Bigger, Better... As Usual

P. M. Opens 105th Shawville Fair

The Pontiac Agricultural Society Fair at Shawville was bigger and better this year as usual. Receipts were at an all time high. The midway was the biggest yet. More cattle showed than ever before with a special tent building being erected at the last minute to house the extra large Jersey entry which had been evicted from the rink by the extra large Holstein entry.

The new Agricultural Hall was a booming success with never a dull moment. Horse drawing dominated it Wednesday evening. Jerseys, beef cattle and the Shawville Calf Club burst in early the next morning with horses and ponies following after dinner, and the junior events Thursday evening.

Aylmer Majorettes, large and small, started off the night show to the spirited tunes of bagpipes from Renfrew. Lacking contestants for a Dairy Queen, the rose bowl was turned over to beautiful Charlene Mulligan, judged most beautiful girl in the amateur contest. She played piano, danced and sang beautifully. Other prize winning contestants were two little step dancing darlings, the Brown-Towel duet, perennial favorite Lucile Hodgins also step dancing, sweet voiced Donna Hearty, the Tanner sisters, the Lorraine Murray quartette and a troupe of Virginia Reelers from Otter Lake. Entertainment after the contest was by Elizabeth Dickson dancing and Jennifer Dickson singing a dedication to the late Joe Russell who has meant so much to all amateur performers in this area. The Dickson girls also MC'd the show.

Along with the rose bowl, a medalion, a bouquet of flowers and the title "Miss Shawville Fair 1961", Miss Mulligan also was given the honor of sitting in the Prime Minister's box the following evening and presenting Mrs. Diefenbaker with a bouquet of roses.

Local Pacer Wins 2:17 Class

Dr. and Mrs. Roley Armitages fine pacer Tony Axworthy showed the way to five other good horses in the 2:17 class last Saturday at Shawville Fair. Before one of the biggest crowds ever to watch racing in Shawville and at no time really pressed to go all out, Tony stepped his miles in 2:08 and 2:06 respectively.

The classified race was very keenly contested with Dr. H.C. and Mike Keon's Dean Brook-

ville putting on a fine stretch drive to overtake Mrs. Mary Dales Pontiac Don at the wire in both heats.

Ivan Farr's Prince Royal C. proved to be the class of field in the 2:30 class winning two dashes for the lions share of the purse and also picking up Len Beaupre's Pontiac Hotel trophy which is up for annual competition in the 2:30 class.

Earl Bean and his men had the Race Strip in perfect con-

dition and the Hilton Mines Water Tanker was in constant use keeping the dust to a minimum.

Defeats Bryson

Quyon In UOV Finals

Third and last game of the semi-finals in the U.O.V. Baseball League between Bryson and Quyon on the Bryson diamond was won by Quyon, Sunday, by a 5 to 2 score. A whistling smash over the left field bleachers with two aboard was Frasers gift to this Quyon team mats in the first innings the other runs were made in the 6th and 9th while Bryson scores were obtained in the 4th. Faultless playing by the Quyon team held Bryson to these two runs. It was a pitchers battle all the way with Fraser and Keon the battery for Quyon. Thomas and Ferguson for Bryson. Ideal baseball weather brought out a large crowd. At this point Bryson bows out for the season, with the Ray Johnston Trophy, emblematic of top team in the Pontiac division for 1961 now on display in the Bryson Lodge Hotel for all the world to see, as was the gold samples taken from the Lawn

mine, now the New Calumet Mine, and sent to the Chicago Worlds Fair in 1892. "For All the World to See."

Quyon now plays Shawville for the Championship.

UOV Finals Start Sunday

By Bruce Yemen

The Upper Ottawa Valley Baseball League finals begin this Sunday in Shawville with Quyon facing the Tigers in the best-of-five series.

The Flyers finished off Bryson with a smooth display and have no fear of the defending champion Shawville team. Quyon beat the Tigers last time out behind the great pitching of Gil Fraser.

Shawville has been away from serious competition three weeks now, though they played, and defeated twice, the All-Stars of Vinton and Campbell's Bay. Scores were 5-3 and 10-6.

