### UN Assembly Meeting Set

WASHINGTON — (AP) — Prompt agreement by President Eisenhower to a proposal from Russia's Premier Khrushchev has assured a showdown debate soon in the United Nations General Assembly on the Middle East.

United States officials are privately pleased that the fight between Russia and the Western powers will come in the Assembly rather than at a summit conference. State Secretary Dulles among others was known to fear that a summit meeting would likely do more harm than good.

Khrushchev himself could head the Soviet delegation to the emergency session, should he choose. But some officials interpreted the letter he sent Eisenhower Tuesday as backing completely away from the whole summit conference idea at this time.

The Soviet leader's bewildering switch in policy—the latest in a series of twists and turns over the last three weeks — has officials guessing. Most say he probably finally rejected Western proposals for a summit meeting in the UN Security Council on the insistence of Communist China. He conferred in Peking late last week with Mao Tse-tung and other Red Chinese leaders.

In his 10-page letter to Eisen-

chey agreed on the forum, they disagreed completely on precisely what it should take up. The American president wants the Security Council to adopt a previously introduced U.S. resolution which would call on the Assembly to take measures to protect Lebanon against outside pressures and thereby permit the withdrawal of U.S. troops.

Discussion by the Security Council of the resolution had been held up to permit consideration of Khrushchev's summit proposals.

Khrushchev in his letter said he wants the General Assembly to "discuss the question of withdrawing U.S. troops from Lebanon and British troops from Jordan." He wants it discussed, moreover, on the Soviet charge that the U.S. and Britain committed aggression by sending their troops into these countries.

**LINES DRAWN**

Thus the lines are drawn for exactly the same violent arguments which would have been made in the proposed summit meeting of the Security Council. The difference is that the brunt of the wordy battle will be borne by Assembly delegates, not by the heads of government themselves.

This will avoid the involvement

### Truce Marred Policeman Shot Dead In Cyprus

NICOSIA, Cyprus (AP) — A Greek Cypriot policeman was found shot dead early today, with 48 hours of proclamations of a ceasefire by the island's two underground movements.

Both EOKA, the Greek Cypriot underground, and TMT, the Turkish Cypriot underground, said they would attempt to end the bloody communal strife on this British island.

Today's killing was in the village of Myrtou, 20 miles west of Nicosia. The victim was identified as Stelios Kazakas.

Greek Cypriot sources believe EOKA killed him as a "traitor." In a second fatality, the body of a 53-year-old Greek Cypriot woman who had been beaten and stabbed to death was found in Nicosia today. It had been set on fire.

### Big Welcome For Princess

MONTREAL — (CP) — Princess Margaret launched her visit to French Canada with an event-packed day of activities ranging from a helicopter ride to a Bach concert.

Apparently tired by all the events, she passed up a ball in her honor at the Queen Elizabeth Hotel after the concert.

John Turner, a 29-year-old Montreal lawyer who has been romantically linked with the princess on her tour, did not show up in Margaret's busy day.

Margaret this morning was to the United Kingdom.

**TO ATTEND RALLY**

Margaret this morning was to attend a rally of about 25,000 children at the city's Lafontaine Park. Thirty minutes later she leaves for Windsor Station, to board the train taking her to Dorval Airport.

Her plane is scheduled to take off at 12:45 p.m. and to touch down at Quebec City's Ancienne Lorette Airport at 2 p.m.

Margaret's round of activities yesterday started with a helicopter flight which brought to a close a two-day rest in the Gatineau Hills near Ottawa.

The princess flew by helicopter

from Harrington lake to Ottawa where she boarded the royal train for Montreal.

**MET AT STATION**

In Montreal, a crowd of more than 1,500 was assembled in the station.

The princess appeared, wearing a white printed silk chignon dress with a large white straw hat, trimmed in red.

The city's gift presented at the civic reception, was a gold brooch shaped like a maple leaf with an inset diamond fleur de lis.

At night, the princess made a dazzling entrance into the royal loge at La Comedie Canadienne Theatre where she attended the Bach concert. A spotlight singled out the princess' loge when she made her way to it from the foyer.

When the 29-piece orchestra, conducted by Montrealer Alexander Brodt, started playing, Margaret looked at her program carefully. The princess appeared to enjoy the program, but showed signs of restlessness during the last half-hour.

### Six-Week Stay For Queen

OTTAWA (CP) — Preliminary planning for the Queen's 1959 Canadian visit, the prime purpose of which is to open the St. Lawrence Seaway, envisages a six-week stay that will see the royal yacht Britannia make a 4,000-mile voyage in Canadian and United States inland waters.

Official sources, stressing that the planning is still in the broad outline stage with not even the machinery yet set up to start planning down the host of details entailed, said Tuesday that:

1. The Queen and Prince Philip, without their children, will fly to Canada and meet the Britannia near Montreal, probably in late June.
2. They probably will sail the St. Lawrence-Great Lakes waterway to the Head-of-the-Lakes twin cities of Port Arthur and Fort William, calling en route at Canadian and United States centres.
3. They likely will sail Lake Michigan to Chicago.
4. The over-all visit is expected to last six weeks. Whether it will take in other provinces than Quebec and Ontario, and other U.S. states than Illinois, Michigan and New York remains to be seen.

It will be the Queen's third visit to Canada, and her nautical husband's fourth.

### Farm Credit Inadequate Meet Agrees

HALIFAX (CP) — Agriculture officials from Canada's 10 provinces agreed here Tuesday that present farm loan services are inadequate to meet needs of Canadian farmers.

A resolution proposing steps to streamline credit facilities was introduced to the closed conference of agriculture ministers and their deputies by Agriculture Minister C. B. Sherwood of New Brunswick. It was seconded by Agriculture Minister C. Nolle of Saskatchewan.

A spokesman said after the session that delegates felt credit facilities could be improved through consolidation of the Canadian farm loan board and other government and private lending agencies.

He said the officials agreed the policy of basing farm credit on land values was outdated. Buildings and land now comprise no more than 50 per cent of farmers' assets. Stock and equipment had increased in importance.

### Rowdy But Strange Debate

OTTAWA (CP) — The most boisterous and the strangest Commons debate of the session concluded Tuesday night with government supporters easily overcoming two opposition non-confidence motions against the administration.

It became so rowdy near the close that speaker Roland Michener called for order several times as Finance Minister Fleming and Lionel Chevrier (L—Montreal Laurier) called each other "cheap."

The debate was strange because the point under discussion—the trade department's secret report on the Canadian economic outlook for 1958—has never been made public. This, naturally, put the opposition under a handicap.

The government didn't help them any, refusing to say, during the two-day debate, whether excerpts said to be taken from the economic report and published last week by a Toronto paper actually came from the report.

### Chaplin Jr. Wed

WINTERHAVEN, Calif. (AP) — Actor Charles Chaplin Jr., son of the famed comedian, and Hollywood starlet Susan Magness were married Tuesday in a non-denominational chapel.

### Mystery Of Burned Man Increases

PONTIAC, Mich. (AP) — The sketchy story that Teamsters business agent Frank Kierdorf gave after he stumbled into a hospital, burned almost from head to foot, began falling apart today.

At the same time, police had a warrant for the arrest of Kierdorf's uncle, Herman Kierdorf, described as either a vengeance-bent hunter or the fear-shaken prey of an anonymous telephone threat.

Herman, a former business agent of the same International Brotherhood of Teamsters, disappeared after swearing he would get even with the people his nephew said set him afire and left him, pain-racked and nearly naked, on a hospital lawn.

While the 56-year-old Frank clung to a thin strand of life in a police-guarded hospital room, County Prosecutor Frederick Ziem said:

"The man had prior medication before he ever came to the hospital. Furthermore, there is no evidence to back up his statement that he rolled in the grass to put out the flames."

The new loopholes in Frank's story, rather than providing clues, only piled higher the multitude of unanswered questions.

Both Frank and his uncle are ex-convicts with Teamsters union connections.

### Textile Workers Ask Import Quota

STE. ADELE, Que. (CP) — The executive council of the Textile Workers' Union of America Tuesday urged the federal government to create an export-import board with power to set quotas on textile imports.

The council, highest ruling body of the union, made its recommendation during its five-day meeting.

### Two Held

MONTREAL (CP) — Two Montreal men Tuesday were committed for voluntary statement Aug. 12 on charges of possessing \$3,600 worth of bonds stolen in a multi-million-dollar burglary last May.

George Coe, 51, and Rene Robert, 32, pleaded not guilty. The men were accused of having bonds allegedly taken in a \$5,000,000 looting of the Brockville, Ont., Trust and Savings Company.

### Union Merger

PORTLAND, Ore. (AP) — A merger plan for two big wood and paper unions with a combined membership of 335,000 has been approved by a special merger committee. A spokesman for the 135,000-member International Woodworkers of America said Tuesday the plan was worked out by a committee in Chicago representing the IWA and the 200,000-member International Brotherhood of Pulp, Sulphite and Paper Mill Workers.

PRINCE RUPERT, B. C. — A 38-year-old man was sentenced to six months in jail Tuesday for taking part in a riot here Sunday. He was the first to be sentenced of 40 charged.

Barney Good of Kitwanga, B.C., pleaded guilty to obstructing a police officer. Three others were sentenced Tuesday.

### Diefenbaker's Action

Diefenbaker's action last Jan. 29 in disclosing the 1957 economic report. The prime minister charged then that the former Liberal government had ignored warnings of a recession contained in the report when it presented its last budget, in March, 1957.

The prime minister said Tuesday night he tabled the report last Jan. 29 as a result of opposition demands.

