SWEEPING VICTORY RECORDED BY BRITISH NATIONAL GOVERNMENT

Late Returns Today Showed Stanley Baldwin's Followers Commanding a Clear Majority in the Next House of Commons, with the Likelihood Its Final Lead Would Be at Least Two Hundred—Ramsay MacDonald and Son Only Members of Cabinet to Meet Defeat—Labor Failed to Show Expected Strength in Industrial Districts.

London, November 15.—Prime Minister Stanley Baldwin today gained a three-to-one decision on his demand for a mandate of rearmament and reconstruction. Late returns today showed the National Government commanding a clear majority of the 615 seats in the next House of Commons, with the likelihood its final lead would be at least two hundred.

All but two of the Cabinet Ministers were successful. Former Prime Minister MacDonald went down under an avalanche of Labor votes in Seaham, Emanuel Shinwell going in with a lead of 20,498, and his son, Malcolm, Colonial Secretary, was defeated by Labor in Bassettlaw, Nottinghamshire, which, like Seaham, is a "mining constituency."

Labor almost everywhere out Conservative majorities by thousands of votes and captured a number of seats, but did not show the strength of 1929. Most of the rural constituencies, as had been expected, were faithful to Conservatism, and the Government was in a stronger position than at the close of the count last night.

David Lloyd George, veteran Liberal statesman, was again returned for the Carnarvon district, Wales. He has represented since 1890. In this election he leads a small group of Independent Liberals. His daughter, Megan, was re-elected in the Welsh constituency of Anglesey.

Home Secretary Sir John Simon retained Speen Valley for the Liberal National group in the Government, but his majority fell from 12,056 to 642. His successor at Geneva, Anthony Eden, Minister for League of Nations Affairs, was elected by a large though reduced majority in Warwick and Leamington, his margin being 24,878.

By a strange turn of fortune, Ramsay MacDonald's victorious opponent in Seaham was Minister of Mines under MacDonald in the last Labor Government.

Both MacDonalds are in the cabinet—the only two Ministers to be defeated—and both fought grim battles. In Seaham the former Prime Minister had to struggle night after night for a hearing and frequently his meetings were broken up in wild disorder. He returned to London today confessing himself a worn-out man, with the blood of a man who has been through a tremendous ordeal.

Sir Herbert Samuel, defeated Liberal chief, said today the Labor party had handed Darwin over to the Conservatives. He was beaten by S. H. Minto Russell, Conservative.

"The result," declared Sir Herbert, "is not an expression of support for the Government as the number of votes cast against it was 21,000 whereas those for it amounted to only 15,000. And, as he added, "exposes the imperfection of the present voting system and indicates the need for electoral reform." The Liberal party in its election manifesto advocated proportional representation.

In the London boroughs Labor gained eleven seats. "I had hoped labor would do better," commented Herbert Morrison, former Minister of Transport, who regained his seat in South Hackney. He leads the Labor majority in the London County Council.

Winston Churchill, prominent Conservative, was again returned in Epping with a majority of 20,149. He has been in past cabinets as First Lord of the Admiralty and Chancellor of the Exchequer and is mentioned for the post of Prime Minister.

James Maxton, eloquent leader of the Independent Labor party, held his seat in the Bridgeton division of Glasgow and his colleague, Jack McGovern, was also successful in Shetland. Ernest Brown, Liberal National Minister of Labor, held Leith for the National Government in a straight fight with D. C. Thomson, Labor. He is famed for having the most powerful voice among Cabinet Ministers.

The Minister Baldwin and his colleagues appeared in the House for a mandate to support the League of Nations, to fill the gaps in British defence services and to continue a policy of gradual reconstruction at home.

"The present general election," said the Times today, "caused the country to be disturbed by disturbances predicted for it. But no one who weighs the responsibilities of British foreign policy can regret that the elections are over."

Other newspapers predicted the results would strengthen the British stand at Geneva for collective action through the League of Nations against aggressor nations.

The Daily Herald, Labor organ, declared: "This we know already, that the Labor party has magnificently recovered its strength since the disaster of 1931. Its new strength is at the service of the nation in the difficult years which lie ahead."

The Daily Mail, Conservative newspaper, commented as follows: "The striking feature of the vote as already announced, is the heavy poll of the Socialists in most quarters and the reduced majorities to the Government's credit."

Facing the new Cabinet on the Opposition benches will be many of the former Labor Ministers who were exiled in 1931—the veteran J. R. Clynes, former Home Secretary; A. V. Alexander, Labor's first Lord of the Admiralty; Herbert Morrison, former Minister of Transport; and at least forty of the rank and file. Other Labor leaders, headed by C. R. Attlee, parliamentary chief, George

ARMED PATROLS OF POLICE RESTORE ORDER IN EGYPT

Demonstrations which Resulted in Death to Four Persons and Injuries to 150 in Their Two-Day Course Reported "Under Control" Today.

Cairo, Nov. 15.—Armed patrols of police brought quiet to prevail today over the anti-British demonstrations which resulted in death to four persons and injuries to 150 in their two-day course.

Cairo itself was calm, with no evidence of the tension which mounted Wednesday with the original "Independence Day" disorders and developed yesterday into a clash between police and demonstrators in which one Egyptian student was killed.

Despite the insistence of Egypt's powerful Wafd Nationalist party for the resignation of Prime Minister Tewfik Nassim Pasha and a halt to British influence in Egyptian affairs, officials said the situation was "under control."

AGAIN CHOICE OF BRITISH PEOPLE

Turning back attacks from all quarters, Rt. Hon. Stanley Baldwin, Prime Minister of Great Britain, yesterday led his National Government to an overwhelming victory in the British general elections. Although losing several seats, early returns today indicate that the Government will have a majority of well over two hundred. Only two Ministers, Ramsay MacDonald, former Prime Minister, and his son, Malcolm, Minister for Colonies, met defeat.

FALL OF STRATEGIC ETHIOPIAN CITY OF HARAR HELD IMMINENT

Colonel Maletti with His "Flying Dubats" Reported Twenty-Eight Miles from Immediate Objective—Movement, However, May Occupy Several Days to Allow Time for Reinforcements to Come Up—Fafan River Area Scene of Pitched Battle Yesterday.

Rome, Nov. 15.—The fall of the strategic Ethiopian city of Harar was reported by Italian correspondents on the East African front today to be imminent.

After a pitched battle in the Fafan river area announced yesterday, Colonel Maletti's column in southern Ethiopia was engaged in sweeping the region clear of ambushes and raiders.

The correspondents said Maletti with his "Flying Dubats," was already so far advanced in the high valley of the Fafan that he was "only forty kilometres or about twenty miles from his immediate objective."

This movement may occupy several days, it was said, giving time for reinforcements to come up.

STERNER RESISTANCE THAN EXPECTED IS ENCOUNTERED

Rome, Nov. 15.—The two Italian armies penetrating deep into the Ethiopian territory were meeting sterner resistance today from the native defenders.

On the southern front, where Ethiopians were reported to have appeared with tanks and machine guns, it is expected to drive up the Fafan river region was proceeding cautiously, on the watch for reprisals from the apparently retreating enemy.

Harar, considered a main objective of the southern army, was said by military observers here to be the probable site of a decisive battle which may determine the success of Italy's colonial venture.

GIVEN FREEDOM OF ACTION FOR NORTHERN OFFENSIVE

Addis Ababa, Nov. 15.—Ras Kassa was today given a free hand to proceed with an offensive on the northern front.

Ras Kassa, who hitherto has been second to Ras Seyoum on the northern front, is expected to drive forward to cut the Italian line between Makale and Aduwa.

Announcement of his new freedom of action was made officially. Army leaders who chafed at the long delay imposed upon them by the tactics of the Italian Generalissimo were delighted at the prospect of taking the offensive.

Hapte Marian, Governor of Wallega Province, was ordered today to leave Addis Ababa with his 10,000 men and return to his province.

THE WEATHER

PROBABLY SCATTERED SNOWFLURRIES.

Area of high pressure and cold weather extends from the North-west districts of Ontario and Quebec, while pressure is low over British Columbia and off the Atlantic coast. The weather has been cold in the Western Provinces with local snowflurries in Saskatchewan, and cloudy and cool from the Great Lakes eastward, with light showers and snowflurries in some districts.

Forecast: Moderate north to northeast winds; partly cloudy and somewhat colder tonight and Saturday; probably scattered snowflurries.

Temperatures yesterday: Maximum, 35; minimum, 32. Same day last year: Maximum, 27; minimum, 15.

CANADA'S DIRECT RELIEF TOTALS QUITE A LARGE SUM

Finance Commissioner Places Total Cost for 1935, Including Cost of Relief Works, at \$2,213,422.

Ottawa, November 15.—A statement prepared by Commissioner of Finance Gordon reveals that total expenditure on direct relief in Ottawa increased from \$68,050 in 1930, towards which neither Dominion nor provincial governments made any contribution, to a total of \$1,928,322 in 1934, of which the city assumed \$703,047 and the governments' share was \$1,225,275.

In the same period, expenditures on unemployment relief works rose from \$180,330 in 1930, towards which the city provided \$112,734 and the governments \$67,596 to a total of \$666,807 in 1934, of which the city assumed \$475,535 and the governments paid \$191,272.

Mr. Gordon's estimate of direct relief for 1935 is a total cost of \$2,213,422 of which the city's share will be \$822,722 and the governments' \$1,390,700.

ELECTION RESULT NOT TO CHANGE BRITISH ATTITUDE ON SANCTIONS

League of Nations to Remain Keystone of British Foreign Policy, Authoritative Quarters Declare—Rearmament Programme Will Be Strictly Confined to What is Necessary to Make the Country and Empire Safe and Fulfill Britain's Obligations to League—Hope to Increase League's Efficiency.

London, November 15.—Authoritative quarters said today the Government's success in the general elections would not change its plan of going ahead with sanctions against Italy.

Officials said the Government will not change its foreign policy, despite the predictions that the elections might so result.

The League, these quarters said, will remain the keystone of British foreign policy. They asserted Britain will continue to do all in its power to uphold the Covenant and maintain and increase the League's efficiency.

Peace, they stated, is the first interest of the British people, and the rearmament programme will be strictly confined to what is necessary to make the country and Empire safe and fulfill Britain's obligations to the League.

FILIPINOS ARE NOW GOVERNED BY HOME RULE

Rumors of Extremist Uprisings Failed to Materialize in Inaugural of Philippine Commonwealth and Elevation of Manuel Quezon to Presidency.

Manila, P.I., Nov. 15.—Filipinos took over government of their own islands today, while 250,000 people celebrated the return of home rule.

Rumors of extremist uprisings failed to materialize as the crowd, said by officials to be the largest in insular history, gathered in a huge square facing the Legislature building to watch the inauguration of the Commonwealth and elevation of Manuel Quezon to its presidency.

Constabulary and reinforced police were scattered throughout the throng, but there were no reports of serious outbreaks.

Both defeated candidates for the presidency—General Emilio Aguinaldo and Bishop Gregorio Aglipay—respectfully remained away from the ceremonies. Veterans of the revolt against Spain, which Aguinaldo led, also refrained from marching in the parade after the programme had been completed.

Quezon, who accepted the presidency with a promise to govern conservatively and to avoid violent changes in the established order as his first official act, ordered all Philippine officials to "swear to allegiance to the new government."

RESTRICTIONS TIGHTENED ON GERMAN JEWS

Jews Cannot Be Reich Citizens, Cannot Vote or Occupy Office as a Result of Nazi Decree Made Public Today.

Berlin, Nov. 15.—All political rights were taken from Jews in Germany today by an official decree defining closely the citizenship and racial laws promulgated by the Reichstag at its November session during the September convention of the Nazi party.

The Jews cannot be a Reich citizen, cannot vote or occupy public office," ruled the decree, published in the official gazette.

"Jewish functionaries of the Government will be pensioned December 31st, 1935."

Another decree, dealing with the new blood honor laws, forbade marriages between Jews and "Quarter Jews," or between "Quarter Jews" themselves.

Aryan domestic servants may remain in the service of Jews, but not if they are thirty-six years of age or over.

Toronto, Nov. 15.—Harry O'Donnell, charged with the murder of twenty-year-old Ruth Taylor, on November 4, was remanded to November 22, for preliminary hearing when he appeared in Magistrate's Court today. Frank Regan, defence counsel, protested the demand.

