MAILING LIST SERVICE

WE HAVE a Mailing List Service to handle the mailing of your Circulars, Letters, Catalogues, etc., without worry or care on your part.

We supply the list, write the letter, and prepare the copy (in any language), do the printing, folding, inserting, sealing, stamping and addressing, giving you a service that is 100% efficient.

Direct-by-mail advertising is necessary to reach the consumer, and an active Mailing List is the only one that can bring you real results. Our lists are active, because we revise them daily. We have sources of information available only to ourselves.

Every name on our list is a prospect because the compilation is made to suit your requirements

Why not have our representative explain this service to you?