Opposition Leader Pearson, Mr. Chevrier, Paul Martin (L—Essex East) and J. W. Pickersgill (L—Bonavista Twillingate) all disputed this heatedly.

They said a member who cites from a document must table it under Commons rules and Mr. Diefenbaker had read some 27 excerpts from the 1957 report.

Mr. Diefenbaker said the Liberal proposition that a document should be tabled immediately because the press had printed purported excerpts from it was "ridiculous."

Mr. Diefenbaker repeated his

# Show Business

HOLLYWOOD (AP) — Is the musical dead in Hollywood?

Cyd Charisse doesn't think so, although she admits she is on the defensive. The number of musicals has sagged to almost nothing, whereas they once constituted almost one-fourth of the Hollywood product.

"Mainly, it's because musicals are expensive," she concedes. The long strike of film musi-

cians also contributed to the decline. And there is the repeated claim that musicals do not sell overseas, where about half the profits must come in order for the studios to survive.

"I hear that all the time," Cyd said angrily, "and I don't think it's true. The whole thing started because 20th Century-Fox had bad luck with a couple of its musicals in Europe. They were Carousell and The King and I.

**NOT MUSICALS**  
"But those weren't movie musicals in the strict sense. They were filmed stage plays. There was little dancing and most of the songs were sung in closeups. Some of the songs were cut in Europe because they didn't understand them over there.

"But none of my numbers from Meet Me in Las Vegas or Silk Stockings have been cut in Europe, and those pictures have done well over there."

She admitted that movie musicals have suffered from the competition of television.

"TV has made dancing less important," she said. "But dancing in movies still has the advantage. It's impossible to make dancing really effective on TV. The screen is too small, and the cameras can't move fast enough to get the right angles."

She sees hope on the horizon.

A top producer was moaning to her weeks ago that he'd never make another musical despite her arguments. Recently he confessed to her that he has several planned.

Fortunately for Cyd, she does not need to rely on her talented gams for film work. She dances not a step in Twilight for the Gods with Rock Hudson.

I hope she's right when she says we'll be getting more musicals.

## All Roads Led To Rock Island Garden Party

ROCK ISLAND — All roads led to Rock Island, when a garden party was held at the home of Mr. and Mrs. Carroll Smith, Phelps Avenue. There was a large attendance of townspeople and many others from points in the Townships and Northern Vermont.

The party was under the auspices of the Helping Circle Society of Stanstead South Church. The guests were received by the society president, Mrs. C. R. Darby, and vice-president, Mrs. T. W. Tyson.

The garden was at its best with summer flowers in bloom, the weather man provided a blue, sunny sky, and the songs of the birds made the setting complete.

The fancy work table was in charge of Mrs. Arthur Judd, Sr., and Mrs. Golda Standish; home made food, Mrs. Merton Davis, Mrs. Byron Ellis, Mrs. Stuart Taylor and Mrs. Thomas McCune; aprons, Mrs. George Caruthers, and greeting cards, Mrs. Raymond Grow and Mrs. Johnston. All were well patronized.

Afternoon tea was served at small tables attractive with white covers and centered with vases of flowers. Assisting in serving

were Mrs. Clarence Lyons, Miss Hortence Cowles, Miss Gloria Carruthers, Miss Abigail Baldwin, Miss Ruth Hethington, Miss Ruth Aldrich and Mrs. Wayland Ladd.

Under the convensership of Mrs. Kenneth Baldwin and Mrs. Golda Standish, Mrs. Smith and others the project was a decided success with about \$225 realized after expenses were paid.

Assisting in the kitchen were Mrs. Baldwin, Miss Ruth Wing, Mrs. William Davis, Mrs. Smith, Mrs. Fred Putney, Mrs. Frank Anderson and Mrs. Raymond Wheelock.

Admission ribbons were sold by Mrs. Harry Thomas assisted by Mrs. George Hatch.

Three Sherbrooke Men Held In Mansonville Assault, Motor Theft

Three Sherbrooke youths were arrested in Eastman last night in connection with the beating of a Mansonville man and the theft of a taxi cab.

The three were arrested by Provincial Police when they tried to "thumb" their way back to Sherbrooke.

Provincial police at Cowansville refused to give any details concerning the theft and beating up.

However, Mansonville police said that about 6 p.m. last night, the young men attacked a man by the name of Filion after they had downed a few drinks and then, leaving their victim in the street, stole a taxi in order to get back to Eastman. Near Eastman they abandoned the car and tried to "thumb" a ride back to Sherbrooke.

An Ontario motorist stopped to pick them up when provincial police surrounded the car and arrested the youths. One of them carried a "black jack".

Many Eastman residents said that they saw the victim Filion with the three accused earlier in the afternoon.

Trouble apparently started between the three youths and the victim Filion who received minor cuts and bruises.

Further Acts Of Vandalism At Coaticook

COATICOOK — (Special) — Coaticook citizens, recently angered by the act of vandalism by unknown persons in Mount Forest Cemetery when more than 100 gravestones were overturned, were again shocked this week by the report of Louis Devost, chairman of the Catholic School Commission of Coaticook, indicating extensive damage to school properties.

Mr. Devost, in his report to the members of the Commission, revealed that windows had been broken in many schools under the jurisdiction of the committee, at least 15 windows damaged in one school alone, fences had been climbed upon and stretched, trees and shrubs had been broken and school buildings had also been damaged or defaced.

The Commission will take action against parents of the children responsible, if caught, and will also take steps to ensure further damage.

The Protestant School Board has not reported any damage to the High School building to date, but it is known that some damage has been done to terraces and shrubbery by trespassers in the past and the trustees are planning to fence the school property shortly.

Town officials also report acts of vandalism to public property within the last few weeks, especially in the area of damage to street signs, 20 of which have been defaced or broken and have had to be removed by the Town workmen and replaced by new signs.

The cooperation of all citizens is requested in helping to curb this useless loss of public property and the destruction of beauty spots. They are asked to report all acts of vandalism to the Police department as soon as noticed.

Death No. 11

Waterloo Fatality Boosts Toll

St. Germain Theft, Nets Duo \$5,240

ST. GERMAIN — Two armed bandits escaped with \$5,240 from the Caisse Populaire de St. Germain-de-Grantham last night, after tying up the manager and his wife, Mr. and Mrs. Paul Caya.

The manager and his wife were sitting in their living room at 9:30 last night just after putting the children to bed, when a knock at the door was heard.

Mr. Caya thinking it was one of his neighbors answered the knock only to find out that it was a man with a gun pointed at him. After the bandit forced his way into the home and after inspecting the home for further occupants, a second thug entered warning the owners to stay quiet and that nothing would happen to them.

After ordering Mr. Caya to lead them to the money and to open the safe, the two culprits tied the manager and his wife and made their escape.

Sergeant Claude Brans and Detective Ange-Aime Allard, both of the provincial police, arrived on the scene of the theft a few minutes after the victims freed themselves.

The two police officials immediately placed a call to the Montreal hold-up squad who came down under the direction of Lieutenant Albert Bisson.

St. Germain is a municipality of 2,250 inhabitants near Drummondville.

The violent death toll in the Eastern Townships rose to 11 for August with the death of John McCullough, 42, of Waterloo in a traffic accident.

According to Waterloo police, McCullough was riding his bicycle in the vicinity of Foster Square, Waterloo, when he was struck by an automobile driven by Arnold Carter, 48, of nearby Frost Village.

The accident occurred shortly after nine o'clock last night according to Assistant Police Chief G. F. Hollenbeck, of Waterloo. The investigation was carried out by Waterloo Constables Robidoux and Larose in conjunction with members of the provincial police detachment from Granby.

Since August 1, 11 violent deaths have been reported in the Eastern Townships — eight by drowning and three in highway accidents.

Snap Election, Not Probe Said Duplessis Objective

QUEBEC (CP)—Quebec Liberal Leader Jean Lesage Tuesday interpreted a statement made Sunday by Premier Duplessis to mean a provincial election will soon be called. Mr. Lesage said his party is ready.

He said the Union Nationale government leader is "on the horns of a cruel dilemma" because of controversy over sale of provincially owned Quebec Hydro's Montreal gas distribution system to the Quebec Natural Gas Corporation.

The premier "does not wish the electors to know all the facts" and eventually will not appoint a royal commission of inquiry into the sale, Mr. Lesage said.

The only apparent way he could free himself from the dilemma was "by bringing out his usual electoral paraphernalia, his speeches on provincial autonomy."

"WE ARE NOT AFRAID..." Mr. Lesage based his election call prediction on a statement Mr. Duplessis made after a ceremony at St. Denis. Mr. Duplessis in reply to a reporter's question said "we are not afraid to go before the voters."

The premier could not have meant he would call a by-election, the Liberal leader said, because there are no legislative assembly vacancies.

Controversy over the gas transaction was started by the Montreal newspaper Le Devoir June 13 when it stated the sale was attended by a \$20,000,000 stock market coup. It named ministers of the Union Nationale cabinet and legislative councillors as holders or former holders of corporation stock.

STARTS GASPE TOUR Today the Liberal chief opens a 10-day Gaspe Peninsula swing of his cross-province speaking tour with a rally at Matane.

Mr. Lesage also said he believed an "agreement" between his party and Jean Drapeau's Civic Action League is "possible and desirable." Drapeau was former mayor of Montreal.

But he said, there can be no question of an alliance with the league.

Roy told police the trio struck Nadeau, forced him into their car and drove away.