Rome, Nov. 15.—Italy settled down to its final stand against economic sanctions today, considering their imposition inevitable despite reports that Pope Pius sought and hoped for a postponement of application of the measures.

"Buy Italian" and "No Profiteering" went hand in hand as the Fascist slogans, with only two days remaining for possible negotiations before League of Nations states launched their boycott and embargo on key products against Italy.

Two Rome shops were closed for charging prices higher than those established by the Fascist organization for food. Similar action was taken in a number of provincial cases.

Talk of an Italian boycott on foreign goods crept into the columns of the Italian press.

As each country closes its commercial channel to Italy, informed sources emphasized, Italy will reply in the same fashion.

Spokesmen for informed quarters spoke more often of an eventual "arrangement" for settlement of the crisis.

Many looked for a decisive battle in East Africa to crush the Ethiopian defence and enable Italy to save its territorial problem by taking the land it desires, paving the way for an ultimate settlement.

MAY BLOCK PROPOSED AIR MAIL TO AFRICAN COLONY

Rome, Nov. 15.—Italy's proposed air mail service to living colonies in Africa may be blocked as an additional sanction, it was reported unofficially today.

REICH ASSUMES CONTROL OF TRADE IN WAR MATERIALS

Berlin, Nov. 15.—Import and export of arms or war materials of any description were banned by a Government decree issued here today.

Under the terms of the new law, all transactions involving war materials will henceforth be under control of a special commission on imports and the War Ministry.

LAVAL RENEWS DRIVE TO RESTORE AFRICAN PEACE

Paris, Nov. 15.—A diplomatic truce in negotiations toward settlement of the Italo-Ethiopian conflict ended today.

Laval's first step, before seeking anew to rid France of Italy and Ethiopia, it was understood authoritatively, would be to attempt a settlement of the European situation arising from the East African conflict. He sought an end to tension in the Mediterranean.

The Premier's hands also were full of domestic affairs in his defence of the franc against advocates of devaluation.

He was hampered, in this respect, by the holding up of his budget in the Chamber of Deputies committee, making problematical its passage by December 31st.

The Bank of France raised its discount rate yesterday from three to four per cent, amid the devaluation talk, to halt a new outflow of gold attributed by financial authorities to anxiety over imposition of sanctions against Italy and fears for France's monetary situation.

These authorities pointed out, nevertheless, that the position of the franc was still sound, the bank's losses in gold being relatively small compared to its holdings.

DELAWARE IS GOING ON A SILVER STANDARD

Delaware, O., Nov. 15.—This city is going on a silver standard. Employers have agreed to pay wages in silver dollars until Christmas.

OCTOBER COST OF LIVING HIGHEST IN THREE YEARS

Foods, Fuel and Rentals Registered Upward Trend Throughout Canada, while Miscellaneous Items Showed Slight Decline.

Ottawa, Nov. 15.—The index number of retail prices, rents and costs of services, on the base 1926 equal 100, rose from 79.6 in September to 80.4 in October, the highest point recorded in three years. Foods, fuel and rentals were higher, while miscellaneous items showed a slight decline.

An index for retail prices alone, including foods, coal, coke, clothing and household requirements advanced from 74.8 to 75.6. When foods were removed from this index it was 78.6 in October as compared with 78.5 in September.

For forty-six food items the index rose from 70.9 to 72.4, as compared with 69.4 in October, 1934. From May, 1935, onward the index tended gradually upward except for a minor interruption in September. Easier prices were noted during October for onions, sugar, tea and most meats, while eggs, butter, milk, bread, flour and potatoes showed higher quotations.

The fuel index moved up from 85.4 to 86.5, principally owing to advances in coal, although coke and wood contributed to some extent. Increases in the various sub-indices were as follows: coal from 85.3 to 87.2; coke from 83.3 to 83.4, and wood from 80.1 to 80.3. The level maintained by fuel prices throughout the months of 1935 was from one to 2.3 points below that for the corresponding months of 1934.

The rentals index rose from 81.4 to 82.6, continuing the upward movement first apparent in October, 1934. Rentals for dwellings occupied by workmen were up 1.9 per cent., while middle grade dwellings advanced only 0.8 per cent.

The clothing index for September has been revised in order to indicate an advance from 69.9 to 71.6, marking the first break in a steady decline dating from September, 1934. Recissions in women's clothing, and to a lesser extent for materials in the yard, were responsible for the change.

An index for miscellaneous items declined from 92.6 in September to 92.5 in October, owing to reductions in hardware and gasoline prices. The index for September has been revised from 92.5 to 92.6 in order to take account of an increase in the furniture sub-index from 84.4 to 85.8, and of a decline in the house furnishings sub-index from 82.3 to 82.2.

HIGHLIGHTS OF THE BRITISH ELECTION

Lord David Burrell, famous Olympic athlete, was again elected as the Conservative member for Peterborough, with a majority of 5,304 over Ernest Davies, Labor. He led the British team at the Olympic Games at Los Angeles in 1932.

The Astor family scored its third success of the election when Lord Willoughby De Eresby, Lady Astor's son-in-law, was returned with a majority of 5,361 over Ramsay MacDonald and Stamford. The Viscountess is safely elected in the Sutton division of Plymouth, and her son, W. W. Astor, captured East Fulham from Labor. All three winners are Conservatives.

Another junior officer-holder in the Government was successful when Sir Victor Warrender, Financial Secretary to the Admiralty, retained the Grantham division of Lincolnshire for the Conservatives.

A. F. Townsend, Social Credit leader, was defeated in Leeds South by H. C. Charlton, who gained the seat for Labor from the Conservatives. Townsend was supported in his campaign by the Social Credit "Green-shirts" and also by Sybil Throldike, the noted actress.

Election of three women brought feminine representation in the Commons to seven today. Miss Thelma Cazalet, Conservative, won Islington East, defeating Labor and Liberal opponents. In Anglesey, Wales, Miss Megan Lloyd George, daughter of the dynamic Welsh Liberal, retained her seat. Mrs. H. R. Tate, Conservative, won Somerset Frome.

Defeat and weariness expressed in every line of his body and the very tone of his voice, Ramsay MacDonald, Lord President of the Council, ex-Prime Minister and former Labor party leader, returned to London today from his constituency, Seaham Harbour, before his defeat was apparently known. "I feel that I am out in Seaham," he said with obvious effort. "It was a tremendous fight—I've done my very best. "All I want is sleep and still more sleep. I'm a completely undone old man."

FALL OF STRATEGIC ETHIOPIAN CITY OF HARAR HELD IMMINENT

Continued from page 1. and Harar, appeared imminent today in the light of fresh reports from the southern front.

The Italians were described as advancing rapidly, without encountering thus far any serious Ethiopian resistance. Observers said that if the invaders continued to progress at their present pace, Jijiga and Harar, key positions for the Ethiopian defence—soon would be endangered.

Weight was given to this belief by a Government communique, issued at Addis Ababa, reporting a number of Italian planes bombed Daggah Bur yesterday in the advance. Dr. Robert W. Hockman, American missionary in Ethiopia, removed most of his medical unit from Daggah Bur to Jijiga. He reported by telegraph that wounded men were pouring into his hospital, requiring the services of another physician.

The Ethiopian army headquarters were informed that troops under Dejazmatch Amdo, governor of Arusi Province who led 10,000 men to Jijiga last month, had been able to move to the front only in small bodies, because adequate arms were slow in arriving.

ETHIOPIAN ENCAMPMENT IS BOMBED BY ENEMY PLANES

Makale, Ethiopia, Nov. 15.—The Ethiopian line of retreat south to Amba Alaji yesterday was bombed heavily by Italian military planes, one major enemy encampment being virtually destroyed.

Italian pilots sighted the Ethiopian troop encampment outside Addis Ababa, an important market centre midway between the front lines of Makale and Amba Alaji, about thirty miles to the south.

The Ethiopians, including khaki-clad regular soldiers, ran into the town at the approach of the squadron, relying on the Italian practice of not bombing civil populations.

The Italian planes used heavy bombs in their assault on the encampment itself, virtually wiping it out.

PRIEST KILLED AND CHURCH DESTROYED AT DAGGAH BUR

Addis Ababa, Nov. 15.—A squadron of the Italian planes dropped fifty bombs on Daggah Bur, killing one priest and destroying a church by fire, the Ethiopian Government said today in a communique.

MASSON TODAY BOUND OVER TO ASSIZE COURT

Will Stand Trial on Charge of Manslaughter in Connection with Death of Antonio Doyon Killed in Motor Car Accident Last May.

Antonio Masson, of this city, alleged driver of the motor car that carried Antonio Doyon to his death on the Sherbrooke-Lake Park highway on May 25 last, will stand trial at the next session of Court of King's Bench on a charge of manslaughter.

Young Masson appeared before Judge J. S. Couture in the Magistrate's court this morning for voluntary statement. A week ago the prosecution concluded its preliminary hearing evidence and the Judge granted an adjournment until today after dismissing a motion by the defence for non suit.

Masson was placed upon his guard when he appeared for voluntary statement and told that anything he might say could be used against him in the event his case went to trial.

"I have nothing to say," he said, and added that he had no witnesses. The Judge stated that the Crown had produced sufficient evidence to warrant binding the accused over to Court of King's Bench. The benefit of any doubt at a preliminary hearing, it was explained, was given to the Crown and not, as is the case when a man is on trial, to the accused.

Masson's bail of five thousand dollars will be renewed. Antonio Doyon, nineteen years old, of this city, met instantaneous death early on the afternoon of May 25 when the automobile in which he was a passenger swerved off the highway at the Twin Hills, halfway between Sherbrooke and Lake Park, crashed through a strong cable fence and overturned in the ditch.

Doyon was riding in the rumble seat with nineteen year old Lucien Phaneuf. He was precipitated out of the machine and broke his neck.

In the front seat of the car were Antonio Masson and the owner of the car, Gen. G. Morin. Morin claims that at the time of the accident Masson was at the wheel, having been permitted to drive shortly after the party of four left Magog to return to Sherbrooke.

The four young men had had a quantity of beer and a drink of whisky just before their morning's joy-ride to Magog and back, the court was told.

Masson, exonerated of all blame at the coroner's inquest, was later arrested by an order from the Attorney-General's Department at Quebec.

NEW ERA IN CANADIAN-AMERICAN TRADE RELATIONS OPENING TODAY

Continued from page 1. seller of the Department of External Affairs, had been named secretary of the conference, and that plans were being considered to create and preserve a continuity of machinery and procedure for subsequent conferences of a similar nature.

He referred to the manner in which a certain continuity of procedure and arrangements had grown up with imperial conferences, and there was no reason why this should not be done with meetings between the Dominion and the provinces. Hon. Norman Rogers, Minister of Labor and National Health, and Hon. Fernand Rinfret, Secretary of State, had been entrusted with the preliminary work for the Conference.

Just before concluding the brief and hasty interview with the press the Prime Minister remarked, with some emphasis and a smile, that another important reform already effected by the new administration was the abolition of a monopoly of wisdom and action by one member of the Ministry. Each member of it, he declared, had his proper share of responsibility and scope.

Then came another announcement which will be received with satisfaction by members of Parliament and by the press, that he had arranged with Major Gregg, Sergeant-at-Arms of the House of Commons, to have the large room back of the Speaker's Chair and across the corridor, known as the Speaker's Chamber, set aside as a "common room" for members of the House and of the press, so that there might be full and free converse, and an opportunity of establishing a spirit of camaraderie in Parliament.

ROCKEFELLER CHURCH GIFTS

Sees Religious Sectionalism as Divisive Force and An Obstacle to Development of Spirit of Christ Among Men.

New York, Nov. 15.—Clinging steadfastly to the belief that interdenominationalism is the best survivor of Christian religion, John D. Rockefeller, Jr., has broken the traditional practice of his father by terminating his annual monetary gifts to the Northern Baptist Church.

In a searching letter to the Northern Baptist Convention, written March 7 last but revealed only at this time, the son of the founder of one of the world's greatest fortunes informed the church henceforth any future gifts would be only to specific agencies of the church.

"I have long felt," he wrote, "that this denominational emphasis is a divisive force in the progress of organized Christian work and an obstacle to the development of the spirit and life of Christ among men."

To hold young people, Rockefeller said, who are largely unconcerned with denominational distinctions, the church must work with them "in relegating the non-essentials to a place of secondary importance and stand with them for the fundamentals of Christian duty."

