MUNICIPAL ASSN. BACKS CITY

On The Home Stretch — Job Nears Completion

The above picture shows the only remaining stretch of Sherbrooke Street yet to be paved. As will be seen the job is rapidly nearing completion, with only that part of the artery between

Kensington and Clarke still to finish. Considering the magnitude of the work involved residents have been put to a minimum of inconvenience. Traffic is already flowing in both directions.

Pass Resolution Endorsing Action — Rooming By-Law

The Westmount Municipal Association, at an executive meeting held in Victoria Hall on Tuesday night, went on record as fully endorsing and supporting the City Council's action in enforcing the by-law excluding rooming and boarding houses from certain areas.

The full text of the resolution, which was unanimously approved, reads as follows:

"That the executive committee of this association, believing that the City of Westmount By-Law No. 506, amended by By-Law No. 532, relating to Exclusion of rooming and boarding houses from certain areas was enacted after fullest examination and after due notice to proprietors, hereby reiterates its support of the City in its efforts to enforce it."

Prior to the resolution being put to the meeting the matter was fully discussed, with all aspects of the situation being brought out. The opinion of some members was that the City will probably not enforce the by-law so severely as to cause evictions but that sufficient time will be given to allow the proprietors of rooming and boarding houses to make other arrangements.

It was mentioned that the great majority of rooming and boarding house proprietors are falling in line with the City's enforcement of the by-law but that there is a small minority who are endeavouring to create trouble.

R. S. White, chairman of the Recreational Committee, in his report which was submitted by W. C. Beamer, commended Lionel Fournier, director of recreation, for the excellent work he has done since his appointment. The report mentioned that two assistants to Mr. Fournier will be appointed shortly, one a female to supervise crafts and arts, and the other a man to run outdoor and indoor sports.

Mr. White's report stated that the director of the Recreation Department is at the moment organizing basketball for young adults. Mr. Fournier is also doing quite a job in organizing hockey in Westmount but within the Quebec Amateur Hockey Association framework. In the hockey set-up all levels will be taken care of.

Dent Harrison, chairman of the membership committee reported that the membership total stood at an all time high of 1,100. W. E. Black, secretary of the association, stated that in his long connection with the organization he could not recall a higher membership. Mr. Harrison was congratulated for his efforts in increasing the membership which it was felt was due largely to the work of his committee.

The Library and Educational Committee were asked to submit nominations for the School Board and Library Board at the next executive meeting in November.

The question of appointing a nominating committee for civic offices came up, but as the present council were elected for two years, and there will be no election in 1952, the matter was dropped.

The nominating committee for next year's officers of the association will comprise the three

Guest House Ass'n Advised By City; By-Law To Stand

Mrs. R. Cardinal, Secretary, Westmount Property & Guest House Owners' Assoc. 258 Metcalfe Avenue, Westmount, Que.

Dear Mrs. Cardinal:

Following your visit to the Council on the evening of September 24th, the changes requested by you have been carefully considered and I wish to report as follows:-

The Council point out that the division of the City into Zones is the result of years of planning with the prime consideration of maintaining Westmount as a residential city and it was made with the objective of providing a fair share for each requirement.

It is evident that any extension of the business area and the area already allocated for board-and and rooming and houses could only be made at the expense of reducing the area assigned to residential buildings.

In the opinion of the Council, the present area set aside for boarding and rooming houses is a reasonable percentage of the total area of the City and is adequate for the purpose intended.

I am, therefore, directed to advise you that the Council cannot see its way clear to grant your requests and you are, therefore, asked to comply with the requirements of the present By-Laws.

Yours very truly,
T. J. Hughes
General Manager.

Current Events Club

Eva Peron, wife of Argentine's president, the nature of the king's illness, the rearming of Japan, the question of whether schools should discontinue the practice of assigning homework, and socialized medicine were among the subjects discussed by members of Westmount Senior High School's Current Events Club at its meeting last Wednesday, September 20.

As it was not the purpose of those assembled to debate the various topics which were introduced, no decisions were reached.

The next Current Events Club meeting is scheduled for Wednesday, October 17

Cecil T. Teakle, Westm't Teacher, Honored Thursday

Cecil T. Teakle, of 459 Strathcona Avenue, Westmount, was honoured last night at the Convention Dinner of the Provincial Association of Protestant Teachers. Mr. Teakle, Supervisor of French for the Department of Education, received the Third Degree of the Order of Scholastic Merit, the highest award of its type which a Quebec Protestant educationist can obtain.

Mr. Teakle replied on behalf of the 14 teachers, administrators and supervisors who received the awards of the Board of the Order of Scholastic Merit.

The banquet, one of the highlights of the Protestant teachers' two-day convention which began its session yesterday morning at the High School of Montreal, was held at the Ritz Carlton Hotel.

Car Badly Damaged In Truck Collision

The auto involved in a car-truck collision Saturday at the corner of Sherbrooke Street and Wood Avenue came off the worse with \$500 worth of damages.

The driver was Harold E. Turland, of Detroit. The truck driver was Leo Chevaire, of St. Martin.

The Examiner Offices will be closed all day on Monday for the Thanksgiving holiday.

Rotarians Told Movies Best Propaganda Weapon

Westmount Rotarians were told this week that the movie was a powerful propaganda weapon in the world-wide struggle for the minds of men by Frank Fisher, general manager of Rank Film Productions in Canada.

Speaking at the weekly meeting, he said that Canada was at present undertaking a freedom program of films which will be shown throughout the world to fight for democracy and combat propaganda against it.

Mr. Fisher stated that the freedom films would publicize the principles for which democracy stands and would inspire confidence in our way of life among peoples of other lands.

He quoted General MacArthur as saying films had helped democratize the Japanese and went on to say that they illuminated the way of liberty to all men and inspired unity among all nations.

Canada's contribution to the film world, he stated, had been measureless. Great stars such as Mary Pickford and Marie Dressler from Cobourg; Max Sennett, of Quebec; and Norma Shearer, of Westmount; made movies popular in the "silent days".

Mr. Fisher said that Norman Reilly, of Toronto, wrote Marie Dressler's "Tug-Boat Annie" stories; that Henry McRae, of Ontario, introduced the first serials; that two of the greatest producers, Jack Warner and Louis B. Mayer, hailed from Canada.

Other Canadian movie personalities he mentioned were Walter Pidgeon, Raymond Massey, Gene Lockhart, Alexander Knox, Jack Carson, Yvonne de Carlo, Deanna Durbin, Mark Stevens and Hume Cronyn.

Mr. Fisher said that it was a religious conviction which led J. Arthur Rank into the film business. Probably if Mr. Rank had not been a Sunday school teacher there would be no Rank productions.

He was dissatisfied with the lessons given children and thought them ineffective. With his own money he produced two Bible sto-

Five Are Injured In Accident Here

Five persons were injured Sunday when two cars collided at the intersection of Grosvenor Avenue and Sherbrooke Street.

They were: George Brais, of 71 Des Erables, who suffered a cut right hand and bruises about his face and head.

Miss Charlene Gravel, of 267 Desmarchais Boulevard, who was given 20 stitches on her left heel.

Mrs. Agnes Parent, who suffered a cut left eye and a bruised nose and knee.

Clement Daignault, of 148 Champigny Street, who suffered multiple bruises on his head, chest, legs and hands.

Mrs. Daignault, who suffered severe multiple bruises and a possible fracture of the skull. She was the recipient of the worst injuries inflicted in the accident and was the only one of the group detained at the hospital.

All five were taken to the Homoeopathic Hospital for treatment. First aid was rendered by Drs. Cambren and Frost.

The drivers of the two cars in the collision were Clement Daignault and George Brais.

The automobile driven by Mr. Brais careened into the northwest corner of the intersection and knocked down a pedestrian, Miss Gravel.

