transport, \$2.00; Francis Hankin Co. Ltd., \$2.38; M. E. Barrington, \$100.00; Marc H. Viau, \$70.20; J. R. Cartier, \$6.00; Lamb & Waller, \$14.27; Eric McBain, \$92.00; Raiza English, \$11.50; Edouard Lefebvre, \$28.00; P. Prevost, \$7.00; Ocas Hebert, \$4.00; Walter Beudway, \$3.00; Bernard Bergevin, \$22.07; A. Beudway, \$204.25; Arthur Sullivan, 100.00.

Mr. Duquette came to the Council with a bill for \$75.00 expenses on a road on his property leading to the Town Reservoir, asking that the town bear a part of the cost. The matter was taken into consideration.

Mr. Honore Montcalm, rural Inspector, reported that he had been asked to investigate a ditch between the Road Department and the Zephyr Properties on one side and the Barrie Memorial Hospital on the other. As this ditch requires cleaning out and deepening, Councillor Barrington was appointed to consult the Road Department about this matter.

It was moved by Councillor Forget, seconded by Councillor D'Aoust that the business by-law be amended so that the text shall be clearly and legally stated. Carried.

It was moved by Councillor Barrington, seconded by Councillor D'Aoust that December 26, 1957 and January 2, 1958 be declared legal holidays in the village of Ormstown. Carried.

It was moved by Councillor Roy, seconded by Councillor Forget that the following lots be changed in ownership in the village books. Lot 358 from Romeo Brunet to Armand Brunet.

Lot 62-P, 105-6 from Floyd Stevenson to James White. Carried.

It was moved by Councillor Roy, seconded by Councillor Rennie that the Council contribute the sum of one hundred dollars to the St. Justine Hospital Building Fund. Carried.

There was a request from the Board of Trade to be allowed to hang lights across the streets during the Christmas season. The Council decided that the Board of Trade and also other parties who may wish to do so be allowed to have decorative lights on the streets.

A report on the quality of the water from the well indicated no harmful bacteria but a considerable amount of iron in the form of rust. As no progress had been made toward the installation of a new furnace in the Hall, Mayor Beaulieu was authorized to look into the matter and have the furnace installed as soon as possible.

It was moved by Councillor Roy, seconded by Councillor Forget that a contract for the plowing of the streets during the winter months be made with Donald Primeau at the same rate as last year, four dollars an hour. Carried.

It was moved by Councillor Rennie, seconded by Councillor McCormick that insurance be placed on the snow plow to the amount of one

Wedding

CURTIS-MECAIG
A quiet but pretty wedding was solemnized at 2:30 p.m., Saturday, November 23rd, at St. Paul's United Church, Ormstown, when Dorothy Beatrice, daughter of the late Mr. Robert MeCaig and Mrs. MeCaig became the bride of S/Sgt. Charles Logan Curtis, son of the late Mr. and Mrs. Charles Curtis of San Francisco, Calif.

The Rev. I. Johnson officiated at the ceremony and Mrs. Percy Osmond played the wedding music. Given in marriage by her youngest brother, Harold, the bride looked charming in a white lace and nylon net over satin with finger tip veil held in place by a coronet of pearl and rhinestones. She carried a Colonial bouquet of red and white carnations.

Mrs. Jasper Lamb as matron of honour for her sister, wore a dusty rose cocktail length gown of net over taffeta and carried a bouquet of white carnations. Her headpiece was of white Ostrich feathers. Miss Ann Preston as bridesmaid wore a spruce green velvet dress with hat to match. She carried a bouquet of pink carnations.

Mr. Jasper Lamb was best man and Mr. Bobby Blair, nephew of the

bride acted as usher. The bride's mother Mrs. Robt. MeCaig was groomed in a black two piece dress with beige accessories and a corsage of bronze mums. After the reception, which was held at the home of the bride, the happy couple left for San Francisco. On their return S/Sgt. Curtis will leave for Germany to be followed at a later date by his bride.

hundred thousand dollars for all risks. Carried. It was moved by Councillor Roy, seconded by Councillor Forget that the Shawinigan Water & Power Co., accept a thousand lumen light, already installed, but the Corporation shall not be liable for any unpaid balance on this light. Carried.

Councillor McCormick was appointed in charge of workmen until the next regular meeting in January.

Hemmingford
Hemmingford W. I.
The Hemmingford Women's Institute met at the home of Mrs. E. Keddy on December 4. The president Mrs. W. Beattie welcomed the visitors and one new member. A minutes silence was held in memory of Mrs. A. Macfarlane. A letter concerning hot lunches at the school was read and discussed, but it was agreed that it is impossible for such an undertaking at the present time. A course in the making of gloves will be held in the spring. Mrs. F. Greer, convenor of agriculture, read an article on the conservation of forests and on the Quebec agricultural marketing act. The Xmas Pie was enjoyed by everyone. Names for the Xmas cheer boxes were given. Three ladies gave talks on Xmas customs in their homelands. Mrs. Lesperance speaking of Xmas in South Wales. It being such the same as here but that she missed the carol singing from door to door and the pantomimes in the theatres. Mrs. Peters told of the way the Dutch people celebrate Xmas from November fifteenth to December fifth inclusive. Mrs. Robertson spoke of Xmas in East Africa coming during the hot season but the turkey and trimmings were still the same. In Zanzibar Xmas trays are sent

to the homes containing fruit or cake from the people you work for or with. Also the store at which you trade sends a gift. Xmas afternoon is usually spent at the beach. The Xmas decorations made by members were judged. Prizes given to Mrs. G. Brown, Mrs. T. Cleland and Mrs. R. Curry.

UNUSUAL VISITOR
THUNDER BAY, Ont. (CP) — A Hudsonian godwit spotted by local naturalists was thought to have strayed from its usual course from northern Manitoba or the Arctic en route to South America.

USEFUL EFFORT
LEAMINGTON, Ont. (CP) — Mike Stasso and two helpers, employees of the Ford motor plant in Windsor,

for two years have been collecting and selling empty pop bottles. They have been able to donate \$700 a year to purchase wheelchairs and other equipment for various institutions. Spruce and balsam account for 84 per cent of the wood used by the Canadian pulp and paper mills.

"Ah!...MOLSON'S completes the picture!"

Whatever the occasion... a mild and mellow MOLSON'S

As you sit back to enjoy a great game on the screen, let Molson's make your pleasure complete. For smooth, satisfying refreshment there's nothing like Molson's Ale. Good by itself; so good with good food, too. Always say:

"Make Mine MOLSON'S"

FEED SERVICE
LET US GRIND AND MIX YOUR GRAIN

We offer a pick-up and delivery service within a twenty-five mile range from Huntingdon. Our truck will pick up your grain, bring it to our mill, and it will be ground or rolled, as you wish, and mixed with concentrates according to your recipe. We have a special unit which does an excellent job in adding molasses to your mixture should this be desired. Then our truck will deliver this feed to your farm. We will be pleased to hear from anyone wishing to avail himself of this service.

... AND BALANCE IT FOR BETTER RESULTS WITH PURINA CONCENTRATES

SERVING QUEBEC

Miracles Performed

M. R. Linton Armstrong, the Rotary Governor for what is known as District 704 comprising 51 clubs in parts of Quebec, Ontario and New York State, was the guest speaker at the gathering of Rotarians and their wives of Huntingdon, Chateaugay and Malone, and took place in the Chateau on Wednesday evening.

"The Miracle of Rotary" was the title of Mr. Armstrong's address. Mr. Armstrong so enlightened his audience that all quite agreed with him that miracles do take place to-day, and that service clubs play a part in bringing about such miracles. It is for this reason we feel it is becoming that we write this editorial, as we believe the District of Beauharnois would materially benefit if more people participated through membership and general activities of just such organizations. No two ways about it, it is a pity Ormstown has not yet seen fit to go ahead and have a service club.

Mr. Armstrong stated that when attending an International Assembly at Lake Placid last spring ex-President Lamb of Italy made an address titled "Miracles of Rotary". At this meeting 47 countries were represented with a total of 300 or more present. Talk to any one of Rotarians and you would learn that their respective clubs were doing quite similar work, viz: according aid to crippled children, which always took first place. When visiting the Ottawa Rotary Club I learned that they had done much for the cause of crippled children and spent much money on some individual cases. In the case of the Aylmer, Que. Rotary Club, they had learned of a crippled child who was receiving little attention, due to the fact that the parents had done what they could and were reconciled that nothing further could be accom-

plished. Two Rotarians interested themselves, and with the parents consent they first took the little girl to a specialist, then to Montreal for treatment. After the Aylmer Club of but 17 members had spent \$1,000 on this case, the child came home and to-day is walking and running about the streets like other children. One man told Mr. Armstrong that the Rotarians got their interest on the investment every time they saw the little girl with others running about town. Truly you can put this down as a "Miracle of Rotary".

Rotary to-day is to be found organized in 107 countries and the total membership represents 1,000,000 men. When you consider who the men are you will come to the conclusion that Rotary Clubs are made up of prominent business men and leaders in their respective communities. They, as a whole are men whose time you cannot buy, but who will give of their time, ability and cash to the cause of Rotary.

Tally up whatever you wish about the Rotary Club activities and you will end up by agreeing with me, that there is such a thing as "The Miracles of Rotary".

Here in Huntingdon the Rotary Club membership is not as large in numbers as one might think should be the case; but it is gratifying to learn that three local men have decided to identify themselves as members early in 1958. Let's hope other men will deem it their pleasure and duty to join the club and make it a bigger and more active organization for the general welfare of the community and the members themselves. "Service Before Self" is the Rotary motto and all members agree that Rotary provides the way of your receiving, "Joy Out of Service".

Museum and Historical Society Desired

EVER so many places are visited in our midst each year by folks who may originally have lived here, or perhaps their ancestors were numbered among the original settlers. How often it happens that people will drift to the Gleaner in search of data. We are always pleased to accord aid; but it so often happens that other folks are much more able to supply the desired bit of information. If Huntingdon had a Historical Society, a tremendous amount of information could be compiled and retained in one place. Such information would be of immense interest to local adults and scholars of local schools. If such an organization were functioning, we would all become much better informed about the historical past of this outstanding section of Quebec Province.

An expression of the populace at large would be appreciated, and we invite readers to so express themselves on this idea through the columns of the Gleaner. The Gleaner has no intention of heading such an organization as the writer's time is taken up with the Huntingdon County War Memorial arena that his physical abilities are just about taxed to the limit for the time being; but whoever heads such a Society will find this organization according support.

A Local Museum
A Museum might very appropriately be

ted in with the idea of a Historical Society. Here again it has been demonstrated time and again, and particularly so at the Ormstown High School, that a great many things of historical interest should be found in a common place where they can be viewed for those interested, and would be found of real educational value as would the fruits of a Historical Society.

The writer has not discussed the matter of a site for the preservation of Historical records, or items that might be on display for a local museum with the officers of the Huntingdon County War Memorial arena. This we do know, the Huntingdon County War Memorial arena will have a real fine room to start such a museum. The room in mind is located on the ground floor of the building. This room will measure approximately 27 feet by 25 feet. As the museum grew, other space adjacent could be had with but very little difficulty. If the day comes that this suggested museum grows to a point that it would require much space for grand display for specific occasions, there could be other spaces accorded, thereby making it a real show place for perhaps a week during each summer.

Here again, we solicit expressions from our readers toward such a movement for a local Museum.

The Huntingdon County War Memorial Arena

IN the Gleaner of the past week announcement was made that space was to be allocated for a "Memorial Room of Remembrance". A very fine idea, and one that has been favourably commented upon by a great many people in this short interval of time.