Rockefeller, the largest individual donor to the church, has in the past made annual donations ranging from \$250,000 to \$1,000,000 to the general budget of the Northern Baptist Convention.

Despite his large contributions, Rockefeller was not free from occasional criticism from within the church itself. In 1927, Rev. Dr. T. T. Shields, of Toronto, president of the Baptist Union of North America, charged that Rockefeller was sponsoring a plan of reorganization of the church which would make of it "a religious department of the Standard Oil Company."

SWEEPING VICTORY RECORDED BY BRITISH NATIONAL GOVERNMENT

Continued from Page 1. Lansbury and Sir Stafford Cripps, went in with vastly increased majorities.

The Liberal party suffered heavy losses, with its leader, Sir Herbert Morrison, losing two seats.

Party leaders had varying degrees of success. Prime Minister Baldwin was returned unopposed in the Bewdley division of Worcestershire; C. R. Attlee pushed up his majority for London in Lambeth North.

Herbert Samuel, the Liberal chief, was defeated by a Conservative in Darwen after a hard fight; and the British Communist leader, Harry Pollitt, was easily beaten by the Labor nominee in Rhondda East.

Labour's first defeat in the industrial constituencies of the north, with heavy inroads in Manchester and Sheffield, but Labor failed to touch Birmingham, traditional stronghold of the Chamberlain family, which went solidly Conservative in its London divisions.

In London, where Labor controls the Council, the party made a few gains, but lost East Fulham to the Conservative son of Lady Astor. The south coast towns remained almost solidly Conservative. The mining areas of the west rolled up Labor majorities.

No Labor candidates entered the northern Ireland constituencies, and in five of them straight fights developed between Conservative and Republican or Nationalist Abstentionist candidates on issues entirely different from those in Britain.

The Government scored a victory with unexpected ease in Woolwich West, where its Minister of Health and propaganda chief, Sir Kingsley Wood, was returned by a comfortable margin. The seat had been regarded as doubtful. Another surprise was furnished by R. S. Hudson, Minister of Mines, who substantially increased his majority—the only Minister to do so.

In most urban seats, however, Conservative candidates, although they had expected Labor to make heavier gains. "The country stands firm for the Government," said the Daily Telegraph. "The Socialist gains were on a much smaller scale than the least optimistic of Government supporters had expected."

OPPOSITION TO CONTEST EVERY QUEBEC RIDING

Conservative-Gouin Group Alliance Expects to Have All Candidates Named Before Week-End — Party Leaders Busy.

Montreal, Nov. 15.—To give candidates the opportunity of holding many political meetings as possible in the wide-spread constituency of Gaspé North before provincial election day, November 26th, an advance nomination is set for today in the lower St. Lawrence riding.

In Charlevoix-Saguenay, the largest constituency in the province, an advance nomination took place yesterday. The candidates named were Edouard Rochette, seeking re-election on the Liberal ticket, and Ernest Trotter, Action Libérale Nationale candidate. These two constituencies are the only ones to have advance nominations.

General nomination day is Monday, November 18th. By that time the municipal Conservative-Action Libérale Nationale parties will have designated their candidates in the ninety constituencies of the province. The Liberal list is also nearly completed. A number of three-cornered fights are looming, in most cases being caused by the entry of Independent Liberals, Conservatives and Action Libérale Nationale, are opposing each other in any divisions.

Ten days from today voters will go to the polls to choose a new government. Premier Taschereau is winding up a speaking tour through the Eastern Townships of the province prior to his meeting at Three Rivers on Sunday. Three Rivers is the seat represented in the last legislature by Maurice Duplessis, Conservative leader, and he inaugurated his campaign there last week. Mr. Duplessis will hold another meeting in Three Rivers following Mr. Taschereau's appearance there.

Speeches given today in the meeting at Montmagny at which for the first time since forming their alliance Mr. Duplessis and Paul Gouin, leader of the Action Libérale Nationale, will speak from the same platform. So far the two leaders have held separate meetings. Also scheduled to speak at Montmagny today are Mayor J. E. Gregoire, of Quebec City, who may be a candidate in Montmagny, and Edouard Lacroix, Liberal M.P.-elect for Beauce and one of the early supporters of the Gouin group.

Preparations are also being made for Montreal meetings for the three leaders. They will be held toward the middle of next week so the party chiefs may spend as much of the week-end preceding election day with their own constituents—Premier Taschereau in Montmorency, Mr. Duplessis in Three Rivers, and Mr. Gouin in L'Assomption.

P. A. SHERMAN IS CONDUCTING KEEN CAMPAIGN

Conservative-Independent Liberal Candidate in Compton County and His Supporters Strictly Adhering to Three-Fold Policy.

Stouffville, Nov. 15.—Following faithfully their three-fold policy of no liquor, no paid-for votes and no campaigning on Sunday, Payson A. Sherman and his supporters are carrying on an active and energetic election campaign, which will terminate on Monday, November 25, when Mr. Sherman stands before the voters as Conservative-Gouin group candidate for Compton County.

Since his nomination at a duly constituted Conservative convention on Saturday last, at which he was the unanimous choice of the meeting, Mr. Sherman has been touring the county. His meetings have attracted much interest, and he has been given a cordial reception wherever he has travelled.

In accepting the nomination Mr. Sherman said he would do so on condition that his three wishes were respected throughout the campaign. First he would not tolerate liquor. None of his supporters or workers were going to hand out the cheap liquor which is characteristic of so many campaigns. He was ready to stand upon his own merits and any votes which had to be bought he did not want. The third point which he stressed, and which is being strictly observed, calls for quietness on the Sabbath. No meetings are being held on the Lord's Day. Whatever he has to say he will say during the week days.

Mr. Sherman was nominated at a very enthusiastic meeting, which was presided over by A. M. McKenzie of Stouffville, and Albert Turcotte of East Angus.

Speaking on Mr. Sherman's behalf were Senator Rufus Pope, of Cookshire, Hon. Sam Gobeil, of La Patrie, Major A. L. Pomeroy, of Compton, and Alf. Martineau, of Ste. Edwidge.

showered with flowers and cards bearing loving messages yesterday—her forty-third birthday anniversary.

Her husband and twelve children presented her with a big birthday cake decorated with five frosted roses.

Dr. August F. Daro, county hospital obstetrician, said twins were definitely on the point of arrival.

Mrs. Hansen, already a mother of seven boys and five girls, said she hoped the new additions would be girls, so she would have seven of each.

WORD RECEIVED MISSING WOMAN FLYER IS SAFE

Miss Jean Batten, Only Woman to Fly Solo Over South Atlantic, Forced Down on East Coast of Brazil Near Rio de Janeiro.

Rio de Janeiro, Nov. 15.—The National Telegraph Company reported today Miss Jean Batten, missing New Zealand flier, had been found alive at Ararua, Brazil, north of here.

The pilot, only woman to fly alone over the south Atlantic, had been forced down on her flight here from Natal by fuel shortage, the telegraph company reported.

The location of Miss Batten, as given by the company, was a small town on the east coast of Brazil between Rio de Janeiro and Cabo Frio in northern Rio de Janeiro State.

National Telegraph officials told the Associated Press a laconic message signed "Batten" came to them at seven a.m. advising that the woman flier had been forced down on the salt deposits of Praia Secca, just south of Ararua, because of lack of fuel.

The message requested the British Consul to send out gasoline and a mechanic, the National Telegraph reported.

Announcement of the finding of the daring young feminine flier came after a squadron of three army planes had been ordered to search for her.

She was hours overdue here after leaving Natal early yesterday on the last leg of an England to Brazil flight.

CHINESE LEADER READY TO JOIN NANKING GOVERNMENT

General Tsai Kai, Commander of 19th Army in Shanghai in 1932, Desires Stronger Anti-Japanese Attitude.

Hong Kong, China, Nov. 15.—General Tsai Ting Kai, popular Chinese military leader and commander of the nineteenth army in Shanghai in 1932, today published a declaration offering to serve the Nanking Government if a stronger anti-Japanese attitude is adopted.

Last April, in a public announcement in Manila, Gen. Tsai accused Generalissimo Chiang Kai Shek, head of the Nanking Government, of being "pro-Japanese."

A wave of patriotic fervour is sweeping over the south as a result of an agreement between the Nanking Government and members of the insurgent Canton ruling group.

CITY BRIEFLETS

MUCH ADO ABOUT NOTHING. Clanging fire wagons, with their sirens wide open, startled downtown crowds early last evening, unnerved motorists, tied up traffic and sent jaywalkers scurrying for safety.

First came the chemical engine from No. 3 station in East Sherbrooke. It thundered up King Hill and stopped in front of the Racine Building.

Lieutenant Percy Donahue hopped off and dashed into the building, dragging a fire extinguisher behind him. Another fireman, brandishing an ax, followed the leader.

Crowds gathered. "The Racine Building is on fire," was the word that went around. "But there was no smoke. The crowd waited.

Lieutenant Donahue emerged with his fire extinguisher, the man with the ax at his heels, and the crowd dispersed.

RESEARCH WORKER CLOSES ALBERTA BIG GAME STUDY

Director of Berlin Zoological Gardens Ships Moose and Buffalo from Wainwright Park to Germany for Breeding Purposes.

Edmonton, November 15.—Collection of live moose and buffalo from Alberta, last remaining section of the world where development of wild game remains comparatively unaffected by hunters, and an exhaustive research into the habits, biology and research of big game here have been completed by Dr. Lutz Heck, director of the Zoological Gardens, Berlin.

The noted big game hunter was assisted in his work by Baron J. von Knesdener, of Alder Flats, Alta, game warden of the Buck Creek district and resident of Germany until coming here 10 years ago.

Between eight and ten moose and eighteen and twenty buffalo from Wainwright will be shipped to Germany in ten days to be used for experimental breeding purposes to improve native game, the baron said.

MUCH ACTIVITY AMONG FARNHAM CHURCH GROUPS. Young People's Association and Women's Missionary Association Held Busy Gatherings at Farnham—Eastern Star Gave Card Party.

Farnham, Que., November 15.—The A.Y.P.A. held their regular weekly meeting in the St. James' Church Hall with the president, Dorothy Morrison, in the chair. The meeting opened with the A.Y.P.A. hymn, followed by prayer. Several important matters were discussed and arrangements were made for the cast of the play, "Read-Made Family," to go to the Johnstone Theatre to be played at the home of Mrs. J. F. Pattenden. The business meeting, Group Three, under the direction of Mel Moulton, conducted a Halloween party and the room was prettily decorated with yellow and black paper. The meeting closed with a lunch, under the direction of Miss Elms, group and the clean-up by Group Two, Avery Allen being the leader.

The Order of the Eastern Star held a card party at the home of Mrs. Hector Harris, when bridge and five hundred were played at twelve tables. The bridge prizes were won as follows: first, Mrs. J. Ashfield and J. L. Kilburn; consolation, Miss E. Donegan, and gentlemen's consolation, Mr. Powers. The first prizes in five hundred were won by Mrs. George Smith and W. J. Harris, and the consolation prizes by Mrs. M. Brown and J. Dimick. At the close of cards, refreshments were served by the committee in charge. The evening proved a success socially and financially. Mrs. Harry Campbell received the guests.

The Women's Missionary Society of Grace Church held a pageant in the church on Sunday evening on the occasion of their tenth anniversary. Mrs. J. Campbell, president of the organization, was in the chair and the characters were as follows: Mrs. A. Beaton, Mrs. B. Simmons, Mrs. Harris, Mrs. Hase, Mrs. Ingold, Mrs. Alexander, Mrs. S. S. Riddick, Misses Ina Hase, Mable Darby, Vivian Darby, Beverly Lavalliere, M. Miller, Coraie Caldwell, Beatrice Moffatt, and Ruth Taylor. Miss Madeline Cook presided at the organ. At the close of the evening, Rev. J. C. Downing presented slides showing the work of the Women's Missionary Society for the past few years. He was assisted by Mr. Panciera, Miss June Beaton and Miss Jean Catterson received the collection.

