NORTH STAR STILL MISSING

Likes Diefenbaker — Mary Elizabeth Whiteacre of the Toronto Young Progressive Conservative Association demonstrates her support for John Diefenbaker, a candidate for leadership of the Progressive Conservative party, which opens its national convention in Ottawa today to choose a new leader.

Three-Day PC Convention Opens; Seek New Leader, New Future

By HAROLD MORRISON
 OTTAWA — The Progressive Conservatives today link hands with destiny in search of a new leader and a new future. In the hot, white glare of batteries of television lights, some 3,000 voices will be raised in song and prayer as the curtain is lifted on one of Canada's biggest political spectacles—a three-day convention designed to produce a new party chieftain and a new vote-getting platform. This could be the turning point in the party's ill fortunes, or it could be another dark path to political despair. The party has been out of office for 21 years, defeated by the Liberals in five consecutive general elections. Another general vote is expected in June 1957. "We've got to win the next one or come closer to winning," said one of the 1,400-odd delegates

who will have power to vote for a new leader and platform. The Conservatives have 51 of the 285 seats in the Commons. The Liberals have 169.

The convention, with its circus air, is scheduled to open at 2:30 p.m. EST in Ottawa's bingo and horse show Coliseum, where the animal smell still hovers and where the tinsel and glitter, the batteries of lights and some two miles of bunting heighten the spectacle into a gala affair.

But there will be a touch of sadness even on opening day. For at 2:15 p.m. Hon. George Drew is scheduled to deliver his valediction. He has been forced at 62 to resign the leadership because of ill health.

Three MP lawyers are vying for his mantle. They are John Diefenbaker, 61, of Prince Albert, Sask.; Donald Fleming, 51, of Toronto Eglinton, and David

Off To P.C. Convention — In Ottawa today some 1,400 delegates will start a three day convention to elect a national leader for the Conservative party and to form party platform. Investigate Report Of Wreckage Sighted On Sumas Mountain

Vancouver — The search for the lost Trans-Canada Airlines North Star, with 62 aboard, centred on a mountain 55 miles east of here today, where a boy reported seeing the wreckage of an aircraft.

An RCAF ground party left this morning for Sumas Mountain, 10 miles west of Chilliwack to investigate the report which was supported by two men.

This was one of three localities from which came reports of flashes of light, seen about 7.00 p.m. Sunday when the big transport plane was last heard from. The others are nearby Mt. Cheam and Silvertop Mountain.

IRA Raids British Posts In N. Ireland

ARMAGH, Northern Ireland — Terrorists attacked British installations in Northern Ireland today with bombs and grenades.

"It's a night of terror by the Irish Republican Army," a police spokesman said.

A grenade attack was beaten off at the British military barracks in Armagh.

Other bands bombed and destroyed a British Broadcasting Corporation transmitter in County Derry.

The police spokesman said "there have been other incidents at Castleberg, Strabane and Omagh in County Tyrone."

The counties of Armagh and Tyrone, on the border of the Irish Republic, have been a favorite prowling ground of the illegal Irish Republican Army, which demands the reunion of Ireland's six northern counties with the republic.

The police spokesman said the attacks on the Gough Military Barracks here "was an attempt to overwhelm and capture the

New Fight Reported In Poland

WARSAW — New anti-government violence was reported in Poland today in the wake of the mob attack on the Soviet consulate at Stettin. Eighty-eight persons, many of them youths, were reported jailed for the Stettin riot.

Trybuna Ludu, official organ of the Polish Communist party, has disclosed that a crowd had attacked a police building in Olecko, a town near the north-eastern city of Bialystok.

Order was restored, the paper says, after the arrival of militiamen from Bialystok.

The Communist paper reports that crowds demolished municipal offices at Nowy Ciechocinek in the northern midlands.

Other demonstrators beat up a local Communist party secretary at Nieszawa, in the same district.

The paper adds: "more such incidents can be reported."

Poland's nationalist Communist government, seeking to avert any repetition of the Soviet military intervention in Hungary, sped an apology to Moscow for the attack on the Russian consulate in the outburst at Stettin Monday night.

Kidnapped UK Officer Said Dead

PORT SAID — The Egyptian underground Tuesday night said it had kidnapped and killed a young British lieutenant, reporting this in the face of British insistence that the lieutenant be returned quickly—and alive.

The British-French occupation command awaited firmer evidence today before conceding that the officer had been killed. Lt.-Gen. Sir Hugh Stockwell, the occupation chief, said some action would follow if the officer was not given up alive.

The kidnapping was the latest of a string of actions by the underground to harass the rapidly diminishing British and French forces, in the process of withdrawing from Egypt at the demand of the United Nations General Assembly.

Lieut. A. G. Moorehouse, leader of a patrol that captured seven Egyptian commandos Monday night, stopped his jeep Tuesday morning to talk to a man.

An Arab boy said he saw three men force the British officer into a taxi at the point of the lieutenant's own gun.

Broad New Program

OTTAWA — The national Progressive Conservative leadership convention will be asked to endorse a new platform based in part on a proposed \$165,000,000 boost in federal social benefits for Canadians.

The proposed new platform, fashioned by the party's 163-member policy and resolutions committee, also contains plans to reduce income taxes, boost old-age pensions for the needy, reform the Senate and provide tax exemptions for municipalities.

Shaping of the platform, to be submitted for general convention Thursday, was completed by the policy committee in two days of day-and-evening sittings.

The committee's approved resolutions contained many a vote-catching scheme. But apparently some of the more controversial proposals by various local bodies across the country didn't make the grade.

Ill-fated were demands that the party endorse compulsory military training, strive to reduce the voting age from 21 to 19, eliminate the word "Progressive" from

Broad New Program

the party's name, fight for the appointment of an ambassador to the Vatican and ban the circulation of Communist propaganda in Canada.

Officials said these proposals fell after detailed scrutiny and some heated sub-committee debate.

Boosting of social benefits may become the brightest new plank in the party's platform. Proposed is an increase in Federal old age pensions for the needy—those 65 years and over—from \$40 to \$50 a month and a 10-per cent boost in disability pensions for war veterans.

To help ease the burden of health costs on taxpayers, the policy committee proposed increased income tax deductions for medical expenses and the complete deductibility of hospital insurance premiums from taxable income.

Hungarian Rebels Fighting On; Strike Grips Industry, Commerce

BUDAPEST — Rebellious Hungarians invoked a general strike Tuesday and some fought on with arms against premier Janos Kadar's Russian-imposed government. The strike, to last 48 hours, tied up nearly all Hungary's industry and commerce.

Informed Hungarian sources said Russian troops encircled a band of freedom fighters holding out in the hills at Harmashatony, about 20 miles northwest of Budapest, and sought to wipe them out with medium artillery and heavy machine-guns.

The rebels were last reported fighting to avoid extinction. Communications from Budapest to that area were cut and the informants said the fate of the band was undetermined.

Several clashes between Hungarian crowds and the government forces—Hungarian police and Russian troops—marked the strike.

Though martial law has been proclaimed and some labor leaders arrested, men stayed away from their jobs by the hundreds of thousands.

Budapest was hard hit and Hungarian sources said the strike was nearly 100-per cent effective in the provinces.

Big factories of Budapest were closed and the city's transport system halted. Only its power plants and food factories were working. A few food stores stayed open. All other shops closed.

One report, unconfirmed, said Hungarian police fired into a crowd of civilian demonstrators in Ujpest, a suburb of the capital and caused an undetermined number of casualties.

Quebec Not Better Off, Says Garson

TORONTO — Justice Minister Garson said Tuesday that Quebec isn't getting a better deal than other provinces in the federal government's new tax-sharing plan.

Under the new per capita tax basis Quebec's advantage is the same as that of Ontario, he told the Toronto Business Men's Club.

The plan calls for a per capita annual rental payment to all provinces equal to that of the two wealthiest, Ontario and British Columbia, said Mr. Garson. The equalization payments would be made whether or not a province signed an agreement to rent its taxation rights in inheritance, personal and corporate income fields.

He admitted that Quebec would get at least a \$40,000,000 payment for 1957-58, but said: "She receives this only because her taxable capacity per capita is below that of Ontario and British Columbia."

Mr. Garson added that Quebec has a larger taxable capacity than the other seven provinces and hence receives a smaller per capita equalization payment than they do under the plan.

Needy Mothers Get Increased Allowance

QUEBEC — Increased aid for 16,045 needy mothers with 48,274 dependents was unanimously voted by the Legislative Assembly yesterday.

Total cost is expected to run to \$13,000,000 annually. A government bill providing for the increases was passed 80 to 0 and now goes before the Legislative Council for discussion.

Effective March 1, the new allowances will be \$60 monthly for needy mothers with one child. The present rate is \$35 monthly for needy mothers with one child in rural areas and \$40 monthly in urban centres. The allowances also call for \$3 monthly payments for each additional child instead of \$1 as at present.