This Huntingdon County War Memorial Arena must be made use of throughout all seasons of the year and if it has a "Memorial Room of Remembrance", a Museum and headquarters for the records of a Historical Society, it will fast become a place of marked importance. This is not all that can be said of this fine memorial, for it will also have a very large stage at one end of the arena, a larger stage than will be found elsewhere in Huntingdon. It is hoped when it is built it will be made quite complete with suitable dressing rooms, storage space, good lighting, and an

essential public address system thereby making it possible to make good use of the facilities throughout the more temperate months of the year.

This Huntingdon County War Memorial Arena will also have a hall over the general waiting rooms at the front of the building. The hall will have an area of 27 feet in width by 82 feet in length. Kitchen facilities could quite easily be created off this space without affecting the space here stated.

The ice surface in the arena will measure 82 feet in width, (12 feet wider than the Ormstown Arena) and be 180 feet in length. Quite a structure is in the making and when completed will be a very fine and yet useful. Memorial to the gallant young men who sacrificed their lives for the future welfare of survivors.

Looking Back Along the Trail

"ECHOES OF THE PAST"

Historical Statement.

St. Andrew's United Church
Hemmingford

The first permanent settlers in the Hemmingford area arrived about 1830, and it would seem from records that the first religious services in the area were held by Methodist itinerant preachers who travelled far and wide, sometimes on horseback and sometimes on foot. However, the first organized congregation was that headed by Rev. John Merlin, from County Derry, Ireland. He had been educated in Glasgow and Edinburgh, and he began his ministry on September 1, 1823. In addition to his duties as minister, Mr. Merlin taught school for some years in a school room in Hemmingford village where he was assisted by his wife. His regular preaching places were the school at Scrivers' Corners (now the site of O. Lacasse's store), at Sherrington School, and in Black's School, twenty miles west of Scrivers' Cor-

ners. Also monthly services were held at Beech-ridge, to which place he floated down Norton Creek in a canoe (water permitting). Communion services were regularly held in the schoolhouse at Scrivers' until 1842, when a stone church was built, a little north of the present town, and on the east side of the street. In the early years of his ministry, Mr. Merlin was connected with the Presbyterian Church of Ireland, and with the United Associate Synod of Scotland. But, on the solicitation of his brethren in 1841, Mr. Merlin connected with the Church of Scotland, and became entitled to a grant from the Clergy Reserves.

On September 8, 1858, Rev. (later Dr.) James Patterson was inducted and remained until Sept. 1, 1883. The first Communion Roll, compiled by him, contains 74 names. He opened the first Sabbath School in December 1858, and two dollars was voted from the Session fund for

"Sabbath School purposes". Succeeding Dr. Patterson were Rev. William Robertson, Rev. Rodrick McKay and Rev. A. Lee. During Mr. Lee's ministry, the present manse was bought from John F. Scriver on April 2, 1901 for \$1,800.00. The W. M. S. was also organized in his time. Following Mr. Lee were Rev. C. Haughton, Rev. S. Gorley Brown and Rev. D. M. Reid.

Rev. F. W. Murray followed Mr. Reid, and at this time the Presbyterian church was amalgamated with the Methodist congregation. Following Mr. Murray's death in 1923, Rev. C. C. Salisbury was minister, and formal Church Union came into being during his ministry. This was a difficult period for many congregations, and Hemmingford was no exception. Although by far the majority voted in favour of union, it was not a unanimous decision, and those who dissented separated and formed a mission congregation served by students and laymen, and now worship in the Presbyterian Church, those going into Union having decided to use the Methodist Church.

Thus far, we have considered mainly the Presbyterian stream of religious life and practice. Let us now turn to the Methodist tradition. The earliest preachers in the

Hemmingford area as we have seen, were Methodists, and in 1834 the Methodists undertook to build a church. They succeeded, but with much difficulty, the greater part of the subscriptions being in produce and labour. In 1836 the Hemmingford Methodists were included in the Odelltown circuit, and thereafter enjoyed stated services.

In 1838 Hemmingford joined the Russelltown circuit, and was served by Rev. B. Hitchcock, followed by the Reverends John Raine, W. M. Howard, W. McDonald, H. Montgomery, Thomas Campbell, Richard Wilson and John Webster. Later the church was again associated with Odelltown.

It was during Rev. F. G. Lett's ministry in 1891 that the present church was dedicated and opened. On January 5, the dedication service was held with Rev. Dr. Williams, president of the Montreal Conference, presiding. Also present was Rev. W. I. Shaw, whose first pastorate had been in Hemmingford.

Weekly Review

The Race For The Moon

By LEWIS MILLIGAN

Dorothy Thompson, the American columnist, commenting on the launching of the first mechanical satellite, described it as a "challenge to the United States in the race for leadership in technology and world power." With the rocketing of a much larger sphere into outer space, the Russians got such a big head-start that they stole the show before it had formally opened. That was hardly fair, for it was like knocking a man out in a boxing match before he had got into the ring. But the Russians are poor sports anyway, and all we can do now is to look on at their solo race to the moon and hope that they get there—and stay there.

Indeed, as I have previously suggested, we should do all our power to help them in their private enterprise. Instead of competing with them in the race we should observe the advice that Shakespeare put into the mouth of Hamlet in a similar position:

"Let it work; For 'tis the sport to have the engineer Hoist with his own petard; and't shall go hard But I will delve one yard below their mines, And blow them at the moon."

This race for the moon reminds me of the well known discussion between two negroes. "Always remember," said one, "it's the early bird that catches the first worm." "But who wants a worm anyway?" replied the other. And who wants the moon anyway? Supposing the Soviet shot down in annexing that desolate orb to their communist empire, would their people be any better off? They have already got the Gobi Desert and have been unable to make much use of it—what more could they do with a desert world some hundreds of thousands of miles away? I have been re-read-

The treasurer's report on that occasion, reads a report in the Huntingdon Gleaner, was "a model of its kind—clear, concise, and satisfactory in every way". By using volunteer labour, the church was built (including furnishings) for \$5,000.00. Says the Gleaner again—"This cost, considering the excellence of the material employed, the thorough manner in which the work has been done, and the tasteful and substantial character of the seats, furniture and other furnishings of the church, is certainly a marvel of cheapness". Except for 350.00, the Church was completely paid for at the time of the dedication. At the close of the treasurer's report, an address was presented by the congregation to the building committee: Rev. F. G. Lett, F. S. Proper, William Reay and A. W. Bedell... "expressing the appreciation and gratitude felt by the signers for the zeal, fidelity, and sound judgment shown by the committee in the discharge of their trust".

ing the writings of Karl Marx and I can find nothing in them about the socialization of deserts. As for the present Soviet ambition to communize the moon, Marx would have impatiently dismissed the very idea as moonshine.

As a matter of fact, Karl Marx had no love for mechanics. He claimed that the introduction of machinery into industry was a device of capitalists to increase "surplus value" (Profits), and that the factory system reduced the workers to the condition of automatons, mechanical slaves. There was some truth in that at the time of the Industrial Revolution, when labor, including children, was exploited to keep up with the productive capacity of the machines and the increasing demand for their products. But that was a long time ago. With the development and improvement of machinery, labor has been lightened, production vastly increased and the workers' standard of living in capitalist countries has risen beyond even the utopian dreams of Karl Marx.

The Industrial Revolution, with all that it has meant since for the advancement of science and mechanics was a product of capitalism and free enterprise. Soviet Russia today has inherited the fruits of that revolution, but the "surplus value" has not gone to the Russian workers. The profits of the socialized industries go to the maintenance of the fat bureaucrats, the state police and the vast military forces while the workers have a bare existence standard for their products.

In addition, billions of the workers' hard-earned rubles are being expended by the pet scientists in a crazy effort to reach the moon! Let it work, until the Soviet power-lords have been hoist with their own petard to oblivion, along with the poor pup in the sputnik.

Round Byre A N D Ring

By FRANK NAPIER

H-H Ayrshire Meeting

Due to a misunderstanding as to the date of same we regretably missed the annual meeting of the Howick-Huntingdon Ayrshire Breeders' Club. That meeting was held at the Town Hall, Ormstown, Friday afternoon, December 6, instead of, as we understood it, on the Saturday, the usual day of that meeting.

We understand, however, that while there was only a moderate attendance, the members so assembled were representative of mostly all sections of the area covered by the Club.

Officers and Directors
We have also been informed that the meeting was presided over by J. B. Cairncross, President of the Club with Archie Roy as Secretary of the meeting.

The following officers and directors were elected:
Honorary President, Gilbert Macmillan, Huntingdon; President, J. Grant Whyte, Huntingdon; Vice-President, Oscar Vallancourt, St. Chrysostome; Secretary-Treasurer, Archie Roy, Howick.

Directors elected were: Huntingdon: Clarence Stark and Reg. Taylor; Ormstown: Archie Finlayson; Howick: Robert E. Ness and Ken Roy; Hemmingford, etc.: Oscar Vallancourt; Ste. Martine: Prof. A. Cole; Ste. Martine: Lacolle, etc.: Jack McGeorge, St. Valentin.

Ayrshire Directors
Reports have just come to hand with respect to the election of Directors by the Vote of the Ayrshire and Holstein-Friesian Associations of Canada. Secretary-Manager J. Douglas MacKechnie has announced that the new Ayrshire directors are: British Columbia: John R. Paton, Ladner, B.C.; Manitoba: Archibald Stevenson, Cowichan Station, B.C. Alberta: A. L. Young, Brooks, Alta., in succession to A. W. Anderson, Calgary.

Saskatchewan and Manitoba: George Sherrin, Brandon, Man., re-elected for a third term of two years.

Ontario directors will be elected, for a term of two years, at the time of the Annual Meeting which will be held in Toronto on February 6, 1958. Quebec and Maritime directors still have a year of their two year terms to serve.

Holstein Directors
Secretary-Manager G. M. Clemons, of the Holstein-Friesian Association of Canada reports that the following directors have been elected by mail vote for the coming year: Ontario: Leslie Gilmore, Steveston, B.C.; Curtis Clark, Carstairs, Alta., R. F. Haight, Saskatoon, Sask. Ted

L. Townsend, Winnipeg, Man. Standish, Panneton, Three Rivers; H. L. Guilbert, Vercheres and A. Pinsonneault, Ormstown, all of Quebec.

B. M. Trenholm, Grand Pre, N.S., Grant P. Floyd, Sussex, N.B., R. L. Burge, St. Peter's Bay, P.E.I.

Directors to represent Ontario will be elected at the Annual Meeting of the Association to be held February 5, in Toronto, Ont.

Top Scottish Ayrshire
Dr. Rene Trepanier, Deputy Minister of Agriculture for Quebec, purchased the top priced animal in the annual Lessnessock Sale of A. W. Montgomery & Sons Ltd. for his own Miller-Roches Ayrshire herd at Oka, Que.

Dr. Trepanier paid 700 guineas for the 7 month old bull calf, Lessnessock Well Come, a son of the famous "Approved of Sire" Lessnessock King of Hearts whose 32 tested daughters have records which average 10,117 lbs. milk, testing 4.17%. The dam of "Well Come" is Lessnessock White Clover 4th., in turn, a member of a famous Lessnessock family. Her first 5 records average 14,311 lbs. milk, average test 4.15%.

The Week At Ottawa

OTTAWA, (CP) — Finance Minister Donald Fleming has presented a tax-change program by which income tax payers will benefit next year, and buyers of new cars will gain immediately.

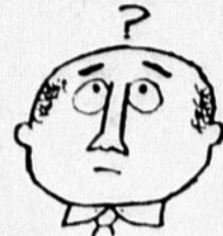

His statement in Parliament, which he did not claim to be a formal budget speech, contained these main proposals:

- 1. Personal income tax reductions starting Jan. 1 ranging up to a maximum \$30 for all taxpayers, and more for those with children and other dependents. This will cost the treasury \$148,000,000 a year.
- 2. A \$12,000,000-a-year paring down of corporation tax revenues by reductions ranging to a maximum \$1,350 for companies earning over \$20,000.
- 3. An immediate cut to 7 1/2 per cent in the 10-per-cent excise tax on new automobiles. This will total \$20,000,000 a year.