Congratulations... To George E. Wright, 385A Queen St., Lennoxville, who is celebrating his 90th birthday today.

Fumes Hit 67

SANTA PAULA, Calif. (AP) — A cloud of poisonous ammonia fumes swept into a trailer park Tuesday, "killing" 67 persons to hospital. A break in a hose between a commercial fertilizer truck and a storage tank sent fumes over a 10-block area.

Developments In Floral Industry Are Outlined

Fifty years ago you went to a greenhouse to buy your flowers. Fifty years hence you'll buy them with your groceries at the supermarket. So said a Sherbrooke florist yesterday.

Rotarian Paul McKenna spoke to the Sherbrooke Rotary Club on the retail florist industry, an industry developed over the last half century and one which continues to expand according to the florist.

A retail florist's job is to try to educate the public to "live with flowers," said Mr. McKenna, stressing the role of flowers for important occasions. But most retail florists don't grow anything — they leave that to the growers.

Flower arranging is an acquired art, the florist maintained, and it is easy to become qualified by taking the courses offered. A florist is usually judged, not just by the flowers he uses, but by what he can do with them. And men are just as good at flower arranging as women, he said. They're just afraid to try.

Mr. McKenna explained the system of the Florist Telegraph Delivery service where you can call any one of the four representatives in town here and have flowers delivered to any corner of the free world.

There are 11,000 representatives of this organization in North America and approximately 10,000 in the rest of the world the speaker said. Field service men are continually checking on these stores to make sure that service and quality is up to par.

The future outlook of the retail florist is good said Mr. McKenna but it won't be long before...

Stanstead Mayor Resigns Owing To Ill-Health

STANSTEAD — Carroll J. Labonte, has resigned as mayor of Stanstead, owing to ill health. He tendered his resignation at the regular meeting, held on Monday evening in the Council room of the Registry building.

A special meeting will be called next Monday evening to appoint a citizen to complete Mr. Labonte's term, which expires in January, 1959. Mr. Labonte has served the municipality for two terms.

Pre-Mayor Lawrence Winter was authorized to approach a past mayor, should he refuse to act, a committee of Mr. Winter, Howard Wells, Leo Gaudreau and Gerald Colt will seek a qualified citizen willing to accept.

The Pro-Mayor and Councilors proposed a vote of thanks to Mr. Labonte for his services to the Municipality during his term of office.

The sum of \$25 was voted to the Frontier Swim Project. Routine business included reading of the minutes, correspondence, and presentation of bills, which were ordered paid.

The valuation roll report is expected to be in the hands of the secretary-treasurer by Monday. It will be posted for 30 days, during which time rate payers may enter written or verbal complaints.

Another special meeting was planned for Sept. 15 to accept the valuation roll and set the mill rate.

It was decided to call for tenders for winter roads maintenance, the same as last year, these to be in by the September meeting.

Routine reports were given by the chairmen of health, roads, fire, poor and finance committees. Complaints were received regarding small children playing in the Stanley street location, proving hazardous to motorists and endangering themselves.

Magog Opinion Sharply Divided Over New Montreal Highway Plan

By CHARLES CATCHPAUGH MAGOG. — How will Magog be affected by the proposed relocation of Highway No. 1 linking Sherbrooke and Montreal.

This question is dividing local residents sharply.

Some favor keeping the road well out of the city limits. Others want to run it right through Magog. And there are those who really don't know where they think it should go.

Outside Magog the belief is that the new road should be planned to speed up travel and remove bottlenecks in the town.

Although several plans have been announced, no definite decision has been made as yet. Unfortunately, whatever route is adopted, many groups are bound to feel that they have been slighted and Magog merchants believe their future is imperilled by the plan to bypass the Cherry River bog.

Bourque Boulevard ends three miles from Magog and survey stakes suggest it will veer westward to avoid the bog. This route would cross the Magog-Cherry River road about half-way between the two centres and then proceed over the old Boston-Montreal stage road, joining the No. 1 highway at the Luke Powers' farm at the foot of Mount Orford.

Old-timers who know the bog and the many obstacles it provides for road construction are united in the belief that is the ideal way.

For instance, Jerome Metivier, now retired, said that his father, who worked on the laying of the Central Vermont railway line, told him that the bog is seemingly bottomless. Track gangs drove down nine 30-foot piles at one place before they reached solid base. In others, it was possible to sink 400 feet of piling.

He described the merchants' proposal to take the highway through the bog as "foolish."

In 1920 the old corduroy road leading from Magog to Four Corners was turned into part of No. 1 highway.

A local businessman, J. A. Romeo Charland, recalled that as part of the tremendous effort to fill the lake-like swamp, boulders that would fill the box of a truck were dumped into the bog by the hundreds, in addition to thousands of loads of rock, gravel and other fill.

But he believed Magog should be adequately linked to any thoroughway.

"It will cost a lot!"

"Keep it away from the town..."

"Progress, but with a view to doing the most good..."

"...merchants' plan should be followed!"

chants who feel they will lose heavily if the town is by-passed, restaurant owner Arthur Charon declared the merchants' plan should be followed.

"It's hard to stop progress," Maxie Dingman, service station operator said, but feared that all merchants would lose heavily by the new road.

"Progress, but with view to doing the most good," hotel owner Leslie Brant commented. "What is progress if it isn't to benefit people. If the thoroughway skips this community, it will hurt those in this city and the important regional trade at the same time."

One cry among those promoting the city's tourist trade is that it would be a shame to deprive motorists of the lovely view of Memphremagog as they speed by. They point out that this body of water is one of the most important tourist attractions in the district, and is among the most spectacular of Quebec's beauty spots.

Others feel that anyone wishing to visit Magog and see the scenery would come into town. Attitudes similar to that of Allen Jones, industrialist, can be heard everywhere in Magog.

"Keep it away from the town," Allen Jones said. "The practical solution is bypassing the bog, and that is obviously the most economical one."

But a group of Magog merchants are determined that they'll make someone see the light. Two weeks ago a meeting with the provincial Minister of Roads was slated, but did not materialize. After a later meeting with MPP Denis Gerin, the merchants have been promised an audience with Roads Minister Antonio Talbot.

If cost enters into the argument, one reliable source estimates that some \$2,000,000 must be spent to follow the city proposal. On the other hand, the same authority added that it would cost as much to build an entirely new road over the suggested stage route.

# Ayer's Cliff And District Donates \$279 For Blind

AYER'S CLIFF — The results of the canvass in Ayer's Cliff and district for the Canadian National Institute for the Blind, under the supervision of E. H. Chadsey, and reported to V. A. Davis, treasurer of the Stanstead County Advisory Board, are as follows:

Rita Whipple, Main Street, \$45.35; N. W. Lobb, School Street, \$35.50; Myrtle Chadsey, Tyler Street, \$23; Leta Dustin, Pleasant Street, \$5.25; Claire Shipway, Massawippi-Libbytown, \$170.40; making a total of \$279.50.

Fifty dollars of the amount col-

lected by Claire Shipway was specially donated by Mrs. Earl Hovey and her friends in memory of the late Earl Hovey and another donation of \$10 from the same district was in memory of the late Edith Corey.

At a meeting of the committee of the Stanstead County Advisory Board of the C.N.I.B. held in the Council Room of the County Building, it was decided to rent space in this building during the three days of the Fair in August, to provide and furnish a booth with handicrafts and other displays, in order that the public would realize what is being done by the C.N.I.B. to help the blind toward becoming self supporting.

# City Prepares Opposition To Fare Increase

A memo to the Provincial Transport Board, outlining the city's opposition to Laramée Service Inc. proposed fare increases on the Sherbrooke-Lennoxville bus service, will be ready later this week, City Attorney Albert Rivard said this morning.

He said remarks on Laramée Service financial statements and other figures pertinent to the case are being gathered for inclusion in the memo.

Mr. Rivard said the memo represented the city's written opposition to the planned increases. Last week, Mr. Rivard met with two representatives of the Board and an official of the Laramée company to review the demands.

A decision is expected from the Board within the next 10 days.

Under the revised rate table proposed by Laramée the present 15 cent cash fare would remain while tokens would be sold five for 55 cents instead of the present three for 30 cents. There would be no bulk sale of tokens.

For children under 12 years of age, the present cash fare of 5 cents would jump to 10 cents. The bulk sale of tokens to children, an innovation, would go for \$1.00.

Students 12 to 18 years would enjoy the same privilege provided they had identity cards signed by school superiors. This has been the usual practice.

Last year the company was given permission to increase the cost of tokens from three for 25 cents to three for 30 cents, with bulk sale of tokens at 12 for \$1.

Laramée attempted to restrict the sale of bulk tokens to cer-

tain restaurants and stores. The Board ordered that the package tokens be made available on all buses.

Next, the company implemented drastic timetable cuts without warning. A protest was registered by the city with the Board. However, the Board granted certain changes because it claimed that there wasn't much public protest.

In August, last year, the company asked that the sale of tokens in bulk be eliminated. The request was refused.

The company then entered its latest list of demands that provoked the city's opposition.

fore his business will be confined to made-to-order pieces. Chain stores are learning how to care for plants and cut flowers and will be handling this end of the business.

The speaker was introduced by R. Lindskou and thanked by Frank Simms. Seated with them at the head table were President Ivan Saunders, Art Hall, Lennox Wilson, Eric Swanson and Jack Quinn.

Rotarian Howard Moffatt was unanimously elected a director of the Club.

Members were reminded of the visit to the Y's Men's Camp at Shore Acres tonight for supper at 6 p.m.