The welfare minister still holds wide powers under the bill to decide whether aid is to be paid in borderline cases, a clause the Liberal opposition unsuccessfully sought to remove by amendment.

Welfare minister Sauve said the rate of the new allowance, together with other assistance distributed through social agencies, makes Quebec's contribution to needy mothers largest of any province.

The Quebec government had paid \$88,000,000 to needy mothers in allowances since the system was established in 1937.

Liberal opposition criticism was directed at what it called the diminishing rate of aid for large families. Mr. Hamel said a woman with two children would receive \$63 monthly while a woman with six would receive \$75 although she would have to buy

three times as much food and clothing.

The assembly adopted, over Liberal opposition, two other government bills.

One provides for a \$7,000 yearly pension to any member of the Quebec workmen's compensation board who has completed more than 10 years of service and a \$6,000 yearly pension to any member who has completed six years of service.

Premier Duplessis said the bill is intended primarily to provide pensions to Philippe Monette of Montreal and Francois Rocheleau of Cap de la Madeleine, two members who are ill and must be replaced.

Main opposition objection was that the bill is a provision to make a special favor to two government friends.

The other bill extends to 30 from 12 months the life of the Quebec committee set up to study provincial road problems and increases sums at the committee's disposal to \$225,000 from \$100,000.

The opposition leader said government committees have become places where the government appoints party friends and rewards them. He said they fail to make reports as required.

The branch decided against entering the I.O.D.E. Drama Festival in Richmond. Mrs. Gerald Fowler read a "Merry Christmas recipe" from the Q.W.I. office, and welfare and health convener, Mrs. G. Beers, reported a bale of clothing for Save the Children and the Cecil Memorial Home.

Sick committee reported five cards sent since last meeting, one sunshine box and a box of chocolates.

The Kingsbury W.M.S. donated an eiderdown blanket to be included with other gifts donated by W.I. members for the Cecil Memorial Home.

A membership is to be taken in C.A.C. for the home economics convener, Mrs. W. Adamson. Mrs. Gordon Beers offered her home for the January 8th meeting.

Articles from the sale table were auctioned by Mrs. L. Driver netting \$87.70 for the funds, and birthday parcels, \$2.10.

This being the Christmas meeting, the members exchanged gifts and each brought a gift for preschool age children. Each child present was also given a gift and bag of candy. The remainder of the gifts will be sent to the Cecil Memorial Home. All the aged sick and shut-ins in the community are to be remembered at Christmas time.

The hostesses served lunch, assisted by Mrs. R. Johnston, of Richmond.

Cowansville Friendly Society Christmas Tea

COWANSVILLE. — The annual Christmas sale of fancy and useful articles, food sale and afternoon tea, sponsored by the members of the Friendly Society of Trinity Anglican Church, was held in Trinity Memorial Hall.

The hall was beautifully decorated in keeping with the Christmas season.

There was a large attendance and articles found a ready sale, over \$225 being realized.

Tea was poured by Mrs. Winch and Mrs. Robert Boright.

The members of the Friendly Society wish to thank one and all who helped make this event such a wonderful success.

WOMEN'S INSTITUTE
The December meeting of the Cowansville branch of the Women's Institute was entertained by Mrs. Haines at her home at Sweetsburg.

After the usual routine business, the evening was enjoyed in singing Christmas Carols with Mrs. Guy Cousins at the piano. Lunch was served by the hostess and a social evening was enjoyed.

Rock Island Jolly Twelve Club Christmas Banquet

ROCK ISLAND. — The Jolly Twelve Club met at the home of Mrs. Patrick Gilmartin, Jr., for the December meeting. Mrs. Wilfred Morel, who will become a 1957 member and Mrs. William Rever, were present as guests.

The short business meeting, conducted by the president, Mrs. William Higgins, included making plans for the banquet to follow later in the week at the home of Mrs. William Hull.

Games were played and prizes awarded to the winners. The first meeting of the New Year will be at the home of the president, Mrs. William Higgins on January 16. Refreshments were served and much enjoyed.

Ten members of the Jolly Twelve Christmas Club gathered at the home of Mr. and Mrs. William Hull in Rock Island for the annual banquet and Christmas party.

The dining table was festive with a white linen cover, arranged with place cards, miniature sparkling Christmas trees or Santa's in red suits, while at each end were red poinsettia holders and lighted-red candles. Also at each place was an envelope containing the Christmas gift savings of the past twelve months.

Following dinner, the guests, assembled in the living room, where group singing of the Carols and Christmas songs was enjoyed. Mrs. Murton Smith, as Santa Claus, gave out the exchange of gifts from the gaily trimmed Christmas tree, and presented the president with a gift of money from the members in appreciation of her many hours of work in keeping the books and savings.

Open House At St. Pat's New School

It was open house for parents and friends at St. Patrick's Academy last night. After a short program arranged by the students, parents and guests inspected the new building.

Father Paul welcomed the parents and the Glee Club sang three numbers. This was followed by the students' version of the \$64,000 question.

High School and Elementary school volleyball champions were declared recently and Robert Gardener, captain of the elementary school team and Hanley Marshall, High School team captain, were presented the trophies.

On behalf of the Old Boys' Association, President Solo Parker presented Father Paul with Mass vestments for the school chapel.

Following this short program in the new gymnasium, the numerous groups of parents and friends of the school were given the opportunity of visiting the recently completed school and afterwards were served refreshments by the Mothers' committee.

Old Post Office To House Relief Furniture Supplies

A temporary furniture and household articles depot will be opened in the old Post Office on Dufferin St., it was announced at a meeting of the executive of the Hungarian Relief Committee last night.

Roland Pelloquin, chairman of the furniture committee said that the City had granted permission to the committee to use the vacant building for furniture storage. The hours of opening are expected to be announced later this week.

The organization will request the loan of the old customs building, behind the old Post Office to house the donations of clothes which are piling up at the central committee office. Some 60 boxes of clothing have been received but can not be sorted for lack of space.

All articles of clothing should be clean and in good condition since the committee does not have the facilities to either clean or repair the items. Receipts of acknowledgment will be given for all donations.

Offers of lodgings are being classified by the housing committee pending the arrival of the immigrants.

Miss Annette Codere, a representative of the Unemployment Commission, told the meeting that the refugees would be accepted on equal footing with Canadians when applying for jobs.

"As soon as these Hungarians find work," she said, "they must register officially with the Unemployment Insurance Commission. They will be accepted on equal footing as Canadians and will be aided in every way."

She said that several openings were available at the Sherbrooke Hospital for laboratory

Complete Shutdown Seen At Magog Textile Plant

MAGOG — (Special) — An illegal work stoppage of the workers employed in the spinning department may cause what company officials call "an unfortunate and unnecessary pre-Christmas shutdown" of the Dominion Textile plant here.

The statement issued by a company spokesman this morning said:

"A work stoppage by a number of spinning room employees at our Magog cotton mill occurred this morning. It will cause a loss of employment throughout the mill. A routine work adjustment was made Monday and warp spinning employees refused to work as assigned. Yesterday

they were suspended for one day. Today they reported at the mill but again refused to work as assigned.

"This illegal work stoppage, if continued, will cause an unfortunate and unnecessary pre-Christmas shutdown of the whole cotton mill, affecting some 700 other employees whose jobs are automatically affected.

"This action is a direct breach by the union and the employees concerned of the labor agreement and will cause needless distress in the homes of our workers at the Christmas season. "No other work operations in Magog are affected and all other plants are working full schedule."

J. A. Blanchette Explains Winter Employment Plans

The federal government is endeavouring to do its part in increasing winter employment by arranging its spending programs to provide a maximum amount of employment during this period and by providing sponsorship and stimulation to community campaigns, J. A. Blanchette, Parliamentary Assistant to the Minister of Labor, told members of the Sherbrooke Rotary Club last night.

The M. P. for Compton - Frontenac explained that last year government departments and agencies that carry out large construction programs issued instructions to have work continued during the winter whenever possible. The Department of Public Works had 170 contracts under way during the winter, the projects of the building construction branch alone providing an average monthly expenditure of \$3,000,000. The defence construction, he said, carried out work to the value of \$60,000,000 between Nov. 1955 and April 1956 and Central Mortgage and

Housing Corp. employed an average of 1300 men throughout the winter months.

The problem of seasonal unemployment merits serious consideration and discussion, said Mr. Blanchette, because it involves a recurring annual waste of manpower and frequently an annual waste of productive capacity. The important characteristic of manpower which distinguishes it from other resources, is that it cannot be stored, so that labor time not used is permanently lost.