- That the city council is faced with serious financial problems... seems they are hit by the rising costs too... rumours are that they need an additional \$200,000. If this is true, citizens can look for a hike in taxes and a cut in services.
- That the scuttlebutt has it that as a result of this many of the budgets for city services will be slashed to pieces... some of the heads are to be heard emitting loud groans at this point.
- That one of the reasons for this financial crisis is the six cent boost per hour in salaries for all municipal employees... this totals an additional \$90,000 per year.
- That an additional wage jump for the city's workers, white-collared and overalled, is coming... a recent hike was given in July... strange that the city authorities never get around to telling the rate payers about these moves.
- That the city council has definitely turned the Westmount Property and Guest House Owners Association down flatter than a pancake... wonder why they didn't snap at the opportunity for extra

houses in Westmount... only the city officials have yet to uncover them.

- That the torrential rain and thunder storm which swept over Westmount and Montreal early last Thursday evening did considerable damage to trees. Many Grosvenor and Sunnyside avenue district trees were uprooted or had branches strewn over streets and sidewalks. The City of Westmount Public Works Department sent out a power saw crew to cut up and remove the fallen trees.
- That Dr. Frank N. D. Buchman, founder of the world-wide Moral Re-Armament movement, was the guest of Mrs. Anne McLurg, of 543 Victoria Avenue, last week. Dr. Buchman was on his way to Caux, Switzerland, where an MRA conference was in progress. He had been in Ottawa, where he has a home.
- That Lieut.-Col. Eric Slessor, chairman of the Westmount Municipal Association, moved this week from Grosvenor Avenue to his new home on Springfield Avenue.
- That the Westmount Moving & Warehousing Co. Ltd., 350 Victoria Avenue, completed without hitch the stupendous job of moving the Dominion Textile Co. from their old building on Victoria Square to their new ultra modern building on Sherbrooke Street, between Fort and St. Mark. This was one of the biggest moving jobs to take place in the city and was carried on over a period of weeks.
- That the Unity Boys' Club are still looking for lady volunteers to assist in the work of the club. Anyone who can spare some time in the evenings are requested to get in touch with Mr. Allenby Moss, director of the organization, 1090 Greene Avenue, Tel. WI 5506.
- That Jim (Happy) Holland is the new P.R.O. for the Westmount Football Club. Jim will try to help Walter Small sell football to Westmount and is doing a swell job so far. The win against Lakeshore last Saturday proved that the Westies have a good football team.
- That the hot coffee sold by the Recreation Department staff at Saturday's football game was very acceptable to the frozen spectators. The only thing wrong was that it took too long to pour the coffee from the containers—a jug would have been faster.
- That several members of the band of the Royal Montreal Regiment were slightly shaken up when the bus in which they were travelling back from Kingston, Ontario, on Sunday night went in the ditch. The band accompanied the football team to the Ontario City where a football game was played on Sunday afternoon against R.M.C.
- That the Rev. F. J. Sinnamon, M.A., rector of the new St. Thomas Anglican Church to be erected at Rosedale and Somerled Streets, N.D.G., is a resident of Westmount. His home is at 372 Clarke Avenue. The corner stone of the church was laid at a ceremony on Saturday afternoon with Rt. Rev. John Dixon, Lord Bishop of Montreal officiating. John H. Molson and J. O. Asselin, chairman of the Montreal Executive Committee, also assisted. The old St. Thomas Church on Sherbrooke Street East near Delorimier has been sold to Les Compagnons, the French theatrical group.
- That residents of St. Catherine Street in the vicinity of Melville Avenue were unable to obtain supplies of sugar and potatoes on Monday from the neighbourhood grocers who were sold out due to the Jewish holidays. Many grocery stores were closed Monday and Tuesday.
- That the Westhill majorettes put on a brave showing at the Westmount-Lakeshore football game at the W.A.G. on Saturday. Looking at their bare legs brought shivers to the fans who were huddled close together in the stands to keep warm. Where are the Westmount strutters?
- That the Womens Association of Westmount Park-Emanuel United Church donated quite a collection of jellies and jams to the Montreal West and Cremazie Homes at their meeting in Webster Hall on Tuesday afternoon.
- That the Westmount Business

Local I.O.D.E. Sponsors Darby and Joan Club at "Y"

The Westmount Y.M.C.A., on Sherbrooke Street, will be the home this year of the Darby and Joan club, which is open to anyone over 60 years of age. The club got its start last year when the I.O.D.E. got together these elderly men and women, many of them rather lonely, in an atmosphere of friendliness. The first meetings took place in the Canadian Legion Building on Mountain Street but moved from there to Westmount late in the spring.

Card games are arranged for some, while others just like to sit and reminisce with those who have lived through the same period of time. New friends are made, and tea is served at a small charge. The charge is made so that members may feel that the club is their own and that it is not a charitable affair.

The formation of the club and the facilities offered were made possible through the co-operation of the I.O.D.E. Three of the Westmount chapters have contributed their efforts to the re-opening of the club which was held in the "Y" yesterday afternoon.

It is interesting to note that James Steele, an old Westmount resident who will be remembered

for his work with the Calvary Church orchestra has written a song for the Darby and Joan Club and has distributed copies to the members. Mr. Steele told The Examiner that he thought that the club was fulfilling a long felt want in the lives of many elderly persons, as it brought new friends to replace those who have passed on, and made life brighter for many who had little or no contact with other organizations. During the summer a picnic was held at the country home of one of the members.

Association will hold an executive meeting next Wednesday evening. President Ken Willock states that plans will be formulated for the season's operations and civil defence program discussed. The meeting will be held in the offices of the Graham Motor Sales & Serv. Regd., 221 Victoria Avenue.

- That some of those bright looking executive types who daily carry brief cases which adds to their important bearing use the brief cases to bring home the bacon. One of them looked very uncomfortable in a tramcar on Greene Avenue last week when a packet of sausages fell out of the case when the lock gave way.
- That more and more Westmount residents are turning to the advertisements when looking for something. Whether it be your winter fuel supply, new paint job, new dress for the wife or the best buy in household necessities and appliances you will find it in The Examiner which covers all of Westmount.

IS OUR FACE RED?

Not red... pink possibly—but modesty, not embarrassment is causing the rosy glow. You see, for some time, we've been saying "The Finest Lager Costs no More" and just last week a cable from "L'Institut International d'Alimentation" in Brussels, Belgium, brought the good news that Carling's Black Label won not only "The Star of Excellence" among all Canadian entries but also "the personal congratulations of the judges". Yes, it really makes us feel good to have our advertising claims confirmed by a board of impartial experts, particularly these days when the word "finest" is often used without regard for its real meaning. Well, we've won the Award and this is positively our last word on this subject. May we suggest that you be your own judge. Next time you want a long, cool glass of lager, take a tip from impartial experts and ask for Carling's Black Label Lager. Remember, "The Finest Lager Costs no More!"

"Y" Square Dance Club Will Open Season Tuesday

The Westmount Y.M.C.A. Square Dance Club has announced its opening date for the coming season to be on Tuesday night, October 9, at 8.30 p.m. A spokesman for the Club stated that the first night will feature callers Jay Conn, Howard Fairbairn, and Bill Hopper, calling a variety of old-time numbers for a continuous evening of informal dancing.

The Club was organized only three years ago, and has grown to prominence in the community and in the entire Montreal area. Callers trained within the ranks of the group are in demand from various clubs, churches and youth groups throughout the City.

Last spring, in answer to several requests, the Club organized a Square Dance Callers' Course, which was attended by representatives from other Y.M.C.A. branches, church and community groups. This year, the Westmount "Y" group plans to further the interests of square dancing yet further, through their regular program on Tuesday nights and by means of special events throughout the season.