Employees with payroll tax deductions will start feeling the benefits early in the New Year.

"Well Come" is also closely related to Dr. Trepanier's present herd sire. That bull, Lessnessock True Mate (imp) being from a paternal sister of Lessnessock King of Hearts. He is also closely related to Darland Ewer Ready Challenge, well-known Lachute Fair etc., grand champion for J. H. Black, Lachute, Que. "Ever Ready Challenge" was sired by a son of Lessnessock King of Hearts, while his dam, Westburn White Clover, is the dam of Lessnessock White Clover 4th.

What has age to do with borrowing money?

Age in a company spells experience. Because HFC is backed by 79 years' experience, you may borrow with confidence. You get prompt attention, repayment terms tailored to your needs, peace of mind about money matters. Do as two generations have done. Borrow with confidence from Household Finance.

HOUSEHOLD FINANCE

VALLEYFIELD

tax returns filed early in 1959 on 1958 earnings. Mr. Fleming, making his first tax changes as finance minister, later told a press conference that the government does not pretend it has made all the tax cuts it would like to do. He spoke of presenting a complete budget next March or April.

More than half of the cut in personal income tax levies is fashioned by reducing tax rates on the first \$2,000 of taxable income, the amount on which the levy is made after all

exemptions and deductions are counted. All 4,500,000 income taxpayers will benefit to some extent.

This change means a 15-per-cent tax saving for persons with taxable income of less than \$1,000, and an 11-per-cent saving for those in the \$1,000-\$2,000 bracket. A flat \$30-a-year cut goes to all with taxable incomes over \$2,000.

The other change in personal income taxes will boost the basic exemption for children and other dependents by \$100. (Continued on page 7)

Psst... Here's the low-down for a BUSY SANTA CLAUS:

Where there's a B of M there's a way!

...to solve your Christmas shopping problems

If you are a busy Santa Claus with a long list to take care of, be sure to include a visit to "MY BANK" on your shopping tour. Here you will find a number of gift-ideas that are guaranteed to give special cheer to everyone on your "what-do-they-need?" list.

For tots and teen-agers...

Youngsters rank high on anyone's list and there's an extra, special gift that's bound to make a hit—a Savings Account, complete with passbook designed to appeal to the small fry. And wait 'til you see the gay yuletide passbook cover—just right for the occasion.

...and others, too

For the hard-to-choose-for, festively decorated cheques that come in Christmas envelopes and folders provide a short-cut to your shopping problems. For out-of-towners, who like to buy for themselves, practical B of M money orders enclosed in holly-decked envelopes can save you needless worry and guesswork.

And if you are an employer, you can give your staff bonus a yuletide lift by using special B of M Christmas cheques.

Remember... there's an easy way of beating that last-minute rush for Christmas presents—and it leads straight to the B of M branch in your neighborhood.

BUY ON THE

I.O.A.C. MERIT PLAN

For more than a quarter of a century the I.A.C. Merit Plan has been used by more Canadians than any other financing method. It is the plan used repeatedly by the same families over a whole generation.

Watch your budget when you buy "on time". Avoid "easy terms" and "low down payment" financing—they're more costly in the end.

See your MERIT PLAN dealer. He'll recommend the best terms for you.

In Memoriam
MYATT — In loving memory of a dear little son and brother, John Weston Myatt, who passed away December 18, 1955 — "Dearest to us than words can tell. Was a Son we lost and loved so well. Wherever we go and whatever we do, Always, dear Johnnie, we think of you. There's still an ache in our hearts today That countless years won't take away; Place in our hearts that nothing can fill. We miss you dear Johnnie and always will." Sadly missed and always longed for by
 Dad, Mom, Ray, Dale and Karen.

Successful Card Party
 On November 28th, the Ladies of St. Ann held a successful card party in the Parish Hall. Cards were played at sixteen tables. The winners at Bridge were 1st. Mrs. Mae O'Connor, prize given by Empire TV; 2nd Mrs. Agatha Lachance, prize given by Mrs. Mae O'Connor. In "500" the winners were 1st. Mrs. Albert Sammler, prize given by Mrs. John Houle; 2nd. Mrs. Sherman Watie, prize given by Mrs. J. A. Boyer, consolation Mrs. Romeo Daignault.

Christmas Cards
 My sincere thanks to Dr. Davidson and entire staff of Barrie Memorial Hospital for kindness and care. To the Huntingdon Clydes Hockey Club for the lovely basket of fruit. Thanks to friends and relatives for blood donations also for cards, candy and visits.
 Mrs. W. T. Steele.
 We would like to sincerely thank neighbours and friends for their kind expressions of sympathy, cards and floral tributes received at the time of the death of the late Mrs. Alice Reid.
 Albert and Walter Gauthier.
 On August 21st, our barns were completely destroyed by fire. We wish to thank our neighbours and friends who helped us that night. Now that our new barn is completed, we wish to thank most sincerely all those who donated so generously and helped us in any way in the construction of our new barn.
 Mr. and Mrs. Romeo Legault And Family.
 On behalf of the Kensington Sunday School we wish to thank the ladies of Elgin Church who so kindly helped to make our Christmas Tree a success. We are very sorry "and so is he" that our minister, Mr. Van Goudeover, was not able to be present owing to an important meeting held at the same time. Mr. Anderson makes an excellent chairman who helped with the program and carols, etc. Mrs. Arthur Moore who is the Sunday School Superintendent at Elgin, had everything in order. Let me say here that the ice cream was a very pleasant surprise and thank you again.
 Ernest and Mrs. Salter.
 We wish to extend our sincere thanks and appreciation for the many acts of kindness and messages of sympathy received from our kind friends, neighbours and relatives, also to Dr. Lefebvre in our recent bereavement of a beloved husband and father.
 Mrs. Thos. J. Whealon and Family.
 My sincere thanks to Dr. McCrimmon, nurses and entire staff of the Huntingdon County Hospital for their kindness while I was a patient there. I also wish to thank my friends and relatives for their cards and visits. All was deeply appreciated.
 Mrs. James Kirnan.
 We wish to express our deepest gratitude, to our relatives and the many friends and neighbours, Dr. Kelen, Dr. Cockrane also the nurses and staff of the Barrie Memorial Hospital, the Rev. W. S. Hatcher and the choir of St. Pauls church and all kindness shown during our recent bereavement in the loss of a beloved, mother, Mrs. Alice Reid.
 The Reid Family.

Huntingdon Locals
W.C.T.U. Meeting
 Huntingdon W.C.T.U. met at the home of Mrs. J. J. Alexander on Friday, Nov. 29, with Mrs. A. McCarty presiding. Much regret was expressed at the loss of a life-long and faithful member of the Huntingdon Union, the late Mrs. Retta Gentle. As a tribute to her memory, Mrs. Surette was made a County Life Member.
 The Temperance Clip Sheet was used for the programme. This consisted of questions and answers on the subject of Public Safety, in which all took part. The National Temperance Study papers had been placed in the High School, where the pupils are at present working on them. Miss Elsie Elder read several items of interest from the World Bulletin. A letter from headquarters notified the president that the Provincial Convention will be held the coming year at Sherbrooke, Que.
 Refreshments were served by the hostess at the close of the meeting.

United Church Activities
 The children of the Sunday School of Huntingdon United Church will hold their annual White Gift Service during the hour of worship. This special family service will be conducted by the members of the Sunday School and the Christmas story, "Three Roads to Christmas", will be of interest to young and old. The children's gifts will be dedicated during the service and will be distributed to needy children later in the week through St. Columba House, a United Church Mission in Montreal.
 The C.G.I.T. Group of Huntingdon United Church will conduct their annual Christmas Vesper Service at the evening hour of worship. This service, which is looked forward to each year by the girls and the members of the congregation, will feature the congregational singing of the favourite Christmas Carols and the traditional Pageant of the Candles. Special music has been prepared by the members of the choir, under the direction of Mr. E. A. Yates, and Mrs. Betty Beal, one of the leaders of the group, will give a brief meditation entitled: "The meaning of Christmas".

Members of the armed forces also
 George Dixon were busy men keeping things on the go at high pitch. Other Rotarians present and who lent assistance were J. M. Smellie, Norbert Bourgon, Gerald Beadin, Ken Ferns, Louis Levine, Alphonse Carisse, Francois Cley, Ivan Heath, Rod Morrison and Adam Sellar. True to form the 16 gallons of chilled apple juice supplied by Gerry Beaudin was found to be a very popular beverage during the hours of dancing. Throughout the evening prizes were drawn for ball point pens and cases as supplied by Gaspar Crepin, Valleyfield and cash from a number of the Rotary Club members. With the refreshments served toward the midnight hour the second annual "Teen Age Dance" came to its successful conclusion.

2nd Annual Teen Age Dance
 "Three Cheers" and "They are Jolly Good Fellows" were the concluding words of the "Teen Agers" toward the Huntingdon Rotary Club membership at the party held in the Chateau on Friday evening. Close to 200 boys and girls were in attendance and they all had a real good time, and likewise the Rotarians and Rotary Anns present. The Milne Orchestra supplied the music and late in the evening the Chateau Band gave the Milne Orchestra a breathing spell when it played for two dances, for which thanks are here extended. Throughout the evening President R. L. Tinker and Master of Ceremonies

Good Attendance Hoped For
 The Ladies Auxiliary of the Huntingdon County Hospital are hoping for a large attendance at the Tea and Food Sale to be held in the Masonic Temple on Friday, December 13th, as the Auxiliary is in need of funds for their various projects.

**OUR ANNUAL
TURKEY SALE**

Is Still Going On

Again This Week We Offer A Car Free With The Turkeys We Sell

WE CONTINUE OUR LIST OF TURKEYS

- Just back from Cape Canaveral, Florida. He, too, like Vanguard, just can't get off the ground. To help him get around we'll give you a 1953 Pontiac sedan with the purchase of this turkey.
- We have just awarded this turkey the Careful Charlie award for having travelled safely around the barnyard for one year. We hope you will be as careful with the beautiful 1954 Buick sedan with automatic that we are giving you with the turkey.
- This turkey is an Elvis fan. Of course he is all shook up, but to compensate for his sad state we are giving you a 1949 Ford sedan an "as is" car.
- This turkey caused quite a commotion in the yard because of its 2 tone colour. You will also cause quite a commotion when your neighbours see you driving that beautiful 1956 2 tone Pontiac 8 cylinder sedan, that we are giving with this bird.
- This is the only singing turkey we have. Of course it only sings "Jingle Bells" but you will be able to get much more music with the radio in the 1954 2 tone Pontiac sedan we are giving you with it.
- Just an ordinary standard turkey. However, since we are giving such a plain turkey we want to make up for it by giving you a 1954 Pontiac Chieftain, a lovely black car.

Band Notes

The Band is going to continue activities in 1958. This was decided during intermission at last week's regular practice session, which was held at the Legion Hall on Thursday night.

Bandmaster Don Moore, who is deserving of highest praise for his efforts to maintain, enlarge and improve the band throughout the years, has once more been proven the main pillar of the organization.

Generous Offer
Mr. Moore was not present at

the previous business meeting of the band. When he learned that the Band could not hope to continue to function more than another month or so because of financial difficulties, he made what the Band considers a very generous offer, i.e.: to continue in his capacity as bandmaster for six months, January to June inclusive, without his regular pay. In the meantime, if the Band recovers sufficiently to be able to afford to pay him, he will accept whatever the members feel can be afforded.

This offer was readily accepted by the bandmen and a vote of thanks tendered Mr. Moore.