The annual cost of supporting the seasonally unemployed was also considered by Mr. Blanchette. Employers and employees bear most of the cost of unemployment insurance benefits, he explained, the Government contributing one-fifth. During the year beginning July 1952, a total of \$144,000,000 was paid out as unemployment insurance benefits, 65% of this being paid out in the five months, December to April. For those who are not covered by unemployment insurance, the cost of their unemployment falls on public relief funds and private persons, he said. It is important to all these groups therefore that seasonal unemployment be reduced.

The national campaign to provide more winter employment is now swinging into high gear, he continued, with individuals, communities, industry, labor, national organizations and government at all levels participating. Speaking again of the government's program, he said that a large amount of work in the field of maintenance, alterations and repairs was scheduled to be carried out between now and the end of March. The Veterans Affairs will spend \$260,000, the army over \$1,000,000, the navy \$670,000, the air force \$250,000, Defence Construction \$700,000 and public works, nearly \$1,500,000.

The federal government has also undertaken to provide sponsorship and stimulation to community campaigns by newspaper advertising, radio broadcasts, film strips, posters and literature, asking people to plan now to have their renovation, remodeling, repairs, interior decorating and maintenance done during the winter months when skill led workers and materials are more readily available. He mentioned particularly the co-operation received from the Williams Thomas Ltd., advertising agency through their local representative F. H. Wilson, who provided poster panels stressing the theme "hire the handicapped" in connection with the winter employment campaign.

During recent years definite action has been taken by many local groups and by many national organizations, Mr. Blanchette said, including the Can. Manuf.

W.F. Steele Explains Interview

W. F. Steele, a member of the Sherbrooke Roman Catholic School Board, today issued the following prepared statement on reports from Halifax that he had criticized a recent pastoral letter condemning modern dancing and intermarriage as "a bit strong."

The statement reads: "During the recent visit to Halifax, I was approached by a news reporter who, commenting on the Bishops' Statement concerning dances, said: 'Don't you think it is a bit strong?' I hesitated for a moment, thinking of the appropriate remark. He interpreted my hesitation and silence as approval.

Knowing how reporters will provoke certain answers, I later handed the following statement to the reporter in question.

"This is the first news I have of the appeal you mention. Until I have a chance to hear in person the Pastoral letter you refer to, I decline to comment. Without a doubt the Archbishops, as protectors of their flock, would only adopt these measures after full consideration.

"They know where the unrestricted excesses of to-day are leading to. Dancing can be innocent and inspiring but when other influences enter the picture there can be danger."

I take this occasion to express my loyalty to the Archbishop and to his representatives. As a member of the Catholic Church, I submit myself humbly to their directives and counsels.

Chamber Of Commerce To Stage One-Day Membership Campaign

A one day "blitz" campaign to recruit new members for the Sherbrooke Chamber of Commerce will be staged all day tomorrow. Special telephones will be installed in the Chamber's headquarters on Peel St. and directors of the organization will make telephone calls all day. Teams of members will travel the city in cars recruiting new members.

The Chamber feels that in order to increase interest in civic, industrial and commercial affairs, its membership must be increased.

Comparative figures for other cities were used as an example. Sherbrooke's twin city, Halifax, with a population of over 100,000 has 1,400 members in their Board of Trade. On the west coast Nanaimo, B. C., with a population of 8,000 has 325 members.

During the past year the local Chamber has been active in many spheres and has undertaken several long term projects in various fields of endeavour. For instance in the industrial division, some 15 visits to local industries have been organized for school children. The object is to point out that industry offers many careers as well as to impress upon the students the necessity of choosing a career while they are in school. Before each tour the students are given a brief explanation of what they will see and after the visit is over, a resume is given and a question period held. At the end of the year the student who writes the best essay will be duly recognized by the Chamber.

The Chamber has also taken steps to have the government provide a technical training school for apprentices in the textile industry, which employs 48 per cent of labor in Sherbrooke. It is hoped that the steps taken will bring some fruit in the near future.

Overseas trade opportunities have also been provided to local industries through requests

channeled to the local office from the head office of the Canadian Chamber of Commerce. Local Chamber manager, Robert Bellisle, said today in an interview that at least five local industries are now exporting goods after being made aware of the possibilities through the local and Canadian Chambers.

A survey of local industrial potential and how best to promote new industries is being undertaken by the Chamber and it is hoped that a long term program will be traced from the various facts which will be revealed in the survey.

Activity in the commercial field is also part of the Chamber's work. Members have held several meetings with city council concerning the acute parking situation in the midtown area. The committee has guided merchants and other business concerns in the matter of closing hours. A survey of the commercial potential of the city has been conducted and a long term

A Particularly Shaking Tragedy

Air officials yesterday labelled it a million-to-one chance that there will be any survivors from the Trans-Canada Airlines North Star that crashed in British Columbia Sunday night. That must make it a five million-to-one shot today, for every hour that passes reduces the chance for survival of anyone who might have lived through the initial crash.

This tragedy is particularly shaking, for at least two reasons.

First, there's the outstanding safety record of TCA, which has seen this airline operate for years without a major tragedy—a record that was tarnished only once, in April, 1954, when an RCAF trainer collided with a North Star over Moose Jaw, killing 37 persons. This accident was no fault of TCA's.

Second, the passenger list carried several names familiar to many Canadians, thus removing the impersonal touch that usually accompanies such disasters.

There are the usual stories of plane-switches that spelled life for some and death for others. But perhaps the most ironical aspect was the fact that four passengers were members of the Saskatchewan Roughriders, a football team that had shunned air travel during the season. While other football teams were travelling by plane, the Roughriders were taking the train.

The death of these 62 people will strike sadness into many Canadian and several American homes. The cost of our modern way-of-life sometimes comes high.

Not Clear Only To Menon

The steady refusal of the Moscow-dominated Hungarian Red government to allow United Nations observers into Hungary can be judged by the world only as an admission of guilt.

Not that there has been any doubt of this guilt. Massive testimony, drawn both from trained newsmen and from thousands of refugees who saw experienced the Soviet Union's repressive measures, documents the story.

Nevertheless there would be at least a two-fold advantage in having observers on the scene.

First of all, they would almost certainly tend to serve as a restraining influence on the iron-fisted Kremlin should rebellion go on stirring.

Secondly, the presence of the cold, official eye of the U.N. would make it extremely difficult for Moscow to dismiss as "propaganda" reports of new brutalities or to try to divert attention by wild inventions about Western treatment of refugees.

That Russia cannot tolerate the eye of the U.N. and cannot invite the U.N.'s restraining hand is powerful evidence underscoring the volumes of testimony already taken.

It ought to convince any doubter—except perhaps that puzzling gentleman from India, V. K. Krishna Menon.

In the various U.N. actions on Hungary, Menon first abstained on a resolution demanding Soviet withdrawal, then voted against another

proposal to the same end. Later he reversed his vote, reportedly upon Prime Minister Nehru's personal intervention.

But then he spent two days lobbying earnestly against a further resolution setting a deadline for the Hungarian government's flat answer on the question of allowing entry of observers. He opposed, as well, the clause authorizing observers in countries near to Hungary.

Throughout the unfolding story of revolt and repression in Hungary, Menon has taken the view it was an "internal affair" not rightly the concern of the U.N. Confirmed reports of Soviet deportations (checkable at the refugee camp 50 miles from Menon's office) he has branded "rumors."

He seems predisposed to accept Soviet and Red Hungarian denials at face value and to question all contrary evidence, no matter how mountainous. One must almost conclude that he is dead set against even examining this evidence.

How else can he explain his opposition to the presence of observers in Hungary? What possible disservice can they perform for men who are simply anxious to learn the truth so they may judge fairly and fully?

Menon says he is a neutral. As he practices it, it is not a service to his own country, to other neutrals, or to moral, freedom-loving men anywhere on this globe.

Nation Of Mumlbers

(Brandon Sun)

Canadians and Americans are getting to be a nation of mumlbers. The reason, say the old timers, is that there is too little "reading out loud" in schools today. Others maintain that the marbles-in-the-mouth speech now so annoyingly common, is simply a reflection of the times. Life moves at a much faster pace than it did in grandfather's generation. There are so many things to be done, so much to be seen, little time is left to practice diction.

It may be that it is too late to do anything about the diction of adults says the Halifax Mail-Star. But surely something can be done about the person who is genuinely enthusiastic and friendly in introducing two people but who spoils it all by mumbling: "Mr Who-na-hoo may I intadooce Mr. Whazzakam."

For this is the sort of thing that is really picked up by young children, and leads them into some remarkable errors as a New Jersey superintendent of schools discovered recently. Listening to a group of school children recite the Lord's Prayer, Dr. M. Gregg Hibbs heard these sentences: "Harold be they name" . . . "Lead us not int o' Penn Station . . . Give us this day our jelly bread."

Why were the children making such errors simply because the adults who had taught them the prayer were confirmed mumlbers. Hankeue, Doctor Greb Bibbs.

