PRICE—THREE CENTS

List Of Names For Jury Duty Now Being Made

City Hall authorities are now preparing a list of those Westmount residents who are eligible for jury duty. This list is made up from these names on the valuation roll. The list must be sent into the Sheriff of Montreal within 30 days after the homologation of the valuation roll.

The authorities point out that this is the only opportunity an ordinary citizen has to share in the administration of justice and although most people do their utmost to get out of this duty, they are urged to co-operate when their turn comes, if it comes.

To be put on this list, you must be a male occupant of the house; 21 years of age or over; a Canadian citizen; live in the municipality; and have your name on the valuation roll as a tenant or owner.

There are a few exceptions to this, however. You can get out of it if you are a Canadian citizen, born outside the province and have lived in the province less than three years; if you are a naturalized citizen living in the province less than 10 years; if you have a physical disqualification or if you are a person convicted of a criminal act.

Completely exempted are the following: members of the clergy, Privy Council, Senate, or House of Commons in Canada; also members of the Executive Council, Legislative Council or Legislative Assembly; all judges, officers employed in the administration of justice, train despatchers, firemen, members of the armed forces and persons over 65 years of age.

Westmount Man Attacked, Hurt

Believed to have had the intention of robbing him, two young men attacked James T. Quinlan, 49, of 368 Redfern avenue, shortly before midnight, Tuesday night, while he was walking through Dominion Square. However, they fled after striking the victim about the face.

He was released from the Western Division of the Montreal General Hospital after being treated for a fractured nose and lacerations about the eyes. The two men are about 22 years of age according to police who are now seeking them.

Don't Get Up! You Have Got Another Hour

Father Time is going to be generous this weekend. After taking away the months, the weeks and the days; after taking away the sunny summer weather and the grand glorious vacations, he has decided to give his humble slaves a little gift in apology.

This Saturday, at midnight, he has decreed that in return for our year-long captivity, we may have back the hour of sleep he stole from us at the beginning of summer. So, when you prepare for bed Saturday night, turn the clock back a full hour. Standard Time will be back with us again.

Back from an adventurous trip through Canada and the United States, 19 year old Jack Hulburd, 2493 Mayfair Avenue, and 18 year old Bill Hunter, 4871 Patricia Avenue, relax in the 1924 Model-T Ford which, amazingly saw them through a thousand-mile journey with the only mishap being one flat tire. The trip took eight days, with stopovers at numerous towns, including Toronto, Buffalo and Niagara Falls, and on some nights the automobile served as sleeping quarters.

D. Chishom Tells Rotary Value Of Public Speaking

"Any man who comes to speak before his fellow man and has no trepidation, is downright shameless," and it was on this theory that David Chishom, quoting Cicero, worked when speaking to the Rotary Club of Westmount at their weekly luncheon held in Victoria Hall.

Mr. Chishom, an employee of the Bell Telephone Company, is an active member of the Junior Board of Trade and has won many awards in their public speaking contests. He is therefore well qualified to speak on his chosen subject, "The Value of Public Speaking."

"More business men and women are afraid to speak before an audience and suffer more when asked to speak than they do from any other cause," he continued.

Urging the members present to take an interest in public speaking, Mr. Chishom said the ability to speak before an audience no matter what size, gave a man confidence which would be reflected in his work.

The speaker recalled that recently he attended the opening meeting of a public speaking course when 12 of last year's students returned and each gave a speech. He said it was wonderful to hear them after only one year of study. He reported that one man with whom he was conversing said he had just received the offer of a high position with an advertising firm and he attributed his good fortune to the fact that he was able to put across his thoughts, a knack he had picked up from the speaking club to which he belonged.

"Speed in speech is often a sign of shallowness," Mr. Chishom continued, "A speaker should consider his thoughts before uttering them. It is often true that during a pause, you are in closest contact with your audience. The value of a pause cannot be over emphasized. Your audience can only grasp your thoughts after the words have been spoken, and the pause gives them time to assimilate your suggestions."

"Emphasis is also invaluable, that is, emphasizing the right word or phrase. In the right place, it gives clarity to what you are saying. Sometimes, the best examples of this come from children," the speaker said.

Mr. Chishom asked the question, "How does your inability to speak affect your social life?"

Municipal Association Reports On Suggestions Made To City

Resulting from the spring meeting of the Westmount Municipal Association, and from letters received from numerous citizens since then, several matters of interest to the community were assigned to sub-committees of this organization for their investigation and recommendations.

Receiving investigation were such matters as the traffic lights at the corner of Victoria avenue and Sherbrooke St., replacement of horse-drawn garbage trucks by motorized vehicles, elimination of ragweed and poison ivy, insufficient taxi service at Westmount Station, the Westmount Athletic Grounds, parks and playgrounds

It was suggested that the timing of the north to south green light at the Victoria-Sherbrooke intersection be lengthened to allow more time for the crossing of pedestrian traffic. After investigation, the Association was advised that the light, when due allowance was made for the added time given by the yellow light, was spaced to allow sufficient time for pedestrians to cross.

The question of replacing horse-drawn garbage trucks with motorized vehicles brought to light the fact under present conditions, the cost was prohibitive. Four motorized trucks would be needed at a cost of about \$35,000 plus an annual expenditure cost of \$12,900 more than the horse-drawn units they would replace. The change-over will be kept under consideration until such time as lower prices are in vogue.

When it was suggested that an increase in the number of taxis at Westmount Station was necessary, the association was advised that 24 cabs serviced this point but if the city found that this number was insufficient, the question of additional service from other companies than the one now employed would be discussed.

Mention was also made to the city that the Parks and Playgrounds Department should be divided, as it was felt a separate Playground Department under the supervision of trained personnel would be more beneficial to the youth of the city, but again, the increased cost is deterrent.

Very considerable study and discussion has been given the matter of a new zoning by-law and certain recommendations were made which it is thought would be beneficial to the city as a whole. Several of these have been acted on already and others are receiving further consideration.

PROMOTIONS IN FIRE DEPARTMENT APPROVED

The Westmount City Council approved the following promotions in the Fire Department at their last meeting: Lieutenant J. Masse to be Acting-Captain; Fireman F. Billingham, to be Acting Lieutenant.

Both promotions become effective October 1.

St. Stephen's Centennial Celebrations Start Oct. 3

Sunday, October 3rd, will see the opening service of St. Stephen's Parish, Westmount, centennial celebrations. This service will mark the occasion for which the congregation of St. Stephen's has long awaited. Led by the Rev. A. T. Love, M.A., the present Rector, and a special centennial committee, several interesting events have been planned for the month of October.

Heading the spiritual side of the occasion will be the Rt. Rev. J. Dixon, Bishop of Montreal, who will officiate at the opening service at 11 a.m. Sunday, October 3rd.

His Lordship will be followed successively through the month with a distinguished list of preachers, namely, Oct. 3, 7.30 p.m. Rev. W. E. Jackson; Oct. 10, 11.00 a.m., Ven. Archdeacon Gower Rees; 7.30 p.m. Very Rev. Dean Evans; Oct. 17, 11.00 a.m., Ven. Archdeacon Morris; 7.30 p.m., Rev. Rural Dean Norman; Oct. 24, 11.00 a.m., Dr. O. W. Howard; 7.30 p.m., Rev. Canon W. H. Davidson; Oct. 31, 11.00 a.m., Rev. Sydenham Lindsay; 7.30 p.m., Rev. Canon Gilbert Oliver; Nov. 7, 7.30 p.m., Rev. C. E. Combe.

Fed. Campaign Group Leader Is Mrs. M. Seng

Mrs. Magnus Seng, wife of Dr. Magnus Seng, 4466 Western Avenue, is to serve as Chairman of the Women's Special Names Division of the Federation of Catholic Charities campaign soon to make a drive for an objective of \$300,000 in Greater Montreal, announces General Chairman of the Campaign, D. V. Robertson. After an executive meeting Mr. Robertson also announced the appointment of A. F. Mayne, 444 Elm Avenue, as Vice-Chairman, Men's Special Names.

Quotas for two of the divisions were set up at the meeting and others were tentatively agreed upon, while the Parish Division, to be headed by H. J. Nevin, 4020 Melrose Avenue, N. D.G., will seek \$110,000, representing a 10 per cent increase over last year's quota. He will be assisted by D.J.C. Meyers, 4433 Old Orchard Avenue, J. A. Redmonds, and Mrs. J. Langley as Vice-Chairman.

The Women's Special Names Division, under guidance of Mrs. Seng, will endeavour to raise \$7,000 towards the total objective.

Mr. Robertson commented on the fact that constantly increasing costs have forced the Federation to set a new high objective of \$300,000 as against the \$275,000 goal last year, an increase of \$25,000.

This increase, he suggested, will mean workers will be faced with a more difficult task than ever but he also voiced his confidence in the generosity of Montrealers and citizens of adjacent areas that will see the objective realized before the campaign ends.

Two Injured In Accident

While travelling west on Sunnyside avenue, on Saturday, Louis Robitaille, 26, 5430A Decarie Blvd. swerved right to avoid another car, which was going south on Lexington Avenue, and jumped the sidewalk, smashing into a tree, causing slight damage to the car.

Miss Yolande Beaulieu, 19, 2000 McGill College avenue, a passenger in Robitaille's auto, suffered multiple lacerations to the face, throat, body and legs.

The driver suffered lacerations to both legs and knees and a possible broken nose.

They were taken to the Western Division of the Montreal General Hospital in a radio patrol car driven by Sgt. J. McAleer of the Westmount police and treated by Dr. Young.

Well, by this time, all Scouters have received their notification of the coming Provincial Scouters' Conference which will be held at North Hatley, Quebec, over the Thanksgiving weekend, October 9th to 11th, 1948. That date is only a little over two weeks away today, and plans must be completed immediately for those planning to attend. Over one hundred and fifty leaders were at last year's conference and we are sure that none of these will need any urging to be there again this year, if it is at all possible. New Scouters and others who were unable to go last year would be well advised to query their fellow Scouters as to the value of this event.

The Conference is for adult leaders only — there are no Patrol Leaders or Troop Leaders included. Members of Group Committees, other officials and ladies will all be very welcome, including wives of Scouters. The entire gathering will again be accommodated at the Pleasant View Hotel, with the rates set especially low for the occasion. The gorgeous autumn colours of the trees and the general scenic beauty of North Hatley and Lake Massawippi is something long to be remembered. Scouters are expected to arrive on Saturday afternoon in order to participate in the opening supper at 6 p.m. The Conference will close on Monday afternoon, right after dinner, giving all plenty of time to return on their respective places of abode.

The Scouters' Conference provides a common meeting ground for a large group of men all with a common purpose and gives every Scouter ample opportunity to pick up many useful ideas which may be useful in running his own unit. It is also an excellent time to make many new friends and hear the view-points of those who are experts in the art of training youth. Uniform, naturally, is expected to be worn by all who can possibly do so throughout the Conference, though this does not debar non-uniformed guests. Transportation to the hotel at North Hatley can be effected by private auto, train or bus. We hope all Scouters will send in their registration forms NOW!

TRINITY PACK

Twenty-nine Cubs attended last Monday's meeting of Trinity Memorial Pack, with Sixer Bob Manktelow of the Sand Six leading the Grand Howl. Second Bob Turnbull has been given charge of the Red Six, all New Chums; Ronald Leadbetter, Peter McLearn, Peter Lindsay, Peter Anand and Brian Carson. Bob still has some work to do on his 2nd star and will receive his Sixers' stripe when that is completed. Several games, instruction for the New Chums, more games and a general instruction period followed in that order. Several of the 2nd star Cubs, accompanied by A. H. Manktelow, Group Committee Chairman, went to the Homoeopathic Hospital to visit Bagheera Armstrong. Akela commenced the story of Rikki Tikki Ravi, leaving the Pack in state of suspense until next meeting.

Sixer Norman Bedgord received Gardener Badge and his 4th year service star. Arthur Armstrong was also to have received Gardener Badge, but, being absent through illness, will receive it at the next meeting. Both Cubs have now completed their badge work, earning all twelve. Arthur will be going up to the Troop shortly and Norman in six months. The Red Six won the Six Competition and Acting Sixer Bob Turnbull received the pennant. The coat hangar collection is going well; Brown Six has 86 bites, Gold 74

What's What In the Parks

Putting — Last Friday night with the help of the weatherman and a beautiful moon, Mrs. Stott, playing a steady game, came out on top with a net 75 to win one of the coveted bits of silverware. Mrs. Drain came close with a 77. Mr. Regan in the men's section romped home also with a 75 net after Mr. Mitchell had a sure win of 76. Even with the carefully kept greens being leafless at the outset, the leaves dropping slowly but surely create many small hazards in the putting. Don't forget to get your colored golf balls for when the snow falls.

Cricket — No cricket this week in Westmount Park.

Shuffleboard, Horseshoes, Checkers — Even though the weather has become slightly cooler, the lighted area in Westmount Park where the games are played still ring with the sound of horseshoes, and the click of the shuffleboard discs. Checkers still continue to bring out the older members, who take this game much more seriously than the younger crowd. Still a few weeks left for this popular corner to function.