The annual meeting of the organization will be held in January — at that meeting a number of concrete plans by which the band can raise money will be discussed. Every effort will be made in the first six months of 1958 to raise funds — the bandmen realize it is then or never and if the determination to succeed prevails in the next half-year that was evidenced on Thursday night, the band will be bigger and better than ever when mid-summer rolls around.

New Members Wanted
New members are solicited for the Band. Over the years the roster has become shorter and shorter. This was due sometimes to illness, as in the case of Joe Forget, for instance; some of the members moving away, like Colin Arnold, Joe Morin, Russell Tully and others. In short, the band lost members the same as any organization does — the difference being that with few exceptions, the ranks were not filled with new members. Tasks fell to the same few year after year, always the same handful arrived late for practice and always the same few only showed up when something special was going on. Interest lagged.

When it was discovered the bank balance could only stand another month, these facts were reviewed and a meeting was called to decide if the band was to continue or fold up. News of this soon spread, with the result

The Week at Quebec

QUEBEC (CP) — Quebec needs all tax revenues to which it is entitled to serve its expanding needs Premier Duplessis said this week.

Mr. Duplessis told a press conference Friday he made no specific tax-sharing proposal during the federal-provincial conference held at Ottawa earlier in the week. But the province's stand remains unchanged, he said — it wants "restitution" of its tax rights.

"Expansion and progress in Quebec require very considerable expenditures assumed in great part by the province and also municipalities and school boards," the premier said.

"Under the circumstances it would seem only just and reasonable that the taxation powers of the province, monopolized by Ottawa, should be returned to the province which would, in turn, be in a position to provide greater assistance to the municipalities and school boards."

Mr. Duplessis said a proposal made by Ontario's Premier Frost that provincial shares in personal income and corporation tax fields be raised to 15 per cent was "a big improvement but not perfection."

The present agreement allows the provinces to tax up to 10 per cent of the federal tax on income and nine per cent of net corporation income.

The federal government is studying the proposal and a

decision may be announced during a second Ottawa conference early next year.

Le Rassemblement, a Quebec province group dedicated to political and social education, decided during the weekend its 1958 program will stress further research and more educational activities.

During the group's first annual meeting the some 200 delegates elected as President Rene Tremblay, Professor of Economics in Laval University's Faculty of Social Science. Jean Philip of Montreal was chosen Vice-President and Jacques Archambault of Quebec, Secretary-Treasurer.

Delegates resolved to study results of the group's first year in operation and to renew efforts towards the advancement of political thought and education.

Efforts also will be made to interest more persons in the movement.

Premier Duplessis said during his Friday press conference the Quebec government will introduce legislation to prevent abuses by municipalities which use their special powers in traffic regulations to increase municipality revenue.

The premier said the government some years ago authorized municipalities to collect fines for traffic violations. A minority of localities trap unwary motorists and levy fines for various infractions, he said.

There was no indication as to the methods the government will suggest to prevent the abuses.

Cyrille Delage, former speaker in the Quebec legislature and for 24 years superintendent of the Department of Education, died Wednesday. He was 88.

Born in Quebec, Mr. Delage studied at the Quebec seminary and at Laval University. He obtained a doctorate in law from Laval in 1908.

In 1901 he was elected to the legislative assembly as Liberal member for Quebec county. He was returned in elections in 1904, 1908 and 1912. From 1912 to 1916 he was speaker.

In 1916 he retired from politics to take his post as superintendent of the Department of Education.

Judge J. Alfred Dion of Quebec superior court died in hospital here Friday at the age of 60.

Mr. Justice Dion was appointed to the superior court's Quebec district in 1919. He was elected Liberal member of the house of commons for Lake St. John-Roberval in 1945 and was re-elected in 1949 when he was appointed Deputy Speaker for the House.

that everyone decided he didn't want to see the band fold — in fact almost every member was present Thursday night and a good practice was held.

New members will help to hold the band together. The Bandmaster is willing to start a new class right after the new year and devote one and if necessary two nights a week to the new group. Entry fee will be the ownership of an instrument. If the recruit has the desire to play drums, bass horn or some like instrument that is too expensive for any individual to attain, a flat rate of \$50. will be charged for membership and he will be allowed to use the instruments owned by the band. This latter fee, incidentally, can be paid in a time-payment plan. New members will not have to buy music, as plenty is on hand ready to be passed on.

New membership is as important as more funds, according to Don Moore. He feels the band's indecision to carry on the previous week was due to a temporary lack of interest as much as the fact that the band was practically penniless. He paved the way for the band to continue without financial worry and asked in return that each member secure the names of one or two new recruits. To date, several such names are at hand — if you wish to join the band, or if you know someone who does, please contact Bandmaster Don Moore or any member of the Band, within the next two weeks.

Final session for the term will be held at 9 p.m. tomorrow (Thursday). Activities to resume after the holidays.

Aubrey-Riverfield
W.I. Meeting
AUBREY-RIVERFIELD — The December meeting of Aubrey-Riverfield W.I. was held in Riverfield Church Hall on Thursday, December 5th, and was an all-day meeting, being the annual social service day, the members had prepared three quilt tops and one had been donated by Mrs. E. Robertson, making four in all, which were quilted. Three are to be sent to the Salvation Army, along with which a box of toys

are also sent. The other quilt was sold to help the Barrie Memorial Hospital fund.

Lunch was prepared at noon by Mrs. Easton, Mrs. H. Angell and Mrs. B. Reddick.

At the business meeting in the afternoon, twenty members answered the roll call with "A Christmas custom in your own home". There were also six visitors.

An item from The Gleaner was referred to on Safe Driving Week.

The guest speaker was Mrs. Snowden of the Convalescent Home in Ormstown, who told us in her own quiet manner how they try to make their patients happy and comfortable and a home away from home. They usually have from 18 to 21 patients, and in four years have had 134 admissions, 64 have gone out and 51 deaths. We are very fortunate indeed to have a Home such as this in our locality.

Mrs. Snowden was thanked by Mrs. Everett Orr.

Mrs. W. Allen read the Christmas story. A scholarship was discussed and final decision is to be made at our January meeting. Christmas cards are to be sent to shut-ins and absent members.

A minute's silence was observed in memory of Mrs. Andrew McFarlane, a faithful member who recently passed away.

Christmas carols were led by Mrs. J. Angell and Mrs. H. Reddick. After the singing of God Save the Queen, gifts, which had been placed in a large decorated basket, were given to the members on receipt of 50 cents, thereby helping to swell the funds.

Mrs. H. Robertson thanked visitors and members and wished everyone a very Merry Christmas.

Mr. and Mrs. James Smith, Roxham, were recent guests of Mrs. John Milne and James. Mr. and Mrs. Math McKell and Margaret were Sunday callers at the home of Mr. and Mrs. Bruce McCracken, Athelstan.

Mr. and Mrs. Bill Wolodarsky and son Forrest left Thursday for Ottawa, Ont., to spend some time with Mrs. Wolodarsky's parents, Rev. and Mrs. Donald Morrison, prior to their return to Edmonton, Alta. Mr. and Mrs. Wolodarsky had spent the past two weeks with friends here.

Mr. and Mrs. Harold Robertson were Sunday evening guests of Mrs. Mary McNeil and Mr. and Mrs. Alan Hooker, Ormstown.

Sorry to report that Mrs. McNeil's health has not been as good as her many friends would wish.

Congratulations to Mr. and Mrs. Nick Fureal, who are rejoicing over the birth of a big baby boy.

Mr. and Mrs. E. R. Lowden returned to Dresden, Ont., after spending some time in New York City with his sister and brother-in-law, Mr. and Mrs. David Patton. He was accompanied home by his nephew, Roy Lowden, who spent a couple of days in Dresden and Windsor, returning home Friday.

Mr. and Mrs. George Lowden, Chatham, Ont., are the proud parents of a baby daughter, born recently.

Mr. E. R. Lowden returned to Dresden, Ont., after spending some time in New York City with his sister and brother-in-law, Mr. and Mrs. David Patton. He was accompanied home by his nephew, Roy Lowden, who spent a couple of days in Dresden and Windsor, returning home Friday.

Mr. and Mrs. George Lowden, Chatham, Ont., are the proud parents of a baby daughter, born recently.

Mr. and Mrs. Joseph Landry were guests of Mr. and Mrs. Marcel Poulin, of Iberville, recently.

A number of residents from this community attended the United Church bazaar in Hemmingford, on Saturday.

Burial service was held in the Henrysburg United Church Cemetery, at 12:30 on Saturday, for the late Sophia Helena Luttrell of Compo, Que. Mr. Charles Collings, Mr. and Mrs. Arthur Peacock, of Hemmingford, relatives of the deceased, attended the service.

Born on the 11th Concession of Chatham Township, the son of Mr. and Mrs. Alymer Weston, he leaves to mourn his loss his wife, formerly Doris Lowden, a daughter, Helen, a son David, his parents Mr. and Mrs. Alymer Weston, two brothers, Glen and George all of Chatham Township, two sisters, Mrs. William Towne (Velma) of Mooretown and Marion at home as well as his grandparents, Mr. and Mrs. John Weston. A baby son, Bruce predeceased him in 1952.

Friends were received at the Grass Funeral Home in Dresden, from where the funeral service was held, on Tuesday, with Rev. A. A. Barnes officiating. Mr. Weston was an adherent of the North Dresden Baptist Church. Interment was in the family plot in Dresden Cemetery.

IT'S new IT'S beautiful AND MODEST IN PRICE

OUR NEW DIAMOND SPECIAL \$125.00

She will be thrilled with the superb beauty of this lovely diamond ring. The one

THE WEEK AT OTTAWA

by the Canadian Press

(Continued from page 3)

It will rise to \$250 from \$150 for "family allowance" children to age 16, and to \$500 from \$400 for other dependent children and other dependents.

Mr. Fleming said this move will mean the end of paying taxes for some 100,000 persons and give relief to another 1,750,000 parents.

Cuts Surplus

The minister said his reductions will cost the treasury \$26,000,000 in the current fiscal year ending March 31, and leave an \$80,000,000 surplus.

This compares with the forecast of a surplus of \$152,000,000 made by former Liberal finance minister Walter Harris in his pre-election budget last March.

Opposition spokesmen charged that the reduction fell far short of the Progressive Conservative government's election pledges, and bitterly attacked the 52-year-old finance minister for not presenting a full-fledged budget.

The minister made his announcement in opening debate in committee of the whole house on his departmental estimates. The circumstances in which it was presented mean there will not be the formal eight-day budget debate provided by house rules for a normal budget, or for any opposition non-confidence motion.

James Sinclair, Liberal finance critic, said the method of putting forward the tax changes was "unprecedented since Confederation."

Rough Session

External Affairs Minister Sidney Smith, who left the presidency of the University of Toronto three months ago to enter the cabinet, found last week that his new job can be rough at times.

As he faced the Commons external affairs committee, probing into his department's \$58,000,000 spending estimates for the current fiscal year, he said several times, in effect, that he had not been in office long enough to answer his fellow-Commoners questions.

Main subject of his Dec. 5 lesson in politics was the setup of an integrated Canada-United States air defence command.

While Mr. Smith appeared before the committee, Defence Minister Peakes, in the Commons, was contradicting a statement made two days previously by Mr. Smith to the committee that the external affairs department was not "concerned" in arrangement leading to the command's establishment last August.

Mr. Peakes said the external affairs department was represented throughout in discussions leading to establishment of the headquarters.

Close Questioning

Mr. Smith, when queried on the statement in the committee, said that "since I did not join the department until Sept. 4, I did not elaborate on the earlier facets" that effect be given to the agreed — upon political principle that North America's air defence required a single air defence organization.

When Stanley Knowles (CCF-Winnipeg North Centre) asked where U.S. General Earle Partridge, the command's commander, gets his authority, Mr. Smith replied:

"I must get my facts straight. I don't want to say something just off the cuff that might contradict something said in the house (of Commons)."