APPRENTICES NEEDED
(St. Thomas Times-Journal)

At one time there was hardly a craft which did not have an apprenticeship system. The would-be artisan had to serve four, five or six years during which time he was paid a small wage, increasing progressively by a small sum each year until he emerged from apprentice to journeyman. In many cases the apprentice was doing a journeyman's work before he attained journeyman's pay, much to the advantage of the employer. In later years the length of junior service has been reduced, and where apprenticeship is practiced, the term is agreed upon between unions and employers. If the time seems long to an apprentice it is a period that is satisfactory to the union which looks after his interest, and bearing in mind that the union demands that its members be capable of giving efficient service.

The question of apprenticeship was referred to recently by Loe B. George, a high motive power official of the Canadian Pacific Railway, speaking before the New England Railroad Club at Boston. He maintained that in view of technical advances in this machine age it was more important than ever for a skilled craftsman to receive a good basic training and the more experience accumulated during the training period, the more proficient the craftsman becomes, and more valuable to himself and to the company employing him.

COW PATH UP A HILL
(Wall Street Journal)

At the upper end of Manhattan island, on the heights overlooking the Hudson river, millionaire C. K. G. Billings built a palatial mansion.

While the huge edifice was going up he addressed himself to the problem of constructing a roadway up the steep and rocky hill to the house, and consulted a friend as to how the task might best be accomplished.

"If you are in a hurry," the friend replied, "get a cow to help you."

"A cow?" Billings rejoined. "Yes," the friend explained. "Give her a stall on the top of the hill, then take her down to the bottom every day—and let her find her way back. Trust her to lay out a path on the easiest and most comfortable grade."

Billings adopted the idea, and, at length, the cow's meandering way was perpetuated in a smooth, winding asphalt highway.

NO SCORE
(Winnipeg Tribune)

The Indonesians may not know how to play soccer, but they sure know how to stomp the Russians. When the Soviet players kicked off against the Indonesian team in the Olympic games at Melbourne, they were confronted by the weirdest defence since futbol was invented by the Russians in the summer of 1642. The Indonesians had ten goal tenders and one offensive dribbler.

The dribbler carried the ball to mid-field where it was seized by one of the freedom loving proletarian players and booted to the Indonesian goal. Here it bashed into the human wall across the goal mouth and was bounced back to the offensive dribbler.

This sort of thing went on for the entire game and an overtime period, to the great delight of the onlookers and the confusion of the Soviet team. The game ended in a scoreless tie.

Perhaps there is a moral here for the Western world—the way to beat the Russians is to stand shoulder to shoulder and kick the ball back as fast as it comes.

Frightening Similarity

Bygone Days

TWENTY YEARS AGO
From the Record of Saturday, Dec. 12th, 1936.

George VI was proclaimed King of the greatest empire in the world today by age-old ceremonies in London, while his brother who formally renounced the throne for love sailed from England in a British warship.

The British press hailed respect for the constitutional propriety which featured the former Sovereign's parting words to his fellow citizens of the Commonwealth of Nations. The general impression was that "He went out like a man," and his speech could not have been better.

Pope Pius XI spent part of the day in an arm chair, improving steadily from his paralytic attack. A verbal bulletin issued during the morning said the 79-year-old Pontiff passed a comfortable night.

TEN YEARS AGO
From the Record of Thursday, Dec. 12th, 1946.

The Venezuelan government of President Romulo Betancourt emerged unscathed today after an abortive 12-hour revolt in which the insurgents made a bold bid to capture the President and overthrow his year-old revolutionary cabinet.

At least eight persons were dead and 38 others, including children, were believed buried under tons of debris following a five-alarm fire in Manhattan's upper west side which caused a five-storey wall to collapse, crumpling an adjoining tenement building.

CORRECT PLAY IS UNBEATABLE

Put yourself in the South seat for today's hand. How would you plan the play?

BLOOD FROM A STONE

(Vancouver Province)

Mr. Walter Harris, Finance Minister, is traveling to Alberta to be made an honorary Indian chief. Feathers quite apart, this is good. The headline is to be presented to him by the Blood Indians on their reserve south of Lethbridge. It would be nice if the Stony Indians, who live a bit farther north, could also get into the act. Then there would be the makings of the perfect ceremonial name for Mr. Harris: Chief Blood Out Of A Stone.

The island of Formosa, last stronghold of the Chinese Nationalists, covers an area of 13,800 square miles.

of spades, losing to West's queen. West returned another heart, and dummy won with the ace. Declarer gave up a diamond and a heart, got his hand by trumping a diamond, and ran the rest of the trumps. The idea was to get information about distribution in the hope of guessing who held the queen of clubs.

The idea wasn't bad, but South stumbled in the execution. He eventually misguessed the club position and lost a trick to the queen of clubs. Down one.

The second declarer played the hand without taking finessses. He won the ace of hearts, two top trumps, and two top clubs. Then he gave up a club trick to the queen. Nothing could stop him from reaching dummy with the king of hearts to take a discard on the last club. West could ruff that club, of course, but only with his good queen of trumps. South lost only one trump, one diamond, and one club, making his contract.

The Battle Already Lost

From the Baltimore Sun

The Census Bureau's casual announcement that there are probably 1,381,000 more women than men in the United States now produces no gasps of astonishment among the males, no calls to man the ramparts.

The battle was lost, as every hardened observer of the

battle between the sexes knows, about 15 years ago. The decennial nose count of 1940 had indicated how soon the ladies would take over. For every 100 females the males could muster up only 100.7 of their own sex and no one expected that seven-tenths of a man to be much help in

stemming the tide. Then, at some unknown moment before the 1950 census, the great event happened. The baby that might have been a boy turned out to be a girl instead. And some proud papa grinned happily, unaware that he had just turned more than 70,000,000 of his brothers into an oppressed minority.

The biggest reason for the victory is no secret, of course. The women simply stay around longer. For every 100 women over 65 there are only 85.7 men (the same seven-tenths of a man who held the margin in 1940, perhaps?).

Are we in, then, for an inexorably increasing majority of females? We leave the answer to the biologists and the demographers. But for males who didn't want to go down without a fight we offer a hint. Little boys will outnumber little girls. In short, the reinforcements are on the way. The trick will be to hold on until they arrive.

PERSONAL TOUCH

(London Free Press)

The Governor-General has chosen a photograph of himself and an Eskimo surrounded by huskies, taken during his tour of Northern Canada this year, to be his Christmas card decoration. The use of personal photographs is increasing in Canada, a custom we hope will grow because it enhances the personal touch in this important message of Christmas.

In too many instances Canadians are losing this vital link between people. Anything which pleasantly restores this warmth and sense of friendship is welcome.

Legion Ladies — Newly-installed officers and members of the Ladies' Auxiliary of Stanstead Frontier Branch, No. 5, Canadian Legion, are pictured above. From the left, front row, Mrs. V. Middleton; Mrs. F. Sevright, honorary vice-president; Mrs. Ida Garneau, Mrs. Cora Walsh, honorary presidents; Mrs. Ivy Hatch, president; second row, Mrs. A. Laberee; Mrs. M. Bronson, treasurer; Mrs. Ada Curtis, 1st vice-president; Mrs. G. Lyons, immediate past president; Mrs. Dene Sherman, sergeant-at-arms; Miss Ruby Laberee, 2nd vice-president, and Mrs. A. Arbery, secretary. At the back are other members, also Com. Wells, left, and Com. Struthers at right. (Record photo by Andre Pepin)

Mrs. Ivy Hatch Heads Border Legion Auxiliary

Rock Island — The December meeting of the Ladies Auxiliary of Stanstead Frontier Branch, No. 5, of the Canadian Legion was held at the Armory, the regular meeting being followed by the installation of officers-elect by Comrade E. J. Struthers and Comrade Howard Wells, both of the Senior Legion Branch. The president, Comrade (Mrs.) Geneva Lyons, was in the chair.

The report of the secretary was given, correspondence read and bills presented. The treasurer gave her statement and the sunshine committees also presented reports.

A sum of money was received from the Senior Legion Branch

and the Stanstead Chapter of the IODE, which will be used to remember veterans' families in the area. Comrade (Mrs.) Lillian Clark was appointed as chairman of the purchasing of food to fill the baskets, and for the packing of these.

Comrade (Mrs.) Vernice Middleton announced Christmas remembrances have been sent to all local boys and girls in the services and expressed appreciation to Comrade (Mrs.) Ruth Putney for assisting her in wrapping these.

The sum of \$20 was voted to be donated to Ogilvy's Christmas tree for gifts for veterans of the Queen Mary Vets hospital in

Montreal. It was decided to purchase a blanket for the Stanstead Chapter IODE Hungarian Refugee collection. Comrade (Miss) Ruby Laberee was appointed to attend to this gift which will bear the Auxiliary crest.