Those interested in joining the group, or wishing further information, are asked to call the "Y" at GL 3916, or attend any of the Square Dance sessions on Tuesday nights.

Wins Fellowship

GILLES VILANDRE

Local Graduate Wins Fellowship Award By CMHC

Gilles Vilandre, of 486 Wood Avenue, Westmount, has been awarded one of three scholarships, worth \$1,200 for community planning, by the Central Mortgage and Housing Corporation, it has been announced.

Mr. Vilandre, a graduate of the University of Montreal, will take his post-graduate studies at McGill University.

The two other fellowships were awarded to John F. Brown of West Hill, Ont., and to William P. Patterson, of Vancouver, B.C.

The fellowships, available to graduates of recognized universities in the social sciences, architecture or civil engineering, are awarded on the basis of personal ability, academic qualifications and practical experience.

Mr. Vilandre worked during the summer months with the Montreal City Planning Commission. He hopes to enter into a career of town planning after studying for a year under Professor H. Spence Sales, McGill town planning expert.

Failed To Stop At Light, Crashed Into Other Car

Guest House Ass'n Prepare Petition For Circulation

Several petitions are being circulated throughout the city this week by the Westmount Property and Guest House Owners Association.

One is for the signatures of owners of business establishments and the other is being signed by residents of all guest houses.

To date a large number of proprietors of prominent business establishments have placed their signatures on the document.

The petition reads:

"We the undersigned wish to declare that we are in favour of select guest and boarding houses in Westmount as most of the operators and guests are valued servants of ours."

From the names of some of the signers it is apparent that many of the city's businessmen are not looking favorably on the city's move. Many have declared they will lose much of their business.

The other petition being signed by residents of the guest houses states:

"We the undersigned live in guest houses and it is our wish to remain where we are, residents of the City of Westmount."

Earlier this week a delegation of 30 guest house owners and operators were received before the city council in the council chambers for a hearing of their case.

The spokesmen for the Association were Alan Mitchell, L. M. Therrien and Elphege Menard.

Mr. Menard said the City Fathers received them affably enough but made no comment on their statements. Since then the city's course of action has become apparent in their letter to the Association. The letter is printed on this page.

The guest house owners asked the council to amend the by-law widening the zoning to include Cote St. Antoine Road and southward; Sherbrooke Street and southward; Holton Avenue and southward; Mount Pleasant, Elm and Wood Avenues north to Holton.

A meeting of the Guest House Owners Association will be held tonight. For information phone Mrs. Roland Cardinal, WE. 2237.

Brig. J. P. Carriere Heads Brigade

Brigadier Jean Paul Carriere, of 416 Roslyn Avenue, Westmount, has been appointed commander of the 8th Infantry Brigade, Quebec Command, according to an announcement Saturday.

Brig. Carriere succeeds Brig. Guy Gauvreau, transferred to the supplementary Reserve on retirement to take over civil defence duties as co-ordinator of Metropolitan civil defence organizations.

The same announcement gave notice that Lt.-Col. F. L. Caron had been promoted to brigadier and to command the 10th Infantry Brigade.

Both the 8th and the 10th brigades comprise three rural French-speaking battalions.

Bishop Whelan Addresses St. Paul's, St. Leo's Grads

Most Rev. Lawrence P. Whelan, Auxiliary Bishop of Montreal, in an address given to the graduates of Saint Paul's Academy and Saint Leo's Academy at commencement exercises held jointly in the Church of the Ascension of Our Lord, Westmount, on Monday, urged that "to know God, to love God, and to serve God, was the principle of Roman Catholic education."

The distinguished churchman congratulated the parents who had made possible the education of their children. He stressed the role of the "Holy Spirit" in Catholic life today and extolled the work of St. Paul's and St. Leo's academies in the field of local Catholic education. Many distinguished men and women had been graduated from these Westmount schools, he said.

Clubroom To Open For Pensioners At WAG October 9

Lionel Fournier, Recreation Director for the City announces that a room will be opened in the Westmount Athletic Building on St. Catherine Street to be used as a centre for elderly men and pensioners as a clubroom. The room will be open daily Monday through Friday and cards and games will be provided for the amusement and entertainment of the members.

The opening date for the new clubroom has been set for Tuesday, October 9. The room is located on the ground floor of the building so there will be no stairs to climb.

One of the supervisors will look after the wants of the members but they will largely be left to

"Windy Westmount" Is Getting Lots Of Attention

The little three weeks old baby which was found abandoned in a vestibule at 225 Melville avenue on Friday night is being looked after at the Children's Aid Society and Foster Home Centre at 500 Claremont avenue, Westmount. The baby

does not appear to be suffering from a lack of sitters. Meanwhile the local police are endeavouring to trace the person or persons who abandoned the baby in the apartment building on Melville. The child is said to be Chinese.

Cremation Gaining Favor In Montreal and England

Cremation seems to be gaining favour in most countries. Hugh Dalton, Minister of Local Government and Planning, in the United Kingdom, speaking to the annual conference of burial and cremation authorities at Harrogate, in Yorkshire, recently, said that the increase in Great Britain over the past twenty five years is very striking.

W. Ormiston Roy, of the Mount Royal Cemetery Company, here in Montreal, reports that there were 600 cremations last year as compared to only 3 fifty years ago.

Mr. Dalton in his address gave the figures of cremations in Great Britain over the period 1925 to 1950 with the percentage of cremations being shown in parenthesis:—

1925 — Cremations 2,270; total deaths, 539,000 (0.4).

1935 — Cremations, 9,614; total deaths, 552,800 (1.7).

1945 — Cremations, 43,000; total deaths, 544,600 (8).

1950 — Cremations, 89,000; total deaths, 590,000 (15).

"Cremation leads to a great saving in the use of land for cemeteries" Mr. Dalton said.

"The shortage of land in, and immediately around our towns and cities and the urgent claims of housing, industry, schools playing fields, and other open spaces, make it more than ever urgent that we should place some check upon the spread of cemeteries" the minister added.

"All new crematoria authorized since the war are municipal. Of the present total of 58 in England, Scotland and Wales, 37 are municipal and 21 privately owned "Mr. Dalton told the conference.

In Montreal Mr. Roy said that Mount Royal Crematorium was founded with money given by the late Sir William MacDonald the tobacco manufacturer. Sir William was actuated in making the gift because he wished to educate people away from what he considered unhealthy and sometimes morbid preoccupation with graves and mortal remains of the dead.

Mr. Roy holds the opinion that cremation is the best possible method of disposing of the dead. Historically it is justified in the customs and culture of many races. It is inexpensive and convenient, imposing no great financial outlay on survivors.

From an aesthetic viewpoint the memory of remains being consumed by purifying fire is at least as beautiful as that left by the more conventional method of burial.

The only argument against cremation is that cremation prevents the remains being exhumed in a case where foul play may be suspected. The expert work of police agencies in detecting crime nowadays however, makes exhumation a rather rare occurrence.

Certain religious groups do not approve of cremation and until this objection is removed it is doubtful whether cremation will become general.

Rabbi H. J. Stern Stresses Morals New Year Message

Rabbi Harry J. Stern of Temple-Emanu-El Westmount told his congregation at the service held last Friday night that no matter how neglectful they may have been during the year, Jews everywhere make a special effort to appear in God's house on Rosh Hashonah, the Jewish New Year and Day of Atonement.

Rabbi Stern said the holiday reminded Jews that the journey through life could only have significance if it was characterized by moral growth. Technical skill and success in business were useless unless men realized that they were but stewards of whatever they possessed.