Another member said Mr. Peakes had dealt with the same question the previous day.

Mr. Smith replied: "I wasn't in the house then. I was in the gallery. Perhaps that is where I should have stayed."

On another subject, Lester B. Pearson, his Liberal predecessor, asked him to amplify a speech at the United Nations in which Mr. Smith advocated a permanent UN police force.

Replied Mr. Smith: "I haven't talked this through — I doubt the government has."

Mr. Smith, armed with prepared answers, frequently consulted department lieutenants seated nearby.

Agriculture Forecast

An agriculture department forecast predicts slightly higher "realized net income" also is likely to be above the level of the 1957 estimate.

Letter to the Editor

Higher School Taxes

Unknown to the majority of Protestant Taxpayers in Chateauguay the mill rate will be increased this year by several mills.

While this is understandable in part, due to the increase in the teaching staff, salary increases, maintenance and to provide funds to pay bond debt and bond interest.

It should however be made known that the increase in the mill rate will also provide a subsidy to some families (about 14) who have children attending the 10th and 11th grades in the Montreal area.

This subsidy started with the present month and represents the \$15.00 per month non-resident fee assessed the parent for each child they send to Montreal schools. In the seven months, December 1957 to June 1958 inclusive this will cost the taxpayers of this Municipality approximately \$1,500.00. Allowing that 10 of the 14 pupils continue to grade 11 next year and that another 14 pupils go to Montreal for the 10th year in September, 1958, the cost will then be \$3,600.00 per school year that the taxpayers will be called on to pay. On the basis of \$150.00 per school year, many parents will be receiving more money in return than they are paying in local taxes. This is only the beginning.

A very important fact to remember is that the school taxes assessed by your school Board are to pay the expenses and maintain the local school. There is nothing to compel a school Board to provide in full or in part any funds for education outside of the school municipality.

It might be well if the Protestant taxpayers of Chateauguay gave this matter some serious thought and questioned the authority of the school Board for taking this action and before they receive tax bills for the year 1957-1958. Contributed by C. E. Atkinson, Chateauguay Basin, Que.

How To Reduce Heating Costs By Ten To Thirty Per Cent...

In many cases, winter heating costs could be reduced by ten to thirty per cent.

Study the following suggestions and see whether savings can be made in your particular case.

Do you close entrance doors promptly to keep the warm air inside?

Do you maintain a moderate but adequate temperature so that you do not have to open windows frequently because of overheating?

Do you close off unused rooms and shut off their heat supply?

Do you block the opening of the fireplace when you are not using it?

Do you turn the thermostat back at least ten degrees during the night? This practice will help you save at least ten per cent.

Have you checked whether drapes or furniture are blocking the flow of heat from radiators or registers?

If you have a heated garage, do you keep the doors closed and the temperature low?

Are you waisting fuel by overheating your furnace?

Do water taps close properly? One drop per second means a loss of seven hundred gallons per year.

Have you insulated the floor or roof of the attic? In this way you

can save up to twenty per cent on heating costs.

Have you checked whether there are cracks through which cold air might enter the house?

Are heat conducting pipes insulated, especially where they run close to walls?

Have you put on double windows and storm doors?

Do you have your furnace checked, cleaned and repaired at least once a year?

Is your hot water tank insulated? If you have a warm air furnace, do you clean or replace air filters frequently?

These suggestions will help you evaluate the effectiveness of your present heating and they can help you to heat your home more economically.

Robson

ROBSON — The members of Wesley-Knox choir, accompanied by their husbands and wives met at the home of Mr. Walter Barr on Sunday afternoon. The Rev. Kenneth Murray presented Mr. Barr with a Book "The Christian Church in Canada," in appreciation of the many years of service in the choir. Mr. Barr thanked them for their gift. After a social hour or so, refreshments were served by the ladies.

Mr. Andrew Moore met with an unfortunate accident the past week. While chopping wood, the axe slipped and cut his leg. He was taken to Barrie Memorial Hospital, Orms-town, where several stitches were put in. Andrew's friends hope he may soon improve.

Miss Sheila Beattie of Montreal, spent the week-end at her home here.

Howick

HOWICK — The Knox Church Auxiliary met at the home of Miss Martha Goundrey on Thursday afternoon, November 28th. The Bible reading was taken by Mrs. Wilson and the Glad Tidings Prayer by Miss Goundrey. The Roll Call with the text word "Blessing" was answered by six members and two visitors. Miss Ritchie gave the Glad Tidings Hymn and Mrs. W. M. Brown the Christmas Message. Refreshments were served by Miss Goundrey and Mrs. Wilson and a social hour enjoyed by all.

Mr. and Mrs. Leonard Baillie visited on Sunday with relatives at Verdun.

Evening Auxiliary

The Georgetown Evening Auxiliary met at the home of Mrs. Arthur Buchanan on Wednesday evening. The devotional period was taken by Mrs. Donald Ness and Mrs. Robert McCaig. Eighteen members answered the roll call containing the word "star". One new member was welcomed to the group and three visitors were present. The amount of fifteen dollars was sent toward the allocation, meeting the full

A vote of thanks was tendered to the retiring officers. A social hour was spent and delicious refreshments were served by the hostess and food committee.

Howick United Mission Band

Parents and friends met with the Mission Band on Saturday evening, in the Church Hall, to view the slides "Ivan Carey Lives in Japan". These slides were taken by Rev. Frank Carey, missionary in Japan and a former minister of the Howick United Church, and were of his family and their Japanese friends. The children's handwork, depicting life in Japan, was on display. A Christmas Carol Service preceded the showing of the slides.

Public Notice

Public notice is hereby given that the City of Salaberry-de-Valleyfield, a municipal body politic, incorporated according to law, having its head office in the City of Salaberry-de-Valleyfield, in the county of Beauharnois, will apply to the Legislature of the Province of Quebec, at its present session or next session, to obtain the passage of a law on the following matters:

- 1) To rent locals in all municipal buildings and parks;
- 2) To limit the maximum number of gasoline sales stations in the limits of the City and to fix their increase at certain conditions by each additional thousand of population and other considerations;
- 3) To forbid or suspend all permits for a building at the presentation of a notice of motion to amend the building and zoning by-law;
- 4) To allow the Chief of Police to proceed with the sale of objects or articles not claimed in his possession for one year or more;
- 5) To approve the following by-laws: 493, 505, 510, 514 amending by-law number 468 in zones B-5, B-6, B-7, F-3, B-8 and B-9 of the City;
- 6) To forbid circulation during or have removed all vehicles illegally parked;
- 7) And for other purposes.

Committee Formed To Study Problem Of Mercier Bridge And Traffic

A preliminary meeting of a number of interested Mayors of this district was held in the Agricultural College, at Ste. Martine, on Saturday, for the discussion of a second bridge adjacent to the present Mercier Bridge. Some twelve mayors were invited to attend but due to the bad weather and other commitments, only six were able to be present.

A plan was presented to the gathering showing the rerouting of traffic along highways Number 4 and 3 leading on to the new approaches presently being built by federal government. The chief magistrates present thought that the plan was a reasonable one and decided that a committee should be formed for the purpose of advocating the construction of a second bridge to carry the additional traffic which this section of the province will be channeling into Montreal.

The chairman of this committee is Mr. Aldeo Huot, Mayor of Ste. Martine. Vice Chairman will be Mr. Maurice Lacharte, Mayor of Ville Lasalle. Mr. N. P. April, Director of the Agricultural College, Ste. Martine, was appointed Secretary-Treasurer. Additional Members of the committee will be the Mayors of Valleyfield, Louis Quivillon; of Beauharnois, J. Armand Poupard; of the town of Chateaugay, Georges Soye; of the town of Chateaugay Heights, Dave Currie; of the Town of

Huntingdon, Jeo Cappiello; of the Town of Ormstown, Emile Beaulieu, and of Ville Lasalle. Besides the mayors, there will be three County delegates from Chateaugay; and two each from Huntingdon County and Beauharnois County.

Some of the local municipal councils have already voted money for the financing of any expenses incurred by the committee during the time spent for the building of a second bridge. The other Councils are expected to vote sums of money also.

Huntingdon High School Notes

Grade XI Project
On Thursday evening the United Church Hall was a centre of activity. A Hot Dish Supper sponsored by Grade Eleven, was underway. Tables, which had been previously set up by the boys, were attractively laid. The kitchen was a hive of activity as the girls kept the food hot, set out extra dishes, and prepared for the forthcoming diners. As the clock struck five, guests began to arrive and excitement in the kitchen mounted. After the saying of Grace by Mr. Beal, dishes of steaming beans and scalloped potatoes with bowls of crisp salad were placed on the table. Later ice cream and home made cookies formed the dessert. As seven o'clock arrived and the

Those present at the meeting were: Aldeo Huot, Mayor of Ste. Martine; Leo Cappiello, Mayor of Huntingdon; Henri Turcot, Mayor of Havelock and Industrial Commissioner of the Province of Quebec; Hervé Bedard, Mayor of Ville Emard; Edgar Hebert, Mayor of Chateaugay Village; Gerald Raymond, representing the Mayor of Ville Lasalle; Omer Lazure, Mayor of St. Urbain.

Mr. H. A. D. Somerville, M.P.P. Huntingdon was present and made a number of suggestions.

guests began to depart, we found that we had had not only a profitable evening but one that was fun as well. We wish to thank those who contributed in any way in helping to make our evening successful.

—H-I-S—

Red Cross Council News

Pupils in Grades Eight to Eleven are planning to bring in gifts of clothing, candy, toys or books which may be distributed to children in this community or sent to the School for Crippled Children in Montreal, so that these youngsters may have a merrier Christmas. As the gifts are brought in they will be placed under a gaily-decorated Christmas tree in the Grade Ten classroom. These Christmas parcels may be brought to school any time from Thursday, December 12th, to Wednesday, December 18th.

—H-I-S—

Pupils of Grade Seven are still working to get the free TV set from Dominion Stores by collecting cash slips from Dominion and Thrift stores. Each \$25 on a cash slip is worth one vote. We now have over half of the votes required. We invite anyone to send us their cash slips.

—H-I-S—

Carol Singing
On Tuesday evening, December 17th, pupils of the High School grades will sing carols to patients at the nursing homes and Huntingdon County Hospital, as well as visiting various streets in the town. The pupils will then return to the school for hot chocolate and doughnuts.

Rockburn

ROCKBURN — The MacIntosh Corner Farm Forum Club held their meeting on Monday night at the home of Mr. and Mrs. Abe Rosevear. The radio program was on Import Control and was listened to and discussed. After the discussion cards were played. The lady winners were Mrs. J. L. Robertson and Miss Margaret Barr. The gents were Mr. Robert Barr and Mr. Murdoch Rosevear. Delicious refreshments were served by the hostess.

Trout River

TROUT RIVER — The Annual Business Meetings of the Elgin Presbyterian W.M.S. and Ladies Aid were held in the Church basement, on Thursday afternoon, under the joint Chairmanship of the Presidents Miss Lillian Murdoch and Mrs. Geo. Black. The devotional part was a Christmas program with all members taking part. The Candle-lighting Ceremony was

taken by the members of the W.M.S. Mrs. MacDonald, Mrs. Rutherford, Mrs. Stark, Mrs. Black and Mrs. J. A. Macfarlane.

Life members were presented to Mrs. Jas. Anderson, Mrs. D. L. Macfarlane and Mrs. W. A. Murray.

Part of a Christmas Message "Why we love Christmas" was read by Miss Murdoch.

After the business of each Society was finished the officers of both were re-elected for another year.

More Engineer Graduates May Be Available For 1958 Intake

The Engineering Institute of Canada has just released the results of its annual survey of registration at Canadian universities and colleges. The tabulations have been prepared from lists obtained direct from the university registrars, and they were compiled at Institute Headquarters in Montreal.