Rugby — This coming Saturday the Westmount Football Club meet the New York Fashions at Westmount Park, where Coach Bruce Johnston's crew hope to make up for their defeat by N.D. G. last week. The purple and white Westmounters look in fine condition for a win, and will be a lot more cautious than formerly. A big crowd is expected at this game scheduled for 2.00 p.m.

The registration for the six-man Touch Rugby has really stepped up this year. Pee Wee, Bantam and Midget teams will soon be beating each other on the various fields.

Auction Night At Stamp Club

The regular Thursday night meeting of the Westmount Stamp Club took place in the Victoria Hall in the form of an auction night. Brisk business took place. At the last regular meeting, discussion took place regarding the 1949 Convention of the Canadian Philatelic Society.

This convention which is hoped will take place in the Victoria Hall for approximately five nights in April, should bring together some of the finest collections in the country.

and Blue 10. The Grey, Sand and the new Red Six will have to go some to catch up. Raksha Jeffery was unable to attend the meeting due to illness.

Calvary Pack

Calvary Wolf Cub Pack opened the season with an observation hike to King George Park. The "Creeks" Indian Tribe under Sixer Donald Murray won the prize for the highest number of observations. The first indoor meeting was held Monday when several New Chums were welcomed. Some of the Cubs will be going to the Troop next week, and there will be room for a few more newcomers. Anyone wishing to join should be at the next meeting Monday night, at Calvary Church Hall, at 6.45 p.m.

Y.M.C.A. NOTES

YOUNG ADULT SECTION

Friday's Social Evening — The Splash Party is dead, Long Live the Social Evening! Yes, last night saw the end of this season's Thursday evening entertainment. Lots of people had formed the habit of coming along regularly and very successful parties ensued, but now the leaves are falling and the season changes, so does the programme. Friday night is now the weekly date to be remembered for chess and table tennis will be in full swing from 8 p.m. onwards, the pool will be open for mixed swimming from 9.30 and dancing will start at 10 in the usual way. The crowd will be much the same as on Thursdays with many additions. Is it a date?

Y.E.B.A. — Well, the YEBA's have attained their majority now and will be incorporated into the Young Adult Section. They will be meeting tonight in the "Y" and will welcome all young men between the ages of 18 and 21 to come along and meet everyone.

The Public Speaking Course conducted by Mr. William Hardie will start on Wednesday, October 6th and will consist of 10 weekly lectures in the art of speaking in public. Registrations are still being accepted for the course, though it is stressed that the time to enter is now!

The Young Men's Club — Yes, until a new name is accepted that is the title which we shall use. Various additions to the lists of names in the contest for the re-christening of the club have been received and are being considered.

The Supper Meeting to be held on Tuesday next in the Central Y.M.C.A. building on Drummond will have as guest speaker Doctor Bradfield, who represents Australia in the International Civil Aviation Organization. The club is proud to have so distinguished a speaker and is looking forward to the event. Doctor Bradfield will illustrate his talk with films of our Sister Commonwealth, Australia.

The Fall Physical Programme will start on September 27th when the new swimming time-table will come into operation. Badminton will start on the 1st of October, at 8.30 p.m. Trials have already been held in the gymnasium and we can look forward to a hectic season. Many new players have signified their desire of joining — you will be welcome on Friday.

The Camera Club meets as usual on Wednesday evenings when much jiggery-pokey work is done with developing tanks, enlargers, hypo and all the usual witchcraft. Did you think that the only dodging done is in Brooklyn? Well, come round on Wednesday and Jack Allen will show you where you are wrong. He might even tell you what montages are and how to crop your shot, who knows?

The Branch Conference of the Y.M.C.A. is to be held on Sunday in the camp on Isle Perrot. The meeting will be opened by Dean H. F. Hall of Sir George Williams' College and will be closed by Mr. J. W. Beaton, the General Secretary of the Metro-

politan Y.M.C.A. Transport to the camp will be leaving the "Y" at 9.30 on Sunday morning.

Bridge is being continued on Monday evenings, when the attendance is so regular that one may be sure of being able to have a good game or of gaining sound advice at any time. The Committee are still working towards the tournament. Please let us start punctually at 8 p.m.

Hints on Bridge—Opening Lead — Though no rules are infallible in bridge, there are many that can be borne in mind and considered in relation to the bidding and the distribution of the cards. Non-trump singletons are very good leads as your partner may well be able to take the trick and return another for you to ruff. If your partner has named a suit, lead that. Leading through the strength in Dummy is a sound technique if you have reason to think that your partner can dominate the board's holding. For N.T. 4th highest of the longest and strongest, of course but for slams there are no rules. Mainly, it is well to keep in mind that you must lead something that you want your partner to lead back to you when he gets the lead. Remember that and no sparks will fly!

BOYS' DIVISION

Boys' Clubs — All boys' club activities and gym classes will commence for the fall and winter season on Monday, September 27th. All members are asked to be on hand on this date to start off their clubs with a bang.

Saturday Nite Dance — The regular Saturday nite dance will be held this Saturday, Sept. 25th. All members are asked to attend.

Junior Boys' Supper — On Wednesday, Sept. 29th, the first supper for the Juniors for the season will be held. This is to be a spaghetti feed, so all boys register early.

Triangle Club — The triangettes will meet on Monday, Sept. 27th at 7.30 p.m.

Teen-Agers Club — The Teen-agers will hold a meeting on Wednesday, Sept. 29th, at 7.30 p.m. All teen-agers plan to be on hand this evening.

St. Francis Day To Be Dedicated Helping Animals

St. Francis of Assisi's Day, October 4th, is recognized in many lands as the World Day for Animals, and Sunday School Superintendents and Ministers are asked to observe it in a suitable manner in one of their services on October 3rd or 10th.

The object of this day is to eliminate permanently all kinds of cruelty by inculcating love for all creatures in the hearts of mankind, correcting ignorant and cruel persons who perpetrate cruelty — directly or indirectly — and also to encourage action for sympathetic understanding for animals and birds exploited in any way by mankind.

It is suggested a prayer or a brief talk stressing the Ideals of Love regarding all creatures, and the personal moral responsibilities involved in such would be the most expedient way.

"LONE WOLF" FACES WESTM'NT CHARGES

Bernard Stromberg, alleged "Lone Wolf" arrested in Outremont in connection with burglaries and theft of goods valued at more than \$50,000 and now out on \$5,000 bond, will be arraigned on Tuesday for preliminary hearing.

Amongst the charges he will have to face are two placed by Westmount police, both of robbery, one of which is said to have taken place on Argyle Avenue, in July of 1946 and the other as late as September of this year on Grosvenor Avenue.

To be really healthy and efficient, a man must be happy in his work and enjoy life. The Army makes every possible effort to see that each soldier finds the work he does and likes the best. New Bus Service--Mtl. West To Baptist Church

An experimental bus service to operate between Montreal West and the Westmount Baptist Church on Sunday morning, September 26th, is announced. This is part of an effort to make available to the people of the newer areas, the attractive programme and facilities of the Westmount Baptist Sunday School and Church, and reflects the growing recognition of the importance attached to a proper Christian education. It is hoped this arrangement will be genuinely helpful to families not yet vitally connected with any particular church. Perpetuation of the service will depend upon the response.

This trial bus service is planned to coincide with an attractive

BOYS' BRIGADE RESUME ACTIVITIES

The 1st Westmount Company of the Boys' Brigade will resume operations immediately and has lined up an interesting programme for the season. A large company is anticipated and every effort will be made to enter into all Battalion competitions which mean so much toward maintaining keen enthusiasm.

Captain J. H. Richardson will have a very important announcement as regards additional staff this session, fuller announcement of which will be made later this month.

STRUCK BY STREETCAR

While walking from north to south across St. Catherine Street, near Kensington avenue, Mrs. Jules Leduc, 3427 St. Catherine street, was struck by a street car and taken to the Western Division of the Montreal General Hospital, on Wednesday, September 15. She was treated by Dr. Athens for lacerations of the head, broken pelvis and fractured ribs on the right side.

Constable J. Gussard investigated.

J. Philip Page Gives His Views On Business College

(Editor's Note — This is the first in a series of articles by members of the Business Association of Westmount. In this column, J. Philip Page, President of Graham's Business College gives his views on business training.)

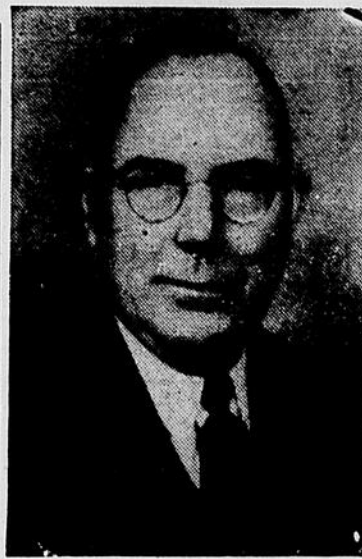

This is an age of specialists and therefore, business training must keep in line with the trend of the times. Shorthand has been in existence a long time. Formerly it was used principally for the writing of personal notes and in the reporting of judicial proceedings and oratorical efforts. And then came the typewriter—laughed at as a plaything and ridiculed as a commercial proposition.

It took some time before business men were won over to see the connection between shorthand and typing, and so about 1875 Siamese twins were born, namely, shorthand and typing. Stock and trade of a stenographer is words, that is, she must know how to use them, there-

fore the necessity of spelling and grammar is a part of the business course. More and more typing was relied on and correspondence files began to grow bulkier and bulkier and called for a system of filing. With the machine age big business came into being and with big business, accuracy and quick methods of making bookkeeping entries.

Between the periods of 1845 and 1900, business colleges confined

Stage Experience Open to Children

The Children's Theatre directed by Dorothy Davis and Violet Walters, today recognized as one of Canada's foremost and largest organizations of its kind, opens its 16th season with a most ambitious programme.

In addition to the four major productions scheduled for Victoria Hall—Peter Pan, The Little Princess, The Indian Captive and The Golden Touch—several other plays will soon be under rehearsal for this season, thus offering pupils of the Children's Theatre greater opportunity to appear in stage productions, and gaining the advantage of practical experience on the stage.

Classes are now being formed for juniors, intermediates and seniors, and the course embraces diction, poise, deportment, elocution and dramatic work.

The radio course, which is under the direction of Chas. Miller, of the C.B.C., includes instruction in diction, sight reading, interpretation and microphone technique. The popular "Calling all Children" programme, which has been heard for the past few years on the air, will resume Nov. 6th, giving the radio students qualifying an opportunity of appearing on the air. Scriptwriter Jean Low is busily engaged in writing a delightful new series for this season.

Beauty In Red Feather Revue

Among the artists to be featured on the Red Feather Revue this evening in Westhill High School will be the three beautiful and talented young ladies shown above. Reading, from left to right, they are Ann McIver, Joan Farley and Gloria Cameron. Sponsored by the Notre Dame de Grace Women's Club, the Revue precedes the Welfare Federation campaign which opens Monday and will feature the Oscar Peterson Trio and artists of the famous "Meet The Navy" show and will have a chorus line, music and comedy routines. The show begins at 8.15 p.m., with admission free.

New York... At Thanksgiving

One of the nicest seasons of the year to visit New York City is at the Thanksgiving holiday. Many are arranging to do so and others might if they knew that accommodations were available in that city.

Tobin's Travel Bureau is organizing a party, limited and exclusive, to be personally conducted by Mrs. H. B. Pope, which will leave here late Friday evening, Oct. 8th and return on Tuesday morning early, Oct. 12th. Full particulars will be gladly furnished by Mrs. Pope or Tobin's Travel Bureau.

Trinity Players To Open Season With "Papa Is All"

For their first production of the season, the Trinity Players will present "Papa is All", a comedy in three acts by Patterson Greene, in Trinity Memorial Hall on the evening of October 27th, 28th 29th and 30th.

The presentation which is the Montreal Premiere of the play, will be directed by Basil Donn. It was given by the Ottawa Drama Group for the Dominion Drama Festival last April and won great praise from the Adjudicator.

"Papa is All" is folksy comedy about the Pennsylvania Dutch — amusing interludes — genuine entertainment.

Tag Day Planned

The Society for the Prevention of Cruelty to Animals under the Chairmanship of Mrs. J. Clarence Watterson, will hold a Tag Day to raise funds for the extension of its work, on October 8th.

So far this year, ambulance calls alone to the Society have numbered almost 40,000. Over 27,000 cats, 11,500 dogs and 41 horses have been handled, and as the work of the Society is increasing daily, funds must be raised to continue the humanitarian service.

All those with animals wishing to tag are asked to contact S.P.C.A. Headquarters at 1705 St. James Street West.