GALLANT GIRL, 21, SAVES LIFE OF MAN TWICE HER WEIGHT

Miss Andrée de Passillé, of Chicoutimi, Que., averts drowning through courage and remarkable endurance

1. The Recreation Committee of the Saguenay-Quebec Telephone Company had organized a picnic at St. Gédéon Beach near Chicoutimi. During the day, Miss Andrée de Passillé, 21, was swimming back from a little island about 200 feet from shore when she heard frantic cries for help. Some distance away, a young man was in obvious trouble . . . choking and spluttering as he called for aid.

2. Without hesitation, Miss de Passillé swam in his direction. When she reached him he had already gone under once . . . and her attempts to hold him above the surface were at first not successful. Three or four times she was dragged to the bottom by the struggling man . . . and each time they surfaced she screamed for help. Her gallant efforts were not helped by the fact that she weighed 90 pounds — and the man 190!

3. In spite of the odds against her, she managed to have his head above water when a rescue boat arrived. Exhausted and choking, the brave girl fainted . . . but she had succeeded in saving the man's life. To this courageous young Canadian woman we are indeed proud to pay tribute through the presentation of The Dow Award.

THE DOW AWARD is a citation presented for acts of outstanding heroism and includes, as a tangible expression of appreciation, a \$100 Canada Savings Bond. The Dow Award Committee, a group of editors of leading Canadian daily newspapers, selects Award winners from recommendations made by a nationally known news organization.

I Remember

By G. P. SMITH

A series of articles by a retired coach and physical director recalling great athletes and great teams. Mr. Smith was 32 years of Westmount High as director of physical education (boys), and concurrently 25 years at McGill as wrestling coach.

The season 1939-40 got away to a poor start as we had lost most of our outstanding players from the senior A and B football and hockey teams of the previous year by graduation and in addition the new rules were still a little confusing not only to us but to all teams in the league, with the result there were many misplays and surprises in football in the early part of the season.

The football team captained by Kenny Strachan a very good player, was successful in tying regular league series with the powerful West Hill team and in the playoff at Molson Stadium they were beaten by a close score in a game that was fought from start to finish in a very sporting manner.

Preceding this game I received a very pleasant surprise, and one I deeply appreciated, on being called to the centre of the playing field by the West Hill captain, who presented me with a box of cigars from the senior team, in appreciation of my work in furthering good sportsmanship between the schools. Nevertheless this did not alter or lessen the competitive spirit that followed on the field of play.

There was one thing I always aspired about the boys of West Hill. Every game we played against them was a do or die game without any after game rancour. They loved to beat us and we loved to beat them, and we always had deep respect for their power.

I remember a rather amusing incident that happened on the M.A.A.A. grounds in one game under the new rules. Leith Dickie had caught a kick back near our deadline and was pocketed by the whole team charging in to block him off. His cousin Kenny Strachan, a very cagy kid, was standing just inside our goal line when Leith threw a forward pass to him and I can still visualize Kenny scampering down the sidelines like a scared rabbit and over for a touch which was converted. Ken and Leith used that play a number of times during the season with success. Needless to say the rule permitting this play was deleted from the new rules the following year. I always proved a surprise to players as well as spectators. When it was tried, it was more like basketball than football. It was more like basketball than football. It was a good thing when it was taken out of the rules.

The football team that year had no outstanding stars in their lineup. With Kenny Strachan playing quarter, Doug Champion, a hard punger; Billy Wilson, a smashing through type; John Anderson, very light but active on the half line, while a smart broken field runner Leith Dickie played flying wing and did the kicking as well. Little Bobby Law, a tough young hombre at snap, was into every play on defence. The others on the line were big Gordon Hendry at ins, with stocky Frank Kenwood. The middles were Ian Fraser son of Brigade General) a terrific competitor and J. Brophy. The outsides were George Hanson,

a real piece of dynamite in tackling, and R. Rutledge, light-but very fast. The alternates were: Billy Hill, D. Campbell, Herb. Ralstin, Tom Fisher, Alex Riddell, D. Phillips, Fraser and Earle.

Start Drive

The B team did not win their series, finishing second while the ground of boys forming the junior team of that year started their three year sequence of winning by taking the title as juniors; the following year they won the Senior B and climaxed it the following year by winning the senior A City Championship. This proved the value of continuity in their training, something we lost when the school was split up into Senior and Junior High.

On the junior teams in the three sports that year, we had a Dominion High jump champion, Neville Lefcoe, who had set a new record at the Dominion Interscholastic Track and Field meet at McGill.

In hockey we had a good year, winning the senior and junior titles and losing most all our games in the B section, which was won by the strong Montreal West Home and School. In the senior series all games were close and the season was remarkable in the number of drawn games by all teams.

It seemed all teams were low scoring but strong defensively. Strachan had a good team and were the only team to score a win against us in the league series. In the playoff for the city crown, D'Arcy McGee beat us on the round by a 3 to 2 score at Loyola rink and 5 to 3 at Verdun Auditor. Leith Dickie was the Captain and held down the goal position in a most capable manner, while on defence Doug Champion and Ian Fraser were dependable. On the first line Kenny Strachan, Austin McConnell and Johnny Hill, second line, W. Fraser, E. Dornbush and Owen Clarson. Others that were used at times were Davies, Ketterson, Billy Hill and J. Redpath, Tom Fisher was manager.

The Juniors won all their games, thus winning the city title as well. They had in their lineup Johnny Pearson, now starring on the Boston Bruins. Johnny played all his hockey at the school and park rinks graduating from there to McGill, where he played one season on the Big Red team before moving up to the Boston teams. This last move was a disappointment to me at I had hoped to see John playing for our Canadians.

this, how much more fair then would they be in dealings with their fellow men in the arena of the competitive world," he said.

immediate past presidents, Col. Eric Slessor the current president and his two vice-presidents, together with two members of the executive, Michael Tucker and D. J. Glen.

Sidney Fraser, vice-president, submitted his resignation as he felt that pressure of personal business prevented him giving enough time to the work of the association. Norman Harling, a member of the executive, also tendered his resignation as he is moving from Westmount.

W. E. Black, secretary, distributed the 1950 annual report by the City of Westmount. The report was favourably commented on both for its attractive appearance and the manner in which the various reports giving the fullest information on departmental workings were presented.

The question of people allowing weeds to grow on their properties was introduced. The practice is quite prevalent, it was stated. It was pointed out that there is a by-law governing the matter of weeds and probably some action will be taken to enforce the elimination of weeds by the authorities. The complaint about weeds usually comes up each year about this time.

In a report from director of recreation, Lionel Fournier, regarding the ski-runs on the mountain, Mr. Fournier stated that he was waiting for recommendations from the Westmount Ski Club. Owen Owen, a member of the Ski Club, stated that actually within the club a small group has been doing quite a lot of work in surveying the possibilities of further improving the ski runs on the mountain. Mr. Owen said that several European professionals and ex-champions had expressed the opinion that three practice runs should be laid

out on Westmount mountain which, in condensed form, would give all the practice necessary to train skiers for the most difficult ski runs. The laying out of the ski-runs could be carried out without too much cost. Westmount Ski-Club members had in the past done most of their skiing in the Laurentians, he said. In his opinion Westmount moun-

tain offered wonderful possibilities for skiing if the three runs proposed were laid out. Senior members of the Ski Club could render valuable service by coaching the youngsters, Mr. Owen stated.

Eric Slessor presided over the executive meeting which was well attended, all committees being represented.

WHERE'S THAT OLD SPIRIT?

Lack of Suppor for Our Football Makes Old Westmounters Yearn for Bygone Days

Where is that community spirit which used to exist in Westmount? Where are all those men who one, two and three decades ago made the football headlines? We looked over the 700 or so fans who braved the rather cold weather to take in the Westmount-Lakeshore senior Q.R.F.U. game at the Westmount Athletic Grounds on Saturday, and were grieved to find that many of the old faces were missing. Is it because many of the old time families have moved away? Is it because those who have recently come to dwell in our midst have no community spirit and no Westmount roots?