As usual, the figures are interesting, and close examination of them will reveal some significant facts. Total enrolment in engineering courses in Canada in 1956 was 12,723 in the fall of 1956. This should not cause any alarm, but it is still a good healthy increase.

Of more importance perhaps are the indications provided by the figures for the new freshman intake. These show an encouraging overall upward trend of 13% and the new classes of the Western universities have again stolen the spotlight. Registration in engineering in the four Western provinces has climbed rapidly in the last several years, at a faster rate than in the East. And we are now faced with the rather startling fact that this year 36% of all freshmen engineers in Canada have enrolled for study West of the Ontario-Manitoba border. Toronto, as expected, is the up-and-coming new class, 690 strong, followed by Alberta with 476, B.C. third with 473, and Saskatchewan next with 464. In all, 5132 new engineering students signed

up in Canada this year.

There are some new names in the survey this year. Canada now has four more educational institutions offering at least a partial engineering course of recognized standing. These four are Sir George Williams College, Montreal, McMaster University in Hamilton, Waterloo College, Waterloo, and Assumption University in Windsor. Their entry into this field should be greeted with enthusiasm, and educators everywhere will wish them success.

A comparison of the popularity of the different courses, as disclosed by the new survey, shows no important change. Civil remains first choice in total enrolment with 1935 students, followed by electrical with 1539, and mechanical showing 1355. This order is the same as last year, with electrical pulling a year slightly from mechanical as compared with the 1956 figures. Interesting signs of the industrial times in Canada are given by the strong steady increases again this year in the numbers taking up studies in petroleum engineering and engineering physics.

As a forecast, and discounting casualties between now and next graduation, 2130 young engineers are expected to complete their courses and enter the profession in the spring of 1958. This will be a nice increase of almost 17% over the previous figure, and is perhaps the brightest part of the picture. How this will match up with the demand during 1958 will be watched with the greatest interest.

Prime Minister's Parents Honoured

In accordance with the Saskatchewan Natural Resources Department's practice of honouring eminent Saskatchewan pioneer citizens, a bay of Lac la Ronge has been officially named Diefenbaker Bay, in honour of William Thomas and Mary Florence Diefenbaker, the parents of Canada's Prime Minister.

William Thomas Diefenbaker, father of the Prime Minister, graduated from Ottawa Teachers College and taught in Ontario schools from 1885 until 1903. In 1894 he married Mary Florence Bannerman, a granddaughter of George Bannerman, one of the original Selkirk Settlers of Manitoba. In 1903 the Diefenbakers were attracted to the rapidly developing North West Territories and settled in the district now known as Borden, Saskatchewan. The father taught school and also homesteaded in the district in the period from 1903 to 1910. In 1910 the family moved to Saskatoon where Mr. Diefenbaker was employed with the Department of Customs and Excise until his death in 1936. The father of the Prime Minister died in 1945 but the mother still resides at Saskatoon.

Diefenbaker Bay, an eight-mile-long bay in Lac la Ronge, is situated among some of the province's finest sport fishing and scenic attractions. The name will not only serve as a monument to a pioneer Saskatchewan family, but will also historically record the occasion when a son of a pioneer family achieved the highest elective position in Canada.

Obituaries

The Late John Calvin Graves
At the Courville Rest Home, South Stukley, P.Q., on Wednesday, December 4th, 1957, after a lengthy illness (Multiple Sclerosis) John Calvin Graves, husband of Elsie Frances Gaunt, in his 58th year.

Mr. Graves will be remembered in this community where he served, in Howick and Huntingdon, as a member of the Staff of the Canadian Bank of Commerce.

He leaves to mourn his loss, his wife, Elsie a daughter, Vicki, in Magog, his mother, Mrs. W. F. Welch of Howick and a Brother, Robert E. Graves of Chatham, Ont. Interment was from St. Luke's Anglican Church, Magog, Saturday, December 7th, in the Pine Hill Cemetery, Magog, at 2:30 P.M.

A Masonic Funeral Service was held at the Sherbrooke Street, Funeral Home, Magog at 1:45 P.M. the same day.

The Late Mrs. A. M. Reid
Mrs. Alice May (Gauthier) Reid, widow of the late Geo. Reid of Elgin, passed away at the Ormstown Memorial Hospital, on November 23rd, 1957.

Born on November 21st, 1886, at Brooklet, Que., daughter of the late Mr. and Mrs. Louis Gauthier. She is survived by three daughters, Mabel, Mrs. Wm. McIntyre of Elgin; Jessie, Mrs. Fred Sullivan, Verdun; and Miss Florence Reid of Verdun; four sons, Leslie of Verdun; Ernest of Toronto; Clarence of Oliver, B.C.; and Lawrence of Elgin. Also two brothers, Walter and Albert Gauthier of Brooklet, six grand children, three great grand children. Funeral Service was held at St. Paul's Anglican Church, at Herdman, on December 2nd.

Ormstown

Barrie Memorial Notes
The following annual memberships for the sum of \$10.00 each have been received from Mr. Walter Leves, Atholstan, Mrs. Maud Gruer, Riverfield and Mr. John Pringle, Ormstown. Donations have been received as follows: H. J. Heinz Co. of Canada Ltd., Ont., \$25.00; The Harold Crabtree Foundation, Montreal, \$100.00.

THE GLEANER

and it just doesn't conform to traditional ideas."

The oven also presents the home-maker with food that has a tasty brown appearance due to a browning unit in the top of the oven.

"Double-crust pies pose no problem for the electronic oven," Mrs. Bertois reports. "It's just a matter of revising cooking rules because each crust gets separate treatment and as a result they are crispier and flakier."

It takes just 6 1/2 minutes to bake an angel cake, compared to one hour required in a conventional oven. Browning takes place in the last two minutes and frosting can be ready in five.

If you are racing the clock to prepare dinner for unexpected guests the electronic wonder comes to the rescue by cutting time required for a four-pound roast from two hours to under 45 minutes.

"Curling Widows"
Professional marriage counsellors and advisers to the lovelorn are giving interesting tips for "curling widows" on how to cope with the loneliness they may feel—and this is to take a keen interest themselves in the grand old game.

First of all look pleased or pained as the occasion warrants when your curling husband recounts his victories or defeats.

And if you are handy with the knitting needle why not sew last year's championship crest on the sweater. This is guaranteed to make a hit.

Try to prepare dinner early so that the sport of the family can get to the club in time, and show your sweet disposition no matter what hour he chooses to return.

Above all take into consideration your husband's superstitions, according to Ken Watson's book on curling. Don't complain if the curler refuses to change his socks or long underwear as long as his team is winning. And don't relegate his shirts, gloves, ties, hats, or even handkerchiefs to the laundry or cleaners until their magic spell has worn off.

And if none of these suggestions help towards seeing one's husband at least one evening a week there is one more solution. Take up the "grand old game" in self-defence.

Jehovah's Witnesses Hold Special Week Of Activities

Tuesday night started off a special week of activity for the Huntingdon congregation of Jehovah's witnesses. Duncan Keffer local presiding minister said, "We will enjoy a special week of instruction and counsel on how we can improve our door to door ministry and thus be of more service to the community. The counsel will be given by our circuit supervisor, Gilbert G. Blais."

Mr. Blais explained in last night's meeting, "as never before it is our solemn duty as Christians to share with our neighbours in and around Huntingdon the good things we have learned from the Bible."

"The world is in serious trouble," Blais said, but Bible prophecy shows that we are at the portals of a new world.

"You witnesses here in Huntingdon are a part of the largest body of ministers the world has ever seen, and in order to meet with the high standards of ministry set by our brothers means an ever more diligent study of Holy Scripture," Blais concluded.

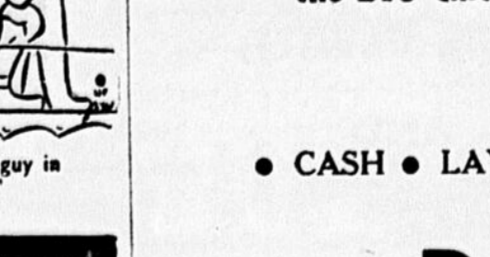

The climax of the week's activity will be a public talk by Mr. Blais entitled, "Finding Happiness in a Troubled World." This will be held on Sunday, at the home of Clifford Booth. "All are welcome," Blais commented, but we will visit as many homes as possible with a personal invitation."

Teatime Topics

That new Kitchen wizard—the electronic oven—is destined to revolutionize cooking before long. "Heatless, odorless, rocket-speed cooking 'a la electronics' is a reality," says Mary Louise Bertolis of Hamilton, head of the home economics department and test kitchen of an appliance manufacturing company.

"Cookbooks will come in for considerable revision and a completely new set of rules will have to be adopted. Cooking by electronics is done by time—not temperature."

Franklin Centre

FRANKLIN CENTRE — The regular meeting of the C.G.I.T. was held on December 3rd, at the school. The collection of \$8.77 received at the Initiation Service was reported also the sum of \$5.00 from the W.A. for assistance at a Wedding Supper. The Rally was reviewed and this announcement made. That all girls, 14 years and over, could attend the Montreal Convention in January.

The next meeting will be at Lois Moneypenny's home and will be in the form of a Xmas party, when gifts will be exchanged etc.

The Vesper Service to be held

on the 15th at 7.30 in the United Church was practised.

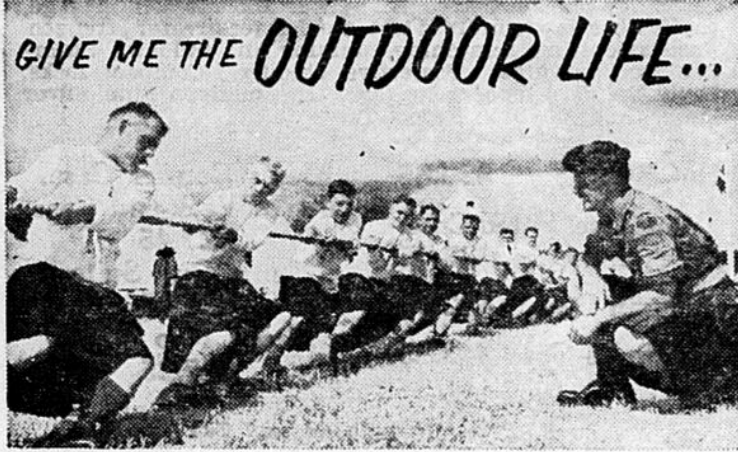

Barbara Towns had charge of the worship period which was followed by a Geography game and the closing "The More we get Together".

Mr. David Vidler of Montreal, an active member of the Boys' Parliament and the Editor of their paper, "The Parliamentarian" met some of the local boys at the manse on Sunday afternoon with the object of obtaining a few recruits.

This parliament meets once a year, generally between Christmas and New Years, at some school for about 5 days under the auspices of the Religious Educational Council of Quebec.

For You Madam

W. I. Meeting
The Women's Institute met on Tuesday at the home of Mrs. Wm. Jamieson with a good turnout of members and a number of guests. As soon as the ladies were assembled, dessert was served. The Roll Call was answered by each member guessing the combined weight of Pres. and Secy. The prize going to Mrs. Jamieson. Two letters of thanks were read. A \$2.00 donation was received. There was some discussion on the type of course to have in the spring with the instructors coming from Macdonald College. Members enjoyed a carol sing song. Each member brought 1 dozen cookies, these were judged and afterwards sold. Miss Turner, Mrs. Ferry and Mrs. Bernhardt were the prize winners. There was a Christmas Pie, into which each member put a parcel and afterwards each lady drew one out, and there was a varied assortment of gifts. Arrangements were made for giving to sick and shut-ins at Christmas time. January meeting will be held at the home of Miss M. Scott.

