Budding Horticulturists

Pictured above are Diane Wall, Helen Barr and Rhoda Margolick admiring some of the prize chrysanthemum blooms now on exhibition at the Westmount Conservatories. Helen, Rhoda, and David Bissett, who is not in the picture, were presented with trophies for growing some of the

big flowers. Each year students from Westmount schools are given a flower and shown how to care for it in the growing. The three prize winners this year came from King's, Queen's and Roslyn schools.

Lt. J. Savard Goes On Pension Feb. 13 Receives Gift

Lt. Joseph Jacques Savard, of the Westmount Fire Department, was presented a gold signet ring and a radio on his retirement from the force at a general meeting of both police and Fire Department last week.

Commissioner of Police and Fire, Alderman Reginald Deane, made the presentation and wished Lieut. Savard the best of luck and good health in his well earned retirement. City Manager T. J. Hughes, accompanied alderman Deane.

The ring and radio were subscribed to by the members of both forces. A banquet was held in honor of Lieut. Savard at the fire station last week given by members of his own division.

Lt. Savard joined the Fire Department June 14, 1920. His retirement will become effective as of Feb. 13, 1952, and in the meantime he has been given three months' leave of absence.

He was promoted to the rank of Lieutenant in 1946. He is 55 and resides at 4219 Decarie Boulevard.

Youth Knocked Down

Jean Monarque, 12, of 2134 De Marcourt Street, was taken to the Homoeopathic Hospital following an accident on Sherbrooke Street at Lansdowne Avenue last week.

Local Civil Defence Force Well Organized

The City of Westmount's Civil Defence organization is well advanced.

The basic organization is this: Civil Defence generally comes under the overall direction of the Chief Warden, Brigadier J. A. de Lalanne, who is also Chairman of the Planning Committee; the Executive Officer is the Director, Lieut. Col. Philip Cook. Westmount is, for administration purposes, divided into two groups — the dividing line being the centre of Sherbrooke Street. The city is then subdivided into sectors, of which there are five in Group A (above Sherbrooke Street) and four in Group B, below it. Each sector is again subdivided into five or more posts and each post consists of five or more "blocks".

The positions of Group Wardens and all Sector Wardens and their alternates have been filled, as have practically all positions of Post Wardens and alternates. In some sectors a number of Block Wardens have also been named, and recruiting is continuing.

The heads of the following services have been named: Fire, Police and Rescue, Health and Medical, Public Works, and Engineering.

Training has begun and will continue throughout the winter. As prescribed by the Federal Civil Defence Office, and in full co-operation with the Metropolitan Civil Defence Authority, the first course is BASIC CIVIL DEFENCE which includes the elements of organization, fire fighting, chemical warfare, stirrup pump and respirator drill and protective measures generally. This course is the Civil Defence equivalent of the Army Basic Training "common to all arms."

The first course is being carried

Guest Houses Are Warned To Close On December 1

A special interview has been granted Elphege Menard, president of the Westmount Property and Guest House Owners Association, this week with Premier Maurice Duplessis.

He said before he left that he believed the Premier would be very interested in the fact that over 2,000 people are going to be affected by the enforcement of the rooming and boarding house by-law.

In the meantime, Mr. Menard stated, city officials have extended the closing date of guest houses one month, from Nov. 1 to Dec. 1.

City officials have stated that if these establishments are not closed this time summonses will be issued and the matter taken to court.

On the other hand the Guest House Association is prepared to battle the city in court and have hired a lawyer.

They hope that with a test case they can drag the issue over a period of months and even several years. This would give them the necessary time to enlist other support or force an election which the city has not had in 25 years with the hope for a change of administration.

Mr. Menard said that after many months of waiting a request for a list of rooming and boarding houses has been provided by the city.

At the meeting of the Association held last week Mr. Menard pointed out the percentage of the group who were property owners stood at 75 per cent. This he declared was higher than the Municipal Association, which had only a little over 50 per cent.

U.N. Association To Meet Thursday

The United Nations Association in Canada, Western Montreal Branch, will hold its first meeting for the season at the Westmount Junior High School, Academy Road, on Thursday November 29 at 8.15 p.m.

G. F. W. Kuhring, branch president will preside at the meeting. During the past summer Mr. Kuhring and Mrs. Kuhring have spoken at many U.N.A. meetings in various parts of the country.

Two teams from McGill will debate on the Subject, "Resolved that the Iranian Government was right in nationalizing their Oil Industry." As this is a very timely and controversial subject, we expect a lively discussion by these skilled debaters.

The Laurentian Choral Group, with Alan Mills as soloist will present a programme of Folk Songs from other lands.

This choir is highly rated and has been compared to the Bell Singers well known to radio listeners.

There is no admission charge and it is hoped that many people will avail themselves of the opportunity to hear the debaters and also the musical programme.

YMCA Campaign Receives Painting; Will Be Auctioned

The Annual Y.M.C.A. Maintenance Campaign has just passed the three quarter mark.

Mr. D. O. Bremner, acting chairman of the Westmount division, announced that one of the most interesting contributions to the campaign this year has been a beautiful oil painting donated by A. Sheriff Scott, R.C.A., well known Canadian artist.

The painting is on view at Yervant's Oriental Rug Store on Sherbrooke St., between Claremont Avenue and Prince Albert Avenue. The painting is being auctioned by the Westmount division of the Campaign. The entire proceeds of the auction will go towards the "Y" Campaign. Bids for the picture may be sent to the Westmount Y.M.C.A., 4585 Sherbrooke St. W., or by phoning GL 3916. Bidding closes Tuesday, November 27 at 5.00 p.m.

Lost Control Of Car In Smash-up

A three-way collision last week in front of 11 Gladstone Avenue involved automobiles owned by Mrs. M. Miller, of 11 Gladstone Avenue; Father J. M. Fabien, of 21 l'Eglise Street; and R. Haywood, of St. Hyacinthe.

Police said the mishap occurred when Mr. Haywood crashed the side of Mrs. Miller's car, forcing her over the curb. She struck a fence and a post box losing control of her vehicle and then collided with the parked auto of Father Fabien. There was considerable damage to both cars.

Three Cars Collide At Lansdowne Avenue

Involved in a collision between three cars last week on Sherbrooke Street at Lansdowne Avenue were Kenneth Thompson, 19, of Seeley's Bay, Ont.; Gilles DeQuoy, 19, of 1767 Montcalme Street; and Leopold Joubert, of 4875 Sherbrooke Street West.

Burglary Charge Is Laid Against Three Young Men

Montreal Police arrested three men last week on charges of breaking and entering and theft in two Westmount establishments.

The charges concern the robbery of Clement's Food Market Inc. and Nick's Restaurant, last month. The men arrested were Kenneth Rogers, 21, Edward Hutchison, 21, and John Howard 20.

All three gave false addresses. They were arraigned at the Montreal Criminal Court Nov. 16, and preliminary enquiry was conducted Tuesday.

The men allegedly made off with a safe containing more than \$2,000 from Clement's and stole a small amount of cash from the till at Nick's as well as a number of cartons of cigarettes.

● That the members of the R.C.M.P. from the Westmount Headquarters of the force, looked very smart in their mess dress at the annual ball held in the Windsor Hotel on Friday night. Supt. Noel Courtois and Mrs. Courtois received. The Windsor Hall was a gay place indeed with the regimental colors of blue and gold predominating.

● That Westmount shopkeepers should do a roaring business on December 8, Feast of the Immaculate Conception. The new closing by-law recently put into effect by Montreal which forbids places of business to open on certain religious holidays does not affect suburban municipalities. Several stores in Westmount have stated that they intend to remain open.

● That the much discussed organ in Victoria Hall is reported to have been sold to a Halifax church. The T. Eaton Company are said to have been commissioned to repair and transport the instrument at a reported cost of \$15,000. This figure

does not include the price which the City of Westmount will receive for the organ. It has been stated that a Hammond organ will replace the present fine instrument which, however, has fallen into a state of disrepair from one cause or another.

● That James C. Steel, well known local musician who spent many years in the Calvary Church Orchestra, has composed a song commemorating the visit to Canada of Princess Elizabeth and the Duke of Edinburgh. The song is entitled "A Song Of Welcome". The Governor General has accepted a copy of the song. The choir of the Ahuntsic United Church sang it on a recent Sunday evening. The Rev. Ritchie Bell has commented favourably on Mr. Steel's song and has suggested that a copy be sent to Her Royal Highness.

● That the party held at St. Francis Realties on Friday evening to mark the opening of their new offices was a great success. Roy Patterson was the perfect host but poor Andy Hill had an appointment with a client at 7 p.m. and wouldn't even take a straight ginger ale without chewing a clove afterwards.

● That Cloutier has done it again. The Maestro of Permanent Waves is practically living on venison steaks after downing a deer last week. But more important is the fact that the Old Man will be a granddaddy before Christmas. He is feeling very nervous about the whole thing but his friends are hoping that he will pull through safely.

● That a packed house is expected to attend the St. Andrew's Night concert at the Victoria Hall tonight. The show is being sponsored by the Westmount Women's Club and will feature the cream of Highland dancers, Scotch singing and music.

● That there were quite a few eyebrows raised when Brendan Macken was left out of the rankings for 1950 by the Province of Quebec Lawn Tennis Association. The reason given was that Brendan had not taken part in enough Quebec tournaments during the season and consequently sufficient data was not available. Playing in the Davis Cup apparently counts for little. Henri Rochon was another left out. Pat Macken, also of Westmount and a sister of Brendan, was ranked No. 1 in the senior women's section.

● That Block Warden Mrs. A. E. Tremain of 376 Redfern Ave. proved herself a very efficient firefighter on Monday night. Mrs. Tre-

main handled a stirrup pump like a veteran at the training classes being held at the Westmount Athletic Ground Building by the local Civil Defence organization.

● That the Westmount-St. Antoine Progressive Conservatives will be represented at the Montreal Convention of the Party which will be held at the Windsor Hotel on March 17. Representatives of Island ridings met at a gathering at the Windsor on Tuesday to discuss plans for the bigger meeting.

● That No. 401 Westmount Fighter Squadron R.C.A.F. are now training at Laurier Avenue West. Members of the squadron still continue to use the quarters at the corner of Clarke and Sherbrooke for social activities. The move to Laurier Avenue is not popular as the great majority of the squadron reside in the west end of the City. It would also seem to be just a matter of time until the name Westmount is dropped from the designation of No. 401.

● That 116.6 inches of snow fell in Westmount during 1950 which is well above the average of 112 inches over the last 70 years. January with 43.4 inches was the worst month. During 1950 there were 15 storms of 3 inches or more. In 1949 only 88.9 inches of snow fell locally.

● That long-term planning by the City Council includes the completion of Sherbrooke Street (middle section) widening and repaving of Western Avenue; widening and repaving of Victoria Avenue and widening of Greene Avenue between Dorchester and St. Catherine Streets.

● That additional ski-runs may be laid out on Westmount Mountain this year and that competent skiers will coach the youngsters. European professionals and top notch skiers are enthusiastic over the possibilities of developing future Olympic skiers right here on our own doorstep.

● That a well known local resident writes to complain about the bad tramcar drivers. He says that passengers are nearly thrown off their feet if they happen to be standing by the abrupt stopping and jerky starts. He asks why the school for drivers instituted by the Tramway Company some years ago was discontinued — it is badly needed today he claims. Another suggestion is that better lighting should be provided as it is impossible to read the newspaper on the tedious journey from downtown in the rush hours. Why not copy Winnipeg and install loudspeakers so that the conductor could announce the next stop so that passengers can hear, he asks.