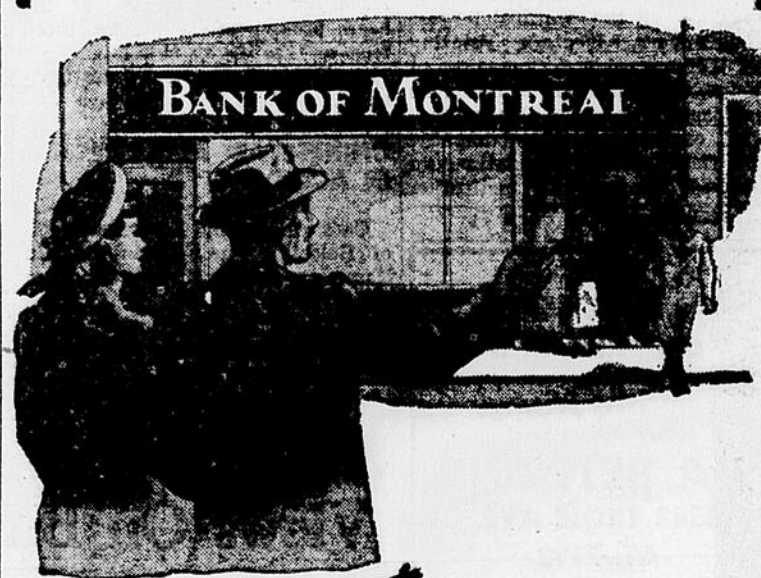

Christian Science

"Reality" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday.

The Golden Text is from 11 Corinthians 4: 18 "The things which are seen are temporal; but the things which are not seen are eternal."

Among the citations which comprise the Lesson-Sermon is the following from the Bible: — "All thy works shall praise thee, O Lord; and thy saints shall bless thee. They shall speak of the glory of thy kingdom, and talk of thy power; To make known to the sons of men his mighty acts, and the glorious majesty of his kingdom." (Psalms 145: 10-12)

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy. "The Scriptures imply that God is All-in-all. From this it follows that nothing possesses reality nor existence except the divine Mind and His ideas. The Scriptures also declare that God is Spirit. The spiritual reality is the scientific fact in all things. The spiritual fact, repeated in the action of man and the whole universe, is harmonious and is the ideal of Truth." (Pages 331 and 207).

St. Andrew's Church School Re-Opens

All departments of St. Andrew's Church School will resume classes this Sunday morning. The Bible Class for intermediates formerly led by W. Maxwell Ford will be under the direction of Rev. G. K. Ward this session and will meet at

10 o'clock. The other departments will assemble at 11 o'clock in the Church for their worship period, retiring following the Children's Hymn to their various departments.

This year St. Andrew's is out to break all records of attendance and will begin the session with a membership drive. Details of this campaign will be announced at the only session this Sunday.

St. Stephen's

(Continued from Page 1)
at 7 p.m., a Parish Supper will be held in the hall.

Highlighting this special occasion will be the guest speaker, the Hon. Douglas Abbot, Minister of Finance. Many other notable guests have been invited and it is hoped that every denomination of

the church in Montreal will be represented.

Other events have also been arranged for and will feature, Guild entertainment by the ladies on October 22nd, 8 p.m.; masquerade and dance, October 29th, 8.30 p.m. and a recital of sacred music, November 6th, 4 p.m.

Further announcements of these events will be published at a later date.

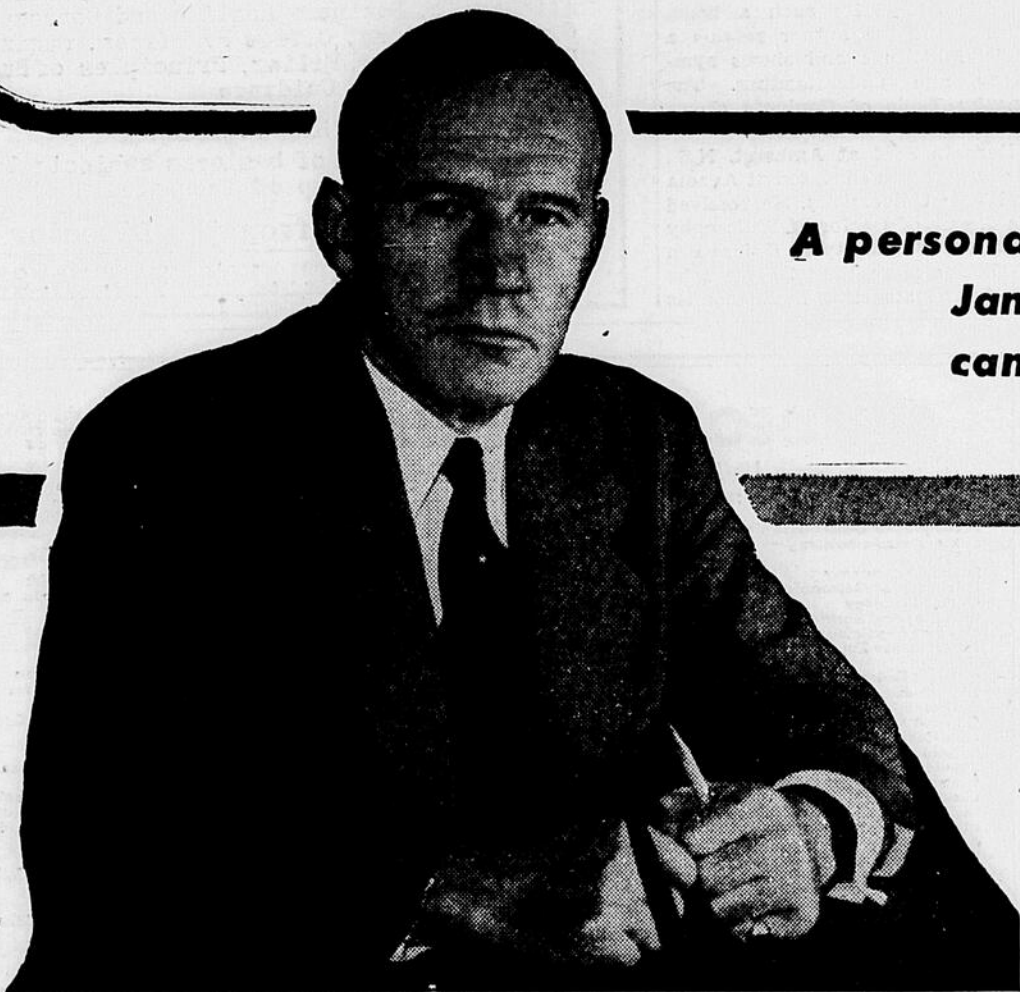

ALOUETTE SQUADRON CLUB

The Alouette Squadron Club will resume activities Tuesday night, September 21 at a general meeting to be held in the drill hall of the Fusiliers of Mont Royal, Pine Avenue east, entrance on Henri Julien St.

Important decisions will be made at this first meeting concerning the future of the club.

YOUR CONTRIBUTION TO WELFARE FEDERATION HELPS THE 30 RED FEATHER SERVICES:

- BREHMER REST PREVENTORIUM • CANADIAN NATIONAL INSTITUTE FOR THE BLIND • CHILD WELFARE ASSOCIATION
- CHILDREN'S AID SOCIETY OF MONTREAL • DAILY VACATION SCHOOLS • DAY NURSERY • DIET DISPENSARY • FAMILY WELFARE ASSOCIATION • GIRLS' COTTAGE SCHOOL • GIRLS' COUNSELLING CENTRE • GRIFFINTOWN CLUB • IVERLEY COMMUNITY CENTRE • MONTREAL LADIES' BENEVOLENT AND PROTESTANT ORPHANS' SOCIETY • MENTAL HYGIENE INSTITUTION • MONTREAL BOYS' ASSOCIATION • MONTREAL COUNCIL OF SOCIAL AGENCIES • MURRAY BAY CONVALESCENT HOME • NEGRO COMMUNITY CENTRE • OCCUPATIONAL THERAPY CENTRE • PARKS AND PLAYGROUNDS ASSOCIATION • THE JOHN HOWARD SOCIETY • PROTESTANT FOSTER HOME CENTRE • PROTESTANT INDUSTRIAL ROOMS • ROSEMOUNT BOYS' CLUB • SHELTERING HOME • SOCIETY FOR THE PROTECTION OF WOMEN AND CHILDREN • UNIVERSITY SETTLEMENT • VICTORIAN ORDER OF NURSES • WEREDALE HOUSE • YOUNG WOMEN'S CHRISTIAN ASSOCIATION

THE annual campaign of Welfare Federation and its 30 Red Feather Services commences Monday and we have set our objective at \$1,140,000—the absolute minimum to maintain our vital services to the community.

We NEED that money and WE MUST GET IT! There are no two ways about it, we MUST get it! It is a disgrace that Federation has failed to obtain its objective in the past three years and we simply CAN NOT let it happen again.

To fail again this year would be more than a disgrace—it would be a disaster. It would mean that many young Montrealers would be deprived of a decent chance in life; that babies would suffer; that deserted and widowed mothers would be left unaided; that the neglected young and the forgotten old have no hope, no help.

YOU SIMPLY CANNOT LET THAT HAPPEN. While thousands benefit directly from Red Feather services, we all benefit indirectly. Health services, for example, prevent epidemics which could prove extremely costly to us all; youth services prevent and cure juvenile delinquency which is not only a financial burden on the metropolis but which is the breeding ground for crime.

Remember this: a donation to the Red Feather drive is not giving to "just one more campaign"—it is a donation to 30 campaigns, to 30 vital community causes.

The objective this year is the same as last year—the absolute bedrock minimum. Although the same figure, its purchasing power is far less as the greatly increased cost of living has affected all welfare operations and we cannot afford to fail to meet our objective as we did last year.

With your help, and the help of all citizens, Red Feather Services will be carried on. Give our canvassers a warm welcome when they call—and

BOOK REVIEW

By H. S. ROSS K.C.

TRADE UNIONS IN CANADA
Harold A. Logan, Ph.D., F.R.S.C.
Publishers The MacMillan Company, Toronto. Pages 639 - Price \$4.75.

This valuable volume gives us a comprehensive, authoritative and vital contribution to Canadian history.

The product of years of research this is the only book which tells the complete story of trade union organization in Canada. From the creation of the International Typographical Society No. 91 in 1832 to the latest expansion of the C.I.O. Professor Logan describes and interprets objectively the whole tremendous development of craft unions, industrial unions and labor unions, both national and international, within our Dominion.

Most Canadians take trade unions for granted as an integral part of our industrial organization. But what was the attitude towards organized labor at the end of the last century? Who were the Knights of Labor? How does the National Catholic Movement of Quebec fit into the Canadian scene? These and many other related questions are answered in

BLIND OBEDIENCE

The purpose of teaching a child to obey is not just to get a certain job done or a certain errand run. Every parent wants to give his child the kind of training that will make him a happy and successful adult. Everyone has to learn to obey because all through life orders have to be obeyed. However, blind obedience should not be required of anyone, either adult or child. There must be a good reason behind every order and one which can be explained to the child.

this stimulating and highly provocative book.

In spite of the improved machinery for arbitration, industrial conflict still exists

No one can have an intelligent understanding of present day labor unrest without some knowledge of the immediate background of the problem. This valuable volume provides this essential information, man in the street who wishes to know more about both sides of the question.

Very interesting is his description of Communist technique of infiltrating into Union leadership. How great is the Communist influence in our labor organizations? How many of our unions have international affiliations, and what is the extent of American influence on Canadian trade union policy?

The author has devoted nearly twenty-five years to the study of labor relations and no one is better qualified to write such a book. Throughout the author retains a judicial attitude and shows sympathy and understanding. The lengthy Table of Contents shows the wide scope of the book.

Born in 1889 at Amherst, N.S., the author was educated at Acadia and Yale Universities. He received his degree of Doctor of Philosophy from the University of Chicago in 1925. For more than 20 years he has been instructing in Economics

and Sociology and is now Professor of Economics at the University of Toronto.

There are eleven useful charts and an extensive index. There is also an Appendix showing the

membership (in thousands) of largest Canadian Unions showing number in Canada and elsewhere. It is interesting to note that the book was printed by Le Soleil Limitée, Quebec.

ing, spelling, penmanship and arithmetic. In these times, it is necessary to enlarge upon that and to prepare students in order to take care of any eventuality that might occur. The graduates must be competent, thorough and accurate.

Private business schools have borne the burden of business training since its inception and have kept abreast of the times and the trends more than satisfactorily. Today business colleges are meeting the demand of business and turning out specialists and assis-

tants, secretaries and accountants and over ninety percent of the stenographers and secretaries working at the present time have been trained by private business schools.

The main object to keep in mind when training a young lady or a young man is to find out what he intends to do or what position he or she would like to fill and then the school must turn its efforts, not to pleasing the student, the parents, but to make sure that the graduate will please the business man.

Graham's Business College has been in existence for over fifty years and its graduates run into

the thousands, some of them holding prominent positions. The school has enlarged its scope of training until now, the principal and staff feel that they are adequately meeting the demands of the business world. Besides a thorough training in commercial subjects and techniques, a recent innovation with regard to the cultural subjects has been included in the secretarial course. These subjects are Personality Development, Public Speaking and Vocational Guidance. This, the principal feels, will enable the young lady to acquire poise, confidence and also facility in the expression of her thoughts. It will enhance her general appearance because it includes grooming and the importance of cleanliness and deportment. Every year brings its new ways of life problems and, therefore, business training must never stand still, but be on the lookout in order that it will advance with the new atomic age which is making its impressions on the business world.

