**A First Rate Saloon and Restaurant,**

where every article has its cost affixed on the Bill of Fare, and is furnished according to order, and at which every procurable delicacy should be constantly kept; while the management should be such as would secure the most perfect privacy, if desired. PIC-NIC PARTIES supplied with every thing requisite, on moderate terms.

The FURNISHING throughout is equal in style and comfort to the best Hotels, while, being supplied with a first-rate Cook and Assistants, and attentive Waiters, he is induced to think he can offer accommodations rarely to be met with, and certainly not to be surpassed in Montreal.

**E. CLOUSER,**  
**Wholesale and Retail Confectioner,**  
NO. 259 (LATE 195) NOTRE DAME STREET,  
MONTREAL,

Having fitted up those large and central premises in a style adequate to carry on an extensive business in the CONFECTIONERY LINE, is now prepared to furnish all descriptions of CONFECTIONERY at such prices, WHOLESALE or RETAIL, as must defy Competition. Country Merchants and the Trade supplied on liberal terms, and all orders from Hotels, Families, and Public or Private Parties punctually attended to.

He has just added an Elegant Saloon to his premises where Ice Cream, Soda Water, Ginger Beer, and a variety of refreshments are served up on the shortest notice. Strangers and Visitors to the City as well as the Ladies and Gentlemen of Montreal, are respectfully invited to give him a call.

---

**CHARLES ALEXANDER,**  
WHOLESALE AND RETAIL  
**CONFECTIONER,**

No. 243 (late 1774) Notre Dame st.,  
MONTREAL,

Keeps constantly on hand a very superior stock of Confectionery, Candies, Preserves, &c. &c., of his own Manufacture, which he offers at wholesale or retail on the most favorable terms. He has recently fitted up a HANDSOME SALOON and several private rooms, where Ladies and Gentlemen can be supplied at all times, in summer, with Ice Cream, Soda Water, Ginger Beer and other cooling beverages, and, in Winter, with Coffee, Tea, Hot Pies, &c. &c. Families, Parties, Soirees, Public Balls and Assemblies, supplied with every description of Confectionery and Temperance Refreshments on extremely moderate terms. A continuation of public patronage is respectfully solicited.

**G. F. PROWSE,**  
 Manufacturer of Tin & Copper Goods,  
**HOT AIR FURNACES**

Of various descriptions.

**Baths of all descriptions.**

REFRIGERATORS, OR SUMMER ICE  
 HOUSES of a superior quality.

G. F. Prowse would respectfully invite public attention to his New and Greatly Improved FURNACES, which give a still greater degree of heat from the same quantity of fuel than his former one.

By this New Invention, the flames and smoke, after leaving the fire and passing the generators, again re-enter and pass through the furnace, thereby adding greatly to the existing volume of caloric, and consequently diminishing to an equal extent the necessity of consuming the fuel. This apparatus erected in a kitchen will Bake, Roast and Boil in a manner every way superior to any other now in use. By an arrangement of the Summer Apparatus, a very small fire is required for cooking, and no heat [except required], need be felt in the house. Another great advantage in this Furnace is a still smaller apparatus for broiling and boiling, the smell of which is entirely carried up the furnace, and hot water can be sent to any part of the building for baths, &c., whereby a great saving is effected both in fuel and labor.