● That Mr. Justice G. Miller Hyde, and Dr. G. Earle Wight, have been appointed directors of the McGill Graduates Society as chairmen of standing committees.

● That the Westmount Warrior's Football club get-together will be held Friday night, Nov. 30, in the Westmount Athletic Building. Friends of the club are invited to attend the function. Walter Small announces that a drawing for the special prizes in connection

"Y" Centennial Committee Planning Birthday Party

The Centennial Committee of the Westmount Y.M.C.A. is completing plans for the observance of the Y.M.C.A. 100th Birthday. The first Y.M.C.A. in North America was established in Montreal on November 24, 1851, and the local "Y", under the chairmanship of J. G. Atkinson, has announced details concerning the local observance of the celebration.

Mr. Atkinson stated that on Friday, December 14, at the Westmount Y.M.C.A. there would be a participation show entitled the "Centennial Revue" which will depict the Y.M.C.A. program in the world today and more specifically, the program of the Westmount Branch. The show will feature

interesting program happenings and outstanding athletic performances.

It was also pointed out by Mr. Atkinson that the local Branch of the "Y" would be playing a big role in the Metropolitan Y.M.C.A. observances over the weekend. Members and friends of the Westmount Association will be present at the official Centennial Dinner at the Windsor Hotel Saturday evening, November 24, at 6.30 o'clock. Sir Frank Willis, C.B.E., General Secretary of the National Council of the Y.M.C.A.'s of Great Britain will be the speaker, and honored guests will include: Lieut. Governor Gaspard Fauteux; John M. Pritchard, President of the National Council of Y.M.C.A. of Canada; Eugene R. McCarthy, Chairman of the National Board of the Y.M.C.A. of United States; J. W. McConnell, Honorary President of the Montreal Y.M.C.A.; and J. B. Frosst, President of the Montreal Y.M.C.A.

Members and friends of the Westmount Branch will also be present at the Y.M.C.A. Centennial Church Service to be held at the First Baptist Church the following day at 11.00 a.m. The speaker on this occasion will be Dr. George P. Gilmour, President of McMaster University, who is, incidentally, the great grandson of the Minister of the St. Helen St. Baptist Church in which the first Y.M.C.A. was formed 100 years ago.

Members of Mr. Atkinson's Westmount Centennial Planning Committee are J. F. Lewis, H. C. Nourse, D. Y. Novinger and the Secretarial Staff of the local Y.M.C.A.

with the subscription drive will take place during the evening.

● That George Wheatley of the R.M.R. Association (Branch 14 of The Canadian Legion) will make a special plea at the branch meeting tonight for all members to turn out in force to support the Army team in their Eastern Canada Championship game against Hamilton Panthers at the W.A.G. tomorrow afternoon. This will be Westmount's Grey Cup game and will likely be just as exciting as the Toronto classic.

● That the many friends of Lieut. Col. J. P. C. MacPherson and Mrs. MacPherson were shocked to hear of the death of their little girl which occurred suddenly on Monday afternoon. Col. MacPherson commands the Royal Montreal Regiment and lived in Ottawa before moving to Montreal last year.

● That the new traffic signal device at Victoria Avenue and Sherbrooke Street is still confusing many persons. Having been trained for some months only to cross on the green light it seems to be rather difficult for some to understand that now they cross on the walk signal which is red. On a recent day all corners were crowded until Allan Sandzelius happened along and pushed the button to bring on the walk sign. Prior to Allan getting there no one had done anything about it.

● That Mrs. W. W. Angus of Hudson Heights, who died suddenly on Sunday, was a graduate of Westmount High School. Mrs. Angus was active in many women's organizations and had a host of friends in Westmount some of whom attended the funeral at St. James Church, Hudson, on Tuesday.

● That lots of people are looking for suitable gifts in the form of toys, skates, skis, hockey sticks, dolls, carriages, sleds, electric

out in three groups which meet weekly on Mondays, Tuesdays and Thursdays for lectures and demonstrations by trained Civil Defence instructors. The course is of six weeks' duration, one night a week. The reason why it is divided into three groups training in parallel is to facilitate individual instruction. At present there are 215 volunteers taking this course, or an average of 72 per group. A fourth group has been organized, to begin on November 28th and to end on Thursday, January 3rd.

On completing basic training, volunteers will be eligible for specialized training in the branch of Civil Defence in which they elect to serve. Somewhere along the line, all of them will be asked to take a short course of three lectures in Basic First Aid.

After the new year, a second serial in Basic Civil Defence will be organized and, if necessary, a third later in the spring. At the same time, those already qualified in this course will proceed to specialized courses in the various services referred to above.

Identical procedure is to be followed by the Metropolitan Civil Defence Authority in other municipalities of greater Montreal.

Although the response from Westmount citizens has been most gratifying, many more volunteers will eventually be required. Application forms for enrolment in Civil Defence are available at the Office of the Director, 4350 St. Catherine St. West, and at the Westmount Police Station.

The present program contemplates a reasonably complete and trained Civil Defence organization by the autumn of 1952.

Concurrently, Westmount has organized and is conducting a number of courses in Standard First Aid under the direction of the St. John Ambulance Association. It is hoped that a large proportion of those qualifying in these courses will volunteer for Civil Defence service in the Health and Medical Section.

It remains to add that in all services, except Fire Fighting, Advanced Rescue and Police, women volunteers are needed in large numbers.

trains, etc. Why not root out the closet, basement or spare room. A little spare cash will come in handy at this season and there are many kids looking for that not wanted article. Why not try an Ad in The Examiner. They bring results.

Teased about her determined unmarried state by an often-wedded friend, Marie Corelli, the British novelist, retorted: "I have really no need for a husband. At home I have three pets who answer the purpose. I have a dog who growls all morning, a parrot who swears all afternoon, and a cat who comes home late at night."

New Office Opened In West-End District

Queen's H-S Ass'n To Meet Thursday

A general meeting of Queen's Home and School Association will be held on Thursday, November 29, at 8.15 p.m. in Queen's School.

This will be an open house meeting in which the parents are invited to attend to meet the teachers in their classrooms and get acquainted.

Mrs. A. Keats will give a short introductory speech on "Parents Study Group."

The association is particularly anxious that there should be a large turnout of parents for this meeting.

St. Francis Realty Firm Opens West-End Office

At the beginning of the week, the St. Francis Realty Company Limited opened its new West-End offices at 395 Victoria Avenue, Westmount, in the new City and District Savings Bank Building.

This company has been prominent in real estate circles since its incorporation in 1946.

Although a comparatively young company, its president and managing director, Roy Patterson, has been connected with real estate for over 20 years. He is recognized as one of the outstanding real estate appraisers in Montreal, being a member of the Governing Council of the American Institute of Real Estate Appraisers. Mr. Patterson is a director of the Montreal Real Estate Board, and served two terms as president of the Board in 1949 and 1950.

The company has maintained an active residential department since its inception, specializing in the residential areas of Westmount, Notre Dame de Grace, Hampstead, Town of Mount Royal, and Montreal West.

The principal aim of the company in moving to its new location at Victoria Avenue in Westmount is to better serve its many clients in the west-end of Montreal. The west-end telephone number is WA. 0415.

The company's new west-end office is in addition to its down-

town offices, which house its commercial, industrial and appraisal departments. Phone UN. 6-9381 to contact any of these departments.

St. Leo's-St. Paul's To Hold Fall Dance In School Tonight

Tonight in St. Leo's school hall, 358 Clarke Avenue, the high-school students of St. Leo's and St. Paul's Academies will hold their opening Fall dance. Considering the wonderful time had by all those who attended the "French Dance" held there on November 10, the evening promises to be a great success. Proceeds from the dance will be used for the gala "Christmas Prom" to be held next month.

A special feature of the evening will be two hours of square dancing under the direction of popular caller, Donald MacSween, who recently supervised the reels at St. Mary's Ball. The square dancing will take place only after the refreshments have been served in order that the tables may be cleared away to make room for the dancers. Both before and after the square dancing, popular dance music will be supplied by Eaton's Band Box.

The dance lasts from 8.30 p.m. to 1.00 a.m. and all teen-agers interested are cordially invited to attend either "stag" or "drag." All tickets will be sold at the door.

Clarke Ave. Man Suffers Injuries In Truck Mishap

Percy Allan, 59, of 331 Clarke Avenue, was taken to the Montreal General Hospital following an accident last week at the corner of Western and Clarke Avenues.

He was knocked down by a truck driven by Paul Emile Martin, 22, of 273 1/2 Workman Street.

Capt. X. Tells Rotarians 60,000 Communists Here

Throughout the breadth of this Dominion there are 60,000 unknown, militant communists, organized and sworn to carry out the orders of Moscow, Captain Johnny "X", counter espionage agent for Canada told members of the Westmount Rotary Club at their weekly meeting.

Twice sentenced to death by military tribunals as an international espionage agent, Captain Johnny (whose real name is never revealed) said that 3,000 of the 60,000 "are Red saboteurs who will be extremely difficult to uncover."

The speaker said that these agents do not have to rely on stolen or smuggled explosives to inflict their damage, but have been trained to mix chemical compounds found in any drugstore that will produce intense heat or explosions. Captain Johnny illustrated this by mixing two harmless looking white powders in a tin can and dropping less than an eye dropper full of water into the mixture. The can turned white hot.

The cloak-and-dagger speaker has a wealth of experience to back up all his espionage estimates. In 1917 he helped organize the mutiny of the German Navy and during the Second World War he rose to the rank of Major in the Russian Army as part of counter espionage program of the British top-secret MI-5 Branch, the hub of the British Intelligence service.

The agents in this country are "everywhere", Captain Johnny stated, and "are your sworn enemies trained to kill." He said that while with the Red Army he several times saw Tim Buck, leader of the Labor Progressive Party, who was training in the Soviet

Local Teacher Named Chairman

Howard C. Atwood, a member of the teaching staff of Westmount Junior High School, has been named chairman of the Convention Committee of the Provincial Association of Protestant Teachers. The committee is in charge of all arrangements for the 88th convention of Quebec's Protestant teachers which will be held at the High School of Montreal next October.

Mr. Atwood was in the chair when the committee held its first meeting last Saturday at P.A.P.T. headquarters, 1410 Guy street.

Westmount Park Cubs To Collect Coat Hangers

On Saturday, November 24th., the Cubs are having a Coat Hanger Collection. Cards have been put in the houses in which the boys will call on Saturday morning. Cub meeting opened last week with Grand Howl led by Michael Redden and Flag break by George Christie.

Inspection on nails, games were played and the following tests were passed: Message, Denis Reid, Barry Reynolds, David Paterson, Jackie Yuille. Compass, David Parsley.

Meeting closed with Grand Howl led by Bruce Anderson and flag lowering by Gordon Cummings.

Father And Son Supper Held By St. Matthias Pack

The Pack held a father-and-son supper in the Church Hall on Friday, November 16th. There was a very good turnout of fathers and the Pack had complete attendance except for one member who was ill. The ladies committee in charge did an excellent job in providing and serving a tasty meal which all enjoyed. The Pack is most grateful to them and to the Church Corporation for this "good turn." Highlight of the meal was a special birthday cake iced in the Pack colours with our badge, wolf heads and fleur-de-lis.