The guests at the meeting included: Rev. Bill Williams, Wilfred Smith and Harold Knight of Sherbrooke; Bill Chester of Montreal, and Rotarians Arnold Smith, president of the Three Rivers club; Dr. John Page, Parsons, Dulles feared, could create much greater bitterness and more severe tensions between the Western powers and Russia than already exists.

Eisenhower's brief statement said he welcomed Khrushchev's agreement that the Middle East problems, long the subject of Eisenhower-Khrushchev letters, "should be placed again before the United Nations."

Khrushchev first suggested a five-power summit meeting in Middle East problems, and later agreed to U.S. British suggestions for a summit session of the security council. That preceded his visit to Peking.

## District Picnic Of Farm Forums At Lennoxville

On Saturday, Aug. 9, the Dominion Experimental Farm at Lennoxville will be host to the annual picnic of the Farm Forums in the Counties of Compton, Sherbrooke and Stanstead.

The picnic will be highlighted by two speakers. The address by Mr. Wickham, the agronomist from Newmarket, Ont., will be of special interest to the men. Miss Anna Christie, Home Economics Director for the Quebec Women's Institutes, will demonstrate salad making which should be of interest since this is the salad season.

A tour of the Experimental Farm has been arranged after lunch. The Farm Forums invite all to attend, since the picnic is not limited to farm forum members. Coffee will be provided and there will be a convention on the grounds. Picnickers will be expected to furnish their own lunch.

kind of committee consisting mainly of countries which are members of NATO, Baghdad and SEATO pacts."

He made a strong point of the council membership of Nationalist China and the lack of any UN representation for Red China, which Russia supports.

"The point of ignoring People's (Red) China is foolhardy," he said. "This great country exists. It is becoming stronger and developing regardless of the fact that certain governments do not recognize it."

In the light of Khrushchev's new stand, experts in the U.S. state department said it was almost certain that Khrushchev had encountered strong Red Chinese resistance to the idea of his attending a Security Council session. With Nationalist China represented there, this could mean a loss of face or prestige for the Chinese Reds. Khrushchev had ignored Red China in his previous notes.

## New Store

MONTREAL — A new Steinberg's Supermarket — the first of a group of 15 stores foreseen in Steinberg's expansion program for the current year — was opened, Tuesday at 1955 St. Catherine East in Montreal, under the management of Maurice Contant.

The Company now has 63 stores in operation and hopes, next April, that this number will have been increased to 78, according to Sam Steinberg, president of the company.

A five-year expansion program foresees the opening of 73 new supermarkets at a cost of \$30,000,000 and an increase in the sales volume from \$150,000,000 to \$260,000,000.

## Paper Output

MONTREAL (CP) — Canadian fine paper production for the first half of 1958 amounted to 129,265 tons compared to 132,251 tons in the corresponding 1957 period, the Canadian Pulp and Paper Association reported Tuesday. June production was 19,973 tons, off from 21,086 tons last year.

Shipments totalled 129,118 tons for the six-month period in 1958 and 20,603 tons in June. Corresponding 1957 figures were 132,313 tons and 21,703 tons.

## Cyanamid Buys St. Johns Plant

MONTREAL — Cyanamid of Canada Limited has purchased the Panely Division of the St. Regis Paper Company (Canada) Limited at St. Johns, Quebec. No purchase price was announced.

Dr. L. P. Moore, President of Cyanamid of Canada said the company had formed a Laminated Products Division that will operate the plant. This division will be responsible for the marketing of Formica, as well as Panely products. J. B. Fraser, formerly of the St. Regis Paper Company, has been appointed General Sales Manager of the new division.

"Extensive changes in the plant and additions to present equipment will be required before the St. Johns plant will be able to produce Formica," said Dr. Moore. "As soon as possible, however, such Canadian production will be started so that Formica products no longer will have to be imported into Canada. In the meantime, the St. Johns plants will continue full production of Panely products."

## Adlai In Moscow

MOSCOW (AP)—Adlai Stevenson met with Premier Khrushchev for more than two hours Tuesday. The touring American Democratic party leader declined to comment on his conversation except to note "with great distress"—as he put it—an apparent deterioration in the international situation.

### 'Pooped-Out Syndrome' Is Apt Diagnosis of Dad's Case

In his newspaper health column, Dr. Edwin P. Jordan recently called his readers' attention to the following item which first appeared in the Journal of the American Medical Association:

"During recent summers a 'new syndrome' has appeared. It is characterized by the pale, flabby, tired child who has gained excessive weight during the warm weather because he has stayed indoors in an air-conditioned house watching television most of his waking hours and has indulged in frequent between-meal snacks that have spoiled his appetite for well-balanced meals."

That's not the half of it. Judging from my mail a lot of men are suffering from the same complaint.

Actually, it is their wives who are doing the complaining. The men are just sitting—right in front of the TV set.

Some of them don't even get up to go raid the ice box. They just ask their wives to bring 'em a snack during commercials.

Yes, the men are getting pale and flabby—just like the kids. Because instead of mowing the lawn when they get an afternoon off, they are sitting in front of that TV set again, watching a ball game, and sipping that liquid re-

freshment that sponsors so many TV programs.

Just like the kids, they're tired, too. Too tired to take their wives to a movie, too tired to fix a leaky faucet, too tired even to move.

So that makes everybody in the family tired. And you can bet Mama sure is sick and tired of being married to a man who hasn't enough energy to do anything but watch TV.

### Raspberry Jam, Jelly Good For Winter Eating

#### RASPBERRY JAM

Yield: about 10 medium glasses (5 lbs. jam).

4 cups prepared fruit (about 2 quarts ripe red raspberries), 6½ cups (2¾ lbs.) sugar, ½ bottle liquid fruit pectin.

First, prepare the fruit. Crush thoroughly about 2 quarts fully ripe red raspberries. (If desired, sieve half of pulp to remove some of seeds.) Measure 4 cups into a very large saucepan.

Then, make the jam. Add sugar to fruit in saucepan and mix well. Place over high heat, bring to a full rolling boil, and boil hard 1 minute, stirring constantly. Remove from heat and at once stir in liquid fruit pectin. Skim off foam with metal spoon. Then stir and skim by turns for 5 minutes to cool slightly, to prevent floating fruit. Ladle quickly into glasses. Cover jam at once with 1/8-inch hot paraffin.

#### RASPBERRY JELLY

Yield: about 8 medium glasses (4 lbs. jelly).

3 cups juice (about 2 quarts ripe red raspberries), 5 cups (2¼ lbs.) sugar, ½ bottle liquid fruit pectin.

First, prepare the juice. Crush thoroughly about 2 quarts fully ripe red raspberries. Place in jelly cloth or bag and squeeze out juice. Measure 3 cups into a large saucepan. (If berries lack tartness, substitute 2 table-spoons lemon juice for 2 table-spoons of the fruit juice.)

Then make the jelly. Add sugar to juice in saucepan and mix well. Place over high heat and bring to a boil, stirring constantly. At once stir in liquid fruit pectin. Then bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat, skim off foam with metal spoon, and pour quickly into glasses. Cover jelly at once with 1/8 inch hot paraffin.

## Resentful Personality Worst Enemy To Feminine Beauty

By HAL BOYLE

NEW YORK (AP) — Girls, do you know what is the worst enemy of feminine beauty?

Here's what Constance Bennett, one of filmdom's all-time glamorous dolls, has to say:

"It is a resentful personality. Any woman who habitually harbors meanness and envy will find in time they will show in her face and make her unattractive."

Miss Bennett, one of the sprightliest daughters of her day, ran away from school to go to Hollywood, where she starred in 47 films and a number of marriages.

#### FULL CAREER

She was also perhaps the first movie star to earn a \$35,000 weekly salary and one of the first lady film producers. Following the tradition of her gifted father, Richard Bennett, early matinee idol, she turned later to the stage. She also has done a few stints as a supper club chanteuse.

Currently she is starring on the road in the hit comedy, Auntie Mame, a vivacious role that fits her like a girdle.

Connie, who still tilts her famed long cigaret holder at the same rakish angle, gets an eternal kick out of living and has some strong opinions on why people get old. "Youth consists merely in being enthusiastic with life—in not being bored with life," she said. "I think people who do nothing but think about how they look are bored. You can get very old worrying about how to stay young."

The heroine of Common Clay

and the famed Topper series thinks present-day movies are better than those of yesteryear, but that actresses are less glamorous.

#### CINEMA OPINIONS

"Films now are more realistic and true to life," she said. "They don't grind them out like sausage as they used to."

"But those old tinsel films did make actresses seem glamorous, remote and unattainable."

"There aren't any Nita Naldis, Theda Baras and Pola Negris around any more. That style of glamor isn't exciting anymore."

"Styles change in glamor, just as in everything else."

"What is glamorous today? I think it is a combination of fresh natural beauty and sophistication rather than the exotic. Ingrid Bergman and Grace Kelly come first to mind."

"But anything really obvious isn't glamorous — and that includes, in my opinion, actresses who look so sexy they seem to be bursting."

Whom did she have in mind?

#### MANNERS MAKE FRIENDS

If you call someone at the last minute to fill in for the bridge guest who finds he can't make it, explain the situation frankly.

You'll run the risk of hurting the substitute's feelings if you pretend the bridge party was a last-minute affair, when it wasn't.

## Personals

Mrs. Paul St. Laurent, of Three Rivers, Que., and Mrs. William Simpson, of Toronto, Ont., were guests for a few days of Mr. and Mrs. Alfred Chamberland, Portland Ave.