In view of the fact that this is an age of specialists, Graham's Business College is fortunate in having on its staff teachers who are specialists in accountancy, personality development, stenography, typewriting and French.

Members of the staff include J. P. Page and D. Hogan, certified accountants; Mrs. P. Hook, college graduate and certified commercial teacher; Mrs. Olive Sanborn Lead, prominent elocutionist and personality specialist and J. Laperle, certified French instructor.

THE CONSERVATIVE CONVENTION

The post-Bracken Progressive-Conservatives are gradually getting themselves organized for their convention next week at which a new leader will be chosen. Like the Liberals, but even more so, Progressive-Conservative leaders wonder where they are going in terms of an effective platform which would appeal to the Canadian electorate. Straddling fences, as they discovered at the last session of the House of Commons, does not increase the net support in the country, because if you please one group you offend another. The party moguls seem to realize that "laissez faire" has gone out the window for many years to come although they do not seem to have found a satisfactory solution. Offering a semi-diluted C.C.F. plank, combined with reiteration of faith in the miracle-provoking quality of free enterprise, has now been realized as ineffective and electorally unpalatable. Some rather clear-cut direction will have to be assigned to the party according to those who are close to the tenets of socialism, while giving full re-

cognition to the trend of modern democracy. the National Executive, which will discard Actually, neither Liberals nor Conservatives can change the trend of Government in this country very drastically. Our democracy is now so complex that its functions are discharged by a highly-skilled body of civil servants for better, or for worse. They are the real moulders of policy. Because they know more about their job than any incoming Cabinet Minister can possibly know, they have a constant advantage over him. If the Progressive-Conservative party is successful in its apparent desire to be re-named as the standard bearer of youth in this country, statistically it has every possibility of obtaining a majority in the House of Commons because as any glance at the population by age groups will show, we are still essentially a young country. The only real difference between the Progressive-Conservatives — or, for that matter, the Liberals — and the C.C.F. party is that the socialists believe in a maximum of national endeavour with a minimum of free enterprise, while the reverse is true of the old line parties.

Yet, the principal influence which could be exerted is restricted to one of intensity in terms of a trend which for a period of one hundred years now has been in the direction of widening Governmental control. At some place, that trend may be reversed, but we would be less than realistic if this could be considered a short-term expectation. The Progressive-Conservatives are indeed on the horns, not of a dilemma, but rather of a force which can only be limited and directed but, for the present, is heading one way.

Westmount Park

In Westmount Park-Emmanuel Church on Sunday, Dr. Harvey Campbell will continue the series of sermons already begun on "Enriching Our Spiritual Life".

All departments of the Sunday School will meet at 11 a.m., except the Young People's department which will meet following the evening service.

Group No. 2 of the Women's Association will meet at the home of Mrs. S. R. Groves, 260 Prince Albert Avenue on Sept. 24th at 3 p.m. Joint conveners of this group are Mrs. Groves and Mrs. Cook.

The Carpet Bowling Club will hold its first fall meeting on Monday at 8.15 p.m. and on the same date the Ladies' Book Club will hear an address by Mrs. Harvey Campbell on "The Methods and Motives of a Novelist."

On Tuesday evening at 7 p.m., a grand entertainment will be given to the boys and girls of the neighbourhood. This will include movies and cartoons. All boys and girls of eight years and over are welcome to come with a friend to Webster Hall, 4707 Western Avenue. No charge for admission.

The Scout Troop will meet on Wednesday at 7 p.m. There is room in the troop for boys from 12 to 15 years of age.

Friends of the congregation are asked to keep October 1st clear for a W.M.S. Tea at the home of Mrs. C. R. Hazen, 49 Arlington Avenue.

Westmount Baptist

Rev. Principal Emile A. Boisvert, the newly appointed Director of Feller Institute of the Grande Line Mission, will occupy Westmount Baptist Pulpit on Sunday morning. Dr. J. A. Johnston will be conducting Anniversary Services in Brownsburg Baptist Church, Brownsburg, P. Q., on this occasion.

Dr. Johnston will preach at the Evening Service when his theme will be "Boring Down to the Core" — Getting at the Very Heart of Life. It is at the centre of the atom that men have found the greatest power. It is at the very centre of life that Christ makes his greatest impact. No man need be a failure. No life need fall by the way. The Gospel of Christ has the answer everyone needs.

Westmount Bible School has resumed its sessions at 9.45 a.m. each Sunday. The Nursery and Kindergarten Departments are a delight. Little children are fascinated by the provision made for them.

The Young People's Union has

resumed its weekly sessions held each Thursday at 8 o'clock.

Church of the Advent

The Church of the Advent announces that the purpose of a Dedication Festival is to honor Christ's Holy Catholic Church, which is His mystical Body. Christ Himself is the Head of the Church and so this title should never be applied to any human person. The leading individual in any part of the Church may be called a Primate or a Patriarch or a Pope, but never the Head; that title belongs to Christ alone. "Christ is the Head of the Body, the Church," says St. Paul. (Col. I 18.)

The Holy Spirit is the Breath of the Body of Christ, giving life to the Body as a whole, and to every part.

All who are baptized are members of the Body of Christ. The health of the Body depends on the condition of each member. If there is anything wrong with your hand or your foot, it weakens your body as a whole. Likewise, when we as Christians fail to function as members of the Body of Christ, we spoil the effectiveness of the Body as a whole. That explains why the Church is not as great a power in the world as it should be.

Stanley Presbyterian

Rev. J. D. Wilkie will conduct both services of worship in Stanley Church on Sunday.

The October meeting of the Kirk Session has been advanced one week, and will be held Monday at 8 p.m.

Services next Sunday morning and evening will be conducted by Rev. Richard E. Mumma. Mr. Mumma has recently been appointed to take charge of the Department of New Testament in the Presbyterian College here in Montreal.

"Reverting to Standard Time". This will be the title of the sermon in Westmount Baptist Church on Sunday morning. The fact that on this Sunday the country returns to "Sun Time" is both suggestive and significant. Moving back the shadow on the sun-dial, turning back the hands of the clock or reverting to standard practices that have stood the test of the ages, these are matters that arouse the attention of all earnest people. There are undoubtedly some Christian standards to which all Canada ought to revert.

The Sunday School celebrates Rally Day in its session which begins at 9.45 a.m. A very attractive programme has been arranged, which will have special features. It is expected that every member or prospective member of the School will endeavour to be present.

The whole world has been shocked by the assassination of Count Folke Bernadotte in Jerusalem. "The Slaying of the Peacemaker" will be the Theme of the evening sermon. It is the supreme tragedy of human history that again and again the world has provided fires for its prophets, bullets for its benefactors and a cross for its Saviour.

Organizational programmes are now swinging into high gear. The Church offers friendship, fellowship and the opportunity for vital experience and effective service.

PERSONAL SOCIAL ENGAGEMENTS WEDDINGS

Mrs. D. Murgatroyd, Prince Albert Avenue, was hostess recently at a personal shower in honor of Miss Audrey Handy whose marriage to the Rev. Arnold Robert Kalamen takes place on Saturday. The shower decorations were carried out in pink and silver, and the teatable centred with pink summer flowers and arranged with pink tapers in silver holders. Assisting the hostess were Mrs. Albert Chandler, Mrs. William Bullock, Miss Jean Teany, Miss Audrey Monday, Miss Shirley Blair and Mrs. Leonard Crimp.

Mrs. Mary Hayes, Mrs. Gordon Phelan and Miss Gwynne Drake were co-hostesses on Wednesday evening, September 15, at a presentation shower held at the home of Mrs. Phelan at 4829 Isabella Avenue in honor of Miss Florence Ricciardi. The bride-to-be was presented with a breakfast set. The shower decorations were carried out in pink and white, and the tea table arranged with a beautiful floral centrepiece and pink and white candles.

Mrs. Marlee Dohan, of Westmount, president of the Junior League of Montreal, takes pleasure in announcing that the annual money-raising event of the Junior League will this year take the form of a Follies—the Junior League Review—to be presented at His Majesty's Theatre, November 18, 19, and 20. WEDDINGS

BELL—ST. JAMES

At the Church of the Ascension of Our Lord, Westmount, on Saturday morning, September 11, at nine o'clock the wedding took place of Helen Mary, daughter of Mr. and Mrs. A. Kenard St. James, of Westmount, to Mr. Robert Joseph Bell, of Saranac Lake, N. Y., son of the late Mr. and Mrs. C. Bell, of Redford N. Y., the Rev. Donald Feron officiating. Mr. Savarin played the wedding music and Miss Reta St. James, of Ottawa, aunt of the bride, sang during the service. Red and white gladioli were used to decorate.

The bride, given away by her father, wore a gown of white satin, the bodice having a V-neckline and long sleeves and the skirt fashioned with a bustle. Her fingertip length veil of Venetian tulle was held by a halo of orange blossoms and she carried a bouquet of pink Sweetheart roses and baby's breath.

Miss Alice St. James, sister of the bride as maid-of-honor, was in a frock of pale blue taffeta faille, having a bodice with a high neckline and cap sleeves and a full skirt. She wore a headdress to match her frock and carried a bouquet of pink gladioli.

Mr. George Garrant of Saranac Lake, N. Y., acted as best man for Mr. Bell and the ushers were Mr. Louis St. James, the bride's brother, and Mr. Richard Goodrich, of Saranac Lake.

The reception was held at the residence of the bride's parents, 51 Hollowell avenue, where the bride's table, centred with the wedding cake, was arranged with white and pink gladioli.

Later Mr. and Mrs. Bell left for the Laurentians, the bride travelling in a suit of midnight blue wool and wearing grey accessories.

WRIGHT - MATHESON

Masses of gladioli, with ferns, palms, and lighted candelabra, adorned Wesley United Church on Saturday afternoon for the marriage there at four o'clock of Miss Ruth Maxwell Matheson, only daughter of Mr. and Mrs. J. A. Matheson, Hampton Avenue, Notre Dame de Grace, and Mr. Kenneth Allen Wright, elder son of Mr. and Mrs. C. W. Wright, Upper Roslyn Avenue, Westmount. The Rev. Norman A. McMurray officiated at the ceremony. Mr. John Cook played the wedding music and Mrs. E. T.

Mrs. Cecile Wright, director of the drama group of the Notre Dame de Grace Women's Club, will entertain the members of the group at her home, on the afternoon of October 6th, when plans will be discussed for the coming year.

Miss Gwen Williams, of Sunnyside Avenue, Westmount, who has been travelling through Europe during the summer with Miss Pram Arbo and Miss Elinor Melanby arrived in Montreal on Wednesday, aboard the Empress of Canada.

Among the out-of-town guests who are coming to attend the Conley-Fauteux marriage on Monday morning, are Mr. and Mrs. Geo. D. Conley, of Portland, Maine, Mrs. Wm. Davis, Mrs. Bertrand A. Marquis, Miss Mary Conley, Miss Beatrice Conley, all of Lewiston, Maine; Miss Pat Conley, Portland, Maine; and Miss Betty O'Connell, Lewiston; Master Danny Conley, Portland; and Mr. Francis O'Connell, Lewiston.

Baby MacLauchlan Baptized at St. Mark's By Reverend E. Dann

The christening of the infant son of Mr. and Mrs. Grant MacLauchlan, took place on Sunday, at St. Mark's Anglican Church, the Reverend E. Dann officiating at the ceremony. The baby wore the christening gown of his maternal great grandmother, and was given the names John Stephen Kelsie. Miss Sheila Hardy acted as godmother to the infant, and the godfathers were Mr. Robert Emmerson, and Mr. Herbert L. Woodman, of Digby, N.S. Following the ceremony, Mr. and Mrs. MacLauchlan entertained at their home, 11555 Lavale Road, Westmount.

Morning Coffee

Now that the crisp Autumn mornings have arrived, you will no doubt find yourself busy assembling new ideas for the family wardrobe, and I can think of no better way of breaking that morning ennui that usually sets in around 10.20, than by joining some friends at the Mount Royal Cafeteria for morning coffee.

And if you are not on a slimming diet try some of their delicious French pastries, just enough to tie you over until lunch. When one talks about a cafeteria, immediately one thinks of a crowded, noisy restaurant, with people all trying to find a table while balancing a tray at the same time. This, I can assure you, is not the policy of the Mt. Royal Hotel Cafeteria. Yes, many people eat here, but the food is handled in such a systematic way that there never is any confusion or noise; in fact, from 12.30 to 2 P.M., the restful organ music of Dorothy Perron is itself worth hearing. When looking for a relaxing spot to have your morning coffee, try the Mt. Royal Hotel's cafeteria. I always thought that the ten o'clock morning coffee was a modern idea, but recently I read that in the 17th and 18th Centuries, London was famous for its coffee houses, where people prominent in political and literary life congregated for their daily cup of coffee. So, also in Montreal are to be found our City politicians and the intelligentsia gathered around the tables in the Mount Royal Hotel Cafeteria, any morning of the week, where coffee is made to please the most fastidious coffee drinker. You will find the girls only too eager to refill your cup.