The Tigers may have brand new uniforms in time for the game this Sunday, which should be a pleasant change for players and fans alike.

But new uniforms or not, the four-time-winners will have to be at their best if they hope to make it five in a row. The season's largest crowd is expected to be on hand for the action getting under way at 2 p.m.

Government Record To Be Election Issue

Over 500 Liberal Supporters Attend Demers Centre Banquet

Hugh Proudfoot, George McIlraith, Paul Goulet, Alexis Caron, Oswald Parent, Jim Forgie and other notables of the Liberal Party graced the head table but left the speaking to their chief, the Hon. Lester B. Pearson last night in the jam packed brand new Chez Charles ballroom at Demers Center.

The cavalcade to Demers from Hall 70, had gathered strength from an initial 14 cars to include hundreds at the

top of the County. After an informal reception upstairs during which Pearson relaxed and joked with members of the press, the banquet began with grace intoned by Mrs. Eldon Keon.

Wallace McDonald chaired the meeting, introduced the head table guests. Warden Billie Burke welcomed all to the County. Mrs. Keon introduced Pearson in French; Wyman McKechnie did so in English and the great speech

everyone had been waiting for was underway.

In Wyman's remarks he had lauded Pearson's great accomplishment in the field of diplomacy long before he had entered politics and then proclaimed him (of course) as the next Prime Minister.

Taking this lead, Mr. Pearson said he would welcome the responsibility of getting Canada out of its present condition of stagnation and on the road to progress again.

He switched to French for the usual reasons but returned to safe grounds to say the Liberal Party is not dead in Pontiac, and so, it was made quite clear by his responsive audience, it isn't.

We may soon be having an election, he continued, if it is not this autumn it will likely be next year. We must convert the feeling of disillusionment in Canada today.

Recalls Earlier Fairs

Dear Sir:
The Shawville Fair is over for another year and may I be permitted to make a few comments. I would like to compliment the officials of the fair on the improvements; the major effort is the grand spacious agricultural building not appreciated as much this year on account of the ideal weather we had fair days. Most of us can recall a sudden change in the weather and being quite cold as we watched the night show. I observed the improvement in the livestock exhibit especially in the cattle and 4H clubs; the display put on in the new building on Friday night was a credit to everyone that participated; also noted was the spacious diner and the good meals served after a drive up from Ottawa it is appreciated. As I met the many friends the words of that old song was upper most in my mind. Oh Gee but its good to meet a friend from your home town.

To me it acts like a tonic to have the glad hand extended and I am sure many come every year not so much for the exhibits as to meet their many friends. Every year some are missing as we will sometimes think back a few years, when I was a director and tried to invite the people to come to the fair in rhyme. I signed director and it was sometime before they knew who it was. I heard some funny comments. I also think of the other members of the executive that I was privileged to serve with who have passed on to the better land. And as I looked at the new types of tractors and other machines now in use I thought what changes, I thought of the first steam traction engine exhibited at the Shawville Fair by Andrew McCredie as the big steam traction engine pulled the grain separator around the big ring and us young boys following. Sometimes Directors wonder if their efforts are appreciated. I am sure I speak for the majority when I say yes. Wishing the President, Secretary and Directors every success in their future efforts.

Norval Kilgour.

A new item on sale at the Leblanc Super Market in Fort Coulonge is The Equity. Last week they went like hot cakes. The only other store in Pontiac now handling them is Tuckers at Portage du Fort.

It makes us feel that the age of chivalry is not passed as we watched the judges (Mr. L. Thibideau and Mr. Russell Cochrane) at the horse shows last week at the Ex. They never failed to remove their hats as they spoke to any lady exhibitor during the judging process. Gentlemen, the lady spectators in the coliseum did notice you and appreciated this gesture!

This will be quite an adventure for the Blanchards with their children Cathy and Chris. They will be flying down to Oroya which is about 120 miles from Lima, and stay there for their three year contract. The first thing they will do is learn Spanish although 400 members of the Company are said to be Americans.

IT MAY BE THE LAST

The first impression one gets is most important. If it isn't good it may be the last.