Mrs. W. R. Williamson and children, Anne, Stephen, Brian and Susan, of Downsview, Ont., were recent guests of Mrs. Williamson's mother, Mrs. W. A. Ward, Island, St. They also motored to Lancaster and Montpelier, Vt., where they visited relatives.

Mr. W. E. Marshall, who with Mrs. Marshall have been guests of their son-in-law and daughter, Mr. and Mrs. Len Vasil, of Toronto, Ont., has returned to his home on Victoria St., leaving Mrs. Marshall for a longer stay. He was accompanied home by Mr. Max B. Lampart, who was also a guest at the Vasil home.

Mr. and Mrs. Reginald Clifford and son, Gerald, of Valleyfield, Que., spent a few days with Mrs. Clifford's brother, Mr. Donald Cullen, Mrs. Cullen and family of Bromptonville.

Mr. and Mrs. C. G. Warner, of Glace Bay, N. S., are spending the next three weeks with their son and daughter-in-law, Mr. and Mrs. Gordon Warner of Lennoxville.

#### Engagement

Mrs. Yvonne Paquette announces the engagement of her daughter, Rejeanne, of Colebrook, N. H., to Tobias Gilbert, son of the late Mr. and Mrs. Arthur Gilbert, of Sawyerville, Que. The wedding has been arranged to take place at Colebrook, N. H., in October.

#### Fashion

Wallets are becoming oblong and flat instead of square and fat. They're roomy and hold everything that the standard type does. Some have gold embossed corners.

APPROACHING MARRIAGE — Miss Anne Sharman, daughter of Mr. and Mrs. William Sharman, of Hatley, Que., whose marriage to Mr. Vincent A. Ottaviano, son of Mr. and Mrs. Joseph Ottaviano, of Long Branch, N.J., will take place in September. Miss Sharman, a graduate of Lennoxville High School and the Catherine Booth Hospital in Montreal, is on the staff of the Monmouth Memorial Hospital in Long Branch. Her fiancé, a graduate of Red Bank Catholic High School, served four years in the U.S. Navy and is proprietor of a Beauty Salon in Red Bank, N.J.

#### It's Fun To Add Color To Wardrobe

It's easy to form poor habits about color. Since black is practical, many of us tend to live in it. And thereby we rob ourselves and others of the pleasure of vivid color.

Every wardrobe needs some black, true. But every wardrobe needs violet and blue, green and gold, pale pink and beige. You don't even need to be daring about color to include it in your wardrobe.

A good way to get started on switching from black to colors is to pick out a dress that you like in black, then ask to see it in blue or green or beige.

You'll be surprised how others will notice the change. And you'll find that it's fun to switch from color to color.

# 129th Missisquoi County Fair Starting On Friday

## Three-Day Bedford Fair Has Fun For The Whole Family

DAN MacARTHUR  
Fair President

BEDFORD — The 129th annual Bedford Fair will open its gates to the public on Friday, August 8, and from all reports it should be one of the best yet for the Missisquoi County Agricultural Society.

Entries are well up in all classes. An outstanding grandstand performance featuring Jimmie Diano and his troupe has been secured for both Saturday and Sunday afternoons, together with a concert by the Cowansville Band. This well known group consists of 40 pieces with 5 majorettes.

Two races with purses of \$150 each will be run on both these days as well and Saturday evening the big horse show will be the drawing card. It will include classes for ponies, saddle and driving horses.

During the three days of the fair there will be the arena show—the ever popular horse and cattle parade; there will be displays of farm machinery by all the major manufacturers and of course there will be the midway. Green's Midway will be on hand to supply thrills a-plenty for the adventurous and rides that are fun for all.

For the farmers of the district there will be the more serious business of the stock competitions for which they are already making preparations. The judging program starts Friday afternoon and continues through the next day. Friday's classes will include sheep and swine, crops. Boys Calf Club, vegetables and flowers, handicrafts, canning etc.

1957 WINNERS - - Pictured above are last year's winners in the Ayrshire class at Bedford Fair, U. Bernier, left, and Roger Beaudry, right. With them are Raymond Lantot, Field Man Secretary for the Provincial Ayrshire Association, second from left, and Fair president, Dan MacArthur. (Record photo by Gerry Lemay).

The drawing for a brand new 1958 Chevrolet Deluxe Sedan will take place in front of the grandstand on Sunday afternoon. Tickets for this car, worth \$3440, are available from any Fair director.

Youngsters belonging to calf clubs from St. Philip La Prairie, St. Armand and Cowansville will bring to the fair between 40 and 50 calves they have raised themselves to compete in a special exhibition.

### Dental Team Services Suggested

GENEVA (Reuters) — The world shortage of dentists and ways and means of relieving the universal scarcity of manpower to fight dental diseases, the most common of all ailments, was discussed for the first time recently by a group of experts called together by the World Health Organization.

The result of this meeting was a recommendation that dental service should not necessarily be given by a single dentist but by teams of dental personnel.

Studies have confirmed that by delegating part of their work to trained assistants, dentists are able to care for many more people and therefore give more valuable service to the public.

It was for this reason that the W.H.O.'s expert committee of auxiliary dental personnel during its first meeting held here stressed the importance of establishing dental health teams. Each team would be supervised by a dentist using two or more trained assistants.

Such teams, according to the expert committee, could be introduced with advantage in the established dental program of economically advanced countries as well as in building up services in areas where little or no dental care is as yet available.

In all countries, according to the W.H.O., the population is growing faster than the number of dentists.

Figures provided by some 20 countries show that the largest number of dentists per capita of population is in Sweden, where there is one dentist to every 1,550 people. At the bottom of the list is Indonesia, with one dentist to every 270,000 people.

As an example of the population increasing faster than the number of dentists, the committee said that in the United States the ratio is at present one dentist to every 1,900. But according to current estimates, this will have risen to one for every 2,100 people by 1975.

Among the auxiliary personnel working in the proposed dental

# Annual Bedford Fair Promises To Be Top Entertainment

## Outstanding Acts In Grandstand Show

The midway is fun, the exhibits are fascinating, but a day at the fair just isn't complete without attending the grandstand performance. Bedford fair officials are well aware of this and have done their best to assemble a top-notch afternoon's entertainment.

Jimmie Diano and his troupe will be the star attractions. Just about every kind of entertainer is included in the group. There is, for instance, The

Great Paul, who is a sword swallower and fire eater. Roger and Lynn, Adagio acrobats, put on a show that you won't soon forget. And the famous Corbinos will demonstrate their agility and daring in a roller skating act.

Patricia Byrd, baton twirler, wields that little stick like a third arm and does things with it that hardly seem possible.

Fred Hoffman and his musical trio will present a popular pro-

gram and Marlene Fortune, accordionist - singer, will undoubtedly be an audience favorite. James Skelton will act as master of ceremonies.

# Versatile George Herring Sparks B. C. Lions To 34-22 Win Over Als

## Walker Squad Minus Several Of Their Star Performers No Match For Classy Westerners; 21,343 Take In Fixture

MONTREAL (CP) — George Herring, versatile quarterback from Mississippi Southern, sparked British Columbia Lions to a 34-22 win Tuesday night over Montreal Alouettes.

Herring, who kicks, runs and passes, fired long touchdown passes to Paul Cameron and Sonny Homer early in the fourth quarter.

It was the west coast team's second win over eastern clubs in preseason football exhibitions in less than a week. Last Friday in Vancouver they defeated the Grey Cup champion Hamilton Tiger-Cats 14-7. The Als a week ago knocked off Winnipeg Blue Bombers 40-7.

### PASSING SPOTTY

Playing before a twilight crowd of 21,343 in M-Gill Stadium the passing by both teams was spotty. The Lions proved the better opportunists and four of their five touchdowns came directly on passes.

Sam Etcheverry helped his team's offence with passes but the Als' three touchdowns were scored directly on ground plays.

Cameron accounted for two of the Lions' touchdowns. In addition to Homer, the others went to Rick Kaser and Don Vicic. Joel Wells scored two of Montreal's touchdowns and Dick Hunter the other.

Bill Bewley converted all three for Montreal and the Als added a single point—their only score of the last quarter—when Ray Lackner was roughed on Etcheverry's kick. Ted Hunt failed on one convert attempt for the Lions.

## Low Burdette Cools Off Red-Hot Pirates With Help Of Two Homers; Giants Lose 10-Inning Battle To Cubs

All it took was a little dose of Low Burdette magic to cool off the Pittsburgh Pirates as National League pennant contenders.

Home runs by Eddie Mathews and Del Crandall set up the 6-1 victory over the Pirates Tuesday night that restored the Braves' five-game lead over San Francisco. The third-place Pirates dropped seven games behind the leaders.

The Giants came from way back, trailing by six runs at the end of six innings in Chicago, only to lose to the Cubs 10-9 in the 10th. Ernie Banks' single chased home an unearned run at the expense of Johnny Antonelli in the 10th.

### NINTH-INNING RALLY

Cincinnati rallied for three runs in the last of the ninth to top Philadelphia 6-5 as Frank Robinson knocked in the tying and winning runs with a two-run double off Dick Farrell.

St. Louis broke out of its batting slump with 21 hits in a 13-3 romp over Los Angeles. Wally Moon was the Cards' big hitter with a homer and three singles,

driving in three runs. Burdette shut out Pittsburgh for seven innings on the way to his 11th victory. All Milwaukee scores were charged against Ron Kline who gave up all five Braves hits for his 10th defeat.