This we do feel, that people in a community should go all out to support community efforts whether they be in athletics or other fields. It is a matter of regret that in this day and age selfishness appears to have crept into our lives to the exclusion of the general well being of the community. Contrast this state of mind with that shown by new Canadians from Europe who support their sporting organizations and drives for community funds to a degree undreamt of by Canadian born citizens. Anyone who has followed the Italian soccer team which has played several games on the Westmount Ground will agree that the support, vocal and financial, given to the club by Italian nationals here is an eyeopener, and is refreshing in that it brings back memories of days when Westmount football teams had the same kind of support.

Christian Science

"Unreality" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday. The Golden Text is from Proverb 10:22 "The blessing of the Lord, it maketh rich, and he addeth no sorrow with it."

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Even the youths shall faint and be weary, and the young men shall utterly fall: But they that wait upon the Lord shall renew their strength, they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint." (Isaiah 40).

The Lesson-Sermon also includes the following passage from the Christian Science textbook: "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "To say that strength is in matter, is like saying that the power is in the lever. In mathematics, we do not multiply when we should subtract, and then say the product is correct. No more can we say in Science that muscles give strength that nerves give pain or pleasure, or that matter governs, and then expect that the result will be harmony. Rise in the strength of Spirit to resist

all that is unlike good. God has made man capable of this, and nothing can vitiate the ability and power divinely bestowed on man."

Calvary United Church

On Sunday next in Calvary United Church, Westmount, the guest preacher will be the Rev. Fred Williams of Carleton Place, Ontario. At the morning service we share in the World Communion Sunday, and at the evening service we celebrate the National Thanksgiving Day. The theme of the morning sermon will be "The Real Menace of the Highway," and at the evening the subject will be "The Harvest Talks Back."

The Rev. Fred Williams is well known to the Church congregations in Montreal; he held pastorates for many years in this area prior to his retirement. Recently he has been very ably filling the pulpit of Parkdale United Church, Ottawa, during the illness of the Rev. Dr. Norman Coll.

All departments of the Church School will meet on Sunday morning at 9.45. The Nursery Division and Mission Band meet during the hour of morning worship.

with football in Westmount for longer than some of us care to remember, is trying to carry on the traditions of football here as best he can, but sorely needs the backing of Westmounters to help him put it over.

Can Westmount afford to let Walter down? Can they afford to neglect this opportunity of showing their community spirit? If the newcomers will tie in with the old, a new era in sport in Westmount might be the result. The appeal by the club executive for financial and moral support should not go unanswered in a City such as this. To those who are now past the age of active participation in our great fall pastime the next best thing is to encourage the present generation by our patronage. Many helping hands make light the job.

FREEDOM IS THE WORD

"Capitalism" and "Communism" Are Not Necessarily Opposites

In the United States there is much concern about the use of the word "Capitalism" as the opposite to "Communism". This reveals a striking success for the Soviets because it is Soviet propoganda that has created the illusion that Communism and Capitalism are opposites.

To say that an economic system is capitalist is to state the truth that it builds on investment. Capital is that portion of wealth which is applied to the production of more wealth. The structure of the Soviet economy is the most capitalistic in history.

A. K. Cameron, a Westmount resident, emphasized the capitalistic nature of the Russian economy after a protracted visit to that country fifteen years ago. No matter whether ownership is vested in private hands or in the state; whether its control is centralized and absolute, or dispersed and autonomous, the system is still "the application of wealth to the production of more wealth."

By accepting the Soviet propoganda device of opposing Capitalism to Communism, we not only conspire to convey false meaning, we also surrender our own case.

Those who oppose Communism by Capitalism are either ignorant or are playing the enemy's game. The opposite to Communism is Freedom. In the economic field the opposite to the monopoly State Capitalism of the Soviets is the Responsible Enterprise of free countries.

Women's Missionary Auxiliary will hold its Autumn Thank-Offering meeting in the Ladies' Parlours. Mrs. E. M. Roberts is the convener and the guest speaker will be Mrs. E. A. Kirker. All the ladies of the congregation are invited.

The Churches of Canada will observe Thanksgiving on Sunday. We Canadians live in what is probably the most favoured Country in all the World. Less favoured people in Canada may live in luxury compared to the utter poverty of millions in other lands. If our gratitude be in any way commensurate to the Goodness and Mercy of God, that has favoured us so abundantly, our spirit of thankfulness should be without limit. Gratitude is one of the noblest of the Christian graces. Every Canadian should be found in the Place of Worship to render thanks to Almighty God. The Theme of the Morning Service will be "Thanks Giving."

In the Evening Dr. Johnston's message will be entitled, "Christ and the Absentee." Absenteeism, whether in work-shop, office or factory, is often the bane of commerce and industry. No where is absenteeism more disastrous than in the work of the Christian Church. To render half-hearted allegiance or luke-warm devotion is an insult to Deity and an illuminating commentary on the quality of our own lives. David was missed from the King's Table. Thomas was not there when Christ came. One "Presentee" is worth ten Absentees. The Church of Christ will know true revival when every member responds to the Roll-Call and every professed Christian Reports for Duty. "Men of Westmount" Sunday will be observed on October 21st.

Scouting Around

with REG. GROOME

Saturday at dinner time the 16th annual Provincial Scouters' Conference gets underway at North Hatley, Que., in the Pleasant View Hotel. Hotel reservations which, incidentally, are all to be made through scout headquarters, show that this year's attendance may be even bigger than last year's. Among the guest speakers will be Major General D. C. Spry, Chief Executive Commissioner for Canada, and E. Russel Paterson, former provincial Executive Commissioner.

This weekend, Thanksgiving weekend, should be a must for every scout. If you have been to one of the conferences, you know how informative and pleasant they can be. And, if you haven't, you owe it to yourself to attend. The cost of the entire trip is reasonable, and the hotel co-operates by making a special reduction on their regular charge. We hope to see representatives there from every unit in this district.

If you're going to the conference by train, you have three choices. Take the C.P.R. to Magog, where trains will be met, by previous arrangement, by the North Hatley bus. Or, take the C.N.R. to Waterville and again the bus will meet the train. In both cases, a small extra charge is made for the bus ride. Third, take the Quebec Central Railway to North Hatley... and the station is close to the hotel. For those who wish to go by bus, any bus line travelling to Magog is suitable, and the North Hatley bus will pick up passengers by arrangement.

Travelling by auto, Montrealers should take highway number one, Montreal-Sherbrooke-Quebec. Turn off at Magog on an unnumbered route through Katevale to North Hatley... distance, 10 miles from Magog. Remember, the conference opens Saturday at dinner... and ends Monday at luncheon... if

both morning and evening, and the Sacrament of the Lord's Supper will be observed at both services. Preparatory Service will be held on Friday evening at 8 o'clock. A Rummage Sale under the auspices of the Women's Association will be open on Friday morning at 10 o'clock. Articles for the sale should be delivered if possible the day before. Bulky articles will be called for. The Fall Rally of the Montreal Presbyterian of the Women's Missionary Society will be held on October 25 in this church.

Aspiring Ballerinas Visit Her

—Photo by Nakash

DOROTHY ROSSETTI

Dance Shoe Business Is Outcome Of Dancer's Youthful Dreams

In her own "boutique" named after the ballet "la boutique fantasque" first produced in London by the Ballet Russe, Dorothy Rossetti, who wanted to be a great ballet dancer, finds expression for her early dreams in fitting the tiniest ballet shoes 4 1/2 inches long and toe shoes only six inches in length, and in handling Russian tunics, tights and leotards. Her shop decor features motifs of the ballet, and Dorothy herself lives in the atmosphere of the ballet which she loves.

