CHURCHILL RENEWS PLEDGE TO TAKE OFFENSIVE

Premier Praises Rapidly Growing Might Of Britain

Prime Minister Also Promises that Full Aid Will Be Extended to Greece in Fight to Free Soil of Invaders—Churchill Reviews Work Accomplished by Country in Improving Defences.

By J. F. SANDERSON
(Canadian Press Staff Writer)

London, Nov. 21.—(CP-Cable)—Foreign Secretary Viscount Halifax told the House of Lords today that he had "some reason to believe" that British proposals for a trade agreement with Russia would succeed while in the House of Commons Prime Minister Churchill reiterated Britain's determination to assist the Greeks.

General debate on many aspects of the war began simultaneously in the two Houses of Parliament after the formal opening of a new session by the King.

The Prime Minister said that in helping the Greeks it was necessary to keep in mind the need of defending Egypt and the Suez Canal against superior numbers of Italian forces.

"We have both these theatres to consider," he told the House. "I can only say that we shall do our best."

On the broad subject of war aims, Mr. Churchill said that many believed that "example is better than the precept that actions speak louder than words."

But one pledge he could make. That was to safeguard parliamentary institutions and keep them vital and active, even under enemy fire, so that the hard-won liberties of the British people, voluntarily surrendered for the period of the war, could be restored to them in their fullness "when victory has crowned our exertions and our perseverence."

"Up to the present," Mr. Churchill declared, "this war has been waged between a fully armed Germany and a half armed or a quarter armed British Empire. We have not done so badly.

"I look forward with confidence and hope to the time when we ourselves shall be as well armed as our antagonists, and beyond that to the time when the arsenals, training grounds and science of the British Empire shall give us that material superiority which, added to loyalty and constant hearts, will bring victory and deliverance to all mankind."

Mr. Churchill said "the valiant and sudden uprising" of the Greeks had already "almost purged" their soil of an attack which he described as "pure and unmitigated brigandage."

The Prime Minister expressed hope that Britain would be able to give from her resources, "always heavily strained," a "helpful measure of assistance to the Greeks" and that "we shall be able to discharge our responsibility to Egypt in defending its soil and guarding the vital artery of the Suez Canal.

"Even if the whole of the homes all over the country are levelled," Mr. Churchill said, "we shall still be found all standing together and we shall build them up again after the fighting is over."

CLAIM BRITISH AIR OFFICIAL WAR PRISONER

Rome, Nov. 21.—(AP)—The Italian high command claimed today that a British Air Vice-Marshal, Owen Tudor Boyd, and six other members of the crew of a Wellington bomber, including three lower-ranking officers, were taken prisoner when their plane was forced to land in Sicily.

(Air Vice-Marshal Boyd, a First Great War veteran, joined the Royal Air Force in 1916 after serving in the Indian army. He was Director of Air Ministry Personal Services from 1936 to 1938.)

BOYD IS MISSING

London, Nov. 21.—(CP)—The Air Ministry said today that Air Marshal Owen Tudor Boyd is missing but that further details are not available.

Boyd, who was promoted to the post of Air Marshal November 8, was appointed Deputy to the Chief Air Officer in the Middle East command in changes in the Royal Air Force made November 17.

RUMANIAN HEAD HOLDING TALKS WITH GERMANS

Visit of Premier Antonescu to Berlin Increases Belief Country Will Be Next to Join Axis.

Berlin, Nov. 21.—(AP)—Gen. Ion Antonescu, Premier of Rumania, arrived in Germany today, bringing his country to the fore as the possible next recruit for the expanding Axis alliance.

Accompanied by his Foreign Minister, Prince Costin Sturza, and the German Minister to Rumania, William Fabricius, the Rumanian Premier was greeted at the Austrian border town of Bruck by the German Chief of Protocol, Baron Alexander von Doernberg, and other Reich officials.

BULGARIA TO GET TOUGH

Bucharest, Rumania, Nov. 21.—(AP)—Rumanian dispatches from Sofia predicted today that Bulgaria will alter her "attitude of defensive neutrality" soon and present Greece with a note setting forth Bulgarian claims on that country.

This "new offensive neutrality," the dispatches said, is a result of current Axis political activity.

German sources here asserted that Bulgaira might be the next, following Hungary's example, to join the Berlin-Rome-Tokyo alliance.

(Balkan rumors have it that Bulgaria, at Germany's bidding, may demand access to the Aegean through Greece, and that such a corridor would be used for German troops going to the aid of Italy in Greece.)

Italian Resistance On Koritza Front Virtually Collapses As Greek Forces Reach Outskirts

Athens, Nov. 21.—(AP)—Greek forces were reported to have reached the outskirts of the besieged Italian base of Koritza in Albania this morning.

At the same time, in the coastal sector of the fighting zone, Greek columns were said to be marching rapidly on another important Italian base, Argirocastro, also in Albania.

Italian resistance in that zone was reported to have collapsed almost totally.

Latest information from the front said the Greeks were within six miles of Argirocastro, which is said to rank equally with Koritza in strategic value.

It was on these two towns that the Italians had based their drive into Greece. Stores of war materials had been assembled in both places.

A thrust through the centre of the Italian lines, putting the Fascist forces to hasty flight at a point six miles within Albania, was the previous high spot of Greek successes reported today all along the 100-mile front from the Ionian Sea to Koritza.

Observers in the Koritza sector reported that the Italians were abandoning the city and all outgoing roads were under fire from Greek artillery.

Pilots flying over the coastal sector reported that the Italians were retreating in such haste that none were sighted immediately in the path of the advancing Greeks.

A Greek Government spokesman said the central break-through occurred at Mertzani, Albania, West of the Aoos river and Northwest of Konitza, Greece.

Leaving munitions, arms, tanks, automobiles and laggard troopers behind, the Italains are retreating so rapidly that the bayonet-brandishing Greeks are hard put to keep up with them, he said.

The Greek high command listed 200 automobiles among the booty captured. The Athens radio predicted a decisive phase of the war war imminent.

In the North, the Greek command also announced its hardy mountaineer soldiers had won the summits of the Moraca range Southeast of Koritza and were pressing down the Western slopes on that besieged Italian base.

On the Southernmost front, near the sea, the only place where the Italian invaders remain on Greek soil, successful progress was reported without details.

The forceful Greek counter offensive in the centre, along the only road in that region, was declared to have followed the virtual cessation of Italian air bombardment which previously had slowed the Greek advance.

The Greek command said the Italians bombed two cities in Epirus and Thessaly yesterday, killing a few persons, but that was all. The Greks' own aviation was asserted to have bombed and strafed the retreating Italians and to have attacked the airdrome at Argyrocastro, deep in Southern Albania.

British Royal Air Forces which are aiding the Greeks reported that they alone had shot down eleven Italian planes in twenty-four hours.

(It was reported in the Yugoslav border town of Bitolj that British planes also bombarded Koritza while Greek field guns maintained a terrific fire into the town and that the Italians appeared ready to abandon the place.)

The Greek spokesman also said the Italians were having difficulties with the conquered Albanians. A battalion of Albanians in the Italian central forces revolted and had to be disarmed, he said.

SMALL VESSEL OF AUSTRALIAN SERVICE LOST

Twenty-Three Members of Crew Lost When Minesweeper Was Rammed by Merchant Vessel in Harbor.

Melbourne, Australia, Nov. 21.—(CP)—Navy Minister W. M. Hughes announced today that the 223-ton minesweeper Goorangai was rammed and sunk in Port Philip Bay off Melbourne yesterday with a loss of all twenty-three members of the crew.

An intensive search for survivors by lifeboats from the unidentified merchant vessel and short craft was fruitless.

No casualties occurred in the merchant ship, which was outbound, and it returned with a damaged hull. Most of the crew of the minesweeper, which sank immediately, were below deck when the vessels hit. The minesweeper was seeking shelter from a storm at the time.

BRITISH V.C. PASSES

Windsor, England, Nov. 21.—(CP)—Familiar as a commissionaire at London's Luxurious Dorchester Hotel, Sergt. Oliver Brooks, V.C. 51, died at his home here. Member of the Coldstream Guards, Brooks led a party which regained possession of a section of British trenches that the Germans took at Loos in 1915.

ALBERTA TOURIST BUSINESS GROWS

Edmonton, Nov. 21.—(CP)—D. E. C. Campbell, Director of Publicity for the Alberta Government, told the Edmonton Branch of the Alberta Motor Association last night that the Province's tourist business in 1940 was valued at $6,000,000, an increase of $2,000,000 over last year.

Increased Restrictions On Canadians Likely To Expand War Efficiency

Ban Already Placed Upon Production of New Models of Automobiles. Refrigerators, Bicycles, Etc., in Move to Cut Down Wastage in Machine Tool Labor, Supply Minister Tells House.

By CARL REINKE
(Canadian Press Staff Writer)

Ottawa, Nov. 21.—(CP)—Gradually increasing wartime restrictions on the life of the average Canadian are indicated in a new order severely limiting new styles in automobiles, refrigerators, bicycles and other appliances during the war.

To reduce the use of machine tools and skilled labor for civilian purposes, the Government has prohibited, except under licence, the manufacture of new models of a wide range of equipment and appliances, Munitions Minister Howe announced to the House of Commons yesterday.

"By thus avoiding the economic wastage of machines and men, which mere whims, fads, and fancies of fashion often produce, the ingenuity of a number of skilled artisans and highly trained men will be directed toward the work of winning the war," he said.

In a comprehensive review of the state of Canada's wartime productive effort, the Munitions Minister warned that added restrictions doubtless would be imposed on the ordinary citizen as time went on.

The Minister brought the House up-to-date on the activities of his department, said contracts had been let in Canada for war orders to a total value of $849,000,000, reported on the progress in Canada's various war production fields and climaxed his review with the assertion the Dominion should be producing its maximum of war materials in another eight months.

The next eight months not only would witness a rapid expansion of employment and industrial activity but would be "a testing time for the morale of the Canadian people," Mr. Howe said.

"I have no doubt that our industry and our men and women will justify our confidence in the productive capacity of this great Dominion," he added.

These were among the major items mentioned by the Munitions Minister:

Appointment of a Wartime Requirement Board, headed by H. R. MacMillan, of Vancouver, also timber controller, to see that war needs are given priority over all other needs and minimize disturbance to the Canadian economy.

Completion of arrangements with the United Kingdom for the building in St. Lawrence river and Pacific Coast yards of eighteen large merchant ships for Britain.

Maintenance of war industry profits at levels "much lower than in peacetime."

Reorganization of Canadian aircraft production on production-line basis. The Government also is studying the possibility of making airplane engines in Canada.

Automotive orders now on hand to keep Canada's automotive industry at maximum production up to September, 1941, the rate soon to

DANIELS SEES FUTURE WORLD A HAPPY PLACE

Mexico City, Nov. 21.—(AP)—United States Ambassador Josephus Daniels declared his belief today that "in history as in nature the darkest hour is just before the dawn, and that the coming century will witness more miracles for human well-being than in any hundred years which have preceded it."

The world of 2040, the Ambassador asserted in a Thanksgiving Day address prepared for delivery at a church here, will be a world without "a king or queen or emperor holding power by right of inheritance or life tenure" and without "any dictator seizing power by force or holding it by denial of the popular will."

In this world, he continued, there will be no strikes, no need for standing armies, great navies or militarized aircraft, beyond an 'international police force," and "every man who tills the soil will own the land he cultivates."

Intensified Anti-Aircraft Fire Cuts Down Raid Losses

German Raiders Defy Gales Over English Channel for Two Short Daylight Raids on British Capital—Night Raiding Marked by Further Attacks on Midlands but Little Damage Done.

London, Nov. 21.—(CP)—London's sirens sounded two daylight alerts in quick succession today shortly after raiders were reported over scattered towns in England.

The raiders defied a gale over the Channel to make their daylight stab at Britain, and as they crossed a heavy-cross Channel gun duel raged below them in spite of low visibility.

The first two daylight raids on London were of short duration.

A Southeast England village turned out en masse to help firemen control fires caused last night by hundreds of incendiary bombs dropped by Nazi raiders.

In the London area a high explosive bomb killed a family of four, the parents and two daughters.

Terrific anti-aircraft fire was reported to have taken the sting out of the Nazis' second successive night of mass attack on the Midlands and the Government described the raids as "intermittent and on a minor scale."

A.F.L. MOVING AGAINST UNION RACKETEERING

Sponsor Confident that Federation Will Ultimately Adopt Measure to Improve Conditions.

New Orleans, Nov. 21.—(AP)—Success—in some form—for a measure that would drive racketeers out of its labor unions was forecast today by a key man in the American Federation of Labor.

But while the rest of the A.F. of L. convention delegates observed Thanksgiving Day, representatives of the International Ladies' Garment Workers, which has 100,000 members in the New York area, met to consider demands for a wage hike and the possibility of a strike.

David Dubinsky, one of the authors of the anti-racketeering measure and President of the Garment Workers, said:

"Our I.L.G.W. General Executive Board which meets every three months, was called into session today to work out a new contract for the one expiring February 1.

"We'll want to preserve our present thirty-five-hour week and may ask for higher wages. Because of these and other demands we will also consider the possibility of a strike."

"I don't see how the convention can fail to act favorably on the anti-racketeering resolution," said an official who is a member of the A.F. of L. Executive Council and the Resolutions Committee.

The resolution, introduced by Dubinsky and other members of his International Ladies' Garment Workers, called upon the convention to vote the A.F.L. constitutional authority to smash racketeering within a union.

Dubinsky, philosophical about the future of his measure, said the A.F. of L. would adopt it "if not this year, then next year, or two years from now. But it will be adopted. The A.F.L. is always a couple of years slow. It will do it, though."

BETTER CONTROL OF COLONISTS PLANNED

Quebec, Nov. 21.—(CP)—The Quebec Government will do all possible in the future to avoid placing colonists on lands unfit for agriculture, Leo Brown, Provincial Deputy Minister of Colonization, told a meeting of the Government's district colonization heads yesterday.

Browe spoke at a concluding session of a two-day annual congress for the colonization chiefs who studied questions concerning the establishment of colonists and the classification of lots.

SUDETENLANDERS READY TO JOIN IN CANADIAN WAR EFFORT

Victoria, Nov. 21.—(CP)—German Sudetenlanders who settled in British Columbia's Northern Peace River country after the Nazis took over their homeland, have offered their services to Canada in the war, Glen F. Braden (Liberal ,Peace River), told the British Columbia Legislature yesterday.

CONDEMNS PLAN TO CUT WHEAT ACREAGE

Calgary, Nov. 21.—(CP)—Cutting down on production of wheat at a time like this would be a "criminal action," Hon. Solon Low, Alberta Provincial Treasurer, told 200 delegates at the Alberta Association of Municipal Districts annual convention here yesterday.

(Possibility of steps to reduce wheat acreage in the Prairie Provinces next year was the subject of private discussion at Ottawa earlier this week. It was believed the Federal Government would wait until after Parliament's Christmas recess before announcing any policy in this connection.)

THANKSGIVING FOR EVACUEES

Canton, O., Nov. 21.—(AP)—Eighty-five child refugees from Britain enjoyed their first Thanksgiving dinner last night. H. W. Hoover, President of the Hoover Company, was host at the feast of turkey and trimmings. The refugees are children of Hoover Company employees working in a subsidiary factory near London.

WAR BULLETINS

New Delhi, India — Reports from India's Northwest Frontier Province today said two British soldiers have been killed and an officer and two soldiers wounded by tribesmen attacking road protection troops on the Razmak road near Razani, Northwest frontier.

Leyden, The Netherlands (via Berlin) — Because a pot-shot was taken at a German sentry Tuesday night, the Chief of Police today ordered all inhabitants of this famous University town to turn over all firearms by 10 p.m.

Anyone found in possession of arms after that hour will be shot on sight, said the official decree.

It is not known whether the German sentry was killed.

Five Italian tanks were destroyed and six severely damaged, a communique from Cairo said.

Clearing Skies Facilitate Air Search For Missing Men

Reinforced by Nine United States Army Bombers, Royal Canadian Air Force Planes Comb Eastern Quebec Region for Four Men Still Unlocated—Land Rescue Parties Working Way to Man Already Discovered.

East Lake, Que., Nov. 21.—(CP)—Reinforced by United States bombers, Royal Canadian Air Force planes renewed their search under favorable flying conditions today for the four missing crew members of the R.C.A.F. plane they abandoned near here Saturday night.

The nine United States bombers which landed at St. Hubert Airport, near Montreal, joined in the search this morning as poor weather conditions that had hampered yesterday's search cleared. The American planes are expected to work from the St. Hubert base along with two R.C.A.F. planes, while two other Canadian planes are working from Rimouski, about 100 miles from East Lake.

Despite poor flying conditions yesterday, the second of six fliers who bailed out of their plane before it crashd Saturday was located rom the air. A party of crack bushmen set off through nine inches of snow in the rugged Kamouraska County district toward the location.

The plane carried six men when it ran out of gas while heading toward Montreal after a coastal patrol. All

C.I.O. SEEKING TO IMPOSE BAN ON COMMUNISM

Atlantic City, N.J., Nov. 21.—(AP)—A declaration against the philosophy of Communism, Nazism and Fascism was reported drafted and ready for a vote in the Congress of Industrial Organizations Convention today.

For a week there has been open agitation for C.I.O. action on such a policy and for a showdown between so-called Left and Right wing groups.

Proposals calling for the adoption of this policy have been under consideration in the resolutions committee since C.I.O. members gathered here in their third convention to determine policies they would follow after John L. Lewis retires from C.I.O.'s Presidency.

During the past week the drive to bring about a showdown on C.I.O.'s attitude toward the thorny issue became one of the convention's major activities.

The Amalgamated Clothing Workers' Union headed by Sidney Hillman, Labor Member of the National Defence Commission, played a leading part in the drive, supporting a resolution to condemn Communism, Fascism and Nazism, and also a proposal to put into C.I.O.'s constitution an amendment which would make members of any of the three isms ineligible to hold paid jobs in C.I.O. offices.

The Communist issue has been described by well-informed labor men as one of the problems involved in the consideration of Philip Murray as Lewis' successor in the C.I.O. Presidency.

Convention approval of a policy against foreign isms, it was reported, would go far to clear the way for Murray to accept a convention call to the Presidency.

As the session neared the business of electing offices, probably on Friday, it was said that Murray had not wavered from his decision that he did not want the C.I.O. Presidency.

War Time Conditions Rob British House Opening Of Much Of Glamour

By J. F. SANDERSON
(Canadian Press Staff Writer)

London, Nov. 21.—(C.P.-Cable)—The King opened a new session of Parliament today, driving with the Queen through the battle-scarred streets of London between air raid alarms to deliver a message of confidence and resolution to his people.

Not even the vicissitudes of war were permitted to interfere with the ancient ceremony although there was less pageantry than a state opening in time of peace. The whole ceremony lasted ten minutes and no more than 100 people witnessed it.