Banks had four hits, including his 31st homer, high in both leagues. Rookie Morris Thacker also homered for the Cubs and Leon Wagner and Orlando Cepeda for the Giants. Willie Mays had three hits for a .341 average.

When Jack Sanford left the game in the ninth in Cincinnati, the Phils had two on with none out. Farrell retired the two men but George Crowe slammed a single off his glove for one run and Robinson hit a 1-2 pitch into center field. Joe Nuxhall was the winner in relief. Richie Ashburn had two hits to retain the batting lead at .343.

Billy Muffett went all the way in St. Louis, holding the Dodgers to seven hits. Danny McDevitt was chased with his fourth defeat. The 21 hits marked a new season high for the Cards. Stan Musial's two hits left him at .340 in third place.

## Ten Provinces Will Be Represented In Canadian Junior Tennis Tourney For First Time 11-Year History

OTTAWA (CP) — Champions of all 10 provinces will compete for the first time in the 11-year history of the Canadian junior tennis championships which open today.

A record entry of some 250 players from Canada and the United States will compete in the 10-day championships on the 16 courts of the Rideau Lawn Tennis Club in suburban Overbrook.

Newfoundland became the last province to send its junior champions here, being represented by junior women's titlist Frances Walsh, 17, and junior men's champion George Neal, 16, both of St. John's.

The competitors will play more than 600 matches in quest of 23 titles, eight closed and 15 open.

### TUESDAY'S FIGHTS

Miami Beach, Fla.—Robinson Garcia, 133½, Havana, outpointed Bobby Bell, 130, New York, 10.

## Fuller Moves Into First Place Tie With Windsor As They Blank Cards 6-0; Two Games Scheduled For Thursday

The race in the Junior League is becoming increasingly tight as the teams head into the home stretch. Fuller blanked the Windsor Cardinals 6-0 last night to move into a first place tie with the Cards both teams having a thirteen and six record.

They each have five games left to play and meet in one of them, the last game of the regular season.

M. Audet allowed only five hits as he held the Cardinals scoreless for seven innings. He aided his own cause as he slammed out the only extra base hit in the third, a double, from which he later scored.

Fuller collected only six hits in the combination of Roger Couture and Magella Dubois on the mound for Windsor. Couture pitched the first five and one third innings but three costly wild pitches allowed three runs and Manager Couture called on

## Maple Leafs Win P.O.N.Y. League Championship With 11-3 Victory Over Bears; Playoffs Start Tuesday

The Maple Leafs have officially won the Sherbrooke P.O.N.Y. League Championship. They insured their position last night at Sangster Park when they topped the Bears 11-3. Last week league officials stated that the Leafs were League Champions as it was mathematically impossible for any other team to catch them.

On checking at a meeting of officials on Monday night it was discovered that the Bears could still tie the supposed champs.

However Petes Cadieux with his three-hitter and the batting combo of Gingués, Coates and Ross left no doubt in anyone's mind as to who the champions were. Gingués had three hits in four trips to the plate, Coates was two for three including a double and Ross was two for

four with a triple to his credit. The Leafs opened with a single in the first, added a big four in the second and never looked back. The Bears counted two in the third and another one in the sixth to account for their three points. Singletons in the fifth and sixth and another four run barrage in the seventh cinched the game for the Leafs.

As a result of the game the Bears are tied with the Wings in second place. A game will be played Thursday night at Dufresne Park at 6:30 to decide the holder of the position.

The playoffs get under way next Tuesday with the first and third place teams squaring off and the second and last place teams battling it out.

## Bob Turley, Yanks' Ace Hurler, Chalks Up His 17th Win Over His Former Mates; Red Sox Win 7-1

When Bob Turley starts something he finishes it. The New York Yankee ace, top winner in the majors with his 17-4 record, has completed 16 of 22 starts.

Turley's latest effort was a seven-hitter against the Orioles Tuesday night for a 4-1 victory equals his personal league high. He had a 17-13 record in 1955 the first year with the Yanks.

### HITS 30TH HOMER

Mickey Mantle slammed his 30th home run off loser Connie Johnson with two men on in the third. The blow tied him with Boston's Jackie Jensen for the American League homer lead.

The feeble Orioles suffered their ninth straight defeat, tying the Detroit Tigers for the longest losing streak of the year. The Tigers had a six-game winning string snapped by Cleveland 6-1 when Cal McLish pitched the Indians into fourth place. McLish now has an 11-6 record.

Billy Mombouquette, a 21-year-old rookie from Medford, Mass., beat Washington 7-1 for his first major league victory for Boston. Ted Williams playfully eluded a fan in the outfield until the police caught up with the intruder in the seventh. Jimmy Piersall's three-run homer was the big blow off loser Camilo Pascual.

### JUMP ON GRIM

Chicago jumped on loser Bob Grim for five runs in the third inning and hung on for a 5-4 edge over Kansas City with some neat relief work by Turk Lown.

Cleveland scored all its runs off George Susce in the first three innings. Two came on Mickey Vernon's homer. Charlie Maxwell led off the Detroit fifth with a homer for the lone run off McLish.

Mombouquette, brought up from the Minneapolis farm about four weeks ago, finally got some solid hitting and steady defence from the Red Sox.

Lown put down a Kansas City uprising in the fifth and blanked the A's the rest of the way to earn the victory.

## No Interlocking Schedule For Two Years, Says Tely

TORONTO (CP) — The Telegram says the Canadian Football League will continue its official east-west division without an interlocking schedule for at least two years.

The CFL, still only a league in name, meets here Friday to discuss an interlocking schedule. Ottawa and Montreal oppose it and will vote it down. The Telegram says.

Toronto and Hamilton, the two other Big Four Football Union teams, and a majority of western teams headed by Winnipeg are said to be in favor of experimenting with a partial schedule next season with a view to adopting a complete home-and-home 16-game schedule for Canada's nine professional teams in future seasons.

## Upsets Recorded In Eastern Tennis Tourney

SOUTH ORANGE, N.J. (AP) — Tuesday was the day of upsets in the eastern grass court tennis championships with Wimbledon champion Ashley Cooper of Australia and Christine Truman of England leading the list of seeded stars falling by the wayside.

Cooper, the top-seeded foreign entry in the men's singles and rated the world's No. 1 amateur, was beaten by John Cranston of San Marino, Calif., 6-3, 6-3.

Miss Truman, seeded first on the women's foreign list, was ousted 6-4, 6-3 by 18-year-old Gwyneth Thomas of Shaker Heights, Ohio.

Althea Gibson, the Wimbledon queen from New York, defeated Lois Felix of Meriden, Conn., 6-2, 6-1.

### TUESDAY'S STARS

Battling: Ernie Banks, Chicago Cubs—collected four hits against San Francisco including 31st home run. His 10th inning single won the game 10-9.

Pitching: Bob Turley, New York Yankees—the major's top winner boosted his season record to 17-4, Yankees defeated Baltimore 4-1.

## Gail Harvey, 15-Year-Old Lass From Toronto, Pulls Upset By Scoring 3 And 1 Win Over Mrs. Graeme Pyke

SASKATOON (CP)—Gail Harvey, a sharp-shooting 15-year-old from Toronto, turned the only real upset of the Canadian Women's Open golf championship Tuesday, but two other junior players survived the first round of match play and seven more gave a good account of themselves.

Rita Lohnes, 19, of Lunenburg, N.S. and Mrs. Rex Hebb of Bridgewater, N.S., the only two Maritimes players to survive the qualifying rounds, were both eliminated in Tuesday's play.

Miss Harvey won the national junior title at the Saskatoon Golf and Country Club last Saturday and now is the youngest survivor in the championship flight of the open.

### WON 3 AND 1

She scored a 3 and 1 victory Tuesday over veteran Mrs. Graeme Pyke of Montreal, a member of the Quebec interprovincial golf team nearly every year since 1950.

Joining her among the 16 in the second round are juniors Suzanne Foulds, 17, of Vancouver, and Jackie More, 19, of Burlington, Ont. Miss Foulds defeated Vancouver veteran Mrs. M. Hutton Potts 2 and 1 while Miss Roma Chapin of Montreal 4 and 3.

The favorites, including defending-champion Betty Stanhope of Edmonton, last year's runner-up Mary Gay of Calgary, Mrs. Marlene Stewart of Toronto and Rae Milligan of Calgary, survived Tuesday's round, too, but at least two of them faced stiff opposition from juniors.

Rita Lohnes came from behind to scare Miss Stanhope before losing 2 and 1 on a missed nine-foot putt at the 17th hole. Gayle Hitchens, 14, of Vancouver took Miss Gay to the 17th before losing 3 and 1.

Today's best match was expected to be between Judy Darling and Miss Milligan. Mrs. Strait meets Miss Foulds, Miss Stanhope meets Mrs. Cleat, Miss Moro meets Miss Patton, Miss Gray goes against Miss Evans, Miss Neundorf against Miss Goulet, Miss Harvey against Mrs. Lyle and Mrs. Barclay against Mrs. Jamison.

## Lennie Green's Only Hit, Homer, Gives Red Wings Victory; Royals And Maple Leafs Lose Their Tilts

Some teams can get the job done with one big hit. Others need a bunch of little ones.

Rochester Red Wings used Lennie Green's home run — his only hit of the night—in the 13th inning to defeat Columbus Jets 7-6 Tuesday night in the International League. Havana needed a triple by Tony Gonzales in the 11th inning to edge Toronto Maple Leafs 4-2 while Miami Marlins used 10 singles to defeat Montreal Royals 7-4.

In the final league game, Ed Dick pitched a two-hit shutout as Richmond Virginians ended Buffalo Bisons seven-game winning streak, 2-0.