When asked for details about her choice of career Dorothy Rossetti, who was born in Lethbridge, explains that when she was six her ambition was to be a great dancer and appear before kings and princes all over the world as the best ballerina since Pavlova. "But that was a long time ago," she added with a smile.

"I had my first dancing lesson, my first Capezio Toe Shoes and all the breath-taking accessories that the child dreams of as necessities to the making of a premier dancer," she reminisced. "Then to the states for further instruction and practice, practice, routines, routines. It was hard work but I was never disillusioned or discouraged.

"Back to Canada; the first: serious boy-friend, romance, marriage, motherhood, widowhood and then my own classes. The youngsters who attended my lessons brought with them that same romantic "dream-in-the-clouds" look that I had entertained fifteen years before.

"Realising that I would never be the dream-star of my childhood and not being strong enough to keep up the pace of continual teaching, I decided to do the next best thing. I would gather experience in the dance shoe business and look forward to entering again that spirit of hope and happiness of my early 'teens. Primarily I am in this business because I love it. I love the trappings, the make-up, the show business and all the clean living exercise that goes with it.

"I hope," she says, "to make my living among the stage props, costumes and all the colourful carnival of the ballet that I love, but most of all I want to keep young in that atmosphere of eager youth whose dreams are still before them."

"So, in this little shop there will be colour and sparkle and a sym-

Shaar Hashomayin W.A. To Hear Mrs. Rosenzweig At Annual Succos Tea

The Annual Succos Tea of the Shaar Hashomayim Women's Auxiliary will be held on Tuesday, October 16, the Second Day of Succos, at 2.45 p.m. in the Synagogue's Community Hall. On this occasion, a welcome will be extended to all new members. Mrs. M. A. Brown, president, will conduct the meeting.

The guest speaker will be Mrs. Ephraim M. Rosenzweig, who will present an original dramatic script entitled "Israel — The Harvest Story." The speaker is a graduate of the University of Chicago, is presently teaching at the M.R.T. School, and is associated with the Drama Council of the Y.M.-Y.W.H.A. With her husband, who is Public Relations Director of the National Committee of the B'nai B'rith and Canada Jewish Congress, she has published a book of children's stories centering around the Jewish holidays.

All members and friends of the auxiliary are cordially invited to participate in this observance of the colorful and joyous festival of Succos, which commemorates the ingathering of the late crops and the vintage in ancient Israel, as portrayed in the Bible.

"Batter Up!" Says Pancake Expert

—Photo by Ed. Bermingham

Getting ready for the crowds of customers and children who will sample her fresh pancakes and oven cakes, is Miss Thelma Nicholas, a cheerful colored woman who was given her job as demonstrator because of her amazing likeness to Aunt Jemima herself. She is doling out pancakes at the A&P store on Sherbrooke near Vendome, this week, and next week will visit the Bannantyne Avenue, Verdun, branch.

Travelling Cook Is Popular With Store's Clients

By CAROLE McDONELL
A youngster interrupted his playright in an east end park in Montreal, to run an errand at the nearby A&P Supermarket. He soon raced back to the playground to report a wonderful treat, and the news quickly spread. Children promptly left their swings and sandboxes to flock to the store, and within half an hour close to 500 were lined up at the supermarket.

Inside, Demonstrator Miss Thelma Nicholas, a large, cheerful, colored woman who looks like Aunt Jemina herself, was cooking pancakes at lightning speed and passing them out to the delighted youngsters. Throughout the exhausting process of reducing the queue, Miss Nicholas grinned amiably at the amused shoppers with a look that plainly said: "Never underestimate the power of a pancake."

Recently it was the Queen Mary Road branch store that attracted shoppers and schoolchildren. Between showing the new greaseless method of "frying" pancakes, and answering customers' questions about these and other cake mixes which she demonstrates, Miss Nicholas told the Monitor a little of her career. The Quaker Oats Company sought her two years ago, having heard that she was ideally big and bilingual, in that order, as she good-naturedly declares. She has been specially trained, and expects her work to soon take her to other cities in the province.

At about this point in the interview, three little boys with conspicuously new school bags presented themselves before the stand. Her huge brown eyes twinkling, "Aunt Jemina" suggested they go home first and bring back their mothers, for which promotion work all would receive extra large servings. They nodded solemnly and left.

"They've been fed every day this week," she chuckled, "and I figure it's about time they worked for it."

The men, too, are quite interested, and the other day one insisted on getting right into the act and making one for himself.

Miss Nicholas and her stoves and mixes are now at the A & P Store at 5155 Sherbrooke Street west, and next week will go to the branch on Bannantyne Avenue, Verdun. Later, after a stay in the St. Laurent store on Decarie Boulevard, starting Nov. 12, she will demonstrate at the Benny Farm A & P for a week.

If you're looking for her, well,

C.S.P.C.A. Names Mrs. A. T. Stikeman Head Of Campaign

Mrs. A. T. Stikeman has been named general chairman of the Animal Shelter Fund appeal by C.S.P.C.A. board of management.

Mrs. Stikeman, president of the society for two years, heads a campaign to raise \$100,000 to build a larger and better equipped animal shelter in Montreal.

The present shelter, built in 1929, is too small for the hundreds of cats, dogs and other animals which come under C.S.P.C.A. care. The campaign will open Oct. 27 with a tag day.

"A crown and a brim" no longer constitute the definition of a hat where fall millinery is concerned in the latest collections just shown in Paris. The leading houses blend their felts (for felts are the backbone of the new collections) into a single shape, often conical, and you could defy anyone to decide where crown ends and brim commences.

CAR COLLISION

Charlaine Gravel, 20 years old, of 267 Desmarchais Boulevard, received a severe gash on one heel after being struck by a car which was involved in an accident at the corner of Sherbrooke and Grosvenor Streets, in Westmount.

The car, driven by George Brais, of Valleyfield, hit another vehicle driven by Clement Dagenault of Montreal, and bounced off. The two drivers and other occupants of the cars were also injured in the accident.

ries, then bought several theatres to show them in.

They were so effective that he decided to go into cinema in a big way. Mr. Fisher stated that Rank productions always strived to stress the moral aspect of life. "The industry and censors see to it," he declared, "that good always triumphs over evil".

The speaker stated the players in British films were among the best, if not the best, trained artists in the world.

He said the majority of them had worked many years in drama schools and in provincial companies before entering the limelight.

"To most of them", he declared, "their craft means more than money. Sir Laurence Olivier turned down a Hollywood role at a quarter of a million dollars because he wanted to do a season at the Old Vic in London for a few pounds a week".

Over a 20 year period, Mr. Fisher said the number of movie theatres in the nation had grown from 907 to 2360; while in the United States there were now 16,880.

He stated there were 139 million admissions into Canadian theatres

Trinity Players Rehearse For Presentation

As their first play of the new season, Trinity Players are now rehearsing "Pink String and Sealing Wax", by the well known mystery writer, Roland Pertwee.

A full-flavored domestic drama, set in Brighton around 1880, it centres around a typical heavy-handed, blustering papa, who rules his family with a heavy hand, yet does not know what intrigues are going on around him.

Traditionally, Trinity Players open their season with a comedy. This Pertwee play is primarily a mystery play, but very definitely has its light moments. Running from Oct. 24-27 at Trinity Memorial Hall, is directed by Basil Donn, C.D.A.

in 1939, which had skyrocketed to 245 million in 1950.

The speaker said the picture screen was a potent factor in the world of today. The spirit of freedom inherent in the movies so alarmed Hitler and Mussolini that they banned foreign pictures. Stalin was doing the same thing today.