A New Link

As you drive along Sherbrooke St., you cannot help but notice the ever changing appearance of our Montreal's 5th Ave. New stores are springing up, and such attractive ones too. The latest to make its bow along rue de la Sherbrooke is the **ETHEL GOWNS**, at 1448 Sherbrooke St. W. Here is one of the smartest dress salons that I have visited in a long time. As one enters the bright, cheerful, waiting room, with its pale grey walls, canary yellow ceiling, and soft, comfortable furniture, one is reminded of some of the exclusive salons on New York's 5th Ave. Yes, indeed we can be proud of our new fashion row. Now something about "JEANNE" (Mrs. Schwartz) who is well known to the fashion conscious ladies of Montreal. This is her dream, and with that impeccable taste shown in the latest of what Madame is looking for in matters of exclusive gowns, I know there is no question as to the success of the Ethel Gown Shop. For milady who is looking for a matching hat, the **ETHEL MODES** part of the shop is upstairs, where one may purchase an exclusive hat to match one's gown, or have a copy made of whatever style is required. The hats start from \$18.50 and the gown from \$25.00. Every now and then an occasion calls for a frock and hat that must be something totally different from anything you have had before, and also of a kind that will remain unique. Then here is where you will find those exclusive creations.

"A Secret"

The "girls" at the C.S.L. Gift Shop, 1480 Sherbrooke St. W., are all "bubbling over" about an event that is to take place in the very near future. It is a secret, but as I am a very poor hand at keeping a secret like this one, I must let the cat a little out of the bag, and say, "Keep watching this column for future developments". So, you see, I really haven't told anything, have I? . . . At this time of the year one is bound to be invited to a shower, and if it is to be for linen, china, miscellaneous items, or even for the kitchen, you will be surprised to find so many attractive suggestions here, within that ONE DOLLAR LIMIT. This week, when I was looking for ideas for the column, I noticed several young girls buying shower gifts, and when they found out that even a \$1.00 gift included that special C.S.L. wrapping, they were as thrilled as the bride will be when she receives it. The SHOP has received some very attractive copper ware like the hanging copper flower pot, in a carved wall holder, for \$3.25, and there is the crumb tray and brush, at \$4.50, or a good substantial looking copper ice bucket and ladle for \$11.50. When I saw the horn back knife and fork that becomes one when closed, for \$2.95, I immediately thought of the boys and girls going to boarding school, having to supply their own cutlery. If you have been waiting to pick up some reduced china plates, do not miss the Royal Doulton plates at \$6.67, and the Royal Crown Derby plates for \$8.95. Shopping at the Shop can be luxurious, BUT not expensive, because never have I seen so many real buys as there are now.

Another Chance

Elizabeth Arden Salon

Square on the Arizona desert, smack up against Camelback Mountain, lay, not long ago, a mirage. It was the beautiful wraith of an idea. There was a great house: comfortable, quiet, perfectly appointed. There were flowers; there was cool green. There was peace and shelter against the every day routine. And one could go there weary, but leave refreshed, which is quite some mirage you'll agree. However, not every soaring fantasy remains one. And this one was etched rather clearly on the inner eye of a famous fantasy-into-fact person. Elizabeth Arden . . . To spend some time at Arizona Main Chance is to know such cossetting as you couldn't have known since you were bundles-for-bassinets. You are soothed, ministered unto, fed a prescribed diet, enveloped by everyone's interest in you, and what's almost best of all, told what to do for your own good. Every day all these goings-on take place against lush-plush setting, under the bright Arizona sky, in the thin, dry, winey desert air. Now Montreal is a long way from Arizona, but we can still have all this personal attention administered to us at The Elizabeth Arden Salon, at Simpsons. Here you will have an expert analysis of your beauty needs. What's your problem? Over-weight? Complexion lack-lustre? Hair brittle and dry? Eyes fretted with strain? Need to relax? Maybe even all of this? Then you are given a regime for a diet. The whole atmosphere is so soothing and relaxing that sleep comes easily after your first beauty treatment. All these can be applied to your series of six treatments, whereby you pay for only five.

Mr. and Mrs. Lyons Given Presentation

A reception, commemorating Mr. and Mrs. Charles Lyons' forty years as superintendents of the Mount Stephen Apartment building, Mount Stephen Avenue, Westmount, was held in their home Sunday afternoon, September 19th.

The event, a highly successful surprise party, was well attended by present and former tenants, and family friends who gathered to celebrate the occasion and presented a purse of money.

Business friends also were well represented and gave gifts of money and flowers. Mrs. Clement C. Keenan, manager of the building, and hostess at the reception, presented a cheque on behalf of the proprietors, The Maritime Holding Co.

Married In St. Stephen's

Mr. and Mrs. Albert V. Hruby, pictured on Saturday afternoon following their wedding in St. Stephen's Church, Westmount. The bride was formerly Miss Mary Ann Stanger, daughter of Mr. and Mrs. Stanley Stanger, of Hampstead, and the bridegroom the son of Mr. and Mrs. A. H. Hruby, of Wellesley, Mass.

Social and Personal

(Continued from Page 9)

Gardner sang Schubert's "Ave Maria" and "I'll Walk Beside You."

The bride, given in marriage by her father, was wearing a gown of candlelight satin, the fitted bodice having a high round neckline and long sleeves ending in rose point lace over the hands, the very full skirt having an insert of the rose point lace at the hemline, and extending into a fan-shaped train. A coronet of satin petals and seed pearls held her veil of tulle illusion, and she carried a prayerbook adorned with gardenias, bouvardia and heather. Her only ornament was a string of pearls, the gift of the groom.

The bride's attendants were a matron of honor, Mrs. L. E. Marsden, of Boston; and three bridesmaids, Miss Joyce Pollock, of Sherbrooke, Que., Miss Eleanor Collier and Miss Margo Murray.

The matron of honor's dress was of American Beauty faille, made in Renaissance style, with matching mittens and hat, and she carried a muff trimmed with gladioli. The bridesmaids' gowns were also in Renaissance effect, and they had headdresses and mittens to match, Miss Collier being in American Beauty faille and the Misses Murray and Pollock in periwinkle blue. Each bridesmaid also carried a muff of glads in toning shades.

Mr. Fred Dewey, of Toronto, acted as groomsmen, and the ushers were Mr. Douglas Wright,

brother of the groom, Mr. Howard Whiting and Mr. Gordon Fletcher, of Brockville, Ont.

Mrs. J. A. Matteson, mother of the bride, was attired in filigree grey embroidered crepe, with hat to match, trimmed with a fuchsia plume and grey accessories. Her corsage was of fuchsia gladioli.

Mrs. C. W. Wright, mother of the bridegroom, wore an amber crepe dress with hat of toning feathers and tulle, Mocha accessories, and corsage of Johanna Hill roses and babies' breath.

Following the ceremony a reception was held in the Blue Room at the Ritz Carlton.

The bridal couple left later to spend their honeymoon in Windsor, Ont. For going away the bride wore a shell pink gabardine suit with matching hat trimmed with cafe au lait tulle, Russian dyed squirrel scarf, cafe au lait accessories and corsage of pink gladioli.

Blind To Benefit From Fashion Event

The Women's Association of the Canadian National Institute for the Blind is holding a fashion show at the Normandie Roof of the Mt. Royal Hotel on Thursday, September 30th at 3 p.m. The fashions to be shown have been specially designed for the occasion by Madame Marguerite Alain, the well-known couturier, who will also do the commentary.

This event is being organized to raise funds for the work of the Women's Association whose object is the providing of materials for handicrafts, talking book machines and other requisites. This Committee also arranges entertainment, dances, picnics and maintains a taxi fund for transportation of the blind to and from these gatherings.

Tickets for the Fashion Show may be had at the headquarters of the C.N.I.B., 1425 Crescent St.,

Genesians to Stage "Lady of Fatima"

Eleven performances are to be given of the St. Genesius Players Guild stage-play, "Lady of Fatima" at the D'Arcy McGee auditorium commencing on Wednesday, Oct. 13 so that all Montreal will have the opportunity to view the modern drama which at the same time embodies power and simplicity in its dramatic import.

Hans Berends, renowned for his work with MRT, is to handle the settings. This native Hollander who came to Canada over 20 years ago from art school in Europe designed the effective stage of the Guild's show last spring, "Shadow and Substance."

The same director of "Shadow and Substance," J. Patrick O'Neill is producing "Lady of Fatima". In past years he has captured the awards in both acting and directing at the Cathespian Drama Festivals. In the Fatima play, over 25 characters appear, and are highly contrasted to represent a cross-section of the populace of Portugal, the country where the Blessed Virgin appeared to three shepherd children back in 1917 to give them a message which must change the world.

"It tells an inspiring story dramatically, and held the interest of the first-nighters throughout," wrote Robert Coleman, New York Daily Mirror critic.

"Lady of Fatima" by the Genesians begins at 8.30 on Oct. 13, the feastday of Our Lady of Fatima, and will run on every second night until the end of the run. Special matinee showings will be announced later.

Tack to the back of your cupboard door such basic recipes as those for biscuits, piecrust and white sauce.

H.M.S. Renown

A bridge will be held by H.M.S. Renown I.O.D.E. Chapter, in St. Matthias Church Hall, on September 24th. Tickets may be obtained by telephoning Miss Mason, EL. 6503, or Miss Becket, WI. 5925.

Oral Club

The Oral Club will hold its opening meeting on Monday, in the Auditorium of Ignace Bourget School, 1214 Mountain Street, at 8.00 p.m. Mr. Rudolph W. Stoessel, to be the club's Public Speaking Instructor this season, is a teacher by profession, and is well-known in the theatrical and radio fields in Montreal.

The president, Mrs. Norman Cowen, extends an invitation to all prospective members and their friends to attend this first meeting. For any additional informa-

tion, please call Mrs. Brian Newey, AT. 6524, or Mrs. S. A. Smythe, AT. 0702.

Trained Attendants

On Monday, September 13th, the Trained Attendants Association of Canada Incorporated opened their fall class. This school has had its Dominion Charter since 1927 and has had many

years of experience in teaching students in the care of convalescing patients.

The demand for trained attendants is great and there is a shortage of trained personnel to take charge of patients in the homes.

Further information regarding the course and application forms may be procured by writing to Box 365, Station B. Montreal.

Painting Endorsed as Excellent Recreation

By HELEN B. SANDWELL

Ever since her childhood the painting of pictures has been one of the chief interests of Gwendolyn Norris Fuller. "I can hardly remember the time when I didn't draw or paint," she said with a smile as we sat chatting in her home on Severn Avenue which is adorned by many of her attractive paintings and also by striking pieces of sculpture executed by her own hands. "Painting is a wonderful recreation," she continued enthusiastically. "The minute it ceases to be recreation, you stop doing good work."

In her opinion more people than ever before are learning to paint, and she considers this an excellent thing as it furnishes delightful relaxation from the nervous strain often occasioned by the fast pace of modern living. Her art has

This Westmount artist, wife of Mr. Laurance Fuller, is a prominent member of the Women's Art Society. Many of her landscapes are painted in the Eastern Townships where she enjoys spending days in the woods and hills around Montrose Farm.

brought her hours of absorbed effort painting indoors, and lured her out in bitter weather to catch an architectural effect or the glint of sun on snow. Each subject she tackles is new and exciting. "Painting is wonderful" she assures us!

Busy Hours

Mrs. Fuller admits that her sculpture takes a lot of time. She also spends hours practising at the piano, and has a large home to look after, but where there's a will there's a way, and, particularly during the fine weather months, Mrs. Fuller fairly revels in searching out the beauty spots she captures on canvas. Many of her loveliest scenes were painted in the vicinity of Sweetsburg, where she and her husband, Mr. Laurance Fuller, own a country home, Montrose Farm, set in its own woods.

Likes to Teach Children

Nearly all children, Mrs. Fuller believes, can learn to paint. She speaks from experience, having taught for some years in Montreal schools before her marriage, and during the teacher shortage she has occasionally returned to the work as a supply teacher. She "loves to teach art to children, especially the little ones. Children love to express themselves in color," she says, "and a good teacher can draw out their ability by being patient and tactful and helping them over the initial difficulties till they manage to gain the desired effects. Once the kiddies are really interested, they display astonishing originality, imagination, and skill, in a great many cases. Some of the work the youngsters do by themselves is so good that their parents can hardly believe they have done it unaided."

This Westmount artist Gwendolyn Norris Fuller, has sold quite a few of her paintings, particularly her portraits, and she hopes to hold an exhibition of her work this coming winter. For two years she was an executive of the Women's Art Society; is on the Council of the Antiquarian and Numismatic Society; and is a member of the Casavant Society and of the Ladies Morning Musicales, and a L. of Mus. of McGill University. Her drawing and painting studies were carried on at the Montreal Art Association, and her sculpture under private tuition. Mrs. Fuller has exhibited paintings at the Women's Art Society showings in the Art Gallery, and many of her sculpture pieces were on view at the Montreal Art Association's Spring Exhibition at the gallery.

Paints Portraits

When questioned as to which form of art work she most enjoys, Mrs. Fuller answered "per-

haps it is portraiture." But this is a little difficult to believe as one thinks of some of her autumnal and winter snow scenes, which were painted in chilly weather, when only burning enthusiasm kept her cold fingers warm! Her canvasses show a wide range of subjects, incidentally, from the Sweetsburg woods to California scenes, still life, floral pieces, etc. "Trillium Time", (which can be glimpsed on the wall in the accompanying picture of Mrs. Fuller), has a lovely brooding atmosphere of spring. "Sugar House in the Fall" fairly burns with color.