The chair was taken by Comrade Struthers, who, with the assistance of Comrade Wells, proceeded to install the following officers: Honorary presidents, Comrade Mrs. Cora Walsh and Comrade Mrs. Ida Garneau, both charter members of the organization; honorary vice-president, Comrade Mrs. Florence Sevright; president, Mrs. Ivy Hatch; sergeant-at-arms, Mrs. Dene Sherman; secretary, Mrs. Aileen Arbery; treasurer, Mrs. Margaret Bronson; 1st and 2nd vice-presidents, Mrs. Ada Curtis and Miss Ruby Laberee.

Comrade Struthers presented the gavel to the newly installed president, who, taking the chair, spoke on the highlights of the branch since it was organized seven years ago and on behalf of the members thanked Mr. Struthers and Mr. Wells for carrying out the ceremony.

On behalf of the members, she also voiced appreciation to the immediate past president, Comrade Lyons, for her fine work during her two years in office, as Comrade Arbery pinned on the

past president's badge and Comrade Curtis presented her with a personal gift.

Comrade Lyons presented the secretary and treasurer with gifts in appreciation of their several years in office.

Congratulatory remarks were made by Comrade Wells and Comrade Struthers, the latter speaking in a most interesting way on a meeting of the Dominion Executive of the Canadian Legion in Ottawa, which he attended. He also told of the Armistice Day observances in Ottawa and, in brief, of his summer trip to the west coast.

The speaker was thanked for his fine talk by the new president.

The meeting adjourned to meet again on January 2nd at the Armory, at which time the new committees will be appointed for the year.

Refreshments in the Christmas motif were served by Comrades Mrs. Ruth Putney, Mrs. Mary Bronson, Mrs. Ella Groleau, Mrs. Winnifred Flam, Mrs. Rose Smith and Mrs. George Mann.

ULVERTON—

The December meeting of the W.A. of Ulverton United Church was held in the vestry. Officers elected for 1957 are as follows:

President, Mrs. Donald Smith; secretary-treasurer, Mrs. R. Gorham, 1st vice-president, Mrs. Lloyd Norris; 2nd vice-president, Mrs. Frank Doyle; social convener, Mrs. Leonard Goodhue; sick committee, Mrs. Henry Smith. The secretary-treasurer stated that the W.A. had a bank balance of \$325.87 for the end of December. The proceeds from Christmas tea and sale were \$113.75.

The Christmas entertainment for the children will be held on December 18 and the Young People will hold a party on December 20.

A cottage owned by Mr. Henry Smith was completely demolished by fire. The cottage was occupied by Mrs. G. Lefebvre and family who are employed by Mr. Smith.

Miss Nancy Lofft, of Sherbrooke, spent the weekend with her parents, Mr. and Mrs. W. Lofft.

Mr. and Mrs. John Harriman, Miss Betty Harriman, Master Norman Harriman and Mrs. A. Mae Jr., visited Miss Vivian Harriman and Mr. Allen Harriman, at Feller College, Grande Ligne.

Stanstead North Women's Institute Donates Gifts For Memorial Home

STANSTEAD. — A pleasant meeting of the Stanstead North Women's Institute was held at the home of Miss Norma Holmes with Mrs. M. Chamberlain and Mrs. George Hatch, assisting hostesses.

Twenty members enjoyed dinner served at the dining table arranged with a white linen cloth and an heirloom Christmas centerpiece.

Later Miss Holmes presided for the business meeting with the roll call responded to with gifts, mostly flannellette pyjamas for the children of the Cecil Memorial Home in Austin.

It was reported that Mrs. A. E. Osborne, education convener, and Miss Holmes, had approached Mrs. Hugh McClary, principal of Sunnyside School, and books have been ordered through the school for the December 20 prize giving. One prize for citizenship will be given for each of the nine grades.

Communications were read and included a recipe for a Merry Christmas and a Happy New Year from Q.W.I. headquarters at Macdonald.

Mrs. Eulalie Goodsell, convener of welfare and health, read an interesting article on "Teaching and the Red Schoolhouses."

Miss Mary Flint, citizenship, read an article from "Official Visit to Iceland."

It was noted Miss C. I. Mackenzie had been requested to contribute another article of her composition to the Macdonald College magazine.

Mrs. E. J. Curtis, sunshine convener, announced Mr. and Mrs. Arthur Curtis of Stanstead, had observed their 65th wedding anniversary recently, and were remembered with the gift of a plant, congratulatory cards and personal greetings. Mrs. Curtis was also requested to remember friends with Christmas greetings and to make up the usual scrap book gift for the children's ward of the Sherbrooke Hospital, and attend to the packing and transporting of the Cecil Memorial gifts.

Miss Holmes announced Tomiobia and Way's Mills branches willing to join with Stanstead North in a workshop. It was agreed that the courses should include leatherwork, glove making,

hat remodeling and rug hooking, and if possible Fair Isle knitting. The tentative date will be in May, with September as the second choice. The course will be given in the Stanstead Municipal building.

Miss McIntosh noted the Stanstead Chapter of the I.O.D.E. is collecting new or good used clothing for Hungarian Relief, should any one care to make a contribution, it may be left at the South-eastern Canada.

The sum of \$50 was voted to the Sunnyside School hot lunch program. The meeting adjourned and with Miss Holmes at the piano, several familiar and lovely carols were sung followed by an exchange of gifts. Mrs. George Hatch won the prize for the most original wrapped gift.

The January meeting will be held the first Thursday of the month at the home of Mrs. E. J. Curtis.

CHRISTMAS CLUB

For the 25th consecutive year, members of the Friendly Christmas Club met for the Christmas party held at the home of Mrs. Albert Young in Stanstead, when fourteen members enjoyed a turkey dinner, followed by a social entertainment.

In the corner of the living room was arranged a decorated Christmas tree on which had been placed the exchange of gifts. As each one received her gift she was asked to guess its contents, with Mrs. Edgar Hill the prize winner.

The meeting adjourned that members might attend an event at Sunnyside School. The January meeting will be at the home of Mrs. Edward Hyatt.

Thefford Mines Club To Hold Childrens' Party

THEFFORD MINES. — The St. John's Anglican Church Women's Club held its final meeting for 1956, which proved to be a busy and most interesting one.

President Mrs. Eric Pharo, presided, and Mrs. G. F. A. Brink read the secretary's report in the absence of Mrs. Ian Campbell, and also reported the Nearly-New Shop had had a very good week. The monthly food sale held in conjunction with the Nearly-New Shop showed a profit of approximately \$21.

Discussion was held re a Christmas party for pre-school children and it was decided to hold it on Saturday afternoon, December 22 in the church hall. Committee in charge of the party consists of Mrs. R. Cooling, chairman, Mrs. J. McCammon and Mrs. C. Motherwell, assistants.

Members were reminded that nomination ballots will be turned in at the next meeting Jan. 9, and the installation of new officers will take place at the annual meeting to be held Jan. 23. There was one guest at the

meeting, Mrs. Grace Hodgson. After the business part of the meeting, two very interesting and informative movies were shown, "Making of Cotton", filmed at Magog, and "Carnival in Quebec, 1955."

Hostesses for the evening were Mrs. B. Assels and Mrs. R. Johnston.

LADIES' GUILD

The Ladies' Guild of St. John's Anglican Church held the final meeting for 1956 in the church hall.

The meeting was chiefly taken up with end-of-the-year details and a detailed report on the bazaar held December 1.

Mrs. George Jenkins read an encouraging financial report and there is little doubt that the bazaar itself was a resounding success. Only a few of the otherwise highly successful affairs was that this being the first bazaar to be held in the new church hall, it is possible that not quite enough foresight was shown in arrangements to accommodate the very large crowd which turned out.

Mrs. P. M. Pidcock, president, and Mrs. W. Adams, vice-president, greeted the bazaar guests at the door, while members of the Girls' Auxiliary helped in waiting on tables, checking coats and so forth.

New business of the meeting concerned the sending of Guild Christmas gifts. President Mrs. P. M. Pidcock wished all members a happy Christmas season.

Next meeting of the Ladies' Guild, which will be the annual meeting, will be held January 16. Hostesses for the meeting were Miss Emma Johnston and Mrs. MacMillan.

Nation-Wide Strike, Terror Grips Haiti

MIAMI, Fla. (AP) — Terror and confusion swept Haiti today as a boiling political crisis, which the present regime says has been "aggravated by American government organizations," headed toward a showdown.

The country is virtually paralyzed by a silent but deadly weapon — a mass refusal of thousands of persons to work.

Its object is to force Gen. Paul E. Magloire to permit general elections for a new president.

The explosive situation hit a climax last week when Magloire resigned as president. Under one interpretation of the constitution, his six-year term ended Dec. 6. The Haitian constitution does not permit a president to succeed himself.