Mrs. E. L. McGuire entertained at her home on Saturday afternoon. Cards were played at three tables, and the prizes were won in bridge by Mrs. A. Ingold and Mrs. Allen; in five hundred by Mrs. M. Sherwood and Mrs. Shuffelt. At the close of cards, lunch was served by the hostess assisted by her daughter, Miss Doris McGuire. Rebekah Yamaska Lodge held their regular meeting in the Odd Fellows' Hall with the Noble Grand, Mrs. Lillian Hoffman, in the chair. The lodge opened in the usual form followed by the business period. Several matters were discussed and lodge closed with a good attendance.

"SUNDAY—NATURE'S SANCTUARY"

Jessie McCall Griggs.
Did you ever climb the mountain side,
Through craggy crevices, rock and cloud,
Did you feel the sanctified stillness,
The omnipresence of God?
The canyon, a huge cathedral,
Pipe-organ spirals surround;
Heaven's own blue canopy,
Soft, silky sands the ground.
The knowledge of your own smallness,
The whole world seems a stage,
Playing your part in Life's drama,
All down through each decade.
Thanking God for friends so priceless,
On this most hallowed of days,
You must still journey on with the others,
Yet you reverently kneel to praise.

Note—Mrs. Jessie McCall Griggs, who spent some months in Milwaukee last spring, was accorded acclaim as a distinguished Canadian poetess. This appeared in the Milwaukee Journal, who also printed "Poor Butterfly," taken from the Sherbrooke Record. Madam Griggs is back in her home in Sutton.

THAT WHICH HAS BEEN BUILT UP MAY BE RUTHLESSLY DESTROYED.

We had hoped that the Quebec Legislature would stand firm as a rock against the fads and faddists of other provinces who can spend money like lords on "other people's money," in the hope that they will not be around when it comes to pay the piper.

Old Age Pensions are not in the social aims of Quebecers, when the habitants are taught to look after their aged and infirm as a pleasurable duty. Some thirty years ago such a scheme of irresponsibility would have been looked at with horror.

In the warmest corner of the home, and in the cosiest rocking chair one could find the old grandpere, and perhaps, too, the grandmere, esconced, with their sons, daughters and grandchildren giving to them that constant loving care. They had all the comforts of the home, and could do as little as they pleased.

The coming of the institutional home, commonly called the poorhouse, and the constant donations from the Government put a large dint in those happy home pictures. Came the day when any old excuse was good enough to get rid of the old ones.

Old Age Pensions may break the fine old bond of caring for the aged. They may be expected to go back home to the family circle, and pay there the whole of their pension as a paying guest. But the spirit of old will be lacking when love lacks and the profit of keeping a pensioner is sought by the daughters of King Lear.

It is not a nice idea to contemplate, neither in direct relief nor in the thought that the extensive homes and convents shall be benefit of inmates and also of the grants which come to such institutions through the various schemes of taxation which the Provincial Treasurers have brought forward in these years of striving how to balance their budgets.

Why distrust and distract the old folks, and force them into becoming as Acadian in the loss of the fine old traditions.

Moving old people around after they have reached "the three score and ten years," will be as deadly as it would be to move an old oak or sturdy elm tree after it had reached maturity.

Old Age Pensions will rapidly raze to the ground those charitable institutions where now the inmates receive the kindly administrations of the nuns, and the consolation of the venerable religious teachers.

It would be a ruthless treatment of our dependents to trifle with them in their old age.

QUICKER ON THE RECOVERY THAN CANADA HAS BEEN.

It did not occupy a year after the war in the United States to bring about the end of government control of the railways of the republic. It has taken that country somewhat longer to recognize the futility of government interference in business. Our southerly cousins have a keen acumen in all business matters. For that reason we are anxious to know the details of the reciprocity pact entered into by the Hon. Mackenzie King, Prime Minister of Canada, and Cordell Hull, Secretary of State at Washington.

Yet only time will tell whether a trade pact to the mutual advantage of both countries will bring any specific advantage to Canadians. Therefore, we must be lenient and considerate in judgment. Mr. King had two able Civil Service experts with him. We are hopefully prepared to applaud the bargain arrived at.

The Elgin Treaty, abrogated in the year 1858,

or thereabouts, was on a fair basis of trade, but it was not until 1878 that our Canadian envoys saw the holes left open.

There should always be left open for amendment any business bargain between nations, just as there would be on a long term lease, or wherever one can anticipate changing conditions.

The Government of the United States have at long last recognized that they should give favoured nation terms to their best customer. Whilst neither Government should cling to a bad bargain, as Canada is being choked by its strangling railway system. That surely is a pressing mess to clean up, and it is being delayed by the influence of the international unions of railway workers.

EDITOR'S NOTE BOOK.

The lowly little cigarette which accounts for many fire losses in Canada and the United States is not likely to lose its deadly effect in the coming years. In 1900 the duties collected on cigarettes in the latter country totalled \$3,000,000. In 1934 the cigarettes brought to the United States Treasury \$350,000,000. Where does all our tax money go? Thirty-five years ago Quebec had neither motor car nor gasoline license fees to draw from, products which now produce over \$15,000,000 a year. In the beginning of the Century we managed on a total revenue around \$4,000,000 whilst in 1935 it will approach \$40,000,000. And we must not forget that we pay our share of the total loss of \$100,000,000 each year on national railway operations.

A Voice from the Far West: From Charles W. Smith, of Caribou, Alberta: "We went to Calgary for a week and forgot to send this renewal. This week we stayed home, and it has been a very stormy week; from four to seven feet of snow in drift. The roads are awful. The weather is clear but cold. Thanks for your nice letter. Wishing you and your staff all good luck." Mr. Smith and the family were former residents of the Eastern Townships and in their district they report a good crop this year.

Of course we presume that the Prime Minister took to Washington with him some men who were practised in actual business affairs; that is in the fine points of trade and commerce which can never be learned thoroughly in any scholastic institution. Knowledge without experience is but pedantic as compared with the prudence and skill of the man who has risked his own money in business ventures of some magnitude.

If I felt I were to die within the year I would still plant an apple tree to-morrow. 'Twould be better than a granite monument. But as T. C. Thompson would say, "Why not both?"

WE WANT PEACE.

Ruskin once drew an interesting parallel between private and public conduct. He imagined himself being called in by a private individual to advise him on the question of furnishing for a new house. He supposed himself making various suggestions—damask curtains of such a shade, a picture here and so on. Then the man protests—he can't possibly afford such things; he admits they would be beautiful, but he has to spend so vast a sum on shot-guns and man traps that he could never afford money for more beauty. "Shot-guns and man traps!" I exclaim. "Why do you need such things as those?" "Oh well, you see it's the man next door," he replies. "We're quite good friends, of course, excellent friends, but I don't somehow trust him; and so naturally he doesn't trust me either; and so each of us is always thinking of some way to protect ourselves. As we are both clever fellows, we keep thinking of new things; so really we have not money to spare for anything else."

A highly comic state of things between two private gentlemen! But not, I think, entirely comic as between two nations.

True as that parallel was in Ruskin's day, it is infinitely truer now. A terrible and a mad state of affairs, when no nation can afford beauty and health for her citizens because she must prepare to slay her neighbors! One hopeful fact stands out. It is not people who declare war on one another. It is governments. The governments declare war, and the peoples suffer. The more the men of each nation know each other as men, the less willing they are to engage in blind slaughter. Most of us want peace. At home, at business, in our social circle, we try to keep it because we all know instinctively that without peace there is no constructive development. If we use up our energies in squabbling, bickering, outright fighting, we can find no time or strength for doing the things that are worth while. Why should we not insist that the same principle be carried further? Why should we not work for peace, development and prosperity, not only in our private circle but in our public relations? The issue lies in our hands. "The will to peace is the way to peace."

THIRTY YEARS AGO TODAY

From the Files of the Sherbrooke Record.
November 15th, 1905.

The following were elected officers at the annual meeting of the Sherbrooke Conservative Association: Dr. J. C. Camirand, F. N. McCrea, Alex Ames, John Ross, John Blue, A. P. Lomas, J. W. Genest and E. C. Gastien.

Striking back at the Conservative attempt to unseat A. B. Hunt in Compton, Sherbrooke Liberals took action against Dr. A. N. Worthington with the usual list of alleged irregularities.

Taking part in the programme of the Sherbrooke Art Culture Club: Mrs. A. Gandier, Mrs. G. E. Hyndman, George Armitage, Miss Louise Morey, Miss Teresa Doherty and Rev. P. L. Richardson.

Pupils taking part in the closing exercises at Bothwell Hill school: Duncan Bothwell and Aline Rock, a presentation being made to the teacher, Miss Mildred Graham.

Mark Bean, of Eustis, received the provincial government bounty for being the father of twelve living children.

The Tuque Rouge Snowshoes Club elected the following officers: B. A. Dugal, Emile Rioux, O. C. Morissette, J. O. Gauthier and J. S. Tetrault.

Mr. and Mrs. A. B. Davis were hosts at a farmers' supper at Graniteville.

Birth recorded in the Record columns: At Lennoxville, a son to Rev. and Mrs. H. E. Warren.

Mrs. W. A. Farwell left on a visit to friends in Boston and New York.

Mr. and Mrs. William Pitman returned to Sherbrooke after a holiday trip to England.

SURVEY SHOWS PURCHASES BY MINING PLANTS

Total Value of Purchases by Mining Industry During 1934 Estimated by Dominion Bureau of Statistics at \$76,083,000.

Ottawa, Nov. 15.—The Dominion Bureau of Statistics today reported the total value of purchases by the mining industry during 1934 was \$76,083,000. As this was the first complete survey made a comparison with previous years was not available.

Expenditures for metal mining and non-ferrous smelting and refining accounted for eighty per cent of the total or \$60,979,000, while values of purchases by the gold mining industry totalled 39.4 per cent, or \$23,994,000. Purchases by the copper-gold-silver mines and metallurgical plants smelting these ores were worth \$9,777,000 and \$16,170,000 were expended by the nickel-copper mining, smelting and refining industry, while \$10,425,000 were expended by the silver-lead-zinc mines and metallurgical plants. The Cobalt-silver mining and smelting spent \$594,000.

In the non-metal mining section purchases by coal mines totalled \$8,560,000 and \$2,024,000 were spent in the asbestos industry.

Ontario led the provinces in expenditures with \$35,072,000 or 46.1 per cent, British Columbia, including the Yukon, was second with \$17,531,000 or 23.1 per cent, and Quebec third with \$9,714,000.

Expenditures in other provinces were: Nova Scotia \$5,488,000; Manitoba and Saskatchewan \$4,843,000; Alberta \$3,196,000 and New Brunswick \$240,000.

Expenditures included \$9,139,000 for electric power; \$11,787,000 freight; \$8,671,000 coal, oil and other fuel; \$5,311,000 explosives; \$4,154,000 lumber and timber; \$2,301,000 flotation reagents; cyanide and chemicals; \$1,050,000 rock drills and parts; \$1,665,000 pipe and fittings, plumbing supplies; \$2,343,000 electrical equipment and supplies; \$385,000 stationery and office equipment; and \$58,400 for hospital equipment.

SEA MONSTERS CHARGE SMALL FISHING BOAT

Fishermen Describe Vicious Attack by Five Whales in Bay Chaleur—Sixth Whale, Entangled in Anchor Chain, Threatened to Pull Craft Beneath Surface.

Stonewall, N.B., November 15.—Three local fishermen are lucky to be alive today to describe the thrilling adventure which befell them when five whales charged their small fishing boat and a sixth, entangled in the anchor cable, threatened to pull the craft beneath the surface of Bay Chaleur.

Telling the story, James Daley said that his companions and himself anchored and threw out a line, and the boat—a twenty-five foot craft—began jerking from side to side as the bow lowered. The water seethed when five whales, estimated by Daley to measure between forty and fifty feet in length, came to the surface.

"One after another those fellows began charging the boat, and kept at it for about an hour," he said. "As soon as they got close to us they dived under. Several times I could have touched them with my ear. Quite often their backs just scraped our keel as they went under. They were going so fast, that when they came up on the other side and turned to come at us again they skidded right over on their sides. Several times their tails came within a foot of smashing the boat. With their splashing and blowing they pretty near drowned us."

"They were coming closer each time they charged and I knew that it would only be a matter of time before they would strike the boat. I decided to cut the cable and we got up to the bow. Right then it was about eight inches above water level.

"We gripped the cable to pull it around the side to get at it to cut it, when we felt something slide off and the bow came up with a jerk. The five whales charged once or twice more and then disappeared. It was the toughest spot I was ever in in all my thirty years of fishing."