Of Empire Loyalist stock — her ancestors landed in Baltimore when it was founded in 1634 — Gwendolyn Norris Fuller has a love for old houses and old furniture, and she has been fortunate in finding just the right home to house treasured period pieces inherited from her mother. In the high-ceilinged house on Severn Avenue, which was built in 1803, the tall windows overlook a spacious lawn and belt of trees, where wind and weather create changing pictures for her

artist's eye. But when its "Trillium Time," she and her woman artist friends like to bundle their painting equipment into cars and set off for the woods and hills. Along with her musical and

artistic abilities, Gwendolyn Norris Fuller has a sound practical streak in her, and at the beginning of World War II she was active as a First Lieutenant in the Women's Volunteer Reserve Corps which met at Weredale Park, and helped organize entertainment for the troops and gave courses in First Aid, map reading and motor mechanics for the Corps members.

"Voice of Woman" Crusade Launched in Name of Peace

With the ancient Chinese motto "It's later than you think" as their watchword, a group of prominent local women met recently to formulate further plans for a crusade of women in the cause of World Peace. To be known as "The Voice of Woman Speaks for World Peace", those present at the second meeting, included Mrs. W. H. Allaston, Montreal organizer for the Crusade; Mrs. P. E. Pepler; Mrs. J. Wilfred Shaw, First and Honorary President of United Nations Association, Westmount; Mrs. Charles Shearer; and Mrs. J. Stewart Foster.

These women, and many others actively interested in the "Voice of Woman" project, including Miss Joan Adams; and Miss May Craig, President of the Professional and Business Women's Club; feel that today, we stand on the threshold of either chaos and eventual oblivion, or, as an alternative, countless years of peace, under World Government. The choice is ours. "The Voice of Woman", according to Mrs. Allaston, a part of the Canadian Branch of World Government established in Toronto, and

intends, in affiliation with World Government, to further the cause of peace.

Early this year, the words of Mrs. Leah Manning, M.P., spoken in the English House of Commons, inspired the banding together of "Peace Crusaders", in this international cause. Speaking against the thought of a new war, being discussed by male members, Mrs. Manning said, in part: "If you men can discuss this coldly and scientifically, the women cannot. It is a shocking commentary on our times, that after drawing breath from one war, we should be getting ready for the next". In answer to this challenge,

She's Yours

This is "America's Sweetheart," so named by the Disabled American Veterans. Bobbie Snow, a Woodside, N.Y., model, will be hostess at the DAV's 27th National Convention in New York.

thousands of letters were received by Mrs. Manning, requesting that she carry on a Women's Crusade for World Peace. In reply to these, Mrs. Manning asked women throughout the world, to support the World Government Association, which has as its chief aim, world peace, to be established and preserved through World Government. It was not long after this, that Mrs. E. McCormick Blaine, of Chicago, contributed \$1,000,000, towards the cause of World Government, in the United States, to promote the principles of that organization.

This Crusade of Women is a gigantic undertaking, which will succeed only if every woman in Canada — every woman throughout the world — takes it upon herself to shoulder her part of the responsibility, thus insuring a better world for herself and her children.

Mrs. Allaston, aptly summing

Woman's Altruism Aids Apostolate Work Says Father Dempsey

The meeting of Xavier Apostolate Guild took place on Sept. 20th, at 2.30 p.m. in Congress Hall. The Rev. Father Peter Dempsey, O.F.M., (Capuchin), M.A., D.D., L.S.S., of Terrorary, Eire, was guest speaker, his subject being "Woman and the Apostolate". Father Dempsey said, the word apostolate had a romantic and thrilling association and he cited the apostleship of St. Paul, St. Francis Xavier and the Irish monks who brought Christianity and culture to Europe.

Although woman is excluded from the Orders of the Church, her altruistic nature fits her for the work of the Apostolate. A parallel was drawn between the work of the Guild in helping young men in their studies and the Blessed Mother's relationship with our Saviour's ministry.

Introduced by the president, Mrs. J. M. Hayes, Father Dempsey was thanked by Mrs. T. R. Timmouth. Mrs. Ethel Bardo Gardner sang several selections, accompanied by Miss Ethel McDermott, music convener.

up the aim of this Peace Crusade, said: "Regardless of political differences, we women are serving notice on the world, that we intend to stand united in our

efforts — and through firmness and the Right — to seek Peace, with Justice for ourselves, and the other peace loving peoples of the world".

F. P. Whitman, M.P., Speaks At C.W.L. Westmount Sub-Div.

The opening tea of the Westmount Catholic Women's League, was held on Tuesday, at St. Leo's School Hall. The president, Mrs. J. P. O'Reilly, was in the chair, and the guest speaker was Mr. F. P. Whitman, M.P., who spoke on "Our Canada and Our Problems". Mr. Whitman was introduced by the Reverend W. E. McDonagh.

Mr. Whitman, elaborating on the various problems facing the individual provinces, stated that these separate problems go to make up our Canadian problem, not forgetting, of course, Mr. Whitman said, the "national problem". As to what constitutes, exactly, this "national problem", Mr. Whitman referred to: the high cost of living; high income taxes; housing problems; the margarine situation; freight rates; and the question of a suitable flag and National Anthem.

Mr. Whitman summed up these "problems", under the headings "Fear of the Future" and "Human

Selfishness", saying that, to overcome these, "we must put our trust in God, have faith in our institutions, and confidence in ourselves. With these aims, we can go forward, knowing that the future will be secure, and that we have done our part, in this generation, to make Canada the best country in the world".

Business Club Women Hold First Meeting To Formulate Plans

The Professional and Business Women's Organization of the parish of the Ascension of Our Lord, Westmount, held their first general meeting and registration tea on Sunday afternoon, in St. Paul's Academy. Miss Lenore Kirkpatrick, president of the organization,

san president, thanked the speaker, after which Mrs. J. P. O'Reilly gave a short resume of the year's activities, which are to include: Red Cross, study club, the annual bridge, and the fashion show, to be held in the spring.

Table arrangements were by Miss E. Marnell, and tea was served by Mrs. C. Mellon and her committee, with Mrs. Edmund Foster, and Mrs. A. I. Peterson, past president of the Westmount Sub-division, presided at the table. Music was under the direction of Mrs. Maurice Shea.

St. Mary's Auxiliary Draws Up Plans For Coming Season

On Wednesday, Mrs. Mary Roy entertained the Executive Board of the St. Mary's Hospital Ladies Auxiliary at her summer residence, "Chalet Mon Sejour", St. Sauveur, P.Q. Assisting the hostess at the buffet luncheon were: Mrs. P. Leduc, Mrs. D. A. McKinnon, Mrs. C. Bambrick, Mrs. E. Larose.

Following the luncheon, an executive meeting was held, with the president, Mrs. T. J. Mulcair, presiding, when plans were formulated for the coming season. Arrangements were completed for the opening meeting and tea to be held on October 13th., at 2.30 p.m. in Salon "B" of the Mount Royal Hotel. Mrs. V. G. Cardy reported on the activities of the surgical dressings committee during the summer months - a total of 109,553 dressings were completed.

Special efforts will be put forth by the membership committee under the chairmanship of Mrs. Anson Campbell to enlarge the membership during the coming season. Reports from other chairmen of committees were presented briefly, and a vote of thanks to Mrs. Roy for her hospitality, was proposed by Mrs. Bey Neville.

Madame Irene Resumes Her Cookery Classes

John Wayne, Loraine Day In "Tycoon" At The Monkland

Spectacular technical operations were required to prepare for the screen the spectacular "Tycoon," in color by Technicolor, which co-stars John Wayne and Laraine Day in a thrilling love affair against a background of large-scale engineering obstacles.

Those who have read the C. E. Scoggins novel upon which the picture is based will recall that his "Tycoon" is a story about rail-roading and romance in South America. The bleak face of an Andean mountain, through which a railroad tunnel is being blasted, is the central setting.

The biggest location in RKO history since the days of Gunga Din was employed at Lone Pine, in the shadow of Mt. Whitney. Director Richard Wallace and nearly two hundred players and technicians there made the exciting tunnel sequences of the picture, in rugged Sierra settings which bear a startling resemblance to the actual locale of the story.

Not only was a real tunnel driven far into the rocky wall by engineers and explosive experts, but a workers' camp and a nearby native village also were constructed. Other items in the realistic locale were a huge railroad bridge across a canyon, the city of Tenango with its plaza and its cathedral, the ruins of an ancient Inca palace, and the luxurious home of the tycoon himself, all enormously effective settings to the story of romance and ambition and a man's stubborn purpose.

In this environment John Wayne and Laraine Day meet and make love, get married and fight desperately with the heroine's father for their happiness.

Miss Day, as the half-Yankee, half-Latin heroine in a striking black coiffure, plays attractively opposite Wayne in the sort of two-fisted part he does so well, a dogged American engineer. Sir Cedric Hardwicke has a powerful role as the tycoon, a proud, cold financier who meets eventual defeat at the hands of his lovely daughter and his unwanted son-in-law.

The picture is replete with physical thrills, such as Wayne's ride on the cable-suspended center section of a span in a wild storm which finally washes away the bridge. There is also the cave-in of the dangerous tunnel, with Wayne's final dramatic gesture of sealing the bore with a huge dynamite explosion after carrying out the wish of one of his workers to be buried there.

An exceptionally fine cast includes Anthony Quinn as Miss Day's cousin Judith Anderson as her governess, James Gleason as Wayne's hard-bitten partner, and Grant Withers and Michael Harvey as two of the construction gang. Stephen Ames produced.

Doreen Lewis Is New General Mgr. MRT Playhouse

At the Board of Directors meeting held recently by the Montreal Repertory Theatre, Miss Doreen Lewis was appointed General Manager of the Playhouse. Miss Lewis has been Producer Director for the past several years and before that she assisted Mildred Mitchell who held the office.

An executive committee which replaces the Board of Management, was drawn up as follows: Keith Randyside, Acting Chairman; Roberta Beatty, Russell C. Ronalds, R. J. Brown, Lee Prime, Reta Wheatley and Doreen Lewis.

Activities for the year have already started with set-building, costume-making and rehearsals for Clemence Lane's "Will Shakespeare", which will be the first major show of the MRT season.

PREMIERE AT THE AVENUE SATURDAY!

Disguised as a member of the S.S., Paul Dupuis, a Belgian patriot who is working for the British, is trapped by a member of the German party in this dramatic moment from "Against The Wind," the new British film which will have its Montreal premiere at the Avenue Theatre starting Saturday.

"B. F.'s Daughter" Arrives With Stanwyck in Vivid Role

"B.F.'s Daughter", John P. Marquand's arresting story of a predatory female, which headed the best-seller lists for a long period, has been brought to the screen with fidelity, intelligence and taste and with distinguished acting portrayals on the part of Barbara Stanwyck in the title role, Van Heflin, Charles Coburn, Richard Hart and Keenan Wynn.

The new picture starting Saturday at the Snowdon Theatre, realistically recreates the epoch of American life in the twenty years between World Wars I and II, with its action and dramatic conflicts centering on the spirited daughter of an industrial tycoon and the three men in her life — the father whom she idolizes, the conservative and socially prominent lawyer with whom she believes herself to be in love, and the unconventional young economist whom she marries.

Polly Fulton, the vibrant heroine of Marquand's tale, is unhappy unless she can do something for someone. The spoiled daughter of a millionaire, she is constantly frustrated because people won't let her "run the works" with the aid of her father's money and power. When Bob Tasmin, the man she has always been expected to marry, insists on putting off their wedding until he wins a partnership in his firm, Polly impetuously turns to the brilliant but impoverished Tom Brett, instructor in economics. Here is a man she can help and, after marrying him, she secretly uses her money and prestige to further his career with the result that he rises to the position of one of the country's leading economists, a job which brings him into the headlines when America plunges into World War II. But their married life is not a happy one, for Brett, too, resents his wife's dominance and, when he inadvertently discovers that it was her money which was instrumental in starting him on his spectacular success, the marriage seems headed for the rocks. It is only when Polly makes a last stand to recapture his love that she is brought to the realization that it is she and not the men in her life who must change.

The dynamic characterizations are brought to life by a superb cast, topped by the splendid work of Miss Stanwyck in a part that keeps her before the cameras in almost every scene. Her portrayal of Polly Fulton is marked by poise, assurance and dramatic vitality, and she holds your interest with every movement and speech. Van Heflin is ideally cast as the sardonic young economist, while Richard Hart, in the role of the conservative and blue-blooded Bob Tasmin, a man of completely opposite temperament, is persuasive and believable. Then there are Charles Coburn as Polly's self-made millionaire father, Keenan Wynn, who again manages to steal a scene or two as a loquacious and misinformed radio commentator,

and Spring Byington as Polly's mother.