We seem to have quite a few visitors from afar these days. Some are being given the red carpet treatment with everything being done to insure their comfort and convenience, and that is as it should be.

Once in a while it happens that a person comes into our County, either by invitation or by his own inclination, and misses out on the hospitality for which Pontiac is widely acclaimed. Just one such incident can go a long way towards spoiling a good reputation. It takes a lot of work to change a first bad impression but it can be done if a second chance comes along.

Some people just seem to have the knack of making visitors feel welcome the minute they arrive and go away longing to return and bring their friends. A worthy project for a Chamber of Commerce would be to hold a public meeting at which the guest speaker would be a good welcomer willing to tell all his secrets of success. Everyone wants visitors to be comfortable and happy but some of us could use a few lessons on how to accomplish this.

To Discuss Christian Education

The Chapter of the Anglican Deanery of Clarendon plans to hold a discussion meeting on the subject of Christian education. It will take place at the Parish Hall, Shawville, on Wednesday, September 20.

Attending the meeting will be Sunday School teachers, wardens, members of Synod clergy and all others interested.

The program is to be conducted by Mr. Ed. Majka of Aylmer; Rev. J. G. Bovington, Rural Dean, also of Aylmer; and Rev. Des Rowe of Shawville.

A report, prepared by Ed. Vaughan, which deals with the religious education conference held recently at Rothesay, N. B., is to be read at the meeting.

Chamber of Commerce Hears G. Archibald

Gordon Archibald, president and manager of the new television station, Channel 5, in Pembroke, drove down to Shawville Tuesday night to address the Chamber of Commerce here. His message was informative, mostly of the work that could and should be done by a Chamber of Commerce.

"If there is anything about your town that could be improved," said Mr. Archibald, "you should have a Chamber of Commerce."

He warned about getting into the work which should properly be done by other organizations. Service clubs have their job to do and unless there is no service club in town the C of C leaves charity and recreation alone. Also politics should be left to those elected to public office, or those seeking such election.

Mr. Archibald advocated short term projects to start with so results could be seen early. One long term project

at Pembroke is the Tourist Bureau. The aim there is to get people to come to Pembroke and once there to stay a while before pressing on.

The speaker explained that money was needed for worthwhile projects and added that for years Pembroke had a \$2 membership fee and never did anything. Now the fee is from \$10 to \$50 and the work they do is tremendous.

For their major project they have had the cooperation of other groups such as the Council, the Horticultural Society, the Department of Lands and Forests and the Historical Society. All in the town stand to gain and it would appear that most are willing to help in the project of making visitors welcome and glad to return and bring their friends.

After Mr. Archibald spoke, he was thanked by Dr. Roly Armitage and drove back to Pembroke.

Essiambre - Murdock Wedding

St. James R. C. Church was the scene of a very pretty wedding on Saturday, Sept. 2 at 10 a.m. when Miss Carol Murdoch daughter of Mr. and Mrs. Pat Murdock became the bride of Paul Essiambre, son of Mr. and Mrs. Aime Essiambre of Portage du Fort, Que. Rev. Bernard Hunt PP officiated at the marriage.

Shower For Carol Murdock

Miss Aline Ouellet entertained at a miscellaneous shower Saturday evening August 26, at the home of Mrs. I. Pleau in honour of Miss Carol Murdock whose marriage to Mr. Paul Essiambre took place on Saturday Sept. 2. About 35 attended and the hostess was assisted in serving by several girl friends of the bride to be. Many beautiful gifts were received. The guest of honour thanked all present and games and contests were enjoyed during the evening.

Given in marriage by her father the bride wore a floor length gown of white taffeta and net made with a full skirt long fitted sleeves and a sabrina neckline. A bouffant shoulder length veil of tulle illusion was held in place with a pearl coronet headdress. She carried a bouquet of pink roses. Miss Margaret Murdock attended her sister as maid of honour and wore a green short length dress with net headdress to match. Miss Rainville of Bryson was bridesmaid and she was attired in yellow.