Hours later, however, Magloire resumed office as "chief of state," presumably at the request of the army.

He then imprisoned the principal presidential candidates and about 49 others. He also dissolved the senate and legislature, and in effect suspended constitutional authority.

HUNGARIAN REBELS

Continued from Page 1

Austria said police bullets killed some Hungarians attempting to obtain the release of a labor leader arrested at Veces, a town of 18,000 near Budapest.

Two incidents occurred in front of the war-battered National Theatre in downtown Budapest, where thousands of strikers idled or sought the few open food shops.

In the first, Hungarian police used clubs and rifle butts to disperse a crowd, witnesses said.

In the second, Hungarian police and Russian armored units tried for hours to break up the throng around the theatre because a drunk had hurled an empty wine bottle on a tank.

Shooting of cannon and machine guns was heard sporadically throughout the day in Budapest. It appeared to come from or near Gellert Hill, whose historic citadel has been converted by the Russians into a base for tanks and artillery.

Radio Budapest broadcast a government announcement that the state will take control of the property of all persons who have left Hungary since the start of the rebellion Oct. 23 and sell it if they are not back by March 31, 1957, a previously set amnesty deadline.

Hungarian informants said the only provincial towns in which the strike was not effective were Salgotarjan, a northern mining town of 40,000 population where at least 80 unarmed demonstrators were killed by police last Saturday, and Zalaegerszeg, a light industrial centre of about 35,000 near the Yugoslav border.

Old Landmark Moved — The march of progress creates many changes and evidence of this is seen in the picture above, showing the oldest general store in Sherbrooke, the Johnson's Co. establishment, which has served English and French residents of the community for 72 years, being moved from its familiar site at the corner of Mooney and Johnson streets to a quieter spot in the parish of St. Noel, where dynamite blasts will not damage the foundations. The building, now the property of J. B. Jacques, is being moved by the firm of Grenier and Freres, Enr.

10 Thousand Hungarians By February

LONDON. — Immigration Minister Pickersgill assured United Kingdom government officials today that Canada intends to open her doors to some of the 11,000 Hungarian refugees now in Britain.

The Canadian minister, who arrived in London Tuesday night after a week-long inspection tour of refugee camps in Austria and other Western European countries, spent more than an hour with Lord Home, secretary of state for Commonwealth relations. He was accompanied by Norman Robertson, Canadian high commissioner in London.

Pickersgill said Tuesday some 10,000 refugees would be in, or on their way to, Canada by the end of January and added he "wouldn't be worried" about trying to take another 10,000 to 15,000 starting March 1.

In his talks with United Kingdom officials, Pickersgill is expected to stress the need for giving first priority to getting refugees out of Austria. He will probably suggest that refugees now in Britain, large numbers of whom are known to want to go on to Canada, be held here until the spring when they can be absorbed more readily into Canada.

Agreements along this line have already been worked out with West Germany, The Netherlands and France.

plan worked out.

For next year, the local chamber is planning a Christmas parade on a scale which will stimulate Sherbrooke's retail trade through the area, whose present population is 200,000.

In civic matters the Chamber pronounced itself on the recent fare increases which were asked by the local bus service operator and is studying the electricity problem. It has a standing committee working in collaboration with City Council on town planning. It has also asked, in connection with the electrical study, that city council prepare a budget which will give an outline of their financial operations during the next ten years.

In the field of health and welfare the chamber took an active part in the enforcement of a by-law, passed more than a year ago, which requires all restaurant employees, hotel and bakery workers to have health cards. The by-law now is being enforced and some 900 such employees are covered. A dental clinic is at present under study, and early action is expected. A report on water fluoridation is being prepared.

technicians, orderlies and trained nurses. The Dominion Textile Co., she said, had offered to hire a number of weavers. There were at least 60 demands for domestic help, she noted.

It was reported unofficially that the Catholic Syndicates who hold collective bargaining contracts with many plants would accept the Hungarians provided they were paid the union rates.

M. Andrassy, chairman of the Interpreters Committee, reported that he is having difficulty finding people speaking Hungarian. So far, only two or three people are available who speak Hungarian fluently.

The Montreal Hungarian Committee is preparing a two page pamphlet—dictionary with expressions in English, French and Hungarian while 50 Hungarian engineers in the Province are writing a trade dictionary. Both of the works will be forwarded to Sherbrooke.

The Johns-Manville Co. of Asbestos has offered to receive twelve refugees for Christmas dinner and supper at the company clubhouse in that town.

Last night, delegates from several women's associations were present at the meeting. They are to report the committee's work to their organizations and then appoint a representative to a general meeting of all associations to be held in the near future.

An administration committee was formed for purposes of co-ordinating efforts of all the committees. Arcadius Denis was appointed chairman but the secretary-treasurer's post is still vacant.

EAST FARNHAM

Miss Elizabeth Collins and Mrs. D. W. Collins were in Warden where they were visitors of Mr. and Mrs. K. Talbot and family.

Mr. Stanley McCulloch spent the week-end at Ayer's Cliff with friends.

Miss Marion Collins of Montreal, spent the week-end at her home here.

al Church in Lennoxville and at Grace Chapel.

Born in Glasgow, Scotland, in 1889, he graduated from the Glasgow Bible Training Institute and served pastorates in Glasgow, the Canadian Prairies, Ontario and Quebec. He was chaplain during the building of the Trans-Canada Highway and recently had been chaplain of Ontario prisons. He was a member of the Montreal Kiwanis Club.

Mr. Munro was predeceased by his wife, the former Elizabeth Moore. Surviving are two daughters, Mrs. H. B. Brittain, of Ormstown, and Jean, Mrs. Lewis; a sister, Mrs. William Thomson of Saskatoon, Sask., and his son-in-law, Rev. H. E. Lewis, pastor of Lennoxville Pentecostal Church.

The remains will rest at the William Wray Chapel, 2075 University St., Montreal, upon arrival from California on Friday, and funeral service will be held at the Chapel on Saturday, at 12 noon. Interment will be in the Mount Royal Cemetery.

Ald. L. Cameron Quits Council At Coaticook

COATICOOK.—(Special)—The resignation of Ald. Leger Cameron was accepted by the City Council at the regular meeting here last night.

Ald. Cameron asked the Council to either reverse its decision not to hold weekly plenary sessions or accept his resignation. The Council took the latter course.

In a lengthy letter to the Council, Ald. Cameron outlined the various reasons which prompted him in tendering his resignation.

Wellington Street Post Office Moved

The sub post office formerly housed in the J. A. Pigeon store on Wellington St., north has been relocated in Lavarriere's men and boys' shop across the street, it was announced by Conrad Cayer, Sherbrooke postmaster.

Mr. Cayer said the move was made to better accommodate the patrons. The new location offers larger space and better facilities, he said.

OUR BOARDING HOUSE with MAJOR HOOPLE

I HEARD YOUR WIG SLIPPED DOWN OVER YOUR BEAK SO FAR THE PARENT-TEACHERS THOUGHT IT WAS A WALRUS MUSTACHE. MAJOR! — KYUK-KYUK! — YOU KNOW LONG HAIR IS SUPPOSED TO SPELL INTELLIGENCE — UNLESS IT'S A SINGLE LONG BLOND HAIR ON YOUR COAT SLEEVE!

SPUTT-TT! AT THE NEXT P.T.A. MEETING WILL YOU JOIN ME IN A SHOW PIKE? I'LL BE A SINGLE EXPLORER — AND YOU CAN PITCH COCONUTS DOWN FROM A TREE — YOU'RE A NATURAL FOR THE PART!

HAVEN'T YOU GOT YOUR SIGNALS MIXED, MAJOR? THAT'S THE SECRET YOU WEAR WHEN YOU'RE REMBRANDT, NOT ONE OF THE THREE MUSKETEERS!

HOW IS THE LAWN COMING ALONG ON YOUR SKULL? IS THE HAIR LONG ENOUGH TO WRITE POETRY YET?

UM-HAK! YOU KNOW, BOYS, ONCE I WAS RATED A CONTINENTAL SWORDSMAN WITHOUT PEER — BUT LATELY I'VE BECOME RUSTY WITH THE FOLKS! WOULD ONE OF YOU FENCE A BIT WITH ME TO SHARPEN MY SKILL?

Meteors Dump Brompton-East Angus 8-3; Windsor Upsets Magog 4-3

Move Into Top Spot In Massawippi Loop; Vachon Registers Hat-Trick As Flyers Falter In Dying Minutes

Displaying all-around power the Meteors of Asbestos moved back into their customary position, on top of the loop, in the Massawippi Valley Hockey League last night when they posted a 8-3 decision over the Flyers of Brompton-East Angus in a wide-open tilt.