Green's homer led off the home half of the 13th to give Bill Green his sixth victory in 14 decisions. Hugh Pepper (7-10) lost.

### TIEFENAUER LOSES

Rogelio Alvarez singled ahead of Gonzales' triple, and the latter scored on Bob Tiefenauer's wild pitch. Tiefenauer (11-5) lost while Gene Hayden (1-4) won, both in relief.

Montreal tried its hand with the big bat, banging three home runs off winner John Anderson (4-4). Back to back homers in the first by Jim Koranda and Clyde Parriss, and a two-run homer by pinch-hitter Bob Lennon accounted for all Royals' runs.

Wednesday's schedule: Columbus at Rochester, Richmond at Buffalo, Miami at Montreal, (2), Havana at Toronto, (2).

## Ontario Rifle Association Annual Matches Swing Into Second Round; Pte. Wright Of Stanbridge In Tie

CONNAUGHT RANGES, Ont. (CP)—The Ontario Rifle Association annual matches entered their second day today with one opening-day event yet to be decided. Five competitors Tuesday shot 106 points of a possible 110 to force a tie-breaking shoot-off in the City of Toronto match. Among them is Pte. Gordon E. Wright of Stanbridge East, Que. The others are from Ontario. Most of the 260 competitors at these ranges 11 miles west of Ottawa were expected to shoot in today's main events, the Tail-Brassey and the Duke of Cornwall and York. Service riflemen are here from

most Canadian provinces and New York State. Tuesday's arrivals included a nine-member team flown from the RCAF Air Division in Europe. Also competing is a 15-member British rifle team. Most competitors are staying over for the week-long Dominion of Canada Rifle Association matches starting here Sunday. The Ontario matches wind up tomorrow. Maj. T. M. (Tom) Stevens of Ottawa, Tuesday won the City of Hamilton match in a tie-breaking shoot-off after four competitors posted perfect 35-point scores.

## Dusty Rhodes And Joe Margoneri Stage Wild Battle On Plane Following Slight Ribbing By Both Players

PHOENIX, Ariz. (AP)—Two veteran baseball players for Phoenix Giants got into a fist-swinging brawl Monday aboard an airliner. The fight involved outfielder Dusty Rhodes and pitcher Joe Margoneri of the Pacific Coast League team. Crew members aboard the Western Airlines plane said chairs and tables in the plane were broken. Stewardess Betty Hunt said both men had been drinking. But members of the Giants said Tuesday a bit of boyish ribbing led to the fight. Rosy Ryan, manager of the Giants, said both players were fined but would not disclose the amount. Rhodes and Margoneri,

both San Francisco Giant cast-offs, once again are the best of friends, Ryan added, and anyway—it wasn't much of a fight. The plane was flying the team home from Portland when the fight broke out. The plane commander, Capt. Joseph Seday, ordered both players off at San Francisco International Airport and asked airport police to escort them to another plane. Airport police officer Leon Bunner said both appeared friendly as they boarded another airliner. Seday declined to press charges. Neither Rhodes nor Margoneri were available for comment.

## Richmond Tops Cowansville 16-6 In Softball Tilt

Brown Shoe of the Richmond Softball League came up with an impressive 16-6 victory over Cowansville in an exhibition tilt played in Richmond. Bob Pariseau hurled for Richmond and allowed twelve hits and three walks while striking out ten. Erwin Szabik on the losing end of the count was tagged for thirteen hits, five bases on balls and registered five strike-outs. There was a total of five home runs hit, Cowansville leading with three off the bats of Gendron, F. Beauregard and Supernant. Pat Desrosiers and Emile Beauchance homered for Richmond. Richmond took an early 3-0 lead in the first and added doubles in the third and fourth. Cowansville counted only one run in the second inning. Cowansville came up with a grand slam homer in the fifth which put them back in the game but they could manage only one more run in the nine inning affair. Desrosiers was outstanding at the plate for Richmond while Gendron played good ball for Cowansville.

## Duck Forecast Is Not Promising

WASHINGTON (AP)—The fish and wildlife service had poor news Tuesday for duck hunters. It said the outlook is for smaller fall flights of ducks in the Atlantic, Mississippi and central flyways than in 1957 and for only a small increase in the Pacific flyway.

## Bill Ezinicki Shoots 137 To Cop N. H. Open

NASHUA, N. H. (AP)—Bill Ezinicki, former professional hockey star from Winnipeg, rallied to win the New Hampshire Open golf championship Tuesday from Phil Friel of Nashua. Ezinicki, now playing out of Stoneham, Mass., fired a two-under-par 69 to nip Friel 137 to 138.

## Rory Calhoun To Fight Here, Monday, August 18

STARS OF THE RING WORLD — Rory Calhoun, sixth-ranked middleweight in the world, slated to fight in Sherbrooke, August 18, shows off his powerful muscles to an old friend, retired undefeated heavyweight Champion of the World, Rocky Marciano. Calhoun is slated to fight Hank Mercer in the 10-round main event.

Rory Calhoun, sensational middleweight contender from White Plains New York, is scheduled to do battle in the main event card at the Sherbrooke Arena, Monday night, August 18, it was announced this morning by local promoter Pee Wee Berwick. His opponent for the 10-round battle will be Hank Mercer who took a decision from Rudy Cornely last Sunday.

This is the battle the entire city has been waiting to see. Calhoun is known in boxing circles throughout the entire world as one of the toughest men with one of the hardest punches in the middleweight ranks.

It will be the perfect opportunity to have a potential World's Champion fight right here in the Queen City of the Eastern Townships.

Mercer in his last appearance here was rather rusty as it was his first outing since January. Calhoun's record speaks for itself. Up until the end of last year, he had 34 wins, among them, 16 KO's.

Rory is without doubt the best and most highly-ranked fighter ever to visit Sherbrooke. Rated No. six in line for Sugar Ray Robinson's title, he can ill afford to put up a bad showing.

Rory visited Sherbrooke last month, just a few days after he hammered out a decision over Bobby Boyd in a thriller at Chicago June 25 which was given national coverage by television. Television fans will have a chance to see the colorful battler in action once before he visits Sherbrooke. He is highlighting a card at Madison Square Gardens.

## Canadians In Second Round Of Bar Harbor Event

BAR HARBOR, Me. (CP)—Canada's Derek Piers and Nick Weatherston advanced to the second round of the Bar Harbor Invitational tennis tournament Tuesday. Piers won a marathon match from Thomas Maren of the United States 7-5, 14-12 while Weatherston had an easier time of it against American Peter Zwack 6-2, 6-3. The Canadians are from Halifax.

## Billy Gardner's Injury Breaks Playing Streak

BALTIMORE (AP)—Billy Gardner, Baltimore second baseman injured in the back Monday night by a Don Larsen pitch, will ride the Oriole bench Tuesday night against New York and see his consecutive playing streak go by the boards. Gardner had played in 361 straight games, second only to Chicago's Nellie Fox in the American League. Fox' streak is well over 400. A doctor who examined Gardner said he won't be able to play at least until Friday.

## Alberta Blue Injured Prior To St. Leger Classic

LONDON (CP)—Alberta Blue, the Irish-bred colt owned by Max Bell and Frank McMahon of Calgary, has injured himself in his box and now is a doubtful starter for the Sept. 13 running of the St. Leger. Race experts had given the the Canadian-owned horse an excellent chance of winning the big Doncaster race.

REMEMBER WHEN Australia defeated Canada in the Davis Cup inter-zone semifinal when the doubles team of Jack Bromwich and Colin Long won an easy victory 11 years ago today at Montreal. After winning the first two singles matches, the Aussies won the doubles 6-2, 6-1, 6-0 over Gordon MacNeil and Edgar Lanthier, taking little more than an hour for the decisive victory.

## White Sox Belt Indians 11-1; Tilt Tonight

Pitching three-hit ball Paul Legendre led the White Sox to a 11-1 win over the Indians in a Little League game last night at the Parade Grounds. The win leaves the White Sox and Athletics tied for top spot in the league standing. Tonight the Red Sox visit the White Sox game time 6:15 p.m.

White Sox scored runs in every inning but the sixth with their batters building up a 14-hit barrage. They got two runs in the first on hits by G. Pelletier, Mike Daniels and J. Pelletier. Lachance, Daniels and Legendre clicked for singles in the second adding three more. Kershaw started off the top of the third with a double. G. Pelletier and Lachance followed with singles sent in another tally.

Four hits in the following two innings by Legendre, Daniels and Lachance brothers sent in five runs to give the Sox an 11-0 lead. Legare and Lebreque, in the last of the sixth, gave the Indians their lone run spoiling Legendre's shut out.

White Sox all played well in the game with Legendre again brilliant on the mound. He chalked up 12 strike-outs in his win. Legare and Lebreque were the stars for the losers. Courchesne, Roy and Griffin umpired the game.

White Sox 231 320—11 14 0  
Indians 000 001—1 3 3  
Legendre and N. Lachance; Legare and Dussault.

## Leroy Satchel Paige Leaves Team For "Showdown" With Manager Ryan, Placed On Inactive List Tuesday

MONTREAL (CP)—Leroy (Satchel) Paige, professional baseball's oldest active performer, was reported to have left Montreal by plane for Miami Tuesday for a "showdown" on his pitching career, which spans at least 35 years.

The right-hander, who says he's 49 years old but is probably considerably older, was placed on the Miami Marlins inactive list Tuesday and suspended today by General Manager Joe Ryan. Ryan said Paige was removed to make room on the roster for pitcher John Gray, acquired from the Philadelphia Phillies. The suspension was for "utter disregard of rules."

