MR. T. C. HERCHARD, public school teacher, Nor-
 folk, writes: "During the fall of 1881 I was much
 troubled with Biliousness and Dyspepsia, and part
 of the time was unable to attend to the duties of
 my profession. Northrop & Lyman's Vegetable
 Discovery and Grapelite Cure was recommended to
 me, and I have much pleasure in stating that I was
 entirely cured by using one bottle. I have not had
 an attack of my old complaint since, and have gained
 fifteen pounds in weight."

 A ROGUE CALCULATION—Betting on a fight.

ALTHOUGH the liquor made from Rowntree's Prime
 Medal Kock Cocoa will be found thinner than that
 made from other Cocos, which are largely composed
 of Farina (upon which duty has been paid as Cocoa),
 it will be found richer than those attributes the property
 of pure Cocoa, and those buying it will pay more
 for what they ask and eat, while in the other case
 they pay for farina at the rate of Cocoa. Consumers
 will, therefore, find Rowntree's Prime Medal Cocoa
 cheapest in actual use, as well as better than any in
 the Market. They being the only manufacturers of
 this article.

DIRECTIONS FOR USE.—Put the required quantity
 (about a quarter of an ounce) of Ococe into a cup,
 pour on just enough boiling water to cover the
 Cocoa; let it stand a minute or two, then press it
 down to a smooth paste, and fill up with boiling
 water. A minute's stir, with boiling milk and water.
 A better's gentle boiling will improve the flavor.

AT A STAND STILL!—Peanut business.

OF FAR MORE IMPORTANCE than the National
 Policy or the Irish Question is the question of
 restoring health when lost. The most suddenly fatal
 diseases incident to this season are the various forms
 of Bowel Complaint, for all of which Dr. Fowler's

TRACT OF WILD STRAWBERRY is special.

We have said it before—  
And we say it again—

That is cheaper or better than Dawson's, and those

NO TIME LIKE THE PRESENT for seeking medical aid when what are foolishly called "minor ailments" manifest themselves. Every symptom is the herald of a disease, every lapse from a state of health should be remedied at once, or disastrous consequences are likely to follow. Incipient dyspepsia, slight costiveness, a tendency to biliousness, should be promptly counteracted with Northrop & Lyman's Vegetable Discovery and great Blood Purifier, and the system thus cleansed from worst consequences.