The Speech from the Throne recorded the King's confidence "that victory is assured not only by the prowess of the armed forces of my Empire and those of my Allies but also by the devotion of the civil defence forces and the tenacity and industry of my peoples."

One of the features of the speech was a reference to Anglo-American relations which it said "could be no more cordial, and I learn with the utmost satisfaction of the ever increasing volume of munitions of war which is arriving from that country."

"It is good to know that in these fateful times how widely shared are the ideals of ordered freedom, justice and security," it added.

The King wore the Blue Service uniform of an Admiral of the Fleet while among the peers sat the Duke of Kent in air force blue and the Duke of Gloucester in the khaki of the army.

The Queen sat on one of the twin thrones dressed in a plum-colored ensemble trimmed with grey fur at the neck. She wore a triple row of pearls and a wide halo hat matching her dress.

The peers were in morning attire or uniform, without their scarlet and ermine robes. The bishops wore black and white canonicals instead of their mauve robes and lawn sleeves. There were no peeresses in the gallery and no flashing jewels to catch the light. There were no diplomats and no members of the

French People Never To Support War Against Britain, Writer Says

Toronto, Nov. 21.—(CP)—Percy J. Philip, Ottawa correspondent of the New York Times, began his address to Toronto Empire Club today with the "flat statement" he was sure Britain would win the war, but he added: "It is going to be a very long, grim business."

Mr. Philip, for twenty years head of the Times' Paris Bureau before he went to Ottawa, said there still is "a long hard road in front of us."

"We are going to have many heartbreaks and sorrows. We are going to have to be very patient."

Mr. Philip, a Briton, said Hitler has announced that he is "the toughest leader the world has ever known" and it was probably true.

But Mr. Philip said there was a weak streak in the rank and file of Hitler's followers. The weak streak of a subject people.

"But we Britishers, Canadians, Australians, Afrikanders and New Zealanders are tough all through," he said. "From Prime Minister Churchill down to the little Cockney children who brag to each other that the bomb that fell in their street was the biggest ever."

Mr. Philip said he had found a tendency to ascribe the fall of France to "Fifth Column work and treachery," but he believed the French were "licked, absolutely and completely licked" in May and June. In the confusion of it all a few men seized the Government and made an armistice with the Germans because they believed that Britain, too, would fall within a few weeks.

The French know now "We are going on fighting until we win," They know, too, that their only hope is for Britain to go on fighting, he said.

Pierre Laval was the man who persuaded Marshal Petain, the hero of Verdun, to vote at Bordeaux against continuing the war. Laval would "sacrifice the last shred of his own and his country's honor and independence to satisfy his hatred of the British and his cock-eyed belief in himself as a great states-

THREE MEMBERS IN OPPOSITION TO COALITION

Conservative Member of Legislature Latest to Declare Against Coalition Cabinet of Premier Bracken.

Winnipeg, Nov. 21.— (CP) —Ranks of those who have expressed opposition to Premier John Bracken's Non-Partisan Government numbered three today after Gen. H. D. B. Ketchen (Conservative, Winnipeg) expressed determination to "remain a straight Conservative."

Speaking in the Throne Speech debate in the Manitoba Legislature yesterday, Gen. Ketchen declared he was unable to see how the situation could be improved by joining a temporary cause. He said he had already informed Hon. Errick Willis, Provincial Conservative chief, of his opposition to the union plan. Mr. Willis is a Minister in the Coalition Government formed by Premier Bracken in October.

The Union administration embraces Liberal-Progressives, Conservatives, Co-operative Commonwealth Federation members, four of five Social Crediters and three or four Independents. All groups except Independents are represented in the cabinet.

L. St. George Stubbs (Independent, Winnipeg) and Miss Salome Hall-Dorson (Social Credit, St. George) remained outside the Coalition orbit when they announced their intention of remaining free to criticize the non-partisan Government which they said was opposed to the real meaning of democracy.

FOUR SCHOOLS HELD CLOSING CELEBRATIONS

Community Schools at Bury, Ayer's Cliff, Lennoxville and Richmond Terminated Active Eight Weeks of Classes.

After eight weeks of classes, the four Community Schools at Bury, Ayer's Cliff, Lennoxville and Richmond closed with ninth week celebrations at which school programmes were reviewed in each place, followed by skits, solo numbers and instrumental selections. The evenings ended with social and square dances. Mr. R. Alex Sim, Secretary of the Rural Adult Education Service, officially terminated the schools.

Eight classes had been given in most of the schools for eight weeks. These were dressmaking, farm problems, weaving, consumers' problems, public affairs, character education, motor mechanics and first aid. All classes came to an end except first aid, in which doctors' examinations for certificates are still to come. Most of the students and many of their friends came for the closing evening.

The Town Halls were used in Bury and Richmond, the High School in Lennoxville, and Burrough Falls Pavilion for the Ayer's Cliff School. Richmond had the largest gathering which numbered almost three hundred. Mr. Wendell Roberts was in charge of the evening at Bury, Mr. Maurice Hecht at Ayer's Cliff, Mr. Alex Sim at Lennoxville, and Mr. Charles Borrer at Richmond.

Mr. Sim, in closing the four schools, said that he was very grateful for all the help that had been given, and that he looked forward to even better schools in the coming year. He also mentioned the radio listening groups that were to be set up in the New Year and the planning of conferences or Radio Institutes that were soon to be held in many Quebec centres, including the four school districts.

The evenings closed with social and square dancing. Catering was done in most of the schools by the local Women's Institutes. At about midnight the celebrations came to an end.

man."

But Marshal Petain was "an upright man." The other day the Marshal said he had a rope around his neck.

"But I am certain," Mr. Philip said, "that he will never agree to associate his country with the Germans in fighting us. And he has his countrymen—with only a few exceptions—behind him.

"The French may have been overwhelmed but they aren't beaten. They may have been compelled to lay down their arms but they aren't conquered.

"And we shall need them . . . We shall never win the war without the sympathy of the invaded peoples, without the possibility of their ultimate revolt."

Mr. Philip told of a dream that had come to him twice during the past year or so. He was at Hitler's Berchtesgaden retreat. He watched Hitler open the drawer of a desk, pull out a revolver and raise it to his temple, and "Then of course I woke up—one always does in dreams just before the bang comes.

"Now, I don't believe much in dreams or omens, but I do believe in subconscious foresight and I am telling you of that dream quite seriously because I believe that it will be in that way this war will end."

DOMINION TO HELP SKI SCHOOLS PLAN

Quebec, Nov. 21.—(CP)—The Dominion Government is ready to cooperate with the Quebec Government in the organizing of skiing schools in the Province, provided soldiers are admitted free of charge to the courses, it was learned at the Legislature yesterday.

NOTED FIGHTER IS ELECTED TO STATE SENATE

Johnny Kilbane Plans to Campaign for Improving Position of Under-Privileged Children.

Cleveland, Nov. 21.—(AP)—Johnny Kilbane, world featherweight champion two decades ago, is going to fight again—with words.

The silver-haired Irishman, still as trim as a college halfback, will start his "comeback" in January when he enters the Ohio Legislature as a State Democratic Senator.

"Before, I was fighting for myself—to eat, to get some place in the world," the Clevelander said today. "This time I'm going to battle for the people—especially the underprivileged and the youngsters.

"Some people think it's funny a prize fighter should become a Senator. Why? I came up from the bottom. I know our problems and I am going to keep swinging until I help those who need help.' "

Kilbane won his boxing title in 1912 from Abe Attell and lost it to Eugene Criqui in 1932. Now fifty-one, he has spent most of the ensuing years in physical education work.

reach 600 units a day.

Expansion of explosives and shell plants so production will be at least 2,000,000 shells a month.

Arrangements made to produce the new Angio-American tank "in a very substantial way."

Practically every type of gun used in this war to be produced in Canada within short time.

The Minister reported that the letting of war contracts had increased from 1,910 per month in the first quarter this year to 7,500 a month in the third quarter, with the result that at November 11 Canadian orders had been placed totalling $540,000,000 and British orders totalling $309,000,000.

Exports to the United Kingdom for the first nine months of this year totalled $380,817,000, compared to $242,725,000 a year ago, an increase of fifty-six per cent.

The Government's system of financing plants where this could not be done by private industry had resulted in $255,000,000 being invested in production premises and machinery, he said. Of this sum about thirty per cent was on behalf of the Canadian Government, the rest for the British Government.

While some members of Parliament had raised the question of the distribution of war orders by Provinces, Mr. Howe emphasized that the question of distribution was secondary to efficient production and ample hydro-electric power was essential to low-cost production. Large blocks of surplus power were available only in Quebec and Ontario.

Mr. Howe gave three major reasons for the setting up of wholly-owned Government companies to coordinate and administer industry and obtain supplies:

"(1) The opportunity it gave of getting men of known organizing, construction and production ability to assist us in our war effort.

"(2) The opportuniey it gave of decentralizing, with all the attending advantages that accrue from decentralization in an operation such as this.

"(3) It has been proven that the corporate method of administration has been successful in the management of industries and business men understand such administration."

Other speakers at the short Wednesday sitting were T. L. Church (Conservative, Toronto-Broadview), who complained the Government had given the House no information on the war effort, despite the lengthy reports of some cabinet ministers; and W. F. Rickard (Liberal, Durham), who said he was glad to see labor getting a better deal in industry's wartime activity but added the farmer also was entitled to a fair return from his work.

other blow similar to that at Coventry a week ago, swarms of raiders poured over an East Midlands town during the night but were dispersed by ground guns after less than two hours of incendiary bomb-dropping —first step in the technique of total air war.

A communique said "A number of people were killed and injured" in the Midlands, where "fires were started and high explosive bombs demolished some houses and damaged others" in several towns. Attacks on other parts of England, including London, were labeled "generally ineffective" and the toll of dead and injured was reported to have been small.

Royal Air Force bombers, authoritative sources in London reported, carried out overnight attacks on air bases in German-occupied territory, on a Nazi freight yard and on the submarine base at Lorient, in occupied France.

The all-clear sounded in London a short time after dawn, ending a night of light raids marked by long intervals without any Nazi air activity.

Although the night's attacks were not so widespread as the assults Tuesday night, when a nine-hour raid left a dozen Midland towns strewn with wreckage and dead and wounded, observers in the East Midlands sector said during the early night hours that the raid was the fiercest ever made on that area.

The Government said bombs also fell in the London area, at one point in Southern England, in the Northwest and in South Wales.

The redwood of the coast is a big tree, but not "the big tree." The "big tree" is red, but is not a redwood.

REAR GUNNERS UNSUNG HEROES OF AIR FORCE

Holders of Critical Posts in Bombing Expeditions Forced to Make Trip Under Unpleasant Circumstances.

London, Nove. 21.—(CP)—Unsung heroes of Royal Air Force bombing excursions over Germany are the men who keep lone watch in a diminutive glass turret in the tail of the plane—the rear gunners.

"Tail-end Charlies," they're called by their mates of the bomber command and their job is one of the loneliest in the service. And one of the most important,too.

It's the duty and point of honor of the rear gunner to stay in its turret from the moment he enters the aircraft until the time he comes back to earth.

If he is large, and some rear gunners are large, he and the turret are pretty well all in one piece by the time he has crammed himself in, with all his warm clothing, his flying suit, parachute harness and other equipment.

His freedom of action is restricted to leaning to one side or the other, raising himself a few inches from his seat, and alternately resting his arms on top of or under his guns.

Eight or nine hours of this sort of confinement call for great endurance, added to which the temperature may be well below freezing—a chill atmosphere that sweeps right through Tail end Charlie's assortment of flying suits, scarves, shirts and vests, be they ever so woolly.

Clearing Skies

six left the ship by parachute, and Flying Officer J. J. H. Leblanc reached safety the following day with word of the crash. Another flier, as yet unidentified, was sighted from the air yesterday, leaving four still to be accounted for.

Poor weather conditions hampered searching planes yesterday, and a short time after one of four planes had sighted the man on the ground, the weather grew so bad that the search had to be abandoned temporarily. All through the night, a high wind washed waves against the rescue planes beached at Estcourt, near here, and extra lashings were needed to keep the planes close to shore.

Meanwhile, reinforcements to the searching force were expected during the morning. Nine United States bombing planes were ready at St. Hubert airport, outside Montreal, to join with R.C.A.F. planes in the search.

A Maine camp supervisor between East Lake and Rocky Mountain on the Northern tip of Maine also reported that a flier had been slighted, but it was not clear if this was the same man found by the searching planes, or one of the four still unaccounted for.

Squadron Leader R. C. Gordon, observer in the plane that sighted one of the men said that the planes' crew first caught a glimpse of a parachute waving from the branches of a tree. When the plane swooped lower, they saw the flier, waving his hands, and apparently unhurt.

Emergency rations were dropped, and then the plane was forced back to its base by the increasingly-dirty weather. Two ground crews, each made up of experienced bushmen who said they would not ston going until they had reached the flier, set out immediately.

Those missing were listed by the Air Ministry as Flt. Lt. G. F. Clay, of New Westminster, B.C.; FO. J. G. Richardson, of Saskatoon; LAC H. F. Howard, of Aylesford, N.S.; LAC E. J. Benoit, of Ottawa, and AC Elmer Johnson, of Winnipeg.

public. It was the ancient ceremony made to coincide with the grim realities of war.

The King walked into the Peers' Chamber holding the lavender gloved hand of the Queen, preceded by the Lord Great Chamberlain, the Earl Marshal, and the Garter King-at-Arms, each walking backwards. Various court officials, who in peacetime would be wearing ceremonial costumes symbolical of the distant past, ranged themselves at the sides of the dais.

Viscount Simon, as Lord Chancellor, carrying a richly embroidered purse, one of the symbols of his office, handed the King a copy of the Speech.

The King read it in a clear even voice, seldom hesitating and his words carrying far into the corners of the Chamber. At the end of the speech Their Majesties rose, bowed to the assembly and walked hand in hand from the Chamber to drive away under lowering clouds through the streets, unrecognized by the passing crowds.

At Prorogation ceremonies yesterday the Speech from the Throne, which was read by Lord Simon in the King's absence, declared that "We shall not falter or lay aside our arms until the high purposes to which we have pledged our faith are achieved."

The prorogation speech, like the speech at the opening today, stressed the note of confidence in ultimate victory and expressed gratification at the transfer of fifty destroyers by the United States Government, which were exchanged for naval and air bases in the Western Hemisphere.

NEW PEER TAKES TITLE

GIANT BOMBERS LATEST AID TO BRITISH FIGHT

Large Number of Long-Range Bombers and Flying Fortresses Released by United States Army.

Washington, Nov. 21. — (AP) — Huge long range bombers and bomb sights to go with them made up a new installment today in the United States programme of aid to Britain.

The army announced that twenty-six four-motor Consolidated bombers were being made available for British purchase, disclosed that the Sperry bombsight had been released, and indicated that twenty "Flying Fortresses" might be the next installment of aerial assistance.

The Consolidated bombers, credited with a 3,000-mile range, would be capable of carrying a full bomb load to almost any existing target area in Europe. From bases in the British Isles, they could strike at any objective within 1,500 miles and then return. Or they could operate on even longer missions by shuttling between airdromes in Britain and British bases in the Mediterranean theatre.

The release of these bombers was made known by Gen. George C. Marshall, Army Chief of Staff, at a press conference yesterday. He announced that the twenty-six bombers originally ordered by the United States army from the Consolidated Aircraft Company at San Diego, Calif., were being made available for purchase by Britain as fast as they came off the production line.

It was his understanding, he said, that the first of these planes was delivered last Saturday and that the others would be turned over at a steadily increasing rate between now and March 1.

Marshall revealed at the same time that the United States army already had made available to Britain the Sperry bomb-sight—a machanism used by the United States air corps before the present jealously guarded Norden bombsight replaced it. Some military sources describe the Sperry sight as very efficient equipment, although it does not match the high efficiency on the newer Norden sight.

Marshall said flatly that no bombers released for British purchase would have the Norden sight, which has been developed by the Navy and subsequently adopted by both branches of the United States armed services.

The Chief of Staff then announced that the negotiations were under way for the release to Britain of twenty B-17C Bombers—the' long distance "Flying Fortresses" made by the Boeing Aircraft Corporation of Seattle, Wash.

Asked if these planes would be ones already delivered to the United States army or others scheduled for delivery in the near future, he said that would depend upon whether it was faster to substitute the Sperry for the secret Norden bombsight in existing planes or in machines still on the production line.

In his announcement that Britain were being given priority on first deliveries of B-24 Bombers, the four-engined ships just beginning to come from Consolidated Aircraft plant, Gen. Marshall said that the United States was receiving in return sufficient engines to equip forty-one of the Boeing B-17C "Flying Fortresses."

Britain ordered these engines from an American plant early in the war, he explained. Unless the army obtained them, he said, it would have no power plants for the forty-one "Flying Fortresses" recently delivered without engines or to be delivered before January 1.

From the viewpoint of the United States, Gen. Marshall said, the primary purpose of releasing the "Flying Fortresses" was to obtain "an actual service test" of the B-17C. In addition, he added, this Government would receive "at least the equivalent of these planes."

Bomb Splinters

By HAROLD FAIR
(Canadian Press Staff Writer)

London, Nov. 21. —(CP)— Bomb splinters from the Battle of Britain:

* * *

While the sapper guarded a crater where a time bomb awaited "attention," a constable asked permission to look down the big hole. As he walked to the edge, the sapper warned aaginst kicking dirt down "because my mate's having a sleep."

Rays of a torch showed the soldier sleeping beside one of the biggest bombs the constable said he ever saw.

One London motorists who gives office workers free rides home turned up with this note on his windshield: "Lifts given to men only. Meeting the wife."

A woman warden in North London warned an old lady, on her way to return a library book, to take cover because planes and gunfire were heard overhead. The old lady retorted she couldn't possibly stop as she had the book out a fortnight already.

These air raids are turning things topsy-turvy all right. One London dance hall introduced a morning jam session so soldiers and their girls could dance without risking the dangers of going home in night raids.

SWISS MURDER REPORTS READ VERY STINTED

Use of Initials Instead of Names in Court Reports Lend Unusual Touch to Newspaper Accounts.

By CHARLES S. FOLTZ, JR.
(Associated Press Staff Writer)

Geneva, Nov. 21.—(AP)—For reasons best known to Swiss judges who interpret Swiss libel laws, the Swiss press frequently refers to persons arrested in criminal cases only by their initials.

All of which makes some of Switzerland's prize crime stories sound in print like a cross between a dime novel thriller and a nursery rhyme of the Winken, Blinken and Nod school.

Witness the case of the headquarters of an "underground railway" designed to help French soldiers interned in Switzerland to escape back to their homeland across heavily guarded frontiers.

Here's the story, in Swiss press style:

Three personages, E., U., and the woman Sch., have been arrested by the military.

E., U., and the woman Sch., this last an Italian, helped French internees escape.