Paige, a native of Mobile, Ala., checked out of his hotel room after telling reporters he was headed for Miami for a "get-together and a showdown" with Ryan.

### QUIT FOR AN HOUR

He said he was being punished for quitting the Marlins for one hour Saturday in Rochester.

"They don't take a pitcher with nine wins and six losses off the roster for the good of the team," Paige said. (He actually has seven losses).

It was reported in Miami that Paige has asked for his release from the Marlins. "All I want them to do is just pay me what they think they owe me and let me go free," Paige was quoted as saying.

He said the club was trying to "get back at me for that Saturday thing"—referring to the episode Saturday when he left the team in Rochester saying it had

not paid him salary he was owed and had not given him meal money for the team's 13-day road trip. He returned an hour later. Ryan said Paige had taken advances on his salary and didn't get meal money because he wasn't present when it was passed out.

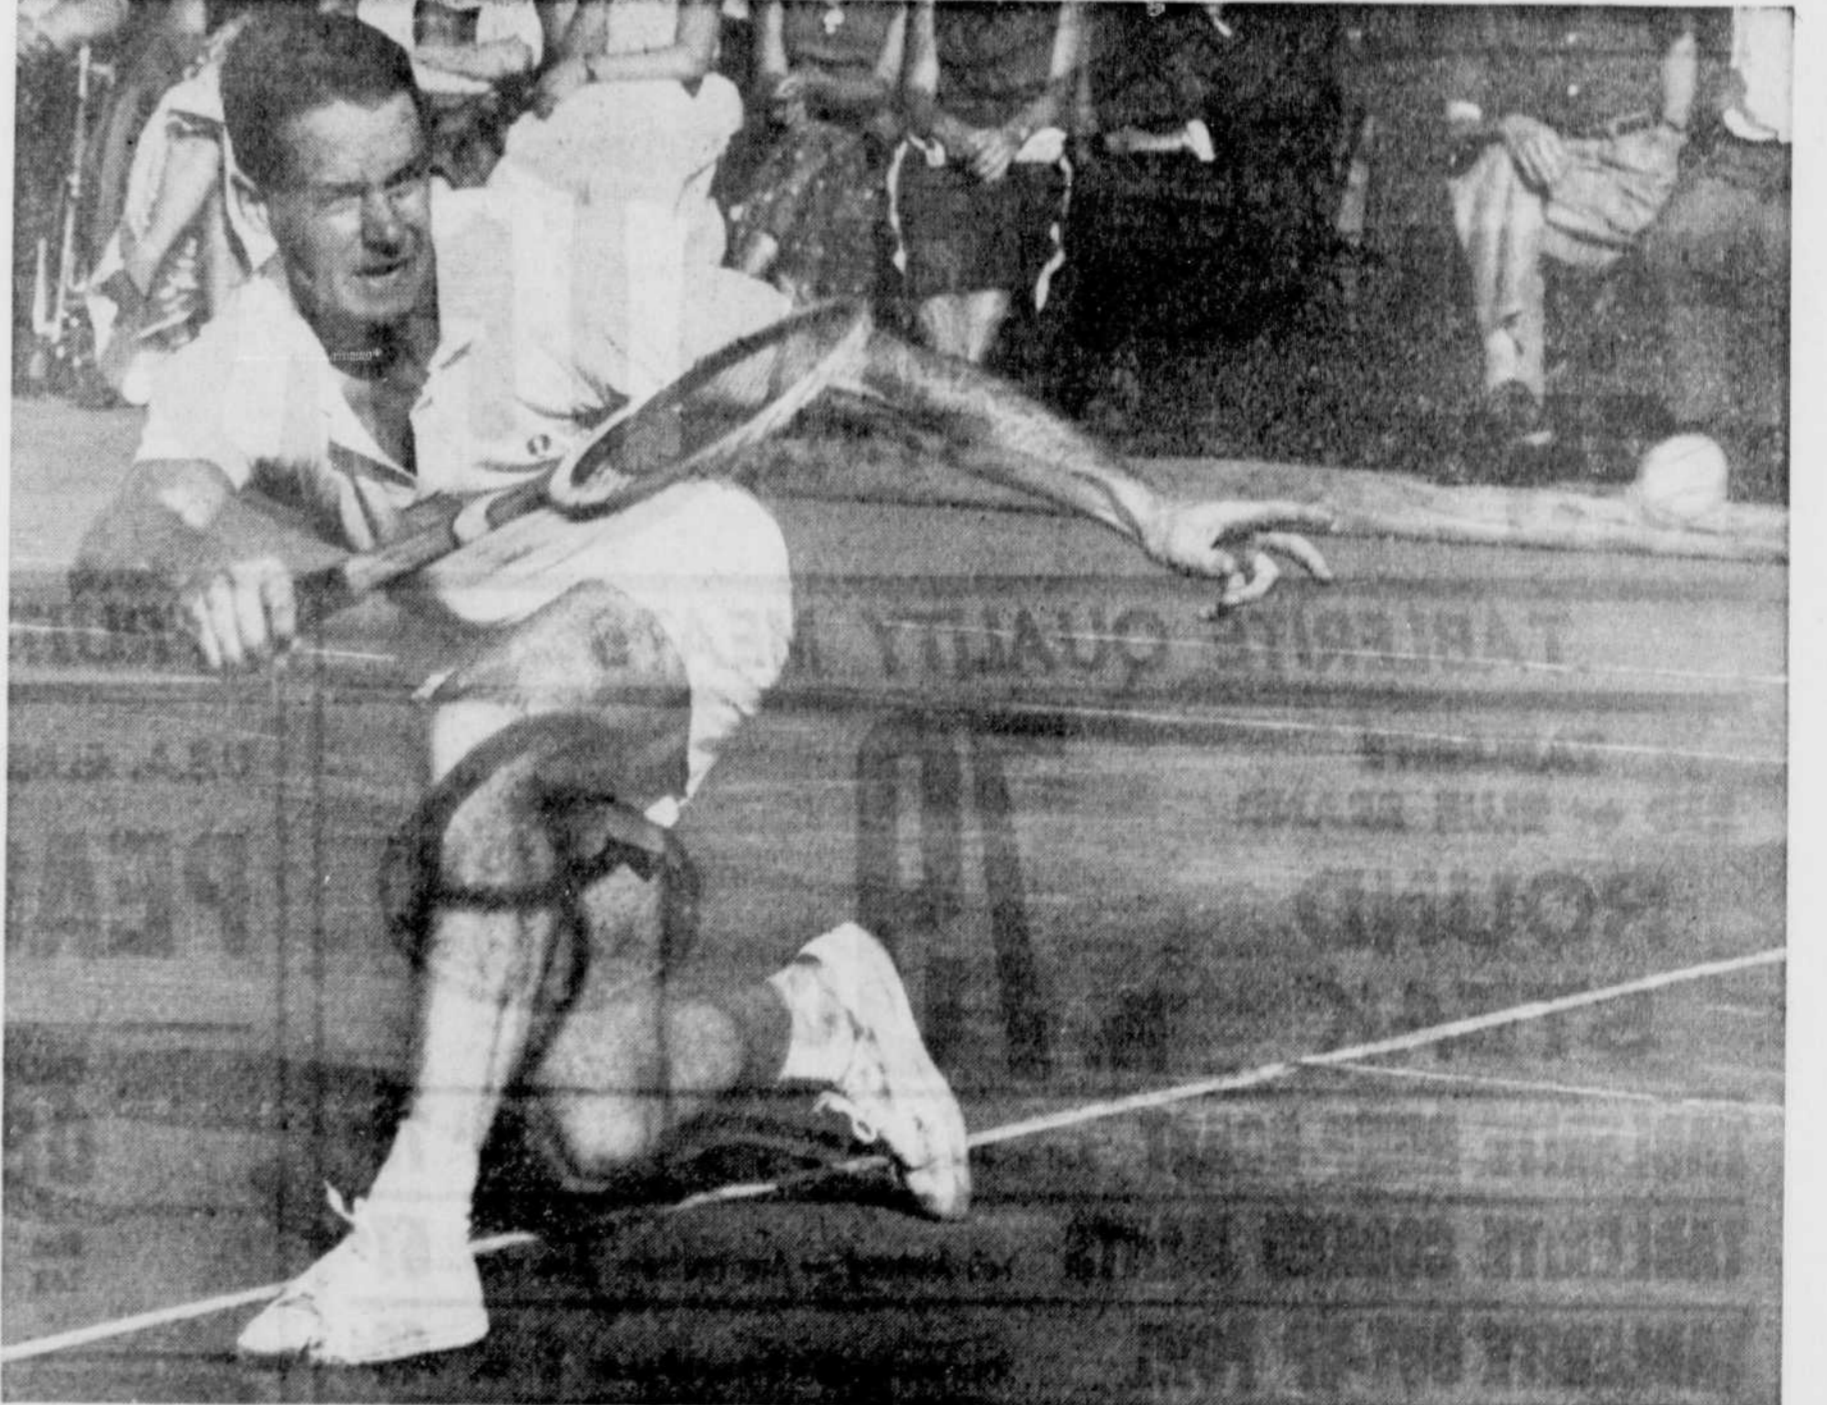

CINCINNATI (AP)—Cincinnati Redlegs Monday returned outfielder Dan Morejon to Havana Sugar Kings of the International Baseball League. He was obtained from Havana July 7 and batted .192 in 12 games.