Vachon was the big gun for the present pace-setters in the loop with his hat-trick while Joe Illick posted two with singles going to Champagne, Drouin and Moore. For the Flyers it was Ray St. Cyr, Frankie Reid and Gerard Leblanc.

Despite the one-sided score the game was a fast-stepping affair with both clubs going full speed the whole way. The Meteors had only eleven players in uniform and were without the services of their star forward, Yves Tessier, who is recovering from a 15-stitch injury suffered last Sunday.

The Flyers were missing their top rearguard, Onil Martel, and their veteran forward Pee Wee Leblanc. The loss of the two players for the Flyers left a big hole whereas the Meteors didn't seem to mind their mate. Speed was the big issue of the game and the Asbestos crew just packed too much of it for the Flyers.

Frankie Reid set up the first tally when he lifted a perfect pass onto Ray St. Cyr's stick and the chunky winger made no mistake beating Kirouac with a high corner shot. Moore came up with a beautiful rush and walked right in on Olivier but he kicked the rubber aside.

Frankie Parr shoved the puck by the Meteors' net minder and the Flyers seemed headed for their fourth straight victory. However a minute later Vachon picked up a drop-pass from Illick and Olivier had no chance on the drive.

Vachon evened the count when he drove the rubber behind Olivier within a minute of his first tally. Jacques Emond blew a wonderful chance when he fired his drive wide of the open net. Just before the end of the frame Joe Illick put the Meteors out in front on another screened shot.

Frankie Reid opened up with a nice back-hand but just missed and from then on it was all over for the Flyers. Illick and Champagne gave the Meteors a 5-2 lead and before the end of the period Drouin rifled a high shot into the upper hand corner of the net and the Glaude squad was well on their way.

The third frame was really a speed contest with the Meteors holding the edge in that department. The Flyers although they gave signs of wanting to get back into the battle they didn't have the fight.

Three goals all within three minutes settled the issue with the Meteors picking up two of them. Olivier handled 32 shots, 8-14-10, compared to 26 by Kirouac. He had ten in the first with 12 in the second and only four in the final frame.

Asbestos: Kirouac, Glaude, Grenier, Lussier, Illick, Drouin, Moore, Vachon, St. Onge, Plante, Champagne.

Bro.-East Angus: Olivier, Emond, Martin, Fearnley, R. Leblanc, St. Cyr, Martel, G. Leblanc, G. Reid, Therrien, F. Reid, Dumont, J. L. Reid, Parr.

High School Cage Journey To Be Held Saturday

Junior Basketball Tourney time has rolled around again, and for the second successive year Lennoxville High School will play host to seven visiting competitors. These include: Ayer's Cliff, Sherbrooke, Magog, Richmond, and Drummondville. There are still two entries to be confirmed and a team from Lennoxville will round out the draw. Proceedings will get under way at 9:30 a.m. Saturday 15th of December. The finals are expected to commence at about 5:00 p.m.

R. Castonguay Leading Textile Bowling League

The Dominion Staff Bowling League is turning into three-way battle for honors in the circuit. Cigars, Slow-Motion and Hoboes are 1-2-3.

The Cigars have amassed twelve points while the Slow-Motion squad trails one point off the pace with the Hoboes in third with ten. The Chumps have only seven points to their credit and occupy the cellar.

R. Castonguay swept the weekly honors with 227 and 518 to take the high single and triple. The team honors were divided with the Hoboes copping the single with 755 while the Chumps posted 2,044 for the triple.

Castonguay is setting the pace for individual honors with an average of 149. J. G. Blais follows in second with 133 while R. Gregoire is next with 131.

The top ten bowlers follow:
1. R. Castonguay . . . 149.25
2. J. Blais . . . 133.67
3. R. Gregoire . . . 131.56

Jackie Parker Had Reservations On TCA Flight

VANCOUVER — Jackie Parker, Edmonton Eskimos brilliant backfielder, was one of five persons who originally had reservations on Trans Canada Air Lines' missing flight 810 but changed flights at the last minute, it was learned Tuesday.

Another of the five was Harry McBrien of Toronto, secretary of the Canadian Rugby Union. Flight 810 has been missing since Sunday night with 62 persons aboard.

Quebec Downs Montreal 4-2

MONTREAL — Quebec Aces strengthened their hold on second place in the Quebec Hockey League Tuesday night with a 4-2 win over the tail-end Montreal Royals.

Gene Achymichuk, Bob Beckett and Dick Gamble scored to give the Aces a 3-0 lead before Walter Bradley replied for Montreal. The fourth Quebec goal was scored by Orval Tessier. Andre Corriveau rounded out the Montreal scoring.

The two deals completed centered around the Chicago Cubs. After a 10-player deal with the St. Louis Cardinals, featuring the swap of pitchers Sam Jones and Tom Poholsky, the Cubs purchased catcher Charlie Silvera from New York Yankees for \$10,000.

In agreeing to trim their rosters to 28 players by opening day, the major league owners did a big service to minor league clubs whose lineups previously have remained in a state of flux well into the season. Now they will get a windfall of between 50 and 64 good players in April.

Leo Dandurand's Plan To Make Grey Cup Two-Game Affair Finds Support In Lew Hayman Of Argos

Canadian football clubs, wary of tampering with what has proved an extremely good thing financially, are almost unanimously against an idea that the Grey Cup championship should be extended to a two-game series.

Leo Dandurand, president of the Montreal Alouettes, broached the plan Tuesday, but was met with an almost solid chorus of "noes" from his fellows across the country.

The only voice raised in favor was Lew Hayman's, a former associate manager of the Toronto Argonauts. Two clubs—Hamilton Tiger-Cats and Saskatchewan Roughriders—have not yet cast a verbal ballot.

Dandurand, who suggested the idea last year, said he will present it again at the Canadian Football Council meeting in Winnipeg Jan. 19.

In support of the plan, he said it would give a truer idea of the national champion than a single game. His club was defeated 50-27 by Edmonton Eskimos this year and by having one game in the East and one in the West would eliminate bugbears of ticket distribution, hotel accommodation and transportation which now confront the organizers and fans.

He did not mention the possibility that two games would mean doubled receipts nor did he mention the possibility that the Hart Trophy which they copped by edging Lennoxville High 24-23 in the final game.

Ken Mosdell, Veteran NHL Player, Decides To Retire, Temporarily; Condition Big Matter With Him

While one veteran worked hard for a comeback in the National Hockey League, another appeared to be on the way out. Frank Selke, managing director of Montreal Canadiens, said Tuesday 35-year-old Kenny Mosdell has decided to retire temporarily.

Mosdell, oldest player in the league, was loaned to Chicago Black Hawks this year after 12 seasons with Canadiens. Selke said he was told by general manager Tommy Ivan of Chicago that Mosdell "may consider returning to hockey if he feels in condition after a month or so."

Conditioning also was a problem for Ted Kennedy, pondering a return to the game in Toronto after 14 seasons to help the plodding Maple Leafs.

Kennedy, 30, "retired" twice. He decided to quit at the end of the 1953-54 season but was persuaded to captain the team for one more year.

The Teeder has been skating around with the club and general manager Hap Day said he is about to step up the training tempo.

Day was concerned with some of the younger players. He let coach Howie Meeker know he wasn't happy about the casual attitude displayed by several of his warriors.

There is no room for complacency in the camp of the Leafs, Jacques Plante shows no signs of relinquishing his hold on first place; Worsley moves up ladder.

TORONTO — Goaltender Glenn Hall of the powerhouse Detroit Red Wings had his poorest showing of the National Hockey League season last week. The native of Humboldt, Sask., last season's rookie-of-the-year was beaten 11 times in 102 shots for a .892 "fielding average." He dropped five points to .911 for the season in the efficiency ratings of regular NHL goalkeepers.

A combination of Hall's performance and the improved playing of Lorne Worsley lifted the New York Ranger goalie into third place and settled Hall into fourth spot, one point behind Worsley.

The 155-pound Worsley was the second busiest goaltender—Hall was shot at four more times—during the week but he managed to post his best mark since he led the league in the first week of the schedule. He stopped 94 of 98 shots for a .950 average which boosted his season's mark to .923.

Meanwhile, Jacques Plante of Montreal Canadiens is showing no signs of relinquishing his hold on first place. Plante added a point to his total for the season—955—by posting a .961 mark for the week. He stopped 73 of 76 shots. His margin over second-place Terry Sawchuk of Boston Bruins is 27 points. Sawchuk chalked up a .926 rating during the week as he block-

Seixas, Flam Named For Draw

PERTH, Australia — (AP) — United States captain Bill Talbert today named veterans Vic Seixas and Herbie Flam to face India in the opening Davis Cup interzone tennis matches Friday.

The draw Thursday will determine how the two Americans face off against 19-year-old Ramanathan Krishnan and Naresh Kumar, India's two-man delegation.