They were questioned by Capt. Guillermet, Officer of Police of the Territorial Area, aided by his secretary, M. Demierre.

E., U., and the woman Sch. admitted heading an escape agency engaged in smuggling interned French soldiers across the frontier.

E. and U. were jailed in Sainte Antoine while the woman Sch. was lodged in the Women's Prison.

A fourth individual, named G., who also aided an interned soldier in crossing the frontier, was also jailed.

E., U., G., and the woman Sch. will be tried by the military courts.

HEAVY TRAFFIC FLOWING OVER BURMA HIGHWAY

Japanese Bombing Attacks Fail to Halt Flow of Munitions and Supplies Over Famed Burma Road.

Lashio, Burma, Nov. 21.—(AP)—A stream of military, medical and industrial essentials is rolling along the Burma road into China at the rate of 12,000 tons a month, despite Japanese aerial bombing and trafing of the route which twists and climbs 755 miles from the British railhead at Lashio to Dunming, keypoint of free China's supply system.

The Japanese have bombed half a dozen refuelling stations along the 635-mile Chinese section of the road, have scored direct hits on several of its 500 bridges, and have strafed truck caravans toiling through the mile-high mountain passes, but traffic never has been held up more than forty-eight hours.

Almost daily at least two hundred trucks leave the Lashio depots of seven different transport organizations in convoys formed according to the Chinese, Indian or Shan (Burmese racial group), nationality of their drivers.

The truck fleets and their loads, preponderantly from the United States, keep China's arsenals working.

Insects average about eight generations annually.

THIRTY STATES TODAY OBSERVE THANKSGIVING

Sixteen Other States Will Observe Thanksgiving Next Week, Usual Last Thursday in November.

New York, Nov. 21.—(CP)—Headed by President Roosevelt who returned to his home at Hyde Park, N.Y., United States citizens in thirty-two States celebrated Thanksgiving today.

The sixteen other States will observe Thanksgiving next Thursday, on the usual last Thursday in November.

Stock and commodity exchanges were closed throughout the country. People attended church services and held quiet home dinners.

President Roosevelt carved the turkey at a dinner attended by Mrs. Roosevelt, the President's eighty-six-year-old mother, Mrs. Sarah Delano Roosevelt, his son and daughter-in-law, Franklin, Jr., and Ethel, and the widow of his half-brother, Mrs. James Roosevelt.

CARS DAMAGED IN COLLISION ON ICY ROADS

None Hurt, However, in Accidents Near East Clifton and Windsor Mills.

Two automobile collisions, one in East Clifton due to the slippery condition of the road and the other on the long curve upon entering Windsor Mills, although causing considerable damage to the vehicles involved, resulted in no injuries to the occupants, it was learned from Provincial Traffic Officer Mathias Lemieux this morning.

An automobile driven by Mathieu Fauteux, of St. Malo d'Auckland, by Clayton Blair, of Sawyerville, skidded into another vehicle driven causing considerable damage to the sides of both cars.

About noon yesterday two cars collided on the long curve just before entering Windsor Mills. A vehicle driven by A. A. Brown, of Arnprior, Ont., met head-on with another vehicle driven by Paul Francis as the latter was coming into Windsor Mills. The occupants of both cars received only a few scratches but the cars were badly damaged.

Premier Praises

He urged the House of Commons not to lose sight of its democratic duty of "giving guidance to the nation and, if necessary, correction to the executive."

In his speech in the Upper Chamber, Lord Halifax said proposals have been made for "a compromise settlement arising out of Soviet annexations of territory" with regard to British obligations. Friction had arisen out of Russia's absorption of the three Baltic states last summer.

Other proposals "of a general character" have been made, he added, "to establish greater confidence between the two governments in the political sphere."

Hitler, the Foreign Secretary declared, is pursuing "his usual policy" of "combined cajolery and brutality" with France.

To an observer on the moon, the earth would never set, but always would remain in about the same place in the sky.

BAN PLACED ON PUBLISHING OF POLISH BOOKS

German Government-General Restricts Sales to Publications Produced by Administration.

London, Nov. 21.—C.P. Cable)—The Polish Telegraphic Agency reported today that a decree issued by the German "Government General" in Poland prohibits publication of any books, newspapers, periodicals or musical works.

Only publications issued under authority of the Government General will be permitted.

Polish booksellers will not be allowed to sell political or ideological books or pamphlets. The German Propaganda Department in each district will determine what books and pamphlets are to be considered of this character.

In towns and districts where no German bookshops exist Polish booksellers will be allowed to sell only books of a professional or scientific nature and novels.

Heavy fines and imprisonment will be imposed for failure to comply with the decree.

Trial Of Ludger Picard On Theft Count Is Continuing

Mr. and Mrs. Wilfrid Tourigny Testify They Marked Goods Stored in Basement of Two-Storey Residence—Tell of Finding Marked Can on Picard's Sink.

As the trial of Ludger Picard, of Asbestos, on a charge of stealing seventy-five dollars' worth of canned goods and other movables from Wilfrid Tourigny, of the same town, continued today in Court of King's Bench, Mrs. Tourigny corroborated the evidence given by her husband yesterday to the effect that they had marked several cans of goods so that they could determine where they were going after they noticed their stock was diminishing with alarming rapidity.

The Tourignys, it was learned, operated a grocery store at Three Lakes during the summer months, and after closing the store moved to Asbestos, taking lodgings from the accused on the second floor of a two-storey building, above the Picards. They stored their stock in the cellar of the building.

Since there is no outside entrance to the cellar, the only way the Tourignys could have access to their canned goods and other articles was by a stairway which opened into the Picards' bedroom. They claim that the thefts by Picard were made between October, 1939, and April, 1940.

Mrs. Tourigny and her husband testified that they had noticed several cans they believed to be theirs in the Picard rooms, and that finally, in an effort to make sure of their beliefs, had marked some of the cans.

Finally, one of the cans was found on the Picard sink, and Chief of Police Gaudreau was called to investigate the case. When questioned, Mrs. Picard said she had charged three cans at a grocery store, but further investigation revealed that she had only purchased two, and the Tourignys, provided positive identification of the can in question.

Mrs. Tourigny declared that sometimes the door to the Picard room was locked so that she was unable to get in and go to the cellar to get various articles of food. She said she had never sold any cans to the Picards, although she said that one night she and her husband had attended a party given by the Picards and that she had contributed two cans of food.

On the morning of the preliminary inquest in the case held in Sherbrooke, Mrs. Tourigny saw Picard collecting an armful of cans.

In addition to the Tourignys, others who have testified to date are Mrs. Sidney Dixon, Paul Lemay and Chief of Police Gaudreau.

MILD WEATHER WELCOMED BY E.T. FARMERS

Provides Opportunity for Ploughing—Sports Lovers Decidedly Anxious for Arrival of King Winter, However.

It begins to look as though old King Winter and Jack Frost are having as hard a time organizing their forces for an invasion of this country as Adolf Hitler and Benito Mussolini are experiencing in their attempts to get anywhere against Britain and the Greeks.

With the month of December just around the corner and Christmas only a few short weeks away, residents of the city and the Eastern Townships are enjoying weather that is more like September than that expected during this period of the year. A contrast between the weather conditions now prevailing and those of last year is afforded by the thermometer readings issued this morning from the Dominion Experimental Farm. Yesterday's high was reported as 45 and the low as 26, compared to a maximum temperature of only 30 and a minimum of 8 for the corresponding day last year.

To winter sports lovers this postponement of the arrival of ice and snow is decidedly annoying but to farmers who still have some land to be ploughed and outside work to be completed the mild weather is more than welcome. However, should it continue for some time, and signs seem to point to this probability, the latter, too, will become impatient, for the lack of snow in the woods will seriously hamper logging operations.

But one thing is certain: home owners won't grumble a bit if this sort of thing goes on for a long, long time. Already a considerable saving in fuel has been effected and the owner can now take a look at the coal bill without fainting. It may be true that "a green Christmas makes a full graveyard," but it also means more money in the pocket of the landlord—and anyone will testify that that is a desirable situation indeed.

And now after writing a few of these weather stories this agent feels that he is just about qualified to pose as a weather prophet. Sports writers and other authorities are accustomed to "go out on a limb" in attempting to foretell coming events, so why shouldn't we indulge in a bit of prognosticating? Our prediction: June in January this year. It might be wise, though, to get in your supply of fuel just the same. We might be wrong.

Extracts From Letters Show How People In England Standing Up

Although the Germans are showering bomb after bomb throughout the length and breadth of the British Isles, the British people, as the whole world knows, are standing up nobly under the bombardment, and their attitude may best be described by the following extract from a letter received by Stan Wilson, well-known professional at the Sherbrooke Country Club, from a relative in Manchester, England: "The war has surely started for us but we can stick it if you across the sea will be kind to the children we have to send to you. The people are not afraid, but very annoyed at Jerry, and I guess his ears burn sometimes."

In the interesting letter written by Dorothy Stalkie, who apparently is a member of the A.R.P. or some similar organization, one catches the remarkable courage that has inspired the British in their determined fight against the Nazi hordes. For instance, in Birmingham, it is pointed out, there is damage being caused, but the inhabitants are going on about their work and trying to minimize the waste of time as much as possible.

Miss Stalkie pointed out that it is surprising how small is the actual damage done by the majority of bombs. "We had one fall on a warehouse behind the Palace Theatre and it smashed through two floors yet left whole sheets of small panes of glass untouched."

Describing her particular work, Miss Stalkie said she had been on duty ten nights out of twelve but that now they are working on alternate nights. "We pace our beats looking for lights that we don't want to see, then when the warning goes we blow whistles shrilly to tell our own lot to take shelter—a whistle is heard when the siren is not."

She and her fellow-workers help old people and mothers particularly, Miss Stalkie wrote, and keep an alert eye for the bombs which are silent but cause fires. "We have twelve stirrup pumps in our sector and the neighbors can use them," the letter continued, "while in addition ordinary householders have taken First Aid courses so that they can be really neighborly if Jerry drops one with Di405 on it."

Miss Stalkie relates how she and her friends watched the guns over Liverpool one night as the Huns sent wave after wave of planes over the docks and shipyards. "The sky was full of the flaming onions which we throw up, and when these onions stick they set the planes on fire. They boast that no raider got away safely. Either the A.A. guns or our Spitfires apparently nabbed every one of them."

The war seems mighty close when you read this closing phrase: "Must close now with love to you all. Believe Jerry is calling on us and must get my tin hat."

TURKEY DINNER SUBSCRIPTIONS ARE RECEIVED

Appeal on Behalf of Local Canadian Active Service Force Soldiers Finds Ready Response.

The turkeys have started to come in at the Record Office as several residents of the city have already taken steps to see that their subscriptions to the appeal on behalf of the local Canadian Active Service Force soldiers are made early.

Although this is only November and Christmas and New Year's Day are still some weeks away, these tangible contributions already received and the promises of more to come are ample proof that a generous response to the plan will be made by the general public during this next month.

It is hoped that other residents of the city and the Eastern Townships will follow the lead of these early subscribers and send in their donations at an early date in order that some estimate of the eventual results of the plan can be made by the sponsors before the last minute. The statement made yesterday that a sum of money sufficient to purchase a turkey would be as acceptable as the fowl itself should make it much easier for those living outside the city to do their part for the local lads in uniform.

The list of subscribers and subscriptions compiled thus far includes a fifteen pound turkey from the Catholic Women's League, a ten pound bird from Mr. Raymond Provencher, three turkeys from Miss Jean Fletcher and one from Mr. and Mrs. D. J. Salls.

CHIMNEY FIRES NUMEROUS

Maybe there is shortage of chimney sweepers or possibly the demand for such is strong at this season, at any rate the local Fire Department are having a busy time racing around town to answer fire calls which in the end turn out to be overheated stove pipes caused by chimneys congested with soot. In many cases where there are no phones persons take advantage of fire alarms which bring every available team on the spot. The local Fire Department have on the average of three such cases a day.

OUTLINE PLANS FOR CHRISTMAS SALE AND TEA

Splendid Sum of Fifty Dollars Realized from Bridge Held by Parish Guild of St. George's Church.

After hearing that the bridge which members of the Parish Guild of St. George's Church held last week had netted them the splendid sum of nearly fifty dollars, those who attended yesterday's meeting of the Guild in the Parish Hall outlined plans for their Christmas sale and tea which they will hold on December 4th.

It was decided that invitations to this event, which is always one of the most eagerly anticipated of their year's activities, will be sent out that all may be given a hearty welcome to attend. The President, Mrs. W. H. Fisher, appointed Mrs. M. H. Pegg as convener of the tea, with Mrs. F. J. Glass as convener of tea tables. A new feature of the sale this year will be a mystery table, which is certain to be a popular addition.

A sincere vote of thanks was extended by Mrs. Fisher to Mrs. Clifford Waite and Mrs. F. J. Glass, conveners of the refreshments for the bridge, and Mrs. Andrew Merrill and Mrs. E. S. Burbridge as conveners of tables, for their splendid efforts towards the success of the bridge.

After due consideration the members decided that an electric coffee urn will be purchased by them.

Another important decision was reached at this meeting, when plans were made to hold a bridge a week after the Christmas sale and tea, this bridge to be in aid of the Christmas tree for the Sunday School. Members will gladly pay their small amounts towards the purchase of toys for the children in order that their Yuletide season may be made happier through these gifts.

With their business concluded, those present relaxed during an hour of pleasant sociability, when a dainty tea was served by the hostesses of the afternoon, Mrs. W. A. Page and Mrs. E. L. Atto.

A.Y.P.A. HOLD FINAL 1940 SESSION

Owing to the fact that many of the members of the Anglican Young People's Association of St. George's Church are students of the University of Bishop's College, this organization concluded their activities for 1940 at this week's meeting held in the Parish Hall under the Presidency of Jack Apps.

Five new members were greeted, and the Treasurer's report, given during the business session, showed an excellent balance on hand with which to begin the new year's activities.

Later dancing was enjoyed, the hall being most attractive with softly shaded lights. Those responsible for the social part of the evening were Mrs. Harry Pearton, Miss Mary Ward and Miss Betty Donaghy. Light refreshments were served at intermission.

BALE TO BE SENT OUT WEST

The Christmas bale which members of the Girls' Auxiliary of St. George's Church are busily engaged in making, is nearing completion, and it was announced at their meeting last evening that it would be sent to Prince Albert, Sask., on Monday. Anyone having donations for the bale is asked to give them to the Misses Grace and Emma Lou Stevens or Ruth Burt, the President.

It was decided that the members' pledge money will be sent at once to Miss H. Winn, Secretary-Treasurer of the Diocesan Women's Auxiliary.

The meeting closed with prayer.

General Notes.

Miss Ellen Simpson, of the teaching staff of the Bury High School, was a week-end guest of Mr. and Mrs. David Labonte.

ENTERTAINMENT IS ENJOYED BY PAINT DEALERS

Original Show Staged by Murphy Paint Company for District Representatives—Immediate Recordings Provide Highlight.

Agents in the Eastern Townships for Murphy and Narvo paints had a new experience last night when they were afforded the opportunity of speaking into a microphone and then hearing their voices reproduced by means of a recording machine during a convention held at the Chateau Frontenac Hotel by the Murphy Paint Company, Montreal, under the supervision of the sales manager, Larry McMahon.

The convention was declared open by Louis Codere and during the session representatives from various towns in the Eastern Townships were introduced to the gathering by Fred Perrault, of the Murphy Paint Company, and spoke briefly. Their remarks were recorded by the machine and later the transcribed addresses were heard, thus givinug the speakers—at least most of them — the thrill of hearing for the first time what sort of "microphone voice" they possessed. Later the remaining members of the audience were invited to pass before the microphone and say a few words in order that they, too, might hear their own voices in reproduction.

In addition to this novel experience the gathering was given the opportunity of playing the "Narvo Color Game." Each person was given a chart on which were listed ten colors to be arranged numerically in the order of his or her preference, the audience to decide the winner. A prize of five dollars was awarded to the holder of the winning combination.

Suggestions regarding the best means of selling goods were made to the assembled agents by Mr. McMahon and announcement was made of the intention of the Murphy Paint Company to embark upon a programme of large-scale newspaper advertising in an effort to make the coming year the most successful on record.

Frank Thompson Is Appointed To Succeed Late Charles F. Hersey

A successor to the late Charles F. Hersey as manager of E. T. Fairbanks Company has been named with the appointment of Frank Thompson, of Winnipeg, to that office, it was announced this morning by an official of the company. Mr. Thompson has assumed his new duties.

Born in England, Mr. Thompson was connected with the Avery Scale Company in Birmingham for some time prior to coming to this country about twenty years ago. Upon arriving in Canada he first went to the province of British Columbia, later moving to Winnipeg. He was with the Vulcan Iron Works Company there when his services were sought by the local firm and he came here directly from that city.

Although Mr. Thompson is holding a position in the Eastern Townships for the first time, he is no stranger to this part of the country. He was a visitor in Eastern Canada some time ago and was more than impressed by industrial conditions prevailing here and by the nature of the country.

In Mr. Thompson officials of the Fairbanks Company feel that they have secured a worthy successor to the late Mr. Hersey. The new manager has had many years of experience in the iron and steel industry, which he will be able to utilize to the advantage of the local firm in his new position.

TRIUMPH FOR GOOD SENSE

The substantial majority given Hon. Hector Perrier, seeking election to the Quebec Legislature in Terrebonne following his appointment to the Godbout Cabinet as Provincial Secretary, marks a triumph for reason and good sense among the electors of the Province. The election indicates that as a whole the electors are approving the attitude of Prime Minister Godbout that certain reforms are needed to modernize the educational system of the Province, especially in the French schools where the Premier is critical of the lack of teaching the English language. Mr. Perrier, as Provincial Secretary, will have oversight of any proposed reforms and his election confirms that the Premier will have a man of his own choice in whom to entrust the work.

Insofar as the result in Megantic County is concerned, local issues played an important part, the personality of the candidates also being a factor. Here Tancrede Labbe, former representative of the county, and thrice Mayor of Thetford Mines, ran up a tremendous lead in his home city, which could not be overcome by Liberal majorities in all other sections. Perhaps the best view of the outcome of the election is that given by Premier Godbout.

"Naturally," said Mr. Godbout, "the Government would have liked to win the two seats but events have ordained otherwise.

"The handsome majority given to Hon. Hector Perrier by the electors of Terrebonne show that in this part of the Province the population approves the educational reforms projected by the administration and believe that the new imposts were necessitated by the maladministration of the former administration. They also believe that as soon as possible, the Government will hasten to reduce or abolish the new taxes."

Mr. Godbout said the Terrebonne verdict was an "inducement and encouragement" for the Government to go on with reform in the administration and finances of the Province.

HUNGARY JOINS THE AXIS

The action of the Axis powers in adding Hungary to their set-up through diplomatic operations indicates that Germany might soon move Southeastward toward the Dardanelles and perhaps help Italy fight the Greeks. This view is supported by Turkish newspapers who are warning their readers that the war is near at hand, and the Turkish Government, which has ordered citizens to complete blackout arrangements by December 1.