Forty Top Stars Appear In Feature Film At The Monkland

No matter what the weather forecast for next Saturday until Tuesday is, the stars will surely be out at the Monkland Theatre! Paramount's star-studded, gigantic musical comedy hit, "Star Spangled Rhythm," is promised that day and if advance reports are any indication of what may be expected in the way of entertainment, it should be nothing less than terrific!

There are at least forty top stars in it! To mention a few, there are Bing Crosby, Bob Hope, Fred MacMurray, Franchot Tone, Ray Milland, Victor Moore, Dorothy Lamour, Paulette Goddard, Vera Zorina, Mary Martin, Dick Powell, Betty Hutton, Eddie Bracken, Veronica Lake, Alan Ladd and Rochester. If that doesn't read like the who's who of

moviedom, then we just don't know what's what. All the stars mentioned, plus some twenty-four others including William Bendix, Jerry Colonna, Macdonald Carey, Walter Abel, Susan Hayward and Marjorie Reynolds, don't just make a brief appearance on the screen and then vanish. They all really work in the film and the results are said to be absolute tops in movie entertainment.

There's a story to "Star Spangled Rhythm," too. It's not the usual type of revue that the presence of so many stars might lead you to believe. It's a real, honest-to-goodness musical comedy.

The story tells of the sad plight of Victor Moore, gateman at the Paramount Studio in Hollywood, whose sailor son, Eddie Bracken, believes him to be head man on the lot. Eddie, on shore leave, comes

Bob Hope Comedy Comes To The Westmount Theatre Sunday

Bob Hope's latest and reportedly funniest comedy is "The Lemon Drop Kid," a Paramount picture which will open on Sunday at the Westmount Theatre. Teamed with Bob for the first time is blonde and sumptuous Marilyn Maxwell, and Lloyd Nolan and Jane Darwell are also starred.

Adapted for the screen from a famous Damon Runyon story, this uproarious adventure has been skillfully tailored to make the most of Bob's unique talents in the title role.

The story follows The Lemon Drop Kid, a hilarious racetrack tout, in his attempt to raise the \$10,000 which a tough New York hoodlum has dropped on one of his phony tips. The gangster gives The Kid till Christmas—twenty-three days—to raise his ransom. If he can't produce, he must submit to the scalpel of an unlicensed practitioner named Sam The Surgeon. Opening a bogus home for old women, The Kid enlists the help of his Broadway cronies con men, safe crackers and pickpockets. Dressed as Santa Clauses and equipped with bells and pots, they solicit contributions on New York's busiest corners.

According to overjoyed previewers, what happens from here on in is punctuated with riotous laughs and a score of incredibly funny situations that give Bob more than ample opportunity to display his inimitable clowning.

A drama set and filmed on and above the sidewalks of New York, "Fourteen Hours," the added attraction, is reportedly a completely different screen experience. The stars of "Fourteen Hours" are Paul Douglas, Richard Basehart, Barbara Bel Geddes and Debra Paget, and there is an auspicious supporting cast.

Winter Activities Of Putting Club As Yet Uncertain

In view of the fact that during the season of 1950-1951, the Putters' Social Club operated without an executive, it is unknown to the Recreation Department whether or not the Club plans to continue during the fall and winter season of 1951-1952.

It would be appreciated if an expression of opinion could be obtained from the former members of the Westmount Putters' Social Club as to whether or not they feel that the Club should resume operations this year. Members are invited to contact the Westmount Recreation Department — FI. 6975 — and record their opinions.

Should sufficient interest be expressed, it is possible that arrangements may be made to accommodate the Club at the Westmount Athletic Grounds Clubhouse.

Trim WHS Seniors Proctor Game Set For October 27

Perhaps the biggest and worst news on the Westmount High Sports front this week is that the girls' tennis team, which entered the inter-school doubles annual championship tournament, sailed through the field of entries from the various High Schools of Montreal without a loss, only to end up playing second fiddle to (horrors) Westmount JUNIOR High!

'S'fact, chum, but before the sad details, here are some highlights of events to come during the next week or two.

After having played Catholic High's Senior "A" Football team yesterday afternoon, Westmount's gridgers will play hosts to the mighty West Hill squad next

Wednesday aft at the Westmount Athletic Grounds, the start slated for an early 3.30. It has also been announced that the definite date for the annual international football game between WHS and Proctor Academy in New Hampshire has now been set for Saturday afternoon, October 27th, at the Stateside School's home

grounds. At this game a ceremony will take place at which the Westmount team will make a reciprocal presentation of the Canadian flag to the American Academy.

The Westmount High Old Boys will also inaugurate a trophy for presentation each year to the winner of this annual classic.

Coming back to the subject of tennis for the nonce (hey, a new word) we find that the top-seeded teams of Alicia Blakeney-Patty Mowat and Bonnie Louson-Pinky Parsons went down to an almost ignominious defeat at the hands of Westmount Junior High's top-seeded teams of Sue Christmas-Eleanor Dodge (6-1, 6-1) and Carol Black-Ruth Griffiths (6-0, 4-6, 8-6) respectively! Some honour was, however, retained by the senior High as the team of Heather Doig-Bev Christmas managed to down Di Johnson-Maggie Klein (10-8, 6-1). Other members of the City-Champion Juniors were Frances Stein and Carolyn Davis and of the Seniors — Pru Aykroyd and Carine Gilmour. Margareta Sandzelius served this year as team manager.

RMR Take Stranglehold On First Place in QRFU

Royal Montreal Regiment's football team grabbed a stranglehold on first place in the senior Q.R.F.U. standings on Saturday afternoon when they kicked through with a last half surge to whip Eastward 24-15 on the latter's ground at Maisonneuve.

The Army had to go all out in the last half to come from behind a 13-0 count for Eastward early in the game. Eastward led at half-time 15-8.

A converted major and two singles in the first quarter, and another major shortly after the start of the second quarter gave Fitzpatrick and Straccina kicked singles. Russell converted the first touchdown.

Norris Masterman put R.M.R. back into the game with a single and a touchdown in the second quarter, but Straccina connected for an Eastward safety touch before the half.

Dave Binmore shot Army back in the swing of things with a third quarter touchdown which Mike Maruska again converted, then pushed coach Dave Peebles' gang into the lead with another major in the fourth. Maruska kicked the convert to give R.M.R. an 18-15 lead. John Hanson came through with a major which Maruska again converted, to end the scoring at 24-15 for Army.

Jimmy Green, who refereed, came in for some nice compliments for his handling of the game from both teams.

R.M.R., Westmount Face Heavy Weekend Schedule

R.M.R. will play Eastward Saturday afternoon at the Westmount Athletic Grounds with starting time set for 2.00 p.m. On Monday (Thanksgiving Day), Army are at home again to Lakeshore.

Both these games promise to be humdingers with both visiting clubs aching to take points off the leading R.M.R.

Major John Coupland, manager of the Army team, has announced that starting from this weekend a new scale of admission prices will be charged.

The admission charge has been dropped to 75 cents for men, 50 cents for women and 25 cents for children. The full regimental band

will be in attendance both days, Saturday and Monday, to add to the enjoyment of the fans.

Westmount Play Sunday
Westmount will play away on Saturday and Sunday. On Saturday the Warriors will tackle Lakeshore at Valois. On Sunday they will journey back to the Lakeshore ground to play Eastward.

This game was scheduled as part of a doubleheader at the W.A.G. on Monday but Walter Small and his Westmount executive thought that it would be better policy to play on Sunday, thus leaving Army in sole possession of the W.A.G. on Monday.

The use of the Lakeshore ground at Valois has been made possible through the kind offices of the Lakeshore Football Club and the City of Pointe Claire and also with the co-operation of Eastward who consented to travel to the Lakeshore gridiron.

Westmount are looking forward to taking four points from these two games which will put them in second place in the standing.

