AN IMPROVED GUIDE TO CREDIT

THE RATING BOOK

Of the INTERNATIONAL is a volume of nearly 700 pages, each 5 x 9 inches, containing about 125,000 names, and giving a special rating for each—**no blank ratings.** Branch offices are rated in their respective locations as well as the parent firm or corporation; two books issued annually. **Thumb indexed as to Provinces and large Cities.**

THE KEY

To the ratings is the simplest and yet the most comprehensive ever devised; estimates of capital are made within a narrower range than ever before attempted; HABIT OF PAYMENT is indicated in addition to, though absolutely independent of, the "capital, credit, or standing rating." This is a vital feature heretofore uncovered by any agency book. We rate from "nothing" to ten millions and over.

SPECIAL REPORTS

Promptly furnished, embodying the most authentic information, based on thorough and recent investigation—not a revision of old records. Typewritten in substantial form—no tissues.

TRADE EXPERIENCE

The INTERNATIONAL'S reports, in addition to a fresh investigation in each case, in conjunction with *antecedent*, *statement*, and *summary*, give the respective experiences of several houses selling the party reported, thus affording a confirmation of our reports as delivered,