Yesterday's Axis stroke showed a new technique in conquest, one which may be repeated later in Rumania, Spain, Bulgaria and possibly Yugoslavia. It was, apparently, a simple case of successful blackmail, requiring not even a soldier to enforce it.

Nearest approach to yesterday's development was the suppression of Denmark which was accaccomplished with little loss of life but which nevertheless required an army of occupation which is still there. Hungary's "Admiral" Nicholas Horthy, the land-locked nation's Regent, apparently took no chances on having Germany's will enforced and he had some reason to be grateful.

Hungary already has obtained a slice of Rumania and a slice of Czecho-Slovakia without having to fight for it. Germany's threats were enough for the administration of former King Carol and it surrendered the territory despite a certain amount of popular indignation.

Whether the Axis gained from its new move is problematical. Acquisition by one virtually bankrupt country of the friendship of another in virtually the same boat is a questionable blessing.

In this case Germany has obtained the allegiance in the so-called "All-for-one-and-one-for-all" "New Order" lineup of a country which, like herself, is non-self-supporting. The addition of Hungary to the Axis—no longer a true Axis because it has more than two poles—brings Germany no closer to a solution of the British blockade.

Hungary, mainly an agricultural country raising wheat and maize, among other things, might be of some value as a food producer for Germany, but she has a fairly dense population herself, more than 12,000,000 in 57,530 square miles.

Industrially, Hungary produces coal and recently has experienced miners' strikes. Under a truly totalitarian pattern of government, especially if enforced by the rule of the Gestapo, as it almost undoubtedly will be, such a thing could not occur. Germany herself is Europe's largest producer of coal, but she trades much of it for other goods in that complicated system she built up when she found herself unable to pay debts in cash.

Elsewhere on the European scene interest centred on France where Pierre Laval's efforts to obtain "collaboration" with Germany appear to have gone decidedly sour. Premier Petain is believed personally opposed to such a move, and Gen. Weygand, back in his old African command, appears to have made plenty of people nervous by a refusal to return to Vichy.

Weygand has the huge and powerful French colonial army at his back and the forces of Gen. de Gaulle ready to help him should he choose to fight any Axis move in Africa.

THE CHRISTMAS TREE TRADE

Millions of Christmas trees will bring joy and happiness to homes in the United States and Canada again this year and aid in the financing of the Dominion's war effort, according to the Dominion Forest Service, Department of Mines and Resources. Handed down from ancient times, the delightful Christmas tree custom now provides an important seasonal forest industry. In addition to supplying a supplementary source of revenue to Canadian farmers, this year the export of Christmas trees to the United States will help establish foreign exchange for the purchase of war supplies.

Last year approximately six million evergreens were cut in Canada as Christmas trees, of which almost five million valued at $574,235 were exported to the United States. New York City alone took about 750,000 trees, while large shipments were made to Boston, Philadelphia, Cleveland, Detroit and Chicago. On the Pacific coast, the large cities as far South as Los Angeles now offer an attractive market for British Columbia trees. About a million Christmas trees are used annually to decorate Canadian homes during the Yuletide season.

Balsam fir, Douglas fir and spruce are the species favored by the Christmas tree buyers. Balsam fir is most popular in the East, because of its quality and pyramidal shape. Spruce, obtainable nearly everywhere, is also widely used. For several years Douglas fir from British Columbia has been growing in popularity in the United States market, and recently there has been an increased demand for Scotch pine, especially in border cities adjoining Ontario.

Canada's growing Christmas tree trade offers no serious threat to the forests, as under proper management the present cut could be produced in perpetuity on an area of less than two hundred square miles. Indiscriminate and wasteful methods used by some tree dealers are condemned, but the orderly cutting and marketing of the annual crop provides the basis for a legitimate and profitable industry. Formerly young trees for the Christmas trade were secured with little or no difficulty from the woodlands or pastures situated within convenient distance of towns, villages and other shipping centres throughout Eastern Canada, particularly in Quebec and the Maritime Provinces. Within the past few years, however, a scarcity of suitable trees has been experienced in some localities with the result that many farmers are now growing Christmas trees on managed plantations.

SIMPLE PRAYER

Give me, O kindly Lord, the grace
To look beyond the commonplace;
In duties every weekday brings
To see the shining heart of things.
Give light that I may not be blind
To loveliness that lies behind
The humdrum tasks of every day,
Which must be done the same old way.
Give me sweet patience not to shirk
The unexciting jobs of work;
And grant me visions all the while
To see the beauty of a smile.

IMPROVEMENT IN TRANSPORTATION PROBLEMS

Le Soleil, of Quebec

On the one side and the other of the Canadian-American frontier the war activities have improved the conditions of the transportation problems, without, however, changing either the data or the anomalies. The augmentation of traffic simply gives the illusion that the difficulties of the period of crisis were exaggerated.

As a matter of fact, costs of operation and upkeep could be reduced by eliminating all useless competition. This reduction in service could perhaps be brought about without affecting railway employees too favorable circumstances, for there is every indication that the population of this country will augment rapidly during and after the war. So far as the older regions are concerned, it appears that Canadian railways would be amply sufficient for a traffic two or three times greater without any augmentation save that of rolling stock.

For it is to be expected that the competition of buses and airplanes, to say nothing of canals, will increase. Is it not interesting from this point of view that there is no talk whatever of new railways while it is a question everywhere of building strategic highways? That is not to say that the era of the locomotive is nearly finished, above all in a northerly country like Canada. For a long time still, at least for long hauls, the advantage of the railway will be recognized.

HAVE A SMILE

In a certain village there is a cottage with a door which must be raised a little to be opened, and for this purpose a hatchet is used. One night a knock came at the door and a youngster was sent to see who was there.

"Who is it?" inquired the boy.

"It's me," said the voice outside.

The youngster, recognizing the voice, shouted back: "It's Mrs. Murphy; get the hatchet."

Mrs. Murphy didn't wait.

PRESS COMMENTS

EIRE NOW PLAYING AN INGLORIOUS ROLE

(Toronto Evening Telegram)

Impatience has more than once been registered in the last year or so because Britain did not override the neutrality of smaller nations to carry out those military measures which were necessary for the advancing of the democratic cause. Critics who wanted quicker action were apt to ignore the suggestion that a nation which was striving for the right of all nations to live their own lives was somewhat handicapped for a disregard of national rights. They wanted to know why Britain did not send troops through Norway and Sweden to the assistance of Poland and later to Finland. They asked why Britain had not established itself in Norway before the descent of the Huns. They could not understand why Britain had to wait for an invitation from Holland and Belgium before going to the assistance of those countries.

The impatience was not unnatural in view of the fact that delay made Britain's task so much harder than it might have been. It was hard to understand that it was unjustifiable to do a little wrong to do a great right. The enemy had no scruples about invading neutral territory.

The same situation has now arisen in regard to Eire, though for some reason not so much has been heard of suggestions that Britain should go in and take what is necessary for her defence. The denial by Eire of the use of her ports for the fuelling of British ships and aircraft places upon Britain a burden which, as Mr. Churchill has said, she should never have been asked to bear. Those ports are necessary to the Navy for the protection both of England and of Eire. The denial of them has greatly magnified the difficulty of coping with attacks which threaten Britain's life-line.

The New York World-Telegram says that President de Valera would do well to reflect upon the fate of other leaders of small nations, leaders who are leaders no longer and whose nations have ceased to exist. This is something that all Eireishmen would do well to ponder lest their hatred of Britain should carry them into an inglorious servitude worse than anything they experienced at Britain's hands.

CHANGED ATTITUDE IN U.S.

(Toronto Saturday Night)

There is a great difference between the attitude of the United States towards the present war in this year of 1940 and the attitude towards the earlier war in 1917. It is perfectly possible that in the present war the United States may be slower in coming into actual belligerency—if not irresistibly provoked by Japan—than in the earlier one, and it may even not come into belligerency at all. But before the United States came into belligerency on April 6, 1917, there was practically no feeling in the Republic that the Allies were actually defending America, and among a large part, probably a large majority, of the American people that idea never gained any currency at all. In 1940 there is a very widespread realization that nothing but the British fleet stands between the United States and Germany, and that but for the heroic defence of the British Isles by the British people (aided by those of the Dominions and other Empire countries) even the British fleet might not be a secure reliance.

FISHERIES OF THE DOMINION

(Sydney News-Record)

Canada's fisheries production in 1939 had a total value of $40,072,976 of which the sea fisheries contributed $33,972,301 or 85 per cent and the inland fisheries, $6,100,675 or 15 per cent. Compared with 1938 the value of the sea fisheries showed an increase of $198,153, while the inland fisheries decreased by $618,153. These figures represent the value of the fish as marketed, whether sold for consumption fresh, canned, smoked, or dried.

The salmon fishery was by far the most important, its value in 1939 amounting to $13,409,292, or 33 per cent of the total. Following each with a value of almost four million dollars, were the lobster and herring, while cod, with slightly more than three million dollars, was fourth on the list of the chief commercial fish. By reason of her great salmon fishery, British Columbia ranked first among the provinces in order of marketed value of product. Nova Scotia held second place, with the cod, lobster and haddock fisheries accounting for more than half of the marketed value of the Nova Scotia production. New Brunswick was in third place, with the output of the sardine and lobster fisheries representing 65 per cent of the total value of the fisheries production of the province.

Fish marketed for consumption fresh, including fresh fillets, had a total value of $16,989,711 in 1939. The canned production was valued at $15,149,190, of which canned salmon accounted for $10,465,008. The bulk of the salmon is marketed canned, and for this product the principal markets have been found abroad, with countries of the British Empire taking the major part. Fish marketed as dried amounted to $979,240, leaving $6,654,835 as the value of fish marketed in all other forms, such as green-salted, smoked, boneless, oil and meal.

AT LAST—BRIDEGROOM GETS A BREAK

(Montgomery, Alabama, Advertiser)

The newspapers are giving a free ride to a new type of marriage reporting which was introduced, it seems, by a small newspaper in Iowa called the Augusta Union. The editor of the Union, remembering that bridegrooms usually receive little attention at the hands of the society news reporters, decided that he would vary the rule a little when it came his time to marry.

Under the caption, "Ye Editor Takes Himself a Bride," he wrote as follows for his own newspaper:

"Clarence (Tudy) Rogers, son of Mr. and Mrs. George Rogers, of Osseo, became the husband of Miss Margaret Gilbertson, daughter of Mr. and Mrs. Martin Gilbertson, of Augusta, in a beautiful ring ceremony Saturday noon before a Justice of the Peace at Waukon, Ia.

"Blushing prettily, he replied to the questions of the Justice in low but firm tones, never indicating that he noted the omission of the 'obey' in the bride's answers.

"He was attractively attired in a three-piece suit of black pinstripe woollen material, consisting of coat, vest and pants. The coat was charmingly festooned with a white flower in the left buttonhole.

"The vest was sleeveless, closed in the front and gracefully fashioned with pockets. It was held together at the back with a strap and buckle.

"His pants were neatly pressed for the occasion and he wore them with an air as if he little suspected it would be the last time he 'wore the pants' in that family, as the familiar expression goes.

"Hose and necktie added just the right dash of color to complement the effect. Shoes were of genuine leather, laced with strings of the same color, giving a chic effect."

McKENNEY ON BRIDGE

60-YEAR-OLD EXPERT SHOWS YOUNGSTERS A FEW NEW TRICKS

The Southeastern Sectional Championship Tournament, which is conducted in Florida by the American Contract Bridge League each year, will be held during March, 1941, at the Miami Biltmore Hotel, Coral Gables, Fla. The league conducts local tournaments in its various units through out the nation, the winners of which are sent to the Southeastern Sectional Championships. It is expected that more than 150 of these winners will participate in the event this year, augmented of course by a large local attendance.

Mrs. Meyer D. Rothschild of New York, known as the mother of bridge, is well into her sixties, but still loves to travel around to tournaments. Last year she participated in the Southeastern Sectional event, and I recall a very cute play she made to make her contract on today's hand.

Mrs. Rothschild won the opening lead in dummy with the ace of diamonds. She realized that West was probably void of clubs. Her next play was the deuce of spades, which East won with the ace.

When East returned the king of clubs, Mrs. Rothschild refused to cover and played the deuce. She realized that if she went up with the ace West would probably trump, and she might have difficulty in getting a club ruff in dummy. Also, it might be very embarrassing if the opponents continued firing diamonds to her.

East, of course, continued with the club queen and again Mrs. Rothschild ducked. Now when the jack was led she could trump in dummy, pick up trumps, and was assured of four spade tricks, four heart tricks, a diamond and a club.

Mrs. Andrew Fleming and Mrs. Wilkes, of Red Cross House, Montreal, Gave Instructive Addresses at Special Meeting.

Bury, Nov. 21.—Interesting and instructive talks on the work of the Red Cross Society were given by Mrs. Andrew Fleming and Mrs. Wilkes, of Red Cross House, Montreal, who addressed the local branch in the Town Hall on Friday evening.

Mrs. Fleming stressed the need for the continuation of the work of the organization and expressed deep appreciation for the amount of work accomplished by the local Branch, which includes groups from Bury, Canterbury, Brookbury, Hardwood Flat, Keith and Gould Station. In the course of her address she stated that five thousand articles were inspected each day, and on occasions as many as seven or eight thousand, as they are received from the 160 Branches in the Province of Quebec.

Mrs. Wilkes showed samples of sweaters, helmets, rifle mitts, two-way mitts, scarves, socks, sea boots, mine sweeper mitts and other articles.

General Notes

Remembrance Day was most fittingly observed here on Monday, November 11th, when a large crowd gathered to pay tribute to the heroes of the last World War. The presence of a large number of soldiers from the Royal Rifles of Canada, Sussex, N.B., and several from the 94th Anti-Tank Battery, Quebec, who were home on leave, added to the service. Sgt-Maj. Burns, of the 7-11 Hussars, acted as color bearer and several Vetrans of the World War attended in a body.

The band opened the programme by playing "O Canada," after which Rev. Stewart led the gathering in prayer. Rev. W. J. Rev. Rowe, Rev. A. Linahen, Mayor Hunt and W. J. Duffy, M.L.A., gave short addresses.

Lt.-Col. A. Whitehead read the names of the fallen and wreaths were placed by Mayor Hunt, for the town, Mrs. Provis, for the Women's Institute, Mrs. A. Whtiehead, for the Women's Auxiliary to the Canadian Legion, the Canadian Legion Branch No. 48 and mothers and relatives. "O God Our Help in Ages Past" was played by the band and sung by those assembled and the Last Post was sounded and the two minutes' silence broken by the "Reveille." The National Anthem brought the ceremony to a close.

The pupils of the High School attended in a body, accompanied by their teachers.

The "Bury Gift Fund" held a session Friday afternoon and packed nine boxes for the Bury boys who are overseas as well as several for boys now training in Canada.

Messrs. H. Frederick Palmer and B. Victor Palmer, of Timmins, Ont., and Austin Palmer, of Detroit, Mich., and Mr .and Mrs. Carl G. Palmer, of Sherbrooke, were called here by the death of their mother, Mrs. V. J. Palmer.

Miss Emma Pehlemann, of Glen Almond, was in town to attend the funeral of her sister, Mrs. V. J. Palmer.

Mr. Murray MacRae is receiving the congratulations of his friends on successfully passing his exams at the Canadian School of Electronics, Toronto. He has received a government license in wireless operating and radio mechanic.

Mr. William Harper has returned from the Canadian West where he spent the past few months.

Mr. and Mrs. W. J. Morrow, of East Angus, are the guests for a couple of weeks of Mr. and Mrs. Hugh Morrow and Mr. and Mrs. F. Cuming.

Social and Personal

Mrs. Maurice Parker and her children, little Miss Cynthia, and Master Ronald, arrived this morning from Sussex, N.B., to visit the former's mother, Mrs. J. C. Smith, Woodward Avenue.

* * *

Mrs. John S. McLean and Mrs. Clarissa Frappier were hostesses serving refreshments after an informal bridge party held last evening at the close of a meeting of the Past Noble Grands' Club in the I.O.O.F. Hall. Mrs. F. L. Bean, Vice-President, took the chair for the brief business session during which ten dollars was voted to the Rebekah Ambulance Fund. Cards were played at three tables, the prize being won by Mrs. Milo Lothrop. At the close of the game delicious refreshments were served by the hostesses.

Mrs. William E. Baker, general canteen convener for the Municipal Chapter I.O.D.E., War Service Committee, and canteen conveners from the several Primary Chapters will be "on duty" at the opening of the Salvation Army Canteen on Saturday. Representing the King George Fifth Chapter will be Mrs. F. J. Southwood and Mrs. W. D. Brosseau, the Duke of Wellington Chapter by Mrs. S. H. Gallinger, the Sir John Sherbrooke Chapter by Mrs. K. B. Jenckes, de Laval Chapter, Mrs. J. G. Roy and the Aldershot Chapter, Miss Kay Davey and Miss Madeline Baldwin. The I.O.D.E. will each week be in charge of the canteen, the conveners aforementioned and their helpers having volunteered their free assistance to the Salvation Army, so long as the canteen is operated here.

Marriages

BROWN—RIDER

Fitch Bay, Nov. 21.—The marriage of Miss Mary Margaret Rider, R.N., only daughter of Mr. and Mrs. Claude P. Rider, of Fitch Bay, to Mr. Scott Alexander Brown, eldest son of Mr. Walter W. Brown and the late Mrs. Brown, of Mansonville, took place in St. Matthias' Church on Friday afternoon, November 15, at four o'clock. The ceremony was performed by Rev. B. Watson.

The altar of the church was banked with mauve and yellow 'mums and ferns, and the wedding marches were played by Mrs. M. W. Rider, of Ayer's Cliff, who also sang "O Perfect Love" during the signing of the register.

The bride, who was unattended, was given in marriage by her father and wore a frock of soldier blue crepe with a small matching feathered hat and shoulder length veil and wore a corsage of Happy Time roses. Her only ornament was a pair of antique gold bracelets which had belonged to her great-grandmother.

Mr. Wellington Brown, of Mansonville, acted as best man for his brother, and the ushers were Mr. Merlin Alger and Sgt. W. J. Redway, of the Sherbrooke Fusilier Regiment.

The bride's mother wore a dress of vintage crepe with matching hat and wore a corsage of tea roses.

A reception was held at the home of the bride's parents for relatives and intimate friends. The young couple received the congratulations of their friends before the fire-place in the livingroom which was banked with ferns. Mauve and yellow 'mums were placed about the room.

In the dining room, pink and white baby 'mums were used, and the lace covered table was centered with a three-tiered wedding cake with white tapers and bouquets of flowers arranged about it. Candles and flowers in matching colors were also arranged on the buffet.

Later the bride and groom left for a motor trip, the bride travelling in her wedding dress, with a black English bouclé coat with mink trimmings and matching fur-trimmed black hat.