A LOVELY BELGIAN anxious to forget her past

Excellent Variety Of Entertainment At Westmount Theatre

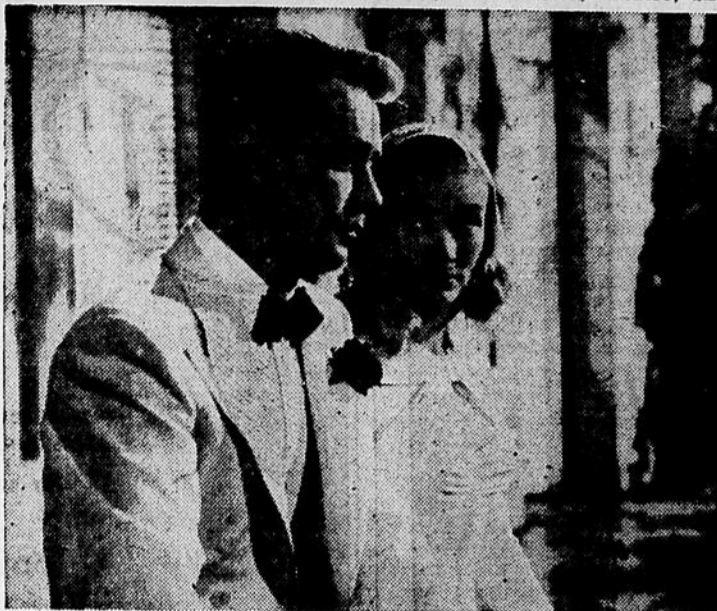

Van Johnson attracted flies and ants on the set of his new picture "The Bride Goes Wild" in which he co-stars with June Allyson, starting Sunday at the Westmount Theatre. But it took the combined ingenuity of Director Norman Taurog and the M-G-M prop department to accomplish the trick.

When the script of the romantic comedy called for seven or eight ants to be photographed climbing up Van's neck and into his hair, Director Taurog discovered that ants don't crawl up. They crawl down.

Requesting a jar of molasses from the prop men, Taurog liberally applied the sweet-smelling liquid to Van's red hair. It worked. The ants crawled up like mad. The only catch was that the molasses attracted so many flies that a member of the crew had to stand by to chase them away while the camera turned.

"The Bride Goes Wild" tells the laugh-loaded story of what happens to a very prim young country girl who comes to the big, bad city without a chaperone. When she meets a playboy bachelor things happen in fast and furious succession.

AT THE WESTMOUNT SUNDAY!

Thrill Twosome! Alan Ladd and Veronica Lake are dangerously in love in the new adventure film "Saigon," which starts Sunday at the Westmount Theatre.

Grant, Young And Niven Star In "Cary And Bishop's Wife"

Dealing with the changes an engaging guest makes in a disturbed home, Samuel Goldwyn's new release, "Cary and the Bishop's Wife," co-stars Cary Grant, Loret-

ta Young and David Niven in one of the year's most unique and gayest offerings starting Saturday at the Seville Theatre.

Miss Young has the title-role of

lovers, ladies? Do you go for the movie heroes who treat 'em rough,

or are you partial to the more gentlemanly type.

Whatever your choice, Paramount's "Saigon", the added attraction, is sure to satisfy your romantic taste in films and, at the same time, appease friend husband's appetite for suspenseful action. For "Saigon", a thrill-packed melodrama set in the mysterious Orient, has he-man Alan Ladd and youthful Douglas Dick matching their contrasting charms for luscious Veronica Lake.

In "Saigon", Ladd, Dick and Wally Cassell make up a "three musketeers of the air" group in the Far East. That is, until they run into "mystery woman" Veronica Lake. Veronica, again playing the type of gal Ladd has gone in for in their three previous co-starrers, looks with some favor upon Douglas' boyish charms. The film's climax clears up this tangled romantic situation with the same justice with which it ends the picture's action-packed plot.

Betty Speirs Studio Opens Banner Season

Announcement from the Betty Speirs — Peter Miller Dance Studios indicates that this will be a banner year for this popular West End school. The Faculty will be up to its usual high standard with Miss Speirs and her talented assistant, Theresa Daly personally doing the teaching. The advanced ballet and also the senior ballet class and the business girls will begin this week.

Peter Miller will again teach advanced tap, including in his repertoire routines from Johnny Coy, Bill Pillich, Johnny Mattison and Danny Dailly, augmented by numerous of his own routines with which he has had such success. Ballroom tuition will again occupy a prominent part in the season's activities. All popular and conservative styles of dancing will be taught. Business girls classes featuring ballet, tap and slenderising are again proving popular.

The new modelling courses which includes make-up, hair styling and fashion show technique is in great demand. Miss Speirs also operates a placement service for the girls. Altogether a busy season but one that will be easily handled by this capable and talented organization.

A sound retirement plan that takes care of your future security awaits you in the Army Active Force. If you're between 17 and 25 and physically fit go to 3530 Atwater Avenue, Montreal (or No. 3 Personnel Depot, The Citadel Quebec), and get the details of enlistment.

the Wife. Niven plays the Bishop, a man so harassed by the financial troubles of his office that he has no time for his old friends nor for family. Realizing he is in a spot, he prays for divine aid. The prayer is promptly answered by the appearance of Grant, as 'Dudley', a modest but miracle-working guest in snappy attire, who proceeds to reorganize the household.

In a matter of days 'Dudley' cures the ecclesiastic's money worries, has restored the Wife's love for him, and has reunited him with his old parishioners — all this over the protests of the Bishop, who resents the interference of his casual visitor in his private affairs. How the guest neatly effects his remarkable reforms is developed in amusing and suspenseful sequences, leading to a delicious climax in which the genial visitor makes his exit in triumph.

Monty Woolley, as an elderly friend of the family, is featured,

as are Gladys Cooper, Elsa Lancaster and The Mitchell Boychoir. Henry Koster directed the film version of Robert Nathan's novel, and Robert E. Sherwood and Leonardo Bercovici wrote the screenplay.

AT SEVILLE SATURDAY

Cary Grant takes over the household of a harried cleric, David Niven, and appoints himself playmate of the latter's lovely spouse, Loretta Young, in Samuel Goldwyn's comedy of manners, "Cary and the Bishop's wife." Other principal players are Monty Woolley, James Gleason, Gladys Cooper, Elsa Lanchester and the Mitchell Boychoir. The film starts Saturday at the Seville Theatre.

"Against the Wind" To Have Mtl. Premiere at Avenue, Saturday

A Catholic priest from Montreal, a young Scot with a passion for explosives, a lovely Belgian girl anxious to forget her past, a genial adventurer with no country to call his own, an elderly Jew rescued from a concentration camp, a patriot who volunteered for his country's sake to turn traitor; these were six of the motley characters brought together in 1943 on one of the strangest and least-known enterprises of the war.

Sabotage was their job: sabotage organized from London in the form of macabre practical jokes as ingenious as they were injurious to the enemy, and that is the setting for "Against the Wind", the new action-drama from Michael Balcon's Ealing Studios, which will have its Montreal premiere at the Avenue Theatre, directed by Charles Crichton, it is set in wartime Belgium, and

stars Robert Beatty and Jack Warner with the lovely French star Simone Signoret, brought to Britain specially for her part in this film. The rest of the sabotage gang is ably made up from Paul Dupuis, Gordon Jackson, John Slater and Peter Illing.

The idea for "Against the Wind" was suggested to Michael Balcon, by Lieut.-Col. J. Elder Wills, wartime commander of Special Forces, and is based on true incidents of his own experience. It is a fast, stirring and dramatic picture, superbly acted by a magnificent starring and supporting cast. A great deal of the filming took place on location in Belgium, and the authentic background adds a great deal to this memorable production.

Special short subjects, including "Royal Wedding Presents" will round out a superb program.

DE MARKY CONCERT

The brilliant pianist-composer, Paul de Markey, will be heard in Montreal at the Ritz-Carlton ballroom on October 8th, at 8.30 p.m., in a program of pianoforte compositions.

Mr. de Markey has done a great deal in making piano music become popular with the larger audience. Teen-agers' favourite, he has also played in schools throughout Canada and the United States to clamorous audiences in past seasons. His concerts at the Ritz are formal and distinctly gala events that bring out the social and musical elite of the Metropolis.

George Gahan's Record Rendez-Vous

"Daddy O"—A brand new, grand new ditty sung superbly by the 'Park Ave. Hillbilly' Dinah Shore. "B" side of this Columbia platter is almost as good with Dinah on the vocal of "Buttons and Bows". Other good new releases on Columbia are "Box 155" by Elliot Lawrence, "Kiss Me Again" by Frankie and "Holy Cow, You've Done It Now" by the Dick Jurgens aggregation.

A good version of the old standard "We Just Couldn't Say Goodbye" has been released on Musicana by Shep Fields and his orch. Of all the versions of this tune I think this is one of the best.

Hep is the word for Lena's new recording of "Sometimes I'm Happy" and "It's Mad, Mad, Mad". Backed up by a really solid rhythm section, Lena Horne does a grand job on this MGM recording.

In the Be Bop vein we'd like to mention the new Savoy album 'Be Bop, The New Modern Jazz'. It's by the "Be Bop Boys", who blow their brains out on such numbers as "Moody Speaks", "Opus De Bop" and "Fat Boy."

Congrats are due to Apex Radio on Greene Avenue, between Western and Sherbrooke Sts., on the announcement of the opening of their new record dept. recently. They're starting things off with a bang with a giant record sale, featuring many old collectors items. They also have a recording studio and repair dept.

JUNIORS MEET VERDUN TOMORROW

Play Host To New York Fashions At Westm't Park

Westmount meet New York Fashions at Westmount Park at 2.30 tomorrow

After gaining a 16 point advantage in the first half of the game last Saturday afternoon at Lower Canada College grounds Westmount completely fell apart soon after the third quarter got underway to allow the N.D.G. Maple Leafs gridders to nullify a 16-nothing deficit and downed the local lads 18-16. A weak pass defence played a major role in the comeback for the Maple Leaf gridders. The win puts N.D.G. in a first place tie with Eastward who downed Rosemount 5-0.

Coach Johnston was very depressed after the tussle with the N.D.G.'ers and you couldn't blame him for it was a heartbreaker to lose. The Maple Leafs, who were unable to show any cohesion in the first half, came back strong in the third quarter for three converted touchdowns. The Westmounters started their amazing upsurge after receiving the pigskin on the kickoff and after the game was only three minutes old, McLeod recovered Wardrobe's fumble to rack up the first major of the game. George Strike's attempted convert as many yards wide of the uprights. The Westmounters started up the gridiron again but the Maple Leafs gained possession of the ball on a fumble. Towards the end of the third quarter, the local lads again had the pigskin in pay dirt territory on long runs by Jack Danaher, Ian McGillis and Jackie Patterson. Diminutive Ernie Dooley took the ball on the N.D.G. 20-yard stripe and galloped across the line for the second touch. The attempted convert as blocked. The only scoring in the third was done by Jack Patterson, whose two well placed placements were good for six points. After

Westmount High Gridders Meet LCC This Aft.

Westmount High's Senior A gridders will get their 1948 baptism of fire out at Lower Canada College's Royal avenue grounds this afternoon. The Purple and White, mentored this season for the second consecutive year by Jim Patrick of the Junior High teaching staff, have high hopes of downing the Lower Canadians in the 1948 curtain riser.

L.C.C., who boast a hefty team with an average weight of 185 pounds, will find their brawn combatted by speed. The locals have a team which stresses speed and deception but which is still considerably heavier than 1947's outfit.

Coming Up

Other games in the school leagues billed for the coming week are as follows:

Today: Senior A, Montreal High vs Verdun at Somerled, 4 p.m.;

the half the large crowd which numbered around 2,500 thought it was a disaster day for the Maple Leafs. They soon changed their minds as the N.D.G.'ers started an aerial attack that resulted in a touchdown. Dick Migneault scored the touchdown on a pass from Bob Gibson. Fergus Gunn's convert as good for the extra point. Minutes later after another Westmount fumble, Gibson again threw a long pass this time to Sam Salvatore for their second touchdown. Gunn converted.

With only four minutes remaining, Bastien crossed the Westmounters' touch line for the last touchdown of the game. Gunn made his third successful try on the convert. However, it took all the leaf's dash and go to salvage this one, and towards the end of the game, the roaring Westmounters were dashing goalward, only to have their drive squashed by a fumble; which N.D.G. recovered to move the pigskin out of danger. Bastien, Gibson and Britton were the best for the winners. Marv Greenbaum and Basil Boxer played standouts games for the locals, and Patterson and Danaher also aided the cause. The Westmounters will play New York Fashions from Verdun tomorrow afternoon at Westmount Park. Starting time is 2.30 p.m.

Anglers' News

The need for a headquarters for the Lake St. Louis Anglers has been felt for some time now and is becoming more urgent every day. To this end Lake St. Louis Anglers have just leased a piece of land from the City of Lachine. Situated on the waterfront and near the centre of the city of Lachine, its central location makes it conveniently accessible to all members. The Lake St. Louis Anglers plan to erect a building where all general Meetings and directors meetings can be held in addition to its being Derby headquarters each year. These meetings have always been held in rented halls or buildings. The building would enable the association to hold regular casting and fly tying classes. It will also be a place where members can gather, where boats can be moored and stored and motors kept in a handy safe place. With the extra activities planned the building, it is felt, will definitely pay for itself. Lake St. Louis Anglers ask all members to assist their directors by submitting any suggestions they may have to them by writing P.O. Box 65, Lachine. At the meeting held by Lake St. Louis Anglers in Lachine last week, in addition to a very in-

JUST HUNTING WITH ACTIVITY
for men with some time to spare...

