

RENEWAL FOR 1872.—We respectfully remind our subscribers who purpose to renew for next year, that they would very greatly facilitate the business of the "Witness" Office, if they would remit early in the present month, and thus relieve us in some degree of the great pressure of correspondence at the end of the year. New subscribers remitting at once for next year, will receive the balance of 1871 gratis.

Great care should be taken to write the name and the post-office legibly.