Upon their return they will reside at Fitch Bay, where the groom is the Principal of the Consolidated School.

Out-of-town guests at the wedding were Mrs. I. M. Thoresen and Mrs. E. Cole, of St. Johnsbury, Vt.; Mr. Mr. and Mr. Harold Cass, Mr. L. O. Cass, Mr. and Mrs. C. L. Gagnon, Mr. and Mrs. Howard Andrews and Mr. Clarence Elliott, of Beebe; Sgt. W. J. Redway, of Sherbrooke; Mr. and Mrs. Charles Schoolcraft, of Boynton; Miss Katherine Vaughan, R.N., Miss Margaret McDonald, R.N., and Mr. William Cohoon, of Sherbrooke; Mr. Wellington Brown and Miss Kathleen Brown, of Mansonville, and Mrs. M. W. Rider, of Ayer's Cliff.

Our congratulations to:

J. R. Sangster on the occasion of his birthday.

Friends of Mr. J. R. Cillis, Upper Belvidere Road, who has been a patient in the Montreal General Hospital for the past six weeks, will be relieved to hear that he has sufficiently recovered to be able to return to Sherbrooke and is now at the home of his daughter, Mrs. Irvine Smith, 23 Walton Avenue.

The marriage of Mrs. Helen T. Mitchell, daughter of the late Mr. and Mrs. James Dunn, to J. Gordon Armitage, son of Mr. George Armitage and the late Mrs. Armitage, both of Sherbrooke, Que., was solemnized quietly at the home of Dr. G. Ellery Read, Quebec Street, on Wednesday afternoon, November 20th, 1940.

Mrs. M. M. Lothrop, President of St. Peter's Guild, Mrs. A. E. Berwick and Mrs. C. L. Blain were hostesses yesterday afternoon for the largely attended tea party held after the regular weekly meeting in the parish hall. The guests who joined the members at the tea hour were cordially received by Mrs. Henry Barlow, with Mrs. T. C. Hurn, Treasurer, acting as cashier. Assisting the hostesses were Mrs. W. F. Dunn, Mrs. F. Povey and Mrs. E. Bayley. During the short business session, held prior to the tea party, further arrangements were made for the Christmas sale and salad tea on December 4th, Mrs. M. M. Lothrop presiding.

Mrs. Ronald Mooney and Mrs. Neil Skinner were joint hostesses on Tuesday evening at the former's home on Portland Avenue, for a largely attended social meeting of the Sherbrooke Hospital Alumnae Association, at which the outstanding feature was a presentation to four recent brides. To Miss Dorothy Kerridge was entrusted the honor of extending the affectionate wishes of the members and of presenting each bride, namely Mrs. Gordon Ransehousan, Mrs. Ronald Mooney, Mrs. Howard Leslie and Mrs. Mills, with a lovely gold-lined silver mayonnaise bowl and ladle. Later bridge was played at three tables and at the conclusion of the game the hostesses served delicious refreshments, Miss Vivian Hatch doing the honors at the lace-covered table, which was effectively done with yellow and white baby 'mums and matching yellow tapers. Assisting were Mrs. Howard Leslie and Miss Dorothy Kerridge.

The Reverend and Mrs. Russel F. Brown were the guests-of-honor on Tuesday afternoon at an informal tea and entertainment given in St. Peter's Church Hall, by the members of the Junior W.A., under the supervision of Mrs. Wallace Garlic, their Superintendent. The latter received the Rector and Mrs. Brown, the children being assembled on the platform, and after the recital of the W.A. Prayer and the singing of "Mothers of Salem," Edith Sharpe, on behalf of the juniors, read an address of welcome to the Rev. and Mrs. Brown. During the short programme Mrs. Stanley Wilson presided at the piano, and afterwards each member of the Junior W.A. enjoyed the privilege of pesonally meeting St. Peter's Rector and Mrs. Brown, who both expressed their pleasure at being so warmly welcomed by the youthful members of the congregation. Just before the delicious afternoon tea was served the Rector led the children in singing The Grace. Mrs. T. V. Vear, Treasurer of St. Peter's W.A., was a welcome guest at the Junior's party, and Mrs. Garlick was assisted in her manifold duties by Mrs. T. Sharpe, Mrs. Stanley Wilson, Miss Audrey Spanswick and Miss Frances Ladd.

Women's Clubs

BROMPTON ROAD W.I.

Mrs. William Lavallee was hostess for the November meeting of the Brompton Road W.I., which was a largely attended and most interesting gathering.

Mrs. L. Clark, President, was in the chair, and after singing the W.I. Ode, the members repeated the Mary Stuart Collect.

The roll-call at W.I. meetings is ever an interesting feature and on Saturday this was especially so for the subject, "Canadian Industries," was later eloquently covered in a paper given by the convener, Mrs. Gordon Robinson, on the Canadian Johns-Manville Asbestos mines at Asbestos.

The minutes as read by Mrs. Curtis Sawyer, Secretary, and the financial statement presented by Mrs. F. Goodfellow, Treasurer, were adopted.

Miss Verna Hatch, Convener of Ways and Means, gave an excellent report revealing much activity for the Red Cross, for which six pairs of socks, six pairs of pyjamas, twenty-one towels, two scarves and two pairs of bootees has been completed, the convener also gratefully acknowledged one dollar from Mrs. Fred Page for the Red Cross.

Business included plans to hold a card party and sale of fancy-work in the Community Hall in the near future.

Mrs. E. Hatch, delegate to the Sherbrooke County Quarterly meeting held in the Community Hall on October 26, gave an excellent resume of proceedings at this important gathering, especially mentioning the stirring address given by Mrs. Alfred Watt, O.B.E., President of the Federated Country Women of the World.

It was decided to pack boxes for boys from the community who are on Active Service and also to forward cigarettes, towards which good work Mrs. E. Riches very kindly made a cash donation.

The following conveners were appointed to take charge of this work, Mrs. E. Hatch, Miss Muriel Hatch and Mrs. E. Goodfellow.

Finished blocks for the quilt to be sent to the Wales Home were handed in at the meeting.

Mrs. E. Hatch, Convener of Canadianization and National Events commented upon the death of the Rt. Hon. Neville Chamberlain and the sinking of the Empress of Britain.

Mrs. F. Goodfellow, convener of Child Welfare, stated that a medical inspection of the McLeod School children had been made by the Richmond County unit.

The President extended the meeting's thanks to Mrs. Gordon Robinson whose timely and appropriate address on Canadian Industries was so much enjoyed.

A special feature in which much interest was evinced was the apron parade contest, for which Mrs. William Bonnallie and Mrs. Irvine Paige acted as judges, awarding first prize to Miss Verna Hatch and second to Miss Muriel Hatch there being many new and attractive "styles in aprons," demonstrated.

After adjournment the hostess served delicious refreshments assisted by her daughters the Misses Velma and Irma Lavallee, Mrs. Melville Paige, Miss Thelma Bonnallie and Miss Muriel Hatch.

PAPERS HEARD AT CANTERBURY EAST MEETING

Theme of "Canadianization and National Events" Followed by Members of Women's Institute During Session

Canterbury East, Nov. 21.—Mrs. Arthur Smith and Miss Laura Goodin entertained the members of the Women's Institute for the November meeting at the former's home with a good attendance of members and several visitors.

In the absence of the President, the Vice-President, Miss Laura Goodin conducted the meeting, which opened with the singing of the Ode, Mrs. Milton Goodwin accompanying at the organ. The Creed was repeated in unison.

The programme which followed the theme, "Canadianization and National Events," was well carried out, with Mrs. Everard Goodin giving a reading on "Canada's Front Line," and Miss Blake, Mrs. Goodin and Mrs. Justin Sharman each presenting splendid papers on "Remembrance Day." The roll call, "Outstanding Events of the Past Year," were well responded to. The minutes of the previous meeting were read, as well as a letter concerning the library, from Mrs. Beard, of Scotstown. A donation of money was received from Mrs. Sylvester Goodin and Mrs. Arthur Coates. It was decided that the group should make a quilt in the near future.

After a general discussion on past events, the meeting closed with the National Anthem, following which lunch was served by the hostess.

When Possible, Let Children Pick Out Their Own Books

"When you buy a book for Junior—aged eight or over — take him along with you. If you can't actually take him along, at least keep his taste in mind when you pick out what he is going to have to read—for fun."

That is the advice of Miss Josette Frank, who is staff adviser on children's books for the Child Study Association of America, and herself author of "What Books for Children?"

Miss Frank thinks too many parents, when they select books, pick out what they think their children ought to like—instead of what their children actually do like to read.

Miss Frank points out that there are several new trends in children's books — as evidenced by the books published in 1940.

The trend in books for the very young is toward more and better nonsense. Grown-ups who buy books for five, six, and seven-year-olds seem to be as anxious to have their small fry "get away from it all" as they are to find escape literature for themselves. Nonsense books for the very young like "The Topsy Turvy Circus" and "Rowena, the Skating Cow" have swamped the country's nurseries this year. (Maybe the grown-ups are reading these books themselves. That's my idea—not Miss Frnk's).

Another new trend, in keeping with the times, is the number of books recently published which deal with our American heritage. Mother wears an American flag in her suit lapel and little daughter eats up such stories as "They Were Strong and Good."

Then, too, the children are reading about refugee boys and girls and learning of the problems they face when they are set down in a new country. Dorothy Canfield Fisher collaborated on one such book for children called "Nothing Ever Happens and How It Does." Another noted writer, Susan Glaspell, also turned her talents to a refugee story for children — a Christmas story about two little refugee girls called "Cherished and Shared of Old."

Another trend, as was inevitable, is toward books about aviation. For years, aviation books for children talked mostly about transport planes, and played up the constructive side of aviation. Now small fry want—and are being given—books about bombers. And the books are up-to-date on their facts. For example, "Fighting Planes of the World," by Major Bernard A. Law shows the fighting planes of 15 countries as they are right now, in 1940. Part of the same trend are such books as "Uncle Sam's Navy," which offers Junior fine photographs from official United States Navy sources. Little boys who are interested in war and defense want facts.

And for the young who feel that life is real and earnest—there are the books where the young hero or heroine, struggling against odds, becomes a success by the time the last chapter is reached.

The new thing about these junior success books is that in 1940 they do not follow the old Horatio Alger pattern. There is, as ever, success on the last page, but the characters are realistic, not goody-goodies, and the obstacles the hero or heroine meets are real obstacles. They're the kind the reader himself might bump into in five or ten more years, when he is trying to reach the success held out to him on the last page of the book.

SCHOOL PUPILS GIVEN PRIZES AT INVERNESS

High School Held Annual Commencement Exercises — Students from All Grades Took Part in Varied Programme.

Inverness, Nov. 21.—The annual opening exercises of the Inverness High School were held in the upper room with a large number of parents and friends attending. The school colors of gold and purple with the patriotic colors of the flag were used in the decorations around the stage and windows. Mr. Weston Graham, Chairman of the School Board, acted as master of ceremonies for the evening. The curtains opened with everyone standing while the pupils recited The Pledge and sang "God Save the King" and "O Canada."

A children's play, "The Old Woman Who Lived in a Shoe," was presented by pupils of the elementary grades. A flower drill by girls of the intermediate and high school classes, carrying blue and red baskets filled with roses and marching to waltz time played by Marjorie Appleton drew applause. The rhythm band selections, "London Bridge" and "Mountain March," was an innovation here and received an encore. The Junior Red Cross sold candy during the intermission. The poetry of patriotism, explained by Mr. Lewis, M.A., and a portion read by pupils, proved a highly interesting item of the exercises. The pupils all appeared on the stage again for three songs, "There'll Always Be An England," with verse duet by Marjorie Appleton and Wesley Morrison, "Roll Out the Barrell" with duet by Lois and Delbert Henderson, and the "British Grenadiers."

A folk exercise "Sweet Kate," was given by several small girls, two rhythm band selections, "Twinkle, Twinkle Little Star" and "God Save the King" were rendered and a folk exercise, "The Sailor's Horn Pipe," which included hauling in the anchor, hoisting the sail, hitching and scooting, were well received.

The Chairman thanked the Odd Fellows Lodge for chairs and the Women's Institute for prizes. The presentation of prizes followed when the Chairman called the names and the teachers presented the prizes which were all War Savings Certificates.

Prizes awarded were as follows:

Citizenship awards: Mary McVetty, Very Wright and Grace Learmonth.

Improvement awards: Grade I, Lawrence Lennon; Grade II, Annie Learmonth; Grade III, Ruth Kinnear; Grade IV, Blanche Mimnaugh; Grade V, Delbert Henderson; Grade VII, Melville Mooney; Grade VIII, Evelyn Cook; Grade IX, Dorothy Mooney; Grade X, Lois Haskett; Grade XI, Eileen Henderson.

Awards for neatness: Melville Mooney and Robert McCammon.

Attendance in elementary room: Blanche Mimnaugh.

The Miss Mary MacMillan Memorial Prize presented by the Women's Institute for the greatest progress in Grade VIII arithmetic was awarded to William Mooney.

MEETING OF ANGLICAN LADIES' GUILD

The Anglican Ladies' Guild met at the Rectory with all members and two visitors present. After the devotional exercises led by the President, the Secretary read the minutes and financial statement and bills for the recent social evening were voted paid. It was decided to repeat the Christmas Drama, "The Seeking Wise Man," early in December, by the same cast with the exception of one. Refreshments were served by Mrs. Prout.

General Notes

The Euchre and "500" party, sponsored by the Roman Catholic church and held in the Court House, was a great success. About two hundred played cards when many useful prizes were won. Splendid music was enjoyed and two plays were given during the course of the evening.

HAPPY COUPLE WERE HONORED AT KIRKDALE

Over Sixty Relatives and Friends Feted Mr. and Mrs. Newton F. Doyle, of Melbourne, on Occasion of Golden Wedding Jubilee.

Kirkdale, Nov. 21.—More than sixty relatives and neighbors attended the celebration of the fiftieth wedding anniversary of Mr. and Mrs. Newton F. Doyle, of Melbourne, on Monday, November 11.

A dinner was served at noon to the assembled guests, the dining room being decorated in white and gold and the bridal table centered with a three-tiered wedding cake made by the eldest daughter of the guest-of-honor, Mrs. H. Fowler, and decorated by Mrs. L. Driver. Beautiful golden and bronze 'mums were in evidence and the table service was a set of dishes from Mrs. Doyle's former home, now owned by Mrs. A. Cross. Seated with Mr. and Mrs. Doyle were the bridesmaid of fifty years ago, Mrs. Elizabeth Doyle, and a brother, Mr. Frank N. Doyle. The waitresses, dressed in white, with yellow aprons and caps, were three granddaughters and five great-nieces. Toasts were given the guests-of-honor and short addresses were heard from several relatives.

During the afternoon visitors called and were served afternoon tea by Mrs. F. E. Davidson, over one hundred names being inscribed in the guest book, kept by Mrs. Cross. A large number were present for supper in the evening and afterwards dancing was enjoyed by old and young, as well as cards and social intercourse.

Mr. Newton Doyle is the youngest of six children born to the late William Doyle and his wife, Ann Tackaberry, of L'Avenir. He was married on November 11, 1890, to Ellen Thompson, who was born in England, and from the age of seven lived with the late Mr. and Mrs. John McDougall in L'Avenir. The marriage took place in St. George's Church, Drummondville, Rev. F. G. Scott officiating, and Mr. Doyle took his bride to the old home in L'Avenir, where they resided for twenty-four years, and where their seven children were born.

In the fall of 1914 Mr. Doyle sold his property in L'Avenir and the couple moved to the Albert Lyster farm in Kirkdale, where they lived for eleven years. Finally they purchased a small farm from the late Mrs. Wilson, in Melbourne Township, where they have made their home ever since.

Present with them on this occasion were their four sons and two daughters, one daughter, Mrs. Allen Burrill, being unable to attend. Mr. and Mrs. Doyle have sixteen grandchildren and two great-granddaughters.

Friends and relatives presented the guests-of-honor with a radio, a Coleman lamp, two upholstered rocking chairs and a purse of money, besides many other articles, these testifying to the esteem and love in which they are held in the community. Congratulatory letters and messages were received from friends in New Hampshire, Alberta, British Columbia, Drummondville, Sherbrooke and many other places.

Mrs. Doyle is in her seventy-first year and Mr. Doyle was seventy-five in September. Both are enjoying good health, and their many friends wish them many more years of happiness together.

General Notes.

Mr. and Mrs. D. D. Nixon, Mr. Ross Nixon and Miss Gladys Nixon were recent dinner guests of Mrs. Lancaster and Mr. and Mrs. Arlie Moffatt at Bethany.

Mr. and Mrs. A. B. Lyster entertained at a card party on Friday evening for the benefit of the local Scout Troop. Cards were played at ten tables and prizes went to Mrs. A. G. Cross, Mrs. William Gee, Mrs. A. T. Smith, Mr. Harold Gunter, Mr. Ambrose Lynch and Mr. James Henry Lynch. The sum of $10.85 was realized.

Mr. and Mrs. Dan Smith, of Sutton, were recent guests of Mr. and Mrs. D. D. Nixon, and while here attended the O.E.S. banquet at Danville with Mr. and Mrs. Nixon.

The Junior Women's Association members have completed their quilt and the drawing will be held soon.

INSTITUTE TO PREPARE BOXES AT MELBORO

Parcels for Milan Boys on Active Service to Be Shipped by Women's Institute.

Melboro, Nov. 21.—The regular monthly meeting of the Women's Institute was held at the home of Mrs. Guy Frank with about twenty-five members and visitors present. The president, Mrs. William McMorine, was in the chair.

After the opening exercises the roll call was answered by naming a Canadian packed food and the place of packing. The minutes of the previous session were read and adopted. The correspondence consisted of a letter of appreciation from Mr. Becker, Treasurer of the Red Cross fund campaign, for the donation of ten dollars. Further plans were made in connection with the Christmas boxes for local boys on Active Service, and names were drawn of children of pre-school age, each of whom is to receive a small gift of candy and nuts at the December meeting.

After adjournment of the meeting a delicious tea was served by the hostesses, Mrs. Frank and Mrs. Robert Kerr, at a beautifully appointed table, the decorations of centrepiece and candles being carried out in national colors.

HELD COOKING CONTEST AT MELBORO HOME

Mr. and Mrs. John Stalker opened their home one evening recently to members of the Women's Institute and neighbors for a social evening. The special feature of the evening was a cooking contest, the competitors being the Institute members.

The classes consisted of plain white cake, chocolate cake, fancy bread and doughnuts. The judges were the Misses Mamie Weed and Muriel Frazer, and the prizes were awarded as follows: Plain white cake, 1, Mrs. William McMorine; 2, Mrs. Gordon Crack. Chocolate cake; 1, Mrs. Guy Frank; 2, Mrs. Henry Fowler. Fancy bread: 1, Mrs. Leonard Driver; 2, Mrs. E. H. Nelson. Doughnuts; 1, Mrs. Leonard Driver.