Mr. C. H. Maggs, founder of the Pack and Cubmaster for seventeen years, was at the head table and was presented with a bronze Scout letter opener by Senior Sixer Peter Leslie as a souvenir of the evening. Mr. Maggs spoke briefly and wished the Pack many happy returns on achieving its majority. He was introduced by Lt.-Col. J. E. Slesor, Chairman of the Group Committee, who also commented on the Pack's progress over the years. The Pack Chaplain, Rev. Canon Gilbert Oliver, also addressed the guests.

After the meal, the Pack demonstrated a few games, in some of which the fathers and Scouts participated. The Sixers and Seconds produced a skit which was well received. Later a going-up ceremony took place in which Sixers Peter Leslie, Richard Bolton, Robert Carr, Warren Laing and Stephen Ferguson, and Seconds Ronny Taylor and Roger Bellingham crossed the line and were escorted into the Troop by Scoutmaster R. G. Sims. Mr. F. G. C. Foster was invested as Assistant Cubmaster and received his lapel badge.

The meeting concluded with the Pack's Grand Howl and the Troop dismiss.

Research Proves Women Can Wear Lighter Clothes

Why do women wear less clothing during the winter than do men?

Here's the scientific reason — and it has nothing to do with vanity or the dictates of fashion.

Researchers from the Minneapolis-Honeywell Company, seeking to find out why the distaff partner seems to want different temperatures than do men in the living room, discovered that women do not require as much heat.

This is because women have more insulating sub-cutaneous fat than do men and a 10 per cent difference in metabolism rate. All of which means that they can resist cold better.

Recreation Definition Sought By Department

The Westmount Recreation Department recently requested various professional recreation experts engaged in this field to submit their definitions of "Recreation." The following are some of the more interesting definitions received — all have attempted to define recreation in its broadest sense.

The Westmount Recreation Department requests that any citizen who, after reading the definitions, is interested in giving his or her definition, to submit same to the Recreation Department at the office in the Athletic Building, 4350 St. Catherine Street West, or phone FI. 6975.

"Recreation is all those things* people do in their leisure time, for enjoyment as the only compensation. To be considered as recreation, within the scope of an organized public supported program, the activities must result in socially accepted values, and allow for possible growth and self-expression."

Professor Alan Klein, School of Social Work, University of Toronto.

"Doing the creative things that you enjoy."

"Participating in the activity that you enjoy."

"Participating in creative activity of your own volition."

Mr. Oscar Pearson, Deputy Commissioner Community Programs Branch, Eastern Ontario.

"For better or worse Recreation is now defined as a means by which an individual achieves a more complete life through leisure-time pursuits of a physical, social, intellectual, cultural or spiritual nature."

Mr. E. V. Ross, District Representative Community Programs Branch, Eastern Ontario.

"Recreation: The refreshing leisure-time use of mind, body and soul."

"This is the time when man believes he is master of his actions and captain of his own destiny. Consequently he must have freedom from direction."

Mr. D. A. Garvie, District Representative, Community Programs Branch, West Central Ontario.

"Recreation is the total creative experience in which an individual receives satisfaction and enjoyment through the participation in activity of his choosing."

Henry O. Dresser, Louisiana State University.

* * *

"Recreation is an attitude of mind. If this is true, why is it necessary to participate in a golf match, softball game, pursue a hobby, engage in a musical, dramatic, social or nature activities or occupy one's time in one or more of a long list of avocational interests which are available to most of us today?"

"The answer is simple, it is usually only when we are engaged in this type of activity—voluntarily—are we able to create and assume this 'attitude of mind.'"

"In these busy days, leisure time is often used interchangeably with recreation. The things we do in our leisure time may not be 'recreational' and, in this respect, leisure time and recreation are not necessarily synonymous."

"Again, there is no substitute for gainful employment. To develop the correct 'attitude of

mind,' there must be a proper balance between work and play."

F. S. Mathewson, Superintendent of Recreation, Union County Park Commission, N.J.

"Recreation: That activity that a person performs individually or collectively by his own volition during his off-job living, which is constructive and creative and leaves one with a feeling of emotional and physical well being."

Union at the time, and knew his orders. He never said "no" to any assignment, the speaker added.

Through his connections with the Labor Progressive Party in this country, Captain Johnny said that he found that the party has a department for war and espionage and an N.K.V.D. branch classified as "Murder Incorporated" to dispose of those who stand in their way.

The speaker also stated that from his Red Army service he is convinced that the Russians have no intention of living in peace with the western democracies.

The speaker was introduced by W. W. Allison and thanked by D. B. Ross. In the absence of President James Dawson, Frank Carlin, vice-president, was in the chair.

Pulpit Talk By Dr. Ross Urges Free Initiative

Dr. Howard S. Ross, K.C., D.C.L., well known Westmount speaker who resides at 4557 Sherbrooke Street, and who is a frequent contributor to The Examiner, occupied the pulpit at the Maisonneuve Presbyterian Church, on Sunday. Mr. Ross was introduced by Kator Blatherwick, local architect, who also read the lesson. The Rev. Quincy A. McDowell, minister of the church and Moderator of the Montreal and Ottawa Synod conducted the service.

Mr. Ross' subject was Free Initiative. He said "what the world needs today is a plan under which individual initiative will have free play and people everywhere will have equal opportunity and equal freedom."

He urged the adoption of the principles of The Sermon on the Mount as a solution to the world's troubles. He decried the belief that the Sermon is not good economics but merely "an unattainable ideal."

Mr. Ross offered the theory of Equitism — a proposal "that human work is the only equitable source of ownership" — as the system under which the world could "for the first time" apply the principle of The Sermon on the Mount or the Golden Rule.

Equitism voluntarily applied would offer abundance instead of artificial scarcity as we have it today in our economic system he claimed.

N.H.L. President Speaks At Banquet Nov. 27

Clarence Campbell, president of the National Hockey League, will address the annual Father and Son Banquet Tuesday, Nov. 27, in Hutchison Hall by the Men of St. Andrews.

The Men of St. Andrews Church, Westmount, have invited the members of the Wolf Cub Pack and their fathers to join them at the meeting to hear Mr. Campbell. The subject of Mr. Campbell's address will be "Behind the Scenes at the National Hockey League".

The speaker has gained a wealth of experience in organized sports for boys and youths. He will point out the benefits to be gained to the community at large, from well organized sports and activities.

That one-man helicopter idea, now being developed, sounds like a wonderful device for the letter carrier in the rural areas—at least it would lift deliveries to an air mail status.

Many Turned Away From Scottish Concert Here

The Robert Wilson-Alec Finlay Scottish concert party which played to capacity houses at Victoria Hall in September again packed Vic Hall last Wednesday and Thursday evenings and in order to satisfy insistent demands from those who could not obtain seats a third show was staged Friday night at the Gesu Hall on Bleury Street.

The appearance here of this All-Star Scottish party has been under the sponsorship of the Scottish Societies Association under the chairmanship of Willie McBroom who at the close of each performance thanked the predominantly Scottish audience for turning out in such large numbers. This is remarkable since tickets have been at a premium for some time even although little or no advertising has been done.

It is doubtful whether any visiting concert group from Scotland has ever achieved the popularity of the Wilson-Finlay party. Robert Wilson "The Voice of Scotland" is regarded as Scotland's greatest tenor and has appeared at two Royal Command Performances. His renditions of Scottish airs is,

as one lady was heard to say, just like a breath from the highlands.

Alec Finlay's pawky humour had the audience in roars of laughter all the time he was on the stage although at times he did draw on the heart strings to bring tears to many with his fine characterization. The supporting artists are well above average as entertainers. Clara Kenyon in solo

numbers and duets with Robert Wilson gave ample evidence of possessing a most pleasing voice. Her playing of the violin drew rounds of applause and in combination with her partner Reg Flewin a most versatile instrumentalist they showed why they are billed as Scotland's favorite concert artists. Will Starr on the accordion proved a popular hit. Starr has made many records for R.C.A. Victor and is heard often on B.B.C. programs.

Will Dick the M.C. kept the show moving at a rapid pace and added much to the enjoyment of the audience with his store of amusing anecdotes all with a decidedly Scottish background.

Young men... Here is Challenge and OPPORTUNITY

Training and experience in leadership are two of the most valuable assets you can possess, no matter what lifetime career you select. You may obtain both training and experience as a leader under a new plan whereby the Canadian Army is training young men with Junior Matriculation or Equivalent Educational Standard as Officers in the Active Force.

But there is a challenge in the standards you must meet — in the courses you take and pass before you can qualify for a commission.

And, there is opportunity in the privilege of leading Canada's soldiers at home and abroad.

If accepted you begin training at Camp Borden as an Officer Cadet to qualify as a Second Lieutenant in the Active Force. You will receive Second Lieutenant's pay while in training. When you are granted a commission you will then serve for periods of 3, 4 and 5 years as you choose under the Short Service Commission Plan. At the end of this service you may apply for a permanent commission.

To qualify you must be:—Single — Physically fit — Between 18 and 25 years of age and have a Junior Matriculation or Equivalent Educational Standard.

Phiat Club Hear Talk On Secrets Of Face Make-up

Last Wednesday evening the Phiat Club members and guests were entertained at the Westmount Y.M.C.A. by a demonstration from Miss Betty Day, beauty counselor. The technique of applying make-up and the secrets of beauty were very well displayed.

Reports were given about the dance held last Saturday, and it was agreed by all that it was a success. The novelty Chinese auction sales of cokes and people were enjoyed by all.

In the near future the Phiat Club hopes to challenge the Phalanx Club in a good argumentative debate. The subject of the debate has not yet been decided upon.

Plans are already in the making for a service project for Christmas. At this holiday season the club hopes to help the needy in some way.

New members are invited to attend this Club and may act as guests for two weeks before becoming members. The next meeting will be held this Wednesday, November 21, at the Westmount Y.M.C.A.

Primary Teeth, Plastic Surgery Topics At Clinic

"Early and regular care of children's teeth is an important health measure, and the treatment of primary teeth must not be overlooked," stated Dr. Frederick R. Shiere, Associate Professor of Oral Pediatrics, Tufts College, Boston, Mass., at the 25th Annual Fall Clinic of the Montreal Dental Club.

The first visit to the dentist should occur between two and three years of age when all the primary teeth are erupted. "The most effective means of controlling dental caries," he said, "is by the discovery and treatment of small defects".

Plastic Reconstruction

Dr. W. J. Johnson, Montreal, related to delegates some of the treatments that he is using for plastic surgery. The advent of these treatments was occasioned

following injuries sustained by soldiers during the past war. Techniques developed at that time are still used, but many new methods are being evolved as the result of constant experimentation. These reconstructions do not supplant surgery, but are used when sur-

gical methods are not possible.

Head Injuries

An ear or a nose may be fabricated so that it can be worn with the assistance of a special cement for as much as 24 hours at a time. It is removed before one retires, washed and the next morning recemented into place. Head injuries often result in loss of bone and the accompanying disfigurement. Dr. Johnson told how skull plates, made of plastic, are moulded for such cases. These plates are sutured into place, skin tissue is replaced over them and the disfigurement is to a large extent removed.

As a result of this type of treatment, many an individual, who has been unfortunate enough to sustain such injuries or loss, is leading a relatively normal life today and is not too self-conscious about his appearance or of his loss.

Follow These Coke Rules for Warmth & Economy

1. Always fill the firebox as full as you can. A deep fire (a) applies more heat to sidewalls of furnace; (b) circulates more hot air; (c) burns steadier—easier to control; (d) needs less attention.