A seventh whale, much larger than the others, appeared farther from the boat but did not join in the attack, said Daley.

Other fishermen said such an attack was very rare but most admitted they wouldn't care to arouse the monsters' anger.

"READ 'EM AND WEEP" IN COURT

Los Angeles, Nov. 15.—Federal Judge George Cosgrave could hardly believe his ears.

"Any criminal cases today?" he asked.

"Read 'em and weep," said Francis Cross, the clerk, usually.

"What was that?" snapped the judge.

"Read 'em and weep," persisted the clerk.

Assistant United States Attorney John Powell jumped to his feet.

"We have the cases of Charles Readham and Oscar Weap, who want to plead guilty to a liquor charge," he hastily explained. So they did.

WHEAT CROP IN CANADA IS LESS THAN YEAR AGO

Estimated Yield Is Now 2,000,000 Bushels Lower as Threshing Returns Fail to Substantiate Earlier Forecasts of Harvest.

Ottawa, Nov. 15.—Canada's 1935 wheat crop has been estimated by the Dominion Bureau of Statistics at 278,971,000 bushels, which is about 2,000,000 bushels less than that of 1934.

The crop report containing the second estimate of the wheat yield brought production down from a September 11th estimate of 290,971,000 bushels to place it slightly below the 1934 yield while estimated yields of most other cereal crops were higher than those of last year.

The report said the 1935 season was similar to that of 1934 in that threshing returns did not fully substantiate first estimates of grain production. On Oct. 4, 418,399,000 bushels were almost 33,000,000 bushels less than in the September 11th estimate but still well above the 1934 production of 321,120,000 bushels.

Estimates of other cereal crops in brackets for comparison were as follows: Barley, 87,512,000; (83,742,000); rye, 10,510,000; (5,423,000); peas, 1,581,000; (1,588,000); beans, 1,117,000; (813,600); buckwheat, 7,972,000; (8,635,000); mixed grains, 39,567,000; (37,926,000); flax seed, 1,433,000; (910,400); corn for husking, 7,765,000; (6,798,000).

Average yield per acre in bushels with the averages for 1934 in brackets follow: Wheat, 11.4, (11.5); oats, 29.5, (23.4); barley, 22.5, (17.6); rye, 13.8, (7.4); peas, 19.9, (16.7); beans, 17.3, (14.3); buckwheat, 21.0, (21.2); mixed grains, 34.3, (32.7); flax seed, 4.7, (4.0); corn for husking, 46.3, (42.2).

The report said reduction in this year's estimates was caused mainly by frost damage in Saskatchewan and Alberta. The bureau was forced to reduce the barley estimate by 7,000,000 bushels while flaxseed and rye also came down as threshing returns failed to support previous computations.

MC FARLAND MAY CONTINUE AS HEAD OF WHEAT BOARD

Although Future of Board Has Not Been Considered Finally by New Administration at Ottawa, There Are No Indications of Any Change in Chairmanship.

Ottawa, Nov. 15.—Reports were heard today that John I. McFarland may continue as head of the Canadian Wheat Board. While the future of the Board is a matter which has not been considered finally by the new administration, it has been understood he likely would be asked to continue and in this event he would remain long enough to bring his marketing policy to a conclusion.

Named last August, the other members of the Board are D. L. Smith, vice-chairman, and H. C. Grant, both of Winnipeg. So far no requests for resignations have been sent to Mr. McFarland's associates, it was stated.

PROSECUTOR WINS FIRST ROUND IN USURY CHARGE

Two New York Shylocks Convicted of Usury and Unlicensed Money-Lending—Sentences to Await Judgments in Twenty Other Cases.

New York, Nov. 15.—Samuel Kurland and Sam Faden, caters to the financial wants of hard-pressed citizens, were convicted of usury and unlicensed money-lending yesterday on the first day of Special Prosecutor Thomas Dewey's court attack on the loan shark racket. Mr. Dewey still has to dispose of twenty more alleged Shylocks before sentences are passed.

Kurland was found guilty on one, and pleaded guilty to twelve more informations against him. His interest rates sometimes ran as high as 832 per cent. per annum, and in one transaction he got \$187 back on a year's loan of \$85. His collecting methods were occasionally violent, it was testified.

Faden was accused of getting up to 1,040 per cent. annual interest, and the same unhappy furrier who gave Kurland \$187 for \$85 said he paid Faden \$147 for a loan of \$35.

Faden was defended energetically by Edward J. Reilly, counsel for Bruno Richard Hauptmann in his trial for the murder of Charles A. Lindbergh, jr. Reilly objected and except constantly, but this client was found guilty of two informations against him, leaving thirteen more to be tried.

ETHIOPIANS BETTER ARMED THAN GENERALLY BELIEVED

Asmara, Nov. 15.—Ethiopian forces are far better armed than is generally believed, an Italian staff officer told Hava's here today. Some time ago, he declared, the Ethiopians had one million rifles of various types, including 200,000 modern rifles. In addition, they had two thousand machine guns, 5,500,000 cartridges, and several hundred pieces of artillery.

DUBLIN LAW WILL BE SIGNED WITHOUT DELAY

Dublin, Nov. 15.—The Irish Free State Senate today voted a law authorizing the Government to apply the League of Nations sanctions against Italy. The law will be signed without delay and will become effective immediately thereafter.

SLIGHT DECREASE IN 1935 WHEAT YIELD IS REVEALED

Crop in Province of Quebec Amounted to 1,141,000 Bushels, 8.3 Per Cent. Less than 1934.

Quebec, Nov. 15.—The wheat yield in the Province of Quebec for the year 1935 amounted to 1,141,000 bushels, a decrease of 8.3 per cent. compared with 1934, according to the final provisional estimate issued by the statistics division of the Quebec Department of Agriculture. The yield though, shows an increase of 11.5 per cent. over the five year average 1931-35.

The provisional estimate on the yield of other crops are: oats 45,570,000 bushels, a decrease of 5.3 per cent. compared with last year; barley 3,556,000 bushels, an increase of 7.4 per cent. over 1934; rye 92,000 bushels, increase 1.1 per cent. flax seed 25,500 bushels, an increase of 19.1 per cent.; peas 286,000 bushels a decrease of 9.8 per cent.; beans 74,600 bushels, an increase of 8.7 per cent.; buckwheat 3,151,000 bushels, a decline of 2.5 per cent.; mixed grains 3,362,000 bushels a decrease of two per cent.

GRAND DUCHESS ANASTASIE OF RUSSIA DIED IN FRANCE

Widow of Grand Duke Nicholas and Sister of Queen of Italy Was Once Famous Figure in Court of St. Petersburg.

Cap D'Antibes, France, Nov. 15.—Grand Duchess Anastasie of Russia, sixty-seven year old widow of Grand Duke Nicholas and sister of the Queen of Italy, died today at her

home in the French maritime Alps. The Grand Duchess, once a famous figure in the court of St. Petersburg, was a daughter of Nicholas I. King of Montenegro, and was first married to Prince George Romanovsky, Duke of Leuchtenberg. That marriage ended by decree in 1906. A year later she became the wife of Grand Duke Nicholas of Russia, Commander-in-Chief of the Imperial Russian Army during the Great War. After the Russian revolution, the Grand Duke and Duchess spent most of their time at Cap d'Antibes. He died in 1929.

Looking to their Future

Nowadays, every healthy man can provide for his wife and children "as long as he lives—and longer." How much "longer" is determined by the amount of life insurance he holds in companies like The Great-West Life. In looking to the future of your loved ones—and to your own future after retirement age—it will pay you to see what this large Canadian company has to offer. The Great-West Life carries one-tenth of all the life insurance in force in the Dominion of Canada.

Standards of Living

In the course of time your family may experience two standards of living: (1) the standard they are enjoying now, (2) the standard they might have to come to. Sufficient life insurance arranged with The Great-West Life can bring the second standard of living reasonably close to the first.

WILL ASK CITY TO DOUBLE ITS LIBRARY GRANT

Sum of Approximately \$1,200 Expected from Fund Raising Campaign — At Present Receiving Only \$300 Annually from City Authorities.

Expecting to realize close to \$1,200 from their fund raising campaign—\$300 less than their objective of \$1,500—members of the Sherbrooke Library Board, continuing their determined efforts to place this important institution upon a sound basis, decided last night to approach the City Fathers and request that their annual grant of three hundred dollars be doubled.

A few months ago the Sherbrooke Public Library and Reading Room stood in great danger of closing its doors due to financial difficulties. That would have meant a disastrous step indeed. Once discontinued, the Public Library would no doubt have been lost to Sherbrooke for many days to come.

New, young blood was infused in the Board of Directors and a determined bid made to finance this institution which is so vital to the life of Sherbrooke. The fund campaign was organized and launched. To date the sum of \$1,028 has entered the library's coffers, and with the promises of further subscriptions yet to be redeemed it is expected that approximately \$1,200 will be realized.

This was indicated last night at a meeting of the Library Board. It was agreed that \$1,200 would put the Library on a safe footing for some time, but assurances are still needed to make it a lasting institution. Such assurances will be sought from the City authorities. They will be asked to double their annual grant of three hundred dollars. This will not be an extravagant request, considering that the Library's grant once amounted to a thousand dollars, a figure—not necessarily large in itself—which was gradually cut down to the present allowance.

New books to the value of \$64.95 have recently been added to the Library's long list and more will be purchased in due course, the meeting was informed. A letter of appreciation and thanks will be sent to John Hovey for the gift of a copy of "The Seven Pillars of Wisdom" which he kindly donated to the Library.

A vote of thanks was extended to the Sherbrooke Record for its donation of a receipted account for advertising and to a local printing company for a receipted account for book covers.

It was decided to request Norris Robins to prepare a catalogue of the various volumes in the Library. The charge of five cents being made for the reservation of any particular book will be cancelled, the list of names of readers desiring certain volumes to be retained without additional charge. It was agreed that should there be a great demand for any certain new book and six or more names are listed for it, the librarian will notify the purchasing committee, which will consider the matter and purchase a second copy if that is deemed necessary.

A change was made in the present system of disposing of periodicals. Present purchasers will be notified that after December 31st they will not enjoy the privilege extended to them in the past, but that the periodicals will be disposed of to the highest bidder for the twelve months issues. Such bids will be received at the Library on Tuesday, January 7th, at 8:15 o'clock p.m.

An announcement to this effect will be inserted in the Sherbrooke Record on the previous Thursday and notices will also be displayed in the Library. Considerable discussion centred about the advisability of changing the Library hours. It was suggested that commencing on Monday next the Library be open from 10 to 11:30 a.m., 2 to 5:30 p.m., and 6:30 to 9 p.m., from Monday to Friday of each week. On Saturdays the hours, according to the new schedule, will be from 10 to 11:30 a.m., 1:30 to 5:30 p.m., and 6:30 to 9 p.m. It is believed that these hours will be more convenient to the reading public. At any rate, this schedule of hours will be tried out for a month to determine if the new schedule is satisfactory.

LOCAL BAZAAR ATTRACTING MANY GENEROUS PATRONS. The annual bazaar in aid of the Sisters of Charity is in full swing today in the basement of the Cathedral. During the day students of the various Catholic convents, schools and of the Seminary visit the interesting booth, while members of the different congregations spend an evening at the bazaar and contribute financial support to the good work being done in Sherbrooke by the charitable Sisters.

The Cathedral basement has been transformed into a picturesque edifice where amusements of all descriptions and the customary fortune wheels and "bingo" booths provide diversion for young and old. At the supper last evening a fine programme was furnished the guests.

The many booths are filled with beautiful and expensive articles, the work of the ladies under whose auspices the annual bazaar is held.

LARGE NUMBER ENJOYED ST. ANDREW'S GUILD SUPPER. St. Andrew's Guild had a rushing business last evening at their attractive and well planned Caetera supper, operating in the church hall between the hours of half past five and eight o'clock. The numerous guests were received by Mrs. Oscar Stenson, the Guild's president, and Mrs. J. R. Graham, with Miss Alice Milford and Miss Kathryn Porteous acting as cashiers.

Mrs. B. Dean, who acted as convener, was ably assisted by Mrs. Wilfred Davey, Mrs. Harry Wilson, Mrs. P. D. Mathias, Mrs. W. How-

PROGRAMME OF UNUSUAL CHARM AT LENNOXVILLE

Three One-Act Plays and Pleading Musical Programme Presented Under Auspices of Young Women's Association of Lennoxville United Church.