The prizes consisted of chinaware, glassware, mixing bowl and other articles and were donated by the members. A drawing on a quilt netted six dollars and a sale of useful articles was held. The remainder of the evening was spent in playing "500," the winners being, ladies' first, Mrs. Henry Fowler, and consolation, Mrs. Leonard Driver, and gentlemen's first, Mr. Neil Fowler, and consolation, Mr. Joseph Weed.

A generous lunch was served to all who did full justice to the prize cooking. Total proceeds for the evening amounted to approximately $14.

PUPILS JOIN IN DEBATE AT WAY'S MILLS

Subject Is "Resolved that Country Child Has Greater Advantages than City Child."

Way's Mills, Nov. 21. — A very interesting debate was held in the senior room of the Intermediate School on Friday, November 15, with thirty-five pupils present. The subject of the debate was "Resolved that the county child has greater advantages than the city child."

The affirmative was upheld by Lorne Bryan, Gloria McDonald, Lucy Corey and Robert Holmes, and the negative by Ivan Bryan, Florence Bean, Michael Holmes and Jahala Bryan. Miss Rider acted as chairman, while Miss Perkins, Evelyn Standish and Keith Markwell were the judges. Arlene Jordan was time-keeper and each speaker was allowed three minutes and the leader of the affirmative a one-minute rebuttal. The judges decided in favor of the affirmative by a small margin.

Miss Rider thanked each member of the teams and commented on the excellent way in which each had delivered his or her points.

This was the first debate held this term and it is hoped that in the New Year another will be held with parents and friends present, when outsiders would act as judges.

General Notes.

On Sunday, November 10th, a large crowd of citizens and soldiers gathered at the Cenotaph, following the custom observed for the past twenty-two years, where the usual impressive ceremony was held in memory of soldiers who died in the Great War. The parade formed at the Legion Hall and led by the veterans and the band, proceeded to the Cenotaph, where the service was held, when the guard of honor of four veterans and two flagmen had taken up their positions. The service began with the band playing "O Canada," followed by a few remarks by the Chairman, Mr. Alden Rousseau. Rev. W. W. Smith led in prayer and a short address was given by Rev. J. O. Baron. A solo by Mr. Arthur Pratt, of Cookshire was followed by a few remarks by the Mayor, Mr. J. Palmer. Flowers and wreaths were placed on the monument by citizens and representatives of various organizations and the "Last Post" was sounded by Bugler Ernest Jamieson. The playing of "God Save the King" concluded the service.

This community was saddened by the death of an old resident in the person of Mrs. H. McLean, who passed away on Sunday morning at her home on the Cookshire road. The deceased had been in poor health for the past few months. Funeral services were held on Tuesday, Nov. 12, at her late residence and were conducted by Rev. W.W. Smith, pastor of Christ's Church, of which Mrs. McLean had been a devoted member.

Eats, Sleeps And Feels Better Than In Years! Thanks Mosby's Tonic

"I Suffered So Much I Don't See How I Ever Stood it!" Says Mrs. Mongeon—Had Splitting Headaches, Gaseous Stomach, Couldn't Sleep Right and Bowels Were Sluggish Before She Found Mosby's Tonic.

MRS. SYLVIA MONGEON, 1105 Panet Street, Montreal, P.Q., is among the thousands who publicly endorse this "new, scientific medicine," MOSBY'S TONIC. Read her sincere statement in this announcement.

Mrs. Sylvia Mongeon, 1105 Panet Street, Montreal, P.Q., is now adding her name to the long list of widely-known people who are publicly praising and endorsing MOSBY'S TONIC, which is the "splendid mixture of herbs and other medicinal agents," now being introduced to the public daily at the Chagnon Pharmacy, 11 Wellington Street North. What Mrs. Mongeon has to say about Mosby's Tonic will be read with real interest throughout this city. Following is her sincere public endorsement of Mosby's Tonic.

"Don't See How I Ever Stood Such Distress!"

"I can't even begin to describe the way I suffered for years; in fact, I don't see how I ever stood such distress!" said Mrs. Mongeon. "One of the worst things was the way my stomach would bloat with gas after my meals. Why, it just seemed like all my food would ferment and turn to gas. I had splitting headaches and was so nervous with suffering that I couldn't sleep right at night and just felt tired and worn out continually. My bowels were sluggish and inactive, and I believe this caused my system to fill up with poisons and I surely felt like I was only half-living.

Surprised at Relief She Got From Mosby's Tonic

"Oh! I tell you, I certainly had my share of suffering and ill-health. I did everything I knew to do, without relief, so you can imagine how discouraged I was. Then finally I read so much about Mosby's Tonic that I got it and started taking it. Now I am overjoyed at the results. The medicine relieved my gas and bloating, and now my food digests properly instead of turning sour and fermenting like it did. It also helped my nerves and I can go to bed and sleep a full night. Another thing, this medicine also has a splendid laxative action on person's bowels and gives them a fine cleansing and regulating. In short, I eat, sleep and feel better than IN YEARS since I took Mosby's Tonic, and I am so grateful to this medicine that I want to give you my statement and publicly endorse it to others who suffer as I did."

BABY HAS MORE TEETH THAN YOU

says Mary Blake

Yes, even a *day-old* baby. Two full sets—baby-teeth waiting to come through, *permanent* teeth lining up behind them. Mother's diet before baby arrives *starts* the building of those teeth; baby's food carries it on. That's why *both* need foods that are rich in lime and phosphorus, *and in "sunshine" vitamin D.*

Irradiated Carnation Milk is a splendid source of lime, phosphorus, vitamin D. That's *one* reason so many baby specialists prescribe it. Other reasons are its sterile safety, its uniformity, its convenience in preparing baby's feedings, its economy, and above all its greater digestibility.

Of course you don't have to have a baby to use Carnation Milk. Because it is double-rich, smooth, creamy it does a wonderful job in cooking, and saves money on the table when used in place of cream.

Learn more about Irradiated Carnation Milk. Order several cans from your grocer. Try it just as it comes from the can in coffee and on cereals. Dilute it for recipes calling for milk. And get these Carnation books. "Your Contented Baby" is free. The big, colourful Carnation Cook Book is 15¢ (postpaid). Carnation Company, Limited, Toronto, Ontario.

COWANSVILLE SCHOOL HEAD GIVES ADDRESS

A. D. G. Arthurs, M.A., Special Speaker at United Church Service Marking Close of Education Week.

Cowansville, Nov. 21.—A very fitting and inspiring climax to the observance of Education Week in this place was the service in Emmanuel United Church on Sunday morning, November 17, when Trinity Church very courteously cancelled their service so that all might be free to participate.

The address was given by Principal A. D. G. Arthurs, M.A., who based his remarks on the concluding words of a poem, "The Child is Father of the Man."

"From this poem, said the speaker, arises the questions, "what shall we teach the children? what has the most value from the view-point of the child? and of the community in which he lives? "When we speak of values, of human values, we are then in the field of the philosophy of religion, so the church and the school are intimately related to each other and to the home," he said.

"At birth," the speaker pointed out, "the child does not know what is right or wrong, but does bring with it instinctive race habits which have been built into the fabric of the nervous system of the human race down the ages. But all children are not born equal with respect to the qualities passed on to them by their parents, nor are the opportunities open to all children the same."

Mr. Arthurs described a child's development as two-fold, physical and mental, and said neither could be neglected except at the expense of the other.

For example, he explained, more people are unhappy because of someone's bad temper than are unhappy because of having valuables stolen from them, yet the former condition may be only the result of faulty digestion.

Among the things considered basic for a child's development the speaker mentioned the social customs of his community, how to earn a living, and the basic knowledge which the human race has developed down through the ages.

The curriculum in the school by which he is taught is being changed as time goes in an effort to better meet his needs. But there are some things that the children needed to be taught to them all down the ages, chief of which are principles and attitudes to life, for as the child is trained so will the man behave.

"Perfection of self," he said, "should not be an end in itself but only a means of being of more help and service to our community for it has been found that happiness come as a by-product of the consciousness of being needed."

"One of the greatest needs," he concluded, "is for people who are tolerant and helpful in the everyday contacts. Then the time will come when the child could be the father of a man who would find that he lived in a world at peace with itself, a world in which he could live with pride and be happy."

Pupils of the school formed the choir and Clifford Johnston, of the R. C. A. F., presided at the organ. Special musical numbers were a solo, "This Is My Task," by Betty Henry, and a quartette, "Into the Heart of the Wildwood," by Beverly Bowles, Donna Isaacs, Christine Laurie and Joyce Lickfold.

The Scripture lesson was read by Joyce Cassidy, who also led the responsive reading. Lionel Cunningham led in prayer. The ushers were James Montle, Ronald Vail, Alfred Foster and Jack Barker.

Dr. Boyd led in prayer and Rev. J. Peacock pronounced the benediction. The National Anthem was sung.

Principal Arthurs reviewed the activities of Education Week, which included a Visitors' Day with moving pictures, a very fine display of art specimens done by the pupils from grades II to X and arranged in The Hub store windows by Miss G. Shufelt, Mrs. Bibby and Miss Phelps, an issue of the school magazine under the direction of Mrs. B. McClatchie and Miss MacIntosh and the church service arranged by Miss J. Roy, Miss Brouillette and Mr. Arthurs.

MUSICAL HOUR ENJOYED

A very fine musical appreciation hour was furnished by Rev. Charles Dawes, of Monlinette, Ont., in the parlors of the United Church under the auspices of the Young People's Union.

Rev. Mr. Dawes is a master in the art of interpreting music in all its different phases and styles, popular, classical and sacred.

He traced the origin and development of the different musical instruments from the time primitive man stretched an animal skin over a barrel, or its equivalent, producing the first drum-like instrument, down to the present.

The second half of the programme was devoted to the singing of well-known hymns, in which all joined.

Mr. David Christie expressed the thanks of the Y. P. U. to Mr. Dawes for his kindness in giving his time and talent for the benefit of the Society.

The devotional period was conducted by Miss Suzy Stowe and Miss Beryl Henry.

There was a very large audience, including friends from East Farnham, Stanbridge East and Brigham. Refreshments were served.

SOLDIERS COMFORT CLUB MEETS

The regular meeting of the Soldiers' Comfort Club was held at the home of Mrs. Homer Hauver, with twenty members present. The President, Mrs. G. Scott, presided.

The Treasurer reported that a gift of $10 had been received from a group of children on William Street who had carried out a series of entertainments during the summer months. Among those taking part were Gail and Tannis Hauver, Frances and Joan Ingalls, Mary Dunn and Mary Bonnette. This contribution was gratefully acknowledged. A gift of $5 was received from a group of workers at Fordyce Corner for the benefit of the Club.

It was requested that all scarves being knit be returned as soon as possible.

Refreshments were served by the hostess.

General Notes.

Congratulations are extended Mrs. Mandigo, who celebrated her eighty-seventh birthday on Sunday. Mrs. Mandigo is particularly active and takes an interest in all the present-day happenings.

Ptes. Elwin Stowe and Norman Brock, of Toronto, spent a day at their homes.

Mr. Forster has rented Mr. F. E. Laver's house on William Street and will take possession shortly.

ULVERTON

A meeting was held in the Town Hall to organize a campaign for the sale of War Savings Stamps and Certificates. Rev. A. W. Seaton acted as Chairman of the meeting and Mr. A. P. Kerr as Secretary. After a discussion it was decided that a committee be formed to carry on the work, this resulting in the appointment of the following: Rev. A. W. Seaton, President; Mr. A. P. Kerr, Secretary; Mr. J. Gordon Smith, Mr. R. A. Montague, Rev. H. C. Denton, Mr. D. D. Nixon, Mr. A. J. Lyster, Mr. K. J. Armstrong, Mr. M. D. Lynch, Mr. Bichard and Mr. R. T. Husk.

All friends of Mrs. F. E. Doyle, who is a patient in Ward "O", of the Montreal General Hospital, are pleased to know that she is improving after a serious operation.

Preparations are being made by the Young People's Society for an entertainment to be held in the near future.

Mrs. W. G. Lofft spent a recent week-end in Drummondville with Mr. and Mrs. G. Botting and Miss Nancy Lofft.

Mr. Ernest Doyle attended the golden wedding anniversary of Mr. and Mrs. Newton Doyle in Melbourne on Monday, November 11th.

Mrs. George Norris accompanied her niece, Mrs. Birchmore, of Halifax, to Montreal and visited Mrs. F. E. Doyle in the hospital.

Miss Dora Davidson, Mr. Elmer Davidson, Miss Nellie Waterhouse, Mr. Arnold Malette, Mr. Leo Mooney, Miss Doris Davidson and Miss Thelma Findlay attended the chicken pie supper at the home of Mr. and Mrs. Alfred Davidson at Davidson Hill.

Private Gordon Whybrow, of the Forestry Corps, Valcartier, spent the week-end with Mr. and Mrs. W. G. Lofft and family, and was also a guest at the home of Mr. and Mrs. Clifford Johnston and family.

HIGH SCHOOL COMMENCEMENT AT SCOTSTOWN

Principal's Report, Excellent Programme by Pupils and Presentation of Prizes Featured Annual Opening Exercises.

Scotstown, Que., Nov. 21.—St. Andrew's Hall was filled to capacity on the occasion of the opening of the local High School at which the prizes merited during the preceding session were presented and an excellent programme was furnished by pupils of the various grades. C. H. Bradford, B. A., Principal of the School, gave a concise report of school activities during the past year and stressed the importance of education. He stated that one of the tasks facing schools today, is to prepare children to guard our high ideals, not only by fighting and bloodshed, but by moral and psychological training and added that our system of Government is the finest in the world. "Our Empire stands for uprightness, truth and honesty," he said, "and it is the duty of education to create in the child an attitude towards the right and just." Mr. Bradford commended the School Board for the purchase of a film sound projector and other educational equipment.

He also expressed appreciation of the interest shown in the school by the Women's Institute, who would aid in the purchase of the projector. The W. I. sponsored the Schol Fair, and during the winter made it possible for children to have hot soup with their lunch. Acknowledgment was made to Mrs. H. A. Scarth, who kindly gives of her time so that the pupils may have a better and a keener appreciation of music. In closing, Mr. Bradford impressed upon the parents the need for co-operation between teachers and parents. This spirit of co-operation has already been manifested in the form of a contribution of $10 to the Red Cross Campaign and a donation of $14.75 to the Junior Red Cross to assist in the purchase of a war ambulance.

The programme opened with the singing of "O Canada," and "There'll Always Be an England," followed by several choruses by a group of girls with Mrs. Scarth as accompanist. Validictory was read by Ruth MacDonald; recitation, "The Small Dressmaker," Helen Robida; piano duet, by Pauline Goodin and Dorothy MacLeod; recitation, "How to Spell Cat," by Anna MacLennan and Gerry Ladd; comedy skit, by Wanye MacAulay, Kenneth Haskell and Frances Gillander; recitation, "When Father Carves the Duck," by Lois MacKenzie; vocal duet, "Good Luck to the Boys of the Allies," by Cuyla MacAulay and Kathleen Morrison with Miss Anne MacAulay as accompanist; recitation in costume, "The Fairies Went A-Marketing," by Dorothy Taylor, Ann Goodin Iris MacLeod and Loreen Doherty; short play, "The Magic Candlestick," by Jean Wittingham, Sylvia Parsons, Buddy Elger, Dan Smith, John I. MacAulay and Edward Nicholson; recitation, "Little Baptiste," by Donna Boy, assisted by Wayne MacAulay; group of songs by girls in Grades III, IV and V, accompanied by Miss Irene Abraham; play, "Michael," pupils in Grade XI. Following the play, John Scarth extended a vote of thanks to Mrs. Dewar Scott for her kindly assistance with the play.

The prizes, which consisted of War Savings Stamps, were presented by Dr. C. M. Smith, Chairman of the School Board, as follows:

Grade XI.—1 Ruth MacDonald, 2 Evelyn Nicholson.

Grade X.—1 Jean MacKenzie, 2 Hazel Murray.

Grade IX.—1 Ernest MacIver, 2 John MacIver.

"Never, in the field of human conflict was so much owed by so many to so few."

Three Canadian fighter squadrons already in the thick of it. The Royal Canadian Air Force, with 25,000 officers and men to take up the task so gallantly begun.....6,000 in training under the Commonwealth Plan—2,000 more to be enlisted almost at once.

Faster...faster the wheels of industry turn to provide the machines so urgently needed now. Orders for aircraft, totalling $100,000,000 already placed. More coming.....

The price of freedom comes high.....in lives, in personal sacrifice.....in hard cold dollars. Canadians gladly pay that price.

At this proud hour it is the plain duty of every working Canadian to **save,** that he may be prepared to lend his savings to the nation when the call for money comes. For come it will if Canada is to play her part worthily in this struggle for freedom and human decency.

Build up your savings **now**..... Keep at it.

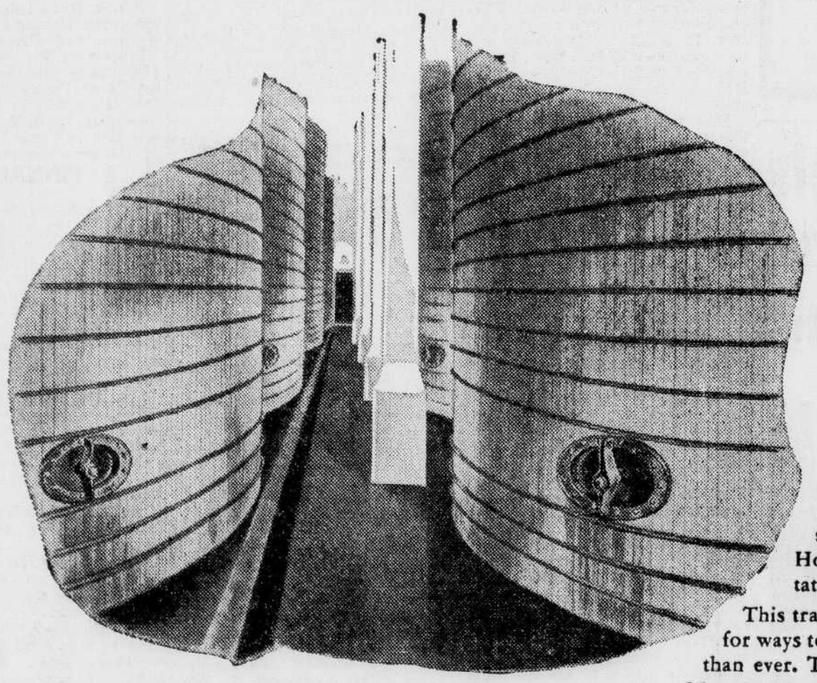
A statement by the makers of Canada's Finest Ale

What we mean by a Mellow Ale



In one important respect fine ale is like fine champagne. You wouldn't think of buying "1940 Vintage" champagne now. It would taste raw and immature. Nature must be given time to "mellow" champagne : : : time to bring out all its glorious natural flavour.