2. Coke needs less draft than coal. Draft settings vary with each furnace. A little experimenting will prove the most efficient positions to set your smoke-pipe damper and cold-air check. Bottom draft-door should be open only when you want quick heat.

3. Lasalle Coke makes so little ash that hard shaking of grates is not necessary. Use poker to loosen ash, then if you must—shake grates very gently.

In the morning and at night:—

1. Open key damper, close air check, clean fire with poker,
2. Shake grates gently until red glow appears in ashpit.
3. Add a few shovels of Coke and open bottom draft.

Then, when fire is burning briskly:—

1. Fill fire-pot as full as you can.
2. Close bottom draft door.
3. Nearly close key damper. Set cold-air check according to temperature you require.

FREE HEATING SERVICE — Trained and experienced service men are at the disposal of all Coke users to assist in obtaining maximum satisfaction from their heating equipment. Call your dealer or Lasalle Coke Service Department, MARquette 6221, for this FREE service.

I Remember

By G. P. SMITH

A series of articles by a retired coach and physical director recalling great athletes and great teams. Mr. Smith was 32 years of Westmount High as director of physical education (boys), and concurrently 28 years at McGill as wrestling coach.

1931-32

Since starting writing these articles I now find it nice to sit down and relive in my memories the different great years of the many we had at the school not necessarily winning teams but others that were not so successful but in other ways were just as good. While it is nice to be a winner it is also nice to find your boys able to take a loss in the right spirit, not that I advocate falling all over your opponents to congratulate them, but still think the next time you meet them you are going to take them.

The above general attitude of all the teams of 1931-32, there were no outstanding stars but one thing they had in common was "Grit."

We will take the football team, the lightest we had in years and none of them, like some in other years, in a class by themselves.

Tommy Riddell, playing at quarter was short and stocky with an educated toe in so far as drop kicking, a fine play that seems to be replaced by place kicking today. Tommy won many games with his accurate drop kick. Jimmy Mills, at flying wing was a good broken field runner and plunger, on the half line, we had three good men in "Silent" Cliff Mackay, a quiet, dogged type; speedy Bruce Small skirting the ends and Tommy Hanson, not quite as rugged as his two younger brothers, John and George, but always trying.

At snap we had Presty Robb, one of the most deceptive good players

on the team (now Dr. Robb), later an all star on the McGill team. Flanking him, we had two light insides in Bill McKenzie and G. Foster, both willing team players. At middle, we had our two heaviest players in Denny Heward and Mike Wisenthal. A story about Denny, (His parents were deeply concerned about Denny) playing as he stood six feet three inches and was only 15 years old. I persuaded them to let Denny play and we would take good care of him. I still have the thank you letter from his dad. He gained nine lbs. during the season. We were lucky at outside in having the two best in the league, Jerome Bell, a smart tackler, and on the other side the hardest, toughest, flying

tackler ever to represent the school in George Williams, George would not wear a headgear and practically every game he came out bleeding from the top of the ears, I. Pollock, P. Lindsay and where they had been torn in tackling. The alternates on the team were: Bert Lawes, Ralph Edson, Eric Christmas, G. Thom—that great piece of stuff, Newy Falkner. These boys were used almost as much as the regulars and the team was not weakened when they were in.

The team suffered one defeat, by the very good M.H.S. team coached by D. McRae that forced a tie at the end of the season. The playoff took place on the M.A. A.A. grounds and was witnessed by a full house, Westmount winning by a score of 6 to 0. The grounds were just a quagmire, inches deep in mud and water and in no time the players were unrecognizable, nevertheless the teams played a do-or-die game up to the final whistle. In the meantime West Hill had come through winning the title in their league and the playoff for the city title was arranged to take place on Westmount Park which was roped off and before a crowd estimated at 4,000. The Westmount team came through to win the city title for the third consecutive year. The game itself was hard fought from start to finish, played in the most sporting manner by two good teams and at the final whistle W.H.S. emerged the winner by a score of 9 to 3.

In basketball the senior's gave a good account of themselves even though they did not win the title. They had in their lineup the following: Bruce Small, was captain, Ronnie Seaman, Geo. Williams, R.

Adams, Bob Edson, Johnnie Eaves and R. Logan. The juniors were successful in winning their section title but lost to M.H.S. for the city title.

In water polo the senior team under the smart coaching of Mark Veary of the Knight of Columbus pool were successful in winning the championship after tying with M.H.S. and in a close game in a neutral pool came out on top. Bill Searles now at West Hill was their coach. It was always a pleasure to meet Bill in competition, and find in all cases sport was first with him. The line-up was: W. Windsor, Captain, (the late) Jimmie Carnegie, Johnny Eaves, Art. Lorimer, Bill McKenzie, K. Dakin, Ross Smytne, Elliot and Gilmour.

Hockey

In hockey the seniors won the league title after being crowded by M.H.S. and West Hill all through the season finely winning out and meeting the strong Cath. H. team for the city title. In the first game played at the Mt. Royal Arena we won 3 to 1 and in the second game played at the Forum we lost 1 to 0, thus giving us the round 3 to 2.

The seniors had a well balanced team with Newy Falkner as captain and playing centre, while on the wings little Tommy Riddell held down the right wing and big blond Ted Jones was on the left. On defence we had sturdy Cliff Mackay and Ralph Edson. In goal Russ Wilson, played a standout game. The second line had speedy Jimmie Mills. Tom Hanson, at centre, while a guy with wings on his feet, Henry Phillips played right.

The Senior B team won their

Major D. MacRae Of RMR Elected President PQRA

Major Don MacRae of the Royal Montreal Regiment was re-elected president for the sixth consecutive year of the Province of Quebec Rifle Association at the annual meeting of the rifle body held in the Victoria Rifles of Canada armoury on Saturday.

Major MacRae who was commandant of the Bisley team in 1949 has long taken an active part in promoting shooting in the province. He is company commander of the Depot company in the R.M.R.'s and is also musketry officer for the regiment. It is Major MacRae's persistency in rifle shooting which has been largely responsible for the success of the R.M.R. in shooting competitions.

PQRA officers reported profit on the term's operations of \$892, with 679 competitors taking part in the various indoor championships and 373 in the outdoor title meets.

Total membership of the association is now 495 from 15 clubs, 25 armed services units and 3 Canadian Legion Branches.

Among the officers elected were seven vice-presidents: Maj. W. J. Anderson, for the armed forces; D. R. Robertson, match rifle sections; D. Johnson, sporting rifle sections; F. Fredette hand gun sections; Major A. J. F. Roberts,

Autumn always brings a number of tasks to the home owner, especially if he is a gardener. A few days ago I noticed such a man preparing for winter. He had already constructed a reel for his garden hose, impressing upon me the need to drain it after use, then to store it dry in order to prevent the rubber from rotting. Well, his idea is worth copying.

HAMPERS FOR CLOTHES

His wife was just as handy, in fact she had converted a bushel basket into a clothes-

DOOR-MAT FROM BOTTLE TOPS

There was a youngster in the home, the kind that thoughtlessly ran in after school without wiping his feet. Dad soon corrected this by collecting bottle tops, then in a few minutes he made a door-mat by nailing the tops in even rows on two

pieces of pine joined with a pair of cleats. I noticed that the tops were nailed closely together.

ORANGE CRATES FOR SHELVES

This chap turned out to be quite an amateur craftsman, and he liked everything in order. He was very proud of two shelves he had constructed from orange crates, one to serve his purposes in the basement, and the second one, nicely finished, for the living room.

THE LORD IS KING

Nations Sometimes Forget That To
Their Peril

A press report states that the plan for a chapel or prayer room in the General Assembly building of the United Nations may be dropped. The reason given is, lack of room. This reminds us of a similar situation nineteen centuries ago when the Saviour of the world was born. There was no room for Him in the inn; they sent him to the stable. And now they seem unable to provide one small room for Him in one of the largest buildings on the continent. They have plenty of room for an elaborate cocktail bar, where there will be every facility for SPIRITOUS commodities; but those who want SPIRITUAL commodities will have to shift for themselves. When will human beings learn that they ignore GOD to their own peril? The Lord is King.

The above was gleaned from the weekly bulletin of the Church of The Advent, Westmount. We reproduce it because it gives word to the thoughts of many Christian men and women today: that the fighting, wrang-

ling, cheating, and duplicity that seems to dominate the relations between nations are all too clearly evidence that the world has forgotten its Creator. But whether the nations recognize it or not, the Lord is still King.

THIS IS OPTIMIST WEEK

Organization Champions Free
Democratic Institutions

This is Optimist Week. It marks the climax of year-long activities of this international men's service organization throughout the United States, Canada, Mexico, Cuba and Puerto Rico — some 40,000 members in 751 clubs.

Optimist Week also marks the start of another year by this organization which is known as "Friend of the Boy" . . . to live by a creed Optimists hold dear and to stand up for free democratic institutions.

In doing these things, Optimists render a service to this community and in the several countries where they have clubs.

In these dark days, it is to our advantage that we encourage our Optimist club to move ahead in boys' work, in support of private initiative and free enterprise and in personal moral conduct.

Their creed indicates Optimists are among those who are our champions in these efforts.

We note this one statement from the Optimist Creed:

"To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble."

A pretty big order for we ordinary men, but something surely to strive toward.

Calvary United Church

The guest preacher Sunday morning in Calvary United Church will be Rev. M. W. Booth, the general secretary of the Montreal Auxiliary of the British and Foreign Bible Society.

The Church school will meet in all departments from Beginners to Seniors at 9.45 a.m. The Nursery Division and the Mission Band meet during the hour of morning worship at 11 a.m.

At the evening service at 7.30 p.m. the guest preacher will be Rev. Ralph E. Spencer, Minister of St. Luke's United Church. The Electa Chapter No. 12 of the Eastern Star will hold their Annual Church Service in Calvary Church. The officers and members will assemble in the church all at 7 p.m. and march in procession into the Church for service at 7.30.

On Monday evening the Cubs will meet at the usual time 7 p.m. The C.G.I.T. holds its session on Thursday at 7.30 p.m. and the choir rehearsal will be at 8 p.m.

The Annual Bazaar and Sale of Work sponsored by the Women's Association will be held Thursday, Dec. 6. St. Andrew's Westmount

Next Sunday the Young Men's Christian Association will celebrate its centennial—100 years of service in Montreal. Rejoicing in what this great agency for Christian well-being has done for

the youth of our city and nation St. Andrew's will observe this centennial in an appropriate manner. The message will be given by Sir Frank Willis, M.B.E., General Secretary, National Council of Y.M.C.A.'s of Great Britain. W. H. Spearman, executive secretary of the Central Y.M.C.A., will read the Scripture lesson.

In a friendly interchange of organists and choirs, Fred L. McLearn and the choir of Fairmount-St. Giles United Church, Outremont, will provide leadership in "The Ministry of Praise" at the morning service. In the evening Phillips Motley and St. Andrew's Choir will be "on duty", and Rev. D. M. Grant will give the sermon—"Three Great Convictions Concerning God."

On Monday evening the Young Women's Association will meet at eight o'clock; and on Tuesday afternoon the senior Women's Association will meet for sewing at 2 o'clock. Mrs. J. T. Atkinson and the ladies of the Windsor group will be hostesses. The Red Cross group will meet at 10 a.m. and 2 p.m.

The men of St. Andrew's will hold a Father and Son Banquet on Tuesday evening, with the members of Wolf Cub Pack participating. Clarence Campbell, president of the National Hockey League, will be the guest speaker.