The United, Presbyterian, Baptist and Disciple Churches have all taken an active interest in this movement.

This year they meet at Point Aux Trembles School.

Mr. and Mrs. Gerald Goldie had their infant daughter, Karen Catherine, christened on Tuesday evening, by Rev. S. Nickerson. Only the immediate family were present, including the grand parents Mr. and Mrs. John Goldie and Mr. and Mrs. MacDonald of Dundee and Mrs. Nickerson.

The Gore

Gore W.M.S. and W.A. Notes
THE GORE — A recent meeting of the Gore W.M.S. and W.A. was held at the home of the President, Mrs. Carl Anderson with a large number of members and visitors present.

The Annual Meeting of the Gore W.M.S. and W.A. was held on Thursday evening, Dec. 5, at the home of Mrs. Willard Anderson. Christmas Carols were sung and the Christmas story was read by Mrs. Frank Mason. Mrs. Josie Moneypenny conducted the election of officers as follows: President of the W. A.: Mrs. Willard Anderson; Vice-Pres.: Mrs. Carl Anderson; Secy.: Mrs. Stanley Whaley; Treas.: Mrs. W. J. Graham; Christian Stewardship: Mrs. John Ruddock; Literature and Press: Mrs. Mervyn Graham; Work: Mrs. E. A. Mason; Mrs. W. J. Graham and Mrs. Stanley Whaley.

Delicious refreshments were served at the close of the meeting by the hostesses, Mrs. K. Stevenson and Miss I. Foster.

Sorry to report that Mrs. J. Ruddock is in hospital at the Hurontario County Hospital for the past two weeks. All wish her a speedy recovery.

Miss Edith Dawson of Ormstown, is spending some time with her sister, Mrs. E. A. Mason. Miss Dawson is recuperating after her recent illness.

Wednesday guests of Mr. and Mrs. W. J. Graham were Mr. and Mrs. T. J. Graham and Mrs. Etta Herdman of Athelstan.

Sunday guests of Mr. and Mrs. W. J. Graham were Mr. and Mrs. Arthur Dear of Burke, N.Y., Mr. and Mrs. Walter Graham, Howard and Walter Jr. of Montreal.

Mr. and Mrs. Mervyn Graham and Melvin have been recent guests of Mr. and Mrs. Kenneth Allen at Aubrey.

Mr. and Mrs. P. Fortune and Stanley were week-end guests of Mr. and Mrs. Stanley Whaley and Greta.

Miss Roberta Ruddock, of Montreal, spent the week-end at her home here.

Howick W.I.
The Howick W.I. met with Mrs. W. M. Hamilton for the December meeting. First, there was a demonstration by Mrs. Hamilton "making a Sunshine Chiffon Cake". This was then baked and all were able to see it and eat it too.

Mrs. E. Chisholm had taken in a bundle of old cottons to the Cancer Society in Montreal. They are very thankful for any size of cotton pieces. She was told to remind anyone that colored prints, old pajama cloth pieces, anything but dark color, are very acceptable. These can be handed in at any meeting to Mrs. Chisholm. They have 40 groups, church or others, working making up pads and dressings which are given to those applying free of charge.

In memory of the Late Mrs. Andrew McFarlane, Riverfield, who was a vice-pres. of the Co. W.I. a \$10. donation was made to the Can. Cancer Society.

Mrs. Roy Young read a humorous Xmas Story "Twas the Day After Xmas". Some notes from the National Convention were read.

There was also an exhibit for prizes of aprons, both fancy and work types, which were modelled later by the owners. First prize fancy went to Mrs. Arch. Tannahill and first prize work to Mrs. C. P. MacDonell.

Quite a generous donation of jams, jellies and pickles were also brought in for the Barrie Memorial Hospital.

Meeting closed by the singing of Christmas Carols and delicious refreshments were served by the Chateaugay North Group.

Athelstan
ATHELSTAN — The Athelstan Presbyterian Church School celebrated their White Gift Service on December 8th. Mr. Hiscock opened the service with a short word of welcome to the children and guests, after which a short address was given by Mr. Bob Bernhardt on Tyndale House. He told the children how much their gifts were appreciated by the children of Tyndale. The Church School then came forward with their nicely parcelled white gifts. Mr. Anderson gave a very inspiring talk, the theme being "BECAUSE JESUS CAME". Because Jesus came we now have the following gifts: Hope, Love, Joy, Peace, Salvation, Christian Homes, Churches, Missionaries, Church Schools and Teachers. As each gift of Jesus was mentioned a candle was lit by one of the children. The Candlelight Service was very inspirational.

The Athelstan Church School would like to announce that they will be presenting their annual Christmas program this coming Friday, December 13, at 8 p.m. in Munroe hall, Athelstan.

The Young Peoples Society of the Athelstan Presbyterian Church met for their monthly meeting on Friday Evening last at the home of Mr. and Mrs. Archie Rowat. All report an enjoyable time.

The sympathy of the community is extended to Mrs. William McIntyre and other members of the family in the loss of their mother, Mrs. Alice M. Reid.

Mrs. Myrtle Stewart returned last week from Como, where she had been a guest at the home of her son-in-law and daughter, Mr. and Mrs. George Jesty.

Mrs. Laura Claesson is spending sometime with her sisters at Andover and Dorset, Ohio.

Valleyfield

VALLEYFIELD — The Valleyfield Ladies Curling Club have been competing for the Crepin Trophy and this was won by: Mrs. W. Colquhoun, Skip; Mrs. G. Wrightman, 3rd; Mrs. C. Saint Onge 2nd; Mrs. S. Taylor, Lead.

The past week a rink went to Quebec to compete in the Ladies Granite Bonsor. The rink was won by: Mrs. W. Colquhoun, Skip; Mrs. J. MacFarlane 3rd; Mrs. C. Jones 2nd; Mrs. W. G. Thomson, Lead.

The latter part of November a rink competed in the Annual Bonsor of the Town of Mount Royal club.

Mrs. C. Gordon MacPherson, skip; Mrs. S. Chambers 3rd; Mrs. C. Saint Onge 2nd; Mrs. H. Dando, Lead.

A few friends of Mrs. Carl Schurman entertained for her daughter Miss Janet Schurman, on Friday evening, December 6th, at the home of Mrs. Jim Wallace. The house was beautifully decorated for this miscellaneous shower with flowers, umbrellas etc. Janet received many beautiful gifts. Delicious refreshments were served. Mrs. Edith Nearney baked the cake and decorated it.

Janet, a graduate of the Royal Victoria Hospital school of nursing, is at present on their staff. Her marriage to Mr. Joseph Beaulieu of Montreal will take place on Saturday afternoon, December 15th, in the Valleyfield United Church.

On Friday evening, December 6th, the Valleyfield Figure Skating Club met at the Canadian Legion Hall to honour Miss Isabel Schurman, who is leaving

Valleyfield in the near future to work for the Nichols Chemical Co. in New York city.

All the former Directors, former members and present members their families (teen agers) attended.

Mrs. George Lalonde, Vice-president of the Club presented Isabel with a beautiful sterling silver dresser set and thanked her for being such a devoted worker for the Club the past ten years.

Miss Louise Lalonde the present Club Champion presented Isabel with ten red roses donated by Philippe Billette. Mr. Harris Buttress president read a letter of appreciation on behalf of the Club.

Mr. A. J. Wishart Honorary President of the Club who was in New York on a business trip and could not be present sent a telegram wishing Isabel the best of luck in the future. An orchestra was in attendance and delicious refreshments were served.

Valleyfield Masonic Lodge No. 75 held a very successful dance in the Legion Hall, on Friday evening, November 29th. Larry Kwong catered for the refreshments.

The Annual Bazaar of the Valleyfield United Church was held on Thursday evening, December 5th. The Women's Association Evening Auxillary and Managers all have a part in this event. The young women deserve great praise for the attractive table of Christmas gifts and decorations.

Tatehurst

TATEHURST — Mr. and Mrs. Allan Cavers entertained at dinner, on Tuesday evening, when covers were laid for eight. Games of "500" were played following the dinner.

Mrs. George Forrester is visiting.

Valleyfield

The Week at Quebec

(Continued from Page 1)

the current year to \$482,911,360. A statement by Solicitor-General Rivard that unlicensed liquor establishments would be subjected to a close surveillance on Christmas, New Year's and the Epiphany, Jan. 6, puzzled legislature circles this week.

The statement was contained in an announcement fixing holiday closing times for all establishments licensed by the Quebec Liquor Commission.

"It is clear," the statement said, "that all licensed establishments will also be subjected to a close surveillance."

In Liberal opposition circles the statement was interpreted as a candid warning to unlicensed establishments, which they claim operate freely in various parts of the province, to conform with holiday liquor regulations.

The Quebec labor relations board Friday took under deliberation a company-opposed application by the United Steel-

workers of America (CLC) for certification as bargaining agent for workers at Gaspé Copper Mines Limited in Murdochville.

Chairman H. C. Lebrun of the Q.L.R.B. said the board, which began hearing the union's application Wednesday, probably will make known its decision at the start of the new year.

He asked counsel for both parties, the USWA's Guy Desaulniers and the Company's Gaston Poullet, both of Montreal, to submit their respective cases in writing to the board by Dec. 11.

Msrgr. Paul Bernier, former Papal Nuncio of Panama, last Tuesday was enthroned as head of the Roman Catholic Diocese of Gaspé.

Msrgr. Bernier, 51, replaces the late bishop Albini Lobiane who died in an automobile accident near Gaspé, May 17.

"Tree Farms' for Higher Profits
The "Tree Farm" movement is expanding rapidly throughout Canada. Farmers and other landowners, anxious to make their sections of tree-growth profitable, are adopting modern methods of forest

culture to encourage more rapid growth of types of trees giving the highest profit. The name "Tree Farm" indicates the application of the same principles of management as are applied to other agricultural crops.

Handy Hints on Decorating Your Home for a Brighter and Safer Christmas

To help you make this Christmas season the brightest, safest ever, here are some worthwhile hints on decorating, inside and outside, all around the house.

Caring for Your Christmas Tree

As soon as you bring the tree home, stand it in a pail or tub filled with water until you are ready to set it up and trim it. This will prolong the life and appearance of the tree, keep the needles from falling, and minimize the danger of fire.

Trimming Your Tree

Keep your tree stand water-level full and your tree will remain fresh and fragrant throughout the holidays. Bear in mind that tree trimming follows a fundamental rule of women's fashions—accentuate the opposite. If your tree is tall and slender, decorating lines should tend toward the horizontal (See Fig. 1.) If it is short and full, trim your tree along lines which tend to be vertical. (See Fig. 2.) Applying this simple rule will help you bring out the best in the tree.

How Many Lights?

Too often, the number of lights used to trim a tree is arrived at by guesswork, and results look disappointingly "spotty." There is a formula, however, which does away with much of the guesswork and helps produce an evenly lighted appearance. To achieve what professionals call a "good lighted effect," try this formula:

Let's say your tree is 6 feet in height and 4 1/2 feet wide at the base. (See Fig. 3.) The formula would work like this: 6x4 1/2x3=81 lights for "good lighted effect."

While personal taste is the last word in decorating Christmas trees, each year finds more families adopting the above formula which brings out the natural beauty of their tree and give a good-lighted effect.

No. of lamps required to give a "Good Lighted Effect"

Size of Tree	No. of Lamps
4'	36
5'	56
6'	81
7'	110
8'	144
10'	225

Where to Start

Trees should always be trimmed from the top down. In working from the bottom up, a trimmer is literally "in his own way," and runs the risk of knocking the tree down. So start at the top, with your angel or star ornament, and work down. After your tree-top ornament is firmly in place, string the tree lights, using the formula outlined above for a good lighted effect. Reflectors and halos are available at modest cost, and these greatly increase the brilliance of tree lights. Next, add your "continuous" decoration,

such as strung popcorn. Follow this with glass ball ornaments, snow balls, candy canes and similar decorations. Last, add aluminum or lead tinsel, one piece at a time, and finish perhaps with a spray of artificial snow.