Ale, too, must "mellow" if it is to reach the peak of its goodness. That is why every bottle of Black Horse Ale now bears a special seal guaranteeing that it is "Aged and Mellow". Look for this new seal — it is your guide to a mellow ale. After brewing, Black Horse Ale is stored in huge wooden vats : : : vats far taller than the famous Black Horses themselves. In these vats, the ale slowly and carefully matures. That is why today Black Horse Ale is never green and never too bitter.

It is given abundant time to develop all the fine, distinctive mellowness that has made Black Horse Ale internationally famous. Nothing can take the place of this patient, thorough maturing in creating a truly mellow ale.

* * *

There is a tradition behind Black Horse Ale — and it's been upheld by five generations of brewing skill. It is a tradition that Black Horse Ale will always justify its reputation as Canada's Finest Ale.

This tradition has meant a constant search for ways to make Black Horse Ale even better than ever. That's why the Black Horse Ale of 25 years ago was far better than the Black Horse Ale of 50 years ago. And that's why today's Black Horse Ale is finer than that of any other year in its history.

If you haven't tried Black Horse lately, you have a delicious treat in store. Notice its golden-light colour — clear as crystal. And, notice its *flavour* : : : smooth and wonderfully *mellow!* There has been no change, however, in the robust body of Black Horse Ale. It's as bracing and stimulating as always.

Don't miss it any longer! Today — treat yourself to *mellow* Black Horse — more than ever before, Canada's Finest Ale!

Painful, Pus Filled Boils the Cause of Much Misery

If you suffer from boils you know how sick and miserable they made you feel.
Boils are an outward indication of impurities in the system, and just when you think you are rid of one another crops up to take its place and prolong your misery. All the lancing and poulticing you can do may not stop more coming.
To help overcome boils you should purify the blood, so why not give that old, reliable blood medicine, Burdock Blood Bitters, a chance to show what it will do in helping you get rid of them? Thousands have used it for this purpose for the past 60 years. Why not you?

MRS T. E. DAVIDSON, OF NORTH TROY, VT., FORMERLY OF MELBOURNE RIDGE

North Troy, Vt., Nov. 21. — The death of Clara Estella Smith, wife of Thomas E. Davidson, occurred early Wednesday morning, November 13th, at her home in North Troy, Vt., at the age of fifty-six years following a long illness.

Mrs. Davidson was born at West Ely and after her marriage lived a number of years in Newport, Vt., and Melbourne Ridge, where many relatives and friends mourn her passing.

Besides her husband, Mrs. Davidson is survived by three daughters, Leona, Mrs. Forest Jones; Ethelyn, Mrs. M. McDonald, and Edwarda; and one son, Earl; her aged mother, Mrs. William Smith, of Melbourne Ridge; three sisters, Mrs. J. S. Davidson, of Melbourne Ridge; Mrs. Topp, of Regina, Sask., and Mrs. Beauregard, of Ottawa, and three brothers, C. H. Smith, of Melbourne Ridge; William and Gordon Smith, of North Troy, Vt.

The funeral was held on Saturday, November 10th, at the late residence in North Troy, Vt., with burial in the family lot at Newport, Vt.

MR. ALBERT BERWICK, OF BURY.

Bury, Nov. 21. — The passing of Mr. Albert Berwick on Friday afternoon, November 1st, cast a gloom over the entire community in which he was held in greatest esteem. Although not in the best of health for some time, Mr. Berwick's passing, after only a few days' illness, came as a great shock to his family and friends.

The funeral service was held on Monday afternoon, November 4th, and was largely attended. Prayers were said at the house by Rev. Stewart, of Bury, who also conducted the service in Grace United Church, Brookbury. The hymns sung were: "Not As I Will," "Some Glad Sweet Day," and "Now the Labourer's Task Is O'er." There were many beautiful floral tributes, testifying to the esteem in which the deceased was held.

The bearers were six grandsons of the deceased, Messrs. Howard Ward, Gordon Coates, Bruce Hooker, Cedric Jenkerson and Raymond and Ernest Berwick.

The remains were laid to rest in the United Church cemetery in Brookbury.

Mr. Berwick was born in Bury on March 28th, 1851. In 1877 he married Betsy Jane Berwick, also of Bury, where the deceased had always resided. The last twenty-seven years of his life were spent with his son, Charles.

He was a kind neighbour, an honest and upright man and a beloved husband and father, and will be greatly missed in the community.

In addition to his widow he is survived by four sons, Charles and Edward, of Bury, Wallace, of Miniota, Man., and Lewellyn, also of Miniota, Man., and five daughters, Violetta, Mrs. James Ward, Stella, Mrs. Samuel Coates, Hilda, Mrs. Lloyd Hooker, Marjorie, Mrs. Robert Jenkerson, all of Bury, and Birdie, Mrs. Archie Sanderson, of China, Me. One daughter, Minnie, Mrs. Rufus Coates, of Bury, predeceased her father. He is also survived by thirty-eight grandchildren, thirty-one great-grandchildren, and four great-great-grandchildren.

Those attending the service from a distance included Miss Elsie Coates, R.N., of Montreal, Messrs. Rufus and Gordon Coates, of Abbotsford, and Howard Ward and Earl Lasenba, of The Royal Rifles, Sussex, N.B., Mr. and Mrs. Nelson Ward and Mrs. John Clark, of Bishopton, Messrs. Raymond and Earnest Berwick, of Sawyerville, and George Berwick, of Maple Leaf, Mr. and Mrs. Arthur Sylvestre and Clayton and Mrs. George Ward, of Crossbury, and many other friends and relatives.

The sympathy of the community is extended to the bereaved family.

MR. DANIEL LUNNIE, INVERNESS

Inverness, Nov. 21. — This community was sadden to learn of the death of a well-known resident of this place in the person of Daniel Lunnie, who passed away at the age of 72 years at his home on Saturday, November 2nd, after a prolonged illness.

Mr. Lunnie was born on April 28, 1868 in Southern Ireland, the son of the late Daniel Lunnie and his wife, May Johnston.

On September 14th, 1910, he married Sarah M. E. Burke, of South Ireland, and of this union four children were born.

Mr. Lunnie with his family moved to Inverness about twenty-five years ago, where he has resided ever since. During his illness he was cared for by his wife and children.

He leaves to mourn his loss, besides his widow, one son, William, who resides at home; two daughters, Mrs. Allan Little, (Iris), of Inverness, and Mrs. Bruce Clifford (Laura), of Hepworth, Ont.; two sons-in-law; three grandchildren; one brother, Thomas Lunnie, of Inverness, and one sister, Mrs. M. C. McKenna, of Haverhill, Mass., besides several nieces and nephews.

Prayers were conducted at the house by Rev. N. D. Pilcher. The funeral cortege proceeded to Maple Grove where services were held in the church by Rev. N. D. Pilcher, assisted by Rev. M. H. Seeley, of Thetford Mines. Hymns rendered were "Safe in the Arms of Jesus," "Abide with Me," and "Peace Perfect Peace," with Mrs. Albert Nugent presiding at the organ.

Interment took place in Holy Trinity Cemetery by the side of his son, Milam, who predeceased him nineteen years ago.

Bearers were James Henderson, John Robinson, Harry Little, Albert Little, Fred Davidson and Richard Wright, all friends of the deceased.

The beautiful floral tributes bore silent testimony of the high esteem in which the deceased was held.

WESLEY W. REED, NORTH HATLEY.

North Hatley, Nov. 20.—The funeral of Wesley Wilder Reed, who died in a Montreal Hospital on November 1st, following a stroke, was held at the Universalist Church, North Hatley, on Sunday afternoon, November 3rd. The crowded church testified to the esteem in which the deceased was held. The service was conducted by Rev. R. L. Weis, the choir singing "Abide With Me" and "O for the Peace That Floweth as a River." Interment was in the North Hatley Cemetery, the bearers being Messrs. Clifford, Ronald, Percy, Ashley and Carl Reed and Harold Hawse, all nephews of Mr. Reed.

Mr. Reed was born in Hatley on April 24th, 1861, the son of the late Wilder Pierce Reed and Elmira (Bean) Reed. For almost his entire life he was in the lumber industry and for many years operated a saw mill in Reedsville. He also ran a creamery for some time. He played an active part in the affairs of the town of Hatley, and served for a number of years as Mayor and Councillor.

Mr. Reed was widely known throughout Stanstead County. Although not one of the first generation to live in Hatley, he may be called one of the pioneers, for he cleared forests, erected buildings and did many other things which are associated with the early settlers of a town.

Mr. Reed was twice married. His first wife was Lydia Emile Hawse who died on February 18th, 1935. On June 1, 1939, he married Mrs. Lillian Swailes, of East Hatley, who survives. Other survivors include three brothers, Thomas Vernon and James Bert Reed, of North Hatley, and George H. Reed, of Matane; a sister, Permilla, Mrs. Jay Turner, of Beebe, and a number of nephews and nieces. In addition to his parents and his first wife, he was predeceased by two brothers, Cheney M. and Ashley E. Reed, and a sister, Alice Almira Reed.

Out-of-town mourners included E. A. Hodges, Mrs. W. McClary, Mrs. Irving Haines, Benjamin and Carl Corey, Marion and Rose Corey, of Hatley; Mr. and Mrs. Harry Wilson, of Rock Island; Mr. and Mrs. J. H. Turner, of Beebe; Irving Corey, of Beebe, and Mr. and Mrs. Philip Scowen, of East Angus, and others.

After inspecting the latest publicity photogaprh of Herr Hitler we must in fairness admit that he is the only man in the world who can strut sitting down.

BUGBEE BUSINESS COLLEGE

The first issue of the "One Lung" as a Bugbee Business College Literary Society publication met with a most encouraging reception when it came out on Friday last. The issue of 125 copies was completely sold out within fifteen minutes and almost as many more could have been disposed of. At the regular meeting held on Friday afternoon the Editor made encouraging comments on this first issue. Weekly issues will be made available until Christmas. The programme at the last meeting consisted of a spelling match conducted by the stenography teacher, Miss Roxie McFadyen, this proving both entertaining and instructive. The order for B.B.C. pins and rings was sent to Birks' this past week and should be filled by December 1st.

Eddy Chamandy spent the week-end with his parents in Montreal.

Bernie Brock, who is an enthusiastic amateur photographer, is rapidly reaching the state of a professional. Recently he installed in his studio at Judd's Mills a machine which is the "last word" in photography equipment.

Mr. J. D. McFadyen and his niece, Miss Roxie McFadyen, were guests of Mrs. Fred Williams in Sherbrooke on Sunday. They were accompanied by Miss Betty Hall and Lorne Campbell. While in Sherbrooke Mr. McFadyen delivered the sermon in Trinity United Church at both morning and evening services.

Extensive preparations are being made for "International Night" at Stanstead College. A fine programme is anticipated.

IRON HILL

The Iron Hill group of the Iron Hill-Brome Centre branch of the Red Cross Society entertained at the regular meeting at the Parish Hall of Holy Trinity Church with a large attendance. Mrs. D. B. Taylor presided. Knitted articles and refugee sewing were brought in and plans were made for a card party for this branch to be held in the parish hall on Friday evening, November 22. Refreshments were served at the close of the meeting.

Human beings are capable of thinking and laughing; no other animal is able to do either.

DUTTON HAULS OUT "KEEP PUNCHING" SIGN

Amerks Lose Two Aces On Eve Of Leaf Clash

Goalie Earl Robinson Out for One Game and Defenceman Pete Slobodian for Month as Result of Injuries in Game Against Rangers—Canadiens, Bolstered by Jack Portland, Seek First Victory in Detroit—Boston at Chicago.

From a distance, one can almost picture Red Dutton brushing off the blackboard in the New York Americans' dressing room. If things keep up, Red might need his famous old slogan: "Keep Punching, Boys!"

The Americans' hated city rivals, the Rangers, gave the Duttoneers a 3-2 beating Tuesday night, and yesterday the doctors gave Red an even worse mauling by telling him he had lost goalie Earl Robertson for one game at least and defenceman Pete Slobodian for a month.

The losses hit Dutton just when he needed the players most—on the eve of the season's first engagement against the happy warriors of Happy Day, whose Toronto Maple Leafs are flying high in front of the National Hockey League. They play at New York tonight in one part of the three-game programme.

The Rangers-American clash was anything but a tea party. Robertson suffered a bruised shoulder and Slobodian a fractured cheekbone while the Rangers' Dutch Hiller had a bad ankle cut and Art Coulter a fractured shoulder bone. Coulter also will be out of the game for a month.

In the crisis, Dutton had to call on a raw rookie to fill Robertson's place. Charlie Rayner, who starred with Kenora's amateur Thistles last season, will be brought up from Eddie Shore's Springfield club, and Hooley Smith will fill out the defence.

The Leafs are rolling on four straight victories, with a one-point edge on the surprising Detroit Red Wings who are at home to Montreal Canadiens tonight and a two-point edge on Chicago Black Hawks, who entertain Boston Bruins.

The Bruins and Canadiens still are the league's only winless clubs. Their defences have been reeling in the early games and Boston could not protect a 4-2 lead against the Red Wings in the third period last night. Their third-period wilting in two straight games, including a 4-2 loss to Toronto Sunday night, indicates the Bruin powerhouse hasn't yet the staying power and late speed of the lighter clubs.

The Canadiens will have big Jack Portland in uniform tonight to aid their back door. Purchased from Chicago last week, Portland's experience may give Bert Gardiner in the Canadien goal some measure of protection.

Certain it is that he needs it. The opposition has fired eighteen goals against the Canadiens in five games.

IRISH RETAIN INTER-CHURCH BOWLING LEAD

St. Pat's Holds Top Although Spilled by St. Peter's—Second-Place St. Andrew's Five Downs Trinity.

Although beaten in all three strings by St. Peter's, "Tat" Olivier's St. Pat's team is still setting the pace in the Inter-Church Five Pin Bowling League, with sixteen wins and only five losses in twenty-one strings.

Second position is held by St. Andrew's, who downed Trinity, two strings to one, on the same programme. The Kilties have thirteen victories and eight defeats in twenty-one strings.

St .Peter's had one of their better nights against the Irish, and with Cecil Shufelt setting the pace went right to town. Shufelt hit off a single of 318 and an aggregate of 794. His aggregate was the night's best, while Alf King, of Trinity, trundled the high single, 322.

Mr. Percy E. Coyle left recently for Three Rivers, where he has obtained a position.

Miss A. R. McKelvey spent the week-end at her home in Cherry River.

The Misses L. A. and M. E. Woolfrey, of Montreal, were week-end guests at the home of Mr. and Mrs. W. L. Bagley.

Mr. Douglas George, of St. Paul, spent Sunday here with his family.

Miss Audrey George, nurse-in-training at the Sherbrooke Hospital, is spending some time at her home here recuperating from an operation.

Miss Thelma Leonard is a guest of her mother, Mrs. R. H. Coyle, and Mr. Coyle.

Mr. William George has returned from Lennoxville, where he was a guest of Major and Mrs. Dwight C. George and family.

Mr. William Fowler, of Norbestos, visited at his home here for the week-end.

Mr. I. W. Jones, of Asbestos, was a recent guest of Mr. and Mrs. W. L. Bagley. Other guests at the same home were Mr. J. O. Jacques and daughters, Ann and Janet, of South Durham.

Mr. and Mrs. Walter L. Bagley were guests of Mr. and Mrs. L. L. Gale.

Miss Jeannine Mercier, who was a guest of Miss Barbara George, is now visiting friends in Asbestos.

Rev. George Robins held a service at the home of Mr. and Mrs. W. L. Bagley on Sunday afternoon.

In Sporting Vein

By Allan Bryce.

"Here I am in good old Ottawa for the winter. You'd be surprised at the (hockey) team we have here, and if we keep on getting any more former Red Raiders we may have to call the team the Air Force Red Raiders."

As you may have guessed, this is from none other than popular Henry "Guidoo" Roy, now a sergeant in the Royal Canadian Air Force and stationed at Uplands, Ottawa. Judging from the tone of his letter, "Guidoo" is happy as a lark. He writes that the Air Force team is in the Ottawa Senior City League and doing not too badly. In their first game the fliers held Hull's speedy Volants to a 4-4 deadlock.

* * *

"Guidoo" made the suggestion that they be called the Red Raiders because in addition to himself on the wing, they have big Johnny Frenette on defence and Red Ryan up fornt. "Guidoo" says Charlie Tourville and Gerry Philbin are expected at any moment, as well as Billy Gordon, of this city.

It is possible "Guidoo's" team will play in Sherbrooke in the near future. He writes that he has contacted officials of the local intermediates regarding the possibility of an exhibition game here. "I'm not doing too badly," the ex-Raider writes. "It's just like school days—study all the time—and I'm studying more here than I ever did at school."

* * *

There will be one more football game here before the football season ends. Saturday afternoon the Y.M.C.A. team will receive an outfit from Quebec, and will be going all-out to chalk up a victory and close the campaign with a bang. Sam Lipin is not sure just what Quebec team it will be, but claims it will be either St. Pat's High School or Quebec All-Stars.

* * *

According to Albert Reid, the Canadian Amateur Hockey Association will make a pronouncement regarding Russ Blinco's application for reinstatement as an amateur some time this coming week-end. Russ, now preparing to coach the Richmond entry in the Eastern Townships Intermediate League, would be able to give his boys the benefit of his experience if he is allowed to get out on the ice with them, and would quickly show Eastern Townships fans that he has plenty of goals left in his system.

* * *

A. W. Reid, Russ Blinco, M. T. Stenson, Gerald Wiggett and Dr. A. N. Dupuis have banded together as a committee to assist Active Service soldiers in city and district to work up hockey teams and will pay particular attention to the providing of equipment for the men. They have already started work for the Sherbrooke Fusilier Regiment, the Air Force School at Windsor Mills and the Training Camp.

* * *

The new scheme for a Board of Referees, which has been put into practice in Montreal, will not be extended to this district until it has proved to be successful, Mr. Reid says. The whistle-tooters in the metropolis are going to be given lectures and demonstrations of various plays. This coming Saturday afternoon Bill Stewart, N.H.L. referee and former manager of Chicago Black Hawks, is giving a lecture, and it is understood one or two local referees will sit in on the session.

* * *

Everything points to a red-hot season in the Eastern Townships Intermediate League. With Peterson and Harris at Richmond, Bastarache, Dugre, Leroux and Cormier at Sherbrooke, and Pat King and Dallas Grant certain to come up with some crack players at East Angus and Windsor Mills, it looks as if there will be some merry old games in the Arena this winter. And don't for a minute count the Sherbrooke Fusilier Regiment, C.A.S.F., out. Brendan Veilleux, Doug Bradley and Eddie Burke are hockey players who can hold their own in any company.