On Saturday afternoon, Nov. 24, at 4 o'clock, the final organ recital in the series of five Saturday recitals will be given by Phillips Motley, Organist of St. Andrew's.

The first Sunday in December will be Communion Sunday, with the Sacrament of the Lord's Supper celebrated morning and evening.

"The Securities of the Christian Faith". This will be the title of the morning sermon in Westmount Baptist Church on Sunday morning. Those who were privileged to hear Dr. John MacKay, president of Princeton Seminary, in that most impressive address delivered in one of the Montreal churches, recognized the Voice of Christian Authority in that memorable speech. He spoke of "Our Heritage of Yesterday and our Tasks of Today". Paul enjoins Timothy in the translation of Dr. James Moffatt of "Keep the Securities of the Faith Intact". Those who are interested in "Christian Protestantism in Operation" are invited to this Service.

At the evening service Dr. J. A. Johnston's Theme will be: "A Christian Dominion in a Divine Commonwealth." When Paul wrote to the Christians of Philippi he said to them: "Ye are a Colony of Heaven". Philippi was a Colony of Rome. Its citizens observed the Roman Laws, wore the Roman Dress, the toga, and spoke the Roman Language. Do we under-

Church of the Advent

Sunday the 27th after the Feast of Trinity is the last Sunday of the Church year and is commonly called "Stir up" Sunday. As an act of thanksgiving for all God's blessings and mercies during the year, a solemn TE DEUM will be sung at the Church of The Advent, Westmount, at the close of the midday Eucharist.

Christian Science

"Soul and Body" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday, November 25, 1951. The Golden Text is from I Corinthians 3. "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?"

Among the citations which comprise the Lesson-Sermon is the following from the Bible: —

"And Jesus departed from thence, and came nigh unto the sea of Galilee; and went up into a mountain, and sat down there. And great multitudes came unto him, having with them those that were lame, blind, dumb, maimed, and many others, and cast them down at Jesus' feet; and he healed them: Insomuch that the multitude wondered, when they saw the dumb to speak, the maimed to

stand what Jesus meant when he taught us to pray, saying; "Thy will be done on earth as it is in Heaven". Visitors are cordially invited and will be heartily welcomed.

walk, and the blind to see; and they glorified the God of Israel".
The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science & Health with Key to the Scriptures" by Mary Baker Eddy: —

"The principle and proof of Christianity are discerned by spiritual sense. They are set forth in Jesus' demonstrations, which show — by his healing the sick, casting out evils, and destroying death, "the last enemy that shall be destroyed", — his disregard of matter and its so-called laws. Knowing that soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation".

Make it Yourself
by PAULINE ROY

If you wish to make this BUNNY, a direction leaflet is available. Just send a stamped, self-addressed envelope to the Make It Yourself Department of this paper and request Leaflet No. E-299.

Let's take a few minutes to see how your Christmas plans are coming along. You should be busily working on them now - but if not, you had better start. If you have many gifts to make, you will probably concentrate on smaller items so that you'll have time to finish them before the big day.

Toys
A few suggestions for gift items might be welcome - in fact, they might prove the solution to your problem. For children - and there are probably many children's names on your list - you might want to make toys. Stuffed animals have a charm all their own. They're soft and cuddly - can take punishment without showing it - and are inexpensive to make. Another idea is to stuff a stocking and then dress it in any style you wish. It's lots of fun to do.

Fashion Accessories
In the fashion line there are many small accessory items that you can make, and you'll find patterns for them in any of the patterns catalogues. You can make them in corduroy, velveteen or plaid wool - very smart fabrics for this season. Belts are other popular fashion items. You can feel assured that the gift of a belt will be appreciated, because a girl can't have too many of them.

For The House

There are so many things you can make for the house. Large projects that are absorbing and interesting, such as tablecloths, bedspreads and rugs. These must be started early if they are to be used for Christmas gifts. They are ideal wedding gifts too and can be given with pride and with the certain knowledge of how much they will be appreciated. From the tablecloth right down to the smallest dolly, hand made gifts for the home are always suitable. The range in patterns is wide and a suitable theme can be chosen for the most discriminating hostesses. There are pot holders, hot plate sets, tea cosies, cushions, lamp shades and so on - It's early yet, you have plenty of time to

Zonta Dinner Speaker To Be Prof. A. Phelps

The Zonta Club of Montreal will hold its annual birthday dinner on Friday, November 23, at the Mount Royal Hotel, at 7 p.m. The guest speaker will be Professor Arthur L. Phelps, B.A., F.R.S.C., whose subject will be "The New Morality."

Arthur L. Phelps is Professor of English at McGill University, which position he has held since 1947. Previous to coming here, he was Professor of English Literature at United College, University of Manitoba, Winnipeg. Canadian listeners have become familiar with his voice through such program as "All Our Yesterdays," "The Canadian Pattern," "This Canada" and many others. Two years ago he was invited to visit Britain, and while there gave a serie of broadcasts. Professor Phelps is an ardent exponent of Canadian culture, poet of repute, a literary critic of distinction and an outstanding authority on Shakespeare.

The president, Miss Helen Guiton, will preside at the dinner. Entertainment will be provided by Israel Libman, violinist, accompanied by G. Clifford Johnson.

Ostrich Plume Back In Fall Fashion Scene

After years of absence from the fashion picture ostrich feathers, beloved trimmings of the early 1900's, are coming back into favor.

Simone Cange, Parisian modiste, catering well ahead for customers interested in next autumn's styles, has just completed and shipped a pale pink beret shape with a cluster of ostrich plumes matching the wearer's hair and tucked over one ear to build up her coiffure. "There is," she says, "no feather which mingles better with natural hair than an ostrich plume."

get started, and THIS year greet the holidays with satisfaction.

Stuffed Bunny

If you wish to make a stuffed toy, try making this appealing little bunny. He sits up and begs to be loved. He can be made in any color of either percale, gingham, chintz, or calico-plain or printed - checks or plaids are good too. He has yarn whiskers and bright little button eyes. Children all ages will just love to have him.

Jack McKissock, of Gladstone Avenue, spent the weekend in Ottawa.

Mr. and Mrs. Allan H. Cameron spent last week end in New York and were guests at the Barbizon Plaza Hotel.

The Ladies Branch of St. George Curling Club will hold a bridge, on Tuesday afternoon, at the Clubhouse, 3685 The Boulevard. Mrs. Gilbert Layton and Mrs. J. Harold Reid are co-conveners.

Mr. and Mrs. Kenneth Mappin and Miss Sheila Mappin have returned from Toronto where they attended the marriage of Mr. and Mrs. Mappin's son, Mr. John Mappin and Miss Judith Taylor which took place on Saturday in York Mills.

Mrs. Angus de Mille Cameron, and Mrs. William Carin presided at the tea table, following a book review by Rev. Angus Cameron, of the Church of the Messiah, who spoke on "The Diplomat" by James Aldridge. The meeting, under the auspices of the Book Lovers' Forum took place on Wednesday afternoon in the Community House of Temple Emanu-El. Mrs. Harry Joshua Stern presided and co-chairman for the afternoon was Mrs. Irvin Gertsman.

Married Saturday In Calvary Church

Mr. and Mrs. James P. Taylor, whose marriage was solemnized in Calvary United Church on Saturday. The bride, who, prior to her wedding, was Miss Kathleen Audrey Robinson, is the daughter of Mr. and Mrs. Anson E. Robinson, of Westmount. Mr. Taylor is the son of Mr. and Mrs. John P. Taylor, of Toronto.

TAYLOR - ROBINSON

The marriage of Kathleen Audrey, daughter of Mr. and Mrs. Anson E. Robinson, of Westmount, to Mr. James P. Taylor, son of Mr. and Mrs. John Taylor, of Toronto, took place at half past three o'clock on Saturday afternoon in Calvary United Church, Westmount, with Rev. E. Clifford Knowles officiating. Mr. Gifford J. Mitchell played the wedding music and Mr. John Mabon was soloist. Yellow and bronze chrysanthemums formed the decorations.

Miss Eleanor LeRiche attended the bride given in marriage by her father. The best man was Mr. Ross Robinson and the ushers, Mr. Donald Coombs and Mr. Richard Robinson.

The bride wore a full skirted gown of white slipper satin, the skirt flowing into a slight train, the bodice having an Elizabethan collar of Chantilly lace and sleeves ending in points of lace over the hands. Her veil of tulle illusion was held by a shirred band of tulle and she carried American Beauty roses and white baby poms.

The matron of honor was wearing a two piece cape frock of autumn green corded taffeta with crossed bodice, elbow length sleeves and full skirt, her flowers yellow and bronze baby poms.

The reception took place in the Green Room at Victoria Hall, where yellow and white poms were arranged. For the wedding trip by motor to the United States the bride wore for travelling a dark brown charmain suit, with yellow blouse, brown accessories and a rust coat with corsage of yellow poms. The couple will make their home in Montreal.

MAPPIN - TAYLOR

The marriage of Judith Winifred, daughter of Mr. and Mrs. Edward P. Taylor, of York Mills, Ont., to Mr. John Newton Mappin, son of Mr. and Mrs. Kenneth G. Mappin, of Westmount, took place quietly on Saturday afternoon, in St. John's Anglican Church, York Mills, the Rev. Canon A. C. McCollum officiating. Mr. W. E. Cameron played the wedding music.

The bride, who was given away by her father, was in a period gown of parchment lace over a full tulle skirt, which fell into a long train. Her heirloom veil was caught at either side by a spray

of orange blossoms, worn by her mother at her wedding, and she carried a cascade bouquet of roses.

Miss Louise Taylor, as maid of honor for her sister, and Miss Sheila Mappin, of Westmount, sister of the bridegroom, as bridesmaid, were in ballet-length frocks of petal pink tulle, with fitted bodices and bouffant skirts. They wore headresses of ivy leaves and carried arm bouquets of Flan roses.

Mr. Victor Hansen, of Montreal, acted as best man for Mr. Mappin and the ushers were Mr. David Hackett, of Dedham, Mass., Mr. Lorne Walls, and Mr. Michael Peers, both of Montreal, and Mr. Charles Taylor, brother of the bride.

Mrs. Taylor, the bride's mother, was in a gown of beige taffeta and wore a hat of the same color and a corsage bouquet of green orchids.

Mrs. Mappin, mother of the bridegroom, wore a gown of slate blue faille with a matching hat and a corsage bouquet of hybrid orchids.

The reception was held at Windfields, York Mills, the residence of the bride's parents.

Later Mr. and Mrs. Mappin left on their wedding trip, the bride travelling in a blue and brown tweed suit, under a grey Persian lamb coat, and wearing a brown hat and accessories.

Among the out-of-town guests were: Mr. and Mrs. Kenneth Mappin, parents of the bridegroom;

The Junior Prom of McGill University will be held in the Sir Arthur Currie Memorial Gymnasium on Friday night, November 30.

The annual fall bridge party, sponsored by the Professional and Business Women's Organization of the parish, was held on Thursday evening, November 15, in St. Leo's School hall.

Mrs. Philip Fisher and Mrs. J. C. Nelles presided at the tea table Tuesday at the tea and sale of work held by the afternoon branch of the Woman's Auxiliary of the Church of St. James the Apostle.

George Cochrane, Assistant Principal of Van Horne School, and sports columnist of this newspaper spent the week-end in Ottawa.