The bride's mother wore a green wool frock with hat to match and the groom's mother wore blue. Mr. Maurice Essiambre attended the groom and Kenneth Murdock and Ronald Essiambre ushered the guests. Following the ceremony a reception was held in the town hall with friends attending from Renfrew, Ottawa, Sault St. Marie, Ontario and Montreal, Deschenes, Sandy Creek, Bryson, Campbell's Bay, North Onslow, Quyon and Otter Lake. Following the reception the young couple left on their honeymoon to points in the United States. Mr. and Mrs. Essiambre will reside in Portage du Fort.

Farewell Party For Ed Vaughan

A farewell party in the form of a corn and weiner roast was held on Mr. and Mrs. Leneth Vaughan's lawn on Friday evening in honour of Mr. Edward Vaughan who left Saturday, Sept. 8 to attend Bishop's College at Lennoxville, Que. Ed is the youngest son of Mr. and Mrs. Richard Vaughan. He attended the public school at Portage du Fort and received his High School training at Pembroke, Ont. He was employed in the office at Hilton Mines resigning that position to take up his studies for the ministry of the Anglican Church. He has been very actively connected with the St. George's Anglican Church and Sunday School and will be greatly missed in the parish. During the evening he was presented with an electric shaver by the family and friends.

At issue in the next election will be free enterprise versus socialism according to the present Prime Minister, said Pearson, going on to declare it nonsense to talk about free enterprise in the old sense. "We must have free enterprise combined with state enterprise" he insisted.

Pearson Says

(Continued from Page One)

"The New Democratic Party interprets this to mean planning versus lack of planning" he added, feeling himself that the issue in the next election is going to be the record of the present government since the last election. Promises in contrast with performance is what the Liberals will be exploiting.

Pearson wishes his party to lead Canada on the march as she was marching from 1945 to 1957. To get rid of this "inefficient procrastinating, bumbling and fumbling government" and get on the road to progress again will be their purpose.

Unemployment, said Pearson, is not inevitable. To keep the people at work will be the first objective of a Liberal Government when it gets back into office.

"We believe in the old historic Liberal policy of free-trade" he said.

He protested the present government's initial position that monetary policy had nothing to do with government and then its action in removing the Bank of Canada governor from office.

He ridiculed their rescinding previous Liberal action to restrain American publications followed by their own Royal Commission whose report is now being rehearsed by a further recommendations committee because the Americans complained.

Then he turned to foreign affairs, wishing the present government would state their case on nuclear weapons. They spend, he says, millions on weapons which are not effective without nuclear warheads and which anyway would be no defence against anything the Russians have.

There is no defence, said Mr. Pearson, except keeping the peace. The government, he noted, has turned from talking about defence to worrying about survival.

Canada, Lester Pearson feels, should make some effective contribution to world security. What we can do best is build up the Canadian forces for NATO service and keep our voice free and strong at the United Nations.

Long a strong believer in the UN, Pearson feels that that is where the Berlin problem should be solved.

"Not because we want power or position" said Pearson, "but because we think we have something to contribute to Canada and the world," they are going to strongly contest the next election.

And everyone stood up and applauded. Mrs. Cliff Lawn pledged support in her thanks in French. Hugh Proudfoot reiterated in English. The French version of O Canada was sung heartily and the first campaign event of the not yet announced election concluded with dancing.

Sept. 8 to attend Bishop's College at Lennoxville, Que. Ed is the youngest son of Mr. and Mrs. Richard Vaughan. He attended the public school at Portage du Fort and received his High School training at Pembroke, Ont. He was employed in the office at Hilton Mines resigning that position to take up his studies for the ministry of the Anglican Church. He has been very actively connected with the St. George's Anglican Church and Sunday School and will be greatly missed in the parish. During the evening he was presented with an electric shaver by the family and friends.

(Continued from Page One)

Friday was Diefenbaker night and a couple of thousand people thronged into the hall to see the Prime Minister. With him came eleven Members of Parliament, some getting their first glimpse of Pontiac. From what we overheard they liked what they saw which should have pleased our own Member Paul Martineau mightily because he brags a lot, they say.