* * *

Russ Blinco is afraid he will not be able to do much playing this winter, at least until much later in the season. He was asked by Roger Cormier to play for Sherbrooke, and told Roger that he could not accept because he would not be able to be sure of always turning up for practices and games because of his business duties. However, he was unable to resist the temptation to coach again this winter, and succumbed to a bid from Richmond. It is to be hoped that Russ will don the blades for his team later in the winter, because all fans will be anxious to see him play.

* * *

Only the Golden Gloves tournaments indulged in by amateur boxers could hope to approach the programme to be staged in the Belvidere Street Armory on Saturday night from the point of view of quantity. No less than eight bouts and a battle royal are on the card. This should be better than bargain night. It is believed the Armory will be packed to the rafters by fans anxious to help the Sherbrooke Fusilier Regiment, C.A.S.F., and, at the same time, to witness the parade of gladiators. Names like Ray Letourneau, K.O. Boisvert, Willie Dufault, Wildcat Petit and Art Goodhue are bound to pack them in.

Remember When?

University of Toronto won their second consecutive intercollegiate rugby title at Toronto seven years ago today when they defeated Queen's 10-3 in a playoff. The teams had finished the regular season in a tie. Jack Sinclair, Toronto backfielder, was the star of the game.

Cormier Should Prove Ideal Coach For Local Intermediate Loop Team

Handling the coaching reins for Sherbrooke in the Eastern Townships Intermediate Hockey League, Roger Cormier will be able to give his players the benefit of his many years of hockey experience. With eighteen years of big-time competitive play behind him, Roger knows all the tricks by this time and should be able to work up a strong squad to compete against Windsor Mills, East Angus, Richmond and the Sherbrooke Fusilier Regiment, C.A.S.F.

Roger will be seen in the role of playing coach, and will be a mighty valuable man to finish off power plays with his explosion shot from right wing, and to help defend his team's nets when the locals are short-handed because of penalties.

His playing career was really started when he performed for the famous St. Francois Xavier intermediate of Montreal. Turning professional with Montreal Canadiens in the days Howie Morenz and Co. were at their peak, Roger was sent to Providence and spent six seasons there.

Cormier

From Providenc Cormier went t Cleveland, and tw years later shifte over to Rochester until in 1936 h quit the profession al game.

Reinstated as an amateur, Cormier came to Sherbrooke and was a star on the Red Raider team that won the Provincial Hockey League championship. He stayed with the locals for three years and was well worth his salt.

Since he arrived in Sherbrooke, Cormier has displayed a keen interest in young players, and was never too busy to get out on the ice with them and help them out all he could. Two years ago he coached the Sherbrooke team in the Eastern Townships Intermediate League, and also took a whirl at handling the Red Raiders for a stretch between the resignation of Archie Wilcox and the acquisition of Clint Benedict.

RUNAWAY RACES CONTINUING IN AMERICAN LOOP

Springfield and Cleveland Have Tasted Only One Defeat Each Since Start of Season—Thurrier Indians' Ace.

Early as the sesason is, Springfield Indians and Cleveland Barons already are threatening to stage runaway races in their respective divisions in the American Hockey League.

Both the Barons and the Indians have tasted only one defeat. Springfield is leading the Eastern section with a record of five victories and three draws in nine starts while Cleveland has won six of their seven games in the Western section.

Both clubs enhanced their records in last night's games. The Indians defeated Pittsburgh, 2-1, while the Barons turned in a 4-3 victory over New Haven. In the only other game, Hershey played a 5-5 tie with Philadelphia.

Cleveland went into overtime at home to defeat New Haven, second-place club in the Eastern section. Jake Milford's goal nine seconds after the start of the extra session broke a 3-3 deadlock and gave them the victory.

Cleveland had run up a 3-1 lead in the first period on goals by Deslilets, Adolph and Summerhill against one by Peggy O'Neil, of New Haven. The Eagles got goals from O'Neil in the second period and Mancuso in the third, however, to force the tie at the end of regulation time.

At Pittsburgh meanwhile, the visiting Springfield squad took a one-goal lead in the second period when Len Halldorson scored on a pass from Lloyd Finkbeiner. Freddie Thurrier made it 2-0 unassisted in the third period, while Eddie Convey averted a shut-out for the Hornets with only two seconds of play remaining.

Hershey Bears moved into undisputed possession of second place in the Western section by coming from behind at Philadelphia to force a tie with the Ramblers, tied for last place in the Eastern section. The Bears rammed in two goals in the second period and two more in third to overcome their 3-1 first period deficit.

The Ramblers' scorers were Lude Wareing, Bob McCully, Ab Collings and Stan Smith, who bagged a pair of tallies. For Hershey, Gordon Bruce, Howie Mackie, Roger Jenkins, Gordon Pettinger and Bobby Kirk each tallied.

FLANDERS

Miss Mabel Nourse, of Pigeon Hill, was a recent week-end guest at her home here.

Mr. and Mrs. Lloyd French were recent Sunday guests of Mr. and Mrs. Lawrence Mackay, of Sawyerville.

Miss Elena French spent a day with her cousin, Mrs. Carl Bailey, and Mr. Bailey, in Sawyerville.

Mrs. A. G. Hurd, of Sawyerville, and Ptes. Donald Robinson and Eric Hurd, of the Canadian Forestry Corps, C.A.S.F., were dinner guests at the home of Mr. and Mrs. Lloyd French.

NEW CLEVELAND MANAGER SITS IN ON SESSION

President of Indians Sets Example in Inviting Roger Peckinpaugh to Attend Meeting of Club's Business Heads.

Alva Bradley no doubt was trying to set an example when he invited Roger Peckinpaugh to the luncheon at which it was announced that the old shortstop would manage the Cleveland club. Bradley would like the Indians to let Peck attend their meetings in 1941.

Larry MacPhail will pay for Kirby Higbe out of the advance ticket sale. With ducats for Brooklyn's home games being peddled under a group plan, the sale already has hit the $50,000 mark. It is expected to reach $100,000, the price of Pitcher Higbe, long before February 1, when the advance group sale ends.

Hank Greenberg, Jimmy Foxx and Joe DiMaggio can't find anything misleading about the title of their circuit's latest moving picture. It is titled "Batting Around the American League." They've been doing that for years.

The Yankees have Buddy Rosar, but with Bill Dickey slipping and Arndt Jorgens, the invisible backstop, going into business, the club is looking for a young catcher.

There was no secret Notre Dame practice for the Iowa game. The storm blew down four sections of the Cartier Field fence. Michigan won't care if a picture of one of its stars never again appears on the front cover of a national magazine. A year ago a weekly used Tom Harmon the day before Illinois upset the Wolverines. Minnesota took advantage of the jinx this fall.

Auburn is closing with a zoological schedule. Following the Clemson and L.S.U. Tigers, it tackles Boston College Eagels, Florida 'Gators and Villanova Wildcats. The Auburn lads themselves are known as the Tigers.

Until he caught up with Henry Armstrong, Fritzie Zivic had to fight to eat, which is why his start against Al Davis at Madison Square Garden the other night was his fourteenth of the year.

Joe Louis tells one on himself.

A negro bootblack was doing a good job on a customer's shoes when the customer inquired:

"What do you think about Joe Louis making those stump speeches for the Republicans?"

"Just what you could except,' replied the bootblack. "Dem millionaires always stick together."

Five clubs are bidding for Eddie Miller, star shortstop of Boston Bees.

HENRY HARRIS AND PETERSON TO RICHMOND

Russ Blinco Announces Acquisition of Star Forwards to Play with His Intermediate Hockey League Club.

Coach Russ Blinco, of the Richmond entry in the Eastern Townships Intermediate Hockey League, announced today that he has secured Howie Peterson and Henry "Hank" Harris and thus settled a burning question as to where the two ex-Red Raiders would perform this winter.

With Peterson and Harris in the fold, Blinco has a great nucleus about which to build a strong team, one which should be able to hold its own with anything the circuit can offer. Sherbrooke and Windsor Mills were both anxious to line these boys up, but now the scramble has apparently concluded.

Harris

Peterson

Russ has several other players in line for duty with Richmond. "Sonny" Mooney will handle one of the centre-ice berths, while Vernon "Pat" Murphy will also be in uniform. Although Willis and Fred Kirby have not decided definitely whether they will play hockey this season, they have informed Blinco that if they do it will be for his aggregation.

Murray Smith, Lucien Gagnon and several other Richmond boys will bid for positions and Blinco said that two men from Asbestos will also seek berths with the squad. Ernie Taylor, of Sherbrooke, is expected to try out for goal.

Russ is not sure whether or not he will climb into uniform himself if he is reinstated as an amateur by the Canadian Amateur Hockey Association. If he does play, it will not be before the New Year at least, he said today.

Sport Flashes

Those who ought to know say the Texas Aggies haven't been unwrapped this season.

Georgetown has given up hope of getting a Bowl bid and will settle for a post-season game with St. Mary's in San Francisco.

Heart throbs:

Robert Taylor plays tackle and Dick Powell is in the backfield for the Michigan City (Ind.) High.

The "Swedish Angel" was such a flop that Louisville fans pitched seat cushions at him.

Happy Day's Two Way Hockey Pays Dividends For Toronto

With Maple Leafs Leading National Hockey League and Boasting Four Straight Victories, Day Looks Like Coach of Year—Remarkable Distribution of Scoring Power—Young Players Pulling Weight.

Toronto, Nov. 21.—(C)—For a fellow who claims he's only trying to make the team himself, Clarence (Hap) Day is doing all right in his first try at coaching. His Toronto Leafs are leading the National Hockey League and on his record to date he looks like the coach of the year.

The Leafs lost their first game to New York Rangers and then won four straight, beating Detroit, Canadiens twice and Boston. One of the last to start pre-season training, the team seems to have been the first to hit its stride.

Day, a defenceman and league linesman before he embarked on a tutoring career, lays claim to no new ideas. He does emphasize two-way hockey, however, and his team is skating faster, perhaps, than any other club.

The players are also combining with the result there has been a remarkable distribution of scoring power. All but three are listed in the scoring records and one of these, Bob Davidson, is on the injured list.

Gordie Drillon and Syl Apps have six points each; Nick Metz, Wally Stanowski and Hank Goldup four each and Pete Langelle and Billy (The Kid) Taylor three each. Aggregate points of the 13 players reaches 40, an average of eight points for each of the five games played.

These factors, along with the good work of the younger members of the team, helped Day to a good start. Stanowski, Taylor, Goldup and Largelle are playing effective hockey. Day, however, doesn't take credit for the work of these sophomores.

But he'll have to accept credit for one thing—the juggling of his lines. When Davidson hurt his knee and disrupted the team's most effective scoring unit, Day brought in Nick Metz to play with Apps and Drillon.

This line has worked so well Davidson is expected to have trouble regaining his old berth.

RED DEVILS AND CANUCKS WIN

Montreal, Nov. 21.—(P)—Verdun Red Devils and Montreal Canadiens moved up to a third-place tie in the Quebec Senior Hockey League standing last night, with wins over Montreal Concordia and Montreal Royals.

Canadiens really hit their stride for the first time this season in the opening, as they defeated the highly-rated Royals 5-2, while Verdun had no trouble disposing of the winless Concordia sextet 6-1 in the nightcap.

Today's guest star:

Nixson Denton, Cincinnati Times-Star: "The new Judge Landis of the Southeastern Conference has begun to earn his salary. The gentleman has just issued a report stating that rumors of professionalism are exaggerated."

VARIETY WILL BE FEATURE OF BENEFIT BOUTS

Three Rivers, Drummondville, Asbestos, Coaticook, New Brunswick and Sherbrooke to Be Represented.

A remarkable feature of the benefit fights for the Sherbrooke Fusilier Regiment, C.A.S.F., to be staged by Les Fusiliers de Sherbrooke, N.P.-A.M., under the supervision of Lieut.-Col. Emile Levesque, Officer Commanding, in the Belvidere Street Armory on Saturday night is the variety that has been provided for.

Of the sixteen fighters signed by Matchmaker Albert Kouri three are from Three Rivers, four from Drummondville, two from Asbestos, one from Coaticook, one from New Brunswick and five from this city.

Three Rivers will contribute Leo Rivet, Kid Rivard and Maurice Pothier, Drummondville is chipping in with Kid St. Cyr, Tony and Lucien Cusson and Roger Rousseau, Asbestos will forward K.O. Boisvert and Paul Beauchesne, and Coaticook will furnish Ray Letourneau. Young Connolly hails from New Brunswick, while the Sherbrooke fighters are Willie Dufault, Art Goodhue, Ovila Kid Lapointe, Wildcat Petit and Eddie Bolduc.

Four of the scrappers are in the Sherbrooke Fusilier Regiment—Sergeant Art Goodhue and Ptes. Letourneau, Lapointe and Connolly.

Letourneau and Boisvert are scheduled to trade punches in the main go, with Petit and Rivet squaring off in the semi-final. Both these battles should be hum-dingers from bell to bell.

Prices are very reasonable. Ringside pews will sell for .85 and general .60, while ladies will be admitted for .35. A special price of .25 has been established for soldiers. A band will be in attendance to play rollicking tunes throughout the evening.

A battle royal in which all sixteen mitmen will mingle is counted on to bring down the roof. To make the picture perfect they might just as well toss all three referees—Am Aston, Rene Loubier and Gerard "Young" Lebrun—in as well. By the time this affair is over anything will have happened.

Ever since Jimmy Foxx announced he would do no more catching, the Red Sox have been after Frank Hayes of the Athletics, but Connie Mack won't talk business.

No state in the U.S. ever has had a woman as lieutenant-governor.

BRIDE-TO-BE GIVEN SHOWER AT FITCH BAY

Friends Fete Miss Margaret Rider at Party in Honor of Approaching Marriage—Event Arranged as Surprise.

Fitch Bay, Nov. 21.—Mrs. R. L. Cooke, assisted by Mrs. C. H. Alger, entertained at a delightful miscellaneous shower at her home in honor of Miss Margaret Rider, R.N.

The affair was arranged as a surprise, the guest of honor having been invited to go to Ayer's Cliff with Mr. and Mrs. Cooke, and finding in her arrival at the Cooke home about twenty-five friends, who had met to wish her much happiness in her approaching marriage.

The house was decorated with pink and white 'mums, the lace covered table in the dining room looking very attractive with tapers and centerpiece of flowers.

Mrs. E. A. Scott took her place at the piano, and to the strains of Lohrengrins wedding march a small bride and groom entered the room. The bride, little Miss Jean Alger, was dressed in a long white gown, veil and orange blossoms and carried pink flowers, and little Miss Lois Cooke, complete with suit, hat and cane, made a charming bride-groom. Behind them they pulled a cart daintily trimmed in pale blue and white filled with parcels, being obliged to make several more trips carrying gifts to the guest of honor.

After gifts had been unwrapped and duly admired, Miss Rider in a few words thanked her friends for their kind expression of friendship.

Refreshments were served by the hostesses, assisted by Mrs. Howard Andrews, of Beebe, and Misses Eva Minor and Shirley Cooke.

General Notes

Rev. B. and Mrs. Watson have returned from Richmond where they were guests of Mr. and Mrs. Lloyd Somerville.

Rev. H. G. and Mrs. Rice spent a few days in Montreal with friends.

Mrs. J. E. Taylor spent a week in Asbestos as a guest of Mr. and Mrs. W. E. Marshall.

Miss Frances Dolloff, of Oliver, spent a week-end with her parents, Mr. and Mrs. D. A. Dolloff.

Miss LaPenna was confined to the house by a severe cold.

Mr. and Mrs. J. H. Gustin were guests of Mr. and Mrs. Mayhew at Lennoxville.

REPORTS HEARD AT STANBRIDGE RIDGE MEETING

Activities of Ladies' Aid Society Under Review at Annual Session—New Officers Elected.

Stanbridge Ridge, Nov. 21.—The annual meeting of the Ladies' Aid Society met with Mrs. Neil Baker as hostess and following the devotional period a moment of silent prayer was observed for the recovery of a former member who is gravely ill, after which the minutes of the preceding meeting were submitted and approved.

The Treasurer read a financial statement for the year which was followed by a report from the Treasurer of the flower fund. A short account was read of a joint meeting at Dunham United Church.

Copies of an opening prayer, suitable for war-time, will be prepared for the next meeting.

Officers for the coming year were elected as follows: President, Mrs. Carl Vaughan; Vice-President, Mrs. George Hayes; Secretary, Mrs. Archie Sager; Treasurer, Mrs. Neil Baker, and Treasurer of Flower Fund, Mrs. Neil Baker.

Several visitors were present and a very pleasant social hour was enjoyed. The hostess was assisted in serving by the Misses Winnie Douglas and Jean Sager.

Election of Officers Featured Annual Meeting of District L.O.L. No. 1—All Lodges in District Represented.

Reedsdale, Nov. 21 — An election of officers featured the annual meeting of District L.O.L., No. 1, which was held in the lodge room of No. 678 on Tuesday evening with a large attendance of members, all lodges in the district being represented. The meeting opened with Brother Fred Robinson, District Master presiding and following the disposition of the business on hand the District Master called on Brother L. B. Bolduc, County Master to conduct the election of officers.

The new slate elected was as follows; District Master, Fred Robinson; Deputy Master Alger Patterson; Chaplain, A. J. McVetty; Recording Secretary, C. W. McVetty; Financial Secretary, Wilbert Learmouth; Treasurer, Robert White; Lecturer, Arthur Lowry; Committee, John Longmore, James Grady and William Joliffie.

The next annual meeting will be held at Campbell's Corner.

General Notes

Mrs. W. G. White, of Glen Murray, is visiting her daughter, Mrs. A. J. McVetty.

Friends of Mrs. Thomas Watts will be pleased to learn that she is up and around after her recent illness.

Mrs. C. W. McVetty spent Sunday with her parents, Mr. and Mrs. James Longmore.

Mr. Clarence Watts, of Barrie, Vt., was a recent guest of his parents, Mr. and Mrs. Thomas Watts.

Miss Ethel Kinnear, of East Angus, was the week-end guest of Mr. James Kinnear and Miss Edith Kinnear.

Word was received here of the death of Mr. Joseph Gorham, of St. Johnsbury, Vt. The late Mr. Gorham was a former resident of this place and his many friends regret to hear of his death.

A party was given in the Orange Hall in honor of Mr. and Mrs. Ernest Wright and Miss Edna Wright, who are leaving this place. Music and dancing were enjoyed by the guests, after which lunch was served by the ladies present. All joined in singing" For They are Jolly Good Fellows" and expressions of sorrow at losing Mr. and Mrs. Wright from the community were voiced by everyone.

RATHER AGED

London, Nov. 21.—(AP)—Nobody knew two soldiers had been veterans of the Boer War until Arthur Cranney, sixty-eight, gave evidence at the inquest of his seventy-one-year-old friend, Hugh Cochran, killed in a traffic accident. Cranney said they wanted to do their bit and nobody suspected their ages because they could do their duty as well as anybody else. On enlisting, they had given their ages as fifty-three and fifty-four.