It's a centre of activity—your local armory, just humming with activity for men with a few evenings to spare.

In the wide list of activities offered by the Canadian Army Reserve Force, you'll find things to turn those odd free evenings into interesting and even exciting ones. You'll enjoy the full programme of social and sports events. You'll be "one of the gang"—with other Reserve Force men who are finding that the armory is their personal "clubhouse".

Thrifty Knock Ascension Out of Snowdon Playoffs

Down Churchman 3-2 At Macdonald Park Sunday To Take Semi-Finals Series 3-1

By GEORGE COCHRANE

Kevin Kennedy's Ascensionites bowed out of the Snowdon Senior Fastball League playoffs, 1948 edition, in fighting style up at Macdonald Park Sunday afternoon when they were edged by Thrift to the tune of 3-2. The win gave Pat Patterson's grocer clan the series three games to one.

It looked in the early stages as if the Ascension nine were going to be unbeatable. In the top half of the first Gerard "The Team" Lecavaller fanned Msrs. Paul Landriault and Stephen Walker, was nicked for a single by Jean Desautels, and then whiffed Roger "The Moustache" Gaudet.

In their half of the number one frame the Westmount clan broke into the scoring column — and without wasting any time about it. Leadoff man Kevin Kennedy stroked a single to centre, but the ball bounced out of the grasping paws of Howie Ashton and the Kennedy lady streaked all the way around the hassocks.

Gerry Snyder kept things going by beating out a lovely bunt along the first base line but the former Steinberg's star died on base after Tommy Breenan's sacrifice and pop-outs by Leon Peloquin and Noel Romney.

Score Again in Third

The Ascensionites ran their lead up to 2-0 in the third when they clubbed Paul Laurin for three hits. Lecavaller started things off with a single to right. Kennedy whiffed and Snyder popped to centre. But then Tommy Breenan laced out a single that was good for two bases when Ashton juggled the spheroid out in the centre meadow. Lecav advanced to third on the play.

Peloquin beat out an infield hit as Lecavaller scored. Romney was walked to load the bases and then Toots Provost fouled one off to third to end the uprising.

Thrift broke into the scoring column for the first time in the fourth when receveur Jean Desautels started a one-run rally by smashing a double to centre. He advanced to third as Gaudet grounded out, second to first, and tallied when McKissock grounded out, pitcher to first. That made the count 2-1 in favour of the Kennedy Krew.

Fatal Eighth

The score stayed that way until the eighth, a drama-packed frame which saw the Thriftionians tie up the game. Walker started off the inning by beating out a bunt. Desautels forced him out at second but Gaudet beat out an infield hit to make it two-one, one out. McKissock grounded out shortstop the first. Ashton, who was batting in the sixth slot for the grocers and who hadn't had a hit all afternoon, was given an intentional pass to load the bases.

Then calamity struck. The great Gerard uncorked a high wild pitch and Desautels scampered home with the tying run.

In the ninth pinch swinger Smiley Cotnam fanned. Laurin ditto'd. But then Paul Landriault, Thrift's all star first sacker with

THAT MAN

Making Stan Musial's swing even more individualistic is the Cardinal luminary leading both major leagues in batting and total hits. The Donora Dandy is scrapping Johnny Mize of the Giants for the National League runs-batted-in championship and battling Mize and Ralph Kiner of the Pirates for the home run leadership. He shows the way in doubles and triples.

the Jimmy Stewart figure, slammed a four-bagger to right-centre. It was a sizzling line drive that streaked between centrefielder Tom Breenan and rightfielder Don Maher. The clout was Landriault's second of the season, second of the series.

One, Two, Three

In the last of the ninth, Ascension arrieved exaltly nothing. Dave Harvie whiffed. Maher grounded out and Frank Coveny, swinging for Lecavaller, bounced one to second to end the inning, the game and the series.

DEADLINE FLASHES

By BOB LUNNY

The Ascension Softball Club lost out in what you might call a "glorious defeat" last Sunday afternoon in the semi-finals of the Snowdon Fastball League. Their conquerors were Thrift. As you may know, I predicted in my column last week that Ascension would down Thrift but they failed me so now I think Columbus will take Thrift in four games. The Ascension crew had tough luck during most of the season losing most of their games by one run. If they had three more hitters and another hurler they could have walked away with the League. Some of the stars in the league have expressed their willingness to play for Ascension next year and if they do they will be the team to beat.

CATAPULT TO FAME

Another California comet, in the form of a tall, bronzed, and powerful youngster flashed across the sky of amateur tennis here on Sunday, when Ricardo 'Pancho' Gonzales, a Mexican-American kid from Los Angeles in the Sunshine State, won the highest honour available to the tennis simon-pures, scoring a sensational straight-sets victory over veteran Eric Sturgess, a foreign threat, in the U.S. National Championships.

The dramatic victory, which made Gonzales one of the youngest winners ever in the tournament, was the culmination of a lifetime of work for the scar-faced youngster, and was a fitting rebuttal to those critics of his, who denied his greatness, by emphasizing a need on his part for more perfect ground strokes. The criticism came after Gonzales had been none too successful in recent tournaments along the Eastern Seaboard.

With a capacity crowd of 13,000 tennis lovers taking him to their hearts as the new champion, the L.A. youngster followed in the true California tradition, in the footsteps of such famous National Champions as Jack Kramer, Bill Tilden, Frank Parker, Bobby Riggs, Don Budge, and Elly Vines, all refugees from the West Coast.

Gonzales' stunning victory, and it was an upset when you consider that such players as Parker, Bill Talbert, Gardner Mulloy, and Jaroslav Drobný were all ranked ahead of him, saw the fulfillment of a prediction made two years ago by Kramer, who after playing a match with the fiery Pancho, named him to succeed Big Jake as the amateur king. Pancho did just that, climaxing two years of hard work, after his return from a sojourn of Navy duty, so that he now stands at the top of the list, insofar as amateur net stars are concerned, and believe us, it couldn't happen to a nicer guy.

BASEBALL SUPERSTITIONS

Baseball players are, on the whole, a strange group of individuals, as is shown by the superstitious nature of most of them. Pete Reiser traces an "X" in the dirt in front of the plate, every time he comes to bat. Giant pitchers all warm up with a left-handed catcher. But a good example of baseball superstition is Harry Brecheen, the best lefthander in baseball today. As far as superstitions are concerned, Brecheen is something of an enigma. At the end of every inning, he has Coach Buzzy Wares hand the ball to him, as he prepares to fake to the mound. But as far as most other superstitions are concerned, Harry doesn't know that they exist. In the game at Polo Grounds on Sunday afternoon, Brecheen shouldered his way between the catcher and the umpire, to take his turn at bat in the seventh inning. Now, there are players in baseball today who would walk around the ball park to keep from stepping between the catcher and umpire. However the superstitions seemed to pay off for the "Cat" on Sunday, for he pitched a masterful winning ball game, 3-1, and got two hits in three times at bat.

However, Harry had to pitch his way out of two very tight spots to get the verdict, and the way in which he did it earned the acclaim of the 35,000 fans on hand for the joust. In the Giant fifth, Buddy Kerr led off with a double to left centre, but two outs later he was still there, as Brecheen made Les Layton pop up to Rice, and get Lohrke on a pop to Northey. Then Kerr was out when Lockman's ground ball hit him on the leg.

In the sixth, Sid Gordon led off with a long double, but the "Cat" bore down, and got sluggers Mize, Thomson, and Rigney to pop up to first-baseman Babe Young, thus snuffing out whatever hopes the New Yorkers had for a victory.

TRADE WINDS BLOW

Yes, in and around New York, everyone is talking trade these days, and the big topic for conversation is that proposed deal between the Cubs and Giants, with Walker Cooper, Johnny Mize, Bill Rigney, and Bobby Thompson to move over to the Windy City, with Bill Nicholson, Russ Meyer, Eddie Waitkus, and Emil Verban coming to New York. The Giants are holding back however for they don't want to part with Thomson.

One thing is sure. It is a good bet that neither Cooper nor Mize will be with the Polo Grounders next season. Fans here have tired of their inept performances in the field, and while they love their slugging, they go nauseous at the sight of the two heavy-footed Giants messing up foul balls and bunts.

Leo Durocher, seeing that Bill Rigney is considered good managerial timber, wishes to protect his job by getting rid of the clever infielder, much as he did in Brooklyn when he sent Eddie Stanky, and the 1948 National League pennant, to Boston.

The Giants here are going to have to do extensive rebuilding before next season, if they plan to figure in the pennant races in 1949. And with Mize and Cooper gone, it will be Jack Harshman and Sal Yvars, a couple of rookies from Jersey City, who will take their places.

MANHATTAN MELODRAMA

As we were going through the Bronx, on our way to that game, we came across a group of small boys playing ball on a corner lot.

It was the conversation of two of the lads which interested us. One of the shavers was at bat, and the other was waiting his turn to hit. Said the hitter:

"Look at me, I'm Dimaggio."

"G'wan," said the other kid, "you ain't Dimaggio."

"Why not?" queried the batter.

"'Cause I'm him, that's why."

"Okay," said the first fellow, who wasn't hard to get along with, "Then I'm Ted Williams."

"G'wan, don't make me laugh," said the other guy, who was turning out to be a real kill-joy.

"What's the matter with me being Williams, if you are going to be Dimaggio," asked the now-irate hitter.

"'Cause you can't hit like Williams," came back the frank reply.

Peter Dyck Hopes For Resumption W.H.S. Track Meet

The only new teacher at Westmount Senior High School this year is Peter Dyck who takes over the roll of physics professor. Mr. Dyck is a former sergeant in the infantry and during his army days proved himself a track enthusiast. Originally from Saskatoon, Sask., he finished his course at McGill University after the war and then became principal of Farnham Intermediate School, which position he left to come to Westmount Senior High School.

He equalled the Canadian army record for the hundred yard dash (running shoes, 10.2 seconds) and brings with him this interest in track. During the past few years, the school has had to drop their annual meet for lack of

decent grounds on which to hold it. It is Mr. Dyck's intention to start things rolling as soon as possible (indoor training during the winter months) so that next spring will see the resumption of track interest in Westmount.

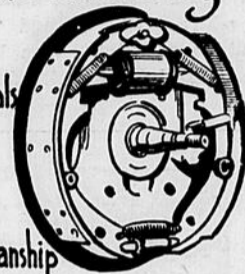

Concerning the lack of a track, High School authorities hope to be able to use the Westmount Athletic grounds, which are now being put back in condition after being leased to the government for the war years.

Fired with the enthusiasm and drive of some of the outstanding business leaders in the United States and Canada, the erection of the Cincinnati Gardens is rapidly changing from a cherished dream into a reality. The beautiful \$2,500,000 structure, which will house the Cincinnati entry in the American Hockey League in 1949-50, is expected to be finished by the last week of January or first week of February.

Red Cross Blood Collection Aimed At Providing Free Transfusions

Free blood transfusions for patients in all hospitals throughout the Province of Quebec moved a step closer to realization today with the announcement by Red Cross that collection of blood in

the Greater Montreal area will begin in November.

Major-General E. J. Renaud, C. B., C.B.E., has been named provincial chairman of the Blood Donor Panel, and Mrs. R. B.

Shaw and Louis Poitras have been appointed directors.

In Greater Montreal donations of blood will be made in two different ways—either by the donor calling at 1626 St. Catherine Street West, or by Red Cross mobile clinics visiting centres where groups of 100 or more persons volunteer to give blood. The provincial laboratory for grouping, processing and distributing

the blood will be on Victoria Avenue, immediately behind the Queen Mary Veterans' Hospital and will be under the direction of Dr. R. S. Denton, of Montreal, well known for his research work on blood.

At first the service will be concentrated in Greater Montreal. Later a sub-depot will be opened in Quebec City. Next summer there will be clinics in towns and

villages throughout the Province. "In this way," said P. E. Durnford, provincial president of the Canadian Red Cross Society, "everyone will have an opportunity of sharing in a great humanitarian service and of proving that 'life is blood.'"

When touring, the next town always seems farther than it is, but it isn't.

ARE WE WARMONGERING?

Of vital interest to Canadians, the U.S. is preparing to pay for the collapse of her isolated position geographically by establishing a permanent air force of 70 combat groups, armed with the latest equipment. Jet planes like the flying wing bomber (upper left) and the Shooting Star P-80 (above) will play their part.

Portugal's Premier Salazar plans an ambitious scheme to develop the natural resources and industry of the country through electrification.

KENT SACENDORPH, a combat intelligence officer in World War II and now president of the Veterans' Flying Association, is considered by many to be the "greatest" aviation journalist in North America. His book "Thunder Aloft" is cited by the U.S. air force as one of its sources of information. In this startling Star Weekly article, "Wings to Keep Peace," U.S. plans for a 70-group air force are described not as warmongering but as advance planning.