Atwater Ballpark Now Parking Lot Permit Granted
The old Atwater ball park will shortly become a parking lot. The City of Montreal has issued a permit to Alexis Nihon Co. Ltd., permitting the establishment of a parking ground on the former ball park facing the Forum on Atwater Avenue.

Warriors Hit Hard Chesley Vindicated Team Looks Good

Roy Chesley, coach of Westmount Warriors' prediction that his team would take Lakeshore Flyers at the W.A.G. last Saturday came true. Lakeshore were beaten by 15-5.

The Warriors on Saturday showed a spirit which carried them through to eventual victory after a shaky start during which time Lakeshore scored a rather easy touchdown. The line which, in previous games had given coaches Chesley and Parsons cause for worry, showed great improvement and were hitting hard all through the game which had much to do with the many fumbles by Lakeshore, one of which was costly as the Flyers were right on the two yard

Mrs. H. W. Soper Wins Women's Open Golf Title

Mrs. H. W. Soper, of 3246 Cedar Avenue, won the Canadian Women's senior golf championship at Toronto Golf Club on Friday.

Mrs. Soper is a member of Kanawaki Golf Club and has long been prominent in local golfing circles.

She carded 188 in the 36-hole competition, eight strokes in front of Mrs. G. E. Hackney of the Seignory Club. Mrs. Hackney was another eight strokes ahead of Mrs. T. J. Agar of Toronto and York Downs.

Mrs. Agar, who has held the women's championship for the last five years, made her first round in 104 and seemed well on the way to a comeback when she

turned in a 45 on the first nine holes of the second round. She however got caught in a deep trap in the back nine and took 55 strokes for an even 100 and 204 total, well behind Mrs. Soper, the new champion.

line with three downs to go. Chesley stated that hitting hard makes the opposing players nervous even when they are in the clear. His strategy paid off on Saturday. Another thing which added to the confidence of the Warriors was the excellent officiating by Stew Shearer, Lou Miller and Alec Fleming. Confidence in the officials gives to the player the feeling that he doesn't have to worry about watching the other fellow enabling him to devote his entire attention on the ball.

Eddie McLeod was again the sparkplug for Westmount as the Warriors played heads up football all the way and took advantage of the Flyers' many miscues.

Lakeshore scored a major early in the first quarter when Jim Birmingham snared a long pass in the end zone. This was not converted and the score read Lakeshore 5, Westmount 0. Later in the half Eddie McLeod connected for a touchdown and converted. This gave the Warriors the lead by 6-5. Both teams handled the ball very loosely at this stage of the contest, then Westmount seemed to steady down for a drive that ended in a placement going wide and counting for a single. Half-time score, Westmount 7, Lakeshore 5.

In the second half, play opened at a faster pace and both teams showed a much better brand of ball handling. Westmount pulled an inside kick and "Ted" Tobias recovered the ball for the Warriors, this resulted with Ian Hamilton going for 15 yards for a major score. McLeod converted and the scoreboard read Westmount 15, Lakeshore 5. Play roughened up at this stage of the game and referee "Stew" Shearer quickly brought the players on both teams under control. Eddie McLeod tried another placement which was wide of the post and "Dermott" Murphy brought down "Flash" McDonald in the Flyers end zone for a single point. Westmount 14, Lakeshore 5. In the closing minutes of the game Jimmy Simpson hoisted a long punt deep into Lakeshore pay-off territory and "Gil" Loiseau tackled McDonald to chalk up an additional single point making the final score Westmount 15, Lakeshore 5.

For Lakeshore the outstanding players were — Scott, Birmingham and McDonald.

The standouts for the Warriors were McLeod (2 touchdowns, 2 converts and 2 singles); "Dermott" Murphy played an outstanding game at end and "Les" St. Pierre, "Ted" Tobias showed a much improved game at half and the powerful Westmount line that Roy Chesley and "Mac" Parsons claim to be the best in the Senior Q.R.F.U. this season, held the Flyers in subjection.

During the interval, the crowd was entertained by the West Hill High School Majorettes who gave a very pleasing display and were much appreciated by all in attendance.

Jim Macken, No. 1 Tennis Player In British Columbia

Jim Macken, one of the Westmount tennis family and a brother of Brendan and Pat has been named No. 1 ranking tennis player in British Columbia, according to rankings released by the B.C. Lawn Tennis Association on Monday.

Jim Macken moved first to Toronto and then early this year was transferred by his firm to Vancouver where he has played heads up tennis in all competitions on the coast.

The only player to beat Macken this year in a competition, Paul Willey of Vancouver was ranked No. 3 and Jim Skelton also of Vancouver was ranked second.

Unity Boys' Club News

Somebody asked the other day what the crest at the top of this column stood for. They were pretty ignorant not to know, and after due explanations, they were ashamed. But the thought came that it might be a good idea to give Unity Boys Club members a little outline of what Boys Clubs of Canada stand for, and why the Unity Boys Club is what is called a "member club." Shall we pretend its a quiz and answer questions?

What is the Boys Club of Canada? Boys Clubs of Canada, which are affiliated to the Boys Clubs of America, was founded in 1929, and today has 36 "member clubs" from St. Johns, Nfld. to Vancouver, B.C., with a membership of 30,000 boys and girls. The fun, crafts, sports and other activities of each of these clubs are fundamentally the same, with special programmes to meet special community needs. They are all designed by men and women who love and know what near-teen-age boys and girls like to do, and they are all planned to teach you citizenship — which means how best to be a good man in your country, not to be afraid of an honest job, to get along with your neighbour, to protect yourself and your country's rights. And that means Canada to you.

So you are under the eye of President Alan D. McCall and Vernon F. McAdam, Executive Director of the Boys Clubs of Canada. Mr. McCall and Mr. McAdam are Montrealers, and especially interested in your new clubhouse activities as you are "home-town." Other members of the Executive and Board of Directors come from practically every large city and town in Canada and are watching for your initiative and leadership as a member club of the Boys Club of Canada.

Programmes Now In Full Swing For Bantams Only

(Continued from Page 14) in which he represents St. Ann's division, that he would ask permission to present a bill which would permit the City of Montreal to control parking rates as it does taxi rates.

The parking company has agreed to establish two driveways to Atwater Avenue and one on Western Avenue. The territory with which Montreal is concerned abuts on Atwater and runs from St. Catherine Street to Western Avenue, the rest of the property is in Westmount.

It is understood that the Parks and Playground committee will approach the City, asking that the Atwater Park area be expropriated to make way for much needed playgrounds. The Parks and Playground officials point out that there is no playground space available between University Street and Atwater Avenue.

Samuel Bronfman To Chair Jewish Convention Here

Samuel Bronfman, of 15 Belvedere Road, chairman of the Canadian Jewish Congress, will be chairman of the next plenary session of the congress, which will be held in the Mount Royal Hotel, October 27 to 29.

Mr. Bronfman will also chair the arrangements committee for the convention which is comprised of Monroe Abbey, Samuel D. Cohen, Moishe Dickstein, Michael Garber, K.C., Sender Greenfield, Samuel Harvey, Harold Lande and M. H. Myerson of Montreal, toge-

ther with delegates from Saint John, N.B., Halifax, Winnipeg, Toronto and Vancouver.

The plenary sessions are held every two or three years and constitute the national convention for Canadian Jewry. The meeting here will be the ninth such assembly since the Congress was founded in 1919 and re-organized at Toronto in 1934.

Local Jews will send 154 delegates to the convention. Ontario will have 180 delegates and 109 will come from western Canada.

Dr. Nahum Goldmann, one of the foremost leaders of Jewry today and head of the World Jewish Congress, will speak at the convention. Dr. Goldmann has just returned from a survey of Israel.