Most important of All—Safety

From coast to coast, some 3,500,000 families will light up their Christmas trees this year. If all of us practice safety, we may make this the year when no Christmas tree fire sweeps through an American home, turning a family's joy into grief. There is a highly effective way to protect against short circuits and overloading. Simply plug your set into your original source of current and then add your other decorative sets to this set. This will ensure protection against overloads and short circuits, and prevent darkened rooms due to blown-out fuses. In addition, inspect all light sets carefully for fraying or exposed wires. Let's make this Christmas the safest on record.

Light Up Those Indoor Focal Points

Windows, end tables, mantles, foyer tables and stair rails are all decorating focal points at Christmas. Window wreaths and candleholders come

in a wide variety to suit the individual taste, while end tables lend themselves to small artificial Christmas trees with lights that bubble or twinkle merrily. Mantles provide an ideal setting for angel figures, candles and lights with reflectors set into a background of evergreen branches. (See Fig. 4.) Foyer tables are just right for a "specialty" display, such as illuminated paper pointsettias in a centerpiece basket. Your stair rail, aglow with lights tucked between pine and laurel branches will add still more cheer to your holiday.

Outdoor Decoration Sings Merry Christmas To All

The exterior of your home and your grounds offer tremendous decorating opportunities. But practice safety outside as well as inside.

Make sure all outside wire is No. 12 or No. 14, rubber insulated and heavy duty.

The best source of current for outdoor lighting is a permanent, protected outdoor-type receptacle, or a garage or porch lamp. Even without such an outlet, you can safely reach an indoor receptacle. Merely drill a hole in a boards which will fit a convenient window snugly. Close the window on the board and run the outdoor wire in through the hole in the board. The window can be "brace-locked" with a stick. (See Fig. 5.)

Your Doorway and Eaves

Lights in outline form around a doorway, outdoor candles and lighted sprays are highly successful main entrance decorations, proved over years of use. Many standing "specialty" units, such as Santas, Fig. 6 Snowmen Carols and the like have more recently come into greater use near front doorways.

The eaves of your roof represent an ideal display point for Christmas lighting. The most

common difficulty in eave lighting is a tendency for lights to sag. Eliminate this problem by running the outdoor Christmas sets through drive rings hammered into the eaves at regular intervals up to the house corners and roof peaks. The drive rings will carry your Christmas string of lights in straight and beautiful lines, outlining your home perfectly. (Drive rings are available at hardware stores everywhere.) (See Fig. 6.)

Lighting Evergreens Outdoors

Evergreen trees on your front lawn can be especially appealing when lighted. Generally, lights of a single color are preferred on outdoor evergreens. For an enriched effect, however, try this. Make your top-most light white, and mix perhaps two blue lights with an

overall pattern of green lights. In order to protect a valuable Blue spruce or Douglas fir, build a simple "teepee" to carry the light strings. Pound stakes into the ground around the tree, inside the spread of the branches, at regular intervals. Then lead rigid wire up from the stakes to a point several inches below the tree-top. Fit a padded wire collar around the tree stem at this point and fasten wires to the collar. (See Fig. 7.)

Your Christmas Lighting Dealer Can Help

You may have found just the decorating idea you are looking

Nitro
The Whist Party held jointly by the Girl Guides and Boy Scouts, last Friday evening, was a great success. There were 9 winners for both the ladies and gentlemen players. The winners for the ladies were: Mrs. MacLean 135, Mrs. Briggs 134, Mrs. V. Clendening 133, Mrs.

McInnes 132, Mrs. B. Clarke 132, Mrs. E. Mathers 132, Mrs. Brown 129, Mrs. Quenneville 128, and the low score was one by Mrs. M. Swartz with 112.

Due to the fact that fewer gentlemen than ladies were present some ladies had to play men's positions and won some of the gentlemen's prizes. These winners were: Mr. R. Swartz 136, Mrs. D. Yates 132, Mrs. E. Coleman 130, Mrs. R. Paige 128, Mrs. L. Elson 128, Mr. J. McKinnis 125, Mr. E. Edgar 125, Mr. E. Richer 125, and the low score went to Mr. Bob Crawford with 98.

The Rev. J. C. Hood officiated and his sermon was entitled "Christmas by Candlelight." He was assisted by Miss Nancy Phene and Mr. J. Clarke who read Scripture Lessons.

The choir and music, under the direction of Mrs. F. B. Davis, was a great success with renditions of seasonal carols. Soloists were Mrs. Wm. Sexton singing "What Child is This," Mr. P. Yates who sang "Silent Night" and Mrs. G. A. Kitts singing "Sleep Holy Babe." Miss Carol Clendening and Mr. P. Yates assisted by the choir sang "Good King Wenceslas" during the offertory.

pointe and Riverview to live with his son in Valleyfield. Miss Heather Phillips of Montreal was the guest at the home of Mr. and Mrs. K. Steele. Mr. and Mrs. L. Champ, Judy, Debbie, and Leslie motored to Montreal on Monday where the children visited Santa Claus. Later they were dinner guests at the home of Mr. Champ's sister and brother-in-law, Mr. and Mrs. J. Roberts.

Mr. W. Barner was a patient in the hospital of Lachine.

Howick

Mr. and Mrs. Burton Forrester, Shirley and Carol, of Lachine, visited Mrs. P. D. McArthur and Mrs. Albert J. Ness, on Sunday afternoon.

News from Ormstown

COVERING THE ACTIVITIES OF THE 'LITTLE ROYAL' EXHIBITION CENTRE

Y. P. S.
ORMSTOWN — The Ormstown Presbyterian Young People's Society met for the annual meeting in the Church Hall, when the evening began with a Pot Luck Supper.
 Milton Hooker conducted the meeting with Jean Arthur reading from the Scripture and Rev. J. C. Hood leading in prayer.
 A candlelight service was planned for Sunday evening, December 22nd, at 8 o'clock.
 The Society made plans to invite the Young People of St. James' Anglican and St. Paul's United to sing carols on December 23rd. Joyce Begbie, Nancy McArdie and Morris Kerr to be in charge of refreshments following the carolling.
 Nancy McArdie gave the annual report and money was voted to — The Board of Management, the Sunday School, the Extension Fund, Mrs. Donald (Goodall) Fossum for her work in Central Africa, to the Budget and to the Peace Memorial Camp at Lancaster.

The nominating committee made up of Thelma McDougall, Nancy McArdie and Donald Hooker presented the slate of officers which was accepted as read — President, Donald Gruer; Vice-President, Marion Greer; Secretary, Jean Arthur; Treasurer, Sandy Anderson. Drama Committee: Mary Catherine Hooker, Harold Merson. Purchasing: Bernice Marshall, Joyce Begbie. Games: Ruth McDougall, Alanne Hooker, Morris Kerr, Milton McDougall, Gordon Cavers. Music: Mary Catherine Hooker, Bob Eastwood. Membership: Nancy McArdie, Joyce Begbie, Ruth Tannahill.
 The meeting closed with plans to meet for a rehearsal for the Service on Friday evening.

St. Paul's Evening Auxiliary
 The St. Paul's Evening Auxiliary held the Christmas meeting on December 5th, at the home of Mrs. Argyle Cameron, with a large attendance.
 The President, Mrs. Ewen McDougall, opened the meeting with

a poem, "How Many Miles to Bethlehem?" Mrs. Allan Cavers was in charge of the devotions, using as her theme "Let The Song Go Round The Earth".
 After singing "There's A Star in the Sky", everyone enjoyed the singing of Christmas Carols.
 Mrs. Kenneth McDonald read a story entitled "Nobody Owes Me a Christmas".
 A special feature of the meeting was the reading of a poem followed by the presentation of a large baby blanket to Mrs. Irvine Johnston for baby Karl. This was presented to Mrs. Johnston by the new president, Mrs. Bert McCartney, on behalf of the group.
 The following slate of officers was elected for 1958 — President, Mrs. Bert McCartney; Vice-President, Miss Vera Rutherford; 2nd Vice-President, Mrs. Bruce Hamilton; Secretary, Mrs. Earl Sault; Press Secretary, Mrs. Preston Nussey; Treasurer, Miss Anna Struthers; Stewardship, Mrs. Huntley Greig; Citizenship, Mrs. Donald Lang. Work Committee: Miss Helen McCormick, Mrs. Frank Anderson, Mrs. Ewen McDougall, Mrs. Lloyd McClenaghan. Refreshment Committee: Mrs. Russell McDougall, Mrs. William McClintock. Pianist: Mrs. John Wallace.
 At the close of the meeting, delicious refreshments were served by Mrs. Alen McCaig, Mrs. William McClintock, Mrs. Ewen McDougall, Mrs. Ruth Towns.

W.I. Meeting
 The Ormstown W.I. was entertained afternoons, December 3rd, at the home of Mrs. John McCaffrey, Mrs. A. A. McNeil presiding.
 Seventeen members were present and responded to the Roll Call by donating jars of jams and pickles to the Barrie Memorial Hospital.
 Letters of appreciation for money received for prizes were read from Notre Dame and Ormstown High Schools.
 The following conveners reported on their departments — Mrs. H. Ovans, "The Christmas Tree — it's meaning and the memories it conjures up". Teenage commandments, e.g., "Don't let your parents down — they brought you up" — by Mrs. Ward Rember.
 Mrs. A. Marshall — consumers' problems — danger of staples in cellophane bags of vegetables — products with premiums.
 Mrs. A. McCormick — Man's Best Medicine, Proper Exercise beneficial to good health.
 Mrs. F. Martin — Voluntary organizations give information to the public — this tends to

Howick High School Notes
 The Howick basketball teams played Ormstown in Howick on the twenty-ninth of November, with Howick winning both games.
 On the sixth of December, Huntingdon basketball teams came to Howick. Two very close games were played with Huntingdon winning both.
 The Student Council of Howick High are holding a "Teen and Twenty" school party on the 30th of December, commencing at 8:30 p.m.
Dundee
DUNDEE — Miss Thelma MacMillan, who is in charge of the local Salvation Army drive, reports that the canvassers in Dundee and St. Agnes areas received subscriptions totalling \$141.75. An additional \$10 was donated by a local citizen before the drive opened. It was postponed on account of the other charity appeals in the district.
 Miss Mabel MacMillan of Huntingdon spent the weekend at the MacMillan home in Dundee.
 Mr. Carl Stowell, son of Mr. and Mrs. T. W. Stowell, Dundee, met with a painful accident last Thursday while cutting firewood with his brother on the latter's farm near Arnold's Corner. While trimming limbs from a tree trunk the axe, with which he was working, glanced from the branch and struck him on the top of his left foot. He was only wearing light rubbers and knowing that the wound was quite severe, his brother took him on the farm wagon to his home and then later to Dr. LeFebvre's office in Huntingdon. The Dr. sent him on to the Huntingdon County Hospital where his injuries were attended to that afternoon. He will be hospitalized for a couple of weeks and is now resting quite comfortably. Mr. Stowell is in his late twenties and is quite a successful farmer.
Correction
 It was erroneously reported in last

week's report of Zion Church W. A. Annual Meeting that Mrs. Ken Fraser would be remembered at Christmas. This name should have read Mrs. Grace Kerr.

New Erin
NEW ERIN — Mr. and Mrs. Charles Curtis of Montreal, were Saturday guests of Mr. and Mrs. Bennie Douglass.
 Recent visitors of Mrs. Margaret Cameron were Mr. and Mrs. Walter Wyatt of Cornwall, Ont.
 Wood fibres when wet will adhere to one another as the water is evaporated. Thus is paper made.