The Women's Branch of the Antiquarian and Numismatic Society will hold its next meeting on Wednesday, November 28 at 2:45 p.m. at the Chateau de Ramezay. Louise Darios, the speaker, will take as her subject "The History of Song." Tea will be served.

Members of the Independent Art Association and their friends gathered, Monday evening, in Tudor Room Annex of the Windsor Hotel. The occasion was the preview of the 20th annual exhibition, showing sixty-eight paint-

Mrs. David Roy McNicoll, aunt of the bridegroom; Miss Betty Anne McNicoll and Miss Diane McNicoll, Mr. and Mrs. W. D. Benson, uncle and aunt of the bridegroom; Miss Willa Benson and Mr. George Benson, Mr. and Mrs. John P. Taylor, uncle and aunt of the bridegroom; Mr. and Mrs. J. C. Thompson, Mrs. F. R. Peverley, C.E., and Mrs. McGill.

Robert A. Speirs Addresses Solar Club On Ladies' Night

The annual "Ladies Night" meeting of The Solar Club Inc., was held in the Griffith Memorial Hall of the Homoeopathic Hospital on Thursday evening last when wives and guests of the members were entertained at dinner. The guest speaker for this occasion was R. A. Speirs, headmaster at Selwyn House School, whose subject was "Our Heritage of Education."

Fashion Hints

Out to the best places goes the blouse and skirt costume comfortable to wear and pleasing in appearance. This handsome duo is made up of a blouse in red and white striped silk faille with ruby red jeweled buttons, and a softly graceful skirt of iridescent red and purple taffeta. The skirt is box-pleated all around with pockets hidden in the folds.

Raymond Parsons for whom Mr. Ross Darling stood proxy. Following the ceremony Mr. and Mrs. James B. White, the child's maternal grandparents, entertained at tea for members of the immediate family.

ENGAGEMENT

Mr. and Mrs. Jean Charlebois announce the engagement of Miss Mimie (Flore) Mathieu, daughter of the late Victor Mathieu, of Quebec, and of Mrs. Jean Charlebois of Westmount, to Mr. Keith Dancy, son of the late O. F. Dancy and of Mrs. Dancy, of Toronto.

Mizrachi Women's Bazaar Will Benefit Children In Haifa

Mrs. M. Stern, National Vice-President of Mizrachi Women, is again convening the bazaar which is taking place at the Palais D'Or, 1226 Stanley St., on Wednesday, Nov. 28. Proceeds are being devoted towards the erection of a building in Haifa, which will contain a nursery for 350 children, a home and vocational school for 200 adolescent girls, and serve as a center for the youth of the city.

Because Haifa is a port city, young orphaned girls are in especial need of shelter and protection, and a chance to acquire a vocation under proper guidance.

Because Haifa is fast becoming a manufacturing city, working mothers must have a reliable and safe place for their children. A place where they may receive both secular and religious education, and good food, amid pleasant surroundings.

The culture of the working youth must not be neglected, so a large lecture and concert hall is included in the plans.

Cost of this new Canadian Mizrachi Women's project will be approximately \$200,000 and it is hoped that construction will begin within the next month.

The speaker outlined the educational philosophy and teachings used by the ancient Greeks and Romans to show that our educational system today shares a common parentage with that of other countries having been inherited from the spread of knowledge by the Italian Renaissance and Grecian culture. The development of private schools in England, and the work of that famous English teacher Thomas Arnold was also referred to in emphasizing the educational objectives which are sought today in training and developing the moral and intellectual faculties of our children to enable them to take a responsible place in our community.

The speaker was introduced by R. White and thanked by W. Stracey with President Bert Harding in the chair.

Business Club Holds Successful Bridge

The annual fall bridge party sponsored by the Professional and Business Women's Organization of the Parish of the Ascension of Our Lord, Westmount, was held on Thursday evening, November 15, in St. Leo's School Hall.

The President, Miss Rhodina McGonigal welcomed the members and their guests, and tendered a vote of thanks to Miss Alice Kelly, general convener, and her committee, for making this event such an outstanding success.

The chairman of the committees for the occasion were: Miss Beryl Quigley, ticket convener; Miss Josephine Brady, chairman of donations; Miss Dorothy Costigan, convener of refreshments; Mrs. Eileen St. Martin, convener.

Rev. Fr. Donald Feron, Director of the organization, addressed the gathering and was assisted by Rev. John Colford in the presentation of prizes.

Scotch Auction Tomorrow Evening At The 20-30 Club

A "Scotch Auction" will be the St. Matthew's 20-30 Club program tomorrow evening. All members and friends are invited to attend, bringing along any small article valued at 10c or more. The club's auctioneers will do the rest and guarantee lots of fun for all. The event will be held in the church hall, starting at 8.30 p.m. Refreshments will be served.

Next Friday, November 30th, 20-30 Clubbers will be guests of H. E. McCormick, president of The Monitor Publishing Company, who will entertain them in a tour of the offices and plant of The Monitor. The complex methods of publishing a newspaper will be explained and demonstrated by Mr. Reg. Groome of The Monitor staff.

"The People Next Door," the three act comedy play produced in the church hall last week by the 20-30 Club, was a decided success, according to First vice-president David Argall. He added that plans are now being formulated for a revival of the club's famous Variety Shows, next spring.

Forthcoming events include the Christmas Semi-Formal Dance on December 14.

Lyse Vezina
 A violoncello made in Cremona, Italy, by Baptiste Ceruti will be played by Miss Lyse Vezina for the first time publicly at the N.D.G. Women's Club musicale, Dec. 7 in Victoria Hall. Miss Vezina, who has won three scholarships at the McGill Conservatorium, and the Archambault Prize last year, was once soloist with the Montreal Symphony Orchestra and has played with the Symphony Orchestra of Three Rivers. Her accompanist, Valerie Trueman, has also been highly commended.

The Sunny Side
 With world affairs offering such a breeding ground for pessimism, the average person is casting about for inspiration to keep a cheerful, healthy outlook on life. We brightened considerably the other day or receiving a copy of the official creed of Optimist International, from Mrs. A. C. Lloyd, publicity chairman of the Women's Auxiliary of the Montreal Optimist Club. It was written by Christian D. Larson, and is the more welcome because of its directness and simplicity. We'd like to reprint it here:

The Optimist Creed
 Promise Yourself . . .
 To be so strong that nothing can disturb your peace of mind.
 To talk health, happiness and prosperity to every person you meet.
 To make all your friends feel that there is something in them.
 To look at the sunny side of everything and make your optimism come true.
 To think only of the best, to work only for the best and to expect only the best.
 To be just as enthusiastic about the success of others as you are about your own.
 To forget the mistakes of the past and press on to the greater achievements of the future.
 To wear a cheerful countenance at all times and give every living creature you meet a smile.
 To give so much time to the improvement of yourself that you have no time to criticize others.
 To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
 Incidentally, the Club is called "Friend of the Boy," and it is fitting that the Montreal Auxiliary's next major project is a Christmas party for underprivileged boys at the winter clubhouse in Point St.

Charles, where the Optimist Club of Montreal operates.

Local Talent
 Mrs. W. P. Kierans is most enthusiastic about the 20th exhibition of the Independent Art Association, now on display until Dec. 3 at the Windsor Hotel. She tells us that it is the largest and best exhibition the group has ever displayed, and includes Quebec scenes by Francesco Iacurto and Thurstan Topham, and work by Richard Jack, A. Sherrif Scott, Hall Ross Ferrigard, and Emile Lemieux.

Expected to be a main attraction at the show is an oil painting of huge crowds cheering the Royal Couple, as they wave from the balcony of the Windsor Hotel. Painted from Dominion Square, the picture is said to give one the impression of being present at the scene.

Remarkable Indifference
 Speaking of Canadian art, evidence of the shameful neglect in supporting local culture was seen when the Westmount sub-division of the C.W.L., seeking to correct this indifference, sponsored a colorful exhibition of Canadian art and handicrafts in St. Leo's School hall last week. The articles displayed, from paintings and wood-carvings to sweaters knitted with metallic threads, were of a high quality and comparatively low price to suit the average Christmas gift buyer, yet the few visitors were more enthusiastic patrons of the homecooking and books, which were to have been sidelights.

And we wonder why Canadian talent goes south.

Silver Cross Women
 The Silver Cross Women of Canada (Montreal Chapter) will hold their regular monthly meeting on Wednesday, November 28, in their club room, at Legion Memorial Building, 1190 Mountain Street.
 A sincere and hearty welcome is extended to all members, and wearers of a Silver Cross. Refreshments will be served.

Choir Sings Carols At Club Bridge

A distinctly different touch featured the annual fall bridge of the Notre Dame de Grace Women's Club which was held with Mrs. J. B. Rice as chairman on Monday afternoon in Victoria Hall. This was a real Christmas party and as Mrs. Rice so aptly put it "with none of the worry and weariness and all of the enjoyment of a Christmas party". The tea table was tastefully decorated with red candles and Christmas centrepiece. On the stage was a beautifully decorated Christmas tree and the Notre Dame de Grace Women's Club choir seated at card tables as informally as if in their own living room, sang Christmas carols before playing commenced.

Mrs. K. E. Norris, the president, and Mrs. J. B. Rice received the guests. There were door prizes and the drawing prizes included a painting and a child's fur coat.

Refreshments were served by Mrs. A. R. Clouston and her committee with Mrs. T. Dawson as tea hostess.

Conveners Named For Stanley Bazaar

Members of the Women's Association of Stanley Presbyterian Church are holding their annual bazaar in Franklin Hall Memorial, on Friday, December 7, from 2:30 to 9 p.m. Afternoon tea will be served by Mrs. George L. Knox and members of Group D, from 3 to 5 p.m.

Mrs. Leslie Currie is convener of the supper, which will be served in the lower hall from 6-7 p.m. Those assisting in the preparations are Mesdames L. R. Canning, Robert M. Jamieson and Osterberg, while Mrs. F. W. Benn is in charge of the table decorations.

Tickets for the supper may be obtained from the Bazaar Committee, or from Miss L. A. Duguid, before December 2.

At Monkland Saturday

Corinne Calvet displays her Continental charms in "On The Riviera," Twentieth Century-Fox's Technicolor prescription for whatever ails you, coming to the Monkland Theatre, Saturday till Tuesday. Danny Kaye and Gene Tierney share top billing with the French lovely, in this merry, melodious, and madcap musical.

Danny Kaye Walks On Mink In Musical Comedy At Monkland

Lavish is the word to describe the new Twentieth Century-Fox Technicolor musical, "On The Riviera," which starts 4 day engagement at the Monkland Theatre Saturday.

Stars Danny Kaye, Gene Tierney, and Corinne Calvet cavorted on elaborate sets, wore fabulous cos-

tumes, and in general out-did Hollywood at its own game.

For a scene at an airport runway, the studio paved the path with fifty thousand dollars worth of minks. When Kaye was informed of the plush underfooting, rented from a Los Angeles furrier at a cost of two thousand five hundred dollars per day, he remarked with a startled grimace, "Walk on them? In shoes?" He couldn't do that, he said, and asked if it would be all right to walk in his stocking feet. Director Walter Lang agreed. Thanking the film mentor, Kaye remarked: "I always treat mink with respect. I can remember when I could have lived for a year on one mink."

Not only were his tootsies given the royal treatment, the rest of Danny's frame was treated with equal elegance. In another scene, Danny wore a six hundred eighty five dollar suit. Not designed to set any new style trend in men's clothes, the garment was corded with bugle beads to give it an iridescent quality for the Technicolor camera. "On Betty Grable, it might look good," said Danny, "but on me—well, it's a good thing I'm a comedian."