Talbert said he would not decide on his doubles combination until after the opening singles. Matches are scheduled Friday, Saturday and Sunday. The victors qualify to challenge Australia for the Davis Cup at Adelaide Dec. 26-28.

Hungarian Coach May Remain In Australia

MELBOURNE — (AP) — Franz Stampfl, the world-famous track coach, said today that Australia has a "golden chance" to grab one of the world's greatest coaches, Hungarian Mihaly Igloi.

Igloi, who came here with the Hungarian Olympics team and is staying this side of the Iron Curtain, trained three Hungarian world record-smashing runners—Sandor Iharos, Laszlo Tabori and Istvan Rozsavolgyi.

Stampfl, writing in the newspaper Melbourne Argus today called these "the greatest middle distance trio the world has ever seen."

Romanoff headed a group of 18 Russian coaches and trainer who are flying home from Melbourne via Honolulu and Los Angeles.

Benoit Lapierre Leads Way With Two Goals As Therriault Squad Suffers First Defeat Of Season

WINDSOR MILLS — The Paper Makers, paced by Benoit Lapierre, pulled the surprise of the season last night when they toppled the highly favored Aces of Magog 4-3 for their first victory in the Massawippi Valley Hockey League at the Canada Paper Arena.

The Gendron squad had their usual ten men in uniform but they made the best of their breaks to nose out the front-running contenders. Nine penalties were dished out by the referees but only one goal was tallied when the teams were shorthanded.

Benoit Lapierre was the top marksman for the Paper Makers with two goals while J. G. Houde and Robert Spenard accounted for the others. For the Aces playing-coach Pee Wee Therriault led the way with two markers with Marius Goyette getting the other.

Therriault opened the scoring in the first frame when he notched the only tally of the period. He completed a three-way passing play with M. Goyette and Levesque. In the second frame Windsor struck twice with Lapierre and Houde getting the tallies.

Lapierre finished off a play with his line mates, Houde and Guillemette with both teams at even strength. The second goal came with G. Goyette in the cooler for a hooking penalty. After peppering Paul Duchesne they finally broke through to earn a 2-1 advantage.

The final frame saw both teams move to the attack and Goyette evened the count at the half-way mark when he snared a pass from Ross Planche. Coach Therriault then broke the tie to send his team into the lead once again.

This was short-lived as Robert Spenard rapped home the equalizer a minute later when he teamed up with Claude Couture and Edgar Gendron. Another minute later Lapierre got his second goal and what proved the winning one on a passing play with Houde and Guillemette.

With two minutes and a half left the Aces tried their best to get the tying tally but the short-staffed Paper Makers managed to hold onto their slim margin until the final bell.

Windsor: Dubois, Lapierre, Guillemette, Houde, Bachand, Abran, Gendron, Couture, Spenard, Parker, St. Laurent.

Sherbrooke Optimist And Windsor Juveniles Battle To 2-2 Stalemate In Wide-Open Tilt At Local Arena

Sherbrooke Optimists and Windsor Mills Juveniles battled to a 2-2 stalemate last night at the Sherbrooke Arena in a regular fixture of the Eastern Townships Juvenile Hockey League.

It was a hard fought battle with the issue being decided only in the third period. The teams gave a wide-open display of fine passing and good defensive work.

Dupuis put the Windsor team out in front in the first period and this stood until the third frame. In the second period the teams battled hard but just failed to make the red light flash.

The two goals were doing their best in keeping their citadels clear and came up with some top saves.

In the final period Auray evened the count for the Optimist club right after the start but then the Bobby Morey coached crew from the Paper Town commenced to hum.

The Optimists were forced to throw up a strong defense and finally Doyon got away from a gangling play to put the Richer crew out in front 2-1. Couture and Rousseau followed each other off but the Optimists just couldn't capitalize on these breaks.

With less than two minutes left in the game Couture came up with tying goal when he teamed up with M. Codere. The Optimists tried to break the knot but Windsor held on until the siren blew to end the game at 2-2.

OBITUARIES

ALICE CHRISTINE HILL, OF BULWER

BULWER — This community was shocked and saddened to learn of the sudden passing of Miss Alice Hill on Friday evening, November 16. She had been in the neighborhood a few short hours before and seemed in her usual health and good spirits, and was calling on friends in Lennoxville when she passed away.

Alice Christine Hill, only daughter of the late Wilder H. Hill and Margaret Elizabeth Bailey, was born in Stanhope, on November 30, 1907. When only a child she accompanied her parents to Birchton, where her father kept store for a number of years in what is now the Nutbrown Bros. store, later moving to Bulwer, where Mr. Hill bought the store now occupied by W. A. Rogers.

Miss Hill received her junior education in the Bulwer Intermediate School and completed her education at Bishop's University, where she majored and honored in mathematics. She took up teaching, first at Lake Megantic and then at Lachine, where she was a member of the staff of the George Esplin School for a number of years, until failing health necessitated her entering a Montreal hospital for major surgery, from which she never fully recovered.

Her mother predeceased her by more than a year, and her father passed away very suddenly some two years prior to Mrs. Hill's death. Miss Hill faced life with a cheerfulness which was peculiarly her own. She will be sadly missed in this community where she lent a helping hand whenever she saw the opportunity. That her circle of friends was wide-spread was shown by the large number who signed the book of remembrance and by the number of floral tributes.

The funeral service was held in the Bulwer Church, which was filled to overflowing. Rev. J. A. H. Plowright, ably assisted by the Rev. Mr. Adey of the British

and American Bible Society, a friend of the deceased, spoke words of comfort to the mourners. The Bulwer choir sang the "Twenty-third Psalm" and "We'll Never Say Good-bye in Heaven." The bearers were friends who had grown up with her, Everett Parker, Kenneth Johnston, Lloyd Johnston, Chester Damon, Chester Caswell and Ralph Todd.

Miss Hill leaves to mourn her passing, a brother and sister-in-law, Mr. and Mrs. Allen Hill; a niece and nephew, Miss Marguerite and Master Bobby Hill, of Lennoxville; two aunts, Mrs. Rufus Dunn of Lennoxville and Mrs. Joseph Hoover of Vancouver, B.C.; two uncles, Clayton and Austin Bailey of Revelstoke, B.C., and a number of cousins. Many from Montreal, Lachine, Boston, Mass., Stanhope, East Angus, Sherbrooke and the surrounding area attended the funeral. Interment was in the family lot in the Eaton Cemetery.

PIERRE BRUNO LAVOIE, OF RICHMOND.

RICHMOND — The death occurred on Monday, October 29th 1956 of Pierre Bruno Lavoie in his 79th year, at the Ste. Anne de Bellevue Military Hospital.

Born at La Bay du Feve, one of a large family, he was the son of Mr. and Mrs. Louis Lavoie. He moved with his family to Richmond a number of years ago. In 1900 he married Emma Amotte daughter of Mr. and Mrs. Alex Amotte. Of this union eight children were born. Mr. Lavoie enlisted in March 1916 as a private in the 117th Battalion and served his country in France and England receiving his discharge with decorations for general service and victory medals. For the past number of years he had been a patient in the Military Hospital at Ste. Anne de Bellevue where he passed away. The remains were brought to the J. H. Fleury Funeral Home.

The funeral was held on October 31st at Ste. Bibiane Church, Richmond. Interment in Ste. Bibiane's Cemetery.

The bearers, all members of the 117th were Messrs. J. Cameron, W. H. Burnside, V. R. Beattie, C. S. Delaney, H. E. Smith and T. D. Shipman.

Those left to mourn are his widow, of Montreal, four sons and four daughters, Mrs. George Matthews, Delia; Emile, of Verdun; Oscar, of Charney; Mrs. Wilfred Beaudette, Florence, of Richmond; Miss Germaine Lavoie, of Montreal; Mrs. Deus Noel, Aurore, of Ville Jacques Cartier; Pierre Bruno Jr., of Richmond; three daughters-in-law, Mrs. Emile Lavoie, Mrs. Oscar Lavoie and Mrs. Pierre Bruno Lavoie, Jr., three sons-in-law, Mr. G. Matthews, Mrs. W. Beaudette and Mr. D. Noel.

Floral tributes were received from the Canadian Legion Branch 15 and the National Hosiery.

COOKSHIRE—

Miss Dawn Gilbert, of Shawinigan Falls, was a week-end guest of her mother, Mrs. Florence Cook.

Mr. Stanley Parker, of Shawinigan Falls, was a week-end guest of his parents, Mr. and Mrs. Earl Parker, Mr. and Mrs. Everett Parker, of Bulwer, were also guests at the same home.

WATERVILLE—

Mr. and Mrs. J. Rondeau, of Rock Island, were in town to attend the funeral of Mrs. Rondeau's cousin, Mrs. Maskery.