The Prime Minister's now famous 'Brakemanship' speech was a pleasure to sit up and listen to. After a start on the international situation (saying we must treat the tension of the Communist challenge with calmness, with brakemanship rather than brinkmanship) he quickly turned to more local interests touching on the new Hall, the record cattle entries, the calf sale to raise money, the Horner parliamentarians, the hockey players, the 4H clubs.

Mr. Diefenbaker congratulated the Pontiac Historical Society for their work and interest in tracing family histories.

He spoke of the lumbering days of the raftsmen as exciting days in history. And he spoke of the changes "the veritable revolution on the farm front."

Mr. Diefenbaker's speech included some of the measures his government is taking to take some of the risk out of farming. Those listening to the speech over car radios outside or with portable transistors over CFRA were able to hear all the details. Depending on the PA system in the Hall some of it was missed as the Prime Ministers voice got lost in some of the corners.

Paul Martineau introduced the PM and Ray Johnston thank him. Frank Ryan was right next in the press box giving his usual demonstration of calm cool collectedness with a live program over the air despite delays and interference on all sides. CFRA listeners got a complete beforehand description of the event as only Frank could broadcast it and then heard the speech in its entirety. Others were complaining and fidgeting while Frank Ryan just went to work, overcame the obstacles and put out his usual thoroughly professional piece of work.

Other calm, cold heads included Fair President Arthur Kilgour, Secretary Nellis Hodgins who was little seen but very busy, and in fact numberless unseen committee workers.

After the Prime Minister's speech he and Mrs. Diefenbaker were given a cup of tea in the upstairs hall where they could still watch the horse show through the glass. Mrs. Diefenbaker was especially interested in the show, as she had been interested in the cattle parade which they had watched from their box downstairs. During the tea, quite a number of people came upstairs to shake the hand of the PM and meet his charming wife.

Beaupre set down a glass of fresh cool buttermilk in front of Mr. Diefenbaker during dinner at Pontiac House until Phoebe McCord led the lady Fair Directors in singing "For They are Jolly Good Fellows" when they took their leave, we really think Mr. and Mrs. Diefenbaker enjoyed their evening in Shawville.

The horse shows went on until late Saturday night, interrupted only by the 4H Calf Club competitions Saturday afternoon. Prize winners will be listed in this issue and in following issues of The Equity as room and time permit.

Raffle Winner Missing

Pierre Patinaude bought a book of raffle tickets for the 4H Club transistor radio Saturday night at the Fair, one of which was No. 363 which was drawn. Now the problem is to find Mr. Pierre Patinaude. Anyone who can help find him should contact 4H Club Secretary Mary Kilgour who is holding the radio for him. The club realized about \$150 on the raffle as the radio was donated by Athol Dale of Shawville Electric. They will turn over \$100 towards the Agricultural Building expenses.

Local J W's Attend Assembly

Jehovah's Witnesses of Shawville have returned from Ottawa where they have been attending the "United Worshipers" French district assembly. 2,242 persons attended the public address on Sunday by Laurier Saumur, district supervisor for the Witnesses of Quebec and the Maritimes. Mr. Saumur deplored the monumental foolishness of governments in creating a world situation that threatens to wipe out the human family. He declared that the opposition of these governments to God's Kingdom is forcing them into a unity in which they will be slaughtered in the 'war of the great day of God the Almighty'. Saumur then urged all present to close ranks under God's kingdom, to call upon the name of Jehovah as subjects of his all-conquering kingdom, and to serve Him shoulder to shoulder.

Thundering applause greeted the release of the long awaited From Paradise Lost to Paradise Regained in the French language. It has already reached a circulation of 5,242,000 copies in 15 languages.

Important events of the convention were the baptism of 37 ministers and the release of a one volume edition of the New World Translation of the Holy Scriptures. It is a modern language English translation from the original Bible tongues and took more than 12 years to complete.

Plans were outlined for Jehovah's Witnesses from every country to travel by jet to conventions in most of the key cities of the world: New York, Rome, Athens, Bangkok, Bombay, Tokyo, Seoul, Manila in the Philippines, Brisbane, Auckland, Djakarta, Honolulu and back to Los Angeles in 60 days during 1963.