Let's Eat

By IDA BAILEY ALLEN

"Meat is too expensive to treat with disrespect," grumbled the chef. "I get hot under my high bonnet when the ladies look down the nose and call oddments of good meat, 'just leftovers'."

"Some ladies we interviewed this summer on the high cost of eating told me they threw away the leftovers. No wonder the garbage cans are fat and the pocketbooks lean".

But everybody doesn't throw out leftovers, chef. When they do, it's because they think it isn't safe to keep food more than a day. That was true before good refrigeration became common. If refrigerated at 45 degrees, food will keep several days, if properly covered".

Food Must Be Covered

"The food covering is important, madame. It is absolutely necessary to keep each food in a covered container, or else wrapped in aluminum foil or waxed paper to keep in the moisture, and to protect it from absorbing smells of other foods".

"Those oddments of ham we have in the refrigerator, chef, are a week old, but still nice and moist. Let's use them in making a dinner entree — something new — ham-corn fritters.

"I also have a surprise recipe, madame — my two-decker apple pie".

Ham-Corn Fritters

Beat a grade A, B or C egg. Add ½ can corn kernels, ½ tsp. salt, ½ c. milk, and 1 c. enriched flour sifted with 2 tsp. baking powder. Stir in ¾ c. fine-diced smoked ham, or use canned "chopped" ham. Add 2 tbsp. melted shortening. Drop by half-tablespoonfuls on to a heavy oiled frying pan. Fry on one side; then turn to brown the other. Allow about 4 min.

Onions au Gratin

Plain-cook 1 doz. small white onions. Make 2 c. white sauce as usual, but use ½ c. of the liquid in which the onions were cooked and ½ c. undiluted evaporated milk. Combine the onions and sauce in a buttered shallow bak-

ing dish. Top with ½ c. coarse crumbs mixed with 1 tbsp. melted butter and 2 tbsp. grated sharp cheese. Heat and brown in a hot oven, 425° F.

The Chef's Latest — Two-Decker Apple Pie

Oil two 8-inch layer cake pans. Combine 4 c. sliced peeled tart apple with 1¼ c. sugar, ¼ tsp. salt and ½ tsp. nutmeg or cinnamon. Transfer to the layer cake pans. Cover with American pie-crust and bake 35 min. at 400° F.

Put together just before serving. To do this, turn one pie crust-side down on to a deep large plate. Top with the second pie, also crust-side down. Serve warm with top cream.

Percentage Shop To Aid Hospital Auxiliary Work

A committee meeting was held recently at the home of Mrs. Matthew Fisher to discuss plans for a Percentage Shop, to raise funds for the Auxiliary of the Catherine Booth Mother's Hospital.

Mrs. Matthew Fisher and Mrs. Don Sutherland are co-chairmen of the committee.

A circular giving full details of this project will be distributed through N.D.G. shortly.

Sunday At The Westmount

Elizabeth Taylor, Montgomery Clift and Shelley Winters deliver the greatest performances of their careers in Paramount's "A Place In The Sun," opening Sunday at the Westmount Theatre. George Stevens produced this exciting account of the hopes, triumphs and despair of present-day youth.

"A Place In The Sun" And "Sunny Side Of The Street" At Westmount

In Paramount's "A Place In The Sun," which opens Sunday at the Westmount Theatre, producer-director George Stevens has given us an unusually forceful and arresting screenplay that is superbly acted and beautifully mounted.

Starring Montgomery Clift, Elizabeth Taylor and Shelley Winters, this brilliant film tells with compassionate understanding, the story of three young people desperately searching for happiness. The drama of their aspirations, their loves and their conflicts is woven in a richly colored cinema design that patterns an exciting commentary on present-day youth and its real, down-to-earth problems.

Montgomery Clift appears as a poor, ambitious youth working in his wealthy uncle's mill. He has a love affair with factory-girl Shelley Winters, but is soon attracted to beautiful socialite Eli-

zabeth Taylor and her glamorous way of life. After a whirlwind romance, the two plan to marry, as Clift wins an important position at the plant. But the impending wedding is threatened when the mill worker reveals that she is expecting a baby.

Then an ironic twist of fate intervenes and the ultimate destinies of the trio are expounded in exciting, tense sequences charged with rare impact and suspense.

A highly entertaining, all-in-color musical, Columbia Pictures' "Sunny Side of the Street," is the delightful added attraction. Advertising for the film uses the line, "Just direct your feet to the 'Sunny Side of the Street,'" valid advice, indeed! The new Columbia picture in Super-cinecolor is a tune-filled treat, comedy-crammed and romance-loaded pleasantries. The film features eight of the greatest stars of stage, screen, radio and television: Frankie Laine, Billy Daniels, Terry Moore, Jerome Courtland and Toni Arden.

Nine great songs, from the all-time parade of song hits, are brilliantly sung by Frankie Laine, Billy Daniels, Jerome Courtland and Toni Arden. These perennial favorites are "I'm Going to Live Till I Die," "I May Be Wrong," "I Hadn't Anyone Till You," "I Get a Kick for You," "The Love of a Gypsy," "Let's Fall in Love," "Sorrento" and the title song.

Trinity Group Rehearsing The Happiest Years

On December 5, 6, 7 and 8, Trinity Players will produce "The Happiest Years" a comedy on the theme of the war veteran and his wife who live with mother-in-law while the veteran finishes his college education.

The leading part of the mother is played by Frances Lindsay, who has been the recipient of two drama festival awards in recent years. She portrays the character played by Peggy Wood in the Broadway production.

Other well known Trinity players in the cast include Miriam Lunn Armstrong, Rosalie Briggs, Violet Busby, Rita Roy and Alfred Redgeil. New in Trinity casts are Larry Carlin, who was seen in the Mountain Playhouse this year; Brahm Feldman and John McRae.

Dorothy Pfeiffer, C.D.A. is directing.

Danny Crystal, who headlined a Montreal cabaret revue just a few weeks ago, is the comedian on the show. Lovely Maribeth Olds "opens" with her smooth acrobatic dancing, while the Wilfred May Trio present something very new in juggling.

The motion picture "High Fury" is one packed with action and suspense and rounds out one of the best programs presented this season at the St. Catherine Street West showplace.

Manager Mark Mehr stated that in response to the requests of many housewives with children who like to see the full movie, shorts and stage show, and still be home before their children get out of school, the show opens at noon, first show commencing at 12:15 and is over before 3:00 p.m.

W.H.S. Play In Golden Ball Basketball Tomorrow

With the Q.R.F.U. still in full swing when the RMR play Hamilton tomorrow afternoon and with the high school soccer season not yet through, we begin to wonder when and if the hockey and basketball will get going. Our wondering ceases, however, as we hear that the annual high school's Golden Ball Basketball tournament is scheduled for an early nine o'clock start tomorrow a.m. with 49 schools entered from all over the province of Quebec including three from the Westmount High Schools. The Senior High this year are sponsoring both Sr. "A" and "B" hoop teams as the Junior school enters the bantam section again.

Westmount High's first game is slated for two p.m. versus the winner of the previous Baron Byng vs. Catholic High meet. Should they come out on the short end of the score they play again at seven while tangling in the eight fifteen match for the "A" championship should they win at two. Coaching once more is last season's city All-Star mentor, Ron Sharp.

Miss MacMillan starts girls' basketball sessions this coming week with a fairly large turnout expected. 11Ga2 is the team that presently heads the inter-class league along with 11Gc.

Today at five, the Westmount High Senior "A" Hockey sextette journey to Lachine Arena to meet an undecided Montreal West team, undecided because they aren't sure which league to enter, the "A" or "B". In previous exhibitions the locals lost to the West Hill Ju-

niors 5-4 then won 2-0 over the same team a week later. Charlie Baillie and Jim Besant scored in the latter fray. Hold overs from last year's team are Baillie, Mel Reece, Doug Kerr and John Petry.

Coaching the Senior "A's" this season is "championship" mentor wise in the ways of high school puck-chasing, D. N. "Don" McRea.

NOTES: Popular "Skip" Warnock who was left out of the high school football this fall on account of a severe shoulder injury, voicing his attention of turning out for the hockey squad . . . hope he makes it . . . we hear that the WHS Glee Club is taking part in December 16th's "Voice of Youth" broadcast over station CFCF as support for other Westmount High features on the three-quarter hour program which will be prepared and recorded in the school during the week Dec. 10 to 15 . . . it seems also that this year's Hi-Y Club is going to have to do without its annual Christmas Dance due to new rulings now in effect . . . June Dowbigan and Chuck Baillie were chosen Queen and King of the Football season at a dance held last week . . . finally, the Westmount High Old Boys had a terrific success with their first attempt at an oyster party when they showed healthy returns after last Friday's do at the RMR Armoury . . . and P.S., the annual High Schools' Hockey Carnival

St. George Curling Club Plays For St. Andrew's Cup

Defeat Lakeshore To Take Title On Muddy Field

Captain Dave Peebles' Royal Montreal Regiment Football team came through with a well deserved victory on Saturday at the Westmount Athletic Grounds when they blanked Lakeshore Flyers 9-0 to win the senior Q.R.F.U. title.

Last year Lakeshore defeated Westmount Warriors but were knocked out of the Eastern Canada final by Cobourg.

R.M.R. will face Hamilton Panthers tomorrow afternoon at the Athletic Grounds in this year's eastern final.

The two big factors in Army's win on Saturday were Danny Johnson and Mike Maruska. Maruska scored eight of the nine R.M.R. points booting a single in the first quarter; two in the second and plunging through for a major in the final frame. Masterson got the other point for Army.

Danny Johnson the hard driving negro player on the R.M.R. squad who nurses shrapnel wounds in his legs received in the Second World War reeled off valuable yardage time and again to keep Army well in the Lakeshore zone.

Flyers who rely to a great extent on the flinging of Ron Farlington were unable to get going in the air as the slithering condition of the ground mitigated against forward passing with any degree of accuracy.

Flyers did not gain possession once during the game in Army territory. Maruska and Johnson who starred for Army played last year for Lakeshore. The powerful Army line showed to advantage on Saturday and kept a tight grip on Lakeshore giving Maruska and Johnson splendid protection. Johnson although never hitting the scoreboard was the kingpin in the Army team, which stuck to the old standby offensive of two bucks and a kick. Johnson cut through the middle for consistent gains.

Army garnered 13 first downs while Lakeshore had to be content with only seven. Five of the Lakeshore first downs came in the last half, when they took to the air and completed two out of nine forward passes.

Army dominated the play in the first quarter but was only able to score a single in the final minute when Norrie Masterman lifted a fine boot to Jock Kinnell in the end zone with Kinnell conceding the point.

Ray Tremblay was doing a fine job of quarterbacking for Army. Wilf O'Hagan was smeared in the Lakeshore end zone on a kick by Maruska to give Army its second point of the game in the second quarter. O'Hagan had plenty of time to run out but fumbled at the crucial moment.

A couple of Lakeshore fumbles paved the way for two more points for R.M.R. in the third quarter. In each case Lakeshore seemed to be marshalling their forces for a march downfield but over-anxiousness coupled with the slippery condition of the ground contributed to their undoing. Maruska kicked both singles in this quarter.