Three one-act plays and a pleading musical programme, presented under the auspices of the Young Women's Association of the Lennoxville United Church, delighted a large and appreciative audience which filled Douglas Hall last evening.

To Mrs. Donald Ross, who directed the plays, and Mrs. F. S. Browne, who had charge of the choruses, goes much of the credit for the success achieved. The players were chosen with care and ably suited to their respective parts.

The programme opened with a medley of piano selections played by Albert Blier, of Waterville, who also wined and plaudited for his numbers between acts.

The first play was "The Teeth of the Gift Horse," the story centering about a pair of lost vases that had been painted and given by "Aunt Marietta," charmingly portrayed by Miss Nellie Gilby, a wedding gift to her nephew and his bride, Mr. and Mrs. Richard Butler, the two roles being taken by Allen Willard and Miss Geraldine Seale.

Between the first and second plays, Mr. Davidson, of Sherbrooke, accompanied by Mrs. Frank Donaldson, pleased his audience with his rendition of "Anchored" and was recalled for an encore.

The well-blended voices of Mrs. Gladys Watson and Allen Willard, who were appropriately dressed in old-fashioned costumes, were much enjoyed in the duets, "When You and I were Young," "Maggie" and "Silver Threads Among the Gold," accompanied by Mrs. F. S. Browne.

The second play, "The Crystal Gazer," concerned the exposure of a clairvoyant, when she got her clients' appointments mixed, and was cleverly enacted by Mrs. C. Howard Aikman, as "Madam La Corceriere" and Mrs. Bickley as "Miss Bessie," a client.

Mr. Davidson, accompanied by Mrs. Donaldson, again favored the gathering in "Hail, Caledonia," which was followed by an encore, and Mr. Blier kindly supplied more of his much appreciated piano selections, after which the third and last play, "Boosting Bridget," was given.

"Bridget," a cook whom her mistress and friends decided to elevate to a higher social position and who, in turn, decided to try her new learned pointers on her mistress' tea callers—was played by Miss Leslie Dewhurst, who "brought down the house" with her Irish brogue and side-splitting antics. The mistress was very well played by Miss Hazel Crosby, while "Louise Harris," Miss Thelma Crawford, and "Harriet Gordon," Miss Lillian More, "friends of the mistress, Mrs. Brewster" and "Rowena Brewster," Miss Vivian Woodley, Mrs. Cutter Hastings, Mrs. Hart Montgomery, and "Aunt Emily Appliquez," Florence Rollin, handled their parts naturally and cleverly.

The concluding item on the much enjoyed programme was a group of old-time songs, "Carry Me Back to Old Virginia," "Dixie," "Love's Old Sweet Song," "Put on Your Old Grey Bonnet," "Swanee River," "Merrily We Roll Along," and "Good Night Ladies," charmingly sung by a chorus consisting of the following ladies of the organization, who wore colourful old-fashioned gowns: Mrs. Gladys Watson, Mrs. C. Howard Aikman, Mrs. Gordon Hall, Mrs. Herbert Wark, Mrs. Philip Walton and the Misses Nellie Gilby, Emma Matthews, Geraldine Seale, Thelma Crawford, Vivian Woodley, Hazel Crosby, Olive Tait, Maude Cote, Estella Wellman, Lillian More, Fern Coates, Evelyn Browne and Betty Griffin.

General Notes. The Philatheas of the Lennoxville United Church met at the home of Mrs. E. J. Prinn, college street, with the attendance of members. During the meeting, which was conducted by Mrs. Arnold Bown, plans were made for a Christmas sale to be held in December. At the close of the meeting, delicious refreshments were served by the hostess, assisted by Mrs. John Litchman.

Mrs. Austin Scott, who motored to Megantic, has returned home, accompanied by her mother, Mrs. Margaret Wark, who spent the past month visiting friends in Megantic County.

Mrs. Annie Buchanan, of Keith, is a guest at the home of Mrs. E. K. McLeod.

lett, the Misses Gertrude Imrie, Margaret Robins and Andrea Irwin. These ladies looked very smart in their businesslike white smocks as they stood in line behind the long counter which was laden with delectable viands, including cold ham, hot baked beans, brown bread, salads, condiments, doughnuts and luscious pies.

During the supper hour a long procession, carrying trays, waited patiently for their turn to make selection from the generous menu. Mrs. J. Sawyer was in charge of the tea and coffee, which was served at the tables by the Misses Catherine Davey, Lorna Ross, Claire Frappied, Nina Elliott, Jean Gift and Audrey Elliott.

Two additional features were the table of most attractive novelties, convoked by Mrs. E. E. Messenger and Mrs. Irvin Smith; and a beautifully decorated fruit cake, donated by Mrs. Angus Morrison, which was later won by Mrs. George McLean.

BISHOP'S STUDENTS AGAINST THE FAR WEST. Debates at Bishop's University are open to the public. The most important one of the season is a week from today—Friday. Subject resolved: "That the menace of Japan is a myth." Team of one each from British Columbia University in Vancouver, and the Saskatchewan University, Saskatoon, against K. Annett and G. Mackey, both of Bishop's.

FINED ON LIQUOR CHARGE. O. A. Nadeau, of Ayer's CHIFF, was fined fifty dollars and costs or one month in jail by Judge J. S. Couture in the Magistrate's Court this morning when he pleaded guilty to having sold alcoholic liquor for other persons for remuneration. The original charge against Nadeau was for illegal sale of liquor, but this was amended today.

SEARCHING FOR MISSING WOMAN. Chief Camrand's men are today endeavoring to find trace of Mrs. Hector Trudeau, nee Emilia Boulanger, thirty-three years old, who has been missing from her home at 4-D King street east since early yesterday morning.

Mrs. Trudeau, mother of six children, is believed to have become discouraged during the past few days; and at one o'clock yesterday morning, unnoticed by her husband or family, she slipped out of her home and did not return.

The woman was wearing a brown coat, trimmed with a yellow fur collar. Information concerning her whereabouts would be appreciated by Chief of Police H. O. Camrand at No. 1 Police Station.

DIGGING UP POTTER'S FIELD. Many persons who have had occasion to visit St. Michael Cemetery in East Sherbrooke during the past few days have been asking why a number of graves, extending over a fairly wide area, have been dug up. Skeletons and bones which have been found have been gathered together and buried in one place, while the decayed and broken caskets have been piled up and burned.

These graves which have been dug up, it has been learned, were in Potter's Field, the burying place for the unknown and the destitute. The cemetery authorities, needing more ground but finding none available, have been obliged to dig up old graves in Potter's Field. This practice is by no means uncommon and is generally resorted to when cemeteries become overcrowded and additional land is not obtainable.

SUFFERING FROM PROBABLE SKULL FRACTURE. When he lost control of the bicycle he was riding and crashed into the side of a motor truck turning into R. M. Demers' yard in front of the Lansdowne market at 2:45 o'clock yesterday afternoon, thirteen-year-old Leude Leblanc, 126 Council street, suffered a probable fracture of the skull and was taken to the St. Vincent de Paul Hospital.

Police, investigating the accident, learned that Hector Leppage, 57 Windsor street, was driving his truck into Demers' yard when the boy, coming from the direction of East Sherbrooke, rammed the side of the heavy vehicle. He was thrown off his bike and struck his head against the pavement. Although badly dazed, he regained his feet immediately after the accident and was not believed seriously hurt. A few minutes after, however, he complained of his injuries and was at once removed to the hospital. His condition was reported as satisfactory today.

FRESHETTES DEFENCE OF WOMEN UNSUCCESSFUL. Four representatives of the first year Art students at Bishop's University, two freshmen and two freshettes, last night endeavoured to settle the delicate and oft-discussed controversy that "women are, as yet, incapable of friendship."

It was a lively debate while it lasted, but the freshettes were on the losing team. Their male opponents had it all over them and the audience, which, by the way was mostly male, gave an overwhelming decision in support of the affirmative, which was upheld by the male students.

The debate was staged by the Bishop's University Literary and Debating Society, with President Reginald Toppin presiding.

The first speaker for the affirmative was William Baskerville, who was followed by Miss Gwen Nixon, who nobly sought to defend the women's point of view.

Maurice Durgan also had very pronounced views on women and their ways when he continued the argument for the affirmative, while Miss Betty Clark, the second negative speaker, endeavored to convince the judges that after all there must be some good points to the "weaker sex."

Following a brief rebuttal by Mr.

Baskerville, leader of the affirmative, the chairman put the question to the audience. The decision was awarded to the male debaters, but the ladies present were far from convinced that they really deserved the mental picture their friendly rivals presented. The meeting was then thrown open to a general discussion.

BISHOP'S AND WESTERN CONQUERED IN DEBATE THREE OUT OF THE FOUR THEY TOOK PART IN. Home from far-off fields that were not so green as some may think them, the combined debating team from Bishop's University and Western University—John Bassett, and Gordon C. Smith—met teams from the four leading universities in the Maritime Provinces. These were Dalhousie, in Halifax, Acadia, Wolfville, N.S., Memorial University, Sackville, N.S., and University of New Brunswick, in Fredericton, N.B. The Bishop's-Western team were defeated in three encounters, literary judges according to the merits of the debate, awarded the palm to them against Dalhousie, Acadia and University of New Brunswick.

At Mount Allison, in Sackville, an institution presided over by Dr. Treuman, a former principal of Stanstead College, the Western men were defeated by an audience vote and this with but a majority of five. Away but for a fortnight, the team from Bishop's and Western arrived home on Thursday, ready now for all comers.

The Bishop's Literary and Debating Society are naturally elated at the showing of their representative, and they feel that in the home match with the two universities from British Columbia and Saskatchewan they will acquit themselves with some skill. It is thought that all future debating skill will be measured on points awarded by judges of skill in erudition and in public speaking.

The conception of these debating societies has been cradled in Bishop's Universities, an institution which has on its alumni many of the ablest speakers and orators on the platform and in the pulpit.

Mrs. Allan Bayley has left for Springfield, Mass., where she will spend a few weeks' holiday. Mrs. Bayley was accompanied by her mother, Mrs. Moulton, who will spend the winter in Springfield.

Mr. and Mrs. H. Dean Suckling, of St. John's, Newfoundland, who are visiting the former's mother in Montreal, are arriving in Sherbrooke on Monday, and will be guests of Mr. and Mrs. P. H. Skelton, Queen street.

The many friends of Mr. Harold Cartwright, of London, Ont., son of Mrs. H. Cartwright, London street, will be pleased to hear that he is able to return to his work yesterday after spending several days in an hospital suffering from blood poisoning.

Mrs. Gordon Miller, manager of the Eastern Townships branch of Bishop's Universities, and Miss Ava Walsh, president of the ladies' branch of the Sherbrooke Country Club, returned last night from Montreal, where they attended the annual meeting and luncheon of the Quebec Branch of the C. L. G. U. Other delegates from the Eastern Townships included Mrs. J. W. Hammond, of Drummondville, Miss Marjorie Horner and Miss Marion Macdonald, of Granby; Mrs. Wright, of Danville; and Miss M. Dobb, Hermitage Club, Lake Memphremagog. During their stay the visiting delegates were entertained at tea by Mrs. William Lighthall, president of the Quebec Branch.

Mrs. M. Watts returned last night from Montreal.

Rev. L. M. Peppereide, of Trinity Church, Quebec, is arriving here tomorrow evening and will be a guest of Rev. Canon and Mrs. H. Reginald Bigg, "The Rectory," for the weekend. Mr. Peppereide will be the special preacher at the anniversary services in St. Peter's Church on Sunday.

Mrs. S. R. Fuller has arrived from Minneapolis, and is again in residence at her home on Queen street. Mr. Fuller arrived from New York today and Mr. and Mrs. H. W. Springorum, who are motoring from their home in Greenwich, Conn., accompanied by Mrs. Springorum, Sr., of German, who is visiting her son, are expected here tomorrow and will be the guests of Mr. and Mrs. Fuller.

Mrs. F. C. Baker entertained at an unusually delightful buffet luncheon at her residence in Lennoxville in honor of her mother, Mrs. F. N. McCrea, on the occasion of her seventy-second birthday, which occurred on November eleventh. Those from a distance who attended the happy family reunion, included Mr. and Mrs. H. K. Starnes and Mr. and Mrs. W. S. McCutcheon, of Montreal, and Mrs. E. G. Lawrence, of Kingston, Ont.

