LOCAL NEWS.
HUNDREDS of ladies are buying
ter Mantles now during S. Carl

SALE at special prices.

A FEW GLASSES of St. Leon have been known to cure a severe case of rheumatism. Head office, 100 Broadway.

PLEASE REMEMBER that C. F. Fitts the only bakers making only made bread for supplying private families, value your health, get the best.

STRIKE while the iron is hot, so 47 Beaver Hall Hill, and take advantage of the weather before it gets too cold.

THE ASSORTMENT of new Fall Mantles at S. Carsley's is said to equal all other retail stocks of Montreal combined.

THE YACHT RACE.—No matter people may differ regarding the merits of the Volunteer and Thistle, all agreed that the prince of smokers is the Perique Mixture, sold exclusively by Hirsch, opposite the Post Office.

THE TREASURER of the Montreal

RALEIGH CUT PLUG SMOKING—guaranteed perfectly pure and new and is pronounced by connoisseurs now offered to the public. Ask your dealer for it. I. Harris & Son, 1010 Dame street.

TELEPHONE EXTENSION—The telephone Company are rapidly extending the number of exchanges in the Province.

bee. The Company have just completed the installation of a new telephone connections between Mount Beauharnois, Valleyfield, Ormston, Kingston and Athelstane, at all of which exchanges have been established.

CHIEF PATTON'S EQUIPAGE.—A dog cart have been purchased by the office of the Fire Department for Chief Patton to take that office from fires. The new equipage is the Central Fire Station on Craigie is to be fitted up with swinging like the reels. Fireman W. For-

placed in charge of the Chief. Chief can now attend all fires either to his district without pressing him to his own service. This reel line has been taken to small fires at the of the city for the sole purpose of the Chief.

S. CARLEY'S sale of a manufacture of new Winter Mantles at special is a grand success so far.

THE BAZAAR, in aid of the Memorial Hospital, is to be held at V on the dates originally fixed, i.e.,

England, completed its labors
last estimates for constructing t
fittings are \$1,890,000, and for
machinery \$486,000, making a to
000, which is \$124,000 less than
appropriated by Congress for the

away so beautifully yesterday and returned again and another rain making everything very uncomfortable. Many soldiers left yesterday and for their homes, and the out-going well filled to-day. Nevertheless, the number that came to stick it out, are enjoying regimental and post receptions which are continuing. The camps are not deserted, the headquarters of the Illinois and Kansas camps are groups of officers as they have done all the week, almost forgotten. The entire

29. The committee are carrying out the project originally arranged as far as done, and a large number of the morning took advantage of the excursion to Springfield, Ills., to see the Lincoln monument. Another session on the river by steamboat to the Barracks and to the Water-works was patronized by thousands, one steamer carrying 2,500 persons on one trip. The states and regiments at Forestburg was attended by large numbers, furnished shelter during a heavy rain, most of the time the warriors were

rank and file alone joined these distinguished guests have been shelter by the storm, and after mingling with the boys have weather too much for them. This affords amusement for the women, and many of the boys in the through the aisles or listen to the Gilmore's Band in the music hall the door of the hall in which ment is being held, are many who are interested in the gossip that can be gleaned from the proceedings.