In the closing quarter Lakeshore really put on the pressure. A couple of long passes clicked for good gains but Army stopped the threat when Dick Joseph intercepted. The heavy going was telling on Lakeshore. Harry Miles salted the game away for Army when with only two minutes remaining he secured first down on the Lakeshore 15 yard line. Maruska went round end for the only major of the game which was not converted.

Right up until Army got this major, Lakeshore were a constant threat as if they had been able to get away for a touchdown they might have won.

Considering the terrible state of the ground and the fact that the players were coated with mud from head to foot the pace of the game was remarkable.

The officiating came in for praise from both squads which was very pleasing to president Reg. Watson and his Q.R.F.U. executive. Jimmy Green was Referee, Lou Miller, Umpire, Jim Spicer, Judge of Play, and Alec Fleming, Headlinesman.

CENTENNIAL HIGHLIGHTS

Centennial Dinner
All members and friends of the "Y" who plan to attend the Centennial Dinner at the Windsor Hotel tomorrow evening are asked to be in their places by 6:15 p.m.

Centennial Church Service
A cordial invitation is extended to everyone to attend the special service to be held in the First Baptist Church, corner of Guy and Dorchester Sts., Sunday, November 25, at 11 a.m.

Centennial Revue
Everyone is reminded to keep the date — Friday, December 14 of next month open. An interesting show with a variety of eye-catching numbers will be featured in the display of the Y.M.C.A.'s present program.

PHYSICAL DEPARTMENT
"100 Years and Youth"
Three members of the Westmount "Y's" Senior Leaders Corps were heard in the program entitled "100 Years and Youth" heard over CFCF last Sunday noon. Doug Sellar, newly elected president of the Corps, Paul Murphy and Bruce Robertson were members of the cast of the half hour production.

Fencing Club
Coach Roland Asselin has announced plans in which the Westmount "Y" Fencing Club will sponsor the first of a series of Invitation Tournaments for Class "A" Fencers, sanctioned by the Prov. of Quebec Fencing Association. These Tournaments will not be for a specific championship but will afford the top fencers in the area, continuous competition prior to the Olympic Games next year. The meet, to be held at Westmount "Y" Saturday evening, December 1st, at 7:30 o'clock, will be the first pre-Olympic competition, but Mr. Asselin pointed out that the choice of an Olympic Team will not be determined by these bouts, "they will serve to provide top-rate competition from now until the Olympic Games", he stated. It is expected that the other Fencing Clubs in the City will hold similar invitation tournaments.

Swim Team
The Boys' Swim Team, under Coach Gilbert Young, is stepping up the training program in preparation for the coming meets in December. The first City-Wide inter-"Y" meet is scheduled for December 14 at the International "Y" pool on Park Ave. All members of the team are urged to be on hand Saturday, at noon, for the regular practice, at which time it will be announced what meets the team will be entering.

Gymnastic Team
The Senior Gymnastic Team is now working out each Saturday afternoon with the McGill University Team and has arranged a series of exchanged work-outs with the Collegians, for their regular work-out sessions.

YOUNG ADULT DEPARTMENT

Film Club
Chairman Ron Gee, of the Film Club, has outlined the program to be shown tonight, Friday, Nov. 23, at 8:00 o'clock. The first film is a beautiful and interesting portrayal of the Centennial Convention at Cleveland last June. This truly "once in a lifetime" event is filmed in beautiful color and is entitled "Y.M.C.A. Centennial Highlights". The second film is called "Historic Death Valley". It shows the fantastic formations produced by mighty earth convulsions. A miniature Shara below the sea level, surrounded by snow capped mountains — in beautiful colors. The final film to be shown on the program is entitled "Charter of the United Nations". It is a clear, complete description of the General Assembly, Security Council, Atomic Energy Commission, and other bodies of the U.N. Organization.

Square Dance Club
More than six squares were in action for the most part of last Tuesday evening during the regular session of the Square Dance Club. An amazing spirit is in evidence in the group which is expanding every week. Next Tuesday, Nov. 27, there will be a meeting at 8:00 o'clock, just prior to the dancing, at which all members of the Club in good standing are urged to attend. The nominating committee will present the proposed slate of officers for the coming year and election for these offices will take place, followed by a brief discussion of plans for the coming season.

Callers Howard Fairbairn, Jay Conn, Bill Hopper and Bob Hill will be guest callers at the Square

Eastern Grid Final At W.A.G.

R.M.R. — Hamilton In Sudden Death Game Tomorrow

R.M.R. (Army) will meet Hamilton Panthers the Ontario champions for the Eastern Canada Intermediate (Senior B) title tomorrow afternoon at Westmount Athletic Grounds. The Hamilton team comes here with an established reputation of being the best coached squad in Ontario.

The winner of tomorrow's match will meet St. Boniface Legion team from Winnipeg in the Dominion final to be played in Toronto next week December 1. The Dominion final will be played on the East York Stadium.

A new trophy to be known as "The Duke of Edinburgh Trophy" will be competed for this year and will be emblematic of the Dominion Championship. Officials are hoping that Army will go through to the final as if so, the playoff between Legion team and a service team will be popular.

It is the intention of the Ontario Football Union to stage an Army and Vets day in connection with the final, with the G.O.C. of the Ontario Command kicking off.

Hamilton Panthers are the same team which met defeat here at the hands of Navy two years ago when they played under the name of Dundas, a Hamilton suburb. Since that time the Dundas team has been taken over by Hamilton Tiger Cats and train with the Big Four club three or four nights every week which accounts for their fine condition.

Dance Callers Course being sponsored by the Greater Montreal Branch of the Canadian Association for Health, Physical Education and Recreation, during the next month. The Westmount Club is gaining recognition as one of the most active groups of its kind on the Island.

Program Council Meeting

A meeting of the Adult Program Council has been called for Thursday evening, Nov. 29, at 8:00 o'clock at the Westmount Y.M.C.A. The following groups are expected to have representatives present: The Board of Management, Square Dance Club, the Residence, Fencing Club, Badminton Club, Body Builders Club, Gymnastic Club, Basketball League, Married Couples, Phalanx, Film Club, Fiat Club, Success Course, and the Effective Speaking Group.

BOYS' DIVISION

Junior Floor Hockey League

The Junior Floor Hockey League officially opened last Saturday morning in the Gymnasium of the Westmount Y.M.C.A.

In the first game the famous Rockets defeated the fighting Mohawks by a score of 4-2. The Brother team of Jack and Michel Cote starred for the winning Rockets. The Mohawks were sparked by such veterans as Jimmy Graham, David Stanway and Peter Sealey.

In the second game the Lakeshore Flyers defeated the Globetrotters 6-1. Bill Kerr starred for the Flyers, while Christopher Woodburn, Jimmy Millington and Johnny Lewis starred for the Globetrotters.

Hobby Show

The first meeting of the Westmount Boys and Girls Hobby Show will be held this afternoon at the Westmount Y.M.C.A. Members of the Westmount Boys and Girls Hi-Y Club, and two representatives from each of the Westmount Schools will be present at the meeting.

Kanawana Campers

The second meeting of the Kanawana Campers who are to take part in the Centennial Revue will be held tomorrow, Saturday, Nov. 24, immediately following the movies. Those who did not attend the first meeting are welcomed.

Dave Peebles, the RMR mentor, however, points to the fact that Navy took this club in 1949 and Dave thinks that R.M.R. is a stronger aggregation than Navy was in that year hence his optimism.

The band of the R.M.R. will be out to help the boys on their way and George Wheatley is arranging to have the R.M.R. Association (No. 14 Branch of The Canadian Legion) turn out in mass to help out the cheer leaders.

M.D. No. 4 will also be represented as Defence Authorities are becoming more and more sold on the idea that sports for the Army must be encouraged if the physical standards of the youth of the nation is to be improved. R.M.R.'s splendid showing in winning the Quebec championship this year has brought congratulations to the Westmount unit from many local regiments.

During tomorrow's game, running radio reports of the Grey Cup game in Toronto will be broadcast so that fans will be kept up to the minute on what is happening in the big grid struggle.

The only thing that Capt. Peebles and his Army team ask is that local fans turn out in large numbers to give their support to R.M.R. in their quest for the Dominion Title.

Royal Pharmacy Edge Stars In Rough Game

A second period goal by Frank Stanway gave Royal Pharmacy a 1-0 shutout over Jack MacDonald's Westmount Avenue Stars last Saturday at the St. Laurent Arena as the Stars suffered their second defeat of the St. Laurent Intermediate Hockey League season.

Referees Jimmy Haggerty and Willie Mosdell had plenty of work cut out for them as the game threatened to get out of hand in the second and third periods, but each time Haggerty and Mosdell equalled the occasion, even though at times the teams were playing four-a-side.

After a scoreless opening period with Royal Pharmacy getting the only penalty, Stanway got the only goal of the game when he slapped home Ken Shaver's pass at 9:00 of the middle canto.

At 12:50 of the period, the penalty box became slightly crowded as Harry Marshall and Frank Stanway were sent off for Royal Pharmacy along with Charlie Morgan and Jim McCarthy for the Avenue Stars.

With both goal tenders, Doug Brambell of the Stars and Bob Bridger of Royal Pharmacy rising to great heights, the third period was marked by another parade to the penalty box with Bill Shaver of the Pharmacy squad leading the way at 1:33, followed by Allen Turner at 2:31, for the Stars.

Phil Martin of the Stars and Ken King mixed things up a little and were sent off for two minutes each, then before they were ready to return to play, Guy Bonnier and Frank Stanway were banished for two minutes, leaving the teams once again with only four men.

However, the damage had been done by Stanway's lone goal, and so that's the way the game ended — 1-0. This week the Stars will be

JUNIOR STAMP CLUB

Last night at the Stamp Club a stamp quiz was held with great success, and many nice stamps were won by the members.

Already preparations are being made by the members and executive for the stamp exhibition coming up in the spring as we want to make it a real hit this year. Three weeks from now we hope to have movies, which will most probably be on stamps and some other interesting subjects.

All these things are done in order to make it interesting for you, so if you think you would like it why don't you drop in at Victoria Hall next Thursday around 7 o'clock? We will be glad to see you.

Hockey News

There is to be a hockey meeting for Bantam, Midget and Juvenile entrants on Monday, November 26, at 7:30 p.m., at the Westmount Athletic Grounds, 4350 St. Catherine Street West. One or two representatives for each Club will be sufficient.

It is important that all interested turn out, as club application forms will be given out. These forms must be filled in before we can get the players individual cards. The cards must be turned in to the Q.M.H.A. for approval. We would like to have this all done by the time we open our schedule.

To date, the rinks are under construction, and if the weather remains cold we may have ice sooner than expected.

Pee Wee players are asked to report to the Westmount Athletic Grounds between 6:30 and 7:30 p.m. on the above date.

All boys living in Westmount or attending Westmount schools are eligible to play in these leagues.

Anyone interested in refereeing or coaching, please be present.

Don't forget, the Westmount Athletic Grounds at 7:30 p.m. on Monday, November 26th.

Elderly People's Club

The Elderly People's Club held their second meeting on Wednesday, November 14th, at the Westmount Athletic Grounds.

Although the weather was again distasteful, the turnout was exceptionally good. In all, there were twenty men and women

RMR Swamp Highlanders In Military Ball League

Royal Montreal Regiment's other rank's indoor ball team swamped Black Watch 15-2 in a Military Ball League fixture played on Monday night. Several of the R.M.R. football squad played on the team which trimmed the Highlanders. Lanky Mike Barnard of R.M.R. struck out 14 of the Kilties.