Mrs. James Davey, Mrs. Russell Spafford, Mrs. A. Roy and Miss M. Mooney were hostesses at the tea and card party given yesterday afternoon in St. Patrick's church hall for the benefit of the hospital bazaar. The tea table, at which Mrs. John Fitzgerald and Mrs. William Murray presided, was charmingly centered with yellow chrysanthemums and matching tapers. The prizes at bridge were won by Mrs. J. Langlois and Mrs. Fred Povey, and at "500" by Mrs. Tom Reed, Mrs. P. Royer and Mrs. Parker.

Mrs. J. G. Ranshouan and Mrs. F. S. Rugg were hostesses at the tea hour yesterday afternoon at the close of a largely attended meeting of the Women's Missionary Society in Plymouth United Church hall, at which Mrs. W. G. Cross, presided. Tea was poured by Mrs. J. M. Jenckes, the tea table being attractively centered with silver chrysanthemums in a silver basket and yellow candles in silver candlesticks. The latter also lighted the many small tables placed about the hall.

Assisting were Mrs. Gordon Richards, Mrs. J. A. Bourque and Mrs. E. Kellest. A most enjoyable diversion was a vocal duet "The Old Rugged Cross," sung by Mrs. Wright Gibson and Mrs. J. G. Ranshouan, accompanied by Mrs. W. G. Cross. The year's new study book, "The New Africa," by Dr. Donald Fraser, was commenced at yesterday's session, during which it was agreed to have a love gift table at the next regular meeting.

BEAUTY AND THE V-8 ENGINE THE beauty of the New Ford V-8 was not achieved by chance. It grew out of Ford's purpose to bring every feature of the car up to the standard of the Ford V-8 engine. That was a real undertaking in an automobile priced as low as the Ford is priced. But the many luxury-class features in the Ford V-8 for 1936 show how successfully this purpose has been carried out. The lines of the New Ford are much more beautiful. The hood is longer and sweeps forward over the new radiator grille, giving the car new length and grace. Fenders are larger with a wide flare. Horns are concealed behind circular grilles beneath the headlamps. Steel wheels are of new design. Upholstery, fittings and finish are rich and impressive. Your Ford dealer will gladly arrange for you to drive the New Ford V-8 far enough to get the "feel" of V-8 performance. Then check the wealth of features that reflect this same standard of quality and value — in style, comfort, driving and braking ease, and safety. DIVINITY LOST TO SOPHOMORES BY BIG MARGIN

Johnny Hibbard, Harry Scott and Mutton Credited with Points which Brought Second-Year Representatives An Eleven to Nothing Rugby Victory Yesterday.

The Sophomores and the Freshmen will clash in the final for the Bishop's University Inter-Year football championship. This was decided yesterday afternoon when the Second-Year representatives inflicted an eleven to nothing defeat on the members of the Faculty of Divinity in the first game of the Inter-Year series the Freshmen eliminated the Seniors.

Despite the one-sided score the Sophomores found it necessary to take advantage of every opportunity to down their "celestial" opponents. The Divines, doffing cassocks for shoulder pads, surplises for purple jerseys and mitres for helmets, fought courageously and almost succeeded in scoring on several occasions.

Johnny Hibbard and Harry Scott were the game's individual stars with a touchdown each. Hibbard registered his major tally in the first five minutes of the contest. A series of ground-gaining plays advanced the ball close to the Divinity line. Hasty time-out for lesson-reading and a prayer failed to produce the required support for the defenders. Hibbard "crossed the bar" without much difficulty, but Mutton's attempt at the convert failed.

The second quarter was scoreless and the Sophomores led by five to nothing at half-time. Mutton's educated toe produced a rouse for the Sophs in the third stanza before Scott raised his team's point total to ten. Led by Horace Seveigny and Allan Bryce on the line, the Sophomores marched down the field to the Divinity's Quarterback Mutton called for a tricky criss-cross buck and Scott carried the piskin over. The convert missed its mark and the Second-Year men had established an eleven-point advantage.

Neither team counted in the final episode, although the "clergymen" resorted to all the tricks in their rugby "Gospel" to avert a shutout. Outstanding performers on the Divinity's roster were Bill Gray and Sid Davies. They received hearty support from such veterans as Bill Bedford, the Bishop's leader, Colin Cuttill and from the new material which included Joe Wright and Henry Holden. For the winners Hibbard, Scott, Mutton and Carl Norris turned in good performances.

The game was capably handled by Ted Bissell, the "clergymen" who blew their whistles, more or less, to the satisfaction of all concerned, players as well as spectators. A large crowd witnessed the game and provided vociferous encouragement for their favorites.

COWANSVILLE'S VICS PLANNING A STRONG TEAM

Plans for Fortieth Season Discussed at Annual Meeting of Cowansville Victoria Hockey Club—Will Continue Operations in Brome-Missisquoi League.

Cowansville, Nov. 15.—The Cowansville Victoria Hockey Club is actively preparing for its fortieth season. The annual meeting to consider plans for the coming season was held Tuesday evening and it was decided to continue operations in the Brome-Missisquoi Hockey League. The Vics still remember their elimination at Farnham's hands in the playoffs for the Brome-Missisquoi title last season.

The retiring president, Dr. A. Caza, submitted a report of last year's activities, stressing the staunch support the Cowansville club had received. Good material is on hand for the approaching campaign. Such veterans as the Loy brothers, the Johnson boys, Boyd and others will be back in harness while again wearing the Cowansville uniforms will be Byron Johnson, former defence player with the Verdun Maple Leafs, and Deguire, St. Cesaire College boy.

Dr. Caza was prevailed upon to accept the presidency for another term when the election of officers occupied the attention of the club's supporters. With him are Rev. Dr. F. W. Boyd, honorary president; H. F. Vilas and S. L. Lee, honorary vice-presidents; A. Bonneau and E. A. Hanson, honorary vice-presidents; L. Caron, secretary; H. Christie, treasurer; C. Henry, manager; E. Teal, assistant manager; C. Jarry, coach, and Dr. S. Perron, H. Hauser, Henri L. Boucher, Charles Robinson, Eugene Boisvert, George Barker, J. R. Mackie, B. Brault, C. Gels, J. R. Groundwater and J. McLaughlin as directors.

DOMINION MAY NOT SEND A TEAM TO OLYMPIC GAMES Toronto, Nov. 15.—Canada may not be represented in next winter's Olympic hockey competition, it was announced here yesterday.

A local newspaper article stated that "The Canadian Amateur Hockey Association is faced with a serious task. Already some members of the association, as well as some members of the Canadian Olympic Committee, have expressed the opinion that it might be a wise move all round to pass up the Olympics entirely next winter rather than select another team—other than Halifax Wolverines, Allan Cup winners—to fill the spot or choose

Boll's Tally Was Only Goal Scored in Two National Hockey League Games Last Night—Chicago and Detroit Played Scoreless Draw.

It may be because forwards are passing clumsily and shooting wide, but it is a fact that the rearguard forces—the defences and the goalies—are providing the finished exhibitions at this early stage of the National Hockey League season.

Four teams played 130 minutes of hockey last night and only one goal was scored—"Buzz" Boll's marker that gave the Toronto Leafs a one to nothing decision over the New York Rangers in the Madison Square Garden opening.

With young Mike Karakas tending goal like a veteran, the Chicago Black Hawks held the Detroit Red Wings to a scoreless tie, the second no-decision effort for Jack Adams' team in the two games they have played.

Last night's low scoring was consistent with other games played since the schedule opened a week ago, apart from the New York American-Leaf five-all tie at Toronto last Saturday. The other five games have produced only ten goals. Three of the week's six contests have been ties.

The scoreless affair at Detroit was a personal triumph for young Karakas, a former American Association goalie who broke into the National League in the opening game last Thursday. Subbing for Lorne Chabot, out with a knee injury, Karakas in his first 130 minutes of big time hockey has allowed only one goal, the marker the Americans got when the Hawks defeated them by three to one in the opener.

Last night he kicked out twenty-six hard drives while Normie Smith, in Detroit's nets, handled twenty-eight. Karakas was under severe pressure in the overtime as speedy wing forwards like Larry Aurie, Syd Howe, Johnny Sorrell and Hec Kilrea poured punches at him. The rookie came through in splendid fashion, earned himself a personal manent job as Chabot's understudy.

Even a Toronto victory failed to spoil the brilliant opening 15,000 persons witnessed at New York. The Rangers were surprisingly good to hold the Leafs to such a close score, considering they lacked two of their best defence men, Harold Earl and Earl Stewart, and injured Harold Starr.

It was typical Ranger-Leaf hockey, fast and sometimes rough, but lacked the brilliant passing the teams usually show. Marksmanship of the players also was distinctly early season.

"Red" Horner, the league's "bad man" by a wide margin last season, started piling up a new penalty record by getting himself two minors and a misconduct. The latter was tossed his way when he attempted to rush Referee Billy Bell after the official had tagged him with a minor for pushing "Ching" Johnson around.

Harvey Jackson, signed on Tuesday, played on the Leafs' first string line but was far from top condition and his work showed it. Coach Dick Irvin had Frank Clancy in uniform but did not use him, playing Andy Blair in his defence position.

Murray Murdoch, durable Ranger forward, ran his consecutive game record to 551 despite an injury suffered Tuesday in Montreal. He took his regular place in the New York line-up and played his full share of the game, keeping Charlie Conacher, Leaf scoring ace, from running wild.

Table with 2 columns: Team, Score. Includes National League (Toronto 1, Rangers 0, Chicago 0, Detroit 0), International League (London 2, Rochester 1), and Standings for National League Canadian and American sections.

Officially the Wolverines have not notified the Canadian Amateur Hockey Association that they will not represent Canada. But unofficially the loss of five players is the answer to the fact that the Wolverines cannot fill the top ranking spot in hockey this winter as they did last," another part of the report said.

ROAD ACROSS NEWFOUNDLAND TO BE CONTINUOUS St. John's, Nfld., November 14.—The Commission Government today announced plans for constructing ninety-seven miles of new highways, between Fort aux Basques and Codroy, between Stevestonville and Corner Brook, from Corner Brook to Deer Lake, and from Badger to Grand Falls. Later these links will be joined to make a continuous road across the island.

BOWLING

THREE TEAMS DEADLOCKED AT TOP OF FIVE-PIN GROUP

Four games remain to be played by each team before the curtain is drawn on the pre-Christmas schedule for the usual Y.M.C.A. Five-Pin League holiday adjournment. Today Page-Sangster, Im Alone and Bert Ross, are deadlocked for first place, while a fourth entry, Mitchell's, is only two strings behind in the fourth position, still fostering the slim chance the hardware merchants have of finishing on top.

Im Alone joined Pano and Page-Sangster at the top of the ladder last night by taking three strings from the Rand. Mitchell's blanked the last-place Y's Men to remain safely berthed in the first division. Both losing teams played with "low" men while their opponents were at full strength.

Bert Ross, of Mitchell's, south-pawed himself to the top of the high scorers with a single-string total of 255 and a triple aggregate of 665.

The detailed results follow: IM ALONE: J. Sullivan 142 178 165-485, F. Walker 137 171 153-461, M. Sullivan 151 163 167-481, L. Whitling 198 197 164-663, J. Hillman 206 162 229-597.

ARMSTRONG'S: H. Clark 193 120 143-396, G. Gibson 129 111 153-403, R. Stevenson 251 155 118-524, S. Cantle 164 192 155-511, Low Man 100 109 100-309.

Pinfal: Pano 21 17 7 22,188, Im Alone 24 17 7 21,066, Page-Sangster 24 17 7 21,471, Mitchell's 24 15 9 20,612, Pano's 24 18 11 29,165, B.O.D.'s 24 12 12 19,374, Armstrong's 24 10 14 18,978, Rand 24 11 12 19,532, Serula 24 10 14 23,046, Record 24 9 15 18,719, Farnham 24 14 5 19,423, Y's Men 24 6 19 17,062.

HOTELMEN HAVE DESEITED HARMONY LEAGUE CELLAR: The New Sherbrooke bowlers are definitely decided that they are out of the Harmony League cellar for the remainder of the season. They made this resolution last night after relegating the Orange Crush entry to last place by taking three strings from the former holders of third position.

In the other fixture on this week's schedule the Milkmen turned back the challenge for the lead launched by the Railroaders. The pace-setters came within four pins of sweeping the boards as they augmented their lead over their nearest rivals to four strings.

W. Reed, of the Milkmen, posted a high single-string total of 190 and E. Hallett, of the Hotelmen, was high man in the three-string division with an aggregate of 515. Dannie Towne won the competition between the "baldies," outscoring Everett Bailey by 426 to 405.

The results of the matches in detail follow: RAILROADERS: Salter 138 99 76-513, H. Hallett 127 115 120-371, H. Bousquet 123 151 159-434, Farnham 145 158 154-457, R. Waller 137 167 152-456.

PURE MILK: D. Miller 118 114 123-355, R. Jameson 174 108 276-558, D. Towne 192 154 170-516, Bousquet 145 158 154-457, W. Reid 190 154 144 344, B. Allen 167 107-274.

SHERBROOKE HOUSE: P. Menne 153 122 102-377, H. Drapeau 161 167 164-492, E. Hallett 178 178 154-510, J. Berres 129 124 109-362, P. Sinclair 149 184 161-495.

ORANGE CRUSH: R. Smith 142 159 151-453, E. Bailey 136 140 125-401, H. Thomas 184 151 131-466, P. Green 199 143 127-579, H. Ewing 162 139 117-419.

CELLAR DWELLERS SNAPPED LEADING TEAM'S STREAK: The ever-present element of uncertainty is the factor which makes bowling so attractive for alley adherents everywhere. Sherbrooke is no exception. Even favorite teams experience their "off" nights and encounter defeat.

Such was the case when the Industrial League pace-setters, the Modernistk quintette, clashed with the cellar-dwelling Silk Products entry. The leaders had won three games in a row without the loss of a single string. The fall-overs had failed to win one string in the last number of contests. But against Modernistk the Silk Products emerged ahead in one tilt and came within five pins of creating the biggest upset to date when they dropped the deciding string by four points.

The leaders remained in first place, but found their margin over the field reduced to a single string when the Newsboys blanked East

Sherbrooke and jumped into the runner-up berth ahead of the Levesque boys. Armand Filion and his mates dropped to third place when they finished on the short end of a two to one count against St. Francis. The Bankers also share third position as a result of their three-string triumph over the Idealists, posted while the Insurance Boys are on even terms in fifth place with St. Francis by virtue of annexing the odd string in three from the Barbers last night. In the sixth contest of the week the Idealists captured two strings from the Tabacconists.

Blais, of the Idealists, posted the best single-string total of 244, while Charlie Hatch, of St. Francis, led the three-string column with an aggregate of 552.

The detailed results follow: MODERNISTK: F. Lalupille 137 159 128-425, A. Gaudreau 109 111 147-367, J. Violette 189 137 175-501, J. Morin 138 168 122-428, L. Smith 148 151 157-456.

LEADERS OF KAYSER GIRLS' LEAGUE AGAIN BEATEN: The race for the championship of the Kayser Girls' Bowling League is becoming a more wide-open affair as the schedule approaches the halfway mark. Two weeks ago only three teams were "hot" favorites. Today five entries are very much in the running, while the sixth has revealed itself capable of furnishing the unexpected.

The holders of first and second places were both defeated last night. The pace-setting Maroons bowed to the Blues after the first string had ended in a tie. In the roll-off the Blues won by twelve pins. The Maroons evened matters by taking the second chapter, but the occupants of third position, rallied to gain the match decision.

The runners-up, the Browns, were the victims of the fifth-place Whites and only saved themselves from a complete drubbing by winning the last string with a meagre three pins to spare. The Reds gained ground on the Maroons and the Browns by recording a two to one victory over the last-place Greens.

R. Patton, of the Maroons, posted a "man's" score to win individual honors. Her high-scoring marks were 180 for a single string and 567 for three strings.

The detailed results are: MAROONS: R. Pennington 58 72 94-214, M. Smith 83 83 81-247, F. Clark 59 70 80-209, R. Patton 160 113 99-357, K. Walker 82 98 75-255.

NOTED ENGLISH SOCCER PAYS \$40,000 FOR PLAYER: London, Nov. 15.—Aston Villa's money bags are being emptied in an effort to avert relegation of the famous English soccer club to the second division of the football league.

The last-place Birmingham Club added another noted international player to its roster this week and is reported to be angling for another. George Cumming, flashy full back of Patrick Thistle, Scottish League club, is the latest capture. His transfer was obtained at a cost of \$40,000. Negotiations are also underway in an effort to obtain the services of David Wilson, English-born forward of Hamilton Academical.

Both these players toured Canada with the Scottish Football Association team early in the summer winning high praise from soccer enthusiasts in the Dominion.

DEATHS REPORTED FUNERAL OF RODERICK MacKAY, MARSBORO. Marsboro, Nov. 15.—The funeral took place in St. Paul's Presbyterian Church here Tuesday, October 29, of Roderick MacKay, a former resident of this place, who passed away at his home in Lisbon, N.H. The funeral service was conducted by Rev. Malcolm Gillies, and the bearers were the deceased's four sons: Malcolm, Donald and Albert MacKay, Fred MacKenzie and L. A. Day. Mr. MacKay, who was in his sixty-ninth year, was born in Marsboro in 1866 and lived here for a number of years, after which he moved to New Hampshire where he resided until the time of his death. Deceased leaves to mourn his passing his four sons, mentioned above; one daughter, Mrs. Martin Campbell, of Portland, Me.; a brother, John M. MacKay, of New Hampshire, and a sister, Mrs. A. F. MacKenzie, of Milary, Que. Interment took place in the local cemetery beside his wife, Mary MacKay, who predeceased him a number of years ago. Those from out of town to attend the funeral were his sons, Donald, Albert, Malcolm and Minto MacKay and Mrs. Malcolm MacKay, of New Hampshire; his daughter, Mrs. Martin Campbell, and granddaughter, Miss Mary Campbell, of Portland, Me.; his brother, John M. MacKay, of New Hampshire, and his niece, Mrs. L. A. Day, and Mr. Day, of Boston, Mass.

THE LADIES' AID held their regular dinner in the hall last Wednesday. The ladies in charge were Mrs. Fritz Pope and Mrs. Albert Parsons. After the regular business meeting the members worked on a quilt. A number of friends of Mrs. Levi Cleveland gathered at her home on November 7 to celebrate with her on the occasion of her birthday. After a pleasant evening spent with friends and social intercourse a dainty lunch was served by Miss Vada Bryan, assisted by friends. Mr. and Mrs. R. A. Cleveland and son, Angus, of Bridgeport, Conn., were week-end guests at the Cleveland and Parsons home. Gerald Wallis spent the week-end in Dixville, guest of his parents, Mr. and Mrs. Orson Wallis. Mr. and Mrs. Frank Drew and son, Riley Drew, are spending a few days at their camp in Hereford. Miss Meryl Pope attended the short course in Lennoxville recently. Miss Hazel Pedersen, of Northfield, Mass., is a guest of the Misses Roberta and Fernand Breault.

MASONIC LODGE HELD AT HOME AT WATERLOO

Oddfellows' Lodge Among Special Guests Attending Pleasant Function Sponsored by Waterloo Masons.

Waterloo, Nov. 15.—The committee appointed to arrange for the home held under the auspices of the Oddfellows' Lodge, No. 18 A.F. and A.M. have reason to feel that their efforts were worth while from a social standpoint as was evident when over two hundred assembled in the Masonic Temple and enjoyed dancing and card playing. An invitation had been extended to the officers and members of the Oddfellows' Lodge, No. 27 I.O.O.F. who were also privileged to bring their lady friends and a goodly number were present. An orchestra from Knowlton provided excellent music for dancing and the floor was continually filled with those who enjoy dancing. The banquet hall was prepared for any one who preferred card playing and the tables were all filled. Chairs were placed in the gallery where those wishing to watch the dancers had a comfortable vantage point. At twelve o'clock refreshments including sandwiches, cake, ice-cream and coffee were served.

On Armistice Day a short service was held in St. Luke's Church conducted by the rector, Rev. Norman Egerton. A two minute period of silence was observed at eleven o'clock.

John Dixon, Mrs. Maurice Williams, of Foster, and Mrs. A. T. Barnes, of Warden. The tables presented a most attractive and inviting appearance, being especially prepared to commemorate the chapter's fifteenth birthday. A three story birthday cake made by Mrs. Percy Boright centred the table laid with the new china recently purchased. Large bouquets of red and white carnations were also effectively used. The Worthy Matron, Mrs. Bird, called on Mrs. E. A. Blake, a former Worthy Grand Matron to put a knife into the birthday cake which was afterwards carried to the presiding W.M. who blew out the lighted candles, after which the cake was served. Before leaving the table the Worthy Matron called on Mrs. F. A. Slack, the Worthy Patron Alvin Hihouse, the Grand Secretary, Mrs. Leland Holden and Mr. Bird for remarks which were in keeping with the special occasion, and were all much enjoyed by the listeners. Before disbanding "For She's A Jolly Good Fellow" was heartily sung in honor of the Worthy Matron.

BUSY SESSION OF CLEVELAND SCHOOL BOARD

Reports of Repairs Effected to School Buildings Received at Meeting of Cleveland Board Held at Richmond—Richmond Items of General Interest.

Richmond, Nov. 15.—The regular quarterly session of the Board of School Commissioners for the Township of Cleveland was held in the office of P. C. Duboyce, the secretary-treasurer Richmond with Chairman R. Edwin McArthur, and Commissioners John R. Boast, E. Goldwin Fletcher, William R. Healy and Fred E. Taylor present.

It was reported that a great deal of repair work had been done to the brick school house, No. 5, on the way from Richmond to Tremholmeville amounting almost to the erection of a new school building. The making of practically equal thereto. A new shed and out-buildings have been put up, one side wall and part of the front and the foundation being rebuilt. A new floor and new roof had been built. The board considered that they have now put this school house into shape so that it will be satisfactory for a school building for at least five years. Chairman McArthur, Commissioner Boast and School Manager Knowles, were appointed as a committee to complete the work on school house district No. 5.

The Board has also done extensive repairs to school houses No. 2 and No. 7, the Healy School and the Spooner Pond School. This latter school had slid right off its foundation and in order to restore it builders' jacks and other equipment had to be used. It is now levelled up and a new chimney added and it is expected that it too will be able to go for a number of years without further repairs. School house No. 2 did not require repairing for such a long period of time because it is thought that that school will not be run much after this scholastic year. It is the opinion of the Board that the scholars from that school can be schooled more satisfactorily and with less expense in other schools than to run the No. 2 school. In the meantime Commissioner Taylor was requested to adjust the condition of the stove in this No. 2 school. The roof of this school has been repaired and the entry porch greatly altered.

Commissioner Boast was appointed to remove the dry wood from the school house No. 6, which is not used at present, to the school house No. 5 where it is badly needed as dry wood was not in stock at the last mentioned school.

Inspector McCutcheon's list of desk books for the school teachers were ordered obtained and the secretary-treasurer was instructed to return a certain property to the County Council for sale for default of payment of school taxes.

The rest of the session was taken up with routine work, the passing of accounts, etc.

Mrs. Jones, of Woodstock, N.B., is visiting her parents, Mr. and Mrs. Thomas Hogge, for a few days.

Miss Elizabeth is spending the holiday with Thomas Pye at Waterville.

Armistice Day was very fittingly observed in the Presbyterian Church on Sunday morning, Rev. D. Flint delivered a splendid sermon. In the United Church, Rev. Mr. Stewart spoke very strongly on how Remembrance Day ought to be observed by those left behind to do so. Rudyard Kipling's Recessional was sung by Mrs. Norman Kinnear during this service.

Miss Edythe Kinnear, who spent her holidays here, was the guest of her aunt, Mrs. Arthur Kinnear, on Sunday afternoon.

Mr. Allen Hill has been ill for the past few days.

Miss Ethel Kinnear spent a week-end with Miss Dyson, of Richmond. The regular meeting of the Women's Institute was held at the rectory on Friday afternoon with fif-

teen members present. Several bills were voted to be paid. A discussion was held about a chemistry equipment to be put in the school and aid was voted. A snapshot of the members taken at a recent meeting was enlarged, mounted and is being forwarded to a sister branch in Scotland. A paper entitled publicity was read by the convener.
